## Trades Day Program Gaining Momentum, Next Drawing Set Wednesday, Sept. 20

Hico merchants, 46 strong, invite area residents to town next Wednesday, September 20, for the seventh of a series of Trades Day drawings slated to continue through Christmas.

The program, which offers \$85 in cash awards once each month on the third Wednesday, is gaining momentum each month, and merchants are pleased with the results. The awards, \$50.00 first, \$25.00 second, and \$10.00 third will continue to be given away until December when the program will take on new goals with drawings and awards being increased right up to Christmas Eve.

Hico Civic Club is sponsoring the drawings, and a spokesman from that organization stated this week that the accumulation of funds contributed by merchants was building up, and larger awards would be offered in December.

Several participating merchants are also offering bargains for

Wednesday, along with the free cash. Readers can check advertisements in this issue of the NR for these specials.

Details and information pertaining to the drawings may be obtained from any of the following participating merchants:

Johnnie Howerton's Service Station, C & C Motel and Station, Pete Keller Garage, Alvin Casey Garage, Chew Service Station, Polar Bear, Chaney Service Station and Garage, Ogle Bros. Service Station, Hico Florist, Wilson Cleaners, News Review, Com. Pub. Service Co. (Contribution), Teague Variety Store, Prater Barber Shop, Herrington's Food Store, First National Bank (Contribution), C. L. Lynch Hardware, Willard Leach Sta., Magnolia Petroleum, Jim Jameson, Consignee, Barrow-Rutledge Funeral Home (Contribution), Hutton's Cafe, Blair's Hardware, Raymond Lowe Garage, Wright Barber Shop, Maxine's Cafe, Hico TV Sales & Service.

Also Howard Drug Co., H & B Food Store, Bess Mingus Dress Shop, Sherrard Grocery, Western Auto Store, Lackey Barber Shop, Burden's Dept. Store, N. A. Leath & Son, Salmon's Dept. Store, Cheek Furniture Co., Parker Feed Mill, Hayes Feed Store, Touglen Feed Mill, Barnes & McCullough, Lackey Bros. Feed Mill, Hico Motor Co., Smith Cleaners, Hico Confectionery, S. B. Starnes Texaco, and Neel Truck & Tractor.

## Jess Smith to Head Local Scout Drive

Jess W. Smith has been selected as chairman of the Boy Scout Fund Campaign in Hico. He will attend a meeting of all community campaign chairmen from the 10-county Heart of Texas Council on September 18 in Waco.

The local campaign will be held on October 10, the same day as all other Boy Scout Finance Campaigns in the area. It is hoped to be able to complete the campaign in one day.

Mr. Smith is recruiting campaign workers now to support the services of the Scout Council, which are necessary to have a continuous active program in all communities.

Public contributions from Boy Scout Finance Campaigns and through United Funds are the only source of funds for the services of the Council.

The Scout budget for 1962 of \$113,009.09 is small, when compared to the crime cost of \$44,000,000 for the people of Central Texas.

## JERRY HAMRICK, FORMER RESIDENT RECEIVES DEGREE

Jerry Ray Hamrick of Dublin, son of Mr. and Mrs. H. D. Hamrick, former Hico residents, received a Bachelor of Arts degree at the recent summer session commencement exercises at Baylor University.

Hamrick is a graduate of Hico High School, and is a grandson of Mrs. Ella Bullard.

## NEW RESIDENT AT NURSING HOME

Alexey Alford of Loving, New Mexico is Hico Nursing Home's newest resident. Mr. Alford is a former resident, and a son of the late Dr. J. R. Alford.

## Local CPS Serviceman In Texas City to Aid With Electrical Repair

Frankey Williams, local serviceman for Community Public Service Company, went to Clifton Tuesday morning where he joined servicemen from other towns in the Central Division to depart for Texas City to help restore electrical service there.

CPS linemen from over the state were called in to aid with the repair work in the company's system, which include the cities of Texas City, Lamarque, and other areas on the coast which were hit by hurricane Carla.

## Final Rites Held Sunday Afternoon for Mrs. Katie Rucker

Funeral services were held at 2 p.m. Sunday, September 10, in Barrow-Rutledge Funeral Chapel for Mrs. Katie L. Rucker. Rev. Kenneth Everett of Ireddell and Minister E. A. Wingham officiated with burial made in the Hico Cemetery.

Mrs. Rucker passed away at the home of a son, Hamp Rucker, near Hico Friday. She was 80.

Mrs. Rucker was a native of Somervell County and had lived in Erath County and in Ireddell for 22 years. She was the widow of W. B. Rucker, who died in 1937.

Survivors are three daughters, Mrs. Minnie Connally and Mrs. Ann Keenum of Dallas, and Mrs. Martha Trantham of White Deer; three sons, Bill Rucker of Rising Star, Rex Rucker of Ingelwood, Calif., and Hamp Rucker; one sister, Mrs. T. I. Martin of Archer City; 11 grandchildren and 10 great-grandchildren. Grandsons were pallbearers.

## Collection of Clothing Started for Carla Area

A drive was started this week to help victims of hurricane Carla along the Gulf coast, instigated primarily by Rev. E. E. Dawson, local retired minister.

Rev. Dawson has made arrangements with the two local cleaning plants, Wilson and Smith, to pro-

cess and clean articles of wearing apparel, and act as a collecting agency for the clothing.

First National Bank has offered to pay shipping charges for the clothing, which will be sent to proper authorities for distribution. Residents are urged to take on-

ly clothing articles that are useable to the collection points. Anything in the way of wearing apparel, regardless of size, which is in useable condition will be appreciated.

Several residents have also indicated that they would like to make cash contributions to be used in relief work along the coast. Mrs. B. B. Gamble is local representative of the American Red Cross, and will see that funds are directed to the proper officials for use in the disaster area.

Clothing is the only thing being collected at present. The need for foodstuffs and other household articles are perhaps in great need, but no facilities have been set up to take care of these, at this time. Readers will be informed at a later date if such articles are needed.

