

AN EDITORIAL

**Managing Rainfall
Worth Considering**

(A guest editorial by the Soil Conservation Service)
Rain on the High Plains is always welcome, but there has probably been no rain more welcome in Parmer County than the ones we have been receiving the past few weeks. Irrigation motors are shut down, crops are pretty, and people are headed for the lake or to the mountains.
But of all the water that fell in Parmer County, how much of it will be useable? After the first inch the soil didn't absorb the moisture as quickly as at first. This caused runoff. When rainfall runs off, its negative effect is twofold--the efficiency of water intake is lowered and the soil erodes.
Rainfall, when properly controlled, is the most efficient method of watering crops and it's free. For dryland operations, controlling rainfall is a must for soil and moisture conservation. This same life-giving moisture can wreck havoc by eroding soil if not controlled. There are many alternatives for controlling rainfall. The alternatives vary between irrigation and dryland.
For information on methods of moisture and soil conservation, contact the Soil Conservation Service in Friona.

From Around The Country

Butler, Mo., Bates County Democrat: "We're just as tired as anyone else of hearing about all that is 'wrong' with this country, but a development in New York City... DOES make one wonder what's the use. A religious commentator on a radio station reported... that a certain major church in New York is raising upwards to \$100,000 to employ round-the-clock armed guards to protect the church from theft, vandalism and other criminal elements. Then, on top of this the United States Senate building is damaged extensively by a bomb explosion. Is there nothing sacred anymore?"

In its feature, Joe Crump's column, the Coopersville, Michigan, Observer notes the following remarks: "Newspaper offices are flooded with advertisements prepared by the public relations departments of various government agencies, both state and federal. Those from the federal government carry a footnote that reads, 'The U.S. government does not pay for this advertisement. It is presented as a public service.' This means that the taxpayer pays for the preparation of the ad and the publisher must absorb the cost of publication. Some tub-thumping restraint is in order."

Clayton Day Featured In Baptist Crusade

The First Baptist Church of Friona will host an evangelistic crusade next week, August 29 through September 5.

Clayton F. Day, a former pastor of the church (1945-46) will be the evangelist. Sam Allen of Pampa will lead the revival music.

Services will be held at 10 a.m. and 7:30 p.m. daily on weekdays, and at 10:50 a.m. and 7 p.m. on Sundays, according to Rev. Charles Broadhurst, pastor, who issues a cordial invitation to the public to attend the services.

Rev. Day, who served as pastor of the local church in 1945-46, spent 21 years as a U.S. Army chaplain, retiring from this work on December 31 of last year. He presently is serving as Director of Institutional Resources for Southwestern Baptist Theological Seminary of Fort Worth.

Rev. Day retired as a colonel in the U.S. Army. While a chaplain, he received the Legion of Merit, Bronze Star, Army Commendation Medal, Korean Service Medal, Vietnam Service Medal, Republic of Vietnam Campaign Medal, along with several others.

Prior to his work as a chaplain, which had Rev. Day stationed in various parts of the country as well as abroad, he pastored churches in Bedias, Palestine, Tyler, Devers and McLean, in addition to Friona.

He attended Baylor University, but received his B.S. from East Texas Baptist College in 1942, and his Th.B. from South-

western Baptist Theological Seminary in 1946.

Allen has been one of the most popular leaders in music evangelism in this area for the past 20 years. He currently is minister of music at the First Baptist Church of Pampa.

Allen has served as soloist for the Southern Baptist Pastor's Conference and the Southern Baptist Convention. He has recorded three gospel music albums.

An outstanding high school and college athlete, Allen organized and coached the world-famous national AAU champion women's basketball team at Wayland College.

LEGAL NOTICE

All brands and marks on Texas livestock must be re-recorded with County Clerks after August 30, 1971. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations indicate.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or re-recorded as provided by the new law.

The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days. The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of not less than \$10 or more than \$50 (Article 1486 P.C.).

The law applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and re-recording of brands.

FOOT NOTES

How To Keep On Your Toes

For on-the-job foot health, keep your shoes in step with your work.

Foot-care specialists recommend wearing rubbers or boots when working in wet surroundings. Reinforced caps are essential when there's danger of heavy falling objects. And if there's oil or other slippery substances underfoot, wear nonskid soles.

