Brown & Chambers Grocery Damaged by Fire Friday At 4 A. M.

Fire broke out shortly after 4 a. m. Friday, in the rear of Brown & Chambers Grocery, was put out shortly by Gatesville Volunteer Fire Department.

Since the fire was confined to the rear of the stor, a fw bottles of soft drinks, ujte bags, and other miscellaneous equipment and supplies were all that was lost. Some smoke damage was done to the rest of the store, probably, but insurance men estimated the damage at around \$1,000.

Mr. Chambers, co-owner, said the work of the fire department was what saved further damage.

Hamilton Is Host For Two Coryell County 6-Man Football Clubs

Hamilton was the "host city" to two Coryell County 6-man football teams Thursday evening, when Pearl and Evant played a game.

Score for the evening, according to R. B. Forrest, was Pearl 28, Evant 30.

That's all R. B., Pearl Coach, gave on his card, but is most certainly it must have been a ball game to have been that close.

Seventy-five Or More Attend Corner Stone Laying, Masons, Waco

Masons of Texas gathered in Waco Thursday at 10 for the corner stone laying of the new Masonic Building, with Grand Master Horace Jackson being the principal at the ceremony.

More than seventy-five from all over Coryell County were included in the more than 5,000 who witnessed the rges.

Of Earl Spicer, baritone, scheduled Nov. 15, for Coryell County Municipal Concert Association, the Cincinnati Times-Star says; "Earl Spicer brought down the house."

Guess you know, Baseball Season finally made it. Yep, the Cleveland Indians took the last of the series.

Great crowd there Sunday, 86,000 of them, and they even cheered Boston Braves in winning the game. Cleveland has sporting blood, seems.

Folks around here are going to the Fair, not to mention a certain tented extravaganza in a nearby settlement. You just might say: "Folks are goin'." They developed that habit, and we date it from 1936 when Coryell County had its big day at the Texas Centennial, and a whale of a lot of folks went up. We bought a cane and a magazine (we didn't want the magazine) but the man threw it in "for the postage only" which ran around \$3.69, and we were looking for those guys that are looking for suckers, and we were A-1 in that class that day.

The sharpest boys in the "pitches" are at the Fairs, and if they can't take it from you, as a Yank would say: "Like Grant took Richmond", then you're a pretty wise egg. It's simply their business, and we were "an Old Coryell County Boy" that day, (it was Coryell County Day) and yap like we were, fell for it like a ton of brick. The pitch man that sold us couldn't miss. Still got the cane, but "Nature" magazine is long since gone.

BRITAIN, USA, AND FRANCE NOT UNWILLING TO ACCEPT BERLIN SETTLEMENT WITH BIG 4

PARIS, France, October 11. (AP)—British and American spokesmen reported today that they and France were "not unwilling" to accept a Berlin settlement calling for the combined lifting of the blockade, meeting with the Big Four Foreign Ministers on the whole German question. The Western Powers previously held the Russians must lift the blockade of Berlin before negotiation on the Berlin crisis was possible.

Meanwhile, Secretary of State George Marshall headed back to Paris from his Washington meeting with Truman.

Courthouse Gets West Texas Treatment: Also Acoustics Doctored

Yep, they've syphoned a West Texas sand-storm thru a little pipe, and are knocking the age off the county court house. We're going to sure have to wear sunglasses when we look over that way now.

And, for the lawyers, who sound forth in the District Court room, from a whisper to a below, they are planning to sound proof it. Say the acoustics is bad, something the fellows that built it never heard anything about.

Won't sound like now, somebody's calling the hawks or dawgs when they get it fixed. You can whisper, and be heard all over the room, and that will be something.

PREACHING NOTICE

There will be services at the Presbyterian church in Turnersville, Sunday, October 17th. Everyone is cordially invited to attend.

Gatesville Boy Is On Student Life Committee At A & M

Named to the Student Life Committee at A & M is Ted Copeland of Gatesville, which composes the Student Senate at the school. They meet the first Wednesday of each month.

