## REVIVAL OPENS AT FIRST BAPTIST CHURCH, SIXTEENTH: LEADERS NAMED

REV. O. M. THOMPSON SINGER E. W. ROGERS

Reverend Thompson will lead the Revival Meeting which begins at the First Baptist Church Sunday.

Singer Rogers, will lead the inspirational song service at the Revival Meeting which begins Sunday at the First Baptist Church.

Preparations are already being made for the Revival Meeting which will be held at the First Baptist Church beginning Sunday, April 16, with Rev. O. M. Thompson of San Antonio leading the services, and Mr. Earl W. Rogers, Assistant Pastor and Music Director of the First Baptist Church of Denton, leading the song service.

Information received is that Rev. Thompson is one of the leading pastors of San Antonio, having accepted the pastorate of the Beacon Hill Baptist Church of that city in 1936.

Mr. Rogers, we are told, is excellent in his field, and those who hear him will be appreciative of his leadership.

Services are scheduled to start in the mornings at 10 a. m. and the evening services at 7:30.

A schedule of special prayer groups have been released, and the public is cordially invited to attend all these services. These services will be held at 3:00 each afternoon during the revival and are sponsored by the W. M. U. of the church. The men will have a special prayer service at the church each morning at 6:45. All men are urged to come whether they can be at the church at 6:45 or not.

Also, a Baptist Fellowship Luncheon will be held at the noon hour Tuesday, April 18, at which all men members of the church are urged to attend. The luncheon will be free, and those who have not made reservation are urged to see either D. R. Boone, C. E. Alvis, Price Bauman, C. H. McGilvray, Troy Jones, Joe Hanna or Edgar Franks.

### TWIRLER HERE TO INSTRUCT BAND TWIRLERS

Baton twirlers will be practicing all over town maybe since Duane Billeadeau, of Lansing, Michigan is here to open his twirling school.

Already, according to D. W. Diserens of the school band, twelve have enrolled in the school, and it looks like things will be going around and around for the next few days or weeks.

### METHODIST YOUNG PEOPLE'S UNION TO MEET

Tuesday night, tonight, the West Side Waco District Union of the Methodist Church will meet in Oglesby. Cars will leave the church here about 7:30, and the meeting will begin at 8 o'clock. All Young people are urged to attend.

### Guests in the C. L. Bean home

the past week end were Mr. and Mrs. H. C. Bean of Fort Worth and H. P. Bean, who is attending school at Annapolis. The latter had as his guests, L. Carlson of Los Angeles, California and Earl Cause of San Jose, California. Approximately 150 guests called Sunday afternoon to visit with these people.

Dr. Otis C. Ray leaves this week for Fort Worth where he will attend the three day convention of the Texas State Dental Association.

## THESPIANS SCORE HIT IN "TOMBOY" AT HI SCHOOL GYM

It was really a treat—that high school senior play "Tomboy" which was presented to an appreciative and pleased audience, Friday night, last, in the gym.

Probably taking top honors were Ruth Hanna, as Jacqueline, the Tomboy, and her mother, Mrs. Abbot. But, if you go to passing bouquets to the cast, you'd have to name them all, because it was really a splendid play, and splendidly presented.

D. W. Diserens' "Swingeroos" also tickled the younger part of the crowd, if not the oldsters, by their swing versions of a number of the "top" tunes of the day.

Going back to the cast, but never mind that, the directors, Miss Ernestine Durham, Mrs. John P. Reising and Mr. Earle Worley, class sponsors deserve plenty of credit for the handling of the play.

It was just one of those "don't miss" events!

C. L. Kirby of Groesbeck was an Easter visitor in Gatesville.

R. B. and Brooks Curry of Dallas were here during Easter.

Seth McClarty visited his relatives and friends here during Easter, from Menard.

Mr. and Mrs. Norris Hammack of Dallas were Easter visitors here with relatives and friends.

Mr. and Mrs. E. W. Hallonquist and Miss Marianna Forrest of Houston visited relatives and friends here Easter.

Miss Leta Bennett, now Home Demonstration Agent for McLennan county was a visitor Easter with Mrs. T. M. Davidson.

Misses Caroline, Doris, and Frankie Lou Chambers of Gatesville enjoyed the past week end at the A. D. Chesnut home in the Harmon community.

Misses Clara Bell Everett, Nannie Sue Everett, Belva McCoy, and Arline Bates, students at NT STC, Denton, spent the Easter holidays with their parents, and other friends and relatives.

## FREE REFRIGERATION, GAS, ELECTRIC SHOW IN GYM ON EVES APRIL 20-21

Thru the co-operation of Gatesville dealers in refrigeration, gas and electric appliances, and endorsement of the Chamber of Commerce, Gatesville's first FREE Refrigeration, Gas and Electric Show will be held in the high school gym the evening of April 20-21, beginning at 7:30 and lasting until 10:30 p. m.