Also, check your feet frequently. Peeling, cracking and

itching between the toes can mean athlete's foot, a skin fungus infection that afflicts 16 million Americans every year—typically, men in the 20- to 34-year-old group.

Podiatrists recommend the application of a fungicidal cream for immediate topical treatment of fungus infection and the regular use of a medicated powder to help reduce the risk of re-infection. Among these medications is Tinactin cream and powder, which account for 90 percent of the prescription market. Tinactin only recently became available without prescription at drug stores nationwide.

"If it came to it, I'd rather have stalks and T-E Liquid Feed Supplement than wheat."

Says Carl Chandler of Tulia, Texas

Mr. Chandler has been feeding T-E Liquid Feed Supplement for three years. Last year he ran 80 mother cows and 70 calves on grain sorghum stalks, from October through February, with T-E Liquid Feed Supplement fed free choice.

With one animal per ten acres, and salt fed free choice, the average daily consumption of supplement was 1.3 lbs. per head.

Rate of gain for his calves was 2 lbs. per head per day.

When Mr. Chandler takes his cattle off stalks, he puts them on grass. And he keeps T-E Liquid Feed Supplement out year round. Because, says Mr. Chandler, "The cows just do better and my calf crop is larger."

1951 Chieftains Compiled Some Top All-Time Marks

Twenty years ago this fall the Friona Chieftains came up with one of the best teams in the school's history. But an "off game" and a key injury cost the Chiefs the district title, and knocked the team out of the playoffs.

The 1951 Chieftains finished with a 7-2 record. The team holds the distinction of being the highest scoring team in FHS history, racking up 273 points, an average of 30 points per game.

On defense, the '51 team also stood out, allowing just 47 points all year. Four of the wins were shutouts, and only two teams scored two touchdowns against the Chiefs that year.

One of those teams was Happy, and that 14-7 loss knocked Friona out of the district championship.

In the other district games, Friona held wins over Anton (33-12), Petersburg (38-6), Bovins (52-6), Farwell (60-0) and New Deal (32-0).

The team's other loss was a 9-6 non-conference squeaker to Hereford--a game Raymond Cook, the team's coach, says Friona should have won "if we could have forgotten we were playing Hereford."

The other non-conference games resulted in wins over Springlake (6-0) and Vega (39-0).

The 1951 team in many ways paralleled the 1964 Chieftains, who took an 8-1 record into their final district game at Floydada, only to lose the game, and the district title, 7-6, although beating the Whirlwinds in every other department.

Friona was 4-0 for the season and 2-0 in district play in 1951 when they went to Happy--just about the smallest school in District 3-B (This was toward the end of Friona's competing in Conference B).

Starters for the 1951 Chieftains included Darrell Robbins, quarterback, Frank Reed, fullback, D.O. Robason, wingback and Jay Cobb, halfback.

On the line, it was Ross Miller and Frankie Allen, ends; Doyce Barnett and Walter Haws, tackles; Virgil Phipps and Max Wells, guards, and Max Cruise, center.

Cook recalls that Allen was hurt early in the Happy game, and this seemed to affect the team. "They were hitting pretty hard. I think I got kicked in the head, causing me to miss the last three quarters," Allen said this week in retrospect.

The halftime score at Happy was 7-7, and although Friona threatened time and again in the second half, that was to be all of their scoring, as Happy claimed a 14-7 win and went on to take the district title.

Almost as hard to take was the 9-6 loss to Hereford, although this was a non-conference game. Friona never had beaten the Whitefaces, and for a time, it appeared that they might break the jinx. Hereford had beaten the team pretty bad (34-12) the year before, and the Chiefs really wanted to win the game. The game account in the Friona Star said that a few toothaches were acquired for the "Town Without a Toothache," testifying to the game's hard-hitting nature.

Another game which stands out in the players' minds was the Bovina game, a contest won by Friona, 52-6. However, it was the weather, and not the score, that players remember.

"A cold front had blown in, and the temperature was down to about 10 degrees at game-time. We all bundled up, and wore gloves to try to keep our hands warm. We still almost froze to death," one of the players recalls about the game

Chiefs To Face BR

The Friona Chieftains will climax their second week of workouts by hosting Boys Ranch for a scrimmage game on Thursday. The session begins at 7 p.m.

