

TOUGH GAME EXPECTED

Win-Hungry Mules Face FHS Friday

What would happen if the designated game officials for a Friday night football game failed to show up? This question had entered our mind, but it never occurred to us that it would happen, at a game here in Friona.

This problem presented itself last Friday to Friona school officials at the Friona-Bovina football game. We thought the school chiefs handled the problem nicely.

After determining for sure that the four-man team which had been assigned to the game were definitely not coming, principal Ray Cook set out to find volunteer officials in the crowd.

This was accomplished, and had there not been an announcement about the situation, there undoubtedly were those in the crowd who never would have known the difference.

A tip of the hat is due the four men who volunteered to give up their places in the stands and perform the duties of game officials. Kenneth Neill and Billy Wayne Sisson represented "our side". Lynn Murphy and Corky Criswell volunteered from among the Bovina fans.

Personally, we thought the four did a fine job, and everyone we run into says the same thing. It was a great job under the circumstances, and had it not been done, we'd be in a predicament.

Principal Cook says that the four men who had been tabbed to work the Friona-Bovina game had erroneously been scheduled for a second assignment last Friday, and that assignment appeared on their master schedule.

So, although some in the crowd wondered if the scheduled officials might arrive at the game late, it just never would have happened.

While we're tipping hats, we should also commend the crowd at the game, who patiently sat for almost 30 minutes while the volunteer officials prepared themselves. We never once heard any complaining, nor any rhythmic applause, or foot-stomping, although there were bound to be many who wondered about the delay.

They just sat and enjoyed the nice late-summer evening, until everything was ready for the kickoff.

Here are some preliminary census figures you may not have seen. Muleshoe, our neighbor to the south, came out much like we did—having overestimated their population in recent years. The preliminary count shows the Mule Memorial City with a population of 4,414. This is a gain of 543 over the official figure of 3,871 tabulated in the 1960 census.

Highway department city limits signs around Muleshoe have estimated the city's population at around 4,900 for the past couple of years. So, it looks like Muleshoe's Chamber of Commerce, like our own, will have some adjustments to make. Another neighbor, Dimmitt, showed nice growth during the last ten years. The Castro County seat town grew from 2935 to 4255 by the preliminary count.

Dimmitt gained a total of 1320 in the last decade, Friona grew by 1024 and Muleshoe by 543. However, Friona's percentage of increase was the biggest, at 50%. Dimmitt increased 45% and Muleshoe a more modest 14%.

And, the final figures should find Friona picking up another 150 or so on its total, due to work done after the local count was finished.

It is interesting to note that using the above figures, the total 1970 population of Friona, Dimmitt and Muleshoe comes to 11,733. This is still less than that of another neighbor, Hereford, which counted 13,092 in its census.

The four-town total is 24,825 a gain of 8,327 from the 1960 combined total of 16,498.

The final, official census figures for 1970 are expected to be published sometime around December 1.

Friona High School's Chieftains, who were picked to have a low-win season in many quarters, go to Muleshoe on Friday to face a team which is hungry for a win, and the encounter is expected to produce an exciting football game.

The game begins at 8 p.m. at Muleshoe's Benny Douglass Stadium.

The Mules are trying to snap a 12-game losing streak which spanned all of last season, when the team went 0-10 and scored only six points all year. This season, Muleshoe is 0-2, compared to Friona's 2-0 record.

However Muleshoe is a much improved team this year, according to Friona's scouts, and the Mules played Olton to the hilt last week before bowing, 20-14.

Muleshoe drove for a score on its first possession against Olton, and held leads of 7-0 and 14-7. Friona scouts felt that the Mustangs, who a week earlier had stampeded Tullia 45-12, were lucky to escape with the win. Olton will be Friona's opponent the following week in the opening district game.

"We feel that Muleshoe is the best team we have faced this season. Although they have won no games, they are improving week by week, and we know we'll have a tough chore on our hands," says Chieftain Coach Bob Owen this week. Muleshoe is led by halfback Bob Hayes, who after two games is the leading scorer in District 1-AAA with 20 points on three touchdowns and a two-point conversion. Hayes, a 150-pound Negro, speedster, is described by Coach Owen as "probably the best back we have faced this season."

The Mules' fullback and other halfback are also good players, and exceptional blockers, according to the scouting report.

Friona, on the other hand, is countering with a "Cinderella" team which has already scored more points (54) than last year's team scored through its first six games. The team has passed for 127 yards, and it was the sixth game of the year before the 1969 Chieftains reached that figure.

"We continue to be impressed by the team's desire and team

spirit," said Owen, who said the players seemed willing to do whatever necessary to achieve the end result.

Tackle James Weatherly, who missed the Bovina game with a strained leg muscle, will again be out of action. Coaches hope he will be able to play against Olton the following week.

The game will be the first football meeting between Friona and Muleshoe since 1965. It's the 20th renewal of a foot-

ball rivalry which began in 1926. The Mules thanks to a couple of winning streaks, lead the series, 12-6, with one tie game.

Muleshoe has won the last five games including the 21-0 victory here in 1965, which was a Homecoming game for the Chieftains.

A large delegation of Friona fans is expected to follow the team to Friday's game, rooting for a third straight win of the season.

Chamber To Charter Plane For Conference

The Friona Chamber of Commerce will charter a plane to take a local delegation to the Governor's Conference on Industrial Expansion in Austin Tuesday, October 13. Missouri Beef Packers is slated to be one of the award recipients at the conference.

Anyone interested in attending the conference is urged to contact the Chamber office, 247-3491, as soon as possible, as there are a limited number of seats on the charter plane.

Plans presently call for the group to depart from the Clovis airport early Tuesday morning, and return to Friona Tuesday night.

A group was in Friona last Thursday making films at MBP, and securing information necessary for their sound-on-film presentation at the conference.

EXTRA LAWMEN. . . Friona now has two Highway Patrolmen permanently stationed here, for the first time. On the left is Patrolman Jack Walker, and on the right is Patrolman Bob Dorris. The Highway Patrol is sharing office space with the Friona Police Department.

TWO OFFICERS

Highway Patrol Office In Friona

Friona now has a Highway Patrol station, with two full-time patrolmen.

Jack Walker and Bob Dorris are the patrolmen. They began their duties here on September 1.

Walker comes to Friona from Amarillo. Originally from Farwell, he spent two years with the Department of Public Safety in Amarillo. He is married and has a two-year-old daughter.

Dorris is a native of Canyon.

He is a recent graduate of the Department of Public Safety Academy. Single, he lives at 1001 Prospect.

The patrolmen are currently sharing office space with the Friona Police Department, and can be reached by calling the regular city hall number, 247-2711.

Both patrolmen say they are happy to be located in Friona. "It makes sense to have a station in Friona, where the population is centered," they say.

Muleshoe To Care For Hungry Fans

Members of the Richland Hills P.T.A. Muleshoe, will be serving supper in the high school cafeteria there immediately preceding the Chieftain-Mule game there Friday evening.

Chicken, baked beans, tossed salad and fruit cobbler will be served. Mrs. Royce Turner, spokesman for the group, invites everyone who attends the game to arrive in Muleshoe in time to eat with them before game time.

SCORES DIP

Upset Bug Bothers Football Guessers

It was only the second week of the season, but already the entrants in the Friona Star's football contest were affected by "old man upset."

With many of the favored teams falling by the wayside, it took some pretty careful picking to get into the winner's circle for this week.

Two contestants of the more than 150 entering correctly picked 12 winners, and they took

first and second places. Sam Perez of 1004 W. 4th was the winner, and Dwayne Bauer of Rt. 2, Friona, was second. The top two places were decided on the basis of the tie-breaker scores.

