THE WINNER—Mrs. O. C. Cook, third grade teacher, is shown accepting the winner's award in the recently completed membership drive staged by the Parent-Teacher Association. The award, a world globe, was presented to the third grade

P-TA Membership Campaign Won By Third Grade Class

Final tabulation last Friday of the week-long membership drive of the Hico P-TA revealed that the goal of 100 paid members in the organization had been reached.

Mrs. O. C. Cook's third grade class won the contest with 17 new P-TA members. Winners were presented a world globe for classroom study.

In making the announcement of the winners, Mrs. H. R. Baker, chairman of the membership committee, said she and committee members, Mrs. Milton Dunlop and Mrs. John Pitts, would like to express their appreciation to everyone for making the drive a success.

The classes and new members secured are as follows:

First Grade	15
Second Grade	5
Third Grade	17
Fourth Grade	11
Fifth Grade	11
Sixth Grade	8
Seventh Grade	9
Eighth Grade	8
Ninth Grade	5
Tenth Grade	5
Eleventh Grade	2
Twelfth Grade	3

ATTENDS HIGHWAY 281 ASSOCIATION MEETING

H. R. Baker, representing the Hico Civic Club, attended the State Highway 281 Association meeting in San Antonio last Sunday.

night when the grid teams clash. We feel we can really put on a show for you. Hope your band is up to par.

By the way, we're bringing a pretty good football team, too.

COLLIS SELLMAN
Meridian, Texas.

Residents of both Hico and Meridian should be extra proud of their representative bands, because the program costs more in actual dollars than any other in the school system.

The entire cost of maintaining a band program is an obligation of the local district, that is, the district receives no state funds for such a program, and salary, supplies, etc. must be financed in its entirety by the district.

The band parents organization defray much of the cost of supplies by conducting various fund drives, but the fact remains, the major portion is paid by the district. We are, of course, assuming that Meridian's program is carried out in a similar manner as that of Hico's.

As Collis said, Hico and Meridian are the only two schools in the district with such a program, and are one of the few Class B schools in the state who have such a program.

Thanks for the letter, Collis, and we'll see you at the game. Incidentally, Hico has a pretty fair "country ball team," and we predict that fans will see a tremendous game Friday night. Give or take a little either way, the score should be something in the neighborhood of 6 to 8 points difference, take your choice of teams.

Third Grade Visits Fire Dept. During Fire Prevention Week

Local school activities this week have placed emphasis on National Fire Prevention Week. Special fire drills have been conducted in each building as a safety precaution.

Grades three, five, six and eight in the elementary school have made special posters and written themes on the subject of fire safety. Each grade has participated in the Junior Fire Maw-hall program, sponsored by the Hartford Insurance Company.

The new bulletin boards in high school have attractive arrangements emphasizing fire safety rules.

The third grade class made a visit to the local fire department. Mr. Billy Doty and Mr. W. R. Hampton showed the group through the entire department. The class began their visit in the firemen's hall where the organization holds regular meetings and make plans from here they were directed to the fire station where the trucks and equipment are housed. The big hook and ladder truck with all

the special equipment including ladders, hoses, fire extinguishers, ax, and others, was most interesting to the class.

The importance of the rural fire truck with its extra large tank for carrying its own supply of water to rural fires was pointed out to the group. The class was allowed to inspect all equipment and ask questions.

Perhaps the high point of the visit came when the firemen carried the whole class, including their teacher, Mrs. O. C. Cook, for a ride around the block on the hook and ladder truck.

Students making the visit were Billy Cooper, Russell Cryer, Frank Bonner, Wayne Baker, Bette Boyd, Elizabeth Williams, Gerald Fellers, Alan Magee, Linda Hunter, Linda Sue Flowers, Mary McElroy, Susan Riley, Carolyn Doty, Rebecca Sue Martin, Penny Dunlop, Richard Bullard, Sandra Patterson, Brenda Rainwater, Rex Carmichael, Nancy Davis, Clea Cox, Neil Wade, Linda Louise Satterfield, and Patrick Norrod. Contributed.

Funeral services were held in Fort Worth Thursday, Oct. 6, for Mrs. Grace Garrett Mingus of Iredell, who died Wednesday in Hico Hospital following an extended illness.

Burial was made in Mount Olivet Cemetery in Fort Worth.

Mrs. Mingus was born in Texas Jan. 12, 1884 and was 76 years of age at the time of her death. Surviving are her husband, Nathaniel Mingus of Iredell; one daughter, Mrs. Ellen Brown of Fort Worth; one son, Dan P. O'Malley of Fort Worth; one sister, Mrs. C. L. Blackwood of Dallas; five grandchildren and four great-grandchildren.

Den 2, Cub Scouts Have Regular Meeting

Den 2, Cub Scouts, met last Thursday for their regular meeting.

This month is Fire Prevention Month, and the boys made emergency telephone cards to be posted by their telephones. They also started "Mr. Jigs," made of popsicle sticks. These will be finished and displayed at their Pack meeting Oct. 17.

