

Highway Crash Tuesday Takes One's Life and Injures Two

Station B Worker in Sedan Hits Truck From Houston

ON OZONA ROAD

Oil Field Cable Rolls From Vehicle When Wreck Occurs

Sudden Death stalked in its usual grim fashion in Sutton county at seven-thirty Tuesday night and left in its wake one Sonoran dead and two Houston residents seriously injured and suffering both from their wounds and from shock.

THE DEAD

E. W. Preston, married, engineer employed at Humble Station B, thirty miles east of Sonora; believed killed instantly.

THE INJURED

Bob Anders, Houston truckman, employed by Strickland Transfer Co.; skull, rib and shoulder fractures, lacerations. Mrs. Bob Anders, suffering of severe face lacerations, other injuries and of shock.

The truck, a Reo Speed Wagon with stake body, driven by Anders, was entirely off the highway and on the road shoulder of the Ozona highway a mile from the city limit when crashed into by Preston who was driving a Pontiac sedan toward Sonora.

Truck Believed Stationary

In the opinion of B. W. Hutcherson, sheriff, who made an investigation, the truck was stopped or practically so at the time of the accident. Anders was on his way to Kermit.

A Mr. Montgomery of Pecos, traveling to Del Rio, and Mr. and Mrs. Lum Heflin, ranch people well known here, were the first on the scene, it is said.

Mr. Heflin said Tuesday night that when they got there Mrs. Anders was screaming and crying while walking around in the highway. He and Montgomery after some effort took Anders from the crushed cab of the truck in which he was pinned. Preston was dead. Anders and his wife were taken to Sonora by the Pecos man and Mr. Heflin.

Cable Rolled On Highway

Loaded only with a reel of heavy cable used in oil field work, the front end of the truck and cab was completely demolished. The Preston car was wrecked as it crashed into the left side of the truck at about the motor and cab location.

Impact of the vehicles was such that the heavy chain holding the reel of cable was broken. It seemingly rolled forward, out of the truck (and presumably over the

CHEATED DEATH OR INJURY TUESDAY AFTERNOON?

When E. W. Preston asked James Barton, his close friend, to go with him to Ozona Tuesday afternoon Barton told him he had other plans and just could not go.

It was when he was returning from that trip Tuesday night that Mr. Preston was killed.

side of the cab), out on the highway and some hundred feet or so beyond on the other side of the pavement. The cable and roll probably weighed 8000 pounds or more.

Authorities believe that injuries to the Anders—particularly to Mr. Anders—were caused by the cable in its catapulted course out of the truck rather than entirely by the crashing of the Preston car. Had it not broken loose and left the truck it is quite possible that the truck cab and body would have protected the Anders from injury.

After emergency treatment here Mr. and Mrs. Anders were taken to San Angelo.

Funeral services for Mr. Pres-

ton are to be held in Walnut Ridge, Ark., probably today (Friday), according to Mrs. M. M. Cunningham of Junction, his sister, who with Mrs. Preston left for Arkansas Wednesday morning.

Mr. Preston was born February 11, 1896, in Imboden, Sharp county, Ark., and reared there. As a young man he farmed in Arkansas, joined the army about October, 1917, and served fifteen or sixteen months. After the World War he worked in Flint, Mich., for a time and in oil production work at Imboden, Ark.

An Humble Man Ten Years

He has been with the Humble organization ten years, working in Crane first, then at Station A near Sonora and finally at Station B.

Mrs. Cunningham said Wednesday morning that her brother was a thirty-second degree Mason, having joined that order in Imboden. He was also a member of the American Legion.

Besides his wife, Mrs. Cunningham, and his parents, Mr. and Mrs. C. P. Preston, who live in Ravenden, Ark., Mr. Preston is survived by four other sisters:

Mrs. Grace Dobbs, Minturn, Ark.; Mrs. Eula Dobbs, Lauratown, Ark.; Mrs. Lillie Clary, Ravenden, Ark.; Mrs. R. R. Roberts, Gladewater, Texas.

Sonora Wins Track and Field Events of 4-County Meet

Sutton Pupils Do Well Saturday Competing With Eldorado, Menard and Junction

The solace of the knowledge of having captured more than twice as many points in track and field events as their nearest competitors in a 4-county meet in Menard Saturday was the only comfort Sonora athletes had this week.

The "athletics cup," given for total points in junior and senior track and field events, in volleyball and in tennis, was won by Junction with 43 points. Sonora had 40 in those four divisions. Menard and Eldorado also competed.

Sonora made 61 points in track and field events for senior age boys while Junction, nearest rival, made only 34.

Sonora boys of junior age made 43½ points while Junction competitors earned 8.

Regulations Odd Ones

Inter-scholastic League results governing the "athletics cup" award allowed crediting only 20 points of the 61 made by the senior boys and 15 of the 43½ made by the younger fellows.

In volleyball competition the Sonora girls were third.

Some comfort was afforded the boys and girls from here by their bringing back to their school's trophy case 10 of the 18 medals given in the senior division and 8 of the 9 offered for junior event winners.

Season winnings of three of Sonora's track team are given under their pictures. Their work at Menard is included. Others who placed Saturday were:

Senior Division

Jim Taylor, second, 120-yd. high hurdles; M. Elliott, third, 100-yd. dash; Jim Taylor, second, 220-yd. low hurdles; E. Archer, third, mile run; Stubblefield, fourth, mile run; Vernon Morris, F. Archer, M. Elliott, L. M. Roueche team winning first in mile relay; Jim Taylor, second, pole vault; M. Elliott, second, broad jump; Jim Taylor and M. Elliott, tied for second, high jump.

Junior Division

W. Elliott, first, and Tijerina, second 50-yd. dash; Tijerina, first, W. Elliott, second, and Driskell, third 100-yd. dash; Tijerina, L. Morris, Driskell, W. Elliott, first, relay; Tijerina first, W. Elliott, second, broad jump; Driskell, first, W. Elliott, second, L. Morris, tied for third, high jump; Chadwick, first, pull-up.

Individual honors for high points in the track and field events went

(Continued on page 4)

"THE" CONNIE MACK NOW ACQUAINTED WITH CONNIE MACK LOCKLIN

Almost an institution in the great American game of baseball is Connie Mack, manager of the Philadelphia Athletics of the American League.

Last week-end the 8-month-old son of Mr. and Mrs. Dave Locklin met the mighty man of baseball in his hospital room in San Antonio.

Hospitalized for a few days because of a leg injury, Connie Mack was allowed few visitors. But a Christmas card sent him by his Sutton county namesake was recalled and the two had a pleasant visit in a hospital room.

There's a gift coming from Connie Mack for the Sutton county child who will grow up and be able to tell all the "fellers"—

"Now, when I met Connie Mack back there in 1937..."

The famous baseball manager signed his name several times and these autographs will be saved for young Locklin by his parents.

Churches Beautify Their Surroundings

Ministers Plant Shrubbery Around Three Sonora Buildings

Leaders in the spiritual development of Sutton county people, the Baptist and Methodist churches are also showing that they have a regard for the physical perspective of their church "plants."

This week the Rev. R. C. Brinkley, pastor, has set out fifteen Italian and one Arizona cypress plants. Cedars growing at the front corners of the building were transplanted to positions toward the rear of the building.

The exposure at the side and front of the Methodist church building has been affected nicely by the planting of two Italian cypress shrubs, two flowering quince plants, four Nandina plants and one cedar. Rock gardens are being built at two places in front of the church. Shrubbery has been planted around the parsonage to make it more attractive.

Fire Thursday Damages Home

Damage was done Thursday afternoon at 3:10 by fire at the home of Jesus Urias, custodian at the First National Bank. A small room built next to the back door was destroyed. Household goods were carried out of the home as a precaution against more extensive loss. Some damage was done to the interior by water used in putting out the fire.

Sonoran Back This Week

"Feeling fine" is Les Fambrough, operated upon recently, who returned to Sonora Wednesday.

L. M. ROUECHE

April 3, Menard—first, 120-yd. high hurdles, 220-yd. low hurdles, broad jump, mile relay, high point man.

March 27, Crane—first, 120-yd. high hurdles and 220-yd. relay; third, 440-yd. relay; fourth, medley relay.

