## Lockney Game Moved Up Day

A former ex-Friona Chief-stain great, Doug Dodd, is having a successful year in his first year as a head coach, we learned this week.

Dodd, who served as an assistant to Coach Bob Owen last year in his first coaching assignment since graduating from college, is coaching at Elmore City, Oklahoma, which is near East Central State College, (Ada), where Dodd, starred for four years after graduating from FHS.

In his first crack at head coaching, Dodd's team is having a year reminiscent of one in Friona some seven years ago-- when as a player Dodd helped coaches Don Light and Bob Owen reverse a losing trend at FHS.

The date of Friona's final football game for the 1970 season, originally scheduled for November 13 against Lockney, here, has been moved up a day and will be played on Thursday, November 12, at 7:30.

The game date was changed due to the fact that Friday is the date for the district teachers' meeting in Amarillo.

## Board Meeting Is Postponed

The regular monthly meeting of the Friona Independent School District's board of trustees has been postponed a week, according to Superintendent of Schools Alton Farr.

The meeting, originally scheduled for Monday, November 9, will be held on Monday, November 16, to allow the school auditor to finish their annual audit.

## Team Seeks To Bounce Back With Win At Morton Friday

The Friona Chieftains will journey to Morton on Friday in an attempt to bounce back in the win column, after two straight weeks of playing the top contenders for the district title.

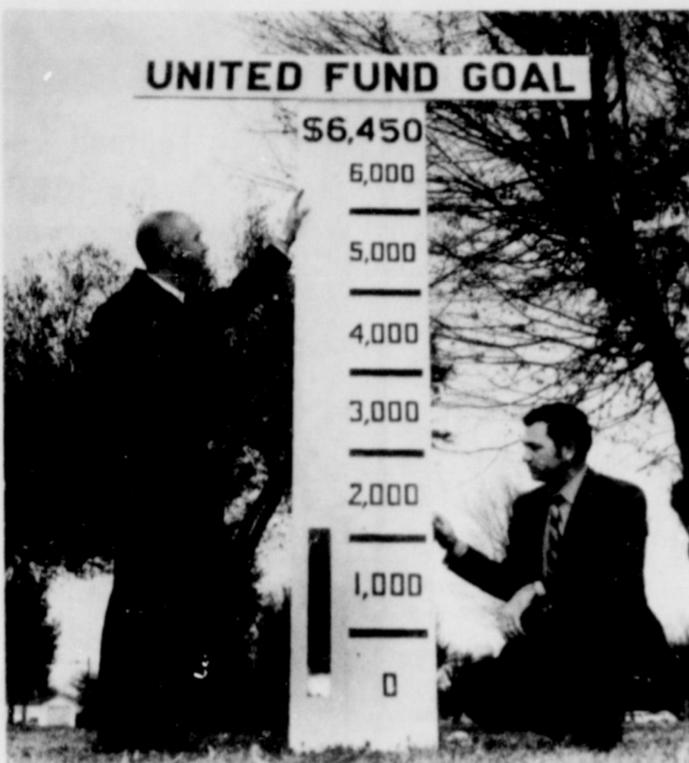

Coach Bob Owen said this week that he was proud of the team's showing against the powerful Floydada whirlwinds last week, when Friona held them to their lowest point total (28) of the season.

"The boys realize that if they play their next two games like they did their last one that they could finish with a 6-4 record for the season," Owen said. This would be much better than most people thought the team would do prior to the beginning of the year.

Morton, although 2-6 for the season, has a team capable of beating almost anyone on a given night and Coach Owen says he just hopes it won't be Friona on Friday.

Quarterback Keith Embry is a capable passer. Terry Harvey, whom Friona has seen before, is a capable halfback. A freshman halfback, Larry Thompson, has seen considerable action, and has good speed.

Coach Owen said Morton ran the same type offense as Floydada--the triple-option for their first district win, and they

OFF THE GROUND... Friona's United Fund drive is well underway. Here, the co-chairmen mark the "gauge" showing the drive at \$1600 toward the goal of \$1650. Glenn E. Reeve, Jr. and Gary Brown are co-chairmen. They are asking all workers to report on Thursday with their collections, in an effort to reach the goal early.

may run something completely different on Friday," Owen said.

The Indians' biggest man is tackle-guard M.C. Collins, at 240. He and end Monty Dewbre are described as Morton's top linemen. Harvey is said to be their best linebacker.

In the Chieftain camp, no major injuries came from the clash with Floydada. J.V. Finley had a slight hip-pointer, but was back in workouts on Tuesday.

The Friona-Morton series is a fairly old one. The teams first met in football in 1945, with Morton winning, 33-0. Morton went on to win six out of the first eight games played between the two schools before Friona got a streak started.

Under coaches Don Light and Bob Owen, Friona has posted five straight wins, and last year's 10-0 win here allowed Friona to take the lead in the series, seven games to six. Friona's biggest margin has been 26 points. Morton's has been 36. Seven of the 13 previous games have produced shutouts for the winning team.

Friona won last year's game, a 10-0 defensive battle which featured a field goal by Donny Carthel.

## Contest Editor Takes Beating On Selections

The contest editor had a worst time of it than the contestants in the eighth week of the Friona Star's Cotton Bowl football contest.

Two college games (Army-Navy and Southern Cal-Notre Dame) were listed that are not scheduled until late in November, which made the editor a little red-faced. All contestants were given two points for these games, which they perhaps will see on the slate again at their proper time.

Then there was the much-debated Kansas City-Oakland tie, which caused all contestants to receive a "miss," whether they picked Kansas City or Oakland. Thus, the best possible score for the week was 13.

Frank Castillo claimed first place money of \$5.00 for the week. Mrs. B.C. Hartwick was second, and Jerry Hinkle was third. All had scores of 12. Mrs. Hartwick received \$3.00 and Hinkle got \$2.00.

Castillo won out on the basis of the tie-breaker score, on the Friona-Floydada game. He missed it by only seven points.

## NIX LIQUOR, 5-1

# Voters OK Smith, Bentsen Locally

Friona voters gave a wide margin to Governor Preston Smith in his re-election bid, gave Lloyd Bentsen and eyelash margin, and went overwhelmingly against liquor-by-the-drink in Tuesday's election.

Smith had the majority in Friona, with 523 votes to 314 for Republican Paul Eggers. Bentsen edged out Bush in the Friona box, 421-415.

The liquor proposition was mixed by Friona voters, 762-160, or about five to one.

County totals favored Smith, with 1381 votes, to 796 for Eggers. Bentsen showed a 143-vote margin, 1156-1013.

The liquor amendment was turned down in Parmer County, 1756 to 459. The county margin here was approximately four to one.

Bentsen carried five precincts, plus the absentee box. He lost Farwell, 192-175, Lakeview, 30-26 and Rhes, 28-19.

His biggest vote percentage was at Oklahoma Lane, where he won, 94-35, or almost three to one.

Smith carried every box in the county with the exception of Rhes, which Eggers won, 29-17.

County voters went against four of the seven amendments, also voting against number three (uniform assessment), four (revamping State Building Commission) and seven (consolidating governmental offices.)

Friona voters okayed the same three proposed amendments (numbers one, five and six) that those throughout the county approved.

The voter turnout was considered good, with 849 voting in Friona. This was 60 per cent of the registered voters.

This was 170 more than voted in the last non-presidential governor's election in 1966, and 276 less than voted in 1960, a presidential year.

A total of 2220 voted in the county, including 56 absentees. An interesting statistic was the

absentee vote on liquor by the drink, which was opposed by only seven votes, 34-27.

This amendment, along with the hot senate race, probably accounted for the good turnout, even though there were no local races to entice voters.

## Deposits At Friona In Healthy Trend

Deposits at Friona State Bank for the quarterly statement issued as of October 28 showed a nice increase over a comparable statement a year earlier.

The total deposits at the local bank on the above date were

\$11,582,463.07. This was an increase of \$650,121.03 over the figure of \$10,932,342.04 on October 29, 1969.

Total assets at the bank stood at \$12,984,215.30. This was a net increase of \$1,023,046.57 over the total of \$11,961,168.73 a year earlier.

The only major figure which showed a drop was in the loan category, which fell off by \$1,951,917.27 from a figure of \$8,385,342.30 a year ago to \$6,433,425.03 this time.