In the meantime, Rev. Dawson and others interested in the stricken areas urge that only clothing which is in good condition be taken to the collection point. If residents have an accumulation of outgrown clothing for men, women and children, it could be put to great use by taking it to either of the two cleaning plants where it will be cleaned and packaged ready for use upon arrival in the disaster area.

## They Need Your Help . . .

### AN EDITORIAL BY TOM PRATT JR.

The exodus of nearly a half million people from the Houston-Galveston area earlier this week heralded the tragedy of the greatest storm ever to hit the United States mainland.

Yet as winds in excess of 170 mph. lashed the Texas coast as hurricane Carla swept in from the Gulf, there has been only one fatality and three injuries up to this writing. What has stopped the possible loss of life and limb to so many people? Under almost identical conditions in 1900 the same area was lashed by another hurricane. During this tragedy 6000 lives were lost.

The difference? Preparation. People in the area received all warning and aid in evacuation possible. This all points to the

terrible job that Civil Defense and the Red Cross have done.

This writer rises to say thanks and keep it up. I also urge that the people of Hico come to the aid of the workers who have done such a tremendous job, for their job has only begun.

Early estimates of property damage go into the billions of dollars. Food, clothing, and many other articles will be needed to handle the recuperation of the area hit so hard by this devastating quirk of nature. Hico alone cannot render a tremendous amount of aid, but Hico combined with many other towns and cities of Texas can.

Let's show our appreciation and backing by doing all that can possibly be done to aid this stricken area.

## Blanket Invades Local Den For Battle of 'Bengals'

Still licking their wounds from last Friday night's skirmish with a band of bushy-tailed Lions, the Hico Tigers will get back to business tonight, Friday, at the local stadium when they take on their counterparts, the Blanket Tigers at 8 p.m.

The Blanket-Hico series dates

back to 1954, with the locals winning only one of the seven games. Blanket will come to town tonight with almost the same team that whipped the locals 20-8 last year. They have graduated two of their better backs however, Jim Edgar and Wilson, who all but beat the locals single-handed last year.

Blanket has played only one game this year, that a 21-6 affair which they won from May two weeks ago.

Hico will be in the best condition of the year, with all hands except Harry Brown expected to be ready. Brown has a broken finger which will keep him sidelined for the next few weeks.

The other team members who have been hampered by injuries, Mark McElroy, Alan Solsberg, and Harold Hathcock, are in good condition for the game.

Coach Jack Barnett stated that he expected to start Frank Phillips, a lightweight at 132 pounds, at the guard post instead of Brown, with the remainder of the team being the same that started last week.

The probable starting line-ups are:

No.	Name	Pos.	Wt.
85	Robert Reed	E	178
88	Larry Erick	E	150
77	Freddie Naul	T	219
74	Tom Pratt	T	210
60	Milburn Knudson	G	163
62	Frank Phillips	G	140
50	Mike Love	C	185
13	Don Jernigan	B	165
46	Harold Hathcock	B	135
26	Alan Solsberg	B	146
33	Mark McElroy	B	170

Other squad members:

22	Jerry Casey	B	132
80	Tommy Donley	E	126
81	Charles Erick	E	111
70	James Johnson	T	157
52	James Randals	T	166
75	Charles Yell	G	167

25	Larry Shipman	B	125
72	Edwin Black	B	114
36	Bill Rutledge	B	146

## Dublin Hands Locals First Defeat of Season, 20-0

Cost the Tigers a couple of other important completions at crucial times. Dublin intercepted two of his shots.

After Dublin's initial outburst the game settled down to a stiff defensive battle for the remainder of the half, with the Lions going out at intermission with a slim 6-0 margin.

The Tiger defense held the Lions on the first series after the kickoff, forcing them to punt. In an attempt to field the ball, the Tiger safety fumbled with the Lions recovering at the local 22 yard line.

The Lions had to work a little harder for their second TD, taking eight plays from the 22. The punch came on a 4-yard pitch from Jackson to end Jim Evans.

The last Dublin TD came midway of the fourth period after the Lions recovered a Tiger bobble at Hico's 15. Five plays later and Jordan crashed over from the one for the tally.

The entire Tiger team, linemen and backs alike, played a fine defensive ball game, with much improvement shown over the first game effort.

## Dublin Hands Locals First Defeat of Season, 20-0

Led by a hard-running fullback, a scouting halfback, and an extra stout defense, the Dublin Lions pinned a 20-0 setback on the Hico Tigers in a game played before a capacity crowd at the local stadium last Friday night.

But take nothing away from the Tigers. They made Dublin work for everything they put on the scoreboard, putting up a stiff defense of their own.

A fumbled punt in the third period, and another fumble in the fourth led to two of Dublin's touchdowns, and turned a tight 6-0 ball game at the half to the final score. The fumbled punt set the Lions in business for their second TD at the Tiger 22 yard line. The other fumble was recovered by the Lions in the final stanza at the 15 yard line.

Statistically the Lions were in command all the way but most of their yardage was made between the 30 yard lines.

Their first counter came early in the game when the Lions used four plays to march 37 yards to paydirt. Ronald Hudson made the last 24 steps to the goal.

After Hudson's initial outburst the Lions turned things over to David Jordan, one of the hardest running backs seen here in many years. He did a commendable job, running and slashing at the Tiger line for most of his team's yardage. He was by far the most ta-

lented back on the field. The Tigers contained the rest of the Dublin backs pretty well, except for the passing of Quarterback Jack Jackson. He didn't have too many completions, but those he did hit on were the ones that counted.

Hico's own offense couldn't get going, and the Lions kept them bottled up all night. Mark McElroy, leading ground gainer in last week's tilt with Gatesville, was hobbled with a severe ankle sprain which cut down on the effectiveness of the Tiger running game.

Don Jernigan competed only 4 of 15 passes that went in the record book, but a mix-up in signals

## Former Resident, W. N. Varnell, Buried Thursday

Funeral services were held at 3 p.m. Thursday, September 14, in the First Baptist Church for W. N. Varnell. Rev. Tom Pratt officiated, with burial made in the Hico Cemetery under the direction of a Fort Worth funeral home.

