## Miss Gannaway Wins State Championship in UIL Meet

Eilene Gannaway, Hico High School senior representing Class B schools in Region 8, placed first in the girls' prose reading contests at the University Interscholastic League state meet held in Austin last Friday.

Miss Gannaway received a gold medal as her personal award, and a walnut and brass plaque which will go into the school's trophy case with her name and other data engraved upon it.

Five other regions in Texas were represented in prose reading competition.

Miss Gannaway was with other members of her class on the annual senior trip to Mo Ranch near Kerrville from Wednesday thru Saturday of last week, and went from there to Austin Fri. morning to enter the contest. She said that whatever honors she may have won should be shared with Joni Coan and Vernon Hyles, both of whom got up at 4 o'clock Friday morning to make the trip to Austin with her.

The selection she read was from Woodrow Wilson's second inaugural address and was probably her favorite among the pieces she had prepared for the various contests entered this spring. Students entering prose reading are required

to be ready to read selections from three categories: commentary or essay, fiction, and public address.

Previous to Friday's contest, Eilene had placed first in the district meet at Meridian on April 11, and first in regional contests at Stephenville April 25.

Mr. and Mrs. Bobby Ratliff and daughters of Hurst were weekend visitors in the home of their parents, Mr. and Mrs. J. B. Ratliff and Mr. and Mrs. Bolding Cole.

Mother's Day guests in the home of Mrs. H. A. Warren Sr. were Mrs. Buelah Warren of Hollywood, Calif., and Mrs. Cecil Willis of Waco.

Mrs. O. M. Bramblett recently returned to her home following a visit in Santa Barbara, Calif., with her son and family, Mr. and Mrs. O. M. Bramblett Jr.

## Garden Club Seeking Funds to Purchase Cemetery Equipment

Sponsorship of a fund-raising campaign to purchase a butane burner and cart, and enough butane to operate for the summer, was announced this week by Hico Garden Club. The burner will be used to improve conditions at the local cemetery.

When properly operated the burner will destroy weeds, grass, and seeds, leaving flowers and other desirable plants.

Contributions from all those interested in the upkeep of the cemetery will be appreciated, and may be sent to the Garden Club's treasurer, Mrs. Lotus Gosdin, or persons may call Mrs. Alvin Casey or Mrs. D. E. Bulloch and they will pick up the donations.

## Accident Summary For April, First 4 Months, Given By Sgt. Eggen

Stephenville, May 11.—Sgt. A. A. Eggen, Supervisor of the Texas Highway Patrol in the Stephenville Area, released the 6-county area's rural accident summary for the month of April, this week.

The Highway Patrol in the Stephenville Area investigated a total of 48 rural traffic crashes during the month just past. As a result of these 48 crashes 33 people were injured, and the combined property damage amounted to \$20,969.00. There were no deaths reported for the month of April.

For the first four months of 1964 the area's rural traffic records show a total of 193 traffic crashes resulting in death to five people, injury to 115 people, and the combined property damage amounted to \$137,860.00.

For the same period of 1963 the Stephenville Area reported a total of 162 rural crashes resulting in death to 3 people, injury to 99, and a combined property damage of \$91,992.00.

With the summer months rapidly approaching, and the vacationers, boating enthusiasts, bicyclists, and school children added to the volume of traffic on the streets and highways, motorists need to exercise extra care and courtesy in driving habits, Sgt. Eggen said. In 1963, during the months of June,

## Belated Cancer Fund Drive Set Friday and Saturday

The 1964 Cancer Fund drive for Hico has been scheduled for Friday and Saturday, May 15 and 16, according to announcement made this week by Louise Blair, chairman of the drive. On these two days the business district will be solicited for donations. There will be no residential drive, but individuals are urged to leave their donations with either Miss Blair or at First National Bank.

Hico residents have always been generous with their monies for

this worthy cause, and Miss Blair expressed her hopes that this year would not be an exception.

In making the announcement, the local chairman said, "Cancer is a disease that is characterized by abnormal growth and spread of cells. If this malignant process is not controlled or checked, the patient will die. However, many cancers can be cured if detected early in their development and treated by surgery or radiation."

"Cancer strikes all people, from the noblest to the meanest, richest to poorest, and some of the most gifted are among its victims. Each year cancer takes many leaders from the worlds of government, science, sports, the arts—frequently at the height of their careers. If a general cure or preventive for cancer can be found in time, some of these might live longer to influence their respective fields and the course of contemporary history," Miss Blair continued.

"Each individual can have a part in helping the Cancer Society obtain its goal—to find what causes cancer; to find new ways to cure it; to find ways to prevent it; and to alleviate pain and suffering. Do your part by giving generously to the American Cancer Society," said the chairman in conclusion.

## Livestock Survey to Be Made Next Week By Rural Carriers

Postmaster Robert Jackson this week reminded rural patrons of the Hico office to be on the lookout for June Livestock Survey cards.

Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Mr. Jackson explained. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way USDA gets a representative sample of the area's livestock and poultry holdings."

Carriers assisting with the survey are Bertie Barnett Jr., J. P. Rodgers Jr., Marvin Marshall and Morse Ross.

Mr. and Mrs. Pierce McBride of Dallas spent the weekend in the home of her mother, Mrs. W. L. Malone.

