## Gen. Ayers Defends Air Guard Charges

Senator Jack Hightower, who was in Friona last Saturday to speak at the Masonic Lodge's Past Masters Night banquet, said his senatorial district is almost certain to be enlarged by around six new counties when the redistricting question comes before the legislature.

"The facts of the matter are that the 30th Senatorial District is about 70,000 people short of what the 'average' district should contain in population," Sen. Hightower told us.

The veteran Texas lawmaker said he did not know whether or not the legislature would throw him into a race against another incumbent senator in 1972, but he hoped this would not be the case.

"I think this 'honor' should be passed around," quipped Hightower, who had to face former senator Andy Rogers in just such a race the last time the district was reapportioned. At that time, Rogers' and Hightower's districts were combined, following the 1960 census.

Hightower, a senate veteran, holds the number three position in the state this session, having been elected as president pro tempore of the senate. This ranks him behind only Governor Preston Smith and Lieutenant Governor Ben Barnes in the state government.

Carrying out a longstanding custom for the senate's president pro tem will be Hightower's opportunity to serve as governor for a day, and this will happen on Saturday in Austin, when both Smith and Barnes have arranged to be out of the state.

All friends of Sen. Hightower are invited to Austin for special events during the day. Tickets for the observance are available at the Star office, or from A.L. Black, Friona chairman of the "Hightower Governor for a Day" committee.

With the balmy spring weather of last Saturday, when temperatures soared into the 90s in the area, many of our trees are putting on leaves, and some fruit trees are beginning to bloom.

This sets gardeners and "weekend farmers" to wondering about planting times, or what the odds are that their fruit trees will make it, if they have already bloomed.

According to a release from the Lubbock Weather Station last week, Friona's average "final freeze" of the spring is still some 18 days away—April 19.

The average final freeze date varies from March 27 at Big Spring to April 21 at Muleshoe.

If you wanted to be absolutely sure (or almost so), the weather bureau said that by May 3, the final freeze had occurred in Friona 90 per cent of the years for which records were available. That's still a month away.

It is a bit strange that the average final freeze date for Friona was listed as two days earlier than the date for Muleshoe, 30 miles to the south. The date for neighboring Hereford, only 22 miles away, was three days earlier than the local date. However, weather observers can remember many times when temperatures vary considerably in only a few miles.

Farther south, Lubbock's average final freeze date was given as April 9-10 days earlier than Friona's. The Lubbock date was revised forward by five days from the previous listing of April 4, presumably by the late freezes of last spring.

Weather officials said they arrived at the average final freeze date by figuring the date on which temperatures of 32 or below occurs 50 per cent of the time.

Texas has or has had newspapers with distinctive names. Among the most appropriate are the Austin Statesman, the Hereford Brand, and the Bowie Blade.

Among the most unusual names were the Paris Dinner Horn, the Rising Star X-Ray, and the Cisco Apert. The longest name probably was the Eastland Daily Oil Belt News.

The most felicitous name is borne by the newspaper at Ferris—The Ferris Wheel.

Gen. Ross Ayers, Adjutant General for the state of Texas, this week issued a statement in response to allegations in regard to misuse of airplanes belonging to the Air National Guard.

The allegations caused the Department of the Air Force office of investigation to conduct an investigation of the four allegations. Gen. Ayers said that two of the allegations were partially substantiated, and the other two were unfounded.

The first allegation concerned Gen. Walter (Buck) Staudt, commanding a flyover of an Air National Guard aircraft at the Austin Aquafest, although it was disapproved.

"The flyover did take place. As Adjutant General, I directed the flyover take place as a training mission. The department has asked that restitution be made. It has been made," Gen. Ayers says.

The second allegation concerned the flying of the press and their wives to the governor's conference in Virginia in 1969.

"The civilian press and their wives were approved without prior approval of the National Guard. Reimbursement for the six press members and their wives has been made," Gen. Ayers commented.

The third allegation was concerning the Air National Guard transporting various state officials during January of 1970.

"This flight was accomplished at my direction. No request was submitted for approval. Had the request been made, I am advised that the Air Force, in an effort to cooperate with the presidential water commission probably would have approved it. This type of mission had received favorable approval in the past," the General stated.

Finally, an allegation stated that Gen. Staudt countermanded orders issued by higher headquarters concerning the duration of an aircraft to Las Vegas, Nev. in August of 1970.

"This flight had the approval of the U.S. Air Force for a two-day period. I directed the flight be extended an additional day, which was accomplished at no additional expense to the government. I have received an official reprimand for the action," Ayers said.

Two additional charges relating to Gen. Staudt were not substantiated, in spite of a thorough investigation, Gen. Ayers said.

Gen. Ayers implied in a conversation with a Friona Star representative that the charges were politically motivated, and were brought out in an attempt to bring discredit to Governor Preston Smith, Gen. Staudt and himself.

## Lions Donate \$1,000 To Ball Park Fund

The Friona (Evening) Lions Club this week presented a check for \$1,000 to its sister club, the Friona Noon Lions, for the noon club's little league baseball park.

The noon club has been pushing the completion of the park, and announced last week that it would take in the neighborhood of \$5,600 to finish up the park. This figure included the fence, lights and light fixtures, concession stands, etc.

Dale Smith, president of the Friona Lions, said in making the presentation, "We feel the new baseball park will be a service to the city, and Lions are supposed to provide a service. The money comes from the various selling ventures and other activities which the public supports each year," he said.

The Lions have just such a venture scheduled for April 15, when the annual broom sale will be held.

Also coming up is the Zogi Magic Show, which will benefit the new baseball park.

50-YEAR PIN. . . . Jake Lamb, left, received his 50-year Masonic pin last Saturday from Jack Hightower, Deputy Grand Master of Texas Masons. The rare award was a highlight of the local Masonic Lodge's Past Master's banquet.

## City, School Set Election Saturday

Four members for the city council and two members to the Friona School Board will be elected in a joint city and school election Saturday.

The election will be held at the Friona Law Enforcement Center (Old City Council Meeting Room) between the hours of 8 a.m. and 7 p.m. Mrs. Ira Holt will serve as presiding judge.

Each of the elections has only

one more candidate than there are seats to be filled.

In the city council race, those seeking two year terms include Troy Young, Nelson Lewis, Walter Cunningham and Dr. Robert Alexander. Gary Brown is a candidate for a one-year term.

Councilmen with terms expiring are Marion Fite, James Procter and Leland Hutson.

Holdover members of the city council are Mayor R.L. Fleming and alderman Bill Ellis.

In the school board election, David Grimsley, Leroy Johnson and Joe Fallwell are the candidates for the positions being vacated by Dr. Paul Spring and Louis Welch.

Holdover school board members are John Blackburn, Floyd Schueler, Steve Messenger, Richard Collard and W.D. Buske.

City and school district residents must have secured their voting registrations for 1971 elections in order to be eligible to vote.

## Temperatures

Date	Hi	Low
March 24	62	27
March 25	69	29
March 26	72	30
March 27	86	36
March 28	87	46
March 29	68	39
March 30	66	39

Fog recorded on March 26. Moisture for month: .04 inches.

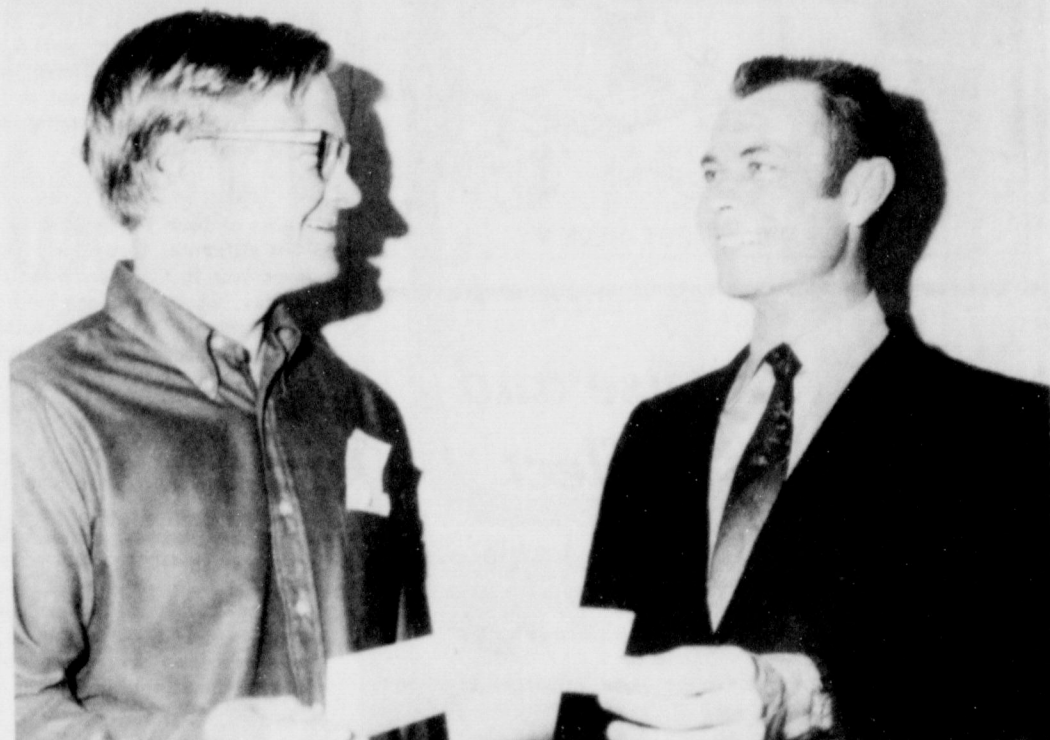

## TV Program Is Initiated

A new television program has been initiated by KVII-TV, Channel 7, on Monday evenings. Called "Hotline to Austin," the program features state representatives answering questions posed by area newspaper editors.

