

Seniors Discuss Problems, Air Needs For Decade '70

A group of nearly 50 Coryell and Gatesville Senior citizens attended the Gatesville Forum For Senior Citizens at the National Bank Civic Room Thursday.

Mrs. Gilbert Sawyer, president of the Coryell County Committee on Aging was in charge of the Forum which was held to formulate a list of needed changes to improve life during the retirement years.

Mrs. Sawyer divided the large group into study groups of five or six persons with a counselor to help the group in discussion and formulation of problems facing senior citizens.

The Forums at the local level are the first stages of the overall White House Conference on Aging set for November 28 to December 5, 1971.

The Central Texas Council of Governments "Focus on Aging" representative, Mrs. Tylee Smith, attended the session, noting that, "the Gatesville Forum is the first large group in our six county area to undertake the project." In the next two weeks, approximately 600 meetings will be conducted over Texas to determine the needs of senior citizens. Mrs. Smith noted that this was the first time the senior citizens had taken an active roll in the establishing of priority needs.

"In 1961, 800 persons attended the first White House Conference on Aging" said Mrs. Smith. At that time the Conference played a roll in the passing of legislation such as Medicare, Medicaid, increased social security and the establishment of a Texas Department to assist the state's senior citizens.

"The 1970 program will

seek legislation to provide for the country's senior citizens during the decade ahead," said Mrs. Smith. "A real effort will be made to get the actual views of the senior citizens through these forums," she indicated.

The Governor's Committee on Aging will conduct a statewide study of the problems in May of 1971 in preparation for the national conference.

Mrs. Smith noted that a major area of change sought by senior citizens will prob-

ably be tying social security benefits to the government's cost of living index.

The Forum in Gatesville was sponsored by the A&M Extension Service, H. D. Agent, Mrs. Wanda Brown, and the Coryell County Committee on Aging.

Results of the discussion session were made available by Mrs. Brown Friday with the priority need of senior citizens "a balance between income and expenditures."

Other needs listed according to importance are:

1. Health
2. Social life-Visitation, loneliness
3. Lack of transportation to doctor, grocery store, church, etc.
4. Legal assistance
5. Information on insurance, Medicare, Medicaid
6. Exemptions on Income Annuities
7. Recreation
8. Security from Exploitation
9. Housing adequate--at cheaper rates
10. Halfway homes

At the Forum For Senior Citizens Friday, the group pictured above was one of the six groups which helped formulate the local needs of the Senior Citizens. Pictured left to right are: Mr. and Mrs. Willard Simpson, Mrs. Ernest Pendleton, Mrs. Glenn Perryman, Mrs. Louie Powell, Mrs. Dixie Phillips, Mrs. Charles Wise and Mrs. Gilbert Sawyer.

Senior Citizens

Mrs. Gilbert Sawyer was in charge of the Gatesville Forum For Senior Citizens Friday. Pictured above, Mrs. Sawyer explained the procedures and purpose of the Forum on Aging. The group pictured above divided up into smaller groups to discuss problems and needs of elderly people of the Gatesville area.

ELKETTAS SPARKLE AT EHS HALF TIMES

ELKETTAS---Evant football fans are entertained at half-time with performances by the high school drill team. The girls, in their black uniforms, trimmed in gold, performed a pom-pom routine at Friday's game against Florence.

The Elkettes include (out front) Phyllis Adams, captain, (front row, left to right) Beverly Perkins, Bonnie Ochoa, Sandra Lee, Anne Adams, Vickie Cummings, Jan Green and Debbie Jones.

Back row (left to right) Pam Hamilton, base drummer; Frances Conner, Sharon Denvers, Deborah Conner, Donna Johnson, Debbie Faubion, Terri Haines, Kathy McArthur, Rene Conner and Kathy Fickel, drummer.

Friday night Evant bowled to the Florence Buffaloes 36-0 in a Class B game held at Florence.

September 25, the Elkettes host Blanket for their third game of the season.

