

TRADITIONAL FEAST. . . Buddy Lloyd and Sam Williams are typical of the men in the Friona area who have a "Traditional Thanksgiving" feast planned. Regardless of

what else may be served up, wives can no doubt expect football for both lunch and dinner, with choices of three or four games on television during the day.

TWO WEEKS LEFT

Race Tightens In Football Contest

The race for grand prize in the Friona Star's football contest tightened somewhat last weekend. Anndrea Wilkins had a three-point lead entering the weekend's action, but came out nursing a scant one-point margin.

There are two big weeks left in the contest, so it is still anyone's guess who will win. Grand prize will be two tickets to the Cotton Bowl game New Year's Day, between the University of Texas and Alabama, plus \$30.00 in cash.

PRIZES LISTED

Second grand prize will be two tickets to the Sun Bowl game on December 30, between Texas Tech and North Carolina University, plus \$25.00 in cash.

Third grand prize is two season tickets to next fall's Friona Chieftain games, or \$15.00 in cash.

In a week of upsets, Miss Wilkins only managed to get half of the games (eight) correct, for an 11-week score of

128. Joyce Broyles, who was three points back a week ago, correctly picked 10 games, to stand one point back with a score of 127.

Keith Blackburn gained three points, scoring an 11 and tying Mrs. Broyles for second place at 127.

The most gaining during the week, however, was by Mal Manchee of Hereford, who claimed the weekly first prize of \$5.00 with his score of 12, and moved into serious contention for one of the grand prizes, tying for third with a score of 126.

TIES FOR THIRD

Manchee is tied with Jerry Hinkle, whose 10 enabled him to gain two points on the leader and remain a solid contender.

This being a holiday week, contestants are urged to fill out their forms prior to leaving town, so as not to miss a week at this crucial stage.

Manchee was the only one of the 140 contestants entering last week's contest to score a 12, and

had no argument for the weekly first prize.

Eleven contestants correctly picked 11 games right, and two of these, Peggy Monroe and Jim Milner, were exactly nine points away from the Friona-Morton score, so they each were awarded \$2.50, splitting second and third place money.

OTHER 11s

Others correctly picking 11 games were Keith Blackburn, Gwen Harkrider, Dianne Morgan, Mike Martin, Keith Pryor, Benny Pryor, Gary Renner, Jim Walker, Edward White and John White.

A total of 36 contestants had scores of ten, another 31 got nine games right, and scores went all the way down to four.

The Floydada-Tulia game, a 21-21 tie with Floydada advancing to the playoffs on the basis of penetrations, was counted wrong on everyone's paper, as technically it is possible to pick a tie, if a contestant is a mind to give it a try.

City-Wide Service Here Wednesday

The Annual Community Thanksgiving Service will be in the Friona United Methodist Church on Wednesday evening, November 22, at 7:30 p.m.

This annual affair is sponsored by the Friona Ministerial Alliance and seeks to pull the total community together in a joint service of worship.

"At a time when division and distrust is so evident in our world and nation, it is a healthy spark for continued appreciation for God's divine love, when a community takes the time and energy to worship God in a service such as this," stated a member of the Alliance.

Father John Coppinger, of St. Teresa's Catholic Church, will be the speaker and the Choir will be a joint choir from the various churches of the community.

Everyone is invited to participate in this service of giving thanks, Wednesday evening, 7:30 p.m.

SNOWS HERE

Weather Brings Halt To Harvest

Weather conditions have been anything but conducive for harvest activities in the Friona area during the past week, although our area apparently missed out on a much heavier snow the first part of the week.

After a nice, warm day last Thursday, the winter spell began on Friday, which dawned with a thick fog covering the Friona area. About noon, snow began to fall, and by mid-afternoon, the flakes became large and downy in size.

SNOW COATING

Saturday morning found it snowing again, with trees and shrubs all adorned with a light coating of snow. By mid-morning, however, this had for the most part melted.

By Sunday, the snow had stopped, but it was a cold, gray day. Then with Monday again came the snow, which was very heavy in the northern Panhan-

dle, but amounted to less than an inch locally.

Tuesday morning found streets and roads glazed over with ice.

But the sun came out by noon, and the melting process began.

SOME MAIZE LEFT

Between 20 and 25 per cent of the area's maize crop, and virtually all of the cotton crop and a good deal of the sugar beets are as yet unharvested, and farmers with crops still in the field are beginning to feel weatherbeaten.

The earlier ice storm was said to have caused considerable damage to the maize crop, and farmers are anxious to complete the harvest, without further damage.

However, local farmers considered themselves lucky, since from six to eight inches of snow fell in parts of the Panhandle on Monday, including the Dalhart and Stratford areas.

Band Earns Rare First Division Mark

The Friona High School Band received a First Division rating at the University Interscholastic League marching contest in Lubbock last Wednesday.

