## HERE IN HICO

By E. V. M.

those who expressed concern of Hico's future after the fire of the business section last fall—doing very well, thank you! Most of the buildings, owned by Segrest, is nearing completion. Kal says he will make an effort to obtain another business for Hico in the town.

Jaggars, who occupied a building destroyed by the fire, has purchased the News Review building and is in the process of making it more modern. The other two businesses destroyed by the fire, Solsbery Shop and Lackey Barber Shop, have been inactive, but they are planning to open their doors again, probably in the north of the post office. Negotiations are underway this week to obtain rental on the building to start of a remodeling program get underway on the two businesses.

One concern has also been expressed about the eye-sore on the left by the fire, but that is in process of being taken care of. The site WILL be cleaned one way or another—and there is a possibility that a new building will be erected there. The building housing Western, owned by Dean Spaulding of Campbell, Calif., is getting a fresh coat of paint this week and will feature new, fresh paint throughout when completed. The business received considerable smoke damage as a result of the fire.

As you see, there isn't really much to be concerned over, especially after the progress already made in making the downtown area more sightly. Maybe the snow should fall in line, and sling snow paint brushes around their messes.

Politics "pickin' up", which is other evidence that each of us should remember to pay our poll taxes between now and January 31, deadline.

The committee appointed at a meeting last week, composed of Odie Patsick, Dr. B. C. Day and Tommie Pierce, went immediately to work. Two deputies were appointed, signs were put up, other means of reminder were used to publicize the local drive. Von Scott at City Hall, and by Randall at First National Bank will be glad to take care of you late comers who "forgot" to pay your polls.

The Club membership committee is also laying plans for a catered drive for members (I mean you), and someone will probably get you for the \$10 yearly dues within a week or two.

The urge—even beg—people of the area to join the service organization, even if they can't attend on a regular basis. The club is for everyone, and we hope you will join with us in making Hico a better place to live and trade.

Have you noticed how many people are puffing a pipe this year after the report given last year?

Cigarette sales are reportedly up, with pipe tobacco sales up, which indicates that we're not merely trying to shake the habit. In my case the warning will be a useful purpose if it helps break the three-pack-a-day jag.

### Worth Stock Show Boosters Due Next Tuesday

Fort Worth (Spl.)—A bus load of Side Lions Club Boosters for the 1964 Fort Worth Stock Show will be in Hico at 3 p.m. Tuesday, January 21. The Fort Worth group will be reading the news of another Western Exposition and Fat Stock Show and Rodeo. The 1964 show will feature James Drury, of NBC-TV's "The Virginian", the Sons of the Pioneers.

## Poll Tax Deputies Appointed Here, Drive Underway

Two deputies were named this week to sell poll tax receipts in Hico. Named were Mrs. Von Scott at City Hall and Buddy Randals at First National Bank.

Friday, January 31, is deadline for buying the polls.

City, County, State and National elections facing voters should be sufficient incentive for every person to have a voice in naming public officials.

Beginning with the school election the first Saturday in April, local voters will go to the polls consistently throughout the year. Following the trustee balloting, the annual City election will be conducted the first Tuesday of that month, when voters will name a mayor and three aldermen.

The Democratic Primary will be held Saturday, May 2, followed by the second primary in June for "run-off" races.

A skip in the schedule runs until November when major balloting will be held for state and national offices.

In county politics, every office except that of tax collector has more than one candidate at present time, and indications are that several other office-seekers will be between now and February 3. Everything points up to one of the major political years in recent history, and unless residents are qualified—either by exemption or by owning a poll receipt—they have no voice in who runs their various forms of government for the next two and four years.

JUDGE FRANK G. McDONALD

### Frank G. McDonald Asks Re-Election to 10th Court of Civil Appeals

Frank G. McDonald was born in Meridian, Bosque County, the son of the late Dr. and Mrs. J. Frank McDonald. He is 47 years old, is married to the former Miss Louise Vandertorf of Aquilla, Hill County; they have one daughter.

Frank G. McDonald began law practice in Hill County in 1938; is a graduate of Hill County Schools, Baylor University, and Texas University Law School. He is licensed to practice before the Texas Supreme Court, Federal District Court, and the United States Supreme Court.

Frank G. McDonald is a former District Judge of the 68th Judicial District. He is now serving as Chief Justice of the 10th Court of Civil Appeals. He is a veteran of World War II, serving in the Army for 67 months, 30 months overseas in Africa and Europe. He participated in all campaigns in the Mediterranean Theater of Operations and received nine decorations and citations. He entered the service as an enlisted man and was released as a Lt. Colonel; member of Texas 36th Infantry Division.

Frank G. McDonald asks that he be re-elected as a member of the 10th Court of Civil Appeals.

### Final Rites Held Wednesday Morning For Boone Daniel

Final rites were conducted for Boone Daniel in Barrow-Rutledge Funeral Chapel at 10:30 a.m. Wednesday, January 15. Rev. Wesley Jones officiated, with burial made in Laurel Land Cemetery, Fort Worth.

Mr. Daniel passed away Monday in a Gorman hospital at the age of 76. He was born in Dallas County on November 23, 1887 and had lived at Fairy since 1955. He was a member of the Methodist Church.

Survivors include his widow, Mrs. Eunice Daniel of Fairy; two daughters, Mrs. Nellie Williams and Mrs. Doris Lowry, both of Fort Worth; one son, Bill Daniel of Fort Worth; two step-daughters, Mrs. Carl Ray Sellers of Fairy and Mrs. D. E. Allison of Stephenville; one step-son, Hersel Richardson of Fairy; a brother, Ed Daniel of Hico; five grandchildren, and six step-grandchildren.

