Annual Convention in NEWS OUT EARLY THIS Del Rio, December 15 and 16

Meeting in Eldorado last Thursday the executive committee of the Texas Sheep & Goat Raisers' Association drafted a resolution requesting wider latitude on the part of the R. F. C. stock bank in San Angelo in accepting ranch and stock loans, and set the date of its annual convention on Dec. 15 and 16, in Del Rio.

Roy Aldwell of Sonora was one of five members appointed to draft the resolution to the bank. Other members were : Judge James Cor- George H. Neill nell and Sol Mayer, San Angelo, T. L. Drisdale, Juno and Roger Gillis, Del Rio.

Discussion of the regional livestock bank occupied the major part of the meeting hours, with the stockmen expressing disappoint ment with the policy being followed

Fergusons Win Substantially in State Race

Nation Goes Democratic in Tremendous Landslide; Texan Becomes Vice-President

Leading Texas by a 7 to 1 vote, the Roosevelt-Garner ticket for president showed unexpected strength in all parts of the United State and is assured of victory in the Tuesday election. Mrs. Miriam A. Ferguson, former governor of Texas, continues to lead Orville Bullington by a sizable vote, and indications are that her lead will increase to 125,000 votes over the Republican candidate, as returns come in from isolated rural boxes.

The Democratic national ticket garnered 472 electoral votes, carrying the astounding total of 42 states, as compared with 59 electoral votes and 6 states for the Republican party. Pennsylvania was the only sizable state to go Republican, having 36 electoral votes, second in number to New York's 47.

Only New England states of Maine, Vermont, Connecticut and New Hampshire, and Maryland, in addition to Pennsylvania, went to Hoover. All of the mid-western (Continued on Page 8)

Hunters Due Next Week for Annual **Onslaught on Game**

Sportsmen Urged to Observe Regulations of State

With a plentiful supply of deer and turkey in all sections of the Hill Country the opening of the 1932 hunting season next Wednesday is due to bring an onslaught of hunters from this and other parts of Texas and surrounding states.

Should Prove Closely cured for hunting outside county of residence. Such license costs \$2, while that for out-of-state hunters costs \$25.

The season on both deer and turkey lasts from November 16 to December 31, including both th male of either deer or turkey. son limit. West of the Pecos of one black-tail deer may be killed. West of the Pecos the season on black tail lasts only until the end of November. East of the river it lasts until Dec. 31.

Use of one dog to trail a wounded deer is allowed in Sutton and adjoining counties.

Nixon Coming for Lion Feed Monday

with Local Club

Lions of Sonora will entertain Dr. Chas. Nixon of Del Rio, district governor of the organization, at their luncheon Monday of next week. Mr. Nixon is making a tour of the district, according to word received Tuesday by W. C. Gilmore, president of the Sonora club.

The program planned for that day will be delayed a week, and the entire time will be turned over to Dr. Nixon. He plans an address and a period of discussion in aiding the local club to carry out a more complete program of activities.

Sonora Lions were gratified to learn that Dr. Nixon, Methodist pastor at Del Rio, was allowed to retain his post there by action of the Methodist conference in San Antonio recently.

Mr. and Mrs. W. D. Wallace returned Tuesday from Uvalde, wher they were the guests of Mr. av Mrs. W. C. Bryson, having g down Wednesday of last week San Antonio together.

NEW STADIUM Homecoming at Texas Christian University today, when the Horned Frogs play the Texas Longhorns, will be one of the biggest events in Fort Worth this fall. Most sport writers are predicting that the championship of the Southwest Conference will be decided by this game. Dr. Edwin A. Elliott, president of the alumni, is making plans for the day's activities on the campus. President E. M. Waits is extending a hearty invitation to all alumni and visitors. The Horned Frog Band with its sweetheart, Miss Mary Rowan, will perform on the field between halves, and Captain Johnnie Vaught and Coach Francis A. Schmidt will offer the feature attraction of the day in the \$350,000 Frog Stadium.

