## Track Teams From Rocksprings and Ozona Defeated

Trainer Makes Most Points in  
Junior Meet Here Tuesday  
Afternoon

A brisk wind and slow track failed to work successfully against Sonora boys under fifteen who won junior track events here Tuesday afternoon when competing with the best of Rocksprings and Ozona schools.

Reggie Trainer's work was exceptionally good during the afternoon. He won the 50-yard dash in 5.9 seconds and the 100-yard in 10.8 seconds. The former event is usually run in this section in six seconds or more. Trainer's point total for the afternoon was nine and the runner-up for the total points was Walton of Rocksprings who secured four and three-fourths.

Sonora won the meet with a total of seventeen points, Rocksprings was second with nine and Ozona trailed with one point, secured by Davidson who came in fourth in the 100-yard dash.

Sonora seniors, (boys over 15), fared not so well and ranked third in the final reckoning. Their meet was won by Rocksprings with twenty points, Eldorado was second with thirteen and Ozona fourth with two.

Earwood of Rocksprings starred in fashion similar to that he displays on the gridiron. Smith of Eldorado won the 440-yard run in the excellent time of 55.4 seconds while bucking a strong wind and imperfect track conditions.

**Babcock Does Well**  
Kenneth Babcock of the Sonora team won first in the 880-yard run, making the half mile stretch in two minutes and fifteen seconds. About three-fourths of the way he "flew" with an ankle wrap dragging and "bucked" a hard wind the entire course.

A moderately large crowd of track enthusiasts witnessed the meet. All events of the junior meet and all but the relay event in the senior meet were run off before the rain.

Coaches and superintendents of District 17-B, Interscholastic League here for the afternoon meeting of the executive committee were:

Rocksprings: N. S. Ward, coach, R. C. Donaho, superintendent; Ozona: Ted White, coach, C. S. Denham, superintendent; Eldorado: Dave Williamson, coach, R. D. Holt, superintendent; Menard: T. A. Parker, superintendent; Sonora: O. P. Adams, coach, R. S. Covey, superintendent.

**Holt New Chairman**

R. D. Holt, Eldorado, was selected as chairman of the executive committee to serve in the place of R. S. Covey who is leaving the district. B. H. McLain, Sweetwater, superintendent of Sonora schools next year, was elected to the committee.

Each of the schools of the district, made up of Rocksprings, Ozona, Eldorado, Junction, Menard and Sonora, will play five conference football games in 1935 season. (Continued on page 7)

## SERVICES SATUDAY FOR DAUGHTER OF LEE HILLS

Services were conducted at the grave in Sonora cemetery Saturday morning for Doris Jane Hill, two-year-old daughter of Mr. and Mrs. Lee Hill, who died Friday morning as a result of scarlet fever and pneumonia.

The child was born February 18, 1933. Besides her parents she is survived by two sisters, Sadie Lee, 5, and Lois B., 4.

The funeral was conducted by the Rev. Frank Nixon, pastor of the Baptist church. Pallbearers were: Duke Wilson, Houston Stokes, William Fields, Jr., Hilton Turney.

**Joe Hulls Have Son**

Rayford Lee is the name of the eight-pound son born to Mr. and Mrs. Joe Hull Monday in a hospital in San Antonio.

## NEWS Cooking School Begins Monday

MANY FEATURES PLANNED  
FOR COOKING SCHOOL

The Piggly Wiggly Store will serve Silver Moon Coffee at the Cooking School both Monday and Tuesday afternoons.

At the conclusion of each day's session Mrs. Howard will distribute a number of food products. These will include:—

45 Cartons of Mrs. Tucker's Shortening.

Flowers from Veck's, Pioneer Florist, San Angelo.

Nine Sacks of Gladiola Flour.

Several pounds of Falfurrias Butter.

Twelve loaves of Sonora Bakery bread.

Aluminum stew pan and biscuit pan from E. F. Vander Stucken Co., Inc.

Two Du Barry Toilet Preparation packages from Corner Drug Store.

Two "Pin-it-up" lamps from the West Texas Utilities Co.

It is quite possible that a number of other articles will be given but the list above was complete as far as was known at the time the NEWS went to press Thursday night.

## Station A Sonora Team Finds Ellis Parts Men Easy

Seventeen Runs Secured by Local  
Team While New Pitcher  
Goes Into Action

Collecting seventeen runs off Welch and Breed, hurlers for the Ellis Parts, San Angelo, team of the Concho Basin League the Station A Sonora baseball team opened the 1935 season in excellent fashion Sunday afternoon.

The game, an exhibition one, was the first opportunity baseball fans have had to see Buck White, southpaw pitching ace recently secured by the Station A Sonora team from Arkansas. White struck out six men and was "found" for only six hits. Only three men crossed the home plate after going up against his pitching and that of Buster and George E. Smith who pitched parts of the game.

A San Angelo sports writer who was here for the game wrote: "They say, incidentally, this Lefty White of Station A throws a ball up there that resembles a bed spring exploding in numerous directions."

The Sonora league entrant has an open date Sunday while fellow league members, Ellis Parts, and Veribest, take on Ballinger and Miles, respectively. A week from Sunday the Station A Sonora team plays its first league game of the (Continued on page 7)

## DRUG EMPLOYEE RETURNS TO GEOPHYSICAL WORK

Geophysical exploration work will be done by Allie Woodriddle, employee of the A. & W. Drug Store since January 1, beginning Monday.

