### PRESIDENT NAMED

## Change Set For Oct. 1

In one of our recent "Friona Flashbacks" columns, we got in a little squib about a couple of well-known local couples being married during the same week.

The couples in question were Roy and Martha Clements, and Ray and Rosella Landrum. Only trouble was, we got the news item from the 1936 file of the Star, but inadvertently put it under the 1931 heading.

Thus, we had these two local couples being married for 40 years, when in reality it has only been 35 years.

A few days after the item appeared, we heard from Landrum. He said "On behalf of Roy Clements and myself, we want to protest the number of years you say we've been married. We may look like we've been married for 40 years, but it's really only been 35."

We told Landrum at the time that since the old news is published in the "Flashbacks" column on a basis of one or two items taken from five-year intervals, that it would be at least five years before we could correct the mistake.

Well, we did somewhat better than that, although come to think of it, it has been two or three weeks, now.

We're sorry, folks. (Wonder why we didn't hear from the ladies? Guess they were afraid we'd make it come out even worse in a correction attempt.)

With the advent of the football season, we're reminded of the cartoon of the husband, turning to his wife prior to turning on the television set for the first game. "Any last words, before the football season starts?" he asked.

We've been thinking about the subject of football games on TV, however, and this thought occurred to us. In this day of video tape and filmed programs, your televised sports events are getting to be the only kind of "live" television you can see these days.

This might be a type of esthetic argument for watching football on TV, and you husbands are welcome to use it on your wives, if you think it'll cut any ice.

Here's a fictitious conversation that we read (surely couldn't be attributed to Friona):

Coach: "Remember, boys, it's not whether you win or lose, but how you play the game." From the squad, a voice says "But coach, do you think the exes all believe that?"

Now, this conversation MIGHT have happened locally:

Son: "Gee, Dad, that's a swell beard you've grown."

Dad: "Thanks, son. However, now that vacation's over, it'll have to come off."

Son: "Yeah, I'm glad my summer job is over. Now I can grow MY beard back."

A farmer was paying his first visit to a mental institution and came upon an inmate on the front lawn who was down on all fours watching the grass grow. As he stopped to watch this unfortunate fellow, the man raised up and said pleasantly, "My job is to watch the grass grow, what's yours?"

"Well, my job's not too different from yours," said the farmer tolerantly. "Except before I can watch things grow, I have to plow and plant the fields."

"Did you ever try being crazy?" asked the inmate. "Why, of course not," replied the farmer.

"It sure beats the heck out of farming," said the patient.

Principal to small boy: "It's very generous of you, Tom, but I don't believe your resignation would help our crowded school situation."

When Whitney Griswold was president of Yale, he told about a student who was asked by the dean whether he was in the top half of his class.

"Oh, no, sir," was the reply. "I'm one of those who make the top half possible."

Frank A. Spring, longtime president of Friona State Bank, officially announced his retirement this week. At the same time, the bank's board of directors announced that Robert L. Neelley would become the bank's seventh president.

Spring's retirement date, and Neelley's appointment, will be effective October 1 of this year.

Spring, 63, has been associated with Friona State Bank since 1931. He has served as president since 1959, but has been active in the bank's management since 1944.

Neelley, who served as manager of Friona's Production Credit Association office for over five years, has been in Houston the past year with the Federal Intermediate Credit Bank.

"My wife (Ethel Ruth) and I plan to do some traveling," said Spring, who has been planning in this direction for some time. "We both enjoy traveling, and we have several places in mind to visit, while we still have our health," he added.

"Our kids are sort of scattered, and we'll have more time to visit them now," Spring said. "I really appreciate our many customers throughout the years - they've been real loyal to keep their money deposited here at Friona. Also, I appreciate the fine employees I've had working with me at the bank. They have helped to make the work a lot more enjoyable," he said.

"I hope Robert has as pleasant a time in the position as I've had," was Spring's wish for his successor.

The board of directors indicated no further changes in the official structure of the bank organization.

Charles E. Allen remains as executive vice president. Gary Brown is vice president and Agriculturist. Dale Smith is assistant vice president, and Jerry Hinkle is cashier.

A.L. Black is chairman of the bank's board of directors.

Neelley lived in Friona as a lad, while his father, Bert was publisher of the Friona Star. He attended public schools here from 1949 through 1955.

Neelley graduated from high school at Perryton in 1960, and received his BA degree in Agronomy at Texas Tech in 1964.

The new bank president worked as loan representative for Plainview Production Credit Assn. in Plainview in 1964 and 1965, prior to managing the association's Friona branch.

Since leaving Friona last year, Neelley has served as a credit analyst for the Federal Intermediate Credit Bank in Houston.

Neelley is married, and he and his wife Connie have two children. Ben Robert is four, and Leigh Ann is one. They are Methodists, and Robert is a member of the Lions Club.

While in Friona, Neelley served as an alderman on the Friona City Council, and served a term on the board of directors for the Friona Chamber of Commerce.

Spring has seen the bank grow from deposits of around \$200,000 when he first went to work, to over \$12 million at the present time. The staff has also grown, from three in 1931 to 23 today.

Neelley will be in Friona next week, with the majority of the events as usual scheduled for Thursday, Friday and Saturday.

The carnival rides of Golden Spread Amusement Company will begin setting up on Saturday afternoon at the Friona City Park, and will begin operation on Monday.

Booths, operated by the various civic clubs, will also be open beginning Monday.

The Friona Volunteer Fire Department decorated the city with banners last weekend, to give the city a festive look.

Thursday of next week will be the first big day. The Maize Queen contest is scheduled for that day, with all candidates presenting their talent acts starting at 3:30 p.m. at the high school auditorium. The finals are slated for 8 p.m.

Admission to both the talent and finals will be \$1.00 for adults and 50 cents for children.

## Chiefs, Steers Set For Grid Opener

Yes, football fans, it's season-opener time, although you might not have been able to tell by the weather this week.

Friona and Farwell High Schools hook up in their traditional opener Friday at Chief-

tain Field. Game time is 8 p.m.

Coach Bob Owen, in his fourth year as head coach, will field a team short on experience but scrappy. And, according to Owen, if he had

to choose between the two ingredients he'd probably pick "scrappy" every time.

This year's Friona eleven is shaping up much like the 1970 edition, which finished 6-4, after being picked for a much worse fate in pre-season polls.

Once again the "experts" have rated the Chieftains toward the bottom of the barrel in District 3-A, and the team will be out to prove this rating wrong.

Farwell boasts Greg Hargrove, who will be one of the top passers the team will meet during the season.

The Steers are hoping to rebound from a 4-6 season record in 1970, which included a 27-16 loss to Friona. Farwell has 14 lettermen.

Hargrove doesn't lack for passing targets, with the likes of Larry Erwin, Johnny Franse, Stanley Austin and Kirk McFarland.

Coach Toby Booth starts his eighth year as head man of the Steers. Last year was a disappointment for him, as his charges finished fourth (4-3) in the eight-team District 3-A.

Booth thought his problem would be to develop a running threat to go with the aerial game, but according to Coach Owen, the attack seems to be balanced.

"They seem to be more balanced as far as running and passing than they have been for the past three or four years," Owen says. The Steers have had two scrimmage tests, against Lazbuddie and the Herford junior varsity. Their offense prevailed in both matches.

Friona's problem, meanwhile, has been the development of a line to go with a fairly experienced backfield. However, the line has pretty well fallen into place, judging by its showing in two scrimmage tilts, in which only one touchdown has been allowed, and that one on a long-gain play.