### Benefit Basketball Game Set January 21

# 12-Inch Snow Paralyzes Hico, Central Texas

Snow, which began falling around noon Wednesday, continued to build up throughout the night, and by Thursday morning a record-breaking blanket covered Hico and Central Texas.

Measurements at mid-morning Thursday

ranged from 11 to 15 inches, and the very wet snow was still falling.

Hico merchants all but closed up shop as no traffic was moving and only the hardiest were out. Biggest demand from those who did venture out was for coffee, rubber boots and bread.

Traffic through town was at a standstill, with most roads leading into town impassible. Cars and trucks in ditches, blocking highways, and in other ways caused one of the greatest congestions in years. Stalled autos was the rule rather than the exception.

Most hazardous road in the area was Highway 281 South to Hamilton, which was reported completely closed. Other highways were open, but little travel was noticed. Loaded trucks lined the highway in town, choosing to stay put rather than attempt to start up the hills leading out of Hico. Remarkably, no serious accidents had been reported in the area Thursday noon.

There was a bright note to the general bad conditions, however. Utility firms were experiencing no difficulty at mid-day. Ollie Davis, Community Public Service manager, said that they had had no trouble with power lines and didn't anticipate any under present conditions. The same was true with Gulf States Telephone Co., and Fonzy Williamson, manager, said the only trouble spot was overloading facilities, which might delay some calls. Billy Doty, Lone Star Gas manager, was not available for comment, but gas pressure appeared to be holding up.

Temperature here Thursday morning was hovering around the 30-degree mark, but a low of 15 degrees was forecast for that night which could bring on more problems for the area. The heavy snowfall followed low temperatures of four and five degrees on Monday and Tuesday. Due to the extremely cold ground conditions, most of the snow has stayed on the ground.

Many, many businesses, individuals and services have suffered extreme hardships. Two funerals were scheduled Thursday afternoon, both were delayed. Two downtown grocery stores were open to take care of people's needs, but were doing little business. First National Bank was closed for all practical purpose, and department stores were selling nothing but boots. Service stations were doing business as usual, and all wrecker services were kept on constant duty freeing stalled autos, etc.

Some concern was expressed over the heavy build-up of snow on flat roofs in town, but none had collapsed from the weight Thursday afternoon.

Mail trucks from Waco had not arrived in Hico at 1 p.m., but postal employees were on duty here. Two carriers made an attempt to make their rounds.

Livestock was suffering, particularly cattle and other animals that did not have cover. Attempts were being made to "hay" the animals, but with little success. Some expressed concern that livestock losses could predominate throughout the area.

All in all, the weather picture was far from bright, with conditions expected to be even worse Friday.

### MOD Fund Drive To Be Concluded January 24th

The traditional sounding of the fire alarm will be the signal for the start of the March of Dimes campaign here on Friday, January 24. James Cryer is local chairman of the fund drive.

A porchlight campaign will be carried out between the hours of 6:50 and 7:30 p.m.

The march will be conducted in the same manner as in the past, with workers calling on every home during the designated period. Should anyone be overlooked, they are asked to call the City Hall and a worker will pick up their contributions.

Mrs. D. E. Bulloch, chairman of the mother's march, has appointed the following captains to aid in the drive: Mrs. Morse Ross, Mrs. Marvin Marshall, Mrs. Glenn Higginbotham Mrs. Odie Patsick, Mrs. Von Scott Mrs. Doc Lackey, Mrs. R. L. Weaver, Mrs. N. N. Akin and Mrs. L. L. Chaney.

Mrs. Bulloch emphasized the importance of remembering to turn on porchlights and said that cooperation of the public during this worthwhile drive would be sincerely appreciated.

### LATE PICTURES—

Due to circumstances beyond our control, pictures scheduled for this week were omitted, and will be carried next week.

## Bobby Needham Named Fire Chief at Department Meeting

Bobby Needham was elected as Chief of Hico Fire Department for the year 1964. Election of officers was held Monday night of this week at the regular meeting of the department.

### Omar Burleson Files For Re-Election to Congressional Post

Washington. — Congressman Omar Burleson has filed for re-election with the Chairman of the Democratic Executive Committee of Hamilton County for the Democratic Primary Election on May 2, 1964. Burleson was elected to the 80th Congress and succeeding Congresses from the 17th District.

### Pottsville Man, Herman Standifer, Candidate for Judge

Herman W. Standifer of Pottsville became the second man in the County Judge race, announcing his candidacy for the unexpired term of the late W. E. Tate. G. W. Hurley had previously filed for the office which he has held since Judge Tate's death. Hamilton County residents will elect a judge to serve two years, remainder of the unexpired term.

### James H. Burch Is Candidate for Com., Bosque Co. Precinct 1

James H. Burch of Meridian has announced his candidacy for the post of Commissioner of Precinct 1, Bosque County.

He became the first candidate from Bosque County to announce with the News Review.

A formal statement will appear from Mr. Burch in the near future.

### Hico Cagers Win 1, Lose 3 Games During Week's Action

Hico basketball teams, starting district action last Friday night, have compiled a one game won, three lost record thus far.

Both teams dropped games to Meridian in the district openers Friday night.

