KAFER CLEARS 6'7 3/4"

At Texas Relays In Austin

Gary Kafer added to his personal and Gatesville High School record with a win at the Texas Relays in Austin Friday night. Kafer cleared 6' 7 3/4" to capture first place in the event. He jumped 1/2" inch higher than ever before.

Kafer was entered in the high school division of the mammoth college-university and high school track meet last week in the high jump.

Coaches at Gatesville hoped to sharpen Kafer's high jump performance by exposing him to the states top high jumpers.

Coach Christopher said Saturday that the competition was at the Texas Relays with Ft. Worth's Johnny Blaknee, a 6'9" high jumper, Jim Young of Killean a 6'6" high jumper and the 2A State Champion of last season from Taft.

Kafer's trade mark seems to

be his consistent performance and continued improvement. Christopher noted the junior jumper had improved six inches over last season. "He does not feel that he has reached his best yet," said Christopher.

"He stood up real well in the big competition at Austin just like we thought he could," said Christopher.

The track season is nearing a peak now with the District meet in Taylor next in line. Kafer could compete in five more meets if he continues to the state meet.

After the district competition Kafer could be still competing in hurdles and high jump. Coaches anticipate Kafer could make state on his high hurdling also.

Dr. Abner McCall To Head Campaign For Judge Roberts

Judge Truman Roberts of Hamilton, candidate for the Texas Court of Criminal Appeals, has announced the appointment of Dr. Abner McCall, President of Baylor University at Waco, as chairman of his statewide steering committee in the May 2 Democratic Primary.

"It is a privilege to accept this position on behalf of Judge Roberts in his campaign," Dr. McCall said.

"I have known Judge Roberts from his days as an undergraduate and law student at Baylor University, and have observed with pride his progress and outstanding service as a practicing attorney, as county and as district judge," Dr. McCall said.

"He has established an enviable and distinguished record as a lawyer, as a judge and as a civic leader in his community and his state. I have no doubt that he will be an outstanding member of our state's highest criminal court," he declared.

Roberts, judge of the 52nd Judicial District, is a native of McLennan County and a graduate of Baylor Law School. After practicing law for one year, he served as Hamilton county attorney for six years, as 52nd Judicial District Attorney for six years and has been district judge for the past nine years.

He won a recent poll conducted by the State Bar of Texas leading his opponent, Earl Smith, 6,135 votes to 3,940.

Export Seminars To Be Conducted By Industrial Commission

The Gatesville Chamber of Commerce revealed today that James H. Havey, Director of Export Development, and A. Frank Alagna, Export Consultant, of the Texas Industrial Commission's Office of Export Development are available to meet with and conduct seminars for Texas manufacturers in this area who are interested in expansion into foreign export markets.

"By offering these seminars, the Office of Export Development hopes to encourage Texas manufacturers to investigate the economic potential of developing overseas markets for their goods," Havey stated.

Texas ranks seventh in the nation in home manufactured products being exported, and is one of only three states to receive the Presidential "E" award for Export Development. In addition to conducting seminars, the Office of Export Development in Austin provides marketing information for Texas manufacturers, including a file of overseas countries which have bought American goods. The file contains information on the type of product, the quantity presently being imported, and the trend of the market whether increasing or declining.

Schedules of upcoming international trade fairs and shows, lists of experts in the field of exporting, and freight and tariff information are other

The Gatesville Chamber of Commerce stated that local manufacturers wishing to meet with or to set up seminars may obtain further information about any of the services provided by the Texas Industrial Commission's Office of Export Development through the local Chamber of Commerce.

Fire Destroys North Hood Post Exchange

Fire completely destroyed the North Fort Hood Post Exchange early Saturday morning. The fire was first detected by Sergeant Woodruff of the 53rd Engineering Company presently training at North Fort Hood.

The Engineer Co. alerted fire units at South Fort Hood shortly before 7:30 a.m. and begun fighting the blaze with two field

fire units assigned to the Engineer Company.

Sergeant Willard Phillips indicated that the Company's two trucks refilled two times and poured over 5,000 gallons of water on the blaze before the first Gatesville unit arrived. Sergeant Phillips said "By the time we got to it smoke was pouring out the west end." "No

flames had broken through the roof at that time", he continued.

"First flames broke through the east entrance to the building," Phillips noted.

Gatesville units received the alarm at 7:50 a.m. and the first unit left shortly before 8:00 a.m. The second Gatesville unit left for the blaze about 10 minutes later.

Reports from the scene indicate that Post Exchange personnel had been installing fixtures and some merchandise. The Exchange was scheduled to open next week April 6-7 for the long training season.

The wooden frame building covering over 20,000 square feet burned out of control for nearly two hours as firemen from Gatesville and Fort Hood tried to contain the flames.

A near by storage building was saved by firemen by pouring tons of water on its roof and south side.

The post exchange at North Hood carries a complete department store facility, jewelry, snack bar, beer line, barber shop, and appliance counter, to service the summer National Guard training programs.

Team Teaching

Mrs. Annette Bruce, principal of Mound School, and Mrs. Horace Whitenburg, Secretary and teacher aide there, visited

dividual and group instruction.

They were relieved of their school duties that day by Mrs. Jimmie Hayes Reading Consultant from the Educational Service Center and Mr. David Stevenson, title 4, Coordinator of Program and Research Educational Service Center, Waco.

Mr. David Stevenson worked with the fifth and sixth grade. He initiated a program to train older children to act as tutors for younger children.

Mrs. Jimmie Hayes provided individual instruction in reading skills.

