

INSURANCE CONVENTION OPENS MONDAY MUTSCHER AND SALTER TO SPEAK

Nearly one hundred directors and officers of Mutual insurance companies will attend the 34th Annual Meeting of the Texas Association of Mutual Fire and Storm Insurance Companies' Convention in Gatesville, November 3-4, 1969.

The convention slated for Gatesville last year at the end of the convention in Temple, has been planned by Mrs. Hy Davidson of the Coryell County Farm Mutual Fire Insurance Association.

Mrs. Davidson began working out details on the 1969 convention soon after the announcement of the site and her appointment as Program Committee Chairman.

The convention will open with registration on Sunday afternoon at the Chateau Ville Motel with registration continuing Monday morning.

Monday's activities include an address to the convention by Speaker of the Texas House of Representatives, Gus Mutschler. Mutschler will address the convention following the Monday noon recess at 1:30 p.m.

MUTSCHER

Monday's convention activities will begin at 9:00 a.m. with the call to order by State President Clifford Carpenter of Farmersville, Texas.

Members of the Boy Scouts of America will conduct a presentation of the colors and Rev. Raymond Reich of Gatesville will deliver the invocation.

Mayor Bob Miller and Chamber of Commerce President Bob Edwards will welcome the convention guests with Dennis Bartek of Temple responding for the convention.

Following the opening ceremonies roll call of voting delegates will begin the convention work which includes committee reports, officers' reports, and other informative meetings.

Highlight of the Monday morning session will be the address of the convention by W. E. Shanner of the National Association of Mutual Insurance Companies of Indianapolis, Indiana.

Representative Mutschler will open the afternoon session which will feature an open forum discussion of insurance topics of interest to convention guests. A panel consisting of Paul Schwenke of Brenham, William Nesuda of Dallas, Vladimir Bily with Norman Hofferichter as moderator will conduct the 45-minute open forum.

A ladies' tour sponsored by the Chamber of Commerce will be conducted at 2:30 p.m. Monday.

Open forum discussions will continue until convention adjournment at 4:15 p.m.

The convention banquet is slated for the Chateau Ville Restaurant at 7:30 p.m. Monday night.

Rep. Bob Salter of the 36th Congressional District which includes Coryell County, will be the banquet speaker. Rep. Salter will be introduced by Toastmaster for the evening, George B. Adams of Gatesville.

Highlight of the banquet will be the presentation of Bonds

and Plaques to the 4-H winners of the Youth Farm Fire Safety Program contest sponsored by the State Mutual Insurance Association. This year's winner, Miss Debora Acker of Nazareth, Texas, will attend the National 4-H Club Convention in Chicago in November, 1969.

Entertainment of the banquet will be provided by the Gatesville High School Choir.

On Tuesday the convention will again consist of forum-type discussions with announcements of new state officers and committee assignments to come just before adjournment at 10:00 a.m.

SALTER

CASTRO COUNTY 4H'ER WINS INSURANCE CONTEST

Debora Acker, a Castro County 4-H member and fire hazard remover, has been named 1969 winner in the state-wide fire prevention project, according to the state 4-H club office at Texas A & M University.

Miss Acker is the daughter of Mr. and Mrs. David Acker of Nazareth and won the state award on the basis of her 4-H achievements, especially in fire prevention. She will be awarded an engraved plaque and a trip to the National 4-H Congress in Chicago November 30, December 4. Donors for the awards are the Texas Association of Mutual Fire and Storm Insurance Companies and President Paul Schwenke, Germania Farm Mutual Aid Association of Brenham.

Debora has given many fire prevention demonstrations to over 550 people at 4-H clubs and civic organizations, in addition to writing four articles for the local newspapers during fire prevention week and farm safety week and conducting training sessions for other 4-H members. She inspected more than 16 sets of buildings for fire hazards, and made suggestions for removal of the hazards.

ACKER

makers of America. She plans to study elementary education in college.

Her other 4-H projects include clothing, foods, photography, safety, rifle, food preservation and child care. Also, money managements, home grounds improvement, home improvement, gardening, dog care and training and parliamentary procedure. She is junior leader for seven project groups including jr. fire prevention.

Debora has served her local 4-H club as song leader, parliamentarian, reporter, recreation leader and delegate to the Castro County 4-H Council.

She has won 267 ribbons for her 4-H projects. 102 of them are blue. She attended 4-H Electric Leadership Camp at Cloudcroft, New Mexico, this year. She gave a fire prevention demonstration at State 4-H Round-Up in June.

"Debora is a dependable 4-H member and can be counted on to do everything well," commented Home Demonstration Agent Mrs. Irene Keating. "She is outstanding in all her work."

McGregor and Mexia Added To Hornet 1970 Football Schedule

Coach Jack Moss announced this week that the Hornet football schedule for 1970 would include games with McGregor, Marlin, and Mexia in non-district clashes and the same district arrangement with the sites reversed.

The schedule was announced following the District 13 AAA meeting Tuesday. Moss indicated that all games would start at 8:00 p.m.

The Hornet-McGregor clash will renew a long-standing rivalry between the two central Texas schools. The Coryell County Mirror has sponsored a trophy for the game in years past, and it probably will be up for grabs again next year.

A complete schedule of the Gatesville Hornet 1970 football games can be found on page 6 of this newspaper.

NEWS To Publish Monday And Thursday

The Coryell County News will begin publishing on Mondays and Thursdays, starting November 3, 1969.

The decision to change publication dates involves reader interest, advertisers and the News staff. The new arrangement only slightly changes news coverage in each issue of the News.

For the reader, it will mean having a local newspaper each Monday morning to start the week, with a second edition to follow near the end of the week.

In considering the change, the advertisers in the Coryell County News were consulted; and we feel the new publication dates will be the most effective arrangement possible for a semi-weekly newspaper. The Monday-Thursday editions will provide advertisers with effective "early week" and "week-end" insertion dates.

The Monday-Thursday editions will alter the work load for the News staff to a more favorable schedule.

Remember, Monday morning you will receive the first of the week issue of the News, and then on Thursday, the week-end issue will be in your mailbox.

