

Maize Days Events Ready To Roll

SCHEDULE GIVEN

Carnival Rides Open On Monday

Friona's 14th annual Maize Days celebration will kick off next week, with the arrival of the Golden Spread Amusement Company rides heralding the opening of the celebration on Monday.

Several new events are on this year's schedule, including a staged bank robbery with real fast-draw champions; a children's pet show, and a fine arts display.

Main events of the celebration will come on Thursday, Friday and Saturday of next week. Twenty-eight girls are entered in the Maize Queen contest, which will be held on Thursday.

Theme for this year's celebration is "Maize -- from field to filet."

Maize Days Schedule

Monday Through Saturday:

Carnival in City Park

Thursday:

- 1 p.m. to 6 p.m.--Children's Art Show, Book Sale: Library.
- 4 p.m.--Queen's Talent Contest, Auditorium. Admission 50¢
- 8 p.m.--Finals in Queen Contest, Auditorium. Adm. \$1.00 & 50¢

Friday:

- 9 a.m. to 6 p.m.--Children's Art Show & Book Sale: Library.
- 10 a.m.--Parade
- 11 a.m. to 4 p.m.--Fine Arts Display, Nunn Lumber building.

- 3 p.m.--Children's Pet Show, on Library lawn.
- 6:30 p.m.--Bank Robbery, enacted at City Library.

Saturday:

- 9 a.m. to 6 p.m.--Children's Art Show & Book Sale: Library.
- 9:30 a.m. to 3 p.m.--4-H Club Fair Rear of Credit Union building.
- 10 a.m. to 4 p.m.--Fine Arts Display, Nunn Lumber building.
- 12 noon--Free Barbecue, City Park.
- 2:15 p.m.--Beard Contest, " "
- 2:30 p.m.--Drawing for Prizes " "

Friona Enrollment Ties Record For First Day

First-day enrollment in Friona schools tied the all-time record for a first day on Monday, when 1365 students enrolled in the system.

The total was exactly the same as that which enrolled in local schools last year on the first day, and that figure set an all-time record.

All three school divisions compared favorably with their totals from a year earlier. High school enrolled 337 students, only one shy of the total, that enrolled on the first day in 1969.

Grades five through eight enrolled 484, up 11 from the 473 total a year ago, and the first four grades tallied 533, compared to 554 a year earlier.

Added in with this year's totals are the 21 public school kindergarten children who enrolled in the class for the first time this year.

Enrollment usually climbs for about a week, and school officials expect the total to hit the predicted 1450 students.

This year's figure is a total of 88 more than enrolled on the first day of school two years ago, a 6.5 per cent gain.

THOSE AGAIN? . . . Bill Pankratz, a seventh-grade student at Friona Junior High, typifies the 1400 or so students who discovered this week that it's once again time to hit the books. Bill is the son of Mr. and Mrs. Bill Pankratz, 908 Virginia.

Chamber Invited To Industrial Conference

The Friona Chamber of Commerce has accepted an invitation extended by Governor Preston Smith to participate in the 3rd Annual Governor's Conference on Industrial Expansion to be held Tuesday, October 13, 1970.

More than a thousand persons are expected to attend the day-long conference from throughout the state. The program will serve two basic purposes. It will allow Texas to honor expanding industries, and reveal for the first time the results of the inter-state study on plant location incentives being offered by the nation's leading industrial states.

The major areas of this study: taxes, financing, vocational/technical training will be discussed by three panels which

will include a top state legislative official, a leading professional industrial developer and a representative from the nationally-known consulting firm of Peat, Marwick and Mitchell, who is making the competitive studies.

Another highlight of the conference is the dramatic triple-screen sound-on-film presentation portraying the expansions of five Texas companies in 1969.

Steve Messenger said that the chamber is now making plans for a delegation from Friona to attend the day-long conference to be held in Austin's Municipal Auditorium. Local manufacturers, chamber members, and professional industrial developers are invited to contact the chamber at 247-3491 for details.

NEELLEY LEAVES

New Manager, Asst. For Friona's PCA

A new managerial arrangement was announced this week by the Friona Production Credit Assn. office.

Dale Cary, 28, who has served as the assistant manager for the past 18 months, has been elevated to the manager's position, replacing Robert Neelley, who is moving. Neelley has held the position for the past five years.

At the same time, James Petty, has been employed as assistant manager for the office, to replace Cary.

Cary, who is originally from Hollis, Oklahoma, received his BBA degree in accounting from Texas Tech. He came to Friona originally as manager of the local Monsanto branch office.

A member of the Friona Noon Lions Club, Cary has also been active in other community activities. His wife, Mary Ruth teaches fifth grade in the Friona schools, and the couple has a daughter, Patty, who is two.

Petty, 35, plans to move to Friona as soon as housing can be arranged. He has spent the past three months training in the Plainview PCA central offices. A native of the San Angelo area, he received his master of science degree in Agriculture from Texas Tech University this past year.

Petty is married and the father of a 10-year old daughter. He has formerly been in the livestock business. Petty has belonged to Lions International, and is a member of the Church of Christ.

Neelley is moving to accept a position with the Federal Intermediate Bank in Houston. He also has been active in civic affairs, and was a member of the Friona City Commission.

The Friona PCA office will

provide \$28 million in financing to the area economy this year. The office staff has been doubled in the last two years. Mrs. Kenneth Watkins and Mrs. Kenneth Williams are office secretaries.

The local PCA office is in its 11th year, having been established in 1959.

The Plainview PCA is the largest association in the Houston district, and one of the largest in the United States, doing some \$125 million in business annually.

James Rogers is general manager of the association, which maintains offices in all eight counties that it serves. Bill Carthel, who lives east of Friona, is a member of the Plainview PCA board of directors, representing this area.

New Vet Clinic To Open Here Monday

Announcement was made this week of the opening of Friona Veterinary Clinic this coming Monday, August 31.

Dr. E.E. Kraus, Clovis veterinarian, is owner of the new clinic.

