

Local Landowners Receive Bass To Stock Farm Ponds

Large Mouth Black Bass totaling 4505 were distributed to 41 landowners over Coryell County, Friday afternoon.

David Hix, of the Interior Department's Fish and Wildlife Service at Burnett Texas distributed the tiny fish with the help of soil conservationist Don Allison.

The fish are given to landowners throughout the nation with the primary purpose of stocking farm-ponds for sprout fishing.

Allison noted that the fish are free only for sprout fishing and not commercial hatcheries.

The fish, most of which measured under one inch in length, were measured out by Hix using a quart measuring bowl. Accurate measurement was obtained by calculating the water displacement of a number of fish.

Hix said, "There are 1600 fish in the pound at these fish present size." "In one year these fish will weigh between 3/4 and one pound," do not understand what they are getting when they receive 80 fish in a 12 of water. After only month the small fish will grow as much as eight times their size when first placed in a pond.

Allison used as an example of first month growth, "Fish the size of the end digit of your little finger will be the size of that finger in around one month.

Landowners will have another chance in the fall to stock their tanks but with Channel Cat and Sun Fish at that time. To be eligible for fish a person must sign up with the Hamilton-Coryell Soil Conservation District.

Due to the small size of the fish and the small number distributed, some landowners seem disappointed at the program.

Allison explained that the quantity available to a landowner with a farm pond depends upon the surface area of the farm pond and not the volume of water in the tank.

Allison further explains that fish receive food from the water surface and depth of the water does not effect food supply.

An over stocked tank, Allison noted produces under nourished fish, practically starving fish. Allison re-

marked that he had seen fish in some over stocked tanks with heads big enough to support 3 and 4 pound fish but only fish of about one pound existed.

Statewide the Fish and Wildlife Service has distributed approximately 750,000 bass annually.

ONE INCH RAINFALL ACCOMPANIED BY LIGHTENING

A welcome rain shower covered Coryell County Thursday afternoon and Friday morning.

The shower was accompanied by an occasional electrical display and shortly after 6 p.m. Thursday light-

ning danced around the downtown area striking the siren at the Fire Station and shorted out all communications at the Sheriff's office.

Rainfall for Thursday amounted to .80 inches at the Gatesville Weather Station, Friday morning's rain added .19 inches of rain for a two day .99 inches of rain.

The electrical disturbance was, not the first time the Fire Station Siren has been set off by lightning.

At the Sheriff's office, Betty Hamilton was on duty at the time of the lightning crash. Mrs. Hamilton said the lightning struck outside with a large flash of light filling the office.

The radio began to "snap crackle and pop" reports Mrs. Hamilton. The Teletype was knocked out and the office telephone was discovered to be out of order. The Fire Station Siren began to scream at the same time the sheriff's office was struck.

Deputy Sheriff, Charlie Walsh, was also in the office at the time of the lightning. He noted seeing the teletype flash like a ball of fire. The lightning flash outside reflected off the equipment giving the fireball appearance.

Rain over the County was general with reports from the western parts of the county ranging up to 1 1/2 inches while eastern areas of the county measured around on inch.

Action On Four Cases In 52nd District Court

Four criminal cases were completed in Friday action of Judge Truman Roberts 52nd District Court.

Stephen Owen Price received three years probation from the Court on charges of Arson.

James Rogers was sentenced to two years in the Texas Department of Correction in Huntsville on charges of Forgery and Passing. Raymond Flores was also turned over to the Texas Department of Correction by the Court for violation of his parole.

The Court impaneled a jury to rule on the sanity of Les Hood. Hood was ruled insane in 1964 during a trial on charges of theft but was later released. The jury A.W. Ellis, Buddy Biffle, Allen Bennett, Billy Clay McClellan, Chie McCallister, A.J. Gordon, Anne Bruton, Pete Patterson Jack Straw, Oad Pointer and Anne Bell Hammock determined Hood to be sane at this time.

Donations from Gatesville area citizens are being collected at the Main Street Church of Christ for shipment Tuesday to the Lubbock tornado victims. The campaign aimed at collecting clothes, can food, and bedding is being conducted by business and church leaders throughout the community. Minister, Roland McLean is pictured above sorting through part of the early donations.

Local Group Will Make Mercy Flight To Lubbock Area

Communication from tornado torn Lubbock places the magnitude of the disaster at about ten times what is reflected by statewide news media, according to a local group of church-business leaders.

Roland McLean, Minister of the Main Church of Christ indicated "I talked to a Minister in Lubbock and he requested bedding can food and clothes of all sorts. The minister voted that many people were homeless and wandering through the

disaster area. The local group of church and civic leaders are appealing for donations which will be distributed in boxes and ready for distribution in the Lubbock area.

Sunday churches throughout the Gatesville area appealed for donations from their congregations. Donations are being accepted at the Main Street Church of Christ. McLean plans to load up pickups tonight and leave early Tuesday morning.

Two local pilots will airlift as much of the supplies to Lubbock Tuesday morning with the rest of the supplies to leave by truck at the same time. McLean is coordinating the relief supplies with the Lubbock Churches, who will help distribute the goods. A cash donation fund has been started at both Gatesville Banks by KCLW Radio. Cash gifts should be made out to the Lubbock Tornado Relief Fund. Present plans are to close the accounts Wednesday and transfer the balance to the Lubbock Red Cross Chapter.

Ledger Request Help In Goals For Cen Tex

Lovett Ledger, of Copperas Cove and General Goals Chairman for the "Goals for Central Texas Project" has issued a plea that Goals Questionnaire Forms distributed throughout Central Texas be returned to the Central Texas Council of Governments office in Belton Texas as soon as possible.

More than 6,000 questionnaire Forms have been distributed to civic clubs, chambers of commerce, agencies, cities, counties, churches schools, hospitals, businesses and individuals throughout Central Texas including the Counties of Bell, Coryell, Hamilton, Lampasas Milam and Mills.