Larry Fallwell and Richard Shirley anchor the Chieftain line at the end position. Kevin Wiseman and James Perea are the tackles. Mike Martin and Oberlin DeLeon are the guards. Willie Bailey is the center.

The offensive backfield is (Continued On Page 8)

### PLANS CONCLUDING

## Maize Days Events Are Slated For Next Week

The 1971 Maize Days celebration is ready to kick off in Friona next week, with the majority of the events as usual scheduled for Thursday, Friday and Saturday.

The carnival rides of Golden Spread Amusement Company will begin setting up on Saturday afternoon at the Friona City Park, and will begin operation on Monday.

Booths, operated by the various civic clubs, will also be open beginning Monday.

The Friona Volunteer Fire Department decorated the city with banners last weekend, to give the city a festive look.

Thursday of next week will be the first big day. The Maize Queen contest is scheduled for that day, with all candidates presenting their talent acts starting at 3:30 p.m. at the high school auditorium. The finals are slated for 8 p.m.

Admission to both the talent and finals will be \$1.00 for adults and 50 cents for children.

### FRIDAY

Events scheduled on Friday include the pancake breakfast, beginning at 6 a.m. at the Baptist Teen Center, 517 Main.

The parade begins at 10 a.m. Friday. An antique show and sale is slated following the parade at 6th and Euclid, sponsored by Progressive Study Club.

A fine arts display will be held at the Law Enforcement Center.

The Chamber of Com-

merce's luncheon will be held at 12 noon at the Friona Junior High School Cafeteria.

The pet show will be held at 3 p.m. in the City Park, across from the Library.

Antique cars will be in the parade, and will also be on display later across from the Law Enforcement Center.

### SATURDAY

The 4-H Fair will begin at 9 a.m. Saturday in the Old Foster Building on South Main.

The antique show and fine

arts display will continue.

At noon Saturday, the annual free barbecue will be held, beginning at 12 noon at the City Park.

At 3:45 p.m. the beard judging will be held at the bandstand, City Park.

At 4 p.m. the drawing for various gifts will be held at the park. Clubs sponsoring drawings include the Fire Department, Noon Lions Club, Friona Riding Club and Progressive Study Club.

## Chief Decries Theft Of Banners

Fire Chief Ralph Shirley, who also is president of the Friona Chamber of Commerce, said this week that five of the Maize Days banners have been taken down by vandals, and sounded a warning against any further thefts of the banners.

"Anyone caught taking these

banners will be prosecuted to the full limit of the law," Shirley said. The banners, which were purchased new by the Fire Department last year, cost the department over \$3,000.

Shirley pointed out that money derived from the rental of the banners is used to buy

additional fire-fighting equipment. "To protect the people who are probably taking the banners," Shirley said.

The fire chief stated that banners had been taken from the following businesses: Johnson's Grocery, Kendrick Oil, Friona Wheat Growers, Jones Motor Company and Cummings Farm Store.

Last year, vandals took six of the banners, which were purchased new in 1970. As it now stands, 11 of the practically new banners have been stolen and "for no apparent use."

"If the persons taking the banners want to get into the banner business, I'll help them if they'll call me," Shirley said. He indicated that wind damage and general deterioration takes its toll of the banners, without provision for loss through theft.

The firemen started the (Continued On Page 10)

### ANNUAL CONTEST

## Guessing To Begin This Week

Predicting time is here once again for the football specialists in the Friona area.

The Friona Star's ever-popular contest begins this week. The first week's contest is printed on Page 8 of this issue of the Star.

Contestants compete for weekly as well as grand prizes in the contest. Weekly prizes of \$5.00 for first; \$3.00

for second and \$2.00 for third are awarded.

Grand prize in the 12-week contest will be two tickets to the 1972 Cotton Bowl football game, and \$30.00 in cash. Runnerup grand prize will be two tickets to the Sun Bowl game, and \$25.00 in cash.

Fourteen games will appear each week on the contest form. The top area high school, college and professional games will be chosen, with added emphasis given to those games which affect local fans.

The Friona game will be used each week as the tie-breaker game, although this game will not count in the point totals. The tie-breaker is used to separate ties among the top weekly and grand prize winners.

Entries must be turned in each week to either the Friona Star or Bi-Wize Drug, by 5 p.m. Friday.

One contest game is listed

Heathington Sets Grand Opening

Heathington Lumber Company has slated a Grand Opening sale next week, to coincide with Maize Days.

Heathington's Friona branch has been open since February, but has been adding to its stock each month.

Ronnie Shafer, manager, invites the public to visit his store, and has some valuable door prizes during the week. (See details in advertisement, Page 7).

In each of the advertisements of contest sponsors. Contestants must write the name of the team they pick to win in the contest blank numbered corresponding to the ads.

Everyone is eligible to enter (sponsors included), except for employees of the Friona Star and their families.

Grand prize winner in 1970 was Frank Truitt. Runnerup was Jack Clark.

Sponsoring the contest with the Star this year are Edridge-Spring Agency, Reeve Chevrolet-Olds, Production Credit Assn., West Friona

Grain and Bi-Wize Drug. Also, Friona Farmers Co-Op Gin, Friona Motors, D & D Farm Services, Friona Parts and Service, Chester Gin, Farmer County Implement Co., Hi-Pro Feeds, Hub Grain-Fleming & Son Gin, and Hi-Plains Feed Yard.

1971 CHIEFS. . . The Friona Chieftains for 1971 will kick off their season Friday by hosting Farwell. In the back, left to right, are Bobby Drake, Carroll Cook, Larry Fallwell, James Sims, Tommy Long, Danny Waggoner, Mark Walters and James Bartlett. In the middle row are Coach Ray DeBord, Mario Perea, Kevin

Wiseman, Bill Bailey, Mike Royal, Johnny Bandy, Willie Bailey and John Rule. In front are head coach Bob Owen, Jamie DeLeon, James Perea, Gerald Wylie, Mike Martin and Richard Shirley.

# Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--SEPTEMBER 11, 1931

The 1931-32 term of school opened in Friona Monday morning, under the direction of a most competent corps of teachers, numbering 19 in all. Supt. George A. Heath reports an enrollment for the first day of 517.

O.E. Massie, one of Friona's progressive and thrifty farmers, living some eight miles southeast of town, had eight sows who during their last farrow brought forth 120 fine pigs, an average of 15 to the sow.

35 YEARS AGO--SEPTEMBER 11, 1936

Born to Mr. and Mrs. S. Abdullah, at their home in Friona Sunday morning, twin daughters, weighing five and one-half and six and one-half pounds. Twin daughters were also reported born to Mr. and Mrs. Frank Naples of the Lakeview Community on the same day. Word was also received at the Star office to the effect that twin daughters were born to Mr. and Mrs. Buck Chiles.

30 YEARS AGO--SEPTEMBER 12, 1941

The Friona Cardinals dived a double-header with the Amarillo Pinkney Packers, played on the local diamond Sunday, winning the first game by a score of 6-2, and losing the second, 1-0. Wright Williams pitched a two-hit game in the nightcap, only to lose, with the only run scoring on an error.

Miss Staley of Springfield, Mo., and a joint owner of what is known as the "Staley Sisters" farm, adjoining the city on the West, visited the city last week.

25 YEARS AGO--SEPTEMBER 6, 1946

The marble games that had been in progress among the smaller boys on the vacant lots south of Plains Hardware, have been forsaken by the boys on account of the opening of school. Whether this breaking up of the games was optional on the part of the boys, or rather obligatory on the part of the parents, is a question.

