Hico FFA Members Win Top Awards at Houston

Gail Christian Shows Hereford to Grand Championship

Six local FFA chapter members and their advisor, Mr. Harold Walker, left last Sunday morning for the Houston Fat Stock Show. The boys had a total of seven animals entered in the show, three dairy animals and four beef.

Winford Vinson showed his jersey heifer to a very good classification in the Junior Dairy Show. This was Winford's first big show and he did very well.

Jeff Holladay showed two Holstein heifers at Houston. They both classified very good and received blue ribbons. Jeff has taken ribbons at Houston the past three years, but this was the first year that he has received blue ribbons. He and Vinson both are to be complimented for a fine job well done.

Thursday was the big day for the boys who were showing beef animals. Pat Lackey showed his Hereford heifer to 7th place in the Junior Breeding Beef Show. Pat made a good showing as there were 36 animals in his class. This was the same heifer that he showed at Fort Worth.

Royce Samford showed his Hereford Scramble Heifer to sixth place in the Junior Show. Samford also had a large class to compete in and made a good showing. Later in the day he showed his heifer in the Beef Scramble and Livestock Judging Teams contest. Some of the best heifers in the show competed in these classes, and he placed 27th, which was about the middle class.

Mike Lackey showed the Charbray heifer that he won at Houston last year, to sixth place in the Charbray heifer show. There were many excellent heifers in the class. Mike sold his heifer for \$500 to a Charbray breeder from Houston.

Gail Christian copped the major portion of the awards won by local chapter members. He showed his Summer Yearling Heifer in the Junior Breeding Show where she won first place in her class, and eventually placed behind the Reserve Champion of the Junior Breeder's Show. Christian, whose heifer was also a Scramble Heifer, showed her in the Beef Calf Scramble and Livestock Judging Team contest. This is a contest made up of boys who won calves in the Beef Scramble and Judging contests. Christian eventually showed his heifer to the Championship against the Hereford Scramble Heifers. He then showed against champions of all beef breeds, where he won the Grand Championship. This netted him about \$430 in prize money.

This was the first calf that Gail has fed, and he felt very fortunate to go all the way.

The Beef Scramble boys were honored at the annual banquet sponsored by Sears Roebuck Foundation Thursday night at the Crystal Ball Room in the Rice Hotel, with Hugh O'Brian as special guest.

Christian was presented five awards at the banquet, which were as follows: First place for the best monthly set of records; Second place for the best essay entitled "My Beef Calf Project." This was a narrative of 1,000 words.

He also received the Pete McKenzie award, which was a pair of shop-made boots. Other awards which he received were the Ring Showmanship Award, and the Houston Police Force Award for being the third best groomed boy and heifer.

The Transcontinental Gas Pipe Line Corporation awarded a trophy to the Grand Champion Scramble Heifer, which was also won by Christian.

Mr. Walker also received a \$25 award for being the Vocational Agriculture Teacher of the boy with the Champion Scramble Heifer. This is the third year in a row which the Hico teacher has received this award.

Hico had a strong Dairy Judging team at Houston this year. It was composed of Mike Lackey, Jeff Holladay, and Wayland Weston.

(See FFA Members on Page 8)

Cemetery Association Issues Appeal For Much-Needed Funds

The Hico Cemetery Association Auxiliary Fund is seriously in need of financial assistance for maintenance of the Cemetery.

Each person in Hico, and away, are earnestly urged to consider this matter, and give their financial assistance to the Association. Contributions to the Association should be sent to Mrs. Aften Aycock, secretary of the Association, or to the First National Bank in Hico.

In issuing this appeal, officers of the Association stated that the work could not possibly be carried on this year without additional funds.

Carlton FFA Member Wins \$200 Certificate At Houston Stock Show

Jimmy Longino, son of Mr. and Mrs. J. T. Longino of Carlton, won a \$200 certificate in the Dairy Judging Contest at the Houston Fat Stock Show March 1. The certificate is to be used in the purchasing of a dairy heifer which will be shown at the Houston Show next year. Jimmy was one of the top ten of 500 boys who judged in the contest. He is a freshman in the Carlton High School and is fourteen years old.

Accompanying Jimmy on the Dairy Judging Team were Duane Spurger and Thomas Wilson. The livestock team was represented by Wayne Harbour, Weaver Ballard and Lonnie Jones.

The boys left for Houston Friday and were ready for the contests Saturday morning. They arrived back home Sunday afternoon.

Revival to Begin Sunday at First Methodist Church

Revival services will begin Sunday, March 9, at Hico First Methodist Church. Rev. John Wesley Ford, pastor of First Methodist Church of Corsicana, will be preaching beginning with the Sunday evening service.

