Operators at Walls Industries Inc. in Gatesville are producing the children's western suits pictured at right above. The new line began a skeleton recently and presently 13 operators are working on the little western outfits. Estimates are that between 30 and 40 operators will be needed on the new line.

Walls Plant Now Building New Product Line Employing 30

Walls Industries Inc. has begun an expansion program with the addition of a new product at the Gatesville plant. Plant manager, Bob Vidler, explained today that a children's western suits production line is being developed. The suit is not a new item in the Walls clothing line but it is new to the Gatesville plant.

In 1969 Walls expanded their physical plant to double its original with plans to add new machines and products. Employment has followed the plant's expansion over the last two years and presently 120 persons are employed at the plant.

Vidler presently has 13 employees working on the western suit production line and he estimates the line will require between 30 and 40 employees in full production. The Gatesville plant is installing machines for the new line presently.

McGoogan Now In Thailand With Air Force

U. S. AIR FORCES, Thailand--U. S. Air Force Sergeant John M. McGoogan, son of Mr. and Mrs. B. G. McGoogan, Junction City, Ark., is on duty at Udorn Royal Thai AFB, Thailand.

Sergeant McGoogan, a navigation equipment repairman, is assigned to the 432nd Avionics Maintenance Squadron, a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and Pacific area. Before his arrival in Thailand, he served at Shaw AFB, S. C.

The sergeant is a 1963 graduate of Irvin High School, El Paso, Texas.

His wife, Mary, is the daughter of Mr. and Mrs. J. D. Atchley, 1210 E. Main, Gatesville, Texas.

Good Dove Season Expected For Coryell

The signs of Fall and cooler weather are Labor Day, the "opening kick-off" and hunters searching the skies for doves.

Dove Season is the first sign to appear and hunters start preparation for the season weeks in advance. Wildlife manager, Jerry Noles, is looking for a good dove season. "We have a good dove population at present," says Noles.

Prior to last week's showers, Noles said rain would scatter the doves. The light

rains last week probably did little to scatter the doves.

Noles said that most doves were in the farming areas of the county with ranch lands showing less population.

This year's bag limit is 10 per day with 20 doves in possession. All shot guns must be plugged to three shell capacity. Hunting licenses are needed for hunters who are hunting outside of the county of their residence. It is against the law to hunt from a motor vehicle or from a public roadway.

Noles reminds hunters "to be sure and check with landowners before hunting" another person's land.

Deer season opens Saturday, November 14, at 30 minutes before sunrise. Coryell County deer are in good shape, reports Noles. A good fawn crop with an unusual number of twin fawns is an indication of the coming season.

Rain will be necessary in the next two months to make deer season a success.

No Complaints As Rain Breaks Hot And Dry Temp Chain

Few complaints (if any) were voiced Thursday and Friday as Coryell County got a break from the long chain of century mark temperatures. The only gripes might be that there wasn't enough of the "wet stuff" to suit some. Particularly thankful were farmers growing their grazing grasses.

According to our local weather reporters, the F. F. Currys, on Thursday .02 inches of rain were recorded with a temperature high of 90. The last recorded amount of rain had been .02 inches on August 4.

The temperature drop has also been one of the most welcome reliefs. The Currys' report shows August has had its share of 100 plus temperatures.

This month's temperature table records these 100 degree days:

August 1----101 degrees
August 2----100 degrees
August 3----101 degrees
August 6----100 degrees
August 7----102 degrees
August 8----101 degrees
August 9----101 degrees
August 10---103 degrees
August 12---100 degrees
August 13---101 degrees
August 16---101 degrees
August 17---101 degrees
August 18---101 degrees

Through August 21st, there have been these 13 days with temperatures of 100 degrees or more. According to the Currys, several other days have hit right on the 98 or 99 degree mark.

Maybe the rain is a forecast of more to come soon as fall approaches.

"Shop Early" Ditty Bag Program For Vietnam In 5th. Year

The Vietnam Shop Early 1970 program is one way that Americans can indicate their support for our men and women overseas. Red Cross volunteers will begin Christmas shopping this month for the production of gift-filled Ditty Bags to be given to

each American serviceman and woman in South Vietnam next Christmas.

This is the fifth year the Coryell County Chapter of the American Red Cross has participated in the project in which ARC chapters throughout the nation assist. Our chapter has been asked to contribute 125 bags for the 1970 program.