Mr. and Mrs. Jerry Gage of Waco were weekend guests in the home of his mother, Mrs. Florence Blackburn.

July and August, 383 persons lost their lives in rural fatal accidents in Texas.

Sgt. Eggen commented, "This was a tragic loss to our state. It is up to you and I to see that a tragedy such as this does not occur this year."

## County Reunion Set At Hamilton June 25-28

Hamilton County Pioneer Homecoming Association will hold its second Pioneer Celebration June 25 through June 28.

Entertainment will feature an old fiddlers contest, queens contest, square dancing, old gospel singing, basket lunch, and many other things.

A downtown parade will open the celebration on Thursday. Prizes will be awarded to outstanding entries.

A three-night rodeo, and an Approved Appaloosa Horse show will also be featured. The horse show will be held Friday, June 26 at 10 a.m.

An approved American Quarter Horse Show will be held Sunday, June 28, starting at 1:30 p.m.

STATE CHAMP—Miss Eilene Gannaway, daughter of Mr. and Mrs. R. Lee Gannaway, and a senior student in Hico

High School, was named State Champion in Class B Prose Reading, University Interscholastic League competition held last weekend at Austin.

## Highway Commission Approves 5.3 Miles of Road For County

The Texas Highway Commission last week approved the construction of 5.3 miles of new Farm Market Highway in Hamilton County, announced District Engineer J. H. Aiken. The work will be under the supervision of Leigh F. Cannon, Senior Resident Engineer, Hamilton.

The work authorized for this county is part of the new \$23 million road construction program announced by the Texas Highway Commission, and consists of grading and structures of 0.3 miles from State Highway 22 East to Hamilton, Northeast to a County Road intersection.

The Farm to Market Program is a yearly road building undertaking of the Texas Highway Department under which statutes specify that \$23 million annually shall be spent for new FM construction.

A total of 50.6 miles of highway will be built throughout District 10 which consists of Bell, Bosque, Coryell, Falls, Hamilton, Hill, McLennan and McLennan counties.

In 1962 the Highway Commission revised its goal for farm road mileage upwards from 35,000 to a total of 50,000 miles. The ultimate 100-mile farm roads network will be built over a period of years and geographically distributed throughout the state.

### ATTEND MCGREGOR RITES

Mrs. John Ogle, Mr. and Mrs. Sandy Ogle, Mr. and Mrs. Orville Ogle, Judy and Glenda, and Mr. and Mrs. Des Cody were in McGregor Sunday to attend funeral services for Mrs. Johnnie Ogle, who passed away Friday evening after suffering a heart attack.

Weekend guests in the home of Mrs. Willard Sellman were Dr. and Mrs. W. C. Sellman Jr. and children, Willard III and Clara, and Tom Collin Sellman of Dallas, and Eraxton Miller, nurse supervisor at the Veterans Hospital in Temple.

## Miss Bulloch Relates Experience at Ntl. Science Fair

(Following is a day by day account of the trip taken last week by Miss Connie Bulloch and Mrs. W. P. Brummett to the National Science Fair in Baltimore, Maryland, written for the News Review by Miss Bulloch.)

### Tuesday

We left Dallas at 9:20 (11:20 Baltimore time) and arrived in Baltimore about 2 p.m. On our way we flew over the Mississippi River, Pine Bluff, Arkansas, Little Rock, Memphis, Tenn., Nashville, and other cities. Some of these can be seen from the plane, as well as farms and the Appalachians. After landing at Friendship Airport, we went to the Emerson,

left our luggage, and went to the Civic Center three blocks away. The Center, opened in 1962, has four levels and covers two city blocks. The exhibits and floor of the auditorium were on the first floor. Special exhibits by Johns Hopkins University, the Air Force, the Navy, the Army, the Martin Company, and others were on the second level. On the stage tables were set up and free Cokes were served to exhibitors. After setting up the exhibit, we went to a lecture at the Lord Baltimore. Main speaker was Dr. Glenn T. Seaborg, Chairman of the Atomic Energy Commission, who was introduced by Dr. Donald Hornig, Science Advisor to President Johnson.

### Wednesday

After arising at 6, a tour of Martin Co. took place. We saw the Gemini Division where NSF-I finalists saw the large rocket which is to carry the first two astronauts in the program into space, being built, as well as some vehicles which will go up earlier in the program. We saw a room where the rocket is thoroughly cleaned, leaving only a few microns of dust. On our return, we attended a luncheon at Civic Center where we were addressed by Dr. Milton Eisenhower, President of Johns Hopkins University and brother of the former President. We were welcomed by the Mayor of Baltimore's special representative, following the luncheon, we toured Baltimore, seeing John Hopkins, Loyola University, beautiful old homes, the famous Sherwood Gardens filled with flowers from all over the world, famous Fort McHenry, which inspired the writing of our National Anthem, Lafayette Square, Memorial Stadium, the Baltimore monument to Wash-

ington, as well as many other places. Since the fair was guarded over by 2,500 policemen, the mounted police became familiar sights. New sights were the row houses, vendors selling from horse-drawn carts, and sidewalk flower vendors. After the tour, judging began at 7 and lasted until 11.