CITY AUDIT RECOMMENDS CHANGE IN RECORD KEEPING

Council members reviewed the annual audit and accepted the report compiled by Greenstein, Hawkins, and Logan, C.P.A. The C.P.A. firm noted that tax revenue increased in 1969 by \$4,222.69, but noted that tax collections were down 1.6% from the previous year.

Trash and garbage collections increased by \$14,802.95, due primarily to an increase in the rate.

Public works revenue and special street revenue increased by \$10,436.56 and by \$14,076.80 respectively, due to the sales tax revenue. The accounting firm indicated in the report that "overall revenues were up more than \$65,000 over last year."

The accounting firm commented on other areas of the bookkeeping system presently employed at the city offices. The firm commented in its report, "There needs to be considerable improvement in administrative tools utilized. The bookkeepers are victimized by what is nothing more than a hybrid single entry record system. They are constantly running multiple tapes in order to check their work, and many errors go completely undetected for long periods of time. The confusion and countless hours of productive work lost

Three Day Rain Totals 2.33 Inches

Colder temperatures and a good general rain accompanied a cold front which passed through the Central Texas area early this week.

Rain began falling Monday with .74 of an inch falling at the local weather bureau station.

The 24-hour period Tuesday accumulated the most rainfall with 1.55 inches of rain being recorded.

Wednesday only .04 of an inch was recorded and brought the three day total to 2.33 inches of slow steady rain.

Rain is forecasted for the Central Texas area for the weekend.

Whittenburg to Head Scout Fund Drive

The Girl Scout Fund Raising Drive will have as its Chairman this year Glenn Whittenburg, Junior High School Principal. The Fund Raising Drive will begin Monday, November 3, announced scout adult leaders this week.

The one-week campaign will raise money for the Bluebonnet Girl Scout Council headquartered in Waco. The B.G.S.C. provides many services, leadership training and educational materials to the local units in the Council.

could be remedied very easily by installation of a complete double entry bookkeeping system to include all accounts such as property, debt and depreciation."

The firm pointed to a better procedure for collecting fines; monitoring of water deposit accounts; and elimination of needless complexities would improve the bookkeeping operation.

The Council is expected to consider the comment section of the report at the next meeting of the Council.

The City Council has further delayed the requested gas rate increase by the Lone Star Gas Company. The rate increase request was introduced to the Council at the last regular session and at that time the question was tabled for a more detailed study.

The Council has set a meeting with architect Paul Gregory and representatives of the Governor's Office concerning a correct interpretation of the #701 Comprehensive Plan Contract.

City Manager, B.R. (Skipper) Wallace, reported the "in line

water pump for the installation in the Westview addition has been received in Waco." The pump company indicated recently that the pump would be installed as soon as weather permits. The pump will improve water pressure to the entire Westview area and improve the likelihood of industrial expansion in the area.

Wallace will attend the Texas Municipal League Convention in San Antonio on November 10-11. The annual Convention discusses problems of the present and future for Texas cities and towns.

COTTON QUOTAS REVISED UP FOR 1970 PROGRAM

1970 Upland Cotton Quota and Allotment Increased and Additional Details of the 1970 Upland Cotton Program Announced.

The U. S. Department of Agriculture announced on October 15, 1969, a revised national marketing quota of 16,008,333 bales (standard bales of 500 pounds, gross weight) and a revised national acreage allotment of 17 million acres for the 1970 crop of upland cotton. This represents an increase of 941,666 bales in the quota and an increase of one million acres in the allotment from that announced on October 1, 1969. A.S.C.S. Office Manager, Clois Stone, indicated this week that County and individual farm quotas would be announced in about two weeks.

The quota increase is brought about by the declining 1969 crop prospects caused primarily by abnormal weather conditions throughout much of the Cotton Belt. The September 8 Crop Report, on which the original determinations were made, indicated a 1969 crop of 10,984,000 bales. The current report indicates production of 10,428,000 bales. The increase in the quota and allotment is necessary in order to assure the maintenance of adequate stocks in the United States and to provide a continuous and stable supply of the different qualities of cotton needed in the U.S. and in foreign cotton-consuming countries.

Revised State allotments for the 1970 crop will be announced within a few days.

Also announced on October 15, were the following additional provisions of the 1970 crop program for upland cotton. DOMESTIC ACREAGE ALLOTMENT.

For the 1970 crop, the farm domestic acreage allotment has been set at 65 percent of the farm acreage allotment, the minimum authorized by law.

Farmers who sign up to participate in the program and who plant at least 90 percent of their farm's domestic acreage allotment, but not in excess of the permitted acreage for the farm, will be eligible for price-support loans, and for price-support payments on the farm domestic allotment.

SKIP-ROW RULES. The skip-row rules which were in effect for the 1969 crop will be applicable to the 1970 crop. In general, under these rules, only the land actually planted to cotton is counted as cotton land in determining compliance with program provisions.

LEASE AND SALE OF ALLOTMENTS. The final date for filing applications for the transfer of cotton allotments is December 31, 1969. Producers in 381 cotton-producing counties in the U.S. have approved for 1970 the transfer of allotments to farms outside the county. Allotments, however, cannot be transferred from one state to another.

PROJECTED YIELDS. A projected national yield of 500 pounds per acre has been established for the 1970 crop, a reduction of 45 pounds per acre from that set for the last three crop years.

The reduction announced on October 15 reflects the failure of cotton yields to realize the levels expected on the basis of trends a few years ago. The projected yield for 1967-68-69 crops was established at 545 pounds because of previous upward trend. During the past four years, yields have been leveling off and have trended down since 1965. The 1970 national projected yield is based on 1964-68 harvested yields (497 pounds average per acre), adjusted for abnormal weather, for trends, and for changes in production practices.

Projected State yields will be announced within a few days.

No Injuries In EHS Bus Accident

A potentially tragic school bus accident occurred in Evant Saturday morning at 12:30 a.m., and resulted in only minor bruises and scratches to 25 E.H.S. students returning from the Evant-Gorman football game.