Services will be held Monday through Friday at 7:00 a.m. Coffee and doughnuts will be served before and after the morning service. This morning service will conclude promptly at 7:25 each day. Evening services will be held at 7:30 Monday through Friday with the exception of Tuesday. On Tuesday evening the service will begin at 7:00 with dismissal in time to attend the Junior Play, which begins at 8:10. There will be no services on Saturday.

Committees are at work to promote and guide the revival activities. The planning committee is composed of Mr. and Mrs. Morse Ross and Mr. and Mrs. Ellis Rardals. The committee for promotion of attendance is composed of Jim Jameson, W. R. Hampton, Florence Chenaunt, Louise Blair, Mrs. Watt Ross, Mrs. Jimmie Ramage, Buddy Ables and Kay Jameson. The entertainment committee is composed of Mrs. G. R. Lackey, Mrs. Ray Cheek and Mrs. W. R. Hampton.

Committee in charge of coffee and doughnuts for the morning fellowship is composed of Lusk Randaia, Slim Everett, Mrs. Ethel Lackey, and Mrs. Minnie Malone. Mrs. Dorothy Johnson will be organizer for the evening services and Mrs. John Rusk will be organizer for the morning services. The pastor will lead the singing.

He also passed the National Board examination offered by the National Board of Examiners in Optometry in May of 1957. This latter examination is recognized in 21 states throughout the nation.

Dr. Hughes' office will contain the most modern optometry equipment, and he will carry a complete line of the latest styles in eyewear.

A display advertisement on page two of this issue formally announces the new service in Hico.

DR. TOM J. HUGHES
Dr. Tom J. Hughes Opens Optometry Office In Hico

Dr. Tom J. Hughes, optometrist, announced this week that he will open his new office in Hico Saturday, March 8, in the building adjacent to Salmon's Dept. Store.

The office will be open each Saturday from 8:30 a.m. until 5:00 p.m.
Dr. Hughes is a Hamilton County boy, having been graduated from Hamilton High School in 1953, where he was high senior boy of his class. He received his Bachelor of Science degree from the University of Houston in 1956, and was graduated from the University of Houston College of Optometry in June, 1957, with the degree of Doctor of Optometry. He passed his Texas Board Examination in July 1957.

He also passed the National Board examination offered by the National Board of Examiners in Optometry in May of 1957. This latter examination is recognized in 21 states throughout the nation.

Dr. Hughes' office will contain the most modern optometry equipment, and he will carry a complete line of the latest styles in eyewear.

A display advertisement on page two of this issue formally announces the new service in Hico.

Hico to Receive 15% Credit on Fire Insurance

Hico's fire record for 1957 will entitle local residents to a credit of 15 per cent on their fire insurance rate, effective April 1. This credit is a 5 per cent better rating than enjoyed by local residents last year when Hico was credited with 10 per cent.

AND CHAMPION—Scramble heifer, Miss (Engraving Courtesy Voc. Ag. Teacher's Ass'n.)
Mixer Gwen, owned and shown by Gail Christian, Hico FFA Chapter member, is shown above. In the picture with Christian is Harold Walker, local Vocational Agriculture teacher.

Primary Deadlines Pass, No New Candidates Announce

Primary filing dates for the City School elections passed this morning with no other candidates filling places on the ballot. Saturday, March 1, was the date for city filing. The ballot will have four names, those of M. Bullard, W. C. Howard, Jim Jameson who are seeking election as aldermen, and

Edmiston Seeks Election To District Clerk Office

After careful thought and consultation, and after many good friends have asked that I enter my name for re-election, I have decided to ask the voters of Hico, and of Hamilton County, to return me to the office of District Clerk. I assure all of my good friends and voters that I will do my very best to give you the type of service you desire of a District Clerk, and with the same I have obtained in this office. I assure you that I am confident I can give you that kind of service.
I have had a pleasure and a privilege to have had the honor of serving you for the past several years, and I am confident I will be able to do my best to give you the type of service you desire of a District Clerk, and with the same I have obtained in this office. I assure you that I am confident I can give you that kind of service.
I have had a pleasure and a privilege to have had the honor of serving you for the past several years, and I am confident I will be able to do my best to give you the type of service you desire of a District Clerk, and with the same I have obtained in this office. I assure you that I am confident I can give you that kind of service.