"Let's Get It All Together"

Hornets Drop Second Straight Contest, Bulldogs Score Three Point Upset

A spotty offense and leaky defense spelled defeat for the Gatesville Hornets Friday night against the Marlin Bulldogs.

In a traditionally close ballgame, a first quarter field goal proved to be the winning margin for the scrappy Bulldogs as the final score read 16 to 13.

Coach Jack Moss reviewed the film on Saturday morning, noting Marlin used a 5-3 defensive alignment for the first time ever and the Hornets lost eight fumbles during the long evening.

Offensively, the Hornets never drove for a score as the fumble sickness interrupted each Hornet drive after a few plays.

The Hornets trailed 3 to 0 in the second quarter when Larry Moore picked off a David Daniels pass at the 30 yard line. The Hornets had not moved for a first down and with eight yards to go with Marlin in a "goal line" defense, the touchdown seemed a mile away.

On first down, Ronald Brown gained inches as Marlin rose up in defense of their goal.

Second down saw Jim Saunders quick pitch to Brown around right end and the eight yard race was on. Brown beat the Bulldog defense to the corner of the end zone and the Hornets had a 7 to 3 lead.

Marlin shocked the Hornets on the kick-off following the touchdown as Alvin Jordan slipped down the sidelines to the Hornet 10 yard line. Jordan appeared to have a touchdown, but referees ruled him out of bounds at the ten yard line.

On Marlin's first try to regain the lead, the Hornets stopped them cold for a 5 yard loss. On second down, Daniels tried to sneak through and managed three yards. Daniels carried again on third down around left end and only Billy Hord stood between Dan-

iels and "pay dirt." Hord met the ball carrier at the two yard line and the rugged cornerback stopped the play at that spot with a jarring tackle.

On fourth down, Daniels had to recover a loose ball at the three yard line and the Hornets had held.

Unable to generate an offense at that point, the Hornets kicked from deep in their territory. Marlin took charge at the Hornet 45 yard line late in the half.

On first down, Daniels gained nine yards and Myron Hardin picked up the first down at the Hornet 35 yard line on second down. Daniels threw a perfect pass to Carl Gude on second down for 36 yards and a 10-7 halftime lead.

The first half produced little for the Hornet fans to cheer about but the final score and game was still undecided.

The second half opened with Marlin giving up the ball after making a first down and then the Hornets' offense tried to get rolling. On fourth down and four yards to go at the Hornet 22 yard line, the Hornets went for the first down. Ray Ortega picked up all but one of the needed yards and Marlin took over in good field position.

Good fortune befell the Hornets on second down as Jim Smith gave Jordan an earthquake tackle and jarred loose the football. Moore alertly recovered the loose ball and the Hornet defense had stopped the threat.

Still no Hornet offense and a fourth down punt gave Marlin another chance from mid-field.

The Hornet defense lead by Randy Schoenewolf, Smith and Ronnie Jones stopped three straight plays for no gain and forced a punt. Ricky Thompson gathered in the line drive punt at the 20 yard line, broke two tackles, picked up the blockers forming along the side line, and raced 80 yards for a touchdown.

Ray Ortega takes a hit in the photograph above during one of twelve carries he made for 66 yards during Friday night's game with Marlin. Ortega gained over half of the Hornets' rushing yardage with a 5.5 yards per carry average. In the fourth quarter, he ran a kick-off back 31 yards to near mid-field to set the Hornets up in good field position.

The quick score gave the Hornets a 13 to 10 lead.

Early in the fourth quarter, Gude handled a Hornet punt at near mid-field and broke out of a gang of tacklers to score the game's winning touchdown.

With still over 10 minutes to play the Hornets began four drives only to have fumbles stop them cold after a few plays.

During the fourth quarter, Moore picked off his second interception of a Daniels pass at the Hornet 10 yard line. Two plays later Marlin recovered a fumble at the Hornet 23 yard line.

Saturday morning Coach Moss said, "We are a long way from chunking it in. Two games don't make a season." The non-district games end

next week with the Mexia Black Cats, who lost to Class AA Mart Friday, 20-6.