March 20, Barnhart—first, 120-yd. high hurdles; second, 220-yd. low hurdles; third, mile relay and high point man.

March 13, Iraan—first, 120-yd. high hurdles and high point man; second, 220-yd. low hurdles; fourth, mile relay.

Play Ball!

"Station A" Team Will Be Seen in Action This Week-End

First opportunity to view the ability of the 1937 Station A team, Permian Basin League entry, will be tomorrow when they play Iraan an exhibition game in Ozona.

Sunday in Sonora their opponent will be Texon. It will also be an exhibition game.

First league game for the Sonora-Ozona team will be Friday, April 16, with Iraan in Ozona. The following Sunday, April 18, Iraan will play the team on the Sonora diamond.

A. L. Ohlenburg, manager, said Thursday that the probable line-up in Ozona tomorrow will be:

Ratliff, ss; P. McLeod, rf; Gardner, lb; Dorley, 3b; Myers, lf; Sewart, c; Weaver, cf; Chalk, 2b; Tranthum, p. (White will probably pitch the Sunday game here).

Ohlenburg said that recruits lined up for the 1937 team include:

Pitchers: McDonald, an Odessa player last year; Tranthum, formerly with the Fort Sil, Okla., team; "Lefty" Draper, formerly a hurler with the Llano club of the Hill Country League; Fields, formerly with a league in the Red River valley section of North Texas.

A new infield player for Station A, according to Ohlenburg, is R. H. Chalk, Jr., a brother of George D. Chalk of Sonora. Last year he played with Del Rio. Dorley, Weaver, Myers and Stuart are among those from last year's Ozona team to be in uniform this year. P. McLeod, Lefty White, Ratliff and Gardner are from last year's group of Sonora players.

Carl Dorley, Ed Ratliff and Ohlenburg were among those in San Antonio last week-end to see the games played there by Philadelphia and St. Louis clubs of the American League. In Ohlenburg's opinion the display of baseball as played by the two teams at the end of their spring training period is not at all of the caliber that one would expect of such teams.

BAKER CASE TO BE HEARD DURING SEPTEMBER TERM

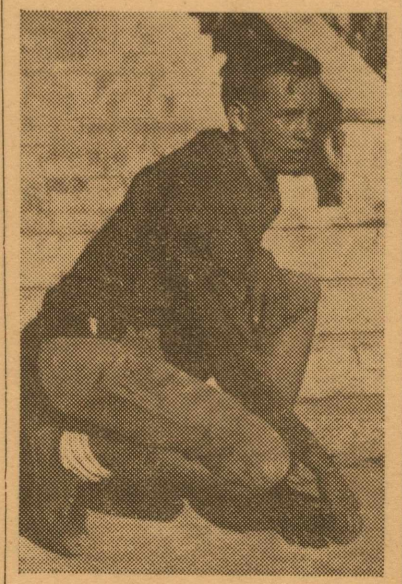

The district court case of Charles Baker of Menard, charged with alteration of checks, was continued this week until the September term of court.

During the March term Baker was brought into court and his case set by Judge Joe Montague for hearing before the judge sometime during the term of court at Ozona. Court there is in session this week and Weaver Baker, district attorney, was in Sonora one day this week and told of the continuance of the Baker case.

Sonoran Back This Week

"Feeling fine" is Les Fambrough, operated upon recently, who returned to Sonora Wednesday.

He Won . . .

REGINALD TRAINER

April 3, Menard—first, 220-yd. dash and 440-yd. run; second, 100-yd. dash.

March 27, Crane—first, 220-yd. relay team; third, 100-yd. dash and 440-yd. relay team; fourth, medley relay and mile relay.

March 20, Barnhart—third, 100-yd. dash, 220-yd. dash, mile relay. March 13, Iraan—second, 100-yd. dash; fourth, mile relay.

PIONEER RANCH WOMAN ILL AT HOME ON PLACE SHE LOVES

Contented and much more comfortable in the ranch home she loves is Mrs. D. B. Cusenbary, Sutton county citizen since 1893, according to her sons, W. R. and Ben, this week.

Mrs. Cusenbary, seriously ill several weeks in San Angelo, was brought home in an ambulance Friday. Her sister-in-law, Mrs. A. A. Dickinson of Ballinger, and a nurse are with her at the Cusenbary home near the Sutton-Edwards line on the Rockspings road. Ben Cusenbary said Tuesday that his mother was much more happy and "at home" where she could look out of the bedroom window and see activities—if only a small portion—of the ranch she has loved the forty-four years she has lived on it.

She is the senior member of the Methodist Church, having placed her letter shortly after coming here in 1893 with her husband to live.

Ever since 1893, with the exception of fifteen years in Sonora, Mrs. Cusenbary has lived on the "D. B. Cusenbary Ranch," where a large entrance arch was erected in memory of her husband who died nineteen years ago. Both of her sons and her daughter, Mrs. C. M. Epps of Midland, were born in Sutton county. The two boys, now young men, are ranchmen who operate portions of the original home place.

Son To Mr. and Mrs. Rawls

A baby weighing eight pounds was born Tuesday of last week to Mr. and Mrs. Jimmie Rawls. Mr. and Mrs. Rawls live on the Oscar Appelt ranch, but at present are living in an apartment at the Fred Nichols home.

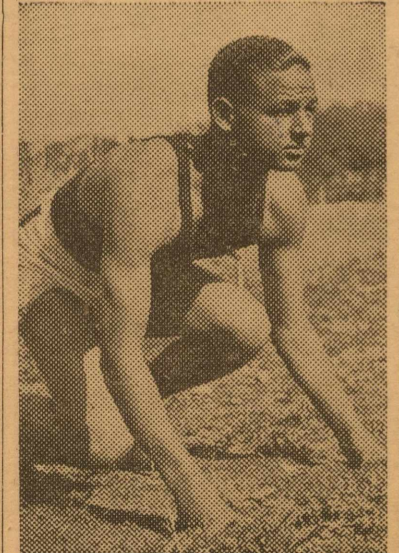

NEW HOUSE BEING BUILT ON JUNCTION HIGHWAY

Construction was begun this week on a five-room tile and stucco residence being built by J. T. Penick, near the city limit on the Junction highway and just across from where the Penick family is living.

The residence will have two bedrooms, living room, dinette, kitchen and bathroom. A garage will be built of hollow tile.

It is expected that the house will be completed in four to six weeks.

VERNON MORRIS

April 3, Menard—first, 100-yd. dash and mile relay; second, 220-yd. dash.

March 27, Crane—first, 220-yd. relay; third, 100-yd. dash and 440-yd. relay; fourth, medley relay and mile relay.

March 20, Barnhart—Third, mile relay; fourth, 100-yd. dash. March 13, Iraan—fourth, 100-yd. dash and mile relay.

Funeral Services at Four Tuesday For Mrs. Dan Cauthorn

Wife of Ranchman Ill Only Short Time; Teachers and Classmates Pay Tribute

An illness of little more than two weeks Monday night ended the life of Mrs. Dan Cauthorn, 34, wife of a prominent ranchman in Sutton county and sister of six Sonora people.

Mrs. Cauthorn became ill March 25 and was at the Mack Cauthorn ranch home, south of Sonora, until Saturday of that week when she was brought to the home of her brother, H. V. Stokes, in town. She seemed to be improving for several days but a change for the worse came Friday of last week and Sunday she was taken to San Angelo. Death came in a hospital in San Angelo late Monday night.

Child of Pioneer People

Mrs. Cauthorn, before her marriage August 22, 1935, was Miss Joanna Stokes. She was a daughter of Mr. and Mrs. S. H. Stokes, pioneer Sutton county residents. Her father, for many years county clerk, died in 1931 and her mother in December, 1934.

Since their marriage Mr. and Mrs. Cauthorn have been living on a 12-section Edwards county ranch owned by Mr. Cauthorn and his brothers and in September they moved to the 15-section Sutton county ranch bought by Mr. Cauthorn and his brothers, John and Mack, twenty-one miles south of Sonora.

Educated in Schools Here

Mrs. Cauthorn was reared in Sonora and educated in Sonora schools. In 1915 she joined the Methodist Church here that her mother affiliated with in 1892. Her mother was one of the first members of the Sonora church group.