Boys present were Wayne Baker, Rusty Cryer, Ronald Fellers, Charles Goughly, James Gordin, Bryan Ganske, Pat Norrod, Duane Willingham, Neil Wade, and Frank Bonner.

One visitor, Melvin Powers, was also present, and Den Chief Bill Rutledge.

Refreshments were served by Mrs. Fellers. Den Mothers are Mrs. James Cryer, Mrs. H. R. Baker and Mrs. Ben Ganske.

Nix and Mrs. Jim Noonkester of Hico, and Mrs. Lucy Poe of San Antonio; four brothers, Elmer Giesecke of Duffau, L. V. Giesecke of Stephenville, Stanley and M. E. Giesecke of Hico; 29 grandchildren and 31 great-grandchildren.

Sons-in-law served as pallbearers.

IN WACO FOR TRUMAN SPEECH

Mr. and Mrs. O. H. Brummett were in Waco Tuesday to hear former President Harry Truman speak on behalf of the Kennedy-Johnson Presidential campaign. House Speaker Sam Rayburn, Senator Ralph Yarborough, and many other notable Democratic leaders spoke to about 5000 people in the Heart of Texas Coliseum.

Important District Opener Rated As Toss-Up

Tonight's the night! For all practical purposes the game pitting Meridian and Hico which is to be played tonight, Friday at Tiger Stadium, is THE game of the year. The tilt has traditionally been the turning point of the season for both teams, and this year is no exception.

The contest, first district outing for both teams, will get underway at 7:30 p.m.

Meridian will come to town supporting a better season record than the Tigers. They have won four games while losing two. The Tigers' mark reads 3.3. The Jacks' losses have been to Joshua and Clifton, and they have a four-game winning streak going at this time. Their latest victim was Toiar, whom they defeated last Saturday night 35-0.

Kittens Defeat Meridian 50-22 Tuesday Night

Hico Junior-High Kittens ran their season record to four wins as compared to one defeat Tuesday night of this week when they clobbered the Meridian Juniors 50-22 in the final district game of the year.

The Kittens will close out the season at the local stadium next Tuesday night when they host the same Meridian team in a practice game.

In district play the Kittens lost only to Valley Mills, while winning from Cranfills Gap, Evant and Meridian.

Charles Erick scored three touchdowns in the Tuesday game, while Larry Dutton and Alan Solbery each scored two.

The final game of the season next Tuesday will begin at 7 p.m.

Ranked number six among Class B teams in Central Texas, the Jackets will be at full strength for the tilt tonight. The Tigers will be in the best condition ever for a Meridian game. The past three years have found crippling injuries robbing the Tigers of any chance that they might have had against the Jackets, but this year there will be no excuses. Only one Tiger starter is listed on the casualty ticket, Fieldon Haley, top defensive hand, who suffered a dislocated ankle in the Gorman game. A mid-week doctors still had the ankle in a cast, but reports were that the fine guard would be able to see limited duty. Other Tiger team members have been declared sound.

Meridian relies on their big quarterback, Rex Coffelt, who has been impressive in each of the Jackets' games to date, and a host of small but fast backs for their scoring punch. Hico will counter with one of the leading scorers in Central Texas in halfback Neil Ellis. Joining Ellis in the backfield will be Bobby Boone, who has had a fine season thus far, and Don Jernigan and Harold Hathcock.

In the line Coach Barnett will probably start Mitchell Mayfield and Mark McElroy at ends, Lee Blue and Gary Brewster at tackles, Larry Erick and Robert Reed at guards, and Mike Lowe at center.

Meridian has been picked by the Waco News-Tribune to win the game, but observers close to the scene feel that it will be anyone's game, with the team getting the breaks winning.

One thing for sure, according to the experts, the game is being billed as runnerup winner in District 23E. The winner is given only an outside chance of defeating defending champion Valley Mills, who are undefeated in the last 14 games.

A large crowd is expected for the 7:30 p.m. kickoff.

Safety Program Scheduled Oct. 8 At Hamilton

A Driver's Re-Education Course will be taught by Mr. Bill Cooksey, a former Highway Patrolman of Hamilton County, who is now serving with the Department of Public Safety in Waco. The course will be taught in the Hamilton courtroom on Tuesday evening, October 18, beginning at 7:15 p.m.

A 45 minute class will be first taught on Driving Procedure. Another 5 minute class on "Let's Teach Drivers How to See."

The Home Demonstration clubs of Hamilton County are sponsoring the course, and sincerely hope each one interested will attend. The course is designed for teenagers as well as adult drivers.

ATTEND FUNERAL IN FORT WORTH

Mrs. Ethel Lackey and Miss Florence Chenault were in Fort Worth this past Saturday afternoon to attend funeral services for Henry Clay Lackey. Also attending the services from Hico were Miss Louise Blair and her father, Jake Blair.

Ann Joe Knight of Memphis, Tenn. visited last week in the home of his parents, Mr. and Mrs. Nick Knight, while en route to his new base at Norfolk, Virginia. Another son, Mr. and Mrs. Royce Knight and daughter, Pamela of Austin also visited in the Knight home, and with her parents, Mr. and Mrs. H. A. Warren Jr.