Although there are revival meetings, arrangements have been made not to conflict with these, since the entertainment programs will be held between 9:15 and 10:30 p. m. those wishing to attend the revivals may attend the services and have plenty of time afterward to visit the show.

Already a number of exhibitors have been signed up for this free show, which will acquaint the people of this trade territory with the offerings of these local dealers, who carry anything in these respective lines.

## REV. GRIBBLE CONTINUES PRESBYTERIAN REVIVAL SERVICES

Rev. Robert F. Gribble, D. D. of Austin, who opened a Revival Meeting at the First Presbyterian Church Sunday, is continuing thru this week.

Crowds are reported increasing with every meeting.

Dr. Gribble will teach a Bible class every morning at 10:30 and preach each night at 7:30, Monday thru Friday.

Dr. Gribble is a graduate of Austin College and of the Austin Presbyterian Theological Seminary and has for twenty-five years been a minister in Texas. He did religious work in the Army during the World War, and filled a pastorate in the Seminary at Austin as professor. He is now professor of Old Testament Languages and Literature, and is past Moderator of the Synod of Texas, and has been active in young peoples' work.

Mrs. Grace Patillo of Denton visited her mother, Mrs. J. M. Patillo here Easter.

Mr. and Mrs. Jack Carter of Belton were business visitors in Gatesville Saturday.

Misses Lorraine Ward and Jewel Moorman attended the singing at Liberty Sunday.

Mr. and Mrs. Lee Johnson and Mrs. Johnson's mother, Mrs. Walker were here from Denton during Easter holidays.

Mrs. Bud Hallman and young daughter, Miss Martha Ann Hallman of Waco were Easter visitors in Gatesville.

University of Texas students who spent the holiday season with their parents and other relatives and friends in this city were: Albert Dickie, Dave Culberson, Jr. Pat Mayo Holt, Jack Hestilow, and Billie Bloodworth.

The federal park service plans to preserve pioneer structures which are still to be found in Great Smoky Mountain National park in Tennessee and North Carolina.

Japanese always were vaccinated in the nose in the old days.

Seegar, cartoonist and creator of Popeye the idea, will be at this show—an it will all be FREE!  
In addition to POPEYE, there will be other entertainment scheduled, which will give the visitors to the show, a pleasant evening of entertainment at no cost.  
Plan now, to attend one or both of these nights of the Refrigeration, Gas & Electric Show, which will be held in the Gym, the 20 and 21.  
Further announcement will be made as to other entertainers who will take part in the show.

### HOSPITAL NOTES

Patients in the Hospital: Mr. F. B. Adams

**THE TOWN AND THE PAPER**

It has often been said, and very truthfully, that a town is no better than its newspaper. Certain it is that the coverage of a newspaper corresponds fairly well in almost every case with the trading area of the town it represent. And where a "dead" town exists, you will generally find a "dead" newspaper.

This is not just happenstance. If a towns starts to grow and the newspaper does not follow that growth, the newspaper will find competition springs up. On the other hand, if a newspaper grows, it will naturally bring in more customers to its town. People generally trade in the town whose newspaper they read. (Which is an argument for advertising in itself.)

This being so, the responsibility falls heavily upon the publishers' shoulders throughout the state to build their newspaper with the coming of better business. The leadership in attracting trade, which is the ultimate aim of every town, must be taken by the editor.

Any town can accomplish miracles if the necessary leadership is present. It has been done, and will be done many times again. There are certain fundamental reasons why people trade in certain localities, which anyone can figure out, and if those elements are not present, someone (and generally it must be the editor) must make efforts toward achieving those desired ends. "How can my town be made more attractive to buyers," should be the objective of every citizen interested in growth and prosperity.

The Christmas holiday season gives special opportunity for development. A good deal of money will be spent in every community and trading area. Where that money will be spent will depend largely on the enterprise of the merchants and the newspaper man.—Minnesota Press.

**HOME COMING FOR BAYLOR UNIVERSITY HOSPITAL, DALLAS**

The Woman's Auxiliary of Baylor University Hospital, composed of some five hundred Christian women, representative of each of the Baptist church in Dallas County and elsewhere, are enthusiastic supporters of Baylor in every way possible. The Auxiliary has

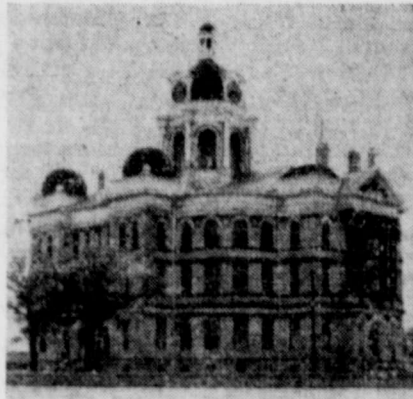

conceived the brilliant idea of having a home coming, May 12, for the babies who were born in Baylor. A conservative estimate is that some 40,000 people have entered the world via Baylor University Hospital.