Mrs. Antonee B. Rogers, Executive Secretary of the local chapter, is encouraging community organizations, religious groups, business firms and individuals to help in gathering of items needed to fill the drawstring bags which are being made by the women of St. John's Lutheran Church at Coryell City. Cash contributions are welcome and other volunteer workers will be needed to help fill and pack the bags.

At least 8 items are selected for inclusion in each bag for use by the recipient. Among the items needed by service personnel are ball-point pens, pen-sized flashlights with batteries, small pen knives, windproof-type cigarette lighters with accompanying package of lighter flints, plastic soap case, SMALL package of writing paper with self-seal envelopes, SMALL address book, plastic toothbrush holder, nail clipper and file, plastic cigarette case, comb, mailing size voice tapes (reels of 3" tapes - 150" length), small plastic snapshot holders, small kitchen size and sandwich type plastic bags (minimum of 3 - not wax paper type), pocket games (small enough to put in pocket or plastic bag - pinocle is especially popular), pocket or diary-type calendars, "Wash & Dries" pre-moistened towelettes and "C"

Four Gatesville Students Receive NTSU Degree

DENTON,--Four Gatesville students were among 1,236 students from 36 different states receiving degrees at summer commencement August 15 at North Texas State University.

Conferred were 750 bachelor's degrees, 444 master's and 42 doctor's degrees, including the first doctor of philosophy degrees ever awarded by NTSU in history and physics.

Edwin Darrell Dorsey received a doctor of philosophy degree in chemistry. He is the son of Mrs. W. A. Dorsey, Route 2, Gatesville.

Gatesville students receiving master of education degrees were Mrs. Bennie Belle Hansson (elementary education), W. K. Trammell (guidance), and Randall Douglas White, son of Mrs. Juanita Trantham (secondary school supervision).

County Tax Roll Increased To \$24 Million For 1970

Another record tax valuation of \$24,234,296 was recorded by the county for 1970. The just over 4% increase includes all new improvements for the past year and other

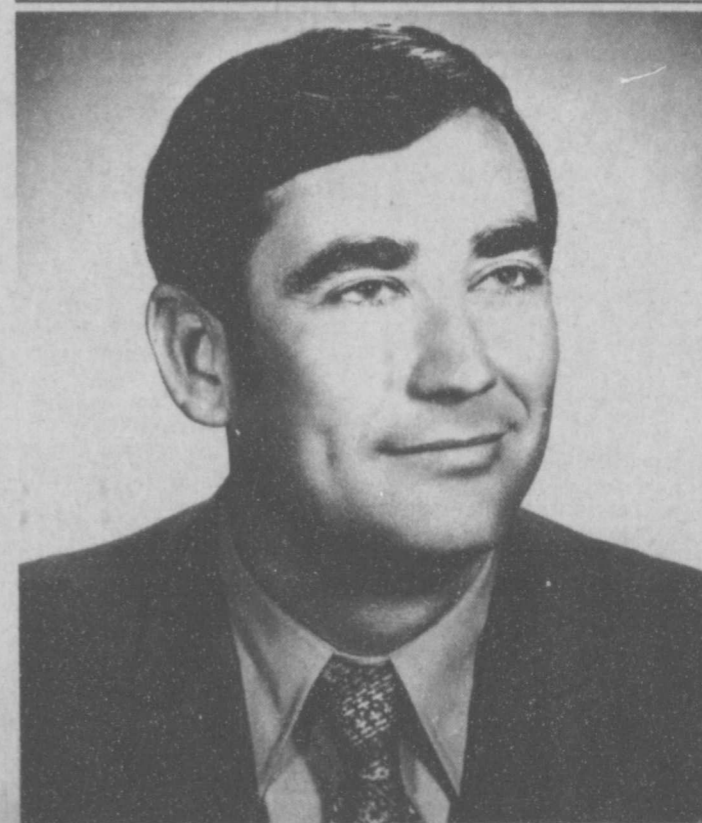

re-evaluations. County Tax Assessor-Collector, Jack B. Whigham noted that the 1,093,445 increase in the tax roll actually created \$10,387.72 in taxes.

"The upward evaluation figures represent natural growth in our county and an increase on utility companies of approximately \$100,000" noted Whigham.

Last year's \$23,140,851 tax roll provided the county with \$219,851.18 in county ad valorem tax revenue. Whigham estimated that the 1970 tax roll would return approximately \$230,000.

Whigham noted that actual property receipts had jumped over 1500 receipts over last year. He is expecting his office to make up 10,500 receipts to complete the roll. Copperas Cove has contributed heavily to this increase in receipts with trailer parks and other rapid growth of that area.