The "Goals for Central Texas Project" is designed to allow local areas to list their Goals for the next two six and ten years in the areas of Education, The Economy, General Government, Health, Housing, Human Resources, Natural Resources Recreation and Open Space, Public Protection and Transportation.

Every community participating in the Goals for Central Texas Project will receive back from the Central Texas Council of Governments a copy of the Goals presented by their area listed by priorities. Local community goals will be combined together within the region will gather to make up county goals and the goals of the six counties within the region will

be combined to make up "Goals for the Central Texas Region."

In order for the Central Texas Region to be able to participate in the overall "Goals for Texas Project" Questionnaire Forms must be received by the Central Texas Council of Governments no later than May 18th. Local Goals must be received in time to be tabulated and organized to be sent to the Governor's Office by the end of May deadline.

"Goals for Central Texas" will be placed with goals developed by the other 20 Texas State Planning Regions to make up Goals for Texas, Phase II. Goals for Texas, Phase I, was completed in October of last year and represented an effort by all of the Major State Agencies to define their goals for the next two, six, and ten year period.

By combining and analyzing Goals for Texas, Phase I and Phase II, Governor Smith plans to develop his budget recommendations and his legislative message to the Texas Legislature in January of 1971. Governor Smith has stated previously that only by determining the goals of Texas citizens can meaningful and efficient programs be developed.

Participation in the Goals for Central Texas Project allows citizens an opportunity to list what they would like to see accomplished in their communities.

Mrs. Ola Mae Parks Dies Thursday At Her Home

Mrs. Ola Mae Parks, Gatesville native, died Thursday, May 14, at her home.

Funeral services were held Saturday in Scott's Chapel with Reverend Kenneth Patrick, pastor of the First Baptist, officiated. Burial was in the IOOF Cemetery.

Mrs. Parks was born in Gatesville. She was the daughter of the late Mr. and Mrs. W.R. Parks. She married Homer Parks who passed away in 1910. Mrs. Parks lived her entire life in Gatesville where she taught music.

Survivors include: one nephew Rufus L. Parks Jr., of Abilene; two nieces Mrs. Ora Mae Simpson of Stanton, and Mrs. Margaret Moffett of Gatesville; two great nephews Sid Parks of Gatesville and Roy Simpson Jr. of Hereford.

Worthington In Angus Association

Eugene Worthington, 18, Gatesville, Texas has been granted a junior membership in the American Angus Association at St. Joseph Missouri announces Lloyd D. Miller, executive secretary.

This new junior membership entitles the member to register purebred Angus at the regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to life time memberships in the Association.

There were 187 young people in the United States to receive junior memberships last month.

TECH STUDENTS SAFE AFTER TORNADO

Several Gatesville students attending Texas Technological University in Lubbock rode out the killer tornado that crippled that west Texas city in minutes last week. For some Tech students already home and for Gatesville residents the tornado news brought anxiety about classmates, friends and relatives still in Lubbock.

No Gatesvilleites or relatives of Gatesvilleites have been reported injured from the devastating storm. The local American Red Cross Chapter has a list of injured reported by the Texas Department of Public Safety received on the teletype unit in the County Sheriff's office. Mrs. Antonice Rogers, Red Cross executive secretary, welcomes any party interested in reading the complete injured list to drop by the chapter office.

Ginny Hairston Shoaf, daughter of Mr. and Mrs. Lee Roy Hairston of Gatesville, and Nelda Whately, daughter of Mrs. Billie Whately of Gatesville were in their Tech dormitories at the time of the storm.

In a telephone call with her uncle M.C. Donaldson of San Antonio, Miss Whately, a bit shaken, told of helping rescue the injured. Many Tech students pitched in to rescue the residents trapped by debris. She was finishing tests Monday at the school and caught a bus for San Antonio Tuesday.

Several local students reported damaged automobiles. Dick Shoaf who lives on 5th street near the campus and along the 8 mile path the tornado traveled, was at work on the other side of Lubbock at the time of high winds. He reported window breakage in his home and automobile. According to Shoaf, the apartments across the street were heavily damaged.

Shoaf's roommate John Baize, son of Mr. and Mrs. Clebe Baize of Coryell City was at the 5th street residence with fellow student Richard Hodge, son of Mr. and Mrs. John L. Hodge of Gatesville when the storm struck. Baize and Hodge reported their car windows broken.

In a Thursday telephone call, Molly Rosser, daughter of Mr. and Mrs. Albert Rosser, told her parents that the house she and a roommate were scheduled to occupy for the remainder of May was so heavily damaged that their landlord put them up in the rooming house they were to move into in June. Miss Rosser plans to work in Lubbock during the summer vacation.

Gary McCorkle, son of Mr. and Mrs. Q.G. McCorkle of Mound, was in his dormitory on the campus that stormy night. McCorkle was unable to contact his parents after the killer tornado knocked out communications from the panhandle city. He reported windows on one side and the rear

of his auto were blown out by the high winds and hail. McCorkle said that the public was unable to go near the devastated areas because of National Guard and police who were sealing off the area.

Doyce Wright and Jerry Morgan had left the city that week end after finishing up their final examinations. Wright, son of Mr. and Mrs. Rolland Wright of White Hall, was visiting in Cisco Sunday and Gatesville Monday. Morgan, son of Mr. and Mrs. L.O. Morgan arrived in Gatesville over the weekend before the storm struck.

Graduation exercises were cancelled at Tech last week by school officials. The administration pointed out that all degrees are valid on the original graduation date.

At present, the coliseum is being used to provide shelter for the residents whose homes were destroyed by the tornado.

Jack Whigham Hospitalized

Jack Whigham, Coryell County Tax Assessor-Collector was hospitalized Thursday afternoon with a heart attack.

Whigham was taken ill while on duty in the courthouse tax office. He was taken by ambulance to Coryell Memorial Hospital where he is reported improving and resting comfortably.