## FAIRY

By MRS. EUNICE DANIEL

Funeral services for Richard W. Jones, 57, were held at 10 Monday at Hamilton, with Ray Burchette and Rev. John officiating. Mr. Jones, who Saturday morning in the

Hamilton Hospital, suffered a massive stroke Thursday night of last week while he and his wife were watching television. He was owner of White Auto Store in Hamilton and the Hamilton TV Cable Co. He was well known as a ham radio operator, and for more than 30 years he sent his call sign W5BEB over the air waves. He was a member of the Fairy Methodist Church, and was secretary of HamTex investment club.

Mr. Jones was born to the late Mr. and Mrs. W. L. Jones at Jonesboro in 1906. During World War II he was a civil service radio operator. He is survived by his wife, Mrs. Hope Blacklock Jones of Hamilton and one son, Lt. Richard Carlton (Carl) Jones, with the U.S. Army stationed at Schofield

Barracks, Hawaii; his daughter-in-law, Mrs. Carl Jones; two brothers, M. M. Jones and W. P. Jones of Stephenville; one sister, Mrs. Arthur Burden of Brownwood; one uncle, Frank M. Jones of San Angelo; one aunt, Mrs. M. D. King of San Antonio.

Palbearers were Henry Campbell, Louis Woodall, James Elrod, Ray Main, Bill Mayer, and Norman Keifer. Burial was in Oakwood Cemetery at Hamilton. Our deepest sympathy is the relatives at this time of deep sorrow.

Sorry to learn that Mrs. Annie Tyler is a patient in the Hamilton Hospital and wasn't doing so well at last report. She lives at Ireland and has a cemetery lot at Fairy cemetery that she supports.

At this writing, Friday morning, we have been called back to the Gorman Hospital, as Mrs. Carl Williams, who has been caring for our husband a few days, isn't feeling too well and wants to return to Fort Worth. Mr. Daniel also not doing too good.

## CARLTON

By MRS. FRED GEYE

### BURIAL SERVICES HELD HERE FOR BOYD MITCHELL

After funeral services were held Saturday afternoon in Meridian for Boyd Mitchell, 67, the body was conveyed to the Carlton Cemetery for burial. He was born and reared in Carlton, the son of the late Mr. and Mrs. Virgil Mitchell, longtime resident of Carlton. He was a former schoolmate of ours.

For 47 years Mr. Mitchell had been a druggist in Meridian. Survivors are his wife; one daughter, one sister, Mrs. Selma Bramlett of Sinton, wife of a former Carlton school teacher, J. D. Bramlett. Other survivors are nieces, nephews, and a host of other relatives and many friends.

Mr. and Mrs. Roy Lunsford of Kermit spent the weekend with his parents and sister, Mr. and Mrs. J. H. Lunsford and Arlene. Mrs. Lunsford is the former Miss Sarah Medcalf of Kermit. They were married Dec. 27 in Kermit where they are making their home. Other visitors in the Lunsford home Saturday night were Mr. and Mrs. Kenneth Lunsford of Dublin.

Mr. and Mrs. Hob Thompson visited last Sunday in Abilene with his parents and sister, Mr. and Mrs. C. C. Thompson and Ollie Mae. Mrs. Thompson has been very ill in an Abilene hospital. Her condition is slightly improved and she has been able to return to her home.

Visitors at the Blackwell Hospital Sunday with Boone Daniel and the wife were his son, Mr. and Mrs. Billy Daniel of Fort Worth and Ed Daniel, also now of Fort Worth, and our daughter, Mr. and Mrs. Carl Ray Sellers and Jarice of Fairy. Mr. and Mrs. Sellers informed us that Mrs. Lee Pittman of Dublin was critically ill in the Stephenville Hospital since Thursday or Friday. She is the mother of Wayne Pittman, son-in-law of Mr. and Mrs. D. E. Allison. We are very sorry to hear this and hope she will soon be much better. Mr. and Mrs. Carl Williams of Fort Worth returned home Sunday from Gorman where they had been with her father, Boone Daniel since early Tuesday. Mrs. Williams is a nurse and helped greatly in the care of her father.

The weather has been quite cold and dusty in the Gorman area. Mrs. Herman Sills is visiting in the home of her son and family, Mr. and Mrs. Jamie Sills of Muleshoe. The Sills are parents of a new baby daughter, born recently. They also have three small sons, twins about one year old, and J. C., age 3. They formerly resided at Fairy prior to moving there.

We hope to be able to come home this weekend but all depends on our husband's condition. In the meantime we will appreciate it if all who can will send in your news items to the drop box at Fairy store. We will appreciate it very much.

Thanks for your cards to Mr. Daniel. He appreciated them very much.

## The great highway performer

### '64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer?

If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8\*—and four transmissions, including a finely honed 4-speed stick shift.\*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

THE GREAT HIGHWAY PERFORMERS Chevrolet • Chevelle • Chevy II • Corvair • Corvette  
See them at your Chevrolet Showroom

What about special performance equipment? Professional driving skills? Forget them.

Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them.

And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just about anywhere, just as it comes out of the showroom.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet. \*Optional at extra cost

PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

### WHO'S WHO IN JR. HIGH

The subject this week is a rather new one to Junior High, and to be exact, we must add a pretty one. She is in the 8th grade, is five feet five inches tall with blue eyes and blond hair. Even though she is new, a certain sophomore has made a quick, though quiet thorough acquaintance with her. Another whom she is quite interested in is a freshman with the initials of J.F. You may catch a glimpse of her usually making a trip to town with Paula Lane after school every day.

