

After a week or 10 days of wet, rainy weather, it was nice to finally get the sun back out beginning on Saturday. Someone said if we could have 60 more days of sun, the farmers might finish their harvest in that time.

Many people were disappointed when the Friday and Saturday of Maize Days week turned off so cold and rainy, which seriously hampered the events on those days, and cut down tremendously on the crowd participation in the rides and booths at the park.

However, after practically a full week of the wet stuff the following week, it was observed to us by Dale Smith that apparently we could have had it worse should Maize Days have been scheduled the following week. If it had been, there would have been practically a full week of rainy weather, rather than just the two days we had, Smith pointed out.

Prior to their win over Muleshoe here last Friday night, it had been 12 years since the Friona Chieftains had posted a win over their neighbors to the south.

Granted, the teams had only met about every other season in that time, with Muleshoe holding six consecutive wins over Friona before the Chiefs snapped that streak. Muleshoe was the only team which Friona met at least twice during Coach Don Light's five-year tenure as coach that one of Light's teams did not defeat.

If you do some quick mathematics, you'll find that those members of the Friona Chieftains who played in last Friday's 13-6 decision over the Mules were all pre-school youngsters when the last win over Muleshoe was recorded. Some no doubt were at the game, engaged in a tag-team game of their own at the sidelines, as youngsters are often prone to do.

The football results here the week of September 13-17 produced some odd results, and we doubt that they will be duplicated anytime soon.

Friona fields five football teams, and four of the teams played tie games for the week. Three of the games involved Bovina and Friona. The other one, the B-team contest, was with Dimmitt.

The odds for a tie game are pretty high. The last tie by the varsity, for instance, was a 7-7 draw against Memphis, on the local field back in 1966. We don't know what the odds would be against four teams playing tie games in one town the same week—but we'll bet it doesn't happen again in the near future.

The moving of the Washington Senators' baseball team to Dallas-Fort Worth for next season will produce some nostalgia among old-time baseball fans.

However, it appears that even in spite of an appeal by President Nixon, the nation's capital will be without a baseball team for the first time in 70 years or more.

This presents problems, in addition to the nostalgia. First, the president will have to leave town in order to throw out the first ball. And sports-writers can no longer quote the old adage: "Washington—first in war, first in peace and last in the American League!"

While on the subject of baseball, our hard-luck favorites, the Houston Astros, were involved in a double-header last Friday night that must have set some sort of record.

The first game went 21 innings before Houston prevailed, 2-1, with the winning run scoring on a balk. A fog-hampered second game was finally won by San Diego, 5-4, with Houston complaining because outfielders could not see fly balls hit in their direction, so thick was the fog.

The night's action began at 8:04, Texas time, and wasn't over until 4:28. We'd speculate that only the hardest of fans were around at the end of the second game.

Can you imagine a teenage couple going to the double-header on a date, and then trying to convince their parents they really did come

NEW UNIFORMS... Members of the Friona High School band display the new band uniforms which bandmen have been sporting this fall. Standing with Gary Mingus are twirler Debbie Carter and bandman Ann Hurst. Kneeling is Carol Reeve. The band will have special activities in pre-game Homecoming activities beginning at 7:15 Friday, in addition to the regular halftime routine.

RETIREES FRIDAY

Spring Reflects On Long Banking Career

Frank A. Spring, who is retiring effective tomorrow after almost 40 years with Friona State Bank, and most of the time as its president, said this week in reviewing his career with the bank he wouldn't change anything if he had it all to do over.

"I never have looked back. I've always tried to look to the future. I've had a good experience in my years with the bank, and I don't know of anything I would do differently if I had it to do over," Spring said.

Spring retires on October 1, and will be replaced by Robert Neelley as the bank's seventh president.

Although holding the title of president since 1959, Spring has actually been the guiding force of Friona State Bank since 1944, when he and a group of stockholders purchased controlling interest in the bank.

Spring has seen the banking business change considerably in the 40 years that he has devoted to the business.

"In the 1930s, we made plenty of \$10 and \$25 loans. Later, in the 1940s it became commonplace to make loans of \$10,000 for the first time. Today, loans of \$100,000 and more are not uncommon," the longtime bank executive says.

Spring says one of the greatest rewards he has had during his years of banking has been in seeing young men advance and become prominent through the wise use of money they had borrowed.

He says it also gives him a great deal of pleasure recalling the times the bank has been able to assist new businesses, or projects that benefited the community.

"I feel fortunate to have had the opportunity of being connected with an institution in an area such as ours, which has been blessed with fertile land and good water," Spring says.

Some of the milestones which Spring cherishes are the opening of Friona State Bank's new building in 1950; the coming of Missouri Beef Packers and the development of the cattle feeding industry, and, of course, the opening of the bank's present ultra-modern facilities.

Old friends and customers stop by to shake Spring's hand, and wish him well in his retirement plans.

"It's a hard thing, to leave a position as nice as this, with the modern facilities. But when you make the decision to retire, you just have to brain-wash yourself into believing that it's the best thing for you," Spring says.

Actually, Spring has been pressing the retirement issue for at least the last two years, but agreed to stay through the bank's new building program, which was completed last December.

"I appreciate the many employees who have worked for us down through the years, and also the bank directors. They have been a fine bunch of people," he says.

Spring also repeated a former statement, thanking the people of Friona for being loyal in keeping their money on deposit locally. This has enabled the bank to use the money for loans and helped the entire community to prosper, he points out.

The 63-year-old Spring is the son of a pioneer Farmer County couple, and holds the distinction of having the first registered birth certificate in the county.

His father, F.L. Spring, was one of the original members of the Farmer County Commissioners Court, being on the commission when the county was organized in 1906.

"I'm not claiming to be the first person born in Farmer County," Spring always likes to point out. "There undoubtedly were a few Indians born here before I was, but I have

the first birth certificate," he says.

The longtime resident says he can remember riding with his father from the Spring farm 10 miles west of Friona to Dimmitt, when there were "only two gates" for the 40-mile stretch. None of the land had been broken out for farming at that time. Irrigation, of course, has developed during Spring's banking career.

Spring married Ethel Ruth Collins in Friona in 1937. She was teaching fifth and sixth grade in Friona when he first met

her. She was teaching art in Amarillo when the couple married.

The Springs have two children. Frank Lewis is currently at the University of Washington, completing work toward his PhD in psychology.

Their daughter, Mary Tom, is now Mrs. Jim Isaac of Colorado Springs. Isaac is a broker, and has been with the Bosworth-Sullivan Company for a number of years. The Springs have two grandchildren, Susan, two and Barry, seven months. They are children of the Isaacs.

Children of the Isaacs.

One of the things the Springs plan to do is visit their children. "Then, too, we plan to visit Ethel Ruth's relatives in Arkansas and East Texas. She is interested in a painting school in Arkansas, and I plan to do some fishing. It should work out pretty good," Spring says.

He will continue as a director and retain his interest in Friona State Bank.

But after Friday, Spring vacates his office, and an era in local banking history comes to a close.

FRANK SPRING... with road map in hand, ready for retirement.