Scrimmage rules will prevail, with each team having the ball for a set number of plays.

Coach Bob Owen said that the team was progressing normally. He said spirit and attitude was good on the squad, and that they were anxious for some outside contact, such as the Boys Ranch team should provide.

A week from Friday, the team has another scrimmage scheduled, at Springlake.

20 years later.

Barnett and Robbins were team captains.

The team ran a single-wing formation. Halfback Jay Cobb and fullback Frank Reed were the workhorses and leading scorers, as a running game was the primary feature.

"We had one play we called the Cross 7, which went between the left tackle and left end. It seemed to work pretty well. Then there was the Right 7, on the other side of the line. We had some good blocking, and this was the key to our offensive success," Frankie Allen recalls.

POLL RESULTS

Dist. Coaches Pick Floydada For Title

By DON HENRY (Special to The Friona Star)

L.C. Wilson didn't waste much time in getting established at Floydada. He has won two championships in three seasons there and now, Wilson's fellow coaches in 3-AA have picked him for another title.

The seven opposing coaches in 3-AA were unanimous in picking Wilson and the Whirlwinds for a third straight championship.

Although the poll found Floydada to be the solid favorite, the coaches were in solid agreement that this could be a very interesting year, with a group of challengers almost as large as the district. From every point came forecasts of a dog-eat-dog season.

Coaches were asked not to vote for their own teams, and on a basis of seven votes for first, six for second, etc., Floydada came out with a perfect 49 points. Rest of the way, the coaches sized up the 1971 campaign with Littlefield second with 36 points, followed by Abernathy, 33; Dimmitt, 31; Olton, 30; Lockney, 24; Friona, 12; and Morton, 8.

When Wilson blew his whistle August 16 to open fall workouts, he found only nine lettermen on hand: he had lettered 35 after last year's championship season. And from the nine veterans, Wilson had three offensive and three defensive starters.

Coach Wilson, who had a string of winners at Winters before coming to Floydada three years ago, will be out to rebuild his offensive line before hitting district play. Only spot with holdover starting experience is center where Kim Rose (210) returns.

The Whirlwinds have two experienced hands at carrying the ball in halfbacks Walter Harris and Van Mitchell, Harris going 145 pounds and Mitchell 180. Filling in at fullback could be 205-pound Jim Kunkel, who worked on the junior varsity last season.

The championship battle could come off at Littlefield November 5, if the coaches are correct in their forecasting. This is the night the Wildcats play Floydada.

The Wildcats will be out to reverse last year's 1-9 record under new coach Jerry Blakely. Last season, Deverette Lewis suffered a severe heart attack during play and had to leave the coaching to assistants. And after the season was completed, Lewis resigned because of the illness.

Blakely was hired after leading Olton for two seasons, and at Littlefield, he found a stack of lettermen and returning starters but very little speed. Six offensive and seven defensive starters are back.

Anchoring the line will be 210-pound Danny Estrada, and the backfield will be led by runningbacks Dennis Hartley and Ralph Funk, both with extensive experience.

Just about any finish for the Wildcats will have been forecast, since they were picked all the way from first to sixth in the poll.

Abernathy's bid for its third-place prediction rests heavily on the shoulders of 15 lettermen and coach Luke Nickerson. The lettermen club includes six offensive and defensive holdovers from last year. The Antelopes only graduated seven lettermen, leaving them with adequate experience.

The experience is good at quarterback and in the line. Returning at quarterback is Dave Deavenport, who can give the Antelopes a solid passing attack. Adding to that backfield experience are returnees Bobby Rogers at halfback and Johnny Hemphill at fullback.

Nickerson's experience in the line includes tackles Ruwayne Struve (215), and Steve Phillips (190) and guard David Lovelace (195). Another veteran, Jackie McLaughlin, has been moved from tackle to center.

Dimmitt looks to four offensive and five defensive returning starters from last year's 7-5 team in its championship challenge. Coach Brown L.

Smith is looking for a starting quarterback in fall workouts, as well as remodeling his offensive line.

The Bobcats have adequate line size, starting with 210-pound Pat Barrios, and 190-pound Hollis Ammen.

Key to the ground-gaining department is 153-pound Daniel Frierson, who led the team in scoring and rushing yardage last season.