The only major reductions in tax evaluation resulted from the disastrous fire that destroyed the Coryell County Cotton Seed Oil Mill. The firm was on the rolls at approximately \$50,000 prior to the 1969 fire.

CHAMBERS

Chambers Promoted To Division Manager

Bob Chambers, formerly of Gatesville and son of Mr. and Mrs. Otis Chambers, has been promoted to Western Division Manager for Dr. Pepper Company in Dallas last week. R. L. Stone, vice president-sales for Dr. Pepper Company, said Chambers was being elevated to the new post as a result of his outstanding performance as a zone manager for the company. He will be in charge of a large Western area and responsible for franchise bottler development according to the company official.

Chambers attended school in Gatesville and moved to Waco in 1961 to work as a route salesman for the Dr. Pepper Bottling Co. in Waco. A year later he joined Dr. Pepper Company as a national merchandiser. In 1963 he was promoted to zone manager in the Western Division.

His wife is the former Mary Moseley, also of Gates-

ville. The couple have two children, Robert Jr., and a daughter, Cara Michele. They maintain their home in Fremont, California.

Appraising Firm Will Estimate Cost

A representative of a Dallas based tax appraising firm will be in Gatesville in the near future to investigate the cost aspects of the Gatesville School's tax roll.

Superintendent L. C. McKemie, under orders by the school board, contacted the firm school board following the August school board meeting. McKemie noted this week that several firms have been contacted concerning the effort to equalize taxes.

McKemie noted that it will take from two to three weeks to receive a cost estimate on the project. He indicated that appraising firms must investigate the tax structure from end to end before pricing their work. No definite cost estimates are expected

Pool Will Remain Open Through September 7

Gatesville's public swimming pool will remain open through September 7, announces pool manager, Jo Lynn Jackson.

Hours of operation will be 3 p.m. to 8 p.m. weekdays. Weekend hours will be 12-8 p.m. Saturdays and 1 p.m. to 9 p.m. Sundays.

CANDIDATE AND INTERN--Congressman George Bush meets with Sara Nelle Lowrey of Gatesville, a student at the University of Texas in Austin, during the final week of a six week program designed to involve students more in politics. Thirty students from 17 colleges across the state participated in the political intern program sponsored by Rep. Bush. The interns learned about different aspects of campaigning at the Bush for U. S. Senate campaign headquarters in Houston, and learned grass roots campaigning first hand during three bus tours throughout the state.

The 30 interns were selected from 100 finalists who were interviewed by Bush for Senate staff members. They began their six-week program, which was designed to provide comprehensive training in all aspects of a statewide political campaign, July 6. Miss Lowrey, a 1968 honor graduate of Gatesville High School, is the daughter of Mr. and Mrs. O. W. Lowrey, 406 Grandview Road in Gatesville.

Bruised B-Teamers...The Hornet varsity defense blast through the B-Team offense in the above picture in two-a-day practices last week. The Hornets completed their twice daily work-outs Friday and Saturday night the annual intersquad scrimmage attracted a large crowd.

The Hornets had no significant injuries during the opening week of practice.

Newt Shelton Dies In Local Hospital

Robert Newton (Newt) Shelton, Coryell County native, died August 18, in Coryell Memorial Hospital.

Funeral services were held Thursday in Scott's Chapel. Reverend Tommy Shelton officiated. Burial was in Restland Cemetery.

Mr. Shelton was born February 11, 1885 in Coryell County. He resided in the Seattle Community until moving to Gatesville in 1953. He married the former Effie Belle Glass, November 15, 1903. She precedes him in death. Mr. Shelton was a member of the Baptist Church.

Surviving are one son, Dick Shelton of Gatesville; one daughter, Mrs. Lydia Wolff of Gatesville; six grandchildren; 19 great-grandchildren; 4 great-great-grandchildren; and one sister, Mrs. May Jones of Lueders.

Palbearers were Andrew Powell, Les Shelton, Polk Shelton, Life Shelton, Otto Wolff, Beeman Moore, Sibyl Price and H. C. Galloway.

Former Gatesville Man Killed In Auto Crash - Burial In Evant

Funeral services for Arvin Mark McDonald, 24, of Irving, were held at 2 p.m. Friday at Compton Waltrip Chapel with Rev. Edgar Palser officiating. McDonald, a former Lorena resident, was killed in an automobile accident Wednesday. Grave-side services were at 4 p.m. in Murphy Cemetery at Evant.