Mr. Woodriddle will be employed by the Atlantic Oil Production Company and will have headquarters in San Angelo. He was formerly in similar work for the Roxana (now Shell), Dixie and Southern Crude petroleum companies. The Atlantic field manager under whom Mr. Woodriddle will work is R. H. Andrews of San Angelo. His party chief, now stationed at Menard, will be A. R. Austin.

Miss Clara Allison of the drug firm said Wednesday that Kenneth Crawford, son of Dr. and Mrs. Crawford of Jarrell, Texas, in Williamson county, is taking the place of Mr. Woodriddle. Mr. Crawford's parents formerly operated a drug store in Jarrell. He is a graduate of Southwestern University.

Mrs. Mary Hunt of Brackettville is the guest of her son, Bryan Hunt, and Mrs. Hunt this week.

Happy days ahead!

Sutton county women are anticipating with pleasure the two days of cooking instruction Monday and Tuesday next week in the high school auditorium when Mrs. Johnetta Howard of the Happy Kitchen NEWS Cooking School will demonstrate and tell of the best methods of food preparation.

Mrs. Howard, an authority in her field, will conduct her school from two to four each afternoon. Girls of the high school home economics classes, directed by Miss Florence Langford, will be hostesses.

Two organizations of ladies—the Woman's Missionary Society of the Baptist Church and the Woman's Missionary Society of the Methodist Church—are contesting for \$5 offered by the NEWS to the group securing the most registrations. Each lady who attends will sign a registration card at the door and will credit her attendance to one of the church groups. At the close of the second day's instruction period the winner will be announced and a check given a representative of the successful group.

**Many Firms Cooperating**  
Sonora firms and manufacturers of nationally known food products who are cooperating in the school are:—

Piggly Wiggly, Earl Lomax, manager, supplying all groceries used in the school; West Texas Utilities Co., J. D. Westbrook, manager, furnishing Hotpoint Electric Range and Frigidaire for use of the lecturer;

Jaques Manufacturing Co., K. C. Baking Powder used in all of Mrs. Howard's work; Phillips Packing Co., supplying Phillips Soups and Vegetables; Interstate Cotton Oil Refining Co., Sherman, supplying Mrs. Tucker's Shortening;

## Penicks in Motor Servicing Business

Father and Son Associated in Son's  
Former Location

Arrangements were completed this week by J. T. Penick and son, Billy, whereby the two will conduct a general automotive service business in the Clarkson building formerly occupied by Sutton Motor Co. Billy Penick has been operating a service station there for several months.

Mr. Penick came here in 1928 from Terrell and until about eight months ago operated the Texas Company service station just beyond Lowrey Draw. This business was sold to Clyde Henderson who, in turn, sold it recently to W. S. Evans. Since leaving the service station business Mr. Penick has devoted all of his time to the distributing of several brands of beer.

Mr. Penick's son, Billy, a graduate of Sonora high school in 1933, operated a service station for a time at the Del Rio Highway in Sonora and last fall took over the storage and service station business at the Sutton Motor Co. That firm moved recently to the Stites Building and he continued his service station in the Clarkson Building where the new firm, composed of father and son, will do business.

**Son to Evans**

A son, James Robert, weighing 8½ pounds was born to Mr. and Mrs. W. S. Evans Saturday in a hospital in San Angelo.

Pant Milling Company, Sherman, furnishing Gladiola Flour for use of lecturer; Ideal Laundry, Mrs. Ardena Speed and Mr. and Mrs. A. B. Davis, owners, laundering lecturer's kitchen apparel; Sonora Bakery, Richard Vehle, owner, supplying bread used in "Happy Kitchen"

E. F. Vander Stucken Co., Inc., R. D. Trainer, manager, selling "VIKO" Aluminum Ware used by Mrs. Howard; Falfurrias Creamery, C. A. Scott, representative, supplying Falfurrias Butter; Oliver Fannie Co., Memphis, Tenn., furnishing Silver Moon Coffee; Corner Drug Store, featuring Du Barry Toilet Preparations.

One interesting feature of the Happy Kitchen two days instruction, from two to four, will be the "Question Box." Any question that perplexes the homemaker, regarding her kitchen problems, may be written on a slip of paper and placed in a box for the purpose. The name need not be signed. Mrs. Howard will answer them as best she can.

Every recipe and every suggestion women will hear at the Cooking School has been tried and tested by Mrs. Howard as well as by a small army of practical housewives. Party dishes alone are not discussed. They'll be a part of course, but in the main things that will be seen and heard at the Cooking School are the simple, easy work-a-day hints that make kitchen work and cooking more of a pleasure.

Admission to the Cooking School is free and every Sutton county woman is urged to attend both days and to profit from the interesting instruction given by Mrs. Howard from the stage of the high school auditorium.

## Scholastic Census Shows New "Pupils"

State Appointment Depends On  
Number Enumerated

It means exactly \$16.20 to the Sonora Independent School District if a single "scholastic" is not counted in the annual census of school children being completed by R. S. Covey, superintendent and his aids. The \$16.20 amount is that apportioned by the state last year and it will likely be the same this year.

Last year 711 scholastics were enumerated. So far this year about 730 have been located. This number includes both Mexican and American children. It is believed by Mr. Covey that the district may be able to enumerate as many as 740 this year. Adolphe Florus is doing the work among the Mexican people.

Scholastic increases have been noted each of the last few years. In the spring of 1931 the number was 582, the next year seventy-three more, a total of 655, was listed. In 1933 the census was 683 and last year the 711 figure.