The Hornets' offense looked good against McGregor and spotty against Marlin, Moss said, "I can't understand. The kids work harder and want to win more than any group I have ever coached." He said, "We can't get it all together yet."

The bell rings on District 13AAA play in three weeks and the coaching staff will be out to "get it all together" in time for the Del Valle Cardinals.

Coach Moss noted the fumbles and the 5-3 defensive blocking assignments upset the Hornet offense. Defensively, Moss named Ronnie Jones, Steve Palmer, Randy Schoenewolf, Jim Smith and Billy Hord as top performers.

Gatesville Grad Accepts Teaching Post At TCJC

Garland E. Holt, former Gatesvilleite, has accepted a faculty position as Business Administration instructor at Tarrant County Junior College. Holt will be connected with the school's new Northeast Campus.

Mr. Holt, son of Mrs. W. A. Holt and the late Mr. Holt, graduated from Gatesville High School in 1937. He joined the U. S. Air Force in 1942. Holt served two tours in Germany, one each in Thailand and Denmark. He received his basic training in San Antonio and during World War II, he was a fighter pilot in the Pacific, flying 50 plus missions. In October of '69, Holt retired from the Air

Force with the rank of Lieutenant Colonel.

HOLT

Senior Citizens' Forum Set At Turnersville

There will be a community forum for senior citizens who are 55 years of age and older, in the Community Center at Turnersville Tuesday, September 22, at 2:00 p.m. Anyone in this age group is urged to attend. They will have a chance to speak out on your needs and problems and should enjoy the fellowship of other members of the community.

Mrs. Loyd Green and Miss Leta Bennett will attend to help get the information assembled. Also, Mr. Loyd Green and Mrs. Wanda Brown, the County Home Demonstration Agent, will be on hand.

The Best Tax

What have I done by signing and filing the law suit against the Gatesville School 1970 Tax Roll?

By signing, I have noted that the education system we have should not be compromised by anyone and the financing of our school system deserves the complete and equal support by all taxpayers. (All of us should pay our part.)

By signing, I have taken a stand for the "best tax" a person ever pays, the tax to educate the children of America. The "best tax in America" should be a tax that every man is willing to pay. Some men do not wish to pay the tax in Gatesville.

By signing, I have indicated that our school system must have adequate financing for the job of educating the nearly 2000 youngsters of our community. I believe that faculty members should be supplied with the best instructional equipment available to help in education process. (Very definitely I believe that a faculty member should not have to finance his or her classroom.) No teacher should be asked to purchase supplies such as stencils for making tests.

By signing, I hope to correct a situation that in effect leaves our school system hurting for funds and deprived of many badly needed programs. The school administration has needed a business manager, assisting school principal, and a curriculum director in recent years and the lack of funds seems to be the reason our children have not had the added guidance and supervision of these positions.

By signing, I am saying that I think all student activities such as band, basketball, golf, Spanish club, FFA, FHA, and others should be financed by the school. Students should not be forced to sell things to finance their school organizations.

By signing, I do jeopardize the school system, but the school's already in jeopardy and faces loss of accreditation due to overcrowdedness which the lack of funds has played a major roll in creating. A person must draw the line somewhere and I draw the line when I see people unwilling to collect or pay the "best tax in the world."

I support the "best tax in the world." Do you?

Coryell County Students Return To Colleges For Fall Semester

Coryell County saw many of its young men and women leave for their colleges and universities this past week-end as the opening of the fall semester draws near. Those who didn't set out on that weekend will leave for class in the next few days.

Moseley and Mr. and Mrs. Bob Stoddard last Sunday afternoon at Bee House Community.

Mr. and Mrs. Tom Harper returned to their home in Port Arthur last week.

Mrs. Maude Stewart is spending a few days at home but will go back to the hospital Wednesday for more x-rays.

Mrs. Bee Oney and Mrs. Jewell Ballard visited one afternoon last week with Mrs. Alza Franklin in January Care Home.

Mrs. Leota Wilkinson and Lyda Cooper visited Mrs. A. C. Moseley last Monday afternoon.