Rabbit Breeders

To Hold State Show

The Texas Rabbit Breeders Association will convene in Amarillo April 11 and 12, for the TRBA's State Show and Convention.

"We are expecting approximately half of the states, plus Canada and Mexico to be represented—with 1,000 to 1,500 entries in about 20 breeds," said Bobby Reeves, publicity chairman.

The President of the American Rabbit Breeders Association, the Reverend Wayne Willman of Cleveland, Ohio, will be on hand to judge the National Polish Show that will be held in conjunction with the regular TRBA State Show.

We expect the largest and best State show to date and feel a large crowd of spectators and rabbit enthusiasts will come to the Tri-State Fair Grounds to view the top rabbits in the nation, Canada and Mexico, said Reeve.

General Chairman for the show is Bill Hill of Amarillo. State Show Secretary is Mrs. Bill Hill, 3204 Carter, Amarillo, Texas 79103. Her telephone number is 806-374-1140.

Reservation Chairman is Hollis Mitchell, 2602 Oak Drive Amarillo, 79107, phone 806-383-7035. Convention headquarters are at the Villa Inn on Interstate 40 in Amarillo.

Judges for the TRBA Show are Guy Leger of Lake Charles, Louisiana, Don Hawkins of Maplewood, Louisiana, H.H. Latham of Oklahoma City, Oklahoma, Dr. Robert W. Serr of Lubbock and C.B. Goff of Santa Fe, New Mexico.

Judging will begin at 8 a.m. April 11 and judges will complete their work the same day. The judge's conference is scheduled at 9 a.m. April 12.

The Texas Youth Rabbit Breeders Association will hold their own show at the same time and place as the National Polish and TRBA Show. The youths divisions will have their own judges.

Honeybear Perryman takes Colonel Maverick around the second barrel in cloverleaf barrel racing Friday at the 15th Annual Gatesville Horse Show Quarter horse competition.

Colonel Maverick took top honors in junior reigning and sixth in halter class. Miss Perryman was riding the Colonel in barrel racing for the first time. He completed the cloverleaf in 18.89 seconds.

Firemen from Gatesville and Fort Hood tried to stop the spread of a runaway blaze at the North Fort Hood Postal Exchange Saturday. Above Firemen fight high pressure hoses to pour tons of water on the already collapsed structure.

Sheep Featured At Field Day

Finnish Landrace sheep, a breed unique for having multiple births of lambs, will be featured Thursday (April 16) at the Sheep and Angora Goat Field Day to be held by Texas A&M's Agricultural Research Center near here.

The imported sheep breed is being studied by U.S. researchers to determine its possibilities for lamb and wool production in this country.

Registration will begin at 9 a.m. for a full day's program of special interest to Texas sheep and goat producers, announces H.O. Hill, superintendent of the McGregor Center.

Morning program will cover sheep disease problems, predator control, nitrate poisoning and mohair grading. Speakers for that session include Dr. A.L. Klingsporn, chief staff veterinarian, U.S. Department of Agriculture, Hyattsville Md., W.C. Spalsbury, assistant district supervisor U.S. Department of Interior's Fish and

Wildlife Service, Fort Worth; Craddock Ulmer, vice president, Texas Sheep and Goat Raisers Association (TS&GA); Dr. J.W. Dollahite, Texas A&M professor, Department of Veterinary Physiology and Pharmacology; and Fred Campbell, manager of the Sonora Wool and Mohair Company.

President James L. Powell Ft. McKavett, Texas, will discuss activities of the National Wool Growers Association, and Chairman Joe Jackson will conduct a business meeting for District 10 members of TS&GA just prior to a barbecue lunch to be catered by the McGregor Lions Club. Dr. James W. Bassett, Texas A&M associate professor of animal science, will emcee the morning program.

Dr. Maurice Shelton, Texas A&M sheep and Angora goat geneticist at McGregor, will review research progress at the center as the afternoon program begins. Shelton will discuss new breeds and crosses, a new

drug for internal parasites of sheep and goats, multiple lambing programs, chemical shearing and abortion in Angora goats.

A progress report on lamb feeding studies will be given by Dr. M.C. Calhoun, sheep and Angora goat nutritionist for the McGregor center, and Dr. Zerle Carpenter will describe what producers should aim for to achieve production efficiency and to satisfy consumer preference.

Reproductive efficiency will be discussed by J.R. Gallagher, research associate at McGregor, and H.L. Moon of USDI's Fish and Wildlife Service, will demonstrate predator control methods. Don Callahan, Coryell County agricultural agent will be the afternoon master of ceremonies.

A few rams which just completed performance tests will be offered for sale at the field day, Hill noted. The research center is located three miles south of McGregor on State Highway 317.

1970 Play Cast Takes Curtain Call

food for thought

BY MRS. B.A. SNODDY

Since the Easter Parade is over, the churches having been filled with people dressed in their new spring ensembles, children carrying their baskets to be filled with eggs, of the legendary Easter Bunny, I wish to bring some thoughts about what happened, just after the Resurrection of the Lord Jesus from the dead.

In studying the Bible, we find that the central theme of the early church, and their witness to the world was the fact that Jesus Christ who had been crucified, had been raised from the dead, in our day, sermons on the resurrection are usually limited to Easter Sunday. But the preaching of the early apostles, both the cross, and the resurrection were constant themes. They went together.

The Apostle Paul said: "If Christ has not been raised, then our preaching is vain, our faith is futile, and we are still in our sins. I Cor. 15:14,17.

For this week's writing, I would like for us to think about what Jesus said, and did, after his resurrection.