Anyone who knows of children who have not been counted and who are "eligible" for enumeration are urged by Mr. Covey to call the high school so that someone may call to list them in the census.

Mrs. C. F. Huff and son, E. F., of Lubbock spent the week with her sister, Mrs. C. H. Jennings, and Mr. Jennings.

Mrs. JOHNETTA HOWARD

## Candidates Vie For Civic Club Office As Platform Told

Nominating Committee Announced  
To Select Nominees For  
Lions Officers

"Heated" controversy over the selection of an executive to direct the activities of the Lions Club during the next year was an interesting but "alarming" feature of the Tuesday noon meeting at the Baptist Church.

The field of those "seeking" the office narrowed to John Eaton and Nolan Kennedy, both representing utility interests. The "platform" of Mr. Eaton contained the weighty plank described by the candidate as "no meter reading." His final stroke of oratory was marked by the impressive invitation—"follow me and be free."

Arguments "pro" and "con" the several "candidates" and their qualifications, or lack of them, for the office were given by W. C. Gilmore, W. E. Caldwell and George H. Neill.

Other entertainment on the program was furnished by Mrs. Preston C. Lightfoot and Miss Rena McQuary who sang "Rain," "Neapolitan Nights," and "Old Fashioned Garden." They were accompanied by Miss Elizabeth Francis.

A nominating committee to decide nominees for the club's offices was announced. It is composed of W. E. Caldwell, W. C. Gilmore, W. R. Nisbet and J. W. Trainer. A previous committee elected for the purpose was dismissed by John Eaton, vice-president, while usurping the chair of the president at the beginning of the meeting.

Katha Lea Keene, elementary school pupil, gave a declamation, "Courage," by Edgar Guest, which she will deliver April 13 in San Angelo in Interscholastic League competition. She is a pupil of Miss Merle Draper.

Guests at the luncheon were: Dr. Joel Shelton and Claude Draper, both of Sonora; Amos Floyd, R. C. Callan, H. F. Taylor, George E. Day, all of Humble Station B.

## SALES EFFORTS OF MRS. DUNCAN WIN TRIP AWARD

Sixty-six sales of telephone services by Mrs. Earl Duncan of the Sonora exchange won for her a trip to Dallas last week to the convention of the Independent Telephone Association. She returned Tuesday.

Employees of San Angelo Telephone Company exchanges in these towns competed with Mrs. Duncan for the Dallas trip: Bronte, Eden, Florado, Miles, Ozona, Robert Lee, Rowena, Sterling City. Second place in the sales contest was won by Easton Woolard of the traffic department of the San Angelo exchange.

**W. M. S. Begins Study**

The members of the Woman's Missionary Society started the study of a new book, "Methodist Missions in Japan" Wednesday afternoon when they met at the Methodist Church. Plans were discussed for the bazaar April 30.

## "Not Guilty" Jury Verdict in Murder Case Friday Night

Carlisle Halbert Freed After Trial  
of Day and Half in District  
Tribunal

A verdict of "not guilty" returned by twelve Sutton county men at 7:30 Friday night brought to an end the trial by jury accorded Carlisle Halbert charged with the murder with malice of Dred Green, Sonora trucking contractor, Nov. 5 in front of the postoffice.

The jury, made up of nine ranchmen, two clerks and a grocer, had deliberated since 1:57 when Weaver Baker, district attorney, concluded his argument—the last of four by defense and state attorneys since 9:15 in the morning when Judge Joe G. Montague gave his charge to the jury outlining the manner in which they should consider the evidence and mete out punishment, if any, to the defendant.

Testimony and evidence presentation began Thursday afternoon. Deliberation by the jury after it retired from the courtroom occupied about four hours. The men returned at 3:20 and had the court reporter, Mr. Waide, read to them the testimony given by Miss Annela Stites and Fred Jungk.

**Defense Story Said "Unreasonable"**  
In the opening address to the jury Coke Stevenson, assisting the district attorney, analyzed the judge's charge.

Half of the defense witnesses, he said, had been used to impeach the testimony of Gabe Smith who declared he had seen Halbert go into the Wm. Cameron & Co. lumber yard the morning of the shooting. He reiterated time and again that the defense story of the crime was an "unreasonable" one. Testimony by a defense witness that he had seen Green open the car door was nullified, according to Mr. Stevenson, by John Hamby testifying that a truck was parked in the street which he hid behind for a time. The truck, according to Mr. Stevenson, would have prevented such a view as described by the witness.

Herschel Upton, chief defense counsel, opened by stating that he would be willing to throw out of the case all testimony but the defendant's. Testimony of Gabe Smith regarding the question of whether Green was armed the morning of the shooting was discredited. His testimony, according to Mr. Upton, should "go out of the window as it is not worthy of consideration."

**"Door Glass Up"—Upton**  
It was not sensible, Mr. Upton declared, that the defendant would choose the front of the postoffice (Continued on page 3)

## MISS BABE WHITE SERVES AS A. & M. SWEETHEART

Selected as "Sweetheart of A. & M", Miss Babe White of Sonora is representing that institution at events in Austin this week at the annual Round-Up observance.

Last night Miss White was a guest at a dinner honoring sweethearts of various schools at Scottish Rite Dormitory in Austin. This afternoon she will participate in the parade and tonight will attend the Round-Up Ball and Revue. Tomorrow night she and her escort will be guests at a dinner dance given by the Order of San Jacinto.