### Thursday

Many finalists toured the harbor in a boat known as the Port Welcome. On this tour we were saluted by a fireboat, which was a beautiful sight. Other sights included Federal Hill, once a strategic spot; the Dominoe Sugar Plant; Bethlehem Steel; a Navy Radar ship; tugboats at work; submarines; ships from the U.S. and other countries such as Sweden and Greece; Fort Carroll, begun by Robert E. Lee when he was a member of the Federal Army; and many other harbor factories and docks. From 12 to 1:30, we were guests of the North Baltimore Kiwanis Club at the Lord Baltimore. Here we received a greeting from a representative from the state governor and were addressed by Mel Osborne, vice president of Kiwanis International and Dr. Edward R. Annis, President of the American Medical Association. From 2 until 5 we were all with our projects. Beginning at 6, we attended the Health Awards banquet. Main address was made by Dr. Carl F. Benson, chairman of the fair. Dr. Watson, Director of Science Service in Washington, D.C. also spoke. The Most Reverend Lawrence J. Shehan, Archbishop of Baltimore, gave the invocation. The banquet was followed by a dance, played for by a large band.

### Friday

We toured Goddard in Green Belt, Maryland. Here, we saw the

Tiros weather satellite center, the Maned Space Computer Center, exhibits containing past satellites which have been sent into space, the Fabrication Facilities, the Test and Evaluation Facilities, and saw some models of satellites to be put into space in the future. The tour ended at 1:10 and the exhibitors had to be at their projects from 2 until 5. At 6:30, the final Awards Banquet began. Here we were read a telegram from President Johnson. The banquet was followed by the preparing of projects for shipment home. At the awards banquet Texas exhibitors won a total of 32 awards, with some winning awards which ranged from summer jobs and a trip to Japan (Texans won two of the three trips given) to Wish Awards of 100, 75, 50 and 25 dollars. Texas took 33 exhibitors, as well as many others who were members of the Official Party. This was more than any other state. In all, there were 420 exhibitors and 170 awards. Besides being from the United States, there were exhibitors from Canada, Japan, Sweden and Puerto Rico.

### Saturday

The finalists and sponsors toured Washington by nine buses. We saw the following: the White House, the Capitol, the Washington Monument, the Jefferson Memorial, the Lincoln Memorial, and many other monuments to people of importance, many Federal buildings, Arlington and the Lee-Curtis mansion—but not President Kennedy's grave—George Washington University, Georgetown University, where we ate lunch, the Iwo Jima Monument, the Iranian Embassy, and many other interesting places. We re-

## Shoppers Cling to Slim Lead in Weekly Bowling League

With only two weeks remaining in winter play for Hico Mixed Bowling League, Salmon's Shoppers maintained a slim two-point margin over F-W Ranch and News Newshounds for the second half title. The Hounds won the first half crown and will meet the winner of the second half for the first place trophy.

Two other teams have a mathematical chance at the title, with Parks' Orphans and First National being eight and ten points behind, respectively.

In last week's action the News-hounds and Ranchers both gained points on the Shoppers, each sweeping 8-0 sweeps over their opponents. F-W downed Cheek King-wood, while the News-hounds were downing Judy's Beauties. The Shoppers dumped the Bowl Weevils 6-2 to maintain the top spot.

Parks' Orphans defeated Hico Motor Darts 6-2, and First National and the Woodpeckers split 4-4.

Top bowlers for the night were Pat Ross 505, Ruth Salmon 468, Mary Scott 438, Wilma Fillingim 425 and June Howard 424.

Buck Meador with 192-522 and Morse Ross with 178-522 led the men. George Kilgo had 194-508, Rusty Roberson had 179-508, and Jim Jameson rolled 189-501 to round out the top five.

The Standings:

Salmon Shoppers	76	52
F-W Ranch	74	54
News Review	74	54
Parks' Orphans	68	60
First National	64	64

Judy's Beauties	48	80

# FAIRY

By MRS. EUNICE DANIEL

We have had unsettled, humid weather the past several days. We received about 8 inches of rain last week. The grain is holding up well so far and we have prospects of one of the best yields we have had in some time. The FFA Father and Son Banquet held Saturday night at the gym was a great success. More than 150 guests attended. Mr. Martin Schrang, ag teacher and the

class had put forth much time and effort for the program and we, like others who attended, think it was one of the best we ever attended. Mr. Schrang and his group of boys who worked so faithfully are to be commended for the wonderful meal and program. The supper included barbecued chicken, beans, baked potatoes, apple sauce and that good old country butter, bread, coffee and tea. Folks attended from Arlington, Ft. Worth, Stephenville, DeSota, Hamilton, Killen, Gustine, Hico and other points. During the program two former members, Rudy Oxley and Wayne Glaze, former class members who each met a tragic death. Rudy fell from a moving pickup truck near the school and Wayne was killed when an oil truck exploded. All present and former presidents were recognized, and some 32 of these were present. The tables were decorated with both wild and tame flowers, grain and farm products. The paper plates, glasses and dessert dishes all bore the FFA symbol. Music was furnished by Fred Ray Noland of Stephenville, Junior Jones of DeSota, Durwood Brooks of Arlington and Mike Hanes of Fairly. Mr. Schrang rendered two harmonica numbers and his wife rendered two accordion numbers. Fred Ray Noland also rendered several vocal numbers. Present and past sweethearts were also recognized and all enjoyed the program very much. Our sincere thanks go to Mr. Schrang and the class for the special effort they made. We will

