Salute to Mother and Dad

Fashions for youngsters have changed like those of the older generation. Judson Ross, 4 (left), models an Army pilot's outfit; Diana Pallasch, 4 (center), wears a WAAC uniform, and Geryann Foley, 4 (right), prefers a sailor suit.

Cotton Seed Meal Shortage Is Hindrance To Parmer Stockmen

Problems of Migrant Farm Workers Discussed

The regular meeting of the Parmer County Home Economics Association was held at Farwell this past Thursday evening at the home of Miss Elsie Cunningham when eight members gathered for a Mexican dinner. Miss Dorothy Shaw was co-hostess.

A short business meeting was conducted before the program chairman, Miss Anna Hastings, took charge of the meeting. The main feature of the program was a discussion of the migrant farm family and its problems. Miss Swepton illustrated her talk with charts and photographs of migrant families in Texas.

Those who attended the meeting were: Mrs. Edna Elms, Mrs. Martha Bates, Mrs. Opal Luellen, Miss Mary Elizabeth Stanford, Miss Anna Hastings, Miss Wynona Swepton, and the hostesses, Miss Dorothy Shaw and Miss Elsie Cunningham.

The next meeting will be at Friona on April 1. Mrs. Luellen will have charge of the program.

Livestock feeders over the county are running into a lot of trouble in finding sufficient cotton seed meal to finish out steers and dairy cattle.

Apparently the shortage is caused by three factors. First, the mills have large contracts with large feeders and ranchers who are insisting that these contracts be filled. Second, the mills are having trouble with obtaining enough labor to run full time, and third, there is a greater demand for cotton seed meal than ever before.

There has been some talk that mills are having to sell at such a low ceiling price that they are losing money; and therefore, are not anxious to run at top production.

This shortage is hurting a lot of feeders in the county. Some feeders have had steers on feed for several months and are now faced with the problem of either putting them back on grass and losing most of the feed lot gain they have made so far or sending them to town not fully finished. The government is asking for heavier finished steers quicker now and the only way to fill that request is to put plenty of cotton seed meal in these steers along with other feed.

The Parmer County USDA War Board is making a study of the situation with the idea in mind of placing before higher governmental officials the true facts of the case. Any feeder who is having trouble should advise the Parmer County USDA War Board of the facts of his case. Such letters may be addressed to the Chairman of the Parmer County U. S. D. A. War Board, or the facts may be explained in person to any member of the War Board. Such specific examples will make it easier to obtain relief on the problem.

4-H Work Of Parmer Girl Proves Value

Editor's Note: That farm life is interesting and presents a real challenge to the best abilities of American youth is proved by this article by a Parmer County 4-H club member.)

By Barbara Foster

I was elected president of the Oklahoma Lane 4-H Club for the year 1941-1942 and as I was interested in sewing I decided to be a clothing demonstrator, also.

The club started the year's activities off by sponsoring two interesting projects. One piece of good, useful work done was to clean the church house and yard.

Then we sponsored a "Stuttering Sam" musical program in the school auditorium.

To start my work off as a clothing demonstrator, I first decided on my goals. I made a cotton dress and for a "make over" problem I took an old voile evening dress and made it into a short dress to wear on hot, summer evenings. Mother gave me an old crepe dress which I made over for my smaller sister, also.

My mother had to be away from home for a while as a member of our family was sick, and I was left to manage the household. During this time, I learned to make plain muffins and did some canning. My canning included sweet pickles, tomatoes and peaches.

During the summer months I made three coolie bonnets fashioned after the Chinese coolies' head dress, worked on my hobby of taking kodak pictures which I put in an album as soon as they are developed. I also made a wool comforter and a friendship quilt with the help of my mother.

Just before school started this fall I made myself several school dresses of print material and four pairs of shorts and white blouses for my gym outfit. While doing this part of my demonstration I learned to work buttonholes.

Now that I had gained some skill and confidence I made a tan and brown rayon crepe dress.

In addition to being clothing demonstrator I have also worked hard with other Texas 4-H Club members to help win the

Arizona Women Visit Parents In Friona

Mrs. Sam Taylor of Coolidge, Ariz., and Mrs. Mildred Wright of Phoenix, Ariz., arrived here Monday for a few days visit with their parents, Mr. and Mrs. W. H. Hughes.

Mrs. Taylor was formerly Miss Arvis Taylor, and Mrs. Wright was formerly Miss Mildred Taylor. They have lived in Arizona for the past several years.

Congregational Christian Church

With fine weather for a change, nearly two hundred persons attended our combined services last Sunday. This Sunday, Feb. 11, will be Race Relations Sunday in honor of Lincoln's birthday as well as Valentine's Day.

The young people of the Pilgrim Fellowship have purchased a dozen attractively-bound hymnals for use in their services. They were used for the first time last Sunday evening.

The pastor, who is on the executive committee of the Oklahoma Conference, representing the Panhandle association, left Wednesday for a meeting at Oklahoma City, but returns tonight and will be here for all services Sunday.

Paxton Smith, pastor.

Marvin Reed of Dalhart, arrived here the first of the week for a few days visit.

I have collected rubber and scrap iron which brought \$15.00. I received a Junior Red Cross certificate in First Aid. I buy savings stamps. I help milk 22 cows.