Copeland was recently appointed Cadet Corps colonel and commander of headquarters air group of the Cadet Corps in special orders released by Colonel H. L. Boatner, comandant.

In the appointment, Col. Boatner said: "You were selected entirely on merit and the record you have made in this college."

Copeland was also awarded the Air Force Association Medal for being the Air Force cadet who established and maintained the highest standards of scholastic and military grades and who demonstrated outstanding qualities of leadership ability. He is the first Cadet to win this honor, and was selected the outstanding cadet in the Summer training camp at Kelly Field, San Antonio.

He is a grandson of the late Mr. and Mrs. Dan H. Burt, pioneer residents of Gatesville, and Copeland is a member of the YMCA cabinet, president of the Coryell County Club, and the Junior Class policy committee.

His parents are Mr. and Mrs. Ted Copeland of Gatesville.

The Texas Poll

The Statewide Survey of Public Opinion

By **JOE BELDEN**,
Director, The Texas Poll

AUSTIN, Texas, October 9.—Democracy is almost blind when it comes to electing judges of the Supreme Court of Texas.

A large majority of the voters don't even know the names of the men who run for high judicial office, let alone the qualifications of the candidates. They cast their ballots by hunch and accident. Having no solid facts upon which to base their choice, they are often lured into voting for a man by nothing more than the look and sound of his name.

A number of leading lawyers are advocating an end to this hit-and-miss system of electing high court judges in Texas. They are backing a plan which calls for a non-political commission to nominate the judges, the governor to appoint them, and the voters to decide periodically which ones if any ought to be removed.

What are the prospects for such a change?

paigned in recent court history, became the best known among the winning candidates. Judge Few Brewster, who was unopposed and therefore did not conduct a publicity campaign, was the least known.

The Texas Poll made its post-election measurement with this question, which was put to a statewide cross section of 1,000 qualified voters:

"Four judges were elected to the Supreme Court of Texas in July. Which ones can you recall by name?"

	Qualified Voters	Actual Voters
Correctly named:		
James P. Hart.....	21%	24%
J. E. Hickman.....	13	16
W. St. J. Garwood..	12	15

Few Brewster..... 9 12

The results above indicate that persons who actually voted on July 24 were only slightly better informed as a group than the qualified electorate as a whole. Interviewing for this survey was conducted August 9-15.

To find out how much sentiment exists for changing the present system of electing judges, The Texas Poll asked these two questions:

"Do you think judges of the Supreme Court of Texas should be elected by the people, or do you think they should be chosen in some other way,"

	Qualified Voters	Actual Voters
Favor Election.....	76%	76%
Favor other way.....	15	17
No opinion.....	9	7

100% 100%

"How do you think they (Supreme Court judges) should be chosen?" (Asked only of those who said they thought judges should be chosen in some other way besides election.)

	Qualified Voters	Actual Voters
Favor appointment by non-political board.....	5.3%	6.3%
Favor appointment by governor.....	4.7	5.3
Favor appointment by State Bar.....	2.0	2.1
Favor appointment by legislature or attorney general.....	0.7	0.6
Favor no particular method.....	2.6	3.1

All who favor system of appointment..... 15.3% 17.4%

Only by constitutional amendment approved by the voters will it be possible to change the system of electing judges. Most voters will admit they don't know much about judges, but they are not ready to give up their right to elect members of the Supreme Court. It will take a lot of campaigning to persuade a majority of the voters that a system of non-political appointment is better.

On July 24, more than a million Texas Democratic voters took part in nominating four men to serve on the Supreme Court. Three weeks later, a statewide survey by the Texas Poll showed that only 30 percent of the qualified voters and only 35 per cent of the persons who actually voted could recall by name one or more of the winning candidates.

It was not that most voters forgot the names of the judges. The fact is that they never learned them. A statewide survey of qualified voters three weeks before the July 24 election showed that at that time only 16 per cent could recall by name one or more of the men whowere running for Supreme Court.

Comparison of the two surveys indicates that the publicity which attended the election helped acquaint a good many voters with the names of the principal candidates. But it was not enough to inform a bare majority. It seems clear that the great majority voted blindly when they marked their ballots for Supreme Court judges.