A good maize crop, described as "better than average," with good market price, can be attributed as providing a portion of the gain, although much of the maize had not been sold as of the statement date.

The quarterly statement continues to paint a rosy picture for the economic conditions for the Friona area, which is one of the top areas in the state.

## Maize Virtually In -- Cotton Gaining Steam

With the maize harvest virtually 100 per cent complete, harvest operations moved forward on two other crops in the Friona area this week.

Temperatures reached into the low 20s two days this week, and this aided in getting the cotton ready for stripping. The hard freeze helped rid the cotton plants of the remaining moisture in the plants and facilitate harvest by mechanical strippers.

The early cotton ginned surprised ginners by its quality and yield. "It's looking better than I thought it would," said one ginner about his receipts to date, but added that the early harvesting was being done in the better fields.

Cotton ginnings in Friona approached 1500 bales on Wednesday morning, and ginners expected to get into full swing if they receive a break from the weather. Tuesday's early snow flurries and cold weather halted harvest work.

Sugar beet harvest was said to be past the midway point. Yield and sugar contents in this year's crop of beets is said to be much above that of last year's, which was the lowest since

beets have been raised on a major scale locally. The maize harvest, concluded with the possible exception of a few isolated patches, pleased most farmers with a better than average turnout. Harvest was completed in about an orderly fashion as it has been in several years.

## Frionans Asked To Fly Flags Veterans Day

Next Wednesday, November 11, will be observed as Veterans Day. Friona's American Legion Post asks residents and businesses to fly their flags all day in honor of those who have given their lives protecting their country.

It will be the last time for the holiday to be observed on November 11, as has been the case for many years. Originally, the holiday was termed "Armistice Day," honoring the end of World War II.

Beginning next year, the holiday will be observed on the second Monday in November as it will continue to fall. This is in keeping with laws passed a few years ago changing some of our legal holidays to fall on Monday.

## Pause and Reflect

By Nelson Lewis

Publication dates and deadlines being such as they are this is necessarily written before Tuesday's election returns are in.

Therefore we cannot comment on the choice of the electorate and since the public has had quite enough of polls and predictions there will be no forecast offered herein.

Partisan politics has never been the purpose of this column (although the writer has been accused by all parties as being strongly in favor of the opposition.)

We have tried to encourage appreciation of citizenship and very often, according to some critics, we have shown the real and present danger of communistic infiltration into the affairs of government.

We have one ambition—to promote true patriotism.

Not the idle flag waving, tub-thumping, fire alarm variety of "me-too-ism," but rather the real down to earth type of patriotism that characterizes the serious citizen.

We look forward to studying the actions, words, and voting records of the newly elected.

The day is gone when reckless campaign promises can be flagrantly ignored after elections.

Modern communication facilities, video tape, etc., can bring the black chickens of deceit home to roost.

The voice of the heretofore silent majority is likely to call a spade a spade.

We hope that we will see an increase of statesmanship rather than a continuance of under the table "politicking."

As a reminder to all those who are elected to public offices we offer the following Code of Ethics passed by the 1st session of the 86th Congress on July 11th, 1958.

• • • • •

Any person in government service should:  
I. Put loyalty to the highest moral principles and to country above loyalty to persons, party, or Government department.

II. Uphold the Constitution, laws, and legal regulations of the United States and of all governments therein and never be a party to their evasion.

III. Give a full day's labor for a full day's pay; giving to the performance of his duties his earnest effort and best thought.

IV. Seek to find and employ more efficient and economical ways of getting tasks accomplished.

V. Never discriminate unfairly by the dispensing of special favors or privileges to anyone, whether for remuneration or not; and never accept, for himself or his family, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of his governmental duties.

VI. Make no private promises of any kind binding upon the duties of office, since a Government employee has no private word which can be binding on public duty.

VII. Engage in no business with the Government, either directly or indirectly, which is inconsistent with the conscientious performance of his governmental duties.

VIII. Never use any information coming to him confidentially in the performance of governmental duties as a means for making private profit.

IX. Expose corruption wherever discovered.

X. Uphold these principles, ever conscious that public office is a public trust.

"OKAY, NOW LET'S WORK TOGETHER FOR TEXAS"

## Election Over - - Unsolved Problems Need Attention

The elections are over; Democrats, Republicans and Independents will be happy or unhappy, as the case may be, in the various areas of our great country. But now that the turmoil of elections are over, the big tasks are still ahead; all of the problems and the issues raised in the election process are still before us, and must be solved, one way or the other. And the solving of these great problems is not a matter to be left simply to those elected to office; this is a responsibility which falls upon the shoulders of all Americans, in every walk of life.

For many years it was assumed that our environment—the soil, the water, and the atmosphere—could absorb any load put upon it. Now it is obvious that Mother Nature has not been able to carry the extra stresses caused by our booming population increase - and that help must be given. The answers to this very real problem are not going to be found overnight—nor can we leave it to our politicians to solve.

Rising crime, endangering the lives and property of the people, is still with us; and although government does bear a large responsibility for the protection of its citizens, here, too, the role of each citizen can and should play a major part. It is within the power of each of us to help, in some way - and this we should do.

In many other areas—whether it is in regard to inflation, or better education, or better schools, or better health, what the individual citizen does or does not do will, in the long run, determine our future. To call upon "government" to do all is a grave error; because history shows that bigger and bigger government means less and less individual freedom. But more individual freedom calls for an equivalent proportion of more individual responsibility—and that is the goal all of us should have.

## County Among Growth Leaders, According To Chamber Survey

The West Texas area showed a population increase of 6% from 1960 to 1970, according to a study released by the West Texas Chamber of Commerce this week. Figures are based upon preliminary census figures and will change slightly when final figures are released by the Census Bureau.

Retail sales also showed a substantial gain of 58% and bank deposits were up 86%, according to F.V. Wallace of Amarillo, president of the regional organization.

The report compares population growth or loss with the economic trends for each of the 132 counties in the West Texas area. Chamber officials explained that a large percentage of the increase in retail sales and bank deposits can be attributed to inflation. After the inflation factor is removed there are still substantial increases of 13 per cent in retail sales and 44 per cent increase in bank deposits.

The report shows that Parmer County gained eight per cent in population between 1960 and 1970, using preliminary 1970 figures. During the same period, bank deposits in the county increased 92 per cent, from \$11,781,000 to \$22,595,000.

Also, retail sales increased in the county during the ten-year period, from \$10,890,000 to \$22,685,000—a whopping 108 per cent increase.

Neighboring Deaf Smith County gained 40 per cent in population, from 13,187 to 18,533. It showed bank deposits

growth of 170 per cent, from \$13,686,000 to \$36,982,000; and retail sales growth of 157 per cent, from \$21,650,000 to \$55,656,000.

Another neighbor, Castro County, grew 15 per cent, from 8,923 to 10,292; showed bank deposit growth of 135 per cent from \$7,017,000 to \$16,478,000

and retail sales growth up 97 per cent, from \$8,677,000 to \$17,104,000.

Bailey County fell in population from 9,090 to 8,172; but increased 53 per cent in bank deposits, from \$10,962,000 to \$16,786,000; and gained 42 per cent in retail sales, from \$13,063,000 to \$18,540,000.

The eastern one-third of West Texas, east of the 100th meridian, showed a larger growth than other areas in both population and other economic factors.

The Central West Texas area showed a 14% increase in population compared to a 2% increase in Southwest Texas,

VOTERS. . . Two of the 849 voters who cast ballots at Friona, Mr. and Mrs. Stanley Bengé, are shown dropping their ballots in the box. The turnout was considered especially good locally, considering the chilly weather that prevailed throughout the day.

### Former Resident Buried Tuesday

Funeral services for Henry G. Jones, 75, of Bellflower, California, were conducted there at 10:00 a.m. Tuesday, October 27. Burial was in the Barstow Cemetery. He died in a Bellflower hospital at 1:00 p.m. the previous Saturday.

### Frionans Return

Jones moved to the Friona area from Abernady in 1919. A few years later he established the Friona Barber Shop, which he operated in connection with a tailor shop until 1929. After moving to California he owned and operated a combination barber shop and beauty shop in Barstow until he retired and moved to Bellflower years ago. Survivors, besides his wife, Ione, are two stepsons, who live in California; two sisters, Mrs. Lula Darden, Ennis, Texas and Mrs. Clara Galloway, Georgetown, Texas; one brother, A.M. Jones, Abernady and a large number of nieces and nephews. Mrs. Neva Raybon, Friona, is a niece of the deceased.