The contest was a two-day affair in Texas Tech's Jones Stadium. Sixty bands participated from all classifications. Seventeen class AA bands completed with six earning a "1", nine receiving a "11," and two bands receiving a "111."

A "1" is a Superior rating on the performance. It has been many years since Friona was awarded a "1" at a marching contest—so many, in fact, that there is no record or trophy to determine how long it has been.

Judges for the competition were Tom Rhodes of Fredericksburg, Wayne McDonald of Eldorado, and Warren Thaxton of Abilene.

Guest Of Honor

Now is the time for all good men to come to the aid of their country.

The quick brown fox jumped over the lazy dog's back.

No, we haven't finally gone off the deep end, like many people have been expecting us to do for several years.

But we installed a new typesetting machine at the Friona Star this week, and being the conservative type that we are, we hated to throw away the first batch of type that the machine produced, so there it is.

We hope that you will notice a change in the Star's "news" type this week, and that you will agree that the change is for the better.

We think it will make your paper easier to read, and hopefully a more attractive paper.

Our new, computerized machine, the CompuWriter, is faster, more modern, quieter, and will do several things that the old machines could not do.

For instance, it can set important words in **BOLD TYPE**, so that we can emphasize things we want you to especially notice.

With our old system, we only had two sizes and styles of type to use in our news presentation. With the CompuWriter, we now have eight choices of type, and counting our old system, which we will keep in reserve, we will have ten.

If we find ourselves running out of words (perish the thought), we can add extra space between our lines of news simply by flipping the proper switch on the machine.

We can even add space between words and letters, if we really come up short.

And, as last resort, we can fill out a column by setting a word, perfectly spaced, so that it goes **DOWNHILL**.

Our machine operator can set a word

FLUSH LEFT
CENTERED
FLUSH RIGHT

There are probably some other things that the machine will do, that we haven't learned as yet. Perhaps we'll pass them along when we find them out.

We hope you like our new "dress." I'm sure it doesn't turn us into prize-winning writers overnight, but hopefully it makes your reading easier, with less eye-strain.

The weather for our last football game of the season last Friday at Morton was a pretty good argument which people with any pull with the Interscholastic League should use to argue for starting the football season earlier in the fall.

The weather all across the Panhandle was generally lousy. The UIL needs to be convinced that after you pass the middle of November, you need to be prepared for anything.

It may still be Indian Summer in South Texas in late November, but in these parts, it can look like "Dr. Zhivago Land" with practically no warning at all.

This being Thanksgiving, and the annual Turkey Day battle Thursday night between the Texas Longhorns and the Texas Aggies, we thought it might be appropriate to wind up with the latest Aggie joke, even though it's really kinda bad.

One Aggie says to the other: "You're so dumb, I bet you can't even spell 'farm.'"

To which his friend replies, "Why, I can, too! It's E-I-E-I-O!"

Sets Holiday

Friona schools will be closed Thursday and Friday for the Thanksgiving holidays.

Virtually every business in Friona will be closed on Thursday.

The Friona Star plans to be closed on Friday, to give its employees a long weekend. Others also may be planning a long weekend, but they were not known at press time.

ON BORROWED TIME

Pause and Reflect

By Nelson Lewis

PREOCCUPIED AS WE ARE with Turkey, Parades and Football we are prone to forget that Thanksgiving Day is our third most important Religious Holiday. No day would be long enough for us to enumerate our multitude of blessings and express our gratitude.

We of the twentieth century will take the day in stride, each person free to offer his Thanksgiving as dictated by his conscience.

In the turmoil of modern living we reach out for anything that promises stability; surely nothing could be more meaningful than a day set aside for our entire Nation to demonstrate our appreciation of Divine Guidance.

One hundred and nine years ago President Abraham Lincoln issued the first of a continuing series of official Thanksgiving Proclamations. President Nixon's 1972 message is one of gratitude for past blessings and hope for the future.

Long before the era of Presidential Proclamations the people gathered in the new world wilderness to give thanks.

There are hundreds of Virginians who claim that the first such meeting was at Berkeley Plantation on the James River in the year 1619, about two years before the Pilgrims held a similar service in Massachusetts.

This was not a "feast," it was given over entirely to prayers of thanksgiving for a safe voyage from England; however the early settlers intended that the "day of our ships arrival at the place assigned for plantation in the land of Virginia shall be yearly and perpetually holy as a day of thanksgiving to almighty God."

Even that early day was really not the first.

In the fall of 1608 the English at Jamestown, Virginia, were recovering from an epidemic of malaria and faced with starvation.

Suddenly Providence came to their rescue. A band of Indians bending low under burdens of corn and venison entered the fort. At the column's head was the teen-aged Pocahontas. Out of the goodness of her heart she fed the perishing colony.