DISTRICT OPENER

Olton To Bring Explosive Team

The Friona Chieftains, fresh from one of their most satisfying victories in years last Friday, got the word this week that their homecoming opponent will be just as tough, if not tougher, than was Muleshoe, the team they held on to beat, 13-6 last week. The game also marks the opening district game for the Chiefs.

Muleshoe had beaten Olton, 14-6 the previous week, and Coach Bob Owen said this week he is trying to keep his players from "comparing scores."

"Olton has an explosive team, and in Steve Stockdale, they have probably the best passer in the district. They are a threat to score every play, and we're going to have to have the same kind of effort we had against Muleshoe to stay in the ball game," Owen says.

Stockdale is a third-year starter at quarterback for the Mustangs, and his passing attack has been hampered in early games by wet weather, and the fact that some of his receivers lacked experience.

"They have more experience now, and will undoubtedly start hanging onto some of the passes they've been dropping," Owen says.

Besides Stockdale, who is also a scrambler and a threat to run, the Mustangs return 206-pound junior fullback Keith Workman, and 190-pound Marlos May, which gives Olton a lot of heft in the backfield.

Friona, meanwhile, had its backfield crops boosted by the addition of former B-team member Louis Lee to the varsity. Lee carried the ball twice against Muleshoe, picking up 10 and 12 yards. "Lou-

is is going to be a good addition to the varsity. It helps to have someone you can put in when you need break-away speed," Owen said.

The team sustained no injuries in the hard-hitting Muleshoe game.

The Friona head coach said that the Chieftains' pass defense hadn't really been tested yet this year, but thought it would get a good workout Friday. Against Muleshoe, Stockdale threw 19 passes in the second half alone.

Olton leads the series, nine wins to three, and has won the last four times in a row. The Mustangs are one of the two district teams Coach Bob Owen has not been able to muster a win over in his three years as head coach, and he would like to remedy the situation.

Local Police Help Capture Suspect After 100 Mph Chase

The Friona Police Department was instrumental in stopping and apprehending a man Monday who allegedly took \$89 in cash and three tapes from a Clovis store, and then tried to outrun officers in a high-speed chase between Farwell and Friona.

Frederick Lee Talbot, 33, who gave officers several addresses but is believed to be from Akron, Ohio, was stopped in Friona by a road block set up by Chief of Police Bill Denny and patrolman Billy Lucas.

The pair had their road block set up two miles west of Friona near the curve on Highway 60. Talbot had driven through a road block in Farwell and Bovina after hitting speeds of over 100 miles per hour between Farwell and Friona.

Highway Patrolman Glenn Fant had set up the attempted block in Farwell, and persuaded Talbot at a high speed, while radioing ahead to Bovina and Friona.

During the high speed chase, several shots were fired at the speeding vehicle.

Denny said the fugitive was stopped about 4:20 west of Friona. "We were determined he wasn't going to make it though Friona at that speed. School had not been out long, and there was a lot of traffic on the highway."

Talbot pulled over at the Friona road block, precluding any further action on the part of the local police officials.

Talbot was driving a stolen vehicle from Beaumont. After being processed by the Friona Police Department, he was transferred to Farwell, where he was awaiting extradition.

When arrested, Talbot had in his possession a .32 automatic pistol.

Mrs. Nelda Mullins, clerk at the Tape Deck in Clovis, told officers a man who had been shopping in the store approached her with a small revolver and demanded that she empty the cash drawer. He then fled with the money and tapes, ordering her to lie down on the floor and count to 20 while he made his escape.

FROM HEREFORD

Local Hospital Official Disputes Newspaper Story

(Editor's note: The following letter was written in answer to a story in last Thursday's Hereford Brand, which inferred that the Deaf Smith County Hospital in Hereford was doing all the charity medical cases for Parmer and Castro counties, as well as Deaf Smith.)

Official records at Parmer County Community Hospital reveal that the hospital apparently does its share of charity work, including a good percentage of patients from Hereford.

The letter is being presented here, in defense of the story, which many local people saw.)

Editor
The Hereford Brand
Hereford, Texas

Dear Sir:

We felt that the article in your last Thursday's issue misconstrued the facts somewhat, and put Parmer County Community Hospital in a bad light.

We refer to the story you headed "Word is out: local hospital an easy touch."

We particularly wanted to take exception to the statement that the Hereford hospital was doing "all the walk-ins from Hereford, Dimmitt and Friona." According to our records, we seem to be doing not only our share of the "walk-ins" (a woman who comes in for delivery, without prior care at the hospital) from Friona, but also, a good percentage of these are from Hereford.

According to our hospital records, we have listed on our current accounts receivable a total of \$10,962.64 in medical bills for persons with Hereford addresses. There is another \$12,659.27 on the books which has been turned over to a collection agency.

In the past five years, our

hospital has been obliged to charge off a total of \$13,701.23 in bad debts involving patients from Hereford. This amounted to 13 per cent of our total bad debts.

Please bear in mind that Parmer County Community Hospital, unlike Deaf Smith County Hospital, receives absolutely no tax money to assist in its operation. We are a completely privately financed institution, and rely entirely on our patients for our

operating revenue.

You also referred to a lady from Bovina who had been "prepped" (shaved) in our hospital, then went to a Hereford doctor. I believe this is the case where the husband was asked for a deposit, and became angry, and the two left via the back door, without hospital personnel knowing what became of them. What you did not point out, however, was that after visiting a Hereford doctor.

Plans Completed For Back To School Night

The Parent-Teachers Organization met in a called session Thursday afternoon in the elementary school library. Those attending were Mrs. James Ball, president; Mrs. Sam Mears, vice-president; Mrs. Melvin Lloyd, secretary; and Mrs. Von Edelman, reporter.

Plans were made for "Back To School Night" for the first four grades. The session for kindergarten, first and second grades will be from 7:30 to 8:30 p.m. Monday, October 11. The session for third and fourth grades will be held the same evening from 8:30 to 9:30.

Others attending were Mrs. Bob Alexander, Mrs. Richard Adkins, Mrs. Ray D. Fleming and Mrs. Gene Brito, room

mothers for the first four grades.

Also Principal J.T. Gee, Mrs. Troy Ray, Mrs. Carrol Gatlin and Mrs. Lois Miller, teacher representatives.

During the business session a report was made on a proposed paving project. The project, which was PTO sponsored, was the paving of one block of Cleveland Street between eighth and ninth streets, and was scheduled for completion during the past summer.

However, since the City of Friona had not contracted to have any other paving done during the summer, members of the school board decided paving of one block would be too expensive and postponed the paving until a later date.

Buskes Host Party For Class Members

An outdoor supper party in the home of Mr. and Mrs. G.B. Buske Monday evening honored members of a young men's Sunday School class of First Baptist Church which Buske teaches, their wives and children.

Grilled hamburgers were served with chips, dips, hot and cold drinks and dessert.

A game and visitation session followed the supper.

Those present were Mr. and Mrs. Larry Moyer, Mr. and Mrs. Charles Hough, Mr. and Mrs. J.C. Wells and sons, Dee Jay and Ben C., Mr. and Mrs. Melvin Lloyd, Mrs. Judy Reasoner and children, Jeff and Sabrina, and Mr. and Mrs. Dee

Clark and children, Gay and Ronder.