The answer this week will be pretty tough, as to let the cat out of the bag it is none other than the new student of the 8th grade, Jeannie Kay Bailey. Welcome!

### 7th GRADE NEWS

The higher the price, the harder K.G. thinks H.S. Hill believes in the luck of a green rabbit's foot.

Wonder why everybody gripes at himself? His jaws work both ways all day, every day.

Robbie Robinson is puzzled by Liz Black's new sweater with the big "M" on it.

In a higher note than H.L.'s Mike Davis is singing "My Girl-friend's Back."

Last Sunday Mary Ann Lepard and Alyce Churchill had a visit to Dublin and got sick. What can you expect from someone who eats more than Mr. X?

Mr. Anderson has made a rule for anyone who chews gum during class. Now Jack Bubbles Shipman is Jack Troubles Shipman.

If you ask L.F. what she wants to be when she grows up, she will say "a bench warmer."

Kathryn Gannaway has a new flame. Wonder who it is?

### 8th GRADE NEWS

Well the Junior High boys did it. They won a basketball game!

Jody Littleton, when you give someone a piece of gum and say pay off, what do you mean?

Jeannie Bailey hasn't been here long, but she has already caught the eye of a sophomore boy. How about it Leslie?

Paula Lane, is it you we hear singing "I Have a Boyfriend." Is it about a sophomore boy with the initials of E.H.?

Ann McCammy, was it you and Alan Royal we saw together Saturday night?

Cherry Ramage, why was Dwain in a hurry to get you home Saturday night?

Mike Reeves, we knew you were forgetful, but forgetting to take your basketball suit to a game!

Wayne Gruben, do you have a hearing aid or is that a transistor radio you listen to during class?

Karen Dunn, whom were you looking for in town Saturday?

Howard Srader, who is the girl you said you had a date with?

Dennis Solsbery, what has happened to you? All of a sudden you turned into a good little boy who is always studying.

Suzanne Lackey and Claudia Walters, what are the new names you have for Steve Knudson and Wayne Ross?

Joe Tooley, we know you are always hungry, but must you carry a plate of food around with you in town?

Janis Shepherd, do you go around singing "Forget Him" because of a certain freshman?

Rodger Meek here's a hint for you from the girl who sits across the aisle from you: Please quit putting her purse out in the middle of the aisle.

John Hollis, must you go around talking so scientifically?

Steve Jones and Patsy Bullard, is it you that write love notes in class and won't admit it?

Doris Shipman, did you really go into the seventh grade room to take a test or was it because of a 7th grade boy?

Belinda Christian, who is it that you go to see when you are late for PE?

Philip Thomas is known for chewing gum in class.

Linda Grissom, Jerry Beth Merritt, Mary Beth Martin, Charlotte Loyd and Vicki Keller, what are you girls cooking up? It seems you are always whispering about something.

Mike Christian, did you get a bowling out at the basketball game?

Jerry Aikman are you in love? You are always smiling and walking around in a daze.

### SPOTLIGHT

After the game Friday night there were many couples riding around. Those were Dorothy Gray and Butch Knudson, Joni Coan and Bill Rutledge, Sharon Howard and Bobby Boone, Elizabeth Bruner and Danny Reeves, Linda Bruner and Pete Hanshaw, Barbara Casey and Bud Strong, Judy Jameson and Edwin Shannon, Patsy Wootton and Larry Erick, Francis Lepard and Stuart Myers, Bonnie Lepard and Wayne Warren, Kay Tooley and Mike Gravit, Cheryl Bailey and Morris Samford.

There seemed to be many couples at Stephenville Saturday night.

Those spotted there and in Hico were Liz Bruner and Danny Reeves, Lynn Redden and Edwin Black, Kay Tooley and Mike Gravit, Dianne Jaggars and Jud Roach, Judy Jameson and Edwin Shannon, Sharon Howard and Bobby Boone, Linda Bruner and Pete Hanshaw, Barbara Casey and Bud Strong, Patsy Wootton and Larry Erick, Bonnie Lepard and Wayne Warren, Cheryl Bailey and Morris Samford, Peggy Wiley and Aodis Land, Lloyd Hyles and Judy Ogle, Mike Flowers and Linda Bureson.

### JUNIOR NEWS

The juniors would like to say a great big welcome to Ronnie Partain. It's good to see his bright and shining face around old HHS again.

Hey Scott P., what is that scenery you like to see? You'd rather watch the scenery than the water skiing on the lake huh?

Alan Solsbery, you really should try to make up your mind about the show you want to see on Saturday night. Maybe Sylvia S. had some influence on your decision.

Sharon Howard really liked the birthday surprise she got this past weekend. Her favorite fellow from Austin was in town. She can also give you a few pointers on how to get in the show for free.

James Crews sits in class these days and dreams of those precious days when he can get out of school and go to the Houston Stock Show.

Say Cheryl, you're doing pretty good. (She's only been here a week and she has already captured the heart of a certain senior boy). Don't be alarmed if C.B. starts giving you some icy stares.

Sandra H. seems terribly nervous these days. Wonder what the trouble is?

Leona Hanshaw has developed a sudden hate of West Texas. That hate will probably stop when Lynn gets back from there.

Mary Ann and Margo keep saying that they see blue lights or maybe they don't see blue lights. At any rate they've never been the same since last Saturday night.

Jim Grimes didn't seem to be in the best of spirits Saturday night. It could have been because a certain sophomore girl stood him up.