Local Hale-Aikin Committees Begin Study on Public Schools

Thousands of Texas citizens in their county Hale-Aikin committees are beginning a study of local schools, which have a wealth of information to assist them in their evaluation of the schools. The committees have a deadline of May 1 for reporting their recommendations to the state-level Hale-Aikin committee, headed by A. M. Aikin Jr. of Paris. The local committee, composed of Mrs. Wayne Rutledge, J. B. Woodard, and E. V. Meador, met last Thursday at an organizational meeting. At the meeting, the committee members were appointed to the four phases of

study, which are as follows: School Program, Mrs. H. V. Hedges; Teacher Supply, Mrs. B. J. Prueitt; School Construction, E. V. Meador, and Finance, V. H. Jenkins. The four above named persons met Monday night at the school to map plans for carrying the program to the people in the most effective manner. The group will meet again next Tuesday night to set the plan in motion. Many people in the Hico school district will be called upon to help with the answers to the approximate 150 questions in the survey, and persons contacted are urged to cooperate with local leaders in this effort to better acquaint the public with school affairs and problems.

FAIRY

By MRS. EUNICE DANIEL

We have threatening weather again at this writing, Tuesday. We received more than two and a half inches of rain week before last, which we failed to mention in last week's news.

Farming is at a standstill since the ground is very wet.

We were sorry to learn of the death of Mr. Albert Russell of Hico. Mrs. Russell attended church here before her marriage and her many friends extend sympathy to her at this time of sorrow.

We learned recently that Mrs. J. W. Culwell of Clifton is in the Clifton Hospital. She suffered a stroke recently. She is the widow of the late Rev. Culwell, former

pastor of the Lanham and Craiffills Gap Methodist Churches and probably Fairy. We hope she is soon much improved.

Several from this and surrounding communities attended a house warming last Friday night honoring Rev. and Mrs. Wesley Jones and family of the Lanham community. Their new home, which was recently completed, consists of a living room, three bed rooms, nursery, Mr. Jones' study and library room, kitchen and dinette, utility room and bath and porch. One hundred and five guests registered and there were also a number of children present who did not register. They received a nice assortment of useful gifts. Rev. Jones is a former pastor of the Fairy and Duffau Methodist Churches. Home baked cakes and fruit punch was served by the hostesses, Mrs. Marvin Noland, Mrs. Robert Streater, Mrs. J. C. Kinney and Mrs. C. M. Broyles.

Mrs. T. L. Betts spent most of last week in the hospital while ill with the flu.

Mr. and Mrs. Truett Turner and family of Fort Worth spent the week end with her parents, Mr. and Mrs. T. R. Parks.

We received a letter today from Mrs. Homer Smith of Jonesboro stating she had returned home from the Providence Hospital in Waco, where she recently underwent major surgery. She stated she was quite weak yet but doing fairly well. She is the former Lucille Pittman of Hico.

The writer visited with Mrs. W. M. Green and Mrs. T. L. Betts at the Hico Hospital last Wednesday afternoon. While there at Mrs. Green's room, where four other ladies were also visiting we noted one of the parties looked very familiar. We stepped into the hall and asked one of them, who had also stepped outside the room, who the ladies were. She told us one was a niece from Lubbock. We at once knew it was the former Miss Pearl Blaze, who with her parents resided on our place for several years during World War I. She had not recognized this scribe either. We would probably have recognized her voice had she said anything previous. We had been corresponding some during the past year. Glad to learn that Mrs. Green and Mrs. Betts have been able to be returned to their homes

YOUTH CENTER—The Hico Teen Den is sponsored by the Hico Parent-Teacher Association, and is opened once a week on Friday or Saturday night. Some of the sponsored activities that take place each week are ping pong, dancing, cards, monopoly, and dominoes. The Den has chairs, tables, a jukebox, and a coke machine.

A Teen Den Council is elected each year to make rules, plan activities, and make suggestions concerning the Teen Den. Members of this year's council are Linda McLendon, Senior; Buddy Ables, Junior; Royce Samford, Sophomore; and Bobby Boone, Freshman. Mr. Harold Walker is sponsor of the group. (Reed Photo)

LES GIRLS

and are improving.

There has been some report of wolves or dogs killing some sheep in this and surrounding communities. We have been informed that Leslie Timmerman, who lives in the old Clair Brunson place lost 13 recently. He really thought that wolves had invaded his herd. We hope the government hunters can get on the job and get these and other wild animals which are a menace to the farmer and ranchman.

Raymond Jones and Martin Schrank, agriculture teacher of the Fairy School accompanied several of our boys to the Houston Stock Show last week. The boys attending were Jerry Jones, Billy Clark and Keith Streater, Joe Knapp, and Don Barnett. Billy Clark, Keith and Joe showed calves and Don showed a lamb. Jerry entered the calf scramble. Will turn in a report by telephone if we receive it in time.