Mr. and Mrs. Boone Wilkinson and Tim visited in Grandfury last Sunday with the J. A. Carswells. They were met there by a daughter, Laverle Tennis and children, from Cleburne. The J. A. Carswells have sold out their store there at Grandfury, J. A. has employment in Oklahoma. He comes in home on weekends.

Mr. and Mrs. Travis Ballard of Copperas Cove visited their parents, Mr. and Mrs. Tully Ballard, Albert Freeman and Mrs. Ballard's brother and wife, Mr. and Mrs. A. V. Freeman Jr., last Sunday afternoon.

Mr. and Mrs. Jim Wilkinson and boys of Copperas Cove visited Mr. and Mrs. Dan Fillmon Sunday. They were supper guests Sunday night of the Boone Wilkinsons.

Mr. and Mrs. Adams took Mrs. Taylor home to Ft. Worth.

Mr. and Mrs. Francis Miller of Gatesville visited Sunday afternoon with Mrs. Zola Williams.

Mr. and Mrs. Joe C. Faubion visited Sunday in Hamilton with Mr. and Mrs. Thomas Oldham and Mr. and Mrs. Ward B. Richmond.

Recent visitors with Mr. and Mrs. Aubrey Hedgepeth were Mrs. George Huff and Mrs. Mamie Dudley of Port Arthur.

Mr. and Mrs. Danny Tyler and daughter of Ft. Worth were recent visitors with Mr. and Mrs. G. W. Tyler.

Mrs. Cobas Organizes Spanish Club At GHS

Mrs. Carmen Cobas, new to GHS faculty and Spanish Club sponsor, has stated that

the foreign language organization's purpose is to bring people together in learning Spanish customs and traditions. She said this could be helpful in understanding difference of our southern neighbors and aid our relations with those countries.

Mrs. Cobas outlined these ideas at the first meeting of the Spanish Club for the fall semester. Other matters of business included deciding upon a membership fee and election of officers.

Elected were President Gary Kafer, Secretary Trudi Hairston, Treasurer Patti VanDyke and Reporter Carol Sherwood.

Recent guests of Mr. and Mrs. Melvin Cook were Mrs. Ethel Hollingsworth, Mrs. Bill Richardson, Mr. and Mrs. Charles Cook of Grand Prairie, and Mrs. Easter Lam of Oglesby also visited.

Mrs. Robert Arnold visited Mrs. J. H. Jeffrey Sunday.

Highlights and Sidelights

Vern Sanford

Just when highway construction in the state is at an all-time high, the Texas Highway Commission has cancelled the regular December lettings of highway contracts. Commission blames the contract moratorium on the recent holdback of part of Texas' apportionment from the Federal Highway Trust Fund. Action came at a time when, because of favorable weather, highway construction was at its highest. For the past two months, pay-out for construction completed by Texas Contractors has set new records in dollar volume. Contractors were paid \$42.6 million in July for work completed in June and \$46.3 million in August for work completed in July. Payments represented work on 501 contracts in June and 593 contracts in July.

Federal Aid Highway Act of 1968, as approved by Congress, provides that states should receive \$5.4 billion for the 1971 fiscal year from the Highway Trust Fund. Amount allocated, however, was reduced by the Administration, Highway Commission Chairman Dewitt Greer said, to \$4.6 billion nationally and resulted in a reduction of the Texas share from \$275 million to \$210 million -- \$65 million less than was expected.

Proceeds in the Federal Highway Trust Fund are derived from special taxes levied on motor vehicle users. Fund was set up in 1956 to

provide a stable source of revenue for the construction of National System of Interstate and Defense Highways.

Cancellation of the December bid letting is the first since World War II, Greer said. The Commission Chairman said the reduction has come because the condition of the finances of the Federal Government has required that it borrow money from the Federal Highway Trust Fund for government operation even though the trust fund was established for the specific purpose of building the highway system from highway user revenues.

Greer said the "motor vehicle users of this country, who pay these dedicated taxes, have every right to expect that the Federal Government return to the highway system these revenues, in accordance with agreements made 14 years ago."