Olton lost its head coach to Littlefield, but the Mustangs still have their offensive punch. Back for another season is Steve Stockdale, one of the finest passers on the South Plains, all classes considered. Stockdale has been throwing touchdowns since his sophomore year.

And again this season, he will have a pair of runners to make (Continued on Page 8)

WINS, TENURE

Owen Now Third On FHS Coaches List

Coach Bob Owen begins his fourth year as head coach for the Friona High School Chieftains this fall. Owen will be only the third coach in the history of FHS to hold the head coaching position as many as four years.

The only coaches with more tenure at Friona have been Raymond Cook (six years) and Don Light (five years). Owen served as assistant under Light, so he is beginning his ninth year in the school system.

Other coaches who spent three years at the helm of the Chieftains included Bill Stevens (1931-33), Eddie Williams (1940-42) and Colie Huffman (1956-58).

With last year's 6-4 season, Owen also moved into third place for all-time coaching records at FHS, with 17 wins against 13 defeats. Owen replaces Huffman, whose three-year mark came to 15-13-2.

FRIONA MOTORS

**Service Angle Stressed
As Vital By Ford Dealer**

Friona Motors was established by Oscar Baxter and Cordie Potts in 1958. Baxter says his policy has been to try to give the best service possible.

Baxter says he thinks a good service department is a big asset to an automobile dealership. He said he thought that a bigger percentage of the Friona area residents have bought their automobiles locally in recent years, and that he believed that service was the reason.

"At a large (metropolitan) dealership, they tend to slight service after a sale is made. People are getting more service minded all the time, and that's why we think it's important," Baxter says.

He added that the local Ford dealership had received fewer complaints to Ford Motor Company than any other dealer in the district.

Mr. and Mrs. Baxter moved to the Friona area in January of 1942, from Elk City, Oklahoma. In 1952, Baxter bought Friona Motor Company, the Ford tractor dealership here, from Dudley Green and Archie Scott.

The Ford Tractor dealership was located at Main and U.S. Highway 60, at the present location of Grace's Cafe.

In 1958, Baxter and Potts bought the Ford automobile agency in Farwell from Morris McKillip, and moved it to Friona, opening in business at the company's present location.

The Baxters, who have been the managing partners, state that they have had a most pleasant association with the Potts family in the business. "There couldn't be any better business partners anywhere," they say.

At the present time, the company has 11 people on the payroll, as opposed to four when Baxter started in business.

Like many Friona businesses, Friona Motors has a family flavor. Mrs. Baxter has served as bookkeeper for many years.

Baxter turned the management of the business over to Troy Young, his son-in-law, almost a year ago. Their son, John, works at the business when he is not attending West Texas State University. He will be a senior there this fall.

C.H. Veazey, a native of Friona and veteran with 14 years of experience in the parts business, is head of the company's parts and service department.

Asked what the biggest change had been since he had been in the automobile business, Baxter jokingly replied "Prices!" He added, more in the serious vein that he thought quality and styles had changed radically in the 13 years since Friona Motors was founded.

He commented that while many of the new safety devices are helpful, the government requirements have a way of causing automobile prices to increase.

The Baxters have four children, Mrs. Troy (Gladys) Young, Mrs. Boyd (Carolyn) Pipes, Mrs. Steve (Willene) Grundy, now of Albuquerque, and John Baxter.

The Baxters have ten grandchildren.

Two of their children, Willene and John, had outstanding records in school at Friona. Willene had 11 years of perfect attendance, and John had nine years. "There were times when both wouldn't feel like going, but they went anyway," Mrs. Baxter says.

Baxter is an elder in the 10th Street Church of Christ. He is a former member of the Friona City Commission. He served on the school board at Rhea prior to consolidation.

About a year ago, Baxter turned the management of the business over to Young, who has been associated with him in Friona Motors since 1958.

Baxter devotes a good deal of his time to his farm, 450 acres on the Texas-New Mexico line, where wheat and milo are the major crops. Boyd and Carolyn Pipes and family live on the farm.

Young was raised at Spade, near Littlefield, moving to Friona in 1955. He is a member of the Friona City Council, the Friona Volunteer Fire Department, helped form the Jaycee chapter several years ago, and has been active in Little League and Girl Scout work.