My club has just honored me by selecting me as its gold star candidate and thus concludes my work as clothing demonstrator for 1942 which I have found very interesting and beneficial.

Scout Service Well Attended

Inaugurating Boy Scout week in Friona, nearly 100 people attended service Sunday night at the Congregational Christian church. The service was in charge of pastors of the Church of Christ, Baptist, Methodist and Congregational-Christian church, which united for the observance of the thirty-third anniversary of scouting in the United States.

Rev. Joe Wilson of the Baptist Church delivered the sermon, and Rev. J. W. Price of the Methodist Church also talked. The host pastor, Rev. Paxton Smith, presided and explained the various exhibits and displays which were shown in the auditorium. Elder C. B. Glasgow of the Church of Christ led in prayer.

The cub scouts recited the cub promise in unison, and Paxton Smith, Jr., gave the law of the cub pack. A visiting scout, Larry Gischler of troop 84, Eugene, Ore., gave the scout oath. The program closed with the singing of "America" and a pledge of allegiance to the American flag. Mrs. F. W. Reeve was in charge of music.

Dumas Pioneer Dies At Home Of Daughter Here

Mrs. Sarah Helm Mills died at the home of her daughter, Mrs. S. H. Haile, in Friona, on Thursday, Jan. 28, and the body was removed to Dumas, her former home, for funeral rites and burial. The funeral rites were held in the First Baptist Church of Dumas, conducted by the pastor, Rev. Cecil G. Hoff, assisted by Rev. R. T. Breedlove, pastor of the Methodist Church of Dumas.

The active pallbearers were: L. J. Haile, R. E. Simms, Gaston Wells, James Morton and Lucien Burnett, all of Dumas. Following the services at the church, interment was made in the Dumas cemetery.

"Mother" Mills, as she was best known to her pioneer friends in Moore County, had been an invalid for several months prior to her death. She was born March 7, 1871, in Alabama, and came to Texas with her parents when she was but a small child and the family settled in Wise County. She was married in Wichita County, in 1886 to James C. Mills, and after her marriage she and her husband moved to Greer County, Okla., during the pioneer days of that country.

Like all other true pioneer people she and Mr. Mills incurred the hardships and inconveniences of pioneer life, but nevertheless provided a home and protection to a growing family. In 1906 they moved to Moore County and settled near Sunray, in the northeast section of the county and lived there until the death of Mr. Mills, which occurred in 1934. After the death of her husband Mrs. Mills moved to Dumas, where she lived until four years ago, when she came to Friona and made her home with her daughter, Mrs. Haile, until her death. She was a lifelong and consistent member of the Baptist Church. She was a loving wife and mother and a sympathetic and helpful neighbor.

She leaves to mourn her death three sons and two daughters: J. V. Mills, Oscar Mills and Tom Mills, all of Dumas; and Mrs. S. H. Haile and Mrs. Charley Phythian, both of Friona. Also, one brother, J. H. Helm of Moore County; and two sisters, Mrs. Hatch Rogers of Seymour, and Mrs. J. A. O'Neal of Elmer, Okla. There are also 21 grandchildren and 15 great-grandchildren.

Parmer County Pays Tribute To Arthur Thomas Parker, Killed In Action On February 4th

Cummings Condition Improved, Report Here

Mrs. E. H. Cummings returned Monday morning from Dallas, where she had been visiting her son Devle, who is in a hospital there. She reports that Doyle is now getting along nicely and hoped to be able to return home before many days.

Doyle met with an accident to one of his legs some time ago and the injury refused to heal or healed so slowly that it became necessary to take him to the hospital for treatment.

NEBRASKAN RENEWS

John Bentler, of Royal, Neb., a former subscriber to the Star, writes the Star as follows:

Feb. 3, 1943.

Dear Editor: I have been wanting to send for or renew for the Star paper for a long time, but just neglected it. Am sending check. Hoping to hear from you soon. John Bentler, Royal, Nebraska.

Meetings Next Week Stress Dairy Improvement

Action on obtaining better dairy sires and foundation females will start at meetings which will be held in Bovina, Oklahoma Lane and Lazbuddy on the following dates:

Bovina—Feb. 16, 8 p. m.
Okla. Lane—Feb. 16, 8 p. m.
Lazbuddy—Feb. 17, 8 p. m.

At these meetings the need for better dairy cows will be discussed by County Agent Garlon A. Harper. Lawrence Shipman of the District PSA office will discuss cooperative use of better dairy bulls. Local Vocational Teachers will be on hand to bring out points whereby the program can be made effective in Parmer County.

The county agent is urging every farmer and 4-H club boy who is even remotely interested in dairy improvement to be on hand at these meetings since plans will be made at that time to visit some good herds from which these animals can be purchased.

A lot of interest has been shown in the program up to date and it is expected that several car loads of farmers will be making a trip within the next two weeks down in the dairy country of north and northeast Texas to look over several herds.

Winning War Is Aim of 4-H Girls

Parmer County 4-H girls are helping to win the war by taking over many regular farm jobs and outside chores which enlisted men and other war workers used to do, according to Miss Elsie Cunningham, C. H. D. A.