Department of Public Safety Patrolman, J. K. Hamilton, reported that the bus, traveling south on Highway 281, lost the left rear wheel about one block south of the Highway 281 and Highway 84 overpass. Reportedly the bus continued down the divided roadway, out of control, approximately one block and struck the concrete median, turning over on its side.

George Griggs of Evant was driving the 1965 model Chevrolet bus at the time of the accident. Only two hours after the bus accident in Evant, another accident occurred 2 miles north of Gatesville on Highway 36 in the sharp curve in front of Swift's Sun Valley Center.

The one-car accident occurred when a 1966 Chevrolet Camaro, driven by Curtis Dale Smith, went out of control and struck the shopping center sign broadside.

Smith, of Purnela, received head injuries in the crash and was taken to Coryell Memorial Hospital for treatment. He was later transferred to the V. A. Hospital in Temple.

Also injured in the accident were Wayne Buckner and Sheron Buckner who were riding in the Smith auto. Wayne Buckner was treated at the hospital and released Saturday. Sheron Buckner was treated and released from the hospital.

Damage to the auto was estimated at \$900.

Hornets Must Win Tonight To Stay In District Race

The surprising Gatesville Hornets take on winless Rockdale tonight. The Hornets are undefeated in District 13 AAA play, and coach Jack Moss calls tonight's game the most important game of the season.

Rockdale is looking for its first win, and teams in that position usually end up surprising and spoiling another team's dream.

"The Tigers are a well-balanced team," says Moss, "they have a good ground game and passing attack." The Tigers moved the ball well against a very tough Belton defense two weeks ago.

The Tiger offense is a "Tom Landry" multiple offense with many different formations and sets aimed at complicating defensive coverage. Moss indicated that the Tigers have used at least 28 different of

The offense is based around a consistent running threat of tailback Sam Williams and a passing weapon featuring split end Dan Legg and tight end Burt Brown.

Tailback Williams carries as many as 30 times in a game for the Tigers. Moss describes Williams as much the same as the Hornets' tailback Ronald Brown. "He is a very good runner," noted Moss adding, "probably one of the best we face all year." Scouting reports indicate Williams is used on wide plays (quick pitches and sweeps) very effectively.

The Rockdale air attack features 212 pound junior tight end Burt Brown, 157 pound split end Dan Legg, and wingback Jim McQuerry. Brown is a good pass catcher and is tough to bring down once he has the football. Jim Saunders will have the Hornets' defensive responsibility with Brown. Saunders is a 142 pound sophomore defensive safety with four interceptions this season.

The Rockdale split end Legg has good speed and will be a definite threat to the Hornet

defense. McQuerry has also been a good pass catcher for the Tigers in recent weeks.

Jim Eanes has been shifted to quarterback from fullback since early in the Rockdale schedule, and he has proved to be adequate as a pass receiver. Eanes has shared the quarterback job with sophomore Larry Kerlin.

Losing is a tiresome thing and Coach Jim Gray will have his squad ready for the Moss-led Gatesville Hornets.

In the "Hornet Camp" rain has dampened workouts this week, but Coach Moss has held drills each day to have his team ready for all kinds of weather.

The Hornets will continue their well-tested offense and defense very near the same as in past weeks. Offensively the Hornets have a wide variety of ball carriers and pass receivers and each week everyone seems to contribute to the total picture.

Moss announced that Danny Belf would start tonight at split end in place of Larry Smith. Belf started the pre-season play at the position but strained a ligament in the Duncanville scrimmage. Belf has exercised the injury extensively, but the knee healed slowly.

Moss indicated that credit goes to one group of boys playing football for the first time. "We have gotten a lot of mileage out of boys who did not play last season. Terry King, George Thompson, Danny Belf and Ray Ortega played little or no athletics at all last season," said Moss "and Lynn McQuerry and Larry Moore were with injuries all season."

The Hornets still have four big hurdles to leap over before the Cinderella dream can come true. Rockdale is waltz and desperate. Belton is mighty with a winning tradition. Lampasas is just like Gatesville, and Taylor is a proud team with winning ways; and it all adds up to a tough way to end up a football season.

The Hornets will have to keep up the 110% team effort to match this prediction - 30-0.

EVANT NEWS

by Cornelia Kreid

RAIN, JUST WHAT DR. ORDERED FOR EVANT

Rain is falling into the news (almost literally) this Monday. Who recalls such a wet October? It is just right for grain.

Sunday guests of Mrs. Milton Miller included her daughter and son-in-law, Mr. and Mrs. McHughes, Dallas.

Mrs. B. T. Arnold accompanied her daughter and son-in-law Mr. and Mrs. D. W. Coffman and Elizabeth Ann to Waco Saturday where they visited Mr. and Mrs. David Lengfeld and Mrs. Arnold's sister, Mrs. Ethel Sorley.

Mrs. B. T. Arnold and Mr. and Mrs. Otto Thompson attended church at Hamilton Sunday.

Mr. and Mrs. Chester Sheldon spent a few days last week in Temple. Mrs. Irene Bates and Gladys spent part of last week with her nephew, R. B. Patterson, at Lampasas.

Mrs. Frank Lee reports a pleasant week with her sister and brother-in-law Mr. and Mrs. Gilbert Nowlin, Gatesville.

Mr. and Mrs. Herman Kreid took Sunday dinner in Waco with their son and daughter-in-law Mr. and Mrs. Robert Lee Kreid and children and saw the zoo as well as visiting in the home of Mrs. J. Lefever.

Word concerning the happy ending of "what might have been," Friday night in Evant following the ball game is being withheld until direct contact is made with the head of the school. Good news does not travel as fast as bad, you know.

Sunday guests of Mrs. Paul Horton included Mrs. Laura Benningfield, Gatesville; Mr. and Mrs. A. H. Horton and grandson Richard Lynn Horton all of Fort Worth. This was Richard Lynn's first visit to his great grandmother's home. Mrs. Ottos Aschwartz, Hamilton also accompanied the Hortons for the day.

Ira Robinson is a new patient that is reported to be in Hamilton County General Hospital.

Mrs. Warner is back in the January Care Home.