miss Mr. Schrang. He had many friends while here. Mother's Day visitors with Mrs. P. L. Cox and Mr. Cox were her sons and wives, Mr. and Mrs. D. W. McDonald and Mr. and Mrs. Odis McDonald and a Mrs. Burt from Gatesville, and Mr. and Mrs. Troy McDonald of Jonesboro, also Mrs. Cox's nephew, Ewell McDonald of Houston. They showered their mother with gifts. Mr. and Mrs. Charles Abel and family of Fort Worth spent Sunday with his parents, Mr. and Mrs. Walter Abel and Bill. Mr. and Mrs. Willie Turner and Bernice spent Sunday in Gatesville at the home of his sister, Mr. and Mrs. Andrew Powell. Other relatives attended from Flat and other points. The family gathering was in observance of Mr. Turner and his twin sister, Mrs. Wilma Lofton of Houston, birthdates of which was May 6. However, all were disappointed that Mrs. Lofton didn't get to be present. Mr. and Mrs. Ray Turner and Keith of Killen spent Saturday night with her parents, Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice, and attended the get-together of Ray's parents and family in Gatesville Sunday. The Willie Turners were met there by two other children and families, Mr. and Mrs. Billy Turner and family and Mr. and Mrs. Ray Botkin and family, all of Killen. Mr. and Mrs. Truett Turner and Bobby and Mr. and Mrs. Weldon Parks and baby of Fort Worth spent Mother's Day with their parents, Mr. and Mrs. T. R. Parks. Mrs. Parks' aged mother, Mrs. John Newsom, who makes her home at the Hamilton nursing home, was brought out and spent the day also. Mrs. Newsom suffered a stroke sometime back and is only able to get about in her wheel chair or walker. It was her first visit to her daughter's home since Christmas of 1962, as she had been unable to come. Mrs. M. E. Parks enjoyed a visit on Mother's Day from the following children, Mr. and Mrs. V. D. Fullbright and two sons of Kerrville, Mr. and Mrs. Delbert Pack and two sons of Stephenville, Mr. and Mrs. Elzie L. Parks and two daughters of Fort Worth, and Mr. and Mrs. J. T. Leonard and Melody, and Audie of the home. Mr. and Mrs. Lloyd Bolstad, D'Ann and Glenn of Houston spent the weekend with her parents, Mr. and Mrs. E. M. Hoover. We learned through Fred Ray Noland Saturday night that his uncle, Floyd Noland of Hamilton, who suffered a severe stroke a few months ago and left him practically speechless and can walk only with aid of a walker, was being taken to a specialist in Houston last Sunday. We surely hope they can help his condition. We received a letter Monday from a dear friend, Mrs. Lucille Battershell of Hico who is presently visiting her daughter and family at Greenville. She stated she suffered a severe heart attack on January 15 and hasn't recovered sufficiently to come home. We were very sorry to hear this and do hope she is much better soon. Her address is 5600 New Haven, Greenville, and we feel sure she would be glad to hear from her friends and neighbors. Mrs. Battershell enclosed \$5 for the Fairy Cemetery association, and thanks so much Lucille. We're glad to report that Clyde Hoover of Dallas has recovered sufficiently from a severe heart

attack to return to his home, but has to spend part time in bed and be very careful. We were very sorry to learn that Rob Hutton of Hico underwent surgery at Scott & White Hospital in Temple last week. We hope he will soon be much better and able to return home. Mr. and Mrs. Larry Gardner and children of Arlington and Miss Cleon Garner of Fort Worth spent the weekend with their parents, Mr. and Mrs. Winfred Gardner, Sandra and Randy. Rev. and Mrs. Val Nance and Kevin were luncheon guests in the home Sunday. Mr. and Mrs. Glenn Arrant of Fort Worth and Mr. and Mrs. Garland Arrant and family of Dallas spent Mother's Day with their parents, Mr. and Mrs. Ted Arrant. The Glenn Arrants also visited her parents, Mr. and Mrs. W. E. Cunningham, and the Garland Arrants her mother, Mrs. Munnerlyn of Hico. Mr. and Mrs. Billy Wayne Harris of Snyder and Rusty Harris of Huntsville spent the weekend here with friends. Mrs. Pedro Jones and nephew, Elverne Jones were luncheon guests in the home of their daughter and aunt, Mr. and Mrs. Frank Hanes and Mike Sunday. The writer attended singing at Lund Valley Sunday afternoon. Mr. and Mrs. Laymon Newton and three sons of Rochester and Mr. and Mrs. D. C. Davis and their daughter and family, Mr. and Mrs. J. M. Cowen and three children of Killen visited Sunday in the home of their parents, Mr. and Mrs. J. H. Davis. Mr. and Mrs. Maurice Fields had all of their children and families home Sunday. These were Mr. and Mrs. Boyd Lowry and family of near Hico, Mr. and Mrs. John Fields and family of Corsicana and Mr. and Mrs. Frank Fields and family of Fort Worth. The following children visited on Mother's Day with Mrs. Olga Duncan, Mr. and Mrs. S. Iney McKandless of Fort Worth, Mr. and Mrs. Fred Duncan and family of Irving and Archie, who is stationed at Fort Hood. Mrs. J. R. Oglesby and Mrs. Irene Bankston of Temple spent the weekend with their father, J. E. Blakley. The Hobert Proffitts had their son and wife of Hobbs, New Mex. with them during the weekend. The Hollis Percys returned home Saturday night from a visit on the Plains and in New Mexico, and report dry weather conditions