Miss White is a student at the University of Texas. An outline of the events in which Miss White will take part was contained in a letter from John Bell, president of the Students' Association, University of Texas, to Mrs. S. R. Hull.

## SOFTBALL PLAYERS LINING UP FOR 1935 SCHEDULE

First call for softball enthusiasts was issued Wednesday by W. J. Fields, Jr., for Friday night at 7:30 at the First National Bank.

Mr. Fields said that at that time teams, team managers, schedules, players and other information relative to the season will be discussed.

NEWS FREE COOKING SCHOOL  
Come into the  
**Happy Kitchen...**

**Texas-Made Product  
Ideal For Cooking**

Sherman Shortening Will Be Used at NEWS Cooking School

"One hundred per cent cotton seed oil product" is the description by the makers of Mrs. Tucker's Shortening which will be used exclusively in the NEWS Cooking School Monday and Tuesday afternoons in the high school auditorium.

Housewives in this southwestern section are served in two ways by this product, the makers point out. First, cotton seed oil has been proven by government and scientific tests to be the best shortening agent known and the most digestible. Second, every pound of cotton seed oil consumed helps the market for cotton and cotton seed produced in the southwest.

As it takes the cotton seed from about one-tenth of an acre to produce a four-pound pail or carton of Mrs. Tucker's Shortening, all housewives in this section can readily understand the importance

of Mrs. Tucker's Shortening to the southwest which produces more cotton than any other section of the world its size.

The Interstate Cotton Oil Refining Company of Sherman, Texas, buys the choicest cotton seed oil from all parts of the southwest, refines it and super-refines it, then creams and triple creams it into pure, white and fluffy shortening, which is easy to use in the kitchen and easy to digest. The triple creaming process appeals to housewives because in that way it is so finely textured and silky smooth that it does not have to be creamed unless the housewife desires.

Other qualities which appeal to good cooks are the facts that its cartons are air-tight, inner sealed with cellophane; it will not pop nor spatter when used for frying; and it is economical because it goes farther.

**Attends Dallas Convention**

Mrs. Earl Duncan returned on Thursday afternoon from Dallas where she attended the Texas Telephone Association convention. She accompanied Mr. and Mrs. Hardgrave, John Y. Rust, John Robbins, Miss Madeline McFarland, and Euston Woolard, all of San Angelo, to the convention.

**Attended Convention**

Mrs. Edgar Shurley and Miss Marie Watkins attended the music clubs convention in San Angelo Thursday.

Miss Opal Akin and Mrs. Frank Gumes visited in Rocksprings Sunday afternoon.

**Canned Foods Not  
Affected By Cold  
in Byrd Locality**

Cooking School Product Used By Expositions at Equator and Antarctic

Canned soups and vegetables, for the first time, have been deliberately subjected to a dramatic and sensational "quality - and - flavor" test, simultaneously, at the South Pole and along the Equator.

Results of the test were recently announced by the Phillips Packing Company, Inc., Cambridge, Maryland, following the receipt of cablegrams and official photographs from the Byrd Expedition in Little America and the sponser Seth Parker, captained by Phillips II. Lord, radio and screen star, now cruising along the Equator.

Official tests of a number of these products were made in temperatures 72 degrees below zero in Little America by Stevenson Corey, chief supply officer of the Byrd Antarctic Expedition, and 100 degrees above zero by First Officer John O. Ives, aboard the Seth Parker, at the Equator.

Because the supply ships of the Byrd Expedition also crossed the Equator enroute to the Antarctic country, Supply Officer Corey was able to double check the same canned foods after they had been exposed to both the fierce heat of the tropics and the intense cold of the polar regions. He cabled:

"Quality and flavor unaffected by extreme heat crossing equator enroute or temperatures of 72 degrees below zero here in Little America."

The cargo of canned foods aboard the Seth Parker passed from the temperate climates of the states to equatorial waters. After being carefully checked First Officer Ives wirelessly the following report:

"Although stored in holds where temperatures always hover around the 100-degree mark, flavor has remained unaffected. Have demonstrated wholesomeness and complete dependability."

Many American products, from cigarettes to motor cars, during the last few years have been subjected to innumerable new and novel tests to prove points of superiority in performance or service. But this is the first instance where any American food packer has deliberately discarded artificial laboratory methods and obtained an official, first-hand test directly at the most violent temperature extremes in the world.

**Dramatic Club to Have Play**

A tentative date, the latter part of April, has been set for the play, "The Patriarch," which will be presented by the Thirteen Dramatic Club at the high school auditorium. Those in the play are: Mr. and Mrs. W. C. Gilmore, Mrs. Nolan Kennedy, Houston Stokes, Jodie Trainer and Preston Prater.

Rent it with a classified.

**TUESDAY RAIN SCATTERED  
BUT HELPFUL IN SPOTS**

Rain and considerable hail fell in Sonora Tuesday afternoon and at various sections of the county. The rain gauge in Sonora showed .27 of an inch. At the Ranch Experiment Station it sprinkled. The Will Wilkinson Ranch received about half an inch. Gus Love at the Sol Mayer & Son Ranch said Thursday morning that the Tuesday rain had been only a shower at the house but that the west part of the place received about an inch. Draws were running, Mr. Love stated.

No rain was received on the Oscar Appelt place. C. W. Adams said that rain there did not amount to anything. The Holman & Trainor place got only a light shower.