The post-election survey showed that Judge James P. Hart, who conducted the most vigorous cam-

DOROTHY KENDRICK

Briefly, here's Dorothy Kendrick, who is to appear in Gatesville under the auspices of the Coryell Municipal Concert Association which now has a membership drive going on.

At 14, she won a coveted scholarship with Rudolph Ganz—the first of many cherished honors she has since received for her artistry, not the least of which was the famous Walter W. Naumburg Award and the resultant Town Hall debut. 'Rave' press notices acclaimed the new found piano virtuoso, and Miss Kendrick thus began a thrilling career. She has concertized extensively all over America, also appearing as guest artist with numerous major symphony orchestras. Miss Kendrick has been invited to appear on six different occasions as guest artist with the Chicago Symphony Orchestra.

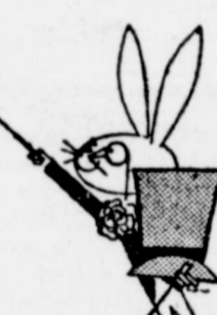

For several years Dorothy Kendrick has been featured as soloist over the NBS, Mutual and CBS, radio networks. Miss Kendrick was also starred as soloist in the Radio City Music Hall Stage Productions with conductor Erno Rapee.

A brilliant technique, sound musicianship, and a profound interpretative ability all combine to make charming Dorothy Kendrick one of the most sought after pianistic attractions on the concert stage today.

Memberships to bring Miss Kendrick and other artists, Earle Spicer, baritone, and the great Dallas Symphony Orchestra to Gatesville are being sold fast at the \$5 plus tax for adults, and \$2 plus tax for children.

ACA NOTES

The ACA office has been rushed the past few weeks issuing prior approvals and purchase orders on winter legumes, advises Clois D. Stone, administrative officer. Over 300 prior approvals have already been issued on enough Dixie Wonder Peas, Hairy Vetch, Madrid Clover, Hubam Clover and Ryegrass to seed around 6500 acres of crop land.

S. P. Jackson, Otto Buth, J. H. Wilkinson, Virgil L. Moore and F. S. Kattner are some of the farmers who have obtained buffalo grass under purchase order to seed on cropland in establishing permanent pastures. ACA assistance is also available on Rescue, Blue-stef, Grama, Indian, Perennial and Annual Ryegrass, and Bur Clover, for seeding in establishing or improving permanent pastures.

This Week in History

October 10 to October 18

882 years ago this week William of Normandy fought a battle at Hastings, England, which changed the whole course of English history. On October 14, 1066, he defeated the Sax-on king, Harold, and was thus able to assume the throne of England. William stopped the subdivision of the country into autonomous provinces. He organized a central government, developed law, and established courts. He brought England into greater contact with Europe and furthered foreign trade. Looking back on that one battle, historians have called it the most important single event in the history of England.

Farmers who need additional phosphate to use with their winter legumes should contact the ACA office, Stone advises, before obtaining the phosphate, as they may be eligible for ACA assistance in buying this phosphate. The county committee has lifted the limit on phosphate to the individual, provided the farm limit has not been exhausted and provided the phosphate is to be applied to winter legumes at the rate of 200 pounds pr acre.

Farmers who are contemplating terracing during 1949 may receive payment under the 1948 program on constructing waterways required by the new terrace system. Approvals will be issued for this practice even though the farm limit has already been used on other 1948 practices. Waterways should be constructed and vegetated before the terraces are constructed, Stone points out, since it is very difficult to adequately protect the waterways from erosion when both terraces and water ways are constructed at the same time.

Egg Contest

Mrs. A. D. Gartman and Mrs. Paul Hinson have made entries in the Texas Egg Laying Contest, and County Agents W. P. Graham and Mrs. Nell Robinson made a visit to the Gartman Farm recently to offer assistance.