20 YEARS AGO--SEPTEMBER 6, 1951

School began in Friona this week. Some added confusion was evident, due to the lack of space brought about by the loss of the high school building last spring by fire. Classes are meeting in makeshift locations, until such times as the annex is completed. The annex will house high school students this year, and in future years will be used as a cafeteria. A total of 525 students enrolled on the first day of school.

15 YEARS AGO--SEPTEMBER 6, 1956

Enrollment in Friona's bulging public school system crept close to the 900 mark Wednesday morning, as a total of 893 students filed into the buildings for the second day of classes.

The Baxter Addition was annexed to the city by the Friona city commissioners Tuesday night. Developed by Oscar Baxter, the addition includes a two-block area in the western part of town.

10 YEARS AGO--SEPTEMBER 7, 1961

Joe W. Jones, Farmer County Agricultural Agent for the past 11-1/2 years, last week submitted his resignation to the Farmer County Commissioners Court. Jones plans to join the Security State Bank in Farwell.

A sudden blaze raced across five alleys in the Friona Lanes Sunday morning at 3:05 a.m., causing an estimated \$8,500 in damage, most due to smoke.

5 YEARS AGO--SEPTEMBER 8, 1966

Thirty contestants had been entered in the 1966 Friona Maize Queen Contest, just one short of the all-time record.

A talent contest sponsored by the Friona Junior Chamber of Commerce will kick off the 1966 Maize Days celebration--Friona's 60th Anniversary--next Tuesday at 8 p.m.

## From Around The Country

WINSTED, CONN., CITIZEN: "There is a sense of fitness about the news that the nation's first giant all-purpose automobile chomper has begun operating in Holland, Michigan. It is from Michigan assembly lines that a stream of new cars issues to pour out over America's streets and highways. Now it is in Michigan that many will be chewed up into (we are told) corn-flake-sized shreds destined for recycling in the furnaces. . . If what is said about that machine is accurate. . . others of the kind will be put to work in various parts of the country efficiently reducing cars to usable scrap metal. The story of the 'iron monster' in Holland, Michigan, marks an important milestone in our progression toward the goal of recycling all salvageable materials."

SIERRA MADRE, CALIF., NEWS: "It is pleasant to be able to report a case of original thinking in Bureaucracy-by-the-Potomac. The Equal Employment Opportunity Commission has just revised its guidelines on employee testing, urging that all such tests measure skills that are relevant to the job in question. Ingenious!"

## Pause and Reflect

By Nelson Lewis

Historians, present and future, will have a field day with "President Nixon's Freeze."

In all truth it is not a typical "freeze"--our president has asked us to "wait a minute"--to stop and catch our breath--to pause and reflect--to look before we leap any further into inflation.

Sure, it bears a price tag!

What doesn't?

You may not get that raise in pay you were expecting--but you will pay less for what you must buy.

If by means of a holding action for a few months we can maintain the economic well being of our Nation, is it not worth a little privation?

Such is the price tag of freedom and independence.

Some of us remember the total price controls of World War Two; a steak, a pair of shoes, a can of beans, or a gallon of gasoline were "rationed!"

We may not like it but we are involved in defeating inflation.

The West Germans didn't like it either but a few years ago they were being defeated by spiraling costs and a freeze put them back on their feet.

Anyone who kicks about conditions in our country should try living in one of the Communist "havens"--Russia, Cuba or China.

What the average American thinks of as hard times would be a bonanza to the "liberated masses in the people's republics."

Our best bet is to try to co-operate with any plan that will cool the economy and return a little common sense to the areas of big labor and big business; because we middle class wage earners are the ones who will suffer the most from an inflation-spawned depression.

Last Thursday evening my Squaw and I were privileged (courtesy of the Friona Star) to visit with other Southwest Indians at the premiere of "They Came from Spain."

Now as our president says, "let me make this abundantly clear"-----

"Spain" does not--NOT--replace "Texas."

This new show will play in the fall after the regular run of "Texas."

Most people I have talked to think that "Spain" replaces "Texas."

Tain't so, in my opinion "Texas" will enjoy the longest run of any of Paul Green's brain children--with the possible exception of "Lost Colony"--the Virginia Dare story, and his first--if I remember my sojourn on the campus of Chapel Hill.

In all fairness to serious historians, I must admit that the authorship of the play has taken great liberties and made full use of poetic license: however she has provided an evening of unusual entertainment.

It is well worth seeing.

The first twenty minutes may put the scientists and the theologians at odds.

The scientist may say, "See, I told you so!"

The theologian may refer him to the Book of Job, 38:4--

"Where wast thou when I laid the foundations of the Earth? Declare if thou hast understanding."

**Bond Totals Are Given For County**

Ken Jordan, son of Mr. and Mrs. Marvin Jordan of Route 1, Friona, was in satisfactory condition at Parmer County Community Hospital this week, following a motorcycle accident Sunday afternoon at Reeve Lake. The Friona High School freshman sustained a broken ankle and several bruises when the forks on the front wheel of his cycle broke, causing the front wheel to come off, flipping the machine.

Frank A. Spring, Chairman of the Parmer County Savings Bonds Committee, reported today that sales of Series E and H United States Savings Bonds in Parmer County totaled \$3,878 during July. Sales for the first seven months were \$43,444 for 43 per cent of the 1971 sales goal of \$100,000.

July sales in Texas amounted to \$16,810,210 compared to \$15,454,922 during the same period of 1970--an increase of 8.7 per cent.

#### CONTROLLING HAY FEVER

Allergy specialists advise that there is something you can do about hay fever. In fact, they advise a number of measures that can be taken to avoid hay fever and its distressing symptoms. Some of them follow:

Wear glasses. Large motorcycle types are considered best. Keep doors and windows closed, especially on windy, dry days when pollen flows freely.

Turn air conditioner on a few hours before spending time in a room. Be sure the unit has a good filter.

Keep front windows of automobiles closed to prevent pollen-saturated air from blowing in.

Stay indoors on days on which there are high pollen counts.

Avoid garden work and garden sprays. Do not allow fresh cut flowers in your home.

Stay away from insect mothproofing, deodorizing and other household sprays as well as strong soaps, ammonia, waxing solutions and other substances with irritating odors.

Fresh fruits and spices make some victims feel worse. Discover which foods affect you, and eliminate them from your diet.

Consult a physician about medications to alleviate symptoms. The more common of these, itching, watery eyes, sneezing, and stuffed-up runny nose, can usually be relieved with an antihistamine-decongestant nasal spray such as NTZ.

Or, the physician may recommend a pill with a similar combination, or other therapies.

One out of 15 persons in the U.S. suffers from hay fever. Ragweed "hay fever" lasts from mid-August through September in many states, and "until the first frost" in others.

President Nixon's new economic program for dealing with inflation employment, and the world position of the dollar was all sectors of the economy guessing as to the eventual implications. Two major questions are (1) what will happen after the 90-day period and, of particular interest to agriculture, (2) how will the agricultural domestic and export markets be affected?

These questions were posed by Dr. Carl E. Shafer, associate professor of agricultural economics, and a committee of Agricultural Extension Service and Experiment Station economists in the Department of Agricultural Economics at Texas A&M University. The committee, headed by Shafer, was recently appointed to determine what effects the new economic program is having on Texas agriculture.

Shafer's committee reminded Texas producers that "all farm level unprocessed products are exempt from the price-freeze provision while retail food (except for unprocessed items like eggs and lettuce) and fiber product prices are subject to the freeze. Of course, prices of items farmers buy are controlled. This should restrain the cost part of the price-cost squeeze dilemma farmers have had to face."

