

by Bill Ellis

Since no one else has done so, we will take credit for the good weather which lavished the annual Farmer County Junior Livestock Show this past weekend.

Remember, we advertised for good weather here in this column last week—and lo and behold, the weather was the best in a number of years.

It was another fine show, and the cooperation by the weather capped off everything.

A lot is being written and said lately about the subject of "no fault" insurance. This type of insurance is being considered for the state of Texas, for automobile owners. With "no fault" insurance, a person's company would pay his losses, without any consideration of who was at fault in the accident.

However, a national insurance expert, David Sargent, argues that "no fault" insurance is not fully meeting public acceptance.

Sargent participated recently in a debate sponsored by the State Bar of Texas on the subject of "no fault" insurance. "Your insurance commissioners here in Texas have estimated that rates would double or triple under 'No-Fault,'" commented Sargent. "When you have some of the lowest rates in the nation, why experiment with something totally unproved? Your bodily injury, or fault, rates in Texas have gone down 10 per cent over the last four years. Your property damage rates, which are 'No-Fault' have gone up over 50 per cent in the same period."

"No-Fault" abolishes traditional concepts of right and wrong," asserted Sargent in the beginning remarks. "Under 'No-Fault' it doesn't matter how you drive or whether you are drunk or drugged. If you pay everybody, the 'No-Fault' economic principle is simple. You take away benefits from the good driver to give token benefits to the careless driver."

Sargent declared that he was not opposed to the concept of "No-Fault" as first party coverage that would reimburse out of pocket expenses. "But, this is health and accident insurance," he explained, "and it is available now in Texas at far less cost than in proposed 'No-Fault' schemes."

Most people only make resolutions on New Year's Day, but the Farmer County Heart Association wants everybody to resolve daily to protect their hearts against heart attack.

The Farmer County Heart Association proposes that all citizens of Friona reduce their risk of heart attack by taking the following steps:

- *Eat foods low in saturated fats and cholesterol,
- *Control high blood pressure,
- *Don't smoke cigarettes,
- *Maintain normal weight, and
- *Exercise moderately and regularly.

The more risks a person has, warns the Heart Association, the greater the chance of suffering a heart attack.

Should heart attack occur, the symptoms may vary, but these are the usual warning signs:

- *Prolonged, heavy pressure or squeezing pain in the center of the chest, behind the breastbone.
- *Pain may spread to the shoulder, arm, neck or jaw.
- *Pain or discomfort is often accompanied by sweating, nausea, vomiting and shortness of breath may also occur.

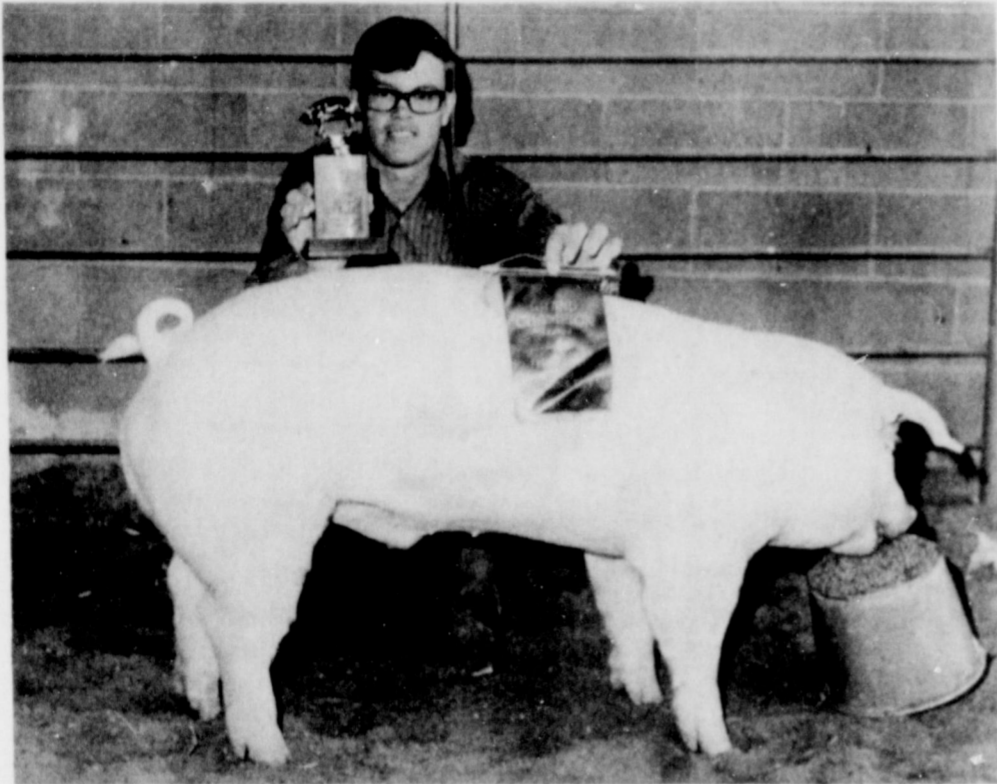

The decision to obtain help should not be left to the patient alone, but is also the responsibility of his family or friends.

The need to act promptly when symptoms occur is urgent, says the Heart Association, since most of the 674,000 annual heart attack deaths occur outside the hospital before the victim receives medical treatment.

Sunday has been designated "Heart Sunday" in Friona, and volunteer workers will be soliciting funds in the city.

A youngster, reading about King Arthur, asked her father what a charger was. His answer: "In the old days it was what a man rode on. Today, it's something he married."

The man on Frío Draw says a pessimist is the guy who complains about the noise when opportunity knocks.

KEEPS STRING GOING... David Gallman, Lazbuddie FFA member, kept the string going for his school and community, by winning the grand champion's trophy at the Farmer County Junior Livestock Show last week. It was the 12th straight grand championship for Lazbuddie entries, and one of their leaders remarked, "We hope 13 isn't unlucky!"

FOR LAZBUDDIE

Gallman's Barrow Keeps String Going

Those amazing showmen from Lazbuddie kept their string going in the Farmer County Junior Livestock Show last weekend, and Farwell youngsters seem to have started a streak of their own in the steer division.

David Gallman gave Lazbuddie the grand champion barrow for the 12th consecutive year, turning the trick with a 209-pound Chester White. It was the first time for a Chester to win the county title since 1954, but the fourth time in all.

Lazbuddie showmen again dominated the barrow show, getting three of the five breed champion trophies. They swept honors in the sheep show, with all five first-place trophies.

Mark Haseloff of Farwell 4-H Club kept the steer title for the Haseloff family. Haseloff made history by getting his 1057-pound Charolais cross into the winner's circle. It was the first time a crossbred steer had won the county championship in the 25 years that accurate records are available on the show.

It was the second steer title for young Haseloff and the fourth for his family. He previously won in 1968. Robert Haseloff won in 1968, and Carrie in 1971. The Farwell family has now won the title four times in the last five years.

Haseloff sold his steer, which he calls "Bourbon," at the premium price of \$1,05 per pound, or \$1109.95. Worley Grain of Farwell was successful bidder.

Loy Dale Clark of Lazbuddie, whose 1004-pound Angus steer had won the medium heavy-

weight class, took the reserve championship in the steer division. The previous day, he had exhibited his brother Danny's Chester White barrow, and it also won the reserve champion's banner.

Other class winners in the steer show were Steve Kaltwasser (light medium) and John Johnson (lightweight). Both are Farwell 4-H members. Four-H Club calves won three of the four classes, losing only in the medium heavyweight class, where Clark's Angus won.

It was the second major barrow title for the Gallman family in two weeks. The previous week, David's brother Dale had won grand champion honors at El Paso with a crossbred barrow.

Other breed champions were exhibited by Al Kerby of Bovina (Duroc); Dwight Green, Farwell (Hampshire); Jack Smith, Lazbuddie (Poland China) and Dale Gallman, Lazbuddie (Crossbreeds).

Sheep winners, all from Lazbuddie, were Ohelia Mendoza (fine wool and other breeds), Timmy Smith, Neal Moore and Jesse Mendoza.

The champion barrow was bought by Hi-Pro Feeds of Friona for \$115 per pound. Reserve Champion went to North Lazbuddie Gin for 65 cents per pound.

Showmanship awards went to Mickey Powell, Lazbuddie (barrows); Jesse Mendoza, Lazbuddie (sheep) and Mark Haseloff, Farwell (steers). In addition, the Friona Star presented a special award to Laz-

buddie's vocational agriculture instructor, Scotty Windham, for his outstanding work with the youngsters in his community, culminating in the excellent results year after year at the county show.

A record of sorts was set by the weather, which was good for the duration of the show. The only disagreeable aspect was a stiff wind during judging of the steers on Saturday. However, the temperature reached the 60s on Saturday, which is about 30 degrees above average for the steer show and sale.

Good prices were paid at the auction sale, which produced a record \$43,676.95.

PTO Planning Teacher Fete

The monthly Parent-Teachers Organization meeting was held Thursday, February 17 at the elementary school. Mrs. James Ball presided over the meeting. Those present were Mrs. Sam Mears, Mrs. Robert Alexander, Mrs. Jim Dixon and Mrs. Von Edelman.

The teacher representatives were Mrs. Lois Miller, Mrs. Bryan Hardgrove, Mrs. Carrol Gatlin and Mrs. J.T. Gee.

Further plans were made for Teacher Appreciation Night, which will be held Friday, April 14 at 8 p.m.

Discussion was held concerning the gift to be presented to the elementary school bought with money made at the film showings held at the school.

AWARDS FETE SET

Chamber Banquet On Tap Tuesday

The annual banquet of the Friona Chamber of Commerce and Agriculture will be held next Tuesday evening, February 29, beginning at 7:30 p.m.

Tickets to the affair are on sale from any of the Chamber directors, or may be purchased at the door. Tickets are \$5.00 each.

Sharing the menu spotlight, which will include K.C. Sirloin steaks, will be Jim Gillie, assistant to the manager of Phillips Petroleum Company's public affairs division.

Gillie, who was termed "one of the country's most outstanding speakers," is noted for his good humor, along with a message of working together and "positive attitudes" as a means of solving problems.

A highlight of the annual banquet will be the naming of five persons for special honors, the man and woman of the year, teacher of the year, most courteous employee, and a new award this year for an outstanding high school student.

Also, the new officers and directors for 1972 will be installed. Dale Cary is the new president, Wendell Gresham is vice-president, having served in that capacity last year also. Carrol Gatlin is the new board member.

Also to be installed are four

new chamber directors, including M.C. Osborn, Floyd Reeve, Cary and Gatlin.

Outgoing president is Ralph Shirley, and Ray Murphree has

Interest Still Slow In Two Local Races

Friona's city council now has four people running for three spots on the council, but the Friona school board had only one candidate with two places expiring. Deadline for filing in each race is next Wednesday, March 1.

Mayor R.L. Fleming, and aldermen Bill Ellis and Gary Brown announced for re-election during the past week. Earlier, Mrs. Aubrey Rhodes had announced for one of the council spots. Terms of the two incumbents and that of the mayor are expiring.

As of press time, only one candidate, Wesley Barnett, had filed for a spot on the school board. Terms of W.B. Buske and Richard Collier are expiring.

Forms are available at the city office for that race, and at the superintendent's office for the school race.

served as secretary for the past year.