Mrs. Gartman said: "300 hens were culled to 245 last week, and 100 pounds of mash is needed to produce a case of eggs (30 dozen eggs). Thirty dozen eggs sell for 50c a dozen, or \$15 a case. 100 pounds of mash costs \$435. 3 gallons of oats and 3 gallons of maize fed daily for scratch. Total cost of feed per case of eggs figures \$5.60, and this leaves a profit of \$9.40 per case, making the poultry project worth while."

try project worth while."

Coryell County Hogs Win
County Agent A. B. Ford of San Saba County reports that his 4-H Club boar and gilt purchased from Billy Guyon Taylor of Gatesville placed 1st and 2nd respectively in their classes at the show in Brownwood.

Another boar from Billy Taylor's litter sold to County Agent at Glen Rose is expected to win their district show.

A boar bred by Guy Davidson was sold to a boy at West. This boar is a litter mate of the Champion gilt at Coryell County and the Champion pen of barrows at the Waco Area Show.

A boar bred by Clovis King is expected to win the Amarillo Show. This boar is a litter mate to the ones Clovis won with at the Temple show.

It is encouraging to know that the hogs raised in this County are making a record in other sections of the State. This will mean more calls for breeding hogs later.

Let's Go To The Fair!

October 16 is 4-H Club Day at the State Fair, Dallas. Any 4-H Club boy or girl in Coryell County may receive from the County Agent's office passes to get into the grounds and a 4-H badge which will entitle them to a free lunch that day. Several schools have already received their tickets and badges with the idea of taking on of their busses or two busses if necessary to carry their 4-H Club boys and girls. You are urged to come by the County Agent's office and get your ticket to attend the Fair on October 16.

Each department of the ship is on a competitive basis and is graded to determine the vessel's final mark.

The Pennant is a red triangle with a black circle and the crew wears an 'E' on their sleeve.

Serving on the Island of Guam, in the Far East Air Forces is Cpl. John F. Kinsey, son of Mrs. Luther Kinsey, of Ogleby, and he attended high school there before entering the service.

He is with the 1952d Engineers Aviation Co., in the Marianas Air Material area, and is a part of the 374th Troop Carrier Group which amasses 1500 flying hours monthly providing air lift for essential supplies to Air Force units thruout the Pacific.

Kinsey entered the service in January 1948, at San Antonio for basic training, then to Hamilton Field, California, leaving San Francisco, he arrived on Guam June 5. He expects to return in May, 1950.

Sgt. William H. Martin, son of Mr. and Mrs. Eugene Martin of Ireland was recently discharged from the Fifth Air Force at Itami, Japan, where he was a Supply Technician.

He entered the Air Force at Waco, December 1, 1945 and after training in the USA was transferred to the Pacific Theatre of Operations, August 1946, and arrived at Yokohama, August 26, later moving to Osaka.

The New York Times, about Dorothy Kendrick says: "a rippling touch and singing tone that brought out the beauty of music in a way that immediately won the favor of the audience." She appears in the Spring in Coryell Municipal Concert Association's 1948-49 concert season.

COUNTY H. D. CLUB NOTES

The Coryell County Home Demonstration Council met last Saturday, October 2, in the County Court room. Mrs. A. D. Gartman, chairman, presided.

Seven Clubs were represented. Mrs. Berry Buckelew, Texas County Home Demonstration association Chairman; Mrs. Roy Edmondson, Arnett; Mrs. Kenneth Conner, Bee House; and Mrs. C. L. Dryden, Copperas Cove will represent Coryell County at the Texas Home Demonstration Association in Temple, October 14, 15, and 16.

Plans were also made to attend an organization and Marketing Training Meeting to be conducted by Miss Myrtle Murry, specialist in Home Aking at Waco October 19. The council officers and the Marketing committee are urged to attend. Each Club is to be represented at this meeting.

The CROP, Christian Rural Overseas Program, was explained, the plans for the United Nations program were distributed.

4-H Club Organized

Boys and girls 4-H Clubs are being organized in Coryell County. Clubs have been organized at Levita, Arnett, Purmela, Pearl, and Flat. Plans are being made to organize 4-H Clubs in other schools in the county as soon as County Home Demonstration Agt. and the County Agent can get to these schools.