Mr. and Mrs. O.B. Moyer and Mr. and Mrs. Lewis Smith returned home late last week after spending several days visiting in Phoenix, Arizona. They visited in the homes of Mr. and Mrs. Don Eitel.

The Smiths also visited Mr. and Mrs. Vaughn, who live in Dreamland Villa, and Mrs. Mildred Martin, who is a former Friona resident.

To Anne . . .  
I'm glad you are my friend . . . It means so much to me To share our little secrets Or a favorite recipe.

The day seems so much brighter  
When you call to chat a bit  
And sip a cheery cup of tea  
Or take turns to babysit.

Just to see your red geraniums  
You have planted with loving care,  
And the glow of your firelight,  
Reflects the warmth of your presence there.

You've made my life much richer,  
And I thank you in this way  
For being the kind of thoughtful friend  
Whom I never could repay.

Carol Ellis 6-ltc

**MOTEL INDUSTRY NEEDS YOU!**  
START AN EXCITING CAREER AS A MOTEL MANAGER

Americans are on the go. More than 85% of all travelers now go by car, according to an AAA survey. In a few short years the motel industry has changed from a handful of primitive tourist cabins to a nationwide network of beautiful motels. New highway building programs will further stimulate the growth. To handle this tremendous tourist trade, the motel industry is looking for new personnel with an earnest desire to make a career in this field and the attitude needed to enjoy serving the public. Men! Women! Couples! Age No Barrier! Do It Now! Start training at home for an exciting job in modern America. Training will not interfere with present job. Free placement assistance. Act today for a secure tomorrow. Write Director

## Memorial Fund Started For Accident Victim

A memorial fund has been established for Robert Edgar Overstreet, a 1968 graduate of Texas A&M University, who was killed last June 4 in an automobile accident near Vernon.

Overstreet received his degree from the Department of Animal Science and Agricultural Education, and was working toward a Master of Agriculture degree at the time of the accident.

He was the son of Mr. and Mrs. R.W. Overstreet, of the Hillcrest Community near Floydada. A brother, Charles Overstreet, is a 1970 Animal Science graduate and a freshman in the College of Veteri-

nary Medicine. A sister, Mrs. Ron Davenport, lives in Friona. The memorial fund is being established by the Junior T-Bone Club, a professional organization established by Mr. Overstreet and several other graduate students at Texas A&M. Mr. Overstreet was the club's first vice-president.

Contributions to the Robert Edgar Overstreet Memorial Fund may be sent to the Development Department, Texas A&M University, College Station, Texas.

The club intends to use the funds to advance the Master of Agriculture degree program through either scholarships or student loans.

## Mrs. Alice Fling Dies In Amarillo

Funeral services for Mrs. Alice Fling, 65, of 10392 McClure, Garden Grove, California, were conducted from Boxwell Brothers Ivy Chapel, Amarillo, at 10:00 a.m. Monday. Mrs. Fling, who had been visiting her sister, Mrs. Jim Cocannouer, in Friona became ill after boarding a TWA flight

in Amarillo Thursday morning. The aircraft returned to Amarillo Airport and she was taken to Northwest Texas Hospital, where she died at 1:20 p.m. Billy Jones, minister of Olsen Park Church of Christ, Amarillo, officiated. Burial was in Ochiltree Cemetery, Perryton.

Survivors, in addition to Mrs. Cocannouer, are one son, Bill Fling, Garden Grove; one daughter, Mrs. Dorothy Whalley, Anaheim, California; and one brother, Tillman Pope of Fort Smith, Arkansas.

Mrs. Fling was a native of Arkansas and was a retired postal employee.

## Hospital Notes

Admissions: Susie Cunningham, Friona; Karen Zachary, Friona; Alfonso Delgado, Bovina; Frankie Mathis, Friona; Luella Maurer, Friona; Lasaro Balderas, Friona; Melvin Hassenpflug, Friona; Addie R. Meeks, Farwell; Marvin C. Morgan, Friona; Danny Parker, Friona; Helen Augustine, Spur; Janet Hernandez, Bovina; Martha Sandoval, Friona; Mike L. Gowens, Friona; Martha M. Wallace, Bovina; Lala Garza, Friona; Felix Perez, Friona; Dorothy Yarnell, Hereford; Raymond Davies, Bovina; Linda Cox, Clovis; Bert Chitwood, Friona; Charles Ray, Hereford; and Gonzalo Gonzales, Jr. Friona.

Dismissals: T.C. Wiseman, Troy E. Wood, Michael Gonzales, Mrs. Benito Vasquez and baby, Leon Hart, Tony Vigil, Mrs. Larry Rust and baby, Mrs. Albino Lumbra and baby, Alfonso Delgado, Susie Cunningham, Benito Bermudez, Frankie Mathis, Sam Aldridge, Marvin A. Morgan, Karon Zachary, Helen Augustine, Addie R. Meeks, Melvin Hassenpflug, Mike L. Gowens, Mrs. Benny Sandoval and baby, Mrs. Pedro Hernandez and baby, Luella Maurer and Martha M. Wallace.

Patients In Hospital: Buster Bryan, Lasaro Balderas, Mrs. Arthur Cox and baby, Bert Chitwood, Raymond Davies, Gonzalo Gonzales, Jr., Lala Garza, A.T. Kersey, Jessie H. Orr, Felix Perez, Danny Parker, Ellen Remmsnider, Mary Lou Reynolds, Lillian F. Wheeler and Mrs. Ronald Yarnell and baby.

## Friona School Lunch Menu

Week of November 9 thru 12th Monday--steak, mashed potatoes, lettuce wedges, hotrolls -butter, green beans, chocolate cake and milk. Tuesday--frito pie, pinto beans, apple cobbler, mixed greens, corn bread and butter and milk. Wednesday--French fries, hamburgers, lettuce, tomatoes, pickles and onions, chocolate milk and fruit jello. Thursday--pizza, buttered corn, lettuce and tomato salad, peach halves and milk.

## Col. Schwartz Passes Away

Colonel Morris S. Schwartz, 72, state Selective Service director, died last Tuesday night at Brooke Army Medical Center, San Antonio, after an extended illness of three months. Colonel Schwartz had been a resident of Austin for 40 years. He was born in Cripple Creek, Colorado, and moved to Texas at the age of five. He had served in the Army for 49 years active and inactive.

During World War II Colonel Schwartz was awarded the Legion of Merit for performance of duties as Commanding Officer of the 835th Signal Service Battalion in the China-Burma-India theatre of operations.

WE ARE IN LOVE, AREN'T WE?... Tony Kirby, who is played by Ronnie McPherson, is pictured here in a scene with Alice Sycamore, to whom he is engaged. Ann Hurst plays the part of Alice, who is a member of the mad Sycamore family. This is just one of the humorous situations which arise in the three act comedy, which is being presented by members of the Friona High Junior Class in the auditorium Monday and Tuesday, November 9 and 10 at 7:30 p.m.

## Mrs. Walt Baillif Buried In Hereford

Funeral services for Mrs. Walt Baillif, Star Route, Hereford, were conducted from Wesley United Methodist Church, Hereford, at 2:00 p.m. Friday, October 30.

Mrs. Baillif was fatally injured in a two car collision Tuesday at the intersection of two dirt roads seven miles south of Hereford.

Rev. Don McWhorter, was the officiating minister.

Survivors, besides her husband, and parents, Mr. and Mrs. Roy Robertson of Hereford, include three sons, Johnny Allen, Dimmitt; Jimmy Allen, Friona and Tommy Allen of Lackland Air Force Base, San Antonio; one brother, Leroy Robertson, Littlefield; three sisters, Mrs. Ma Mae Graf, Amarillo, Mrs. Annie Ruth Kellison, Wellington and Mrs. Jerry Marchman, Hereford.

Palbearers were Bill Davis, John Stallings, Mike Solomon, Art Baker, Bill Johnson and David Moya.

Burial was in West Park Cemetery.