Attractive gifts will be offered to the oldest, the youngest, and the one coming the greatest distance, and to the family that has had the largest number of children born in Baylor.

Those who were born in Baylor are to get in touch with Mrs. Dorsey R. Gregory, 3329 Lovers' Lane Dallas, Tex., giving her their name address, and the year born.

The Women's Auxiliary will have a splendid program for them, including refreshments.

Connie Mack, who has been playing professional baseball and managing major league clubs for more than half a century, came to Dallas recently with his Philadelphia Athletics and renewed a friendship of many years with his old friend, Nathan Adams. Mr. Adams is something of a pilot himself. For fifty years he has been piloting the First National Bank in Dallas and on April 19, 20 and 21 associates, employees, friends and neighbors will celebrate the banker's golden anniversary of service with the bank of which he is president. And Mr. Cornelius McGillicuddy (Connie Mack) plans to return to Dallas to join in the celebration.

## ZEKE SEZ

By NUGENT EZEKIEL BROWN  
(A column of political comment)

AUSTIN— While still making no definite predictions at week end, it looked more like this session will turn out a pension tax amendment that it has for weeks. The Senate, by a vote of 21 to 4, engrossed a constitutional resolution submitting to the people the question of levying a combination sales-service-natural resource tax to finance social security. While the House rested for several days on the pension problem, a movement was underway at week end to force a statutory tax to a vote early next week, not a constitutional amendment matter. On the other hand, the House state affairs committee unanimously recommends Senate bill liberalizing old age pensions. The Senate passed the bill earlier.

At least two busy nights were spent last week, one each by the two houses. On Wednesday night, the Senate passed out 55 local and uncontested bills, while the House on Thursday night passed 63 bills. Veterans point out that some of the most dangerous legislation sometimes gets by during the fast consideration of local and uncontested bills. Such a bill got by Thursday night when a measure cutting out tailor shops from the boiler inspection law got by almost unanimously. Members interested in keeping the boiler inspection law intact got busy Friday and will attempt to get reconsideration of this bill, authorized by Roy Tennant and Ed. Hamilton. It will prove to be a very controversial bill and a public hearing likely will result. Harris County also is attempting to get a bill that would exempt Houston from the state boiler inspection law, despite the known fact that tailor shop boilers are known to be very dangerous to human life.

It is interesting to note that the two outstanding critics of Governor O'Daniel of the week, Reps. Galbreath of Wharton and Abe Mays of Cass County, voted consistently last week for the measure that would raise the salary of legislators to \$3,000 per annum! The final vote on the bill was 70 to 60. It is the form of a constitutional resolution and would have to be voted on by the people.

The race horse bill is evidently dead for this session, having failed to muster enough votes to keep it from being tabled. The matter of a change of the present administration of the old age set-up is being held in abeyance, pending action on the tax measures. Appropriation bills are starting toward the house floor now. It will be a busy five weeks, the balance of this session. So the great majority of the members went home for Easter to find out what the folks are thinking. Many already are thinking about races in 1940. And the very thought worries them not a little, believe it or not.

Attorney General Gerald C. Mann has entered the lists against the loan sharks of Texas, the biggest piece of news of the week in the combined legislative enforcement fight to rid the State of these nefarious money lenders. Representatives Mason Harrell of Bastrop, one of the leaders in the House for a rigid law against the loan sharks, hopes to get action this coming week along this line. Attorney General Mann, thru Assistant Ben Woodul, filed a motion in district court at Aus-

tin asking permission to join Co. Attorney Paul Holt in the latter's injunction was against Austin loan sharks. At the same time, the attorney general announced plans to start a similar war on Dallas loan sharks along the same lines. The money lenders are charged with failure to comply with the state's loan broker's statute, disregarded by these money lenders all over Texas.

One of the finest and most able editors in Texas, a real pioneer of the old school who has edited his own paper continuously for more than half a century, the Honorable J. E. Cooper of Georgetown, publisher of the Williamson County Sun, has the following pointed remarks regarding State politics in his paper this past week:

"The members of the Legislature were elected in 1938 to enact a pension law, and provide means for meeting the expenses of the State government. They were not elected to pass on a democrat presidential nominee to be selected in 1940. The friends of Mr. Garner are doing him an injustice by putting him forward as a democratic presidential nominee in 1940. They have no hopes of securing the nomination for him, but they want Texas to instruct for him so they can withdraw his name in the national convention at a convenient time and barter the 40 votes of Texas for some anti-New Deal candidate.

"The politicians are trying to use him as a stake in convention manipulations and they think the people are so dumb that they can not see thru the scheme.

"Last Tuesday a few members of the Legislature took up about \$600 worth of time abusing the Governor for his Sunday morning speech. The time of the Legislature could be better utilized in trying to solve state problems than in listening to harangues from members who have more tongues than brains."