Third place went to Jerri Bengé, who was one of eight contestants scoring 11 for the week. Miss Bengé claimed the third place money of \$2 by hitting the Friona-Bovina score right on the nose at 27-7.

Other contestants getting 11 games right were Andy Hurst, Roy L. Smith, Holly Welch, Mrs. Sam Mears, Clarence Monroe, Melba Smiley, and Randy Mabry.

Only twenty-three contestants had a score of 10. In the first week's contest, a total of 95 contestants scored 10 or better.

W.R. Mabry, the winner of the first week's contest, remained at the top of the standings chart, getting a nine to go with his opening week 13, for a total of 22. Fifteen contestants are breathing down his neck with identical scores of 21.

A list of all contestants with scores of 18 or better can be found on this week's contest page inside this issue.

The Abernathy-Seagraves game was the most oft-missed game among the high school games. On the college side, the Texas A&M-LSU, West Texas-Lamar Tech and Texas Tech-Kansas all gave many contestants trouble.

YOUNG HOMEMAKER WEEK. . . Mayor R.L. Fleming is shown signing a resolution proclaiming the week of September 20-26 as "Young Homemaker Week" in Friona, adding to the activities of the local chapter. Looking on is Mrs. Roy O'Brian, chapter president (seated) and Mrs. Bill Brandt, first vice president (standing).

NEXT WEEK

Jury To Hear Six Criminal Cases

It will be criminal jury week in District Court next week in Farwell.

Six criminal cases are scheduled to be heard before District Judge Pat Boone, Jr. Three of the cases involve burglary, one involves rape, one driving while intoxicated, and one worthless check.

The cases are styled "The State of Texas vs. Joe Pat Anders, vs. Danny Prince, vs. Ruben Guerra, vs. Floyd Robinson, vs. Dexter Alexander and vs. John Westerland."

Anders is charged with the burglary of over \$5,000 worth of Treflan at the Tide Company's Clay's Corner Location in 1967. Guerra is charged with the burglary of Sherrill Lumber Co., Bovina in 1969.

Prince is charged with statutory rape. Robinson is charged with a theft at the Billy Hunt farm near Lazbuddie. Alexander is charged with DWI, and Westerland is charged with passing a worthless check.

Jury cases will be heard starting Tuesday, September 29, beginning at 9:30 a.m. Seventy-two county residents have been summoned for jury duty.

Also, E.W. Kennedy, Bill Stephens, Clayton Taylor, Mike Pavalus, Bill H. Brandt, Helen Mac; Tena, Mrs. Gil W. Patschke, Mrs. A.R. Jordan, Jimmy Schillings, Mrs. W.T. Magness, Mrs. Porter Roberts and R.H. Schueler.

Also, John P.A. Drager, J.H. Clay, Harold Joe Wells, W.F. Lancaster, Joe Allen, Joe Tarter, Luis N. Serna, Herman W. Grissom, Walter Schueler, Mrs. Eugene Ellis, Jimmy Maynard and Buck Ellison.

(Continued on Page 8)

IT'S YOUR WEEK. . . Johnny Jarecki, son of Mr. and Mrs. F.E. Jarecki, informs his pup, "Patches," that this is National Dog Week. So he gets to do whatever he wants to do during the week. Patches is a Peke-a-Poo (half Pekingese, half Poodle.)

Pause and Reflect

By Nelson Lewis

Dear Readers: because this article so clearly pinpoints the true menace of a Communist take over we are borrowing it from the Amarillo News.

Please read it carefully and as you read this true experience remember we are not fighting North Vietnam, nor North Korea, nor the United Arab Republic, nor Castro--we are fighting to prevent the worldwide spread of an Anti God movement.

"GOD IS DEAD"

(Editor's Note: This true story was recorded by a young man who spent the first 15 years of his life in his native Yugoslavia. The incident occurred when he was in the fifth grade. Cpl. Eck Spahic, whose home is now in Dumas, is a former reporter for the Amarillo Daily News and is en route to Vietnam now as a combat reporter. The story reveals the concentrated elimination of religious ideals necessary to the survival of communism.)

By Eck Spahic

An 11-year-old youth looked out of the classroom window with anger and disappointment. He didn't know what to say or which way to turn.

The whole class was silent; only the teacher was speaking. She was trying to convince the students that there is no God. It was not an easy task.

The boy felt lonely, afraid, and disillusioned. He wanted to argue with his fifth grade biology teacher, but his attention was recalled to her repeated question: "Is there still anyone in the class who believes in God?"

His lips were about to say "I do!" But he thought not to say anything. He was concerned with the consequences. He turned around, looking at his classmates, only to catch them looking at each other over their shoulders.

No one answered her question. The class remained silent. He felt frustrated. The biology teachers, he felt, opposed all his ideals, inherited cultural values, and traditions. He didn't know much about the Bible; in fact, he had never possessed one. He had never been in church either; although his grandmother had taught him about God. The teacher was, he realized, trying to destroy his beliefs.

This wasn't the first time his biology teacher had discussed the subject. Several times she had lectures on the "new ideology," the one the "progressive forces" advocate.

Unchallenged, the teacher proceeded with the lecture. He felt cheated. He could no longer concentrate on the lecture even though it was an important lesson on human life. She was giving an account of ancient man and his activities during the time he learned to communicate.

His mind was blank. He wondered about the teacher's question. He thought he really believed in God. But why didn't he tell her so? That bothered him. He even knew several of his classmates did, too.

He thought these were critical days for religion in his hometown, Tuzla, not only there but throughout his native Croatia.

There was a time, as his parents had told him, during which there were religious schools, festivities, and a religious press. But the Communist regime had closed most of those, prohibited catechism and abolished the Christian heritage and family rights.

He began thinking of the future. He asked himself questions regarding the future of religion.

He realized the great danger facing the religion in his native Croatia from the clear spiritual view--that is, the terrific growth of religious paganism. But he felt it was a logical outcome because of indoctrination of students, to believe, as his teacher said, "There is no God."

To his mind came a land far across the sea; America. He had heard of it on the radio.

He thought of the things he had heard on Voice of America broadcasts: he thought of the inspirational Christmas music, of churches on Sundays attended by young and old alike. Hymns, praying, worshipping God.

Those people couldn't be wrong. For they could have never succeeded in building the greatest nation on earth, from a land of wilderness and prairie. It took more than just hard work, sweat, and tears. It took a philosophy blessed from above, to release the energies and creative impulses of American people to build America, a giant in industry education and commerce.

LETTERS TO EDITOR

Dear Editor:

Here I am in Maryland, an old farm kid from a small town now in the Navy and seeing the cities of Baltimore, Washington, D.C., and many others. At the present I am in Baltimore, where I have been for about two weeks.

I have found out one great thing about home and that is that the people are nice. Two other things I appreciate more about my hometown and they are that anyone you meet will wave at you and the local newspaper isn't filled with stories of riots, killings and other such junk.

The other night some of my friends and I had a long chat. We all look at such things as drugs, riots and war, the same way. We feel that a lot of our drug problems are caused by people who are 22 years of age and older, as are a lot of other problems.

We don't blame the older generation because we feel that we are just as much at fault as they are. We are at fault because we listen to them and fail to use good judgment.

I was the only one who could say that my hometown newspaper was not filled with trash such as riots, drugs and other such things. I hope it never gets that way.

Your fighting boy,
Troy Bass

(Editor's Note: Mail to Troy should be addressed: RMSA Troy W. Bass, RM "A" School Class 71-10, SSC, USNRC, Baltimore, Md. 21205.)