Next Monday, the featured representative will be Dean Cobb of Dumas.

The publishers will be Kenneth Hogue, Dalhart, Texas; Dick Reavis, Moore County News (Dumas) and Leon Yell, Vega Enterprise.

Rep. Bill Clayton of Springlake is a hopeful future program guest. Any readers having questions for Rep. Clayton may call Star publisher, Bill Ellis, also a prospective panel member.

PRESENTS CHECK. . . Dale Smith, right, president of the Friona Lions Club, presents a \$1,000 check to Don Reeve, president of the Friona Noon Lions, for the Little League baseball park fund. The noon club needs to raise \$5,000 to pay for the park's completion.

## GOOD RETURN

## City Gets \$9,613 From 1¢ Sales Tax

The first quarterly sales tax payment to the City of Friona was received this week from the state comptroller, and the check was a pleasant surprise to city officials.

Total amount of the check was \$9,613.54, considerably more than what had been expected by City Manager Jake Outland. Outland had included an estimated \$6,500.00 per quarter in his 1971 budget.

Actually, city businesses returned a total of \$10,302 for the extra penny tax. The deductions were the standard "first quarter" deductions. Future deductions will be on a two per cent basis. Since the one per cent figure topped the \$10,000 mark, it means that gross business in Friona during the quarter topped a million dollars.

Judging from the first check, the average quarterly return should beat the estimate considerably. However, Outland pointed out that in drawing up the 1971 budget he had expected the money beginning after January 1, so that the city budget was three months behind from the sales tax standpoint.

Going on the first check's amount, the total sales tax receipts during the year could amount to around \$36,000. This would be about \$10,000 more than was budgeted. The city manager had no index as to how much to expect the penny tax to amount to, but attempted to be conservative in his budget estimate.

Outland stated that the surplus money, if any, would go for a myriad of things which the city is needing. One major piece of equipment already purchased this year is a new patrol car.

Other expenses have included \$3100 for water well repair, and extra expenses involved with relocating the city office. Purchase of right-of-way on Grand Street are expected to take additional city funds.

Outland said that he figured the next quarter's tax yield will be less. "This current check will probably be our largest, in that it includes the Christmas shopping season," he explained.

The money represented the city tax that was okayed by local voters last April 4, and went into effect on Oct. 1 of last year. The tax collected was between October 1 and December 31. The three-month lapse between the end of the quarter and the receipt of the check was a normal procedure for a city to start collecting the tax. The next check should come sooner after the end of a quarter.

Friona school children will also be given an opportunity to see the show during a matinee. The Times of London said of this show, "Certainly one of the best." The Chicago Daily News 'Foreign Service said "The State Department could spend millions and not be able to build the international good will this company is doing."

Proceeds of the show will go toward the completion of the

Little League baseball park.

Frank, whose office has handled many smash hit theatrical productions, considers the "Zogi Variety Revue" so important and unusual that he has personally taken over the management of the tour. He reports that this production is playing to packed houses and that this is the first time in several years the show has been available for one-night stands.

The Friona Chamber of Commerce reports that successful arrangements have been completed to present this attraction, with the two local Lions Clubs as co-sponsors, on April 23 at 8 p.m. in the Junior High School Auditorium.

## Top Spellers

Mary Schilling, a sixth-grade student at Friona Junior High School, was crowned the junior spelling champion for Farmer County last week. The county bee was held in Bovina.

The county's spelling champion for 1971 is Connie Ware of Bovina. Friona had the champion in 1970, as Carolyn Gore won the bee, and Beverly Bailey was second.

Troy Messenger was the Friona school champion this year. Hope Mays was the runnerup and Denise Shipp was third. The three students took part in the county spelling bee last week.

Also taking part in the junior bee were Marsha Carlan and Brian Witten.

## Easter Break For Schools

School will be dismissed in Friona on April 8, 9, 12 and 13 for the Easter Holidays, according to Superintendent Alton Parr.

School will dismiss at 2:45 p.m. on Wednesday, April 7, and will take up following the holidays at the regular time on Wednesday, April 14.

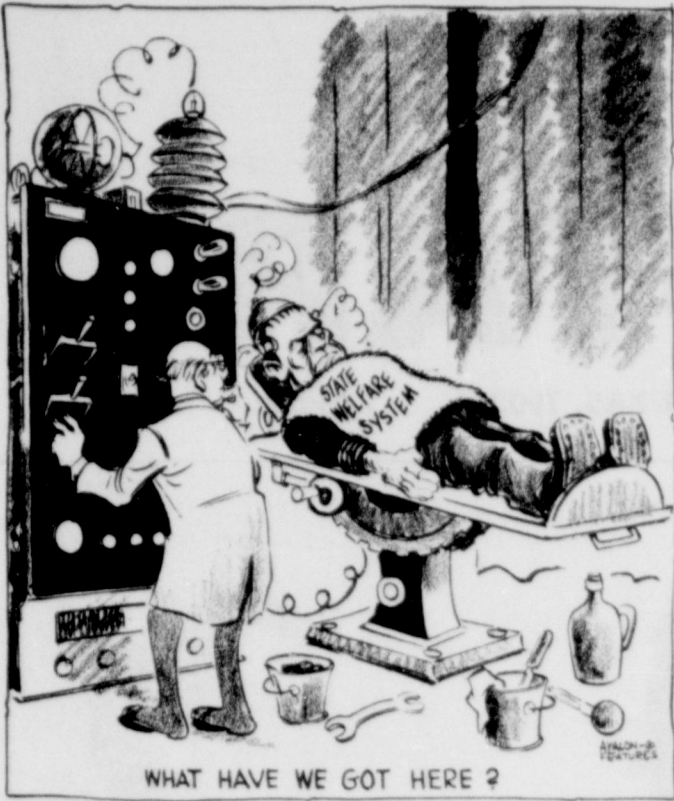

PLAY CAST. . . Members of Friona High School's Interscholastic League Contest play cast are shown above. On the three ladders, representing trees, are Sally Kendrick, Melissa Pruett and Vicki Beck. Kneeling are Carl Mason, Holly Stephenson, Steve Stone, Ann Hurst, Troy White and Kathy McLean. The play, "Of Poems, Youth and Spring," will be presented for the public Friday at 7:30 p.m.

SPELLING WINNERS. . . Troy Messenger, left, was the Friona Junior High School senior spelling champion in the 1971 spelling bee. Mary Schilling the junior champion, also is the county's junior champ, winning at the county bee last week. Messenger is the son of Mr. and Mrs. Steve Messenger, and Miss Schilling is the daughter of Mr. and Mrs. L.H. Schilling.

## Flashbacks

...from the files of the Friona Star

40 YEARS AGO--APRIL 3, 1931

"A Farwell reader contradicted our population figures for that city, saying they had a population of 700. However, the census supervisor for this district tells us the correct figure is 479. When you get down to brass tacks, Farwell and Texico are only one town, divided by the state line. Together they are a real good town. They live together, they work together, they vote together, and they evidently enumerate their census together." L.E. Bauerfeind's column.

35 YEARS AGO--APRIL 3, 1936

At a meeting of the directors of the Friona Consumers Company Tuesday night, Mr. Wright Williams was chosen as manager to succeed A.A. Crow, who resigned Tuesday evening. Mr. Williams was formerly connected with the Consumers as assistant to Mr. Crow, and served with great satisfaction to the patrons of the company elevator as manager for the past year.