Office hours will be 8 a.m. to 5 p.m. Monday through Friday, and 8 a.m. to 12 noon on Saturday. Dr. Jim Marsh will

divide time with Dr. Kraus in the office.

The new business is located on East Highway 60, just west of Big-T Pump Co.

The clinic will handle both large and small animals, and invites all animal owners to come visit them.

The Weather This Week

Date	Hi	Low	August 23	81	56
August 19	98	65	August 24	85	57
August 20	99	65	August 25	86	58
August 21	89	62	Moisture:	.84 inch	August
August 22	89	62	21, .02 on August 22,		

County Accident Report Released By Texas DPS

The Texas Highway Patrol investigated 17 accidents on rural highways in Parmer County during the month of July, according to Sergeant Wells, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed, 10 persons injured, and an estimated property damage of \$14,655.

The rural accident summary for this county during the first seven months of 1970 show a total of 79 accidents resulting in two persons killed, 37 persons injured, and an estimated property damage of \$68,045.00.

"School days" are here again," the sergeant reminded area motorists. The familiar, yellow schoolbuses are back on

the highways. The Sergeant reminds all motorists of the state law regulating traffic in regard to school buses.

"The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or undertaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children," he cautioned.

Pet Show To Be Maize Days Event

There will be a pet show for children of all ages on Friday during Maize Days at 3 p.m. The competition will be held on the Southeast corner of the City Park across the street from the Library.

This event will replace the Kids Contests which have received only slight interest in past years. Mrs. Bill Ellis is chairman of the event, which is sponsored by the Chamber of Commerce.

Large farm animals such as calves, goats, sheep, etc. will not be accepted. However, all other kinds of pets are invited. There will be a category for practically every kind of pet.

The pet parade and judging will begin promptly at 3 p.m. There will be no entry fee and the public is invited to view the show.

Dr. E. E. Kraus, owner of Friona Veterinary Clinic, is to judge the contest.

NEW MANAGEMENT . . . Dale Cary, right, is the new manager of the Friona Production Credit Assn. office, replacing Robert Neelley, standing. James Petty, left, is the new assistant office manager.

Sales Seminar

The Sales Training Seminar, sponsored by the Friona Chamber of Commerce, will get underway on Monday, August 31 with the first of a three-session program.

Merchants interested in taking part in the seminar are urged to enroll their sales personnel, either by calling the Chamber office or coming to the Monday session.

Joel Combs of Developmental Training Services, Pampa, will be the course instructor. The seminar will touch on three major categories: personal attitudes, human relations and selling skills.

Sets Final Shoot

The Friona Gun Club will hold its final "shoot" of the season Friday at 8:30 at the Trap House east of Friona on Highway 60.

The club invites visitors to take part in the shoot, which will offer prizes. Ammunition will be available, according to a spokesman for the club.

FIRE DEPT. PRIZE . . . Albert Wolfington poses beside the panel truck which the department will give away as a Maize Days prize. The truck, which has less than 6,000 actual miles, will be replaced with funds from the project.

Pause and Reflect

By Nelson Lewis

No matter how sound our judgment, or how much we shop around searching for bargains, there is one very important commodity we buy--like it or not--at the seller's demanded price--government!

Some authorities tell us that we in the United States have got it made where taxes are concerned. They quote facts (7) and figures to prove that we get better government--per dollar spent--than any other nation on earth.

We get plenty of "Federal Direction" all right--but that's not the point.

Are we getting our money's worth of what we want? Do we want our local business, our schools, our farms, our entire lives controlled from and by Washington D.C.?

If you, as an individual, are willing to relax and have your future taken over by the "State" then read no farther, because this column is not for you.

If you are an old hard-nosed American Patriot then you may be interested in the following suggestions.

We need a continuing series of town meetings--not just one on the Fourth of July.

We need to get together in Friona and declare our belief in Democratic Principles.

And we need to have meetings with other towns in the Panhandle and then as a group of towns and cities until we are a driving force of Freedom Loving Americans whose voice will be heard!

When we get smart enough to tell the Congressmen and the Senators "how the cow ate the cabbage" we will get results--and not before.

Yours truly is a very small cog in a very small machine, but he has been through the marble halls of the "Playhouse on the Potomac" often enough to know the value of "letters from home."

We are fortunate in having a man like Bob Price--a plain old country boy--to represent us. If you think I'm just talking to hear my head rattle, write him concerning your problems. I'll bet you will be pleased with the results.

The awful truth is (and many is the time you have been warned that it is later than you think!) that the creeping cancer of decaying democracy is on our doorstep.

An official in Amarillo said the other day that there was no way to keep the hippies from throwing rocks and bottles at the policemen and motorists.

Why?

"Because," he said, "there must be an unlawful act before the cops can move in."

Well, I ask you, what the Heck constitutes an unlawful act? Must it be the murder, rape, arson, or grand larceny?

What ever happened to disturbing the peace, drunkenness by alcohol or drugs, or creating a public nuisance?

Amarillo's attitude must be similar to that of Washington D.C.

Last month I had several conversations with policemen in that city.

A direct quote--names on file if you think I'm making it up--

"A person can walk up to one of us while we are in uniform and on duty and curse us for everything under the sun, spit on us, shove us around and offer profane insults to the flag, and we are powerless to object, resist or arrest him or her.

"The few that we have arrested and appeared against are turned loose and we are reprimanded by the judges for bringing them in."

How do you like that?

Some bargain, isn't it?

A national official stated that the United States is unable to stop the flow of dope into this country from Mexico.

Freely translated this means that the Mafia has paid off enough men in high places so that the peddlars of death may have a free hand with our children.

Of course there have been a few faltering steps taken to correct what everyone knows is a bad situation.

The country of Turkey has been asked to please stop shipping the opium poppy to other nations.

And, too, the French are being very politely requested to cease and desist in the refinement of said poppies into a condensed, easily smuggled form of dope.

May we be lulled into apathy, and believe that these two good buddies of Uncle Sam will immediately fall into line and cut off the main source of organized crime's major income? Baloney!!!

They couldn't care less about our internal problems as long as they are harvesting a golden flood of dollars.