Holdover directors are Murphree, H.K. Kendrick, Glenn E. Reeve, Jr., Ron Davenport and Gresham.

(See section two for a complete rundown and pictorial highlights of the Chamber's year for 1971).

Last year's award winners included G.B. (Pete) Buske, man of the year; Mrs. Ethel Benger, woman of the year; Frances Davis, most courteous employee, and Mrs. Baker (Margaret) Duggins, teacher of the year.

Jim Gillie

PCA's Annual Meet Scheduled Saturday

The Plainview Production Credit Association will hold its 38th annual stockholders' meeting on Saturday, February 26, at Plainview High School.

Registration begins at 11 a.m. A barbecue lunch will be served at noon. A business session will convene at 1 p.m. at the high school auditorium.

Bill Carthel of Friona, who has served as a director of the association for the past nine

years, is a candidate for re-election to the board.

Carthel, a member of the association since 1948, has an opponent in Jerry Clevenger of Hart.

The other place on the organization's board which is expiring belongs to Grady Shepard of Hale Center, longtime board president.

Shepard is retiring from the board, and two men are candidates for the position which will be vacated. They are Ray Robertson of Dimmitt, and James Taylor of Plainview.

Plainview Production Credit Assn. operates offices in Plainview, Dimmitt, Floydada, Friona, Littlefield, Muleshoe, Olton, Silverton and Tulia.

Manager of the Friona office, Dale Cary, issues a special invitation to association members to attend the meeting.

Plainview Production Credit Association has total assets (at the close of its last fiscal year) in excess of \$59 million. The association closed loans totaling more than \$158 million during 1971.

PCA offers specialized credit to farmers, ranchers and livestock feeders in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Farmer and Swisher counties.

MAN INJURED

Shooting Adds Spice To Strike At MBP

The strike against Missouri Beef Packers by the local Amalgamated Meat Cutters union was in its third week this week, although killing operations are continuing at the plant.

A shooting incident near the gate to the plant late last Wednesday caused some emotion, but no further trouble has evolved.

Balevono Rodriguez, 19,

was struck in the arm by a .22 calibre bullet as he accompanied some of the strikers at the gate. Rodriguez had never worked at the plant, and was not a union member, although his brother was on picket duty.

Sheriff Charlie Lovelace said there had been a reported incident of a brick being thrown through windshields of workers as they entered or left the plant.

He theorized that the shooting could have grown out of this incident, but had no proof.

The officers picked up two people for questioning regarding the shooting, but no arrests were made.

Reports said a car drove past the entrance slowly with its lights out, and a gun was fired five or six times. A car at the gate had four bullet holes, and one of the bullets struck Rodriguez. The wounded man was treated at Farmer County Community Hospital, and was released.

It was also reported that strikers were dumping nails on the roadway into the packing plant. Truckers, company officials and employees have been having a dearth of flat tires as a result.

Negotiations between the union and MBP officials are scheduled to resume on Monday. The strike began February 7.

SHOWING FOR GRAND... Mark Haseloff and Loy Dale Clark do their best showing as Justin McBride, Hereford, looks over the class winners in the steer judging. McBride tapped Haseloff's calf a moment later as the champion, and Clark's Angus got runnerup honors.

Forensics Team Takes Sweepstakes

The Friona High School Forensics team won the sweepstakes trophy at the Dalhart Invitational Forensics tournament last Saturday. It was the first sweepstakes trophy for the FHS team this year. The team won over 14 other schools, Caprock High School of Amarillo was second, and Hereford High School finished third.

An ironic aspect of the win was the fact that Friona didn't have a first-place individual, but came out on top in overall points.

Steve Stone was third in prose reading, Troy White was third in poetry reading, Sally Kendrick was third in persuasive speaking and Trip Horton second in informative speaking. These were the best individual placings.

Those making the finals were Steve Stone and Sally Kendrick, duet acting; Cindy Barnett, prose reading; Pattison Talley and Kay Cochran, poetry reading; Gary Stone, poetry reading; Jamie Thompson, persuasive speaking; Carl Evans and Diane Rodgers, informative speaking.

Brent Hall and Mark Shackelford made the semi-finals in boys debate.

Other participants included Debate--Trip Horton-Jay Messenger; Mickey Harrelson-Bill Gipson; Sheila Struve-Diane Rodgers; Carol Boussett-Dorothy Johnston.

Other individual entries were Davey Hill, Vicki Bech, Holley Stephenson, Hope Mayes, Cece Lewis, David Renner, David Hardgrove and Joel Constance.

Schools which the FHS team beat out for the trophy were Amarillo High, Amarillo Caprock, Amarillo Palo Duro, Boys Ranch, Channing, Dimmitt, Dumas, Hartley, Hereford, Meadow, Panhandle, Phillips, Stratford and Sunray.

Those making the finals were Steve Stone and Sally Kendrick, duet acting; Cindy Barnett, prose reading; Pattison Talley and Kay Cochran, poetry reading; Gary Stone, poetry reading; Jamie Thompson, persuasive speaking; Carl Evans and Diane Rodgers, informative speaking.

Brent Hall and Mark Shackelford made the semi-finals in boys debate.

SWEEPSTAKES WINNERS... FHS' finalists in the XIT Forensics tournament last weekend proudly display the trophies they won, including the sweepstakes trophy, being held by team coach Joy Morton. In the back are Steve Stone, Trip Horton and Troy White. In front are Sally Kendrick and Miss Morton.

BEAT THE BIG ONE!

HEART ATTACK IS THE LEADING KILLER
CAUSING 674,000 DEATHS IN THE U.S. ANNUALLY

GIVE... so more HEART FUND
... will live

Sincerely Yours
By Rev. Albert Lindley

Out of the many very wonderful experiences that I had in England, one that stands out very prominently was my visit to Westminster Abbey.

I have mentioned before, some of my excitement at looking at the burial markers of some of the world's greatest in all areas of culture and achievement.

There were some who stood out in my own memory with historical significance (my history Prof probably never thought I retained it) especially in the areas of literature, government and religion.

It was on one of my trips through the Abbey that I noticed a marker that I had not seen before and the word inscribed is worth sharing with you.

You remember the missionary to Africa who spent his life in the midst of the deceased and dealt with the social ills of a continent that had remained almost as dark as its skin pigmentation, in a cultural and intellectual sort of way?

The man was David Livingstone and his healing word and patient concern went a long way toward the answer that in some respect, is still needed in that area of the world. And ours? But his was a beginning and it was a glorious beginning.

His last words are inscribed on his marker and read: "All I can add in my solitude, is, may heaven's blessings come down on every one, American, English or Turk who will help to heal this open sore of the world."

Isn't that worthy of notice? Take into consideration the need—the man—his action—the response of the world and the situation today... or look at any portion of the world with its needs and "open sores" festering to revolt, revolution and large amounts of distrust.

We still have need of the "rich blessings of heaven to come down on everyone" directing us into various avenues of concern.

You have probably shared with me this week in prayer and gratitude, the trip of the President to China. I think of this as being one of the "open sores" of our world. Undoubtedly all kinds of political assertions and denials will be directed toward the effort but world peace is worthy of any effort—regardless of the political party one might favor.

May "heaven's rich blessings come down on the effort."

Of course I could mention other "open sores" that are worthy of God's attention—they all are—but this is a special week for us because of the current events.

See, if I keep this line of thought on you will suspect that there is a note of preaching mixed in somewhere—and you would be right.

But just how do we mix into all of this? Well, I have the feeling that the many great gifts of God are somehow, man directed, and we then deal with them in ways we think are right—(7)—no, not really. Rather, we deal with them in ways that we want to, right or not.

That isn't really a very pretty picture, is it? But I do think it is realistic and since we are in Lent and are making our spiritual preparations for Easter, we do need to examine ourselves and see just how we stand in God's presence. (Understand of course, spiritual preparations for the acceptance of the truth revealed at Easter is a year-round growth but we do emphasize it a little heavy as the church year lends itself to such an environment.)

There is a current youth program I know about entitled, RAPITOUT... which is RAP IT OUT, meaning "let's talk it over." It deals with the understanding and concern about the Christian Faith and its place in life. It becomes very personal as they seek to deal with the situation in a very personal way.

And that's my word to you. It needs to be a personal relationship and we need to do some "rapping" with God and I somehow see all of this related—even to and especially for my desire that "heaven's blessings come down on you"... I hate to conclude on this note but I sometimes feel that we... you and me... may be some of the "open sores" God wants to heal.—You think so?

Pause and Reflect
By Nelson Lewis

"And whosoever shall compel thee to go a mile, go with him twain." St. Matthew, 5:41.

These New Testament words came to mind as President Nixon's plane rolled to a stop at Peking's Airport.

There comes a time in the life of a nation or a person when the highest and mightiest have the responsibility of making the first move toward establishing understanding.

Undeniably our President has, to some extent, humbled himself and his fellow citizens by making this trip.

But what's wrong with humility?

Does not the Christianity we have spent years attempting to impose upon Oriental thinking teach that "the meek shall inherit the earth?"

Mr. Nixon did not go hat in hand as a vanquished foe nor as one begging favors from the Chinese.

His toast to the heads of state, while not belligerent, was a forthright statement of past and present conditions, tempered with an honest plea for cooperation in achieving world peace.

We in our western civilization must understand something of the Oriental's philosophy if we are to comprehend our President's willingness to take this initial step toward lessening friction between nations.

Whereas we are taught from Holy Writ the beauty and value of compassionate action the Oriental is brought up to "save face," everything else is secondary.

Whatever the outcome of Mr. Nixon's trip, and it will be a long time before the final results are known, he must be given credit for taking the first step which in this writer's opinion is a far more important step than that taken by the first men on the moon.

Other symbolic occurrences associated with the plane's landing must be remembered.

It could have been a war plane treacherously laden with atomic bombs.

Thankfully it landed smoothly, more like a dove of peace than a war eagle.

The words and figures emblazoned alongside the cockpit meant nothing to the ranks of Chinese soldiers forming the honor guard, but to the better educated the legend, "Spirit of 1776," may have been a reminder that the United States is not now, nor has it ever been, a "paper tiger."

Only the most learned of those in the reception committee could have caught the significance of the President's arriving on the weekend of George Washington's birthday!

The most cheerful optimist or the most fervent patriot among us will not assume that a twenty year old cold war will be thawed by the smiles of two so vastly different diplomats.

There are too many bitter memories of Chinese aid to the North Viets.

Mao's Little Red Book is still being waved aloft by too many young people who have been born into Communist slavery.

These are just a few of the reasons for respecting our President's willingness to humble in the cause of "peace on earth, good will toward men" for which our Savior was crucified.

After all several other Presidents before Nixon had the same opportunity!

AN EDITORIAL

Sunday Designated As "Heart Sunday"

This Sunday (February 27) has been designated Heart Sunday and highlights the month-long Heart Fund Campaign to raise funds for research, education, and community service programs, and, at the same time, to educate the residents in this community in what they can do to reduce the toll of heart attack deaths.

This year the grim facts of heart attack will be felt in homes throughout the country as an estimated 670,000 lives are claimed by America's number one killer. Research has made tremendous strides in the control and prevention of many heart and blood vessel diseases. But, heart attack continues to cause thousands of needless deaths through failure by the public to know the warning signs of heart attack and to act promptly when symptoms occur.