HOSPITAL - TROUBLES IN TEXAS--State Rep. R. H. "Dick" Cory and House Speaker Gus Mutscher made a trip to Washington seeking better interpretation of recent Social Security regulations which threaten to close 158 of the state's hospitals.

Most are in rural areas and are having extreme difficulty complying with new regulations such as the one requiring them to have registered nurses on duty around the clock. A Texas nursing shortage of 10,000 plus the difficulty of finding nurses willing to live in smaller com-

munities, contribute to the problem.

Hospitals which do not comply with the regulations are in danger of having Medicare payments terminated, which would in turn force them to close their doors. Representative Cory, who is chairman of a special Speaker's Committee on Texas Health Care, noted that Texas, because of sparse population in wide areas of the

state, has 40 per cent of the nation's Class 7C hospitals. Another fear of the Committee is that if the small hospitals close their doors many physicians will move away due to lack of hospital facilities.

IMMUNIZATION LEGISLATION UPCOMING--Gov. Preston Smith says he'll ask the 62nd Legislature, which convenes in January, to pass legislation requiring immunization against several communicable diseases before a child may enter Texas schools.

Governor proposes compulsory immunization against measles, polio, whooping cough, tetanus and -- in the wake of the epidemic in San Antonio -- protection against diphtheria.

Smith said figures available to him for 1968, the latest year for which complete data is available, indicate that

Texas has the highest incidence rate in the nation for measles and polio, the second highest for diphtheria and the fourth highest for whooping cough. Tetanus is not an epidemic disease, but a single injection generally immunizes against diphtheria, whooping cough and tetanus.

in Elmonte, California, with Mr. and Mrs. W. C. Arnett. Mrs. Arnett had major surgery and Mrs. Howard remained with them until she was much improved. Mrs. Howard made the trip by bus.

Mr. and Mrs. Jim Kincheloe, Evans, were among the guests on the bus to Canada last Tuesday morning. This was their first long vacation trip in several years.

Mr. and Mrs. Gary Standard and sons of Lake Jackson spent the weekend in the home of her parents, Mr. and Mrs. Lawrence Sellers.

Mrs. Pauline Flach Mitchell, Beaumont, spent a few days as guests of her uncle and aunt, Mr. and Mrs. Ben Flach, and other kinsmen in Evans. Mrs. Mitchell is the daughter of the late Mr. and Mrs. Adam Flach.

Mr. A. C. Bertrand, 91, has returned to the January Care Home after a week's stay at Hamilton County General Hospital. His condition remains only fair.

Walter Horton, who spent the year, 1966-67 school term with his grandparents, Mr. and Mrs. Paul Horton, is now in Nacogdoches, attending Stephen F. Austin College, from which he will graduate in December.

Football season will open for Evans Elks September 18; this will not be news to all the fans who are already following them very closely. Coaches Chambers and Wells are keeping their every hour a busy one in behalf of the best little team in miles and miles.

Word is still incomplete as to the whereabouts of the spring seniors of Evans school, Scotty Koether is in the University of Texas, Arlington; John Conner, A&M, College Station; Kyle Arnold, Dennis Sheldon, Keith Sugg, Barbara Conner and the Chambers twins are all in

Terleton State College, Stephenville. As names are turned in to this writer, a complete list will be carried in the news. The class included only 13 members and this is a good average, so far, in anyone's school.

Mr. and Mrs. Creed Oney are home from New Mexico, where they have had an "early winter" for the weather is already very cool there.

The new owner of the old Jim Gholson place, the Harry Smiths, who came to Evans from the Houston-Galveston area, has moved to the new house on the side of the hill. An unusual setting, it is a cool place for summer and has an outstanding view the year around.

Mr. and Mrs. Ralph Howell and family of Colman were guests of Mrs. Owen Lee Sunday.

A fairly recent "new-comer" to Evans Community is Mr. and Mrs. Hobart Trimble, who are living in the old Ocie Lester home, south of Evans, on Highway 291, following their marriage in the summer. Mrs. Trimble is the daughter of Mr. and Mrs. A. D. Glover and Mrs. Trimble's former home was Hamilton. He is now employed with the State School for Boys in Gatesville, and she works at January Care Home.