He showed himself alive to different groups of people, in many infallible proofs, for forty days, and spoke to them, pertaining to the Kingdom of God. Acts 1:3.

He went into all kinds of ordinary places, and showed himself to all kinds of people, just like you and I.

He came to some in a garden; He appeared to two men, as they walked to Emmaus; He went down by the sea shore, and back to the "upper room," where the eleven disciples were hiding behind locked doors for fear of the Jews.

The first words he spoke to them after his resurrection was "All power is given unto me, in heaven and in earth," Matt. 28:18. He wanted them to know that he came forth out of the grave, with the same power that he had before his crucifixion.

The thing nearest the heart of Jesus was the church, which he had given his life for. He had trained the twelve chosen Apostles, and later chose seventy more, and told them just what to preach and just how to carry on the ministry he had begun. Luke 9th and 10th chapters.

He had told them that he had to die to fulfill the prophecies and to bring redemption to the people, and that they must carry on for him. But he also told them it was better for them that

he go away, for if he didn't the Comforter wouldn't come, but if he did go away he would send him. As long as Jesus was in the flesh as a man, he could only be with a few at a time, but the Comforter which was the Spirit of God, could abide in each heart at the same time.

Jesus tried to prepare their hearts for this great truth before he was crucified, and told them "Let not your heart be troubled," John 14:1. But it seemed they couldn't grasp the meaning of it all. But after he had risen from the dead he appeared to the eleven disciples (Judas had betrayed him, and then hanged himself) and upbraided them for their unbelief and hardness of heart, because they didn't believe those who came and told them that he was risen and then he added: "Go Ye, into all the world and preach the Gospel (or Good News) to every creature," Mark 16: 14 & 15.

"As the Father hath sent me, even so I send you," John 20: 21.

"Go therefore, and make disciples of all nations," Matt. 28:19.

"You shall be my witnesses in Jerusalem, and in all Judea, and Samaria, and unto the uttermost part of the earth," Acts 1:8.

We cannot know Jesus with out wanting to share the news about him with others. If there were no other reason to bear witness the command of Christ should be enough.

If we stand by the bed side of our loved one, and the end with them is near, we bend to hear their last request, and the following statement was given as instruction to Jesus's followers, just before he was taken up into Heaven and a cloud received him out of their sight: "Tarry ye, in the city of Jerusalem until ye be endued with power from on high," Luke 24: 49.

He told them that after this experience, they would have power to witness. Acts 1:8.

This sense of power which flowed into his followers is the outstanding feature of the Acts of the Apostles, as is recorded in the New Testament in the beginning of the church.

That power today is available to anyone, who will avail himself of it, for it is not a denomination but an experience and Acts 2: 39 reads: "For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God, shall call."

Certainly the church today for we cannot do the work of the Kingdom of God in our strength which is the wrong kind of weapon to use.

The great need of the church today is not organizational union, it is not that the ministers have several college degrees or that they build great structures of brick and mortar with cushioned pews, and air conditioning. The great need of the church is that the Spirit of God be let loose, to do its work in the hearts of men and women.

The members of the early church were filled with this power and they went out everywhere preaching the Gospel, and the Lord confirmed the word with signs following. Mark 16:20.

As the world around us brings forth its resurrected life of flowers and shrubs, trees and fruits and all the little creatures nesting and raising new families, let us as Christians put on the resurrected life of Jesus, and proclaim the great truth that "He lives, and has promised to go with us to the end of the World," Matt. 28: 20.

Refreshments will be served and all persons with a drivers license are eligible.

LION-LAMB OR BOTH...March left us last week torn between sunny skies and heavy dark clouds. The sunny skies prevailed and we Coryell County residents soaked up some good ole spring-like sunshine first few days of April.

April, what a lovely month! Everything about the month sparkles of spring—a world fresh and alive. The corsage flower for April, daffodil, depicts the dewy freshness and robust, fullness of life that is April. The diamond, April's birthstone, adds the parallel of sparkling freshness to the month.

For the shoppers interested in finding that very special gift for mom on Mother's Day, April will yield 23 shopping days until the 9-day Mother's day countdown begins May 1.

April is a time when parents, brothers and sisters put a little cash back for that perfect graduation or wedding gift. Why not start a hobby and make that mother's day gift—April is National Hobby Month, you know!

Residents of this area as well as other states will get ready to turn the clock back for Daylight Savings Time April 26.

With the extra daylight hours, Coryelleites will spend (once dim and dark) after-work hours in the bright sunshine enjoying yardwork, water sports and just being out-of-doors.

SHOWS CALF AT FAT STOCK SHOW...Robert Forrest, 16, of Gatesville was one of the many Texas and out-of-state Future Farmers of America who entered stock in the Houston Fat Stock Show this year.

Robert entered his scramble heifer in the scramble division and came home with a fourth place in that division and a fourth place in the Junior Heifer Show. Robert won third place laurals with his end of the year theme which included the why and the how of raising his particular animal.

The Gatesville High School sophomore is an active member of FFA and was accompanied by Robert Hopson, GHS agriculture teacher to the March 2-8 show. Robert is the son of Mr. and Mrs. J.O. Forrest of Gatesville.

EASTER VISITORS IN AYRES HOME...How happy Mr. and Mrs. Joe Ayres and son Robert Dale must have been Easter when loads of kinfolks began to unload at their Gatesville home. Home is a beckoning place for children to return to and visit with mom and dad after months of missing them.