She returned each week and was thereafter called "the dear and blessed Pocahontas."

An account of American traditions would not be complete without some mention of Texas!

When Coronado escaped the endless, drought stricken plains in the late summer of 1541 he called his "army" together for a religious service thanking the Almighty for pointing the way into the cool depths of Tule Canyon.

This could very well have been the first real Thanksgiving in the New World.

Sincerely Yours

By Rev. Albert Lindley

I get all mixed up each year just about this time with all of the various pronouncements, concerns and pressures that seem to keep us in such a state of tension... or do you feel it in that way?

I'm talking about the initial surge toward Christmas and all that is wrapped up in those few days—the plans for Thanksgiving and trying to keep it all in some kind of position until I am able to work it all out with some attitude of "worth" and "priority" being in charge.

I suppose what I'm really concerned about is that we try to keep our perspective above it all.

It isn't out of the ordinary to hear about a child who is caught up in the whole affair, to offer a prayer to Santa Claus, about this time of year. Of course we adults know better... don't we?

This seems to me to be an annual re-occurrence of the same old problem and I'm just as anxious about it all this year, as in the past.

My concern, as always, is that we simply keep our cool about this thing and not get so carried away with our plans and projects that we fail to remember that God should be central in both areas... the recipient of our "thanks" for Thanksgiving (don't just do this once a year) and the motivating force behind the whole purpose of Christmas.

Let us, along with everything else, consider the true meanings and place our priorities on the worth of Thanksgiving and Christmas. May we remember that God is the chief source of the cause and effect of these items in our lives... as he should be for many other things.

My Thanksgiving prayer for you is that God's love come to you so strongly; that you will yearn eagerly to respond with your dedication and commitment.

I told you I wasn't beyond a sermon ever so often in this spot.

THANKSGIVING

... And we take this means to say 'THANKS' to our many fine customers who have shopped with us for so many years.

The Winter of 1620 marked the arrival of the first Pilgrims. They were met with the hardships of a bitter New England winter.

With Spring came the knowledge of productive farming. Encouraged, taught by native Indians, they sowed their first corn crop.

In honor of a fruitful year, a day of Thanksgiving was proclaimed — to show gratitude for their blessings.

For the bountiful blessings bestowed upon us. As we join in grace, let's recite a special prayer for brotherhood.

hybrid corn

PROVEN PERFORMANCE DURING 1972

SX 520 This is a NEW medium maturing yellow corn that was number one in yield tests conducted by Ronnie Gfeller, agronomist, on the Dan Heard Farm, 1 mile south of Dimmitt during 1972. With a yield of 221.5 bushels per acre P-A-G SX 520 stood well (0% lodged stalks) and still out-yielded the late varieties of corn. This P-A-G single cross is another of the fast germinating, vigorous, high yielding "new breed" of P-A-G custom hybrids. SX 520 is an excellent dual purpose corn for high grain yield—high quality, top tonnage silage.

SX 98 Distinctive because of its dark green color and relatively up-right leaf for maximum light utilization. SX 98 yields and yields and yields. (208.2 bushels per acre in 1972 Dimmitt tests.) A fairly short hybrid corn (7 ft. 3 in. in tests) with good ear placement. Has a bred-in "digestive system" that gives it the capacity to make full use of large amounts of fertilizer.

344 A very attractive 3-way cross with dark green color and large, girthy ears. The grain is a medium dent of high quality. A real producer, outstanding performance in tests in Dimmitt area during 1971, and produced 190.8 bushels in the 1972 tests. 344 is a proven high yielder.

492 A tall, rugged, 4-way with the built in capacity to produce "tons" of high quality silage over a wide range of conditions. Grain yields are very high for a double cross hybrid. 492 produces medium length ears with dense grain high in test weight. Several reports of yields in excess of 30 tons of excellent silage made during 1972. Planted beside other silage varieties, farmers and feed lot managers keep planting and recommending P-A-G 492 for top yields of high quality silage.

RESULTS OF MOLDED FEED POISONING

Research indicates that animals which eat feeds contaminated by mycotoxins suffer from a variety of debilitating and lethal conditions such as hemorrhaging, anemia, cancer, poor growth rate, poor feed conversion and others.

Some molds produce a toxin which elicits similar responses in sows as the hormone estrogen. In sows, this response to the toxin may be one of swollen mammary glands and prolapse of reproduction organs.

Apparently, mycotoxins affect the reproductive system in varied ways, from completely stopping milk production, marked decrease in the vitality of new born pigs, numerous stillborn births and lowered ovulation rates to normal pregnancy and lactation. These variable results may be related to the amount of mycotoxin consumed.

Many abortions are reported in swine with no evidence of virus or bacterial infection. It is possible that mycotoxins may play a role in some of these undiagnosed cases.