Mr. Varnell passed away Tuesday in Fort Worth where he had resided for several years. He was 85.

A retired farmer, Mr. Varnell was a resident of Hico for 20 years prior to moving to Fort Worth. Survivors include his widow of Fort Worth; one daughter, Mrs. R. E. Wyly, also of Fort Worth; two sisters, Mrs. Bertha Rhoades and Mrs. Millie Pryor, both of Marlow, Oklahoma; two grandchildren and one great-grandchild.

## RONNIE HENDERSON BUYS REGISTERED BROWN SWISS

Ronnie Henderson, son of Mr. and Mrs. Melvin Henderson of Hico, has recently purchased the registered Brown Swiss Bull Great Southern O Masters, 138772, from Dr. Vance Terrell of Stephenville. Report of purchase came from Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

## Sales Tax on Subscriptions

Robert S. Calvert, state comptroller, has declared newspaper subscriptions subject to the new 2 per cent state sales tax, effective September 1.

The News Review is not increasing its subscription price, but the 2 per cent sales tax will be added and collected out of necessity. Cooperation of subscribers, especially those who live away from here, in including the extra two percent to their checks would be appreciated by the publisher.

The new tax schedule on subscriptions to the News Review are:

In Hico and territory	\$2.04
Outside Territory	\$2.55
Out of State (no tax)	\$3.00

# FAIRY

By MRS. EUNICE DANIEL

At this time our hearts are sorrowful to the unfortunate ones who were in the path of the awful Gulf storm Carla. Where many have lost their life's savings in the loss of their household effects and badly damaged homes and other property losses. Many in this area contacted relatives if possible.

Mrs. M. E. Parks stated they first learned of the severness of the storm by car radio Sunday as she and her son, Audie, were on their way to Fort Worth to visit relatives. Their daughter and sister and family, the Raymond Drivers live at Texas City. On their return home they managed

to get a call to their son, Kenneth Driver, who lives between Texas City and Houston. He informed them that his parents and one of his sisters and her family were at his home and at that time were okay. Another daughter and family who also live at Texas City had gone to the home of her husband's grandparents. We feel sure their homes and furnishings are badly damaged as reports have come in that the city was ten to 20 feet deep in water.

Then at Baytown is another Fairy man, Waynand Allison and his family. Bill Abel and family reside at League City. We have a cousin at Houston, the J. C. Robinetts. Walter Porterfield of Fairy is supposedly still visiting his daughter and family, the Bob Hurts of Houston. The Charles Wilson family left out Sunday and came to Hamilton to the home of her mother, Mrs. N. S. Sellers. Mrs. J. R. Oglesby and Penny and her two married daughters and their children came in Saturday to the home of Mrs. Oglesby's father, J. E. Blakley.

The Guy Hartgraves reside at Bishop. Our nephew, Dorsey Enger and wife at Corpus Christi. The Leon New family live at San Benito; the Claude Jones family at Alice; the Wayne Laceywells and Bridges boys and families, sons of W. N. Bridges of McGregor, all reside at Beaumont.

All has been a terrible tragedy which will take many years to overcome the loss. When the time comes for us to help the Red Cross and Salvation Army in this worthy cause, we should do so.

We were so sorry to learn late Sunday of the death of Mrs. Katie Rucker of Iredell whose funeral service was held Sunday. So sorry we did not learn in time to attend the services. We had known Mrs. Rucker since around 1898 to 1900 when we were a small child and our parents and her father, George Taylor and his children were our neighbors in the Black Stump Valley. Her brother, Tib

Taylor helped move us to the Fairy community. Our deep sympathy is extended to her family and other relatives at this time of sorrow.

Rev. Wesley Jones of the Latham community and pastor of the Ireland Methodist Church is holding a revival at the Oakdale Methodist Church in Stephenville this week.

Mr. and Mrs. Bert Wright of Mart visited a while last Thursday in the home of the writer. They are former Fairy residents and had been to Dublin to visit his sister, Mrs. Laws, formerly of Carlton, who is a patient in the Jones nursing home. While here they left \$5 for the Fairy Cemetery Association.

Mr. and Mrs. Russell Adams of Hamilton stopped for a short visit at our home Sunday enroute to the Fairy Cemetery. They also left a donation of \$6; also Mr. and Mrs. H. H. Wolfe handed us \$2 in Hico Wednesday of last week. Thanks to all for their thoughtfulness.

Mrs. Frank Hanes went up to Dallas last Thursday to assist her daughter and family, Mr. and Mrs. Bob Drew and Cynthia move to their new home recently purchased. Mr. Hanes and Mike joined them Friday afternoon. They returned home Sunday.

Mr. and Mrs. H. O. Richardson and Jerry visited in the home of his uncle and grandmother, Mr. and Mrs. Prentis Newman and Mrs. Annie Newman last Saturday afternoon.

Mrs. E. M. Hoover and the writer also visited our mother, Mrs. Newman on Sunday.

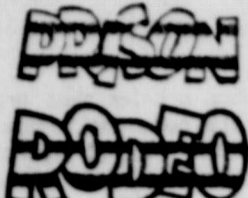

Mrs. M. E. Parks and Audie visited Sunday in Fort Worth in the homes of their daughter and son, Mr. and Mrs. Milford Miller and Ronald and Mr. and Mrs. E. L. Parks and daughters.

The writer attended singing at Lund Valley Baptist Church Sunday afternoon.

Mr. and Mrs. Albert Mason visited last Thursday night in the home of Mr. P. L. Cox.

We have had around four inches of rain at this writing Tuesday morning with much more predicted.

Rev. Val E. Nance of Lancaster filled an appointment at the Baptist Church Sunday. His wife

Mr. and Mrs. Weldon Parks of Fort Worth spent the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Mrs. Della Seago of Waco visited Sunday with her mother, Mrs. Ed Allison. Mrs. Allison accompanied her home for a visit.

Tom Abel of Dallas and Miss Paula Bohanan, also of Dallas, were married on September 1. They spent the past weekend in the home of his parents and uncle, Mr. and Mrs. Walter Abel and Bill.