Fort Gates To Hold City Election Sat

Saturday May 23, Fort Gates will hold its annual city election at the Old Fort Gates Grocery from 8 a.m. to 7 p.m.

The city will choose a mayor and two, two-term aldermen. In office now are Mayor Billie Taylor and Aldermen Esteen Williams and Gene Arnold.

Mound School Field Day Set For May 20

Mound School had a Field Day, May 20, 1970. One of the main events involved all the students. All the children flew kites which had been purchased by the school. The community was invited. They brought their lunch so the parents and children had a picnic lunch together. Mrs. Gladys Couch, Mr. Gladys Couch, Mr. James Harris and the principal Mrs. Annette Bruce were sponsors of this activity.

Mound School will close for summer vacation May 22, 1970.

Sixth graders going to Gtessville next year are Lisa Echart, Becky McHargue and Terry Nance.

LIBRARY WILL NOT OPEN TODAY, WEEK DELAY

Predictions that the Gatesville Public Library would open its doors today at 1:30 p.m. were proved wrong last week due to a mix-up in shelving shipped to the Gatesville site and the trucking strike which has hampered furniture shipment to the facility.

According to librarian Mrs. Albert Rosser, the shelving must be returned and the new shelving order filled.

More than \$9,000 of new shelving and furniture was to be installed there Thursday, Friday and Saturday. Some of the old library shelving will also be used.

"Since the correct shelving and furniture have not arrived, we will be closed until further notice," said Librarian Rosser. "We hope to have the library ready for operation within one week," she added.

The library will charge no overdue fees to persons, having books out and due before the new facility opens. If a book is due, the library official's ask that the borrower drop it in the night book depository at either location.

The moving of the library's 17,000 books will begin Monday morning. The new spacious facility contains 6,000 square feet of floor space and can accommodate 30,000 volumes. The building was completed in April at a cost of \$76,843.

When the building opens the present library hours will remain in effect. The doors will be open from 1:30 to 5:30 p.m. on weekdays and from 8:30 to 12:30 p.m. on Saturdays.

Mrs. Rosser will become assistant librarian July 15, when Mrs. Joe Whigham takes over the full-time librarian.

Don Allison (left) of the Hamilton-Coryell Soil Conservation Service holds one of the large mouth Black Bass distributed in Coryell County Friday to landowners. At right is David Hix of the Fish and Wildlife service in Burnett, Texas. The lower right hand corner of the above picture is an enlargement of Allison's hands showing the relative size of the body base.

George Schaub Rites Held At Lampasas

George O. Schaub, manager of the W.F. & J.F. Barnes Inc. store in Lampasas for the past 20 years, died at 10 a.m. Saturday at Rollins-Brook Hospital.

He had been stricken with an apparent heart attack three weeks ago and had been hospitalized since that time.

Funeral services for Mr. Schaub were conducted Sunday at 3 p.m. from the First and Walnut Street Church of Christ of which he was a very active member. Officiating at the services were former ministers Paul Wallace and Clay Mims.

Burial was in Oak Hill Cemetery with Briggs-Gamel Funeral Home in charge of arrangements.

Pallbearers were nephews Herm Cummings, George W. Patterson, Robert Earl Patterson, Sammy Petty, David Schaub, John Walker Schaub, Reid Schaub and James Schmeltekopf.

A native of Gatesville, Mr. Schaub was born April 8, 1915.

He had been an employee of the Barnes Lumber Co. organization for 33 years, beginning his long tenure of service in the Gatesville yard.

He was assigned as manager of the Barnes yard at Mart in 1948 and stayed there two years before coming to Lampasas as manager of the local yard.

He was married to Ruby Petty on February 17, 1937 in Gatesville. He was a member of the Lampasas Lions Club.

Survivors include his wife, two sons, Charles Schaub and Brent Schaub, both of Lampasas; two sisters, Mrs. Ruth Schmeltekopf of Kyle and Mrs. Dora Patterson of Gatesville; four brothers, Herman Schaub and Herbert Schaub, both of Gatesville, R.W. Schaub of Portland, Oregon and H.P. Schaub of Houston; and two grandsons.

Storm Damaged Trees

Trees damaged by violent weather during spring and early summer should get immediate attention. Storm damaged limbs or branches should be removed immediately, advises Everett Janne, Texas A&M University Extension landscape horticulturist.

When a limb or branch must be removed in its entirety, the Extension specialist says to make the cut flush with the tree trunk or limb from which it is growing. Also, he says paint all wounds with a good tree wound dressing to prevent the entrance of disease or insects into the freshly made cut.

The job of removing large limbs can be simplified and damage to the bark can be prevented if care is exercised, says Janne. He suggests making a cut from the under side of the limb about eight inches from the main trunk. Make this cut at least one-third of the way through the limb or until the saw binds. Then make the second cut from above and several inches farther out on the limb and continue cutting until it can be removed. Make the final cut, he says, flush and parallel to the main trunk. Then apply tree wound dressing to the exposed surface.

If trees around the home do not get immediate attention, warns Janne, they may fall victim to insects and diseases which can enter through the damaged areas.

food for thought

BY MRS. B.A. SNOODY

"Now it came to pass on a certain day that he (Jesus) went into a ship with his disciples, and he said unto them 'Let us go over unto the other side of the lake,' and they launched forth. But as they sailed, he fell asleep; and there came down a storm of wind on the lake and they were filled with water and were in jeopardy. And they came to him and awoke him saying: 'Master, Master, we perish.' Then he arose and rebuked the wind, and the raging of the water and they ceased and there was a calm. And he said unto them, 'Where is your faith?' And they, being afraid wondered saying one to another, 'What manner of man is this! for he commandeth even the winds and water and they obey him Luke 8:22-25.

At this season of the year we are given alerts, by radio and television of the turbulent weather and cautioned to be on the watch for possible tornadoes in certain areas for certain times many people are not watchful or concerned and sometimes meet disaster.