Every girl who is enrolled in 4-H Club is eligible for a free admission to the gate and a free lunch at the State fair, at Dallas October 16, which is World Youth Day also. If any of the 4-H Girls who do not have tickets plan to go, come by the County H. D. Agent's office and get tickets.

Landscaping Training Meeting
Mrs. Nell Robinson, acting Co.

Home Demonstration Agent, attended a two day Landscaping Training Meeting in Stephenville, October 6 and 7. Miss Sadie Hatfield, specialist in Landscaping and Gardening conducted the meeting.

WAR ON WASTE

LOOKING AHEAD

BY GEORGE S. BENSON
President—Harding College
Searcy, Arkansas

An American's Faith

This year at the commencement exercises of Harding College a notable address was delivered. It was no ordinary speech. The burden of its message was so significant, and the appeal so earnest, that I wish the audience had been many times larger. I am therefore taking this method of passing to you a portion of this solid and thoughtful address. It was made by Mr. Lamar Fleming, Jr., of Houston, Texas.

"This historic responsibility is new to us. . . . But those who view accomplishments in the atomic laboratories and the development of other terrible means of destruction must recognize that no one on earth longer has the power to decide whether he will live alone. That power of decision has passed to those who are evil enough to . . . use terrible new weapons for their evil designs—unless mankind combines to prevent them from so doing.

Our Call from Destiny

"If we accept that, being sons of God, we are brothers to all Mankind, and that we are the only nation strong enough to lead Mankind to combine for suppression of violence and recovery of Peace, we cannot reject the role to which our Destiny calls us. We will cherish the memory of more placid days, when this responsibility was not upon us, but we cannot reject our Destiny.

"We must enter this role in humility, conscious of our shortcomings and determined to overcome them to the best of our ability. We must search our souls. We must do more than conquer the resistance to truth which springs from our animal instincts. We must chastise all who seek to inflame and prey upon our group grievances, greeds, and hatreds. We must remind ourselves constantly that our duty of human brotherhood is no less to distant peoples . . . than to our neighbors in our home towns.

Men of Good Will

"We must realize that peace and well-being will not return to them nor remain with us unless we achieve the ability to work together in a brotherly and mutually helpful company, each placing the common good above the greeds and ambitions of any person, group, or nation. We must include . . . peoples temporarily prevented from cooperation toward the common good and must pray for the day when their chains will be removed and they will be free to join our company.

"Above all, we must require of this great undertaking that it function by the standards of millions of individual consciences, which are the communion of sons and daughters with their Spiritual Father—not by group, party, or national ethics, in which conscience gives way to animal instincts, fears, and passions of the herd, and responsibility is spread so thin that no one feels it as his own. This calls for a profound spiritual revival—in us, and in all men and women of good will.

Well of Goodness

" . . . I have faith that all men and women everywhere have something in common between them, that is fundamentally good, and that time and great effort and patience will restore the mutual flow of this goodness and understanding between them, not merely in your lifetime but also in mine. . . . I have great faith that the well of goodness in the Americans of your generation will be full enough to start the mutual flow."

McCorkle Heads Gun Club: Winfield Is Secretary

At a meeting of the Gatesville Gun Club Monday evening, Ernest McCorkle was named president of the Gatesville Gun Club, and Eddie Winfield was named secretary.

Other officers will be named at a later date, and the dues for the club, we hear, was set at \$5 a year.

Sport Scraps

Surprise, to me and you, on this really upset week end. West tied McGregor. La Vega beat Itasca 32-13; Killen 8, Belton 0; Hamilton 14, Comanche 0; Mart didn't play. And further, Lampasas 20, Fredericksburg 0.

This was really "upset" week! Everybody misguessed. Mun's & Frank, our AP prognosticators were no worse off than many others, and, according to our figures, they got 12 right, 15 wrong, and 1, whos score we couldn't find.

Even the SWC didn't come out as expected: Baylor stopped Ark. 23-7; TCU 7, Indiana 6; Texas 14, Okla. 20; Mo. 20, SMU 14; So. Cal. 7, Rice 0; LSU 14, A&M 13.