To prove her point she went on to enumerate statistics taken from 4-H girls reports for 1942. For instance, she stated that 11 girls grew "Victory Gardens," 17 girls raised chickens, while 11 others assisted in caring for the family flock. Five girls learned to operate the tractor and 30 girls helped in the fields. Tomilu Turner has completed care of milk cow, a flock of 100 White Leghorn chickens and 8 pigs, while her father works on a war project. Mrs. Turner is an invalid.

Out at Lazbuddy, another 4-H girl and her mother have been doing their bit by raising chickens. Naomi Cantrell and Mrs. Cantrell formed a partnership and secured a small loan from the Farm Security

Administration. They built a poultry house, a yard and bought 600 White Lace Wyandottes. They now have 278 laying pullets and sold many fryers.

Approximately 300 persons attended a memorial service last Sunday at the Methodist church here in honor of Private Arthur Thomas Parker, United States Marines, who was reported killed in action somewhere in the Pacific area, Feb. 4, according to a telegram to see action which at that time, to him seemed rather remote.

So far as is known, he was the first Parmer county serviceman to give his life in defense of his country during World War number two. Young Parker enlisted in the U. S. Marines Feb. 12, 1942, and word was received by relatives here that he sailed overseas Oct. 18, 1942. A letter was received from him dated Jan. 6, 1943, expressing a great desire to see action which at that time, to him seemed rather remote.

General Holcomb, commandant of the Marines, in a telegram to his father, said that the place of his death could not be divulged for strategic reasons, and that Young Parker had been temporarily interred near the scene of his death.

Arthur Parker was born in Farwell, Nov. 11, 1923, and had attended school at Farwell, and Bovina, a typical son of Parmer county. After his graduation from Farwell High School in May 1940, he attended the Shereiner Institute at Kerrville for a time. He is survived by his father, Willis Parker of Friona, his step-mother, Mrs. Parker; a sister, Louise Parker, a half-brother, Jonnie Neal and a half-sister, Jane Katherine of the home address; his paternal grandmother, Mrs. Ada Parker of Farwell and maternal grandparents, Mr. and Mrs. C. A. Norton of Bovina, and by his mother, Mrs. L. E. Truck of Los Angeles, Calif.

The services were directed by the pastor, Rev. J. W. Price, assisted by the three other local pastors, Rev. Joe Wilson, Rev. Paxton Smith, and Elder C. G. Glasgow. All four ministers paid glowing tributes to the young hero's memory. Special music was rendered by the Methodist choir. The crowd taxed the auditorium to capacity, and many visitors were present from Bovina and Farwell, where the deceased had formerly lived. His picture taken in Marine uniform, was prominently displayed.

Administration. They built a poultry house, a yard and bought 600 White Lace Wyandottes. They now have 278 laying pullets and sold many fryers.

4-H girls have done other war jobs too, such as collecting scrap materials, buying war stamps and bonds, studying first aid and preserving national resources. They relieve other members of the family, especially mother, of many other chores. In 1942, 52 club members made 265 garments, 59 knitted 90 articles, 66 took over the task of repairing their own clothes.

Fifty girls reported canning 2365 containers of food and assisting with canning 8365 other containers; 79 girls have the responsibility of such household chores as dusting, bedmaking, setting the table, etc. Others learned something about wholesome foods; 61 made muffins 245 times, 57 made hot cereal for breakfast 460 times, while 33 of the 4-H girls learned to make hot yeast roll, which they prepared 170 times in order to develop some skill.

4-H club girls not only get necessary chores done, also gain a feeling of help and usefulness and also gain a feeling of pride and good citizenship.

HOME FROM MARLIN

Mrs. Minnie Goodwine and daughter, Miss Lola, returned Tuesday evening from a stay of three weeks at Marlin, where Mrs. Goodwine had been taking the mineral water baths as a relief from rheumatism.

On arriving at home Mrs. Goodwine was very tired from her long trip, but expressed herself as feeling considerable relief from the rheumatism.

Mrs. A. A. Crow and Mrs. C. J. Vestal are sojourning this week and a part of last at Hot Springs, N. M.

C. M. Jones and Ralph Miller left Sunday for Hot Springs, N. M., where they expect to remain for three weeks while making treatments there.

R. T. Gischler, a former resident of Friona but now of Eugene, Ore., arrived here Saturday for a few days visit with his two sisters, Mmes. Carl C. Maurer and George Treider, and his many Friona friends and former neighbors. Mr. Gischler was accompanied by his young nephew, Larrie Gischler, also of Eugene, who is a son of E. H. Gischler of San Diego, Calif.

Glenn York called at the tar office Wednesday afternoon, to leave the name and address of his brother, Ernest D. York, who is with Uncle Sam's med forces, now stationed at Camp Roberts, Calif.

Miss June Maurer, daughter of Mr. and Mrs. Carl C. Maurer, who has been seriously ill for the past two weeks, is now reported to be able to be up a part of the time.

The government "commodities" truck which has visited Friona and other towns in the county once each month for the past several years, has for some time been gradually diminishing its load of commodities for Friona, until at its visit here this week, it reported only four tons here.

Jess Hinds, who is employed at Lubbock, spent the week with his family. He returned to Lubbock Monday.

J. J. Williams, George Loop and C. B. Glasgow made a business trip to Clovis, Monday.

B. B. Hinds and Mrs. J. H. Hinds and son, Dale, spent last Wednesday in Farwell and

Clovis.

