

by Bill Ellis

One of the most orderly harvest seasons within memory of Friona area farmers is rapidly drawing to a close.

The grain sorghum has been out for some time. One late harvesting farmer, believed to be the last to finish, brought his last load of maize to the elevator last Tuesday.

The cotton harvest is making good headway, and probably reached its peak during the past week. The harvest of this crop, which sometimes stretches to Christmas-time, could be virtually finished by Thanksgiving this year.

Unlike some years when wet spells interrupt the cotton stripping, farmers have been held up only a day or so since harvest operations actually began in earnest.

It appears that cotton will make considerably more than it has the last few years. Indications are that the early freeze, although perhaps affecting the total yield somewhat, has not affected the 1970 crop as badly as was first feared.

In fact, one grower hazarded the opinion that cotton might average a bale to the acre in Parmer County this year. If this happens, it will mean about a 30 per cent increase from last year.

Prices for farm products, particularly maize, has been real good this fall, so with the bumper grain crop, a better-than-average cotton crop and an adequate sugar beet crop, there should be some money to be spent around Friona this fall and winter.

And, as has been observed more than once in farming communities—"When farmers have money to spend, it means prosperity for the community as a whole."

The 1971 calendars which were given as favors to those attending the open house at Friona Consumers last Saturday are unique in one respect. They are the first calendars we've seen which list the new Monday holidays, along with the "traditional" holiday dates.

Speaking of holidays, we will publish a day early next week, in order that the paper can be put into the mail on Wednesday ahead of Thanksgiving. As far as we know, Thanksgiving will continue to fall on Thursdays--but if you're making any long-range plans, you might want to check your calendar in the future.

We haven't made up our game slate for the final football contest week as yet, but for the past couple of years we have moved the deadline up to Thursday to include traditional Thanksgiving games on the schedule.

We may do this again, so be watching the lineup of games next week, in case you have to turn in your slip by Thursday noon.

Frank Truitt, who has been a contest regular for at least the nine years that we've been connected with the Star, is finally having a "run of luck."

As far as we can remember, Frank, although never missing a week entering the contest, had hardly scratched when it came to being in the prize money, until this year.

Now, Truitt has become the first contestant we can remember to ever win the weekly first prize two weeks in a row. He also placed second another time earlier in the year.

At times we have had season winners who never collected a dime of prize money for the weekly contests, but stayed up there on the basis of their consistent scores.

Frank isn't counting his chickens just yet, however. He was already moaning about the bi-district games we'd have on the slate this week; and then too, some of the top college "showdown" games will be played during the next two weeks.

So the contest is far from over, although Truitt has the best lead anyone has enjoyed at this stage of the race in quite some time.

## Community Service Is Scheduled November 25

The community Thanksgiving Service, sponsored yearly by the Ministerial Alliance, will be conducted at 7:30 p.m. at St. Teresa's Catholic Church on Wednesday evening, November 25.

The Reverend Charles Broadhurst, pastor of the First Baptist Church, will bring the message.

The Community Thanksgiving Choir will be directed by Albert F. Lindley, pastor of the Friona United Methodist Church.

"Everyone desiring to sing in the choir is urged to attend the practice session at the United Methodist Church on Sunday afternoon at 3:00 p.m.," stated Brother Lindley.

"At a time when there is so much divisiveness in our world, it is good that a community should join together in praise and thanksgiving," Brother Lindley concluded.

Everyone is most cordially invited to attend this very special Thanksgiving service.

Refreshments will be served immediately following the service, in the Parish Hall.

## Truitt Adds To Lead In Football Contest

Frank Truitt, who was already riding high in the standings in the Friona Star's Cotton Bowl football contest, performed like a pace-setter in the 14 games, and adding three points to his lead in the overall contest.

The score of 13 gave Truitt the \$5,000 weekly first prize for the second straight week, and was the third time this season he has been in the prize money.

Truitt leads in the race for grand prize with a score of 107. He has a four-point lead over Jack Clark in second place, with 103. Benny Pryor is at 102. Wright Williams and Elaine Wardlaw are next at 101.

Five other contestants have scores of 100. They are Pilo Castillo, Phillip Duggins, John Frazier, Mal Manchee and Clarence Monroe. A complete standings can be found on this week's contest page.

Besides Truitt, eight other contestants correctly picked 12 games, and the other weekly winners were chosen from this group.

Clarence Monroe claimed second place, on the basis of the Dallas-St. Louis game score, although he still missed it by 28 points.

### Star Issue Due Early

Next week's edition of the Friona Star will be published a day early, because of the Thanksgiving holiday and the closing of the post office.

Subscribers and advertisers are requested to observe a Monday afternoon deadline for this edition, which will go into the post office on Wednesday morning.

OPEN HOUSE VISITOR... Ron Davenport, left, was one of the hundreds of visitors to pay a call at Friona Consumers' open house last Saturday. Ron is being presented a zodiac birthdate key chain by Joyce Veazey.

A three-way tie developed for third place, between Trinidad Gomez of Hereford, Wright Williams and Donn Tims. They all had scores of 12 and missed the game score by 31 points.

Others picking 12 games were Patsy Bandy, Rex Minshew, Audvie Barnett and Peggy Monroe. They favored Dallas on the tie-breaker, however.

Scores improved during the 10th week of the contest, with few upsets marring the way. Truitt made hay by picking two of the three major "upsets."

He correctly chose Dimmitt over Olton and Georgia over Auburn. His only miss was in choosing Lubbock over Hereford--although this too was in opposition to what the experts thought.

The next-to-last contest page can be found on Page 6 of this week's issue. Contestants are reminded that anything can happen, and with 28 possible points to be earned, should not drop out as yet.

### Temperatures

Date	Hi	Low
November 11	69	34
November 12	55	33
November 13	70	32
November 14	38	32
November 15	39	20

Moisture: Trace of snow on November 13; .06 on November 14.

### LAST SATURDAY

## Winners Listed In Consumers' Opening

Ernest Anthony, David Grimmsley and Carl Osborn won the S&H Green Stamps given away by Friona Consumers at the company's open house last Saturday.

Other prize-winners at the company's big day included Troy Hutson and B.H. Estep, an oil, filter and grease job courtesy of Wix; Delton Lewellen, six Wix filters; Matt Carth, Jennie Mann and Jimmy Bynum, Wix filters.

Also, Grace Whitefield won a box of traps, Harry Hamilton won a clock radio.

Three persons registering won AM-FM transistor radios. They were Mrs. Lillian McLellan, David Woodruff and Bill Ellis.

A big crowd attended the open house. Each one that registered was given a personalized key-ring.

Attendants at Consumers' gas station were kept hopping throughout the day, filling tanks at the company's open house special price of five cents off the usual price. It was reported that the company had sold 4950 gallons of gas prior to closing at 6 p.m. Saturday.

Manager Buddy Lloyd expressed his thanks to the residents of Friona and the area for helping to make their open house such a success. It was an especially good turnout considering the cold weather, Lloyd said.

The two Friona High School FFA farm skills teams shown above have swept to the district and Area I titles, and will compete on Saturday in Huntsville for the state championship banners. Members of the senior team (above) are, left to right, Kevin Wiseman, Willie Bailey, Johnny Bandy and Mike Martin. The junior team is composed of Danny Simpson, Terry Thompson and James Stevick.

## City Will Request Traffic Light At Main-Highway 60

The City of Friona passed a resolution to join the Panhandle Regional Planning Commission at a "routine" session of the city council on Monday.

City Manager A.L. (Jake) Outland explained that the role of the PRPC was to coordinate efforts to solve the problems of the area, and to allow each

governing body to have a part.

Neighboring City of Bovina had earlier joined the group. The Parmer County Soil & Water Conservation District, headquartered in Friona, is a member.

In other business, the council voted to allow the Friona Police Department to more fully participate in law enforcement by the addition of a teletype system, by which additional information can be sent and received. Chief of Police Bill Morgan explained the advantages of teletype messages over radio messages.

Outland said he believed it would enable Friona to "keep abreast" of law enforcement. It would be the only such teletype unit in the county.

The council also voted to ask the Highway Department to place a traffic light at the corner of Main (Highway 214) and U.S. Highway 60. The increased traffic load on the two roads prompted the request, which also has the support of the Friona Chamber of Commerce.

A contract was awarded to Clowe & Cowan of Amarillo, who was the low bidder on supplying the city 2500 feet of three-fourths inch copper tubing, which is the annual supply for the water department.

A new contract with Attorney Howard Perdue was approved. Perdue, of Amarillo, collects delinquent taxes for the city. A request from Joe Mendozas for the extension of city utilities to a construction outside the city limits was denied, in keeping with the city's policy.