Tigers Gain Third Win of Year 32-8 Over GSTS

The Hico Tigers roared to three touchdowns and a 20-point lead in the first half last Friday night, and then coasted to a 32-8 win over the Gatesville State Training School.

The victory came a little harder than perhaps the Tigers themselves anticipated, with Gatesville fielding one of the best teams ever seen from that school. They were big, hit hard, and consistently gained against the Tigers.

Nell Ellis, with three touchdowns, again led the Tiger offense. Ellis was even more impressive against Gatesville than he was the week before against Gorman when he scored six touchdowns. Against Gorman Ellis had gapping holes to run through, but the Tiger line failed to make the holes against Gatesville, and the flashy halfback made most of his yardage with some real line running.

At times Hico's defense and offense shown like a bright star, but at other times they were hard pressed to gain a first down or stop a Gatesville threat.

All in all, it was a good victory for the Tigers, and the score could have been more. Coach Barnett elected to play the youngsters part of the third period, and all of the last half.

Highlight of the game was on the second half kickoff. Ellis took the kick on his own 15, and raced all the way for a touchdown. He was in trouble briefly at the 40, but bounced off tacklers and set sail up the right sidelines for 85 yards and the score.

Hico's first TD came early in the first quarter when Gatesville decided to try for extra yardage on fourth down and failed. From the 40 the Tigers needed only four plays to cover the distance, with Harold Hathcock connecting with Mitchell Mayfield for 16 yards and a score. Ellis' attempt at running for the two conversion points failed and Hico led 6-0.

After the kickoff Gatesville again elected to go for yardage needed for a first down and failed, relinquishing the ball on their own 20. On the first play from the 20 Ellis hit off right tackle, and went all the way for the score. It was a beautiful run for Ellis, who appeared to be down twice before righting himself and going on into the end zone. Thus, the Tigers ran only five plays and had produced two touchdowns. Bobby Boone blasted in for two points making the score 14-0.

Following the TD Gatesville roared back and worked all the way to the Tiger two yard line before a stout Tiger defense halted the drive.

Taking over at their own two the Tigers drove 98 yards in seven plays for the touchdown. Big gain in the drive was a Don Jernigan to Ellis pass which covered 62 yards to the six. After the pass received, Ellis made one of his best runs of the year, in running over and around the Gatesville defenders before being tripped up at the six yard line. From the six Boone got two yards to the four, and

Ellis hit for the final four yards and the score.

Gatesville threatened mildly once more in the first half, intercepting a Tiger pass at the 10 yard line and racing all the way to the Tiger 24. However, the locals dug in and held at that point, ending the first half.

Ellis upped his touchdown production on the opening kickoff of the second half, running 85 yards for a score.

The Tigers' final TD of the night was set up when Mike Lowe recovered a loose ball on the Gatesville 39. After an incomplete pass, a three yard loss, and a three yard gain, the Tigers were forced to punt. On the punt a Gatesville man touched the ball, letting it roll free and the Tigers recovered at the 18. Ellis picked up 16 to the two yard line, and Boone smashed in for the touchdown, making the score 32-0.

In the fourth period, Gatesville cranked up their offense against the Tiger second team and marched 85 yards for their only score of the night. The TD came on a 13-yard scamper by Richard Wells.

On the following kickoff, little Jerry Casey brought the Hico fans to their feet by scampering 37 yards to the Gatesville 38. With a little more speed the freshman halfback could have gone all the way.

The ball game ended shortly after the kickoff, with the Tigers balancing their season record at 3-3.

CARLTON

by MRS. FRED GEYE

Several from Carlton attended the funeral services in Dublin and burial in the Carlton Cemetery Thursday afternoon for Carl Turney, 65, well known in Carlton. He was the brother of Mrs. Delma Fine and an uncle of Mrs. Hob Thompson of Carlton. Carlton Community Shocked At Death of Rance Sowell

The entire town was shocked and grieved Friday afternoon when the sad news was spread that Rance Sowell had been found dead in the bath tub at his home where he had lived alone since the death of his wife.

A neighbor, Dock Finley, hadn't seen Mr. Sowell since Thursday and becoming alarmed went to investigate and found the body about 4 p.m. It was presumed he had been dead about 29 hours from a heart attack.

Funeral services were conducted Sunday afternoon at 2 p.m. in the Baptist Church where Mr. Sowell was a faithful member and a deacon. The pastor, Rev. Eddie Rickenbaker, officiated at the church, and was assisted by Mr. Sowell's son-in-law, Rev. S. W. Miller of Brownfield, former pastor of the Carlton Baptist Church.

Lorenzo Dow Sowell, son of Wylie Ansel Sowell and Mary Eliza

beth Carter, was born in Searcy, Ark. Dec. 9, 1882. On July 27, 1902 he was married to Miss Eura Vir-die Findley. To this union four daughters and one son were born, who are: Mrs. S. W. Miller of Brownfield; Mrs. Ernest Dove of Dublin; Mrs. Dee Roy Dove of Pasadena and Mrs. Chesley Kennedy of Longview, and L. D. Sowell Jr. of Cleburne.