Someone read the news besides the writer; I read that the Fall Festival will be on October 31, but it will be November 1... Sure glad all of us read the news—even the writer.

Mr. and Mrs. R. L. Kemp, Cranfills Gap, spent Sunday as guests of her father and stepmother, Mr. and Mrs. F. W. Redden.

Mr. and Mrs. Henry Hoskins enjoyed the second visit from their grandson, and his parents over the weekend. Serviceman and Mrs. Robert Skiba and young Robert of Mineral Wells filled the hearts and home as well as overflowing into the lives of all they met with their delightful presence. The Hoskins decided they better enjoy and share the baby while they can, for the father is to be discharged in February from Camp Wolters, and the family will be returning to Massachusetts where his former position is waiting for him which he filled prior to being drafted.

Mrs. Bettie Oney, Mountainair, New Mexico, arrived recently for a visit with Mr. and Mrs. Toral Oney.

Mr. and Mrs. George Nail, beloved friends and neighbors of the Evant people moved to Santa Anna to make their home. They vacated the Bill Upham house, as it is to be moved to their location in Bee House area. The Uphams recently sold their home in front of Bee House Methodist Church to Mr. and Mrs. Ernest Brewer.

Mrs. Birchie Caldwell carried her brother, Mr. L. E. Karr to his home in Raymondville, the first of last week. He was recently released from the Veterans' Hospital after treatment at Temple.

Mr. and Mrs. Freddie Ochoa and Mr. and Mrs. Luther Ochoa of Waco were recent guests of Mrs. Herlenda Ochoa and children.

Late report is that Mrs. Monroe Withers' mother, Mrs. C. A. Bellamy of Coleman has been released from the hospital in that town and is making satisfactory recovery from major surgery. She is a frequent guest of the Withers and attends church with them in Evant when she is in their home.

Mr. Frank Shave spent a few days in the Gatesville Hospital last week.

All reports on Mr. Bob Clary are encouraging and with the good progress continuing, he will be looking forward to returning home, soon. He is not able to have visitors, but he enjoys mail at the Goldthwaite hospital.

sons, Randy and Robert spent this weekend in Fort Worth to visit the zoo and see the Ice Capades.

Recent guests of Mr. and Mrs. Odus Faubion included Mr. and Mrs. O. C. Robinson, Denton; Mr. and Mrs. M. M. Scott and Mrs. Ray Vaughn, Carlsbad, New Mexico; Mr. and Mrs. Arthur Harrel, Pidoake; and Mr. and Mrs. L. L. Scott, Adamsville. All in all, Mrs. Faubion is delighted with the fact she has had the pleasure of seeing all her brothers and sisters and all the in-laws in recent weeks; and that is quite a record when counting the Scott family.

The Odus Faubions are just back from a visit with Mr. and Mrs. Frank Dutton, San Antonio. Mr. Dutton is recovering from a heart attack.

Mr. and Mrs. Verne Harkins, San Antonio, have just moved into the house recently vacated by the L. W. Wigley family. They are new owners of a beautiful home, located on the outskirts of the south side of town. Mr. Wigley is making his home with Mr. and Mrs. June Clifton of Lampasas.

Mrs. Clyde Thompson reports a delightful surprise of last Sunday afternoon when Mrs. T. W. Winters, her mother, Mrs. Steinbaugh and a friend dropped by the local Care Home, picked up Mrs. Ethel Hart, and drove by to visit with the Sawyers--Thompson family. Mrs. Winters still remains a "first love" with many Evant neighbors and friends, although she makes her home in Lampasas, with her business-minded husband, who owns and operates the auction in that city.

Have any of the readers of this column ever thought about it, in the light of living history in the local Care Home, is located at least one source--Mr. A. C. Bertrand is assisting his family in compiling data for the history of Purmela Community. He can neither see nor hear well enough to make it a very formal story, but each visit and conversation adds some vital statements to base the facts of early growth in that part of Coryell County which he was born in. Mr. Bertrand, now age 90, is the only member of his class left, who started school the fall after he was eight. He recalls the first teacher he had, several of the succeeding teachers, and of the moving of the first little building to a larger one, then of the second being hauled by two wagons, to which four big mules were hitched in each case, to the present site of the brick building, which gave way to progress a few years ago. It has brought smiles to his lips and joy to the hearts of his family, to know he has become well enough to remember the stories with which he has delighted some three generations already. Families which others had forgotten have been named as early settlers in the Purmela area. Since that school has been consolidated with Evant, it makes a closer feeling and with as much closer interest in obtaining history to bring the story right up to date. Anyone interested may contact this writer.

While here, the Smiths and the C. E. Pancakes visited Mr. and Mrs. E. L. Clary of Chico near Bridgeport.

Xi Iota Club Hears Talk On Australia

Members of the Xi Iota Epsilon Chapter of Beta Sigma Phi international social sorority heard Barbara Brown, club member, speak on "Down Under" an informative speech on Australia, at their club meeting Thursday night.

Mrs. Brown presented her talk in conjunction with numerous illustrations of Australian scenes. Her program was one in a series of programs entitled "The Grand Tour" which features stories on other lands and cultures.

Prior to the "tour," members discussed the club's upcoming Thanksgiving social slated for November 20. The get-together will be a husband and wife Thanksgiving dinner at the Gatesville Community Center. A guest speaker will talk to the dinner group. The Beta Sigma Phi rituals opened and closed the Thursday meeting.

Hostess for the evening was Mrs. Annette Bruce of Mound, and refreshments of pie and coffee were served to Mesdames Barbara Brown, Martha Ann Stevens, Mary Jo Arnold, Corinne Erwin, Inez Arnold, Carol Brim, Billy Voss, Betty Thrasher, Linda Graham, Mildred Skelton and Byrd Ann Bromser.

Those present to enjoy the occasion, besides the hostess, were Mr. and Mrs. Francis Miller and children, Mr. and Mrs. Jim Miller and children, Mr. and Mrs. Elmo Washburn,

Jack B. Whighams Feted By Children On 50th Anniversary

MR. & MRS. JACK WHIGHAM

Wed In Leon Junction...