in that section. The Baccalaureate service was held Sunday evening at the school gym at 8:15. Rev. Val Nance of Fort Worth delivered the message. Miss Doren Gwen Willeford had charge of the music. Class members are Clifford Bullard, Sandra Gardner, Kaye Rushing and Joyce Jones. Mr. and Mrs. Scott Blakley visited Saturday night in the home of

their daughter, Mr. and Mrs. M. Lam at Flat. Mrs. Lam had prepared a supper in honor of Mother's Day, since they were going to spend Sunday with Mr. Lam's parents at Flat. Weekend visitors with Mr. and Mrs. O. J. Clark were Louis and J. Clark Jr. and Mr. and Mrs. M. Clark and family of Fort Worth.

 Graduation services for the class of Iredell High School will be held at 11 a.m. Sunday at the Iredell High School. Senior class commencement exercises will be held at 8 p.m. May 16 at the High School.

**IREDELL SENIORS MAKE TRIP TO MEDINA**  
 The Senior Class of Iredell High School left Thursday, May 7 for an annual trip. The group went to Austin and toured the State Capitol. From Austin they went on to Marcos and ate lunch, and then there went to Brackenridge Park in San Antonio. Supper was enjoyed at Bandera where the group went on to Circle R. Dude Ranch at Medina. While at Medina the class found many things to do. There was never a dull moment. There was

horseback riding, swimming, tennis, ping-pong, volleyball, badminton, miniature golf and many other games. A hayride was featured Thursday night, and a dance was held Friday night. Saturday the group all played volleyball.

The cabins were real nice, the meals were delicious, and no one ever went away hungry. In the lodge was a TV you could watch and also a record player for anyone wanting to listen to records.

We started home Sunday morning about 8 a.m. We stopped at Longhorn Cavern and made a tour of it. We all found it interesting and had a good time. We ate lunch at Burnet and then came home. We arrived in Iredell about 4:30. We were all glad to be back home although we enjoyed the trip tremendously.

Making the trip were Larry Herrin, James Guinn, Bobby Wellborn, Roy Wright, Stuart Myers, Quata Craig, Janie Herrin and the sponsors, Mr. and Mrs. J. C.

Spence and Mr. and Mrs. J. T. Wellborn.

## IREDELL WMU MET MONDAY, MAY 11

The WMU of Iredell Baptist Church met Monday of this week. Mrs. Betty King brought a review of the book "Apogee" by Kate Ellen Gruver, which is a study of the Baptist Church from the beginning up until now.

Skits were given by Misses Mary and Lella Odum, and Maggie Harris. Mrs. Aileen Strange, Mrs. Caruthers, Mrs. Opal Bateman. Choral reading was given by Mrs. Sanders, Mrs. Bateman and Mrs. Pearl Hensley. This was a very interesting review about the different plans of work of the Baptist in all walks of life. The Home Mission Board is head of the work in this country.

Next Monday's program will be Royal Service under the leadership of Mrs. Aileen Strange. The group extends an invitation to everyone in the community to attend the meetings which begin at 2 p.m. each Monday.

Mrs. John Graves and daughter of Houston have been recent visitors in the home of her parents, Mr. and Mrs. George Patrick and Billy.

Mr. and Mrs. J. D. Farris of Copperas Cove visited Mrs. Doris Williamson and Mrs. Dora Strong Sunday.

Mr. and Mrs. Charles Wayne Scruggs of DeSoto were weekend visitors in the home of her mother, Mrs. C. A. Mitchell.

Weekend visitors in the home of Mrs. Nola Wingren were Mr. and Mrs. Bobby Ray Freeman, Aletha and Randy of Grand Prairie, Mrs. Joyce Devereaux and Mr. and Mrs. Bud Smith and son, Brian Allen of San Antonio, and Mr. and Mrs. Roy Lucas of Fort Worth.

Mr. and Mrs. A. C. McAden of Waco, Mr. and Mrs. Howell McAden and Mrs. Don Jones of Stephenville were weekend visitors in the home of Mrs. Rosa McAden.

Pfc. Kenneth Word of Fort Bragg, North Carolina is visiting his parents, Mr. and Mrs. John F. Word while on furlough. When he returns he will be going to Germany. Other visitors in the home Saturday were Mr. and Mrs. Tony Lynch and daughters of Ft. Worth, Mr. and Mrs. James D. Word and son and Mr. and Mrs. J. B. Word and son.

Weekend visitors in the home of Mrs. T. M. Davis and Mrs. Nellie Davis were Andy Anderson and Mr. and Mrs. W. E. Anderson and children of Big Lake, Mr. and Mrs. Tom Anderson and children and Mr. and Mrs. C. H. PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

### WHO'S WHO

Our subject this week is about five feet, nine inches tall and has dark curly hair. He was a senior but he had enough credits to graduate at mid-term. He has been happily married for about a year to a very cute girl. It may help you to know that he was a junior class favorite last year and was on the football team. I'm sure by now that you have all guessed it is none other than Herman Mills.