There is one thing to say about "big brother" government and William Pitt, Earl of Chatham, said it rather well on Jan. 9, 1770.--"Unlimited power is apt to corrupt the minds of those who possess it."

LETTERS TO EDITOR

To The People of Friona: We would like to express our appreciation to our many friends for the many favors and friendships which have been extended to us during our stay in Friona. It is impossible for us to thank each one of you individually so we are taking this means of acknowledging our gratitude to those of you which we have failed to thank personally.

The city and people of Friona have been very good to us and it is our desire to maintain the many friendships and perhaps to repay each of you in time. We hope that each of you will keep in touch and visit us at the earliest opportunity.

Many thanks again and may God bless you all.

Sincerely, Robert and Connie Neelley

A family medical encyclopedia points out that the human body has approximately 206 bones--and about 250 joints!

tion, where he is doing assistant research department. He and his wife, the former Becky Elliott, and young son, Brenton, moved to College Station last week.

Sincerely Yours

BY REV. ALBERT LINDLEY

Well, this is luck. After the crack I made last week about the "outstanding qualities" of this paper since it now has my article in it, I didn't know if there would be a "repeat" or not--but here I am. . .

So--what would you like to have discussed today in the high-literary-tone that is characteristic of this article?

Visiting in another town and in a meeting, I noticed a sign in the corridor of a church which read:

"It all starts with 'you', Why don't 'you' start it!"

It caught my fancy and I stated my conclusion to a minister friend, who replied, "Yeah, but I'm afraid of what they might start. I might not like it."

I took his reply in jest (?) and then thought about it later.

Probably in that reply of his--jest or not--rests the clue for much of our approach to so much that goes on today.

Being fearful of what might happen with "freedom" being offered--we hold back the offer.

I am thinking about our children--teenagers, and various others who are responsible to us--there are some, you know, who are dependent on what we think and feel--for instance, the politician on all levels. . .

When we really stop to think about it all, each of us has some power that we often exert--to flex our muscles, if for no other reason.

How we utilize that power and what we do with it is determined by our "decision" to allow a free expression or not. . .

In our children we attempt to guide and teach--the total community assists the parent here--or should--until such time as they prove their ability to make responsible decisions. A real hang-up here is in the difference of opinion as to when this time is reached and if responsibility is truly felt.

Real heartbreak can come with improper use of freedom--in all age levels and in all relationships. . .

So--now we have this before us--what can we do about the situation?

Freedom to choose and decide--when felt responsibility--can bring a certain amount of fear when we are desirous of doing the "right" thing.

A part of the real concern that I should think the Children of God--that's you--would feel, is that they accept the knowledge that it "does all begin with you" and that God has given "you" the freedom to respond--favorably or not--and here we need to stop and regain our bearings.

Have you ever walked by a large magnet with a compass in your hand?--(sure, I do it all the time.) Probably not, but you do know enough about the law of magnetic fields to know that that invisible field can upset the direction of the needle of the compass and can actually cause it to fluctuate, jump, quiver, and/or dance a jig. . .

You know, all of us--with our God-given freedom to do and be as we choose--can also have our direction upset by little "magnets" of interests which literally cause our positions to be at least unsettled, if not altogether altered. That's our freedom!

Now, back to our beginning--if it is true, that it "all starts with 'you' (and it does, if I mean your individual response as a person in God's world--and that's what I mean), if it does "all start with you," then "why don't you start it" is a good admonition. My only reaction is this:

But don't get smart like Eve, And replace God with a snake; When it all starts with you, Make sure your choice can rate, For God has graced us with love and care And sees our worth in how we fare!

Well, that's not Longfellow, but then this article isn't either from the Saturday Review of Literature.

Good luck. . .and get started!

Arts Display Will Be Feature Of Maize Days

The Friona Fine Arts Council has announced that there will be an exhibition of fine arts during Maize Days at the old Nunn Lumber Building.

All individuals and clubs wishing to exhibit, display or sell paintings are invited to enter their works free of charge. Prizes will be awarded in the following categories: still life, landscape, contemporary and miniature. There will also be a special category for paintings depicting Friona, past and present, with scenes peculiar to this area.

The painting display will be set up and judged on Thursday afternoon, September 3. It will be open for viewing on Friday, September 4 from 11 a.m. to 4 p.m. and Saturday, September 5 from 10 a.m. to 4 p.m.

Other special displays will include an arts and crafts show and sale, a needlecraft or cre-

ative stitchery and a hand-crafts division. There will also be a division for tole painting.

There will also be a special division of items particularly depicting the Friona area and those which are made from materials native to this area.

If enough interest is shown, there will be a junior division of paintings or arts and crafts or both.

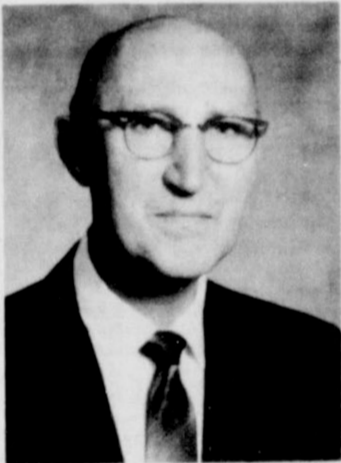

The arts and crafts will be entered and judged on Wednesday, September 2, and will be on display for the public Thursday, Friday and Saturday during Maize Days.

The Historical Society is also planning a display at the same location. This exhibit will include many items of local interest.

Anyone wishing further information should contact Mrs. Wes Long, Mrs. A.L. Outland or Mrs. Steve Messenger.

Church Mission Festival To Feature Guest Speaker

The Rev. Louis M. Wetzel, pastor of Emmanuel Lutheran Church of Littlefield, will be the guest speaker at the annual Rhea Immanuel Lutheran Church's mission festival next Sunday, August 30.

REV. WETZEL

Pastor Wetzel, who will preach the sermon at the 3 p.m. service, has had wide experience in the Lutheran ministry both as a parish pastor and a foreign missionary. Previous to coming to Littlefield he served a parish in Florida and for 17 years at a missionary in India.