"I think Friona is as good a place in which to live and work as any in the world. I've been to many other places and I much prefer Friona," Young states.

The Youngs have four children, two boys and two girls. They attend the 10th Street Church of Christ.

The company recently added the Open Road line of campers and vans to its list of products.

Friona Motors is currently undergoing a remodeling project, with the showroom walls being paneled and the place and grounds getting a general "sprucing up."

The folks at Friona Motors invite you to visit them anytime you need service on your automobiles, regardless of its make or model.

Grady Morton Services In Hereford

Funeral services for Grady Morton, 61, a resident of Hereford for the past 30 years, were conducted from Central Church of Christ there at 2:30 p.m. Tuesday with J.T. Marlin officiating.

Morton, who was born in Cheyenne, Wyoming, was married to Sara Bell, who survives, in 1930 in Portales. He was a member of the Church of Christ and an employee of Circle Three Feedyards. He died in Deaf Smith County Hospital Sunday following a brief illness.

He was the father of Joy Morton, who has been an English and speech teacher in Friona High School for the past several years.

Other survivors include two sons, Wendell Morton of Sunray and Harold Morton of Clovis; four other daughters, Mrs. Leroy Widner and Mrs. Norman Taylor, both of the Rhea Community; Mrs. Niles Clup and Mrs. Bill Bryant, both of Hereford.

Also two brothers, Bill and Lon Morton, both of Hereford, and one sister, Mrs. Edna McCullough of Clovis.

Burial was in West Park Cemetery.

We've added some more keys to our supply of unclaimed items in the Star office. If the shopper who left two GM keys and one Schlage key on an unmarked ring at S & R Fabrics last week will come by, we will be glad to return them.

Friends of Robert Taylor, who is a former teacher and coach in the local school system, will be glad to know that he is presently the high school principal at Wilson, which is near Lubbock.

At least one Frionan, and possibly two, will regret having him move from Morton. Karen Ann Agee, who was a student when Mr. Taylor was here, is teaching in the Morton school system this year. Then if Dennis Howell hasn't moved since I knew where he was teaching, he is also a teacher in Morton.

Recent rains have been very good for most crops in the area, but they have also been very good for weeds. Vacant lots which haven't produced any weeds during the drought have a thick overgrowth right now. That is, if they haven't been mowed.

Carl Maurer, who works at keeping weeds from taking over the Congregational Church property in the northern part of town, was thinking about bringing a shredder in from the farm early this week. However, he said, "If it rains one more time the weeds will be so tall, a shredder will not even cut them."

Some corn growers were having difficulty getting ensilage cutters through their fields early this week.

Activity in the vicinity of local schools Monday and Tuesday indicated that we must have an increase in enrollment this year. The mothers of elementary pupils seemed to be enjoying visiting with one another as they stood in lines with their children.

Most of them agreed that this had been the shortest summer ever and very few of them were expressing their feelings about being "glad to have the kids back in school."

Many of our young people are going to college and trade schools and their departure always leaves vacancies in our town, homes, churches and places of business. Several families including the Glenn Floyds, Marion Fites, Ralph Smiths, Ray Murphrees and Paul Fortenberrys are sending their youngest ones to college for the first time.

Then, there are a few families who have two leaving at once. Coach and Mrs. F.G. Crofford and Mr. and Mrs. Raymond Schueler had two children in the graduating class. The Crofford twins will be in Lubbock and Dale Schueler is going to College Station while his sister, Kathy, is in Austin. The Schuelers also have an older daughter, Shirley, who will be in Denton. Guess they can just take off a week and drive through the central part of the state and visit all three of their college kids.

By the way, if you want your college students to get a copy of the Star each week, just phone 247-2211 and order a school subscription for \$5.25.

Then, too, we want all of you to keep in mind that we are interested in news concerning your college or trade school students. Sometimes we get information from the different schools and sometimes we don't, so if your favorite students make the honor roll, is selected for some athletic, scholastic or other honor, let us know.

With Maize Days just around the corner, we need to be making plans to take part in the celebration. There is a lot of work to be done and nothing which is planned can be a success unless there are participants.

This is a community wide project, so let's all pitch in and make it the best one ever.