And it went that way nearly all over. Never can tell exactly what will happen, even in football.

And next Saturday, Humble will air these games: 1:50, Texas-Ark, KRLD; 2:20, TCU-A&M, WFAA-820; Baylor-T. Tech, 8 p. m., over WACO; Rice-SMU, 8:05 KWTX.

KEEPS ON LIKE THIS, NEVER WILL WIN A HARD ONE!

The Hornets had another "breather" Friday night. They could do anything, and did, but that isn't good, with Itasca, La Vega, Hamilton and McGregor in the offing. The Hornets need trouble, and trouble it'll probably be from here on out!

Now, boys, we've had our fun, we've started when anybody could, and the play-day is over. Now, it's pay-day! Or, we have a lot more HORNET than anybody even dreamed at the first of the season.

Here's that last Friday night game, and, in short, there was nothing to it, except:

Briefly after the Hornets kicked to the Cubs at the south end, Schmidt getting it on the 10, downed on the 30 by Walker.

Gatesville	pos	Clifton
82 Dickie	E	McFadden 74
79 Brookshire	T	Hansen 62
83 Meeks	G	Peters 71
80 Franks	C	Pierce 79
78 Collins	G	Brown 70
91 Walker	T	Alfie 73
87 Baize	E	Prince 66
74 Davidson	B	Canuteson 55
72 Painter	B	Humphries 52
77 Roberts	B	Barton 58
85 Daniels	B	Capps 53

Officials: O'Leary, Tankersley, and Wester.

Brookshire and Baize stop Schmidt 1 loss, Painter intercepts Canuteson's toss on the 37, returned to 28, then he cuts back, going to 22, Davidson takes at left from Painter and goes the 22 for first marker, and Daniels boots.

Same period, following Allies' recovery on the Hornet 20, they couldn't go, and Prince kicked to Cub 24 yd stripe, badly. Daniels carries to the 12, and the period ends. Then Painter carries with good blocking in the 2nd over from the 12, Daniels adds

Then Prince punts to Roberts on the 36, and he returns tot the Cub 47, stopped by Peters and Alfie. Davidson completes to Anderson on 32, then, one broke up to Painter in end zone, then Davidso had to Painter and he goes over, untouched, with good blocking, Daniels adding extra.

Then, just before the half, the Cubs got it on the 33, passed, and Roberts intercepted, returning to the 44, as the half ended.

But, thy made so many, up there in the first quarter, we missed one.

Canuteson passed, and Davidson intercepted on the 47, Daniels hands to Roberts, and there he goes, 53 yards for th touchdown, makinb the half end 27-0.

That was enough, but the Hornets didn't think so. After the half Daniels received the punt, and ran 56 yards for the touchdown, standing and Davidson added the extra. That's 34-0

After a few plays, and Mitchell usiny everything and everybody, Canuteson recovers fumble on the Hornet 30, but they can't go, and the Hornets take over right there. Davidson, passing, is mobbed, stopped on 35, then, passes to Roberts who takes on 40, cuts to other side picks up interference and we've got 6 more, making 40, after Daniels added.

Davidson kicks to Canuteson on 10, trapped, runs left and fumbles and Collins recovers on Cub 22. Davidson passes to Daniels for 9, then to Baize, broken up by Gouldfan, and then he runs it over for 6 more, and the kick is

bad, so it's only 4-60. Then, the 4th comes up, and they mess around, take a 15 yard penalty and Davidson passes to Anderson on the 43, and he takes it to the 10, and then Davidson passes again to Anderson over the goal for touch, and the kick is no good, so it's only 52-0.