Mrs. Audie Clark and Mrs. Orie Morrison, both of Stephenville, were joint hostesses for a supper last Thursday evening honoring Mr. and Mrs. Walter Abel and Mr. and Mrs. Roy Blakley in the Audie Clark home. While in Stephenville they visited in the home of Mr. Abel's sister, Mr. and Mrs. H. S. Pitts. Mrs. Pitts had f.l. recently and broke three fingers which has caused her great pain.

Mr. and Mrs. Walter Abel visited one night last week in the home of their son, Mr. and Mrs. James Abel and Clark of Sidney. From there they went to Fort Worth where they visited in the home of another son, Mr. and Mrs. Charles Abel and son, and they also visited at Everman in the home of her sister, Mr. and Mrs. Jim Chaney.

Mr. and Mrs. Emmett Anderson spent the weekend in Grand Prairie in the home of their daughter and family, Mr. and Mrs. J. M. Farmer and Michal. Other visitors in the Farmer home was their daughter and son-in-law, Mr. and Mrs. James Yoche of Athens, Alabama. The Yoche's were here on a two-week vacation. While in Grand Prairie the Andersons spent an enjoyable tour through Six Flags Over Texas. Mr. Anderson and Mr. Farmer made a business trip to Ardmore, Oklahoma on Saturday.

Ways and Means Hunted to Save Sick Poultry Industry

By VERN SANFORD
Texas Press Association

Austin, Sept. 13.—Texas Agriculture Commissioner John C. White organized a conference of southern Agriculture Commissioners in Atlanta, Ga., to "seek ways and means to help save the poultry industry."

White said they will attempt to find ways to relieve the current disastrous poultry prices which are at the lowest point in the history of commercial broiler production.

"This is not just a local situation in Texas," White said. "The entire national broiler industry is suffering from a price depression."

He reported poultry prices dropped in the past week to as low as 10.5 cents per pound, or as much as five cents below cost for many producers.

Meanwhile, the Attorney General's Department is studying the record of a special court of inquiry to determine if anti-trust violations are involved in the price decline.

Witnesses testified the trouble is overproduction. Actually the overproduction is not in Texas but in the 21 other broiler producing states.

Phil Friberg, manager of the Western Hatcheries in Gonzales, said 50 per cent of Texas' broiler producers will be out of business if something doesn't happen.

Atty. Gen. Will Wilson wants to determine if "there is any effort to price the Texas poultry producer out of business."

Loan Companies Cleared. A civil anti-trust suit alleging 31 loan companies conspired to push punitive small loan laws through the Texas Legislature has been dismissed by Federal Judge Ben Rice Jr. in Austin.

Suit, filed by J. L. House Jr. who operates a small loan business in Waco and other cities, charged that large Texas and out-of-state loan companies conspired to secure enactment of laws that would "destroy the small loan business of the plaintiff and all others similarly situated."

Judge Rice held the allegations did not show sufficient cause against the defendant companies to warrant a court trial.

Oil Prices Hit. Governor Daniel joined independent producers in pleas for action to stem the tide of falling Texas crude oil prices.

"In view of rising equipment and operating costs, crude purchasers should be thinking of some price increase," he said. "Domestic crude oil is long overdue for more realistic prices if needed exploration is to be stimulated. Lower prices, combined with a stringent law allowable pattern in Texas, will continue to aggravate the problem of the domestic oil producing industry. This, together with excessive foreign oil imports some of them by the price-cutting

Prison Rodeo Ready For 30th Annual Production in Oct.

Huntsville—Spl.—Five of the nation's foremost television and recording stars will be highlighted at the 30th annual Texas Prison Rodeo to be held each Sunday in October in the prison's \$1,000,000 stadium in Huntsville.

Opening the colorful event on Sunday, Oct. 1, will be Fats Domino, sensational jazz pianist and singer, followed by Cowboy Rex Allen and his horse Koko on October 8. On October 15, the star will be Ernest Tubb, a veteran folk song personality, U. S. Bonds, one of the nation's number one recording artists, will appear on October 22, while Chuck Connors of "The Rifleman" TV fame will appear on October 29.

In addition to these entertainment stars, tough inmate cowboys will be attempting to tame tougher prison produced broncs and bulls in a host of events not usually found in other rodeos.

Inmate specialties will include entertainment groups, plus the Gorse Girls from the women's unit of the Texas Department of Corrections.

To round out a thrilling two-hour show which opens at 2 p.m., rodeo officials also have arranged to present such free-world events as calf roping, a girl's barrel race and noted mounted quadrilles from various parts of Texas.

Net proceeds from ticket sales are earmarked for the benefit of more than 12,000 inmates for rehabilitative services not furnished by the state legislature.

Advance tickets may be purchased by writing Rodeo Ticket Office, Huntsville, and enclosing check or money order.

PRODUCTION RECORD OF HOLLADAY COW CITED

The Holstein-Friesian Association of America has announced the completion of an outstanding production record by a registered Holstein cow in this area.

Neshonoc Daisy Creator Wayne 3401024 owned by G. E. Holladay of Hico, produced 16,210 pounds of milk and 542 pounds butterfat in 305 days on twice daily milking as a nine-year-old.

Texas A&M College supervised the weighing and testing of production as a part of the official testing programs of the national Holstein organization.

These programs provide continuing lactation and lifetime production records on every cow in more than 2,800 participating registered Holstein herds.

Mrs. Carl King Hostess to First Fairy H.D. Club Meeting

The Fairy Home Demonstration Club met in the home of Mrs. Carl King Wednesday, Sept. 6, 1961 at 2 p.m., with five members and one visitor answering roll.

Mrs. Walter Abel, president, called the meeting to order and directed the opening exercises.

Mrs. Abel gave many useful travel tips given her by Miss Carl Lane at the THDA State meeting at San Angelo, which she attended as a delegate for Hamilton County. Mrs. Abel also gave a very interesting report on the meeting.

As this was the meeting to elect officers for 1961-62, Mrs. Frank Bonner moved that the present officers be re-elected by acclamation. The motion received a second and carried. Mrs. Abel then made the appointments for the new year.