The committee of agricultural economists indicated that "farm level prices could vary selectively depending on the strategy of food marketers as dictated by current cost and margins. However, with retail and wholesale food prices frozen, there is little reason to expect farm level prices to increase to any extent."

By the President's Executive Order No. 11615, prices were stabilized for a 90-day period at levels not greater than the highest of those pertaining to a substantial volume of actual transactions during the 30-day period ended August 14, 1971. Section 202 "A" of the Economic Stabilization Act of 1970 authorizes the President to issue orders stabilizing prices at levels not less than those prevailing on May 25, 1970. Therefore, in cases where prices have dropped below those of May 25, 1971, these prices may increase. But, prevailing prices cannot be higher than the highest price established in the mentioned time periods.

"Possibly the most significant aspect of the new program could be the psychological effect of the turn-about in the administrations' economic policy," pointed out Shafer. "If confidence in the economy is renewed, inflation is restrained, and unemployment drops significantly, then the demand for food could increase. This would result in increased sales at the stabilized retail prices."

The agricultural economic group cited an example. If the demand increases for high consumer preference items such as beef, there might be some increase in cattle prices due to buyers bidding for the given supply. But again, cattle prices could not rise much because of marketing costs and fixed retail prices.

"The President's moves to strengthen the U.S. trade position via the 10 percent surcharge on imports and temporary suspension of the dollar convertibility into gold should make our agricultural products even more competitive in domestic and world trade," said Shafer. "The world trade question, however, hinges on the response of agriculture's big customers like Japan, Canada and the European Economic Community (EEC) to the import-restricting moves of the President."

About 14 percent of U.S. farmer's income comes from sales in foreign markets and 49 percent of U.S. agricultural sales are to the six EEC countries, Japan and Canada. Japan, our largest customer, accounted for 16 percent of U.S. farm export sales for hard currency. The new 10 percent surcharge on imports will reduce somewhat the demand for Japanese goods in this country. Furthermore, should Japan have to increase the value of its currency, our commodities will become increasingly competitive with their's in world markets, the committee reported.

ENSILAGE HARVEST. . . The ensilage harvest was in full swing around Friona the past week. Here, a field is being harvested just west of town. Observers said the crop was doing well, with yields of over 20 tons commonplace.

Colorful leather hot pants, a major fashion for fall, are now available as a completely washable garment. A new leather tanning process allows leather to retain its softness and prevents shrinkage after washing. This same process makes possible dyes in a 14-color range. Wash-fast, the colors remain as bright after laundering as before.

The leather industry has become very fashion minded. And, you can choose from stenciled, painted or embroidered leathers, with textures from sheer suedes to chamois to buckskin. Just take your pick, the specialist advises.

Besides hot pants, washable leathers are also available in other clothing--shorts, shirts, golf gloves or decorative trims. Whether buying leather as ready-to-wear or for home sewing, check the label for washability and instructions. As a final suggestion--to keep hot pants cool, launder in cold water.

Just a reminder to 4-H girls Parmer County Bake Show will be in Bovina at the bank, Saturday, September 11th. And to anyone who is interested, Parmer County 4-H will have a fair during Maize Days in Friona. 4-H's exhibits will

be on display in vacant building across from the Reeve Chevrolet on Saturday, September 18th until 3 p.m. when baked goods will be taken to the park and sold--proceeds will go to the 4-H council fund to help defray expenses for 4-H activities throughout the year.

**County Cotton Crop  
Estimate Is Hiked**

Parmer County's cotton crop estimate for 1971 was revised upward by the joint September crop estimate of the Lubbock Cotton Exchange and the Plains Cotton Growers, released last weekend.

The estimate indicated that the county is now shooting for a total of 42,000 bales, up 2,000 from the August 1 estimate of 40,000 bales. There are roughly 40,000 acres of cotton in Parmer County, so the estimate calls for a crop averaging better than a bale per acre.

According to PCG estimates, the 1971 cotton crop could be worth over \$5.5 million to Parmer County farmers, based on an average prospective price of 24 cents per pound, plus federal production payments.

Clyde Day, executive vice president of the exchange, said in order to achieve the estimate, some good hot weather, and a break in the first freeze date were needed.

Cotton farmers have been basking in the past week's weather, which has seen temperatures top the 90 mark several days. "The cotton has really been making this week," one farmer remarked.

On the South Plains as a whole, the September estimate indicated the largest prospective cotton crop since 1965,

with estimates for 2,015,000 bales, which would be only the sixth 2,000,000 bale crop in the region's history.

No official estimates have been made for the county's milo crop, although Elbert Harp, executive vice president of Grain Sorghum Producers Assn. says the crop over the area should average 130 per cent of last year's production.

**Heathington's Readying For Grand Opening**

Heathington Lumber Company opened its branch office in Friona on February 8 of this year, so their local history is relatively short.

However, the company has a long-standing reputation for quality service in this part of the country. Heathington Lumber Company was founded in Muleshoe in 1947, by the late Ferris Heathington. In 1970, the company was purchased by Kenny Heathington, son of the company's founder.

Ronnie Shafer, 32, is manager of the Friona branch. Shafer is a native of the area, having been born and raised south of Muleshoe. He is married to the former Pat Nowlin of Muleshoe, and the couple has two children. Dwayne is 11 and Lynnette is eight.

The Shafers attend the Primitive Baptist Church in Muleshoe.

Shafer, who was busy this week preparing for the Grand Opening of the Friona store, says he is real appreciative of the reception the business has had since its opening.

"Our business has been real good, considering the length of time we have been open. The people of Friona seem to be giving us a fair try," Shafer said.

He added that he thought the store's Grand Opening next week, which was delayed until the business was well-stocked in all departments, would be a further opportunity for the folks who have not yet visited the store, to do so.

"Many people who have not already visited us, think we're just

a lumber yard," Shafer says. Actually, this couldn't be farther from the truth, because as a member of the Ace Hardware chain, Heathington Lumber carries, or has access to, thousands of items.

Besides all of the regular items you would expect a lumber yard to carry, Heathington has a well-rounded department for the sportsman, featuring a complete line of guns and ammunition, and fishing equipment for the fisherman. Other seasonal sports equipment also is carried, whether for football, baseball, basketball or what have you.

The company began having calls for hobby supplies shortly after it opened, and Pat Shafer has worked tirelessly in building up a complete line of art and hobby supplies of all sorts.

"If any club, school or church organization has special needs along this line, we will be happy to stock any supplies if they will tell us what they need," she says.

As a feature of the company's Grand Opening week, the Formby Company, makers of furniture refinishing material, will have a representative at Heathington's on Tuesday, September 14, to conduct a re-finishing demonstration.

As a member of the Ace Hardware chain, Heathington Lumber Co. is one of over 2,000 stores in 48 states and U.S. possessions. "What this affiliation means to the people of Friona is greater savings on quality merchandise the year around," Shafer says.

He pointed out that Ace Hardware was nearing the completion of a new

warehouse in Lincoln, Neb., and that company trucks will begin servicing his store on a regular basis, greatly improving service on items which are ordered for customers.

"There are over 6,000 factories that we can purchase from," Shafer says, indicating further savings to customers through the wide choice available to them.

Among the items which are available at Heathington Lumber are lumber and building supplies, quality paints (Pittsburgh and Ace), tools, plumbing supplies, guns and ammunition, sporting goods, lawn and garden supplies, housewares, small appliances and electrical supplies. Shafer has been with the Heathington company for over three years, but his experience in the construction business dates back to 1964.