The writer attended singing last Sunday afternoon at Evergreen. Mr. and Mrs. Sumerford of near Hamilton accompanied us from Hamilton. After singing songs we

visited in the home of Mrs. M. C. Anderson and at the rest home. Mrs. Anderson recently lost her husband and was a girlfriend of the writer.

Rev. Frank Williams is the new pastor of the Lanham Methodist Church.

Mr. and Mrs. Glenn Arrant and baby of Fort Worth spent last Sunday week end with their parents. Mr. and Mrs. Ted Arrant and Mr. and Mrs. W. E. Cunningham.

Mr. and Mrs. W. E. Goyno of DeSota visited at their home here during the week end.

Birthdays for this month are Mrs. A. Alford, Hamilton, Mar. 1; Clyde Hoover, Dallas, and Mrs. M. C. Anderson, Hamilton, March 2; Dorsey Eager, Corpus Christi, March 8; Mrs. A. H. Hoover, Hamilton, March 11; Mrs. George Martel Stringer, March 13; Mrs. E. M. Hoover and the late Mrs. Selie Purdom and Mrs. Lena Goyno, March 17; the late Uncle Bob Parks, March 18; Mrs. Texie Ainsworth, March 26; Mrs. O. P. Vincent, Cove, Ark., March 30; and Lynda Driver, March 30.

Mrs. D. E. Allison of Dublin visited Monday in the home of her sister and mother, Mrs. Carl Ray Sellers and the writer.

Misses Gwen Jackson and Mary Brewer of Grand Prairie spent the week end with her parents. Mr. and Mrs. J. T. Jackson. Miss Brewer is employed at First National Bank in Dallas.

CLAIRETTE

By Mrs. Lucile Mayfield

A total of 3 inch of rain fell here Saturday.

Mr. and Mrs. Alf Sloan visited Sunday with Mr. and Mrs. Morgan Martin.

Mr. and Mrs. Dow Self and sons of Carlton visited Mrs. H. K. Self Sunday.

Dale Mayfield of Stephenville was in Clairette Sunday morning. Mrs. Zena Havens spent last week in Killeen with Mrs. Florine Wheeler and son, Richard Lee.

Mr. and Mrs. T. L. Thompson and family of Fort Worth visited Mr. and Mrs. Artie Thompson Sunday.

The Busy Bee Sewing Club met Thursday afternoon with Mrs. Dona Wolfe.

Miss Jo Smith of Austin spent the week end with her parents, Mr. and Mrs. Mike Smith.

Mr. and Mrs. Alvis Wood and son of Stephenville visited Mrs. Lucile Mayfield last week. The Woods are connected with Western Warehouse Co.

Mr. and Mrs. Emmitt Freeman of Abilene visited a while Sunday afternoon with Mr. and Mrs. Field on Haley.

It has been disagreeable weather all the past week. The rain became heavier Friday with one-half inch by night, followed by rain through the week end. A total of one inch fell.

Mrs. Roba Carter and Mrs. Zena Havens attended the OES meeting in Hico Thursday night.

Mr. and Mrs. Taimon Melican of Panhandle were here on business a couple of days last week, and visited in the home of Mr. and Mrs. B. J. Pruet.

Some of the Clairette Home Demonstration Club members attended a council meeting in Stephenville Wednesday afternoon.

Mr. and Mrs. Glen Lee of Fort Worth, Mr. and Mrs. Bruce Lee and family and Mrs. Jessie Lee of Denver City spent the week end with Eunice and Nola Lee.

Mr. and Mrs. Hughie Carr and sons attended the funeral of Mrs. Carr's brother-in-law at Big Spring last week.

Several in the community have been ill with colds and flu.

HICO-HAMILTON MINISTERS ATTEND SEMINAR

Some twenty Hico and Hamilton area ministers of Jehovah's Witnesses attended a three-day seminar on Christian education last week end in Waco. Among the local delegates were Mrs. F. B. Wright, Mrs. Birdie Smith, Mrs. Louise Carter, Mrs. Ethel Johnson and Mrs. Birdie Mae Phelps. R. E. Goff, presiding minister of the local congregation said that the meeting, designed for advanced training in ministerial methods, gave special consideration to the unique public ministry which the witnesses carry on world-wide in 164 lands.