**Reliable Batteries**  
In 1901, the New York Electric Vehicle Transportation Company had 100 nickel-iron batteries in service, each averaging 1,000 miles of travel per month. Today, the same type of battery is used in a variety of actual and experimental electric car applications.

Now is the time to cover Windows, Doors, Porches & Breezeways FOR WINTER-LONG PROTECTION

### CONTEST RULES

1. Pick the winner of the 14 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be post-marked on Friday to be eligible, if mailed.
4. The leading contestant at the close of 12 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$30 expense money. Second place winner will receive two tickets to the Sun bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chiefs games next fall.
5. Only one entry per person.
6. To account for grand prizes, entries must be on official blank printed in the paper.
7. Contestants must be 12 years of age or older.
8. Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.

# Chiefs Play "Green" Respectable Game

KICKERS. . . The kicking specialists for the Friona Chieftains this fall are Juniors Mike Royal (kneeling) and Bobby Drake. Royal has punted for an average of about 35 yards per kick, and Drake has booted 12 of 15 extra points, plus a 35-yard field goal against Abernathy. The Chiefs go to Morton Friday in search of their fifth win of the season.

FOURTH SHUTOUT

## Eighth Graders Blank Dimmitt For 5th Win

Dimmitt became the fifth victim of the season for the Friona Eighth Grade Braves last Tuesday on a chilly evening, as Friona took over a 26-0 decision.

The Braves scored in every period except the second in bringing their season record to 5-1.

Friona scored the first time they had the ball, driving 64 yards in five plays. Big play was a 47-yard burst by Clay Bandy for the touchdown. The kick failed, but Friona had a 6-0 lead.

Dimmitt drove to the Friona eight yard line late in the half, but the Braves pushed them back and held onto their 6-0

lead at halftime.

Again driving with the ball on their first possession in the second half, the Braves lost no time in adding to their lead. The Braves covered a Dimmitt fumble at their 35 to start the drive.

It was third down and 15 yards to go when Bandy passed to David Hutson on a play that covered 25 yards for the TD. The Braves tried to run for two points, but had to settle for a 12-0 lead.

Dimmitt couldn't move following the kickoff and punted the ball to Friona, where Bandy returned to the Dimmitt 39. Two plays later Bandy got loose on a 34-yard ramble for another TD.

This gave Friona an 18-0 lead as the PAT run again fell short.

Late in the game, the Braves recovered a Dimmitt fumble at their own 34. Eddie Waggoner ran 19 yards to the Dimmitt 40 for a first down, and three plays later Bandy hit him with a pass and Waggoner went 35 yards to score. Kevin Welch ran the two-pointer for the final margin of 26-0.

Dimmitt fumbled the kickoff, and Friona recovered on the 'Cat 36-yard line, but time ran out before the Braves could mount another drive.

Friona	8th	6	0	12	8--26
Dimmitt	0	0	0	0--0	

Although the Friona Chieftains did not seriously threaten the state-ranked Floydada Whirlwinds in their district-counter last Friday night, Chieftain fans by and large thought their team played a poised game in the 28-0 loss.

Friona moved the ball well against the touted and heavily-favored Whirlwinds, picking up more yards rushing (164) than they had in at least four of their previous games, although the powerful Whirlwinds toughened when necessary, and handed Friona its first shutout of the 1970 season.

Floydada, although not packing as much punch as you'd expect from the state's number two team, did show flashes of greatness. And then, too, they were up against a team bent on an upset, and probably didn't figure on as tough a game as they got from the Chieftains.

That old bug-a-boo, penalties, hampered two Friona drives, and contributed as much as anything to keeping the Chieftains scoreless. The Chiefs did better than in most games, picking up only four penalties, but two of them came when the team was on drives, and both of them resulted in the team having to surrender the ball.

Floydada looked good on its first offensive thrust. The Whirlwinds took the opening kickoff and proceeded to drive 76 yards in 10 plays for the lead touchdown.

Halfback Walter Harris, the district's leading scorer, sparked the drive, picking up 52 of the yards, including runs of 19, eight and 14 yards.

Whirlwind quarterback Andy Hale, who is the best on the option play that the Chiefs have faced in many moons, worked the play to perfection on three plays of the opening drive, including the final one, which went for 14 yards as Harris went untouched around the left end for the TD. The kick for point was wide, leaving Friona fans still hopeful, with only a 6-0 deficit.

Friona had a good drive going against the touted 'Winds late in the quarter, Don Fortenberry threw a perfect strike to Bill Bailey on a third-down play which moved the ball to the Floydada 41. Facing another third down, Fortenberry again passed, and Floydada was called for pass interference against Bailey, giving Friona a first down at the 30.

This excited the Friona fans, but on the first-down play, Fortenberry was hit hard as he rolled out on the option play, and as the ball squirted free Floydada claimed it, stopping the drive on their own 21.

On the second play of the second quarter, Friona got the ball back when Johnny Bandy intercepted a Floydada pass and ran it back to the Whirlwind 45.

However, the possession was short-lived, as Wesley Clark

coughed up the ball after a six-yard gain and a bone-rattling tackle at the Whirlwind 36.

Showing they could move through the air, Floydada got its second touchdown on passes which covered 76 yards in two consecutive plays.

The capper was a toss to fullback Mike Burk, who took the pass about 10 yards past the line of scrimmage on the dead run, and charged the rest of the way to the goal on a 56-yard TD play. Seeking to make up for their first PAT miss, Hale passed to Andy Selman for two extras, and it was 14-0.

Friona couldn't move the ball following the kickoff, and had to punt. They kicked the ball to end Steve Puckett, and this was one of their worst mistakes of the night.

Puckett fielded the ball at his own 30 and raced down the left sideline, got a clearing block at about the Friona 25 and cut back inside, on a dramatic 70-yard punt return for a TD. The kick made it 21-0, and the two Floydada scores had come within a minute and 30 seconds.

Friona had another drive going late in the half, as halfback Bill Bailey ripped off a pair of good gains, but a 15-yard holding penalty against the Chiefs erased a first-down plunge by Fortenberry and this forced the team to punt.

Late in the third quarter Floydada again went to the air, and passes to Harris, Puckett and Selman moved the ball downfield. Again it was the

## Longhorn Stampede

By Mike Casey

Lazbuddie Longhorns, seeking their third consecutive district championship, meet a big obstacle to their championship march on Friday when they host the always-tough Matador Matadors.

The game, which begins at 7:30 p.m., will be the final home game for Coach Pat Casey's Longhorns this season.

The Longhorns routed the Anton Bulldogs 64-6 last Friday night. It was the second district game for both teams and left Anton's district record at 0-2.

Lazbuddie's district record reads 2-0 and 7-0 for the season.

The first quarter saw Lazbuddie rack up 16 points. Mike Casey skirted 10 yards for the first Longhorn touchdown in the first quarter. Charles Lee followed by streaking 25 yards for his first of four touchdowns.

In the second stanza the 'Horns really broke loose for 40 points. Casey zoomed across from 78 yards away. Loy Clark snapped an aerial of 47 yards for Lee; Lee then zipped 25 yards for another touchdown. Casey bolted five yards and Lee

streaked 42 yards. The third quarter saw Lee ring up his fourth touchdown of the night by running 12 yards.

In the fourth period of play the Bulldogs managed to cross the goal-line on a pass play that covered 20 yards. It was only the third time this season that an opponent had scored on the stout, Longhorn defense.

The 'Horns were credited with 488 yards rushing and 93 passing. Anton accounted for 133 yards overland and 65 through the air. Jimmy Noland and George Wilson, two linemen for the 'Horns picked off two Anton passes to halt drives also. Lazbuddie picked up 12 first downs and Anton 7.

Lee gained 216 yards on 14 carries for a truly amazing 15.4 yards per carry. Casey picked up 195 yards on 17 carries and Arthur Graves 56 yards on 9 carries.

At this point in the season, the Longhorns have rushed for a total of 3011 yards and passed for 608. Their opposition has rushed for a total of 619 yards and passed for 150.

Grid Teams

Are 19-11-2

For Season

Two wins, two losses and a tie left Friona's five football teams still boasting a respectable overall record for the season of 19-11-2.

The eighth graders are the winningest among the school's athletic teams, with five victories. Three other teams, the varsity, B-team and freshmen, all have four wins.

The eighth grade team also has the best scoring average, having scored 97 points in six games, a 16.2 average, and has allowed only 20 points, or 3.3 per contest. Only two of their six opponents have scored.