Mr. McDonald died instantly in the three-car collision at Lewisville, northwest of Dallas. His father, Arvin McDonald, was injured in the crash and was listed in poor condition Thursday in Flow Memorial Hospital in Denton. The two were the only occupants of the car.

The accident victim was the brother of Lois McDonald, one of the two Lorena High School students killed April 5, 1967, in an auto-train collision at Lorena.

Mr. McDonald attended elementary school in Gatesville and was graduated from Lorena High School. He attended Baylor University before entering the military service. He served two years with the Army, including a 13-month tour of duty in Vietnam. At the time of the accident he was employed with his father, a surveyor for the state. He had planned to return to college this fall.

Survivors are his parents, Mr. and Mrs. Arvin McDonald of Irving; one sister, Miss Annette McDonald of Irving; his paternal grandmother, Mrs. Beatrice Pevehouse of Gatesville; and his maternal grandfather, Buster Squyres of Hamilton.

Levita-Ater Reunion Set For Sept. 6

Sunday, September 6, the Levita-Ater reunion will be held at Faunt Le Roy Park in Gatesville. Dan Coward is this year's president. He has a fine program planned. There will be live music, singing, and awards presentation. Everyone is urged to bring basket lunch, enough for your family. There will be barbecue for those who wish it, especially for those who have to travel a long distance and are unable to bring meat. Ice, cups, plates etc. will be furnished.

Mr. Coward suggests that those of you who have your own folding chairs, bring them, along with pallets for the children. There is a lot of shade and we want you to be comfortable and enjoy the day.

Awards will be given to the following: Oldest man present, Oldest lady present, youngest baby present; the largest immediate family present; and the family who traveled the longest distance to attend the Reunion. So, get grandma and grandpa and all the young 'uns and come on down for a great day of fellowship. If you have a musical instrument and can play, bring it along, the Ament & Richardson boys will be there and welcome you to join them.

Double Ring Ceremony Unites

Miss Peggy Cullar And Billy Mack Vaden

Miss Peggy Ruth Cullar and Billy Mack Vaden exchanged wedding vows Thursday evening, August 20, in the Eastwood Baptist Church of Gatesville. Reverend Joe Broadway, pastor, performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Joel C. Cullar of Gatesville. Parents of the groom are Mr. and Mrs. Max Vaden, also of Gatesville.

A mass arrangement of white gladioli centered the nuptial scene. Flanking the arrangement were two golden tree candelabra each holding seven slender white tapers. Two baskets of white gladioli stood at each side of the baskets and defined the altar scene.

Miss Joan Sayetta of Gatesville was organist at the ceremony. Soloist Elizabeth Brown sang "O Perfect Love"

"The Wedding Prayer" and "Ava Maria."

Escorted to the altar on the arm of her father, the bride wore a formal gown of white satin. Appliques of lace and pearls edged the A-line skirt, the point of the sleeves and the neckline. Her cathedral train was attached at the waistline with a bow. Lace appliques dotted with pearls accented the train. A flower fashioned of lace and pearls held the bride's veil of illusion edged in lace. She carried a cascade bouquet of feathered white carnations centered with a white carnation corsage. Long white satin streamers accented the floral creation.

Miss Diane Schoenewolf was her cousin's maid of honor. Alice Buckner and Ronda Beck, both of Gatesville, were bridesmaids. They wore formal gowns of turquoise bro-

cade in an empire silhouette. A turquoise brocade sash tied in a bow in the rear to define the high waistline. The gowns featured a round neck and puff sleeves. For headpieces the attendants wore wide turquoise brocade bows holding turquoise tulle. They carried colonial bouquets of white carnations.

Miss Terri Adcock of Moody, cousin of the groom, was flower girl. She wore a formal gown matching those of the attendants.

Robert Farrell of Gatesville attended the groom as best man. Groomsman were Larry Dean Bynum and Kenny Gaston, both of Gatesville. Bobby Hahn of Gatesville and Dennis Rabble of Coryell City ushered the guests. Allen Cullar of Gatesville, brother of the bride, was ring bearer.

Parents of the bride were hosts at a reception for the newlyweds in the church fellowship hall. A white lace cloth over a turquoise undershirt draped the reception. A silver candelabrum holding three slender tapers and accented with white satin streamers, centered the table. To one side of the table stood a three tier wedding cake topped with the traditional bride and groom figurines and adorned with turquoise accents. Punch, mints and nuts were also served by members of the houseparty which included Mrs. Jim Hayes, Mrs. Cecil Strickland and Miss Melba Ivy. The bridesmaids bouquets added a floral touch to the decor.