His wife preceded him in death April 17, 1959.

He is survived by his children: nine grandchildren, six great-grandchildren; one sister, Mrs. Henry Turner of Stephenville; one brother, B. T. Sowell of Colorado Springs, Colo.; many other relatives, and a host of friends.

Burial was in Carlton Cemetery. Pallbearers were Walker Curry, Otho Stuckey, Dock Finley, Sam Sharp, Hob Thompson and Fern Jordan.

FAIRY

By MRS. EUNICE RICHARDSON

...were very sorry to learn of the passing of the late L. D. Sowell of Hico, who formerly resided in the Lanham community. Our sympathy is extended to the family. Mr. Thornton died of a heart attack. He had suffered a heart ailment the past several years. The Thornton family formerly resided on the Oglesby ranch in the Lanham community and the children attended Fairy schools. Mr. Thornton is survived by his wife and several children, one sister, Mrs. Paul Henderson of Hamilton, two brothers, Neal of Cleburne and Wallace of Abilene. Funeral services were held at Socorro last Thursday at 2 p.m. with burial there also. Our deepest sympathy is extended to the bereaved wife, children and other relatives.

Those from here attending funeral services for Mr. Charlie Giesecke last Friday at Hico were Mrs. E. M. Hoover, Mrs. H. O. Richardson, Mr. and Mrs. Herman Sills and the writer. We had known the Giesecke family for many years, having attended church at Millerville when our parents resided in the Duffau community.

The Giesecke family also attended church at Millerville. Our sympathy is extended to Mrs. Giesecke and children and families and other relatives in this time of sorrow. Mr. and Mrs. E. M. Hoover and the writer were business visitors in Fort Worth Monday. While there we visited the new Tarrant Savings and Loan at their new building, which is very nice indeed. Misses Peggy and Joyce Jones of Lanham were dinner guests of their cousin, Miss Carolyn Sellers Sunday.

Mr. and Mrs. Jack Haile of Fort Worth visited during the week end with her parents, Mr. and Mrs. Herman Sills. Bro. Bill Nix of Huckabay filled an appointment at the Church of Christ Sunday and he and his son, who accompanied him, were dinner guests in the E. M. Hoover home. Jerry Richardson was also a guest in the Hoover home. Bill Lackey of San Antonio spent the week end here and remained through Monday to do some fencing at his place. Seems deer are getting to be plentiful in these parts as they are frequently seen in the near by fields near the mountains. Mrs. Coyt Clark struck one with her car one night last week as she was on her way to inform her brother-in-law and wife, Mr. and Mrs. Ovie Clark of the illness of his brother, Audie. The deer seemed to be blinded by the car lights and jumped against the side of the car, denting the door. Bro. Marvin Porterfield filled an appointment at the Cranfills Gap Church of Christ Sunday. His wife and son, Billy Marvin, accompanied him. The writer attended singing at the Lund Valley Church Sunday.

Before singing hours we visited a while in the A. H. Sumerford home in the Ohio community. Sorry to learn that their son, V. S. of Freeport had suffered a severe heart attack on Wednesday of last week, and expects to be hospitalized for several weeks. It will be remembered by many that his mother also suffered a heart attack a year ago this month at Olin just after attending singing. She has never recovered sufficiently to attend church or singing, but is able to be up about in the home. We hope both she and her son will soon be much better. Mrs. F. V. Noland of Hamilton

21; Mrs. E. C. Allison Sr. Waco, Oct. 23. We hope to get by with only one more working of the cemetery between now and frost, and we are going to need additional funds if it requires as much work as usual. The recent rains have made grass and weeds grow more rapidly. While at the Sumerfords Sunday we learned that they had two and three-tenths inches of rain at their place last Tuesday night. We only received a light sprinkle at this time. Mr. and Mrs. O to Jordan, their son and family, Mr. and Mrs. Bob by Jordan and two children, all of Cleburne visited Sunday in the home of her brother, Mr. and Mrs. T. R. Parks. Mr. and Mrs. Willis McAdams of near Cranfills Gap also visited a while in the Parks home Sunday afternoon. Rev. and Mrs. Ernest Wall of Brownwood were Fairy visitors

Sunday. They visited a while at the E. M. Hoover home and remained to attend church at the Baptist Church that night. Mr. Wall resided in the Ohio community during his teenage days and also attended activities in the Fairy community, and decided he would like to drive down and check on some of his old friends, but found that very few were still living in the community. The Hoovers and W. E. Cunningham, and probably a very few others. Mr. Wall is a retired Baptist minister. Farmers are very busy sowing grain and preparing land. We need more moisture to bring up the grain to a good stand, and hope we get more rain soon. Most of the cotton has been stripped. Very little was pulled this year in this area. Mr. and Mrs. Truett Turner and sons of Fort Worth visited during the week end in the home of her parents, Mr. and Mrs. T. R. Parks.