In his message it is expected that Rev. Wetzel will detail some of work carried on by the Lutheran Church in India, reports the Rhea Church's pastor, the Rev. Otto H. Kretzmann.

The public is invited to this special service. The site of the Lutheran Church in the Rhea Community is approximately 22 miles northwest of Friona.

DESPITE GRADUATION LOSSES

Lazbuddie Seeking 2-B Title Repeat

Coach Pat Casey, who in three seasons at Lazbuddie High School has already built a winning tradition, faces a rebuilding job this fall, but chances are that even so the 'Horns will be rebuilt in time to make a stab at their third straight District 2-B championship.

The Longhorns have some awfully big shoes to fill this year, such as the graduated Darrell Matthews, who was the leading scorer in the area last year for Class B. Also gone is quarterback and kicking specialist Monte Barnes.

Finding a replacement for the

signal-caller may be the biggest chore. Two players are currently battling for the assignment. They are sophomore Rick Seaton, and senior Charles Lee, who has been a star at end for the Longhorns the past two years.

Lazbuddie has nine lettermen and six starters back from the 1969 team which finished 10-2 and went to the regional finals before falling to Throckmorton, 20-8.

The Longhorns' brightest spot is probably at guard, where starters George Wilson (215, senior) and Jimmy Noland (195 junior) are returning.

End Mike Casey and sophomore backs Arthur Graves and Mark Barnes are the other returning starters. Marty Moseley, a tackle, is a returning letterman.

Others plugging for starting positions are Loy Dale Clark and Deon McGee at end, Thomas Kervin at tackle, Randy Bush at center.

Noland, Wilson, Lee and Casey were all-district last year, with Wilson and Lee making the All-South Plains team.

"Right now it looks like we will be about an average team," says Coach Casey, who adds that with the young players maturing with a few games' experience that the 'Horns should improve as the season progresses.

And that is bad news for the other members of District 2-B, who have seen Lazbuddie come on strong the last two seasons.

One of Lazbuddie's former district foes, Hart, has been moved up to Class A this season, but will be met in their opening game Sept. 11 at Hart. The Longhorns' schedule is as follows:

Sept. 11--at Hart; Sept. 18, Tatum, N.M.; Sept. 25--Bovina, h; Oct. 9--Texico, N.M., h; Oct. 16--at New Home; Oct. 23--at Nazareth; Oct. 30--Anton*, h; Nov. 6--Matador, h*; Nov. 13--at Amherst*; Nov. 20--at Turkey.* District games*.

CHIEFTAIN LEADERS . . . The 1970 Friona Chieftain football team elected tri-captains for the team on Tuesday. They are (from the left) James Weatherly, Wesley Clark and Don Fortenberry. The Chiefs will conclude their second week of workouts by scrimmaging Boys Ranch there Thursday, starting at 7 p.m.

COLUMBIA, TENN., HERALD: "According to a . . . study of population growth made at Princeton University, unwanted births accounted for 35 to 45 percent of the increase in the U.S. population between 1960 and 1968."

Fill your spring grazing gap with amazing new

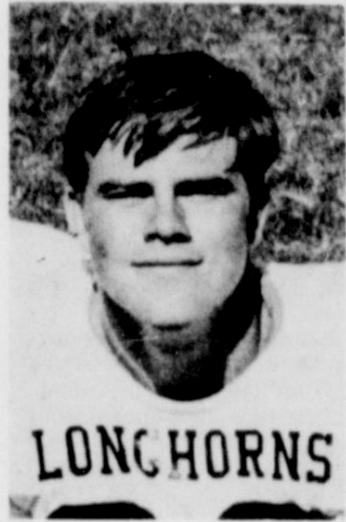

DEKALB® Wintergraze Brand 9290

Been taking livestock off small grain pasture in March? Move to new DeKalb 9290, the palatable wheat-by-wheat-grass hybrid. Puts abundant growth in spring grazing—right up to June.

Plant 9290 early. Properly managed, it can be grazed in the fall. In March, move your cattle back from wheat to 9290, and watch them thrive on this abundant, seed-sterile forage. See me now.

Cummings Farm Store, Inc.
Friona, Texas

"DEKALB" and "Wintergraze" are registered brand names. "9290" is a hybrid designation.

At Home In Parmer County

By Janice Miller
County HD Agent

If your freezer stops, don't panic but get into action. The first thing to remember is to keep your freezer closed. How long the food will stay frozen depends on the amount and type of food in the

freezer. A full freezer will stay cold many hours longer than a freezer only a quarter full. Meat will stay frozen longer than will baked food. And, the larger the freezer, the longer it will stay cold. Twenty-five pounds of dry ice should hold the temperature of a half-full 10-cubic foot freezer below freezing for two or three days. Put heavy cardboard directly on the packages of frozen food and then put the dry ice on top of the cardboard.

For added protection, cover the freezer with blankets, quilts or some other covering. It will also help to put crumpled newspaper or excelsior between the cabinet and the blankets. Don't cover up the air-vent openings because the power may come on unexpectedly and ventilation will be needed.

If the freezer will be out of operation for more than three days, take frozen foods to a locker plant as soon as possible. Thoroughly wrap the food and make the trip from the freezer to the locker as quickly as possible.

If food has partially or completely thawed before you discover that the freezer is not operating, you may refreeze foods if they still contain ice crystals and are still 40 degrees F. or below. Meats and poultry become unsafe to eat when the color or odor is poor or questionable. You should get rid of them. The condition of vegetables, shellfish and cooked foods can't be determined by odor, so if in doubt, get rid of them too. Don't use melted ice cream since milk products spoil rapidly.

Refreeze thawed food quickly, and it is wise to run your freezer between 10 degrees and 20 degrees below zero during season when power failures may be frequent.