A white lace cloth draped the registry table which held the bride's book and pen. Mrs. W. E. Mangum presided at the registry.

Miss Linda Cullar, sister of the bride, distributed the rice bags.

Following a wedding trip to New Mexico, the couple will be at home in Gatesville.

The bride is a 1970 graduate of Gatesville High School. She is employed at Perry Brothers Variety Store. The groom is owner and operator of Gatesville Radiator Shop. He received his degree from Gatesville High School in 1965.

Out-of-town guests were Ed Schoenewolf and family of Fort Arthur; J. A. Cullar and G. B. Cullar of Waco; Mrs. J. A. Vaden, Mrs. W. P. Brown, Elizabeth Brown, Mr. and Mrs. Bruce Carlisle, all of Moody; Mr. and Mrs. Winfred Black and family of Temple; Mrs. W. E. Ayers of The Grove; and Mrs. Ruby Dyer of Nacogdoches.

Miss Elizabeth Courtney Is Bride

Of Charles Brent Gilmore

Miss Elizabeth Rose Courtney and Charles Brent Gilmore solemnized nuptial vows Friday, August 21, in the Jonesboro Baptist Church, Reverend Bruce Corley of Ft. Worth, pastor, officiated at the 8 p.m. double ring ceremony.

Mr. and Mrs. Frank King Courtney of Jonesboro are parents of the bride. The groom is the son of Mr. and Mrs. Von Gilmore of Turnersville.

Mrs. Paul Foote of Jonesboro provided nuptial organ music at the ceremony. Soloist, Mrs. Bruce Corley of Ft. Worth sang "The Wedding Prayer".

The bride, given in marriage by her father, chose a formal gown of white lace over peau de soie. The gown,

fashioned in the fitted silhouette, was covered entirely with touching horizontal bands of crisp white lace. Tiny satin covered buttons dotted the front of the bodice from the high Victorian collar to the wide satin band which defined the natural waistline. Long, slender sleeves ended in bell cuffs at the wrists. From a bow in back, her train of white peau de soie fell in cathedral fullness. For a

headpiece, the bride chose a shoulder length lace mantilla. She carried a cascade bridal bouquet of white carnations encircling a white orchid corsage. White satin streamers fell from the floral creation.

Mrs. Kay Stampler of Jonesboro was her sister's matron of honor. Bridesmaid was Mary Courtney of Jonesboro, cousin of the bride. They wore identical street

length dresses of aqua blue silk chanting. The empire dresses featured a V-neckline edged in ruffles and short sleeves. Their headpieces were light aqua silk organza bows accented with deep aqua flowers. They carried old fashioned bouquets of long-stemmed salmon pink gladioli accented with long, aqua streamers.

Flan Nichols of Turnersville attended the groom as best man. Earl Courtney of Jonesboro, brother of the bride was groomsman. Candelighters were Jimmy Gilmore of Dallas, cousin of the groom, and Cris Necessary of Jonesboro. John Courtney of Cranfills Gap, brother of the bride, and Larry Pruitt of Turnersville ushered the wedding guests.

Parents of the bride were hosts at a reception in the church parlor following the ceremony. The reception table, laid with a white lace cloth, was centered with the bridal bouquet. Two crystal candelabra holding two slender white tapers stood at each side of the bouquet. Fruit

punch was ladled from a crystal punch bowl at one end of the table and a three tier wedding cake topped with a bride and groom figurine was served. White roses adorned the confection. The attendant's bouquets added a touch of color to the table. Mints and nuts were also served.

Members of the houseparty were Misses Ponie Holden, Jo Ann Watson and Patti Moore. Mrs. Martha Courtney, sister-in-law of the bride, registered the guests. The registry, draped in a wheat, cutwork cloth, held the bride's book, pen and an old fashioned hat of aqua satin filled with the rice bags.

After a short wedding trip, the newlyweds will live in Arlington.

The bride is a 1970 graduate of Jonesboro High School. She studied liberal arts at Tarleton State College.

The groom, a 1968 graduate of Jonesboro High School, will be a junior engineering major at the University of Texas at Arlington.

Miss Little And Guests Attend Ball

The Waco Symphony Belles will wound up a year's activities Friday evening with the annual Symphony Ball at Ridgewood Country Club. Theme for the ball was "Walk on the Dark Side of the Moon."

Miss Janet Little of Gatesville was among the forty Symphony Belles represented at the affair. Miss Little, daughter of Mr. and Mrs. Ollie Little of Gatesville was presented as a belle in March during a performance of the Waco Symphony at Waco Hall. Her escort at the ball was Reggie Schoenewolf.