A call by the NEWS Thursday morning to the Roy Hudspeh headquarters ranch secured information that the Tuesday rainfall at the house had been only a quarter of an inch but that the rest of the ranch got from one to one and a half inches.

**DEBATE ON PROHIBITION  
SET FOR SUNDAY NIGHT**

The members of the Epworth League will present a program Sunday night at the Methodist church to observe Young People's Day.

A debate on: Resolved: "That Known NEWS For Many Years Claude Draper, formerly of Del Rio, began work this week as assistant bookkeeper at the Wm. Cameron & Co. office here. Mr. Draper's wife and two children will come here when school is out. Mr. Draper was reared on the Jackson Ranch between here and Rocksprings, which is now a Wheat

Ranch. He recalls that the NEWS was the first newspaper he saw as it came into his parents' home for many years. "We Should Have Prohibition," will be presented. The affirmative speakers will be Lunetta Marion and Lillie Marie Smith with Kenneth Babcock and Garland Slaughter on the negative.

Others on the program are: Rena Glen Shurley, Robbie Jo Wyatt, and Emmalou Logan.

**History Club Has Picnic**

Members of the History Club and their sponsor, Miss Annie Duncan, went on a picnic at the Berger ranch Wednesday afternoon. Guests included Mrs. W. D. Martin, Preston C. Lightfoot, F. T. Jones and N. S. Patterson. Baseball was played.

**Happy Kitchen  
Cooking School Series**

April 8 and 9

The Happy Kitchen Cooking School series to be held April 8th and 9th under the supervision of Mrs. Johnetta Howard of Dallas promises to be of distinct interest to the housewives of Sonora.

This series of demonstrations featuring the Modern Automatic Electric Range will stress the superior qualities of electric cookery. The speed, dependability and economy of electric cookery has been proven by its past performance in hundreds of West Texas homes. Mrs. Howard's demonstrations will further show how the modern electric range can be used to the best advantage to the housewife.

Many new and novel recipes will be demonstrated. You are sure to be delighted with this source of new information as presented by Mrs. Howard.

Reserve these dates and plan to attend. You will profit by your presence and secure much valuable information on modern, effortless electric cookery methods.

(Continued from page 1)

as a place to kill a man. Miss Stites, he declared, had not seen the Halbert car in front of the postoffice. The testimony of Jack Drennan and of Miss Grace Trainer, he declared, had been proved valueless. Dred Green, according to Mr. Upton, knew the car window was up and that it would be too hard to shoot through it. The bullet, Mr. Upton explained, could not have gone through the door facing as it had if the window had been down. No witness had been brought forward, he emphasized, to discredit testimony as to the defendant's statement regarding threat made by Green at the time of the shooting.

George Wynn, Sutton county attorney, declared the defense counsel's story was not a connected one as was the state's, that the fact that witnesses had said they had not seen Halbert at the lumber yard did not prove that he was not there, that Jack Drennan had testified the Green gun was in the truck the day before but was not there the Monday morning of the shooting. Mr. Wynn stated that it was quite possible that Fred Jungk had been excited at the time after the killing when he recalled an unusual expression on Green's face. As Mr. Wynn said it: "It looks like Mr. Jungk's imagination ran away with him."

"State Accept Anything"—Stubbs  
A question of the sincerity of the state's counsel was outlined by N. T. Stubbs, defense attorney, in opening his address. Guilt as the state pictured it, he declared, would merit capital punishment for the crime. That had not been asked, he said, and it appeared to him that the "State of Texas is willing to accept anything just so it gets a conviction". He developed at great length points of time which he declared proved that it would have been a physical impossibility for Halbert to have been where witnesses testified he had been seen. He made much of the fact that the state had not put Mrs. Gabe Smith on the stand to corroborate testimony of her husband.

The "God-given right of self-defense" was referred to by Mr. Stubbs as he declared that Jesus Christ was the only man who had not defended his person and that the dove was the only member of the animal kingdom which did not defend itself or its young in time of danger.

Analysis of testimony meant to prove that Halbert was following Green the morning of the shooting was done by Weaver Baker, district attorney, in his concluding argument. The defendant's alleged practice with firearms and cartridges found in defendant's car were emphasized points. The shoulder holster of the defendant was shown the jury.

Refers to Divine Law  
The defense theory that the post-office would not have been picked for a murder was questioned on the point that if their theory were a true one it must also be true that Green would not have selected it as a place for murder. Toward the conclusion of his address Mr. Bak-

**JUST A SONG AT TWILIGHT**

While pausing to sigh or shed a tear for the passing American institutions, one must list in that category the old organ that stood in the parlor and was the focal point for the family seeking an evening's entertainment.

The organ, which has been replaced by a radio, now is stored in the attic or possibly it has been sold to a junk man or even, perhaps, traded in on the radio. The fact remains that, while the music that is now heard possibly is of a higher quality, certainly it is no sweeter than those songs we used to sing after the supper dishes were cleared away and the family convened in the "sittin' room" or the parlor for a genuine reunion and song fest.

Even grandpa joined in the family circle and just before his bedtime at 9 o'clock he would sing his favorite song: "The Old Musician and his Harp."

Each member of the family had his favorite, and the variety ranged from "Nellie Gray" to "Red Wing", with preference being shown the truly American folk tunes, including those appealing melodies of Stephen Foster.

There was a spirit of serenity and peacefulness about the occasion, and a kindly light from a nearby lamp shed a tender glow on the faces of the family as its members stood around the organ. A comradeship was established that held throughout the years and nothing today quite equals this scene of yesterday.—Kansas City Star.