Minutes count when heart attack strikes, warns the Parmer County Heart Association, and thousands of lives could be saved if individuals acted promptly in obtaining medical treatment. This is one way the Heart Association is asking the public to "Beat the Big One-Heart Attack." Another way all of us can help is to give generously to the Heart Fund.

Our contributions will support the Heart Association's efforts to control this nation's leading health enemy.

LETTERS TO EDITOR

Dear Editor,

Of course there isn't anything for the teens to do in Friona and building them a Youth Center is not necessarily the answer. The problem as always lies with the parents.

...pious, church-going parents.

DANCE is the big ugly word. All through the Bible there are passages mentioning how the people sang and danced for joy. The teen years should be a joyful time of life.

These youngsters have a lot of energy they have to get rid of one way or another. When they are all worn out from dancing they are a lot less apt to feel the need of hanky-panky in the back seats of their cars.

It is the old-fashioned attitudes of the parents in Friona that is keeping the youth on the streets and highways looking for worse thrills than dancing.

I grew up in a town where there was no Youth Center but the local civic clubs, women's clubs, Masonic Lodge, Country Club and the school made sure the kids had some sort of adult-

sponsored dance to go to every weekend.

So these nice pious sinless church folk don't come burning crosses on my front lawn will you please withhold my name from this letter.

Thank you,
Guess Who

Dear Mr. Ellis,

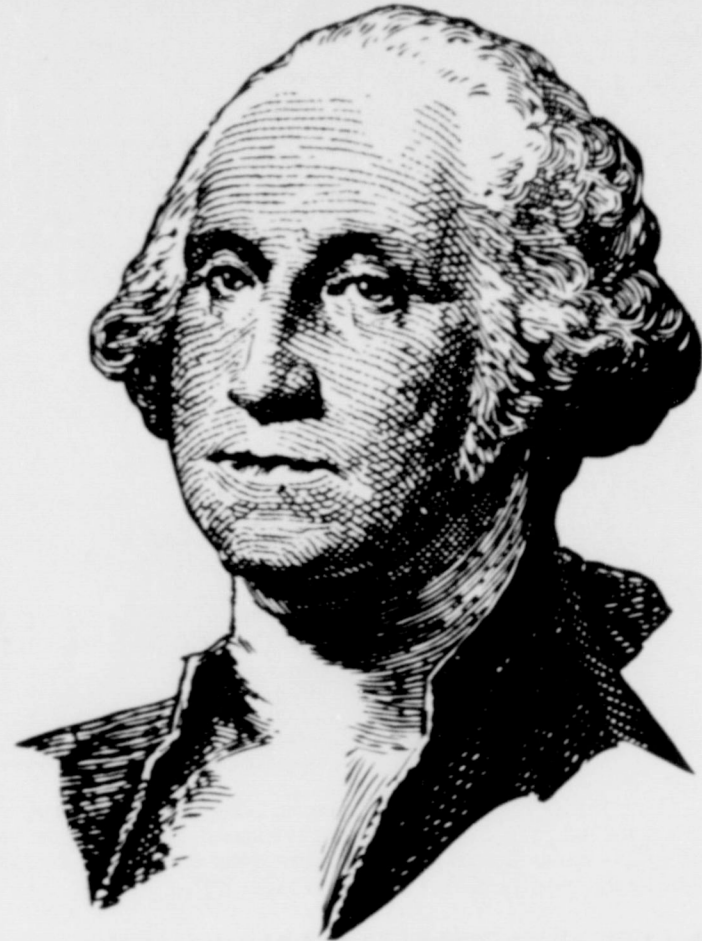

I am writing this letter in regard to the Friona Squaws and offer my congratulations. The people of Friona can surely be proud of the Squaws. Although I live in Dimmitt I have been a close follower of the Squaws the last three years. I had the opportunity to see them play Slaton in Plainview for a district and you are true champs. The Squaws have a fine coach and they represented district 3-AA very well. I still think that Friona was the best team. Congratulations on a very successful year to every member of the Squaws.

Sincerely,
Jim Walker
Dimmitt, Texas

When a crop is ready to harvest and ship, time is of the essence, and the breakdown of shipping facilities can be ruinous. If transport is not available, delivery can't be made on time, storage facilities often prove inadequate, crops spoil and ultimately customers are lost. For this reason, agriculture has been hard hit by the prolonged West Coast longshore strike.

Mr. William Kuhfuss, president of the American Farm Bureau Federation, commenting on this situation has said: "...it is time to establish legislative guidelines to protect the public interest. It is not right that thousands of farmers, who have no opportunity to be a part of the negotiations, should have to suffer from the actions of labor groups and go bankrupt because their markets are closed."

World Champions 'Drive Friendly'

Dallas Cowboy teammates Bob Hayes and Bob Lilly have come across with a pair of TDs for the Governor's Committee on Traffic Safety. Hayes, the fleet wide receiver around whom the entire Cowboy receiving corps is built, and Lilly, the six-time All-Pro who's been with Dallas for all of his pro career, scored with public service announcements for the "Drive Friendly" program. The recorded messages were recently released to all radio stations in Texas.

CHAMP STEER. . . Mark Haseloff of Farwell exhibited the grand champion steer, a 1057-pound Charolais-Angus cross named "Bourbon," at the county livestock show. It was the fourth time in five years for a Farwell entrant, and third for the Haseloff family.

C-C Elects Youngest President

At 29 years of age, Dale Cary is one of the youngest men ever elected president of the Friona Chamber of Commerce. However, Cary is just typical of the "youth movements" evident by the new Chamber board.

Another new member of the board, Carrol Gatlin, is 26, Floyd Reeve is 27, and M.C. Osborn is the "old man" of the new foursome at 34.

Cary, who is manager of Friona's Production Credit Association office, first came to Friona in June of 1967, as manager of Monsanto Ag Center.

He left to pursue other interests in September of 1968, but returned in April of 1969 to become assistant manager of the local PCA office. He became manager in September of 1970, when Robert Neelley left.

A graduate of Texas Tech University with a degree in accounting, Cary is married, and he and his wife Mary Ruth have a four-year-old daughter, Patty.

Both of the Carys are natives of Hollis, Oklahoma. They attend the Methodist Church.

Cary says he is looking forward to working on the Chamber board, but solicits the help of each of the members.

"In order for this year's board to function properly, we must know the needs of the membership. Each member has concerns, and the board wants to work on the things the members are interested in," Cary says.

DALE CARY, NEW CHAMBER OF COMMERCE PRESIDENT

"We feel an obligation to past boards in carrying out unfinished objectives. However, we need a good communication between members of the Chamber and their board of directors. It is my sincere hope that each member will feel free to discuss their ideas and opportunities we all face as citizens of Friona," Cary concluded.

What Does The Bible Say?

Are there criteria by which the church of the New Testament may be distinguished from religious orders in general?

There are many things which distinguish the New Testament church from religious orders in general. One such criterion is the place of its beginning. Isaiah (2:2-4) says that "the word of the Lord shall go forth from Jerusalem." Luke 24:47 says that "repentance and remission of sins should be preached in his (Jesus') name among all nations beginning at Jerusalem." Jesus commanded the apostles not to "depart from Jerusalem, but wait for the promise of the Father" (Acts 1:4). Following these instructions, the apostles were empowered by the Holy Spirit to preach the good news of the resurrection of Christ which proved him to be the son of God (Acts 1 and 2). Those who accepted that teaching and obeyed the commandments given them were added by the Lord to the church (Acts 2:47).

So the New Testament church began in Jerusalem and is distinguished from any religious order that began in Rome or Constantinople, Geneva, London, Boston, Los Angeles or any other place in the world. (To be continued).

Questions invited. Address "What Does the Bible Say?" Box 515, Friona, Texas.

"BILLY HAD AN ACCIDENT!"

Unless auto repairmen-attorneys-doctors-and injury victims all use restraint in their charges and claims in auto accident cases, the cost of auto insurance can only rise more steeply.

Political Calendar

The Friona Star is authorized to make the following political announcements, subject to the Democratic Primary May 6, 1972:

FOR SHERIFF Charles Lovelace (re-election)

FOR COUNTY ATTORNEY Harshel Harding (re-election)

FOR TAX ASSESSOR - COLLECTOR Hugh Moseley (re-election)

COUNTY COMMISSIONER - PRECINCT 1 Tom Lewellen (re-election)

FOR DISTRICT ATTORNEY Jack Young (re-election)

The following is subject to the Republican Primary May 6, 1972:

COUNTY COMMISSIONER - PRECINCT 1 Forrest Osborn

Business Loses, Too Cancer costs American business and industry valuable executives at the peak of their efficiency and trained workers at the height of their productivity. The American Cancer Society urges annual health checkups for everyone.

Governor Preston Smith recently signed a proclamation declaring February 19-26 FFA Week in Texas. State FFA President Alan Jones left, receives the proclamation as J.A. Marshall, State advisor, looks on. In making the proclamation Governor Smith said, "We salute the FFA for a job well done. We are confident that it will continue its service to agriculture in the future as thoroughly as it has in the past."

KEENEY'S TIPS ON SHOOTING

Know your firearm before beginning the hunt. Check for the NRA Sighting-in Day in your community.

Distributed as a public service by National Rifle Association

Roy Wilson Is Buried In Clovis

Funeral services for Roy Wilson, 58, a former city manager of Friona, were conducted from Friona United Methodist Church at 2:30 p.m. Wednesday. Wilson, a native of Clarendon, lived here a number of years before moving to Douglas, Arizona, about a year ago. He died Wednesday afternoon following an apparent heart attack. At the time of his death he was an employee of Phelps-Dodge Corporation in Douglas. Officiating ministers were Rev. Wallace Kirby, a former pastor of Friona United Methodist Church, who is now pastor of Snyder United Methodist Church, and Rev. Albert Lindley, pastor of the local Methodist Church.

Sister Of Frionan Is Buried Monday

Funeral services for Mrs. Hazel Foster, 67, of Maude, Texas, were conducted from the Noonday Community Church at 2:00 p.m. Monday. Mrs. Foster was the sister of Joe W. Beatty, 810 Washington Street, who was unable to attend the services. Burial was in the Noonday Cemetery.

PLAINS FINANCE CORP.

906 South 25 Mile Avenue 364-3400 Hereford, Texas

County Machinery Use Is Condemned

This county has more machinery than is needed to maintain county roads. This machinery is used on private property for an hourly charge that is so low it is necessary to subsidize the operation of these machines with tax money.

Much of this work is never collected for and of course much of it goes as political favors. If you are one of the few who might need or receive some of these favors, you probably would not be in favor of stopping this practice even though it is against the statute laws of the state of Texas.

If you happen to be among the many who never need the services of dirt moving machines, your tax money is subsidizing the operation of these machines for the favored few.

On numerous occasions I have been using my own custom machine in county bar ditches when I knew that county machines were working on private property at the same time.

If these machines were purchased strictly according to the laws and regulations of the state, several thousand dollars could be saved on each purchase. Usually the deal has been worked out before the advertisement for bids is run in the paper. Very often the particular machine the commissioner wants is already working in the county when the ad for bids is run in the newspaper.

These machines are financed with money borrowed from the permanent school fund.

(Paid political advertisement)

'WAY TO GO, LAZBUDDIE SHOWMEN!

12 STRAIGHT YEARS

David Gallman With His Grand Champion Chester White

Of Winning Grand Champion Honors In The Barrow Division Of The Parmer County Jr. Livestock Show!