 Philippine Islands—Marine Cpl. L. T. Hare, son of Mrs. Hattie King of Hico, and husband of the

former Miss Elsa D. Hare of San Francisco, Calif., is participating in an air, sea and land exercise with the 3rd Division, the 1st Marine Division in the Philippines,

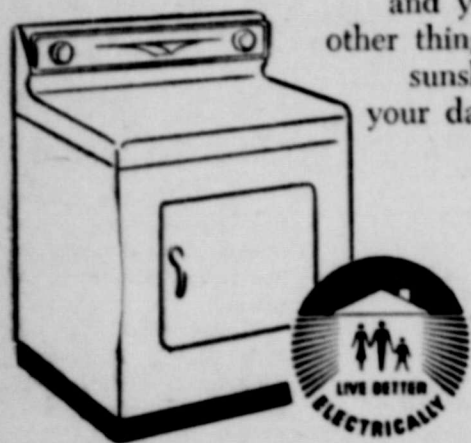

during the first week of March. In addition to the 3rd Division, the 1st Marine Air Wing, the U. S. Seventh Fleet, units of the 1st Marine Div. from Camp Pendle-

ton, Calif., and Philippines units will make up the assault force for the amphibious exercise, code named "Operation Strongback."

Be modern...dry clothes ELECTRICALLY

Why lift, stoop and stretch to dry clothes on the line when an Electric Dryer will do the job . . . automatically . . . at the turn of a dial? All you do is put in freshly-washed clothes, set the controls and your clothes dry gently and thoroughly while you tend to other things. Clothes dry better electrically because electric heat is sunshine-clean . . . and it's precision-controlled, safe for even your daintiest fabrics.

See your local appliance dealer soon for a work-saving Electric Dryer. Live better . . . electrically!

Hico Transportation System Represents Large Investment

The Hico School transportation system consists of a fleet of seven buses, which are replaced on an average of every six years. A new bus costs near \$4500. This bus must be bought through the State Board of Control. Also tires must be bought through this source.

The Hico busses travel approximately 335 miles each day. An eligible student is one who is a transfer census, or a "move in", and who lives at least two miles from school.

Other children are hauled who do not meet these requirements when it does not cause a crowded bus condition.

Drivers must have chauffeur's license, be bonded, and have a signed contract with the County School Board in order to be an eligible driver.

The driver certainly has a lot of responsibility and should be a very alert person at all times.

The student rides at no extra cost to the parent. The state allows each school a specified amount for each bus, depending on 'a' conditions of roads, length of route and number of eligible students transported.

The transportation system of

schools has meant many more educational opportunities to the boy and girl living away from populated centers. It insures this type of student the same opportunity as the boy or girl near school.

All busses have heaters and are almost as comfortable as the family car. Certainly all boys and girls who live away from school appreciate what is being done to equalize educational opportunities in our schools.

Roy French, pictured above, is bus mechanic. Mr. French devotes full time to the care and upkeep of the Hico transportation facilities, and Hico has long been known as having one of the better systems in the state. French also is a driver of one of the busses.

CARD OF THANKS

We want to thank all of our neighbors for caring for Mr. Green until we secured help. Also the kind ladies who come to the hospital to sit up. Thanks to all who had a part in the donation. May God bless everyone of you.

Mr. and Mrs. Will Green.

SOPHISTICATED FOODS AND FOOD VALUE

When the American housewife reaches to the grocery shelf for two cans of food—one for her children and another for her dog—chances are the dog is getting the better end of the deal.

The reason? When the dog's food is packaged, the manufacturer has one primary selling point to consider—the nutritive content of the product. The dog's owner and the dog care for nothing except good taste and good health in the dog's diet. In contrast, the food for the family "sells itself" in several ways into which food value is not too apt to enter.

The family food product attracts the housewife through its appearance and its advertised ease in preparation as often as through its palatability—and much more often than through its nutrition-giving qualities.

As a result, America today is the land of plenty, plenty of sophisticated foods and, consequently, plenty of undernourished people. In fact, there are some 25 million Americans suffering from deficient diets. This in spite of the fact that food resources in our nation are unequalled in quality,

available in abundance, and priced lower than in any other country in the world.

This false sense of values evidenced in facile food selection is no one's personal fault. It is a reflection of the tension-packed, aspirin-eased world in which we live. We Americans are notorious among other nations for always being in a hurry. And this mania for getting things done in a hurry is reflected in our food habits.

We have become a nation of "the skipped breakfast," the "quick lunch," and the "pre-cooked supper" and the food industry has geared itself to the tenor of the times; emphasis on ease in preparation at all costs. And the cost is high, both in lost nutrition, and in cash money as well.

As the housewife comes to rely on special services in food preparation, it is inevitable that her food costs will rise. In many cases, the various steps taken to process a staple food item from its original form to the "instant" product adds up to a cost 500 per cent in excess of the food's original cost.

This leaves us with a paradox of the times—paying much more for food that we are likely to get less out of. Think of it the next time you go grocery shopping.