Fewer Lambs and More Cattle Being Fed in Mid-West

Shortage of Credit Blamed; Calves Most Active East of Mississippi River

Smallest number of lambs on feed but less drastic reduction in cattle feeding than might be expected with prevailing restricted credit, are indicated in the October 1 lamb and cattle feeding reports of the United States Department of Agriculture. Movement of feeder lambs for the last three months has been lightest in at least 14 years, and September feeder cattle shipments were 7 per cent above last year and 5 per cent larger than the average.

While lamb feeding in Colorado probably will be reduced considerably from last year, numbers fed in nearly all western states are expected to be as large or larger than last year with a relatively large increase west of the Continental Divide. Availability of finances for feeding operations will be a determining factor, however. Slaughter supplies during the last six months, usually a fair indication as to volume of lamb feeding, indicate total feeding of 7,000,000 to 8,000,000 head, probably around 7.000.000. smallest total for the last three years, but larger than any other year since 1913.

Large movement of stocker and feeder cattle in the corn belt was chiefly in states east of the Mississippi, where volume was 26 per cent larger than in 1931 and 40 per cent above average. West of the Mississippi movement was 10 per cent below average. Increase occurred in spite of greatly reduced market receipts of cattle, which were smallest in at least 16 years, but steer numbers were not greatly changed and weights were heavier.

While shipments of feed cattle from stockyards markets into Kansas and Nebraska have been very small, there has been fairly heavy direct movement, and supply of locally raised feeders is relatively large. Number on feed in western

states, while still uncertain, is expected to show some increase, as feed supplies are relatively large.

Devil's River Lake

Six-inch Fish Received from U.S. Hatchery, San Marcos

Eight hundred and fifty bass six inches long were received for stocking the upper Devil's River Lake Monday evening from the federal fish hatcheries in San Marcos.

The fish were shipped in 10gallon cans filled with ice water, the water being stirred constantly by an attendant to prevent death of the fish.

On arrival at the lake, the water in the cans was gradually replaced with lake water, the process requiring a half hour, before the containers were emptied into the lake itself. This procedure protected the fish against sudden change of water temperature. The fish were placed in the river by Dave Young and S. A. Worley.

The attendant who brought the fish to Del Rio did not leave the train, having consignments from the hatchery for Valentine and El Paso.-Del Rio Evening News.

The Scout Trail

Well, this is the first time in a long time that I have been able to bring you readers news of old Troop 19. But since we have had a regular good old-fashioned meeting I decided to tell the world about it.

First, John Eaton was in charge of the meeting. And I might add that he had a hard time keeping the boys in check when the fire whistle turned loose. We almost had a riot. But finally we got down to business and had reports from each patrol leader on the activities of their respective patrols.

L. M. Roueche stated that his patrol had a "revival meeting" and decided to come on out and beat the Flaming Arrow Patrol vet. He also said that they intended to change patrol headquarters and completely re-organize the patrol. Wesley Sawyer, leader of the Flaming Arrow Patrol, stated that the main feature of their patrol meeting was that they "chewed the rag" good and proper on the subject of discipline. After the patrol reports we had a chariot race and then played "Crows and Cranes" and "Heads and Tails" for awhile.

We then practiced the Flag Ceremony for Friday when the Scouts will attend ceremonies at the Methodist church at 10:30, going to the cemetery immediately after.

After playing a couple more games we all gathered roun' in a corner of the Scout Hall and turned out the electric light and lit a candle. Then we sang "She'll Be Coming Round the Mountain" and started a chain story. But the chain story soon played out and Mr. Eaton filled the breach by telling us of his "Hunting Experiences in Russia." A lotta hooey. We voted him the unofficial "Biggest Liar" in Sutton county after hearing his tale. After this side-splitting story we sang "There's a Long,

Long Trail a Winding," "Vespers

Reeves Tax Rate Is Lowest in the State

Levy of 29 Cents on Dollar at and Trust Co. reorganized. Bottom of Texas Scale

Reeves county has the lowest county tax rate in the state, the last issue of the Texas Tax Journal reveals.

Reeves county's tax rate is 29 cents on the \$100 valuation. This does not include the road district, state and school tax rates.

Some of the county rates quoted in the Tax Journal were as high as \$2.15, in Madison county and \$2.10 in Marion county. Val Verde county ranked next to Reeves in the economy regard with 31 cents:

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation will be cheerfully corrected upon being brought to the attention of the editor.