A juncture in a trial had been reached when the court advised the attorney to withdraw his client and give him the benefit of the best advice he could think of.

After fifteen minutes, he returned to the courtroom without his client.

"Where is the prisoner at the bar?" asked the judge. "He's skipped," replied the lawyer. "That was the best advice I could give him."

Some trees up and down Friona streets apparently have been confused by the unusual weather we have been having. If you haven't seen the red, yellow and gold tree in the yard of Bill and Rita Beene's home, remember to drive by and look at it.

I'm thinking it is an aspen, but regardless of the kind of tree it is, there isn't more color in a single tree in the mountains of New Mexico. I'm sure of that.

Miss Texas REC Crown Given To Slaton Girl

Cynthia Lynn Akin of Slaton was crowned Miss Texas Rural Electrification in Dallas during the 31st Statewide Meeting last week (July 27-28) of Texas Electric Cooperatives, Inc.

Miss Akin is 17, the daughter of Mr. and Mrs. Glen D. Akin and will be a senior this fall at Slaton High School. She was sponsored by South Plains Electric Cooperative in Lubbock.

Throughout the next year Miss Akin will represent the 80 rural electric cooperatives in Texas during numerous functions and compete for the National Miss Rural Electrification title during the Las Vegas meeting in February.

Runner up in the Statewide competition was Liz Ann Henry, daughter of Mr. and Mrs. Herman A. Henry of Weslaco, representing electric cooperatives throughout south Texas and the Rio Grande Valley areas.

It's A Girl For Jeskos Mr. and Mrs. Lee Dennis Jesko of the Lazbuddie Community became parents of a baby girl at 3:25 a.m. Sunday, August 22, at Farmer County Community Hospital.

She weighed 6 lbs. 12 ozs. and was named Ginger (Name, Ginger is the fourth child for the couple. She has two sisters, Angela, 8, and Laura, 3, and one brother, Terry, who is seven.

Terry Hester Makes Top Fifteen List

Terry Hester of Oologah, Oklahoma, was one of the 15 finalists in the first annual Miss Oklahoma Teen Contest recently. She was in competition with 72 contestants from over the state.

Frionan's Kin On Play Staff

Bill Anderson, a close relative of Paul Fortenberry of Friona, has been among the 130 member "TEXAS" company for the 1971 season.

Anderson, the son of the William B. Andersons of Canyon, is a stage technician in the show. He was named the Outstanding Speech and Drama Student at Canyon High School this year. He has performed in such shows as the "Silver Whistle," "Guys and Dolls," and "Spoon River Anthology."

The talent served as president of the Canyon High School Drama Club, and was a member of Thespians.

Friona Riding Club Wins First In Parade

First place in the riding club division of the Bovina Bull Town Parade Friday was awarded to Friona Riding Club. This trophy makes the third one the club has brought home this year.

A first place trophy was received in Hereford July 3 and the following day the group won a second place in the Mulleshoe parade.

Club members making the trip to Bovina Friday included Howard Love, president, C.L. Lillard, parade marshal, Mr. and Mrs. Robert Zetzsche and Robin, Mr. and Mrs. Bill Pankrat and daughters Ann and Joan, Mr. and Mrs. George Jones, Shasta and Shawna Hadley, Estis Bass and Curtis Butler.

Son Born To James Wilsons

Mr. and Mrs. James Carroll Wilson of Route 2, Friona, became parents of a baby boy at High Plains Hospital, Hale Center, Wednesday, August 11.

He was named David Mark and weighed 6 lbs. 1 oz. He is the first child for the Wilsons.

Grandparents are Mr. and Mrs. D.J. Hooper, Hale Center; Mrs. E.E. Masters, Cotton Center; and Winston Wilson, Friona.

The great-grandparents are Mr. and Mrs. Charlie Blair, Abernathy, and Mr. and Mrs. Jack Hooper, Hale Center.

What Does The Bible Say?

"Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (Romans 5:1) This statement naturally raises this question: "How does faith save?"

Colossians 2:12 reads, "Buried with him in baptism, wherein also ye are risen through the FAITH of the operation of God, who hath raised him from the dead." Thus faith and baptism work together for one's salvation even as Christ said, "He that believeth and is baptized shall be saved" (Mark 16:16).

