OPA CASES ARE GIVEN FINES IN U S DIST COURT

Injunctions were granted February 28, in Judge Charles A. Boynton's U S District Court Wednesday restraining various citizens from violating OPA regulations and cash penalties were applied to some violators.

Judge Boynton assessed a penalty of \$25 and costs against one Gatesville landlady and \$120 (the amount of overcharge) against another and permanently restrained each of them from charging more than the rental set by the area rent administrator Allan D Sanford, whose offices are in Waco.

In the first of the above cases the court issued an order that the land lady register all her rental quarters, with the administrator, which she had previously failed to do.

In the second the court permanently enjoined the landlady from evicting tenants without proper procedure and notice. She had, according to W S Margowski of Ft. Worth rent enforcement attorney evicted two tenants, military personnel from Camp Hood. The only reason the court didn't order her to reinstate the tenants is that they had been transferred to another post.

EGG STORIES ARE STARTING: JUD'S GOT A BIG 'UN

Yes this is the season for "egg stories", and it's keeping up to standard.

Judson Davis of Gatesville brings us in a sample. This was a large sample. Weighing a half pound and was 10" around the long was and 8 the other.

A RIR layed this one. This always happens about this time of the year, and we think the old biddies are retooling for a new season, and that's the reason for these monstrosities, and other things they lay.

WE CAN TOOT AROUND TIL 12 MIDNIGHT

War Manpower Director Darrell Harding was a visitor here last week and in words to that effect said you can toot around 'til 12 midnight, but after that, no, no, a thousand times no.

Not that there are any places in Gatesville to toot around. That order however applies to night clubs sport arenas theatres dance halls roadhouses saloons bars shooting galleries bowling billiard and pool establishments, amusement parks carnivals, circuses, coin operated amusement device parlors ice and roller skating rinks entertainment activity of yacht, country and other clubs dance studios and schools and gambling establishments.

Restaurants customarily open all night for the purpose of serving foods are not effected as far as food is concerned.

However, juke boxes etc must stop at midnight. Entertainment for military personnel, sponsored by responsible agencies on a non profit basis after approval of military authorities may be exempt.

Where noncompliance is reported by city or county officials who will cooperate the WMC has been empowered to establish employment ceilings in individual cases. Harding said he had effected a concurrence with city officials, and the chief of police and with Sheriff Joe White. The WMC of fice is at 421 Columbus, Waco.

T H. Bailey is in Providence hospital in Waco where he is recovering from an operation on a broken arm. He is reported resting well. Mrs Bailey is in Waco with him.

Miss Myrtle Wendeborn has just returned from Cedar Rapids, Ia., where she attended a chick sexing school. She is now employed by Winfield's Hatchery and will assist poultry raisers with their flocks.

Red Cross Faces Greatest Task in Fourth War Year

WASHINGTON, D. C.—Facing the greatest task in its history in serving American fighting men on advancing war fronts overseas, their families at home, their buddies returning to the United States after discharge, and the American people in emergencies on the home front, the American Red Cross will launch its third War Fund campaign March 1.

That the American people will respond with overwhelming generosity to the appeal for \$200,000,000 to carry on this world-wide program is already indicated in the nation-wide determination to meet all its war needs and to bring the five-year struggle to an early and successful conclusion.

In every invasion during the past year, Chairman Basil O'Connor of the American Red Cross said, Red Cross workers have either gone with the troops, or have followed within a very short time. Red Cross field directors were with General Eisenhower's men in the great amphibious invasion of France, and with General MacArthur's forces when they returned to the Philippines.

Ten thousand men and women wear the Red Cross uniform overseas, serving in every theatre of war and with every command. They work in leave clubs, clubmobies, rest homes, hospitals. Red Cross men attached to fighting units are with those outfits even in actual combat. Red Cross girls dispense snacks at air fields, along trucking supply routes, behind front areas and in liberated cities.

Many, both men and women, are on duty at scores of isolated outposts throughout the world, and give aid to wounded men in hospitals and on hospital ships, planes and trains. Away from the battle areas, thousands more serve at military and naval installations within the United States.

Red Cross service on the home front has expanded with the ever increasing demand upon it, Mr O'Connor said. In addition to collecting more than ten million pints of blood for plasma since the beginning of the war, the Red Cross has met requests of the Army and Navy for whole blood shipments to European and Pacific battle areas. Ten centers on the East and West coasts already participate in the collection of Type O whole blood, while others stand ready to join in that program as military needs warrant.