Dear Editor:

In reading this past week's Friona Star, which I enjoy very much, it brought to mind and memories a person in particular who was not mentioned as a long time resident.

In reading about the various places and old headquarters that were firsts in Parmer County, the Star Ranch was one of them. This Old Star Ranch was the birthplace of my father, "G.E. (Bud) Reed. He is in business in Friona at the present time. Not only was he born at the Star Ranch, he has never lived outside of Parmer County in his life time.

I don't really like to think of him as an Old Timer, but maybe just a Pioneer of Parmer County. He was born on Oct. 30, 1910. This October will be his first 60 years in Parmer County, and I sincerely hope he enjoys many more with the many friends and neighbors he has there.

Sincerely,
Roberta Watson
Hoover, Texas

Enclosed you will find a check to renew the Friona Star for us.

We enjoy reading it each week very much.

Mrs. Bill Kent
Dammitt, Texas

Long trousers were developed in France, in 1789, by supporters of the Revolution, much as the Cuban Revolution developed beards.

The boy left the classroom thinking of America and its fortunate people. "They can be proud," he thought, "for they are the blessed people--blessed with freedom and justice, which are the best phenomena for freedom loving men everywhere."

He was walking down the sidewalk of Tuzla. His pride was coming back to him. He felt he was not alone.

The Construction News announced that, "If we could eliminate all causes of highway accidents but one, we would still be faced with 50 percent of the problem--drinking and driving."

"Big government" and not "big business" or "big labor," is seen by the public as posing the greatest threat to the entire nation in the future, according to (a) Gallup opinion poll.

1971. You've changed. We've changed.

Worth seeing. Worth owning. Worth waiting for.

Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

Vanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.

See what we mean by putting you first? September 29 at your Chevrolet dealer's.

Congratulations

To Charles Ray, On Ginning Friona's First Cotton In 1970.

JUNIOR 4-H LEADERS
One of the most successful and beneficial 4-H activities is junior leadership development. This program is for the older teen member and now some 150,000 teen volunteers serve in a 4-H leadership capacity.

FIRST CUSTOMER. . . One of the people who came to see the 1971 Fords last Friday at Friona Motors wasn't just looking—she bought one of the first 1971 models locally. Mrs. Christian Drager is shown accepting the keys to her new car from Oscar Baxter, co-owner of the local Ford dealership.

Friona School Lunch Menu

Week of Sept. 28-Oct. 2
Monday-hamburger patties, mashed potatoes, carrotsticks, hot rolls and butter, green beans, pineapple rice pudding and milk.
Tuesday--fish, buttered corn, tarter sauce, hot rolls and butter, English peas, banana cake and milk.
Wednesday--hot tamales, pinto beans, corn bread and butter, onions, buttered mixed greens, cherry cobbler and chocolate milk.
Thursday--fried chicken, mashed potatoes, cabbage and carrot salad, hot rolls and butter, buttered carrots, strawberry short cake and milk.
Friday--barbecue on bun, French fries, cookies, relish and milk.

VOLUNTEER 4-H LEADERS
About 350,000 parents, teachers, business and professional people give freely of their time and know-how to serve as 4-H volunteer leaders.

The Library Corner

Two new policies have been instituted by the library board, which should be of interest to everyone.

Beginning Thursday, October 1, the overdue fines will be 5¢ per day. If you have any overdue books, you may want to return them now at the rate of 2¢ per day.

Also on October 1, the policy in regard to the reference books will be changed. In order to widen the use of these books, patrons will be allowed to check them out for two days with the overdue fine being 25¢ per day. Members of the board hope this will make it possible for more students and others who are interested to make use of our many fine reference books.

We have a new adult mystery, "Waiting For Willa," by Eden which will make fine reading on a cold afternoon.

A new book, which should be read by all Texans, is entitled, "My Brother, Lyndon," is also on our shelves.

For junior readers we have several new biographies, "Helen Keller," "Eisenhower," and "Pilgrim Fathers." Every Texas history student should read "Texas."

OPPEL 400 LIFTER LOADERS

\$4750.00! Best value in beet harvesters today--New Oppe! 400 3-row--the big-capacity harvester with semi-mount hitch, wide cleaning bed, long unloading elevator and hydraulic row finder. Chiefs Take Advantage Of Bovina Errors

MUSTANGS BOW, 27-7

Mistakes Cost Bovina 4 TDs

By Bill Ellis
EDITOR, THE FRIONA STAR

Friona's Chieftains proved to be opportunists in their intra-county battle against Bovina last Friday.

The Chiefs took advantage of six Bovina mistakes, turning four of them into touchdowns, as Friona won its second game of the season, 27-7. It was also the team's second win over a county opponent, as Friona opened with a 27-16 win at Farwell.

Bovina's generosity proved to be their undoing. The Mustangs lost the ball twice on fumbles, twice on pass interceptions, and on two other occasions gave up the ball deep in their own territory on bad snaps to their punter.

The bad snaps really broke the Mustangs' back, coming on successive possessions, and leading to two Friona TDs within four minutes, when the Chiefs stretched a narrow 7-0 lead to a 20-0 edge.

The game started strangely, as the scheduled game officials did not show up, and Friona school officials were forced to round up four volunteer referees from the crowd. Scheduled for an 8 p.m. start, the kickoff was delayed until 8:28 because of the turn of events.

Neither team could move the ball in their first two possessions. Friona finally got a first down on its third series of downs when quarterback Don Fortenberry flipped an eight-yard pass to Bill Bailey. However, facing fourth and two at the Bovina 43, Friona chose to punt.

Two plays later, though, Friona got its first break of the game. David Carlton swiped a Bovina pass at the Mustang 18 to give the Chiefs their best field position.

On first down, Fortenberry lofted a pass to Bailey, who was in the end zone. Officials ruled pass interference, and the Chiefs had first and goal at the one. It took two shots at the line, but on second down Donnie Lewellen punched the ball across, and Friona was on the scoreboard with only 29 seconds left in the opening quarter. Bobby Drake's kick made it 7-0. Roy Rameriz, who proved to be a fine punter for the visitor's when he got a good snap from center, backed the Chiefs up to their five-yard line with a 43-yard kick in the late stages of the second quarter.

Fortenberry rolled out for a first down to the 18, and then Wesley Clark, who played an outstanding game offensively, almost broke for a long TD. Clark got into the secondary, and the only man between Clark and the goal-line was Bovina's safety man, and a speedy man in his own right, Jim Harris. Clark was met head-on by Harris, after a 30-yard gain.

The drive continued to the Bovina 25, when on fourth down, the Chiefs called the halfback pass, which had worked against Farwell, except a penalty nullified that one. They executed the play beautifully, with Clark tossing to Mike Mills, but Mills,

in his haste to make the catch, juggled the ball and dropped it. Thus, the half came to a close with the Chiefs holding a narrow 7-0 lead.

Bovina took the second half kickoff back to their 25, and on fourth down faced a punting situation at the 34. Rameriz got a low snap, was rushed, and tackled at the Bovina 22.

The running of Clark and Royal soon moved the Chiefs to a first and goal situation from the two. On third down, Fortenberry got the TD on a keeper play. Drake's kick made it 14-0 with 5:20 gone in the quarter.

Mike Beuchamp returned the kickoff to the 35, and three plays found the Mustangs facing fourth and ten. This time, the snap from center went over Rameriz' head into the end zone. Rameriz tried to run it out, and was tackled at the one.

It took three tries, but on third down Clark slanted across the goal-line and when Drake kicked the point Friona has increased its lead to 20-0 with 3:24 left in the third quarter.

Early in the final quarter, the halfback pass worked on a 51-yard play, Clark to Mills, with Mills finally stopped at the Bovina eight. Although having first and goal, the Chiefs missed this scoring opportunity after a penalty sent them back.