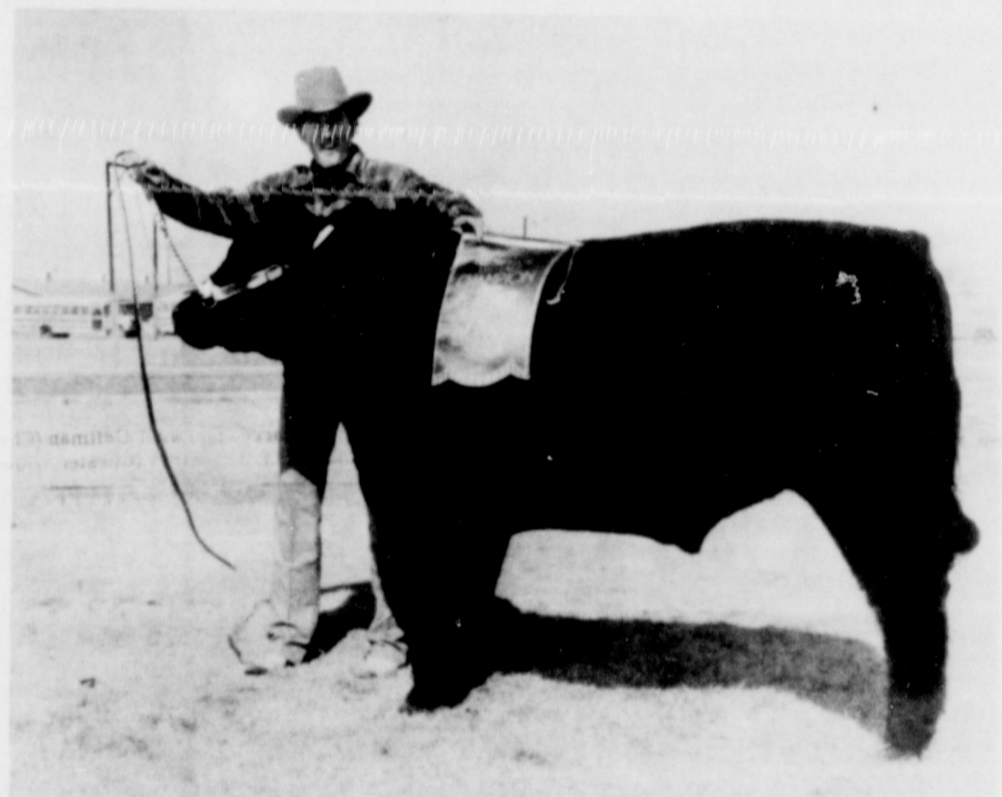

Also, A Tip Of The Hat To Lazbuddie Ag Instructor Scotty Windham, Whose Work Has Helped Accomplish These Honors!

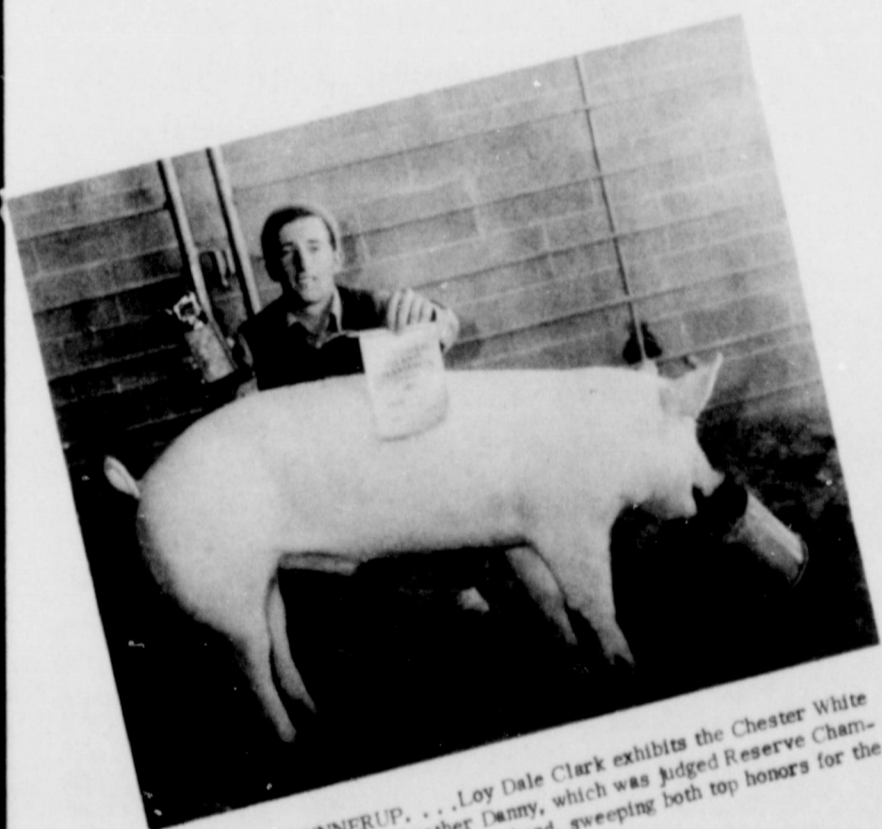

Scotty Windham

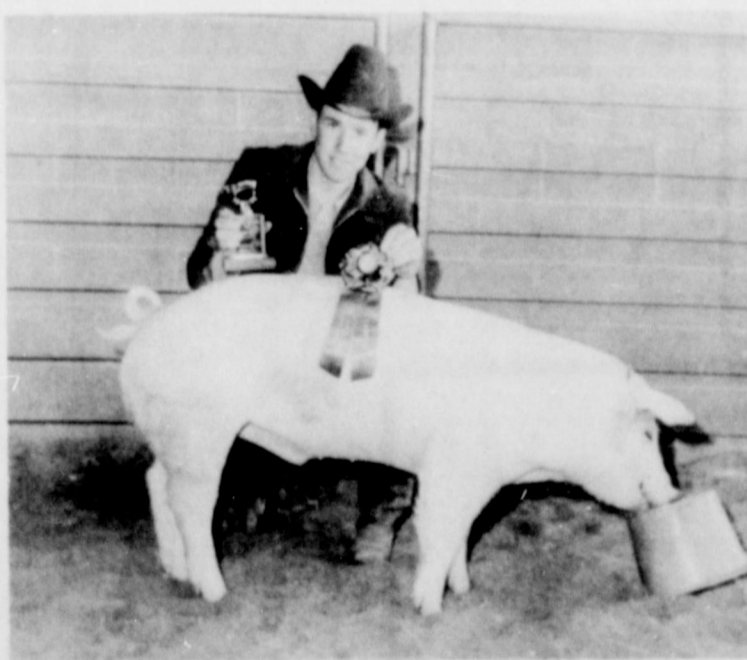

LAMB WINNERS. . . Lazbuddie showmen swept all five trophies in the lamb show at the Parmer County Junior Livestock Show. In the front, left, is Neal Moore, with his Southdown champion, and Russell Windham and the other breeds winner, belonging to Mike Windham. In the back are Jesse Mendoza, crossbred winner, Rick Seaton with Jesse's fine wool champion, and Tim Smith with the medium wool champ.

RESERVE CHAMP STEER. . . Loy Dale Clark had the reserve champion steer, a 1004-pound Angus which was the class winner in the medium heavyweight division.

BARROW RUNNERUP. . . Loy Dale Clark exhibits the Chester White barrow owned by his brother Danny, which was judged Reserve Champion at the stock show last weekend, sweeping both top honors for the Chester Whites.

GALLMAN WINS AGAIN. . . Dale Gallman of Lazbuddie had the champion crossbred barrow in the county show. Brother David had the grand champion, and the previous week Dale's crossbred barrow was grand champion at El Paso.

POLAND CHAMP. . . Jack Smith of Lazbuddie FFA poses proudly with his 194-pound Poland China, which was judged breed champion in the county show. Smith had both class winners in the Poland division.

THE LAZBUDDIE DOMINO CLUB

DUGGINS HONORED . . . High school counselor Baker Duggins, left, was presented an award by Army Major Grant R. Woodbury and SFC Euel L. Perry recently. Also honored was Charles Turner, counselor at Lazbuddie schools.

Parmer Counselors Are Honored By U. S. Army

Two high school counselors from Parmer County recently received awards for their outstanding support of the Army's recruiting program. Baker Duggins, counselor at Friona High School and Charles Turner who is counselor for Bovina, Farwell and Lazbuddie High Schools were presented the awards by Army Major Grant R. Woodbury, Commander of the US Army Recruiting Main Station, Amarillo, Texas.

SFC Euel L. Perry, local Army recruiter recommended the counselors for the awards. Sgt. Perry said the counselors make available at almost any time, their students to him, so

that he can explain the Army programs and benefits. "These counselors have always maintained a good relationship with Army recruiters," said Sgt. Perry.

Duggins and Turner, after receiving the awards, commented on the volunteer Army idea: Mr. Duggins saying that "the Army could function better with people wanting to be there . . .", rather than just fulfilling a military obligation and that a volunteer Army should provide more morale within the military ranks; and Mr. Turner adding that ". . . a volunteer Army would be more like a career."

EL PASO WINNER . . . Dale Gallman of Lazbuddie FFA, is shown with his crossbred barrow which was judged grand champion of the Southwestern International Livestock Show and Rodeo recently in El Paso. Shown in the picture are Loy Dale Clark, Gallman, Scotty Windham and Rick Seaton.

MBP Names New Attorney

Dave La Fleur, President of Missouri Beef Packers, Inc. has announced the appointment of Les Williams as Corporate Attorney.

Williams spent the past two and one half years in private practice with Culton, Morgan, Britain and White in Amarillo. He is a graduate of Texas

Tech and St. Mary's Universities and he and his wife, Linda, have one son.

Farming Frontiers 72 on television and open house

FARMERS -- we have interesting plans for you! We will co-sponsor John Deere Farming Frontiers on television this coming Sunday afternoon. Second, we will have open house at our John Deere dealership the following Tuesday.

Farming Frontiers is the most informative agricultural TV special you can see. It includes "Furrow-on-Film" educational subjects. It also shows new-for-72 John Deere Tractors and Implements, many of which we'll display during our open house. Don't miss it!

BE WATCHING:
SUNDAY, FEBRUARY 27 CHANNEL 4
4 To 5 p.m.

ATTEND OPEN HOUSE:
TUESDAY, FEBRUARY 29
STARTING 9 a.m.

Vanguard's rubber gasket
very seldom runs into a problem
it can't handle.

What you see here is just about the only thing that will do it in.

But this little demonstration also points out a very important fact.

Vanguard's rubber gasket is extremely flexible.

Where an irrigation system is concerned that offers lots of advantages.

Once the line is down, all the ground shifts and temperature changes you can imagine aren't going to bother our rubber gasket.

We tested the Vanguard rubber gasket joint under extreme conditions. Once it proved itself hydrostatically, we twisted it and turned it and even buried it in highly acidic soils.

Nothing happened. The gasket still held a watertight seal.

Very simply, it's been through everything it could ever encounter on your farm. And more.

At this point, we would naturally expect you to run right over to the nearest Gifford Hill sales office and buy up all the Vanguard irrigation pipe you could get your hands on.

But if you really don't need an irrigation system right now, keep Vanguard in mind for the next time you run into a problem that takes a special kind of pipe to handle.