It was reported that the city's portion of the cost in investigating the rate increase by Pioneer Gas amounted to \$149.54. Opponents of the raise were successful in negotiating with the gas company for an increase at four per cent less than the company's request.

Police Chief Bill Morgan reported that his department was a man short, with the resignation of Gerald Shavor. In addition, night dispatcher Stanley Vinson is resigning after six years with the department.

### ONE KILLED

## Eleven Rural Wrecks Mar October Record

The Texas Highway Patrol investigated 11 accidents on rural highways in Parmer County during the month of September, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, 14 persons injured and an estimated property damage of \$12,420.00.

The rural accident summary for this county during the first nine months of 1970 shows a total of 104 accidents resulting in three persons killed, 58 persons injured, and an estimated property damage of \$90,795.00. Total traffic accidents in

Texas during the last twenty years have increased from 200,000 in 1950 to approximately one million in 1969. Total number of persons injured in traffic accidents has increased from 69,000 in 1959 to 223,000 in 1969. Total number of persons killed in traffic accidents has increased from 2,410 in 1950 to 3,551 in 1969.

The Sergeant reminded all Texas motorists that vehicles bearing red motor vehicle inspection stickers with the large black numeral "10" in the lower left-hand corner of the windshield must be reinspected before midnight, October 31.

### LONGTIME RESIDENT

## Services Thursday For F. S. Truitt

Funeral services for F.S. Truitt, 93, a Friona resident since 1925, are scheduled for 10 a.m. Thursday at the First Baptist Church here. Truitt would have been 94 on December 17. He passed away Tuesday afternoon after being hospitalized since last Friday.

The family says that those who wish to do so may make contributions to Parmer County Community Hospital, rather than sending flowers.

Truitt, a retired lumberman, was in the lumber business for 52 years, until his retirement in 1948. He had a hand in the early development of Friona, owning rental property. The Friona old-timer used to speak of "our first building boom."

Truitt started his lumber business in Friona with J.L. Landrum, but later bought him out.

Survivors include a son Frank of Friona and a daughter, Mary Louise Baxter of Clovis. He is also survived by five grand-

F. S. Truitt

children and five great-grandchildren.

His wife passed away in 1935. Following the funeral service here, Truitt's body will be taken to Gainesville for burial.

Pallbearers will be Doyle Elliott, Ralph Taylor, Ernest Osborn, Ralph Roden, Glenn E. Reeve, Sr. and Elroy Wilson.

### DURING MONTH

## Water Meters Show Healthy Increase

Records tabulated for the month of October by City Manager A.L. (Jake) Outland indicated that there were 12 new water taps added during the month, bringing the total number of active meters within the city to 1236.

Five new sewer services were also added. This brought the number of active services to 1193 as of the end of October.

Other city records indicated that 10,619,700 gallons of water were pumped by city wells during October, down considerably from the previous month, as heavy usage took a downswing with the cold weather. The consumption was an average of 353,990 gallons per day.

Rainfall during October amounted to .90 inch, coming on three dates.

Five fire alarms were sounded during October. Three were outside the city limits, and two inside. Only loss reported was an estimated \$150 to an automobile owned by J.S. Thompson.

Police department records showed 29 arrests. Nineteen were for traffic violations; five on domestic disturbances; two on traffic warrants, and one for vagrancy.

### Deaf Smith REC Loan Approved

Congressman Bob Price this week announced the approval of an REA Loan from the Department of Agriculture to the Deaf Smith County Electric Cooperative, Inc. in Hereford. This cooperative serves Deaf Smith, Castro, Oldham and Parmer Counties. The amount of the loan is \$640,000.

The purpose of the loan: (1) to finance 118 miles of distribution line to serve 689 new consumers, (2) to finance 13 miles of 69-kilovolt transmission line and related facilities, (3) to finance extensive system improvements including 13 miles of new tie line and conversion of 111 miles of existing line and related facilities, and (4) to install 2 new sub-stations.

The manager of the coop is James T. Hull of Hereford and the president is Sloan H. Osborn of Friona.

ROSEMARY'S BABIES... Exactly one year ago Rosemary and her five brothers and sisters were featured in this spot in the Star. Now one year later we offer Rosemary's babies, sad-eyed, freckled and lovable cocker puppies, just in time to find a little girl or boy for Christmas. (See classified ad on page 4). Rosemary and her babies belong to the Bill Ellis family. They plan to keep Rosemary but need to find new homes for the babies.

## Pause and Reflect

By Nelson Lewis

A long time ago, during the years I owned and operated a dairy farm in central Virginia, I had a conversation with a neighbor that I shall never forget.

While visiting his place I happened to mention the absence of cats and dogs.

"Heck no," he said, "there ain't no room on this farm for anything that can't make me a dollar!"

He died a rich man—I continued to live a poor cow jockey but I enjoyed my dog, thirteen cats, and a little brown mare whose main purpose was to ornament the pasture.

The point is that we cannot allow the dollar mark to overshadow everything else in our lives.

A man is poor indeed when a Glimp of Gold blinds him into becoming the richest person in the cemetery.

\*\*\*\*\*

Every now and then this space is used to promote our local library.

From a very humble beginning it has grown into a very valuable civic asset.

In this writer's opinion libraries are the milestones of civilization and we were delighted to see the beautiful new building that our neighbors in Panhandle (Carson County) have recently dedicated.

Constructed of dark grey stone and glass panels it occupies a spacious lot and stands as a monument to everyone who helped in the project.

A new library is not all that Panhandle has to offer the visitor.

The Square House Museum with its new brick annex, windmill, Santa Fe caboose, half dugout home, train bell, and replica of an old barn should serve as an inspiration for all West Texas towns.

We visited it last Sunday and have never seen a better arranged set of displays.

Starting with the prehistoric inhabitants of our region it takes you step by step through the ages until you find yourself saying, "Why I can remember when such things were used!"

During our visit we were fortunate in having as our guide Miss Leslie Pruitt, a senior in Panhandle High.

Leslie is a lovely young lady whose personality and family background enables her to be of great help in the enjoyment of the entire complex.

We suggest a trip to Panhandle as a very pleasant way to spend an afternoon.

The winter hours are 1:30 to 5:30 on Fridays, Saturdays and Sundays.

\*\*\*\*\*

Here again is an example of community effort where no thought of financial gain is expected.

Perhaps it is best to quote directly from a piece of literature obtained at the museum.

"Built entirely from private funds, operated and maintained by volunteers.

Serving county and area schools, clubs and tourists.

A classroom for area school children for lectures on regional history.

A repository for mementos from our historic past."

\*\*\*\*\*

With your help the Farmer County Historical Society can do the same for our town.

How about it?

### AN EDITORIAL

## Involved Citizen Reaps Rewards

Editor Folmer Carlsen of the DODGE COUNTY (Minnesota) INDEPENDENT came across this item in his morgue; and, quoth he, although it has been widely circulated, it bears repeating:

"My community owes me nothing.

"If accounts were balanced at this date, I would be the debtor.

"All these years I have lived within the limits of the community and shared all its benefits. I have had the use of its library, park and public places; I have had the protection of its fire, police and health departments; its people, during all this time, have been gathering for me, from the four corners of the earth, food for my table, clothing for my body and material for my home.

"This community has furnished the patronage by which I have been successful in my business. It has furnished the best friends of my life, whose ideals have been my inspiration, whose kind words have been my cheer, and whose helpfulness has carried me over the greatest difficulties.

"What shall I give in return? Not simply taxes; I want to give more; enough that I can rightfully say, 'This is my community,' so that I can take deserved pride in its prosperity, in the honors which come to its citizens and all that makes it greater and better.

"I can do this only by becoming a part of the community; by giving of myself. In that way only can I pay the debt I owe to my community."

An interesting observation was made by the Kentucky Utilities Company in their publication "Employee NEWS": "Forbid a child to stuff a peanut up his nose and he will stuff a peanut up his nose. Forbid an adult to read a certain book and he will read that certain book. The very denial of free choice makes choosing that much easier. For that which is titled bad must be experienced. Mankind remains a frail thing."

The Reno, Nevada, State Journal reported, "American railroads have their shortcomings, but whatever else may be said about them, they have established safety records that by comparison make nearly any other human activity, including getting in the family bathtub, look like the siege of Khe Sanh."

TERMITES NIGHTMARE  
"I dreamt I dwelt in marble halls!" -Ray Trail  
TIMING  
"It isn't necessary for a politician to fool all of the people all of the time; just before election time is enough." -Anna Herbert.

# INTEGRITY LOYALTY SERVICE

## 4245 Years of it!!

■ You can talk about integrity or loyalty or service and not prove a thing. Talk's cheap.

On the other hand, you can live integrity and loyalty and service and that means something.