Mrs. Abel distributed material received at the State meeting.

Refreshments were served to the guest, Mrs. H. R. Blakley, and the members, Mrs. W. E. Cunningham, Mrs. Abel, Mrs. Bonner, and Mrs. J. J. Jones Jr.

The next club meeting will be held in the home of Mrs. Royce Hall at 2 p.m. September 21. Mrs. O. R. Willeford will give the program on "Handicrafts."

CARD OF THANKS

Our deepest appreciation to all our neighbors and friends for their wonderful thoughts extended us during our sorrow of the loss of our beloved mother. Our special appreciation to Dr. Hedges, to Wayne Rutledge, also to those who sang and furnished the music. Also Min. E. A. Willingham and Rev. Kenneth Everett who conducted the services, and to all who brought food, and those who sat up, and for the beautiful flowers.

FAIRY BAPTIST CHURCH SETTING FOR GARDNER-BARNETT WEDDING SATURDAY

Wedding vows were solemnized at 8 p.m. Saturday, September 9 in the Fairy Baptist Church for Miss LaRue Gardner and Charles Don Barnett. Rev. Robert Rach-

The bride is the daughter of Mr. and Mrs. Winford Gardner, and the bridegroom is the son of Mr. and Mrs. R. V. Barnett of Fairy.

Given in marriage by her father, the bride was attired in a street-length gown designed by her mother, of white satin featuring a scalloped neckline and long sleeves tapering to points at the wrist. She carried a bouquet of white orchids atop a white Bible.

Mrs. Edgar Bradley presented pre-nuptial selections, and accompanied Miss Kay Knapp as she sang "I Love You Truly" and "The Lord's Prayer."

Miss Sandra Gardner, sister of the bride, was her only attendant. She chose a blue nylon dress.

Serving the bridegroom as best man was Dan Halle. Candles were lighted by Randy Gardner, broth-

er of the bride, and Dale Gardner, cousin of the bride. Ushers were Danny Halle and Larry Gardner, brother of the bride.

A reception was held in the church immediately following the ceremony, with the bride's sisters, Miss Sandra and Miss Cleon Gardner assisting in the house party. Guests were registered by Mrs. Larry Gardner, sister-in-law of the bride.

For traveling the bride selected a black and white tweed suit with black accessories and a white orchid corsage.

SON FOR BOENS

Mr. and Mrs. John Boen of Graham are parents of a son, Larry Kent, born August 30 in Hico Hospital. The new arrival weighed 7 pounds 14 ounces. Mrs. Boen is the former Myrna Mayfield. Grandparents are Mr. and Mrs. Jack Mayfield of Hico and Mrs. H. T. Boen of De Leon.

'PROGRESS THROUGH STUDY' IS THEME OF HICO REVIEW CLUB FOR 1961-1962 YEAR

A seated tea in the home of Mrs. Bryan Angell inaugurated the year's work for the Hico Review Club. Seventeen regular members and one guest, and four associate members were present for this enthusiastic opening meeting. Miss Mettie Rodgers, president, presided.

Mrs. O. C. Cook, Mrs. Jack Barnett and Mrs. T. E. Pratt, as a trio, sang three fine selections.

The hostesses served a refreshment plate of cake squares and a frosted drink.

Following adjournment the group enjoyed a visiting period. Everyone agreed that it was "good that we could get together again."

The next meeting will be husband's night, Sept. 21, at the ranch home of Mr. and Mrs. Frank Bonner, which was the annual opening tea.

Hostesses were Mrs. Frank Bonner, Mrs. A. H. Lackey, Mrs. Frank Hanes and Mrs. Lawrence Lane.

In the absence of Mrs. Paul Hamilton, incoming president, Mrs. James Cryer, vice president, conducted the business meeting.

A review of plans for this year, which promises to be the most interesting in club history, were given.

The next meeting will be in the home of Mrs. S. B. Starnes. Program will be on home placement of floral arrangements appropriate for every room in the home.

All club members are urged to be present at every meeting this year.

Mr. and Mrs. W. E. East and Ronnie spent the weekend in Fort Worth with her sister, Mr. and Mrs. Frank Stidham, and Saturday night they all attended the Six Flags Over Texas.

Visitors this past Sunday in the home of Mrs. Bunnie Alexander were her great niece, Mrs. Ken Biggs and sons of Wichita Falls and her niece, Mrs. Lucille Doyle of Waco.

Mr. and Mrs. Frank Mings visited this past Sunday in Dublin with her sister-in-law, Mrs. J. M. Smith.

Mrs. J. E. Burselson of Coleman visited from Sunday through Tuesday of this week in the home of her daughter and family, Mr. and Mrs. Ellis Randals.

Mrs. Ruth Salmon, accompanied by her granddaughter, Marqueta Dove of Bluff Dale, visited in the home of her parents, Mr. and Mrs. S. L. Ethridge in Stratford from Thursday through Wednesday of this week.

Mrs. Ruby Williams is visiting in Bryan in the home of her sister, Mrs. J. B. Patterson.

Mr. and Mrs. Ras Proffitt of Tahoka visited with relatives and friends in Hico this week.

Mike and Barry Christian were accompanied home Tuesday of this week by their parents, Mr. and Mrs. Sonny Christian of Dublin, following a four-week visit in the home of their grandparents, Mr. and Mrs. Alvin Hicks. The boys had assisted their grandfather and uncle, Mack Hicks, in goat shearing, and will enter school this Thursday.

Mrs. Wayne Rutledge accompanied the group.

Mrs. J. E. Lincoln, chairman, reviewed the year's programs as set up by the yearbook committee. The club is honored that Miss Rodgers has been appointed chairman of Capitol District Yearbook Committee.

The hostesses served a refreshment plate of cake squares and a frosted drink.

Following adjournment the group enjoyed a visiting period. Everyone agreed that it was "good that we could get together again."

The next meeting will be husband's night, Sept. 21, at the ranch home of Mr. and Mrs. J. E. Lincoln.