At the funeral services Tuesday afternoon at the Methodist Church the Rev. R. F. Davis, pastor of the Methodist Church, and the Rev. R. C. Brinkley, Baptist Church pastor, were in charge. A vested choir sang and Mrs. Preston C. Lightfoot sang "Some Day We'll Understand." Burial was in Sutton County Burial Park.

Schoolmates in Pretty Tribute

Flowers were laid on Mrs. Cauthorn's casket Tuesday afternoon by a group of her classmates in the Sonora schools and by several of the teachers who taught her. The ladies took this means of expressing their tribute in memory of one with whom they had been so pleasantly associated in school days.

Surviving Mrs. Cauthorn, in addition to her husband, are these brothers and sisters:

H. V. Stokes, Mrs. J. W. Trainer, Mrs. W. A. Ezell, Mrs. Ernest McClelland, M. M. Stokes, all of Sonora; Mrs. J. M. Huling, former Sonora resident who lives in San Angelo; Mrs. Harry Sharp of Alpine.

Pallbearers were: R. A. Halbert, Bryan Hunt, John Fields, B. M. Halbert, Jr., Alton Hightower, Raymond Barker, Sam H. Allison, Henry Decker.

ELLIOTT SCHOOL PUPILS WORK FOR PLAYGROUND

Approximately \$25 was earned Monday night when L. W. Elliott School pupils presented a program in the school auditorium to complete a fund with which playground equipment will be bought. Miss Harva Jones and Miss Gertrude Babcock, teachers, directed the pupils in the various numbers which entertained the audience.

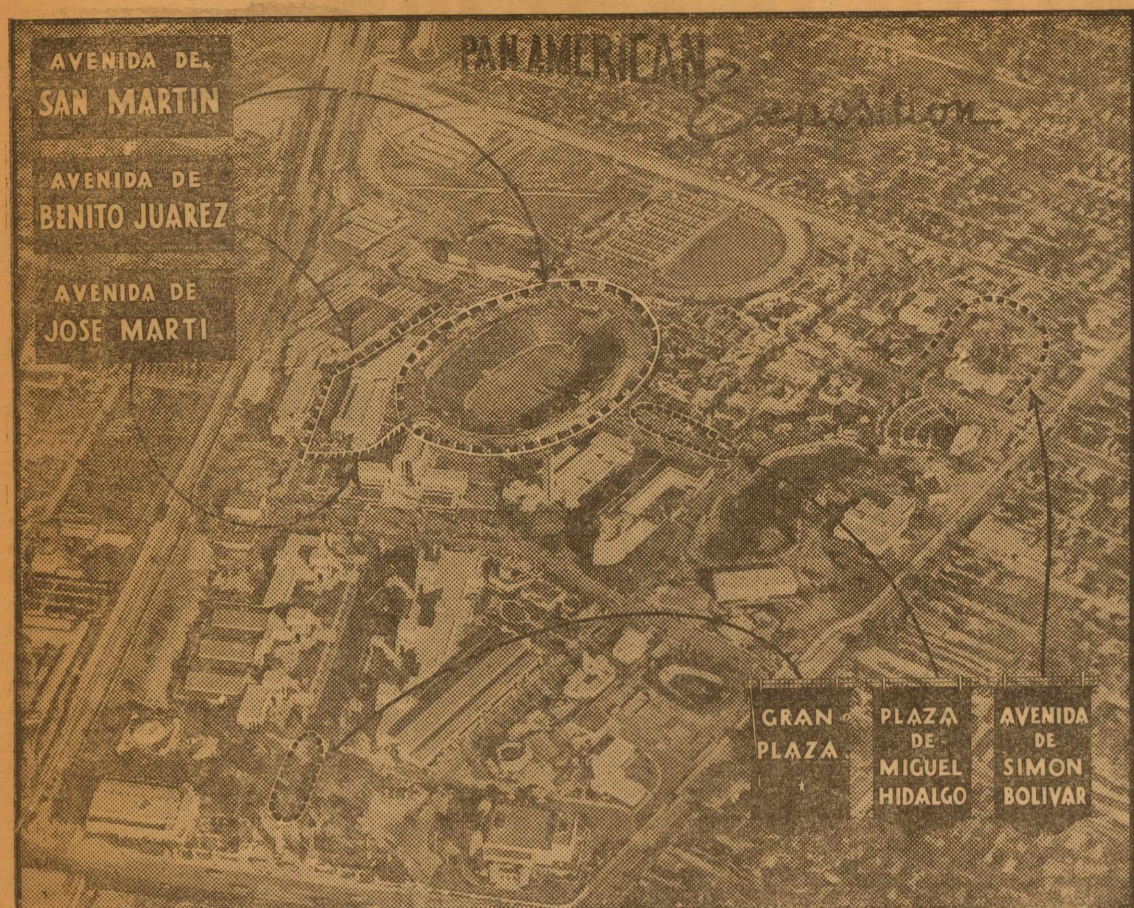

Stories told by Belia Esparaza and Jusiana Duran in the recent county contests in the high school auditorium were repeated so that many of the audience who could not attend before might hear them. Choral club pupils who sang in the contest also sang Monday night. Ramon Virgen entertained with a tap dance number.

A fanciful "Spring" number pleased. In it each child represented some animate or inanimate object closely associated with the spring season.

Ranchman Using Crutches

Wes Hill, ranchman, who suffered a broken leg recently, is in town on crutches today.

PAN-AMERICAN HEROES HONORED AT EXPOSITION

Dallas, April 7.—Broad avenues through the Pan-American Exposition grounds dedicated in name last week to

honored liberators and revealed statesmen of Mexico and Central and South America; for Simor Bolivar, for San Martin,

for Jose Marti and Benito Juarez; a stately plaza named in honor of Miguel Hidalgo.

Pupils Guests of Mrs. Cashes Taylor

B-Natural Boys and Girls Have Meeting Wednesday

B-Natural Music Club children enjoyed a party Wednesday afternoon when Mrs. Cashes Taylor was hostess to them at the home of their instructor, Mrs. Robert Jacobs.

A paper on the life of Beethoven was read by Kathleen Brinkley and all of the children joined in a discussion of his works afterward. Piano solos were played by the following:

Jerry Shurley, Billie Wright Taylor, Alyce Claire Shelton, Kathleen Brinkley, Marguerite Howell, Peggy Gilmore, Mary Gwendolyn Wyatt, Willie Nell Hale.

Other members present were Glenn Richardson, Eugene Shurley, Juanita Chadwick, Bessie Ray Kiser.

A piano duet was played by Alyce Claire Shelton and Billie Wright Taylor. A prize for practice work was given Juanita Chadwick and another for winning a note contest to Alyce Claire Shelton. Refreshments of punch and cookies were served with plates, napkins and straws carrying out a pink and green plan.

Adult guests at the meeting were Mrs. Joel Shelton, Mrs. Preston C. Lightfoot and daughter, Miss Rena McQuary and Mrs. Palmer West of Eldorado.

J. N. Ross Suffers Hand Injury
A serious cut on his left hand was suffered Wednesday afternoon by J. N. Ross, Sonora ranchman, while working on his ranch east of Sonora. A sharp pointed knife slipped and cut Mr. Ross' hand between his thumb and first finger.

The average housewife walks a mile in preparing a meal—half a mile to and from the delicatessen store.—Whitsitt Impress.

No Story There!

The fellow who didn't turn in any copy on the meeting of the Ladies' Missionary Society because the church burned down had nothing on the space writer for the North Shore Journal, New York.

Haynes Trebor, editor, telephoned him saying he had just received a tip that a crowd was milling in front of a school house whose opening had been delayed for several months.

"The crowd may be there to witness the opening of the school," suggested the editor. "You better run out and look around."

The space writer phoned back. "No," he said, "there's no story. The school isn't going to be opened."

"Then what's the crowd there for," questioned the editor.

"Oh, that," he replied, "the mothers have gone on strike against the delayed opening. They say there're not going to let their children go to school until this new one is opened." —"Short Takes" in Editor and Publisher.

IT ISN'T HOW WELL YOU DROVE LAST YEAR OR LAST MONTH

IT'S HOW SAFELY YOU DRIVE TO-DAY THAT COUNTS

NATIONAL SAFETY COUNCIL

Seal Migration Starts

Seattle, Wash., April 7.—Chaperoned by Coast Guard cutters to curb predatory hunters, 1,500,000 seals, or about 90 per cent of the world's seal population, has begun to move northward toward their breeding grounds on the bleak Pribiloff Islands, 250 miles off the Alaska coast. Seal pelts struck a low of \$11.20 in 1932; last September reached a high of \$29.77.