Mr. and Mrs. Levy Johnson of Bovina, visited Mr. and Mrs. Jess Williams and Mr. and Mrs. Charles Rury, Tuesday.

Odey Hinds and family of Paek, spent Tuesday with G. B. Hinds.

Charley Rury and family visited his brother, Jim Rury and family of Bovina, Sunday.

Miss Modine Glasgow spent Sunday and Sunday night in the home of Nelson Welch and family.

Attends Lubbock Meeting

Miss Elsie Cunningham, Parmer County Home Demonstration Agent, will be out of the county this next week attending a Home Improvement School for Agents, at Lubbock on Feb. 15, 16 and 17.

CARD OF THANKS

We hereby express our sincere thanks and true appreciation to our many kind friends and neighbors for their expressions of sympathy and their sincere efforts to share and help us to bear our deep sorrow and suffering in the loss of our dear son and brother, Arthur Thomas Parker, who was killed in action. We sincerely hope such a message may never come to any of you.

Willis Parker and family, C. A. Norton and family, Mrs. Ada Parker.

Ray Killingsworth, district manager of the Southwestern Associated Telephone Company of Lubbock, was in Friona last Tuesday.

Mrs. Henry Lewis and son, Don, left for Dallas where they will visit relatives and friends.

Mr. and Mrs. H. L. Butler, who have been making their home at the Friona Hotel the past few months, moved to Clovis, Monday.

H. L. Butler, Chester Sheets, Ed Massey and Nat Jones were Clovis visitors Wednesday.

Earl Blish, who is employed in Amarillo, visited home folks over the week-end.

T. J. Loe of Muleshoe was a business visitor here Monday.

Buford Hughes, who has been working for the Santa Fe Grain Company for the past 15 months, has severed his connections there.

COGITATIONS and APHORISMS of Jodok

I know not what position others may take in regard to the matter, but it occurs to me that the people of Friona and surrounding communities have had it forcefully and unmistakably impressed upon their minds that their nation and their city and community is really and truly AT WAR. That idea has been brooding in my cranium for the past several years, but I apparently have been joined in it by but a few of my neighbors.

But after viewing what I beheld and heard Sunday afternoon, in the form of a memorial service at the local Methodist Church, I have become of the firm opinion that I am joined in this view now by practically every soul in the community. The memorial service was held in honor of that brave young man, Arthur Thomas Parker, who was Farmer County's first "war death"—he having been killed in action while doing his utmost as a member of that almost innumerable host of brave and gallant young men in their brave and masterful and mighty effort to ward off political tyranny from the free soil of America and to banish it from the world as a whole.

The memorial was also held as an expression of sympathy and sorrow for the bereaved father, brothers and sisters and other relatives of the fallen hero. And as I looked upon the faces of those kind neighbors and fellow citizens of our town and community, I could plainly note the feeling of pain, pity, sorrow, sympathy, serious thinking, foreboding and apprehension, all mingling in the expressions upon the face of each one in that concourse of people who packed the auditorium of that church building. War is with us in all its damnable reality and it is striking its deadly fangs into the bone and marrow and the very vitals of our little peace-loving

community away out here on the plains of the Texas Panhandle.

Yes, as I see it, we are in this damnable war with all our might and with every ounce of our resistance and we are in it to stay to a finish; until the last bitter, nauseating, filthy dregs of the cup have been swallowed by someone. NOT BY US, I hope, pray and trust. It occurs to me that such must be the nature of the end, for even if we should be inclined toward leniency, our crafty and wily enemy would not permit us to practice it and I fail to understand how any person who has given a serious thought can arrive at any other conclusion. As it appears to me there has not yet appeared upon the horizon of universal thought, the least glimmer or ray of hope for anything short of what I have tried to portray. And even if there should now appear a ray of such light, it could hardly be more than a wisp—a false and misleading light that must soon be banished by the darkness of the fearful realities.

I cannot say for the nation as a whole; but so far as the people of Friona and adjoining communities are concerned our people are not nonchalant, complacent nor unheeded of the fact that WE ARE AT WAR, even though our war lords and big-wigs do accuse us of such a menial attitude. Sure, I hate to be always harping about this awful matter; but how can I be blamed after learning of the fateful tragedy that has so recently befallen our little sparsely settled community and after witnessing the gathering of our people that was held as a result of it, and after listening to the patient, patriotic, but encouraging words that were spoken by the four earnest ministers of the gospel who spoke there.

Again, I shall be blamed for commenting upon this disastrous condition when this hideous monster—WAR—has already sunk its sickening loathsome, disgusting fangs and talons into our community and has begun tearing from us the very prime of our young manhood as its horrible prey! I shall not sit by mute, dumb, silent and inactive while this horrible massacre continues but shall say and do anything in my power to hasten its end, even though it must be fought to a bitter and most damnable end, such as the utter subjugation of those who have perpetrated it, and the utter annihilation of that mental attitude among the nations of the entire earth, which fosters, advocates and perpetuates WAR.

A few weeks ago, Farmer John, in his column, set forth the needs in Friona of an active energetic chamber of commerce, which shall make its supreme business to look after and promote our city's welfare and progress, and I most heartily second him in his op-

inion in such a matter. In my advocacy as a 'street-corner' philosopher, I have heard that at various and sundry times our city has allowed opportunities for advancement and prestige to slip by unnoticed simply because there was no organization in the city whose business it was to look after such matters; and as the old maxim puts it "What is everybody's business is nobody's business," and thus those opportunities were allowed to go by unnoticed.