### SENIOR TRIP

Wednesday morning at 6 a.m. fresh from a victory over the juniors, the seniors set out on the long voyage to Mo Ranch. On the way we stopped at Longhorn Caverns near Burnet. We were tired from riding and the tour was quite refreshing.

We arrived at Mo Ranch at 4:30 and made ourselves at home. With a little help, a few seniors went swimming without even having time to change into bathing suits.

Our rooms were directly over the recreation hall and next to the river. The swimming pool and the

mess hall were just across the street.

Being tired we all got a good night's rest and were ready to go Thursday morning. There was swimming, fishing, rowing, canoeing, bowling, dancing and table tennis playing all morning. That evening the boys severely beat the Comanche boys in volleyball. When bedtime came there was a sincere effort to get to sleep but the next morning found us with a shortage of shaving cream in the cans and an excess on us.

Friday was pretty much the same except no volleyball was played because Comanche left that morning. By the way, if anyone wants to know the fine art of fishing from a canoe just ask Mr. Walker about it.

Saturday morning after breakfast we set out for Austin. On the way we stopped by President Johnson's Ranch. However when the guards got a good look at us they decided not to let us in so we went on our way.

In Austin we toured the Cap-

## Riding Club Roundup . . .

By JOYCE SHEPHERD

Well, here we go again into another season for Hico Riding Club. So far the attendance has been pretty good considering our wet, windy weather, but I think everyone is so proud of our good rains that they don't mind going to the arena once in a while. The Club urges everyone to come out and watch the fun on each Tuesday and Saturday nights.

On Tuesday, main event is cutting, with a little barrel racing and roping thrown in. Saturday night there are more varied activities, the main event being roping, and when school is out, there will be a Kid's Night on alternate Friday nights.

Anyone who would like to join the club is most welcome. The fee is \$10 per year and you'll certainly have ten dollars worth of fun.

Last Tuesday night was windy, cool and misty, and most of the spectators tried to get good parking places so they could watch and enjoy events too. The weather didn't hold back some of the more

faithful cowboys and they didn't even seem to know the weather was bad. There was a new lady rider in the arena, Christine Ogle, who seemed to be enjoying herself. Come on gals, let's get out and ride and show our husbands up. I even tried to ride Saturday night, but didn't show up my husband or daughters, either.

There's a new string of lights down the center of the arena that really helps both the participants and spectators.

There were about a dozen cutters there before the night was over, among them Faye Marburger.

Saturday night looked like we were really heading for a good season. The bleachers were about three-fourths full and several out of town faces were seen. There were two barrel racers, Janis Shepherd with 17.3 seconds, and a little girl who made her first appearance here, Katherine Braune, 19.2 seconds. Welcome Kathy, and come back again.

Bill Howard was roping real good, as well as Shorty Dove. Alton Rainwater was really on the ball, catching two calves real neat. Herman Sowell didn't have much luck, but what he lacked in skill he made up in enthusiasm.

There will be a stockholder's meeting Thursday night, May 14 at Koffee Kup Cafe. Stockholders are urged to attend.

Guess that's all for this week. See your friends and neighbors and watch all the fun on Tuesday and Saturday nights at Hico Riding Club Arena. Fun begins at 7:30.

tol for about an hour and a half then with mixed emotions, headed homeward.

The Senior class would like to thank our sponsors, Mr. and Mrs. Walker, very much for their patience and nerve for taking a crew like us on a trip of this sort. We all enjoyed it very much. We would also like to thank Mr. Vernon Hyles for driving our bus and staying down there the whole time.

## Baptist Church Honors Hico Senior Class With Western Roundup

A western round-up honoring the Senior Class of Hico High School and their dates and sponsors was given Tuesday night of this week in Fellowship Hall of First Baptist Church. Members of the Women's Missionary Society were sponsors for the courtesy.

The setting was an outdoor scene with only the moon and stars to light the way. Bales of hay provided seating and yucca plants and rocks were visible throughout the area. A saddle surrounded with cacti was placed on top of the piano to add to the Western atmosphere. An old fashioned bean pot stood in one corner under a tree.

The table from which a menu of hot dogs, potato chips, relish, homemade ice cream and cookies were served was centered with a miniature horse and cowgirl.

Following "chow" the group enjoyed games and songs directed by Mrs. Jerry Needham.

Rev. R. E. Tatum gave a short devotional and the evening closed with the group singing "Home on the Range."

Present to enjoy the party were Bill Rutledge, Eilene Gannaway, Bonnie Lepard, Joni Coan, Jerry Casey, Tommy Donley, Margaret Borgan, Evelyn Huff, Rickie Howell, Butch Knudson, Morris Samford, Renee Shaffer, Mike Flowers, Patsy Wooton, Larry Erick, Dorothy Gray, Mr. and Mrs. O. SERPENTINE PASSAGEWAYS and vast subterranean chambers inside Texas Longhorn Cavern in the Highland Lakes area of Central Texas evoke this look of wide-eyed amazement from a youthful visitor to the cavern. Reputedly the third-largest cavern in the world, Texas Longhorn annually attracts more than 45,000 visitors who express, in varying degrees, similar reactions to the cavern's underground marvels. Parts of the cavern are named for Texas outlaw Sam Bass who used the cave for a hideout in the 1870's and is alleged to have buried a \$2-million treasure there. The cavern is focal point of 708-acre Texas Longhorn Cavern State Park located near Burnet, just off U.S. Highway 281 on Park Road 4.