Progress is showing on the new housing units being constructed in the east part of Evans, however, they are not ready to be occupied quite yet. Some ten structures are being erected under the direction of local people, Sparks Contractors, Community Lumber Company, and others are interested.

The moisture recorded in the Evans vicinity over the weekend includes one-half to three-quarter inches.

Mrs. Bonnie Hudson is still a patient in Hamilton County General Hospital.

EVANT NEWS

by Cornelia Kreid

PTA Holds First Meeting Of School Year

Evant PTA held its first meeting of the school year on Thursday evening, September 10, at the school cafeteria. A good attendance heard the main speaker of the evening, David Parker of Waco, who gave various clues as to the steps needed in securing aid in special needs for students through the schools. Mr. Parker's work takes him into seven counties for the EOA Program.

The Fall Festival will be held November; preparation is underway to make this a success. The following Saturday after it, which is November 14, the Homecoming of former Evant Students will take place and will include a Homecoming Ball in the newly finished gymnasium. Room mothers and teachers will meet for a planning session on October 6, immediately after school closes. Carl Grubb,

new president for 1970-71 school term, was in the chair, for the business session.

Tony O'Bryan, grandson of Mr. and Mrs. Troy Blackburn, sustained a severe cut on his right arm, just above the wrist last week, while working on his car. He was conveyed to the Hamilton County General Hospital, where he remained overnight.

Jimmy Blackburn, a student in John Hopkins University, flew in for a few days visit with his parents, Mr. and Mrs. Troy Blackburn last week.

Mrs. Hamilton Williams, a mother of Nolan and Wesley Lane, was conveyed to Hamilton County General Hospital over the weekend.

Mrs. J. H. Ballow is a patient in Hamilton County General Hospital where she was conveyed Saturday.

Miss Earlayne Untiedt, of Los Angeles, California, who is an airhostess, flew in last week to be with her grandmother, Mrs. Earl Kennedy, and her mother, Mrs. Hugh Bachelor of Odessa.

Mrs. France Howard returned from a two week stay

Miss Mary Nan Wasson - Ronnie Dyer

United In Double Ring Ceremony

Miss Mary Nan Wasson and Ronnie Dyer solemnized nuptial vows August 8, in the Wesley Memorial Methodist Church of Huntsville. Reverend Walter N. Langham officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Felix R. Wasson of Huntsville. Parents of the bridegroom are Mr. and Mrs. Wade Dyer of Gatesville.

A mass arrangement of pink gladioli, white stock and baby's breath centered the nuptial scene and stood behind a white kneeling bench.

Miss Leah McKinney, organist, and Miss Kathy Beeler, pianist of Anderson played a selection of love songs before the ceremony. Miss McKinney and Mrs. Lawrence Wichman of Anderson sang "The Twelfth of Never" and "The Wedding Prayer."

Presented in marriage by her father, the bride chose a floor-length, A-line gown of white peau de soie in the empire silhouette. The bo-

dice, overlaid with white Chantilly lace, featured a low rounded neckline and short butterfly sleeves of Chantilly lace. The skirt was appliqued with similar lace and seed pearls. A train of white Chantilly lace fell in chapel length. Her headpiece was of white satin rose petals emphasized with seed pearls and enhanced by petals of bridal illusion. The petals were caught with a cluster of stemmed pearls and a small satin bow. The headpiece, designed by the bride, held multiple layers of bridal illusion. Her bridal bouquet was fashioned of white gamelias, encircling a white orchid, Chantilly lace bows, streamers and corded lace tied in love knots enhanced the bouquet. The bride wore a diamond necklace, a gift of the groom, as her only jewelry.

Mrs. Maurice Young of Mexia, sister of the bridegroom, served as matron of honor. Bridesmaids were Mrs. Donald Goolsby of Nacogdoches and Miss Kathy

Erskine of Tehuacana. They wore formal gowns of pink bridal peau de soie. A small pink bow trimmed the bodice at the empire waistline. The mock coat effect in the back was adorned with a large pink bow. White and pink daisies accented the waist and sleeves. For headpieces they wore pink peau de soie bows accented with pink and white daisies. The bows held bridal illusion. The attendants carried hand bouquets of pink and white gamelias. Pink lace bows and streamers accented the floral pieces.