At four packaging centers, manned by volunteer workers, more than 20,000,000 food parcels have been turned out in a steady stream for shipment to prisoners of war and civilian internees in Germany and the Far East. Surgical dressings—775,000,000 of them—were prepared in the past year alone for front line and hospital use. Production workers in hundreds of communities have continued the never ceasing program of making warm garments for destitute civilians in war-torn countries overseas, and in those countries the Red Cross has assisted the Army in caring for refugees and homeless people.

Nor has its service to the armed forces on a global scale caused any relaxation on the part of the Red Cross to carry out its traditional service to the American people in time of disaster. More than 200 domestic disasters—floods, high winds and fires—have found Red Cross workers on the job to relieve stricken families and to aid in the rebuilding of communities.

"The need for Red Cross services in the coming year will be greater than ever before," Mr. O'Connor said. "In fulfilling the Red Cross appeal for \$200,000,000, the American people will indicate its whole-hearted backing of men in the front lines."

Symbolic Red Cross Emblem To Appear In Windows Again

WASHINGTON, D. C.—Once again, next month, the scarlet emblem of the American Red Cross will appear in the windows of American homes, symbolizing the financial support of the nation in supporting the manifold services of that organization to American fighting men overseas.

In every nation of the world, this red cross has long been the symbol of universal humanitarianism, both in peace and in time of war. Today it is worn by medical corpsmen of all armies and navies serving the wounded. It protects hospital tents, ships, planes and trains. Painted on each of the International Red Cross ships bearing food parcels to prisoners of war and exchanged prisoners homeward, it is a guarantee of safety from acts of war.

To the giver doing his part to fulfill the \$200,000,000 goal of the American Red Cross in 1945, it represents his personal part in supplying the material things which add to the morale of the American serviceman, whether hospitalized or able-bodied.

"The window sticker means more than dollars contributed to the Red Cross," Chairman Basil O'Connor declared. "It means service clubs, canteens, recreation rooms and clubmobies for the men in war theatres."

To the American Red Cross, each window sticker is a family's request to the Red Cross to continue its responsibilities on behalf of the son in Italy, the neighbor's boy half a turn around the globe in the Philippines, and the brother fighting on the Western Front. It is the expression of faith of the American people

Once again this year, in March, the world-known scarlet symbol of mercy will appear in windows throughout the nation, indicating that Mr. and Mrs. America are solidly behind the 1945 American Red Cross War Fund campaign.

That Red Cross will maintain the supplies of surgical dressings, blood plasma and whole blood, kit bags and comfort articles to the battle fronts. It is a vote of gratitude for the millions of food parcels reaching American men in enemy prison camps.

Opening March 1, the third American Red Cross War Fund campaign for \$200,000,000—the same as last year—will continue throughout the entire month. More than 3,000,000 volunteers will distribute the familiar window emblems, conducting a house-to-house canvass to fulfill the 1945 quota. Along with the window emblem, each contributor will receive a lapel tab fashioned after the Red Cross flag—the flag known to all as a sign of aid and comfort

NOW, Let ME Tell YOU something

A TRACTOR "Talks Back"

"Mister, I've been working my heart out for you for a long time now. I haven't grumbled or kicked because I come from a good family where our motto is **HARD WORK AND LONG SERVICE.**"

"That doesn't mean we have the miracle of everlasting life. I'm just a combination of honest material and honest workmanship but even that has its limits. I've gone along on all the tough jobs and never quit... but now I'm asking you to give me a break, for your own sake as well as mine."

"Before we go into the next tough job take me to the John Deere Service Shop for a going over. There are some spots, some loose nuts that hamper me, and if my wind would be better if my valves and ignition had a check-up. Those service men down there are old friends of mine, they know me and what I need. How about it? Or do I have to quit against my will?"

Dear GI:

C of C named some new directors including Bill Ament, Earl Ashby, H E. Poston, J B Roach, Wade Sadler, Robert Scott and Joe Walker.

The War Manpower Commission representative was here this week and effected a concurrence with the police officers, city and county, to get places of iniquity closed after 12 o'clock! Boy, if he can find 'em he's a good one. Most of us do our iniquity in Waco or other "dripping centers" and have never dreamed of cutting up here. Well, that's a part of the war program and if it is good, it is good. Anyway the main thing is, we shut the juke boxes at 12; that's about all we could see that the move would effect here.