**Butter Firm Owns Fine Dairy Cattle**

Location Advantages Assist in Company's Production

The youngster, or oldster, who must milk one cow a day often finds it an irksome task but when one thinks of having 10,000 cows to milk each day that, truly, is a task almost beyond comprehension. Machinery solves that problem.

That's the number milked by the Falfurrias Dairy of Falfurrias, Texas, producers of Falfurrias Butter. The company is one of the cooperating food concerns participating in the NEWS Happy Kitchen Cooking School Monday and Tuesday afternoons in the high school auditorium.

The company owns thousands of acres in the Falfurrias section. Jersey stock is used exclusively. The progress of the dairy, through the years, according to one writer who has studied the work of the founder, the late Ed C. Lasater, is due to his insistence on excellent breeding stock. The Falfurrias section boasts among its advantages as a dairy center such qualifications as:—

Ideal pasture of native grass; absence of noxious weeds; lots of artesian water; plenty of shade; little expense for housing cattle; cheap but efficient Mexican labor; low price land that allows feed-stuffs to be grown that can be marketed profitably "via the milk can"

The company maintains its own herd and also buys sweet cream. Its unique slogan, adopted for its guidance in producing a superior product, is "Bring it in by eight o'clock or it's classed as sour cream."

Gabe Smith is in receipt of a post card from the Trainer boys who are now in California. The card also carried greetings to their Sonora friends.

**SONORA METHODISTS GO TO ELDORADO MEETING**

The Rev. W. S. Ezell, the Misses Marie Watkins and Gertrude Babcock, W. E. Caldwell, N. S. Patterson and W. E. James attended a laymen's meeting and banquet Tuesday night in Eldorado. The meeting was one of a series, inaugurated by the Rev. P. S. Connell, pastor of the Eldorado Methodist Church, to be held the first Tuesday in each month.

W. E. Caldwell, lay leader, delivered the principal address, his subject being "Stewardship." Two quartet numbers were sung by the four men from Sonora, accompanied by Miss Watkins at the piano. Miss Watkins also sang two solos accompanied by Miss Babcock.

Mr. and Mrs. Will S. James of Phoenix, Ariz., were guests Wednesday night in the home of Mr. and Mrs. W. E. James while enroute to Phoenix from a trip thru the northern states.

Mr and Mrs. C. E. Stites spent Tuesday in San Angelo.

**NEWSPAPERS GET SOME ADVERTISING DOLLARS**

Advertising is a big business. In 1934 something like \$350,000,000 was used for this purpose, with newspapers getting the largest share.

The Bureau of Advertising of the American Newspaper Publishers Association reports that the national advertisers spent \$349,500,000 in 1934, with newspapers getting 46.7 per cent, magazines 32.5 per cent, chain broadcasts 12.2 per cent and outdoor 2.2 per cent.

These figures apply to national advertisers. In regard to local advertising the percentage in favor of newspapers is much higher.

**MEN'S WEAR SALES GAIN IN FEBRUARY THIS YEAR**

Austin, Texas, April 4.—Reports for February from ninety representative retail establishments to the University of Texas Bureau of Business Research indicated an increase in aggregate dollar sales of 2.1 per cent over January and 5.6 per cent over February last year.

For the first two months sales were 6.1 per cent greater than during the corresponding period last year. Cities showing gains above the average were: Austin, Beaumont, Dallas, San Antonio, and Temple. Of the different classes of stores, men's clothing stores made the best comparative showing, followed in order by women's specialty shops and large department stores.

**SONORA PEOPLE AT SAN ANGELO HOUSING MEETING**

Three Sonora citizens attended the school of instruction regarding the Federal Housing Act in San Angelo Wednesday night. Those from here who attended were:

W. E. Caldwell, manager, West Texas Lumber Co.; W. C. Warren, manager, Wm. Cameron & Co.; Claude Draper, bookkeeper, Wm Cameron & Co. Mrs. Caldwell accompanied Mr. Caldwell and both returned Thursday morning.

Addresses were made by P. S. Luttrell, associate director, for the northwestern district of Texas, Rufus Lackland, assistant to the state director, T. B. Yarbrough; J. W. Bratcher, field representative from the Fort Worth office, and W. Rippey, visomatic operator.

**WORD ORIGINS**

Is Your

**"COMPANION"**

One Who "Shares Bread" With You?

"Breaking bread" together is an ancient rite of friendship. And it is the literal meaning of "companion," for this word is derived from Late Latin *companion*, with a stem *com*, "with" and *panis*, "bread." One who shares bread with another is naturally in his company for a longer or shorter period, and consequently the word *companion* has taken on the meaning "one who accompanies another," with no longer any particular reference to sharing bread.

"Comrade," while its modern meaning is similar to companion, comes to us from a different source. It is derived from Latin *camera* (*camara*) "a chamber." A comrade was, then, "one who shares a room"; comrades lived in the same dwelling. But the meaning of the word has broadened, and comrades now may be those who merely work or play together. (Copyrighted by G. & C. Merriam Co., Springfield, Mass.)

**MISS WATKINS' PUPILS IN RECITAL THURSDAY NIGHT**

The pupils of Miss Marie Watkins will be presented in a recital Thursday evening at 8 o'clock in the elementary school auditorium.