Also Mr. and Mrs. Jim Hemmington and sons, Mike and Steve, Mr. and Mrs. Dwain Menefer and children, Jody, Debbie and Jimmy, Mr. and Mrs. Leon Massey, Mr. and Mrs. Jarrell Wright, Mr. and Mrs. Jackie Hight and Mr. and Mrs. Jerry Hinkle.

Also Mr. and Mrs. George Frye, Mr. and Mrs. Redge Priest, Mr. and Mrs. Phillip Weatherly, Mr. and Mrs. Ed Hicks, Vickie Pryor, Dorothy Johnston, and Rev. and Mrs. Charles Broadhurst and children, Leslie, LaDonna and Lance.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO—OCTOBER 2, 1931

For the past several weeks, the city water well has been losing interest in its job of supplying water to people of the city, until an inspection of the pump by water works superintendent L.G. Sympton revealed that the bearings in the rotary pump were so badly worn that it was necessary to send it to Amarillo for repairs.

35 YEARS AGO—OCTOBER 2, 1936

Mr. and Mrs. A.D. Smith announce that they will move to Farwell on or about the first of October for permanent residence. Mr. Smith will be elected as County Attorney on November 3. The duties of his office will require him to live at Farwell, so they have found a suitable place to live in the county seat.

30 YEARS AGO—OCTOBER 2, 1941

Announcement was made this week that the Lions Club will sponsor a Boy Scout and troop and a Cub Scout pack in Friona. An organizing committee, composed of Tiny Magness, Pete Buske, R.J. McReynolds, Glenn Reeve and Frank Spring is making plans for getting scout work started. The organizing group have named Frank Trout as scoutmaster, with Ed Williams assistant. Joe Wilson is leader of the Cub pack, and Virgil Elms is his assistant.

25 YEARS AGO—OCTOBER 4, 1946

The Friona Chieftains won their first game of the season at Lockney last Friday, when they beat the Lockney Longhorns by the score of 12-6. The Chiefs showed much improvement over their previous games. Miller did the scoring for Friona.

20 YEARS AGO—SEPTEMBER 27, 1951

Bids for construction of a fire station in Friona will be let quite soon, according to announcement this week by Mayor Mack Balnum. Plans are for construction to begin before cold weather of the two-truck station. Location will be on the city-owned lots just north of the park on Main Street.

Who is going to win the World Series? Ed White: "I guess it's going to be the Brooklyn Dodgers and the New York Yankees. My favorite team is the St. Louis Cardinals, but I don't think they have a chance."

15 YEARS AGO—SEPTEMBER 20, 1956

Friona's gala 50th Anniversary celebration will be held this weekend, with a parade, watermelon feed, basket dinner, post office dedication, entertainment by the Serenaders of Lubbock, a free barbecue, pancake breakfast, and a pony express race highlighting the event. A special program for guests and pioneers will be conducted at 4:30 p.m. on Friday.

10 YEARS AGO—SEPTEMBER 21, 1966

Albert Field, Friona City Manager, officially submitted his resignation to the City Council Tuesday at 8 p.m. during a called meeting. Field will assume similar duties at Muleshoe.

Kay Burleson was crowned Maize Queen as a highlight of Maize Days in Friona last weekend. Miss Burleson was sponsored by the Friona Star. First runnerup was Janet Buckley, and second runnerup was Sharon Reeve.

Pause and Reflect

By Nelson Lewis

According to all reports, the Apens in northern New Mexico are beginning to show some color.

If you drive up to view the splendors of Cimarron Canyon, there is a side trip well worth making.

A few miles west of the canyon is the town of Taos and the centuries-old pueblo.

Most of us have been to the pueblo and will recall that the Indian inhabitants were reticent in the area of conversation. I strongly suspect that future visitors will denote a marked improvement in their attitude.

Because, for the first time in four hundred and thirty years, the pale face has been as good as his word!

The Indians you will see in Taos today are direct descendants of the people who lived there in 1540 when the explorer Coronado entered their country.

The Spaniards were cold and hungry and they pillaged the pueblos, robbing these peaceful people of all foodstuffs; and even taking their clothing from their bodies.

This went on for two winters; however that was not to be the end.

From about 1550 to 1600 various troops of adventurers traveled up the Rio Grande and with each wave of well-armed horsemen, there occurred another season of ill treatment. Small wonder the natives learned to distrust the Europeans.

Conditions worsened until the Indian revolt of 1680 but this period of freedom was short-lived.

In 1692 the Spanish King, Carlos Segundo (Charles Second) sent DeVargas to recapture the river valley.

This general was something of a diplomat and his bloodless victory is celebrated every year on Labor Day.

A previous column has covered that story, so let's get on with the recent problems facing the pueblos.

In 1906 the "Great White Father" in Washington D.C. broke another treaty and took their Sacred Blue Lake away from them.

A lake is a holy place in the religion of the Pueblo Indians. A place of mystery in whose deep waters, spirits dwell and whose depths contain the beginning of life.

Once again, the natives (the only original Americans) were pushed aside in the name of progress, and by the government sworn to be "for the people."

Sound familiar?

Well, the Indians are having a big fiesta today, September 30, because the Blue Lake has been returned to them.

Maybe there is still a chance for us pale faces!

Hospital Story . . .

(Continued from Page 1)

ford doctor, the woman RETURNED to Friona, we delivered her baby and the unpaid account is still on our books.

Here is another figure that might interest you: In the first nine months of this year, we have had 131 after hours patients at the Friona Hospital, from Hereford. Fifteen of these were serious enough to be hospitalized. Why they drove to Friona for medical aid, rather than seeking a doctor in Hereford is puzzling. Let us make one thing cl-

ear, however. We have a tremendous number of patients from Hereford who DO pay their bills and we appreciate them very much.

You were right about one thing. The percentage of non-pay patients is a big problem for hospitals today. However, to infer that Deaf Smith County Hospital "stands alone" with this affliction, or that they handle all of Parmer County's cases, was, in my opinion, a hasty and erroneous opinion.

Sincerely yours,
Elda Hart

Friday Breakfast Meet To Discuss Triticale

A breakfast and program, sponsored by Triticale Growers, Inc. of Amarillo, will be held Friday morning at the Farmer House Restaurant, beginning at 7:30 a.m.

Dr. Dale Furr, nutritionist, will discuss the nutritive value of triticale. Thomas L. Moran of Amarillo will report on the progress of the crop's seed improvement program, particularly at Mexico's Rockefeller Center.

Memberships will be presented to the new members of Triticale Growers, Inc. TGI is in the process of expanding its operation, and is embarking on a five-year program of experimental plots of triticale.

Work is being done on varieties of triticale which have been proven safe for overwintering and grazing, with

particular attention to the forage qualities. All farmers interested in this crop are urged to attend the meeting.

Farm Vehicle Seminar Set

A school, concerning the new laws on farm equipment, vehicles and trailers will be held on Tuesday, October 5, at 7:30 p.m. at the Friona Junior High Cafeteria, and on Thursday, October 7, at 7:30 p.m. at the Bovina School Cafeteria.