Morton Routs Jackrabbits In Bidistrict

LEVELLAND — The Morton Indians routed Ralls 94-70 here Tuesday night in bidistrict AA action and advanced into next week's Labbok Regional.

Morton, 3-AA king, built up a 14-point halftime lead and coasted in.

Elton Patton, the A-J's Player of the Year in Class AA, led the Tribe with 27 points. Ted Thomas hit 20, with Jimmy Harvey scoring 16, Keith Embry 14 and Bryant Lewis 11.

Ralls, 4-AA winner, was led by James Langston's 35 points. Dave Schluter contributed 13 markers.

Morton gained a measure of revenge from the '71 bidistrict, when it dropped a 60-58 decision to Dimmitt.

The Indians, who will carry a 28-5 record into regional play, hit a hot 60.5 per cent for the game, connecting on 68 per cent of their attempts in the second half.

Ralls wound up with a 24-6 record.

The Indians jumped out to a 46-32 lead at intermission. Morton upped its margin to 69-50 entering the last eight minutes to magnify the romp.

Morton hit on 22 of 35 foul shots, but the losing Jackrabbits managed only 16 of 30 from the charity stripe.

Saturday morning, the Indians will try to take another step toward Austin in the regional. Morton will meet District 7-AA winner Merkel.

THIRD YEAR

Diane Day Paces Squaws In Scoring

Diane Day was the scoring champion for the Friona Squaws for the third consecutive year, it was revealed by season statistics released this week.

Miss Day scored 636 points for the season, and had an average of 23 points per game. She also led the team in field goal percentage, with 254 goals for 422 attempts, 61 per cent.

Jill Riehmayer had the best free throw percentage among starters, 72 per cent (113 of 185 attempts). However, Darla

Rhodes had 73 per cent (82 of 113), and Carol Reeve hit 83 per cent (30 of 36).

Vicki Ulen was the team's top rebounder once again, with 131 rebounds for the season. Miss Day was the top offensive rebounder with 98.

The Squaws, 26-5 for the season, were district champions for the second straight year, but lost out in bi-district to Slaton, 37-30. Slaton fell in the regional finals to powerful Spearman last weekend.

Gene Strickland Tops Freshmen In Scoring

Friona's freshmen boys ended their season with a 17-3 record. They scored 1167 points against 900 for their 20 opponents. Gene Strickland was high scorer with 292.

All five starters scored more than 100 points each. Clay Bandy scored the most points in a single game with 27. Dale Cleveland was close behind with 26 and Strickland had 24 in two different games. The most points scored in a single quarter by the team was 39 against

Nazareth and the least was six in the first quarter against Dimmitt, in the last quarter against Stanton, and in the third quarter against Morton.

The team averaged 58.35 points a game while their opponents averaged 45. The most points scored in a single game was 78 against Nazareth and the least points was 44 against Dimmitt. The most points scored against Friona was Morton's 68, the least points was Nazareth's 28.

"PERSON-TO-PERSON"
That's Us! - You and Your LOCAL Newspaper

FORREST OSBORN CAMPAIGN FUND

I recently heard of a farm family who had a lady from Europe visiting them. In their efforts to show her the country, they were driving on numerous country roads. The farm family was constantly making remarks and excuses about the chug-holes in the roads. After several hours of this, the lady from Europe finally remarked that it seemed strange to her that all of those "chugs" would get right up in the middle of the road to dig their holes!

This gave me an idea--if elected commissioner, I will put some of the county road hands to work exterminating chugs.

Following is a breakdown of those contributing to my campaign fund:

Democrats	\$360.00
Republicans	75.00
Undecided	15.00
(Paid political advertisement)	

Registration Continues

Secretary of State Bob Bullock said today that despite some newspaper articles and radio bulletins to the contrary, voter registration did not end on January 31.

Secretary Bullock said, "I am aware of some newspaper articles and several radio announcements which stated that January 31 was the last day for voter registration. Apparently there is some confusion about the new voter registration law passed by the last legislature.

Under the new law, voters can register any time during the year. However, persons must register at least 30 days prior to an election, to be able to vote in that election."

Bullock stated that his office was mailing a reminder of the new voter registration law to all County Tax Assessor-Collectors who are responsible for issuing voter registration certificates.

Over 3,000 voters registered by January 31 in Parmer County. Those who have not registered may do so at the County Tax Assessor-Collector's office in Farwell, or by mailing in a voter application.

Application blanks are available at the City Hall, Friona Star, and Ethridge-Spring Insurance offices.

Davy Carthel Is High Scorer For 8th Grade

The Friona eighth grade boys finished their basketball season with a 4-11 record. Friona scored 462 points while their opponents scored 606. Friona averaged 30.8 points a game and their opponents 40.4.

Davy Carthel was leading scorer even though he played in only 12 of the team's 15 games. He made 144 points giving him a 12 point average. Friona's highest score was 45 points against Abernathy. We gave up the most points to Dimmitt when they scored 62.

Guest Presents Decal-It Program

The Thursday meeting of Home Arts Club began at 10:00 a.m. Thursday in the meeting room of City Hall. Mrs. Ron-

JOEL OSBORN

Osborn Makes Honor Roll

Joel Osborn, who is a 1969 graduate of Friona High School and the son of Mr. and Mrs. Ernest Osborn, was one of 186 students at North Texas State University, Denton, who made the honor roll with a 4.0 grade point average.

The fall semester of 1971 included 23 more names than the one released one year ago. In addition to the 186 who made the 4.0 list, there were another 864, who made the 3.5 list.

Osborn is a senior biology major.

Senior Citizen Group Sets Monthly Meeting

The Senior Citizens group has scheduled its monthly meeting for Friday, February 25, at the Congregational Church Fellowship Hall.

"We have had some people ask us if this is a church function. We want to make it clear that it is not affiliated with any church," said a spokesman for the group this week. It was pointed out that the Congregational Church was chosen because its fellowship hall and meeting room is at ground level, which is a help to some senior citizens.

"The meeting is also for people of the entire area—not

just residents of Friona," the spokesman continued.

The meeting will begin at 10:30 a.m. A covered dish luncheon will be served, followed by games. Those attending are requested to bring a dish that they enjoy and is agreeable to their diet.

The late great woman athlete Babe Didrikson Zaharias entered 634 track and field contests and lost only 12. She excelled in running, swimming, javelin-throwing, diving, broad and high jumping, hurdling, baseball, boxing, billiards, basketball, and golf!

Hostesses were Mrs. E.G. Adams and Mrs. A.H. Boatman. A covered dish luncheon was served at noon.

During a brief business session plans were made for purchasing books for the local library.

Eleven members, including Mrs. Scott Barry, who is a new member, were present.

Others attending were Mrs. Tina Bainum, Mrs. H.R. Cavanaugh, Mrs. A.S. Grubbs, Mrs. Dan Laceywell, Mrs. A.L. Outland, Mrs. Cordie Potts, Mrs. Ralph Wilson and Lola Goodwine.

Frionan Initiated Into Society

Connie Whaley, daughter of Mr. and Mrs. Watson Whaley of Route 2, has been initiated into Kappa Delta Pi, national honorary education society at West Texas State University.

Miss Whaley, who is a 1969 graduate of Friona High School, is a senior biology education major.

Membership is open to juniors and seniors in the upper fifth of their class in overall scholastic record and in their education courses.

Juniors must have completed or be in the process of completing six hours of education and seniors must have completed or be in the process of completing 12 hours of education.

Those of us who have observed the gardens which have been grown on small plots by Calvin Dozier and his wife, Linda, will be looking forward to hearing about their "green thumb" efforts on a larger scale. The Doziers and their two children have moved to a farm northwest of town.

While visiting with Linda by phone early this week I learned that they have a couple of hundred or so baby chickens. Think she also mentioned some goats.

They live 18 or 19 miles from town and have neighbors not too far away. Possibly the nearest neighbors are Melody and Owen Drake, who are also farmers commuting to town daily to work. Calvin will be driving in each day and Linda and the children will be in often enough to attend church, Brownie meetings and Story Hour at the local library.

While we are on the subject of gardens, we might just mention Tommy and Norma Hamilton. They live at the corner of Maple and Highway 60 and had a fine garden last year. I noticed a few days ago that they have their plot all worked up, so we will probably be seeing green things growing out there real soon.

Have spring fabrics ever been more beautiful? If you are a "do-it-yourselfer" in the home sewing department, you need go no farther than Friona for your materials or instructions.

The sewing classes, which are being sponsored by S & R Fabrics, are being well attended. A person can purchase just about any kind of material or trimming you can imagine locally.

Right now hand knit and crochet accessories are very fashionable. Patterns and yarn are also available locally.

The Texas Tourist Development Agency is sponsoring the first annual Texas State Arts and Craft Fair from May 31 to June 4. I'm sure this will be a fine event and would like to attend.

However, I'm wondering if this fair will be any more interesting than our own Arts and Crafts Show, which is held during Maize Days.

I'm also wondering if some of our readers would like to participate in the state show. A wide variety of talents will be represented—ranging from leatherwork, sculpture and pottery to dulcimer making, weaving and blacksmithing.

Art work will vary from oils and acrylics to pen and ink, pastels and watercolors. Texas landscapes and western art will predominate.

This fair will be held on the campus of Schreiner Institute, Kerrville and will be a five day show. Surely some of our residents will be in that area during that time and if you are one of them, make a note to attend the show.

Or, if you are an artist or craftsman who would like to participate, address your inquiries and applications to The Fair, TTDA, Box 12008, Capitol Station, Austin, 78711.

A feature of the Texas State Arts and Crafts Fair will be demonstrations of lye soap making, candle making, blacksmithing, sheep shearing and vegetable dyeing. There will also be other interesting ancient crafts that will entertain young and old alike.

Read this somewhere and enjoyed it. "Colors are a clue to your personality. Orange and Yellow-friendly and warm, also a little trace of wild.

Red shows aggressiveness, warmth and self-confidence, with a healthy helping of stubbornness. Blue indicates spirituality and reserve, basic shyness. Do not get too close.

Pink, apricot, lavender (pale tones) are cheerful, quiet, restful—the peacemakers. Green is warm, outdoor loving, generous, passionate."

When we look at the world in a broad, generous, friendly way, it is nearly always surprising how many wonderful people we find in it.

Those of us who have observed the gardens which have been grown on small plots by Calvin Dozier and his wife, Linda, will be looking forward to hearing about their "green thumb" efforts on a larger scale. The Doziers and their two children have moved to a farm northwest of town.

While visiting with Linda by phone early this week I learned that they have a couple of hundred or so baby chickens. Think she also mentioned some goats.

They live 18 or 19 miles from town and have neighbors not too far away. Possibly the nearest neighbors are Melody and Owen Drake, who are also farmers commuting to town daily to work. Red shows aggressiveness, warmth and self-confidence, with a healthy helping of stubbornness. Blue indicates spirituality and reserve, basic shyness. Do not get too close.

Pink, apricot, lavender (pale tones) are cheerful, quiet, restful—the peacemakers. Green is warm, outdoor loving, generous, passionate."

When we look at the world in a broad, generous, friendly way, it is nearly always surprising how many wonderful people we find in it.

Eastern Star Hosts Dinner

The Friona Order of Eastern Star will host a night of entertainment for all Masons and their families, and all Eastern Star members (Friona Lodge 1332) and their families next Monday, February 28, beginning at 7 p.m.