282 Southwesterners are going to receive Awards of Merit this year for periods of service ranging from 5 to 45 years.

As a group, they have worked and lived with integrity, loyalty and service for 4245 years.

That's important. To you—To this company—To the communities in which we all live.

Phone 247-2736

Friona's Main Street has several new things going for it. All of us can well remember facilities at Friona Consumers a few months ago. When you contrast them with the present ones, you quickly see a great improvement.

Then a little bit further down the street The Hut is new. Ray Dean and Jan Fleming own and operate a store in the location formerly occupied by Hurst's Department Store. The Hut has a new front which is very attractive and is receiving new merchandise daily.

A visitor to our town, who had not been here for a few years, would probably remember Johnson's Corner Grocery at the corner of Sixth and Main. Now we have a brand new gift and yarn shop there. It is Emma Lou's and is being operated by Mr. and Mrs. Allen Stewart. Sue Milligan Nazworth assists the Stewarts.

New residents in Friona this week include Mr. and Mrs. Edgar Turner. The Turners have lived in the Black Community and in the Rhea Community for a number of years and are not strangers to a lot of us, but haven't lived in town before. Now, they live in town, but just barely. They purchased a new home in the Reeve Addition at the northwest edge of town and moved into it last Wednesday.

A friend handed me a most interesting item a few days ago. Any farmer's wife will enjoy it. In fact, you just about have to be a farmer's wife to appreciate it. Mrs. Cyrus King of Hico, Texas is the author and it originally appeared in the Olin Community News.

It goes like this:  
"Modern science has come up with many labor and time saving devices, but the most useful one on my farm is a gadget my husband acquired some 50 years ago.

He has programmed it much as a scientist does a robot. It is trained to operate a car, a truck and any other kind of machinery. It can deliver vice-grips, tin-snips or needle-nosed pliers on command.

This gadget is helpful when repairing fences, loading stock, filling planter boxes with grain, ripping open fertilizer sacks, hauling grain to the elevator, keeping books and picking up junk around the farm.

The gadget can talk, but has learned that the best time to ask for anything is when a big load of stock goes to market--not when taxes are due.

Occasionally the gadget begins to slow down and feel sorry for itself. It thinks it is not really appreciated.

But, my husband is smart. When he sees signs of trouble, he takes the gadget out to dinner or slips it some extra spending money. He knows if he gives it kind treatment and loving care, the gadget will serve him for many years.

I hope I can, for I enjoy being the handiest gadget my husband has on our farm."

Doing research on any given subject which involves checking old Friona Star files is a time consuming project. It seems that there are so many items of interest which have absolutely nothing to do with your current project.

Early this week I needed a bit of information which I thought was available in the 1926 or 1927 file so with good intentions to secure information then get on with my work, I began to check these files.

About two hours later I found the information I needed, but I had enjoyed reading a lot of other items. On the front page of one edition there was a program of "The Wild Rose Operetta."

Those in the cast were Mary Reeve, Grace Brewer, Mary Wiley, Margaret Goodwine, Marie Wilson, Lorene Harris, Marie Jones, Arvis Hughes, Lucille Wimberly, Blanche Merrill, Bonnie Enfield, Irene Campbell, Thelma Weir, Catherine Parr, Estelline Harris, Mary Loy Truett, Floy Goodwine, Estella Welch, Mabel Wimberly, Juanita Curry, Alma Newman and Mary Kathryn Crawford.

Another interesting item was a recipe for hard times. Here it is:

"Substitute cornbread for cake; sweet potatoes for mayonnaise, sorghum for maple syrup, milk for coco cola; truth for lies; honesty for installment buying; cotton pajamas for silk pajamas; conservation for optimism, walking sticks for Fords; school for movies; graham bread for flap jacks; dry cleaning for new suits; common sense for recklessness, punctuality for tardiness and decency for immorality."

Some of our younger women are the finest cooks ever. Friona Young Homemakers are having a bake sale the day before Thanksgiving at Houser Foods. If you want a particular baked delicacy, you may call Mrs. Danny Black, Mrs. Larry Moyer or Mrs. Calvin Dozier.

None of us need to do extra baking for Thanksgiving unless we just want to. These young ladies will do it for us. All we have to do is to call them.

Failures are divided into two classes. . . those who thought and never did and those who did and never thought.

Don and Sharen Awtry Hoover are new Friona residents, or maybe they should be classified as "re-new" residents. At any rate, they are living here temporarily and it is nice to have them back.

Don is employed in some phase of the cattle industry and Sharen is working at Claborn Floral.

Are you overweight? If so, you may want to try this exercise for reducing. Move the head slowly from side to side when offered second helpings.

**WELCOME TO FRIONA**

Rev. and Mrs. Paul Lee are saluted this week as Friona's newcomers. Rev. Lee is the pastor of the Friona Union Congregational Church. The Lees came here from Lacon, Illinois. Rev. Lee has been in the ministry for the past 30 years. He is originally from Indiana, and his wife Lois is a native of Tulsa. A daughter, Mrs. Charles Rexford lives in Muskegon, and another daughter, Celia, lives in Boston. Rev. Lee also does pastoral work two days each week with the First Community Fellowship, United Church of Christ, Lubbock.

**LID MEDALLIONS**

Attractive medallions can be easily cut from the lids of Canada Dry cans. Two or more medallions of different design, glued atop each other, are assembled and mounted on plywood or coat hanger frames to form wall plaques or Christmas wreaths or other decorative items.

Lids can be cut into many unusual designs. All designs depend upon the number of spokes into which a lid is cut and the way the spokes are bent, curled or trimmed. Your only tools are metal shears and long nose pliers.

The patterns below show nine different ways of dividing

a lid into spokes of equal size. Mark the desired design on the lid with a grease pencil before cutting. Designs shown above are labeled with required number of spokes. Create your own. All you need is patience and practice.

**Girl Scouts Report**

Girl Scout Troop 166 met at the Scout House on Nov. 16. The meeting was called to order by Karen Young, chairman, and the minutes were read by Lupe Castillo and approved. Then we went into patrols and served refreshments. They were served by Janice Peak, Melissa Patterson and Bradli Odom. We discussed an overnight and then were given a test on being friends in our homes, community and country. There were 21 Girl Scouts and two leaders present. We then did our capers.

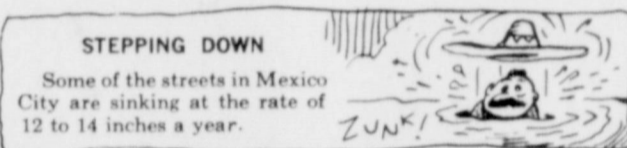

Girl Scout Troop 22 met November 16. Paige Osborn and Torey Meyers served refreshments. Following a lesson in foreign languages, there was a Scout's Own. It was presented by Cindy Smiley, Karen Stevick, Diane Clark, Cindy Cleveland and Dixie Wilkins. Robin Zetsche was elected song leader. Four leaders, Pauline Nelson, Sharon Lewis, Carol Zetsche and Dixie Wilkins, and 26 Girl Scouts were present.

Girl Scout Troop 266 met Thursday afternoon at Girl Scout House. Three leaders, Mrs. Kenneth McLellan, Mrs. John C. Miller and Mrs. Lee Britting, were present.

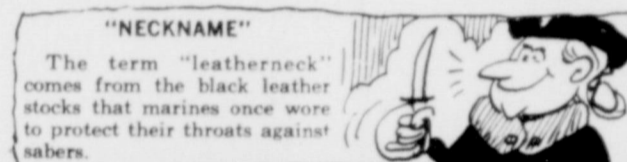

The flag ceremony was presented by Becky McLellan, Karen Patterson and Marie Escalante with Tera Simpson as caller. Marie Villanueva led "My Country 'Tis of Thee." Jamie Fulk presented a reading, "Children's Bill of Responsibility." The program was on solving problems and tying square knots.

Refreshments were served by Angie Sims, Minnie Aragon and Marie Escalante.

Girl Scout Troop #244 had an "Overnight" at the Scout House Thursday. They attended the Chieftain-Lockney football game before participating in a crafts session and group singing. Leaders spending the night with the Girl Scouts were Mrs. Bob Riethmayer and Joy Morton.

**STEPPING DOWN**  
Some of the streets in Mexico City are sinking at the rate of 12 to 14 inches a year.

**"NECKNAME"**  
The term "leatherneck" comes from the black leather stocks that marines once wore to protect their throats against sabers.

TOPPLE LOCKNEY, 35-14

# Chiefs Close 1970 Season With Win

Just like most of the previous Friona-Lockney football games have been, last Thursday's season finale was a fan-pleasing type of game. And, if it had not been for a fourth-quarter flurry by Friona the Chiefs' 35-14 win might have been another of those less-than-a-touchdown wins over the Longhorns.