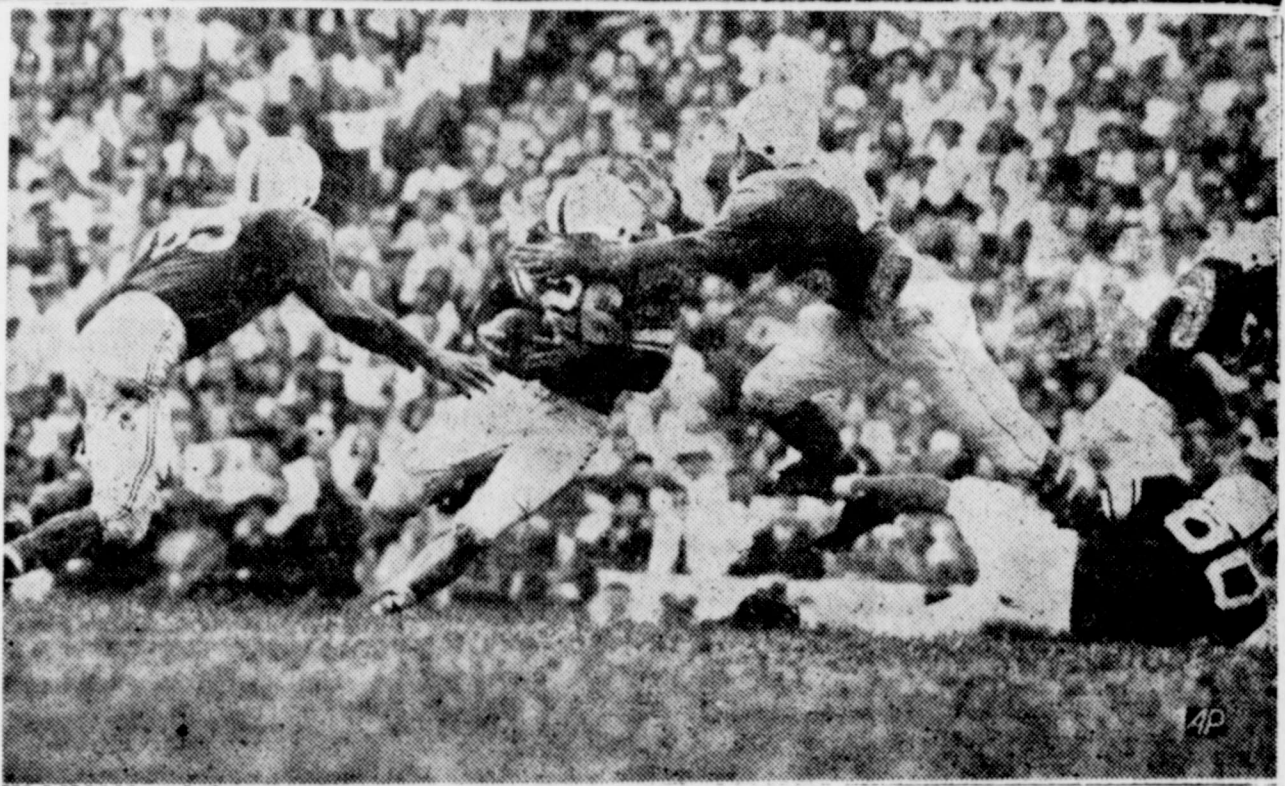

Well, they musta eased up on the Cubs, and here's how it happened. Canuteson takes kick on 5, Perry carries, steps nicely to

Hornet 49 where he's out, then Humphries carries to 40, and it's 1st D. Canuteson gets 2, stumb'ld. Barton carries to 20 another 1st D. Humphries is nailed by Bradley on the 10, Canuteson puts it on the 6, 1st D. and Barton stop'td by Tippie, and Humphries then skirts end for the payoff, and its Hornets 52, Cubs 6, since Perry's kick was bad.

What we put down statistically, was this. Hornets, 3 penalties,

25 yards, same for Cubs; First Downs, Hornets 2, Clifton 12, that don't seem right, but the Hornets never kep tthe ball long enough to make a 1st Down. They always ran it over, and we can't remember a Hornet punt, except the kickoffs. Hornets passed 6 incomplete, intercepted 2 and passed complete, 6. The Cubs passed 3 incomplete.