The meeting will be held at the Masonic Lodge.

Week of February 28-March 3
Monday—soup and chili, crackers, sandwiches, peanut butter cookies and milk.

Tuesday—barbecue on bun, French fries, relish, fruit jello and milk.

Wednesday—macaroni and cheese, green beans, hot rolls—butter, pickled beets, apple cobbler and milk.

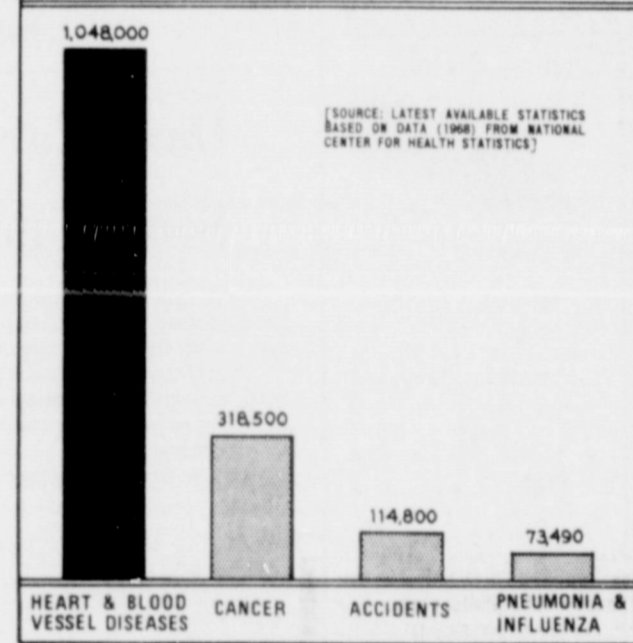

Thursday—fried chicken, mashed potatoes, hot rolls—butter, buttered carrots, chocolate cake and milk.

Friday—frito pie, pinto beans, cornbread—butter, mixed greens, applesauce and milk.

STOCK SHOW BEAUTIES...FFA Sweethearts and plowgirls from Farmer County's four high schools assisted stock show officials by passing out trophies and ribbons at the annual show last weekend. Shown are (kneeling) Sandra Ensor, Farwell, Karen Cargile, Lazbuddie and Dena Short, Friona. Standing are LaShawn Sheets, Farwell, Lee Ann Farley, Lazbuddie and Diane Day, Friona. Rovina's sweetheart and plowgirl were not present for the picture.

LEADING CAUSES OF DEATH IN U.S.

HEART AND BLOOD VESSEL DISEASES tower over the next leading causes of death in the United States to make them the number one killer of men, women and children. They account for 54 percent of the annual deaths in this country, and afflict 27-million living Americans. The Heart Fund Campaign is being conducted Feb. 1 through 29 to fight this foremost health menace.

HOSPITAL REPORT

Admissions:
Golds Martin, Farwell; Lavonia V. Hand, Friona; Ruby Dixon, Farwell; Roy Lee Barron, Friona; Baleviona Rodriguez, Friona; Lorraine Welch, Friona; Josh Steven Ensor, Farwell; Marquita Cash, Texico; Doris Joplin, Friona; Luke Govan, Texico; Lou Ada Moize, Friona; Lela Douglas, Farwell; Daniel Padilla III, Friona; Terress Lueras, Friona; Ralph Roden, Friona; Cynthia Chumley, Farwell; Allie Collins, Canyon; Eva Jones, Friona; Mary Stone, Bovina; and Opal Spring, Friona.

Rosa Bautista, Haudie Curry, na Garza, Roy Lee Barron, Eune Martin, Kaye Rogers and baby girl, Leumoris Hiney, Guadalupe Rodriguez, Josh Steven Ensor, Custodios Madrigal, Wilma Whitener and baby boy, Opal Cobb, Betty Evans, Buddy Foster, Golda Martin, George McKinney, Lula Hyde, Lorraine Welch, Ballivno Rodriguez, Lavonia Hand, Daniel Padilla III, Marquita Cash and baby boy, Luke Govan, Doris Joplin, Alicia Flores and baby girl, E.B. Moyer and Allie Collins.

Patients In The Hospital:
Cynthia Chumley and baby boy, Lela Douglas, Ruby Dixon, Eva Jones, Terress Lueras, J. E. Melton, Lou Ada Moize, Ralph Roden, Elizabeth Riddle, Opal Spring and Frances Stone.

FINER CHINA

What was the tableware of the Roaring 20s like? According to a spokesman for Montgomery Ward, now celebrating its 100th anniversary, imported china was colorful. Crystal stemware was blown and accessories were heavy cut glass.

Contemporary settings are more colorful and flawlessly handcrafted in Japan and Spain where fine china is an age-old art. They have a look of aristocratic beauty, and lustrous and translucent to reflect the gleam of candlelight,

silver and crystal, and are chip-resistant, durable and functional.

In the old days, grandma had to rely on the comforter to keep her shoulders warm on chilly days... and in the cold bedrooms of those days every bed had its handmade comforter (many were works of art) to fend off the cold night air.

Today, Reddy Kilowatt is the all-year long comforter. Day and night, Reddy keeps the entire family warm in the winter, cool in the summer and a choice during those spring and fall days with up and down temperatures.

Complete climate control is possible with Reddy Kilowatt even including the right amount of humidity in the air. Call us today for complete information about completely conditioning your home for all-year 'round comfort.

Sure beats grandma's way!

Karen Tompkins Honored With Miscellaneous Shower

A miscellaneous bridal shower in the Community Room of Friona State Bank from 2 to 5 p.m. Saturday was a courtesy for Karen Tompkins, Corpus Christi, who is the bride-elect of Clyde Wylie.

Special guests were Mrs. Alta Wylie, Friona and Mrs. Ruby Copeland, Anton, both grandmothers of the prospective bridegroom, and Mrs. Elton Wylie, also of Friona, who is his mother.

A yellow and white color theme was carried out in decorations and refreshments. The serving table was covered with a white linen cutwork cloth and centered with an arrange-

ment of yellow and white carnations.

Punch and cake were served by Mrs. James Perkins and Mrs. Sue Shirley.

Hostesses were Mrs. J.B. Shirley Jr., Mrs. H.W. Johnson, Mrs. Olen Turner, Mrs. Calvin Dozier and Mrs. Bertram Jack.

The registration table was presided over by Delores Wylie, sister of the prospective bridegroom.

Katy Sue Cogburn, Canyon, and Mrs. Elton Wylie assisted the honoree with the opening of gifts.

Mrs. Ralph Lewis, Anton, aunt of the prospective bridegroom, was also present.

DEBRA BETH WYLIE... The engagement and approaching marriage of Debra Beth Wylie to John Libby Baxter have been announced by her father, James A. (Bob) Wylie, Route 3, Friona. Parents of the prospective bridegroom are Mr. and Mrs. Oscar Baxter, also of Friona. The couple, who are graduates of Friona High School, are former students of West Texas State University, Canyon. Last semester he was a senior and she was a freshman. Plans are being made for an April 14 wedding.

Plans Announced For Annual Essay Contest

The New Horizons Junior Study Club has announced plans for the annual essay writing contest, on the subject of Americanism, in conjunction with the city's observance of July 4 this year.

First prize in the contest will be a \$25 U.S. Savings Bond. Second and third place winners will each receive an engraved plaque.

Prizes will be awarded during the formal program in Chieftain Field the evening of July 4. The first place winner will be asked to read his winning essay during the program.

Essays must be written by March 3, 1972, and should be mailed to Mrs. Dale Houlette, 804 West 6th Street, Friona, or they may be left in Principal Tom Jarboe's office in the Junior High School building. The essays must reach Mrs. Houlette by March 6.

The sponsoring club has arranged to have U.S. Congressman Bob Price judge the entries.

Other rules are as follows: All students in Farmer County who are in the grades of 5 through 8 this year are eligible to enter the contest.

The essays must be no longer than 350 words. Title of the essay must be "Why America Is Great." It may also have a sub-title if the writer desires.

The essay must have a cover sheet which contains the following information: writer's name, address, telephone number, age, grade in school, title of essay and sub-title, if necessary.

All pages of the essay must be stapled together and the writer's name must appear at the top of each page.

VISITS IN FRIONA... Jullie Stephenson of Whiteface, Texas, is pictured here with Mrs. Jimmy Maynard, a member of New Horizons Junior Study Club, in the home of Mr. and Mrs. Dale Houlette, where Miss Stephenson was a weekend guest. She is a resident of Girlstown and was interested in the feature on the front page of the woman's section of the Amarillo News, which she and Mrs. Maynard discussed. The study club adopted Miss Stephenson last September and this was her first visit to Friona.

Take Time For Romancing Is Theme Of Club Meeting

"There is something about a wedding gown prettier than any other gown in the world," by Douglas Jerrold is the quotation used to introduce the theme of

Former Resident Is Hospitalized

Kenneth Gabehart, an employee of Southwestern Public Service Company and former Friona resident, received internal injuries in a two vehicle accident in Channing Friday.

He is in the Intensive Care Unit of St. Anthony's Hospital, where his condition was listed as critical.

Gabehart moved from Friona to Yatesville, Arkansas, about 18 months ago and had been living in Dalhart since November.

Schilling Pledges Social Fraternity

Wayne Schilling, son of Mr. and Mrs. Edward C. Schilling of Route 3, has pledged Phi Delta Theta, a national social fraternity, at West Texas State University.

Class Meets On Thursday

The regular meeting of the Rebekah Sunday School class of First State Bank was held Thursday afternoon in the home of Mrs. C.W. Dixon, 509 West Tenth.

During the social hour, which followed the Bible study, refreshments were served to Mesdames Ina Coker, Reeta Agee, Annie Scott, D.P. Mann, Charlie Raub, Bill Cogdill, E. E. Taylor, Ada Molize, Bert Chitwood and Maggie Tims.

Beam Club Has Meeting

The Laws of Life Beam Club met Saturday evening in the Community Room of Friona State Bank. Mrs. Dale Houlette, vice-president, called the meeting to order.

Following the business meeting Mrs. Houlette moderated a study of the analysis and interpretation of dreams.

The next meeting is planned for March 5. The subject of study will be criticism and sympathy.

the Tuesday evening meeting of Modern Study Club at Federated Club House.

During the brief business session plans were made for making a contribution to the SS Hope project.

The club collect was directed by Mrs. Nelson Lewis. Mrs. Charles Allen then presented a piano solo "Theme From Love Story." The program, "Take Time For Romancing," was presented by Mrs. Elvin Wilson, who depicted Parm Mayer, mother of the bride. Mrs. Deon Awrey and Mrs. Glenn E. Reeve Sr.

Mrs. Deon Awrey as Barbara Lee Diamondstein presented "Here Come The Brides." "White House Weddings," was presented by Mrs. Reeve, who showed several dolls dressed as White House brides.

Refreshments of wedding cake, coffee and tea were served by the hostesses, Mrs. Decima Beene and Mrs. J.G. McFarland. Two guests, Lois Norwood and Mrs. Alton Farr and 20 members were present.

ESA Honors Two Members

Highlight of the Tuesday evening meeting of Epsilon Sigma Alpha in the home of Mrs. Ernie Porter was the announcement of the selection of two members for honors in the club.