The school is being presented by the Highway Patrol in Parmer County, in order to inform farmers about the brake and lighting regulations for their equipment.

Mrs. Florez Picks 13 Football Games

Mrs. Fred Florez emerged as the weekly champion in the Friona Star's third weekly football contest, and also set a season high with a score of 13.

Essentially, Mrs. Florez had a perfect entry, as the 14th game on the slate, the Delhart-Tulia contest, ended in a tie, and all contestants were given a miss for this

game. Mrs. Florez received the weekly prize of \$5.00. She also had picked Friona to top Muleshoe on the tie-breaker game.

Only two other contestants scored as high as 12 correct games for the week, and they captured second and third place in the contest.

L.F. Jacobs of Bovina and Mary Priest of Friona were the contestants scoring a 12. Jacobs was awarded second place on the basis of his tie-breaker guess on the Friona-Muleshoe score. He picked the score at 20-13, while Mrs. Priest had it 28-6, favoring Muleshoe.

Just missing out on the money were five other contestants who correctly picked 11 of the games, including the winner's husband, Fred Florez. Others were Roy L. Smith, LaVelle Lillard, Sam Perez, and Mrs. Paul Fortenberry.

Another contest appears this week on Page 6, and football fans are urged to match their wits with the experts, and see if they can win some cash in the process.

Standings are tabulated each week, with the overall champion at the end of 12 weeks receiving two tickets to the Cotton Bowl game and \$30.00. Second place winner gets two tickets to the Sun Bowl game and \$25.00. Third place receives two season tickets to the Friona Chieftain games.

John Frazier and L.F. Jacobs are the current leaders in the race. A list of the top 75 contestants can be found elsewhere in this issue.

FBC Announces Choir Program

The First Baptist Church is again having a Graded Choir Program, which will be open to all children of the community. There will be four choirs this year: Beginner (Preschool); Primary (1, 2, 3rd Graders); Junior (4, 5, 6th Graders) and The Young Creations (7th and 8th Graders).

The choirs will meet on Wednesday evening 6:30 to 7:30 p.m. Achievement and attendance awards will be given at the close of the choir year, but children must be enrolled by October 20th to be eligible for awards.

Children may enroll by attending any of the rehearsals at the First Baptist Church, Sixth and Summitt on Wednesdays. Additional information may be secured by calling the church office, 247-3180.

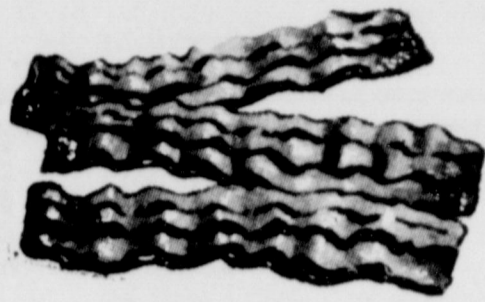

Band Parents Name Leaders

The Friona Band parents held their first meeting of the school year this week, and elected officers.

Ira Holt was elected president; Steve Bavousett is vice president; Mrs. Pearl Shelton is secretary; Herb Evans is hospitality chairman, and Porter Roberts is public relations chairman.

Some 30 parents attended the meeting.

What Does The Bible Say?

WHAT DOES THE BIBLE SAY?
"Husbands, love your wives, even as Christ also love the church, and gave himself for it: That he might sanctify and cleanse it with the washing of water by the word. That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish" (Eph. 5:25-27). In the act of giving himself for the church, Jesus "purchased it with his own blood" (Acts 20:28).
Was the shedding of Christ's blood necessary for our salvation? Indeed it was, for "without the shedding of blood is no remission of sins" (Heb. 10:22).
Since Jesus purchased the church with his blood, and since that blood secures the remission of the sins of man, it necessarily follows that men can have forgiveness only in the church for which he shed his blood.
It must be noted that there were sectarian denominations in the day of Jesus Christ, but he shed his blood for none of them and men had to leave them as the Lord added them to his church by their obedience. The same is no less true today. The right relationship to Jesus Christ is established only in the institution for which he gave his life.
Questions invited. Address: "What Does the Bible Say?" Box 515, Friona.

Defense Shines As Chiefs Nip Mules, 13-6

FIRST WIN SINCE 1959

Goal-Line Effort Crushes Mule Jinx

Muleshoe's Mules found out last Friday that Chiefs' defense can be stubborn when it comes to defending their goal-line.

Although the Mules' great offensive machine ground out 289 yards rushing and passing during the night, they found the going a bit rough when they got inside Friona's 10.

In fact, Friona owes the win to one of the greatest goal-line stands ever witnessed by local fans in the fading minutes of the game, as Muleshoe took four cracks at the goal from within the five, but were simply denied entrance by the determined Chiefs.

Fourth down found the Mules just inside the Friona two, but when the Mule quarterback attempted to keep around left end, he was smothered by the Chiefs, rolled to the ground where he fumbled and Friona took over the ball at their own eight, with just 1:06 left in the thrill-packed game.

The win was especially sweet for Coach Bob Owen and his fighting band. It snapped a personal six-game winning streak that Muleshoe had held over Friona, being the Chiefs' first win over their neighbors to the south since the 1959 team claimed a 24-14 win a game at Muleshoe twelve years ago.

Muleshoe had been the only team played with any regularity that Friona had not beaten since the Don Light-Bob Owen "era" here.

But the win did not come until after some anxious minutes during the second half, and especially in the game's twilight.

Friona had held the upper hand during the first half, using the pin-point passing of

quarterback Johnny Bandy for a quick 7-0 lead that surprised the visitors, who had not trailed in a game this season prior to that Friona TD. In fact, Muleshoe had driven for a lead touchdown in their first possessions against Dimmitt and Olton.

But such was not the case last Friday. The Mules did pick up a first down after receiving the opening kickoff, but had to punt. Neither team could sustain a drive in the opening quarter, although Friona got its scoring march underway as the period drew to a close.

Bandy hit James Bartlett on a 22-yard strike to the Muleshoe 34. After taking a five-yard loss, Bandy then hit Larry Fallwell for 12 yards, and proceeded to sneak for the needed three yards and a first down at the Muleshoe 24, as the opening quarter came to an end.

On the second play after the teams changed ends of the field, Bandy threw a swing pass to Bartlett, who gathered it in at about the line of scrimmage, and then won a foot-race around the left sideline to the goal-line.

Bobby Drake's kick made the score 7-0 with only 21 seconds gone in the second stanza.

Friona drove to the Muleshoe 36 later in the period, but Bandy's pass protection, which had been great, slackened off and he was caught for a 16-yard loss to stoo the drive.

Late in the period, Muleshoe became fired up, driving from their own 23 to the Friona 26. A holding penalty against the Mules stalled the drive, and on fourth down, Donny Wheat floated a left-

handed pass toward the Mules' star, Bobby Hays, but James Sims darted in to knock down the pass. It wasn't the only time Sims was to prevent Hays from scoring.

You can hold a potent offense just so long, and Friona found this out during the third quarter. A Mike Royal punt backed the Mules up to their 13, from which point they set out on a methodical, 87-yard touchdown drive that took 18 plays, and used up the biggest part of the third quarter. As a matter of fact, Muleshoe had the ball for over 10 minutes of playing time in the quarter, to only one minute and 20 seconds for Friona.