Attending the groom as best man was Maurice Young of Mexia, brother-in-law of the bridegroom. Groomsmen were David Brazel of Gatesville and Bill Wasson of Bryan, brother of the bride. Bobby McDonald of Mexia and Bob Wasson of Houston, brother of the bride, ushered the wedding guests.

Parents of the bride were hosts at a reception in the church fellowship hall following the ceremony. The reception table was decorated in the bride's chosen colors of pink and white. An arrangement of pink gladioli, white stock and baby's breath centered the table. The white wedding cake was accented with pink roses. Layers of the three tiered confection were separated with pillars. A pair of love birds sat between the pillars. The traditional bride and groom figurine topped the third tier. Pink fruit punch was ladled from a crystal bowl.

Members of the house-party were Miss Annella Wright, Miss Sherry Neese, Mrs. Mildred Wright, all of Mexia, Mrs. Bill Wasson of Bryan, Mrs. Bob Wasson of Houston, Mrs. Don McMillan of Huntsville and Mrs. Larry Machacek of Trinity.

Following a wedding trip to Houston the couple made their home in Groesbeck. For going away, the bride chose a three piece suit of royal blue knit and white accessories. She wore the orchid corsage from her bridal bouquet.

The bride, a graduate of Mexia High School and Sam Houston State University, is a teacher at Groesbeck Junior High School. The groom is a Gatesville High School graduate and attended Temple Junior College. He has recently returned from serving six months in the service. He is employed with Bruce Campbell and sons of Temple.

Mrs. Qualls Shows Works

A former Jonesboro resident who is making a name for herself in the world of art, exhibited a variety of her paintings recently at the Windsor Village Branch of Lamar Savings in Austin.

The artist, Mrs. Louise Hale Qualls, is a native of Jonesboro and is the daughter of Mr. and Mrs. Ollie Hale of Jonesboro.

With no formal training, Mrs. Qualls won honorable mention at her first showing in 1960. She has traveled throughout the United States, Mexico, Puerto Rico and Europe. While in Europe, Mrs. Qualls studied for several years with an internationally known palette-knife artist in Germany.

Gatesville's Centennial visitors viewed the former Corvett resident's work at the art exhibition Wednesday of Centennial Week.

Mrs. Qualls is married to James A. Qualls of Davidson, Oklahoma. They have four children. A graduate of Jonesboro High School, Mrs. Qualls attended Baylor University and the University of Texas. One of her award winning paintings depicts a Korean boy carrying wood on his back. The painting is a copy of a photograph brought from Korea by her husband.

Wade Dyers Host Rehearsal Dinner

Mr. and Mrs. Wade Dyer of Gatesville honored their son, Ronnie, and his fiancée, Mary Nan Wasson, with a rehearsal dinner in the banquet room at the Holiday Inn in Huntsville.

The table was draped with a white linen cloth and decorated with the bride's chosen colors of pink and white. An arrangement of pink gladioli in a white ceramic bowl centered the table. English ivy striped the center of the tables. Dainty white and pink placecards adorned with pink bows and baby's breath marked the places.

Attending the dinner with the hosts and honorees were Miss Sandra Dyer of Gatesville, Mr. and Mrs. Maurice Young, Kathy and Sherri of Mexia, Mr. and Mrs. David Brazel of Gatesville, Mr. and Mrs. Bill Wasson of Bryan, Miss Ina Gordon of Coolidge, Mrs. Donald Goolsby of Nacogdoches, Miss Kathy Erskine of Tehuacana, Miss Kathy Beeler, Miss Leah McKinney, and Mr. and Mrs. Lawrence Wichman of Anderson, Mr. and Mrs. Felix Wasson of Huntsville, and Mr. and Mrs. Don McMillan of Huntsville.