"We would appreciate the opportunity to assist any area resident with their remodeling, new home building, or construction of any kind. We will be happy to figure with anyone at any time," Shafer says.

Assisting the Shafers at Heathington Lumber Co. is James Carroll Wilson, a native of Friona who returned to make Friona his home recently after four years in the Marines. Wilson is married, and he and his wife recently became parents for the first time.

The friendly folks at Heathington Lumber Company invite you to come visit them during the week of September 13-18, and register for daily door prizes, as well as for one of the grand prizes to be given, which include a Winchester 12-gauge shotgun, and a G-E canister model vacuum cleaner.

# Highlights Of 1931 Year Recalled By Players

Forty years ago this fall, when football was still in its formative stages at Friona High School, a group of players and a new coach came on to the scene, and produced one of the best season records the sport had enjoyed up to that time.

It was Coach Bill Stevens' first year at Friona. Word has it that Stevens narrowly beat out Ross Ayers for the head coaching job here. Ayers had just recently finished Texas Tech, and was an applicant for the job, along with Stevens.

The year of 1931-32 saw athletics in this area organized by the Interscholastic League for what is thought to be the first time, with districts being formed.

The team was off to a great start winning its first four games and bidding for the district title. Who should come along but Farwell, in the next-to-last game of the year, for a 14-6 win to snap Friona's streak. The team then lost to Happy in the final game of the season, to finish at 4-2 for the year.

W.S. (Red) Crow and Clifford Crow, both still local residents, anchored a line that allowed only one touchdown in the team's first four games.

The Chiefs downed Vega, 18-6; Adrian, 19-0; Muleshoe, 7-0 and Emmitt, 12-0, before dropping the 14-6 game to Farwell. With the district title gone, they fell to Happy, 26-0 in the last game of the year.

Red Crow was the starting left tackle, and Clifford Crow was left end. A member of the second team, who had to scrimmage against the varsity, said he could expect a lick from one of the brothers on every play. Raymond Euler was listed

on the squad, but says he mostly "warmed the bench." Dr. Paul Spring also came out for the sport, ending up being the manager. Dr. Spring says his work as a trainer in high school was instrumental in his decision to become a doctor.

Dr. Spring sustained a broken arm during the season, which ended his action for the year and prompted the move to trainer. "A fellow did a rolling block on me,

and that wound up my playing days," says Dr. Spring, noting that the fact that he became interested in medicine as a result may have been the best lesson he learned from football.

Gilbert Boatman, another who still calls Friona home, was a freshman out for the sport that year, although seeing no action.

"Things were a lot different in those days. When there were out-of-town ga-

mes, you got to the game the best way you could. I guess they saw to it that the starters made it for sure, but the 'scrubs' were more or less on their own," says Euler.

"We played on hard, dirt fields. There was no grass, unless there just happened to be a little on the lot where you played. It sure hurt when you hit the ground," he adds.

The games were played in the afternoon, since this was

before the time of lighted parks. Games were usually on Friday afternoon, although the season opener was played on a Wednesday.

Other starters on the 1931 team included Clifford Boatman, fullback, who was also team captain; Roy Johnson or Red Whitefield, right end; Dennis White, right guard; Donald Livings, right tackle; Charles Reeve, center. Conway Frost was starting (Continued on Page 10)

## Chiefs Play Wolves A Creditable Game

Friona's Chieftains played the Springlake Wolverines on even terms in their scrimmage session last Friday at Springlake. Each team scored one touchdown in the game.

"I was well pleased with the scrimmage once again," said Coach Bob Owen. "Springlake had some pretty good-sized boys, and we handled ourselves well, all things considered," he said.

Fullback Bill Bailey got Friona's touchdown, on the team's second possession. The score climaxed a sustained drive in which the backs made consistent gains.

Springlake's score came on a momentary lapse by the Chieftain defense, as the Wolverines threw a screen pass that went for about 60 yards and a touchdown.

"We had probably held them to minus yardage to that point --and bang! They threw the

screen pass and it went all the way," explained Owen.

Overall, Owen said, the defense was the highlight of the scrimmage. He said that he was pleased with one aspect of the team in particular.

"We lost our composure at the start of the scrimmage, showing temper in places. However, the boys came back, regained themselves and really got after Springlake," Owen stated.

He said that both sides were hitting for all it was worth--some of the best hitting he could remember since he had been at FHS. "Most plays we would have seven or eight people where the football was," Owen said in support of his praise for the defense.

Owen said the team came out of the scrimmage in good shape physically, and barring injuries in practice, should be in top shape for the season opener against Farwell Friday.

made up of Johnny Bandy at quarterback; Bill Bailey at fullback; Mike Royal and James Bartlett at halfback.

Coach Owen has switched the team to a "Wishbone T" formation this year, and seems to be pleased with the way it is progressing.

The Chieftains are not big this year--with Royal the biggest starter at 200. However, the team met some good-sized opponents at Springlake, and fared all right. Farwell shouldn't be much different in size than the Chiefs, however.

Friona's largest player Bobby Drake, weighs 240, but is available only for place kicking.

The game will be the 35th meeting in football for Friona and Farwell since 1930, and the 23rd year in a row for the Farmer County rivals to meet. It's the 12th consecutive year for the game to be played as season opener. Farwell leads the series, 15 wins to 15. There has been one tie.

## Final Rites Conducted For Mrs. L. B. Barnett

Funeral services for Mrs. L. B. Barnett, who died at 7:15 p.m. Thursday in St. Joseph's Hospital, Del Norte, Colorado, were conducted from Rose Chapel of Gilliland's Funeral Home, Hereford, at 3:00 p.m. Monday.

Mrs. Barnett, who was the former Doris Mae Owens, was born August 13, 1921, in Dallas. She and Dr. Lewis B. Barnett were married in Fort Worth June 25, 1943. The Barnetts moved to Hereford from Dallas in 1946.

After practicing medicine in Hereford about twenty years, Dr. Barnett and his family moved to Center, Colorado, where they lived until they moved to Del Norte about a year ago.

Mrs. Barnett had been ill several years.

Survivors, besides her husband, include two daughters, Beverly Barnett of the home, and Mrs. Jennifer Marshall of Greeley, Colorado; one son, Lewis B. Barnett Jr., who is

a student at Adams State College, Alamosa, Colorado; one brother, John D. Owens of Salem, Oregon; and one grandchild.

Rev. Richard Cagle of Colorado Springs, Colorado, a former pastor of First Baptist Church, Hereford, and Rev. Russell Wingert, pastor of First Presbyterian Church, Hereford, were the officiating ministers.

Pallbearers were Dub Reeves, O.A. Golden, B.F. Cain, Ralph Hastings, J.R. Allison and Robert Veigel.

Burial was in West Park Cemetery.

**Friona School Lunch Menu**

Monday--spaghetti and meat balls, buttered beets, hot rolls-butter, buttered English peas, peanut butter and honey and milk.

Tuesday--enchilada casserole, corn, crackers, tossed salad, applesauce cake and milk.

Wednesday--barbecue on bun, French fries, cookies, relish, catsup and milk.

Thursday--fried chicken, mashed potatoes, hot rolls, butter, English peas, strawberry short cake and milk.

### What Does The Bible Say?

The church of the New Testament operated in the first century as a tangible body of people and it can be reproduced in our day by adherence to the same principles which motivated them.