The Ayres family welcomed their children: Mr. and Mrs. Alvin Turner, Pamela and Robbie of Bryan; and Mr. and Mrs. Jed Reuter, Laurie Kay and Keith of Odessa home for a much anticipated Easter visit. Also visiting the Gatesville Ayres were two Temple residents, Mrs. Ayres' mother, Mrs. M.E. Franklin and her sister Mrs. Charles Taylor.

The entire Ayres family joyfully welcomed Barry Lee Weatherford of Savannah, Georgia. Barry Lee was stationed at Fort Hood in 1968 following a tour of duty in Vietnam. In August of 1968, he was sent to Germany for another tour of overseas duty. Barry is now discharged from the army and is going home to Georgia. Everyone was happy surprised and proud to see Barry before his departure from Texas.

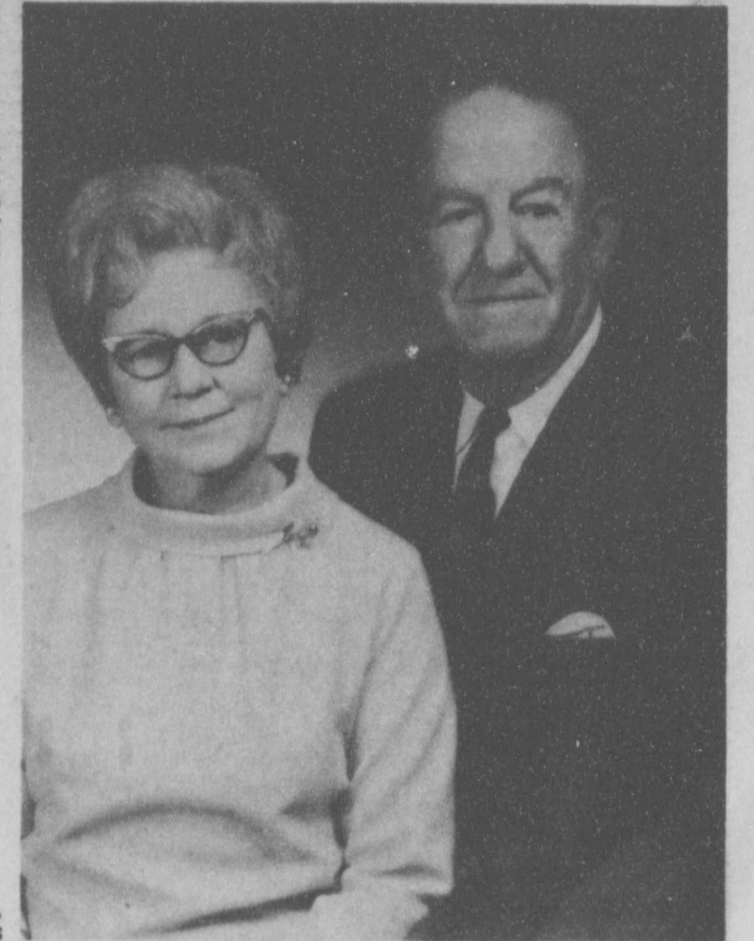

The Alvin Turners visited his parents Mr. and Mrs. Dewald Turner and his grandmother Mrs. Willie Turner of Turnersville. Also visited were Mrs. Turner's grandparents Mr. and Mrs. Tom Ayres of Gatesville and her sister, Mrs. Dale Smith and family, also of Gatesville.

The Jed Rueters took time to catch up on all the latest news in the home of Mr. and Mrs. Edwin Rueter and Mark of Gatesville. Also welcomed home for a visit was Nell Wyn Rueter of Corpus Christi who was home for the holidays. Mr. and Mrs. Jed Rueter visited in the home of his brother and family, Mr. and Mrs. Joe Bob Rueter, Dale and Beverly of Gatesville and Mrs. Rueter's grandparents, Mr. and Mrs. Tom Ayres of Gatesville.

Mr. and Mrs. Alvin Turner, Pam and Robbie; Mr. and Mrs. Jed Rueter, Laurie and Keith and Billy Smith, son of Mr. and Mrs. Dale Smith attended Easter services at the First Baptist Church of Gatesville.

Mr. and Mrs. Dale Smith and Billy visited Mr. and Mrs. Curtis Smith of Purnela Sunday. Mrs. Smith and Billy attended the Easter egg hunt at the McHargue home in Mound at 3 p.m. Sunday.

J. Y. Hamiltons To Note 50 Years Of Marriage

MR. AND MRS. J. Y. HAMILTON

WELCOME TO GATESVILLE... Gatesville opened her doors to new residents and new friends this week.

Listed as new Gatesvilleites are: Maurice Barnett, 109-A, N. 27th St.; Mrs. Marie Blair, 2520 Osage Rd., Apt. C; Thomas L. Carter, 1701 Main, Apt. 5; Alfred Easton, 409 So. 5th; Joey Hendren, 1101 1/2 Leon; Henry Huntley, 1414 Leon, Apt. A; John H. Keeler, 1806 1/2 Main; Stewart Sherlock, 1310 St. Louis Apt. A; C.C. Wages, 1810 E. Leon.

Mr. and Mrs. J. Y. Hamilton will observe their 50th wedding anniversary Sunday, April 12, with a reception at their home in Evant. Friends and relatives are invited to call from 2 p.m. to 4 p.m.

Host will be their son, Robert N. Hamilton of Evant. The Hamiltons were married in Star on April 7, 1920. Mrs. Hamilton is the former Miss Eula Pearl Campbell of Star.

Mr. and Mrs. Hamilton have owned and operated the Evant Funeral Home for 22 years. They are members of the First Baptist Church of Evant.