Mr. and Mrs. Jack B. Whigham of Gatesville were guests of honor at an open house held on the occasion of their Golden Wedding anniversary, Sunday, October 26.

Hosting the occasion were their three children: Mrs. R. D. (Minnie) Cummings of Gatesville; Mrs. Dayton (Winnie) McClesky of Gatesville; and J. B. Whigham, Jr., of Perryton. The couple has five grandchildren and five great grandchildren.

Ninety-six guests were welcomed to the Whigham home at 308 South Sixth Street, Sunday afternoon, from 2-4 p.m.

In the party receiving line were daughters Mrs. Minnie Cummings, Mrs. Winnie McClesky, the honored couple, Mr. and Mrs. Whigham, and son J. B. Whigham, Jr.

Mrs. Whigham wore an orchid corsage, a gift from her children. The refreshment table, laid

with a white organdy cloth, was centered with an arrangement of white pom pom chrysanthemums and white gladioli sprinkled with gold. Accenting the white and gold table colors was a golden candleabra with three prisms, a gift from the three Whigham children. Punch, coffee and cake squares were served from silver appointments.

Serving refreshments were Dina and Pam Whigham of Perryton, granddaughters of the honored couple and Mrs. J. B. Whigham, also of Perryton, their daughter-in-law. Mrs. Price Neeley registered the party guests.

The Whighams were married October 26, 1919 at Leon Junction. She is the former Miss Ethel Cohagan. They lived at Leon Junction and the Spring Hill Community in Coryell County and at O'Donnell and Lubbock in West Texas before moving to Gatesville in 1950. The Whighams have lived in Gatesville since that date, and Mr. Whigham has been Coryell County tax assessor-collector since 1962.

MRS. MILLER HONORED ON 92nd BIRTHDAY

Mrs. George Miller was honored by her children on her 92nd birthday Sunday, October 26, in the home of her daughter, Mrs. Madge Patterson of Gatesville.

Those present to enjoy the occasion, besides the hostess, were Mr. and Mrs. Francis Miller and children, Mr. and Mrs. Jim Miller and children, Mr. and Mrs. Elmo Washburn,

Mrs. H. P. Brookshire and family, Mrs. M. R. Bone all of Gatesville. Mr. and Mrs. Ted Pollard and Carolyn Oglesby, and Mr. and Mrs. Donnie Cox and family of Waco.

Women's Missionary Society To Note World Day Of Prayer

Woman's Missionary Society of the First Baptist Church of Gatesville will observe the World Day of Prayer Monday with a covered dish luncheon in the Graves Fellowship Hall from 9:30-10:30 a.m.

The day has been set aside for Baptist women throughout the world to meet and unite their hearts in praying and giving for a world engulfed in spiritual darkness and physical suffering, a spokesman said.

Sponsored by the Woman's Department of the Baptist World Alliance, this day throughout the world, all women will answer the call to join together in prayer focusing on mission study, offering for special projects and deepening spiritual life.

All members of the Coryell

County Association of Women's Missionary Union are invited to attend.

Time For Potting Plants

COLLEGE STATION-It's time Everett Janne, Extension landscape horticulturist, and here is his recipe for soil mixture for potting:

Mix two parts good garden loam, two parts of peat moss and one part sand. Well rotted manure or shredded leaf mold may substitute for peat moss.

Garden soil usually is not suitable for potting plants, explains the Texas A&M University specialist. It is usually too low in organic matter. The home-made mixture provides the three things most needed by potted plants; support, good soil aeration, and ability to hold adequate moisture and nutrients.

To kill disease organisms, insects and weed seeds, pasturize the soil mixture by placing it in a shallow pan for 30 minutes in an oven preheated to 200 F. The soil should be moistened before placing in the oven.

Always use clean tools and new pots or soil may be re-infected with harmful organisms. Used clay pots should be given the same pasturization treatment as the soil. Plants

should be washed thoroughly in hot soapy water, Janne advises.

A simpler and much easier

way to handle pot plants in the home is to purchase the prepared mixes available in your nursery or garden supply center.

Kitchen Shower Honors Miss Sally Maude Jones Tuesday Night

MRS. HAROLD COHAGAN, HONOREE MISS SALLY JONES, MRS. FRANK COHAGAN, MRS. EVELYN POTTS, MISS LINDA COHAGAN

SPEAK VOICES DECEMBER 6

Sally Maude Jones, niece of David Paul Jund, host of honor at a kitchen shower held Tuesday night in the home of Mrs. Harold Cohagan of Gatesville.

Guests for the occasion were Mrs. Harold Cohagan, Frank Cohagan, Linda Cohagan and Mrs. Pat Potts.

At the party fun, the guests were given recipe cards with interesting traits for a house-

wife on the back and a favorite recipe or note of advice on the front.

The party table was laid with a white bridal cloth and accented with an arrangement of red chrysanthemums in a black kettle. Appointments were of silver and crystal. Following the opening of gifts, eleven guests were served finger sandwiches, olives, mints, wedding cookies, soft drinks and coffee.

Attending the party were Mesdames Sherry Scott, Pat Jones, Cynthia Jones, Mildred Jones, Ella Hollingsworth, Lillian Vidler, Jean Holze, Gay

Jund, Carolyn Erskine, Mildred Price and Miss Wendy Cohagan.

County Schools To Hold Homecoming

JHS QUEEN NOMINEES

PATTY MOORE, GAIL LASTRAPES, ELIZABETH COURTNEY, BONNIE SOMMERFELD

It looks as if fall has arrived in Gatesville and Coryell County--just in time for county schools' homecoming action to begin.

The crisp autumn air that rolled over the county line Sunday heralds about three weeks in which area, county and local schools, will welcome old school chums back home for a brief pause from their hustle-bustle environment to remember the good ole days at ?HS.

People from all over will flock to the county homecomings as in years past to see classmates and friends of yesteryear and to talk about that ?HS victory over their arch rival in 1929. Exes can remember all the delightful things that befell the highschoolers from 1919 to 1969.

The fall air makes homecoming at ?HS even more enjoyable with the crisp, "Football" feelings running high among local people, and of course, the people returning to ?HS from miles away in distance and in years.