In that age, those who responded to the gospel (a) believed in the sonship of Christ (Acts 8:37), (b) repented of their sins (Acts 2:38), (c) confessed their faith in Jesus Christ (Rom. 10:9-10), and (d) were buried with Christ in baptism (Rom. 6:1-4).

Those who thus obeyed were added by the Lord to His church (Acts 2:47), wore the name "Christian" (Acts 11:26), acknowledged that they belonged to Christ (Rom. 16:16) and met regularly on the first day of the week to observe the Lord's supper which He established to be observed in His memory (Acts 20:7; I Cor. 11:23-29).

If people in this twentieth century will do simply and solely what they did by the teaching of the Holy Spirit in the first century, they will be exactly what they of that century were, namely, Christians (I Peter 4:16), members of the body of Christ (I Cor. 12:27), disciples approved by the Lord (Acts 11:26) and rest in an assured hope of glory.

Questions invited. Address Box 515, Friona, Texas.

Maize Days time is almost here again. The banners have been put up, floats are being built, displays have been planned and several special events will soon be in progress.

Those of us who have been attending Maize Days for a number of years have learned to expect the Girl Scout booth to have lots of good cakes, pies, cookies and other baked delicacies for sale on Saturday.

Then, too, we've learned to expect the Rebekahs to have some real good food. Think they generally start serving early in the week. I've noticed their shop on location at Brookfield Drilling. Think it is getting a new face or some repair.

Something new is being added this year. Progressive Study Club is sponsoring an antique show in the McFarland Building at the corner of Seventh and Euclid. Several dealers from surrounding towns will display articles for sale. Modern Study Club will have a Country Store in the building just south of Nellie Jane's Shoes. A large variety of hand made articles will be for sale along with home made food. Think they are going to have just about everything from potholders to dill pickles.

This year's Queen Contest promises to be one of the best, if not "The Best." We have a lot of pretty girls and a lot of talent, so the judges may have a hard time picking just one from the group.

All in all it looks like Maize Days 1971 will be a fun time for all of us.

Thanks to neighbors and friends are going from the Bill Bandys this week. So many people cooperated in the effort to locate the stray tom cat who bit Mary and Alicia.

Just the day before the two would have had to begin taking rabies shots, the cat was sighted by Johnny W. Hand. The cat didn't show any signs of illness, so shots were not necessary.

Thanks to everyone who informed me that the pretty tree in the Bill Beene's yard is a maple. I recognize a few kinds of trees, but there are hundreds of kinds I do not recognize. Still think that's the prettiest tree in town right now, though.

Late August turned out to be Moving Day for a number of local people. Rosco and Geneva Ivie moved from their farm north of Black to a newly constructed home at 1620 West Ninth. Dale, Mary Ruth and Patty Cary are getting settled in a house on Austin Street which they just recently purchased. It had been vacant for some time.

Mary Ruth said, "This makes the sixth house we have lived in in Friona. I'm almost ready to stay put for awhile." They had been living out on West Fifth about a year.

The Winston Wilson family is moving out to the farm west of town and Mary and Marshall Elder are moving into the house they purchased from the Wilsons.

Think the Wesley Barnetts will soon be moving into their new home, which is under construction. It is on Highway 60 just west of Lois Weatherly. Wesley, Doris and the children have lived in the Black Community for the past several years.

Former Frionans who visited relatives and friends here last week were Mr. and Mrs. Leonard Haws, who presently live near Carthage, Missouri. Mrs. Haws is the former Helen Cogdill. Her father, Bill Cogdill, and sister, Mrs. Carl Fairchild, both still live here.

Leonard and Helen lived south of Black for a number of years then moved to Clovis. Later they moved to Missouri and still live there. As most of their friends would expect, they have grass land and cows.

In addition to having a milking herd, they have stock cattle. This year has been a real good one weatherwise in the section of the country where they live. Think Helen said they had had more than 20 inches of rain and had cut their alfalfa three or four times.

Their daughter-in-law, Nell, and her four boys are living in Canyon. They used to live here, too.

It hasn't been too many years since we first heard the expression, "Happiness is..." However, one hundred years ago the idea was around. In an almanac for the year 1871 the following advice was printed as a recipe for health and happiness. These rules were suggested:

1. Keep warm.
2. Eat regularly and slowly.
3. Maintain regular bodily habits.
4. Take early and very light suppers.
5. Keep a clean skin.
6. Get plenty of sleep at night.
7. Keep cheerful and respectable company.
8. Keep out of debt.
9. Don't set your mind on things you don't need.
10. Mind your own business.
11. Don't set yourself up to be a sharper of any kind.
12. Subdue curiosity.
13. Avoid drugs.

That last one makes us wonder if the problem with drugs hasn't been around longer than most of us think.

## J. W. Wood Dies In Idaho

Funeral services for James W. (Sonny) Wood, 59, of Gooding, Idaho, were conducted in the First Southern Baptist Church there August 17. Rev. Gordon Watson and Rev. Richard Gosnell were the officiating ministers.

Wood was born March 9, 1912 at Kenna, New Mexico, and resided in the Friona-Bovina area seventeen years before moving away. He graduated from Friona High School in 1929 and was married to Zelma York July 1, 1922 at Clovis.

The Woods moved to Gooding in 1968. He was the manager of Gooding Credit Bureau and was a member of the board of directors for the city's Chamber of Commerce. He was also a member of the First Southern Baptist Church and served as the church's

only deacon.

He is survived by his wife; two sons, James W. Wood Jr., Phoenix, Arizona, and A. Wayne Wood of Palm Springs, California; his mother, Mrs. Ruby Wood, Friona; two sisters and eight grandchildren.

Others on the squad not already mentioned included Lee Euler, Merrell Furlong, Robert Chiles, Rusty Loflin, Edward Massey, Virgil Weir, Bud Barnett, Albert Conway, Merle Harry, Hilton Lansdown, Lawrence Lansdown and Douglas Frost.

## Relatives Visit

### Harrison Gees

Recent visitors in the home of Mr. and Mrs. Harrison Gee, Roger and Stacy, have been Mr. and Mrs. Frank Barber and Mr. and Mrs. Dub Barrow and Donnie, all of Lubbock. Mrs. Barber is Gee's mother and Mrs. Barrow is his sister.

A Labor Day visitor in the Gee home was Mrs. Elaine Massey of Hobbs, New Mexico. Mrs. Massey, a former Frionan, is an employee of Clark's Department Store in Hobbs.

## Local People

### Receive Degrees

Texas Tech University President Grover E. Murray awarded approximately 1,050 degrees in 1971 commencement exercises in August. It was a record number for summer graduation ceremonies.

From Friona were: Susan Kay Knox, Bachelor of Arts in Speech; Lonnie Dale Ellis, Bachelor of Education in Secondary Education; and James Earl Perkins, Master of Education in Secondary Education.

## Banner Theft

banner service several years ago, as a means of not only providing additional equipment, but saving the local merchants money on the banners. Out-of-town companies had previously furnished banners at \$25.00 each. The fire department charges half that -- \$12.50 per banner each season.

It is hoped that the rash of thefts has ended, and that the stolen banners will be returned to a conspicuous place.

ALL DRESSED UP... And ready for the Annual Maize Days Pet Show, "Muldoon" who is a member of the Nelson Welch family wants to look his best when pet show time rolls around Friday, September 17 at 3 p.m. in the Southwest corner of the City Park. Mrs. Bill Ellis, chairman, says "we'll enter anything that walks, crawls, hops or flies so get your pets ready." There'll be prizes for just about every category. Dr. Gary Cash, local veterinarian, will be the judge, assisted by C.L. Lillard.