### SOPHOMORE SPECIALS

Nowadays we find Leslie Royal dreaming of "Jeannie with the light blond hair."

Frances Lepard, have you and Dianne Jaggars made a fair exchange? Now who's singing "Ronnie, call me when you get a chance."

Song dedications for this week are:

Aodis Land: I Love You Peggy Sue.

Lee Shepherd: Eddy, my love, Lynn Redden: Oh Danny Boy, Edmund Horton: Hey Paula, Dwain Fall: Cherry, Cherry, Coupe.

Drewford Barnett: Honky Tonk Man.

Glenda Ogle: Sharing You.

Donna Morgan: Hand me the pillow that your dreaming on.

Claudia: He's So Fine.

Linda Duncan: Your Other Love or a Tear Full.

### DR. O. A. GRANT SPEAKS TO CIVICS CLASS

Dr. O. A. Grant, Professor of Social Science at Tarleton State College spoke to the Hico Senior Civics Class Tuesday, January 14.

Dr. Grant, now teaching Civilization and the Senior Seminar in History, was formerly a member of the Federal Bureau of Investigation. His service in this agency was the topic of his speech.

### DISTRICT GAME PEP RALLY

The students of Hico High held a pep rally for the boys and girls game with Meridian last Friday morning. Usual procedures were followed for the rally. The cheerleaders and band presented very spirited yells and music.

Coach Barnett, Coach Baskin and Mr. Cook gave encouraging pep talks.

The rally marked the beginning of the district basketball race.

### WHO'S WHO

My subject this week is a senior boy who is about five feet 11 inches tall, and very cute. He seems to have a new girl friend every week, or seems to be having trouble with one. He enjoys English, or is it sleeping? He drives a gold Oldsmobile and has many friends in HHS. I'm sure you know who I'm talking about. He is none other than Frank Phillips.

### SENIOR TALES

T. J. Donleymilk is green with envy because he can't make 96 and 98 in his school work. Just study more!

Mag Burgan and Renee Shaffer have changed the conference room to the Gossip Room. Top secret or just the usual lip?

The second period study hall students will get a lot more studying done after mid-term when Joani C. has joined the American History class.

Song dedications:

Jerry Casey: My 409 and I Lost.

Morris Samford: Never On the First Date.

Bonnie Lepard: It's All in the Game.

## First Half Bowling Schedule Completed Wednesday Night

Continuing their downward trend News Review Newshounds barely maintained their lead in Hico Mixed Bowling League last Wednesday night.

The 'Hounds were dumped 6-2 by First National Tellers while Parks Orphans, firmly entrenched in second place, were splitting 4-4 with Salmon Shoppers, closing the gap to two points of the leaders.

In other games, Judy's Beauties downed Hico Motor Darts 8-0, F.W. Ranch pecked the Woodpeckers 6-2, and Cheek Kingpins beat the Bowl Weevils 6-2.

George Kilgo was top bowler for the night, rolling a 207-544, one of two 500's of the night. The other belonged to Pete Keller who had

535. Others in the top five were Jim Bullard 482, Morse Ross 478, and Odis Petsick 472.

June Howard led the women bowlers with a 488 series, followed by Joyce Putty with a 486, Shirley Ross 473, Ruth Salmon 471, and Judy Keller 467.

No changes were recorded in the top average group.

## Motorists Warned That Inspection Deadline Is Approaching

Austin, Tex. The director of the Texas Department of Public Safety, Col. Homer Garrison Jr., today reminded Texas vehicle owners that the 1964 vehicle inspection deadline will soon be upon them.

He reported that some 60 percent of the allotted inspection period has elapsed and only 20 percent of the vehicles have been inspected.

"If this trend continues, vehicle owners can expect to have to wait in line in order to get their vehicles inspected by the April 15 deadline," he said.

Garrison pointed out that Texas experienced its worst traffic fatality record in 1963 and vehicle defects were involved in some of these fatal accidents. He urged all Texans to begin the new year with safe vehicles and to keep them safe throughout the year. He added that vehicles involved in traffic accidents should be re-inspected after repairs have been made.

"Some 5,000 official inspection stations over the state are waiting to inspect the four million vehicles which will have to be inspected by April 15" the DPS director said. "There can be no extension of time, and after the deadline date of April 15, vehicles which come under the provisions of the Inspection Act which do not display the 1964 inspection sticker will be operating in violation of the law."

Mike Flowers: Here I Go Again.

Joy Elkins: Meet Me at Midnight Tommy.

Tommy Donley: Stagger Lee.

Butch Knudson: Daisy Petal Pickin'.

Eilene Gannaway: Somewhere.

Bill Rutledge: The Street Where I Live.

### SENIORS RECEIVE CITATIONS FOR MAGAZINE SALES

Nine seniors received certificates of citation from Educational Reader Service, Inc. last Monday morning in recognition of their outstanding work during the campaign to sell magazines a few weeks ago.

The certificates, which were presented by Mr. Harold Walker, senior class sponsor at the home room period, are signed by C. J. Larkin, vice-president and general manager of the service.

Those receiving certificates are Renee Shaffer, Joni Coan, Frankie Phillips, Butch Knudson, Ronnie Mayfield, Bill Rutledge, Jerry Casey, Herman Mills and Lloyd Hyles.