Following are the season records for the five grid teams:

Team	W	L	Pts.	Opp.
Varsity	4	4	105	129
B-Team	4	2	72	64
Freshmen	4	2	92	66
8th Grade	5	1	97	20
7th Grade	2-2-2	38	44	
Totals	19-11-2	404	323

TOUCHDOWN COMING. . . Friona Freshman Chieftain Leonard Wassom (40) is shown skirting left end and is just about to cross the goal-line for the lead touchdown in the freshman team's 14-8 win over Boys Ranch last Thursday. Other Friona players in the picture include Danny Waggoner (44), James Perea (42) and Weldon Peace (15). The freshmen seek their fifth win of the season today at Tulla.

## Freshmen Slip Up On Boys Ranch-Win, 14-8

The Freshman Chieftains toppled Boys Ranch, 14-8 in a game played at Chieftain Field last Thursday. The win brought the freshman record to 4-2, and avenged an earlier loss to the Ranchers.

Friona scored touchdowns late in the first and third quarter, and Boys Ranch scored their only TD in the final quarter after the Freshman Chiefs had a 14-0 lead.

The freshmen scored the second time they had the ball, driving 60 yards for the lead touchdown. Leonard Wassom sparked the drive, and it was Wassom who got the TD.

Friona had a first and goal at the nine, and on fourth down the team still needed five, when Wassom got the call around left end. He was hit by a Boys Ranch defender at about the two, but his momentum carried him for the touchdown. Danny Waggoner ran up the middle for a two-point conversion, and it was Friona 8, Boys Ranch 0 with

only one second left in the opening quarter.

Late in the third quarter, Boys Ranch went back to punt, facing fourth and 20 from their own 25. A high snap went over the punter's head, and James Perea won the race for the ball, recovering it in the end zone for a Friona touchdown. The PAT try was no good, but Friona led, 14-0 with 32 seconds left in the quarter.

Boys Ranch then drove for its touchdown, on a five-play drive covering 38 yards. The score came on a five-yard pass. The Ranchers ran for two points, and Friona's lead was cut to 14-8.

The Ranchers got one last shot at taking the lead late in the game, recovering a fumble at midfield. However, Ricky Johnson helped to clinch the win by intercepting a BR pass and returning it to the 50, and Friona ran out the clock.

The freshmen and B-team will go to Tulla on Thursday for their next games.

### SCORE LATE

## Seventh Grade Rallies To Tie Dimmitt, 8-8

The Friona Seventh Grade Braves rallied for a touchdown and a two-point conversion in the fourth quarter here last Tuesday, to salvage an 8-8 tie with visiting Dimmitt.

The Braves have played six games, and are all even up with two wins, two losses and two ties.

The Friona eleven, which was shut out for most of the contest despite making good yardage, finally lit up the scoreboard with two fancy plays that netted eight points.

The Braves drove 48 yards the first time they had the ball, to the Dimmitt 22, but a fourth-down play fell two yards short and Dimmitt took over.

Dimmitt took the lead on the last play of the half, on a 20-yard scoring play. The visitors added two points for an 8-0 edge.

In the third quarter, Friona started a drive at their own 49. Davy Carthel, David Barnett, Julian Zamora and Kent Miller carried to move the ball to the Dimmitt 21, but again a fourth-down play came up about a yard shy.

However, on Dimmitt's first offensive play, they fumbled and Mike Bartlett recovered for Friona.

Zamora ran 15 yards, giving the Braves first and goal at the seven. Two plays found the team back at the nine, where Zamora headed around right end on a double reverse that worked for the TD. The team called the same play on the PAT, only it went around the other end, and Friona had tied the count at 8-8.

Aside from their scoring drive, Dimmitt got to the Friona 11 on another occasion, but Friona recovered a fumble to stop that threat.

### PLAYERS OUT

## Re-Vamped B-Team Suffers Worst Loss

With some of their key players drafted for varsity service, the Friona Chieftain B-team suffered their second loss of the season at Dimmitt last Thursday to the B-Cats, 44-6.

The B-Chiefs had lost the services of starting guard and middle linebacker Mike Martin, along with quarterback and corner back, Larry Fallwell both moved up to the varsity because of injuries to players there. The loss of these players was especially felt on defense. The team, which had not been scored upon in its first four games, had a "defensive collapse," with these stalwarts missing.

Friona had beaten the Dimmitt team in their earlier meeting, 8-0. But the makeup of

both teams was drastically changed this time.

Dimmitt held only a 6-0 lead after the first quarter, but increased this to 20-0 at half-time. The B-Cats had lengthened their advantage to 32-0 before Friona got on the scoreboard.

Halfback James Bartlett got the team's only touchdown, climaxing an 85-yard drive.

Halfback Louis Lee also was an offensive standout. End Richard Shirley played well, catching key passes on the team's touchdown drive.

Coach Larry Dyess said that Scott Lillard, who replaced Fallwell at quarterback, did a good job.

The loss left the season record for the B-team at 4-2.

### MONDAY

## Seventy-Two Tabbed For Duty

Seventy-two county residents have been notified for duty as petit jurors in District Court at Farwell beginning Monday. The jurors are to report at 1:30 p.m. Civil cases are on the docket.

Those chosen for duty are:

Mrs. Harold Travis, Willis Hester, Aubrey Rhodes, Ismael Barraza, W.D. Hukill, Wayne Magness, Volley Hodges, Leon Langford, Mrs. D.T. King, Hoyt Smith, Billy Meeks and Gene Hamilton.

Also, Floyd R. Schueler, E.G. Phipps, Tom L. Pruett, Mrs. Edwina Owens, A.C. Jones, Riley Goodenough, T.J. Hopingardner, W.A. Mace, Mrs. Ross Miller, Louis Welch, J.R. Sewell and Gerald Norton.

Also, Mrs. Joe McWilliams, Fred Horner, Mrs. Gladys Horn, Mrs. Wableah Beck, L. M. Grissom, Mrs. O.M. Hammonds, Preston Eugene Hutto, Carlos C. Cortez, Mrs. Robert W. Harris, Mrs. R.V. Ivy, Samuel Garrison, Mrs. Herbert Day and Mrs. Doyle Cummings.

Also, Mrs. Glen W. Mings, John Armstrong, Mrs. Marilyn Anderson Edwards, Mrs. Rose-lla D. Landrum, Clarence W. Mason, Orville Burnett, Jimmie Mabry, E.A. Parham, Wayne A. Jones, L.R. Capps, Mrs. Jimmie Cockerham and Frank Burnett.

Also, O.H. Jones, Edward Isaac, Delmer L. Dement, Owen Drake, George A. Frye, C.A. Watson, Billy J. Weir, Charlie W. Flynn, Gilbert R. Bostman, Mrs. Claude Blackburn, Johnny

BAGS A BEAR. . . Grady Dodd is one of the local hunters who claimed a trophy during hunting season this year. Dodd proudly displays the bear he shot while on a hunting excursion recently. Others in the group included Alvin Gaines, Ed Clark and Mike Pavalus.

## Orders To Be Taken For 1971 Chieftain

Orders for the Friona High School yearbook, the 1971 "Chieftain" will be taken next week, November 9 through 12, according to yearbook sponsor, Mrs. Dub Cleveland.

The cost of the yearbook this year is \$7.00 each. Mrs. Cleveland explained that the yearbook will be delivered prior to graduation, with a summer supplement to come later covering the end of school activities.

Townpeople wishing to buy an annual are invited to come by and turn in their orders, or call the school and a representative will be happy to call on them.

## Scores Listed

(Editor's note: Following are scores of games included on last week's football contest schedule.)

- Denver City 32, Frenship 7
- Dalhart 34, Spearman 8
- Panhandle 26, Phillips 14
- Sudan 39, Bovina 26
- Kress 64, Farwell 22
- Muleshoe 40, Tulla 14
- Dumas 31, Canyon 7
- Texas Tech 3, Rice 0
- T.C.U. 24, Baylor 17
- Army-Navy did not play
- USC-Notre Dame, no game
- West Texas St. 33, Arlington 8
- Oakland 17, Kansas City 17 (tie)
- San Francisco 26, Green Bay 10 (Floydada 28, Friona 0)

## City Employees Attend Seminar

Three employees of the City of Friona attended a three-day short course for water and wastewater employees, conducted by Texas A&M's Extension Division at Lubbock November 2, 3 and 4.