The Lonely Heart

On The Farm In Parmer County
MACK HEALD
County Agent

A light infestation of mites has appeared throughout the county in grain sorghum during the past 10 days. Known as the Banks grass mite, it has a short life cycle and eggs hatch in 24-48 hours. Infestations appear to occur most often on plants between the bloom and hard dough stage. The amount of damage depends upon mite numbers and the stage of growth. Greater yield reductions can be expected to occur in sorghum which has not reached the hard dough stage. Very heavy mite infestations may completely dehydrate the foliage of plants in a few days. Control measures may be difficult because of the heavy egg masses that are laid. Most of the chemicals used on greenbugs can also be used on mites. Mite infestations should be checked regularly since the population can increase greatly in only a few days. The following guidelines may be of some assistance in determining the need for mite control in grain sorghum.

1. In sorghum that has not reached the hard dough stage, treat when noticeable webbing and damage appear.
2. Sorghum which has reached the hard dough stage can withstand considerable leaf damage without significant yield reduction. However, very heavy infestation in sorghum nearing maturity may cause plant death and lodging. Sorghum in the hard dough stage should be treated before all green leaves are lost. For further information contact the county extension office.

MEETS BUSH... High School All-Star Monte Barnes of Lazbudle takes time out from practice as Congressman George Bush of Houston presents him with a letter of commendation from Bud Wilkinson, head of the nation's physical fitness program. Barnes was in Houston recently to participate in the 38th annual Texas High School's Coaches' Association All-Star Football Game.

Off-Farm Sorghum Stocks Decline

Off-farm stocks of grain sorghum in West Texas totaled 108 million bushels on July 1, down from 119 million a year earlier, according to the Texas Crop and Livestock Reporting Service.

Sorghum stocks in all positions in Texas totaled 147.2 million bushels, a decrease of 20 million from last year.

"Most of the difference can be attributed to a shorter crop and greater usage," officials said.

Market offtake during the second quarter was listed at 52.7 million bushels, compared with 71 million last year. Inspections for export in June at Texas Gulf ports totaled 2.9 million bushels.

Off-farm sorghum stocks in West Texas last April 1 were pegged at 151 million bushels.

Wheat stocks in the region on July 1 totaled 20 million bushels, up from 19 million a year ago.

Statewide, total stocks of grain in all positions were estimated at 214.5 million bushels, 3 per cent below a year ago. Wheat at 43.6 million bushels was up 31 percent from last year.

Disappearance of wheat during the April - July quarter was 13.7 million bushels, up from 10.2 million in the preceding quarter but down from 23.9 million during the same quarter last year.

**Johnson--Womble Vows
Exchanged In Garden**

The flower garden of the country home of Mr. and Mrs. W. R. Riethmayer was the scene of the recent wedding of Shirley Gwen Johnson, daughter of Mr. and Mrs. Truett Johnson, and Mark Womble, son of Mrs. Elsie Womble, Gruver and the late Fred Womble.

Officiant for the double ring ceremony was Rev. Charles Broadhurst, long-time friend of the groom's family. The vows were exchanged before an archway of greenery entwined with roses from the gardens of the bride's grandparents, Mr. and Mrs. Ed Boggess and Mr. and Mrs. W.H. Johnson.

Mrs. Roy V. Miller, Sr., played traditional wedding selections and accompanied Paula Fortenberry, soloist, as she sang, "With These Hands," and "One Hand One Heart."

Janise Foreman, Lubbock, was the maid of honor. She wore a blue chiffon formal with green streamers and a blue crocheted hat. She carried a basket of flowers in rainbow colors.

As the bride was escorted and presented in marriage by her father, she wore a formal wedding gown, which belonged to one of her cousins, Mrs. Mike Riethmayer. The gown, which was of candlelight satin and Chantilly lace, was designed with an empire waistline marked with appliques of lace re-embroidered with seed pearls. The chapel train of matching satin was edged with matching appliques. A headpiece of pearls and drops held her shoulder length veil of imported silk il-

lusion. She carried a bouquet of white gardenias and stephanotis tied with white satin picot ribbon.

Norman Butts, Gruver, was the best man. Ushers were Brent Womble, brother of the groom, and Ricky Johnson, brother of the bride. Brad Womble, a brother of the groom, was the ring bearer and Tony Johnson, brother of the bride, carried the train.

Guests were registered by Janice Clark.

The reception, which followed the ceremony, was also held in the garden. The bride's table was covered with a white formal cloth of satin covered with net. Bows of blue satin ribbon and forget-me-nots were used for decorations on the cloth. The centerpiece of white roses and gardenias was flanked by silver candlesticks holding blue tapers. Crystal and silver appointments completed the table setting.

The white tiered bride's cake was decorated in rainbow colors and topped with a miniature bride and groom. Pineapple punch, nuts and mints were served by Mrs. Larry Johnson, Amarillo, sister-in-law of the bride, Mrs. Mike Riethmayer, College Station, cousin of the bride; Pam Hartwick and Missy Renner.

Mrs. Nicky Hanna, Midland, sister of the groom, presided at the groom's table, which was covered with a white cloth over blue. She served coffee and chocolate cake.

Following a wedding trip to New Mexico, Mr. and Mrs. Womble are at home in Houston, where they both plan to attend University of Houston. He is a graduate of Gruver High School and former student of Howard Payne College, Brownwood, where he was a pre-law major.

Mrs. Womble, who is a 1969 graduate of Friona High School, attended Texas Tech University, Lubbock, last year.

Out-of-town guests signing the register were Mr. and Mrs. Mike Riethmayer, College Station; Mr. and Mrs. Nicky Hanna, Midland; Mr. and Mrs. Tom Jones and Sammy, and Mr. and Mrs. Larry Johnson, Amarillo; Albert Mackie, Paula Mackie and Mrs. Hattie Mackie, Spearman, Texas; Pat Tannahill, Austin; and Mr. and Mrs. Jerry LaFrance, Hereford.

Mrs. Emma Elmore, Mrs. T. J. Pressley and Mrs. Dick Rockey of Friona and Mrs. Bonita Potter of Amarillo, spent several days last week in northeastern New Mexico.

They toured Deaton's Dorsey Mansion, which is near Abbott, New Mexico, and visited with the Deatons. Then went on to Raton and did some sightseeing and visited in the home of Mrs. Meta Stafford.