30 YEARS AGO--APRIL 4, 1941

Out of four Plymouths being driven home from the factory to California, three have been wrecked along the way. Two were left in Oklahoma and a third was wrecked here on Wednesday, when it sideswiped A.A. Crow's produce truck, badly damaging the truck and totally wrecking the coupe. The car was passing another at high speed, when it met the truck. The driver of the truck, J.B. Buske, cut his wheels sharply to the right, thus averting a tragic head-on.

25 YEARS AGO--APRIL 3, 1946

(Issue missing from Star files.)

20 YEARS AGO--APRIL 5, 1951

All of Parmer County and parts of 20 other High Plains counties are included in an underground water reservoir designated by the state board of water engineers. A proposed water district would carry out a conservation program through proper spacing of wells, prevention of pollution, educational programs and re-charging.

15 YEARS AGO--MARCH 30, 1956

Highlighting the Easter services scheduled this weekend in local churches is a union Sunrise Service planned for 6:30 a.m. Sunday morning and an Easter cantata to be given by the choir of the First Baptist Church at 8 p.m. Sunday evening. The union service will be held at Running Water Draw, just east of the highway south of Hub, and will be given by the young people from all churches.

10 YEARS AGO--MARCH 30, 1961

April 9 has been set as the date for open house activities at Parmer County Community Hospital to mark the opening of the \$50,000 addition to the hospital building. The addition provides each doctor with adequate examining rooms, as well as 18 hospital rooms. The new section will have a meeting room, a doctor's lounge and a space for records and book-keeping.

5 YEARS AGO--MARCH 31, 1966

The Friona Chamber of Commerce voted unanimously to seek out and hire a full-time manager at a director's meeting Monday morning in the home of George Taylor, newly-elected president. A committee consisting of Flake Barber, Lloyd Shackelford and Wesley Foster was appointed to seek a manager.

## Alfred Mills Rites Friday

Funeral services for Alfred Mills, 39, of Bovina, were conducted from the Church of Christ there at 2:30 p.m. Friday.

Cecil Bunch, Bovina, was the officiating minister. He was assisted by Alfred White, minister of Eastside Church of Christ, Amarillo.

Mills, who was seriously injured in a highway accident during February's blizzard, had been a patient in Hill Plains Baptist Hospital, Amarillo, since the day following the accident. He was born June 17, 1931, in Hackberry, Texas, and was an employee of Texas Highway Department.

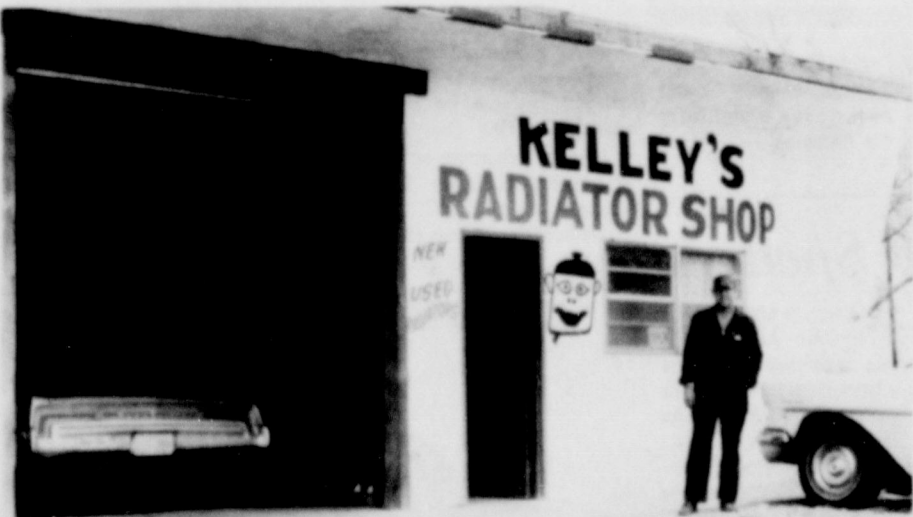

Area highway department employees were honorary pallbearers.

Active pallbearers were Weldon Moody, Herman Estes, Doyle Wasson, Wilfred Sikes, Bob Bradshaw and Don Stone.

Survivors, besides his wife, Pauline, include four daughters, Patti, Debra, Karla and Kara, all of the home; and three brothers, M.E. Mills, Falls Church, Virginia, Willard B. Mills, Portales and Wayne Mills, Friona.

Burial was in Parmer County Memorial Park by Claborn Funeral Home.

## Pause and Reflect

By Nelson Lewis

Symbols, Signs, and Shadows.

In our computer oriented civilization there is not much room for superstition.

Not too many years ago farmers were influenced in planting and harvesting crops by phases of the moon.

Dozens of businesses published Almanacs as their leading form of advertising, and no home was complete without a copy of the Farmer's Friend lying beside the Bible on the sitting room center table.

Enlightened generations have claimed disbelief in the signs of the ancients, yet a paradox exists when a nuclear engineer or a space scientist refuses to walk under a ladder or races to beat a black cat to a crossing.

Although we may be amused at the antics and incantations of Indian medicine men or African witch doctors, much of their rituals are based on sound medical or psychological fact.

If we find any validity at all in this ancient lore then it may behoove us to consider seriously some modern Symbols and Signs and determine the density of the Shadows they cast upon our lives and our times.

Take for instance the "Broken Cross" fostered upon the sincere peace loving public as a sign of brotherhood, when in reality it is a paganistic symbol of defeat.

Imagine, if you can, the Christian Cross broken and thrown down.

It casts a very dark Shadow!

Those of us old enough to remember Adolph Hitler and the second World War will recognize the Swastika as the symbol of Nazi Germany.

Here again an emblem of early Christians was distorted into a symbol of tyranny.

The Swastika, a modification of the ages old fylfot, began as a simple right angle cross surrounded by a circle, and has been found among the artifacts of every land on earth except Australia.

Its true origin is unknown but it was used as a religious symbol by the earliest known sun worshippers and was evidently their conception of the Solar body.

The original Swastika showed the broken arms (parts of the surrounding circle) bent counterclockwise, to the left.

Hitler's Swastika used the opposite segment of the circle--the tag ends extended clockwise--to the right.

Despite the sincerity of the first design or the geometric changes it has undergone the Swastika today represents rebellion and destruction.

Not all Symbols and Signs are fashioned of metal, wood, stone, nor cloth, but these nebular warnings of collapse are none the less important.

Some of the bombasts of men in high places are as certain to lead to defeat as were the harangues of Hitler--witness the mouthings of Mao or the vitriolic speeches of Castro.

Our demise may very well be brought about by an income tax that discourages the wage earner while pandering to the indolent.

With a gross national product record of many billions we still have a national debt whose interests payments alone stagger the imagination.

Crime, dope, civil disorders, and petty politics are the symbols, and Signs that will place any nation under the shadow of defeat if that nation procrastinates in the search for freedom.

Week of April 5 thru April 7

Monday--soup and chili, sandwiches, cookies, crackers and milk.

Tuesday--vienna sausage, pinto beans, corn bread and butter, mixed greens, cherry cobbler and milk.

Wednesday--potato chips, fruit jello, hamburgers, lettuce, tomatoes, pickles and chocolate milk.

HEY MARY! I BROUGHT A GUEST HOME FOR SUPPER!

### Jordan Serves In Air Force

Bobby Jordan, who is the son of Mr. and Mrs. Marvin Jordan is now serving in the United States Air Force and is stationed in Okinawa.

Jordan has recently been promoted to the rank of sergeant and received a plaque after being named "The Maintenance Mechanic of the Month of February." The plaque was signed by General Nazarro, Pacific Air Forces commander.

After graduating from Friona High School in 1967, Jordan attended Texas Tech University 1-1/2 years before beginning his military service.

BOBBY JORDAN

### Twenty-Eight Attend Thursday Club Meeting

Mrs. Mabel Caldwell, Muleshoe, and Mrs. Ralph Wilson, Friona, presented the program at the Thursday meeting of Home Arts Club at Federated Club House Thursday.

The art of stained glass window painting was demonstrated by Mrs. Caldwell, who is a member of Muleshoe Hobby Club. Mrs. Wilson presented a demonstration of Macrame. She showed the proper way to tie a basic knot and displayed

a pair of kitchen window curtains which she had made for her new home.

Special guests for the meeting, which began with a noon luncheon, were thirteen members of Muleshoe Hobby Club and Mrs. Jack Moseley and Mrs. A.S. Grubbs, both of Friona.

The next meeting of the club will be held in the country home of Mrs. Wilson April 15.