However, Bovina wasn't through with its charity program. On third down, the speedy Harris had gained 11 yards, but fumbled the ball as he was tackled, and Friona recovered at the 30.

Clark gave the team a first down at the 17; Bailey made it first and goal at the six, and Royal went across standing up with Friona's fourth touchdown. Drake's kick made it 27-0 with 6:15 left in the game.

But the Mustangs didn't fold. Having been practically shut out on their running game, they took to the air, and Mike Hough passed the team to a touchdown. Facing fourth and 18 from the Friona 25, Hough faked to Harris, and then spotted Rameriz in the end zone for an easy TD pass. Harris' kick was good, with 2:38 left in the game.

Bovina got the ball back with only 28 seconds left, and was able to complete another long pass, having the ball at the Friona 19 when the game ended.

The victory was Friona's eighth in the series against three losses.

A fine, near-capacity crowd watched the game, which was the first home game for Friona. Although it had been rainy up until Friday, the game was played in ideal conditions, and the field showed no ill effects from the wet weather.

Coach Bob Owen stated that the game was a tough one for the Chiefs, with the score not being indicative of Bovina's strength. "We got the lion's share of the breaks, and that made the difference," he said.

CONTACT COMING UP. . . Jim Harris, Bovina halfback, is all ready to receive a pass from Mustang quarterback Mike Hough, but Chieftain defender Mike Mills is all ready for Harris. Mills caught Harris at the same time Harris caught the ball, and the result was an incomplete pass. Mills also stood out on offense, catching one pass for 51 yards, the longest pass play of the season for Friona.

Tulia Tops 7th Grade In Opener

First and fourth quarter touchdowns by the visitors from Tulia more than offset Friona's lone score, as Tulia salvaged a win in the seventh grade battle here last Tuesday, 16-6.

Tulia drove for a touchdown early in the game. After having a first-and-goal situation from the nine, it took a four-yard run on fourth down to get the points. A run for two extra points was good, and Tulia led, 8-0.

Friona put the ball in play at their 21. Kent Miller picked up a first down to the 44, and a penalty gave Friona another first on Tulia's 33. However, the Hornets held and took over on downs.

Following a Tulia fumble, Miller ran to the Hornet 22 for a first. However, Friona couldn't hang onto the ball either, and gave it back a play later.

Early in the third quarter, Tulia faced third and 12 from their own 26 and threw a pass. Davy Carthel intercepted, and ran it back for a touchdown. The extra point try failed, and Tulia still led, 8-6.

Friona never could get a drive going, however, and in the final quarter, the visitors intercepted a pass and then scored on the next play. Two PATs made the final margin 16-6.

Last week's win by Friona over Bovina was the fourth straight for FHS over the Mustangs. The Chiefs won, 38-0, in 1963; 13-0 in 1966 and 28-7 in 1967. Bovina last won, 35-6 in 1962.

B-Team Scores 2nd Victory

Friona's B-team Chieftains scored a touchdown and a two-point conversion in the second quarter, and then settled down to the defense in an 8-0 win over Dimmitt's B-team here last Thursday. The win was the second of the year for the B-Chiefs.

Early in the game, Friona mounted a long drive behind the running of Louis Lee, James Bartlett, and Mario Perea. The drive, which racked up five first downs, went to the Dimmitt 13 before bogging down.

Dimmitt drove to Friona's 13 early in the second stanza, but the Chieftains defense dug in and took at their 21.

The B-Chiefs began their touchdown drive at this point, with a Larry Fallwell to Richard Shirley pass being one key play. Another was a fourth and three situation from the Dimmitt 24, when Perea broke loose to the Bobcat three.

On second down, Lee went in for the score. Perea ran for two extra points, and it was 8-0, Friona with 3:21 left in the half. Also sparking the touchdown drive was the running of Oberlin DeLeon, Perea, Lee and Bartlett.

Neither team could move the ball in the third quarter, but late in the period Friona got a drive going, with Bartlett, Lee and Perea picking up first downs.

As the fourth quarter opened, Friona had a first and ten at the Dimmitt 20. However, on second down, the Bobcats intercepted a pass to end that threat.

The teams traded fumbles, and late in the game a Friona punt backed Dimmitt up to its own five yard line. The Bobcats got a first down at the 22, but then Richard Shirley intercepted a Dimmitt pass and that was the ball game.

STAND 2-0

Freshmen Shine In 30-0 Dimmitt Win

Friona High School's freshman Chieftains raced to their second win of the young season last Thursday, over Dimmitt's freshman Bobcats, 30-0.

The first-year Chiefs had two other potential scoring runs called back, one a 55-yarder by Danny Waggoner, and the other a 60-yard return by Leonard Wassom.

But Friona had plenty of offense that counted. Early in the game, Waggoner raced 20 yards off left tackle for a TD after Friona recovered a fumble. James Perea ran for two points, and Friona had an 8-0 lead they never lost.

Still in the first quarter, Perea and Waggoner sparked a drive to the Dimmitt 10. Dimmitt took over, but on third down, the Dimmitt quarterback was tackled in the end zone, and Friona's lead was upped to 16-0.

Wassom returned the Lee kick to the Dimmitt 40, and on the first play of the second

quarter, Weldon Peace passed to Waggoner on a 35-yard play that stretched Friona's advantage to 16-0.

The Frosh Chiefs took the ball at midfield later in the quarter, and marched for another score, with Wassom, Perea and Waggoner moving the ball. Perea got this touchdown, from 10 yards out. The PAT try was no good, but Friona led 22-0.

Before the half ended, Waggoner raced 55 yards, but a holding penalty called this one back.

Early in the third quarter, Wassom ran 60 yards with a punt, but Friona was offside.

The team couldn't get on the scoreboard in that period, but on the first play of the fourth quarter, Perea ran 54 yards to paydirt. Waggoner ran the extras, and it was Friona 30, Dimmitt 0.

Dimmitt never mustered a serious scoring threat against Coach Dub Cleveland's team.

Eighth Graders Open Season With Victory

Friona's eighth grade Braves opened their season on a winning note last Tuesday, with a 16-0 victory over Tulia.

The Braves, who were undefeated last year as seventh graders, got touchdowns from Clay Bandy and Kevin Welch, and a pair of two-point conversions.

The first half of the game was a scoreless standoff, although Tulia drove to Friona's 15 on one occasion, and to the eight another time. On this latter drive, Tulia had a first and goal at the nine, but Friona held and took over on its eight.

Tulia received the kickoff to start the second half, and took over on their 35. On fourth down from the 40, Tulia punted, and Clay Bandy fielded it

at his own 25 and raced 75 yards for the team's first touchdown of the year. Henry Graves ran for two points and Friona had an 8-0 lead.

Tulia couldn't gain following the TD, and Friona took over on the Tulia 40. On second down from the 39, a pass from Gene Strickland to Kevin Welch covered the distance to the goal. Bandy ran the two points and it was 16-0.

The visitors fumbled on the first play following the kickoff and Friona recovered, but gave the ball up four plays later at the 25.

Tulia drove within the Friona 20, late in the game, on a sustained drive. However, on a fourth down play, Welch intercepted a Tulia pass

FACES MUSTANGS. . . These starting linemen for the Lazbuddie Longhorns will be out to help their team seek revenge when Lazbuddie hosts Bovina Friday night. Bovina was the only team to defeat the Longhorns during the regular 1969 season, in a 32-26 barn-burner. Shown, left to right, as they face opposing linemen, are Loy Dale Clark, Marty Moseley, George Wilson, Randy Bush, Jim Noland, Thomas Kervin and John Jones. Lazbuddie is 2-0 for the season.