**Foursome Visits
In New Mexico**

MRS. MACK WOMBLE

Shower Honors Jason Vaughn

Jason Lee Vaughn, infant son of Mr. and Mrs. Haywood Vaughn, was honored with a shower in the home of Mrs. C.L. Lillard from 7 to 9 p.m. Friday. Co-hostesses were Mrs. Glen Herring, Mrs. Royce Chambers, Mrs. David Moseley and Mrs. Walter Carnes.

The serving table was covered with a white linen cloth and centered with a baby doll surrounded by flowers. Fruit punch, mints and nuts in diaper shaped containers were served.

Mrs. Jim Guinn, maternal grandmother of the guest of honor, was a special guest.

The hostess gift was a bathnet. Corsages of babysocks, and flowers were presented to the baby's mother and grand-

mother.

Twenty-four persons signed the guest register.

Two other parties have honored Mrs. Vaughn and Jason. Mrs. Bevo Darden and Mrs. Jean Rorabaugh hosted a shower at the Holiday House earlier and Mrs. Milton Evans hosted a welcome home party in the Vaughn home Wednesday, August 12 from 7 to 9 p.m.

**Mrs. Benny Pryor
Honored With Coffee**

A surprise tea in the home of Mrs. W.D. Buske Thursday afternoon was a courtesy for Mrs. Benny Pryor, who received her master's degree from West Texas State University, Canyon, recently.

The serving table was covered with a red linen cloth and centered with a floral arrangement. Diplomas and miniature graduation caps completed the table decorations.

Pineapple sherbert punch, coffee and assorted cookies were served by the hostess.

Gifts were presented to the honoree.

Others present were Mrs. Jim Johnston, Mrs. Ray Murphree, Mrs. Grady Dodd, Mrs. Olan Turner, Mrs. Cecil Maddox, Mrs. F.G. Crofford, Mrs. Stanley Benge, Mrs. Baker Duggins, Mrs. Johnny Mars, Mrs. Bill Teel, Mrs. Tom Jarboe, Mrs. Fay Reeve, Mrs. Charles Sanders and Mrs. Coleman Moseley.

Mrs. Pryor is a teacher in the local junior high.

**Coffee Hosted By
Mrs. Lee Spring**

Mrs. Lee Spring was hostess at a Mother's Day coffee in her home Monday morning. Guests were invited to come to the Spring home after enrolling their children in school.

Coffee, tea and assorted nut breads were served. An informal visitation session followed.

Those attending were Mrs. Paul Spring, Mrs. Phillip Weatherly, Mrs. Ron Davenport, Mrs. Wesley Barnett, Mrs. Jon Mack Roden, Mrs. Don McManaman, Mrs. Don Reeve, Mrs. Von Edelman, Mrs. George Frye and Mrs. Hollis Horton.

Also Mrs. Clarence Monroe, Mrs. Stan Benge, Mrs. Bill Ellis, Mrs. M.C. Osborn, Mrs. Richard Adkins, Mrs. John Fred White, Mrs. Jim Johnston, Mrs. Robert Alexander and Mrs. Darrell Simpson.

**ESA Sorority Conducts
Organizational Session**

Ladies interested in forming a Muleshoe-Friona sister chapter of Epsilon Sigma Alpha sorority held their second meeting on Tuesday, August 18 at the Federated Clubhouse here.

A model meeting was conducted by Mrs. Jack Rannels, president, who began with the opening ritual. Mrs. Jim Young, secretary, led the opening prayer. Mrs. Mack Brown, vice president, explained the scope of ESA.

The by-laws were read by Mrs. John Gentry, and Mrs. Ronnie Johnson gave the heritage of ESA. The educational program for the coming year was presented by Mrs. Gene Howard, educational director. Mrs. Mack Brown read the Horizon of ESA.

A business meeting was held and presided over by Mrs. Rannels. Following the meeting, refreshments were served.

**James Zetzsches
Visit Relatives**

Mr. and Mrs. James B. Zetzsches Jr. and children, Roxie and James Avie, of San Luis Obispo, California, are visiting in the homes of Mr. and Mrs. James B. Zetzsches Sr., Mr. and Mrs. George Zetzsches and family and Mr. and Mrs. Robert Zetzsches and children.

During the weekend Mrs. Robert Zetzsches accompanied the visitors and Mr. and Mrs. James B. Zetzsches Sr. to Midland and Van Horn, where they visited in the homes of Mr. and Mrs. Lyons Lockhart and Leigha and Mr. and Mrs. J.T. Johnson and daughters.

The California Zetzsches have spent the summer in Phoenix, Arizona, where he did some graduate study, and Colorado, where they visited Mrs. Zetzsches' relatives.

James B. Zetzsches Jr. is an instructor in agricultural engineering at California Polytechnic Institute at San Luis Obispo.

**Thirty-Two Attend
Miller Family Reunion**

Thirty-two persons were present for a weekend reunion of the family of Mr. and Mrs. Roy V. Miller Sr. Their young daughter, Janice, was observing her birthday and the family met at Ute Lake for a weekend of camping, boating, skiing, fishing and picnicking.

Those present, besides the Millers, were Mr. and Mrs. Roy V. Miller Jr. and children, Dan, Darla and Ben of Vernon; Mr.

and Mrs. Dale Glass, Maridale, Sherry Kay, Jamie Lou, Terri Gay, John David and Angela Ruth of McLean.

Also Mr. and Mrs. Ross Miller, Kent, Curt and Dana and Mr. and Mrs. Sam Mears, Sarah and Clint, all of Friona; Mr. and Mrs. Clyde Tims, Sally, Evelyn and Chuck of Rolla, Kansas and Mr. and Mrs. Roy Norris of Los Alamos, New Mexico.

AVOCADOS 3 For \$1.00

MRS. DANIEL SKAGGS

Kara Beth Sides, Daniel Skaggs United In Double Ring Ceremony

In a double ring ceremony at Friona United Methodist Church at 7:00 p.m., Saturday, August 22, Kara Beth Sides became the bride of Daniel Clayton Skaggs. Parents of the couple are Mr. and Mrs. Billy Sides of Friona and Mr. and Mrs. Fred Skaggs of Kermit.