## World's Third Largest Cave, Longhorn Cavern, Now Open

An unrivaled combination of subterranean grandeur, colorful history, romantic legend—and the intrigue of possibly finding a \$2 million buried treasure—awaits the weekend tourist or summer vacationer in a visit to Texas Longhorn Cavern in the Highland Lakes region of Central Texas.

Reputed to be the world's third largest cave, Texas Longhorn Cavern is located between Burnet and Marble Falls, just off U.S. Highway 281 in a rugged, mineral-rich area pock-marked by rock, graphite and granite quarries. It is the focal point of 708-acre Longhorn Cavern State Park, and its pleasant coolness—a year-round 64 degrees—makes it a haven of comfort to more than 40,000 visitors annually.

To this day, the casual visitor to Longhorn Cavern never knows whether he might be the one to stumble over a \$2 million treasure alleged to have been buried somewhere in the cave by Sam Bass, notorious Texas outlaw who used it as a hideout in the 1870's. Geologists estimate the cavern was formed during a million years in which torrents of water carved out of limestone and dolomite limestone the serpentine tunnels and massive chambers which course beneath the hilly surface of Burnet County.

Although oldtimers of the region believe the tunnels and offshoots which connect the labyrinthian chambers stretch as far as 100 miles, only about eight miles of the cavern have been fully explored. A two-mile section is open for public tours, having been cleared of loose rocks, floors leveled, and a spectacular lighting system installed.

Entrance to the cavern is thru a massive sinkhole found under a natural three-way bridge.

Longhorn's largest chamber, the Indian Council Room, once was a gathering site for hostile Indians. It was in this part of the cavern in 1840 that a young woman was held captive by Comanches after a raid on San Antonio. According to well-documented records, she was rescued by three daring Texas Rangers in a colorful battle with knives and gun butts.

The Indian Council Room also is believed to have been the secret hideout of Sam Bass, and is known to have been the location of a clandestine gunpowder manu-

facturing operation by Confederate forces during the Civil War.

Evidence in the form of crude flintstone weapons and tools indicate the cavern was home to pre-historic man.

Two human skeletons have been found in the Indian Council Room one beneath a ledge and the other under a large boulder. One was identified as a Confederate soldier by the buttons on his uniform. The other is believed to have been an Indian.

Among the more interesting remains recovered from the cavern are bones of a grizzly bear, a bobcat, an elephant, deer, and bison. Weapons found in Longhorn include a triangular-bladed bayonet, believed to be of Spanish origin, and a Colt .36 caliber cap and ball Navy revolver manufactured in 1852.

Perhaps Longhorn's most beautiful area is the Hall of Marble, where softly modulated walls of white and pale yellow rock attest to the passage in centuries past of a subterranean stream. It is entered through Lumbago Alley, so named because of its low ceiling where nature has carved an al-

most-perfect elliptical tunnel from soluble limestone.

Glistening crystals form the Hall of Diamonds where calcareous walls give one the impression of walking into the interior of a precious stone.

Perfect circular domes, created when swirling currents once loosened great chunks of stone, are found throughout many of the passages. The Smokehouse contains long stalactites resembling strings of sausages hung to cure.

Tours of the cavern take a little more than two hours and are conducted every hour except noon, 10 a.m. to 5 p.m. every day of the year.

IT'S THE LAW— New Law Tightens Hot Check Prosecution

The 58th Texas Legislature passed H.B. No. 57 dealing with the use of worthless checks to defraud. It has practical aspects for both the collection of such checks and the prosecution of offenders that were not available before. It makes it unlawful for any person or firm to make, draw or deliver a check with intent to defraud, knowing that the maker does not have sufficient funds on deposit to cover its payment. It is no longer required that the check be given in exchange for property in order to subject the maker or drawer to punishment. The new act, similar to the old law, provides that the refusal of

payment by the bank shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds, "provided such holder thereof the amount due thereon within ten (10) days after giving of such notice that such check has not been paid."

New notice provisions state that notice shall be given in writing sent by registered or certified mail or telegram to the place listed on the check.

Penalties are provided which increase with each offense and depend upon the size of the check. First conviction on a check under \$50 shall be punishment in the county jail for not to exceed two years and by fine not to exceed \$1,000.

If the check is over \$50 the penalty can be fixed at confinement in the penitentiary for not less than two years nor more than ten years.

In order to avoid turning law enforcement agencies into mere collection agencies, the bill provides that anyone who has furnished information concerning a worthless check which has resulted in the acceptance by the District or County Attorney of a complaint and who shall thereafter suggest or request that such case be dismissed, shall be guilty of a misdemeanor and upon conviction fined not less than \$100 nor more than \$500.

(This news feature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law).

COUNTY AGENT REPORTS

By DeMARQUIS GORDON

It now appears that May 18, 19 and 20 will be the correct time for spraying pecan trees to control the pecan nut casebearer. May 16 and 17 would not be too early if you use a spray that has a long residual.

Recommended insecticides for control of the casebearer are Sevin, Malathion, Toxaphene, and DDT. Few people use DDT any more for casebearer. Malathion is one of the best but it has a very short residual and must be used while the worms are on the nuts and before they go into the nuts.