The weather looks to be crisp and cool for this weekend's football clashes and homecoming celebrations at Jonesboro and Oglesby. As for November 14 when Gatesville will celebrate its annual welcoming of Exes, the "weather-man" hasn't said.

Football fans and Exes will just have to be at the mercy of the weather and hope for dry football fields for the October 31 and November 1 celebrations.

All in all, folks will be folks and enjoy the reminiscing and chatting with old chums that so characterize the fun, fall and football at HOMECOMING TIME!!

OHS QUEEN NOMINEES

BARBARA LAWRENCE, NANCY ANNE BEENE, SHARON MOORE, JANIE LEOS

JONESBORO WILL CROWN QUEEN TONIGHT

The homecoming season for Coryell County will get underway Friday night with Jonesboro High School as the county's first homecoming celebration on the 1969-70 list.

The Eagles of Jonesboro will meet Buckholts in a district 25 B football duel in Eagle Stadium Friday night at 8 p.m.

During the halftime at the Jonesboro-Buckholts clash, the Jonesboro High School fans and Exes will view the crowing of the 1969-70 J.H.S. Homecoming Queen.

Nominees for the coveted title include three seniors and one junior at J. H. S. - Senior Patty Moore, Senior Elizabeth Courtney, Senior Gail LaStrapes and Junior Bonnie Sommerfeld. Miss Patty Moore is the daughter of Mr. and Mrs. C. E. Moore of Gatesville and is an

active participant on the Eagle girls' basketball squad at guard. She is serving as Senior Class Secretary-Treasurer and pep squad president this year at JHS.

Patty is a JHS Halloween Representative and nominee for the school's Halloween Queen to be named November 7.

She is a four-year member of Future Homemakers of America and has served as third vice-president of the chapter.

Patty was named Junior Favorite by her classmates at JHS last year.

Miss Elizabeth Courtney, daughter of Mr. and Mrs. Frank Courtney of Jonesboro, is vice-president of the Jonesboro Chapter of FHA and is a four-year member of the club.

Elizabeth was Homecoming Queen nominee her sophomore, junior and now senior year at JHS and has been an Eagle cheerleader for three years.

Active in sports at the county school, Elizabeth plays guard on the girls' basketball team and has played that position for two years. She was also a member of the JHS girls' track team her freshman and sophomore years at the school.

This year, as in the past two years, Elizabeth is one of the JHS cheerleaders.

Nominee Gail LaStrapes lists among her honors Halloween Representative her sophomore year at Jonesboro High School, freshman class favorite and junior class reporter and an Eagle cheerleader this year.

Gail, daughter of Mrs. R. A. Adams of Jonesboro, competes as a guard on the Eagle girls' basketball team and is a three-year teammate on the squad. Gail is also a member of the JHS track squad.

Also a member of the Jonesboro FHA Chapter, Gail served as the club's first vice-president her junior year.

Junior nominee Bonnie Sommerfeld is the daughter of Mr. and Mrs. Marvin Sommerfeld of Ireland.

She was Halloween Representative as a freshman at JHS and served as class secretary 1967-69. The freshman class named her as favorite and as sophomore, they picked Bonnie again.

Bonnie is a three-year member of the JHS pep squad, FHA and basketball squad.

This year she serves on the JHS student council and is an Eagle cheerleader.

POLITICAL INVOLVEMENT OK FOR CLASSROOM TEACHERS

In a suit backed by Texas Classroom Teachers Association and the DuShane Emergency Fund of the National Education Association, a U. S. District Court in Tyler has ruled that a teacher cannot be dismissed from his job because of political activity.

Federal Judge Wayne Justice ruled October 24 in the case of Billy Don Montgomery vs. Tatum Independent School District. Montgomery was dismissed in 1968 allegedly for his participation in a voter registration drive.

Montgomery testified during the five-day trial that he had been active in the 1968 school board campaign in which two Negro citizens of Tatum were elected to the school board. A 1967 school board policy prohibited teacher involvement in

political activities, other than casting a vote.

In April, 1968, Montgomery's contract was not renewed. He stated before the trial that "the job is not worth giving up my rights as an American citizen."

Rex N. White, superintendent of Tatum Independent School District, stated during the trial that Montgomery was dismissed because of allegations that he smoked in class, signed in late for school, permitted students to give spelling words, and taught too much art.

Mrs. Edna Stephenson, chairman of the TCTA Professional Rights and Responsibilities Commission, stated that "this decision sets precedence that the united teaching profession will not tolerate arbitrary dismissals of teachers and will challenge any school board policy depriving teachers of their constitutional rights."

Mrs. Mary Ann Scott, director of the NEA DuShane Emergency Fund, stated "the Billy Don Montgomery case is another landmark in the national fight for teacher rights and is the only decision handed down in a Texas federal court in recent years upholding the constitutional rights of teachers."

"In 1964, the NEA DuShane Fund supported the case of Willa Johnson, a teacher in Enfield, North Carolina, whose contract was not renewed because of her political activities with the Voters League. The United States Supreme Court did not accept jurisdiction in this case, thereby sustaining the decision of the U.S. Fourth Circuit Court of Appeals that the dismissal was arbitrary and capricious."

"The Billy Don Montgomery decision brings the significance of the Johnson case to bear in Texas. When one teacher wins his case, then all teachers will benefit." Mrs. Scott concluded.

OGLESBY 12TH HOMECOMING SLATED FOR SAT.

Oglesby High School will mark its 12th Annual Homecoming Saturday at the county school.

Activity is in high swing at OHS this week in preparation for the school's homecoming activities and a large crowd is expected at the celebration, according to Oglesby School Superintendent Morris Owens.

OHS Homecoming will get underway at 3:30 p.m. Saturday when registration of visitors and fellowship will take place in the high school.

Following the registration, guests will be served the annual homecoming dinner in the high school gymnasium at 5:00 p.m.

At 6:30, the OHS exes will enjoy the annual homecoming program during which time the school will recognize the Tiger coach and players, OHS cheerleaders and faculty. Also to be recognized are the OHS exes, former teachers and businessmen of the community.