And for this week's writing I would like to bring you some thoughts concerning what God's written word has to say about the weather.

We have people who believe that when he created the earth heavens, etc., he simply set things in order and they move and operate according to schedule. Men have learned a lot about the high and low pressure systems and what effect cool air will have on humid moisture laden air and how snow and hail, and frost and dew, are formed. But they do not believe that God has anything to do with what happens in the weather of today.

But the Bible says God speaks and the snow is on the earth also the small rain, and the great rain and He also sends the frost. Job, 37:6 and 10.

Nahum 1:3 teaches that the Lord is slow to anger, and great in power, and will not at all acquit the wicked; the Lord hath his way in the whirl wind and in the storm, and the clouds are the dust of his feet."

So I am made to believe that no one thing happens in a whirl wind but that it was the way God would have it. What is a tornado, but a fierce wind that whirls?

We have just been stirred by the news of the great destruction in Lubbock, by a fierce tornado.

Why it happens like that we don't understand.

Why God called the water out of a rock, instead of a nice cool spring, to give drink unto the children of Israel, I don't know.

Why He does many things like he does, I do not try to explain, but we do believe that God still is the master of every situation.

The disciples recognized that he was the master for they called unto him "Master, Master, we perish."

He rebuked them for their unbelief. He had told them they were going across why did they not believe him?

Where was their faith, Jesus asked them.

God has always brought wrath and judgement against his enemies.

To be honest, we all know

that our nation is falling away from the laws of God. Sin aboundeth everywhere. Sin is a reproach against any people, but righteousness exalteth a nation. We believe our nation must suffer because of its sin, unless the people repent.

Cannot these terrible storms be an outpouring of the wrath of God?

The Bible also teaches that in the last days perilous times, will come. II Tim. 3:1. We know that great peril comes with such tornadoes as these. And we are compelled to believe this is part of the fulfillment of this scripture.

The tornado in Lubbock has been a terrible thing, but it is nothing to compare to the fullness of the wrath of God that is to be poured out on the Christ rejecting world, in these last days. The Bible prophecies warn us of it, over and over again. But we find in Zephaniah 2nd Chapter 2 and 3 these words:

"Before the decree bring forth before the day pass as the chaff, before the fierce anger of the Lord come upon you, before the day of the Lord's anger come upon you Seek ye the Lord, all ye meek of the earth, which have wrought his judgement; seek righteousness, seek meekness: it may be ye shall be hid in the day of the Lord's anger.

The name of the Lord is still a strong tower, the righteous can still run into it, and be safe. Proverbs 18:10.

God has said, in his word, that he will hasten his word to perform it. Jer. 1:12.

Let us dare to believe and stand upon it.

Spray Pecans Against Casebearer

May 19th, 20th, and 21st will be the time to spray for the casebearer as a general recommendation for Coryell County said Don Callahan, County Agriculture Agent. There is a great potential for a good crop of Pecans in Coryell County this year. The crops is equal to or past the 1968 pecan crop in Coryell County.

The Pecan Nut casebearer is the number one insect that destroys the major part of a pecan crop each year.

Correct timing using of the recommended insecticide and getting the insecticide around the nut cluster are the three most essential things in control of the pecan nut casebearer.

The insecticide most recommended for the control of the casebearer are Sevin 80% Wettable powder 2 pounds per 100 gallons of water, Parathion, 2 pounds of 15% wettable powder per 100 gallons of water. If Parathion is used to not allow livestock to graze until 15 days after application.

Guthion - 1 1/2 pounds of 25% wettable powder per 100 gallons of water. Do not allow livestock to graze until 21 days after the application.

Guthion gives very good control where there are no livestock being grazed in orchard said Callahan.

The use of Sevin will allow a build up of aphids which causes honeydew in trees in the fall.

gatesville at a glance

by sally jund

WE'LL JUST WAIT A WHILE LONGER...It looks like we Gatesville Public Library patrons will wait a bit longer to enter the new building in the 800 block of Main Street. It seems there has been a mix-up in shelving which will postpone the opening temporarily.

Don't fret about the wait because according to Mrs. Albert Rosser, librarian, the new facility will open doors this week if new schedules are met in shipping. So hold on then—we'll have a library to "beat the band soon!"

GATESVILLEITES VISIT IN OKLAHOMA...Mr. and Mrs. Harold Cohagan visited with former Gatesvilleites Mr. and Mrs. Bill Pettijohn in Chickshaw, Oklahoma recently.

The Cohagans traveled to Dallas May 9, to take Mrs. Dora Sanford to catch a plane for Georgia for a week's visit with her son. From Dallas, the Cohagans and daughter Wendy traveled to Oklahoma. The "Okie" Pettijohn and Harold Cohagan were stationed at Fort Sill together.

Harold, wife Jeanne and Wendy left Gatesville Wednesday for a short vacation in Corpus Christi. Also vacationing with the Cohagans were Sheriff Winfred (Windy) Cummings and wife Josie. After three days of coastal vacationing the Gatesvilleites returned home Saturday.

ANSWER THE HUMAN NEED...The killer tornado that brought Lubbock to its knees has left the citizens of that west Texas city in a massive rebuilding campaign. The devastation caused by the storm was ranked high in the list of natural disaster destruction in the history of Texas and the South. This city with 192,796 population is digging out of the rubble and debris that was hurled by the 100 mile an hour winds May 11.

The storm left 20 persons dead and over 300 injuries listed by the Texas Department of Public Safety. Property damages were tremendous and thousands of "Hub City" residents were left homeless. Inspectors estimated 430 homes destroyed, 432 homes with major damage and 662 homes with minor damages.

Shelters have been set up in Lubbock for the homeless and the people are in need of clothing. In answer to this need, the West Main Church of Christ in Gatesville has set up clothing the West Main Church of Christ in Gatesville has set up a clothing drive for Lubbock tornado victims and will leave Tuesday by plane for Lubbock with the donations. Take time this week end to go through your closets and box up some those useable clothes that you do not use. Let's help these people start again! Be sure to get the apparel donations to the church Monday-early please!