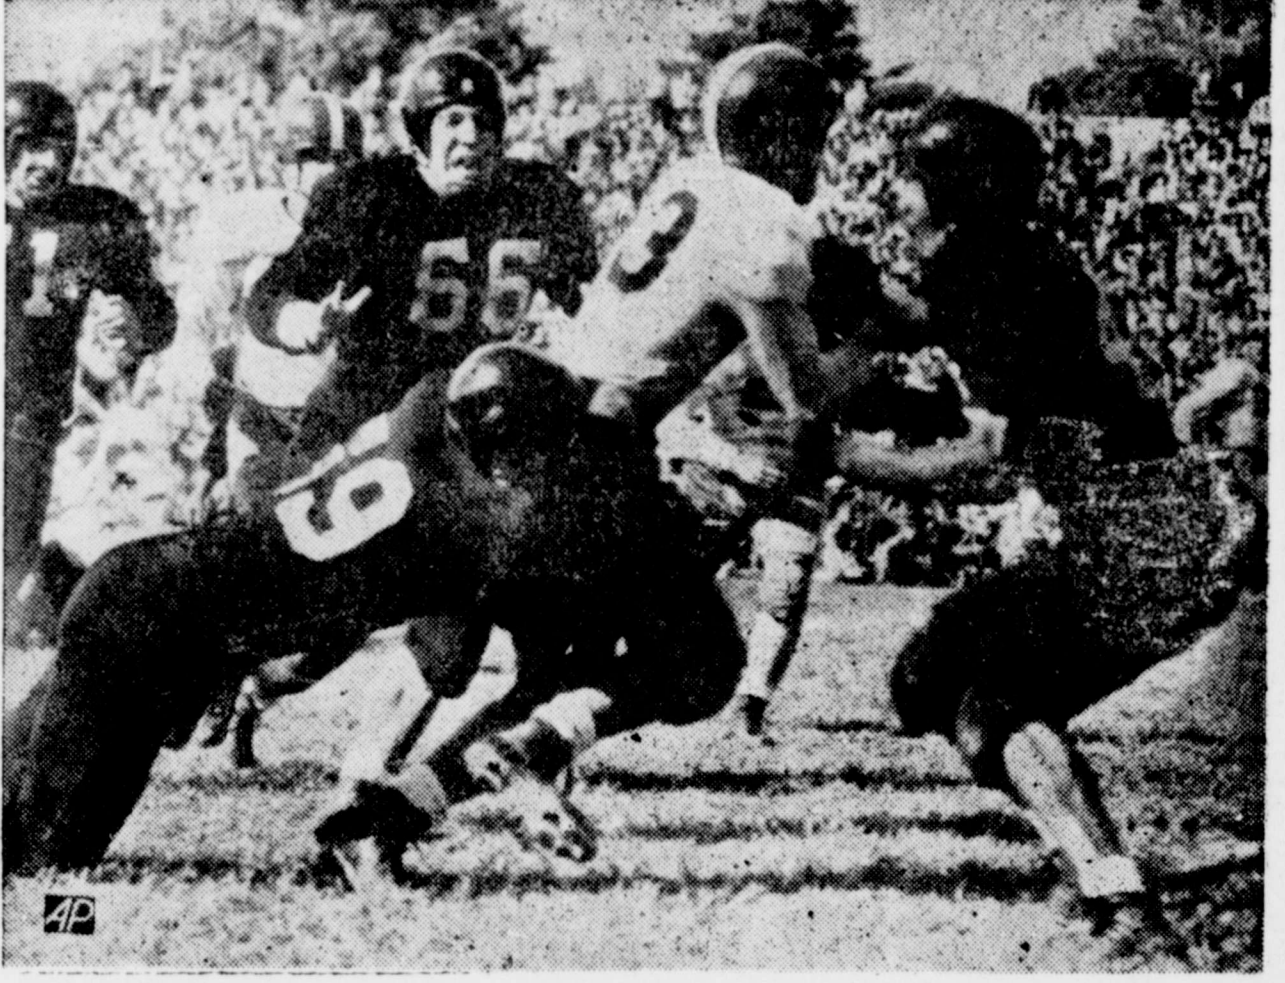

Officials were O'Leary, Tankersley and Webster.