In a letter to Mr. Walker, Mr. Larkin said "The students who earn this certificate have proven three things: first, that he can sell himself, a necessity in this competitive world; second, that his school spirit is spontaneous and strong; and third, that current wholesome literature has a definite place in the general education program of your community."

Prizes were awarded to Butch Knudson as top salesman, and to Bill Rutledge and Ronnie Mayfield as runners-up.

Proceeds from the magazine sales will be used to help finance the senior trip in May.

## Services Held Sunday For Iredell Resident, Pidad Patterson, 65

Funeral services were held at 7 p.m. Sunday, January 12 in Barrow-Rutledge Funeral Chapel for Pidad Lee Patterson of Iredell. Rev. Furt Gillis officiated, with burial in Hico Cemetery.

Mr. Patterson passed away Friday morning in Hico Hospital at the age of 65. He was born in Waxahachie and had been a resident of Iredell for the past 15 years. He was a rancher and had lived most of his life at Miles prior to moving to Iredell.

Survivors include two sisters, Miss Vera Paterson of Hico and Mrs. Ruth Guyer of Brownwood; a niece, Mrs. Lewis Barnes of Austin; and a nephew, John H. Guyer of Brownwood.

Palbearers were John Word, H. H. Ross, E. M. Randals, Dee Carry, Ben Prinzing and Chester Gasdin.

Monday guests with Mrs. Jessie Richbourg and Mrs. J. A. Garth were Rev. and Mrs. Ronnie Fox, David, Phil and Linda Ann of Morgan Mill.

from blue Ridge, and Mrs. Edgar Bradley from Fairy. Mrs. Ric- mond had charge of the Family Life Workshop and received high acclaim for its effectiveness.

Mrs. Lenard Weaver attended the State THDA meeting in San Antonio and brought back recom- mendations for programs in 1964. Some of the THDA programs recom- mended for 1963 carried out in Hamilton County were a pro- gram to emphasize the value and use of safety belts in motor ve- hicles, a study of the benefits of driver education in schools, a stu- dy of heart disease and keeping physically fit. Each club member pledges to help non-club families who cannot attend club meetings and share material and informa- tion.

There are four Home Dem- onstration Clubs in the county: Blue Ridge, Fairy, Littleville and South Hico. In addition to the recom- mended TDHA programs already mentioned, many subject matter programs were held during the year. These included a program on work simplification, low cost meals, how to alter ready to wear, and food for the senior citizens. Three workshops were given by the agent with the help of resource persons. These included how to make pleated draperies, changing laundry methods, and how to make fabric lampshades. Many homemakers interested in these fields came to these workshops although they are not members of a home demonstration club.

In HD work we also have leader- training meetings where leaders are trained in subject matter areas and they in turn take it back to their clubs. Programs in 1963 in- cluded stain removal, weight con- trol, and planning and serving nu- tritious snacks. Other programs are given during the year by mem- bers of the club on subjects of in- terest to them.

Another important part of Ex- tension work in the county is the 4-H program which is for the youth. We are very proud of the accom- plishments for 1963, one of which was to form a county-wide 4-H Council whose purpose is to or- ganize and carry out activities of 4-H on a county-wide basis. There are five clubs in the county—Car- ton, Fairy, Honey Bee, Pottsville and West Point. Helping work with these girls are 11 adult lead- ers.

THIS WEEK IN AUSTIN—

Highlights and Sidelights

By VERN SANFORD  
Texas Press Association

With less formality than he would display in warning his wife he was inviting guests to dinner at the Mansion, Gov. John Connally "announced" he is running for a second term.

Actually the announcement was no great surprise, although rumors continued that he was going to go to Washington, retire, or run for the Senate. But the informality of it did leave some reporters wondering if they heard him right.

"When are you going to announce?" a newsmen asked at the start of Connally's first press conference since he was wounded by the same assassin who killed President Kennedy.

"What's wrong with right now?" the Governor shot back.

"Well, are you announcing now?" stammered another reporter.

"Good a time as any," shrugged the Governor nonchalantly. "I have no prepared statement, but I'll announce right now for re-election as Governor."

And that's the way it happened. Before the conference was over, a half hour later, Connally also predicted the Democratic national ticket, which he expects will be headed by his old friend President Lyndon Johnson, will beat the Republicans in Texas by a 60-40 margin.

Said he still sees no need for a special legislative session on congressional re-districting unless the Supreme Court unexpectedly acts early to uphold a lower court decision on "at-large" (statewide) elections for congressmen.

Declined to be drawn into U.S. Senate race controversy and efforts to find an opponent for Sen. Ralph Yarborough, but indicated waves of harmony engulfing President Johnson and Yarborough do not necessarily include him. Said Connally: "My thoughts are my own."

He is recovering his strength, has regained lost weight, has given up smoking, and has a collection of tailored slings for his shattered right arm—including a grey herringbone sling, a blue serge, a red velvet for sport, and a black formal with a silk lapel and covered buckle in the back, all from a lady in Kentucky.

Curb Teenage Smoking

The State Health Department has a word of advice to teenage smokers: "Be smart—Don't start."

Dr. J. E. Peavy, Texas Health Commissioner who recently gave up cigarettes himself says the department will put up anti-smoking exhibits at junior and senior high schools in the 10 largest cities in the state.

The plan preceded release of a national fact-finding committee report on dangers of smoking.

Junior Colleges

Many people interested in state government and education are saying we need more junior colleges in Texas.

The National Education Association has said the country should add the first two college years to the present system of free public education.

Texas Research League has advised the State Board of Education that there are at least 17 counties in Texas which could qualify for new junior colleges.