Mrs. James Andrews was named outstanding ESA member and Mrs. Ron Hawkins was named outstanding first year member.

Plans for a Teenagers March were discussed and there was discussion of an Outstanding Youth award.

Refreshments were served by the hostess.

Shower Honors Mrs. Harrison

A lullaby shower in the home of Mrs. Tommy Hamilton, 1104 Maple Street, from 7 to 9 p.m. Monday was a courtesy for Mrs. Quinton Harrison.

Refreshments of cookies, mints, nuts, tea and coffee were served by the hostesses, Mesdames Hamilton, Vance Luckie, Bruce Shaffer and J.R. Clark and Darla Kelley and Bobbi Odum.

Special guests were Mrs. Doug Parker, mother of the honoree, and Mrs. Ethel Mingus, who is her grandmother.

The hostesses presented Mrs. Harrison a corsage of yellow carnations and baby socks.

I'm very upset about the dollar, I don't think it fell. I think it was pushed.

Mysteries have always been a favorite with the readers and the library has several new ones to add to the collection. The new Agatha Christie book, "Nemesis," is on our shelves along with "The Day of the Jackal" by Forsyth and "Message from Malaga" by Helen Mae Innes. We also have a number of Ellery Queen mysteries in hard back as well as paper back.

The paper back collection has found a new home in the library. The shelves now used for the paper backs will enable you to select a book with greater ease. Paperbacks are great for carrying around in your purse when you just have a few minutes here and there to read—like waiting to pick up children at school or waiting for an appointment. Some of the many we have are: "The Carpetbaggers," "Ship of Fools," "Mutiny on the Bounty," "Groucho and Me," "Washington D.C.," by Gore Vidal.

Junior readers have you seen the book on Indian sign language called "Talking Hands"? "Who Discovered America" and "The Fur Person" are two other books you might enjoy.

ROARING '70s—The dress is back, and Designer Anne Fogarty does it in wrinkle-free cotton knit. The sweetheart neckline is softly shirred above a high waist and a ruffled flounce adds hemline flare.

Plans Made For Group Meetings

The Rays of Dawn study group will meet Thursday evening from 7:30 to 9:30 p.m. in Room 6 of Friona High School.

Then the following Tuesday the group will meet from 1:30 to 3:30 p.m. in the choir room of Friona High School.

Selfishness and generosity will be the subject of study for both of these meetings.

The public is cordially invited to attend either of these studies by Mrs. Jerry Winkle and other members of the study group.

Girl Scouts Report

Girl Scout Troop 266 met Monday afternoon at Girl Scout House with 25 members and four leaders, Mrs. Tom Mason, Mrs. Marvin Jordan, Mrs. Kenneth McLellan and Mrs. Jesus Bermea.

Flag planners were Jamie Fulks, Joanna Merritt and Kimber Britting.

Refreshments of cold drinks and cup cakes made by Mrs. Jordan were served.

A get well card for Mrs. Karen Britting was signed by those present.

A group picture with Annette Reznick, who is working on a state Future Homemakers of America degree, was made.

Then the group practiced on the program for the Father-Daughter banquet, which will be held March 13.

Jullie Stephenson Is Dinner Honoree

Jullie Stephenson, who is the adopted daughter of New Horizons Junior Study Club members and a resident of Girlstown, U.S.A. at Whiteface, was guest of honor at a Mexican dinner at El Monterrey in Clovis Thursday evening.

Miss Stephenson was also a weekend guest in the home of Mr. and Mrs. Dale Houlette. She has been at Girlstown since July of last year and was adopted by the local study club in

THE COM-PEAT CIRCLE

Men's fashions in Montgomery Ward catalog pages of the 20s appear strikingly similar to a page from 1972. Fashion has gone full circle and once again features wide lapels, pin-striping, double-breasted tailoring and a wide pleat in the back. The price for an all wool cassimere suit in those days was as low as \$16.50!

Business & Professional Review
 

Ray Murphree Tony Rios and Pete Diaz
MURPHREE TEXACO
Service, Hard Work Are Murphree's "Secrets"

In an industry where the annual ownership turnover averages 30 to 40 per cent nationally, Ray Murphree of Murphree Texaco doesn't have any secret formulas on how to succeed in the service station business.

"Service and hard work is the secret, if there is one," says Murphree, who, in his eighth year in Friona has by far the most seniority among station owners on Highway 60, and in the city is outranked in tenure only by Friona Consumers.

Murphree came to Friona in August of 1964 from Comanche, Texas, where he was construction maintenance foreman for Comanche County Electric Cooperative. He had been with the electric cooperative for 17 years.

Murphree's brother, Curtis, long-time area farmer, was instrumental in Murphree's decision to move to Friona.

"We had quite an obstacle to overcome, as the station had been closed for awhile," Murphree recalls. However, under Murphree's management, the station has shown good, steady growth.

Murphree says the station's specialty is his complete wash and lubrication service. Murphree Texaco also does minor tune-up, brake and muffler work.

The station sells Gates and Douglas tires, which Murphree describes as "allity" tires. Douglas now has a radial tire, which Murphree says is one of the best tire deals available, for the money invested.

"I think radial tires are the coming thing in tires," he says, explaining that radials provide better traction, more mileage, less wear and a "softer" ride. "They grip the road better when you are rounding a curve," he added.

Murphree's also carries Texaco's quality line of products, A-C oil filters, and approximately 15 brands of oil. The station gives the popular S&H Green Stamps.

"I never try to change a customer's mind on the brand of oil he uses. If he has had success with a particular brand, then who am I to try to convince him to change," Murphree says.

Murphree is proud to be a Texaco retailer. "It is the only brand available in all 50 states," he points out, and added that Texaco was one of the major sponsors of the recent Winter Olympics from Japan. Texaco is also one of the major sponsors of big name sporting events, as well as major newscasts, which have recommended for several decades that "You can trust your car to the man who wears the star. . . ."

Murphree's sons, Ray Lynn and Gary, were a big help to him while they were high school students, and also on weekends while in college. Both are now married.

Ray Lynn, who a football and basketball standout at FHS, is now assistant basketball coach and math instructor at Borger High School. He is a graduate of Wayland Baptist College.

Gary, also a basketball star while in high school, is a computer science major at West Texas State University.

The Murphree's daughter, Ginger, was a defensive star for the 1970-71 Squaws, who were district champions. Ginger is a freshman student at Texas Tech.

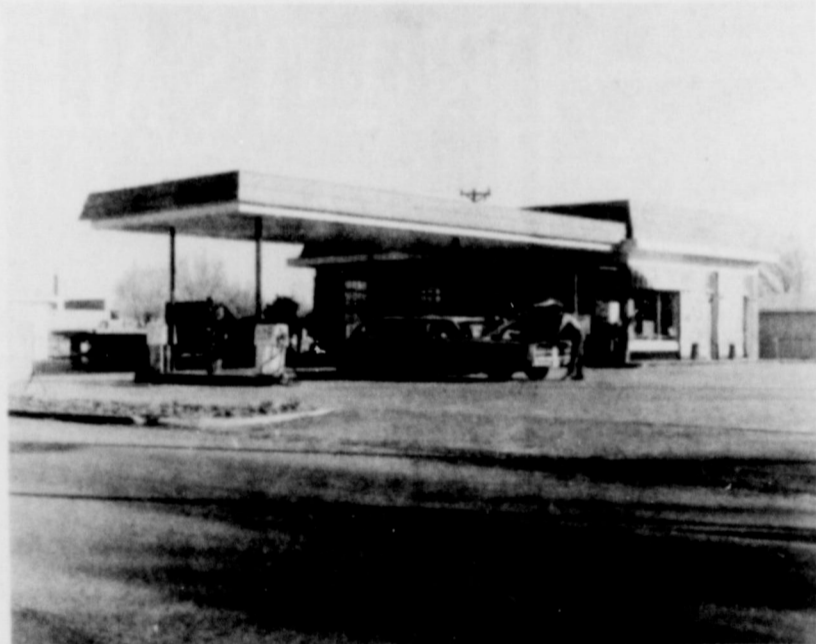

Murphree's wife Jean assists him in the business as bookkeeper. She also has served as secretary at the First Baptist Church, where the Murphrees are members, for the past six years.

The station owner says he feels he is fortunate in having found and been able to keep, the type of employees that he has at the station. The two attendants are Pedro (Pete) Diaz, who has been employed by Murphree for five years, and Tony Rios, who has been at the station for two years.

"We now have 15 years total experience between us, right here at the same station," Murphree says proudly.

Murphree believes in promoting, and always takes part in communitywide activities. He is currently serving his second year on the board of directors for the Friona Chamber of Commerce, acting as the board's secretary during 1971. He was active in the Friona Association of Retail Merchants when that organization was functioning.

The station owner also is a member of Friona's Volunteer Fire Department.

Duggins To Head Local Heart Drive

Baker Duggins will head the 1972 Heart Fund Campaign in Friona, it was announced today by Hugh Moseley, president of the Farmer County Heart Association.

The campaign will be conducted here, and throughout the country, during February which has been declared American Heart Month by an Act of Congress.

Duggins will be assisted by Raymond Cook, as vice-chairman in the local drive against heart and blood vessel diseases which are the country's leading cause of death. Other committee chairmen who will serve during the month-long campaign which reaches a climax on Heart Sunday, February 27, are: Friona High School students.

According to Duggins, Heart Sunday volunteers will visit all residential areas during the three-day period starting February 27 to distribute heart-saving information, and to collect funds to support research, educational, and community service activities of the local Heart Association.

HAY BURNS. . . Friona's Volunteer Fire Department answered a call at the Eric Rushing farm west of town last Thursday, where a haystack had caught fire. The firemen were able to save a part of the hay. The smoldering black bales are seen at left.

Congratulations. You just saved \$5 by doing your own income tax. And all it cost you was three long, sleepless nights.

And a slight case of heartburn.

If you had gone to H & R Block, on the other hand, you could have relaxed while someone else figured out your return. Quickly and confidentially. Probably unlike any way you've ever done it before.

And, when you figure your own, you may be entitled to deductions you're not taking and taking deductions you're not entitled to. For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have over 6,000 conveniently located offices manned by thousands of specially trained personnel. They're warm and friendly people who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about

your income tax that you might never have known existed.

Furthermore, if your return is audited, we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

This means that H & R Block is ready to offer you year 'round tax service for just one low fee a year, with no extra charge for audits and estimates.

H & R Block's charges start at \$5 and the average cost was under \$12.50 for the 7 million families we served last year.

Which is somewhat less than what you paid.

Not to mention the fact that aggravation isn't tax deductible.

And we are.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.

The income tax people.

DUST BITES THE DUST

When the dust settles, where does it go? If you aren't properly protected, much of it might be in your lungs. Breathing dust is unhealthy, dangerous, and always uncomfortable. So American Optical Corporation developed the DUST DEMON™, a low cost disposable respirator for use in areas where dust from plaster, sanding, asbestos or concrete can cause breathing problems. The DUST DEMON™ has already found wide use in industrial applications. The unit carries Bureau of Mines approval, and meets requirements of the Occupational Safety and Health Act for use as protection against dusts and mists. The unit should be popular on construction sites, as no cleaning or maintenance is required since it's thrown away after use.