M/Sgt Bob Brown, who's overseas in France with a Tank outfit is the proud papa of a boy and a girl born the same day. Started a big family quickly.

And, somebody else you know has a new daughter and was passing out the seegars here this week and that was Clayton Franks, who was sometime ago discharged from the army.

Farmers are asked to sign up their AAA Plan sheets showing how much they expect to raise in food, etc, for the next year.

They're still after houses and apartments, and 171 applied last week for these. Camp Hood's on a slump, but they're still after housing accommodations. Camp Hood and McGregor may get housing units. We sleep, or do we.

Troy Jones was named Selective Service Appeal Agent replacing Robert W Brown, resigned many months ago.

Boyce House author, of "I Give

You Texas" a very popular book especially to Texans, is the main attraction at the Gatesville Chamber of Commerce Banquet, the 29.

Haven't heard any more about the proposed gentleman who was to be employed to draw Gatesville's plans for the Post War and to be handled by the C of C with the assistance and abetment, na, "concurrence" of the City Council an dCounty Commissioner's Court Got that word "concurrence" from received. You'll get on the lingo when you bet home and start unraveing red tape

NHA says even if you're in the army and expect to get out soon, you can build a house in Gatesville up to \$10000 if you want to. That is if you have the 10 grand, or can borrow it.

Pvt Sammie W Bynum, as you on New Guinea may know, is post master down there at the 13th AAF headquarters. Nice work if you can get it!!

Pretty little Flight Nurse, Lt. Naomi Jones spoke to the Lions Club Wednesday. She'd make you want to get sick, if you saw her and had a chance to get her to take care of you. Nice little girl and is doing a GREAT work for the wounded men.

Irving Scott's got a Flying Field going, and there's considerable interest. Soldiers (Camp Hood) as well as civilians are interested in the business. The air field is near the McConnaughey home on U S 84, about a mile east of Gatesville city limits.

Over the other side of town, about the same distance, (on Highland Addition) E. L. Turner's opened another Auction Sale, and reports are they are getting the job done in a big way over there. Farmers have always got some thing for sale and it looks like it's

a good chance to get the buyers and sellers together. Seems like there are always a lot of buyers too

Hail rain, fog, cold and now hot has been the weather last week. It's trying to get summer and it's going thru that transition period commonly known as Spring. Some farmers are ready to go to the fields for planting, but about all they could plant right now is rice For us folks in town the grass is getting greener and the awful part longer every day, and there's no one to cut it but yourself. All the cutters are in the war effort, or better. Consequently there are due to be considerable number of shaggy lawns including ours If, now a days you get home when it is light enough to do the mowing you don't feel like it and personally we don't like to work on Sunday unless the ox is in the ditch.

DISCHARGE BUTTON—Representatives of the Army, Navy and Veterans Administration have decided to retain the discharge button which is given to all honorably discharged veterans of the present war. It is available either as a lapel button or with a pin-back. The veteran is issued his button free of charge upon his discharge. If the button is lost or destroyed, another may be obtained at cost (seven cents) by the veteran on presentation of his discharge papers to the Quartermaster Supply Officer at the nearest post, camp or station

Well, we've had an announcement of the Victory Gardens for the coming year from Laura Lane, Extension Editor of A&M

And in the same mail comes the announcement of the Annual Easter Seal Sale of the Texas Society for Crippled Children.

And, in the self same mail the announcement of the Seventh War Loan Drive, with the USA quota set at \$14,000,000,000, of which \$7,000,000,000 from individual and \$7,000,000,000 from other nonbank investors. This is the highest individual amount asked and the series will consume \$4,000,000,000 of this amount.

As usual, Coryell county WILL make the quotas, and better. Boys, you can rest assured that this will happen. The individual drive will be from May 14 to June 30, with the big push for E's starting April 9.

Above this, you'll see a picture of a pin you'll all be glad to have. The Discharge Button. The number around here is increasing rather rapidly, and now, nearly all the men and boys in the draft age who are still here, are wearing on of these buttons or they're already signed up for some branch of the service or, have deferments that have delayed their entry into some branch of the service. Things along this line have been carried out pretty equitable And it's really a hard job, with no thanks attached.