Coffee Time

CHATTER

By HELEN OGLE

The sales tax, world crisis, baseball and even dove hunting placed second in news around Hico this week, as people stayed close by the radio and TV to learn the latest reports of the state's worse hurricane. Instead of chatting over a cup of coffee, I found most everyone keeping a watchful eye on the sky and wondering what the outcome would be.

Now that Carla has made history, we can be thankful for no damage here but a most needed rain.

Bill Howard was ready to issue me a passport to the hurricane area, but I found that I'd also have to return by way of Wichita Falls.

I found Florence Chenault in the news stand absorbing the earliest morning papers in hopes of finding good news from Houston.

Helen Polk may have the right idea for raising some extra money, as she suggested adding parking meters to the local streets.

Ras Proffitt of Tahoka says

there's nothing to the sales tax—just take a bigger chew of tobacco and add a new column to the ledger.

Braving gusty winds and a downpour of rain, Melba Clark commented that it would certainly be nice to take the day off and be a housewife.

While sipping on a glass of water and listening to Gladys Partain read tempting recipes, I found Judy Keller almost fading away.

Druella Marshall can hold your attention for hours, while telling the highlights of their most enjoyable vacation trip. Makes me wish for another week off.

Guess you might say that Louise Blair benefited from Carla, as I found her cleaning a waste basket after catching a small amount of rain water.

Remember reading this before? "What happened to the man who swallowed the teaspoon? He just couldn't stir." A local person is guilty of this quip.

A card shower has been requested for Eugene Hicks, who is a patient in Hico Hospital recovering from a recent back operation. He will observe a birthday Monday, September 18, and greetings from friends will be most appreciative.

pneumonia is cheap

Not too long ago, pneumonia meant a sure trip to the hospital and about a 50/50 chance of survival. The lucky ones spent costly weeks recuperating.

Today, thanks to new and potent drugs, pneumonia can be knocked out in a few days for only a few dollars.

**COUNTY AGENT REPORTS**

By E. R. LAWRENCE

The other day I said Dr. C. B. Cathey had gotten lots of grazing off his place this year. What I was thinking of was the amount of grazing he has gotten off his cultivated fields. Not often does one through this part of the state get grazing from fields the entire summer and fall.

Too, I'm sure many others also have gotten more than normal grazing from their fields this year. Cathey should continue to get good grazing from these fields because they are being fertilized with poultry manure. He has made arrangements with one of the large poultry operators near Hamilton to secure the manure from his laying houses. As this is available he moves it out and scatters it over his fields. At the present he has not had time to cover all his fields but those where manure has been spread should show up after the next crop is planted and has made some growth.

There is a number of rather large poultry operations over the county and there is a possibility that others might secure the manure should they like.

— ERL —

Over the county good results seem to have been gotten this summer from spraying mesquite trees. Many pastures have been sprayed and dead mesquite is quite obvious.

Some of those who have gotten results are Jeff Perry, Hamilton; Chester Vick and Hugh Coston just north of Shive; George Kilgo just south of Hico; Harmon Trammell near Olin; and J. H. Oakley just south of Hico.

Mesquite can be controlled by spraying at any time of the year, when they are sprayed around the base, cut off and the stump sprayed, or large trees are frilled and spray applied to the frill area.

From now on and after cotton harvest, there is some slack time for many and this would be a pretty good time to do a little mesquite spraying. One gallon of 2.4.5-T (four pounds acid per gallon) mixed with fifty gallons diesel oil is the spray mixture recommended.

J. C. Kinney, Grade A dairyman, Lanham, started a trench silo the other day. He has a good place in the side of a hill for the silo. The silo will hold approximately 130 tons of feed. Silage is one of the good roughages that can be supplied live-stock. By putting feed in a trench or other silo, it can be kept for

years and still remain good. Arvard Abernethy has a silo that is several years old and has not opened yet and the silage seems to be still keeping good.

**BUSY BEE CLUB SPONSORS COMMUNITY SHOWER**

The Busy Bee Sewing Club is sponsoring a community shower Thursday night, Sept. 14 for Mr. and Mrs. Dave Alexander whose home and contents were destroyed by a recent fire. At present Mrs. Alexander and daughter are staying at her mother's home in Clairette. Mr. Alexander is still in New Mexico but plans to come here soon. Her parents, Mr. and Mrs. Lem Hoffpouir, were away visiting her children around at different places in West Texas and haven't learned about the loss. They are expected home soon. Mrs. Hoffpouir is a member of the

Busy Bee Club. Duffau folks gave Mr. and Mrs. Alexander a community shower this past Thursday night. Some from here attended.

Bobby Boone, Fieldon Haley and Mitchell Mayfield entered school at Tarleton State College this week.

Mr. and Mrs. Roy Harvey have a new granddaughter, born August 21 to Mr. and Mrs. Kenneth Harvey of Cisco. They named her Karon Lynne. She has a 4 year old sister. The Harveys spent two weeks in Cisco helping take care of the new arrival.

Mr. Chester Martin was in San

Antonio Sept. 1 to attend a directors meeting of Texas Charolais and Cross Sales Corp.

Ruth Ann Martin attended a Girl Scout training camp at Camp Woodlake on Lake Brownwood during the weekend of Sept. 8-10.

The Busy Bee Club met Thursday afternoon with Mrs. Zenith Johnson. Other than the members, one visitor, Mrs. Velma Alexander was present.

Mrs. Ethel Self has returned home from a trip to Ames, Iowa where she spent several weeks with her son, H. L. and family.

Mrs. Les Dowdy entered Hico Hospital Wednesday afternoon and returned home Thursday.

Mrs. Elsie Behrens, who seriously was burned and remained in Hico Hospital several days before she was able to be brought to the home of her son, Marvin Behren, has asked me to write in my column and thank everyone

## National P.T.A. Finds Varied Ways To Meet Range of Children's Needs

Major goals are the same in some 47,000 P.T.A.'s of the National Congress of Parents and Teachers, even though ways of approaching them are as diverse as the various communities.

In Alaska, where children leave for school in the dark and return home in the dark, every child carries a flashlight. To attend P.T.A. meetings the president of the Alaska Congress of Parents and Teachers frequently travels hundreds of miles per day in country where temperatures may stay around 25 below zero for weeks at a stretch. She can reach many communities only by small plane.