PROFESSIONAL LOOKING AMATEURS...If you missed "The Mouse That Roared," the 1970 Senior Play of Gatesville High School, you really missed a play that gave funny bones no peace at all. The most impressive thing about the play was the confidence of the players in what they were doing and saying. Each actor or actress clearly delivered their lines so those standing at the back of the packed GHS auditorium could hear as well as the audience on the front row.

Miss Celia Powell who played Duchess Gloriana, 22 year old duchess and sovereign of the microscopic country Grand Fenwick, was radiant as she "ruled" her tiny country. Paul Stone was a knock-out with performing ease of a professional. Paul's expressions were extremely good.

An observer such as the writer cannot single out one or two players and credit the merit of the show to their work. Each member of the cast said his lines or his word with clarity, and meaning. Congratulations cast on a tremendous performance!

HOUSE FULL OF GUESTS...Easter time proved to be a wonderful time of year for Mr. and Mrs. Melvin Watson of Jonesboro. The holidays enabled Watsons and relatives of Watsons to convene in the Jonesboro home for catching up on family events in months past.

Easter weekend guests were Mr. and Mrs. Clarence Watson of Killeen, Mr. and Mrs. Fred Pringle and Susan of Blooming Grove, Mr. and Mrs. W.R. Wicker, Mary Angela and Mark, Mr. and Mrs. Thomas Wilkins, Mr. and Mrs. J.T. Weaver, all of Gatesville and Mrs. E.S. Watson of Jonesboro.

ENTERTAIN EASTER VISITORS...Mr. and Mrs. Willis Featherston and Kim of Gatesville were busy as Easter bunnies getting ready for two especially important families who came home for Easter.

Arlington visitors for the all-to-short holiday were Mr. and Mrs. Jackie Featherston. Also enthusiastic about seeing the Featherston's were Mr. and Mrs. Cecil Dale Reding and Lisa of Austin. Mrs. Reding is the former Miss Karen Sue Featherston. Karen is a busy woman now with 11 month old Lisa beginning to travel in that infant walk that takes little ones to every nook and cranny. Her husband is assistant manager of an A&P Food Store in Austin.

Jackie is working at Mobil Research Lab in Arlington. At the lab, Jackie does research on rocks and minerals. Even samples of moon rocks from one of the Appollo flights were sent to the scientific center.

CELEBRATES BIRTHDAY EASTER SUNDAY...What an important, red letter day Easter was for Mrs. O.C. Curry of Gatesville! In addition to its most important meaning, the resurrection of Christ, Mrs. Curry celebrated her 66th birthday.

The honoree was feted with a big birthday dinner and birthday cake in her home Easter Sunday. The white cake sported large red roses and a beloved message "Happy Birthday Mom." Hosts for the party were her children: Don Curry of Irving, Virgil Curry of Levita, Mrs. Charles (Mary Ann) Niemier of Gatesville, Mrs. Arnold (Jo Nell) Sims of Waco, and Mrs. Willis (Frances) Featherston of Gatesville.

Present at the party were O.C. Curry, Mr. and Mrs. Don Curry of Irving, Mr. and Mrs. Arnold Sims and Kevin of Waco, Mr. and Mrs. Virgil Curry of Levita, Mr. Weldon Meeks of Waco, Mr. and Mrs. Cecil Dale Reding and Lisa of Austin, Mr. and Mrs. Charles Niemier, Charles Don, Stephen and Natalie and Mr. and Mrs. Willis Featherston and Kim, all of Gatesville.

FAMILIES MEET AT MAYPEARL...Mr. and Mrs. Bob Vidler and Bobby of Gatesville traveled early Saturday to Maypearl west of Waxahachie, a small rural community in Ellis County with their destination the home of Mr. and Mrs. W.L. Barham, Sr. Also with Maypearl as destination were the W.L. Barhams Jr. of Little Rock Arkansas, Mrs. W.L. Barham Jr. is Mrs. Vidler's sister, Zoe. Along with the Arkansas travelers came their two lovely children, Allison and John Mathew.

Mr. W.L. Barham Jr., is connected with a venitian marble company in Little Rock and was on business in Dallas, W.L. Jr. said the magic word to Bob to insure his Gatesville departure "Bring your golf clubs!"

12,000 Chapters To Observe National Future Homemakers of America Week

National FHA Week, April 5-11, will be observed by 12,000 local chapters of Future Homemakers of America across the country. Theme for the week is "25 Years of Sterling Opportunity" in recognition of the FHA's 25th anniversary.

Focusing on the positive contribution of youth to society this year's objective—"To Promote Communication for the Enrichment of Human Relationships"—will come alive through projects and activities of FHA members in the United States, Puerto Rico, the Virgin Islands and some American Schools overseas.

National President, Luck Hendrix, a high school senior from Metter, Georgia, explains that National FHA Week provides members everywhere the opportunity to demonstrate that youth does care about improving life both now and in the future. "We know that the future is youth's challenge and that we must prepare for it diligently and creatively." She also feels that "through meaningful communication we can promote understanding and strengthen our relationships with all peoples."

Future Homemakers of America was founded in 1945 and during its existence of 25 years, its programs have served some fifteen million students by broadening the Home Economics education programs and providing opportunities for improving personal, family and community life.

In conjunction with the National Objectives the theme chosen for the 1970 state meeting for the Texas Association of Future Homemakers to be held in Austin, April 24-25, 1970, will be "Our World—To Know, To Care, To Do."