The best way to keep from playing "Mycotoxicosis Russian Roulette" is to avoid feeding molded feeds.

1. The strain of fungus; not all fungus produces toxin.
2. The temperature at which it grows; the best environment for toxin production seems to be of moderately warm weather followed by a period of cool weather and a fairly high moisture content.
3. The length of time it grows.
4. Other bacterial growth associated with it.
5. The species of animal to which it is fed; this may be even more specific, with toxicity varying with sex and age.

A NEW MILDEW and leaf rust-resistant, semi-winter barley, Tambar 401, has been developed by the Texas Agricultural Experiment Station Small Grains Section.

Tambar is a six-rowed, rough-awned barley with leaves that are wider and more upright and twisted than those of Cordova.

The new variety produced the highest yield of all varieties grown in Central and North Texas tests from 1965 to 1971. It was particularly outstanding in the Rolling and High Plains areas.

Under irrigation near Bushland, Tambar averaged 103.9 bushels, compared to 88.2 bushels for Will, the best yielding commercial variety. It was equal to Cordova in average test weight for all locations but had a lower average test weight than did Rogers.

Tambar appears to equal Cordova in early fall and winter forage but may produce less forage in the spring.

A late maturing variety, 401 heads about the same time as Rogers and Will, and approximately five days later than Cordova. Straw is large and fairly stiff. It lodges more than Cordova but less than Will and Rogers under normal growing conditions. Winter survival tests at Bushland indicate that 401 is less winter-hardy than Will but equal to Cordova.

Foundation seed of Tambar 401 can be obtained from the Foundation Seed Section, Texas A&M University, College Station.

HAVE YOU EVER HEARD of "Mycotoxicosis Russian Roulette"? You may not have, but chances are you're playing that deadly game if you feed molded feeds to your pigs.

According to Dr. Gene Cope, Extension Veterinarian, Texas Agricultural Extension Service, Amarillo, mycotoxicosis is a two-dollar word which means "poisoning of the host following entrance into the body of one or more toxicants produced by a mold." While the condition has been recognized for many years, serious research was not initiated until the last decade.

The problem is complex, because the production of toxin is influenced by many factors:

Shoplifting or "rip off," as it is termed by some recently-costs each American family about \$30.00 every year and totals some \$8 million each day, but the real victim is the shoplifter himself.

This crime won't put the merchant out of business, but it may cheat the shoplifter out of a future.

A person with a shoplifting 'record' frequently will have trouble getting a job that requires a license or the public trust-even that of a bonded stock boy.

A person with a 'record' has trouble getting loans to buy things like a car, house or other major purchases. These people often become victims of unscrupulous lenders. College scholarships may be denied-one boy was refused military academy admission because he stole three cases of soda pop.

If someone is convicted of shoplifting goods worth \$50.00 or more, the law says he has committed a felony. Thefts of \$50.00 or less are misdemeanors, subject to lesser penalties.

Jobs which a convicted felon will have difficulty getting are many: some are beauty operator, school teacher, real estate salesman or barber.

Also insurance agents, architect, certified public accountant, optometrist and undertaker.

A broad range of occupations are closed to people with

Read Matthew 7:1-5

"First take the log out of your own eye."
(Matthew 7:5, RSV)

A conductor in a railway coach examined the tickets of several passengers, telling each, "You are on the wrong train and must change at once!" As moments passed, he found more and more passengers who seemed similarly mistaken. An alert passenger asked, "Could it be, sir, that you are on the wrong train?" It turned out the conductor was.

Like the conductor, we are often blind to our own errors, attributing them to someone else. The plank in our own eye prevents us from removing the splinter in another's. Nations criticize others while excusing their own mistakes as diplomatic expediency. Races judge other races as unjust and prejudiced without admitting their own imperfections.

Persons, races, or nations cannot effectively promote justice and peace without a new and honest look at and change in themselves. Seeing ourselves and others through Christ's eyes, we become more humble--and more hopeful.

PRAYER: Merciful God, forgive us as we forgive others. May we acknowledge our faults so sincerely and change our ways so clearly that we win ready and real response from others in our efforts for human harmony. For Jesus' sake. Amen.

THOUGHT FOR THE DAY: I will live humbly, hopefully, and helpfully today.

SEASON FINALE

Chieftains Snowed By Indians, 14-6

The opportunist Morton Indians ignored the weather for one quarter last Friday, turning a fumble recovery and two quick scores into a 14-0 lead and then held on for the win in the District 3-AA finale, played in freezing temperatures on a wet field at Morton.

Louis Lee gave Friona a first down with an 11-yard run on the team's first play from scrimmage, but on third down, tragedy struck. A fumble resulted, and Morton recovered at the Friona 36.