A CHANCE FOR SERVICE

The Democratic party will go into office in almost complete control of the affairs of the United States on March 4. It assumes the reins of government by one of the most impressive and overwhelming expressions of public confidence ever accorded a political party.

The time was pyschologically right for a new party to gain control of government. Three years of strenuous financial times had prepared the people's minds for the idea of a "new deal." People were all to prone to blame the administration for everything wrong with national and financial affairs.

Now, though, the change has been made, and whether it proves of immediate benefit, as the victors have told us, or in complete disaster, as predicted by their opponents, one this is certain—that there is present an outstanding opportunity for service to the nation. As depressions go, the present debacle of falling prices should be about through, and the Democrats will have a chance to speed it along. If they handle things in reasonably satisfactory manner they are due to stay in power some time. Otherwise the American public will turn on them as it did on the Republicans during the last three years.

It is now time to begin plans for constructive work, laying aside partisan politics for the coming four years and working for complete harmony in the administration of our government. People are mentally "right," now that they have had a chance to express their will, and should accord the new regime the indispensable support of good will and approval so essential to success in public affairs.

EAT MEAT FOR HEALTH

Meat, assailed by food faddists as being injurious to health, is given complete approval through the American Medical Association, representative organization of the best medical minds in America.

NICE MAN—NICE WEAPON From the San Antonio Light-"Joe Hudson, 1830 Nolan street, was treated at a hospital Saturday for two wounds inflicted with a nice pick. Police made

WRAP YOUR BULLETS IN WOOL Now, if all people who are inclined to row and fight and inflict punishment upon their neighbors, could be as thoughtful as the San Antonio fighter, results would not be so dreadful. All of which impels Two-Gun Ike to remark that if any one of his many enemies should take a notion to shoot him in the back, he would especially request the said enemy to carefully wrap the bullet in wool or mohair, and endeavor to make the killing as nice and neat as

possible

A news item says that a nigger was shot by the nightwatchman at Van Horn, who mistook a pistolshaped cigaret case, pulled by the nigger, as a gun and taking no chances with a desperado, fired. Upon the nigger's person was found \$100, it was stated. No mention was made of the disposition of the cash, but according to "Law West of the Pecos," as interpreted by Roy Bean, that \$100 should just about pay the nigger's fine for carrying concealed "weapons."

as a necessary part of the diet. It means prosperity, as well as health to us.

In line with meat's health-giving qualities, let us consider the medical association's statement regarding meat, as follows:

1. Meat is an excellent source of high quality protein. 2. Lean meat, kidney, liver, heart and tongue are

among the richest sources of food iron. 3. Lean meats supply most minerals required in

nutrition in good quality except calcium. 4. Lean meats are rich in phosphorous.

Lean meats are a good source of vitamin G (B2).

6. The fat of beef animals is a good source of vitamin A, while oleo oil and oleomargarine made

from it are rich in vitamin A and contain vitamin D. 7. While lean meats furnish but modest quantities of calories, the fatter meats supply liberal amounts, and bacon and salt pork are among the richest food sources of calories.

8. Edible specialties, such as liver, kidney and heart and tongue are good sources of vitamin A, B and G.

9. Meat is one of the most digestible of foods, its protein being almost entirely digestible.

10. The body fats of beef, porok and lamb, as well as prepared shortening such as lard or oleo-We in a meat producing section have more than margarine, are almost completely digestible (96-97

35 YEARS AGO

The Spanish-American War was coming closer home, May 7, 1898, according to the following story in "The Devil's River News:"

"Sonora will be represented in the war with Spain by R. S. Holland, lately with Mayer Bros. & Co.; Frank Anderson, recently with M. O'Meara; H. D. Knee, who worked o nthe T half circle ranch and with Robt. English; Robert Adams who has been employed on various ranches and has grown to manhood in Sonora. R. S. Holland before coming to Sonora, was first lieutenant of the San Angelo Rifles. H. D. Knee served 8 or 10 years in the U.S.A. and was honorably discharged. W. S (Frank) Anderson came to Sonora about six months ago from Tanglewood, Tex., where his father is a physician. Anderson and Adams are not known to have belonged to any military organization but are stalwart and capable and will soon be on to the ropes. Knee, Anderson and Adams joined the San Angelo Rifles and Holland was already a member of that company."