The following will be on the program: Margaret Pearl Smith, Sammie Jeanne Allison, Billy Shurley, Betty Lou Shoemaker, Glen Richardson, O. L. Richardson, Edith May Babcock, Marjorie Davis, Robbie Jo Wyatt, Rena Glen Shurley, J. O. Mills, Emmalou Logan, Kenneth Babcock, Miss Gertrude Babcock, Miss Thelma Rees, and Miss Mary Louise Gardner.

**MEET THE ARISTOCRAT OF EGGS!**

HOUSEWIVES throughout the nation have proclaimed the Layena egg the aristocrat of eggs. Distinctive in flavor, uniform in color, rich in food value—Layena eggs are the new egg sensation.

Folks are getting more and more particular about the way eggs look and taste. They want eggs that are not only fresh or new laid, but eggs that keep well and are rich in food value. Those are the eggs that come from flocks fed Purina Layena, the feed that makes extra premium eggs.

Put your hens on Purina Layena this year and get the extra money that can be yours by producing Layena eggs.

KC is economical. Because of its high leavening strength only 1 level teaspoonful of a cup of flour is sufficient for most recipes.  
It is a time saver. That's due to the double action. One action in the mix and the second, a stronger action, in the oven. You can prepare dough for biscuits, muffins, etc.; hours in advance, set in a cool place and bake when desired. No need for hurry when using KC.

### Bryan Girl Chosen As Representative By State Executive

Miss Alice Sawyer Duchess of San Angelo A. & M. Mothers' Organization

College Station, March 4.—Governor James V. Allred has designated Miss Dean Orms of Bryan, daughter, of Mr. and Mrs. G. W. Orms, as his representative at the 1935 Texas A. & M. College Cotton Style Show and Pageant to be held at the college tomorrow night.

Advice to that effect has been received by the Student Agronomy Society, which is sponsoring the event, from Representative George Butler of Bryan, now in Austin.

Numerous other representatives at the court of the King and Queen of the cotton show have been named by various educational institutions and A. & M. Ex-Students and Mothers' Clubs of the state. Miss Elizabeth Pool, daughter of Mr. and Mrs. Carl L. Pool of San Antonio, senior at the Texas State College for Women (CIA),

### SONORA GIRL IN A. & M. STYLE SHOW

Miss Alice Sawyer, referred to in the accompanying story from College Station, is the daughter of Mr. and Mrs. E. E. Sawyer of Sonora. She is a sophomore at the University of Texas.

A friend, Miss Dorothy Reis, university student from Fredericksburg, will go with her from Austin and will also have a part in the Cotton Style Show and Pageant. Miss Sawyer will have as her escort Lea Roy Aldwell, A. & M. senior, son of Mr. and Mrs. Roy E. Aldwell, of Sonora.

Miss Sawyer will wear a cotton evening gown, princess type, created of flowered organdy. It has drop shoulder effects and two ruffles around the neck with a flower just below the ruffles. The skirt, with train, will have cartaridge pleats as a feature.

—Photo By Allen. Miss Alice Sawyer

Virgie Connor; Taylor, Elizabeth Gould; Amarillo, Dorothy Neuhardt; Houston, Janet Harris; McKinney, Florence Strickland; Navasota, Carrol Rodgers; Beaumont, Bonnie Litchfield; Corsicana, Geraldine Butler.

The scene of the style show and pageant, over which Miss Pool as Queen and W. A. Moseley of Quanah, as King, will reign, will be the Memorial Gymnasium which has been decorated under the direction of N. W. Craig, senior in landscape art, of San Antonio. The throne and places of honor for members of the court will be at the east end of the gymnasium. Green, white and gray will be featured in the color scheme. On entering, members of the court and models, featuring the latest designs in cotton costumes, will proceed the length of the gymnasium floor with pause in the center to exhibit their costumes under spotlight. Shrubbery, moss and cotton prints from the Cotton Textile Institute, will be used in the decorations. A dance in the college mess hall will follow the pageant.

Hair dressers, meeting in Cleveland, say woman will be bald in another hundred years. Goody! No more blond hairs on your coat.—Buffalo (N. Y.) Times.

### LOCAL FIRM DOES WORK ON MUNICIPAL BUILDING

It was incorrectly stated in last week's issue of the NEWS that electrical work on the new city hall—fire station building was done by A. P. Kasch of Big Spring.

All of the electrical work was done by the Sonora Electric Co. of which G. E. Ellis is the owner. More than 1200 feet of wire was used in the work.

Mr. Kasch did the plumbing work on the structure.

recently named queen by the CIA student council upon invitation by the Agronomy Society, will have as maid-of-honor Miss Anne Durum, of Clarksville, president of the CIA student body.

Duchesses for the pageant so far designated together with the institutions or cities they will represent, include: Texas A. & M. College, Rachel Delameter of College Station; Incarnate Word College, Agnes Whelton; Texas College of Arts and Industries, Elizabeth Sorenson of Corpus Christi; Daniel Baker College, Elizabeth

Blalock, of Brownwood; Texas A. & M. College Agronomy Society, Margaret Stromberg of Lockhart; Aggieband Orchestra of A. & M. College, Lucy Parks of Bryan;

Baylor University, Maxine Christian of Decatur; Our Lady of the Lake College, Helen Scott of San Antonio; University of Texas, Dorothy Hedges of College Station; Texas Technological College, Ruth Rutledge of Florida; Southern Methodist University, Elizabeth Ake of Taylor; Texas Christian University, Mary Virginia Weiser of Hamilton; Rice Institute, Mar-

**GAIN OF 130 PER CENT  
IN FEBRUARY PERMITS**

Austin, Texas, April 4.—Building permits in Texas increased sharply in total value during February in comparison with February 1934, according to a report by the University of Texas Bureau of Business Research. There was a decline, however, from the previous month mainly as a result of a marked falling off of permits in one city. Reports from 38 Texas cities give total permits of \$2,139,644, an increase of 130 per cent over February a year ago but 40 per cent below that of the previous month. Cities showing gains both over the previous month and the comparable period last year in-

cluded Brownsville, Cleburne, Del Rio, Denison, El Paso, Galveston, Longview, Fort Arthur, San Angelo, Sweetwater, and Wichita Falls.