### Club Program Features Easter Songs, Legends

Highlight of the Wednesday afternoon meeting of Friona Woman's Club was presentation of a special Easter program. Guest singers, who presented "Easter Parade" and "Jesus Walked This Lonesome Valley," were Sally Kendrick, Ann Hurst and Kathy McLean.

They were accompanied by Mrs. H.K. Kendrick.

The program began with a devotional "If Easter Be Not True," by Mrs. H.C. Kendrick, Hereford, who is a former member of the club. This was followed by "Making The Most of Easter," by Mrs. Carl Maurer.

Mrs. Jack Brown then presented "Easter Lore and Legend." The concluding number on the program was "To-days Faces On The Cross," by Mrs. G.E. Reed.

Cookies, ice cream and cold drinks were served by hostesses, Mrs. Carl Maurer and Mrs. Opal Buchanan.

### Guest Speaker

### Will Present

### Club Program

Don Williams, director of youth education of the Broadway Church of Christ, Lubbock, will be guest speaker at the Thursday afternoon meeting of Friona Young Homemakers.

The meeting will begin at 4:00 p.m. in Friona High School Cafeteria.

Members of the local Future Homemakers of America chapter will be special guests. Williams, who was a guest speaker at the Area I FHA Convention in Lubbock earlier this month, comes to Friona highly recommended.

There will be baby sitters for small children of everyone who wishes to attend.

Mrs. Roy O'Brian, president, invites women of all ages to attend the meeting.

### Out of Orbit

**Do you know the difference between low-cost insurance and cheap insurance?**

Buying cheap insurance for your home or car is like buying a cheap parachute.

By the time you find the holes, it's too late.

But you don't want to pay too much for your insurance protection, either. That's why smart people come to us for insurance on their home, car or business.

We'll get you the best insurance at a fair price. And we'll see that you have fast, fair settlement of all claims.

Remember—there's no such thing as bargain-basement insurance.

This symbol is your assurance that we are professional independent agents.

## Deanery Meet Held In Local Parish Hall

The Plainview Deanery Council of Catholic Women spring meeting was hosted by St. Ann's Society, Bovina Guadalupe Society and St. Teresa's Ladies Society in St. Teresa's Parish Hall, Friona, Wednesday, March 24.

Theme of the meeting was "One In The Spirit."

Guests were registered by Mrs. Lee Jesko, Mrs. Joe Schilling and Mrs. Gene Brito, chairman. The morning session was called to order by Mrs. Dan Dolle. The scripture reading was by Mrs. Florence Albracht. Rev. Norman Boyd presented the welcome address and the acceptance was by Mrs. Jerry Eakins. Rev. Antonio Gonzalez, deanery moderator, presented the message and the keynote address was by Pauline Jacobo.

Following a brief recess a skit on parliamentary procedure entitled, "Call To Order," or "Are Your Manners Showing?" was presented by members.

Mrs. Gene Brito called the roll and read the minutes of the previous meeting. The treasurer's report was given by Mrs. Walt Warren. Mrs. D.M. Poundstone presented the message and Mrs. Joe Schilling gave a credentials report.

Following discussion of deanery business, which was directed by Mrs. Dan Dolle, was a noon mass.

Hostess for the luncheon at 1:00 p.m. was Mrs. Paul Zinser. The invocation was by the Most Rev. Lawrence M. DeFalco, bishop of Amarillo. Bishop DeFalco then presented the message.

The afternoon session was highlighted by a panel discussion based on the theme at 2:15 p.m. with Rev. Rex Nichol as the panel moderator. Speakers were Mrs. Raul Sepeda, neighborhood aide; Maybelle Glass, home demonstration club

#### Stainless Speaker's Chair

The Speaker's Chair for Parliament House in Gambia, Africa, has a base, back and canopy support of welded nickel stainless steel tubes.

president; Mrs. James Pace and Mrs. L.A. Suttle, volunteers in service to their communities; Jerry Garza, representative of L.E.A.R.N.; and Sister Regina Foppe, O.L.V.M. social worker.

The final message was by Msgr. Francis A. Smyer, diocesan moderator.

Gift winners were Darryl Roth, Friona, quilt; Lucinda Aguirre, Friona, painting; Mrs. Molly Vallejo, Floydada, afghan; Mrs. Helen Backus, Nazareth, purse; and Mrs. Helen Fangman, Friona, feather flower arrangement.

Winners of dinner door prizes were Bishop Lawrence DeFalco, Amarillo, who won a floral arrangement given by Ben Franklin Store; Mrs. Molly Vallejo, Floydada, who won a scarf given by Foster's and Mrs. Ed Drerup, Nazareth, who won a decorative candle given by Claborn Flower Shop.

AMARILLOAN SPEAKS... The Most Reverend Lawrence DeFalco, standing, was a guest speaker at the Wednesday meeting of the Plainview Deanery Council of Catholic Women spring meeting, which was held in the local parish hall. Seated are Mrs. Paul Zinser, Hereford, first vice-president; Mrs. Dan Dolle Deanery Council of Catholic Women, president;

MASONIC OFFICIALS... Sen. Jack Hightower, who is Deputy Grand Master of Texas Masons, is flanked by Doyle Underwood, left, of Dimmitt, District Deputy Grand Master, and Jerry Brown, right, Worshipful Master of the Friona Lodge. The photo was taken following the Past Master's Night activities at the local lodge last Saturday.

MBP Sets Labor Pact For Plainview Plant

Missouri Beef Packers, Inc. disclosed at the Annual Meeting of Shareholders in Rock Port, Mo., that a labor contract has been concluded with the National Brotherhood of Packing House and Dairy Workers covering the work force at the company's recently opened plant in Plainview.

Gas Farmers Hold Annual Meet Locally

Some 95 farmers attended the sixth annual meeting of the Plains Gas Farmers Co-op held last Thursday, March 18 at the Friona High School Cafeteria. W.L. Edelman and Leroy Johnson were re-elected for three-year terms on the group's board of directors.

THE LARGEST KIDNEY STONE WEIGHED 14 POUNDS!

At Home In Parmer County

By Janice Fant  
County HD Agent

Dwellers with limited lawn and garden areas must make every bit of space count for spring planting, reminds Everett Janne, Extension landscaping specialist at Texas A&M University.

Even a small yard can be adorned with a small tree, Janne says. He suggests crabapple, redbud or evergreen yaupon, planted in the center of the patio area or at the edge of the garden.

If your lawn space is too small for any planting, add a few potted trees and shrubs, Janne suggests. Dwarf-type evergreens, for example, will grow well in almost any kind of container. Use vases, bowls or even wooden containers. For long life, some type of drainage, in the container is essential.

A favorite recipe of Mrs. Truman McKillip's is: 4 egg whites 1/4 teaspoon salt 1/4 teas. cream of tartar 1 cup sugar

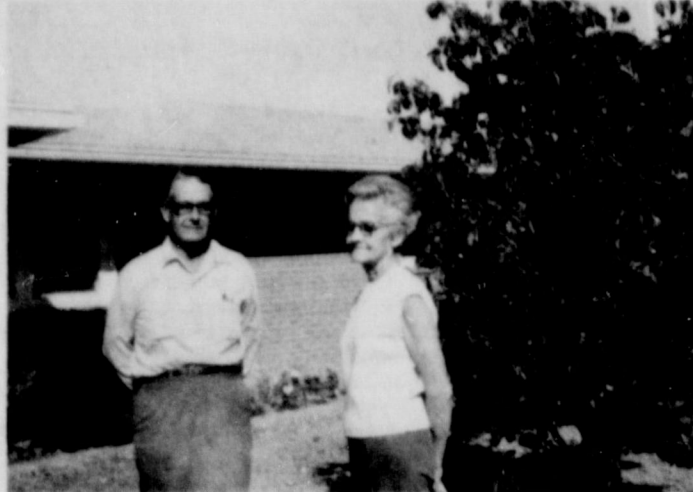

Beat whites until frothy, add salt and cream of tartar. Beat until soft peaks form. Add sugar slowly, continue beating for 10 or 15 minutes. Add vanilla extract. Pour in buttered pie pan (9 or 10 inch). Spread evenly over bottom and pile high on sides. Place in hot oven 450 degrees F. Close door and turn off heat and leave over night or 5 hours.

FILLING

1/2 cup sugar 2 tablespoons cornstarch dash of salt cherry juice 1 can cherries whipped cream 1 tablespoon extract

Combine sugar, cornstarch and salt. Add cherry juice and cook until thick. Add butter extract and cherries. Chill. Pour into torte shell. Top with whipped cream or dream whip.

**Moonbound Electricity**  
Project Apollo's fuel cell power plants, equipped with pure nickel electrodes, provide up to 2,000 watts of electricity for the spacecraft.