Two plays lost back to the 38, but on third down quarterback Ted Thomas threw a strike to Jerry Silhan, who got a clearing block at about the 20, and sprinted into the end zone for the go-ahead touchdown.

Silhan's kick made the score Morton 7, Friona 0 after only 4:20 of clock time had elapsed.

The Chiefs almost gave it to Morton again in good field position, when Johnny Bandy's attempted pitchout went wild, but in the mad scramble to get the ball before it went out, officials ruled no one had controlled, although an official earlier had signaled a Morton recovery.

So at least the Chiefs were allowed to punt, which made the Indians work a little harder.

PENALTY HURTS

On second down, the team had stopped Jimmy Harvey for a two yard loss, but was called for hitting the Morton tailback late, giving the Indians a free ride to the 49-yard line, also bringing a first down, instead of third and 12.

From here, the Indians mixed things up, with quarterback Thomas keeping on a 21-yard gain, and pitching out for another 16-yarder and a first down at the Friona 10.

Harvey was stopped on first down, and then after a penalty moved the Indians back to the 15, he took a pitchout and skirted left end virtually untouched for the score. Friona had stopped the Morton star for 2 yards on his first four carries, before this 15-yard scoring thrust.

The kick left Morton ahead, 14-0 with 2:34 remaining in the first quarter.

The team had two chances to score in the second quarter, the first after Johnny Bandy intercepted a pass on a nice leaping catch, and the other time following a blocked punt.

Clay Bandy came in to spark the team to two first downs, gaining 19 yards the first time he carried the ball. His next try netted nine yards and a first down at the Morton 20.

However, on third down, Johnny elected to pass, and

although Morton's defender couldn't hold the ball in the end zone, it cost the Chiefs a big down, as on fourth down, Clay's four yard gain came up one yard short of the first down.

The good field position paid off, however, as on fourth down Willie Bailey crashed through to block the Morton punt and recover the ball at the Indian 29.

Lee gained twice to the 11, and on third down Bandy kept for two yards, setting the team up first and goal at the nine.

On second down, Bandy faked up the middle and pitched out to Bartlett around right end. Bartlett literally walked in for the score. He had time to wave to his folks or count the crowd—there was no one within yards of him.

Kevin Wiseman's kick was blocked, leaving the score at 14-6 with 3:44 left in the half.

Morton, aided by another personal foul against the Chiefs, drove to the 36, but again a fumble turned the ball over to Friona with 2:20 left on the clock, but it wasn't enough time for the Chiefs to do anything.

The second half was all missed chances. Friona recovered an Indian fumble at the Morton 45, but a holding penalty stymied that drive, erasing a gain on the play, and on fourth down the team had to punt.

BANDY COMES CLOSE

Perhaps the best scoring opportunity came after Morton's next punt, a beauty which Johnny Bandy went back to field at his 33. Johnny shook off a couple of tacklers, and then headed for the sidelines. He finally was knocked out of bounds by the last Indian defender at the Morton 28.

The punt had gone for an unbelievable 61 yards, but Johnny returned it 40 yards.

As far as Friona was concerned, Bandy should have gone all the way with the punt, because the Morton defense rose up to stop the threat, and a fourth down pass fell incomplete.

In the fourth quarter, the Chiefs found themselves backed up to their own 10-yard line, facing third and 17.

Bandy faded almost to his goal line, then found Bartlett in the open at about the 25. Bartlett smothered the ball, and then set out on a nice run. However, Morton's defender happened to be their fleet-footed Harvey, and he forced Bartlett out of bounds at the Morton 48.

The play covered 42 yards. Three other passing attempts went for naught, and the team again elected to punt with 4:48 remaining.

The Chiefs were given another chance, as two plays later Harvey fumbled, and

Friona recovered at the Morton 23.

Three plays gained eight to the 15, but on fourth down Mario Perea was stopped for no gain, and that was the ball game.

The win was the first for Morton since 1962, breaking a string of six consecutive Friona wins. Friona still leads the series, 9-7.

About an inch of snow had fallen prior to the game. This had melted, and left the playing field a little on the slick side, but the field was in good shape otherwise, as there was no mud problem.

The fact that Friona only lost two fumbles was a credit to the team, under the game conditions.

Frosh Drop Final Game

The Freshman Chieftains closed out their season, losing to a tough Littlefield eleven, 36-0 in a game played here last Thursday.

Friona fans' main chance to cheer came early in the game, after Friona returned the opening kickoff. On the second play from scrimmage, Kent Miller raced 53 yards, from his own 34 to the Littlefield 13, before being stopped.

Two more plays gained to the seven yard line, before an offsides penalty set the team back, and also stalled the drive. Miller attempted to hit Richard Bermea with a pass on fourth down, but it was incomplete.