Just why should we not have an active chamber of commerce for the stated purpose of looking after such matters. I have it on good authority that our government has been and still is seeking out suitable locations for the establishment of industries and enterprises necessary for furthering of our war efforts. True, some of these, we as a community, would not cherish, but there are others that would be desirable and helpful to our city and community if they can be secured.

MRS. JIM CLARK

There were 109 in Sunday School. This was quite an improvement over the past several Sundays. The Sunday School has attained the Standard of Excellence for the first time in the history of the Church. All are invited to come and worship. The adults are liking the men and women classes.

Mrs. Cecil Lookingbill spent last week in Amarillo assisting with the books at the Laundry where she formerly worked.

Mr. and Mrs. Earl Lance and family, spent Sunday in Here-

ford with Mrs. Lance's mother Mrs. Rosa Carl.

Mrs. O. B. Sumner is visiting her parents and other relatives at Greenville.

Mr. and Mrs. Obe Roberson were in Lubbock last week attending to business and visiting friends. Rev. and Mrs. T. J. Smith, a former pastor of Summerfield Baptist Church they also stopped in Plainview for a short visit with Mr. and Mrs. Ben Wilhelm, who moved there recently from the Rance community.

A large number of men and women attended the Henry Allmon sale at Westway last Tuesday.

Almost every family, if not the entire family, in this community visited the Internment Camp Tuesday despite the cold and mist in the morning and the wind and dirt in the afternoon.

Mr. and Mrs. John Hicks and family were in Canyon Sunday visiting Mr. Hick's mother, Mrs. Jesse Hicks.

Mrs. Tandy Legg and Mrs. Laura Shaw attended a meeting Wednesday evening of the City and Rural Teachers, which was held in the Central School at Hereford. Judge Fred Baird and Rev. Redford were speakers.

The school children will have a Valentine box at the school Friday, some giving defense stamps instead of valentines.

Miss Sylvia McCall of Black spent Sunday with Miss Pearl Prachar. Her parents and the Lee Curry's are old acquaintanc-

es. Mr. and Mrs. Frank Huckert and children went to Portales early last Sunday when they learned of the illness of her mother. Mrs. C. D. Hardesty, Mr. Huckert and son returned home but Mrs. Huckert and Mary Katherine stayed until Thursday when Mrs. Hardesty was improved.

Mr. and Mrs. D. J. Lomry of Lubbock spent the weekend in the J. H. Lindse home.

Mrs. Pearl Sadler of Sunny Side visited Mrs. Ross Roye last Tuesday. She had been through the camp and drove by to see the Royes who were neighbors of hers before moving to this community.

Private Kenneth Neill, son of Mr. and Mrs. W. C. Neill will be stationed at Sheppard Field, Texas for three weeks of training.

Going to Amarillo Monday were Mr. and Mrs. B. E. Roberson, Mr. and Mrs. Roy Euler, Mr. and Mrs. Ray Johnson, Mrs. B. C. Roberson of Hereford and Mr. and Mrs. Frank Huckert.

Rosene Lance spent the weekend in Hereford visiting Nancy and Betty Carl.

Pvt. Thurman Atchley of Dalhart, spent Saturday night and Sunday with home folks here. Mrs. Geo. Springer and Mrs. R. D. Lance Jr. took him to Amarillo Sunday afternoon.

Billy Boone Whitaker of Hereford stayed Thursday night with C. J. Lance.

Your Income Tax!

Who Must File A Return

Ever single person must file a Federal income tax return whose gross income for the year from all sources was \$500 or more; that is as much as \$9.62 per week. Widows, widowers, divorcees, and married persons separated by mutual consent, are classed as single persons.

Every married person, living with husband or wife throughout the year, must file a return if his or her gross income together with any income of the spouse, was as much as \$1200 for the year; that is, as much as \$23.08 per week. If husband and wife both have income, they must both make a return. Such return may be made separately, or, if the are both citizens or residents, they may make a joint return. A joint return may be made by husband and wife even though one has no income, and a joint return is advisable in the case of persons, one of whom has no income, who marry

during the year, since the personal exemption attributable to each spouse during the period of pre-marital status is allowable in a joint return.

A joint return must be signed by both husband and wife and verified by a written declaration that it is made under the penalties of perjury.

Where separate returns are filed by husband and wife on Form 1040, the joint personal exemption is allowable (\$1200 where the married status has existed throughout the year) may be taken by either, or divided between them in any proportion agreed upon. If separate returns are filed one may not report income which belongs to the other, but must report only the income which belongs to him (or her).

No person is exempt from filing a return if his gross income is equal to or greater than the amount specified above for his classification. Neither the President of the United States, nor the Vice President, nor Federal Judges, nor Members of Congress, are exempt from filing returns.

Moreover, all income from whatever source, unless specifically excluded by statute, must be reported in the return. The types of income specifically exempt are listed in the instructions accompanying the return form.

A husband and wife living together on July 1 of the taxable year may file separate Simplified Returns if the gross income of each is from the prescribed sources and does not exceed \$3000, or they may file a single joint return on that form if their combined income is from the prescribed sources and does not exceed \$3000. A taxpayer may not, however, file a Simplified Return if the other spouse files a return on Form 1040.