When believers in Christ asked the question, "What shall we do?" they were told, "Repent and be baptized every one of you for the remission of sins," and "Save yourselves from this untoward generation." (Acts 2:38-40).

Those who received Peter's words were baptized and in so doing they were obeying the commandment to "save themselves." Thus they demonstrated the answer to the question, "How does faith save?" It saves when one who has faith in Jesus Christ as the Son of God does that the word of God tells him to do.

Beauty Reaches Great New Heights

Today, the sky's truly the limit when it comes to beauty. That's because "Beauty Takeoff Tours" are now being offered to gals who'd like to master the latest makeup, hair-styling and fashion techniques in — believe it or not — only two days.

How is that minor miracle possible? Simple! American Airlines is offering the know-how of its famous Stewardess College near Dallas, where the expert professional styling staff will teach beauty secrets to tour participants.

After a comfortable flight to Dallas, gals on tour will be luxuriously whisked by limousine to the Inn of the Six Flags, dormitory for the no more than 20 women taking each unique "college" course. Classes are kept small to allow plenty of time for individual instruction.

At the Inn, there will be time for swimming, sunning, sightseeing and shopping. But beauty will still be the main business of the day.

The first day's business will be devoted to makeup, visual

Family Gathering Honor C. Tannahill

Lt. Chris Tannahill, who is serving in the 283rd Medical Detachment of the U.S. Army and currently stationed in Viet Nam, left Wednesday after spending a two week leave with his wife and son, Mrs. Glenda Tannahill and Jimmy, and parents, Mr. and Mrs. C.W. Tannahill, all of Friona.

Saturday evening the C.W. Tannahills hosted an outdoor supper. Out-of-town guests were Mr. and Mrs. Joe Reeve and Mr. and Mrs. Eugene Tannahill, Donna Kay and Larry, all of Lockney; Mr. and Mrs. Michael Hale, Midland; Mr. and Mrs. David Pleasants, Austin; and Mr. and Mrs. Craig Tannahill and children, David and Jennifer, of Seymour.

Others present include Mrs. Lets Tannahill; Mr. and Mrs. John Taylor; Mr. and Mrs. Johnny Tannahill and daughter, Lory Ann; and Lt. and Mrs. Chris Tannahill and son, Jimmy.

Later in the evening Mr. and Mrs. Floyd Reeve and daughters, Debbie and Denise of Friona and Bobby Hodges of Oklahoma City joined the group.

Then on Sunday guests in C.W. Tannahill home were Mrs. J.B. Allen, Lockney; Mr. and Mrs. W.B. Allen and daughter, Susan, Crosbyton; the David Pleasants of Austin; the John Taylors, the Chris Tannahills and the Phillip Weatherlys, all of Friona.

Lt. Tannahill flew from Lubbock to Los Angeles Wednesday afternoon. He was met there by an uncle, Bill Allen of San Diego, for a visit before time for his departure for Long Bin, Viet Nam, where he is an ambulance helicopter pilot.

Eldon Long Graduates

Eldon Long, son of Mrs. Billie Long and the late Wes Long, was among the 401 graduates of West Texas State University, who participated in the Summer Convocation at 8:00 p.m. August 12 in the Amarillo Civic Center Coliseum.

Long, who is a 1966 graduate of Friona High School, received a bachelor of science degree with a major in psychology and minors in business and sociology.

Sixty Persons Attend Baxter Family Reunion

Sixty children, grandchildren, and other members of the family of the late Mr. and Mrs. J.W. Baxter met at Estes Park, Colorado, August 14 and 15 for a family reunion.

Plans were made for the 1972 reunion to be held at the same place August 5 and 6, 1972.

Children of the couple, who were present with their husbands and wives, were Lonnie and Charley Baxter, both of Clovis; Louis Baxter of Chivington, Colorado; Clarence Baxter of Rye, Colorado; Bill Baxter of Faith, South Dakota and Mrs. Miles Robbins of Ellum, South Dakota. Another daughter, Mrs. Calvin Martin, and her husband of Friona, were

Linde-Layle Snead Arrives Sunday

Linde-Layle is the name Mr. and Mrs. Jimmy Snead of Clovis chose for the baby girl born to them at 1:20 a.m. Sunday, August 22, at Clovis Memorial Hospital.