The rest of the game was all Littlefield. The visitors capitalized on a fumble and a blocked punt to take a 15-0 lead before the first quarter ended. Littlefield recovered another Friona fumble, and a 48-yard run plus a two-point conversion made the score 22-0 on the second play of the second quarter.

NOTHING WORKS

A 58-yard drive by the visitors, plus another blocked punt and a short score ran the score to 36-0 by halftime, as nothing could go right for the freshmen.

The loss ended the Freshman Chieftains' season, as they compiled a 3-5-1 record for the year.

TOP LITTLEFIELD, 18-7

B-Chiefs Finish Unbeaten Season

The Friona B-team successfully ended an unbeaten season last Thursday, downing the Littlefield B-team, 18-7.

The win partially revenged the loss by the Friona varsity to Littlefield, 21-14, in a game that cost the Chieftains the district

championship. Henry Graves dashed 32 yards on a desperate fourth down play late in the first quarter, for the go-ahead touchdown to give Friona a 6-0 lead.

Eighth Grade Evens Mark With 28-0 Win

Friona's eighth grade Braves went to Littlefield last Tuesday with one thing in mind and that was to even their season at 4-4. That they did in a big way by blasting Littlefield 28-0.

Littlefield was the only team to beat the Morton team that defeated Friona, 14-6.

Littlefield took the opening kickoff and it looked like they meant business as they marched from their own 31 to the Friona 20 in 8 plays picking up two firsts on the way but on fourth and nine from the 20 they fumbled and Friona covered on the 24. On first down Lester Aven ran 75 yards to the one where he was finally brought down, Leslie Broadhurst made a good block around mid-field to open the way for the long run.

On first and goal, Broadhurst went in to score. On the second try for extra points (Littlefield was offsides on the first one) Keith Martin hit. After two exchanges Broadhurst went up the middle for 65 yards to paydirt. A pass on extra point try failed and Friona led, 14-0. Littlefield ran 7 plays before the half, getting a first down.

Sammy Felder returned the short kickoff eight yards to the 38, where Aven went 62 yards on first downs to score again. Martin ran for two and the Braves led, 22-0.

Littlefield picked up two first downs to Friona's 44 fumbled and Friona covered on their own 40.

Later in the half, Jody Menefee recovered a Littlefield fumble at their 23. On first down, Clint Mears passed to Felder, who made an amazing catch around the 10 and went on into score. A PAT pass try failed, but Friona led, 28-0 with 5:29 left in the game.

The eighth grade plays Muleshoe here Monday, November 27 in their first basketball game of the season.

Wildcats, Floydada Set For Bi-District

As Littlefield coach Jerry Blakely watched Floydada and Tulia battle down to the final buzzer with penetrations and first downs looming larger and larger, he may have remembered 1971 and how big a tie can be.

But, at the same time as he watched that 4-AA struggle, his 3-AA cousins were throwing some surprises into the final week of the 1972 football season. Blakely's Wildcats had finished their slate, as undisputed champions and were poised to go to the playoffs for the second straight time. But for the rest, it was last time to move up in the standings, and Morton and Dimmitt did just that.

MORTON WINS

Morton, improving as the season progressed and its crippled warriors healed, dropped Friona 14-6 and took undisputed second place in the district. And Dimmitt, also bothered throughout the year by injuries, came from behind to outlast Olton 16-10 and finish in a tie with the Mustangs for fourth place in the league.

Morton had tied Littlefield and beaten Dimmitt on the past two Fridays, and the Indians pushed across two first-period scores—Jerry Silhan on a pass and Jimmy Harvey on a 15-yard sprint—and made them stand up for victory. Friona got its lone TD on a James Bartlett run in

the second quarter after a blocked punt.

After Tim Givens' touchdown pass and field goal gave Olton a 10-8 lead in the first half, Dimmitt came back on a 36-yard Terry Powell-to-Travis Hampton pass for the winning difference.

Thus, Morton's 2-1-1 record was good enough for second behind Littlefield, which had shared the 1971 title with Floydada. Those two teams had battled to a 0-0 standoff in their encounter, but Littlefield won on first downs. Last Friday, with Blakely on hand to scout, Floydada tied Tulia 21-21 and won on penetrations, to get the playoff ticket.

Now, the Wildcats and Whirlwinds will play in Plainview Friday night at 7:30 in bi-district. Floydada will come in with a 9-0-1 record, and Littlefield is 7-2-1. One of the two losses was to Floydada, 3-0 in non-conference.

Kelly Barber Weds Sam Curtsinger *New Member*

A twilight ceremony in First United Methodist Church, Hereford, Saturday evening, united Kelly Barber, daughter of Mr. and Mrs. Flake Barber, and Sam Curtsinger, son of Mr. and Mrs. O.C. Curtsinger, all of Hereford.