And, lots of boys are furlough for the "go over" and are visiting home every day. They're here for a few days, and then about the next thing you hear, they've got an APO either going east or west. And, there are more rookies going in all the time.

So long.

Hornets Drop Crucial Game To Nocona At Regional Meet Saturday Night

After trouncing Aale high school basketekers by a 2 to 1 count, Gatesville High School Hornets were eliminated from the statet meet by lat yer's winner, Nocona high school. The final was 41 to 29. The Hornets Bi District winners, could not get over the hump at the Regional altho they led many times in the game, and according to Superintendent Ercell Brooks they lead one point at the half. The Nocona boys came back and increased their lead by the final gun t oa 12 point margin, and were playing with four men on their team who carried away the state penant last year.

Nocona had previously defeated Holliday 32 27 to advnce to the finals with the Hornets.

No information has been received or been found in our exchanges as to how the boys from Turnersville who played in Dallas or the

Evant boys, who played in Abilene finished up.

Gatesville, rther Coryell county had three chances this year to be in the state finals, and that means the have to be something special to make their regionals not to mention the State meet in Austin.

FAIRLY QUIET ON THE HOME FRONT OVER WEEK END

Only two difficulties developed on the home front during the past week end.

The first, a man arrested and charged with being drunk.

The main item was a difficulty in the colored section of town, when one man whaled away with a gun and two other parties came out with bullet wounds in their legs. This happened about 8:30 Saturday night.

Camp Hood

NEWS

Unsung heroines, mothers grand mothers, wives and daughters of servicemen and many others of neighboring communities are furnishing service men with equipment serviced from Camp Hood's Clothing and Equipment Repair Shop, and 4,000 pairs of shoes were made serviceable in February. There are 57 sewing machines 100,000 items of clothing, and 25 000 pieces of canvas have also been mde usable again.

The shops would not be as complete were it not for the shortages of critical items such as wool cotton and cotton duck material which these people make usable.

Also, there are other fixers who repair stoves, field ranges, type writers and all office machines, cash registers metal and folding cots and other items.

Visitors recently at Camp Hood from Columbia South America, who inspected activities on the post as a part of the War Dept ment's Latin American program included Lt Col Leopoldo Uribe, Col Jorge Martinez, Lt Col Ricardo Bayona and Major Carlos Ayerbe They were accompanied by Lt. Col Rafoel Miranda U S War De prtment aide for the mission.

They also visited the Infantry School at Ft Benning and air for ces posts in San Antonio and then went on to Ft. Sill Ft Riley and Ft Leavenworth and the Willow Run Bomber plant in Detroit.

New booklet entitled "Welcome to Tank Destroyer Replacement cil Training Center" helps the new trainees arriving at the school.

The book gives the history of the Tank Destroyers the Tank Destroyer Replacement Center, weapons used social and religious activities available and is arranged in the form of an envelope to be mailed and is accompanied by a personal letter from Brig. Gen Alexander O. Gorder.

Station Hospital Dental Clinic at Camp Hood has a dual purpose including routine dental care to the hospital patients and those dental cases requiring hospitali zation. These include fractures severe infections, tumors, cysts impacted teeth and facial injuries

One soldier in a tank accident had his upper jaw driven almost an inch into his head. In 2½ mos. his jaw was restored to normalcy

Another had a bad infection and months at the clinic the infection was cured. The tissue was badly injured

Nine dental officers work with the aid of enlisted and civilian personnel. The prosthetic assis tant is WAC T/5 Mary Davis who received her training in the Clinic 2,000 teeth are filled monthly and 400 more extracted and there are couldn't shut his mouth. After 2 70 prosthetic appliances

Now, more than ever...
your RED CROSS is at his side

AMERICAN RED CROSS

As wounded American boys come back from the battle fronts they find American Red Cross workers in all military and naval hospitals ready to help them. This year there will be more need than ever before for Red Cross service in domestic hospitals.

Red Cross War Fund Head Enlists Full Public Support

WASHINGTON, D. C. — Urging each American citizen to consider the Red Cross as his personal emissary to his particular serviceman, Colby M. Chester, chairman of the 1945 American Red Cross War Fund campaign, today asked all Americans to give to their fullest ability in support of the 1945 national goal of \$200,000,000.