Leading by only five points (19-14) as late as seven minutes into the final period, Friona rallied for two eight-point touchdowns in the last four minutes of play, to win by more breathing space than they had in any of their previous five victories over Lockney. Four of those games had been settled by an average of two points.

In the end, a hard-charging, blitzing Chiefs defense forced the Longhorns into two fourth-quarter mistakes, and Friona turned both of the errors into the clinching points.

The Chiefs got two touchdowns each from Don Fortenberry and Mike Royal, in running up their top point total of the season. The victory margin, in addition to giving Friona a 6-4 winning ledger, allowed the team to outscore their opponents in total points for the season, 165-156.

The team's seniors turned in exceptional performances in their last game for FHS. Three of them were much in evidence on the team's first touchdown drive. Donnie Lewellen, Wesley Clark and Fortenberry took turns making gains, to give the Chiefs a first and goal at the Lockney three.

Fortenberry gave first Bailey and then Clark a crack at the TD. Clark caused a skipped heartbeat by recovering his own fumble at the Lockney one. On third down, Fortenberry took the ball across on the quarterback sneak.

The conversion attempt was one of those plays you'd like to watch again on instant replay. Fortenberry bobbled the snap, and couldn't get the ball down for Drake to kick. Finally, Drake picked it up, and lobbed a pass toward Royal. However, Royal dropped the ball, and the score remained Friona 6, Lockney 0.

The Chiefs put up a gallant goal-line stand late in the half, when Billy Hill's punt return helped Lockney establish a first and goal situation at the Friona three. The Chiefs dug in and took over four plays later at their own one.

With time running out in the half, Lockney went to the air. However, it turned out to be a mistake. Fortenberry picked off a Tony Ford pass at his own 35, and headed up the west sideline. He tight-roped the sideline all the way, 65 yards, for a touchdown, and Drake's kick gave the team a more comfortable, 13-0 lead at halftime.

There almost was no scoring in the third quarter, but late in the period the teams swapped long touchdown runs.

Lockney got on the scoreboard, and trimmed Friona's lead back to six points, when the Chiefs punted to Hill once too often. The 140-pound scabbard dashed 60 yards with the punt, and the kick left Friona 13-7 with 2:18 left in the quarter.

Clark returned the kickoff to the Friona 30. On third down,

Fortenberry rolled out to his right. Just as he was being tackled, he tossed the ball to Clark, who went down the sideline untouched, 63 yards for a touchdown. The kick was wide, but Friona had forged a 12-point lead at 19-7.

The run by Clark was the longest play from scrimmage for the Chiefs during 1970. Friona's prosperity was short-lived. After exchanging fumbles, Lockney scored on a 13-yard pass, Ford to Hill, with the latter player making a nice catch. The kick trimmed Friona's lead to five points, 19-14, with 10:42 left and it stayed that way for a long time.

Clark returned the kick to midfield, giving the Chiefs great field position, and Lewellen gave the team a first down at the Lockney 40. However, facing fourth and three at the Lockney 33, Friona punted the ball back to the Longhorns.

Royal played it smart this time, punting the ball out of bounds at the Lockney five, to prevent a runback. The Longhorns quickly moved the ball out to the 31, but had their drive nipped in the bud when David Carlton swiped a Ford aerial at the 35 and returning it to the Lockney 18.

Using the break to good advantage, Friona scored in only four plays, with Royal going the last four yards for the TD. Fortenberry ran for two extra points, and it was Friona 25, Lockney 14 with just 4:30 left on the clock.

The Longhorns wanted to go to the air. However, the Chiefs' defenders wouldn't let them. Ford was dumped for losses of eight and 11 yards. On the last one, he was hit from the blind side by Bill Bailey and coughed up the ball at his own four.

Two cracks at the line by Royal gained the needed yardage to the goal-line, and Friona had scored back-to-back TDs within a minute and 21 seconds.

The conversion attempt again started to be a kick, but Fortenberry got a bad snap. Having to get up to take the snap, he decided to try running it, and went around left for two points instead of one, and that brought the final margin to 35-14.

On Lockney's final possession, Longhorn ball carriers were thrown for four consecutive losses, totalling 25 yards. The Chiefs' defenders caught Lockney behind the line 11

times during the game, for losses equalling 84 yards. This left the team with just 29 net yards rushing.

Bailey, along with seniors James Weatherly, J.V. Finley, and Carlton, were thorns in Lockney's offense all night long. They were the main cause of the big losses by Lockney backs.

Ford was the biggest victim. The quarterback was caught eight times for 76 yards in losses. His only gains were for one and two yards, and the other time he carried on fourth and goal from the one, he was stopped for no gain.

Although the scrappy Longhorn signal-caller completed four of his seven passes for 57 yards, two of the other passes were picked off by Friona. One was the 65-yard return by Fortenberry, and the other by Carlton leading to a Friona touchdown.

## Drops Last 1970 Game

The seventh grade Braves dropped a 16-2 decision to the Muleshoe eighth grade B team at Muleshoe in their final game of the 1970 season last Tuesday.

Friona enjoyed a 2-0 lead through the first quarter and until late in the first half, when Muleshoe pushed across a touchdown to take the lead. The Braves had an excellent chance to score a TD late in the half, but couldn't punch it over.

Friona got on the scoreboard first when Ronald Land tackled a Muleshoe punter in his end zone for a safety. The Mules were facing fourth and 21 from their own nine. With 2:28 left in the half, Muleshoe scored a TD and two extras to take the lead.

(Continued On Page 9)

The Friona "Furies"

## Powder Puff Football Game Set Saturday

Friona's entry in the Powder Puff football game at Bovina on Saturday is shown after they had their first "dress rehearsal" on Monday.

The game, which is a fundraising project by the Bovina Chamber of Commerce to construct a fence around the new city park, will begin at 7:30 p. m. Saturday. Admission price is \$1.50 for adults and 75 cents for children.

The Friona team members, shown above, include "Pistol" Patsy Bandy, "Bolting" Bonnie Brant, "Vengeful" Velta Anderson, Narcia "Mauler" Messenger, Virginia "Crazylegs" Cleveland, "Dandy" Donna Mears and Nelda "Flash" Miller.

## Eighth Graders Win Seventh Season Tilt

Friona's eighth grade Braves closed out their 1970 season on a winning note, by blanking Muleshoe, 22-0 in a game last Tuesday at Muleshoe.

Clay Bandy scored one touchdown, passed for another and Kevin Welch accounted for 10 points on a TD and four extra points as the Braves ended their season with a fine 7-1 record.

Friona scored the second time they had the ball. Roy Don Rector recovered a Muleshoe fumble at the Friona 38. The Braves went 62 yards, the big play being a 36-yard scoring pass play from Bandy to Gene Strickland. Welch ran for two extra points, and it was Friona 8, Muleshoe 0.

In the second quarter, a 41-yard scoring run by Eddie Waggoner was called back. However, the team continued to drive,

and Bandy went 39 yards on a bootleg play for the team's second touchdown. Welch ran the points to make the score 16-0 at the half.

Friona kept a drive going in the third quarter when Muleshoe jumped offside when the Braves shifted into punting formation. Two plays later, Bandy pitched out to Welch, who ran 45 yards for the touchdown. The extra point try failed, but Friona led, 22-0.

The Braves had another TD, called back late in the game, when Bandy passed to Dale Cleveland on a play that covered 36 yards. However, it was rubbed out by an illegal motion penalty.

The win by the eighth graders makes the team's record 14 wins, one loss and one tie in two years of competition.

LONGHORN SENIORS. . . Shown are the seven Lazbuddie seniors who will see their last varsity action on Friday at Turkey. In the back are tackle Marty Moseley, halfback Mike Casey, quarterback Charles Lee and tackle Darrell Elliott. Kneeling are guard George Wilson, center Randy Bush and end John Jones. The 'Horns will be shooting for a 9-1 season record.

## Longhorns Bop Amherst; Wind Up Season Friday

The Longhorns of Lazbuddie ventured to Amherst last Friday night hoping to up their season record to 8-1. The 'Horns ranks are being stretched thin due to injuries and for a time Friday it looked as if they might be stretched even thinner as players hobbled around trying desperately to shake off injuries.

Lazbuddie escaped with a 20-15 victory but one Longhorn, Jimmy Noland is a doubtful starter for next week's final encounter with Turkey. He suffered a severely turned ankle and several other players are being hampered by injuries.

The Bulldogs drew first blood when in the first period of play

Eddie Mostes booted a 20 yard field goal to give his team a 3-0 lead. The 'Horns countered in the second period on a 19 yard scoring pass from Charles Lee to Arthur Graves. Lazbuddie tallied six more points in the second quarter on Arthur Graves' 29 yard jaunt through the Bulldog defense.