Mr. and Mrs. Ben Anella of Los Angeles, California, were Labor Day weekend visitors in the homes of Mrs. Anella's grandparents, Howard Mayfield and Mrs. T.E. Blackburn. Mrs. Anella is the former Bill Blackburn of Albuquerque.

The people of Amboyna fear to go out at noon because the midday sun makes their souls (their shadows) small!

Henderson-Short Vows Exchanged In Hereford

Wedding vows were exchanged between Susie Eliece Henderson, daughter of Mr. and Mrs. Jim H. Henderson of 702 Irving Street, Hereford, and Charles Dennis Short, son of Mr. and Mrs. Charles B. Short of Vega, in First Christian Church, Hereford, at 8:00 p.m. Friday, September 3.

The double ring ceremony was read by J. Hilton Henderson, who is the bride's brother and a Church of Christ minister in Friona, before an arrangement of tiered candelabra holding white tapers with bouquets of white mums on either side.

The bride's attendants wore identical gowns of pink Sateau. They were designed with empire waistlines, round necklines and full sleeves, which were encircled with matching ruffles outlined with variegated Venice lace bands.

They carried bouquets of white mums and pink roses with pink satin ribbon streamers.

John Baxter of Friona was the best man. Groomsman and ushers were Wayne Pate, Dahlart, and Jerry Criswell, Canyon, brothers-in-law of the groom, Leston and Lonnie Noyes, Hereford, cousins of the groom, Larry Martin, Friona, and Wayne Walker, of Hereford.

Kim Noyes, who is the daughter of Mr. and Mrs. Jimmy Noyes and a cousin of the groom, was the flower girl.

Candlelighters were Kelli Short, Vega, sister of the groom, and Chris Wyly, Friona.

Jim Hansasford, organist, presented traditional wedding selections and accompanied Caye Clearman, Genie Robbins and Rojean Block as they sang, "One Hand, One Heart," "Fairrest Lord Jesus," "Wedding Prayer," and "Theme from Romeo and Juliet."

As she was escorted and presented in marriage by her father, the bride wore a formal wedding gown of white imported silk polyester organza and beaded Chantilly lace over white satin. It was designed with an empire waistline, A-line skirt and detachable Watteau train.

Appliques of the lace were re-embroidered on the long full sleeves, bodice, skirt and edge of the train. Matching appliques were repeated around the neckline.

Her tiered veil of imported silk illusion was held in place with a band of white satin flowers. She carried a cascade bouquet of white roses and mums tied with white picot satin ribbon loveknots and streamers.

Her only jewelry was a diamond dinner ring, which was a gift from the groom.

A reception was held in Fellowship Hall of the church immediately following the ceremony. Cake, coffee and punch were served with mints and nuts by Mrs. Jerry Criswell, Canyon, sister-in-law of the groom, Sherri Janssen, Mrs. Lonnie Noyes, Hereford, Willets Wyly, Friona, and Alicia Henderson, Colorado City, cousin of the bride.

Guests were registered by Sabrina Marshall, Edmonson, cousin of the bride, Lynette Moore, Plainview, also a cousin of the bride, assisted in the houseparty.

The three tiered wedding cake was an open Bible surrounded by attendants and topped with a heart of pearls surrounded by tulle ruffles and topped with a bride and groom. For a wedding trip Mrs. Short wore a street length dress of pink tulle polyester with a matching coat and the corsage lifted from her bouquet.

Mr. and Mrs. Short are at home in Vega. He is a 1968 graduate of Friona High School and attended West Texas State University, two years. He farms near Vega.

Mrs. Short is a 1971 graduate of Hereford High School and has been employed at Henderson's Department Store there.

Days Of Old West Is Meeting Theme

New Horizons Junior Study Club began its new year with a chuck wagon supper at Federated Club House Thursday evening. Theme of the meeting was "Days of The Old West."

The meeting began with an invocation by Mrs. Walter Cunningham. Then barbecue, beans, potato salad and cherry cobbler were served from a chuck wagon. Light was furnished by kerosene lanterns. Tumble weeds and a dummy cowboy sleeping in a bed roll added interest to the decorations.

The program was opened with reading of "The Cowpokes Prayer," by Mrs. Jimmy Maynard. Then a skit entitled, "Three Desparadoes," was presented by Mrs. Edwin Morrison, Mrs. Wayne Johnson and Mrs. Jimmy Maynard.

Western costumes were worn and the prize for "best dressed" went to Mrs. Jimmy Bynum. Mrs. Teddy Fangman won the yodelling contest and the cigarette rolling contest was won by Mrs. Valton Howard.

Mrs. Edwin Morrison, yearbook chairman, presented the yearbooks, which announced the theme, "Pockets Full of Purpose."

Visitors present were Mrs. Teddy Fangman, Mrs. Norman Kerr and Mrs. Wayne Johnson.

Others present included Mrs. Jimmy Bynum, Mrs. Walter Cunningham, Mrs. Kenneth Ferguson, Mrs. Dale Houlette, Mrs. Valton Howard, Mrs. Jimmy Maynard, Mrs. Edwin Morrison and Mrs. Jerry Wikle.

Hostesses were members of the yearbook committee.

Bill Stewarts Are Girl Scouts GreatGrandparents Report

Girl Scout Troop 266 met Thursday afternoon at Girl Scout House for the first meeting of the year.

Following a get acquainted session, the group was divided into patrols. After a game session, ice cream bars were served to one new member, Kathy McKinzie, and 25 other members.

Troop leaders, Mrs. Tom Mason, Mrs. Lee Britton, Mrs. Kenneth McLellan and Mrs. John C. Miller, were hostesses.

The meeting day for this troop has been changed to Monday. Meetings will be held at Girl Scout House weekly.

Mrs. A.W. Anthony Sr., who is chairman of the Malze Days Girl Scout Bake Sale, has announced that the sale will begin at 10:00 a.m. Saturday, September 18, in City Park.

Each Girl Scout is being asked to deliver home baked items to the park before ten that morning. Each girl is being asked to bring one of the following: 1-1/2 dozen cookies; one cake; two pies or three dozen cookies.

Mrs. Anthony said that cakes made from commercially prepared mixes are not acceptable for the sale, which will feature home baked products.

Labor Day weekend visitors in Friona were Mr. and Mrs. Floyd Crume of Albuquerque. The Crumes, who are former Friona residents, were guests in the home of Mrs. Crume's parents, Mr. and Mrs. Jim Cocannouer.

Water occupies less space at 39 degrees than at any other temperature. When it is converted into steam, it expands at least 1,700 times!

Capt. and Mrs. E.J. Dewey of Charlottesville, Virginia, became parents of a baby girl Thursday, September 2, making Mr. and Mrs. Bill Stewart of Friona great-grandparents for the first time.

The baby, who was named Melanie Nicole, weighed 7 lbs. 15 ozs. and is the first child for the Deweys.

Dr. and Mrs. John R. Chandler of Alpine, Arizona are the maternal grandparents.

Mrs. J.R. Chandler Sr. of Ada, Oklahoma, is also a great-grandmother.

Rudolph Renners Have Visitors

Mr. and Mrs. Jake Renner of Spokane, Washington, and Mrs. Ida Prufer of Deer Park, Washington, were visitors in the home of Mr. and Mrs. Rudolph Renner Sr. last week.

Jake Renner and Mrs. Prufer are Rudolph Renner's cousins and Jake Renner is a former Farmer County resident. Mrs. Paul Helms Sr. of Hereford, who is Rudolph Renner's sister, was also a guest in the Renner home.