Hays sparked the TD drive, carrying eight times for 56 yards, including the final 10, which came on a sweep around left end. The big halfback almost broke on what would have been an 82-yard run on the drive's second play, but Fallwell managed to get an arm out from his prone position, and it tripped up the speedy Hays after a 15-yard gain.

Trailing 7-6 the Mules elected to go for two points, with their explosive backfield, but the Chiefs' defense rose to the occasion and stopped Donny Wheat a yard short of giving Muleshoe an 8-7 lead.

The Chiefs saw near-glory turn to disaster on the kickoff. Royal got up a head of steam, and almost got away, but as he was hit, he fumbled, and Muleshoe had the ball back, at the Friona 34. The Mules made a first down to the Friona 24, but again the defense dug in, and a field goal attempt on fourth down fell short.

Midway through the final quarter, Friona stopped a fourth-down Muleshoe gamble

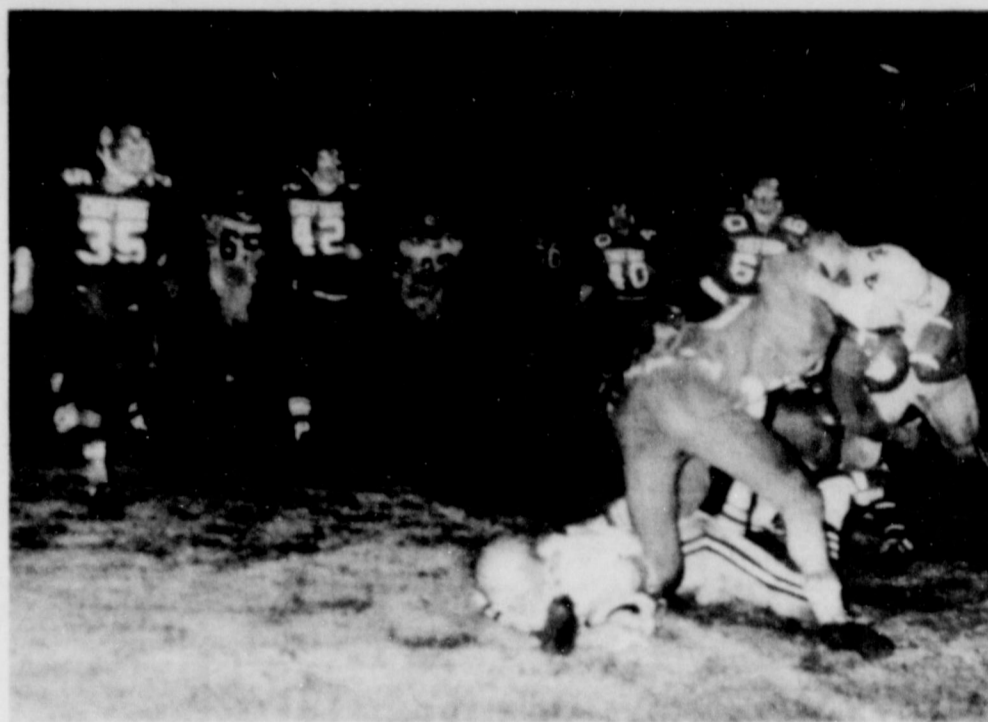

from their own 47. The hard-running Hays was stopped by Fallwell for no gain and the Chiefs took over.

Royal broke for 16 yards, and then made a great catch of a pass from Bandy for another 13, as Friona quickly moved to the Muleshoe 18. Two plays later, Royal skirled left end for 12 more yards to the Muleshoe four, and after Bandy lost a yard, Mike again went around the left side, and charged in for the score.

Royal caused local fans some anxiety, as, having up a good head of steam, he couldn't stop for the oval track around the field, which was holding two or three inches of water from recent rains. He dove backward into the muddy track, and came up looking like a mud-man.

The Chiefs tried a pass on the point-after, but it was blocked. However, they seemed to have a safe lead at 13-6, with only 4:19 left in the game.

However, on the first play following the kickoff, their

SHORT GAIN. . . Muleshoe's Bobby Hays (44, at far right), has a welcoming committee of Friona Chiefs' defenders in this action shot from Friday's game. Coming up on the left are Chiefs' Bill Bailey (35) and Mike Royal (42). Hays was the big gun for the Mules, with 140 yards rushing.

safe lead began to look shaky. Wheat returned the kick to the Muleshoe 34, for good field position. Then Hays took a pitchout, after the ball was faked to the fullback, and darted around left end, and appeared headed for a touchdown. However, James Bartlett saved the day, and perhaps the ball game, for Friona, by catching the speedy Hays from behind at the Friona 19.

Minutes later, the Mules clicked a 14-yard pass to Hays on fourth down, and the blocker wrestled down at the Friona five. Still, Muleshoe had first and goal, just inside the Friona five.

This was where Friona's defense had its finest hour. Three times, twice by Hays, the Mules slashed at the line, to just inside the two. On fourth down, the quarterback was smothered on the rollout play, the ball popped out at the eight-yard line and Friona recovered.

With only 1:06 remaining to play, Bandy merely fell forward twice, and let the clock

run out.

Hays was the game's leading offensive star, with 147 yards rushing.

However, the great Chiefs' defense, with Sims and Fallwell as individual stars, was the difference in clutch situations.

PPK Contest Set For Saturday

Deadline is noon Saturday for the local competition in Ford Motor Company's Pass, Punt and Kick competition.

Troy Young manager of Friona Motors, local sponsors, says the contest will be held at 2 p.m. Saturday at Chiefs' Field.

There will be competition in six age groups, one division for every age from 8 to 13. First, second and third place trophies will be awarded in each age group, or a total of 18 trophies. A parent or guardian's signature is needed on the entry blank.

With only 1:06 remaining to play, Bandy merely fell forward twice, and let the clock

THIRD VICTORY

Freshmen Slosh To 12-6 Win Over BR

Friona's Freshman Chiefs'ins scored two second-half touchdowns to topple Boys Ranch, 12-6, last Saturday morning at Boys Ranch's "Mud Bowl."

The game was played on a field that was literally six inches deep in mud, from a week of rain. Both teams were seriously hampered, as it was impossible to get a good footing.

The win kept the freshmen's season record perfect at 3-0.

A foretaste of things to come was seen on the opening kickoff, when Friona fumbled the runback at their own 34, and Boys Ranch recovered. However, the Ranchers made only seven yards in four plays and Friona took over.

After a scoreless first period, Boys Ranch took the lead late in the second quarter, after intercepting a Friona pass. A 12-drive play was capped by a three-yard plunge and Boys Ranch scored.

The Freshman Chiefs'ins tied the score the first time they had the ball in the second half. Taking over following a short BR punt at the Friona 48, Kevin Welch bolted into the secondary and sloshed 52 yards for the tying touchdown. Try for extra points failed, and the score was tied with 7:58 left in the third quarter.

There was no further scoring in the third quarter.

Midway through the final quarter, Friona took over on downs at midfield, and began the winning drive. Eddie Waggoner, Kevin Welch and Clay Bandy moved the ball downfield on the drive that took 13 plays and added four first downs to their total.