In the third quarter, Lazbuddie's Charles Lee broke loose for an 85 yard touchdown run and the 'Horns held a 20-3 lead. But in the fourth quarter, Sandy Moore brought the Bulldogs fighting back on a 12 yard run. Bobby Clayton scored for Amherst again in the last period

## Rural Accidents Injure 3 Residents In Month

The Texas Highway Patrol investigated 13 accidents on rural highways in Parmer County during the month of October, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in three persons injured and an estimated property damage of \$18,140.00.

The rural accident summary for this county during the first ten months of 1970 shows a total of 117 accidents resulting in three persons killed, 61 persons injured, and an estimated property damage of \$108,935.00.

Traffic wise, November and December are noted as dangerous months for pedestrians. During November and December of 1969 in Texas, there

were 86 pedestrians killed and 885 injured in collisions with motor vehicles. Some of the attributing factors are: early hours of darkness, bad weather, drinking intoxicating beverages, holidays, and lack of drivers' and pedestrians' attention.

The veteran patrol supervisor listed some tips to aid both pedestrians and drivers. Always wear something light colored when walking after dark. If possible, carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

County Agent**

The South Plains cotton harvest was at a peak until halted by the unfavorable weather last Friday and Saturday, according to W.K. Palmer, in charge of the Lubbock Cotton Classing office of the U.S.D.A.

Samples received at the four area U.S.D.A. classing offices had reached a seasonal high of 40 to 45 thousand daily when the rain and snow interrupted the harvest.

However, this interruption will enable gins and the area classing offices to catch up on their backlogs of cotton to be ginned and classed.

The U.S.D.A. classing offices at Lubbock, Brownfield, Lamesa and Levelland classed 215,000 samples during the week ending Friday, November 13th. Total classed so far this season now stands at 336,000. This is far ahead of the volume at this date last year when only 29,000 samples of the 1969 crop had been classed.

Estimates indicate that approximately one-half of this season's crop is now out of the fields.

Strict Low Middling was the predominant grade at Lubbock last week with 34 per cent of all cotton classed. Low Middling made up 8 per cent, Middling Light Spotted 18 per cent and Strict Low Middling Light Spotted 21 per cent.

Staple length improved slightly and averaged approximately 31/32. Sixty per cent stapled 31/32 and longer compared to 43 per cent the previous week.

Micronaire continued very good. Eighty-four per cent of all cotton classed at the Lubbock office last week had mi-

cronaire readings in the premium range of 3.5 to 4.9 and 7 per cent "miked" 5.0 and higher.

Ninety-three per cent of the cotton classed at Lubbock last week has Pressley readings of 80,000 pounds and higher, compared to 88 per cent the previous week. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Trading increased on the Lubbock market but prices were \$2.50 to \$5.00 per bale lower. Prices ranged from the loan for high grade, long staple cotton up to \$27.50 per bale over the loan for low grade, low micronaire cotton.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Strict Low Middling 15/16-20.25, Strict Low Middling 31/32-20.50, Strict Low Middling 1-Inch-20.80, Middling Light Spotted 15/16-20.50, Middling Light Spotted 31/32-20.85, Middling Light Spotted 1-Inch-21.25, Strict Low Middling Light Spotted 15/16-19.80, Strict Low Middling Light Spotted 31/32-20.10 and Strict Low Middling Light Spotted 1-Inch-20.40.

Prices paid farmers for cotton seed were steady and ranged from \$55.00 to \$66.00 per ton.

The board of directors of Gifford-Hill & Company, Inc., today declared a quarterly dividend of 10 cents per share of common stock, payable December 18, 1970 to shareholders of record November 20, 1970.

# Oklahoma Lane's Not a Street

(EDITOR'S NOTE ---- The following story concerning Oklahoma Lane appeared in the Sunday, Nov. 1 issue of The Daily Oklahoman, Oklahoma City newspaper and calls attention not only to the community itself but to the Oklahoma Lane homecoming which is scheduled for Friday, Nov. 27, the day after Thanksgiving.)

By Mark Phillips

OKLAHOMA LANE, Tex. — It's not on the map. It doesn't even have a post office. But it's sure as shooting' there.

It's Oklahoma Lane, Tex. It lies at the intersection of Texas SH's 731 and 145 in Parmer County, and is exactly halfway between Bovina and Farwell.

It used to have a school, but doesn't anymore. The community center still has a community Christmas tree and pageant — "strictly from the hills," as full-time farmer and part-time historian Harold Carpenter says.

Oklahoma Lane is a comparatively new settlement, Carpenter, himself a longtime resident, says. Settlement began in 1916 after a syndicate sold its holdings on the land.

The company — The Capitol Freeholding Land Trust — owned 3 million acres of land in which Oklahoma Lane lies. Carpenter explained Texas was "just land after the Civil War," and it wanted a capitol.

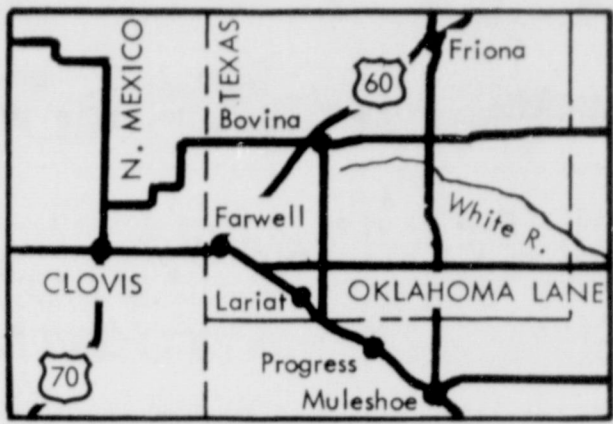

The Chicago-based company went to Texas officials with the idea of building the structure in exchange for the land. "They (officials) were eager to trade land for a capitol, since all that was out here was desert," Carpenter said. "There's no trees out here and you can see forever."

"The way it started out they were going to sell the land at \$1 an acre . . . but then they had to build a railroad out here . . . and it went up to \$2," he said.

The trust soon went broke, and sold the land. Land agents went as far away as Chicago to sell land to westward hopefuls. Agents also approached friends in Oklahoma, and sold them on the values of buying land in the area, the farmer-historian said.

Word got around and more and more Oklahomans settled here. And most lived along one road — Oklahoma Lane, as it became to be called.

"People in Farwell used to say I'm going to visit someone on Oklahoma

Lane," Carpenter said. Farwell is 9 miles west of here.

The first Oklahomans in Oklahoma Lane were Charlotte Fowler, a widow and her four children, Car-

penter said. "We've heard that their first home was three fence posts with a top stretched over them," he added.

Electricity came with the REA in 1941, and tele-

phones were seen in 1951 with the RTA.

Yet the progress still hasn't affected the town's intimacy. "We're real close. There's still a lot of feeling here. We still go out and help those who get sick, harvest their land, and take care of them," Carpenter said.

"I'm still finding out people who are kin to each other," Carpenter noted.

Farming is the area's principal activity. "The whole area is pretty strong. Land is selling at around \$600 per acre . . . This country has the highest yield for grain sorghum in Texas, which means in the world. We also raise cotton, wheat, grain, and vegetables.

"There are 5 feedlots, one in Oklahoma Lane with a capacity of 10,000 head," he said.

When the high school closed in 1948, students were transferred to Bovina and Farwell. Even the mail comes from Farwell.

The second Oklahoma Lane High School reunion is slated for Nov. 27. "We expect people from all over the United States . . . approximately 200," Carpenter said.

## Longhorns . . .

(Continued From Page 7)

of play and his team was behind only 20-15 in the fading minutes of the game but the 'Horns sustained a good drive to run the clock out.

Amherst picked up 256 yards rushing and 55 passing for a total offense of 311 yards. Laz-buddie gained 370 total yards; 333 yards came on the ground and 37 came through the air. Charles Lee rushed for 186 yards and Mark Barnes 28, and Arthur Graves 49.

The 'Horns last game will be at Turkey and begin Friday night at 7:30 p.m.

try this tempting recipe for

### CHICKEN FIESTA

1 ready-to-cook broiler-fryer  
1 box instant Spanish Rice  
1 8-ounce can tomato sauce  
1 fresh lemon, cut into quarters  
Salad oil.

To prepare the stuffing, cook the Spanish rice according to package directions, using the can of tomato sauce for the liquid. Rub the chicken with the lemon, stuff the bird with the rice mixture and place on a rack in an open baking pan.

Baste well with salad oil, then bake at 350 degrees, allowing about 30 minutes per pound of chicken.