DUFFAU

By MRS. PASCAL BROWN

The Duffau Home Demonstration Club met February 25 at the club room at the Duffau School, with seven members present. Report from Council was given by council delegate, Johanne Witt. The next club meeting will be Monday, March 10, instead of Tuesday, March 11.

Mrs. George Boucher of San Angelo visited with Mr. and Mrs. C. D. Herrin Sunday night.

Mr. Earl and Cleo Eldins of Dallas visited with Mr. W. D. Eldins and family during the past week.

Mr. Gilbert Wood, county agent of Stephenville, visited school Wednesday.

Mrs. F. E. House was a patient in the Hico Hospital last week. We wish for her a speedy recovery.

Mr. A. B. Naul and Eldon of Memphis spent the week end with home folks.

Mr. and Mrs. W. C. Urwin have moved back to their farm home here after being employed in Cleburne for several months. We welcome them back.

Mr. and Mrs. P. D. Ash and sons of Stephenville spent Saturday with her parents, Mr. and Mrs. Pascal Brown and family.

Mr. and Mrs. J. H. Albright of Stephenville and Milton Copeland and Dana Horn of Abilene were visitors with Mr. and Mrs. W. C. Rogers Sunday.

Mr. Lee King returned to Hobbs, New Mexico Saturday when he is employed.

Mrs. Sonny Christian and sons attended services at the Church of Christ Sunday afternoon.

Mr. and Mrs. Roswell Martin and Debbie of Stephenville visited with Mr. and Mrs. Stanley Roach Sunday afternoon.

Mr. and Mrs. S. R. Witt spent Saturday with Mr. and Mrs. L. T. Witt and Anada.

Mr. and Mrs. Louis Giesecke Jr. and daughters of Stephenville visited with Mr. and Mrs. T. R. Drury Sunday.

Visitors with Elmer Gieseck Sunday were Milton Copeland, Dana Horn of Abilene, and Louis Giesecke Jr. of Stephenville.

Mr. and Mrs. Buddy Engler and children of Houston and Max Nachtigall of Eunice, New Mexico visited with Mr. and Mrs. C. C. Nachtigall and family during the

FREEDOM IS A MIGHTY SWORD

We Americans can rightly be proud of the fact that we are a peace-loving people. That our aim as a nation is to strive to improve human welfare, with freedom and justice for all. * Such a people is always slow to anger, tolerant and patient. But when patience is exhausted, a peace-loving people can turn its peace-time skills into weapons of fierce and righteous wrath. There is only

one way such a nation could be enslaved. That would be through propaganda that misleads; through lack of knowledge, and of truth. America's greatest strength is... freedom of the printed word... to give the people truth, truth that builds freedom of thought, of word, and of vision. * This great Freedom tempers the steel out of which a nation and a people can forge mighty swords.

Erath Farm Bureau Officers Attend District Meet at Brownwood

O. V. King, president, Erath County Farm Bureau, M. S. John Golightly, secretary-treasurer, and Gilbert Wood, Erath County Agent, attended a District 7 Farm Bureau meeting in Brownwood Monday, March 3. Officers and directors from 18 counties were present.

Purpose of the meeting was to inform people of important state issues that are likely to be coming up in the next session of the Legislature. Some of those discussed were farm to market roads, re-districting commissioner's precincts, permanent school funds, electric cooperatives, and animal health problems. Farm Bureau leaders from the Waco office were in charge of the meeting.

"It is the opinion of Farm Bureau that no changes should be made in the present system of allocation of funds for farm to market road construction. This is especially important when it is considered that there is still approximately 100,000 miles of unimproved roads in Texas, and approximately 60,000 miles of which are school bus routes."