Lazbuddie Clubs NM Team, 64-6

LAZBUDDIE (Special)—A potent offensive scoring machine sparked Lazbuddie to a 64-6 rout over Tatum Friday night.

Leading scorer for the Longhorns was Arthur Graves with three touchdowns. Mike Casey accounted for two scores which included a 70 yard punt return.

Charles Lee tossed two TD strikes to end Loy Clark. Lee scored on an 11-yard run and on a 70-yard pass from Rick Seaton. The big play of the night came on a 94-yard pass from Lee to Graves which accounted for one of Graves' three touchdowns.

Lazbuddie came up with 281 yards rushing and 263 through the air for a total offense of 544 yards.

TO ATTEND THE COUNTY CONVENTION OF PARMER COUNTY FARM BUREAU

* BARBECUE SUPPER
* SPEAKER -- Hub King
Secretary, Texas Farm Bureau

WHERE ? Bovina High School Cafeteria
WHEN ? Saturday, Sept. 26 7:30 p.m.

ALL MEMBERS INVITED

PARMER COUNTY FARM BUREAU

Milton Evans, Mgr.

Phone 247-3280

Friona

FIRST BALE. . . Charles Ray, left, who farms east of Friona, harvested the first bale of cotton to be ginned in Friona for 1970. The bale was pulled and ginned last Saturday, September 19. With Ray is Earl Chester of Chester Gln, who ginned the bale.

Charles Ray Pulls First 1970 Cotton

Charles Ray harvested the first bale of cotton in the Friona area last Saturday, bringing a 556-pound bale to Chester Gln.

The cotton was hand pulled from about four acres of a patch of cotton he farms on the Graham place east of Friona. It was Plasmaster III, and was planted on April 29. It was pre-watered, and then irrigated one time.

The raw cotton on the first bale weighed in at 2300 pounds. The cotton seed weighed 950 pounds. Earl Chester paid Ray a premium price of 50 cents per pound for the first bale, and ginned the bale free.

Chester Gln has ginned the first bale of cotton of each season nine times in the last ten years.

Cotton farmers are hoping for another month of "open" weather, so the crop can mature adequately. If they get a break from the weather, a fine crop is in prospect.

Cotton Group Sets Meeting

The Parmer County Cotton Improvement Association will meet Monday at 8:30 p.m. at the Bovina Restaurant.

Purpose of the meeting will be to elect the county's director to Plains Cotton Growers. W.L. (Preach) Edelman is finishing his fourth two-year term as delegate. Edelman has served the PCG organization since 1957.

Refreshments will be served.

Farm Bureau Convention Saturday At Bovina

The annual county convention of the membership of Parmer County Farm Bureau will be held Saturday evening, September 26, at Bovina.

A barbecue supper will be served, beginning at 7:30 p.m. in the Bovina High School cafeteria.

Main speaker will be Hub King of Brownfield, secretary-treasurer of Texas Farm Bureau.

Harry Hamilton, president, and Milton Evans, agency manager, invite all members of Farm Bureau to attend the meeting. A short business meeting will be held.

The motto of our postal service—Neither snow nor rain, nor heat, nor gloom stays these couriers from the swift completion of their appointed rounds—was penned by Herodotus in 430 B.C., while describing the Persian Postal Service.

One of the items to be discussed will be proposed constitutional amendment number 3, the uniform taxation proposition pertaining to farm and ranch land.

Former Residents Visit Friends

Mr. and Mrs. Ralph Tedford, former Friona residents now of Fayetteville, visited here with relatives and friends this week.

The Tedfords continued to Clovis, where a son, Jack Tedford is pastor of the United Pentecostal Church there. They are also to visit in Las Cruces, N. M., with Mr. and Mrs. Roy Lee Jones, their daughter and son-in-law. Rev. Jones is pastor of a church in Las Cruces. Buel Sanders of Friona is Mrs. Tedford's brother.

NORMAN BURGESS . . . Guest Singer

Revival Set By Baptists

The First Baptist Church will hold its fall revival the week of September 27-October 4.

Rev. Charles Broadhurst, the pastor, will bring the message. Norman Burgess of Oklahoma City is in charge of revival music.

"Strength for Living," is the theme of the week, taken from the book of Philippians, fourth chapter.

Weekday services will be held at 10:30 a.m. and 7:30 p.m. Sunday services are scheduled at 11 a.m. and 7 p.m.

The membership of the First Baptist Church extends an invitation for the public to attend this series of meetings.

Ten of our presidents owned slaves—Washington, Jefferson, Madison, Monroe, Jackson, Tyler, Polk, Taylor, (Andrew) Johnson, and Grant.

Fourteen County Wrecks Injure Seven In Month

The Texas Highway Patrol investigated 14 accidents on rural highways in Parmer County during the month of August, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in seven persons injured and an estimated property damage of \$10,330.00.

The rural highway summary for this county during the first eight months of 1970 shows a total of 93 accidents resulting in two persons killed, 44 persons injured, and an estimated property damage of \$73,375.00.

The sergeant reminded all Texas motorists that vehicles bearing red motor vehicle inspection stickers with the large black numeral "9" in the lower left-hand corner of the windshield must be reinspected before midnight, September 30.

All motor vehicles and certain classes of trailers registered in Texas are subject to the mandatory inspection of certain equipment which includes brakes, lighting, horns

and warning devices, mirrors, windshield wipers, steering wheels and rims, exhaust system, exhaust emission system, and front seat belts in vehicles where seat belts anchorages were part of the manufacturer's original equipment on the vehicle.

Albert E. Crump Buried In Memphis

Funeral services for Albert E. (Bud) Crump, 51, of Bovina, were conducted from the Church of Christ there at 10 a.m. Friday, Crump, a former Friona resident, died Thursday morning at Northwest Texas Hospital, Amarillo.

Cecil Bunch, Bovina, was the officiating minister. Burial was in the Fairview Cemetery, Memphis, at 4 that afternoon.

He was a retired farmer and had been in the farm supply and fertilizer business at Bovina for a number of years. He was a mason, a veteran of World War II and a member of Bovina Church of Christ. He is survived by three daughters, Cathy Crump, 1601 South Jackson, Amarillo; Mrs. Carolyn Richards, Reserve, New Mexico; and Mrs. Cindy Kunselman, Bovina; two sons, Eddie Crump of Albuquerque; and Tommy Crump, who is serving in the United States Air Force and stationed at Sheppard Air Force Base, Wichita Falls.

Also his mother, Mrs. Bess Crump, Memphis; two sisters, Mrs. Lucille Godfrey of Memphis and Mrs. Betty Shepherd of 5411 George Terrace, Amarillo; two brothers, Joe Crump, Amarillo, W.C. Crump, South Gate, California and Wiley Crump, Houston; and three grandchildren.

On The Farm In Parmer County MACK HEALD County Agent

Dr. Roland E. Roberts becomes Area Vegetable Specialist with headquarters at Texas A&M University Agricultural Research and Extension Center at Lubbock on September 1. He will serve the vegetable producing areas of the High and Rolling Plains of Texas. Major emphasis will be placed on the development of result demonstrations in all phases of vegetable production. Dr. Roberts will work closely with the county agricultural agents on this program and with research personnel at the Lubbock Center and the field station at Munday. The new specialist is a native of Connecticut and during his youth was an outstanding 4-H Club member. He was a state winner in both soil conservation and vegetable production. He holds a B.S. degree from the University of Connecticut; and M.S. from the University of Maine, and a Ph. D. from the University of Missouri with horticulture his major field of study. He served as a district agent in vegetables for the Maine Extension Service for five years; managed the vegetable research farm at the University of Connecticut and was a research assistant at the University of Missouri. He has also had commercial experience.

ing self-help programs for soybeans.