In Hawaii, the autumn ripening of the coffee crop makes fall the season for "summer" vacation from school. The state's mid-ocean locale makes the Hawaii Congress president an accessible consultant to parents and educators who fly in from Southeast Asia to learn more about the P.T.A.

American schools in Europe take advantage of their location to offer foreign language studies in elementary grades and to hold joint classes with native children. P.T.A.'s in the European Congress of American Parents and Teachers are concerned, too, with problems of establishing residence for children of U.S. servicemen and government employees applying for admission to stateside colleges.

Here in these far-flung areas as well as in all the areas where 47,000 P.T.A.'s serve, each local unit of the National Congress of Parents and Teachers adapts its own program to fit the needs of its youngsters.

"This is the way of the P.T.A.," says Mrs. Clifford N. Jenkins, of Roslyn Heights, L.I., N.Y., who now heads the 12-million-membership organization as National Congress president. "We have one essential objective as an organization," she

Children of every age and heritage are the concern of the P.T.A., as the National Congress of Parents and Teachers this fall schedules a new membership effort aimed at adding more workers to the P.T.A. "team" that now includes more than 12,000,000.

notes. "It is the welfare of children. But our individual approaches to promoting their well-being may vary as widely as do the children themselves."

This fall the National Congress is scheduling a new membership effort to enroll more people—parents, teachers, other interested persons—in P.T.A. activities.

"They will find local programs challenging and vital," Mrs. Jenkins promises, "because P.T.A. activities center around the needs of each community and the children who are its future."

In Alaska, for example, the Congress of Parents and Teachers, concerned about education for children of homesteaders, is currently urging a study of road maintenance in outlying areas, so that children in isolated spots may be assured of passable routes to school.

Getting to school is a real problem, even in well-settled areas, according to Mrs. Robert C. Cole, who heads the Alaska Congress. Her home in Spennard is only eight miles from Anchorage, but morning and evening she sends the family dog along to protect her two children from wild moose that roam the woods in the quarter-mile area between home and bus stop.

P.T.A.'s in the nation's newest state are seeking to preserve Hawaiian culture in terms of dances, language, and music. Mrs. Teruo Yoshina, of Honolulu, president of the Hawaii Congress, sees this interest as an important segment of Hawaiian P.T.A. activity. Another aspect of the state's P.T.A. program—its emphasis on adult education—is of special interest to the groups from Thailand, Pakistan, India, Cambodia, and Indochina who have been entertained there during recent months.

Parent-teacher cooperation is something new in most of the

nations where the European Congress of American Parents and Teachers functions; but its president, J. Gordon Smock, finds that educators abroad are anxious to cooperate in joint programs to help American youngsters learn more about the culture and people of the countries in which they are living.

Meeting problems of a more conventional nature is "typically P.T.A.," as well, Mrs. Jenkins points out. For example,—"The parking problems of some 500 students who drive to school daily at Elkhart (Ind.) High School recently gave rise to a P.T.A. survey of available parking space in the neighborhood. These students now have maps showing free and metered space, all within easy walking distance.

—Lack of a library in one of the elementary schools in Fords, N. J., was corrected through P.T.A. effort. Nearly 1,000 books were collected, indexed, and installed in shelves built by a P.T.A. father. Library service is dispensed by some of the P.T.A. mothers.

—Firearms safety is taught in special classes arranged by the Scottsdale Tavan (Ariz.) P.T.A., with "safe hunter" badges awarded to youngsters who complete training given by expert riflemen.

—An unprotected walk on a highway bridge, a twice-daily hazard in Boise, Idaho, for some 75 Whittier School pupils, got the P.T.A.'s attention. Now a protective railing, erected by the state highway department, makes the well-traveled route a safe one.

"In any of these situations," says Mrs. Jenkins, "the P.T.A. first sees and then serves a local need. Service to communities and to children everywhere will continue to grow as more and more persons join the P.T.A. local, state, and national partnership."

Mrs. Clifford N. Jenkins, president of the National Congress of Parents and Teachers.

today, Monday. Her mother, Mrs. J. H. Tull is visiting at Gustinie with her daughter and husband, Mr. and Mrs. Neal Gerreald while Mrs. Anderson is away.

Mr. and Mrs. Clint Richebourg of Granbury were visitors Friday with her sister and husband, Mr. and Mrs. Dock Finley.

Mrs. Annie Dry and Mrs. Rosie McGrew of Rotan were weekend visitors with their mother and brother, Mrs. N. A. McKinney and Mr. and Mrs. Jim McKinney.

Mr. and Mrs. Daymond Burnett of Amarillo will arrive today, Monday, for a visit with her mother, Mrs. Jessie Finley.

The room of the 7th and 8th grades has elected class officers for the school year. Officers elected are—President, Agatha Miller, vice president, David Chapman, secretary, Donna Butler, treasurer Sonny Roberson, reporter Arlene Lunsford, librarian, Dwight Thedford, and assistant librarian, Bryan Spurger.

Mr. and Mrs. Floyd Callan of Dallas spent Monday with his sisters, Mrs. Charley Dyer and Mrs. Watt Sharp Sr.

Mrs. Chadley Dyer returned home Saturday after a week's visit in San Angelo with her daughter and granddaughter, Mrs. Novice Littleton and Annette.

# Bowling League Resumes Play For Winter Season

By MORSE ROSS  
League Secretary

Hico Bowling League play started with a bang last Wednesday night featuring a 222 game by Jumping Jim Jameson and a 204 by newcomer Jack Goodman. Louise Blair, Bettye Walker, Lorene Randals and Judy Keller had top games for the ladies.

Judy's Beauties took over as new leaders by taking four points from Cheek Furniture team. League champion Blair's stayed close by whipping the Orphans 3-1. First National Moneychangers took 3 points from the new F-W Ranch Ranglers. Wilson Cleaners held Hico Motor Co. to a 2-2 draw, as did the News Review Nowshounds and Salmon's Shoppers in a hot contest.