If you prefer to make the dressing from white rice, then proceed as follows: Cook enough white rice to measure 2 cups, following package instructions, then add 1 cup tomato sauce (1-8 oz. can), 1/4 cup each chopped green pepper, onions and pimientos. Season to taste with salt and pepper.

OFFICERS. . . The Oklahoma Lane ex-student officers, who were elected at the reunion five years ago, are shown above. From the left are Harold Carpenter, president; Mrs. Wendol Christian, secretary; and Arlan Hartzog, vice president. Ex-students are slated to get together again this year at the Oklahoma Lane Community Center on November 27.

## At Home In Parmer County

By Janice Miller  
County HD Agent

Wild, warm fake fur is the target for big sewing ventures this winter.

To hit the bull's eye in style when sewing fake fur, follow these tips.

-Choose a design with few styling details. Eased seams are difficult to handle.

-Since fake fur is a pile fabric with a nap, check the pattern envelope under "with nap" for yardage requirements. If not listed, add three-eighths to three-fourths yard for cutting pattern pieces one way.

-When cutting the fur fabric, eliminate seams wherever possible. For example, if there is front opening, cut the facing and front center together. Lay pattern pieces on the wrong side of the fabric and have the nap running downward. Cut one layer at a time in deep pile, cutting only the backing to avoid cutting the pile. Mark the fur fabric with chalk or tailor's tacks.

-Baste seams of the fake fur garment to prevent shifting, and stitch in the direction of the pile whenever possible. Long pile yarns may get caught in the seams but can be released by pulling them gently with a pin or needle. If stitching on the pile side of the fabric, keep the pile flat by stitching through transparent cellophane tape.

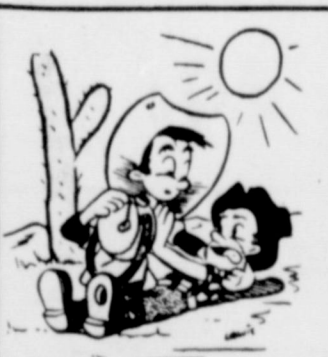

-Buttonholes are difficult to handle on fake fur garments, so another type closure is usually preferred.

-Check the label on the end of the fake fur bolt for information about ironing. Some fur fabrics cannot be pressed with

heat or steam; finger pressing may then be used. If a velvet ironing board is not available, try a turkish towel or self-fabric placed face up on board with pile side of garment on top. Press lightly with steam iron in direction of the nap. Remaining fur fabric pieces may be used as trim detail on other garments.

USDA's Consumer and Marketing Service reports plentiful supplies of broilers during November.

To help celebrate abundance,

## Seventh Grade . . .

(Continued From Page 7)

The Braves came right back, with Davy Carthel giving the team a first down at Muleshoe's 45. Julian Zamora then broke loose to the Muleshoe four, almost going all the way. However, Muleshoe dug in and took over on their own six, preventing the touchdown and holding an 8-2 lead at halftime.

Late in the third quarter Muleshoe added to its lead on a 35-yard run, following a Friona punt. A two-point running try was good, and this brought the final margin of 16-2.

The Braves, who ended their season with a 2-3-2 record, never could get a serious drive going in the second half.

## A WORD FROM BILLY WAYNE SISSON:

If your gearhead is an old-fashioned solid color, then you must not be using my favorite painter-er-driller.

Don't you think you owe it to your field, and to your neighbors to kind of dress up your operation a little?

How many times has your wife said, "That sure is an ugly pump we have on our turn-row."

If you call the brush specialists at Adams Drilling, you don't have this problem, and who knows, your well might even start pumping "Pretty Water."

(The above is an unsolicited testimonial)

## GIFFORD-HILL'S 360 SPRINKLER SYSTEM

Beautiful days oft times come at the wrong time. You might just as soon see a gentle, soaking, half-inch rain. But because Mother Nature isn't always as dependable as she might be, Gifford-Hill has stolen some of her thunder.

The electrically powered 360 sprinkler system lets you schedule your own rain. The exclusive sprinkler spacing concept applies the same amount of water at one end of the system as it does at the other. No puddling. No runoff.

The 360 goes in either direction, uphill or down. It will water a quarter-circle, a half-circle, any portion of your field with the exact amount needed. And the positive gear drive motor lets it move only when you want it to.

You should have a 360. On those beautiful sunny days, you'll have everything going for you, including the rain.

**Gifford-Hill & Company, Inc.**

# rounds out a beautiful sunny day.

Warp Bros. Chicago 90661 Plastics in Mexico Established 1924

### Baptist Young Women Plan Regular Study

On November 5 Calvary Baptist Young Women met in the home of Carolyn Shipp. Nine women were present and made plans to meet each Thursday morning for Bible Study, mission and project work.

Those attending were Brenda Phipps, Peggy Howard, Gail Deaton, Louise Bynum, Helen Ferguson, Pat Livengood, Joyce Veazey, Sarah Lappin, and Carolyn Shipp.

The following Thursday the first meeting was held in the home of Sarah Lappin. Nine women were present and plans were made for collecting per-

sonal items for patients in the Wichita Falls State Hospital as a December project.

Peggy Howard was chosen reporter. Carolyn Shipp was chosen secretary-treasurer. Brenda Phipps, presented the first lesson on "The Family in Bible perspective."

Refreshments were served to Brenda Phipps, Gail Deaton, Shirley Stokes, Shirley Osborn, Louise Bynum, Helen Ferguson, Peggy Howard, Sarah Lappin and Carolyn Shipp.

### Area Resident

#### Wins Award

Mary Crump, Route 2, Friona, was among writers winning or placing in the 61 annual contests sponsored by the Poetry Society of Texas this year, it was announced here Saturday night at the society's awards banquet.

Her entry placed third in the Narrative Prize.

Top winner for the night was Marcella Siegel of Irving, who won six contests and \$300 in prize money. C.E. (Gene) Shuford, North Texas State University journalism chairman, was second. This year's 61 annual contests drew 2,850 entries for the more than \$2,500 in prizes offered.

Mrs. Crump, who is employed by Hi-Pro Feeds, is a member of the Muleshoe Chapter of the Poetry Society of Texas. She placed second in the Narrative Poetry category of the state contest last year.

Under a new law, there is no longer a terminal date for a G.I. home loan for any eligible veterans, including WWII and Korean Conflict veterans who never used this benefit.

SHERRY WALKER... Mr. and Mrs. Medlin Walker have announced the engagement and approaching marriage of their daughter, Sherry, to Rickey Robinson, son of Mr. and Mrs. Arthur Robinson, Lovington, New Mexico. Miss Walker, who is a 1970 graduate of Friona High School, is a student at South Plains Junior College, Levelland. The couple plans to live in Levelland, where Robinson is an employee of Rhea's Oil Service.

### Krys Miesak Feted

#### With Bridal Shower

A miscellaneous bridal shower in the home of Mrs. Alton Farr, 1303 West Seventh, from 3 to 5 p.m. Saturday, was a courtesy for Krys Miesak, bride-elect of David Smith.

The round serving table was covered with a sheer maders cloth over yellow. The centerpiece was a white wedding candle and a green lace covered open book with the couple's names and wedding date. Shower and wedding invitations, which were decoupage by Mrs. Alton Farr, completed the table decorations.

Lime icy punch was served from a silver punch set, with assorted cookies, nuts and mints, by Francie Roehrig, Dallas, who is a student at Texas Tech University.

Mrs. Lewis Smith was in the receiving line with Miss Miesak. Guests were registered by Mrs. Dale Smith.

Hostesses with Mrs. Farr were Mesdames Stanley Bishop, W.D. Buske, Ralph McBroom, O.B. Moyer, Charles Russell, Clayton Taylor, Frank Truitt and Richard Vaughn.

Out-of-town guests signing the register were Mrs. Leland Abbott, Amarillo; Mrs. R.W. Fanning, Earth; Mrs. Beatrice Montgomery, Mrs. Alma Achee and Mrs. Helen Saxon, Littlefield; Mrs. Louis Ponthiew, Lubbock; Mrs. W.B. Carlton, Plainview; Mrs. Don Clements, Mrs. N.A. Brown and Mrs. Eldred Brown, Hereford.

#### Taylor's Visit

Mr. and Mrs. J.B. Taylor of Center, Colorado, have been visiting in Friona for the past few days. The Taylors are former Friona residents.

They have been guests in the homes of Mr. and Mrs. Ancel Renner, Amy Sue and David; Mr. and Mrs. D.E. Renner, Robin and Darcy; Mr. and Mrs. Charles Kirk and sons and other relatives and friends.

# Society

## Konis Featured In One-Man Show Terri Sue Cummings Is Shower Honoree

Amarillo Artist, Ben Konis, will be presented in a one-man show at Eastern New Mexico University in Portales, New Mexico November 13 through December 1.