A story of the jail-breaking of one W. P. Pue, a young man arrested a few weeks previously for stealing a gun from W. W. Wellmaker, was carried. The man stole a horse belonging to John J. Ford and a new Cattle Queen saddle, said the story. Sheriff McConnell offer- young horse after another horse ed \$25 for the man and \$25 for the at F. M. Wyatt's ranch last Monhorse and saddle.

The seniors were in charge of the chapel program Thursday, Nov. 3, Alice Sawyer announcing the num-

songs from the new song books. Clovis Neal was at the piano. La- Helen Smith, Virginia McGhee, Docey Smith played two selections on ra Shroyer, Rosa Shroyer. Ethelda step to a pep chant. On reaching ice played football Sunday with the violin, accompanied by Pauline Hefflin helped with the entertain-Turney at the piano. Mary Louise ment. The 8th grade boys were un-Dream" and "Please."

The remaining part of the program was a pep meeting which included several pep songs and pep speeches by Mr. Smith, Ernest Smith, Mr. Covey, and Miss Allison.

-The Broncho-METHODIST EVANGELIST

SPEAKS ON CHARACTER Brother Prestan, a traveling pal church, spoke to the students and faculty of the high school on Wednesday of last week. The subject of his talk was life.

In his talk he explained that the most important thing in life is character. He presented some of the characteristics and essential constituents of true manhood and true womanhood-truthfulness, virtue, and responsibility.

-The Broncho-GRAMMAR SCHOOL NEWS

Mrs. M. G. Shurley and Mrs. Orion Brown, room mothers of the sixth grade, gave a Hallowe'en party Monday night for the sixth grade at the ranch home of Mrs. Shurley.

A Hallowe'en party was given the third grade by their room mothers, Mrs. Lois Landrum and Mrs. Bill Gilmore, at the Scout Hall last Friday night.

Campfire Girls Go on Hike

The Campfire girls went on a hike Thursday afternoon up on the hill back of the school house. Not only did the girls learn how to build fires that will really burn, but they also had a delightful time in roasting buns, wieners, and marshmallows. The group was composed of fourth and fifth grade girls, accompanied by Miss Florence Lang-

-The Broncho-

SHORT PATRIOTIC PROGRAM Tuesday morning, Nov. 8, the short assembly program consisted chiefly of several patriotic songs, and a talk by Mr. Covey.

Miss Allison had charge of the songs. In his talk, Mr. Covey explained the method of voting and the method of electing the president. Armistice Day was also mentioned in the speech. The students are to take a straw vote for president and for governor afternoon

-The Broncho-Sierra Blanca—Right-of-way being secured for widening Highway No. 80 in outskirts of this city.

SOCIETY

Edgar Glasscock Entertains Last Friday the following danced at the home of Edgar Glasscock: Misses Ches Thorp, Nina Roueche,

Louise Gardner, Alice Sawyer, and Pauline Turney and Messrs. Edgar Glasscock, Cleve Jones, James Ed Hutcherson, Harold Schwiening, G. Reporters-Joyce McGilvray, Cora W. Archer, Herbert Fields, Pug Belle Taylor, Alvis Johnson, J. T. Roueche, and Harold Friess. Rewere served.

Senior Class Gives Party

The Seniors had a class party at the home of Mrs. Hutcherson last Saturday night. Table games were played, and the guests were served cocoa and cookies. The decoration in School Ballot being pink and white.

> The following seniors and members of the faculty attended: Miss-L. C. Matthis Sawyer, Langford, Swafford, Duncan, Phillips, Allison, Hutcherson, Vincent Roueche, and Lacey Smith and Mr. and Mrs.

Covey and Mr. and Mrs. White. The room mothers, Mesdames Turney and Sawyer were also pres-

QUALITY—QUANTITY—SERVICE

The above scene is a graphic representation of the homes of two housewives-just before guests arrive for the evening meal. The woman at the left has been working in a hot kitchen all afternoon . . . nothing has gone off well . . . she is nervous, tired, irritable . . . and looks it. But the modern home-manager at the right is cool, fresh, lovely and unhurried. She has been away from home all afternoon, yet is ready to take a delicious, savory and attractive meal from her oven. Her meal will be an unqualified success . . . the success of the other housewife's dinner-party is extremely

The difference is that the modern home-manager, at the right, has an Electric Range. . . The other housewife still cooks by old-fashioned methods!