Zeppelin Increases Service

Frankfort, Germany, April 7.—Starting May 3, the big Zeppelin dirigible Hindenburg will make 18 round trips between Germany and the United States during the season ending November 5. This is nearly double the number of voyages made last year. Passenger capacity has been increased from 50 to 75 and the fare from \$400 each way to \$450.

Sculptor Defends Nudes

Kankakee, Ill. — George Gray Earnard, well known New York sculptor, donated \$100,000 worth of statuary to his alma mater, the local Central School. Learning that the school authorities planned to encase the male statues in marble pants and the females in step-ins, he threatened to withdraw his gift.

During a recent broadcast, a railway porter declared that carrying big trunks all day prevented one from putting on weight. We must visit the Zoo again and take another look at those elephants.—Humorist.

Texans Raise Many Polo Ponies

Texas Planning Board statisticians estimate that 90 per cent of the polo ponies used in the United States are raised on Texas farms.

Miss Karnes Doing Office Work

Work as office assistant for Dr. Joel Shelton was begun the latter part of last week by Miss Nann Karnes.

COMPLEXION SPECIALIST WILL BE HERE NEXT WEEK

Sutton county women who have some complexion problem that seemingly will not be solved will be interested in the visit to Sonora next week of Mrs. Swor of New York City.

Mrs. Swor, a representative of the Richard Hudnut DuBarry Salon, Fifth Avenue, New York, is to be at the Corner Drug Store all next week, according to announcement by Mrs. Belle Steen of the drug firm.

Year before last Mrs. Swor was here for a week. Mrs. Steen said this week that appointments may be made for consultation with the cosmetics representative at any time.

METHODIST PASTOR TELLS OF TWO SUNDAY SERVICES

"We See Jesus," is to be the Rev. R. F. Davis' subject at the Methodist Church Sunday morning. The evening sermon, also by the pastor, will be on "Our Prayer Life."

Sunday School classes will convene at 9:45 in the morning.

A cordial invitation to attend all services of the church is extended by the Reverend Mr. Davis.

Innovation at Grocery Store

A concrete barbecue pit has been constructed by the Hamilton Grocery within the store and near the backdoor. The pit has two compartments. Alfred Cooper, well known as a meat cutter and for his preparing of barbecued meats, is in charge of the barbecuing of meat for the firm.

Minister's Son Visiting Here

Reuben Brinkley is home for a few days from his duties at Fort Sam Houston, San Antonio, to visit his parents, the Rev. and Mrs. R. C. Brinkley. He is stationed with the 15th Field Artillery, Headquarters Battery. He will return to San Antonio Monday.

Tennis Court Being Constructed

Another concrete tennis court is being constructed at the high school. One court was completed recently. F. T. Jones, superintendent, expressed his gratitude to those who aided in building the courts.

Big Warship In Canal

Colon, Panama — Enroute from the Orient to her home station at Portsmouth, England, the 42,000-ton British battleship Hood squeezed through the Gatun locks of the Panama Canal with a clearance of less than five feet. The Hood is the largest warship in the world, but whispers in Tokyo indicate that the new Japanese battleships, mounting 16 or 18-inch guns, would displace 50,000 tons and be too large to negotiate the Canal.

Virgin Islands Rum Arrives

New York City — The long dormant rum industry of the Virgin Islands, financed with a PWA grant of \$1,000,000, resumes operations with the arrival of 50,000 cases of Government House Rum. It is believed that the large advance demand for this liquor will rehabilitate the industrial life of the islands, once termed by President Hoover "the poorhouse of America."

Some Texans Finding Gold

Abandoned mines in Central Texas are yielding a small amount of gold, according to C. W. Walker, Texas Planning Board mineralogist, who has discovered some individuals recovering from one ounce to two ounces of fine gold per week.

CAMPAIGN TO CUT MOTOR CAR DEATHS

Drivers' License Laws Sought by Many States.

Chicago.—Striking right at the heart of the traffic accident problem to determine who shall be allowed behind the steering wheels of motor vehicles, at least 18 states are now, or soon will be staging definite campaigns for the passage of standard drivers' license laws or to bring existing laws up to standard. These campaigns on many fronts are directly in accord with the National Safety Council's five-year drive to cut motor vehicle deaths 35 per cent by the end of 1940. Council field representatives and public safety staff members are lending fullest co-operation to official bodies and safety groups in various states and report that interest in the passage of laws to raise the standard of motor vehicle operators is gathering momentum daily.

In several states the governor has already indicated official support for the passage of standard laws. In all cases the campaign for such legislation is being led either by a prominent state official, civic groups, or by a state safety organization in which public officials are taking part.

In a recently completed study of the results of drivers' license legislation the council found that 24,000 lives would have been saved and nearly a million injuries prevented during the past ten years, had the national trend in motor vehicle accidents kept pace with the reductions made in the states having standard drivers' license laws.

Legislatures are to meet in 1937 in 37 states and at least 23 of these either have no drivers' license law or the measure is sub-standard. It is quite probable that some type of drivers' license legislation will be introduced in every state not already having a first class law. Some of these may fail, of course, but the net progress should be greater than in any previous year, council representatives believe.

The agitation for the passage of laws aimed at decreasing motor vehicle deaths reflects the tremendous increase in public and official interest in safeguarding highway traffic.

116 Guns of Three Wars Included in Collection

Portland, Conn. — Edward L. Sterry's interest in guns dates from the day his father bought him an air rifle. Now he has a collection of 116 rifles and pistols used in the Revolutionary, Civil and Spanish-American wars and in the battles of the Western prairies against the Indians.

He also collects old powder horns and knives.

Latest Straitjacket Tailored for Comfort

Superior, Wis. — A new type straitjacket designed to eliminate features of old models has been invented by Clayton Connor, Douglas county veterans' service officer. The old type, Connor said, kept patients uncomfortable and uneasy. His jacket, he said, fits around the patient with three back straps. The upper arm and lower wrist are strapped.

Eating Is Advised, Not Rest, If Tired

Honolulu. — As the result of experiments on American school boys at Kamehameha high school Dr. Howard Haggard and Dr. Leon A. Greenberg, of Yale, have issued the edict: "When you are tired, don't rest; but eat."

The experiment, according to the Yale scientists, showed that a mid-morning meal snaps up the efficiency.

They tried it out with two groups of boys in different combinations of meals and no-meals. The ones who had extra snacks between times were able to do more than those who remained on the regular three meals a day program.

As a consequence the mid-morning lunch has become a regular institution at the Kamehameha school. The meal is milk and angel cake.

L. M. Roueche Honored With Party Wednesday

Several friends surprised L. M. Roueche, Jr., on his eighteenth birthday Wednesday evening when they called at his home.

Dancing was enjoyed by: Mary Owen, Kathryn Brown, Katha Lea Keene, Robby Jo Wyatt, Ina Archer, Joyce Bogard, Jo Ann Marion, Dickie Vehle, Francis Archer, Robert Allen Simmons, Bob Jackson, Vernon Morris, Elward Glasscock.

Mrs. Roueche served angel food cake and fruit punch.

Sonora Girl Best in Typing Saturday

Joe Nell Miers and Jo Ann Marion First in Two Contests

Kathryn Brown and Joe Nell Miers, as a team, and Jo Ann Marion as an alternate, represented Sonora at the four-county inter-scholastic league meet in Menard Saturday.

Joe Nell made the highest individual score, 140.3, comparing favorably with the score of Alice Mund, Eldorado, who made 136.8, for second place. Joe Nell also made the highest percentage of accuracy, 95.7 with only three errors, while Alice Mund made 88.7 with nine errors. Joe Nell was the only contestant who made above ninety.

The team scores were: first, Eldorado, 121.8; second, Sonora, 118.9; third, Menard, 92.7; fourth Junction, 74.5. The first and second place teams, Eldorado and Sonora, will go to the district inter-scholastic league meet in San Angelo April 16-17.

Preston C. Lightfoot is the typing instructor.