THE 1961 LANCER, Dodge's new entry in the compact car field, is available in a variety of two- and four-door sedan, hardtop and station wagon models. Above is the four-door sedan.

Which Democratic Platform?

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against. What will be your choice? It is between a party label and the best interest of Texas and the Nation. Alan Shivers says: "I'll TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests. I will vote for Richard M. Nixon and Henry Cabot Lodge."

Mr. and Mrs. Arthur Auvermann are in San Antonio entertaining a new granddaughter, born the past week end to Capt. and Mrs. Bradford Wood. Farmers are busy having their corn gathered.

Pecan gathering time is here, but around in this neck of the woods there aren't many pecans on the trees. W. F. Haley returned home from the Stephenville Hospital Friday but is still suffering with his back ailment.

Mrs. Lura Hollingsworth will be getting the home town news through the News Review for the next year, and stated she hoped the Clairette news would be in the NR. Thanks, Mrs. Lura, and I will do my best to have news from Clairette in the NR each week.

We are very sorry that Bro. and Mrs. N. E. McGuire lost their daughter. She was buried Sunday. She was a resident of Dallas.

PREVENT SAG AND STRETCH IN JERSEY FABRICS

Ever see a jersey dress that sagged at the seams or seemed stretched out of shape? Proper cutting and construction technique can help prevent this condition.

Here are some factors to keep in mind.

Correct grain line on every pattern piece is most important in assuring the right drape and hang of the garment.

Jersey is a knit fabric with yarns looped together rather than interlaced as in a woven fabric. To find grain line, locate and mark a continuous lengthwise rib on the right side of fabric. Use chalk or a basting line to mark. Lay fabric smoothly and easily on flat surface and place grain line markings of all pattern pieces straight with rib of fabric.

If the jersey fabric slips or stretches very easily, pin to heavy paper before cutting out pattern pieces.

Stay-stitch all curved and bias edges with matching thread, using short stitches to hold edges true and prevent stretching.

When machine stitching use a fine sharp needle to keep tension loose. Best thread to use is silk, nylon or dacron as all have elasticity to match the stretch of jersey. Cotton thread can be used. Stretch the fabric a little as you sew to keep the seam elastic.

EGGTOBER MONTH

In keeping with eggtober month, let's try a new egg dish:

SOFT CUSTARD

- 2½ cups milk
- 4 eggs, slightly beaten
- Half cup sugar
- Fourth teaspoon salt
- 1 teaspoon vanilla extract
- Half teaspoon almond or lemon extract.

Scald milk in a saucepan over medium-low heat. Blend eggs and sugar in bowl. Pour milk into eggs and sugar gradually, stirring constantly. Pour mixture into saucepan. Cook, stirring constantly, using a medium-low heat, until custard coats silver spoon. Remove from heat immediately. Cool promptly—placing pan with custard in pan of cold water, or pour custard into bowl in which it is to be refrigerated. Stir in salt and

flavoring. Cover custard with foil or waxed paper. Refrigerate. Makes three and a half cups soft custard. This may be served as a sauce with prune whip or cake, or may be served in a number of different ways.

BACK-TO-SCHOOL IDEAS

Getting youngsters dressed for school is a hurry-up affair in many families. Time is important, but so is training the child to become independent, responsible and neat in dressing himself and caring for his clothes.

Here are some tips that will help:

1. Help children arrange their

school clothes separately in ty, church, and miscellaneous clothes in their closet.
2. Encourage them to matching socks, ribbons, and hangers with dresses or
3. Encourage them to they will wear each day before, to make sure every ready to go in the morning.

CHATTER

By HELEN OGLE

Trying to fill this space that's allotted me each week with loose talk or chatter can get to be a job. Usually carry a pen and note paper with me at all times, hoping to overhear something, and keep my eyes open in hopes of catching at least somebody off guard. Some weeks this pays off, but on the other hand, some weeks it can be pretty dull, so loosen up and let's have some newsy chatter from someone.

It's always nice to have Paul Neel stop by the office, as he can almost always liven things up with one of his humorous stories. I'll even bet Paul could fill a book with his stories, if he'd take the time to do it.

Chatted with Betty Walker this week, and she said she enjoyed her trip last week end, but was most glad to be home and didn't anticipate traveling any where else soon.

Grady Hooper was out early Monday morning attending to those end-of-the-duties, and was enthused over the deer season that will soon be open.

Louise Blair is having all sorts of trouble this week, and says if things don't change, she's going to fire herself from Blair's Hardware. Things can't ever get that bad Liza, so struggle along with us.

Wayne Rutledge and James Cryer were having all sorts of complications with the World Series games, and Wayne can tell

Mrs. Edwards Hostess To Clairette H.D. Club At Recreation Center

Mrs. J. G. Edwards was hostess to the Clairette Home Demonstration Club October 7 at the Recreation Center. Mrs. John Golightly, president, called the meeting to order. The group sang the National Club Song, "Ever Onward." Mrs. Willis offered prayer.