"Those of us who must stay at home and fight by doing our daily tasks as efficiently as possible," he said, "like to feel that though we are not beside John or Jim or Bob on the battle field, we do have a personal ambassador in each of the ten thousand Red Cross workers now serving with the troops overseas."

Opening March 1 and continuing throughout the entire month, the third Red Cross War Fund will not only fill intensified needs on advancing war fronts, but will provide needed services to those who have returned from action, their families, their buddies awaiting transportation overseas, and their friends and

neighbors at home in time of natural or war-caused emergency.

More than 3,000,000 volunteer solicitors stand ready to aid in local collections in every American community. Each will devote his time and effort toward reaching the goal so that men and women in military service will know the Red Cross "staying right with them, right up to and beyond the day of peace and victory," Mr. Chester explained.

Without personal gain or remuneration, the 3,000,000 men and women volunteer canvassers will represent 3,756 Red Cross chapters throughout the nation. Seeking from door to door those contributions which will not be made through factory, office, school or theatre, each will carry an official identification card for the protection of the household. For the most part, however, such identification will be unnecessary because the solicitor will be a neighbor or friend. To each contributor, he will give a red, white and blue window sticker bearing the well-known Red Cross emblem.

OPA CASES ARE GIVEN FINES IN U S DIST COURT

Injunctions were granted February 28, in Judge Charles A. Boynton's U S District Court Wednesday restraining various citizens from violating OPA regulations and cash penalties were applied to some violators.

Judge Boynton assessed a penalty of \$25 and costs against one Gatesville landlady and \$120 (the amount of overcharge) against another and permanently restrained each of them from charging more than the rental set by the area rent administrator Allan D Sanford, whose offices are in Waco.

In the first of the above cases the court issued an order that the land lady register all her rental quarters, with the administrator, which she had previously failed to do.

In the second the court permanently enjoined the landlady from evicting tenants without proper procedure and notice. She had, according to W S Margowski of Ft. Worth rent enforcement attorney evicted two tenants, military personnel from Camp Hood. The only reason the court didn't order her to reinstate these tenants is that they had been transferred to another post.

A temporary injunction which was issued last December against the operator of a rooming house in Gatesville was dissolved by the court because the rooming house has in the meantime burned up.

EGG STORIES ARE STARTING: JUD'S GOT A BIG 'UN

Yes this is the season for "egg stories", and it's keeping up to standard.

Judson Davis of Gatesville brings us in a sample. This was a large sample. Weighing a half pound and was 10" around the long was and 8 the other.

A RIR layed this one. This always happens about this time of the year, and we think the old biddies are retooling for a new season, and that's the reason for these monstrosities, and other things they lay.

War Manpower Director Darrell Harding was a visitor here last week and in words to that effect said you can toot around 'til 12 midnight, but after that, no, no, a thousand times no.

Not that there are any places in Gatesville to toot around.

That order however applies to night clubs sport arenas theatres dance halls rodhouses saloons bars shooting galleries bowling billiard and pool establishments, amusement parks carnivals, circuses, coin operated amusement device parlors ice and roller skating rinks entertainment activity of yacht, country and other clubs dance studios and schools and gambling establishments.

Restaurants customarily open all night for the purpose of serving foods are not effected as far as food is concerned.

However, juke boxes etc must stop at midnight. Entertainment for military personnel, sponsored by responsible agencies on a non profit basis after approval of military authorities may be exempt.

Where noncompliance is reported by city or county officials who will cooperate the WMC has been empowered to establish employment ceilings in individual cases. Harding said he had effected a concurrence with city officials, and the chief of police and with Sheriff Joe White. The WMC of fice is at 421 Columbus, Waco.

T H. Bailey is in Providence hospital in Waco where he is recovering from an operation on a broken arm. He is reported resting well. Mrs Bailey is in Waco with him.

Miss Myrtle Wendoborn has just returned from Cedar Rapids, Ia., where she attended a chick sexing school. She is now employed by Winfield's Hatchery and will assist poultry raisers with their flocks.

Red Cross Faces Greatest Task in Fourth War Year

WASHINGTON, D. C.—Facing the greatest task in its history in serving American fighting men on advancing war fronts overseas, their families at home, their buddies returning to the United States after discharge, and the American people in emergencies on the home front, the American Red Cross will launch its third War Fund campaign March 1.

That the American people will respond with overwhelming generosity to the appeal for \$200,000,000 to carry on this world-wide program is already indicated in the nation-wide determination to meet all its war needs and to bring the five-year struggle to an early and successful conclusion.