On first and goal from the two, Welch went in for the tie-breaking score, and Friona led, 12-6 with just 2:51 left in the game.

The FHS freshmen had eight first downs, to five for Boys Ranch. Each team lost two fumbles, and in addition, the Ranchers intercepted three passes.

Longhorns Drop 13-6 Decision To Bovina

Lazbuddie's Longhorns have an open date this Friday. The team is still smarting from its 13-6 loss at Bovina last week, their first loss of the season.

"We felt we beat ourselves," said Coach Buddy Brock, pointing out that the Longhorns drove to within the Bovina 20 three times, only to lose the ball each time.

"This isn't to take anything away from Bovina. They are a fine, hard-hitting team. But we should have scored at least one other touchdown," the Longhorn mentor said.

The 'Horns had a golden opportunity early in the fourth quarter having the ball at the Bovina one, where a fumbled snap ruined the drive.

Bovina took the lead early, when Billy Shelby went in on a one-yard plunge. The PAT kick made it 7-0. Lazbuddie wasted no time in countering, though, as Arthur Graves returned the kickoff 85 yards. Graves attempted to run around end for two points, but was stopped short, and the score after one quarter was 7-6, Bovina.

With 34 seconds remaining in the half, Bovina increased its lead as Shelby passed to Tom McCormick, making the halftime score 13-6.

In the fourth quarter, Lazbuddie missed three chances to tie the game or take the lead. The Longhorns drove to the Bovina one-yard marker but on fourth down, the snap from center was fumbled to end the drive.

Lazbuddie held Bovina, and got the ball back a few minutes later after a short punt, at the Mustang 14. At this point, an option pitchout, with Graves on the receiving end, went haywire, and Bovina again came up with the ball.

Late in the game, the Longhorns took to the air. Rick Seaton hit Mike Fred on the only completion of the night, a 30-yarder to the Bovina 30, with about two minutes left in the game. However, on the next play, Seaton was again attempting to pass when his arm was hit, a fumble was ruled, and Bovina again recovered.

Jimmy Noland and Loy Dale Clark were singled out for their defensive work, Noland getting 32 points and Clark 26. Graves was the offensive star.

Halfback Mark Barnes broke a finger in the opening minutes of the game, and this slowed the Longhorns' offense somewhat.

last place.

The first-round games sent Morton to Abernathy, Dimmitt to Floydada, Olton to Friona and Lockney to Littlefield. Floydada is defending champion and pre-season pick, and Littlefield was voted the No. 1 challenger. But, after three weeks of play, challenges and champion appear too close to differentials.

Abernathy and Lockney, wound up as unbeaten teams, with Friona having only a tie on its record. Dimmitt, Floydada and Littlefield have been beaten only once each and each by a Class AAA team.

Friona held on for a 13-6 win over previously unbeaten Muleshoe and the defense made the difference. "Not so much one individual," said Coach Bob Owen, "but defense, period. We held them on a two-point extra point try after they scored to pull within one (7-6). Then, we held them four downs inside the five in the last two minutes. Also, we stopped them in the fourth quarter after we had fumbled about our 30."

"I definitely think it will help us as a football team," added Owen. "We know we can hold people now, if we can do it again now, in this tough district. Boy, it's rugged."

Abernathy coach Nickerson echoed that. "The way the district looks now, a guy could look up and see four or five teams ahead of him and still have a good football team."

Nickerson had to go with Snodgrass, a starting split end, after the two quarterbacks, Dave Davenport and Steve Riley, were sidelined with fever and headaches on Wednesdays.

"We had to go back to basic plays, straight handoffs," said Nickerson. "But Kent is a good athlete, and the change didn't bother him. We didn't

have time to work on passing, but his ball-handling was flawless."

Snodgrass scored the first touchdown for the Antelopes and finished with 28 yards rushing. He completed one pass for 26 yards, too.

Floydada warmed up for its title defense with a 24-0 thumping of Post. Fullback Jim Kunkel scored the first three Whirlwind TDs on runs of 3, 35, and 85 yards to pace the triumph.

Littlefield started with Ralph Funk's 51-yard touchdown scamper. Funk followed with two more touchdowns, and the Wildcats sauntered on to a 34-0 win over Slaton. Littlefield gained over 300 yards on the ground and allowed Slaton only 76.

The bullish rushes of fullback Pat Bennett led Lockney to a comeback 19-6 win over Idalou. Bill Hill returned the kickoff after Idalou's 96 yards TD, and Bennett picked up one TD and 116 yards rushing for the unbeaten Longhorns.

Dimmitt bounced back from a 7-0 halftime deficit to score in the final quarter, then went for two points—successfully. Tailback Daniel Frierison got the touchdown from 11 yards out, then skirted right end for the two winning points and the Bobcats will enter district play with a 2-1 record.

Morton jumped to a 6-0 halftime lead against Farwell last week, but the hosts came back with three TDs to overtake Morton, 20-12. Jimmy Harvey and Alan Joyce scored for Morton, on runs measuring 45 and 50 yards.

Olton, the district's only team without a victory, fell to undefeated Tahoka, 14-12. Marlos May put the Mustangs in front in the first period on a 48-yard spring up the middle and tailback Keith Workman scored from the three in the fourth. A run for the extra points failed after Workman's score, however.

Guests Present Study Club Program

Two winners of youth contest sponsored by rural electric cooperatives, Sally Kendrick of Friona, and Brian Hall of Dalhart, who is a former Frionan, were guest speakers at the Tuesday evening meeting of Modern Study Club at Federated Club House.

Hall, who is the son of Mr. and Mrs. Paul Hall, and Miss Kendrick whose parents are Mr. and Mrs. H.K. Kendrick, spoke on "The Challenge of the 70's." Each speaker presented a report on the trip to Washington D.C. during the past summer.

The Americanism Day program began with the pledge of allegiance to the American flag directed by Mrs. Tom Sh-

elton. This was followed by "Washington's Prayer For America," by Mrs. Dave Thompson.

Gary Mingus, who was also a guest, presented a trombone solo, "Pledge of Allegiance March," by Arthur Bergh.

Mrs. Ralph Wilson and Mrs. George A. Jones, hostesses, served home made cinnamon rolls, coffee and tea to Mrs. Ruth Cruce and Mr. and Mrs. Wayne Worley, all of Lubbock; Mrs. Paul Hall, Dalhart; Mrs. Louis Welch, Mrs. Mabelle Hartwell, Wesley Foster, H.K. Kendrick and Holly Welch, all of Friona; those appearing on the program; and twenty-one members.

MR. AND MRS. WARREN N. HALL...Exchanged wedding vows in a double ring ceremony at First Baptist Church, Watonga, Oklahoma, Saturday, August 14. The new Mrs. Hall is the former Treva Gail Hyde, daughter of Rev. and Mrs. Omer E. Hyde, Olympia, Washington. Hall is the son of Mr. and Mrs. George W. Hall of Tulsa, Oklahoma. The bride is the granddaughter of Mr. and Mrs. H.A. Hyde, Friona.