For recreation Mrs. Edwards gave a scrambled word contest. A guest, Mrs. Slaughter, gave the most words and was given a gift by the hostess, as was Mrs. Ge. lightly for being lucky lady.

Roll call was answered with a shopping hint.

Mrs. Edwards gave a report on the September Council meeting.

County Agent Mrs. Deane Valentine gave a very interesting and helpful demonstration on hard floor covering, showing many samples of vinyl, asphalt tile and rubber tile. The care, cost and service of each was discussed.

Mrs. Edwards served refreshments to Mrs. John Golightly, Mrs. Chance Sterling, Mrs. Frank Johnson, Mrs. H. G. Wolfe, Mrs. George Loden, Mrs. O. V. King, Mrs. John Willis, Mrs. Deane Valentine, Mrs. Arthur Lambert and daughter, Mary, Mrs. Edna Slaughter, and District Agent Miss Annie Lucy Lane.

Iredell Baptist Church James T. Draper, Jr., Pastor Annual Associational Meeting

Our church sent five messengers to the annual meeting of the Meridian Association last Monday and Tuesday evenings at Valley Mills. We rejoice over the progress that was made the past year in our association, and we rejoice that our church had the privilege of sharing in that progress.

Lord's Supper Service

Next Sunday night, October 19, our church will have the Communion of the Lord's Supper. The service will begin promptly at 7:30 p.m. We cordially invite each member of our church family to come and participate in this very significant service. This Communion is done by the express command of our Savior and we cheat ourselves by failing to participate in this communion service. Through it we can come closer to God and find His will for our lives.

Prayer Meeting Wednesday

Last Wednesday evening our church participated in the prayer service of the First Church in Meridian. Those who went were thrilled by the showing of the film based on the life of Martin Luther. We continue our study in Colossians next Wednesday night at 7 p.m.

CARD OF THANKS

We would like to extend our sincere thanks to all our friends and neighbors for their kind words of sympathy, and for the beautiful flowers and cards received during our recent sorrow in the death of our loved one. May God bless each of you for your thoughtfulness.

ALEXANDER By MRS. ALICE WILSON

Visitors during the week end with Mr. and Mrs. Zeb Tidwell were Mr. and Mrs. T. P. Tidwell from Jackson, Florida, Mr. Vanda Scott from California, Mr. and Mrs. Milton Ascue and daughter from Fort Worth, and Mr. and Mrs. Vernon-Hewitt from Walnut Springs.

Mrs. Alice Wilson was in Fort Worth last Monday for a physical examination.

Mr. Bob Moore had the misfortune of falling last Sunday morning and breaking his leg. An ambulance from Dublin was called and he was rushed to the Hico Hospital.

Mrs. Nancy Moore of Abilene, who has been visiting her sister, Mrs. Edgar Keith in Fort Worth, visited in the home of Mr. and Mrs. Ethan Gray and the Keith family during the burial services of Mrs. Alice Keith last week.

Mrs. Bettie Tidwell, who has been a patient in the Dublin Hospital for several days, is improving and is able to be brought home. Her many friends wish for her a speedy recovery.

Mrs. Anjle Webb, who has been visiting her children at Austin and Taylor, has returned home for a two-week visit.

Mr. and Mrs. E. Barron of Kingsville visited in the home of Mr. and Mrs. Ethan Gray Tuesday morning. Mrs. Barron is the former Polly Panches, who was raised in this community.

Mrs. Jack Chaney and her daughter, Mrs. Sue Sherrard and husband and son, Billy Joe visited Sunday afternoon in Mullin with her brother and family, Mr. and Mrs. T. C. Chaney and daughter.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to everyone who extended comforting sympathy in our recent sorrow. Our gratitude is indeed great to those who sent the lovely flowers, the food, cards, and for every kind expression of thoughtfulness. May you be blessed with such wonderful friends in your hour of sorrow.

VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

Army worms are working again over the county and in some instances whole fields of oats and other small grains have been totally destroyed. Weather conditions have been good for this worm and we are not apt to rid them until we have some cold weather.

If controls are to be applied, they should be applied at the first signs of the army worm. Small worms are much easier to kill.

Care should be taken in the selection of insecticides to use because some of them are not approved by the Pure Food and Drug Administration. On fields that are to be grazed by dairy cattle or animals being finished for slaughter, Parathion or Malathion are suggested.

Toxaphene also might be used at the rate of two and three-fourths pints per acre. If toxaphene is applied, do not allow dairy animals or animals to be slaughtered to graze the treated fields. Breeding cattle should be held off the fields for a 15-day period after application. Read all the directions on the container.

Seth Moore is converting a part of his chicken laying house over to a farrowing house for some of his hogs. This is to be a temporary arrangement until he has time to construct some new farrowing houses.

Seth is also applying 16.20.0 fertilizer to his small grains this winter. Fertilizers should be placed deep enough in the ground to be in contact with moisture to give best results. Phosphate should be deep enough to come in contact with the roots because phosphate does not move or spread in the

soil. Fertilizers applied to small grains after they have jointed is not apt to give any increase in production.