ORNAMENTAL PLANTS. . . Mrs. Dan Ethridge and SCS employee Marion Clark are shown checking the growth of ornamental plants in the Ethridge yard. (SCS Photo).

Plants For Beauty And Practicality

ITS SPRING! Now is the time to clean litter from your yard, to water the grass, and to pray for rain. It's the time to clean out the garage, to shampoo the rugs, and to be amazed at dust that could get in a corked jug.

Court House Notes

Instrument Report Ending March 25, 1971, in County Clerk Office, Bonnie Warren, County Clerk

Farmers Reminded Of April 1 Signup Date

Farmers who plan to participate in one or more of the 1971 set-aside programs are reminded that there is only one week of the signup period left. In order to be eligible for program benefits (wheat, cotton or feed grains), farms must be signed in the program by no later than 5 p.m. next Friday, April 9.

More than eight hundred farms in Parmer County have been signed up in the programs. It is anticipated that about three hundred more will be signed up before the signup period closes.

Girl Scouts Report

Twenty-eight members of Brownie Troop 266 were present for the Thursday afternoon meeting at Girl Scout House. Those participating in the flag ceremony were Cindy Bralliff, Detricia Miller, Shannon Parr and Renee Brock.

BY REV. ALBERT LINDLEY

Did I ever tell you about the time I tried to work on a Foreign-made car that I owned --rammed a screw driver through the motor block (which, among other things, causes it to be noisy) and ended up having to buy a new motor? Did I ever tell you about that? It isn't a funny story.

The gist of it all is this, however. The mechanic gave me his bill for repairing the outfit and that wasn't funny, either--then he gave me a bit of advice which really did impress me because it showed wisdom and intellect far beyond his years. . . he said: "Preacher, I tell you what. I'll promise to not get in your pulpit if you promise not to work on any more of these motors." . . I agreed!

Isn't it funny how we jump to all kinds of conclusions that we are far superior of the knowledge we possess? Do you get what I'm stumbling over to say? I'll try with this approach. . . We often step in and try to do something we really don't know anything about.

But don't laugh at me--you have been in the same fix.

At the moment my list of unfinished projects consists of one cassette recorder that won't, some Playmate tapes that won't unwind in the player, a watch that looks plain tired, a leaky faucet (that still does) and a few other things--all waiting for my magic touch--which doesn't seem to work so good.

I think I'm on the right track with the Cassette recorder--I had some parts left over from the VW motor that might just fit in--after all, they both came from Europe. Well, enough of this playing around. I simply wanted to condition your mind so you would be able to better understand my idea for today.

Have you ever felt that you were existing in a "Do-It-Yourself" world? We have "do-it-yourself" everything, and I suppose there is a certain amount of self satisfaction in being able to complete something (which I seldom get a chance to know) but my concern

is that we often attempt things that would have a better chance of survival if we simply took the time to get some professional assistance.

Now, don't get me wrong. . . I still like to try to work things out and you will always find real helpful friends with all kinds of advice.

(I was replacing some glass just today and had an unsolicited bit of advice--have you ever cut glass under water with a pair of scissors? O come on now! I can't hold my breath very long, either. . .)

So you are a do-it-yourselfer, eh? Well that may be well and good but let me offer you some advice.

You have a rather precious commodity--a treasure of great value--a possession of unique and rare qualities. You have your life, your personality, your body and soul. Don't play around with that, friend.

This is one place where you can really get hung up on some "do-it-yourselfism" rather than to call in the professional.

And when I talk about Professional here, I'm not referring to the 'preacher'--I'm talking about Jesus Christ and his aliveness today--I'm talking about his strength that can provide for you the necessary assistance to give your life some real significance and purpose.

For goodness sake--God's and yours--don't be a "loner" when it comes to living this life you have or a screwdriver in the motor block could look like a knot's ingrown toenail in the midst of Africa, compared to your self-directed life along side a Christ-centered existence.

Don't blow it. This is your only chance to really live a total life for him. . . and that makes it your project to be accepted by him. . .

Going-it-alone and doing-it-yourself, is so unnecessary. . . Why not give the Professional a chance with your life? He will absolutely put you back into running condition . . . how 'bout that?

## AT DUMAS

# Crippled Chieftains Place Only Two Men

Although most of the Friona Chieftains entered in the Dumas Relays came up with their top performances of the year last Saturday, the team was facing their stiffest competition of the year.

As a result, only two members of the team were able to score points, and as a team the Chiefs tallied only 10 points, and were last in their 11-team division.

Friona's track squad also had been weakened by sickness and injury, as five members of the team were unable to compete. Those pointing for the Chiefs were Wesley Clark, fourth in both the high jump and pole vault, and Ronnie McPherson, fifth in the high jump.

Both Clark and McPherson cleared 5-11 in the high jump, their best meet performance. Clark cleared 11-6 in the pole vault.

Four other entries by the Chieftains came up with their best times of the season, but didn't qualify for the finals. These included Jimmy Harvey, with a 10.4 in the 100-yard dash. In addition, Larry Nickel ran a 54.4 quarter-mile and Charles Bentley ran the 220 in 23.4. Also, the mile relay quartet recorded a 3:40. However, they were all for naught.

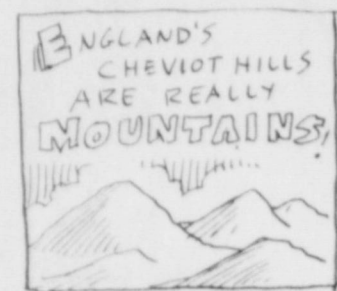

"This was the toughest competition we had seen all year. There were several meet records set," said Coach Larry Dyess, who added that the weather was in the 80s and there was very little wind—one of the better days for a meet this season.

Four members of the team were left behind with injuries or sickness. Rex Minshew underwent an appendix operation on Saturday, and will miss the rest of the season.

Lewis Lee and Danny Vera have missed the team's last two meets with leg injuries. James Bartlett also missed Sa-

turday, with a strained foot muscle. Willie Bailey made the trip, but couldn't compete because of a leg injury.

The Chieftains have Saturday off, and will compete next in the District 3-AA meet on Wednesday, April 7 at Wayland College's track in Plainview.

## DURING WEEK

# Squaw Track Team Competes Twice

The Friona Squaws track team competed in two meets during the past week. On Friday, the team scored 107 points, good for third place in a quadrangular meet.

On Saturday, in the giant Panhandle Invitational, the team scored 18 points good for 11th place. There were 24 teams in the meet, representing Texas, Oklahoma and Kansas.

At Canyon, first places were won by Diane Day in the high jump, Jill Riethmayer in the 60-yard dash, Vicki Ulen in the hurdles, and Darla Rhodes in the 880-yard run.

The mile relay foursome of Jeanie Thompson, Susan Martin, Terry Williams and Sharon Smith placed second.

Terry Bingham was third in the shot put and Vicki Ulen fourth.

ALL-STAR ACTION. . . Jayn Massie, with the ball, has just hauled down a rebound for her West teammates and prepares to bring the ball downcourt. Although the East won the first annual Panhandle Girls All-Star game, 66-48, Miss Massie was credited with playing a fine game on defense for the West team. She was an all-district player for the Friona Squaws.

## FIRST OUTING

# Eighth Grade Girls Win Events At Vega

Friona's eighth grade girls went to Vega on Monday for a track meet with the Vega seventh and eighth grade girls.

The Friona girls won six of the ten events. Winners were Connie Lindeman in the discus throw; Amanda Mason in the 60-yard dash; Sheryl McPherson in the 220-yard dash; Terri Fallwell in the shot put; Lisa Cummings in the hurdles and the 440-yard relay team of Amanda Mason, Cindy Gammon, Krystal Agee and Sheryl McPherson.

Other placers were as follows:

100—Amanda Mason and Krystal Agee, tie for second; Connie Lindeman, fourth.

Discus—Marilyn Jones, second; Cindy Gammon, fifth.

60—Sheryl McPherson, second; Krystal Agee, third;

Cindy Gammon, tie for fourth. 220—Vickie Jackson, second; Kenna Moore, third.

880 relay—(Vicki Jackson, Kim Bryant, Lisa Cummings, Connie Lindeman), second.

440—Staci Wheeler, second; Marilyn Jones, third; Mona Reed, fourth.

Shot—Lisa Cummings, second; Kenna Moore, third.

Long jump—Amanda Mason, second.

Hurdles—Mona Reed, second; Staci Wheeler, fourth.

This year is the first time the junior high girls have been taking track, and the Vega meet was their first official competition.