Wedding vows were exchanged before two pair of seven branch candelabra covered with palms leading to the cross in the center of the church, with a bouquet of white glads, white stock, and pink pompoms in the center of the church at the base of the cross. A white kneeling bench completed the altar arrangements.

The officiating minister was Reverend Bill Watson of the Buchanan Street Methodist Church in Amarillo. He was assisted by Danny Amerson, a ministerial student at McMurry College.

Mrs. H.K. Kendrick, organist, presented traditional wedding selections and accompanied Mrs. Teddy White, soloist, as she sang "Whither Thou Goest" and "Because." At the conclusion of the ceremony she sang "The Wedding Prayer."

Gloria Patterson of Amarillo was the maid of honor; bridesmaids were Mary Jan Adams of Lubbock, cousin of the bride, and Ann Ayers of Austin; and the bridesmatron was Mrs. Howard Rhodes of Canyon. They wore identical floor-length dresses of pink whipped cream trimmed with hot pink velvet ribbon around the wrist of the long sleeves and around the empire waistline, forming bows

with long streamers in the front. They carried long stemmed pink roses decorated with pink streamers. Their headpieces consisted of pink whipped cream bows with shoulder-length tulle illusion veiling. Sandi Sides, cousin of the bride, Bovina, was the flower girl. Her dress was styled similar to that of the other attendants, and she carried a basket of pink daisies.

Dennis Skaggs, brother of the groom, was best man. Groomsman were James Sides, brother of the bride, Dave Noll of Abilene, and Travis Hartgraves of Abilene. Mike Carr of Pampa and Mike Ford of Fort Stockton were the ushers. Candelights were David Sides and Steve Skaggs, brothers of the bride and groom, respectively.

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal wedding gown of white peau de sole fashioned with a Juliet waistline and neckline, long sleeves, and re-embroidered lace motifs sewn around the neck, waist, and center front of the bodice.

Her chapel length two tiered veil of bridal illusion was also edged with re-embroidered lace motifs and was held in place by a headpiece of white nylon fashioned into a rose with leaves made of small pearls. She carried a bouquet of satin streamers with garlands of stephanotis and ivy centered with a pair of cymbidium orchids.

A reception in Fellowship Hall followed the ceremony. The bride's table was an oval table covered with an undercloth of taffeta and an overlay of net, trimmed with pink bows and centered with pink roses in a silver candelabra compote. A three tiered wedding cake and crystal appointments completed the table. The groom's table was a round table covered with a linen embroidered tablecloth. Coffee and chocolate cake were served from silver appointments.

Those serving and registering guests were Sherrie Dungan of Artesia, New Mexico; Nancy Graham of Lubbock; Connie Lindeman of Friona; Karen Jo Adams of Lubbock; Carol Sides of Midland and Brenda Hammett of Waco. The latter three are cousins of the bride. Other members of the houseparty were Mrs. Henry Minter of Bovina, Mrs. Homer Lindeman, Mrs. Baker Duggins,

Mrs. Olan Turner, Mrs. Bill Teel and Mrs. Lloyd Rector. For the wedding trip Mrs. Skaggs wore a dacron double-knit dress designed with a light pink bodice and a hot pink skirt with beige accessories, and the corsage lifted from her bridal bouquet.

The bride is a 1968 graduate of Friona High School, and the groom is a 1967 graduate of Kermit High School. Both have attended McMurry College, where she was a member of Theta Chi Lambda Social Club, the McMurry Band, and Wah Wahyaysee women's service organization, and he was a member of KIVA social club and the McMurry College Band.

The couple will be at home in Austin, where both will attend the University of Texas, and where he will begin pharmacy school.

Mr. and Mrs. Skaggs honored the couple and their attendants with a rehearsal dinner at Parmer House Restaurant Friday evening. Table decorations were candles and roses in two shades of pink.

Home Arts Club Plans Show, Sale

Plans have been completed by members of the Home Arts Club for the second annual handwork show and sale. Anyone in the area who does any kind of hand work is invited to display articles for show or sale.

All articles will be sold on a commission basis.

The show and sale will be held in the building formerly occupied by Nunn Lumber Company in cooperation with the fine arts committee of Friona Chamber of Commerce and Agriculture.

This club is also sponsoring a drawing for a hand made afghan of hairpin lace. The drawing will be at 1:30 p.m., Saturday, September 5, at City Park.

Donations of \$1 each will be accepted by any member of the club. You need not be present to win. A member of the club will be at the building at 10 a.m. Thursday to accept articles for the show or sale, which will be open Thursday, Friday and Saturday.

The Library Corner

The summer reading program has just been completed and the library is ready to embark on its fall session as soon as school is started.

New hours for the library will go into effect Tuesday, September 1. It will be open from 1 to 6 p.m. Tuesday and Wednesday and from 9 to 12 and from 1 to 6 on Thursday, Friday and Saturday. The library will continue to be closed on Monday of each week.

The library is equipped to be of great help to students. There are numerous reference books, an unabridged dictionary, National Geographic magazines, Congressional Records, and the American Heritage. We also have access to material from Mary E. Bivins Library,

Amarillo, on very short notice. Our reference room is equipped with a table and chairs for your comfort while doing research work.

The state library has loaned us 300 books for a year.

"Vietnam, Yesterday, and Today," by Ellen J. Hammer and "Pesticides and the Living Landscape," by Robert L. Rudd are two timely books adults would be interested in.

For our younger readers we have "Careers in the Building Trades," and "An Adventure in Geometry." Our library is one to be proud of. We invite all of you who are not already patrons to come in and browse among our 5,000 books.

PHILLIP JOHNSON

Phillip Johnson Receives Degree

Phillip Neil Johnson, son of Mr. and Mrs. Leroy Johnson and a 1966 graduate of Friona High School, received a bachelor of science degree from Texas Tech University, Lubbock, in summer commencement exercises Saturday evening.