Jo Ann Marion won first place with a score of 132.5, when the Sonora typing team and Ozona typing team contested here Thursday afternoon of last week.

Second highest score, 129.1, was made by Kathryn Brown. Joe Nell Miers was third with a score of 128.

Jo Ann made the highest percentage of accuracy, 94.9, with three errors. Kathryn Brown made 43.5 net words per minute for fifteen minutes.

Alice Mund of Eldorado made the highest individual score, 135.1, Tuesday afternoon when the Eldorado team won a contest here.

Young People Entertained at Neil Roueche Home

Robby Jo Wyatt entertained a number of friends, Thursday night of last week, at the home of Mr. and Mrs. Neil Roueche. Dancing furnished entertainment for the young people.

Fruit punch and cookies were served to:

Parent-Teacher Leader

Among the district and state officers attending the sixth district conference, the Texas Congress of Parents and Teachers in San Angelo yesterday and today is Mrs. W. P. Riley of Junction.

Mrs. Riley, above, is president of the sixth district. She recently spoke here and is known by a number of Sonora people who are active in Parent-Teacher work.

Scout Officials From New York Office To Address Leaders' Conference Sunday

RAY O. WYLAND National Director of Education and Relationships, Boy Scouts of America.

HAROLD F. POTE National Director, Division of Personnel, Boy Scouts of America.

A conference of Boy Scout leaders of the Concho Valley Council and of other councils in Texas and New Mexico is expected to attract a large number of men to San Angelo Sunday.

Several members of the troop committee directing the work of Sonora's Troop 19 probably will attend.

Visitors are expected from Roswell and Santa Fe, N. M., Lubbock, Sweetwater, Abilene and Brownwood. Most of the men will be from the counties making up the huge Concho Valley Council, host council for the conference.

After a 12:15 luncheon Harold F. Pote, director of the division of Personnel, Boy Scouts of America will speak on "Considerations of Leadership." An Iowan by birth, Mr. Pote has been in Scout work since 1917. He was Scout Executive of the Sedalia, Mo., council,

deputy regional executive in six mid-western states and for six years served in similar capacity in Minnesota, the Dakotas and eastern Montana. Since 1930 he has been a member of the national organization's staff.

Another address during the afternoon will be made by Dr. Ray O. Wyland, director of education for the National Council, Boy Scouts of America. Dr. Wyland's subject, at 6:30, will be—"The Significance of a Scout-trained Minorities." A Kansan by birth, Dr. Wyland has had a wealth of experience in Scout work, having been associated with the movement since 1922. Before that as managing director of United Americans, he directed the training and naturalization of 20,000 aliens. He is a graduate of the University of Illinois and did graduate work at the University of Chicago and at Columbia University.

Father of Sonorans Buried in Concord

Father of Elliott Brothers Buried in Rusk County

A farmer and cattleman for many years although not actively in business in recent years, William Albert Elliott, 76, father of L. W. Elliott and A. C. Elliott of Sonora, was buried in Concord, Rusk county, last week.

The two sons and their families returned this week from Concord, where they went a week ago Sunday noon. Their father died at 2:15 the afternoon of the day they left.

Mr. Elliott was born in the county in which he lived and died. He and his father were born on land acquired by the son's grandfather, William Elliott League, by Spanish grant in 1821, fifteen years before Texas' independence was established. A part of the land of the original grant is still in the family.

Mrs. Elliott has been dead more than thirty-nine years. Besides the two sons here, Mr. Elliott is survived by a daughter, Miss Wilma Elliott, who has lived with her father, and by two half brothers and a half sister — Dr. W. H. Faulkner and George B. Faulkner, both of Concord, and Mrs. Beaman Strong of Beaumont.

Pastor Again in Sonora

Services both morning and evening at the Baptist Church Sunday will be conducted by the pastor, the Rev. R. C. Brinkley. The Reverend Mr. Brinkley returned this week from Barnhart where he has been conducting a revival.

Girl Hostess at Birthday Party For Brother Monday

Entertaining twelve boys on the thirteenth birthday of her brother, Ray Wallace Stephenson, was Wirt Ellis Stephenson's method of fulfilling her home project in her Homemaking class at school.

The party, Monday night, was attended by: Jack Lindsey, Robert Hamer, Rex Merriman, R. W. Johnson, Justin Odom, K. C. Collier, Dannie Friess, Roy Cooper, Glenn Richardson, O. L. Richardson, Bernie Ensley, Nelson Stubblefield.

Games were played and weiners, cake and ice cream served.

ONE-ACT PLAY GIVEN AT P. T. A. WEDNESDAY

Miss Nan Johnson, fourth grade teacher at the L. W. Elliott School, presented her pupils in a play, "Courtesy Land," Wednesday morning in assembly and also at the Parent-Teacher Association meeting that night.

The play by the thirty pupils was given to help the children learn table manners, how to answer a telephone or doorbell, how to behave at home or in public places and how to meet visitors. When the play started, the children were aboard a "make-believe" train, riding to "Courtesy Land." The first stop was "Polite Town."

13,000!
TEXANS
The Humble Company lists approximately 13,000 Texas men and women on its payrolls. If you could gather all these folks and their families into one place, they would make a city with over 50,000 people. Happily, they don't all live together; they are scattered through the length and breadth of Texas so that the work they do, the money they earn, contributes to the building up of a hundred or more Texas communities. Through them, as through many other activities, the Humble Company, a Texas institution, plays its part in the sound development of our common state.

TEXAS WITH GOOD FIRE RECORD SHOULD MAKE IT BETTER ONE

Texas everywhere are due commendation for the unusually great decrease in the fire loss in the state during the last two years—a decrease according to Marvin Hall, fire insurance commissioner, that has amounted to fifty per cent during the two-year period.

Sonora's loss by fire each year is not at all a large amount and the town's fire record will compare favorably with other towns of this size. This town's part in checking fire losses by every means possible has aided in the establishing of the state record.

A recent bulletin of the Texas Fire Insurance Department reads in this manner:

"Figures compiled from the reports of over 500 Texas fire marshals show that the high fire loss trend of 1931 and 1932 has taken a steep swing downward in recent years. The total loss for those two depression years was \$32,638,537. The total loss for the years 1935 and 1936 was \$13,732,587—still too high an amount, but encouraging nevertheless.

"According to the fire marshals' reports to the Texas Fire Insurance Department, 79 per cent of the 6,514 fires in 1932 occurred in dwellings, with a loss ratio of 55 per cent. In 1935, 68 per cent of the fires occurred in dwellings, and in 1936 the number decreased to 2,897, or 62½ per cent of the total number of fires. The loss ratio has decreased 20 per cent in five years."

All over the state this is being observed as "Clean-Up Week." Special efforts are being made to have property cleaned up in order to make it more presentable and to eliminate conditions which without a doubt are or tend to become fire hazards.

It behooves Sutton county people to give a thought to the remarkable record of the last two years as regards fire losses and to make every effort to do their part to see that trash, rubbish, waste matter of all kinds is removed to a point that it will not be likely to be the cause of a fire. Only by such precautions this week, and every week, may the Texas record be maintained and some progress made toward making that record an even better one.

Sonorans' Niece One of New London Dead

Eleven-Year-Old Child Killed Near Auditorium Door

When Glyndell Sutherlin, 11, started with her fifth grade teacher to grade some art papers two weeks ago Thursday afternoon in the New London school their task was never accomplished.

Mr. and Mrs. T. L. Harrison of Sonora returned recently from East Texas where they attended funeral services for the child, Mrs. Harrison's niece, which were held twelve miles from Palestine on Saturday after the tragedy.

The child's body was found with the teacher and two other pupils near the auditorium door. Her parents found her body in a Henderson morgue after the tragedy. The child's father is an employee of the Humble oil company organization. The Sutherlins visited here last summer and Mrs. Harrison accompanied them on a trip to Carlsbad Caverns.

Mr. Harrison said this week that the Humble organization assumed in their entirety the obligations of employees who were faced with financial problems of burying their dead. An official of the oil company stated to Mr. Sutherlin and Mr. Harrison the Sunday after the tragedy that the company felt it could help in a financial way and that it wanted to do so. The official was in the section Sunday with thousands of dollars available for use in paying expenses entailed by the company's employees.