Rev. Norman Cobb of St. Luke's United Methodist Church, Lubbock, and a former associate minister of First United Methodist Church, Hereford, read the wedding vows before an arrangement of gold pom-pom mums and red gladioli against masses of green foliage and candles.

Alesia Ragsdale, pianist, played prelude music and accompanied Rhonda Ragsdale, soloist, as she sang "We've Only Just Begun," "One Hand One Heart" and "Wedding Song."

Mrs. Phil Coker, Hereford, was her sister's matron of honor. She wore a gathered skirt in red, gold and green combination plaid with a six inch ruffle at the hem and a pea de soie blouse designed with a jabot and long cuffed sleeves. A velvet sash finished her costume. She carried a nosegay of cushion pom-poms and red gladioli.

Janet Frye was the bridesmaid. Her costume and flowers were identical to those of the matron of honor.

Kenny Jeter was the best man. Phil Coker, brother-in-law of the bride, was the groomsmen.

Guests were seated by Tom and Bud Barber, brothers of the bride, Tommy Powell and Wade Coker.

Tracy Hill was the flower girl. Nathan Coker was the ring bearer and candles were lighted by Brian Johnston, Friona, and Cory Walden.

The bride wore a wedding gown of candlelight moire taffeta designed with a fitted bodice, softly gathered skirt and sleeves with slight fullness at the shoulder and fitted below the elbow.

Double bias ruffles of matching fabric circled the high neckline, extended the full length of the front and around the hemline, which shaped into a train in the back. Covered buttons fastened the center front opening and the sleeves at the wrist.

A ruffled and pearl-trimmed Camelot cap held her bouffant waistlength veil. She carried a bouquet of English ivy and

MRS. SAM CURTSINGER

orchids on a white Bible, which was gift from her maternal grandmother.

She also wore a string of pearls and the wedding band of the bridegroom's grandmother.

Mr. and Mrs. Curtsinger and their parents greeted guests in Fellowship Hall of the church after the wedding. The guest register was presided over by Mrs. Tommy Powell of Seagoville, sister of the bridegroom.

Mary Jane Kreighauser, Debra Wilson, Mrs. Larry Swing and Mrs. Ken Jeter served cake, punch, coffee, nuts and mints. Others in the houseparty were Mrs. Mack Ragsdale, Mrs. Bill Walden and Mrs. Robert Hickman.

For a wedding trip to Dallas Mrs. Curtsinger wore a red and grey plaid pantsuit with matching accessories and a corsage from her bouquet.

Mr. and Mrs. Curtsinger are at home at 608 Bowie, Hereford. She is employed as a dental hygienist by Dr. Jon Mack

Roden, Friona, and Dr. Irvin Gaynor, Plainview.

Curtsinger is an employee of the J.C. Penney store in Hereford.

Special guests were Mr. and Mrs. A.H. Gentry, Dallas, maternal grandparents of the bride, and Mr. and Mrs. Tommy Powell, Seagoville, brother-in-law and sister of the bridegroom.

Frionans attending the wedding were Mr. and Mrs. Jim Johnston and Diane, Dr. and Mrs. W.M. Beene, Mr. and Mrs. Dan Ethridge and Lois Norwood.

The Barbers are former residents of Friona.

Presents Program

A new member of Home Arts Club, Mrs. Alton Farr, presented the program at the Thursday afternoon meeting in the home of Lola Goodwine.

Mrs. Farr displayed a variety of Christmas decorations and other objects she had made from tin cans. Those present experimented with the tin can art.

Thirteen members and one guest, Mrs. T.A. Shirley, were present.

The next meeting will be the annual Christmas gift exchange and luncheon in the home of Mrs. Ray Landrum Friday, December 15.

Lodges Host

Annual Dinner

Members of Friona's Oddfellow and Rebekah Lodges were hosts at the annual Thanksgiving dinner in Oddfellow Hall Sunday, November 5.

Special music and songs were presented by Kim, Kirk and Kip Frye, children of Mr. and Mrs. George Frye of the Black Community.

Then Debbie Bengie, who was the Oddfellow's delegate to the United Nations conference last summer, presented a report on her trip and showed colored slides.

About eighty persons signed the guest register.

It's A Girl

For Barkers

Mr. and Mrs. Tommy Barker, 1312 Columbia, became parents of a baby girl at 2:02 a.m. Friday, November 17, at Parmer County Community Hospital. She was named Kristen Laurette and weighed 8 lbs. 1 oz.

Kristen has one brother, Billy, who is three.

Her grandparents are Mr. and Mrs. Judge Barker and Mr. and Mrs. Earl Elam, all of Friona.

Great-grandparents are Mr. and Mrs. Giles Cobb, Friona; Mr. and Mrs. Frank Elam, Denver, Colorado; and Mr. and Mrs. W.C. Vendelboe, St. Joseph, Missouri.