Sevin is very good and is the safest insecticide that can be used on pecans. It also has a longer residual than Malathion. Toxaphene is very effective and has a long residual, but must be handled with care. Livestock should be removed from areas treated with Toxaphene for three days. We will have demonstrations using about six different insecticides to control casebearers in Hamilton County this year. From the information we hope to determine the most effective sprays to use.

I knew we had two different kinds of caterpillars on the live-oak trees, but three weeks ago a third kind was reported to me. I mailed them to our state entomologist for identification. There were identified as the buck moth. The buck moth larva has caused some defoliation of oaks in certain counties in 1962 and 1963. This is a purplish larva with a reddish head that may be up to two inches

in length. Its body is equipped with several rows of reddish or black branching spines. These spines are capable of inflicting a quite painful sting on tender areas of the skin. Many homeowners become concerned about this pest because of the sting rather than tree damage. Most of the tree caterpillars are gone now. They are in the molt stage, but we can look forward to having them again next year.

Rudy Tubelleja is still in Hamilton county this week. We have been visiting farmers and ranchers all over the county. We have had a pretty heavy schedule of meetings during these two weeks. This has given Rudy the opportunity to meet and talk with many people.

Friday, May 15, Rudy will be on Johnny Watkins television program. The program is carried on WTX-TV at 12:30.

## THIS WEEK IN AUSTIN—

### Highlights and Sidelights

By VERN SANFORD  
Texas Press Association

Conservative tone of the Texas Legislature was little changed by May 2 primary results.

Thirteen members of the Senate and 101 Representatives won re-nomination.

There will be two new Senators. Former Rep. Jack Hightower of Vernon will replace veteran Sen. George Moffett of Chillicothe who is retiring. Successor to Sen. Frank Owen III of El Paso, who did not seek re-election, will be decided in the runoff between Rep. George Cook of Odessa and former Rep. Pete Snelson of Midland. The winner still must face Republican opposition on November 3.

Democratic incumbents in State offices polished off their primary opponents, and turned to the job of running against their Republican opponents in the November general election.

The two primaries resulted in two runoffs to be held on June 6. Republicans George Bush and Jack Cox, both of Houston, will vie for the right to face Sen. Ralph Yarborough in November for the U.S. Senate seat Yarborough now holds.

Democratic Congressman - at-large Joe Pool of Dallas will be in a runoff with Robert W. Baker of Houston for nomination to that statewide office.

Outside the U.S. Senate race, all Republican primary candidates for state office were unopposed.

### Constitutional Amendments

Three constitutional amendments to be voted on at the general election on November 3 will appear in this order on the ballot:

No. 1. Amendment to remove authority for transfer of one per cent annually of the permanent school fund to the available school fund.

2. Requiring advance publication of bills to create conservation and reclamation districts or amend finance powers and boundaries of existing districts.

No. 3. Authorizing the Legislature to provide for vendor payments for medical care for citizens 65 and over who are not on old age assistance and are unable to pay for medical services (and including glasses in medical services provided).

Place of the proposals on the ballot was determined by drawing numbers in the office of Secretary of State Crawford Martin.

### Missing Persons Search

The State of Texas is looking for hundreds of "missing persons" who have left possessions ranging from a 50-cent piece to a \$239.62 unclaimed payroll check in various depositories for seven years

or more, and failed to provide forwarding addresses.

In a final effort to find these people, before their property is escheated by the State, Atty. Gen. Waggoner Carr has filed a lawsuit in the 53rd District Court of Travis County, entitled: The State of Texas vs. R. E. James Gravel Co. and others.

Names of the "missing persons" filled three and one-half newspaper columns in the May 1, 1964 Austin American, to fulfill the requirement for advertising for missing owners of property subject to escheat. Persons with any claim to the property listed should file their answers to the suit in the 53rd District Court before June 8.

### Opinions

The "Calcutta Pool," a betting system used in some sporting events, such as horse races, golf tournaments, tennis matches, skeet and trap shooting, is illegal, according to Atty. Gen. Waggoner Carr. He says the Calcutta Pool system constitutes a lottery.

Carr also held a district court may not commute (shorten) the sentence of a parolee, since state law vests the power to grant reprieves and commutations in the governor.

In another opinion, Carr gave the state insurance board a go-ahead to prevent insurance firms from offering credit as a customer come-on.

### Farm to Market Roads

State Highway Commission announced "a sweeping program" to build more than 1,000 miles of new farm to market roads in 166 Texas counties.

With 37,143 miles of FM roads now in the state, the estimated \$23,000,000 project would bring the total to more than 38,075 miles.

The sprawling farm to market system began with a 6-mile stretch built in 1936 between Mount Enterprise and Shiloh in Rusk County. Commission's goal is 50,000 miles of FM roads.

### Short Snorts

A May 5 oil and gas lease sale of state-owned lands (124,795 acres) brought \$4,700,000 to the public school permanent fund, swelling it to \$507,000,000.

State Treasurer Jesse James reported April 30-May 5 income of \$40,300,000 wiped out a \$38,400,000 deficit in the state's general fund. Another open enrollment period has been authorized for Texans 65 and over to obtain health insurance under the Texas 65 insurance plan at costs ranging from \$9 to \$19 a month.

Texas' 58 parks may draw as many as 8,000,000 visitors this year.