CAN YOU HEAR 'EM GROWIN'?...Most Coryell farmers and gardeners were elated to see Thursday night's rain that continued through Friday "quenching" the dry, thirsty soil. After the first hours of steady rain Thursday night folks at the Pounded Rosa could almost "hear" the beans growing in the garden! The city-girl-gone-country has seen another side of gardening (small scale). It occurred to me that the beans that were so much fun to plant early in the spring would grow fast! But I did not expect the little green pods to grow so fast nor did I expect to pick them an "inch" ahead of a down pour such as our Thursday night shower.

The boss, David and I were on our knees pullin' pods as if the next pod was our last. Sprinkles were "dotting" our shirts but the farmer Junds kept pulling. It was worth all the fuss Friday morning when I divided the beans among our friends at the NEWS and flower shop.

As for the rest of our garden, the tomatoes I "tried" so hard to wash away are growing like trees—well maybe not that big! At any rate gardening has proved to be fun and profitable. Plan to plant a garden of your own next year!

Something Special

Elegantly rich, English Toffee Refrigerator Dessert tops off the simplest evening meal to perfection. The crunchy crust made with corn flakes crumbs and nuts provides a taste-appealing texture contrast to the cool creamy filling. Delightfully easy to make, this dessert is something special frozen or chilled. A blend of butter, confectioners sugar and chocolate contributes to a chocolate toffee flavor sure to please your family.

- ENGLISH TOFFEE REFRIGERATOR DESSERT**
- 4 cups corn flakes OR 1 cup packaged corn flake crumbs
 - 1/2 cup butter or regular margarine, softened
 - 2 tablespoons sugar
 - 2 tablespoons finely chopped nuts
 - 1/2 cup butter, softened
 - 1 cup sifted confectioners sugar
 - 2 squares (2 oz.) unsweetened chocolate, melted
 - 1 teaspoon vanilla flavoring
 - 3 eggs

- If using corn flakes, crush into fine crumbs. Combine corn flakes crumbs, the 1/2 cup butter, sugar and nuts in 8 x 8 x 2-inch pan; mix well. Reserve half of crumbs mixture for topping; with back of tablespoon press remainder evenly and firmly in bottom of pan to form crust. Chill.
 - Measure the 1/2 cup butter and confectioners sugar into mixer bowl; mix on low speed until combined. Add cooled, melted chocolate and vanilla; mix well. Add eggs one at a time, beating on medium speed about 5 minutes after each addition. Spread evenly over crumbs crust; sprinkle with remaining crumbs mixture. Chill several hours until firm, or freeze overnight. To serve, cut into squares.
- Yield: 9 servings English Toffee Refrigerator Dessert, approximately 2 1/2 x 2 1/2 inches

BIRTHDAY SURPRISE FETES MRS. JONES...A small group of people were on hand early May 13, to see the look on Mrs. W. Mat Jones' eyes when we surprised her on her 57th birthday. Those surprising her were Johnny Jones, Vera Cohagan, Linda Cohagan, Nell Moore, Mat Jones, Jr., Pat Barnett and I.

The party table was covered (appropriately) with pot plant foil and the edge of the table was walled off by a row of 6 pot plants each with a card envelope bearing one of the letters M-I-L-D-R-E-D. Centering the table was a birthday cake and punch.

If you've never seen Mrs. Jones surprised, just feast your eyes on this photo! This was taken by Johnny Jones as Mom rounded the corner and saw the gala table and heard those magic words "Happy Birthday!"

HAPPY MOTHER'S DAY SURPRISE...Mrs. Frank Cohagan of Gatesville was surprised by a Mothers' Day visit with daughter Yvonne and husband Max Blansit of League City. Of course a special treat for Mrs. Cohagan was seeing her lovely granddaughter Lisa, 7.

Max, Yvonne and Lisa had been in Austin for the state school boy track meet. Max is track coach at Clear Creek High School in League City. Max's sister Merle Nizak joined the group at Austin. She flew in from Japan for a short visit with the Blansit's and her mother Mrs. Roy Blansit of Hamilton. Her husband Nickie and two sons Norman and Ricky remained in northern Japan. He is an ary career man stationed on that Pacific isle.

After their Hamilton visit, the Max Blansits came to Gatesville to spring the surprise on Mrs. Cohagan. The group enjoyed a Mother's Day morning together reminiscing and telling the latest family news before returning to League City.

For another Mother's Day treat Frank and Linda Cohagan took Mom to Lake Buchanan for dinner at the Buchanan Dam Restaurant. The group drove to Tow Valley on the lake and stopped by Pack Saddle Mountain Lookout and Burnett on the return trip.

Murrah Reunion Held At Pearl

Members of the Murrah family held a reunion April 25-26 at the Pearl Community Center and dedicated the gathering to their father and grand-dad, the late J.R. Murrah.

Relatives and friends attending included Mr. and Mrs. Raymond Lovell, Mr. and Mrs. Bill Lovell, David and Paul, Sonny Wylie and Wayne Ballard of Dallas; Mr. and Mrs. Dan Murrah, Ira Annand Kendra, Mr. and Mrs. Danell Murrah, Beckie and David of Belton; Mr. and Mrs. Jim Smith of Evant; Mr. and Mrs. James Murrah of Kirbyville. Also Mr. and Mrs. Cleburne Bynum, Mrs. Anna Smith, Mr. and Mrs. Vester Ballard, Mr. and Mrs. Raymond Leonard, Diane and Bill of Gatesville; Mr. and Mrs. Aubrey White; Mr. and Mrs. Bobby Gobbert, Rodeny and Jeffrey, Mr. and Mrs. Warren LeMaster, Brenda and David Borne of Fort Worth; Mr.

and Mrs. Fulton Cowart, Greg and Jane Ann, of Groves; Mr. and Mrs. Tommy Smith, Kelly and Jim Edd, of Duncanville.