Editor Cooper then goes on to add this refreshing comment:

"The best speech Gov. O'Daniel has made since commencing his Sunday broadcasts was delivered last Sunday morning. It was dignified, straight-forward, plain statement of his position. He was not dogmatic nor was he unreasonable critical of the legislature or those who oppose him. He did state, in polite language, where he thought the opposition had failed to meet the issues fairly. The governor of the state is entitled to respectful treatment and every citizen, whether agreeing with him or not, should insist that he gets it."

Many other editors over Texas are becoming more like Editor Cooper, expressing themselves as weary of the howling of a few legislators who so far have done little more than vote to increase their own salaries!

It is most interesting to note from various records that the big chain store with headquarters in New York and other eastern points loom in the background in the fight against the fair-trade and anti-discrimination bills which have passed the House and are now pending business in the Senate. So much has been printed and published tending to show that big manufacturers are behind the two bills that it is most interesting, we repeat, to find the great A. & P. Company one of those which also fights for repeal of the Texas chain store tax. The Dallas unit of this great chain on March 25th sent out letters to various wholesale firms over the

state calling attention to the five members of a subcommittee which has the Pope repeal bill in its hands now, with the idea these wholesalers might help the big chain bring pressure on the committee. And these consumers leagues! The Southwide Association of Consumers, headquarters in Dallas, has enlisted leading clubwomen to work for them gratis but many of these women dislike various aspects of the organization and have resigned. Such a league in Houston is headed by a group of clubwomen, some of whom are connected indirectly with a big drug chain. And these consumers leagues make the big howl against allowing a fair-trade law to be enacted to protect the independent druggist and retailer in our small towns all over Texas.

Members of the college and high school sets were complimented Saturday evening at 6:30 when Jack Straw entertained a group of friends at the McClellan cabin, a few miles south of Gatesville, to honor his house guest, Harry Corby of Calvert, and Miss Dathene Nettleton of San Angelo, the house

guest of Miss Eloise Cook. All are students at the University of Tex.

The delicious supper, served buffet style, consisted of potato chips, pickles, smacks, hot dogs, Coca-Colas, Dr. Peppers, and ice cream cakes.

Dancing furnished the diversion for the evening. Approximately 30 guests attended.

**Dathene Nettleton Honoree At Slumber Party**

Miss Eloise Cook complimented her guest, Miss Dathene Nettleton of San Angelo, Friday night when she entertained a group of friends with a slumber party at her home on north 16th street. Miss Cook and Miss Nettleton are attending Texas University.

At midnight the hostess served refreshments, which consisted of sandwiches, potato chips, cookies, and punch.

In the morning, a delicious breakfast was served to the following guests who attended: Misses Jane Thomson, Rosylene Anderson, Helon Chamlee, Frances Brown, Patsy Olsen, Anita Lowrey, Annie Ruth Witt, the honoree and the hostess. Misses Olsen and Lowrey are also attending Texas University, and Miss Thomson is attending Southwestern University.

**Mrs. Nettie Taylor Weds Tyler Man**

Word was received Sunday of the marriage of Mrs. Nettie Taylor of Tyler to Fred Knapp, also of Tyler. The wedding took place Sunday morning.

Mrs. Taylor is the daughter of Mrs. John T. Post of this city.

**Sims Home Scene Of Lovely Party**

Mr. and Mrs. Curtis Sims entertained a group of their friends at their home on south Seventh street Friday evening. The Easter day theme was used in the decorations and other appointments.

Monopoly furnished the entertainment for the evening. After the games, a delicious and attractive salad plate, was passed.

The guest personnel included: Misses Anne Hill, Jerry Franks, Dorothy Franks, Lois King, Margaret Rutherford, and Messrs. Edwin Bradford, Kirk Bennett, Walter O'Neal, John L. Moore, Andy Craig, and the host and hostess.

**Bobby Arnold, Jr. Celebrates Second Birthday Anniversary**

Mrs. R. M. Arnold honored her handsome little son, Bobby, Jr., on his second birthday anniversary, Saturday afternoon, April 8 at her home on east Main street. His birthday was Easter Sunday.

After the gifts were unwrapped, the children were escorted into the yard, where moving pictures were made of them. At a later hour, the children were served cookies, and their mothers were served cookies and grapejuice. Favors were balloons and Easter egg baskets.

Enjoying the occasion with the celebrant were: Nancy Beth Ray, Billie Bates Roberts, Ann Miller, Bob Miller, Roger Miller, B. K. **UNEMPLOYMENT COMPENSATION QUESTIONS AND ANSWERS**

**EDITOR'S NOTE:** Because a million Texas workers and some 15,000 employers are affected by the new employment compensation law, the Answer Box will carry a series of questions and answers on the new law which went into effect April 1st.)