In Travis, Grayson, Liberty and other counties, junior colleges already have been authorized but local taxpayers haven't yet supplied the financing.

Other counties might join together and qualify for a junior college if suggestions of the Research League are passed into law.

Texas Agriculture

Lt. Gov. Preston Smith, speaking to the State Association of Young Farmers in Austin, said that agriculture in Texas will continue to progress despite population shifts and changes in land use.

Smith said there are 224,000 farms in Texas today, with total value exceeding \$14,500,000,000; that \$2,500,000,000 worth of farm products were marketed in Texas last year; and that another \$2,000,000,000 in farm machinery, seed, fertilizer, and other farming necessities were sold in Texas.

Screwworm Count Zero

Texas stockmen did not report a single case of screwworms from Dec. 20 through the first week in January, according to Dr. R. G. Garrett of the Texas Animal Health Commission.

Dr. Garrett said the 17-day stretch without a case reported was a record breaker, and recalled that 157 cases were reported in Texas last January.

At the same time, he urged stockmen to inspect their animals carefully to make sure the screwworm doesn't get a new start.

Short Snorts

State's general revenue fund showed a \$23,800,000 deficit at the end of December. Total cash in all State Funds was \$235,300,000.

House Speaker Byron Tunnell of Tyler announced for re-election to his House seat.

George W. Busby, chief of the inspection and planning division of the Department of Public Safety, is the State's Vehicle Equipment Safety Commissioner, under a new law designed to exercise control over vehicle safety equipment and expedite approval.

Agriculture Commissioner John C. White, who has held office since 1951, has announced for a seventh term.

Republican State Executive Committee will meet in Houston January 18 to approve budget plans, survey its 1964 candidates and beef up its poll tax drive.

WASHINGTON—

As It Looks From Here

By OMAR BURLESON, M.C.  
17th District, Texas

Vast and ambitious programs are now before the new session of Congress. Presumably, it is to be accomplished within approximately six months, or just prior to the Republican Convention in July.

Economy pronouncements have caught the attention of those who want to see the huge cost of Government reduced. Proposals for new programs attract those who subscribe to them and who become the beneficiaries under them. Complete new ventures in Federal Governmental activities, if enacted, are estimated to cost in excess of \$17 billion during the programs' lifetime, most of which are five years. It should be added that if the past is an indication nothing is quite as permanent as a temporary Government Program.

While economy is talked and advocated, some day, some time, some how, these authorized and obligated expenditures must be met. A COD order costs nothing, but when the package arrives, it must be paid for.

A tax reduction in some form or other is almost certain to be approved by the Congress within the next month. A tax reduction should restore an incentive within our economy, lacking under present high rates. At the same time, in logic and in reason, expenditures for purposes, however desirable, must be curtailed and postponed until such time as they can be better afforded. To paraphrase something Emerson once wrote "We should have reached a maturity to prove that we are capable of listening, not only to what the hours tell us, but what the centuries whisper." If we, as a people, do not have the courage to look at these matters realistically, we can do nothing other than pass on to future generations a crushing debt which can never be paid. Our whole system of government, including private enterprise, is built largely on confidence of financial stability. To shake this confidence by an impairment of obligations can eventually be

disastrous to ourselves and to the world that we lead.

The President of the United States will have all the help your Congressman can possibly give him in efforts at economy and the establishment of sound fiscal policy. A great and burdening responsibility rests upon the Congress to assume its Constitutional obligation. It should not impose a responsibility upon the Executive Branch to pay for COD packages it has unwisely ordered.

This being the first weekly release of the year since the convening of the Congress last week may its readers again be reminded this is not intended as a "professional" effort. It is simply meant to reflect a few thoughts each week, and at times to mention matters not reported in the daily press.

Your reaction to these comments will always be welcome. You can also be assured that your views on matters in Washington are desired and will be respected. Unfortunately, since the Congress was in session all of 1963, it was not possible to make the visitations over our Congressional District as has been the practice in the past. Only by communication between us can proper representa-

TO CITY TAXPAYERS,,,

ALL CITY TAXES ARE DUE AND PAYABLE ON OCTOBER 1,  
AND IF NOT PAID BY THE LAST DAY OF  
JANUARY, WILL BE DELINQUENT

Delinquent taxes are subject to penalty and interest, and it is greatly to your interest to take care of taxes BEFORE THE FEBRUARY 1st DEADLINE.

DELINQUENT TAXES

We still have some delinquent taxes on our books and those owing such taxes are urged to come in and see about them.

According to law, delinquent taxes are a valid lien against any real estate property and in case of a sale of property, must be satisfied. In other words, you could not give title to your place if there were any unpaid taxes against it.