Guests of Miss Little attending the formal ball which featured the Playboys of Edinburg, were Jeanette Davidson and escort Paul Stone and Cindy Easley and escort Larry Humes, all of Gatesville.

The Symphony Belles are high school seniors who are daughters of patrons of the Waco Symphony. Former belles of Gatesville are Miss Kathryn Lowrey, daughter of Dr. and Mrs. E. E. Lowrey and Sara Nelle Lowrey, daughter of Dr. and Mrs. O. W. Lowrey.

The group is under the sponsorship of the Women's Council of the Waco Symphony. Symphony belles are dedicated to finding patrons for the symphony and serving in various ways during the symphony season.

MRS. CHARLES BRENT GILMORE

★ Giance continued...

I took great pride and confidence
And tried to make a dress
But soon with nerves all shattered,
I found I'd made a mess.

I sewed and ripped and ripped and sewed
Weeks, maybe, I didn't count
My work complete, I viewed my dress,
The seams were all worn out.

I tried to do the laundry
To save and earn those rings,
But it cost instead of saving
I ruined so many things.

Now there's a moral to this story
For a brave and eager lass,
You just can't learn to be a wife
In a Hi-School Home-Ec. class.

VACATIONERS IN NEW MEXICO...Mr. and Mrs. J. C. Vann of Leon Junction, grandson Vance Lawson of Houston and Mr. and Mrs. Leonard Marshall of Gatesville spent a delightful vacation recently in the "Land of Enchantment"--New Mexico.

Enchantment was the word for the Gatesvilleites' trip through the beautiful vacation spots in that desert southwest country. Roswell, Ruidoso and Alamogordo were just a few towns and cities visited on the trip. In Alamogordo the group enjoyed a visit with the Reverend W. H. (Dub) Bryant family.

They continued their journey through Artesia and Carlsbad. Of course what trip to New Mexico would be complete without a visit to Carlsbad Caverns. All reported a wonderful trip and especially enjoyed the caverns!

GATESVILLEITES ENJOY BEACH AT SAN BENITO...The sound of sea gulls, surf and beach fun filled the ears of Coryellians recently when Mr. and Mrs. Lonnie McHargue of Mound, C. W. Marshall and Mr. and Mrs. Leonard Marshall of Gatesville visited in the home of Mr. and Mrs. Dewayne Williams of San Benito.

The beaches of San Benito, located in Texas' southern most county, Cameron, offer the tourist a vacation spot for countless hours of beach fun, deep sea fishing in the Gulf of Mexico and a semi-tropical climate perfect for sunning and swimming. San Benito is a part of the Brownsville and Harlingen vacation areas and has wildlife in abundance, museums of South Texas history and historical sights to take the visitor back in time to the early days of Texas.

Sight-seeing trips into Old Mexico proved to be especially interesting for the Gatesvilleites and shopping was a breeze for the ladies. The menfolk had their fun fishing at the many terrific spots along the Gulf coast.

The Gatesville residents reported the drive through the Corpus Christi area as not so pleasant. The damage from Hurricane Celia is evident all over the Corpus Christi area.

of the American housewife can be a difficult and demanding job filled with trials and tribulations in every phase of housewifing. Recently, I received a nice letter from Margaret Weaver of Jonesboro.

It seems my culinary catastrophes have reminded the Jonesboro resident of a poem she wrote years ago entitled "Lamentations of the Bride." I must say, Mrs. Weaver certainly has a knack for rhyme. Her poem depicts the novice homemaker, fresh out of high school homemaking. Read it and see!

LAMENTATIONS OF THE BRIDE

When I became a blushing bride
I knew each test I'd pass
Because all the things I'd need to know,
I'd learned in Hi-School Home-Ec. class

But soon 'twas time to settle down,
I faced life with a song,
I tried the things I'd learned in class
And boy! Did things go wrong,

My biscuits by the recipe
Should have gone way up high,
But mine, Oh, what a mess
They just seemed to set and fry.

My cake was doing very well
When I peeked in to see
I can't imagine why it fell,
I followed the recipe.

I made the bed in record time
And started for the door
I turned and looked and had to weep
The sheet was dragging on the floor.

With loving care I ironed his shirts
I tried to please that guy,
But they just never looked quite ironed
No matter how I'd try.

I'd iron the sleeves and then the back
And then the sleeves again
I'd wrinkle every place I'd ironed,
I just couldn't seem to win.