More than 5,000 members and advisors representing 76,000 members in 1,600 chapters across the state are expected to attend the meeting.

Keynote speaker will be Dr. Jane Vincent, Counseling Psychologist at the Testing and Counseling Center, the University of Texas at Austin. She will speak on the convention theme.

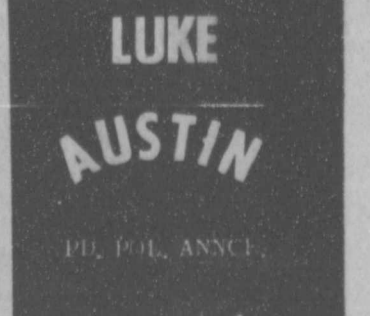

The Texas Association of FHA is sponsored by the Home-making Division of the Texas Education Agency with Mrs. Elizabeth Smith serving as Director and Mrs. Betty Romans as State Advisor.

Former Gatesvilleite Weds In Waco

Miss Jocelyn Camille Turner and Ronnie Dean Lamb repeated their marriage vows Saturday evening in Sparks Memorial Methodist Church in Bellmead. Parents of the newlyweds are Mr. and Mrs. O.C. Turner of 1812 Old Dallas Road and Mr. and Mrs. Billy Joe Lamb of 3717 Hay. The Lambs are former Gatesville residents. The bride wore a formal gown of Chantilly lace and white satin. The lace formed the yoke, flared sleeves and the scalloped train. Her headpiece was a coil of rolled bells accented with seed pearls and sequins. She carried white roses and orchids. Mrs. Doug McKnight of Abilene was her cousin's matron of honor. Miss Carolyn Pursche was maid of honor. The bridesmaids were the groom's sister, Mrs. Jimmy Miller, and Miss Judy Buro, Melonie Treadaway was the flower girl. The attendants wore formal dresses of blue satin. Each carried a basket of daisies. Donnie Lamb was his twin brother's best man. Groomsmen were the groom's brother-in-law Jimmy Miller, Larry Pursche and Floyd Fuller of

Lubbock, the bride's cousin. Kyle Miller was his uncle's ring bearer. Candelighters were Timmy Ferguson and the bride's cousin, Eddie Rhoades of Dallas. Ushers were Robby Farr, Dale Johnson and Leonard Gibson. Rev. Paul Hopkins officiated. Mrs. Ed McKowski Sr. was organist with Miss Judy Roberts, soloist. The bride's parents were hosts for a reception in the church fellowship hall after the ceremony. Members of the house party were Mrs. Ernest Pursche, Mrs. Lawrence Ferguson, Mrs. Boyd Turner, Mrs. Osa Turner and Mrs. Victor Rodrigues. The bride is employed at F.W. Woolworth and Co. Her husband is a senior at Baylor majoring in chemistry. He will graduate in May and plans to attend the School of Pharmacy at the University of Texas. He is also employed as a drug clerk at Walgreens. Mr. and Mrs. Lamb will go to Stagecoach Inn in Salado then on to San Antonio on their wedding trip. They will return to live in Waco.

Meat Prices Still Low In Texas Food Stores

To help economize on the food bill, here are some tips from Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University, about good buys in this week's market. At retail meat counters, look for best beef values on round steaks and roasts, chuck roasts and steaks and beef liver. Pork values include picnics, end cut loin roasts and chops and pork liver. Fryers generally are the biggest bargain in most meat departments but prices vary considerably among stores, she notes. Consider the whole bird rather than cut-up fryer or parts for lowest prices. Grade A large size eggs continue to offer the most quality and economy for egg money. Fresh fruit and vegetable items in good supply at the most economical prices include navel and juice oranges, apples, pears, bananas, grapefruit, strawberries, potatoes, head lettuce, celery, cabbage, carrots, radishes, green onions, dry yellow onions and sweet potatoes.

Arnolds To Attend Beta Sigma Phi Convention

Members of Xi Iota Epsilon Chapter of Beta Sigma Phi cast their votes March 26 for Xi Iota "Girl of the Year" when the sorority met in the home of Barbara Brown. The identity of the member selected will be announced at the sorority's Founders Day dinner to be held April 30 at the Captain's Table on Lake Belton. Mary Jo Arnold took the sorority on a verbal tour "From Ecuador to Paraguay" with a film on the Inca Indians, shown by her husband Bob Arnold. Xi Iota President-Elect Mary Jo Arnold and Vice President Elect Joyce Arnold were selected to serve as delegates to the State Beta Sigma Phi convention in Houston June 26, 27, and 28.

At the state convention the localities will attend forums and classes which study all phases of sorority leadership and parliamentary procedure. Following the discussion of business the members and guests, Paula Bromser and Lois Jones, enjoyed a social hour. Xi Iotas present were Inez Arnold, Joyce Arnold, Mary Jo Arnold, Carol Brim, Byrd Ann Bromser, Barbara Brown, Annette Bruce, Joy Cummings, Catherine Healer, Ella Hollingsworth, Martha Ann Stephens, Billy Voss and Corinne Erwin.

"KEEP MOVIN'", a three-act comedy to be presented by the senior class of Jonesboro High School in the JHS gymnasium May 8, is due to provide the audience with a fun-packed evening. The 1970 play cast includes bottom row (L to R) Jo Ann Watson, Patty Moore, middle row, (L to R) Leigh Murdoch, Ponice Holden, Liz Courtney, top row (L to R) Dale Sommerfeld, Mike Meis, Jimmy Murray and Ronnie Ashmore. Gail La Strapes and Delbert Ramsey are not pictured.