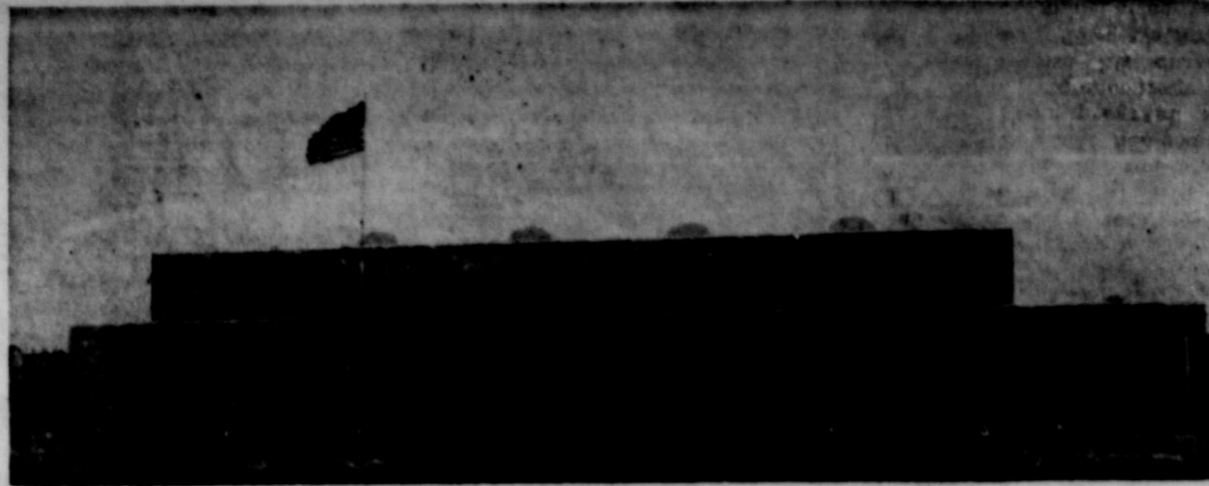

"Appropriations should be increased for the present farm to market road program. Also all present funds in counties now being used to build and maintain roads should not be eliminated or diverted to other purposes."

"All-weather farm to market highway roads should be built under local administration with priorities given: 1. School bus routes; 2. mail routes; 3. population per mile. We request that the Texas Highway Department in all future proposals for expansion of the state highway system, continue to give serious consideration to the urgent need for additional farm

Church—Over-Organized?

By LOUISE BLAIR

There are those who discredit the church, saying it is over-organized. Organization is necessary, but only as a tool. Without organization there is anarchy. Organization makes possible the harnessing of energy, the division of responsibility, the strength of unity, the conservation of gains, and cooperation for strength and service. All of us have a responsibility to work in the church and to lead exemplary lives. Furthermore, we have a task to call others to dedicate their lives to service through the church.

to market rural roads and that this phase of road construction receive its rightful share of mileage in carrying this system toward completion."

"Rights of way for Federal highway projects should be purchased by the State Highway Department."

This issue is of vital interest to the farmers in this county, many of whom are still in the mud. It is necessary for farmers to understand these problems and to be able to discuss them with their senators and representatives.

Erath County Farm Bureau will be conducting a membership drive in April and you will be given an opportunity to know more about some of these problems and how you can help to solve them to your best interest by joining with your neighbor to help to do the thing you cannot do by yourself.

Too Late To Classify

FOR SALE or trade for milk cow, 16 foot International Harvester deep freeze. Alvin Hicks. 44-tfc.

Every man's talent is needed. The church is people and depends upon them. Not many people would like to live in a community where there is no church. Too often, though, we are willing to live in a community where there is a church and let others do the work and support the church. Unless members are willing to work, they may become spiritual parasites, especially if they leave the spiritual nurture of their family and friends to others.

Church organizations everywhere are moving again with their traditional zeal, individually spurred by an oldtime couplet that has been revived bringing ultimate compensations. It goes like this:

If every church member were just like me,

What kind of a church would my church be?

We are living in what may be termed a power crazed age. Within the last fifty years the power potential of mankind has increased not merely a dozen or a hundred but a hundred thousand times.

Modern man has unlimited power for everything except the one thing he needs most: the power to love his neighbor as himself. Without this power his scientific accomplishments have more horror than hope.

The church is the one great source of this human power for loving and living as God meant.

Let us begin today putting more emphasis on regular church attendance and the giving of our time, our talents and our gifts toward carrying on the work of our Lord.

God has given us the entire week. Is it asking too much that we give him one hour on Sunday morning?

Stephenville to Dedicate New National Guard Armory Sunday, Mar. 9

Stephenville, March 5.—The new \$110,000 National Guard Armory of Stephenville's Company D. will be dedicated and open for public inspection Sunday afternoon, March 9 from 2:00 until 5:00 o'clock.

Major General Carl L. Phinney, Commanding General of Texas' 36th Infantry Division, will make the keynote address in the short dedicatory program preceding the open house. Others on the program include Chaplain N. Ray Harrell, Lt. Col. USAR; Col. E. J. Howell, USAR; and Lt. Col. Thomas C. Yantis, Texas National Guard. Capt. J. Louis Evans will be master of ceremonies for the program, with music to be provided by the Tarleton State College ROTC Band under the direction of Joe Trawick.

Construction on the new brick armory of Company D. was started in May 1957 and was completed in February 1958. The building contains approximately 14,000 sq. feet of floor space and is divided into five offices, kitchen, day room, two rest rooms, locker room, vault, supply room, two class rooms divided by a sliding curtain, and an assembly hall.