## Tech Coach To Hold Camp For Youngsters

Jim Carlen, head coach at Texas Tech University, has announced a football camp for boys ages eight through the eighth grade, during the month of June on the Texas Tech campus.

There will be four sessions conducted, and each session will last four days. Included in the sessions will be schooling on conditioning, offensive and defensive football, unit work, and discipline. Carlen says that the main emphasis for the youngsters will be discipline and attitude.

Cost of sending a boy to the camp is \$50.00, which includes food and lodging and insurance for the four days.

Dates of the sessions are June 6-9; June 9-12; June 13-16; and June 16-19.

Any parent interested may call Carlen at Texas Tech, or may contact either Bob Owen or Tom Jarboe locally.

Boys will be grouped by their age and ability.

## Sr. League Signup Due

Registration is underway for the Summer Baseball Program's Senior Little League, for boys ages 13, 14 and 15.

All boys wishing to play summer baseball that are in this age category must sign up by next Wednesday, April 7.

Parents may contact Ronald Smiley or mail him the \$5.00 entry fee at 1001 Cleveland, Junior High principal Tom Jarboe also has entry forms at his office.

## LITTLE DRIBBLERS

# Knicks Clinch Championship As End Of Season Approaches

The Knicks remained undefeated with a 9-0 record, as the big battle continued to be for second place in the next-to-last week of Friona's Little Dribblers program.

The Knicks, behind a good balanced scoring attack, rolled to their ninth win on Thursday, topping the Bullets, 32-22. Mark Neill was high scorer for the Knicks with 13 points. Randy Waggoner scored 12 for the Bullets.

The Suns came from behind to down the Bucks, 23-22, and help tighten up the middle of the standings. The Bucks had been leading, but failed to score in the fourth quarter after Leslie Broadhurst, their leading scorer, fouled out. Broadhurst took game scoring honors with 18 points. Todd Bandy scored 10 for the Suns.

In another close game, the Celtics jumped ahead in the second quarter, and held on to win their third game of the season, 25-23 over the Hawks, despite a 19-point game by Keith Martin, his season high. Brian Johnston scored his only basket in the fourth quarter to bring the Celtics the win.

In games last Monday, the Knicks rolled past the Celtics, 25-12 for their eighth win. Mark Neill scored 13 points for game honors.

The Lakers eked out a 28-27 win over the Bullets, behind the 16-point production of Little Jeff Whiteside. The Lakers were behind 14-8 at the half but out-

scored the Bullets 11-5 in the third quarter to pull into a tie. The lead changed hands four times in the last quarter. Waggoner was high for the Bullets with 15 points, but Chris Ingram had six of seven free shots in the fourth quarter to keep the Bullets in the game.

In another tight game, the Hawks downed the Suns, 28-25, after the Suns had battled from eight points behind to tie the game with 40 seconds left. Mitchell Smiley scored 16 for the Hawks, and Mike Blackburn 12 for the Suns.

MONDAY, MARCH 22

Knicks 6 1 6 12--25  
Celtics 2 2 0 8--12

Knicks--Neill, 5-3-13; Mears, 3-2-8; J. Martin, 2-0-4.

**NEXT TUESDAY**

## All-Star Game, BB Exhibition Slated

On Tuesday night, April 6 at 6:15 p.m., the Friona Booster Club will sponsor the first Little Dribblers all-star game. This game will be followed by the second annual slave auction.

At 8 p.m., the Friona all-stars will play the KGNC "Four Flushers" in an exhibition game. Admission to the two games is \$1.00 for adults and 50¢ for students.

Friona All-Stars will be composed of several of the faculty members, including coaches Owen, DeBord, Dyess, Morgan and others; at least one high school senior, J.V. Finley, and some Friona exes including Gene Weatherly.

The Four Flushers will be made up of ex-area cagers and Channel 4 sportscaster Sammy Smith.

Joining Smith on the Four Flushers team will be KGNC-TV farm director Royce Bodford and Joe Bill Brown.

In the slave auction, all varsity football and basketball boys will be auctioned off to the highest bidder for working on Saturday. All proceeds will go to the Booster Club fund.

The Little Dribblers all-star game should provide a pleasant

surprise to those who haven't seen these fifth and sixth grade boys play.

Twenty boys have been chosen to the Little Dribblers all-stars, and they have been divided into "East" and "West" squads.

From the West will be Mark Neill, Leslie Broadhurst, Sammy Felder, Jerry Martin, Mike Blackburn, Don Maynard, Mitchell Smiley, Glen London, Jay Jarboe and Brian Johnston.

Making up the East team will be Randy Waggoner, Jeff Whiteside, Cris Ingram, Larry Broyles, Keith Martin, Kelvin King, Raul Brailiff, David Barnett and Todd Bandy.

DEBATE WINNERS. . . Friona High School debaters Johnny Bingham (l) and Bryan Elliott were first place winners in the Spearman Invitational Debate tournament last weekend. The district literary meet is scheduled for Saturday in Littlefield.

## Sen. Hightower Issues Challenge

"A Mason should stand for something," Senator Jack Hightower told members of Friona Masonic Lodge #1332 and their guests last Saturday night.

Hightower was the guest speaker for the lodge's Past Masters Night. In addition to being the state senator from the 30th Senatorial District, Hightower is Deputy Grand Master of Texas Masons.

As a highlight to the program, Sen. Hightower present-

ed a 50-year Masonic pin to Jake Lamb, who had begun his Masonic work in 1920.

"Christians are the only craftsmen God has to carry out his work. If Masons don't fulfill their responsibilities, then some other group will be raised up to do the work," Hightower stated.

Also attending the meeting was Doyle Underwood of Dimmitt, the Deputy Grand Master for the 100th Masonic District.

Approximately 60 members, wives and guests attended the banquet, held at the Friona Masonic Lodge.

Worshipful Master Jerry Brown recognized all of the local lodge's past masters, and presented a rose to Mrs. Charles E. Bainum, the widow of the lodge's first Worshipful Master.

## Rep. Clayton Attends Washington Meeting

State Representative Bill Clayton of Springlake attended a two-day meeting in Washington, D.C., with State Legislators from throughout the country on federal issues of importance to states.

Representative Clayton serves as a member of the Intergovernmental Relations Committee of the National Legislative Conference. The Committee met March 19 and 20.

A briefing on the President's General and Special Revenue Sharing (grant consolidation) Programs was held for the attendees at the White House. Discussed were the implications for state and local governments contained in the President's six categorical special revenue sharing (grant consolidation) programs. To date, five of the six special messages (law enforcement, rural community development, urban community development, manpower training, and transportation) have been sent to Congress. The

sixth—education—is expected to be sent next week.

Clark MacGregor, Counsel to the President for legislative and congressional affairs, addressed the legislators at a luncheon business session. He discussed the domestic initiatives of the President and their ramifications on state and local governments.

The Intergovernmental Relations Committee was formed by the National Legislative Conference in 1957 in recognition of the increasing importance of the expanding role of State Legislators in the federal-state partnership.

On a functional basis, the Intergovernmental Relations Committee has formed six task forces to consider problems and programs in the areas of: commerce and transportation, government operations, human resources, natural resources, urban affairs, and public safety. Representative Clayton serves as Chairman of the task force on natural resources.

**It's PIONEER**  
again this year.

Here's why:

ALAN WEBB, Dimmitt, produced 178.8 bushels of corn this past year from 162 acres of Pioneer brand 3306. He also had a 25-acre field of 3306 that produced over 180 bushels per acre. Mr. Webb is an outstanding farmer who knows how to get the most from good management programs. That's why he's particular about the seed he plants. Naturally, we're proud that good farmers like Alan Webb plant Pioneer year after year.

KELLEYS TO BE HONORED. . . Mr. and Mrs. T.A. Kelley, who were married at Halfway Baptist Church April 7, 1946, will be honored with a Silver Wedding Anniversary reception in the home of Mr. and Mrs. Joe Lewellen, 1504 Jackson, from 2 to 5 p.m. Sunday, April 4. Co-hosts will be Mr. and Mrs. Delton Lewellen, Mr. and Mrs. Gary Goetz, Mr. and Mrs. Vince Rowell and Randie Kelley. Invitations are not being mailed locally, but relatives and friends are invited to attend.

Council Holds Annual Mass

The Bovina-Friona Knights of Columbus Council held its annual Founder's Day mass and breakfast Saturday, March 27. Knights and their families attended. Following the break-

fast Father Norman Boyd and Grand Knight Wayne Jesko presented plaques to co-Knights of the Year, James Ball and Stan Klemik.