Friona Residents Attend Funerals

Mrs. Buford Hartwick, Mrs. Lillian McLellan, Mrs. A.H. Boatman and Mrs. C.A. Paul spent last weekend in Duncan, Oklahoma.

The group attended funeral services for Mrs. Claude Wilkinson of Duncan Saturday morning. Then in the afternoon they attended funeral services for George Stanley.

Mrs. Wilkinson was a sister of Mrs. Boatman and Mrs. Paul and aunt of Mrs. Hartwick and Mrs. McLellan. Stanley was the husband of a cousin of Mrs. Boatman and Mrs. Paul.

The Frionans returned home Sunday afternoon.

Black Study Club Elects New Officers

Highlight of the Thursday afternoon meeting of Black Study Club in the home of Mrs. Harry Lookingbill was the election of officers for the coming year.

The hostess was elected president. Those elected to serve with her were Mrs. Bill Cartel, vice-president; Mrs. Tommy Tatum, secretary-treasurer; Mrs. Johnny Mers, parliamentarian; Mrs. Dick Rocky, reporter; and Mrs. Ellis Tatum, assistant reporter.

The opening exercise were excerpts from "Love Is Eternal," by Perry Panksey presented by Mrs. Mars. Roll call was answered with Mrs. Wilbert Varner and daughters of Hobbs, New Mexico, visited in the homes of Mr. and Mrs. Chester Varner and other relatives and friends Monday.

Weekend guests in the home of Mr. and Mrs. Rosco Ivie were Mr. and Mrs. Calvin Ivie and children, Shawn, Blayne, Stasia and Rance, of Irving, Texas.

"Highlights Of The Summer." For most of the members it was a vacation trip made possible by summer rains.

During the social hour refreshments of cookies, coffee, cold drinks, nuts and mints were served by the hostess.

The next meeting of the club will be in the home of Mrs. Johnny Mars. A Southwestern Public Service home advisor will present a demonstration of holiday dishes and decorations. The demonstration will begin at 2:00 p.m. Thursday, October 7.

Class representatives were also selected. Each couple is responsible for collecting dues from parents of the classes which they represent.

Officers Elected For Friona Chieftain Parents

At the Thursday evening meeting of Friona Chieftain Parents in the high school cafeteria, officers for the coming year were elected. Dues for the year were set at \$4 per family.

Proceeds from projects sponsored by the organization are used to purchase athletic awards, which are presented to athletes in the local school system.

Mr. and Mrs. Bill Bailey were elected to fill the presidential office. Others elected and their offices are as follows:

Mr. and Mrs. Eugene Bandy, vice-president; Mr. and Mrs. Charles Waggoner, secretary-treasurer; Mr. and Mrs. Ralph Shirley, buyers; and Mr. and Mrs. Grady Nelson, assistant buyers.

Class representatives were also selected. Each couple is responsible for collecting dues from parents of the classes which they represent.

Those selected were Mr. and Mrs. Gene Welch, freshman; Mr. and Mrs. Charles Waggoner, sophomore; Mr. and Mrs. John Bingham, junior and Mr. and Mrs. D.L. King, senior.

It's A Girl For Murphrees

Mr. and Mrs. Ray Lynn Murphree of Borger became parents of a baby girl at 7:23 a.m. Friday, September 3.

She was named Marsha Lynn and weighed 6 lbs. 8 ozs. Grandparents are Mr. and Mrs. Ray Murphree, Friona, and Mr. and Mrs. Gerald Martin, Plainview.

Sincerely Yours

By Rev. Albert Lindley

I would imagine that most of us made it through the 3 day week-end with minimum of problems and trustfully, very safely. We have had this 3-day weekend before but this year we will have--isn't it five?--more. I heard a report from a public school the other day where they are experiencing several 4-day weeks for their students--several times during the year. (How 'bout that, Mothers?) Indeed, leisure time--yes, you do, too--is becoming something we really have to cope with. . . You may be among the many who have tried to destroy it or keep it out of your life. . . That is possible, you know? I would think that some emotional feelings about the uselessness of life have come out of some personal plans which causes a person to finally look at himself and see that very little of his existence is really doing much for himself. You know, "kinda doing it all for someone else" feeling and with little real pleasure in it. . . Let me say a word about the "feeling" and also a word about the "pleasure." I would imagine that there are several who, from time to time, get the feeling that is expressed in a song of some popularity recently, "Is That All There Is?" To me, this is a terrible attitude about life but at the same time, according to some of the reactions we see in some people, it is an attitude that several must hold. Very frankly, (my middle name), wouldn't that be a terrible way to spend your life--with so little interest in what was going on and with so little concern about life? Just take a few moments to mull it over. What is your attitude about life? Do you feel you really have a say-so about it all? Do you feel that all you do is for someone else's pleasure? Do you feel that life really holds some worth while purpose for you? See, questions that are really asked with sincerity can get personal in a hurry when sincerity is used in answering them. One really needs to take the time to come up with some kind of outline about what he

thinks is important about life and then to give those topics proper time for their expression. F'instance--if your life were divided between these ideas, it would look something like a wagon wheel or a cut pie. . . The spaces would be your life topics and might include work, rest, eating, social fellowship, family, increase of knowledge, religion, leisure and possibly you might think of others. . . But when these are divided up into 24 hours, or 7 days, or 12 months, you can see that some decisions must be made as to how important they are and how much time is to be spent with each one. Some tragic situations come about with some unwise decisions about the time needed and a father puts all of his time in on work and misses the family life, or social life or the mother thinks only of social affairs to the neglect of family or increased knowledge. Maybe even both think of themselves and literally destroy times of leisure with each other and/or family. See how it goes? Should I ask? With your life style sliced up like a pie, how much time have you allowed for your worship of God and does his spirit abide with you in your time spent in other areas of life? (Think on that. . .) May I put in a plug for some time spent on something that you might be overlooking, and to your own detriment and that of your loved ones. . .? This is time for leisure with your family. Don't work you life away "so they can have something at your death." Better than that, give them yourself to live with now and express that love for each other. . . Now! In fact--don't consider this article complete until you have kissed your wife/husband (only yours) and made some plans for your family. . . okay?

### Alton Day Dies Here Wednesday

Funeral services for Alton Day, 59, who was pronounced dead on arrival at Parmer County Community Hospital about 3:40 p.m. Wednesday, were conducted from Calvary Baptist Church at 2:30 p.m. Friday.

Rev. R.C. Hester, pastor, was the officiating minister.

A native of Whitney, Texas, Day moved to the Friona area about 30 years ago.

Survivors, other than his wife, Leona, include two daughters.

Mrs. Letha Treinen, Bovina, and Mrs. Wedia Sanders of Abilene; one son, Allen Day of Wilson, Texas; two sisters, Mrs. Verna Cantrell, Pampa, and Mrs. Viola Maciolek, Amarillo; and ten grandchildren.

Pallbearers were Aubrey Carlton, Paul Williams, Johnny Brand, Gaylord Maurer, Elroy Wilson and Lee Gibson.

Burial was in Friona Cemetery under direction of Claiborn Funeral Home.

#### LEGAL NOTICE

All brands and marks on Texas livestock must be re-recorded with County Clerks after August 30, 1971. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations indicate.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands

are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or re-recorded as provided by the new law.

The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days. The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of not less than \$10 or more than \$50 (Article 1486 P.C.).

The law applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and re-recording of brands.