In every invasion during the past year, Chairman Basil O'Connor of the American Red Cross said, Red Cross workers have either gone with the troops, or have followed within a very short time. Red Cross field directors were with General Eisenhower's men in the great amphibious invasion of France, and with General MacArthur's forces when they returned to the Philippines.

Ten thousand men and women wear the Red Cross uniform overseas, serving in every theatre of war and with every command. They work in leave clubs, clubmobiles, rest homes, hospitals. Red Cross men attached to fighting units are with those outfits even in actual combat. Red Cross girls dispense snacks at air fields, along trucking supply routes, behind front areas and in liberated cities.

Many, both men and women, are on duty at scores of isolated outposts throughout the world, and give aid to wounded men in hospitals and on hospital ships, planes and trains. Away from the battle areas, thousands more serve at military and naval installations within the United States.

Red Cross service on the home front has expanded with the ever increasing demand upon it, Mr O'Connor said. In addition to collecting more than ten million pints of blood for plasma since the beginning of the war, the Red Cross has met requests of the Army and Navy for whole blood shipments to European and Pacific battle areas. Ten centers on the East and West coasts already participate in the collection of Type O whole blood, while others stand ready to join in that program as military needs warrant.

At four packaging centers, manned by volunteer workers, more than 20,000,000 food parcels have been turned out in a steady stream for shipment to prisoners of war and civilian internees in Germany and the Far East. Surgical dressings—775,000,000 of them—were prepared in the past year alone for front line and hospital use. Production workers in hundreds of communities have continued the never ceasing program of making warm garments for destitute civilians in war-torn countries overseas, and in those countries the Red Cross has assisted the Army in caring for refugees and homeless people.

Nor has its service to the armed forces on a global scale caused any relaxation on the part of the Red Cross to carry out its traditional service to the American people in time of disaster. More than 200 domestic disasters—floods, high winds and fires—have found Red Cross workers on the job to relieve stricken families and to aid in the rebuilding of communities.

"The need for Red Cross services in the coming year will be greater than ever before," Mr. O'Connor said. "In fulfilling the Red Cross appeal for \$200,000,000, the American people will indicate its wholehearted backing of men in the front lines."

Symbolic Red Cross Emblem To Appear In Windows Again

WASHINGTON, D. C.—Once again, next month, the scarlet emblem of the American Red Cross will appear in the windows of American homes, symbolizing the financial support of the nation in supporting the manifold services of that organization to American fighting men overseas.

In every nation of the world, this red cross has long been the symbol of universal humanitarianism, both in peace and in time of war. Today it is worn by medical corpsmen of all armies and navies serving the wounded. It protects hospital tents, ships, planes and trains. Painted on each of the International Red Cross ships bearing food parcels to prisoners of war and exchanged prisoners homeward, it is a guarantee of safety from acts of war.

To the giver doing his part to fulfill the \$200,000,000 goal of the American Red Cross in 1945, it represents his personal part in supplying the material things which add to the morale of the American serviceman, whether hospitalized or able-bodied.

"The window sticker means more than dollars contributed to the Red Cross," Chairman Basil O'Connor declared. "It means service clubs, canteens, recreation rooms and clubmobiles for the men in war theatres."

To the American Red Cross, each window sticker is a family's request to the Red Cross to continue its responsibilities on behalf of the son in Italy, the neighbor's boy half a turn around the globe in the Philippines, and the brother fighting on the Western Front. It is the expression of faith of the American people

Once again this year, in March, the world-known scarlet symbol of mercy will appear in windows throughout the nation, indicating that Mr. and Mrs. America are solidly behind the 1945 American Red Cross War Fund campaign.

That Red Cross will maintain the supplies of surgical dressings, blood plasma and whole blood, kit bags and comfort articles to the battle fronts. It is a vote of gratitude for the millions of food parcels reaching American men in enemy prison camps.