SEVENTY FASHIONS SHAPE-UP, NO COVER-UP...The Fall '70 fashion parade is characterized by the varied looks like mini-midi-maxi-vested-tunic. This "diversified" look gives the fashion conscious female an opportunity to be in fashion and look good.

"With the '70 shapes in clothes," says Glamor Magazine, "dressing is a whole new experience." The trick in being "fashionable" in 1970 is getting the hang of the new proportion in clothes and what the shapes can do for your "shape." Fashion authorities list several styles for the "in" look for fall—not just "in fashion" but in season, too!

The general rules for the 1970 looks center around the idea of comfort and suitability for figure. Among the biggest don'ts listed is don't squeeze any bad area into something tight-fitting. Chances are you will wind up looking fatter than you really are squeezed into a small size. Trying to hide bad figure points by "tenting" with loose-fitting fashions is just as big a No-No. Don't try to cover up—let's shape up through the clever use of becoming fashion lines.

If you are heavy in the stomach or hips, use trousers with trim tunics, long jackets or the new mid-leg vests for a really streamline look. Remember the more you define the waist, the "blockier" you will look. The "big boys" of fashion list several problems for you mid-skirt lovers. (This female will not worry about mid-skirt problems—I'll take mine above the knees!) At any rate, mid-skirts have proved to more problems than cover. The long skirt with a defined waistline (one strike against you if you are hippy) can reveal more faults than the skimpiest mini. A smooth hip-length top in a subtle contrast color over a skirt de-emphasizes that below-the-waist mass, say fashion experts. The subtle color break over the hips detracts the eye from bulges. The same effect can be achieved by using a thin belt about an inch and a half wide slung loosely below the natural waist-

line. The main point in hippy camouflage is color. Bright reds and yellows or extreme color contrasts at your widest measurement NEVER work!

Remember, jackets, sweaters or blouses that stop at the waists and any wide waist cinches will only accent what's below the waist!

If your waistline is the "thick" area, you must choose the slim look with long sweaters, jackets and vests. Any tops that stop abruptly at the waistline are taboo. These looks only point to the problem as do belts of any kind that are worn at the waist. If your ensemble requires a belt, wear it slung just below the natural waistline for a slimmer you.

For those of us with the age-old problem of flabby legs, pants are the answer. But, you can't wear pants all the time. Some fashion experts say the midi can solve most leg problems, especially if the problem is above the calf. The best way to approach the leg problem is to wear skirt lengths that show the best of your leg's shape. For instance, if your ankles are straight but you have a curve above your calf, wear the skirt just above the curve. If you have good knees, show them, even if the legs below the knee are shapeless.

Color is another approach to the "leg" problem. Leading authorities say the neutral tones of hosiery such as black, brown, deep burgandy, green or navy slim legs beautifully. Wear light-weight opaque stockings. Skinny striped textures will draw attention to your legs the same as the loud bright colors with bold designs. Shoes the same color as stockings will also tone down a heavy leg because they elongate the lines instead of breaking the line between legs and feet.

Whatever your figure, dress to shape up—not cover up. And why not diet to really make those bulges vanish!

FIVE SISTERS REUNITED LABOR DAY WEEKEND...When five sisters get together, expect a lot of talking, fun and visiting. That's what occurred recently when four Gatesville sisters visited the fifth sister in Hereford.

The Gatesvilleites making the Labor Day weekend trip were Mr. and Mrs. Curtis Lipsey, Mrs. Vernon Benner, and son Jack, Mrs. Elmer Watts and Mrs. Tom Box.

The visitors were hosted by their sister and her husband, Mr. and Mrs. Curtis Holcomb of Hereford. From all reports the holiday was delightful for all concerned. The sisters had not been together since Christmas, 1969.

GRANDSON VISITS MELVIN MYERSES...Mr. and Mrs. Melvin Myers of Jonesboro were happy to welcome their grandson, Bobby Jones of Texas City to Corvett County for a recent weekend visit. The group enjoyed every moment of visiting and catching up on all of the Myers-Jones news. Young Jones works and attends junior college at his hometown.