COUNTY AGENT REPORTS

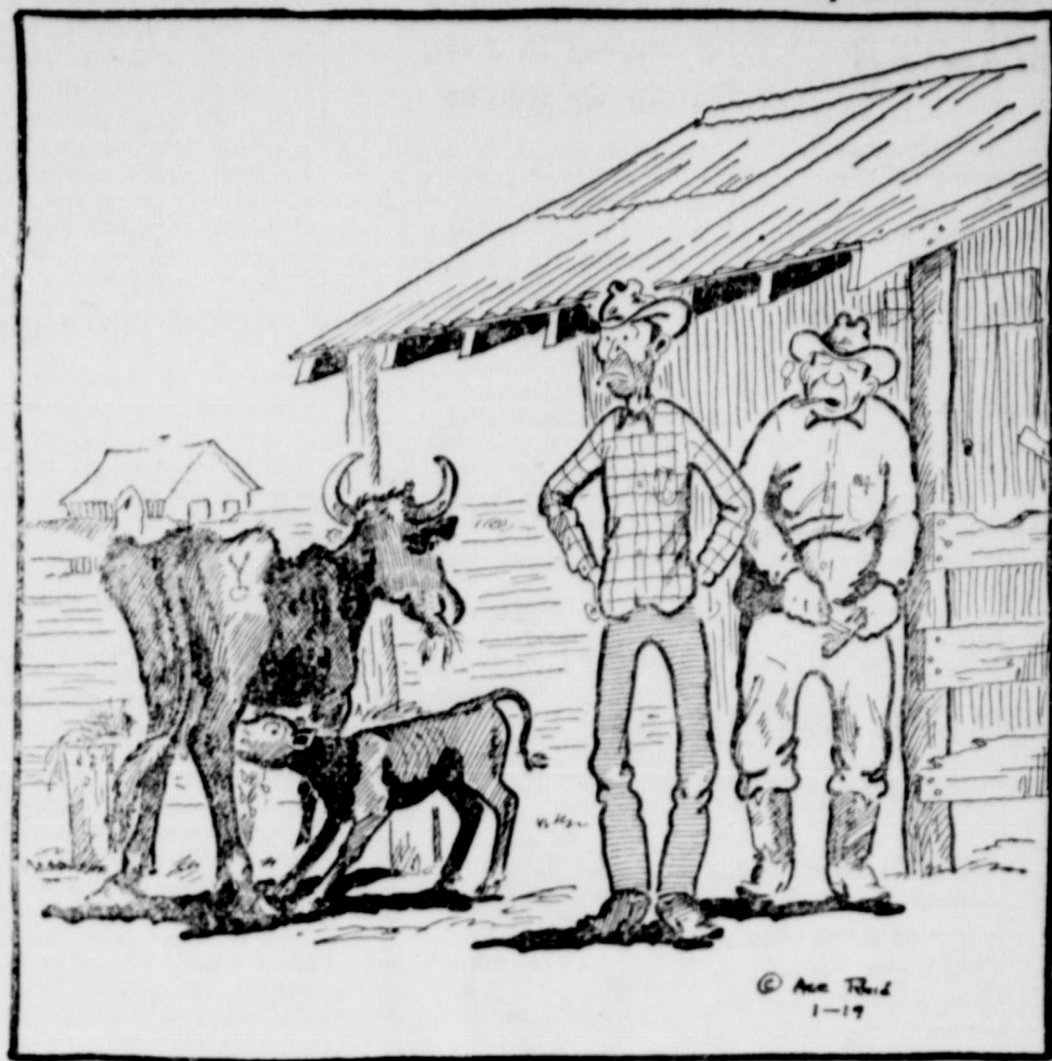

By DeMARQUIS GORDON

Hamilton County had over 50- 000 Angora goats when the last census was taken in 1959. During that year 346,633 pounds of moh- air was sold by county produ- cers. Most people agree that An- gora goats are more important to the agriculture in this county now than they were in 1959.
Some ranchmen have found that a selection and culling program will bring about improvements in their goat flock. E. W. Dittrich and Paul Schwalbe are two pro- ducers who have a system of se- lection and are pleased with the results. Mr. Dittrich said that his average mohair production has in- creased one pound per head per clip since he started the selection work three years ago.
The method of selection most often used is that of separating the does into three groups accord- ing to their ability to produce kids, the mohair quality, the size, and body conformation. The big, open- face does with good conformation

and high-quality long-staple fleece make up the top group. The slightly less desirable does—not as uniform in size, conformation and fleece—make up the second group. The smaller, lighter shearing does make up the third group.
Bucks are divided into groups in the same manner as the does and the best bucks are put with the best does, the second best bucks with the second best does, and the poorest bucks with the poorest does. This system of mating in- creases the possibilities of off- spring that are still higher produc- ing individuals. If the flock is reduced during the year, goats are sold from the third group. The largest number of replacement doe kids comes from the top group of does with the balance of the re- placement doe kids coming from the second best group.
We are having a goat selection field day at the E. W. Dittrich ranch Thursday, January 23, at 1:30 p.m. Jack Groff, Extension Sheep and Goat Specialist from Kerrville, will demonstrate and discuss the selection. Everyone interested in goats are urged to at- tend the field day.
On Friday morning, January 24, we will be selecting both shepe and goats at the Paul Schwalbe farm if you can not attend the field day on Thursday afternoon you are invited to come to Sch- walbe's on Friday morning.
Both Schwalbe's and Dittrich's places are located about five miles

**Ghost Story, The Three Stooges Set for Weekend At Hico Theatre**

A dead hand beckoning from another world, a voice whispering from lifeless lips—you may not believe in ghosts, but you cannot deny terror.

That's the theme of "The Haunting" playing Saturday night and Sunday matinee at Hico theatre. The film stars Julie Harris, Claire Bloom, Richard Johnson and Russ Tamblyn.

The film explores the psychic unknown. Enter Hill House, that strange and awesome place where the dead are never still, and the twilight zone of terror and fear exists. "The Haunting" travels the strange and forgotten paths of the supernatural.

The Three Stooges, those mad-cap zanies who have delighted audiences for some 30 years, cut loose anew in "The Three Stooges