- Series 1
- Q. 1. Under the new law do workers contribute to the jobless insurance fund?  
A. No. Only covered employers contribute to the fund. If a tax is deducted from a worker's pay check, it for the old age insurance tax and not for jobless insurance. The unemployment compensation tax is paid only by covered employers and is collected by both the Federal and State governments.
- Q. 2. Does the new law change the coverage of employees to less than eight persons?  
A. No. Only employers who have eight or more employees during portions of each of twenty weeks in a calendar year have to pay this tax. Certain occupations such as domestic labor, agricultural labor and other classes are exempt.
- Q. 3. Are all employees eligible for jobless insurance?  
A. No, only employees of "covered" employers are eligible. Also they must have earned enough salary to equal eight times the amount of their benefit check.
- Q. 4. Are unemployment compensation benefits a form of relief?  
A. No. Benefits are wage insurance to be drawn only by those who qualify. Unless an unemployed person has a work record of previous employment, he cannot receive benefits. His benefits are

figured according to the length of time he has worked and the amount of salary he has drawn.

Q. 5. Will employers continue to pay three per cent payroll taxes after 1940 for jobless insurance?  
A. No. A merit rating system goes into effect in 1941 that will take in only the amount of contributions necessary to pay benefits. Rates will be graduated from 1/2 of 1% to 4% by 1/2% steps, based on experience rating of individual employers.

**PURMELA SCHOOL NEWS**

The Easter season was one of much joy to the pupils of the Primary and Intermediate rooms. Each had an Easter-egg hunt with its usual joys and pleasures. Lowell Bell and Clint Bertrand and George Pittman received prizes for finding the most eggs. Martha Jean Laxson received a prize for finding the least number of eggs and Elmo Kitchens, Pauline Morris, and Lela Mae McClesky found the prize eggs. Visitors were Norris Price, Sammie Myers, Bonnie Burl Smith, Virginia Warden, Mildred Jean Barnard, Ruby Rivers, Glyn Harper, Carl Grubb, Gene Bell, Nadine McCarver, Viola Pittman.

Pupils of the Primary rooms enjoyed a picnic on March 31 in

honor of April Fool's Day. The Sixth and Seventh grades made a trip to the New Cow House Bridge on that date. Pupils of the other rooms decided to wait to a later date for their April Fool's Celebration.

The whole student body and teachers feel quite proud of the cups won at County Meet. Especially are we proud of the 112 intellectual points won being almost double our nearest competitor. This could not have been accomplished without the help of every student in school. Credit is given everyone who in any way made this fine record possible.

The next regular meeting of the four-square club will be April 21 and will be under the direction of the Purmela Ex-Students. All are urged to attend.

Bobby Joe Medlin has been sick during the past week but is much better now. We hope he can be back in school soon.

We are proud of the enrollment of Carl and Weldon Lacy from Bee House. We hope these boys much success in our school.

### THIS WEEK IN AUSTIN

AUSTIN—Legislative observers in Austin expect this week to see the solons settle down to a real battle over the issue of a sales tax constitutional amendment vs. a tax bill, which may be with or without a sales tax feature included, before this week is out.

The lines have been closely drawn. The Senate unexpectedly revived the sales tax amendment after killing it, but students of the situation believed the vote on reversal was not a true reflection of the strength of the sales tax, but rather a reflection of the desire of the Senators to keep the sales tax amendment alive, so that if a deadlock develops in the House, and no tax bill comes over from the lower body, the Senate can still have something to submit, thus clearing the political skirts of its members, before the session ends. Several Senators who voted "aye" on reviving the sales tax amendment admitted they would never support it on a final passage, and since 21 votes in its favor represent a bare minimum to submit the issue to the people, the defection of even one Senator would prevent it going thru the Senate finally.

#### WORK ON TAX BILL

Meanwhile, the anti-sales tax bloc in the House has taken matters into its own hands, and this week were to bring out an omnibus tax bill that will include new or increased taxes on all mineral products produced in the State, together with sales or "luxury" taxes on numerous other items, including a tax on public utility bills to be paid by consumers. They estimate it would yield about \$20,000,000 which many consider adequate for the financing of the social security program, including pensions, teachers' retirement, the blind and dependent children. That would certainly not finance \$30 pensions for everybody, nor a \$30 minimum income for everybody, but it probably would take care of around 200,000 aged, and likely would remove 90 percent of the pressure from pension seekers, as it would permit disregard of the ability of relatives to support the aged as a factor in determining their need.

#### SALES TAX WEAK, NOT DEAD

The sales tax amendment program, which was so strongly supported by the special interest lobby during the early battle, is not completely dead in the House either, as still another sales tax amendment is pending there, but the decisive vote against the Petsch amendment in the lower House left the sales-taxers little hope that they would ever get the sales tax written into the organic law of the State. The division of opinion among House members is so great that there is still the possibility of a deadlock on taxes there, with nothing being finally passed. In the event, the Senate could pass the Redditt substitute amendment, and put themselves in the clear with the voters who want pension money.