Bobby Webb

Earns Award

Master Sergeant Bobby H. Webb, son of Mrs. Bessie L. Webb of Bovina, Tex., and a brother of Mrs. Steve Taylor, Friona, is a member of an Air Training Command organization at Sheppard AFB, Tex., which has earned the U.S. Air Force Outstanding Unit Award.

Sergeant Webb is an aircraft maintenance instructor with the 3750th Technical School which received the award for exceptionally meritorious service from July 1970 through December 1971.

The school was cited for providing high quality training in a variety of specialized career fields and for deploying its field training detachments and traveling instructor teams worldwide to conduct on-site training to meet the needs of the various USAF operational commands.

He will wear a distinctive service ribbon to mark his affiliation with the school.

Sergeant Webb, whose wife is the former Tempey A. Willis, attended Danville (Ark.) High School.

His father, C.H. Webb, resides in Clovis, N.M.

Rector-Barbaree Vows Read In Local Church

In a double ring ceremony at Calvary Baptist Church at 4:00 p.m. Saturday, November 11, Romalee Rector, daughter of Mr. and Mrs. Charles Rector, Friona, became the bride of Terry Barbaree, son of Mr. and Mrs. Robert C. Barbaree of Hobbs, New Mexico.

Vows were exchanged before an arrangement of yellow

mums. Rev. R.C. Hester, pastor, was the officiant.

Bobbi Odom, Clovis, was the maid of honor.

Best man was Cary Barbaree, Hobbs, brother of the bridegroom.

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal wedding gown of white peau satin trimmed with Venice lace and pearl sequins.

Her Juliette cap, which was covered with Venice lace sequins and pearls, held a shoulder length veil of white imported illusion.

She carried a white orchid with yellow throat atop a white lace covered Bible.

The serving table at the reception, which was held in the Community Room of Friona State Bank, was covered with a white lace cloth over blue and centered with a blue and yellow floral arrangement.

Cake, punch, nuts and mints were served by Mrs. Charles A. Eckenrod, Clovis; Sheri Rector, cousin of the bride; and Sami Rector, sister of the bride.

For a wedding trip to Northern New Mexico, Mrs. Barbaree wore a two piece suit of bone double knit with a white blouse.

Mr. and Mrs. Barbaree are at home at 1300 North Walnut, Friona. She is an employee of Friona State Bank and he is stationed at Cannon Air Force Base.

Sherry White, music education major at Texas Tech University, was named Miss Lubbock 1973 Saturday evening, from a field of 16 semi-finalists, who had been selected from 27 contestants.

Miss White, who is the daughter of Mr. and Mrs. Raymond C. White, Hereford, was born in Friona.

In the talent portion of the contest, Miss White sang "I've Got To Be Me."

She will represent Lubbock in the Miss Texas pageant in Fort Worth in July. Last year she represented Hereford in this pageant.

Miss Lubbock 1973 will present a special program of songs at the regular meeting of Friona Senior Citizens at noon Friday, November 24, at the Union Congregational Church.

SHERRY WHITE

RARE TROPHY. . . The Friona High School Band came home from marching contests with a Division "I" rating and trophy last Wednesday. Band director Charles Faulkner, center, pointed out that it had been years since such a rating was earned by an FHS band, if in fact it ever had. Band officers Gary Mingus and Hope Mays admire the trophy along with Faulkner.

Linda Kay Carson Is Shower Honoree

Linda Kay Carson, bride-elect of Doug Cord, was honored with a bridal shower in the home of Mrs. Hollis Horton Saturday afternoon.

Receiving guests with Miss Carson and her mother, Mrs. David H. Carson, was the prospective bridegroom's mother, Mrs. Raymond Cord of Dallas.

The serving table was centered with a bouquet of Woburn Abbey roses featuring Miss Carson's chosen colors, apricot and green. Silver appointments completed the table setting.

Refreshments were served to about forty guests by Mrs. Horton and the co-hostesses, Mesdames Truett Johnson, Louis Welch, John Hays, John Blackburn, Loyd Shackelford, Buford Hartwick, Elvin Wilson, John Renner and Steve Struve.

Then Sunday afternoon from 3 to 4:30 p.m. a lingerie shower in the home of Mrs. Doyle Elliott was a courtesy for Miss Carson.

Refreshments of coffee, cookies, candy and nuts were served from a white linen covered table.

Those attending and sending gifts were Paula Fortenberry, Mrs. Bob Dorris, Mrs. Jim

Gilbert, Mrs. Mark Wombie, Missey Renner, Mrs. Gary Murphree, Mrs. Charles Roark, Susan Roark, Mrs. Craig Howard, Mrs. David H. Carson and Mrs. David Lee Carson.

Hostesses with Mrs. Elliott were her daughter, Mrs. Mike Riethmayer, and Mrs. Steve Struve and daughter, Sheila.