Those attending the meeting, held at the Red Raider Convention Center, were Clyde Fields, Donald Powell and Albert Wolfington.

County HD Agent

Carpet tiles, a new attraction in floor covering is one of the easiest and most fashionable ways to add a dab of color and style to any room of the house, reports Cherie Jan Slabaugh, Extension housing and home furnishings specialist at Texas A&M University.

Easy-to-install do-it-yourself carpet tiles offer the average consumer a soft floor covering at attractive prices, and the tiles come in a variety of colors and patterns. They can be used as floor coverings, wall coverings, decorations, flower designs, outdoor mats, toy chests linings, coasters, coverings for interiors of station wagons and boats—just about anything the consumer dreams up.

Home improvement centers, hardware stores and lumberyards are the major distributors of carpet tiles, but department stores are also beginning to carry the popular furnishing items.

The tiles were first introduced in 1966 and were made

only by needle-boned olefin. Now they are manufactured by the tufting and flocking processes, making them more versatile for consumer use. The tiles are made from polyester, nylon, polypropylene and other yarns. Shag tiles have become the most popular style.

The most popular tile size is 9 by 9 inches, but they are also available in 18 by 18 inches and sell for about 68 cents per square foot.

**FROSTY FRUIT ROUNDS**

Drain 1-17 oz. can fruit cocktail

1-2 oz. package dessert topping mix according to directions.

Fold in—1/4 cup mayonnaise 1/2 teaspoon grated lemon rind

1-1/2 tablespoon lemon juice

Then fold in drained fruit cocktail.

1 cup miniature marshmallows 1/4 cup toasted coconut

Turn into 2-17 oz. cans and freeze until firm. Push out of cans and cut into slices.

Makes 6-8 servings.

**Farmers Home Administration Aids Record Building Year**

Parmer County has just enjoyed a record year of home-building and home improvement through credit services of the Farmers Home Administration, the agency's supervisor, Billy R. Boling, said today.

Mr. Boling, reported that \$1,297,080 was channeled into the County through Rural Housing loans for better town and country housing during the fiscal year ended June 30. Loans the previous year totaled 63 for \$650,040.

Farmers Home, a Department of Agriculture agency, supplements all other housing credit available in towns of up to 5,500 population and the rural countryside. Its services in Parmer County the past year included 98 loans totaling \$1,297,080, for purchase or improvement of individual family homes. The loans provided better housing for an estimated 588 people in the County.

"The record for fiscal 1970 means that our Housing service was 64 percent greater the past year," Mr. Boling said. "This upturn was directly opposite to the general national downturn in housing activity."

Mr. Boling added that the year began July 1 appears certain to topple the record set for fiscal 1970. The agency is geared to virtually double its housing services again this year, with \$1.4 billion in authority nationally to insure home loans for families of low and moderate income.

"Key to the program's rapid growth is a new position of equality for rural America in the nation's housing goal," Mr. Boling said.

"Rural areas have half of the nation's bad housing, and they now have half of the nation's housing goal for the 1970's."

"We expect the sharp upturn in rural housing to continue. In the Farmers Home Administration, we fully expect to do our part in bringing rural housing up to modern standards for every family."

Mr. Boling said progress in rural housing has been speeded up through new authorization put into effect by Farmers Home earlier this year. "We now make loans to rural homesite development organizations, and we work with rural builders to assure that homes they build on a multiple basis will meet quality standards for Farmers

Home loan insurance."

The Supervisor asserted that the rural housing program is "one of the main channels pouring private capital into rural community progress." Farmers Home Administration insured loans serve families or organizations unable to secure home financing through other sources.

Eligibility covers people of low and moderate income, including senior citizens, in rural towns of not more than 5,500 people, plus farm and nonfarm residents of the countryside. If a loan cannot be covered by a local lending institution, Farmers Home advances the loan from a revolving fund, then finds an investor elsewhere to take over the government-insured loan note.

Loans are made in Parmer County through the Farmers Home Administration office at 708 Avenue A, Farwell, Texas.

**On The Farm**

In Parmer County

MACK HEALD  
County Agent

The harvest picture in Parmer County is continuing to run in high gear. If fair weather prevails for this first week of November, the cotton harvest should get into full swing. Very little has been harvested in October, because of late maturity and bad weather. The prediction for Parmer County is in the neighborhood of 40,000 bales. If this should materialize, it will be considerably better than the 32,000-35,000 bales harvested in the last two years.

The corn and milo harvest is over for the most part. Milo yields have been good throughout the county. If anyone doesn't believe that Parmer County produces more grain than any other county, they should visit the elevators and notice the grain piled beside

the road. Every elevator is brimming full and a shortage of rail cars is preventing early shipping. However, as of October 30, the price was still holding at \$2.00 to \$2.05 per hundred.

Coming in behind the combines are stocker-feeder cattle to utilize the grain that the machines couldn't pick up. There are several thousand head already on fields at this time.

The sugarbeet harvest will be on the downhill swing by the end of this week. The sugar content is looking very good compared to last year, with an average of 13.5-13.8 percent. This year may see the sugar percent rising up to near normal as compared to 1969 production.

**Water, Inc. Schedules Membership Campaign**

Solicitors of the Parmer County Unit of Water, Inc., have launched an intensive month-long drive for new members. The effort is a part of an area-wide membership campaign and is aimed at swelling overall membership totals of 3,000. There are currently 106 paid-up Water, Inc., members in Parmer County.

The campaign was launched with an organization-wide kick-off meeting in Lubbock Oct. 24. The special emphasis will continue throughout the month of November.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search

for water for the future. It has more than 2,200 members in West Texas, Eastern New Mexico and the Oklahoma Panhandle.

Heading up the membership drive in Parmer County is W.L. (Preach) Edelman. Edelman is president of the local unit. He challenged his neighbors in Parmer County not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

Membership dues to Water, Inc., are deductible as a business expense.

**The Library Corner**

Several people in the community have expressed an interest in having a Great Books study group formed. This matter has been brought before the library board and the board has agreed to lend support but not take complete responsibility of this project. Before this can be undertaken, we would like to know who is interested enough to actually take part. The details of this group can vary depending on the wishes of the group. If you think that you may be interested in taking part in such a study group, please call Nancy Edelman at 247-3497.

Fans of Jean Kerr will be interested in "The Snake Hall All The Lines." Of interest to early Panhandle dwellers is "Another Part of the House." For junior readers we have

"The Man Without A Country" and "Texas and the War With Mexico."

**"Love Is Kind" Is Meeting Theme**

Mrs. Bill Nazworth presented the devotional at the Wednesday afternoon meeting of Union Congregational Women's Fellowship in Fellowship Hall of the church. Theme of her presentation was "Love Is Kind."

Following a business session refreshments were served by Mrs. John Fred White and Lola Goodwine, hostesses.

Others present included Mrs. R. E. McKee, Mrs. Walter Lovelless, Mrs. Malinda Schlenker, Mrs. Elmo Dean, Mrs. O. F. Lange, Mrs. Virgil Widmier, Mrs. Bert Shackelford, Mrs. Scott Weir and Tammy Nazworth.

TWO HAVE PROBLEMS-ONE HAS NONE... Essie, who is portrayed by Kathy Horton, dances on while Gay Wellington and Olga Katrina try to solve their problems. Jill Riethmayer plays the part of Gay Wellington and Olga Katrina is portrayed by Fran Dodd. This scene was pictured during dress rehearsal of "You Can't Take It With You," which will be presented by members of the Junior Class in the High School Auditorium Monday and Tuesday of next week at 7:30 p.m.

**Junior Class Will Present**

**"You Can't Take It With You"**

Announcement has been made of the selection of the cast for the annual junior class play. The three act comedy, "You Can't Take It With You" is this year's selection.

Student directors are Vicki Beck and Reba Holt. They will be assisted by Mrs. Thelma Coffey and Mrs. Cheryl Weatherly, class sponsors.

The cast of characters is as follows: Penny Sycamore, Sally Kendrick; Essie, Kathy Horton; Rhea, Carleen Schlenker; Paul Sycamore, Dave Buske; Mr. DePinna, Richard Shirley; Ed, Troy White; Donald, Larry Fallwell and Grandpa, Randy Lewis.