Awards will be presented to the oldest returning ex-student and new officers will be elected for next year's homecoming festivities.

For entertainment, Pete and Mildred Ward, well-known musicians will play for the dinner guests. The Wards are

Oglesby residents and play the violin and piano.

At about 7 p.m. OHS fans and exes will join in the bonfire burning in Oglesby.

At 8 p.m., the Oglesby Tigers will meet Jarrell in a rugged football tilt in Tiger Stadium. One of the high points of the festivities will be the crowning of OHS Homecoming Queen during halftime ceremonies at the game.

OHS Homecoming nominees are the four senior girls for 1969-70. They are Barbara Lawrence, Janie Leos, Nancy Anne Beene and Sharon Moore.

Senior Barbara Lawrence is the 17-year old daughter of Mr. and Mrs. Savoy Lawrence of Oglesby. She is a member of the OHS pep squad, Honor Society and Co-Editor of the annual staff.

Among her honors, Miss Lawrence lists sophomore class favorite and Most Dependable at OHS.

Miss Janie Leos, daughter of Mr. and Mrs. Cayetano Leos of Oglesby, is a three-year letterman on the Tiger girls' basketball team and is a captain on the team this year.

Janie serves the OHS Future Homemakers of America (FHA)

club as first vice-president this year and is a two-year club member. She is also a member of the high school pep squad.

Sharon Moore, 17, was elected favorite of the OHS juniors last year along with the Most Versatile title at OHS. A Tiger cheerleader, Sharon is a member of the school's pep squad and Honor Society.

She was also named Future Farmers of America Sweetheart at Oglesby.

Sharon is the daughter of Mr. and Mrs. V. L. Moore of Oglesby.

Nominee Nancy Anne Beene was elected frosh class favorite and senior favorite at Oglesby.

In 1967 she was elected Tiger Football Sweetheart and named FFA Sweetheart in 1968.

She is also a Tiger cheerleader and pep squad member. This year she serves as president of the FHA club at OHS.

Nancy is the 18-year old daughter of Mr. and Mrs. Bill Wollard of Oglesby.

HORNETS SOCK IT TO COVE BULLDOG BUNCH

The Copperas Cove Bulldogs were cornered by the Hornets Friday night in a 34-14 victory.

Gatesville scored first early in the first quarter when Ronald Brown went over from the one yard line after the Hornets had driven 39 yards. The extra point was good. The Bulldogs never got to recover because before you knew it the Hornets had driven 61 yards to let Mike Barr go across the goal line. Randy Schoenewolf made the attempt after good.

In the second quarter, speedster Ronald Brown broke through the line and went six yards for a touchdown, completing a 65-yard drive. The extra point failed.

Late in the second quarter, the Bulldogs strutted down the field for 74 yards and a 10-yard touchdown pass. Quarterback Gary Baty passed to halfback Tony Nichols for the T.D. and to Richard Dailey for the two-point conversion, making the score 20-9 at halftime.

Gatesville captured two more touchdowns in the third quarter. One was a 25-yard run by Brown and Ray Ortega brought in the second score on a one-yard plunge. The conversion points after were both good.

Cove succeeded in getting on the scoreboard when, in the fourth quarter Richard Dailey ran 80 yards to give the Bulldogs 14 points.

This week the Hornets play the Rockdale Tigers to keep active their hopes for District Crown.

FREEDOM FOREVER

BY SAMMY WATSON

Freedom is ours, but we had no part in getting it. We owe it all to our ancestors who had to fight for freedom. Today we live with more freedoms than any other people in the world.

We have to fight for freedom, but our fighting is directed in a different way. We have to fight to keep our freedom, which in a way is nearly as hard as it was to earn the freedom in the first place.

Some people just take the freedom for granted, which in turn makes it harder for the others to keep the freedom. Some of these people who take freedom for granted, such as the draft card burners, must not realize what freedom is worth and how much it has cost to get and keep it. If all people really cared and if all these same people ever sat down to think, they would realize how priceless freedom is.

"BIG IN VEGAS" PICKED TO CLICK

BUCK OWENS and the Buckaroos have a new single titled "Big in Vegas." Just released, it is already heading for the top of the charts and should have no trouble in replacing their latest hit, "Tall Dark Stranger," at the top. Flip: "White Satin Bed."

CHARLEY PRIDE also has a new single out. Titled "(I'm So) Afraid of Losing You Again," it should quickly follow his last hit of "All I Have to Offer You (is Me)," up the charts to success. Flip: "A Good Chance of a Tearfall Tonight."

JUDY COLLINS' latest album "Recollections" has been doing well on the charts. It is a collection of her most requested songs of the "Folk Years," recorded from 1963 through 1965. It has such great songs as "Early Morning Rain," "Turn, Turn, Turn/To Everything There is a Season," "Mr. Tambourine Man" and "The Last Thing on My Mind."

THE GALLERY has these and a whole lot more in stock. Should there be something you want that we don't have, forget it! No, we order from two record and three tape distributors and should be able to get what you need in a few days.

Hornette Basketball Season Starts Monday

This is not only the year for our varsity football team, but also for the Hornette Basketball team.

This coming Monday in the local gymnasium, the Hornets under the direction of Coach Gerald Poe, will play their first game of the season against the Robinson Rockets. For the past two months the girls have undergone a constant amount of running, jumping and drilling to get in shape for their first game.

Monday night begins a series of games to be played by the Hornets before they meet Copperas Cove and Rockdale for the District play.

Members of the varsity are: Guards, Margo Veazy; Debby Day; Katherine Mayberry; and Melinda Anderson.

The offense consists of Debbie Hairston; Debbie Pruitt; Barbara Patterson; and Tonya Price.

The Hornette "B" team consists of Paula Petty; Linda Wilson; Daphna Lamb; Pam Peevy; Paula Peevy; Carla Day; Debra Brown; and Margaret Dysinger, playing the defensive end.

Mary Ann Knapp; Janice Simmons; Edna Henson; Betty Swindall; Trudi Hairston; and Diana Millsap are the offensive players.