Opening March 1, the third American Red Cross War Fund campaign for \$200,000,000—the same as last year—will continue throughout the entire month. More than 8,000,000 volunteers will distribute the familiar window emblems, conducting a house-to-house canvass to fulfill the 1945 quota. Along with the window emblem, each contributor will receive a lapel tab fashioned after the Red Cross flag—the flag known to all as a sign of aid and comfort

A TRACTOR "Talks Back"

"Mister, I've been working my heart out for you for a long time now. I haven't grumbled or kicked because I come from a good family where our motto is **HARD WORK AND LONG SERVICE.**"

"That doesn't mean we have the miracle of everlasting life. I'm just a combination of honest material and honest workmanship but even that has its limits. I've gone along on all the tough jobs and never quit... but now I'm asking you to give me a break, for your own sake as well as mine."

"Before we go into the next tough job take me to the John Deere Service Shop for a going over. There are a few sore spots, some loose nuts that hamper me, and I think my wind would be better if my valves and ignition had a check-up. Those service men down there are old friends of mine—they know me and why, I say. How about it? Or do I have to quit against my will?"

Dear GI:

C of C named some new directors including Bill Ament, Earl Ashby, H E. Poston, J B Roach, Wade Sadler, Robert Scott and Joe Walker.

The War Manpower Commission representative was here this week and effected a concurrence with the police officers, city and county, to get places of iniquity closed after 12 o'clock. Boy, if he can find 'em he's a good one. Most of us do our iniquity in Waco or other "dripping centers" and have never dreamed of cutting up here. Well, that's a part of the war program and if it is good, it is good. Anyway the main thing is, we shut the juke boxes at 12; that's about all we could see that the move would effect here.

M/Sgt Bob Brown, who's overseas in France with a Tank outfit is the proud papa of a boy and a girl born the same day. Started a big family quickly.

And, somebody else you know has a new daughter and was passing out the seegars here this week and that was Clayton Franks, who was sometime ago discharged from the army.

Farmers are asked to sign up their AAA Plan sheets showing how much they expect to raise in food, etc, for the next year.

They're still after houses and apartments, and 171 applied last week for these. Camp Hood's on a slump, but they're still after housing accommodations. Camp Hood and McGregor may get housing units. We sleep, or do we.

Troy Jones was named Selective Service Appeal Agent replacing Robert W Brown, resigned many months ago.

Boyce House author, of "I Give

You Texas" a very popular book especially to Texans, is the main attraction at the Gatesville Chamber of Commerce Banquet, the 29.

Haven't heard any more about the proposed gentleman who was to be employed to draw Gatesville's plans for the Post War and to be handled by the C of C with the assistance and abatement, na, "concurrence" of the City Council an dCounty Commissioner's Court Got that word "concurrence" from received. You'll get on the lingo when you bet home and start un raving red tape

NHA says even if you're in the army and expect to get out soon, you can build a house in Gatesville up to \$10000 if you want to. That is if you have the 10 grand, or can borrow it.

Pvt Sammie W Bynum, as you on New Guinea may know, is post master down there at the 13th AAF headquarters. Nice work if you can get it!!

Pretty little Flight Nurse, Lt. Naomi Jones spoke to the Lions Club Wednesday. She'd make you want to get sick, if you saw her and had a chance to get her to take care of you. Nice little girl and is doing a GREAT work for the wounded men.

Irvng Scott's got a Flying Field going, and there's considerable interest. Soldiers (Camp Hood) as well as civilians are interested in the business. The air field is near the McConnaughey home on U S 84, about a mile east of Gatesville city limits.

Over the other side of town,, about the sme distance, (on Highland Addition) E. L. Turner's opened another Auction Sale, and reports are they are getting the job done in a big Way over there. Farmers have always got some thing for sale and it coks like it's

a good chance to get the buyers and sellers together. Seems like there are always a ot of buyers too

Hail rain, fog, cold and now hot has been the weather last week, It's trying to get summer and it's going thru that transition period commonly known as Spring. Some farmers are ready to go to the fields for planting, but about all they could plant right now is rice For us folks in town the grass is getting greener and the awful part longer every day, and there's no one to cut it but yourself. All the cutters are in the war effort, or better. Consequently there are due to be considerable number of shaggy lawns including ours If, now a days you get hme when it is light enough to do the mowing you dont feel like it and personally we don't like to work on Sunday unless the ox is in the ditch.

DISCHARGE BUTTON—Representatives of the Army, Navy and Veterans Administration have decided to retain the discharge button which is given to all honorably discharged veterans of the present war. It is available either as a lapel button or with a pin-back. The veteran is issued his button free of charge upon his discharge. If the button is lost or destroyed, another may be obtained at cost (seven cents) by the veteran on presentation of his discharge papers to the Quartermaster Supply Officer at the nearest post, camp or station.