In the Humble Sales Lubricator, sales department publication, two pages are used in the listing of dead and injured relatives of the company's employees. Seventy-one deaths were recorded and sixteen injured persons listed.

Bridge Players in Contest This Week

National Tournament Taken Part in By Twenty Sonorans

Devotees of the game of bridge gathered Wednesday night at the home of Mr. and Mrs. Roy E. Aldwell to participate in a tournament, the results of which are to be compared with those of other players in many sections of the United States.

Sponsors of the tournament this year was the Young Woman's Guild of St. John's Episcopal Church. The building fund benefited as a result of entrance fees paid. The committee in charge was Mrs. Bryan Hunt, Mrs. J. C. Morrow and Miss Alice Karnes.

Quartets, by "teams," at the various tables, were:
 Dr. and Mrs. I. B. Boughton—Dr. and Mrs. W. T. Hardy; Miss Alice Karnes, Miss Nann Karnes—Mrs. Tom White, Mrs. Collier Shurley; Mr. and Mrs. Roy E. Aldwell—Mr. and Mrs. J. C. Morrow; Dr. and Mrs. Joel Shelton—Mrs. W. L. Aldwell, Mrs. Stella Keene; Mr. and Mrs. George H. Neill—Mrs. E. F. Vander Stucken, Mrs. Sterling Baker.

Cards were distributed by Mrs. Bryan Hunt and L. W. Elliott.

Sonora Wins Track
 (Continued from page 1)

to L. M. Roueche in the senior division and to W. Elliott in the junior division.

Sonora children who won in the literary and scholastic events were:

Declamations—Senior Girls, second, Mattie Mae Friess; Senior Boys, second, Claude Thomas Driskell; Junior Girls, first, Peggy Gilmore; Junior Boys, second, Glenn Richardson.

Ready-Writers—first, Mary Jo Rape.
 Typing—second, Sonora team (Joe Nell Miers, Kathryn Brown; Jo Ann Marion, alternate).

All of the Sonora winners will be entered in the district Interscholastic League contests in San Angelo April 16 and 17. In addition to these there will be several who will go to San Angelo to present a one-act play, directed by Miss Kathryn McQuary.

Woman's Club Met at Clubhouse Thursday Afternoon

Mrs. J. Franklin Howell, program leader, discussed the life of Marie Sandoz, Thursday afternoon of last week, when the Woman's Club met at the clubhouse.

A book, "Old Jew," by Sandoz, was reviewed briefly by Mrs. F. T. Jones. The program subject was, "Biography," and is given in the yearbook as:

"Choose an author as you choose a friend."

Katha Lea Keene sang "How Sweetly Does the Moonbeam Smile," by Oscar J. Fox, and "Boats of Mine," by Anne Stratton. Miss Marie Watkins played the accompaniment.

After the main program, a short business meeting was held.

Members present were:

Mesdames J. L. Nisbet, F. T. Jones, Roy E. Aldwell, Sterling Baker, I. B. Boughton, J. H. Brasher, W. H. Dameron, Hi Eastland, Lloyd Earwood, W. J. Fields, Jr., John Fields, B. W. Hutcherson, J. Franklin Howell, E. E. Sawyer, Miss Nann Karnes.

Mrs. Hutcherson urged all members to send in nominations for officers for the coming year. The box is at the Corner Drug Store.

Sonoran To P. T. A. Conference

Mrs. S. T. Gilmore and Mrs. T. J. Martin of Brackettville went to San Angelo yesterday, where they are attending a conference of the Sixth District of Texas Parents and Teachers. Mrs. Gilmore is honorary vice-president of the district.

Mrs. W. R. Cusenbary Elected PTA Leader

Organization Will Sponsor Cake Contest at Cooking School

Mrs. W. R. Cusenbary was elected 1937-1938 president of the Sonora Parent-Teacher Association Wednesday afternoon when the regular monthly meeting was held at the high school auditorium.

Mrs. Cusenbary, who succeeds Mrs. M. O. Britt, is serving on the finance committee this year with Mrs. V. F. Hamilton and Mrs. J. S. Glasscock. Other officers elected for the 1937-1938 school term were:

First vice-president, Mrs. J. F. Howell; second vice-president, Mrs. O. L. Richardson; third vice-president, Mrs. J. C. Morrow; secretary, Mrs. M. O. Britt; treasurer, Miss Pauline Davis; auditor, Cecil H. Allen; parliamentarian, Preston C. Lightfoot.

Mrs. O. G. Babcock, program leader, introduced F. T. Jones, who spoke on "Character Growth," a talk he recently gave over the radio station in San Angelo. An interesting message from the state president, Mrs. M. A. Taylor, was read by Mrs. O. L. Richardson.

Members of the association are again to sponsor the cake contest the second day (Tuesday, April 20) of the NEWS annual cooking school. The organization will be given all of the cakes entered and will sell them for the benefit of the association.

A decision was made to send several delegates to San Angelo this week to attend a conference of the Sixth District of the Texas Congress of Parents and Teachers. The Junior Choral Club, directed by Miss Rena McQuary, sang several songs.

"Good Taste," subject of the program, is expressed in the yearbook as—"Good taste is a quality acquired through the practice of discrimination between worthy and unworthy values of life."

Officers are to be installed at the May meeting, which is the last meeting of this school year. "Appreciation" is the subject, and Mrs. Velma Shurley the leader.

Envelopes? Any type. At the NEWS.—adv.

"Surprise" Feature and Contest for Cake Bakers Arranged for Cooking School April 19--20

MRS. WILLIAM A. BROWNE
Home Economist and Food Authority
Graduate, Texas State College For Women, and former manager of Rose and Grey Efficiency Kitchen of the Dallas Y. W. C. A.

Women who know their ability in baking cakes will again have opportunity this month to pit that knowledge against similar knowledge of other Sutton county women.

So successful was the cake contest at the Cooking School last year that another one has been announced for the second afternoon (Tuesday, April 20) of the 1937 school. The Parent-Teacher Association will be sponsors of this feature and will be given all of the cakes to sell for the benefit of their organization.

Several Awards Offered

Housewives who enter cakes will be competing for a \$5 first prize, given by the NEWS, as well as for a year's subscription or renewal to the NEWS, a cabinet of Hammermill Bond stationery, a week's pass to La Vista Theater, and other articles. A definite list of prizes for this year's contest will be announced next week in the NEWS.

The NEWS is pleased to present today a picture of Mrs. William A. Browne who will conduct the two-day Cooking School April 19

PIONEER FIRM TO SUPPLY GROCERIES AND MEAT

Mrs. Browne will use groceries and meats bought at the E. F. Vander Stucken Co., Inc. during work here April 19 and 20. R. D. Trainer of the grocery firm announced this week he was pleased that his store, established nearly half a century, would be used by Mrs. Browne as her marketing place while in Sonora.

and 20. Mrs. Browne will be in complete charge at the School and will be judge of the cakes entered in the contest. She is thoroughly trained in work with foods and the information she has will be enjoyed greatly by Sutton county women who attend the school in the high school auditorium.

Unique Entertainment Promised

In next week's issue of the NEWS a "surprise" feature will be announced for the first day of the School, Monday, April 19. Arrangements were completed the latter part of last week for this feature—something which has not been presented in either of the other two Schools sponsored by the NEWS, food manufacturers and Sonora merchants.

All who attend will register at the door as in other years and by so doing will be privileged to participate in special features during the program.

There will be something in store for every woman attending the Cooking School. The variety of the lecturer's program speaks for this

fact. She will not confine her topics to those which would interest only one group of women—she has interesting information for the mother; the young married woman; the woman interested in balanced meals for their families; those seeking the "tid-bits" of cooking. Homemaking students, too, taught by Miss Lesta Lovejoy, will be given a special invitation to attend the two-day School.

Next week's issue of the NEWS will contain details of the "surprise" feature of the first day of the School as well as the list of cake contest prizes and other information interesting to Sutton county women who are looking forward to the two-day School to be conducted by Mrs. William A. Browne.

Bridge Club Entertained By Mrs. Edgar Shurley

Bluebonnets and violets were attractively arranged in the ranch home of Mrs. Edgar Shurley, when she was hostess to the Just-Us Club Monday afternoon.

Guests included Mrs. P. J. Taylor, Mrs. Collier Shurley, who held high score, and Mrs. Joel Shelton, who was awarded high cut.