You, too, should profit by the many advantages and superiorities of modern Electric Cookery. With one of the new General Electric Hotpoint Ranges in your kitchen you'll save money, work, time and food. You'll serve better, more healthful and more attractive meals. You'll be happy, cheerful and energetic. Take advantage of special prices and terms . . . TODAY! See one of our salesmen NOW. He will be glad to tell you the interesting and valuable story of Electric Cookery. There's no obligation, of course.

> Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule 🕏 ... and adds only a small amount to your total bill?

Let's Try Tuggin'

at our own bootstraps

For many weary months we have been waiting for a turn in the business tide. We have been looking hopefully on the efforts of the Reconstruction Finance Corporation. We have been watching interestedly the progress of the many relief measures which have been attempted or proposed to boost stagnant business.

Any one or several of these agencies combined, may eventually pull us out of the doldrums.

But—in the meantime—while we're watchfully waiting for the tide to turn; why not take a tug at our own bootstraps? Why not see what we—OURSELVES—can do to lift Sonora to a better business level?

Here is something concrete and common sense which we can start RIGHT NOW:

> We can start spending more Sonora made dollars here in Sonora. We can start buying more of everything we need for our homes and businesses from Sonora stores. We can start patronizing more Sonora professional men. We can start using more Sonora products. We can hire more Sonora labor.

When we turn our eyes from far away fields to those here at home, we'll be surprised to find them every bit as green or perhaps a little greener. We'll be surprised to find Sonora bargains just as big as those in San Angelo. We'll be surprised to discover that most of Sonora services are just as good as any we can find.

Finally we'll learn a lot more about Sonora than we ever knew before—what she has to offer US—what she really IS. And we'll appreciate our home city more because we've had a hand in helping her along.

> SUTTON COUNTY GOOD FOR GARDENING, TOO

A News story last week telling of successful farming in Sutton county brings word, and evidence as well, from Mrs. Juan Moreno that the county is equally well adapted to the raising of gardens.

Mrs. Moreno has turnips of excellent size and texture grown in natural soil, and planted Aug. 20. Sizable onions, fit to grace the liver of the finest Sutton county calf, have been grown since Sept. 25. Chard planted March 14 has matured since that time, supplying an abundance of greens. June 10th the chard was beaten into the ground by a hail storm. The tops were cut off even with the ground and a new crop of leaves resulted

Fourteen Years Ago

....in 1918, on November 11, an end of hostilities between warring nations was proclaimed. America was victorious, because her peoples worked together for a common end. Today, in the face of national crisis, the same high standards of public spirit and co-operation will end adverse business conditions, and in reverent memory of those whose sacrifices saved America then, let us take as our objective, complete restoration of American prosperity.

Delinquent Taxes

DUE THE CITY OF SONORA, TEXAS

PROVIDED ----

Such Delinquent Taxes Are Paid on or Before

December 31, 1932

In agreement with the action taken at the Third Called Session of Forty-Second Legislature of Texas, in the passage of a measure providing that cities, towns and villages might, upon finding that unusual or excessive default in the payment of taxes has occurred, grant an extension of time for the payment of such delinquent taxes, in order to promote and accellerate the collection thereof, the City Council of the City of Sonora, on the 18th day of October, meeting in regular session, did pass an ordinance remitting all interest and penalties on delinquent city taxes, PROVIDED, that such delinquent taxes be paid on or before December 31, 1932.

Inasmuch as benefit will accrue both to the citizenwho pays his delinquent taxes in the saving of all interest and penalties on same, and as well to the city in the receipt of funds needed to carry on municipal affairs, we respectfully urge every citizen who may owe delinquent taxes to take advantage of this offer.

PAY YOUR DELINQUENT TAXES NOW AND SAVE INTEREST AND PENALTIES

CITY OF SONORA

W. C. GILMORE, Mayor

Attest: GEORGE E. SMITH, City Manager.