Also Alice, Ann Hurst; Henderson, Sheldon Sanders; Tony Kirby, Ronnie McPherson; Kolenkov, Mike Roberts; Gay Wellington; Jill Riethmayer; Mr. Kirby, Gary Phipps; Mrs. Kirby, Kathy McLean; men from the department of justice, Larry Sanders, Raymond

Spencer and James Sims; and Olga, Fran Dodd.

In the beginning of the play, the Sycamores seem mad, but the viewers soon realize that if they are mad, the rest of the world is madder. In contrast to these delightful people, are the unhappy Kirbys.

The plot shows how Tony, attractive young son of the Kirbys, falls in love with Alice Sycamore and brings his parents to dine at the Sycamore home on the wrong evening. The shock sustained by the Kirbys, who are invited to eat cheap food, shows Alice that marriage with Tony is out of the question.

The Sycamores, however, though sympathetic to Alice, find it hard to realize her point of view. In the meantime, Tony, who knows the Sycamores are right and his own people are wrong, will not give her up. In the end Mr. Kirby is converted to the happy madness of the

Sycamores, particularly since he happens in during a visit by an ex Grand Duchess, who is earning her living as a waitress.

No mention has yet been made of the strange activities of one member of the household, who is engaged in the manufacture of fireworks, nor of the printing press set up in the parlor, nor of Rhea, the maid, and her friend, Donald, nor of Grandpa's interview with the internal revenue when he tells him he doesn't believe in the income tax.

The play will be presented at 7:30 p.m. Monday, November 9, and Tuesday, November 10, at 7:30 p.m. in the Friona High School Auditorium.

**Son Born To**

**Tom Masseys**

Mr. and Mrs. Tom Massey, 1009 Rock Island Street, Dalhart, became parents of a baby boy at 10:18 a.m. Saturday, October 31 at Coon Memorial Hospital there.

He was named Shawn Andrew and weighed 8 lbs. 14-1/2 ozs. He is the first child for the couple.

Grandparents are Mrs. Elaine Massey, Hobbs, New Mexico; and Mr. and Mrs. W. C. Clark, Dalhart. Otis Massey, Friona, is the paternal grandfather.

Mrs. Massey and Shawn are scheduled to be dismissed from the hospital later this week and Mrs. Elaine Massey plans to spend a few days visiting in the home of her son and his family.

First medical school in America opened in Philadelphia in 1765.

**Girl Scouts**

**Report**

Troop 266 met Thursday afternoon at Girl Scout House for a Halloween party with mothers as hostesses. Members of Troop 311 directed a game session prior to the serving of refreshments. Thirty-nine Girl Scouts and four leaders were present.

The leaders were Mrs. Tom Mason, Mrs. Lee Britting, Mrs. Kenneth McLellan and Mrs. Johnny C. Miller.

Thursday, October 29, Girl Scout Troop #244 hiked around Reeve's Lake. They were viewing prospective roads. The girls are asked to remember they will meet Friday next week to plan and discuss their overnight.

**Rhea Pioneer Dies**

**Of Heart Attack**

Robert Henry Schueler, who had lived in the Rhea Community more than 50 years, died enroute to Parmer County Community Hospital early Thursday afternoon after being stricken with a heart attack at his home.

Funeral services were conducted from the Immanuel Lutheran Church, Rhea, at 2:30 p.m. Monday, November 2. Rev. Otto Kretzmann was the officiating minister.

Survivors include his wife, Anna; five sons, Raymond, Norbert, Floyd and Robert, Jr., all of the Rhea Community, and

Arnold of Richardson, Texas; two daughters, Mrs. Ruben Messner of St. Paul, Minnesota, and Mrs. Eugene Graham of Valparaiso, Indiana; two brothers, Herman of the Rhea Community and George of Fort Wayne, Indiana; 22 grandchildren and one great-grandchild.

Pallbearers were Herbert Schueler, Walter Schueler, Gilbert Schueler, Carl Schlenker, Ervin Koeltzow and Carl Hoffman.

Burial was in the Rhea Cemetery under direction of Claborn Funeral Home.

### Three Frionans Make "Fall In Ozarks" Tour

Mrs. Ethel Bengler, Mrs. Joe Collier and Mrs. Dick Habbinga returned recently after spending one week making the "Fall In Ozarks" tour.

The tour, which was organized at Amarillo, took the group through Oklahoma, Arkansas and Missouri. Each overnight stop was at a lodge on the bank of a lake.

Stops were made at Lake Eu-aula North, Checotah, Oklahoma; Fayetteville, Arkansas; Table Rock Lake, Kimberling City, Missouri and Sequoyah State Park, Wagner, Oklahoma.

In the Kimberling City, Missouri area the group visited on a stage coach, boat and train, visited a pioneer store,

which was complete with pot bellied stove and cracker barrel.

They also stopped at Lake Leatherwood, which is near Eureka Springs, Arkansas. They visited the Christ Only Art Gallery, which includes a wide variety of portrayals of Jesus Christ.

The objects in the gallery number nearly 300, including wood carvings, ivory carvings, oil on canvas, oil on copper, oil on porcelain, icons, French enamels, inlaid marquetry, sculptured marble, crochet portrayals of the Lord's Supper, mosaics, needlepoint portraits and many others.

YOUR SECOND STAGE IS STILL DRYING ON THE CLOTHESLINE

### Final Rites Held For Cayson Jones

Funeral services for Cayson Jones, 63, who was dead on arrival at Parmer County Community Hospital early Tuesday afternoon, were conducted from Calvary Baptist Church at 2:30 p.m. Thursday.

Rev. R.C. Hester, pastor, was the officiating clergyman.

Jones, who was a former contractor, had been ill about one year.

Survivors include his wife, Thelma; one son, Glendel of Friona; one daughter, Mrs. Billie Wall, 10028 Suez St., El Paso; one sister, Mrs. Vivian Hughes, all of Friona; six grandchildren and one great-grandchild.

GIVING A BIG BOOST to the four-unit Southwest Texas State University Band Organization's half-time shows is Donna Jo Parr, a Friona bells player in the playing unit. The SWTSU Band, which recently entertained at the Houston Astrodome, where this photo was taken, will provide its usual exciting half-time entertainment during the SWTSU Homecoming football game November 7 at 2:00 p.m. at Evans Field at San Marcos. Miss Parr, the daughter of Mr. and Mrs. Bruce Parr of the Black Community, is a former student of Friona schools.

### Jay Potts Places In NRA Competition

Jay Potts, who is enrolled as an agricultural economics major at Oklahoma State University, Stillwater, Oklahoma, placed fourth in National Intercollegiate Rodeo Association competition at Eastern New Mexico University, Portales, last month.

Potts, whose parents are Mr. and Mrs. Cordie Potts of the Rhea Community, is a 1968 graduate of Friona High School and attended South Plains Junior College, Levelland, two years before transferring to Oklahoma State.

OSU's total on-campus enrollment is a record 18,447 and represents an increase of 955 from one year ago.

### Speech Therapy Class Presents Club Program

Mrs. Yale Canfield and five members of her speech therapy class presented a demonstration program at the Tuesday evening meeting of Progressive Study Club at Federated Club House.

The Edelman Combo, Lisa, Mark, Karen and Brian, presented a selection of musical numbers.

Mrs. Floyd Reasoner was a guest.

Plans were made for a bake sale. The date and place will be announced later.

Refreshments were served by the hostesses, Mrs. Lee Spring and Mrs. Don Reeve, to the guests and ten members.

Airplane service was begun between New York and Chicago in 1919.

## VETERANS DAY NOVEMBER 11

SALUTING THOSE WHO SERVED FREEDOM'S CAUSE

### THE MEN AND WOMEN WHO HAVE SERVED OLD GLORY

It is only fitting that we should honor those, who have served in our Armed Forces, with Veteran's Day — without their sacrifices we would not be enjoying the freedom and American way of life we all cherish.

## FRIONA AMERICAN LEGION POST # 206

Sincerely Yours

BY REV. ALBERT LINDLEY

Of course, I suppose it is to be expected that I would receive many catalogs, merchandise order forms, notes, etc., who of us do not—but I really received the shocker of them all the other day.