Also, Mr. and Mrs. Wendell Smith, Leon, Lazane and Lynell, of Clifton, Mr. and Mrs. Joe Blakely, Mr. and Mrs. Howard Blakley and Joe II, Mr. and Mrs. Bertis Ballard, Mark and Tamara, of Pearl; Mr. and Mrs. David Goforth, Mark and Tim, of Garland, Miss Jean Lovell of Waco; Mr. and Mrs. Tom Cunningham and Todd, Mr. and Mrs. Lovell Murrah of Austin.

Also, Mr. and Mrs. Clarence Young and grandson, Dale Young, Mrs. Nettie Scarborough of Abilene; Mr. and Mrs. Ira Murrah and David, Mrs. Jack Hall and son of Brady; Mr. and Mrs. Alva Clay and Mr. and Mrs. Monroe Withers of Bee House; Mr. and Mrs. Earl Hampton, Mr. and Mrs. Ollie Bynum, Mr. and Mrs. Otha Medart, Mrs. Vera Whitt and Albert Freeman of Pearl; Conrad and Frank Upton of Izoro.

Miss McCoy - Larry Fry Plan June 12 Wedding

MISS DEBORAH MCCOY

Mr. and Mrs. Frank D. McCoy of Gatesville announce the engagement and approaching marriage of their daughter, Deborah Ann, to Larry Kenneth Fry, son of Mr. and Mrs. Kenneth R. Fry of Gatesville.

The bride-elect is a member of the Gatesville High School class of 1970. Miss McCoy has been a GHS majorette for two years and was a member of the Stingettes, GHS drill team, for one year.

Her fiance is a 1968 graduate of Gatesville High School and is currently employed as a horse trainer at the Flat "S" Ranch, in Whitney, R.T. Swellings owner.

The couple will marry June 12, at eight o'clock in the evening in the First United Methodist Church of Gatesville. Dr. J.W. Sprinkle of Temple, Methodist district superintendent will officiate. All friends and relatives are invited to attend.

Fidelis Class Hears Local Vocalist

Guest artist at the May meeting of the Fidelis Sunday School Class of the First Baptist Church held Tuesday night in Graves Fellowship Hall of the church was Mrs. Roy Robb music teacher at the Sycamore unit of the State School for Boys.

She sang three of her favorite hymns, "Fill My Cup Lord," "Follow Me" and "Precious Lord." She was accompanied by Mrs. Lloyd Mitchell at the piano. She then brought devotional thoughts on "The Missing Day" and sang favorite hymns of the members.

Mrs. Travis Meharg led in prayer and a salad supper

XI IOTA EPSILON OFFICERS— Elected to head the Xi Iota Epsilon chapter of Beta Sigma Phi during 1970-71 are (left to right) Mary Jo Arnold, president; Joyce Arnold, vice president; Inez Arnold, recording secretary; Carol Brim, corresponding secretary; Billie Voss, treasurer and Barbara Brown, civil defense officer. Not pictured is Extension Officer Joy Cummings. Outgoing President Catherine Healer installed the officers at the club's Thursday night meeting.

Xi Iota Epsilon Solemnizes Ritual Of Jewels

Xi Iota Epsilon President, Catherine Healer solemnized the sorority's Ritual of Jewels ceremony Thursday evening in the home of Corinne Erwin of Gatesville. Assisting in the ceremony were Betty Thrasher and Mrs. Erwin.

Pledges Billie Voss, Carol Brim and Inez Arnold received full membership to the local chapter which is affiliated with Beta Sigma Phi international social sorority, during the ritual of jewels. Each pledge was given a sorority pin and a yellow rose, the sorority flower.

As a token of the group's esteem for their 1969-70 president Mrs. Healer, Xi Iota Epsilon presented the past president a gavel for her sorority pin.

Byrd Ann Bromser was hostess for a social hour following the installation ceremonies. Refreshments of finger sandwiches, olives, po-

tato chips, cake squares, and coffee were served to Xi Iota members Catherine Healer, Betty Thrasher, Corinne Erwin, Inez Arnold, Carol Brim, Billie Voss, Barbara Brown, Byrd Ann Bromser, Mary Jo Arnold, Martha Ann Stevens, and Joyce Arnold.

Following the ritual, the sorority installed the 1970-71 Xi Iota Epsilon officers. The seven ladies who will head the group are Mary Jo Arnold, president; Joyce Arnold, vice president; Joy Cummings, extension officer; Inez Arnold, recording secretary; Carol Brim, corresponding secretary; Billie Voss, treasurer; and Barbara Brown, civil defense officer. Outgoing president, Catherine Healer presented each officer with a gift.

THE NEWS IS \$2 BUY IT!

NEW MEMBERS—Billie Voss (left), Carol Brim (center) and Inez Arnold (right) joined the ranks of Xi Iota Epsilon, local chapter and Beta Sigma Phi international social sorority, at Ritual of Jewels rites Thursday evening. The threesome were also installed into three of the club's executive positions. Mrs. Voss is treasurer, Mrs. Brim, corresponding secretary, and Mrs. Arnold, recording secretary.

Wallace's Kindergarten Holds Picnic

Mrs. C.H. Wallace's kindergarten class enjoyed an end of school picnic, Wednesday in Raby Park. Each child brought his sack lunch, and cold drinks were furnished by the hostesses. Helping Mrs. Wallace and her assistant, Mrs. Curtis Harvey, Mrs. Virginia Alexander, Mrs. Marcia Cochrell, and Mrs. Dolores Davis.