Club members present were: Mesdames R. A. Halbert, J. S. Glasscock, Libb Wallace, J. Franklin Howell, G. H. Davis.

Mrs. Halbert held high club score.

At the tea hour a salad plate was served.

Mrs. Ward Club Hostess Monday Afternoon

Miss Alice Karnes, who won high guest score, and Mrs. Fred Simmons were the only club guests Monday afternoon when Mrs. J. A. Ward, Jr. was hostess to the Contract Club at her ranch home.

Club members present were: Mesdames W. L. Aldwell, J. L. Nisbet, E. F. Vander Stucken, George H. Neill, Lloyd Earwood.

Mrs. Ward held high score for club.

A course at Harvard will offer training for a career in public office. Or how to grasp a lapel firmly without rending the garment. Milwaukee Journal.

Use your credit at the store of George Barrow, Jeweler. Buy on time for Graduation Gifts. Small payment down, balance weekly or monthly. No carrying charges. tf

Mrs. Decker Party Hostess Saturday Afternoon

Members and four guests of the Girls' Club were entertained Saturday afternoon, when Mrs. Henry Decker was hostess at three tables of bridge.

An attractive salad plate was served after several games of bridge.

High club score award was presented Mrs. Lloyd Earwood and Mrs. Ernest McClelland won high guest award.

Corsages of violets were given for plate favors.

Club members present were: Mesdames John Fields, Bryan Hunt, George H. Neill, J. A. Ward, Jr., R. C. Vicars, W. P. McConnell, Jr., Miss Alice Karnes.

Club guests were Mrs. Sam Bruce, Mrs. Bill Beard, Mrs. W. J. Fields, Jr.

Mrs. James Club Hostess Thursday Afternoon

Two tables of bridge players were entertained Thursday afternoon when Mrs. W. E. James was hostess to the Blue Monday Club.

A delectable salad plate and punch was served at the tea hour.

Mrs. Authur Simmons won high club score and Mrs. Frank Williams high guest score.

Mrs. James' other guests were: Mesdames J. W. Trainer, R. K. Muckleroy, W. E. Caldwell, Sam Bruce, Robert Rees.

Duke Wilsons Party Hosts at Clubhouse Thursday

A pretty, spring color scheme of yellow and lavender was used Thursday night of last week when Mr. and Mrs. Duke Wilson were hosts at the clubhouse.

Members and guests of the Sonora Night Club were entertained. A salad plate was served, and irises were used for centerpieces at each of the four tables.

Club guests were: Mr. and Mrs. Jack Mann, who held high score, Mr. and Mrs. Henry Decker, Mrs. John Fields, Mrs. Alton Hightower. Club members who attended were:

Messrs. and Mesdames Bryan Hunt, Lloyd Earwood, George H. Neill, Frank Bond, Mrs. Sam H. Allison.

Mr. Wilson and Mrs. Allison won high club award, and Mr. and Mrs. Hunt second high. High cut awards were presented Mrs. Neill, Mrs. Hightower, Mrs. Decker, and Mr. Mann.

35 Years Ago

Miss Alma Drennan, daughter of Mr. and Mrs. Wm. Drennan left Friday on a visit to friends in Ozona.

Ladies, be sure to come and see our new Spring and Summer dress goods, embroideries, trimmings, etc., at Hagerlund Bros. & Co.

Joe Lister (Wild Bill) of San Angelo was here Sunday.

Dress ducks, plain, figured and pebbled at Mayer Bros. & Co.

Landreth's fresh garden seeds, seed potatoes and onion sets at Hagerlund Bros. & Co.

Sol Mayer sold to Winfield Scott of Fort Worth 2000 3- and 4-year-old steers at \$28 to be delivered at once.

Abe Mayer bought the W. R. Rudicil bunch of cattle, about 200 head at \$16.

R. F. Halbert of Sonora bought from W. S. Butler of Crockett county 900 sheep at \$2 a head.

F. Mayer & Sons of Sonora bought of G. S. Allison 100 nation cows at \$15.

How the Chinese Do Things

The men wear skirts and the women trousers.

The men wear their hair long and the women wear it short.

The men carry on dressmaking and the women carry burdens.

The spoken language of China is not written and the written language is not spoken.

Books are read backward.

The Chinese dress in white at funerals and in mourning at weddings; while old women always serve as bridesmaids.

They begin their dinner with dessert and end with fish soup.

AMERICAN LEGION SOON TO OPEN RECREATION SPOT

Abilene, April 7.—A three-day dedication program is being planned for sometime about June 1 when American Legion members here dedicate their clubhouse located on a five-acre plot east of town.

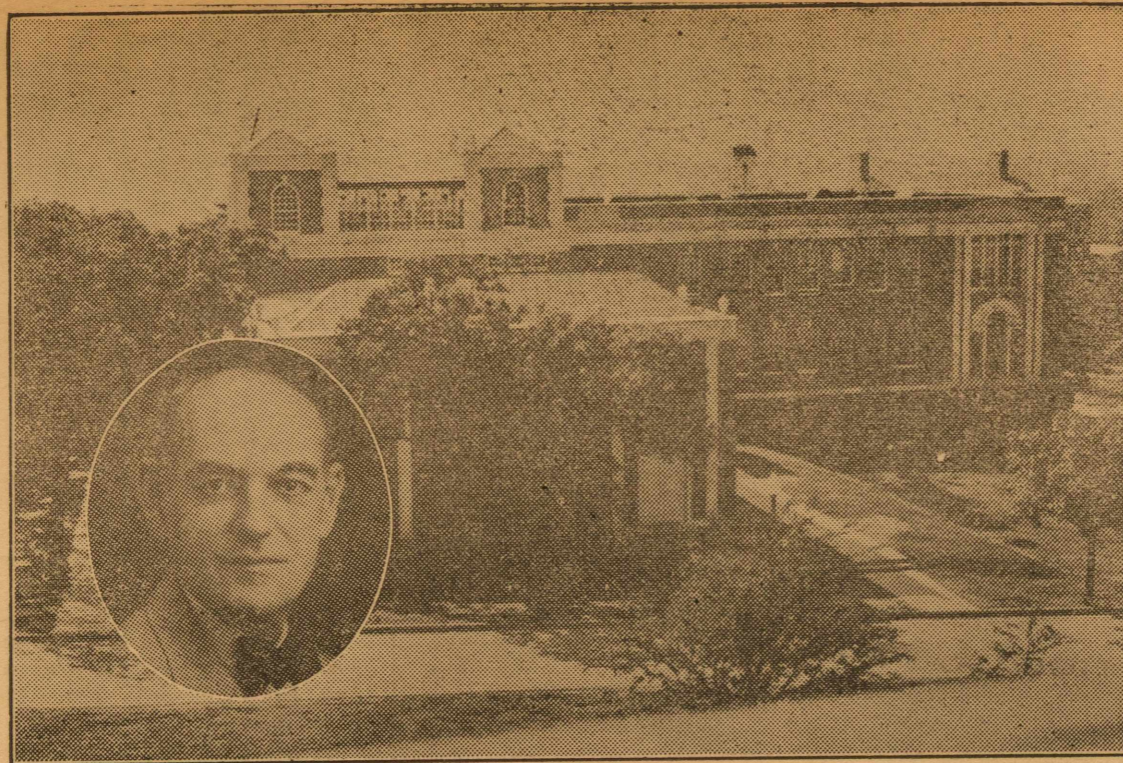

Modern in every way, the building has ninety feet of lumiline lights in four colors across the ceiling. The grounds around the stone clubhouse building is flood-lighted. A children's playground, natatorium and caretaker's cottage are a part of the recreation spot.

Ruck Sibley, chairman of the post's building committee, said completion of the recreation facilities provided by the organization will follow a 11-year drive for a park which Legion members and the general public might use. Income from the swimming pool and dance facilities will be used in the post's program of activities.

Clearing Productive of Fuel

Trees and brush being cleared out in the Texas state parks are being converted into charcoal for use by picnic parties, according to information by the National Park Service.