I believe that all the poultry people of the county will be interested in knowing that the new poultry Disease and Diagnostic Laboratory at Stephenville will be open for business on October 17.

With this opening, the Texas Agricultural Experiment Station will have four laboratories in the state for the investigation of poultry diseases and their control.

The laboratory at Stephenville is located out on the Dublin highway west of Stephenville. The laboratory will be open from 8 a. m. to 5 p. m. Monday through Friday, and 8 a. m. to 12 noon on Saturday. It will be closed on legal holidays and official vacation periods. Only one veterinarian is employed.

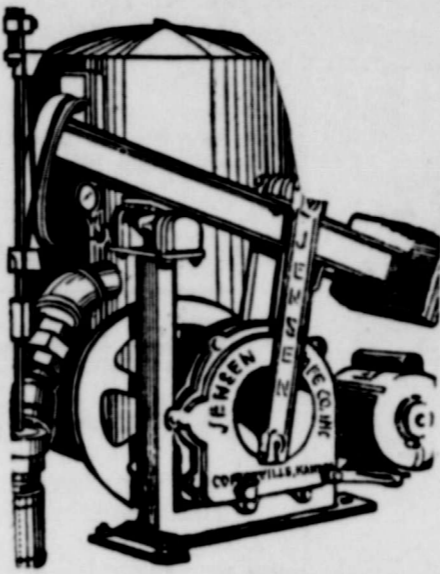

ed in this laboratory; therefore, service may not be available at other times when he is on vacation, attending meetings or for other official reasons.

I would suggest that before going up with birds, that a telephone call be made and an appointment made. Dr. Robert Kilgore is the veterinarian in charge. A fee of \$3.00 will be charged

for each group of birds that are submitted for examination, no charge accounts will be opened. Those of you who have diseases occur in your flocks are urged to use the laboratory. The laboratory was brought about by contributions made by the many members of the poultry and allied industries and an appropriation by the Legislature.

THRIFTY!

You cook for pennies when you cook ELECTRICALLY!

A modern electric range is a real miser when it comes to using electricity. It uses only about three cents worth to cook an entire meal for the average family. Surface units cook by direct contact with utensils for maximum efficiency, minimum heat loss. The electric oven is insulated on all six sides to keep heat inside where it belongs. And once the oven reaches the temperature you select, it uses electricity less than half of the cooking time. See your local electric range dealer soon for a thrifty, automatic electric range.

This is a story about the names of the States of this nation, a thing I have been looking for a long time. No doubt many readers will clip it and paste it in some book that makes it available for a long time. I certainly will paste in my diary and in others books so that it may be easily located.

At least half our states have names of Indian origin. The article from which this information comes classifies the names as (1) Geographic; (2) Indian; (3) Individuals; and (4) From different languages. I do not quite comprehend what the author of the article means by Geographic, but will follow his classification.

I. Geographic.

Maine, for a French province. New Hampshire, for a county, or shire in England. New Jersey, for an Island in

the English Channel. Rhode Island, for the Island of Rhodes. New York, for England's City of York. II. Indian.

The Dakotas, North and South, meaning "Allies." Minnesota, "Sky-tinted waters." Kansas, "Sound wind people." Iowa, "One who puts to sleep." Michigan, "Great lake." Illinois, "Warriors." Oregon, "Beautiful waters." Wyoming, "Upon the great plain." Alabama, "I clear the thicket." Another meaning given it is "Here we come."

Arizona, "Little spring." Arkansas, "Downstream people." Connecticut, "Long river place." Kentucky, "Land of tomorrow." Idaho, "Sunrise"

Massachusetts, "Place of the great hills." Nebraska, "Flat." Wisconsin, "Gathering of the waters." New Mexico, for an Aztec god, "Mexitli." Oklahoma, "Red People." Tennessee, "Indian village." Texas, "Allies." Utah, "People of the mountains." III. Names from various languages

Maine, French, for a province in France. California, Spanish, "An imaginary island." Colorado, Spanish, meaning "Red." Florida, Spanish, "Feast of flowers." Indiana, Spanish, "Indian land." Nevada, Spanish, "Snowclad." Vermont, French, "Great mountain." Montana, Latin, "Mountainous region." IV. For Individuals of note.

Virginia, for the Virgin Queen Elizabeth of England. Carolinas, North and South, for King Charles I of England. Maryland, for Queen Henrietta Maria, King Charles' I wife. Delaware, for Lord de la Ware, Englishman who was first head of the Virginia Company. Washington, for George Washington. Pennsylvania, for William Penn, meaning "Penn's forest." Georgia, for King George II of

Hunting Seasons Reviewed By Local Game Warden

By C. H. (Swede) JOHNSON

Well it has been a long time since I have sat down to the old typewriter to write another column, but I fail to see where I would be very informative if in every column all I could tell you that the fish aren't biting, and that there are not many dove in the area.

But now that hunting season is upon us I believe that I can give you a little more interesting news.