Konis recently returned from a painting trip through the Navajo reservations of Northern Arizona and Monument Valley in Utah. He will be showing these works both in pastel and oil.

In conjunction with this show, Konis will conduct a painting workshop starting November 30 through December 4. Mrs. Dorothy Hinderliter of Portales, is in charge of the workshop.

### Homemakers

#### Announce

#### Bake Sale

Plans have been completed by Friona Young Homemakers for a Thanksgiving Bake Sale to be conducted Wednesday, November 24.

Orders for special goodies will be accepted until noon Tuesday by Mrs. Danny Black, Mrs. Calvin Dozier or Mrs. Larry Moyer.

Cakes, pies, cookies and other baked delicacies will be on sale at Houser Foods all day Wednesday.

Terri Sue Cummings, bride-elect of Brett Bumpas of Benjamin, was honored with a miscellaneous bridal shower in the home of Mrs. Clarence Martin from 3 to 4:30 p.m. Saturday.

The serving table was covered with a cloth of candlelight lace over gold. Mrs. Lloyd Chesher designed the centerpiece of fall flowers centered with a black walnut candle then presented it to the honoree.

Silver and crystal appointments completed the table setting. Hot spiced tea and coffee were served with assorted fruit and nut breads, nuts and mints.

Miss Cummings, was joined in the receiving line by her mother, Mrs. Doyle Cummings and her fiancé's mother, Mrs. Sue Bumpas of Benjamin. Mrs. Wayne B. Stark Jr., Canyon, an aunt of the guest of honor, was a special guest.

Other out-of-town guests signing the register were Mrs. Billy Frank, Amarillo; Mrs. Lennie Petree, Hereford; Mrs. Scott Cummings, Levelland; Mrs. Otis Huggins, Farwell; Mrs. Mike Reznik, Lynn Smith and Gail Lichte, all of Lubbock.

Co-hostesses with Mrs. Martin were Mrs. Russell O'Brian, Mrs. Elvin Wilson, Louis Welch, Mrs. Clifton Harper, Mrs. George A. Jones, Mrs. Ray-

mond Fleming, Mrs. Keith Lynn Blackburn, Mrs. Watson Whaley, Mrs. Travis Stone, Mrs. John Blackburn and Mrs. A.L. Reznik.

### Friona Artists Take Honors

#### In Area Art Exhibition

Friona artists took ribbons in nearly every category at the Bailey-Parmer Art Exhibit this past weekend in Muleshoe.

In the Professional Class of oil paintings, Mrs. Frank Spring took first and third place ribbons, while Mrs. Wes Long received a second place. Merit ribbons were given to Mrs. Long and Mrs. Bill Ellis in this category.

In the Professional Class of waterbase paintings, Mrs. Long took second place.

Mrs. Rose Black received merit ribbons in the Amateur Class of oil paintings and Vicki Beck received a third place ribbon in the Student Class of Oils.

Mrs. Steve Messenger, Mrs. Wes Long and Mrs. Christine Johnson served as hostesses representing Friona during the exhibit.

Friona entries were sponsored by the newly organized

### Zacharys Host Antique Club

Mr. and Mrs. Jerry Zachary were hosts at the Monday evening meeting of Friona Antique Club in their home. Theme of the meeting was "Windmills." Zachary presented a history of windmills and pictures of windmills were exhibited.

Others present were Mr. and Mrs. Raymond Adams, Mr. and Mrs. Dick Habbings, Mr. and Mrs. Rudolph Renner Sr., Mr. and Mrs. Howard Ford, Mrs. Orma Phippin, Tommy Jones and Mr. and Mrs. Leo Balls.

The next meeting of the club will be held the third Monday in January. There will be no December meeting.

Refreshments of cake, congealed salad, coffee and punch were served by the host couple.

Comments by  
Gib

Now that it's actually winter reach, young lovers had better think twice about promising a girl the moon.

## Willie Grace Grubbs

### Weds Donnie Skelton

Willie Grace Grubbs became the bride of Donnie Skelton in a double ring ceremony solemnized Friday, October 30, at 6 p.m. in the Chapel of Friona United Methodist Church.

Rev. Albert Lindley, minister officiated.

The bride is the daughter of Mr. and Mrs. A.S. Grubbs of Friona. Mr. and Mrs. Joe Skelton of Hereford are parents of the bridegroom.

Mrs. John Taylor, organist, and Mrs. Tom Jarecki, pianist, played the wedding music and accompanied Mrs. Jerry La France, soloist.

The altar was decorated with baskets of white mums and a candelabra holding green candles.

Escorted to the altar and given in marriage by her father, the bride was attired in a white satin street length dress styled with empire waistline trimmed with white lace. The stand-up collar and long sleeves were trimmed with the same lace. Her pillbox hat of satin and lace held her shoulder length veil of imported silk illusion.

She carried a bouquet of carnations centered with a white orchid. Something new was a pearl necklace given to her by the groom. She wore her mother's diamond ring for something old. In her shoe she wore a lucky penny given her by Mrs. Tommy Crawford.

Attending the bride as matron of honor was her sister, Mrs. Johnnie Timmin of Amarillo. Her dress matching the bride's in style had a green satin skirt with white ruffled bodice. She wore a hat of white lace. From her wrist hung a ball of white daisies accented with green satin ribbon.

Best man was Tommy Crawford of Hereford. Usher was Lonnie Skelton of Hereford, twin brother of the groom. Mrs. Lonnie Skelton of Hereford, sister-in-law of the groom, registered the guests. Special guests attending the wedding were Godparents of the bride, Mr. and Mrs. W.D. Calson of Lockney, Texas.

A reception following the wedding was held in the Fellowship Hall of the church. The bride's table was laid with green net over a white linen table cloth and centered with an arrangement of white mums. Serving the white wedding cake and lime punch were Mesdames Kenneth McLellan, Weldon Fairchild and Jim Roy Clements sisters of the bride.

For a wedding trip to New Mexico, the bride chose an aqua double knit suit. She wore black patent accessories and a white orchid corsage taken from her bridal bouquet.

Mr. and Mrs. Skelton are at home at 1012 Grand St. Hereford. She is a 1966 graduate of Friona High School and now working for Missouri Beef Packers, Inc., in Friona. He is in the electrical business.

### Third Son Born To Jimmy Mabrys

Mr. and Mrs. Jimmy Mabry of the Hub Community became parents of a baby boy at 10:20 p.m. Wednesday, November 11, at Parmer County Community Hospital. He was named Paul Neal and weighed 9 lbs. 4 ozs.

Neal is the third son for the couple. Older sons are Jim, 6, and Mark, 3.

Grandparents are Mr. and Mrs. James Mabry of the Lazbuddie Community and Mr. and Mrs. C.R. Rowe, Waldo, Arkansas.

Mrs. Mabry and Neal were dismissed from the hospital Saturday.

ADMIRE FLOWER GIFTS... Mr. and Mrs. Buddy Lloyd pose proudly beside some of the floral arrangements which were received at the open house of Friona Consumers last Saturday. A large crowd attended the open house, in spite of the cold weather that prevailed throughout the day.

### Woman's Club Has Patriotic Program

The program at the Wednesday afternoon meeting of Friona Woman's Club at Federated Club House had a patriotic theme. After Mrs. Ethel Bengler, president, called the meeting to order, she read the Special Allegiance Prayer.

Then the pledge of allegiance to the American flag was repeated in unison by those present. Roll call was answered by 17 members with a bit of information about the first woman.

Mrs. Bessie Boatman, Mrs. W.O. Brown and Mrs. Joe Moyer presented the program. Mrs. Brown's theme was safety and Mrs. Moyer conducted an environment quiz. A piano solo, "God Bless America," was presented by Mrs. E.S. White Sr., who also accompanied the group as they sang "America The Beautiful."

Pumpkin pie, candy, tea and coffee were served by Mrs. Ed Boggess and Mrs. G.E. Reed, hostesses.

### Lazbuddie Man Receives Medal

Army Warrant Officer Harrold D. Redwine, son of Mr. and Mrs. J.C. Redwine, Route 1, Bovina, recently received the air medal near Ving Long, Vietnam.

Redwine earned the award for meritorious service while participating in aerial flight in support of ground operations in Vietnam.

An aviator in Troop A, 7th Squadron of the 1st Air Cavalry, he entered the Army in March 1969 and was last stationed at Ft. Rucker, Alabama.

The 25-year-old warrant officer was graduated from Lazbuddie High School in 1963 and received his B.S. Degree at West Texas State University in Canyon, in 1968. His wife, Charlotte, lives on Route 1, Friona.

QUEEN JANE OF ENGLAND ONLY REIGNED FOR 9 DAYS!!

of the no count boy. The public is invited. Tickets may be purchased at the door.