Local Residents Attend Biennial Lodge Meeting

A memorial service, paying tribute to deceased Woodmen was presented at 7:30 p.m. Sunday in the ballroom. This was followed by an 8:30 p.m. Drill Team Frolic with participants coming from Tyler, Fort Worth, Beaumont, Port Arthur, Nederland, Merkel and other Texas lodges. Coordinator of the competition was Anice L. Jolly, past president.

A special presentation was a jurisdictional gift to M.D. Anderson Hospital and Tumor Institute at Houston. This presentation was made by the Texas Fraternal Committee and received by Dr. Robert Morton, director of the hospital and Warren L. Rutherford, associate administrator.

Final business sessions on Wednesday morning included the election of new officers and selection of delegates to the 1973 National Convention.

After announcement of the next convention site, which will be in the Northwest Texas area, the meeting was adjourned until 1973.

Convention Report Presented By Delegate

Highlight of the Tuesday evening meeting of Progressive Study Club at Federated Club House was presentation of a convention report by Mrs. Von Edelman, who was a delegate to Caprock Convention Texas Federation of Women's Clubs in Plainview last weekend.

The meditation was presented by Mrs. Joe Mercer.

Guests, Leesa and Tim Mercer, presented the musical part of the program. Tim sang several numbers with Leesa accompanying on the piano.

Mrs. Clarence Monroe presented, "The History of Barbed Wire In Texas." She displayed several strands of different kinds of wire.

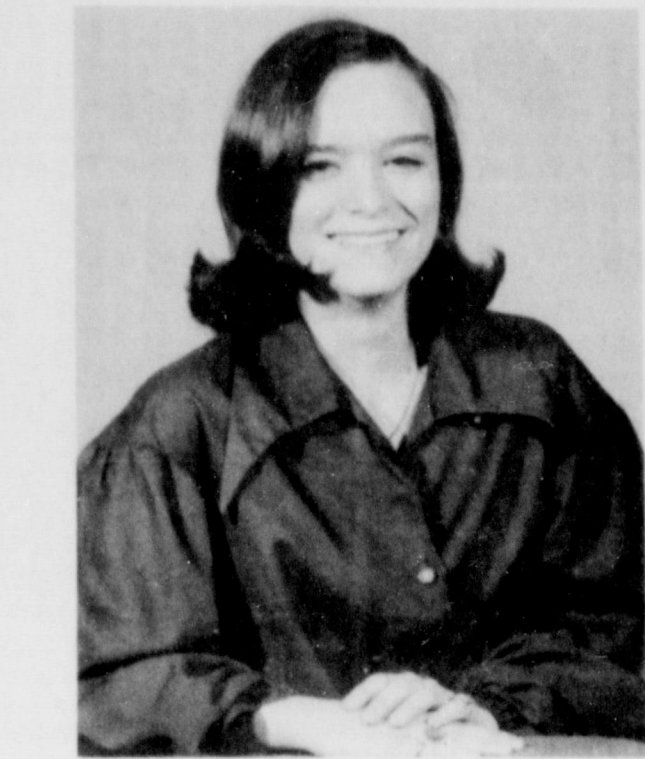

Another guest, Lola Goodwine, displayed some pieces of antique furniture she had refinished. Club members also displayed some antiques.

Other guests were Mrs. Calvin Talley, Mrs. Eddie Hall and Mrs. Raymond Auburg.

Refreshments were served by the hostesses, Mrs. Joe Mercer and Mrs. M.C. Osborn.

Contest Play Will Be Friday

Announcement was made late last week of the scheduled presentation of "Of Poems, Youth and Spring," in an open dress rehearsal at 7:30 p.m. Friday, April 2 in Friona High School auditorium.

SALLY KENDRICK

Sally Kendrick Wins Trip To Washington

Winner of the girl's division of an oratorical contest, which was sponsored by Deaf Smith

Local Women Honored At Convention

Two Friona women, Mrs. C. W. Dixon and Mrs. Sloan H. Osborn, were honored at the Caprock Convention Texas Federation of Women's Clubs in Plainview recently.

A recognition service for all women in the area who had been a member of a federated club forty years was held Saturday afternoon. Five other Friona women and one former resident were cited but were not present. They were Mrs. Carl Maurer, Mrs. O.F. Lange, Mrs. Fred White, Mrs. Malinda Schlenker, Mrs. Lillian McLellan, all of Friona, and Mrs. Winnie Wilkison, who is a former resident.

Those recognized were dressed in pioneer costumes.

Electric Cooperative of Hereford, was Sally Kendrick, who is the daughter of Mr. and Mrs. H.K. Kendrick and a junior student in Friona High School.

Winners qualified themselves for all expense paid trips to Washington, D.C. June 11-22. Pat Acker, son of Mr. and Mrs. Anthony Acker and a student at Nazareth High School was winner of the boy's division.

These two will be among 100 young people from all over the state who will be participating in the Seventh Annual Texas Electric Cooperatives Government in Action Youth Tour to the nation's capitol city.

Each of the participating students delivered orations of 5 to 8 minutes on the subject, "Rural Electrification Challenges of the 70's."

Troy White, who is also a junior in Friona High School and the son of Mr. and Mrs. Ray White placed second and was named as an alternate.

Participants were from the eight high schools located in the area served by Deaf Smith Electric Cooperative.

Tommy Sherley, son of T.A. Sherley and a 1966 graduate of Friona High School won the boy's division in 1965.

Winners Announced For County 4-H Food Show

Deborah Harding and Carrie Haseloff were named senior winners in the Farmer County 4-H Food Show March 20. Junior winners were Cheryl Gohlke and Jacquelyn Langford. These girls will represent the County at the District Food Show April 3, in Amarillo according to Janice Fant, County Home Demonstration Agent.

Jacquelyn also received the honor of being named high point girl of this year's show. Senior alternate is Sue Monk and junior alternate is Terri Boling.

Girls receiving white ribbons were Bessie Gorree, Diane Slage, Bovina, and Darshan Jennings, Lazbuddie. Red ribbon winners were Alicia Spring, Pam Rhodes, Audrey Magness, Cheryl Whitecotton and Sue Monk-Bovina; Penny Hughes, Vicki Jupe and Gay London-Farwell; Donna Brown, Karla Littlefield, Pam McDonald, Karen Mimms-Lazbuddie; and Stephanie Kube, Sonia Kube, Melody Poe and Vicki Gilliam-Oklahoma Lane. Winners receiving blue ribbons were Arlene Magness-Bovina; Susan Mimms-Lazbuddie; Peggy White, Terri Boling, Jacquelyn Langford, Claire McFarland, Annette Langford, Lee Ann Williams, Lisa Hughes, and Deborah Harding-Farwell; Linda Gohlke, Jeanette Gilliam, Yolanda Martin, Cheryl Gohlke

and Carrie Haseloff-Oklahoma Lane.

Each of these girls was enrolled in a Foods & Nutrition Project group. Volunteer leaders working with these groups were Mrs. Curtis Monk and Mrs. Wayne Magness-Bovina, Mrs. Walter Hughes and Mrs. Leon Langford-Farwell, Mrs. Wayne Clark-Lazbuddie, and Mrs. A.H. Haseloff and Mrs. Hubert Gohlke-Oklahoma Lane.

Black Resident Attends Funerals

Mrs. Ethel Benger attended funeral services for her brother-in-law, Ernest Pim, at First Methodist Church, Follett, Texas, Friday. Pim, who was 77, was a long time resident of Allen, Oklahoma.

Mrs. Benger was accompanied by Mr. and Mrs. A.G. Bridges and Mrs. H.R. Clark, all of Amarillo.

Then on Monday she went to Darrrouzett, Texas for the funeral of Mrs. Pearl Messner.

Mr. and Mrs. Wilbur Messner, Laverne, Oklahoma and Mrs. Mae Lindauer, Oklahoma City, later visited in Mrs. Benger's home. The group also visited in the home of Mr. and Mrs. Lee Carter in Plainview.

## Girlstown Food Drive Going

The Black Study Club is sponsoring a drive this week for food items for Girlstown.

Students in Friona's elementary and junior high schools have been asked to bring canned goods, staples and drug items (toiletries) with them to their home rooms.

Prizes are to be given by the club to the room in grades one through eight for the room bringing the most food items.

All items should be brought by Friday.

Any individual wanting to contribute to the drive that does not have children in school may bring food items or toiletries to either of the elementary buildings or the junior high school by Friday.

This is the second year for the study club to sponsor such a drive.

## George Bakers Observe 65th Wedding Anniversary

Mr. and Mrs. George M. Baker, 905 Cleveland, observed their 65th wedding anniversary with dinner in their home Thursday, March 4. Due to illness in the family, no formal observation was held.