Dove season began Sept. 1 and will run through Oct. 30, with the bag limit set at 15 which wouldn't

England. Louisiana, for King Louis XIV of France.

This accounts for the states with the exception of Missouri, Ohio, Alaska and Hawaii, the last two whose meaning has not been found yet, though it is known that both names are for the peoples of those states before their discovery by moderns. Missouri and Ohio were not listed in the article quoted.

Later information reveals that Missouri comes under the Indian name list, meaning "Muddy Water."

have been too many if the dove hadn't left out about 15 days before the season opened. But now a few of the northern dove are beginning to drift in.

Goose season and Brant opens Oct. 26 to Jan. 8, both days inclusive. Shooting hours shall be from one-half before sunrise to sunset.

Ducks and Coots: Open season, Nov. 11 to Dec. 30, both days inclusive; shooting hours shall be from one half hour before sunrise to sunset, except on opening day shooting will begin at 12 o'clock noon. No open season on black bellied tree ducks, redheads and canvasbacks.

Duck bag and possession limits: Daily bag limit on ducks is four in the aggregate of all kinds, provided that in such limit there will be not more than one wood duck, not more than one hooded merganser. Any person may possess not more than eight ducks in the aggregate of all kinds, including not more than one wood duck, and not more than one hooded merganser.

Coots: Bag and possession limits: Daily bag limit on coots is six and any person may possess not more than 12.

Geese and Brant: bag and possession limits: daily bag limit on geese and Brant is five, provided such limit shall not contain more than two Canada geese or its subspecies, or one Canada goose and one white-fronted goose. Possession limit is one day's kill.

Attention deer hunters and landowners: Deer season, Nov. 16 through Dec. 31 for Bosque County only, with the bag limit of two deer each, either two bucks or two does or one of each provided that hunters are hunting with antlerless permits.

Antlerless permits and shooting preserve license will only be issued from Nov. 1 through Nov. 3, both days inclusive, and there will be no permits issued at the check station the first week of deer season, and then only in rare conditions. So all landowners must make it if it is at all possible on these three days.

Hamilton County deer season will be held Nov. 16 through Dec. 5. Bag limit will be one buck deer with hardened antlers protruding through the skin.

Spike bucks are legal for both

counties this year. Quail season applying to both Bosque and Hamilton Counties will be from Nov. 24 to January 20, both days inclusive, with bag limit of 15 birds a day and the possession limit of 45. Hoping this will do for please don't forget to get your antlerless permit. Your game and fish

New Gun Law Needed, Says Atty. Gen. Will Wilson

By VERN SANFORD
Texas Press Association

Austin, Oct. 10.—Texas needs a law to regulate the sale of pistols so that irresponsible persons can neither sell nor buy them, says Atty. Gen. Will Wilson.

Wilson told Texas' prosecuting attorneys at an Austin meeting that murders in Texas were up by 10 per cent last year. "One way to prevent these killings," he said, "is to keep pistols out of the hands of irresponsible persons."

Wilson recently held unconstitutional an old law requiring licensing of pistol dealers because of the way it was written, but said that he believed there should be such a law.

A lot of money spent on catching and punishing law breakers might be saved, the attorney general suggested, if more were spent on prevention of crime.

Texas District and County Attorneys Association presented Wilson a life membership plaque during their meeting here in recognition of his "leadership in law enforcement." Earlier this year Wilson was named top state attorney general in the nation by the National Attorney General's organization.

Driver Ed Plan Told.
Driver education in Texas public schools might be financed on a cooperative state-local plan similar to that used for the pre-school program for non-English speaking children.

This proposal was discussed in a recent speech by Brad H. Smith, director of the Governor's Highway Safety Commission. Driver education tied in with the public school system is one of the goals numerous safety groups have pushed toward for some time.

Smith noted that a local school system may secure state funds for

teaching non-English speaking preschoolers if it puts up some local funds also.

"Since these plans seemed to work," Smith said, "we are looking at their success for possible application to the driver education program."

Smith noted that a special study committee of the State Board of Education had reported favorably on the idea of driver education and recommended a cooperative local-state effort.

Polio Down, Hepatitis Up.
Good news in the polio field, but a growing problem in infectious hepatitis is reported by the State Health Department.

For the first half of the year polio cases were down to 27 compared to 101 for the same period last year. But 1,191 cases of infectious hepatitis were reported, compared to a five-year average of 566.

Mrs. H. D. Knight visited from Thursday until Saturday in Dallas with her son and family, Mr. and Mrs. Alan Knight and children.

ERATH SINGING SLATED SUNDAY
The regular Erath County Third Sunday Singing will be held Oct. 16 at the Primitive Baptist Church in Stephenville.

Weekend visitors in the home of Mr. and Mrs. D. F. McCarty were Mr. and Mrs. R. F. McCarty of Dallas, Mr. and Mrs. C. H. Clark of Hillsboro, Mr. and Mrs. Frank Hobbs and D. F. McCarty Jr. and wife of Abilene.