The armory site has been landscaped through donations from the members of the company, and caliche parking lots have been constructed adjacent to the building by the City of Stephenville and Commissioners of Erath County.

One of the highlights of the open house will be a public showing of the Regimental Silver Service of the 142nd Infantry Regiment. The silver service was made for the regiment by silversmiths of Gmund, Germany during World War II. It consists of a large bowl, two ladies and 150 individual cups. Each cup is engraved with the regimental insignia, as is a large silver plaque which is a part of the service. The silver service is valued at \$1,000.00.

Capt. J. Louis Evans, commanding officer of Company D, has invited all the people of this area to attend the open house. The dedication program will start at 2:00 p.m.

Sgt. Richard Garza of Hico is a squad leader in the Anti-Tank Platoon of Company D.

Iredell Host to Bosque County Farm Bureau

Iredell was the host for the Bosque County Farm Bureau when 80 members and guests assembled at the High School Cafeteria for a regular monthly meeting and covered dish supper Friday evening, February 28.

The following students entertained the full house with a solo, comedy skit, and quartet: Miss Ann Sadler, Miss Melba Koonsman, Miss Nicky Beth McAdams, E. D. Cunningham, and John Matthews, who also led the group singing. The assembly showed their appreciation by long applause for the program.

Reports from the officers, and announcements were made, and the guests present were recognized.

President W. B. Oswald introduced the speaker of the evening, Millard Shivers, Director of Organization from the Texas Farm Bureau, who gave interesting points on the value of Farm Bureau to farmers and ranchers, its purposes, its program and its platform. He emphasized that Farm Bureau members believe in the American competitive enterprise system and that man's search for progress should be encouraged by maintenance of opportunity, not hindered by illusions of security. The Farm Bureau is a free, independent, non-governmental, voluntary organization of farm and ranch families united for the purpose of analyzing their problems and formulating action to achieve educational improvement, economic opportunity, and social advancement, thereby promoting the National welfare. It is local, national, and inter-national in scope and influence, and is non-partisan, non-sectarian, and non-secret in character. Their program, among other things, is to encourage everybody to exercise his citizenship responsibility. The platform he outlined were made effective only as members meet the challenges, study the problems, and formulate action.

FFA MEMBERS

(Continued from Page 1)

They had a high team total, and Lackey got within four points of winning a dairy heifer.

The Livestock Judging team which was composed of Pat Lackey, Roland Sherrard and Gail Christian also made a good showing. Christian got within 14 points of receiving a calf, and Sherrard and Lackey were also high.

The Grass Judging team, composed of Doyle Crews, Buzzy Hedges and James Jordan won \$10 in prize money.

The boys will be well prepared

to take honors in the calf scramble show next year, as Mike Lackey and Royce Samford will be showing in the Scramble Division. Mike and Pat were both entered in the calf scramble Sunday night and Mike was one of the lucky ten to catch a calf. He was presented a certificate for \$125 with which to purchase a calf. Pat nearly caught a calf and made a good effort. These were the largest and roughest calves that ever had in the calf scramble. Royce made such an effort, and took such an interest in his project that his sponsor another calf for year and he will show scramble classes again next year. (Ed. Note: The above compiled and written member Gail Christian, hereby thank him for his

C. A. Russell, 74, Buried Here Monday

Funeral services for Charles Albert Russell, 74, who passed away Saturday, were held Monday afternoon at 2 o'clock in Hico Baptist Church. Burial was made in Hico Cemetery, under the direction of Barrow-Rutledge Funeral Home. Rev. Dwight Lusk officiated at the final rites.

Mr. Russell, who was a retired farmer, was a native of Bosque County and had lived in Hico since 1945.

He is survived by his widow, Mrs. Mina Russell of Hico; his father, Ferdinand Russell of Iredell; four sons, Charles A. Russell of Waco, Newell Russell of Durango, Colo., Donald W. Russell of Arlington, and Elton Russell of Fort Worth; two sisters, Mrs. May Ragsdale of Austin and Miss Faye Russell of Iredell; three brothers, Roy Russell of Abene and Rob and Lee Russell of Iredell; nine grandchildren and one great-grandchild.

Pallbearers were Leonard Howard, J. P. Rodgers, Edgar Bradley, Louis Chaney, Sandy Ogle, and Arthur Burden.

CARD OF THANKS

We wish to take this method of expressing our sincere appreciation to everyone who sent flowers, food, the cards, all words of sympathy, and offered their assistance in any way at the death of our loved one. We shall always remember your thoughtfulness.

The Family of C. A. Russell.