Play started smoothly and everyone seemed happy to get back into action.

High Team Series: News Review 1751; Salmon's 1708; Blair's 1667.

THE TEXAS HIGHWAY DEPARTMENT GETS READY FOR SCHOOL.—As school days begin throughout the state, the Texas Highway Department is taking special precautions to insure the safety of school children on the way to and from school. Numerous signs of warning and caution are appearing near school sites (such as this typical sign being sampled in place by a Highway Department maintenance man) and school bus stops. Motorists are urged to carefully observe these signs to guarantee the safety of school children.

## Citizen of the Week . . .

By DONALD HUGHES

The U. S. Post Office is one of the most dedicated institutions in this country today. Since its founding, it has ably served Americans, rich and poor, with steady and dependable service.

Every Post Office has its own Postmaster. Hico, too, has just such a man, Robert Jackson.

Mr. Jackson became Postmaster in January, 1962, after successfully completing an examination. For the most part, his job is public relation, but he also handles such duties as finance and the working hours of the employees.

After graduating from Tarleton in 1928, he received his B.S. degree from Hardin Simmons in 1938. He received his Masters in Education in 1953.

Robert was the Hico Elementary School principal for six years before becoming Postmaster. He has also taught school in Hamilton, Erath, Taylor and Shackelford counties.

He is a member of the Baptist Church and has served as Sunday School Superintendent and teacher of the Men's Bible Class. He has been a member of the Masonic Lodge the past twenty years and is also a member of the Civic Club.

Mr. Jackson enjoys traveling, not so much for scenery, but just to be traveling. He also likes to read, more especially Shakespeare.

He and his wife have been married 35 years and have one son, Billy. Billy is married and has one child, a little girl. He is in Florida and works for Metropolitan Life Insurance Company.

Washington, D. C.—If the United States had been the first to resume nuclear testing, the whole world would have heard the wails, screams, moans and groans from the self-righteous and self-appointed voices of the so-called "neutral" nations. These nations profess to be the voice of world opinion.

Khrushchev exploded a bomb in the faces of these "neutralists" while they were meeting in Belgrade, Yugoslavia.

Nehru of India mumbled his regrets. Nasser of Egypt said it was a bad thing. Yugoslavia's Tito and Nkrumah of Ghana weakly evaded and said practically nothing.

These 25 "neutrals" with two possible exceptions, have been the recipients of our foreign aid. If proof is needed of the failure of our policy to buy friends, this should leave no doubt. Further, it should be conclusive that our obsession and concern for world opinion shows us to be victims of blackmail. In other words, we are suckers.

True, Khrushchev treated the neutralist meeting in Belgrade with gross contempt, but the power and brutality which he inspired among them obviously far outweighed anything else they may have felt.

There seemingly are too many people in this Country, including some leading policymakers, who evidently want policy based on the principle of "My strength is as the strength of ten because my heart is pure."

It would be a wonderful thing if the safety of our Country could

be guaranteed and assured this proposition.

Alas, and unfortunately, power is more respected and ed in this sad and disturbed than vitruous intentions.

The theories behind our of "battling for the minds of and our efforts to "woo the neutrals" by pouring out our stance is false and weak. balance of military power continues to be neglected as in eight years, the voices of opinion will continue to be the United States.

Even though a shooting may be averted in the immediate ahead, there is no slightest doubt that we will be with us indefinitely. are serious about winning cold war, we will make that our defenses are. Equally necessary is to be in the world in which we. We cannot look at the through rose colored glasses conduct the deadly business survival out of the "goodness of our hearts."

When an epidemic of breaks out in a community, with the disease are quarantined to prevent its spread. The in the world today is international Communism. It should be anted by applying strict economic sanctions against Communist dominated regimes and mand of the neutrals that, expect any assistance from any form, they manifest their spect by sleeping in their beds.

The approach to this policy will be discussed in a sequent column.

JUST A THOUGHT: . . .

navits jokingly refer to the agency ejection control as "chicken switch." Let us hope in these perilous times we strong and calm men at all "chicken switches."

## Winter Legumes Added to ASC Available List

The County Committee, ASC, has added winter legumes practice to the handbook. All interested producers should make application at once if they desire to participate in this program, according to S. E. Cloninger, county office manager.

Legume seed must be inoculated and must be seeded not later than November 15, 1961. Legumes must be left on the land until March 1, 1962. None of the grain may be harvested for seed, hay, silage, or cut for use as green grass silage. Cost shares, 50 per cent of seed cost. Full details may be obtained at the County Office.

**Payments of Cost Share**  
Cost share payments are being made under the ACP program, approximately 15 days after practices are completed and all related information submitted to the county office. To date approximately \$13,500.00 has been paid under the 1961 program. Producers are urged to complete practices on schedule. All work under the ACP program should be completed by the expiration date of approvals, and no later than Dec. 15, 1961.

**Feed Grain Payments Underway**  
Final payments to 397 farmers, who earned them by taking part in the 1961 feed grain program on corn and grain sorghum, are

now being paid. 150 producers have been advised by mail to come to the county office, sign final application, and receive payment. This work was started with producers of Community A. This will continue at the rate of 50 producers each day until all eligibles have been paid. Farmers and ranchers usual prompt action and cooperation in this procedure will help give proper service, and complete all payments in a very few days. In earning these payments, farmers in Hamilton County diverted acres from corn and grain sorghum production to conservation.

Congress has authorized a similar program for 1962 feed grain crops, adding barley to the corn and grain sorghum crops, covered by the program. The sign-up for the 1962 winter barley crop will get underway soon, as well for the 1962 wheat stabilization program, made available by the grower's recent approval of marketing quotas for the 1962 wheat crop. Definite sign-up dates will be announced by the County ASC office soon.

**Public Tabulation of Ballots.**  
Voting by mail in the election of Community Committeemen ended at midnight, Sept. 11. The ballots will be tabulated, publicly, by the County Committee Friday, Sept. 15 at 9 a.m. at the county office. The chairman of all communities, County Agent, and Soil Conservation Service Technician, are requested to witness the procedure. All interested people are also welcome to be present.