The referendum is being conducted under provisions of the Texas Check-Off Act of 1969. At the same time, a Producers Commodity Board will be elected to handle all phases of the program provided it is given a favorable vote. Farm owners, tenants or sharecroppers who produce soybeans in recent years are eligible to vote.

At Home In Parmer County

By Janice Miller
County HD Agent

Automobile accidents are one of the greatest causes of death and injury to youngsters under five.

Many parents allow children to ride in the family car without proper protection. When a parent holds a small child in his lap or arms and a quick stop or collision occurs, the child may be thrown against the car dash or even out of the car.

The safest place for an infant is a carefully constructed and

securely fastened car bed in the back seat.

For children weighing under 50 pounds, a child safety seat or harness provides protection. Harnesses should strap around the child's chest to keep him from lurching forward.

Children weighing more than 50 pounds may be able to wear a standard seat belt.

In the United States, approximately 25 percent of all calories are consumed between meals by "snacking."

The spice, Chile, a basic ingredient in many diets of the United States, Central and South America, is a commonly accepted preservative. But a recent study of chile found that off-flavors develop when chile is used alone with meat in frozen foods. Homemakers, however, can use chile in leftover cooked meats to extend their keeping time, according to Sally Springer, Extension foods and nutrition specialist.

Germany was the first country to use poison gas in warfare.

A Primordial Metal?

Nickel in trace amounts has been found in marine organisms. Plankton sampled by marine biologists had twice as much nickel as was present in higher marine plants. Their nickel content was found to be ten times that of fish and mollusks examined. It has been suggested that this concentration of nickel is evidence that the element has some function in the growth or metabolism of plankton.

PROFILE OF AN AMERICAN

THE ONLY QUALIFICATION FOR A WORKER TO BE PLACED IN A JOB THROUGH THE RECENT EMPLOYMENT ENTERPRISES DEVELOPMENT CORPORATION WAS THE INABILITY TO GET WORK ELSEWHERE. THE ORGANIZATION, SET UP BY EDWARD PAGE, EMPLOYER OF THE "UNEMPLOYABLE," SUCCEEDED IN FINDING JOBS FOR WORKERS WITH MARGINAL PRODUCTIVITY, MENTAL, CRIMINAL OR POOR WORK RECORDS, AND THOSE HAMPERS BY AGE OR LACK OF TRANSPORTATION.

THE IDEA OF THIS DYNAMIC AMERICAN CONCENTRATED ON "ENTIRELY" GETTING THE UNEMPLOYED INTO THE ECONOMIC SYSTEM, AFTER WHICH "THE TRAINING PEOPLE WILL SOLVE ITSELF." EEDCO, HIS UNIQUE EXPERIMENTAL PROJECT NOW COMPLETED, OPERATED SELF-SUPPORTING BUSINESSES TO FULFILL THE UNMET NEEDS OF COMMUNITIES.

PAGE, SENIOR MEMBER OF THE AMERICAN INSTITUTE OF INDUSTRIAL ENGINEERS, WHOSE PROJECTS HAVE MET WITH GREAT SUCCESS IN ANN ARBOR, MICHIGAN, BELIEVES JOBS SHOULD GIBE WITH REALITIES. TRAINING PROGRAMS, HE ASSERTS, DON'T SOLVE THE ENTRY PROBLEM, BECAUSE THEY DON'T OVERCOME THE PROBLEMS OF APPEARANCE, POLICE RECORDS, PRIOR WORK EXPERIENCE OR FEAR OF FAILURE.

THE PROJECT WAS BEGUN IN 1965 WITH A BUSLOAD OF HOSPITAL PATIENTS PAGE PUT THEM TO WORK IN HOUSEHOLD CLEANING, REALTY MAINTENANCE, ODD-JOB AND YARD CARE SERVICES, A HOUSING RENOVATION ORGANIZATION, AN EQUIPMENT RENTAL SERVICE, A BOARDING HOUSE, A CAR WASH AND THREE GAS STATIONS. THEY WERE SOON JOINED BY PRISON PAROLEES, ALCOHOLIC, HIGH SCHOOL DROPOUTS AND OTHERS CONSIDERED UNEMPLOYABLE.

APPLICATION OF INDUSTRIAL ENGINEERING PRINCIPLES AND PRACTICES BEYOND PLANT GATES MAY SOMEDAY, ACCORDING TO PAGE, BECOME A NEW SCIENCE KNOWN AS "SOCIO-ECONOMIC ENGINEERING."

**Rudolph Renners
 Host Club Meeting**

Mr. and Mrs. Rudolph Renner Sr. were hosts at the regular meeting of Friona Antique Club in their home Monday evening. Dick Habbings, vice-president, had charge of a brief business meeting.

The host couple conducted others present on a tour of their home and pointed out pieces of antique furniture and related the history of each item. Then Mrs. Renner showed the group a number of hand made quilts. Refreshments of salad, cake, coffee and cold drinks were served by the Renners to Mr. and Mrs. Raymond Adams, Mr. and Mrs. Dick Habbings, Mr. and Mrs. Jerry Zachary, Joe and Patty Grace, Mr. and Mrs. Leo Balls and Mrs. Opal Jones.

4-H'ERS IN SMALL TOWNS
 According to recent statistics compiled by the Cooperative Extension Service, towns of less than 10,000 claim about 42 percent of the national 4-H enrollment.

FIESTA QUEEN CROWNED... Highlight of the Mexican Fiesta in Bovina on the anniversary of Mexican Independence was crowning of the Fiesta Queen. Pictured here is Rachel Morales, who won the title. She is the sixteen-year-old daughter of Mr. and Mrs. Jesse Morales and was sponsored by Marie Esquivel.

**Charter Member
 Formally Installed**

The Sigma Upsilon Chapter of Epsilon Sigma Alpha met in the Community Room of Friona State Bank at 8 p.m. Tuesday for the regular meeting. Mrs. Rodney Green, one of the charter members, was formally installed by Mrs. Jack Rannels, president of the Muleshoe ESA Chapter.

Mrs. James Andrews, educational director of the local chapter, presented a program relating to the history, symbols and traditions of the organization.

Eleven of the charter members were present. They were Mrs. Yale Canfield, Mrs. Jack-

ie Hight, Mrs. Tex Barnes, Mrs. Ernie Porter, Mrs. Clifton Mowbray, Mrs. John Nail, Mrs. O'Neil Greeson, Mrs. Andrews, Mrs. Green, Mrs. Charles Faulkner and Mrs. Leon Massey.

Mrs. Douglas Stephenson was delegated club representative to the fine arts council of the local Chamber of Commerce and Agriculture.

Refreshments of coffee and cookies were served by the president, Mrs. Charles Faulkner.

Special guests were three big sisters from Muleshoe. They were Mrs. Rannels, Mrs. Mack Brown and Mrs. Noni Howard.

**Young Homemakers
 Hold Observance**

Mayor R.L. Fleming officially proclaimed September 20-26 as Young Homemaker Week in Friona.

In observance of National Young Homemaker Week in America members of the Friona Chapter have done a variety of things.

Sunday morning bouquets of red carnations were placed in each church attended by one or more members. One carnation for each member.

A display in Bi-Wize Drug window was arranged Monday and the carnations were picked up from local churches and presented to residents of Griffith Convalescent Home.

During the week baked items and canned food were presented to a deserving family; a gift certificate was presented to a deserving home economics student for her to use to purchase material needed and other needed items in her class work; and some special gifts were presented to persons residing at the local rest home.