A card was enclosed in an "off-beat" sales catalog which explained that if I would place an offer for any thing in the catalog, I would receive not just a bonus gift (which had already been promised) but I would also receive an EXTRA Bonus-Gift, and this was the real clincher.

It wasn't even named. It was an EXTRA Bonus-Mystery-Gift—and get this, it was selected from a carload special purchase, new and in good condition and was liquidated and distressed merchandise. . . .

Boy, wouldn't that make you want to dash off a double-air mail letter with your order of half a dozen? . . . I'll wager the mail they receive will have to come in a caravan of trucks. . . .

Come on now, who's fooling who? . . . liquidated and distressed merchandise, indeed! Did you ever order anything like that? The full guaranteed product? I have—I bought a pair of binoculars from a Japanese trade ship that was caught in a storm and needed to sell its load and limp home. They should have kept the binoculars—they were little more than styrofoam and would have floated nicely. . . . I also got me a gas saver once—if it had worked out like they claimed I would have had to go back to the gas station only once a week and then just to sell them back some gas. . . . and there have been other things too.

Now, I'm not the most gullible person in the world, but there have been some "real buys" that I have tried out. . . .

Now don't laugh "at" me unless you have never been guilty of anything like this. . . . laugh "with" me if you have.

Isn't it strange the way different things grab our attention or the things that "turn us on?"

You hear this often from so many people, so why not hear it from me. . . . the sincerity of our pursuing something does not make what we pursue any more important. That was a negative way of saying we often go after what has little value.

I went to a Dog-Race-Track once. . . . no, I didn't parlay. . . . and if you have ever been, you know what I mean. . . . here comes the mechanical rabbit (which looks liquidated and distressed) and the dogs chase it. I remember some few years ago a Florida Dog Track had a law suit when the mechanical rabbit was really distressed and the dogs caught it. They were ruined as race dogs because they would never chase that thing again. They caught what they had been trained to try, and catch and they found it had no worth.

I'm still getting to my point.

How brilliant and lovely things can look in the distance. . . . even worthy of our persuasion. . . . but when we catch them, nothing.

There are even times when things are pictured, or painted, or dressed up to really be appealing only to find that it is of little value when it is obtained. (Like cotton candy, maybe. . . .)

So the real concern comes at the time of deciding if it is important or not? . . . is it worth our time? . . . is it really worth much at all? . . . is the price we pay for obtaining it in line with our standards of value? . . . which could bring up a totally new subject but I'm almost out of space for this time.

I'm still getting to my point.

Now, may I start getting ready to conclude by using this little thought?

"Many things glimmer best at a distance," or "Everything that looks good, isn't," or "Know for sure, the object of your desire," or add your own Russian Proverb. . . . but be sure and don't buy an EXTRA Bonus-Mystery-Gift that is selected from some liquidated and distressed merchandise. . . . you will probably get just that. . . . (No, I didn't order.)

Just for you, now. What are you spending your life for. . . . ?

certainty of our pursuing something does not make what we pursue any more important. That was a negative way of saying we often go after what has little value.

## Scout Organization Shows Growth Over The Years

The Friona Girl Scout Association has experienced a tremendous period of growth in the last fourteen years. In the 1957-58 year of Girl Scouting, approximately 78 members were registered with the National Council.

This year there were 37 leaders, 43 committee members and associate members and by the end of the registration period there will be approximately 400 registered members. This figure includes girls between the ages of 7 to 17, leaders, committee members and associate members.

Several fathers of Girl Scouts hold associate membership cards. They are much appreciated for the work they do in connection with out-of-door programs, first-aid instruction, transportation and many other phases of scouting.

The Friona Neighborhood has many adults who volunteer their time, energy, love and talents each week in service to girls to make the program of scouting possible. This is the most valuable contribution made to the girls even though no money value can be placed on it.

Friona is unique and fortunate because of the fact many of its leaders have served for ten years or longer. These leaders sincerely believe in the aims and purpose of the program. Their love for girls, and the love the girls give to them makes any sacrifices they make worthwhile. One of them has served thirty-one years and another has been a registered leader twenty-one years. Three hundred twenty-nine known years have been devoted to scouting by leaders alone. Many, many more years could be added to this figure if we were to add those given by committee members and others.

We now have thirteen troops meeting regularly. Nine troops meet at the Scout House, one in the Fellowship Hall of Friona United Methodist Church. Two troops are being provided for children who are unable to meet with a regular troop in the school building. The once adequate Scout House has already become too small to meet the needs of this rapidly growing organization. It is used almost every day of the week and many times at night.

In order for troops to have up-to-date, well rounded programs, it is necessary for leaders to keep posted on changes and ideas and methods of the modern day. A leader is required to take special training each year so she can be efficient in her job. This training must be instructed by qualified staff employees from the district council.

Parmer County is a member of the Caprock Council, whose head office is located in Lubbock, Texas. There are eighteen counties under the jurisdiction of the Caprock district office. Much of this training is offered in courses and meetings held monthly. A field advisor meets with local leaders each month to present program ideas, help solve problems that may arise with any organization working with young people, and help any other way needed. Quarterly, area meetings are held where Friona and neighboring towns study and learn together. Monthly publications are sent to girls and leaders from National and District Councils. Visual aids, equipment and other materials are made available upon request, from the district office.

Recently a two day training course for new Brownie and Junior leaders was held in our town and in the near future a standard first-aid course will be offered to adult scouts and any other interested adult in this community. Thirty-one

training courses are scheduled for the calendar year.

The service unit team is made up of a neighborhood chairman, troop organizer, four troop consultants, publicity chairman and secretary-treasurer. Several social clubs have contributed greatly in the operation of the local council, providing camperships, national registration fees for girls who were unable to pay for them, furnishing the United States Flags, and in many other ways. The council appreciates all of these generous gestures.

You may be thinking by this time, "where does the money come from to run such a large organization?" Well, most of it comes from the "great scout family" that is, parents, girls themselves, and interested adults and organizations, who believe scouting has something of value for girls. Friona has a "Scout Grandfather and Grandmother" who have paid the electric bill for the Scout House ever since it was first opened. Other older friends have been very kind in helping the local council meet its monthly bills. The "Maize Days" bake sale and concession stand have helped the girls meet the expenses in maintaining a house and yard. Material and supplies for troop meetings are paid for mainly by parents through the girls, as are uniforms and handbooks. These are all local expenses and the things we can readily see.

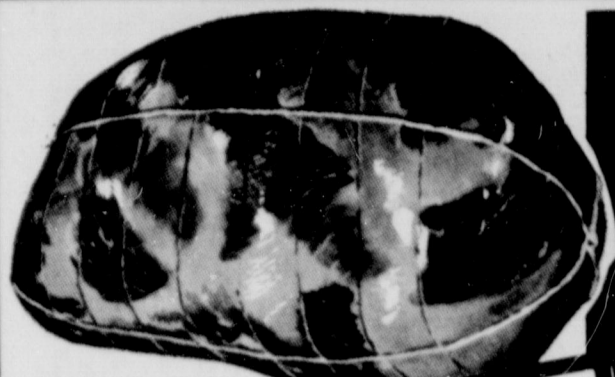

But what about expenses necessary for operation behind the scene. These are the expenses that make the program go—council operation expenses. These essential administrative costs are traditionally provided by the community through its United Fund.

With the ever increasing cost of doing business, most councils cannot maintain their present level of operation without more money each year. They certainly cannot expand operations to reach girls not yet served, to provide more and better service to the leaders.

It seems logical to look to friends in the community—those people who believe Girl Scouting is worthwhile. Since the people of this community furnish the money to pay for these operations, we feel they should know how it is used. Therefore we summarize it here: Your investment provides the machinery that makes the program go—management; administrative and supporting services; professional guidance; Camp and Council business and financial management; organization and maintenance of troops; teaching of all personnel; special program resources and materials for troops and leaders; Council-wide activities; information and supply services; Community-wide services and the maintenance of the district council office.

In conclusion girls, leaders and members of the service unit team wish to thank all of you for your past contributions to the United Fund and urge you to continue contributing to it. The investment you make this year will be an investment in the future citizens of our country.

If you have questions about any of the above information please feel free to call a member of the service or Mr. and Mrs. W.F. Sandy, Finance Chairmen of Friona Girl Scouts.