Date Set For Foliage Tour

The weekend of October 2-3 has been selected for the annual foliage tour to Red River, New Mexico. This tour is

sponsored by Friona Four Wheelers, but arrangements have been made for any Frionans who wish to make the tour to take advantage of reduced rates at Red River motels.

The cabins which have been reserved are equipped with kitchenettes. Anyone who is interested may contact a member of Friona Four Wheelers for more information.

Highlight of the trip will be Sunday morning church services. These services will be conducted by Rev. Albert Lindley, pastor of Friona United Methodist Church and chaplain of the club.

Beginning time will be 11:00 a.m. CDST. The site will be south of Red River on No Go Hill just beyond the Joe Boston cabin. The trip may be made by car or jeep.

Since the services will be conducted in the open, coats and warm clothing will be needed.

Club president, Bill McGlothlin, invites everyone in the area to join club members on the tour and for the church services.

Frances Euler Attends Sessions

Justice of the Peace Frances Euler, who serves precinct No. 2 of Parmer County, spent Monday, Tuesday and Wednesday in Lubbock. She attended daily sessions conducted by Texas A&M University for Justices of the Peace at Red Raider Inn.

Attendance at two sessions is required as a result of a bill passed by the 62nd legislature for all justices of the peace who are not licensed attorneys or have not served two previous terms of office.

A second session, which is also required, will be held in Lubbock in February.

This 40 hours instruction has been made available by a grant from the Texas Criminal Justice Council.

Miscellaneous Shower Fetes Mrs. Joe Milloy

A miscellaneous bridal shower in the home of Mrs. Glen Nichols, 608 Arrah, from 3 to 5 p.m. Saturday, September 11, was a courtesy for Mrs. Joe Mark Milloy, who was Patti Evans before her recent marriage.

Snead Accepts California Position

Gary Snead has been appointed an insurance planner for The Manufacturers Life Insurance Company in Santa Ana, California.

Snead, who is a 1962 graduate of Friona High School and holds a bachelor of science degree in mathematics education from Abilene Christian College, is a recent graduate of the company's training program in financial planning.

He has just completed a five year tour of duty with the United States Marine Corps as a pilot.

Snead and his wife, the former Kay Surber of San Angelo, and daughter, Holly Caroline, are living in Irvine, California.

Co-hostesses were Mrs. John Renner, Mrs. V.E. Nichols, Mrs. Glen Mingus, Mrs. Marion Fite and Mrs. Don Huckabee. The refreshment table, which was covered with a white linen cloth, was centered with an arrangement of white carnations, yellow glads and greenery.

Corsages of white carnations were presented to Mrs. Milloy, her mother, Mrs. Milton Evans; her mother-in-law, Mrs. Peggy Milloy and maternal grandmother of the groom, Mrs. Carrie Shirley.

White individual cakes topped with white icing and yellow roses were served with punch and nuts. The napkins carried out the yellow and white color scheme.

The hostess gift was a combination broiler and fry pan.

The Library Corner

BY MRS. VON EDELSON

Every year area libraries are asked to help support the library booth at Tri-State Fair in Amarillo.

Last week Mrs. John Gaede and Mrs. Bill Stewart represented the Friona Public Library and attended the booth for four hours.

They took some of our new bookmarks, which were designed by Mrs. Russel O'Brian and Mrs. Earl Hawkins, and passed them out.

Local readers are being encouraged by members of the library board to ask for one of the bookmarks when they

visit the library.

Anyone having pre-school age children between three and six years of age is encouraged to bring them to Story Hour each Thursday morning from 10 to 11.

The children from one of the private kindergartens visit the library each Friday morning.

An early development of an appreciation for books has a lifelong affect on your child, so the time spent at the library with your young child is a very good investment.

One of our newest books, which should be of interest to many, is "Handwriting Analysis," by M.M. Bunker.

Woman's Lib is a popular topic for conversation, so maybe you would enjoy reading "Famous American Women," by Hope Stoddard, "On Being A Woman," by W. Clifford Jones M.D., or "Golds Meir-Israel's Leader."

A Message To Parmer County Farmers

From TRITICALE GROWERS, INC.

PURPOSE AND SCOPE

The organization of TGI is an important milestone in the development of Triticale as a feed and food grain in America.

TGI is sponsored and backed by Beef Industries of Amarillo, Texas, and several other organizations including feedlots, nutritionists, ranchers, and professional farmers.

The purpose and scope of TGI is as follows:

1. To provide soil testing services, soil nutrition recommendations, as well as overall crop management counsel as requested.
2. To support the continued development of new improved strains and varieties through grants to foundations and private organizations, in addition to TGI's own proprietary program.
3. To initiate and continue research in animal nutrition for all livestock including commercial cattle feeding, pork production, poultry production, and as a protein source for formula feeds.
4. To initiate and continue research as a food grain as a new source of protein for domestic and world markets.
5. To initiate and intensify field research for varieties adapted to each locality.
6. To establish, maintain, and supervise standards of excellence in production and feed quality with special emphasis on forage quality, winter hardiness, disease resistance, and standability. Seed quality will be judged by germination, test weights, protein, and purity. Standards in the production of grain will also be maintained with regard to yield and production.
7. To establish and promote domestic and world markets adhering at all times to the principle of specification marketing.
8. To implement and expand the communication and educational function of TGI, including the use of newsletters, management memos, and an annual management symposium in each state.
9. To co-sponsor with all seed placement agencies, participating elevators, feedlots, and other supporting organizations, and an annual growers award banquet in each state.
10. To engage in any and all activities as from time to time will be necessary, to further the development Triticale to the point of dominance as a food and feed grain in all areas of the world where the crop may be adapted.

THROUGH THE HISTORY OF MANKIND, ALL MAJOR ACCOMPLISHMENTS HAVE BEEN THE RESULT OF THE RECOGNITION OF A NEED FOLLOWED BY THE GAINFUL ASSOCIATION OF FIRMS AND INDIVIDUALS JOINED TOGETHER IN A COMMON CAUSE.

TGI IS DEDICATED TO THE GREATEST CHALLENGE OF ALL TIME. THE PRODUCTION OF GREATER AMOUNTS OF HIGHER QUALITY FOOD AND THE EFFICIENT MARKETING OF THE SAME, TO THE PROFITABLE BENEFIT OF THE PRODUCER AND CONSUMER ALIKE.

The Triticale Growers Seed Management Council has designated locations in 123 counties, including Parmer for its 1972 seed improvement program. Seed for increase will be placed with charter participating members in Parmer County. Minimum 10 acres, maximum 50 a. to location. Seed may be planted on summer fallow, or following ensilage, milo or cotton.

MRS. ROY V. MILLER

Sunday Is Designated As "Eva Miller Day"

The First Baptist Church, Friona, has designated Sunday as Eva Miller Day honoring her on the occasion of her 25th Anniversary of playing the organ and piano for the church.

Special activities will be held during the Morning Worship Service. Also there will be a reception-fellowship in the church's fellowship hall at 2:30 p.m. The church extends its invitation to all of Eva's friends throughout the community to be a part of Eva Miller Day at the First Baptist Church.

Eva, in addition to serving faithfully as church organist and accompanist, has been very active in community affairs, including clubwork, special and annual meeting programs, and has been associ-

ated in some way with the Maize Queen Pageant since its beginning.