After lunch, the children enjoyed a few minutes of play before returning to school. Members of the class are: Jennifer Alexander, Randy Allen, Gena Arnold, Becky Arreaga, Mitch Ballard, Regina Cochrell, Greg Davis, Kermit Dixon, Trey Dyer, Melissa Gohlke, Jay Graham, Rexann Henson, Mark Healer, Mike Healer, Denise Johnston, Joey Kenworthy, Natalie Logan, Alex Lujan, Brent Manzum, Carla Medlin, Pam Mensch, Margaret Miller, Keith Moore, Timmy Ochoa, Curtis Pruitt, Keith Smart, Duane Sexton, Stacy Smith, Judy Sneed, Wanda Snider, Debbie Southerland, and Glenna Tilly.

The group is scheduled to graduate Friday morning, the 22nd of May.

Nine Area TSC Students To Graduate

Graduation at Tarleton State College has been set for 3 p.m. Sunday, May 17 in the Main Auditorium.

A record total of 192 students are candidates for the Bachelor of Arts, Bachelor of Science, or Bachelor of Music Education degrees.

State Senator J.P. Word of Meridian will be the commencement speaker.

Graduation candidates from Gatesville include: Billy Brookshire, Spanish; Cecil Dorsey, Jr., Physics; Robert Newton, Jr., Economics; Ronald Nichols, General Business; Margaret Powell, Elementary Education; Danny Pruitt, General Business; Carolyn Sutton, Mathematics; Martha Winslar, Elementary Education.

Linda Wehrmann of Oglesby is also a graduation candidate in general business.

Mr. And Mrs. R.L. Archley To Celebrate 50th. Year Of Marriage

Mr. and Mrs. R.L. Archley will be honored on their 50th wedding anniversary Sunday May 31, 1970, with an open house at their home four miles west of Evant (the old Boss Gordon place). Friends and relatives are invited to call during the hours of 2:00 to 4:30 p.m.

Hosts will be their children, Mr. and Mrs. J.D. Atchley, of Gatesville, Mr. and Mrs. J.D. Harper of Goldthwaite, Mr. and Mrs. Van Robinett of Grandview, Mr. and Mrs. B.W. Kinson of Fort Worth, and Mr. and Mrs. Jimmy Dale Atchley of Bonham.

RECEPTION
MAY 31st

Salado Luncheon Fetes 13 Seniors

Thirteen of Gatesville High School's 1970 candidates for graduation were guests of honor Saturday, at a luncheon at the Stagecoach Inn in Salado.

Mrs. Hy Davidson and daughter Hian were co-hostesses at the affair.

The luncheon table was centered with an arrangement of yellow pom pom chrysanthemums. Places were marked with monogrammed ring holders. The hand-shaped jewelry caddies were gold with the guest's name and "70" in black.

The menu consisted of an appetizer, fruit salad with poppy seed dressing, chicken sauté plate, strawberry pie and tea.

Seniors honored were, Paula Martin, Donna Fry, Susan Carathers, Brenda Proch, Kathy Lee, Debbie Alexander, Pam Duncan, Joy Brookshire, Honeybear Perryman, Patsy Baize, Margo Veasey, Marilyn Baize and Margaret Hopson.

Miss Holland And Gary Paxton To Exchange Vows In July

MISS PAMELA HOLLAND

Mr. and Mrs. Herman Holland of Kountze announce the engagement and approaching marriage of their daughter, Pamela Kay, to Gary Lee Paxton, son of Reverend and Mrs. Bobby Paxton of Dublin, formerly of Gatesville.

Miss Holland, who will be a May graduate of Kountze High School, is the reigning Miss Kountze of 1970.

The wedding will be at 4 p.m. July 11, in the First Baptist Church of Kountze with Reverend Edgar McNeely, pastor of Gatesville's Bridge Street Baptist Church and uncle of the bride-elect, as officiant.

The couple will make their home in Gatesville where Mr. Paxton is now managing the KCLW radio station.

Jaycee Wives Make Plans For June Rodeo Float, Flags

Plans concerning the Jaycee Rodeo were the main order of business at the May 13, meeting of the Jaycee Wives.

President, Billie Blanchard conducted the meeting which was held in the Jaycee Office.

The women made plans for their Jaycee Wives float to be entered in the June rodeo parade. They also plan to sell rodeo flags to local business interested in displaying them to support the annual western event. Carol Brim will serve as float chairman for the club and gate chairman for the rodeo will be Jeanne Hayes. A dance to be held after each nightly performance, Delores Thorp will serve as concession chairman.

Other business included discussion on selling centennial flags to raise money for the centennial fund and the May 14, 15, and 16 volleyball tournament at which the wives had charge of the concessions.

Cold drinks and cherry pie were served to new members Belva Rhodes, Yvonne Strickland, and Sharon Dyer and members Jo Lynn Jackson, Carol Brim, Pat Jones, Sue Burdette, Pat Henson, Phyllis Rhodes, Delores Thorp, Jeanne Hayes, Barbara Lynch, Betty Warren, Linda Ament, Gerrie Kennedy, Sandra McHargue, and the hostesses Donna Allan and Billie Blanchard.

Gerrie Kennedy will be hostess for the next meeting.

Between the time Julius Caesar introduced leap year in 45 B.C. to correct the calendar and the late 16th century, the calendar gained about 10 days. To rectify the error, Pope Gregory XIII decreed in 1582 that the day following October 4 should be designated October 15—instead of October 5.

BUSY AT WORK—Jo Lynn Jackson (left) and La Rue Sullivan (right) are two hardworking representatives of the Jaycee Wives Club. The club operated concessions at the Gateville Volley Ball tournament here Thursday, Friday and Saturday nights.

The civic organization is also raising money for the centennial fund by selling centennial flags.

Mrs. Henson Hosts Lydia Class

Members of Lydia Sunday School Class of First Baptist Church gathered Tuesday evening in the home of Mrs. Rebel Henson for their May meeting. Serving as co-hostess with Mrs. Henson was Mrs. Raby Smalley. The devotional was given by Mrs.

Eula Box.