But the House members realize

this, and there is every evidence that the bloc which wants a constitutional amendment will weaken rather than face a sterile session, so far as taxes are concerned. So the opinion of best informed sources here is that a tax bill of some kind, originating in the House, will be sent to the Senate, and many students of the situation believe the sentiment against the sales tax has developed so strongly in the House that no general

sales levy will even be included in whatever tax bill may be passed there.

#### HOPE FOR ECONOMY

Disregarding the tax fight, the economy bloc in both houses this week is pounding away at the biennial appropriation bills in committee, with several being about ready for floor action. Unless the members stamped the economy program on the floor, the indications are that substantial reduc-

tions in expenditure of the principal departments will be accomplished, and, with the appropriation bills coming out three to four weeks ahead of the usual schedule it is certain that sufficient time will be given the legislators to make intelligent appropriations adapted to the genuine needs of the State, rather than facing the customary necessity of passing appropriation bills which they do not even have time to read, much

less study, during the hectic closing hours of the regular session.

## LONG ILLNESS PROVES FATAL TO MRS. GEO. F. PERRY

Mrs. George F. Perry died Friday, March 31 at 11:45 p. m. at the home of her son in Round Rock, Texas. Funeral services were held Sunday afternoon at 3:00 o'clock at the First Methodist Church in this city with the Rev. Leslie Seymour of Georgetown and the Rev. S. L. Culwell conducting the services. Interment was made in the Masonic Cemetery in this city.

Maggie Estelle Woodlock was born in the Hackney community, Coryell County, August 17, 1884. She married George F. Perry at Gatesville, June 23, 1902. To this union two children were born, Vernon Franklin, on August 7, 1904 and Ruth Carry, on August 21, 1906. Ruth died in January, 1922. Soon after marrying, Mrs. Perry joined the church, and remained faithful until she became ill last fall.

Mrs. Perry spent most of her life in Gatesville, but the past few months she had been with her son in Round Rock. She had been ill for several months with heart and kidney trouble.

Surviving are her husband, Geo. F. Perry of Gatesville; one son, Vernon Perry of Round Rock; one sister, Mrs. Tommy Jones of Dallas; six brothers, B. Q. and W. T. Woodlock of Gatesville, R. E., Jack, and W. C. Woodlock of Waco, and Claude Woodlock of Abilene; and a number of nephews and nieces.

Pall bearers were Percie Witt, Howard Franks, Walker Summers, W. B. Alexander, N. Pederson, and Joe Walker.

Among the out-of-town people who attended the last rites were: Mr. and Mrs. W. B. Alexander of Temple; Mrs. Chas. Prewitt, Miss Betty Jane Prewitt, Mr. O. L. Brady, Mrs. R. L. Taylor, Round Rock; T. B. Salyer of Jonah; Mrs. Lula Hartgraves, Miss Fern Hartgraves, Jonesboro; Miss Susye Johnson, Mr. Hagrill Johnson, Mrs. Eleanor Jefferies, Mrs. Tommy Jones, Misses Charlene and Ruth Mendell of Dallas; Claude and Devoe Woodlock, Abilene; Mrs. Leslie Seymour, Georgetown; Mr. and Mrs. Ben Perry, Palestine; Mr. and Mrs. W. ## \$10,000 ALLOTTED TO REA FOR LINES IN THIS AND IN HAMILTON CO.

Information has been received here that \$10,000 has been allotted to the Hamilton County Electric Co-operative Association for the construction of electric power lines and re-loaning to individuals.

REA rules specifically say no funds may be used for the purchase of rights-of-way, and is loaned to finance individual member's installation of wiring and plumbing.

With the REA helping, in addition to the many lines run by the public utilities companies, farmers and ranchers are going to be just as much market for electrical supplies as their city brothers.

The total number of miles this line covers under this amount is 385 miles and with 670 members.

Nine seniors and one sophomore were named "Representative Mustangs" by an all-school poll conducted by the editors of The Semi-Weekly Campus and The Rotunda, student publications of Southern Methodist University.

Winners are pictured above left to right, top row. Anne Hughston, Dallas, president of Y.W.C.A., Billy Dewell, Dodge City, Kans., all-Conference football and basketball player; Kathryn Shimer, Dallas, president of Mortar Board;

Charles Sprague, Dallas, captain of 1938 football team; Carr Collins, Dallas, Alpha Kappa Psi and Punjaub.

Bottom row: Dwight Dill, Dallas football; Paul Deats, Graham, Tex., president of Y.M.C.A.; Eliza-

beth Brewer, Dallas, Mortar Board and Square; Corrine Peirce, Luling, Tex., Student Council; and Bobby Brown, San Angelo, Tex., football and Alpha Phi Omega.

All but Brown are senior; he is a sophomore.