The Bakers, who moved to Friona from Allen, Texas, in 1927, were married in Johnson County, Illinois, March 4, 1906. She is the former Alpha Jane Bradley and is a native of Illinois and he was born near Savoy, Texas.

After farming north of town for many years, the Bakers

retired and moved into town.

Living children of the couple are seven sons, Elmer, Kenneth, Washington, Gilbert, Chelwell, Washington, Frank, Joplin, Missouri, Arthur, Rosepine, Louisiana, Duke, Big Spring, Raymond, Amarillo, Melvin, Portales and Oliver, Cisco, Texas.

Also three daughters, Nila Jean Kelley, Cleveland, Ohio, Florence Boyce, Amarillo, and Opal Ware, Morton, Texas. They have 27 grandchildren and 25 great-grandchildren.

## Scouts Enter SOAR Program

Recently the Friona Boy Scouts entered into the S.O.A.R. (Save Our American Resources) program. The announcement was made by V.R. Wilcox, Scout Master and Herb Evans, local S.O.A.R. Chairman.

The program is designed to make the scouts and possibly the entire community aware of local pollution problems.

"Even in a rural commun-

ity such as Friona, there are air and water pollution problems," Wilcox stated. These problems will be studied and discussed by the scouts.

One of the main pollution problems that the scouts will study and act on is Litter Pollution. "You will be hearing and seeing more about this in the near future," the Scout master says.

DEGREE GIRLS. . . Four Friona High School students have received their state FHA degrees. They are (seated, left to right) Jill Riethmayer, Janice Milner and Vickie Schueler and Gay Welch, standing, center. FHA instructors and advisors are Mrs. Dale Gober, standing left, and Mrs. Ernest Osborn, right. Friona High School has produced 51 state degree winners since 1961.

## FHA Cares Is Theme Of National Week

FHA Cares is the theme of National Future Homemakers of America Week, March 29-April 3. During this week 600,000 members in more than 12,000 local FHA chapters throughout the United States and its territories are carrying out special projects and activities to show that FHA members really do care.

Local festivities began Sunday morning with bouquets of red and white roses and carnations being placed in each of the local churches by FHA members.

Other special events include Teacher Appreciation Day, Color Day, secret sisters and a picnic on Friday.

## Nikkie Love Born Here Thursday

Mr. and Mrs. Earl Love became parents of a baby girl at Parmer County Community Hospital. She was named Nikkie Diane and weighed 7 lbs. 3 ozs.

Grandparents are Mr. and Mrs. Howard Love, Friona, Mrs. Winnie Frazier, Roswell, New Mexico; and Jimmy England, Albuquerque, New Mexico.

Nikkie Diane is the first child for the Loves.

## Easter Social Honors Three ESA Rushees

An Easter social in the home of Mrs. Tex Barnes, 1306 Pierce Street, Tuesday evening was a courtesy for three ESA rushees, Mrs. Charles Bass and Mrs. Ronald Hawkins, Friona, and Mrs. Jack Hardin of Fort Worth.

Members of the Sigma Upsilon Chapter participated in an educational session following an Easter egg hunt by the rushees. Each egg held a question pertaining to the policies, purposes and goals of the organization.

The highlight of the evening was modelling of home made Easter bonnets by the rushees. Mrs. Charles Bass received a prize for finding the most Easter eggs and a prize for the best Easter hat was

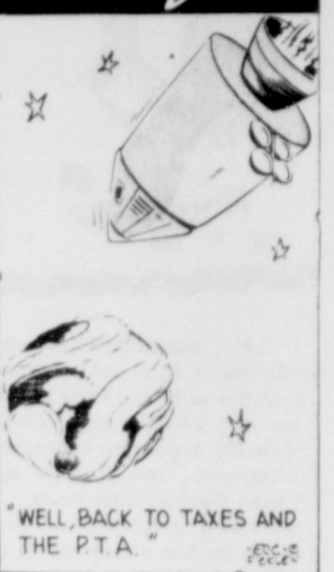

awarded to Mrs. Jack Hardin.

Mrs. Cliff Mowbray presented "Our Horizons In The World of ESA." In her talk she stressed the possibility of becoming a leader and an outstanding individual by development of talents and capabilities.

The serving table was decorated with gold and blue Easter eggs lettered with names of those present on patches of colored grass. Mrs. Barnes and Mrs. Ernie Porter, hostesses, served cake, which was baked in the form of a smiling coconut rabbit, strawberry ice cream and punch.

Eleven jeweled members were present.

## Future Homemakers of America

JANICE MILNER

On the occasion of National Future Homemakers' Week, we wish to congratulate Miss Janice Milner on obtaining her State FHA Degree. Our best wishes also go to the other three girls receiving their degrees, along with their hard-working adult sponsors. To each and every girl enrolled in homemaking, we salute you on your special week.

BETTER LIVING FOR FAMILY AND COMMUNITY

PIONEER NATURAL GAS COMPANY

For a long time I have enjoyed reading the Song of the Lazy Farmer in farm publications. Even though I am not acquainted with the author, I know he must be a real "down to earth" dirt farmer. I have clipped a large number of the items and appreciate the sentiment expressed in every one of them.

However, my favorite appeared in the April issue of The Texas Farmer-Stockman. Those of you who don't read that particular magazine will surely enjoy the author's description of the arrival of spring. It goes like this:  
I do not know a single thing that beats arrival of the spring:  
When robins sing and frost is gone, I like to pop right out at dawn  
And tramp around the place a mite to work me up an appetite.  
There's nothing like the fresh spring air to blow away 'most every care:  
The smell of muddy earth is great, this time of year I cannot hate  
A single thing about my life, not even when my dear old wife Starts shouting at me from the door to go and do some nasty chore:  
I almost feel like doing it, that's how much spring can dull my wit.

The reason that this time of year is filled with happiness and cheer  
Is that there's no more fires to build in early morn when I am chilled.  
I do not have to shovel snow from driveways so my wife can go Skedaddling off to club or town; and I can always lay me down 'Most anywhere to rest my form without a blanket to keep me warm.  
Of course, spring has its drawbacks, too: there's always lots more work to do.  
But when Mirandy starts to look for me, I'll be down by the brook to see  
How fishing's apt to be when summer really comes, by gee.

\*\*\*\*\*  
If you haven't read an almanac recently, you've missed a treat. When the Floyds first began to plant gardens, I was of the opinion that signs of the sun, moon and stars were to be ignored. It didn't take me too many years to change my mind on that score and within a few years I became an addict to almanac planting.

I've never studied the subject enough to know what should be planted when the signs are indifferent places, but I am very dependent upon the part of the Baer's Agricultural Almanac which reads, "Amos Appleschultz Says To Plant."

Crops bearing their yield above the ground should be planted April 2, 3, 9, 25, 26, 29 and 30. That means that this coming Friday and Saturday we will be planting greens, okra, tomatoes and pepper.

\*\*\*\*\*  
Those of you who enjoy reading historical novels will probably enjoy the following item, which I borrowed from the above mentioned almanac.

#### RULES OF THE ROAD IN STAGECOACH ERA

Share the bottle and spit with the wind—those were two of the rules for stagecoach riders posted by Wells-Fargo a century ago.

The New Mexico Parks Department provides the entire list, and some of the rules are applicable today for bus, train or plane passengers. This is the way they were posted:

"Adherence to the Following Rules Will Insure a Pleasant Trip for All.

1. Abstinence from liquor is requested, but if you must drink, share the bottle. To do otherwise makes you appear selfish and unneighborly.
2. If ladies are present, gentlemen are urged to forego smoking cigars and pipes as the odor of some is repugnant to the gentle sex. Chewing tobacco is permitted, but spit with the wind, not against it.
3. Gentlemen must refrain from the use of rough language in the presence of ladies and children.
4. Buffalo robes are provided for your comfort during cold weather. Hogging robes will not be tolerated and the offender will be made to ride with the driver.
5. Don't snore loudly while sleeping or use your fellow passenger's shoulder for a pillow; he or she may not understand and friction may result.
6. Firearms may be kept on your person for use in emergencies. Do not fire them for pleasure or shoot at wild animals as the sound riles the horses.
7. In the event of runaway horses, remain calm. Leaping from the coach in panic will leave you injured, at the mercy of the elements, hostile Indians and hungry coyotes.
8. Forbidden topics of discussion are stagecoach robberies and Indian uprisings.
9. Gents guilty of unchivalrous behavior toward lady passengers will be put off the stage. It's a long walk back. A word to the wise is sufficient.

\*\*\*\*\*  
You're showing your age if you can remember a Penny Postcard. Does anyone know when the cost was increased to two cents?