Well, we've had an announcement of the Victory Gardens for the coming year from Laura Lane, Extension Editor of A&M

And in the same mail comes the announcement of the Annual Easter Seal Sale of the Texas Society for Crippled Children.

And, in the self same mail the announcement of the Seventh War Loan Drive, with the USA quota set at \$14,000,000,000, of which \$7,000,000,000 from individual and \$7,000,000,000 from other nonbank investors. This is the highest individual amount asked and the series will consume \$4,000,000,000 of this amount.

As usual, Coryell county WILL make the quotas, and better. Boys, you can rest assured that this will happen. The individual drive will be from May 14 to June 30, with the big push for E's starting April 9.

Above this, you'll see a picture of a pin you'll all be glad to have. The Discharge Button. The number around here is increasing rather rapidly, and now, nearly all the men and boys in the draft age who are still here, are wearing on of these buttons or they're already signed up for some branch of the service or, have deferments that have delayed their entry into some branch of the service. Things along this line have been carried out pretty equitable And it's really a hard job, with no thanks attached.

And, lots of boys are furlough for the "go over" and are visiting home every day. They're here for a few days, and then about the next thing you hear, they've got an APO either going east or west.

And, there are more rookies going all the time.

So long.

After trouncing Aele high school basketballers by a 2 to 1 count, Gatesville High School Hornets were eliminated from the statet meet by last year's winner, Nocona high school. The final was 41 to 29.

The Hornets Bi District winners, could not get over the hump at the Regional altho they led many times in the game. and according to Superintendent Ercell Brooks they lead one point at the half.

The Nocona boys came back and increased their lead by the final gun to a 12 point margin, and were playing with four men on their team who carried away the state pennant last year.

Nocona had previously defeated Holliday 32 to 27 to advance to the finals with the Hornets.

No information has been received or been found in our exchanges as to how the boys from Turnersville who played in Dallas or the

Evant boys, who played in Abilene finished up.

Gatesville, rther Coryell county had three chances this year to be in the state finals, and that means the have to be something special to make their regionals not to mention the State meet in Austin.

Only two difficulties developed on the home front during the past week end.

The first, a man arrested and charged with being drunk.

The main item was a difficulty in the colored section of town, when one man whaled away with a gun and two other parties came out with bullet wounds in their legs. This happened about 8:30 Saturday night.

Camp Hood

NEWS

Unsung heroines, mothers grand mothers, wives and daughters of servicemen and many others of neighboring communities are furnishing service men with equipment serviced from Camp Hood's Clothing and Equipment Repair Shop, and 4,000 pairs of shoes were made serviceable in February. There are 57 sewing machines 100,000 items of clothing, and 25 000 pieces of canvas have also been mde usable again.

The shops would not be as complete were it not for the shortages of critical items such as wool cotton and duck material which these people make usable.

Also, there are other fixers who repair stoves, field ranges, typewriters and all office machines, cash registers metal and folding cots and other items.

Visitors recently at Camp Hood from Columbia South America, who inspected activities on the post as a part of the War Department's Latin American program included Lt Col Leopoldo Uribe, Col Jorge Martinez, Lt Col Ricardo Bayona and Major Carlos Ayerbe. They were accompanied by Lt. Col Rafoel Miranda U S War Department aide for the mission.

They also visited the Infantry School at Ft Benning and air force posts in San Antonio and then went on to Ft. Sill Ft Riley and Ft Leavenworth and the Willow Run Bomber plant in Detroit.

New booklet entitled "Welcome to Tank Destroyer Replacement Training Center" helps the new trainees arriving at the school.

The book gives the history of the Tank Destroyers the Tank Destroyer Replacement Center, weapons used social and religious activities available and is arranged in the form of an envelope to be mailed and is accompanied by a personal letter from Brig. Gen Alexander O. Gorder.

Station Hospital Dental Clinic at Camp Hood has a dual purpose including routine dental care to the hospital patients and those dental cases requiring hospitalization. These include fractures severe infections, tumors, cysts impacted teeth and facial injuries.

One soldier in a tank accident had his upper jaw driven almost an inch into his head. In 2 1/2 mos. his jaw was restored to normalcy.

Another had a bad infection and months at the clinic the infection was cured. The tissue was badly injured.