Jonesboro Seniors To Stage "Keep Movin' "

The Senior class of Jonesboro High School will stage the annual senior play "Keep Movin'" May 8, in the JHS gymnasium. Characters and Jonesboro players include: Anne Baldwin, an attractive competent girl of 21; Jo Ann Watson; June Harris, in her early twenties, pretty and active; Liz Courtney; Rush Harris, a languid, sleepy youth of 19; Jimmy Murry; Tom Jeffrey, an animated, enterprising young man of 21; Dale Sommerfeld; Douglas Wells, a friendly good natured chap; Delbert Ramsey; Professor Edmund Enoch Randolph, a wiry, grey-haired little man of 50; Mike Meis; Harriet Mason, a competent, understanding girl of 23; Leigh Murdoch; Emma Knight, a prying, talkative woman in her forties; Ponice Holden; Loretta Phillips, a pretty but resolute girl of 19; Gail La

Strapes; Charity Lynn, a drawing slow-moving girl of 18; Patty Moore; Sam Vine, a snooping suspicious little man who carries out his duties as detective, Ronnie Ashmore. Directors of the play are Mrs. P.T. Lemmons and Mrs. Truman Roberts. Under the direction of Mrs. P.T. Lemmons and Mrs. Truman Roberts, the able cast of characters will keep the audience "movin'" with laughter throughout the three-act comedy. Below is a summary of the play and plot. "If the audience can keep from laughing a single moment during this fast moving enjoyable comedy, it will be that they are hard of hearing...or else have no funny bone. Trouble starts when unwanted, trombone playing Pro-

fessor Randolph arrives at the Baldwin home and announces that he intends to stay the entire summer. He isn't such a bad fellow, but that horrid moaning trombone (which is never heard during the play) is enough to drive—well it practically did drive Mr. Baldwin into a nervous breakdown the summer before, and he has been away in the mountains ever since, trying to recover. Now he is coming back and wants to find his house peaceful and quiet, and his young attractive daughter, Anne, intends that he shall find it so. That is she thought it would be, until the Professor arrived for his second summer! To make matters worse, in comes Rush Harris who brings with him three big reasons for gray hairs to pop up in everyone's head. To begin with, he is running away from someone, or something, and everyone expects the police to break in any minute and haul him off to jail. On top of that, he is inventing a new type of motor fuel called "Liquid Power" and immediately takes over the house for a laboratory. So Anne and her friends try to figure a way to oust both the Professor and Rush. Their best idea backfires and all is confusion as the house is overrun by a snooping detective, a gossiping neighbor, a mysterious young girl selling soap, a complaining maid, and a strange woman who keeps insisting she has rented the house intends to move in the next day and has a contract to prove her rights! When the Professor accidentally drinks some of Rush's powerful invention, the resulting explosion will keep your audience laughing for weeks."

Miss Farrell And Jay Giddens Plan Summer Wedding

MISS LINDA FAYE FARRELL

Mr. and Mrs. Hulon Farrell of Rogers have announced the engagement and approaching marriage of their daughter, Linda Faye to Jay Lee Giddens. Mr. Giddens is the son of Mr. and Mrs. Chester Giddens of Gatesville.

Obituaries

Tom Davis

Funeral services were held on Wednesday at Lee's Chapel for E. T. (Tom) Davis, 84, who died Monday morning in a McGregor nursing home.

Reverend Dewey Baldwin officiated with burial in Post Oak Cemetery.

Mr. Davis was born in Ozark, Ark., and moved to Oglesby where he married Virginia Davis. He was a farmer in Oglesby until his retirement in 1945, when he moved to McGregor.

He was a member of the College Avenue Baptist Church. Survivors are his wife; two sons, Freddie D. Davis and Melvin Davis, both of McGregor; three daughters, Mrs. Willard Polston of Dallas, Mrs. Dorene Wheeler of El Paso and Mrs. Cohen Bass of McGregor; one brother, C. V. Davis of McGregor; two sisters, Mrs. Maude Burleson and Mrs. Mary O'Bannon, both of McGregor; 11 grandchildren and seven great grandchildren.

Pallbearers were William H. Wheeler, Tommy Wheeler, Danny Charles Davis, Jeff Davis Bass, Allen Ray and Larry Gene Wheeler.

Mrs. Sherwood

Mrs. Freddie Mae Sherwood, 63, died April 1, in Darnall Army Hospital at Fort Hood.

The body will be taken to Monticello, Arkansas, Stephenson Funeral Home will be in charge of arrangements.

Mrs. Sherwood was born March 29, 1907 in Blue Springs Georgia. She was a member

of the Baptist Church. Mrs. Sherwood has lived in Gatesville the past five years.

Survivors include two sons, Billy C. Sherwood of Gatesville and Bobby J. Sherwood of Buena Park, California; one daughter, Mrs. Patsy Bressie of Baytown, two brothers E. R. Dickson of Godsten, Alabama; two sisters, Mrs. Ross Deviney of Pine Bluff, Arkansas and Mrs. Harold Brooking of Crossett, Arkansas; and six grandchildren.

F. G. Collard

Funeral services for Mr. F. G. Collard, Jr., 52, were held in Amarillo on Tuesday, March 24. Mr. Collard died of a heart attack on Sunday, March 22.

Mr. Collard was a native of Oglesby but had lived in Amarillo since 1950. He was active in the Panhandle cattle industry heading the vast Bush properties headquartered in Amarillo. He was serving his second year as vice president of the Panhandle Hereford Breeders Association at the time of his death after being on the Board of Directors for several years. He was a former director of the Texas Hereford Association. He was a graduate of Texas A&M and a member of the Baptist Church. He served with the rank of major in the US Army during World War II.