**Free Cooking School**

High School Auditorium 2 to 4 p. m.

**Monday-Tuesday, April 8-9**

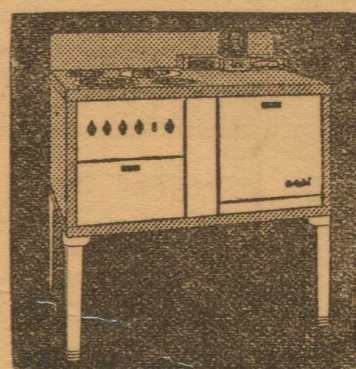

The ladies of Sonora and vicinity are cordially invited to attend a free cooking school under the capable supervision of Mrs. Johnetta Howard, and Co-sponsored by the West Texas Utilities Company.

**Featuring Modern  
Electric Cookery...**

Mrs. Howard will feature the Modern Electric Range in the Happy Kitchen series demonstrations. She will present in dramatized fashion, new ideas in cooking and homemaking. In her demonstrations using the Hotpoint Automatic Range, she will show women how they may economize, how they may obtain more leisure for themselves, and how they may eliminate kitchen drudgery.

Mrs. JOHNETTA HOWARD

Plan now to attend these demonstrations on April 8th and 9th. You are sure to profit by the new and tested recipes featuring the strictest economy. See the Hotpoint Electric Range in actual use.

SCOUT CALENDAR  
Tuesday—Troop Meeting  
April 13—District Rally

Scoutmasters' Training Course  
April 8—April 21

Council-Wide Rally  
San Angelo, April 26-27

### TROOP MEETING

The meeting opened with the Scout Laws. After that we played a game of "steal-the-bacon." A Tenderfoot knot-tying contest was held in which the Flying Eagle patrol won first and Flaming Arrow patrol second. The Flaming Arrow patrol won the second class knot-tying contest with the other three patrols tying for second. The undressing contest was won by the Rattlesnake patrol with the Longhorn and the Flying Eagle second and third. After the contests were over we played "crows and cranes" and then "over-the-top."

Mr. Babcock talked to us on insect study and the display of it at the Exposition in San Angelo.

When the meeting was almost over we began counting noses and discovered that there were twenty-one Scouts and three leaders present.

The Troop was dismissed on singing taps.

### LONGHORN PATROL

Our patrol welcomed a new member, J. L. Barnes, with some first aid and knot-tying practice.

After working on our own first aid, we planned a hike for Saturday, where some second class tests need passing.

Just before we dismissed cookies were served.

Kenneth Babcock,  
Patrol Leader.

### RATTLESNAKE PATROL

Our patrol talked about advancement of all of the members. Fire building was one of the tests we practiced during the meeting. Those present were: Herbert Andrews, Pascal Odom and the patrol leader.

Reggie Trainer,  
Patrol Leader.

## Sonora Pupils to San Angelo Contests

Elimination Declaration Trials  
Held Here Friday Night

Declaration and story telling contests at the high school Friday night determined who should represent Sonora in the Interscholastic League contest in San Angelo Saturday, April 13.

Those from here who will compete are: Katha Lee Keene, daughter of Mrs. Stella Keene; Joseph Logan and Emmalou Logan, children of Mr. and Mrs. Joe F. Logan; Claude Thomas Driskell, son of Mr. and Mrs. Tom Driskell; Mattie Mae Friess, daughter of Mrs. Vida Friess.

Results in the Friday night contests were:

First grade students, story telling: Betty Gene Rankhorn, first; Geraldine Morrow, second; Sammi Jeanne Allison, third.

Second grade students, story telling: Billie Cartwright, first; Edwin Nixon, second; Lois Whidden, third. Sub-Junior girls, under 10, declamation: Elizabeth Taylor, first; Patsy Nisbet and Marjorie Crowell, tie for second.

Sub-Junior boys, under 10, declamation: Glenn Richardson, first; R. W. Wallace, second.

Junior boys, under 15—elementary school, declamation: Claude Thomas Driskell, first; Basil Taylor second; Harold Briscoe, third.

Junior girls, under 15—elementary school, declamation: Katha Lea Keene, first; Daphne Jungk, second; Doris Meckel, third.

Junior high girls, declamation. Mattie Mae Friess, first.

Senior boys, over 15, declamation: Joseph Logan, first; Garland Slaughter, second.

Senior girls, over 15, declamation: Emmalou Logan, first; Winnie Mae Trimble, second.

Judges, all of the Ozona school system, were: C. S. Denham, superintendent; Mr. Collins, principal of the elementary school; Miss Nita Nelson, speech instructor.

Amelia Earhart would draft women as well as men for war service. If they draft the women first, the men will all volunteer.—Omaha World-Herald.