"We will continue t our markets in the mulation areas to meet ers' demands for wh quality beef," Rolf c

Chamber Had Big Year . . . (Continued From Page 3)

The July 4 celebration proved to be a huge success. We had a very outstanding speaker, Bill Sarantis, a boy who was raised at Boy's Ranch. The theme was totally patriotic, which did all of us a lot of good to know that there are still people and small towns that really care what is going on in today's world. Jake Outland reported that it should be recorded that this celebration was a huge success and the Friona Fire Department should be commended for their efforts.

AUGUST

Planning for the Maize Days celebration is well underway. Mrs. Fern Sanders and Mrs. Jan Fleming have agreed to serve as Co-Chairmen of the queen contest. Porter Roberts will be the parade chairman. The theme for the Maize Days celebration will be the same as last year, and quite fitting for this community, "Maize, from Field to Filler."

Manager Billy Jones is looking into the possibility of a meat-processing plant which would cut, wrap, package and price meat for a retail chain of stores. There is a possibility that this plant could be built adjacent to Missouri Feed Packers, Inc. There is also room for a 7,500 foot runway which would allow direct loading from the processing plant to the airplane. This would employ approximately 500-1000 people.

SEPTEMBER

Maize Days is almost here. The Chamber of Commerce luncheon will be held Friday at the Junior High Cafeteria. The luncheon for the queen contestants was held at the Community Room of Friona State Bank. Royce Houtford of KNCN will MC the queen contest and the judges are Wayne Thomas, a lawyer from Herford, Keith Ingram of KNCN Radio, and Mrs. Kay Williams of Lockney.

OCTOBER

Office hours for the Chamber are being changed, opening at nine o'clock instead of eight. President Shirley and Mr. and Mrs. Russell Bryant attended a "get together" at the Villa Morel in Amarillo Saturday night. This was a buffet dinner, very informal with no speaker, just a matter of talking to other Chamber of Commerce presidents, members and general fellowship with all.

NOVEMBER

The City, Friona State Bank and the Chamber of Commerce ordered 2000 new city mugs which will be given free instead of having to buy them from City Hall as in the past. Cost will be shared by the above-mentioned firms.

Lighting contest were made, first prize being \$60.00 second prize, \$40.00 and third prize, \$25.00.

President Shirley reported that Lyle Cary has volunteered to play Santa Claus two Saturdays in December. This has not been done in the past and many parents have to take their small children out of town to see Santa Claus.

The annual Chamber of Commerce banquet is in the discussion stage, with various committees being appointed.

Four directors will be going off the board this year: Carl Schlenker, Jon M. Roden, Marc Hooser and Ralph Shirley.

DECEMBER

The Christmas lighting judging was done December 20, with Billy Jones winning first prize, Dale Houtler, second and Charles Wise, third. The judges were from Muleshoe. Santa Claus was very successful in passing out candy and talking to the little tots two Saturday afternoons.

President Shirley reported that the date set for the Chamber banquet is February 29, 1972, with Mr. L.H. Gilhe, Phillips Petroleum Department being the speaker.

Don't YOU Be A Chamber "Drop Out"! Pay Your Dues And Be A Part Of What's Happening In 1972

It all began the day I dropped out of the Chamber of Commerce

Former Presidents Utility Connections Indicate City Growth

Continued growth of Friona is seen in a tabulation of the number of new utility connections recorded for the city during 1971.

Southeastern Public Service Company reports 138 electric meters as of the first of the year, an increase of 52 over their total of 136 a year ago, states H.L. Outland, local manager.

Natural Gas Company currently has 1245 meters, and Ralph Shirley, manager, says this is up 60 from the same time a year ago.

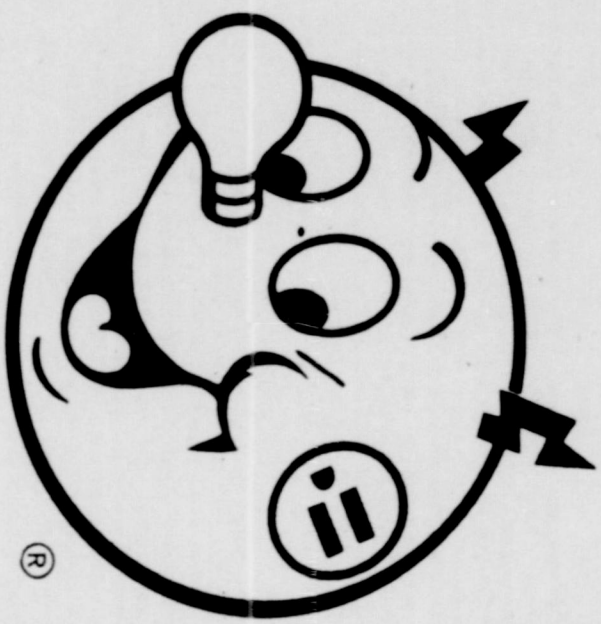

City Manager A.L. (Jabo) Edmon reports a total of 1241 active water meters at the beginning of the year, an increase of 36 from the same date a year earlier.

Perhaps the largest gain has come in the number of telephones in use. Jerry Kehoe, manager of the Littlefield district office, said that the company installed 140 additional telephones in Friona during 1971, including 56 new "main stations" (new numbers).

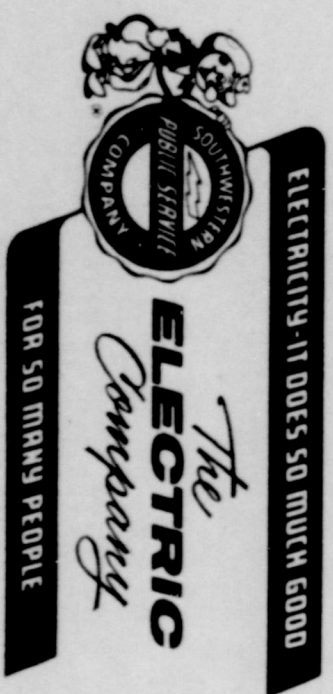

"Friona continues to be the leader in growth among all cities in our district," Kehoe stated. "The number of telephones installed in Friona topped the totals for both Littlefield and Muleshoe, both larger than Friona in population, although Littlefield has seven more new main stations than Friona.

Utility connections have long been considered a good indicator of a city's growth. Apparently, Friona continues to experience good, steady growth.

Four C-C Board Directors Retire

Four members of the 1971 Friona Chamber of Commerce board of directors had their terms expire at the end of the chamber year, although one of the directors, Ralph Shirley, will remain on the board for a year in an ex-officio capacity. Other board members who are completing two-year terms on the board include Carl Schlenker, farmer-businessman, Dr. Jon M. Roden, dentist, and groceryman Marc Houser. Also retiring from the board this year is former president Steve Messenger, who served an extra year in the advisory capacity. Messenger has also been active in the West Texas Chamber of Commerce, serving on the WTCC's state affairs and education committees. Holdover directors include Wendell Gresham, who is vice president of the board, Ray Murphy, Glenn E. Reese, Jr., Ron Laveyport and I. K. (Fudge) Kendrick.

Steve Messenger

GAS

a partner in progress...

.. with . . . INDUSTRY

Natural gas has played an important part in the development of industry on the Plains of Texas. Companies seeking industrial sites have been attracted to this area by the large quantities of natural gas available, at such a low price, for use as fuel.

.. with . . . AGRICULTURE

Natural gas powers over half of the irrigation wells on the Texas Plains . . . and is steadily gaining a larger percentage. And, because of irrigation, this area that was once known as "The Great American Desert" now leads the state in the production of several important agricultural products.

.. with . . . HOME BUILDERS . . . and .. with . . . HOME OWNERS

Natural gas is being put to work in ever-increasing amounts in and outside of the homes of this area. All GAS Blue Flame and Blue Star Homes are justly famous for their comfort, convenience and economy. Gas cooks, cools, heats and dries far below the cost of other fuels.

Gas moves industry and living up a notch.

1971 IN REVIEW

Chamber Had Big Year

The Friona Chamber of Commerce welcomed their five new directors: Ron Davenport, Wendell Gresham, H.K. Kendrick, Ray Murphree and Glen Evan Reeve, Jr. The new president is: Ralph Shirley, Vice President, Wendell Gresham and Secretary Ray Murphree.

The Chamber of Commerce float was entered in the Governor's Inaugural Parade at Austin, January 19, 1971, assembled by the Junior Class under the leadership of Mrs. Gene Washerty and Mrs. Leonard Coffey. Maize Queen, Ann Hurst rode on the float.

Sgt. Luckie, of the Driver's License Division held a Driver's License Training Program for the Spanish speaking people (sponsored by the Chamber). The Industrial Commission met with the Marlon Manufacturing Co. in Mulvane, to see if it would be profitable to bring the business to Friona.

The fifteenth annual Chamber of Commerce Banquet was held February 4, with Dr. Reagan Brown, Extension Sociologist from Texas A & M being the speaker. The banquet was termed a huge success with almost a sell-out crowd in attendance.

State laws will not allow J.C. Claiborn to continue his ambulance service as in the past, leaving no alternative but to have the City purchase ambulance. It was announced, O & A Express of Lubbock will be coming in to Friona, providing a faster service from Dallas and outlying towns. Glen Reeve, Jr. will deliver local express.

A special called meeting with C.A. Frank Agency of Hutchinson, Kansas to bring a magician show to Friona, April 23 was agreeable with the board.

Bill Hayden, of Taylor, Texas, representing Relox Apparel Mfg. Co. arrived in Friona March 19 and met with the Industrial Board. Items on the agenda were: plant location, number of employees available to start a pilot plant and work force available from the Friona and Bovina trade territory. A date for Maize Days was set for September 13-18, 1971. Overall chairman is Billy Jones, Chamber manager.

President Shirley and Manager, Billy Jones attended the West Texas Chamber of Commerce Conference held in Abilene. This

was an orientation for presidents and managers. Bill Ellis was appointed chairman of the July 4th celebration, with Billy Jones assistant chairman. This will be held Monday, July 5th.

Jones, President Shirley, Bill Ellis and Jake Outland have been to Farnwell and met with the Judge and Commissioners on the ambulance service for Friona and Parmer County. The county is to give \$420.00. Bovina is to give \$100.00 and the City of Friona will give \$200.00 monthly so that Claiborn can continue operation of ambulance service.

Billy Jones, Charles Allen, H.K. Kendrick and Andy Hurst met in Dallas with directors of Maize Creations. The men tour-ed the plant and it was a very informative meeting.

The Friona Chamber of Commerce donated \$100.00 to the Opportunity Plan. The trip to the American Apparel Manufacturing Association in Dallas, May 18-21 was discussed and the board voted, due to a recent trip, not to attend this meeting. Maize Days stickers were ordered and are available at the Chamber office. An up-to-date insert for the Friona city brochures has been printed.

Manager Billy Jones reported that five calves have been purchased by the Chamber for the Maize Days barbecue and are being fed at the local feed yards.

Several members of the Amarillo Chamber of Commerce met with some of the directors of the Friona Chamber here and discussed future businesses and various projects that might be of profit to Friona.

Manager Billy Jones has talked to various merchants about what the Chamber of Commerce and the merchants could do for the city of Friona. The general consensus was something for the children to do in their spare time: everyone was in favor of the radio station operating again; there is still a demand for furnished apartments in Friona; the sewing factory is at a standstill; the future of this does not look too favorable, because the various industries that want to come into Friona are wanting too much backing from the town.

Crow's Meat Company will put in a rendering plant.