The Hornette managers are Melba Ivy and Marsha Foote.

The Hornet pass defense is a combination of pass rush and pass coverage. Last week the Hornet pass rush kept Gary Baty, Copperas Cove quarterback running for his life. Right to left: Baty is chased in the first picture by Hornet Gene Braziel, Braziel did not tackle the passer but forcing the passer to throwing off balance and under pressure is part of

the pass rushers intention. George Thompson, the monster man for the Hornets, makes a good tackle on Baty for a loss of about six yards in the middle picture. At right, Baty takes aim as Randy Schoenewolf charges to make a tackle on Baty.

We have been studying again the Exodus, or coming out, of the children of Israel from Egypt, or, as is commonly called, the land of bondage. And would like to pass these truths along to you, as food for thought.

The Bible teaches that all the things that happened to the children of Israel were examples unto us, and were written for our admonition (I Cor. 10: 11) so we know it is not unscriptural for us to use their experiences to bring out Bible Truths. They are Types and Shadows of other Bible Truths. Since Adam fell in the Garden of Eden, sin has fallen on all the human family. We are born in sin, and all have sinned and come short of the glory of God, Rom 3:23.

We would like to compare this, then, as in the land of bondage, like the children of Israel were; But God wanted to deliver them, so they could serve Him, so he sent Moses, just as he sent Jesus, as our Deliverer from sin, so we can serve God.

We would like to compare Pharaoh, who was the ruler over their Egyptian bondage, to the Devil, who is the ruler over the bondage of sin.

When Moses began to approach Pharaoh to let the people go, so they could serve God, he said he wouldn't let them go, neither does the enemy of our souls want us to be delivered from his clutches, but all Bible students know that God sent plagues, and many things among the Egyptians to prove that he was God, and to make them willing to let God's people go; and finally, the old King began to soften a little, and he began to want Moses to compromise God's standards with him.

The first way Pharaoh wanted Moses to compromise was to stay in the land to worship God (Ex. 8:25).

The Devil is the same today. He will tell you it is alright to be a Christian, but just stay out in all the worldly things--no use going to church and missing out on all the "fun" No use denying yourself of anything you want to do--this is your life, but God has ordained the church, and tells us to forsake not the assembling of ourselves to gether. We are no more faithful to God, than we are to God's house.

The second way that Pharaoh wanted Moses to compromise was to go worship God, but to not go very far away (Ex. 8: 28).

Many professing Christians compromise in this way--they get out of the world, but they do not get the world out of them. They try to hold to the world with one hand, and to God with the other, but the word of God teaches to come out from among the world, and be

ye separate (II Cor. 6:17). The third way Pharaoh wanted Moses to compromise was to go worship God, but to leave all the children in the land (Ex. 10:11). He just wanted the men to go. The Devil still doesn't want the children to go.

In Russia today the old people are allowed to go to church, but the children are not allowed to go. They are being educated to go in the opposite direction. The communists know that the old people will soon pass away. Moses did not leave the children in the land. The Red Sea opened for them, too. God had told Moses what to do. "And thou shalt teach them diligently to thy children, and thou shalt talk of them, when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up." (Deut. 6:7 the Commandments of God)

The fourth desired compromise was for the children of Israel to leave their flocks and herds in Egypt. (Ex. 10:24). The Devil knows we won't do much for God, as long as we leave all our possessions in the world, and not use any of our finances for God. He doesn't want us to help in any way for good.

But God had a standard that he kept demanding of Pharaoh, and he wouldn't accept a compromise, and God still has a standard, and if we are to go out and possess the land that He has promised us, we must measure up to His standard.

And even after Pharaoh finally let the people go, in order to serve God, his heart was hardened, and he was sorry he had let them go, and he pursued after them, with a great army; which compares to what the Devil will do to us, if we take a stand for God, and make a commitment with our lives to Him. His objective is to destroy us, for he goes about, as a roaring lion, seeking whom he may devour.

God's command to the children of Israel, at this time, was to "Go Forward."

"The Lord shall fight for you," (Ex. 13:13-15).

I refuse to believe that all of

God's people will be afraid of the Devil; and I refuse to believe they will compromise with him. I don't believe they'll leave their possessions, and their

children back in the land of bondage, from which they came. Moses said: "There shall not a hoof be left behind," (Ex. 10:26).

Is There a Doctor in the Pool?

Misty and Sailor, the two bottle nose dolphin stars of the hourly shows at the Aquarium of Niagara Falls, N.Y., recently underwent their semi-annual medical checkup to insure continued good health, and received vaccinations to ward off diseases that can result from their strict fish diet. Also included in the checkup were three Aquarium sea lions, a fresh water dolphin, and two harbor seals.

In addition, Misty and Sailor are doing their best to help Dr. Elias Cohen of Roswell Park Memorial Institute in his search for better identification of rare blood types in humans. Since dolphin blood is similar in many respects to human blood types, Misty and Sailor "donate" samples for this research. Also, the blood samples advise Aquarium staff members of any infection, allergy or pregnancy in the dolphins.

The Aquarium of Niagara Falls, the first inland oceanarium to manufacture synthetic salt water follows this procedure for the checkups: After the huge 100,000 gallon center tank is emptied of its man-made sea water, an action which doesn't harm the dolphins, as they breathe air through blow holes atop their heads, the dolphins are "beached" on

stretchers as is Sailor in the picture, by Aquarium attendants, the serums are injected, blood samples taken, measuring and weighing is completed, the dolphins are released and the pool refilled.

Dr. Thurman S. Grafton DVM, Director of Laboratory Animal Facilities at the State University of New York at Buffalo and Special Consultant to the Aquarium, administered the injections.

Stephen H. Spotte, general curator at the Aquarium, is responsible for the care of over 40 displays at the Aquarium of Niagara Falls. Accurate daily records are kept of the diets of the fish and sea mammals housed at the Aquarium. In addition, records of vitamins and minerals given the Aquarium specimens are maintained.

Within minutes of the completion of the twice-annual medical checkup, both Sailor and Misty were back in the swim of things, ready for the next day's series of hourly shows.