Lloyd Mings, who is employed at the shipyards near San Francisco arrived in Friona last week for a visit with his parents, Mr. and Mrs. G. L. Mings, and a sister, Mrs. Arden Parsons. Accompanying Lloyd was a friend, Otto Gsell.

Cpl. and Mrs. Harold M. Lillard, arrived here Saturday to spend the week end with their parents, Mr. and Mrs. L. F. Lillard, living northwest of town, and Mr. and Mrs. J. M. Watson, living southwest of town.

Cpl. Lillard is now stationed at Goodfellow Field, San Angelo, where he is instructor in airplane ground work. He favored the Star office with a highly appreciated visit while in Friona Saturday afternoon. They departed Monday for San Angelo.

Sixth Street Church of Christ
The attendance and interest in all the Bible classes and the church worship has been good, but was extra good Sunday. I wish that every man, woman, boy or girl who professes to be a Christian would try to go to church every Sunday.
I am sure that it would move all to more zealous work in the cause of our Lord.

David said, "Behold, the eye of Jehovah is upon them that fear him. Upon them that hope in his loving kindness; to deliver their soul from death and to keep them alive."
"The eyes of the Lord are over the righteous and his ears are open to their prayers."
Please come to church next Sunday. We have a class for everyone.
"Come thou with us and we will do thee good!"
C. B. Glasgow, minister.

Out-of-State Readers Renew Subscriptions

Ohio Man Likes Star
In a letter from P. J. Helbert of Loudonville, O., renewing his subscription to the Star, he writes interestingly of weather and crops there. He says:

"I have enjoyed the Star very much and I want to thank you for sending it to me these years." "We have had some old fashioned winter. Lots of snow and ice. Last week was very mild and the same this week. The farmers are husking corn now, and lots of it to husk yet and a good crop. I am sending you a clipping from the Loudonville Times. It tells of some of the slippery times we have had out here. We hope we may enjoy the Star for some time to come.

Very truly yours,
P. J. Helbert.

The clipping referred to by Mr. Helbert, stated that the weather man had brought sleet then zero cold, and that the ground had been so covered with ice for two days and a night that practically all travel, either on foot or on wheels had to be suspended. In the afternoon of the second day the sun came out and melted most of the ice, but was followed that night by a mild wind and a drifting snow storm.

SONS in the SERVICE

This letter is from Pvt. Virgil H. Weis who is still enjoying the Star:

Sherman, Texas, Feb. 1, 1943
Dear Mr. White:
Just a few lines and hope they will find everybody in good health. I've been receiving the Friona Star every week and sure enjoy reading the "Sons In Service" Column. In last week's paper I read where some of the boys are stationed within 200 miles of where I am, I imagine all the boys in the service enjoy reading the paper as I do so I want to thank you again for the paper. You are doing a grand job, sending it to us boys in the Service, so will close for this time, and thanks a lot.
Good luck,
Virgil

It is not that Foster Watkins likes the Army less, but he likes Friona more. Here he says:

Camp Callan, Calif., Jan. 31, 1943.

Dear Mr. John White:
How is everything coming along back in Friona. I wish I was back in Friona with all my good friends. It sure is lonesome out here without hearing anything from Friona. I sure do like Camp Callan. I am only a half mile from the ocean and you can look as far as you can see. You can sit in the barracks and see it. The water sure is blue and the whitecaps on the water. I don't care if you put this in the paper or not. I am 13 miles north of San Diego, Calif. I am going to write another page and I want you to give it to Charley Jones, if you don't mind.
Your Friend,
Pvt. J. Foster Watkins.

Pvt. William Allen just knows he has found the sweetest girl, and we are wishing you a long, long life of unalloyed wedded happiness Pvt. Allen.

L. A. F. S. Lubbock, Feb. 1, 1943.

Dear Mr. White:
As I have found time, I thought I had better drop you a few lines. I have just learned that I am getting to stay at Lubbock for two more months. Boy, was I glad to hear that! The Sgt. told me that when the two months are up I will go to Bryan, Good Old Texas! The camp is a new one and I don't know the name, but it is 448 miles southeast of Lubbock and 96 miles northwest of Houston. Well, I sure have been working hard, but I have not done anything since Saturday night, when I worked until 2:00 o'clock Sunday morning and I have been taking it easy ever since. The Friona Star is the only news I can get of everyone in Friona, and Boy, I read it from the front to the back; so keep it coming at my old address and I will be happy. I remain,

Pvt. William A. Allen,
499 Two-engine Training Flying Cqn., L. A. F. S. Lubbock, Texas.

P. S.—I married Jan. 31, and got one of the sweetest women in the world. Her name was Dorothea Marie Pastor. We are living at 1918 Ave. H., so send mail to this address.

We have this week another welcome letter from a man who can count his friends at Friona by the score, Captain L. L. Hill, a former pastor of the local Methodist Church. Captain Hill says:

Headquarters Huntsville Arsenal, Office of the Post Chaplain, February 1, 1943.
Dear Uncle John:
We are enjoying the Friona Star each week. It is like getting a newsy letter to read about the changes in the community and to read the interesting letters from the boys in the service. We have a large and challenging task here at the Arsenal, but the seven-day schedule makes it more difficult to have good attendance in our Sunday services. I thought some of my friends might be interested to know that I received my Captaincy last week. The Commanding Officers here and at Fort Bragg have been very cooperative

with me in my work. They have procured all the equipment I have asked for, and given me an allowance each month from the Post Exchange profits, to carry on my educational work. I am anxious for the time for a furlough so I can come back there for a visit. We send greetings to all our friends.