Attending were Mesdames: E.C. Bauman, Joe Bob Williams, William Goodrich, Homer Davis; Rayburn Crawford, Bill Floyd, Buddy Powell and Orand D. Bates, teacher; and the hostesses.

Callahan, Melbern To Get A&M Degrees

MISS AMERICA JOINS FIGHT

Beautiful Pamela Anne Eldred of Birmingham, Michigan, crowned Miss America of 1970, holds the Sword of Hope—symbol of the AMERICAN CANCER SOCIETY—to remind everyone to support the Society's 1970 Crusade which raises funds for Research, Education and Service.

Two Gatesville students are among 1,526 degree candidates who have applied for spring graduation at Texas A&M University, announced Admissions Dean H.L. Heaton.

Heaton said the May graduating class includes 389 students seeking advanced degrees, Ph.D. candidates total 122 and 389 filed for master's degrees.

Baccalaureate degree candidates include 1,137 seniors. Commencement exercises will be conducted May 23. Degree candidates from Gatesville are: Don Wallace Callahan, master's in agricultural education, of 203 N. 29th; and William Edward Melbern, B.S. in animal science of Rt. 3.

COME AND GET EM. The Fish and Wildlife Service of the Department of Interior distributed 4505 large mouth black bass to 41 landowners in Coryell County Friday. Don Allison (at right) checks off the list of landowners and the quantity of fish required to stock each pond. Walter Krempin is awaiting his share of the little fish as David Hix pours up the fish in a small measuring cup.

SWINE PRODUCTION EXPANDING IN THE SOUTH PLAINS OF TEXAS

Swine production is expanding rapidly in the South Plains according to an article in the May issue of Texas Agriculture, official publication of the Texas Farm Bureau. The South Plains has traditionally been a two-crop area, producing mainly cotton and grain sorghum. Written by Editor Virgil Yarbrough, the article quotes Dr. Gilbert Hillis, area swine specialist at the Texas A&M Agricultural Research and Extension Center at Lubbock as saying that prognosticators predict that 40 percent of the total production of swine in the state will be on the High Plains by 1975.

Marvin O. Sartin, farm management specialist at the Research and Extension Center, attributes the growing interest in swine production in the area to the abundance of grain sorghum produced there, the relatively bleak outlook for cotton, and the favorable price of hogs for the past couple of years, according to the article.

Texas Agriculture points out that there is a tremendous market potential for hogs in Texas. In 1969, a total of 1,496,000 head were produced in the state, and about 6,000,000 head were consumed. So Texas is producing only about 25 percent of the pork consumed in the state.

The publication states that only 5.4 percent of the total grain production of the state was marketed through hogs in 1969. Although an increasing amount of locally-produced grain is being fed to livestock

the state is still exporting grain and importing slaughter hogs and packaged pork.

Specialists foresee a continued trend toward larger, more specialized pork production units and more confinement operations going in on a corporation basis. Minimal investment in physical facilities and equipment for a partially confined farrow to finish system is in the neighborhood of \$600 per sow unit. Utilizing more sophisticated equipment and adding the investment in the breeding herd could run these costs as high as \$1,000 per sow unit, Texas Agriculture explains.

The total cost of producing pork is somewhere between 19¢ and 20¢ per pound, and hogs have been selling in the area at around 27¢ and 28¢ per pound leaving a comfortable profit margin.

Yarbrough visited two of the newer installations on the South Plains and describes them in the article. They are the operations of the Plainview Pig Producers, Inc., of Plainview and the Brownfield Swine Producers, Inc., near Brownfield. The Plainview facility will produce 40-pound feeder pigs to be fed out by local feeders, while the Brownfield plant is a farrow to finish operation. When completed, the Plainview Pig Producers, Inc., production center will have a capacity 400 sows. Brownfield Swine Producers Inc., now has 120 sows and will grow a 600-sow plant. Both are totally confined, disease free installations.

GATESVILLE

RIDING CLUB

Several Riding Club families went to Valley Mills for a Play Day Friday night. Those winning trophies were Beverly Bankhead, 1st in 12 and under Western Pleasure; Randy Whittenburg, 1st in 12 and under Straight Away Barrels, 1st in 12 and under Goat Hair Pulling, 4th in 12 and under Cloverleaf Barrels, and 4th open Straight Away Barrels; Billy Jack Bankhead, 4th in 12 and under Western Pleasure, 6th in 12 and under Cloverleaf Barrels, 4th in open Pole Bending; Terri Bankhead, 6th in 12 and under Goat Hair Pulling, 4th in 12 and under Cloverleaf Barrels, 4th in 12 and under Western Pleasure, 6th in 12 and under Cloverleaf Barrels, 4th in open Pole Bending; Terri Bankhead, 6th in 12 and under Goat Hair Pulling, 4th in 12 and under Cloverleaf Barrels, 4th in 12 and under Western Pleasure, 6th in 12 and under Cloverleaf Barrels, 4th in open Pole Bending, 4th in 12 and under Goat Hair Pulling, 4th in 12 and under Cloverleaf Barrels.

Nixon Declares World Trade Week

Harry C. Meyres, Director of the Dallas Field Office for the U.S. Department of Commerce today released a copy of a telegram received from President Richard Nixon, designating the week beginning May 17th as World Trade Week.

The telegram from the White House stated: "World Trade is a major stimulus to international understanding and to economic growth--in our nation and in other nations of the world. Both the peace and the prosperity of our planet will be considerably enhanced in the 1970's by a continuing expansion of international trade. "The United States can contribute to that expansion in several ways. We must be sure that our industries and businesses are ready and able to compete in international markets. We must continue to develop trade policies such as I outlined in a message to the Congress last fall. And we must also be sure our entire economy is as strong and as sound as possible. "Now, therefore, I, Richard Nixon, President of the United States of America, do hereby proclaim the week beginning May 17, 1970 as World Trade Week, and I request that appropriate federal, state and local officials cooperate in observing that week.