### "The No Count Boy" Slated For Tuesday

A one act play, "The No Count Boy," by Paul Green, will be presented Tuesday, November 24 at 7:00 p.m. in Friona High School Auditorium, under sponsorship of Friona Thespian Troupe 1379.

It will be directed by Mrs. Deante Haralson. Mike Roberts will be the master of ceremonies and Ruthie Stokes will be the technical director.

Those in the cast will be Mickey Harrelson, the no count boy; Annette Reznik, Theelle; Carl Evans, Ennis Adkins; and Holly Stephenson, the mother

### ESA Meets In Andrews Home

The Sigma Epsilon Chapter of Epsilon Sigma Alpha met in the home of Mrs. James Andrews Tuesday evening. Mrs. Ernie Porter presented an educational program on the international by-laws of ESA.

Plans for projects were discussed and plans were completed for the pastry wagon, which will be in operation all day today (Thursday).

All baked goods for the sale are to be made by the members. Rushing of new pledges for membership and attendance of the members to the district meeting in Muleshoe in January were items of discussion.

Refreshments were served by Mrs. Rodney Green and Mrs. Andrews, hostesses.

Other members present were Mrs. John Nail, Mrs. Tex Barnes, Mrs. Ernie Porter, Mrs. Douglas Stephenson, Mrs. Charles Faulkner and Mrs. Paul Galyon.

Guests from the sister chapter in Muleshoe were Mrs. Jack Rennells and Mrs. Mack Brown.

### Pot Luck Supper Honors Visitors

Mr. and Mrs. Arthur Appel of Shattuck, Oklahoma were special guests at a pot luck supper in the home of Mr. and Mrs. Rudolph Renner, Sr. Friday evening.

The Appels, who are former Friona residents, moved away 23 years ago. They were farmers.

After supper Mrs. Rebecca Weis accompanied on the organ as the group sang favorite songs. Then the evening was spent reminiscing about old times, good times, bad times and hard times.

Others present were Mr. and Mrs. Ernest Woefel, Bovina; Mrs. Mollie Helmeke, Hereford; Mr. and Mrs. David Moseley, Mr. and Mrs. Frank Griffith, Mr. and Mrs. Dick Habbings, Mr. and Mrs. J.B. Buske, Mr. and Mrs. Raymond Adams and Mrs. Ethel Adams.

Also Herman Schueler, Mrs. Howard Mayfield, Mrs. Carrie Hill, Leslie Weis and Mr. and Mrs. John Renner.

### Oklahoma Lane Reunion Scheduled For Nov. 27

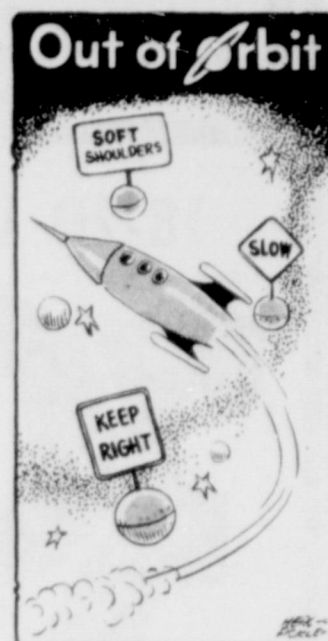

Plans for the Oklahoma Lane Ex-Students and Community Reunion are well underway and all present and former residents of the area are reminded to make their plans to attend the event on Friday, Nov. 27, at 7 p.m. in the Oklahoma Lane Community Center Building.

This will be the second such reunion, the first having taken place five years ago. At that time, the group voted to have the reunion every five years.

No program is being planned, but pie and coffee will be served. Informal visiting and reminiscing will be the focal point of the celebration, says Mrs. Harold Carpenter who is helping with plans for the reunion.

Mrs. Carpenter reports that they are hearing from many persons who are planning to attend, among them are Mr. and Mrs. David Sides of San Antonio.

Elected as officers of the organization at the last reunion were Harold Carpenter, president; Arlin Hartzog, vice-president; and Mrs. Ponce Bil-

### SCHEDULE OF SCHOOL ACTIVITIES

Thursday, November 19... Walt Disney Film at Grade School Auditorium, Charge 25¢  
Friday, November 20... Retake of School Pictures, 8 a.m.  
Tuesday, November 24... Second Grade Thanksgiving Music Program, Auditorium, 1 to 2 p.m.

### Friona School Lunch Menu

### People who cook with pride cook with GAS. Mrs. Alex Zotos does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Zotos and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking. So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Zotos' favorite recipes.

#### CHICKEN OREGANO

Mrs. Alex Zotos, 3622 Maple, Odessa

Quarter 2 fryers. Wash and dry, and squeeze juice of one lemon over pieces. Salt, pepper and paprika chicken on both sides. In large skillet melt 1 stick butter and quickly brown chicken pieces. Place in oblong pan. In butter left in pan add 1/2 cup red wine, 1/2 can tomato paste (3 oz.), 2 cups water, 1 tablespoon celery flakes, 2 cloves garlic. Bring to boil. Pour over chicken. Sprinkle about 2 1/2 teaspoons oregano over chicken. Bake covered for one hour at 350 degrees; uncover last 10 minutes for browning.

**Meat and Rice Dressing**  
Saute 2 onions, chopped, in 1/2 stick butter, add 1 cup uncooked rice; saute together until golden. Add 1 1/2 lbs. ground round and brown. Add 1/2 teaspoon cinnamon, 1 teaspoon cumin, pepper to taste, 2 1/2 teaspoons salt, add 1/2 cup sliced mushrooms, 2 1/2 cups water and 1/2 cup red wine. Cook until done about 20 minutes. When cooked toss in toasted pecans and almonds, if desired. Serve sauce from chicken over all.

Sincerely Yours  
BY REV. ALBERT LINDLEY

I might be pretty foolish at times and step out on some limbs I'm already sawing off, but being a weather forecaster certainly isn't one of my better sides--I may try to out guess it or even out run it, but I haven't been able to do much with control of it yet--unless it is the proverbial "wash-the-car-then-watch-it-rain" type of thing.

Incidentally, if you missed the opportunity to worship this past Sunday with the beautiful day that it was, then you missed more than a good sermon from your pastor...

At any rate, to illustrate my ability at weathercasting, my son and I tried an overnight camping and fishing trip last week during the "school-out" day... it rained, snowed, blew and laughed at us... and we took the hint and came back home.

Which, all in all, now gives me a lead into something that I would like to say... you knew I would.

In our area of the country we learn to not count on the surly of the weather, meaning it isn't going to do just what we want, for sure! Consequently, we learn to live with alternatives. We now irrigate for water when it doesn't come... some do, at least... and we build our feed silos to preserve that until we need it, we build elevators to store in and cotton compresses and all kinds of things to take care of our concerns when we have to reorganize, replan, change or alter.

Living in the area of changeable weather, we are able usually, to adapt to this rather easily.

The other day I heard this advertisement (you must think I listen to them all the time--I do--what better way to find out what's happening?) At any rate, this ad claimed, "We will solve your problems from before they start 'till after they are finished." Wow! Would I like to have that item, or plan, or whatever it is--just think, to "solve them from before they start 'till after they stop." That would be something else. I sure would like to see what they would come up with for preachers... ha!

You know, if there was ever a reason for "thanks-giving" to God, to me this would be primary.

As I understand the Christian gospel, this is the "thanks-giving" proclamation that Jesus has for us... he has knowledge about something that can care for our needs from "before they start 'till after they stop." That is just a little short of stupendous--in fact, I think it is...

I think he must have known that we don't live in total protection. We do have our problems, concerns, and needs. Yes, we sure do!

I was presented a copy, by an ardent fan, of a magazine ad of the Sakowitz Home Dome. (Priced \$322,500 or about \$7.50 per sq. foot.) (Boy, that would wreck my month's salary.) It is an air supported clear plastic dome which completely covers your home, garden, swimming pool (natch), with a year round, pollution-free, air-purified, controlled climate. (Man, you would have to patrol the outside to keep kids with pins away.)

At any rate, if you get one, call me. But almost the majority of us don't have one like that. And almost the majority of us also have problems in our life, concerns, and needs that must be dealt with--what am I saying... We ALL do!

But the purpose of your favorite local Church, Synagogue, Temple or else, seeks to present a message of God's care for you and that he can assist you by some trying moments--in fact, all of your moments...

It is my hope that you will give your local place of worship a chance.

Park yourself on the pew next Sunday and share with others, your knowledge of a source of supply that "helps solve your problems from before they start 'till after they are finished."

If you don't know about that, go and hear about it.

I call Him, God. What do you call Him? While we're at it, let's both call Him up, right now!