Sincerely,
L. L. Hill
Captain, Chaplain.

Yes, we are all pleased to know of Chaplain Hill's promotion and are interested in his success in his work in the army.—Ed.

Dear Mr. White:

Will you please send my copy of the Friona Star to the above address? A few copies have been sent to me here from my previous address, but they have been irregular. This is certainly a beautiful country here. Our camp is located on the banks of the Columbia River, and so is Kaiser's ship yard. This yard is his largest, so I am told. It is only a mile from camp. The noise makes a continuous roar. You know he broadcasts music to his workmen. This we can hear very distinctly. We now are being "thawed out" from a 16-inch snow, which fell two weeks ago; but nevertheless, the grass and shrubs are still green. I landed here Jan. 10, and there were roses blooming in the yards of our barracks. However, I expect it will be a few weeks yet before there are any more. At last I am in something that I know a little about, and that is the Band. I was appointed by the Colonel of the Post to organize it. I was in the first group to land here for this particular training period, and of course we have to begin from the bottom and work up. There will be a Warrant Officer here in a few days to take charge, when he arrives I don't know just what capacity I will fill; but nevertheless we will have things started. I have chosen a few professional players to be in the band and the prospects now look as if we will have a good one. I am eight miles from Portland, Ore. That is some nice town, too. There they have a six-story building for men in uniform. You can eat,

dance, write, read, exercise or bathe and press your uniforms. All free of charge. Everyone in uniform really appreciates and respects this place. All the food and service are donated by the people of Portland and adjoining towns. I was in there Sunday night, and may I say that our Navy and half of England's must have been there also. Well there is only one thing wrong with this country, and

that is the natives here don't know what a sunshiny day is like. Maybe I've seen the sun twice since coming here, I must close and start to work. I have already borrowed some of Uncle Sammie's time now.
Best wishes,
Cpl. Harley B. Bulls.

Mr. and Mrs. J. J. Williams received a letter from their son, James F., who has been in the

Naval Hospital for some time, stating that he is again well and able to be back on his boat. He said it sure looked good to see the boat again.

Fourteen Students Make "A" Honor Roll For Third Six Weeks Period

WISE AND OTHERWISE

Who gave Betty May that black eye? Was she fighting over a ball or what?
We see Miss Wright has a pipe. What has Jimmy Baxter done now, we wonder.
Gee! Another new boy! Welcome to Friona High School, Malcolm Reynolds.
Nola Fay, who is your accomplice in asculation?
We wonder why Loris Jean was so excited over a telephone call Tuesday afternoon. How is the Navy/Loris Jean.

The following students made the "A" Honor Roll with an average of 90 or above:

Seniors
Fern Cunningham, Howard Loveless, June Maurer, Elsie Messenger.

Juniors
Rosalie Messenger, Petrolia Scott, Dale Treider.

Sophomores
Cleola Hurst Truel Wayne Hyde, Betty Mae Massey, Shirley Maurer.

Freshman
Dorothy Scott, Mammie Lou Wilson, Doris Ann Lange.

These students made an average of 85 or above which makes them eligible for the "B" Honor Roll:

Seniors
Mary Lou Barker, Eva Dean Hyde.

Juniors
Jean Crawford, Roy Hart, Loreta Johnston, Carolyn Lange, Loris Jean McFarland, Mary Lee Todd, Viola Weis.

Sophomores
Jimmie Baxter, Bill Buchanan, Marianne Haney, Nola Faye Smith, Dorothy Scheuler, Jack Tedford.

Freshman
Jacqueline Bennett, Annie Sue Crow, Billie Chiles, Dorothy Sue Cummings, David Johnson, Hugh Moseley, James Smith, Elmer Scheuler, Ethel Mae Taylor Louis Welch.

Sophomores Have Mes Party at Gym

Sophomores are often looked down upon by upperclassmen as being ignorant. The saying that "ignorance is bliss" might prove true because the sophomores really had a blissful time at their party on Thursday night in the gymnasium.

Approximately 25 were present including their sponsor, Mrs. Truitt, and two guests, Miss McFarland and Mrs. Holmes. After the games, hamburgers, punch and cookies were served. Everyone seemed to enjoy the party immensely.

FHS Takes Holiday For Teachers' Meet

Upon taking a count of the number of stamps bought in high school in the month of February, it was found that the following per cent had purchased stamps thus far:

The freshmen, the largest class, had the largest percentage buying stamps. Ninety-two per cent of their class has purchased stamps.

FHS Takes Holiday

The high school faculty attended the Superintendent's and Principals' meeting in Amarillo, Friday. Of course the students enjoyed the holiday. Most of them took advantage of the free day to do work that helped themselves as well as someone else. There is always a job for those who want it now. Although the job may seem small it may be very important. The high school students are anxious to do their bit for the good of our country.

From all reports the day was profitably spent by both faculty and students.