She weighed 6 lbs. 1 oz. and is the first child for the Sneads.

Her grandparents are Mr. and Mrs. R.E. Snead and Mrs. W.H. Long, all of Friona.

Great-grandparents are Mrs. J.B. Snead Sr. and Mr. and Mrs. E.H. Bradshaw, Friona, and Mr. and Mrs. I.H. Gray of Sabine Pass, Texas.

Coffee Is Annual Event

An informal "Mother's Day" coffee was held in the home of Mrs. Bob Alexander Tuesday morning following the registration of school children.

Coffee, nut breads and hot hors d'oeuvres were served from the buffet.

Among those in attendance were Mrs. Wesley Barnett, Mrs. Hollis Horton, Mrs. Jerry Loflin, Mrs. Dale Smith, Mrs. Jon Mac Roden, Mrs. John Fred White, Mrs. Bill Ellis, Mrs. Lee Spring and Mrs. M.C. Osborn.

The "Mother's Day" coffee was started last year on back-to-school day by Mrs. Lee Spring and promises to be an annual affair.

Frionans Attend Fort Worth Meet

Six Frionans attended the American Association of Riding Clubs and Sheriffs Poses annual play day, which was held at Will Rogers Museum in Fort Worth last week. They were Mr. and Mrs. C.L. Lillard and Scott and Mrs. Robert Zetsche, Bobby and Robin.

Mrs. Zetsche and children also visited in the homes of Mr. and Mrs. John Blair in Fort Worth and Mr. and Mrs. Joe Dodd and daughters in Irving.

H. A. Hydes Have Guests

Recent guests in the home of Mr. and Mrs. H.A. Hyde have been Rev. and Mrs. Omer Hyde and family, Olympia, Washington; Mrs. Haskell Bolding and children, West Palm Beach, Florida; Rev. and Mrs. Don Kimbrough and children and Mrs. Tom Cline and Jay Maxwell, Tacoma, Washington.

The Hyde family went in a group to Watonga, Oklahoma, to attend the wedding of Treva Hyde, daughter of Rev. and Mrs. Omer Hyde, and Warren Hall of Tulsa August 14.

This young man and his DAPPER DAN playmate are experiencing the more fascinating aspects of dressing up. DAPPER DAN, an educational pillow doll from Playskool's Tyke world collection, is as cute as a button, snap, buckle, lace and zip — with four complete outfits to teach junior how to dress just like dad.

Sheriff Tells Names For Petit Jury Duty

Sheriff Charlie Lovelace this week announced the names of 100 county residents for petit jury panels for August 30, September 1 and 2.

Lovelace said that court to be conducted during the week would involve all civil cases. He pointed out that under a new law, the jury panels could be divided, saving all jurors reporting the same day, and having to make more than one trip to the court house.

Those summoned for duty included:

ON BOOKMOBILE

Multi-County Library Board Has Meeting

The Multi-County Library Board met with Bookmobile librarians, Mrs. Joe Sooter and Mrs. Bob Henderson, Tuesday, July 27 at the Corral Restaurant in Muleshoe.

Board members at the meeting were Cochran County Judge Glenn Thompson; Bailey County Judge Glen Williams; Lamb County Judge C.T. Sides; Parmier County Judge Archie Tarter; Mrs. Ray Carter of Norton and Mrs. Eddie Beene of Needmore.

Guest at the meeting was Mrs. L.B. Hall who told the board members about housing the bookmobile, bookmobile library facilities and workspace in the new library building.

Board members discussed the budget for 1972 and Mrs. Sooter was instructed to prepare a proposed budget for presentation to the commissioners court in Bailey, Parmier, Lamb and Cochran Counties based on the 1970 census.

Mrs. Sooter will send the budget to the judges in the four counties in the near future for presentation.

Percentages the four counties contribute for the upkeep and operation of the bookmobile are Lamb County 42; Bailey 20; Cochran 13 and Parmier 25.

Mrs. Sooter also said the county judges and library users in each county will have electrical outlets installed on light poles at the bookmobile stops to enable the bookmobile workers to have air conditioning and heat when needed.

Following the meeting, the board members toured the new library building on West Second Street in Muleshoe.

The carrot was first introduced into England from Holland in the sixteenth century.