During each year several community service projects are carried out. The club has a representative on the library committee. She is Mrs. Alton Peak. A monthly allotment of \$7 for the purchase of new books has been set aside for the library.

Mrs. Larry Moyer serves on the exchange student committee.

During the school year club members assist with two special education classes in the local elementary school. Parties complete with refreshments and planned activities are sponsored several times

during the year. The club also provides many classroom materials for the children and transportation for field trips and end of school picnics.

Farmer County servicemen, who are serving in Viet Nam, are remembered with baked goods and items for personal use during the Christmas season.

The first of October drive will be conducted for "Toys for Tots." All repairable toys are taken to Amarillo, where members of the Amarillo Fire Department re-build them for needy children.

This year's officers are Mrs. Roy O'Brian, president; Mrs. Bill Brandt, first vice-president; Mr. Dale Smith, second vice-president; Mrs. Calvin Dozier, third vice-president; Mrs. Eugene Bandy, secretary-treasurer; Mrs. Danny Black, reporter-historical; and Mrs. R.J. Buchwald, benevolence chairman and parliamentarian.

Jayn Massie, a senior in Friona High School, is the club's Little Sister.

**Sixteen Attend
 Fellowship Meet**

Sixteen members of Women's Fellowship of Union Congregational Church were present for the Wednesday afternoon meeting in Fellowship Hall of the church.

Mrs. R.B. McKee presented a program entitled, "Love is Patient."

Refreshments of chocolate cake and frosted cold drinks were served by Mrs. F.T. Schlenker, hostess.

WILLIE GRACE GRUBBS... Mr. and Mrs. A.S. Grubbs, Route 3, Friona, are announcing the engagement and approaching marriage of their daughter, Willie Grace, to Donnie Skelton, son of Mr. and Mrs. Joe Skelton, Hereford. A late October wedding is being planned by the couple.

Visitors Depart

Mrs. Socorro Ojeda and Dr. Della Ruiz and children, Alonzo and Valessa, of Maracay, Venezuela, have been guests in the home of Mr. and Mrs. Gaylord Maurer and daughters.

Mrs. Ojeda is Mrs. Maurer's mother and Dr. Ruiz is her sister. The group departed Monday for their home after spending ten days here.

FIRST BAPTIST CHURCH
 515 Summitt Ave. Friona, Texas

Vince Rowells Adopt Baby Boy

Mr. and Mrs. Vince Rowells became parents of a baby boy by adoption Monday. He was born at 8:30 a.m. Saturday, September 19 and weighed 7 lbs. 15 ozs. He was named Jason Douglas.

Grandparents are Mr. and Mrs. T. A. Kelley, Friona; Mr. and Mrs. Dale Wortham, Santa Clara, California; and Mr. and Mrs. R. D. Rowell, Lovington, New Mexico.

Great-grandparents are Mr. and Mrs. Tom Lewellen, Friona; Mrs. W. T. Kelley, Plainview; and Mrs. M. B. Rowell, Hale Center.

Mr. and Mrs. E. D. Matlock, also of Friona, are the great-grandparents.

Mr. and Mrs. Rowell and Jason plan to go to their home in Santa Clara, California, later this week.

ISLAND HOLIDAY TABLE. . . Melon balls, fresh fruit and salads were served from this table at the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House. Mrs. Jimmy Maynard and Mrs. Jerry Hinkle are pictured here as serving began.

Band Parents Name Leaders

Friona High School's Band Parents met recently and among other items of business, selected officers for the 1970-71 school year.

George C. Taylor was named president; Mrs. Steve Messinger is vice president; Mrs. Glen Mingus is secretary-treasurer and Porter Roberts was named publicity chairman.

Charles Faulkner, band director, presented the band schedule for the year.

The main purpose of the organization is to support and boost the band in its activities.

"Let It Begin With Me" Club Theme Announced

Announcement of the theme for the year's work was made at the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House. The motto for the meeting was "We can if I will. . . Let It Begin With Me."

Roll call was answered with answers to the question, "What would you consider a dream vacation?"

Mrs. Dale Houlette presented an inspirational entitled, "Mahalo."

Yearbooks were presented by Mrs. Tommy Hammock, chairman of the program committee.

Leis were presented to members as they arrived and a Hawaiian meal was served.

Following a game of charades, Mrs. Wayne Rhodes was awarded a first place ribbon.

Hawaiian fashions were modeled by members and Mrs. Hank Wheeler was named "Best Dressed" for her authentic Hawaiian costume.

Pam Wilcox Elected Troop 244 President

Highlight of the Thursday evening meeting of Girl Scout Troop 244 in the backyard of the country home of Mr. and Mrs. Bob Riethmayer was the election of officers for the coming year.

Pam Wilcox was elected president. Other officers elected to serve with Miss Wilcox were Marilyn Jones, vice-president; Jeanine Jarboe, scribe and treasurer and Hope Mays, reporter. Kenna Moore was the presiding officer.

The program agenda included discussion of money making projects, a regular meeting day and planning a program for the next meeting.

This meeting, which will be held Thursday at Girl Scout House will be a "Scout's Own," with the theme "Girl Scouts Together." There will be an evaluation of the law and promise and new troop members will recite laws.

Troop leaders, Mrs. Bob Riethmayer and Mrs. Glyn Hamilton, outlined plans for the year's work. Theme of study for this year will be "Emergency Preparedness."

Others present for the meeting and welner roast which followed were Cindy Gammon, Kenna Moore, Terri Fallwell, Sandy Fulks, Mona Reed, Pam Wil-

cox, Hope Mays, Carol Bavousett, Jeanine Jarboe, Diane Hamilton, Susan Evans, Marilyn Jones, Diane Spencer, Lisa Cummings, Tonna Morgan and Stacey Wheeler.

Also Mesdames Thomas Jones, V. R. Wilcox and Kim, Smiley Fulks, Tom Jarboe, Harold Mays, J. D. Spencer, Sr., Dale Hart, Bill Morgan, Doyle Cummings, Steve Bavousett and Ralph Reed.

Historical Program Presented At Meet

Mrs. Velma Lovett and Mrs. Fay Reeve presented an informative program entitled "The Fate of the Signer of the Declaration of Independence," at the Tuesday evening meeting of Modern Study Club at Federated Club House.

Mrs. Lilah Gaye Gee led the

Murphrees Honored With Housewarming

Mr. and Mrs. Curtis Murphree, 1607 West Tenth Street, were honored with a housewarming Saturday evening.

Following presentation of gifts, guests toured the Murphrees' new home and visited. Refreshments of punch,

FOREIGN EXCHANGE STUDENT RETURNS. . . Mr. and Mrs. Blaise Thoney of Basel, Switzerland, are guests in the home of Mrs. Thoney's American parents, Mr. and Mrs. Ernest Osborn. Mrs. Blaise is the former Eve Braunschweiger. She was Friona's foreign exchange student during the school year, 1962-63. The Thonneys have been on tour in the United States for the past four weeks and have been from New York City to the west coast and are on their way back to the east coast, where they will depart for their home.

Bloodmobile Planning Visit Here On Oct. 7

group as they repeated the American Creed in unison.

Twenty-two members were present. Mrs. Eufaula Ethridge and Mrs. Fern Awtry served refreshments.

The Coffee Memorial Blood Center of Amarillo will receive blood at First Baptist Church, Friona, on Wednesday, October 7, from 9 a.m. to 11 a.m. for Mrs. Stanley Vinson.

Mrs. Vinson is seriously ill, and is at the Granville Morton Cancer and Research Hospital in Dallas. She must receive blood each week.