Aeronautics Club Studies Model Plane

The members of the Aeronautics Club enjoyed a demonstration of a model plane and its working parts on Tuesday, Feb. 9. The model was used to help explain how a plane flies. Different articles were read aloud from the "Current Aviation" magazine and a short discussion was held. The club voted to send for information concerning the building of model planes as a school project. If this could be done, it would mean credit toward a membership in the Victory Corps.

EIGHTH GRADE NEWS

The eighth grade boys and girls are improving in work and citizenship. Their aims are to be the best citizens in high school, to lead the school in buying stamps, and to improve their scholarship from day to day.

To illustrate the brilliance in the eighth grade class this is the answer Mildred Taylor gave when Mrs. Osborn asked her a question.

Mrs. Osborn: "Mildred, what is the source of your water supply?"
Mildred: "The hydrant."

JOIN RED CROSS

As the situation of our nation is very serious at the present time, we should feel like it is our privilege and duty to become a member of the Red Cross. Red Cross stations are established in every fighting area of the Allied Forces. Here, this wonderful organization provides entertainment for our boys in their leisure hours.

Red Cross nurses are always on the job. They have been performing wonderfully in spite of the trying conditions under which they have to work. The small contributions that are made by us go to pay for the expenses of the material that the Red Cross uses.

Had it not been for the Red Cross, many of our loved ones might not be living today. Therefore, it is essential that we keep contributing to this

wonderful organization. We should be glad to offer our services. Our contribution may be small, but many small contributions make a large one.

Pictures Made of Chiefs and Squaws

Last Monday afternoon, the Chiefs of Friona High School lined up outside the building and their pictures were taken by Mrs. Eddie Williams and Howard Loveless. After this was over, individual pictures were taken of David Johnson, Verlin Talkington, Webster Johnson, Vialo Treider and Bobby Lee Roden. The pictures are expected to be back in a few weeks and we believe they will be good as the sun was "just right."

A print of each of these pictures will be sent to former coach Eddie Williams, who is in the Coast Guard.

The girls basketball team also had their pictures taken Monday. Mrs. Williams took several group pictures but no individuals were taken.

These pictures may appear in the school paper in the near future.

Santa Fe Grain Co.

The Friona Chiefs have proved that they still have that old fighting spirit in them, and have started "clicking" again. Last Saturday at the Bovina basketball tournament the Chiefs surprised everyone including themselves by winning the tournament. The teams entered in this tournament were the five teams of Parmer county. They were Friona, Oklahoma Lane, Bovina, Farwell and Lazbuddy.

The Chiefs first game was with Farwell at 3:00 o'clock. The scoring was about the same throughout the game. The score at the half was 25-18 in the Chiefs' favor and at the end it was 45-40 in their favor. Friona made 19 field goals and Farwell made 20. This was the first game of the season in which the Chiefs have really got "hot". Webster Johnson led the Chiefs score by sacking 18 points. Lovelace led the Farwell score by scoring 16 points.

After winning the game over Farwell the Chiefs were in the finals. The final game was with Oklahoma Lane Saturday night. The Chiefs were really clicking in this game also and proved to all that they could still play ball. The score at the half was 12-16 in favor of Oklahoma Lane. The Chiefs then turned the steam on and came out with a margin of 5 points. The final score was 28-23. The most thrilling playing was done in the third quarter while the Chiefs caught up and passed the Oklahoma Lane score. Treider led the Chiefs' score with 16 points and Young led the Oklahoma Lane score with 12 points.

During the time between halves in the Oklahoma Lane game the Friona Chiefs made a change in the position of their players which proved very effective. Treider was moved from forward to center and Stark was moved from center to guard. This change seemed to be a very good one and the position of the players will probably remain this way the rest of the season.

Next Friday and Saturday the Friona Chiefs will enter the district tournament which will be played at Canyon. The Chiefs will play Hereford for

the first game. Hereford has defeated the Chiefs once, but the Chiefs have improved since then and they're going to take Hereford for a surprise, we hope. A bracket of this tournament has not been received yet and therefore we do not know who the Chiefs other opponents will be. Hereford Wins Contest With Chief "A" Team

In Friona's first game of the season with Hereford they lost by a score of 22-31, and Friona's B Team defeated the Hereford B Team by a score of 21-6. These games were played at Friona Wednesday night.

In the A Team game the score was 9-17 in favor of Hereford at the half. The final score was 22 for the Chiefs and 31 for the Whitefaces. Treider was high-point man for the Chiefs with 10 points and Hill was high-point man for Hereford, with 14 points.

In the B Team game the score at the half was 10-0 in favor of Friona and at the end of the game it was 21-6 in the Chiefs' favor. Friona scored 10 field goals to Hereford's none. Reed was high-point man for the Chiefs, with 6 points.

Eleven Men Make Sports Letter

Eleven sweaters were issued last Tuesday to the boys who have lettered in at least two sports. One of these was sent to Bud Coffman who is in the Arm'd Forces.

Nine sweaters remain to be issued to those who have not yet earned them. To do this, the boys must pass their Commando Course and continue in athletics. Physical and mental attitude also count a great deal.

The sweaters are red knit pull-overs with a large white "F" on the front. The stripes on the sleeves represent the number of years that the person has entered in sports. There was only one sweater issued with four stripes and a star.