## YOUNG DEMOCRATS GET CONGRATULATORY MESSAGE: GARNER

At the recent banquet honoring State Democratic Chairman E. B. Germany, April 1 in Houston, the following telegram was sent this "youth" organization of young people interested in proper government by Vice President John N. Garner, as follows.

Washington, April 1, 1939  
Young Democrats of Texas,  
Banquet, Houston Club  
Houston, Texas

May I express my appreciation of the enterprise and public spirit of the Young Democrats of Texas in paying merited tribute and deserved honor to E. B. Germany, Chairman of our State Executive Committee. I feel that the Democratic party throout the nation and in Texas particularly is under lasting obligation to the Young Democrat for the valuable and effective contribution they are making to party influence and solidarity. I understand your organization at this time is making a special effort to increase its membership in our state which I heartily commend. We should bear in mind that ours is a two party government and that we can best serve our country by rendering service to our party. Please extend my cordial best wishes to all of those who participate in your banquet and especially to your guest of honor whom I greatly esteem, and for whom I have the highest regard.

John N. Garner

## Lush Pastures in Hot Months

By T. C. RICHARDSON, Secretary  
Breeder-Feeder Association

For a few months in spring and early summer native pastures in the Southwest usually grow luxuriantly, and livestock thrive accordingly. As the heat of summer grows, often intensified by insufficient irregular rainfall, the native pasture grasses slow up and sometimes dry up, and grazing animals quickly show the effect of changing from lush, green feed to scant, dry feed.

This is especially bad for dairy cows and the weekly cream or milk check drops with discouraging speed. A dairy cow should have plenty of time to lie up in the shade and ruminate, in order to keep up a good milk flow. If she has to spend four or five hours grazing a "fill" or the sun becomes unbearably hot before she gets a "fill" she hasn't much time left to manufacture milk. Cows will not stay out in the hot sun and graze more than enough to assuage the pangs of hunger, so it is vitally important that the grazing be richer in hot weather than when it is cool. It is the surplus feed above the hunger margin that supplies the milk flow, if any.

With native pastures, and in fact all except the very best improved permanent pastures, the grazing begins to decline at the very time when it should be best. Sudan grass is ideal for filling out the midsummer deficiency, for it will be at its best after the spring growth of native grasses begin to decline, and since the seed is cheap, there is no excuse for failing to plant enough to keep the cows happy during the hot months.

Sudan is adapted for temporary pasture throughout the Southwest.

It will produce more tonnage per acre in its short season than any other annual grazing plant we have. It will grow on all our soils, and as someone once happily phrased it, "sudan grass laughs at the drought and rejoices at the rain." In short it will produce under a wide variety of soil and rainfall condition, and while it is resistant to poor soils and light rainfall, it responds luxuriantly to good soil and ample moisture.

Sudan grass may be planted at any time after cotton planting time, when there is sufficient moisture to germinate the seed. It may be drilled or cultivation with whatever implements are available and experimental data shows that it thrives best under cultivation early in the season. The rows can be as close as 18 or 20 inches or as wide as standard width for corn and cotton cultivators. The preference is for about half the width of cotton rows, for either grazing or hay.

Drilling with a grain drill or broadcasting is not recommended at all if it is to be grazed, and if sown for hay, broadcasting is adapted only on very fertile land where there is likely to be plenty of rain. By and large, experience indicates that row-planting, with some cultivation, is best.

Since we are concerned mainly with providing summer pasturage to keep up the milk flow and supply other livestock and poultry with a vitamin-rich forage all summer, let's be sure some sudan is planted, sometime this spring. It there is a fenced field for it so much the better, but if not, a temporary fence can be run when grazing time comes. This may seem like a lot of trouble to take

for the sake of a few months grazing, but it will pay off in the milk checks, the egg yields, the thrift and growth of every animal and fowl that has access to good green forage when the native pastures fall off.

## EVANT YOUTH BREAKS NECK IN COWHOUSE CREEK

A number of boy scouts of the Evant school together with their leader, were picnicing Wednesday on the Cowhouse. The weather was warm and they were swimming a part of the time. One of the youths, Carl Erskine, son of Mr. and Mrs. Eugene Erskine, was on a swing which became twisted and he was unable to straighten out. From it he dived into the creek and struck a rock ledge. A vertebra in his neck was broken. Young Erskine was brought to the local hospital and his head placed in a sling. The physicians say that he has a good chance to recover.—Lampasas Record.

**PEACH COFFEE CAKE**

2 tbsp. shortening  
¼ cup sugar  
1 egg, beaten light  
1 2-3 cups flour  
½ tsp. salt  
2 tbsp. baking powder  
½ cup milk  
Canned sliced peaches

**TOPPING**

2 tbsp. flour  
½ tsp. butter  
¼ tsp. sugar  
1 tsp. cinnamon.

Cream shortening with sugar. Add beaten egg and mix well. Sift flour, salt and baking powder and add alternately with the milk. Mix just until ingredients are blended. Pour into a greased 6-inch pan. Arrange drained sliced peaches over the top. Crumble flour, butter, sugar and cinnamon together and sprinkle over the top. Bake 35 minutes in a moderately hot oven.