Donor requirements are for a person to be between 21 and

59 years of age. Minors between the ages of 18 and 21 must have the written consent of their parents. The donor must not eat for four hours before giving blood, although black coffee is permitted.

If Mrs. Vinson does not use all of the blood received and given to her account, any person in the community needing blood could receive credit by consent of Mrs. Vinson.

BUNDLE

FOR WINTER...

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW... AND WE'LL INSTALL STORM WINDOWS... FREE!

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating, because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families! . . . almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating . . . and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installations, do not despair—we have a special, most attractive plan for you, too.

Sincerely Yours

BY REV. ALBERT LINDLEY

The other day in a meeting which had to do with some future plans of the church program over a large area, the chairman of the committee was seeking to explain a way of dealing with a problem. The problem is one which often arises when the questions of "who" and "how much" work is to be carried out by an individual.

The chairman said that to overcome the problem one must say to the problem person, "This is the way the task must be done and you or your replacement will do it that way." "Then," he continued, "be sure and smile."

Now that's the kind of advice I can live with. That is what it takes, in some instances, to get the job done. . . .

Have you ever felt like saying that to someone—"You or your replacement"—hal! It sure has some possibilities. A statement like that sure places a great deal of pressure on the one to whom it is directed, especially if the speaker really has the power to replace.

It can become rather comical when one thinks about saying that to someone when the replacement power is not really his to dispense—ha—it can also be rather critical.

Just imagine saying that to your boss, or partner, or your wife—wow! That's what I meant by critical. . . .

I suppose one could get into such a situation with some irresponsible choices having been made earlier.

For instance:

Judge: "If this man is, as you say, of no account. Why did you ever marry him?" Plaintiff: "Well, your honor, he was over-recommended to me."

Some times our "overrecommendations" cause some improper situations which could have been prevented.

I'm talking about things which we simply fail to do or possibly even things which we do—and shouldn't.

We kinda "overrecommend" our own worth and get to feeling our importance far beyond our actual limitation.

I know of instances when a person actually needed to be told, "Friend we need to replace you. You are not carrying your load." (Be sure to smile.)

The Apostle Paul sure speaks to me here because he was worried about things he did that he shouldn't and things he wanted to do and didn't. But who could have replaced him? After all, much of the difference that we see between Peter and Judas (both of whom denied Jesus) was that Peter continued to try—even after his denial—and Judas gave up immediately, for as tradition relates, he hanged himself. Who knows but what, had he held on just three more days, he would have come out alright. . . .

Well, it is worth considering, especially since so much of the Christian Faith seeks to relate God's forgiveness and his powerful grace.

I am of the personal opinion that we all stand in a position of "falling" when it comes to doing our "thing" for God. We can be replaced. You know!

There I go, preaching again—very frankly, it's hard for me not to do some. . . . I hope you don't mind a word ever so often. I think it would help if I just closed with a joke: "A Quaker farmer had a cow that frequently kicked over the milk bucket at milking time. It happened many times, and nothing the farmer could do or say seemed to break the habit. One day in a fit of exasperation the farmer said to the cow: "To scold thee or beat thee is against my religion, but if thee continues to kick over that bucket, so help me, I will sell thee to a Methodist."

Whoops! There I go! Preaching again. . . . But I'm smiling!

We're in the "found keys" department again this week. During Maize Days Mrs. Eune Martin lost some keys in City Park and they were found by Jerry Hinkle. Jerry wanted to find the owner, so we gave him an assist through this column.

Mrs. Martin was happy to find her keys and reclaimed them. Then a few days later her son found an unmarked key ring with three keys on it and brought it to the office with a request that we help her find the owner. Two keys are Ford products and the other one is apparently a door key.

Let's see if we can't get them back to the owner.

Now, I'm more convinced than ever that each of us should have name tags on our key rings. There's no telling how many times I've misplaced mine and had them returned to me. My ring isn't even adequately marked, but one key has my first name on it.

Everyone has access to a labeling machine, so it would take very little time to make a name tag for each key ring. Perhaps the simplicity of the job is what keeps so many of us from doing it.

Since the beginning of school so many small children are crossing the streets twice each day that it is good for each of us who drives to keep them in mind.

A recently published letter to the editor of the Castro County News was very timely. It was signed "A very concerned mother on Oak Street," but it could very well have been signed "A very concerned mother anywhere in the U.S.A."

"Now that school has started, we have a great many activities to attend. I want to ask all young drivers to assume an adult's responsibility in handling their cars in residential sections of our town.

There are approximately 20 children in six or seven houses right around our home. About ten of these are between the ages of one and five and the rest are from five to nine.

These children play in their yards and on the sidewalks in the afternoons and early evening hours. Only a few feet separate them from the cars on the street, and a driver's vision is greatly obscured from seeing a child.

I believe most older people with families realize their responsibility to drive cautiously when children are playing. They know full well that a child forgets to look and may run into the street to play at a friend's house or retrieve a run-away ball, without looking either way.

It has been less than ten years since I was a teenager, and I realize the thrill of having a fine car and wanting to show it off to friends. But, I believe there are better places to do it than just ten feet away from a child.

We lived in a neighborhood just three years ago where a classmate of my son was killed in the street by a car. He was seven and an only child. He simply forgot to look.

I do all I can to teach my children to watch for cars as they walk to and from school, and to stay out of the street. But, they are only children and I have seen them forget to look and I thanked God no cars were coming.

No policeman can sit everywhere and watch. Drivers will have to police themselves. If I step on your toes, take them off the accelerator. In an extra minute or two, you can be at your destination and not endanger the life of a child more than is necessary.

Most of you know where young children live and are playing. I beg you to look out for them and slow down."

Shower Courtesy For Mrs. Cayce Lee Dunn

A miscellaneous bridal shower in the home of Mrs. George Frye in the Black Community from 3 to 5 p.m. Saturday was a courtesy for Mrs. Cayce Lee Dunn. Mrs. Dunn is the former Becky Nell.

Cookies, punch, nuts and mints were served by the hostesses. The serving table was covered with a white linen cloth and centered with an arrangement of fall flowers. Guests

were greeted by Mrs. David Smith, who presented them to Mrs. Dunn, her mother, Mrs. Kenneth Neill and mother-in-law, Mrs. Maureen Dunn.

Hostesses were Mesdames C. L. Vestal, David Smith, George Frye, Aubrey Rhodes, Glen Stevick, Dave Thompson, Bill Carthel, Charles Allen, Noyle Wood, Lois Weatherly, E. G. Phipps and Johnny Mars.

Girl Scout Troop Has Regular Meeting

The regular meeting of Girl Scout Troop 166 at Girl Scout House was called to order by Karen Young, chairman. The minutes of the previous meeting were read and approved. Roll call was answered by twenty girls.

Members of this troop are beginning work on their Toy-maker Badges. The leader, Mrs. Watson Whaley, asked for suggestions of children's homes where the toys might be sent when completed.

Patrol names and leaders were selected. Darla McClellan is leader of the Nature Patrol; Linda Anthony is leader of the Sunshine Patrol; and Vickie Flores is leader of the Trefol Patrol.

Refreshments were served in patrols. Those serving were Elaine Dandridge, Lupe Castillo, Linda Anthony, Brad Odum, Oralla Ramirez and Ofilia Ramirez.

A trip to Dorsey Mansion and an overnight were discussed.

Mrs. Vinson Address Given

Mrs. Stanley Vinson, who has been undergoing treatments for some time for leukemia, was flown last Sunday to the Granville Morton Cancer & Research Hospital in Dallas.

Friends who wish to send her a card may address her at the hospital, 9000 Harry Hinds Blvd., Dallas, Texas, 75235.