He is survived by his wife, two sons, F. G. Collard III and Alan of Amarillo; one daughter, Mrs. Linda Butz of Ponca City, Okla.; four grandchildren; his mother, Mrs. F. G. Collard Sr., of Oglesby; three sisters, Mrs. Hollis King and Mrs. Wayne Graves of Marlin and Mrs. Loyd Graves of Marlin and Mrs. Loyd McMullen of Oglesby.

Jones Receives Air Force Medal

Las Vega, Nev.- Airman Kenneth D. Jones, son of Mr. and Mrs. Virgil B. Jones of Route 3, Gatesville, Texas, has received the U.S. Air Force Commendation Medal for meritorious service in Vietnam.

Airman Jones distinguished himself as a metal processing specialist with the 37th Field Maintenance Squadron at Phu Cat Air Base.

He was honored during ceremonies at Nellis AFB, Nev., where he is now assigned to the 474th Field Maintenance Squadron, a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces.

The airman, a 1966 graduate of Gatesville High School, attended Central Texas College. His wife, Janie, is the daughter of Mr. and Mrs. John Dotson of Route 3, Gatesville.

Commission Makes Ruling On Consumer Product Coupons

New rulings from the Federal Trade Commission say that coupons enclosed in consumer products may contain no expiration date. If a date is necessary, it must be such as to allow purchasers of the product at least six months to redeem the coupon.

The ruling resulted from complaints by homemakers that the coupons too often have expired before the product ever left the grocer's shelf, reports Gwendolyn Ciyatt, Extension consumer marketing specialist with Texas A&M University.

Manufacturers who state on the outside of a package or in their ads that a coupon is enclosed also must clearly define the limits of the coupon. They must state what it is for, how much it is worth and what limitations are placed on its redemption.

Senator Tower Speaks On The Postal System Situation

Our postal system is in dire difficulty. The recent wildcat strikes by employees of some postal facilities around the nation have served to point up one of the problems, that of keeping pay scales in line with the cost of living. But this is only one of the problems. Our postal system has been fighting the squeeze between increased costs and increased work load for many years. Even with the best available management procedures and the complete cooperation of postal employees, our mail system has not been able to fulfill all the dependent federally-owned corporation to take over the responsibilities of the Post Office Department. The corporation concept was put forward in 1969 by the Committee for Postal Organization under the leadership of Frederick R. Kappel, retired chairman of the board for American Telephone and Telegraph Company. The corporation concept would take the Post Office Department completely out of politics. The new federal corporation would utilize modern business management techniques and provide for continuity of management and improved financing.

The aim of this plan would be to eliminate the substantial postal deficit and to improve service. The administration bill is in competition with several other postal reform proposals which have been put forward in Congress. These have been debated at length in the Post Office Committees of both the House and the Senate. The plan that has proceeded furthest to date is one which would establish a "Postal Authority" and while it is not exactly what was recommended by the administration, it does embody some of the administration's recommendations. This bill has been approved by the House Post Office and Civil Service Committee, but has not yet come up for action by the whole House.

I am looking forward to recommendations which will be forthcoming from the Senate committee in this area and plan to review the committee recommendations fully.

Meanwhile, a Federal Salary Comparability Act, including a pay raise for postal employees, has been passed by both the Senate and the House. The differences between the House and Senate versions of the bill, however, were considerable. A conference committee met at mid-week to begin to work out those differences.

I believe it regrettable that the President was forced early this past week to call upon members of the Armed Services in an effort to get the mail moving again. This was an unprecedented action forced by an unprecedented situation. This nation has not previously seen a mail strike. The President had to do something. There seemed no alternative. I have commended him for showing restraint in taking only those steps which have been absolutely necessary in the face of national crisis.

I am proud, and I believe all Texans should be equally proud, that postal employees in our home state have acted so responsibly in this matter. Their wage rates are the same as those in other parts of the country who stayed away from their jobs. We can be sure that the postal employees in Texas who have continued to meet their daily responsibilities to the public by staying on the job are as frustrated as those in other parts of the country who have not. In Texas, we owe our working mailmen a debt of gratitude.

I am confident that the Congress and the Administration will take steps to improve the wages and working conditions of our postal employees. I have just outlined for you some of the processes involved which show that the Congress and the Administration is striving to achieve those improvements. But strikes against the public by federal employees are absolutely illegal. The government, the representatives of the public, can not be expected to sanction unlawful acts by granting demands while federal employees are off their jobs. The Congress can not be expected to pass quality legislation while acting in an atmosphere of crisis.

I favor Congressional action aimed at improving our mail service, but Congress must not act precipitously simply because of wildcat strike activities. Congress is moving ahead with all deliberate speed and we must continue along that path,

but speedy action in time of crisis would only result in poor legislation. I don't think that members of the Congress should ever be compelled to legislate with a "gun at their head."

All Will Be Counted In 70 Census

Squads of picked crew leaders and census takers will fan out

over this area the night of April 6 in a special 1970 census drive to count persons who do not have fixed address, District Manager Robert C. Ford said today. These census workers will visit missions, all-night theaters, city parks, and other plac-

es "floaters" might be found in this special effort to make sure that all residents of the area are counted. Persons who do not have a fixed address are included in the population of the place where they are enumerated.

The District Manager pointed out that under census law, everyone is required to answer official census questions. The same law specifies that all information collected by census takers must be kept confidential.