She was cited by the Friona Chamber of Commerce in 1958 as their "Woman of the Year," being the first recipient of the annual award.

In addition to teaching piano—she says she has taught more than 2,000 students in her career—Mrs. Miller also has a singing group known as the Trebelaires which she organizes each year. This group is widely sought-after for special entertainment.

There are over 2,000 prosperous members of the insect family Phasmda—the walking sticks. Thanks to their uncanny resemblance to a twig, these insects are able to remain concealed from their enemies while actually in plain sight!

Time Set For Tasting Tea

The Future Homemakers of Friona High School are sponsoring a Tasting Bee Friday evening. Serving will begin in the high school cafeteria at 5:00 p.m. and will continue until 7:00 p.m.

Admission for adults will be \$1.50 and for children under twelve, 75¢.

Tickets may be purchased from any member of the organization or at the door.

Mrs. Ernest Osborn and Mrs. Dale Gober, chapter sponsors, join members in inviting everyone in the area to attend.

Couple Hosts

After Game Coffee

Mr. and Mrs. Bernie Gowens hosted an after game coffee in their home, 1102 Eta Street, following the Friona-Muleshoe game Friday evening.

Chips, dips, coffee and hot chocolate were served to Mr. and Mrs. Orbie Chandler and family, Mr. and Mrs. Don Martin and family and Mr. and Mrs. Joel Nowlin and family, all of Muleshoe.

Also Mr. and Mrs. Ted Tucker and family and Mr. and Mrs. Ronnie Shaffer and family, all of Friona.

Snead Appointed

Insurance Planner

The first meeting of the Ethel Bengler Chapter of Future Teachers of America for the present school year began with a salad supper in the high school cafeteria Tuesday evening.

After supper Jill Riethmayer, chapter president, explained the new point system, which will be used to determine delegates to the state convention.

One sponsor, Mrs. Carmaleet Truitt, introduced the new sponsor, Mrs. Cheryl Weatherly, and explained the purpose and plans of the organization.

TEXANS ARE HONORED... Five Texans, who graduated from Oklahoma State Tech, Okmulgee, Oklahoma, last week were listed on the Director's Honor Roll. In order to be listed on this roll students must compile a grade point average between 3.5 and 4.0 on a 4.0 scale in all subjects. Milton Carlton, left, is a 1969 graduate of Friona High School and the son of Mr. and Mrs. Aubrey L. Carlton Sr., Route 1, Friona. Pictured with him is Arthur D. Boyer of Austin. Other Texans so honored were Theodore E. O'Donnell, Arlington; Rickie L. Kelsey, Lorenzo and Barry D. Greer, San Antonio. Recipients of this honor were presented certificates during an honors and awards assembly.

Brother Of Frionan Buried In Lubbock

Funeral services for J.C. Walden, 68, of 2803 40th Street, Lubbock, were conducted from Rix Chapel at 2:00 p.m. Tuesday with Rev. C.A. McBrayer, pastor of Forrest Heights Methodist Church, officiating.

Walden, who moved to Lubbock from Falls in 1966 was a carpenter and builder. He died at 4:05 p.m. Sunday in Highland Hospital. Survivors include his wife, Jewell; one son, Bill Walden of Santa Ana, California; one daughter, Mrs. Jean Averitt of Lubbock; one brother, Ray Walden of Houston; four sisters, Mrs. Ora Morgan and Mrs. Oma Lee Porter, both of Amarillo, Mrs. Mattie Jones of Lubbock and Mrs. Sue Matlock of Friona.

Also nine grandchildren. Burial was in Resthaven Memorial Park.

Bi-Wize Rexall Drug

Sincerely Yours

By Rev. Albert Lindley

Well, after the trip, one must unpack... and after the vacation, one must rest... and after parades the floats all have to be dismantled.

I had forgotten about plucking chickens until I started taking the paper off of the chicken wire that surrounded the float bed.

Of course, after the wet weather, the paper really held on and it took some special care to get it all off.

Several would stop and read the newspaper articles while we were putting them on and we had a big laugh about that, but it was really rough trying to read them as they came off, with all of that green paint...

But it's all apart now and stored neatly and ready for next year's use.

Now, you can't possibly see how I'm going to get an idea out of that... so you will have to continue reading to see if it is worth your time...

My second point comes from something that happened with me and a part of my family just yesterday.

The family member is an almost brand new little Cocker Spaniel that we recently acquire.

All of a sudden, while running and playing in the back yard, he started howling and taking on like I had never heard before... running and yelling, in real pain.

He reached the back porch—which was some distance to run with his short legs, and lay down, still yelling, jumping up and running again...

At first I thought of an ant sting—but he still yelled—then I thought of some other, other big old thing that might have scared him, but the kitty was elsewhere at the time, and I couldn't find anything in the grass.

I picked him up and continued to search his anatomy, all the while trying to calm his spirit and watching his big cocker-spaniel eyes cry... and then I found the cause. It was a large grass-burr imbedded under the soft pad of his front paw.

Its removal once again brought peace and tranquility to the neighborhood.

Most dogs stop and take them out but being his first sticker, he hadn't read his "Dog's Life Book" far enough to know about that, I suppose. Being his first, he just didn't know what to do—but yell.

I'll bet-er-wager-eh-I just know (I have to be careful with those words) you have some idea about where this thing is going, now...

You see, these little allegories tell us two things.

First, the paper-plucking story of the outdated float took a great deal of determination, perseverance and "get-to-ed-ness"—(it only took me about a week to finally attack the problem with some success...)

This was not a funny thing to do-not like the fine fellowship we had building it-and even the brownies that were brought when they knew of my "diet-watchers" program. I even overlooked that... This job was no fun... And for a fun-loving guy, it was other than... But it got done.

Now, the howling pup story tells about the many who don't take the time to stop and search out the problem and deal with it in a worthwhile manner... They just howl, and howl, and howl and howl... I know that puppy had a hard time and it might even necessitate my having to read that chapter to him (see, others can help us) but he needs to know that running and howling just won't get the sticker out.

Now, have you identified with any of this yet?

You know, Jesus used the allegory and the parable as means of teaching truths... Maybe you can use this one as you apply it to your situation...

It just might be a special message just for you...

In the meantime, you should visit your local "Holy-Club" and learn some more about the allegories and parables and truths they teach...

Yearbook Presentation Highlights Club Meeting

Highlight of the Tuesday, September 11 evening meeting of Progressive Study Club, which began with a salad supper at Federated Club House, was presentation of yearbooks.

Announcement of the theme for the coming year, "Prescription For Apathy," was made by the program committee, Mrs. Von Edelman, Mrs. Lee Spring and Mrs. Clarence Monroe.

Mrs. Clarence Monroe directed the invocation. The community service committee reported that the beauty workshop for teenagers, which was conducted by Suzanne Lamb, a professional model from Dallas, and sponsored by Progressive Study Club was a tremendous success with more than 40 girls participating.

Following adjournment of the meeting by Mrs. Steve Bavousett, president, the group went to the building where an antique show and sale was held during Maize Days to do some last minute chores.