Johnson, who was an agricultural sciences major, plans to enroll in graduate school there this fall.

Try counting a million one-dollar bills and you'll really appreciate what a huge chunk of cash it is. Tallying at the rate of 60 bills a minute for a full eight-hour day, five days a week, it would take almost seven weeks to do the job!

Country Store To Open Soon

Modern Study Club's Country Store is scheduled to open in the Crawford Building at the corner of Sixth and Main Friday, September 4.

Featured in the store will be a wide variety of home made articles.

In the hand work department there will be many items which will be suitable for personal use or gifts. There will be articles which have been embroidered, knitted, crocheted and woven.

In the bakery department there will be fresh bread, cakes,

rolls, pies and cookies. There will also be jams, jellies, pickles and relishes fresh from the kitchens of the members.

A fresh produce department will feature many locally grown products.

This club is also giving an arrangement of knotted chrysanthemums to some lucky person. The arrangement will be on display in Foster's window until the Country Store opens. Donations of \$1 each will be accepted by any member of the club.

an invitation

WHERE: Friona Public Library
WHEN: Sept. 1-1 to 6 p.m. & Sept. 4-5, 9 to 6
WHY: To See The Youth Art Show
or
To Buy A Book
or

To Become A Member of Friends of The Library

You may pay dues to any of the following:

Irma Brownd, Patsy Tally, LuNell Horton, Amy Mason.
Rita Stephenson, Dorothy Middleton, Eddie Mays.

Thank You

We wish to thank all the many nice folks who came by to wish us well at our open house and wig show two weeks ago. Our congratulations to Carla Bauer and Stella Shirley for winning the hairpieces.

Mrs. James Fontenot of Mesquite, who visited in the home of her uncle and aunt, Mr. and Mrs. Claud Heath in the Lazz-buddle Community recently, missed the jack rabbits we used to have in this area.

She remembers visiting in the Heath home about 40 years ago when the highlight of the visit would be a "jack rabbit hunting" trip with her uncle and all the children who were around and interested in going. The group would ride across fields and pastures in a school bus and shoot rabbits from the windows.

Generally, we women are reluctant to part with things we have enjoyed wearing, even when they are no longer good style. Those of us who are old enough to remember how proud we were of our new "Eisenhower or battle jackets" during World War II, should enjoy wearing the new "peace jackets."

The styles are identical, but had we been able to keep them this long, we probably couldn't wear them. . . the materials would be out of fashion or we would have so many additional inches that we couldn't get into them.

At any rate, it is interesting to note that in the twenty-five years or so the same garment has changed from an "Eisenhower" or "Battle" to a "Peace."

I'd like to know who comes up with names for our styles, wouldn't you?

For the past several weeks I've been wondering about the identity of a long distance operator in Hereford. On several occasions she has called me and other Frionans by name when all the information she had received was a telephone number.

About two weeks ago I thought I recognized the voice, but it is against telephone rules for an operator to reveal her name to customers, so I didn't know for sure until Monday.

One man, whose voice she recognized and called him by name, cooked up a scheme to find out what her name was. On one occasion, he said, "Would it be out of order for you to greet me, the next time you see me, with 'telephone operator'?"

Within a week or ten days, he met a lady and instead of greeting him with the usual "Hello," or "Howdy" she merely said, "telephone operator."

We all know that when you get away from Friona you are likely to run onto someone you know any where you happen to be, but two Frionans being roommates in an out-of-town hospital is surely a rarity.

In the early evening Friday Debra Dorrell was jumping on a trampoline and apparently missed connections somewhere. A few hours later she was admitted to an Amarillo hospital for repair of a broken arm. Both bones were broken in her left arm between her wrist and elbow.

Of course, it was past bed time when she was brought to her room, which was occupied by some other girls. It was morning before Debra learned one of her roommates was Sharon Sue Smith, also of Friona. Sharon had had some dental work done.

Fortunately, both girls were able to come home Saturday and entered school Monday morning.

Revival Slated At Summerfield

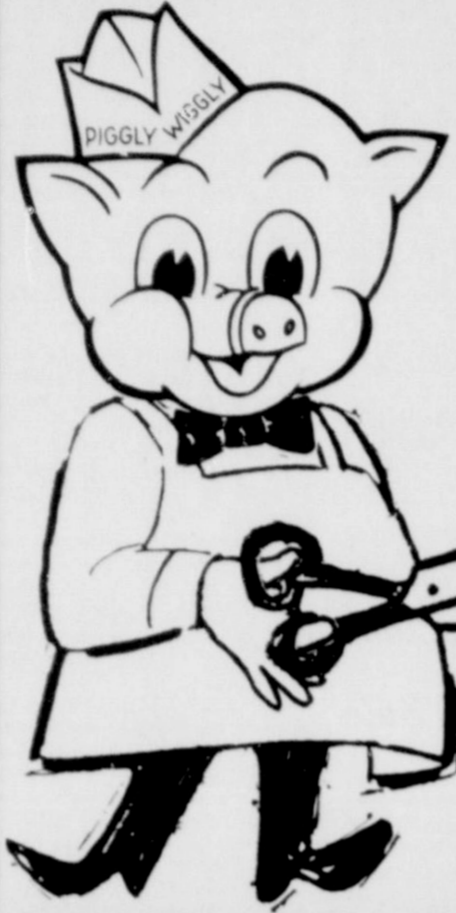

Dan Vestal, one of Southern Baptists outstanding evangelists, will be the speaker for the revival services to be held at Summerfield Baptist Church August 31-September 6. Services will be held at 7:00 each morning and 8:00 each evening.

"News That Makes Headlines," "Hell Angels," and "Why the Scar on My Face." Douglas Morris of Hereford will be leading the song services. L.C. Roots is the pastor.

Dan Vestal has averaged 20 revivals a year for the past 20 years with an average of 1,000 conversions each year. He will be bringing messages on such subjects as "God's Love St-

Many years ago, when an infant had the colic, the nurse was treated! It was assumed she would pass on the cure to the baby!