**OATMEAL MUFFINS**

Cream ¼ cup butter with 1-3 cup sugar. Add 2 eggs, one at a time, beating after each addition. Add ¾ cup flour, 1 cup rolled oats, 3 teaspoons baking powder and ¾ tsp. salt. Add 2-3 cup milk. Dredge raisins with ¼ cup flour. Stir in. Pour in greased muffin pans. Bake in hot over 25 minutes.

**PINEAPPLE BRAN MUFFINS**  
Cream 3 tablespoons shortening, add ¼ cup sugar; blend. Beat one egg slightly, add. Add 1 cup whole bran, 2-3 cup milk. Mix and sift one cup flour, 2½ teaspoons baking powder, ½ teaspoon salt; add with ½ cup drained crushed pineapple to bran mixture. Pour in greased muffin tins. Bake in hot oven 30 minutes.

**BACON BREAKFAST BREAD**

1 egg  
2 tbsp. sugar  
½ cup whole bran  
1 cup yellow corn meal  
1 cup milk  
1 cup flour  
½ tsp. salt  
1½ tsp. baking powder  
Beat egg; add sugar, bran, corn meal and milk. Sift flour, salt, baking powder. Combine with first mixture. Pour into a greased pan (8"x8"x2"). Dice bacon, sprinkle on batter. Bake in a hot oven 20 minutes. Place under broiler, heat to brown if necessary. Serve immediately.

**RAISIN ROLLS**

2 cup milk  
4 cakes yeast  
½ cup sugar  
¼ cup shortening  
3 eggs, beaten  
½ tsp. salt  
1 tsp. lemon extract  
½ cup seedless raisins  
7 to 7½ cups flour

**ICING**

1 cup confectioner's sugar  
2 tbsp. hot water  
½ tsp. lemon extract  
Scald milk. Cool to lukewarm. Soften yeast in ½ cup lukewarm milk. To the remaining milk add the sugar, shortening, beaten eggs, salt and flavoring and about half the flour. Add the softened yeast and beat thoroughly. Add raisins and flour stiff enough to handle. You may have to add ½ cup more than the 7 cups, according to the type of flour you use, but if you can handle the dough without it do, as too much flour in rolls causes them to be dry. Knead lightly on floured board about 10 minutes until light and springy.

Place in a lightly greased bowl, cover and let rise till double in bulk. Cut down the dough into three or four portions. Roll out to about 1-2-inch thickness. Cut with small round cutter. Place on greased baking sheets. Brush with a little soft butter to keep them from getting dry and cracking. Allow to double in bulk and bake 20 minutes in a hot oven. Ice while still warm with an icing made by blending the hot water

and lemon extract until the sugar is smooth. This recipe makes 4 dozen rolls so you may wish to halve it.

**FRUITED TEA SCONES**

2 cups flour  
4 tsp. baking powder  
½ tsp. salt  
1 tbsp. sugar  
¼ cup shortening  
2-3 cup mixed candied fruits  
2 eggs  
1-3 cup milk

Mix and sift dry ingredients. Cut in the shortening. Add chopped fruits. Add beaten eggs and milk. Pat out ½-inch thick. Cut triangles. Bake 15 minutes in a hot oven.

*The Safety Sensation of 1939!*

**THE NEW Firestone CHAMPION**

**The Only Tire Made with the NEW SAFETY-LOCK CORD BODY and NEW GEAR-GRIP TREAD...**

NEVER before in our experience has a tire met with such instant and unanimous approval as the new Firestone Champion Tire. It's the Safety Sensation of 1939! Our customers have started a word-of-mouth campaign that is making this the biggest selling tire we've ever had. Motor car manufacturers have been so impressed by its superior performance that they have adopted it for their 1939 models.

Why? Because the Firestone Champion Tire is an entirely new achievement in safety engineering.

**Stronger Cord Body.** This is accomplished first, by the use of a completely new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to assure cooler running and provide greater strength. Then, the fibers in each individual cord, the cords in each ply and the plies themselves, are all securely locked together by a new and advanced Firestone process of Gum-Dipping which provides amazingly greater strength. And greater strength means greater safety.

**More Non-Skid Mileage.** The new Safety-Lock cord construction provides the extra strength needed for the use of the new, thicker, tougher, deeper Firestone Gear-Grip tread which delivers remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its unique design — it has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to protect against skidding and assure a safe stop.

Drive in today and equip your car with a new set of Firestone Champion Tires — the only tires made that are safety-proved on the speedway for your protection on the highway.

This amazing new Firestone development makes a blowout as harmless as a slow leak.

Should a blowout occur the exclusive Firestone Safety-Valve holds sufficient air in the inner compartment to support the car until it is brought to a safe stop.