STATE SCHOOL WILL DEDICATE SEVEN BUILDINGS

Pictured above is the Science Building at Texas State College for Women (CIA), one of the seven new structures erected during the past two years of the administration of President L. H. Hubbard. The million and a quarter dollar building program was erected with the assistance of the Works Progress Administration and includes the Music and Speech, Fine Arts, and Science Buildings; the College Hospital, and Stoddard, Houston and Austin Halls.

Personals

Word Sherrill of San Angelo was in Sonora Saturday.

Miss Birdie Rutledge and Mrs. Jack Wardlaw and her daughter went to San Angelo Monday.

Mr. and Mrs. C. T. Jones and daughter, Harva, and Emma Sessions went to Menard Saturday.

Mr. and Mrs. R. A. Halbert and Mr. and Mrs. B. M. Halbert, Jr. and son, Basil, went to San Antonio last week-end.

Mr. and Mrs. L. M. Sanders of Athens, spent the week-end with his sister, Mrs. B. C. McGilvray, and Mr. McGilvray.

W. B. Sanders left Sunday for his home in Athens, after a visit with his daughter, Mrs. B. C. McGilvray, and Mr. McGilvray.

M. L. Draper of Pontotoc is visiting his sister, Nola, and Miss Grace Draper, and Mr. and Mrs. Paul McLeod at Station A.

Mr. and Mrs. L. E. Johnson returned Sunday night from a visit with their son, Lem Eriel, who is a student at Texas A. and M. College.

Airlines Show Gains Last Year

New York City, April 7.—Investors in the stock of commercial airlines had become reconciled to a "long pull," but were cheered by 1936 earnings statements by the Big Four operators just released. United Air Lines turned a net loss of \$1,393 into a profit of \$367,283. American Airlines turned a 1935 loss of \$748,370 into a net profit of \$4,589. Trans-Western Airlines increased its earnings from \$19,404 to \$205,126; and Eastern Airlines from \$92,263 to \$168,602. Instead of a threatened rate war, leading lines agreed on \$149.95 as their trans-Continental fare.

Many Visitors Expected This Year

Texas Planning Board travel experts estimate that approximately 2,000,000 tourists will visit Texas during 1937.

SONORA YOUNG LADY WILL TAKE STATE EXAMINATION

Completing a course in beauty culture, begun last fall, Miss Ida Belle Sykes, daughter of Mr. and Mrs. J. A. Sykes of Owensville, will take the state examination May 3 in Houston.

Miss Sykes, a graduate of Sonora high school last year, has been studying in a beauty culture college in San Antonio. She has visited her parents, friends and relatives here several times since beginning the course.

Although the state examination will be taken early in May it will not be until August that certificates will be given the successful students.

Jewelry, Watches, Diamonds—for graduation—can be bought on time and without carrying charges—Buy at your local jeweler's—George Barrow.—adv.

For 1937 - THE NEW "SUPER-DUTY" FRIGIDAIRE WITH THE METER-MISER

... at the price of an Ordinary Refrigerator!

See the **PROOF** of thrilling new completeness in **ALL 5 BASIC SERVICES** for Home Refrigeration

PROOF 1

... GREATER ICE-ABILITY

Ends "Cube-Struggle" and "Ice-Famine"! At last, the refrigerator that instantly releases all ice trays — and all cubes from every tray, with the New INSTANT CUBE-RELEASE! Also freezes more pounds of ice — faster . . . stores 100% more ice-cubes in reserve. SEE THE PROOF!

PROOF 2

... GREATER STORAGE-ABILITY

New 9-Way Adjustable Interior! Goodbye to old-fashioned crowding and dish-juggling. Now Full-Width Sliding Shelves, Cold-Storage Tray, new Super Duty Hydrators, ALL adjust like magic to suit any size or shape of food! SEE THE PROOF!

PROOF 3

... GREATER PROTECT-ABILITY

Keeps Food Safer, Fresher, Longer! SAFETY-ZONE Cold proved by new Food-Safety Indicator with Dial on the Door, always in sight. Plus MOIST Cold for vegetables, EXTRA Cold for meats, FREEZING Cold for ice cream, frozen desserts. SEE THE PROOF!

PROOF 4

... GREATER DEPEND-ABILITY

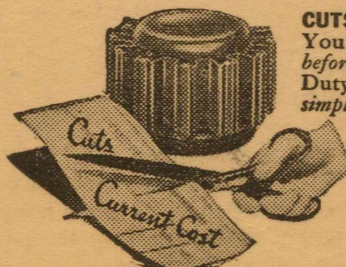

Five-Year Protection Plan backed by General Motors, on Frigidaire's sealed-in mechanical unit. This, with Frigidaire's Sealed Steel Cabinet, Special Sealed Insulation, and Lifetime Porcelain or Durable Dulux exterior, all adds up to the most complete DEPEND-ABILITY ever known.

PROOF 5

... GREATER SAVE-ABILITY

Only Frigidaire has the

Meter-Miser

CUTS CURRENT COST TO THE BONE. You see this proved by an electric meter before you buy! Meter-Miser does Super-Duty at amazing saving because it's the simplest refrigerating mechanism ever built. Only 3 moving parts, including the motor . . . permanently oiled, completely sealed against moisture and dirt. Meter-Miser savings pay for a Frigidaire and pay you a profit besides!

This **PROOF** shows you what to look for . . . How to buy!

This year, don't buy on mere *say-so*. Don't be satisfied with only part of the SERVICE-ABILITY you should have in a permanent refrigerator for your home. Insist on PROOF of completeness in All 5 Basic Refrigeration Services. And if you want to see what to look for . . . how to buy . . . visit the FRIGIDAIRE PROOF-DEMONSTRATION now going on at your local Authorized Frigidaire Dealer's. There you will see actual PROOF of Frigidaire's GREATER ICE-ABILITY . . . GREATER STORAGE-ABILITY . . . GREATER PROTECT-ABILITY . . . GREATER DEPEND-ABILITY and GREATER SAVE-ABILITY.

SEE PROOF BEFORE YOU BUY! Only then can you appreciate the full difference between an ordinary refrigerator and Frigidaire with the Meter-Miser, which gives SUPER-DUTY at an amazing saving . . . yet costs you no more!

We invite you to come in and see FRIGIDAIRE PROOF-DEMONSTRATION. Until you do, you can't be sure of getting full 1937 value in a refrigerator. Now going on in our showroom!

Remember, Frigidaire doesn't merely claim these advantages—it proves them. That's why we say:

West Texas Utilities Company

SODA, TOBACCO, DICAPHO, SULPHUR

—as well as many other mineral ingredients are in stock here now.

BANK GROUPS MAKE NATIONWIDE SURVEY

American and State Banking Associations Collaborate in Investigation

LOAN SERVICES STUDIED

Activities of the Government in the Banking Field Are Reviewed and Position of Banks Analyzed

NEW YORK.—Detailed bank researches, covering all phases of practical operating and economic facts and conditions related to banking, are being made by the American Bankers Association. The resulting material is being placed at the disposal of all state banking associations, which in many instances are extending the researches of the national association in their own states. These activities are said to be a part of the general program of banking development which is being carried on by the organized banking business.

Among the most extensive researches being conducted by the American Bankers Association is that of its Committee on Banking Studies, which is making a detailed survey of Federal Government lending agencies and policies. The basic material, which is kept up to date by continuing studies, shows where the Government agencies get the money they lend, what liability the Government assumes, what subsidy it extends, what return it gets, for what and to whom the money goes and on what terms it is loaned.

The Government in Banking

"It is not the intention of the committee to express its viewpoint about any agency," says the foreword to this material. "Its intention is only to determine the facts. These facts properly assembled and presented should help banks to meet Government competition if and where it exists. The committee believes the Government entered the lending field at a critical period in order to aid banks and financial institutions. If the time has come for the Government to withdraw, it is the duty of bankers to demonstrate their readiness to take care of all sound credit needs."

It adds that the banks must be equipped with full factual material as to the Government's emergency lending activities and practices, and that full cooperation has been given the committee by Government agencies in obtaining facts. Binders of the material gathered have been placed by the committee in the hands of state association officers and committees of three members appointed to cooperate with it in carrying on banking research.

The Committee on Banking Studies has also made a survey of the Postal Savings System throughout the United States to ascertain to what extent it is competing with chartered banks. Questionnaires were sent to banks in all places where Postal Savings depositories are operated and over 93 per cent returned answers which will be analyzed as a basis for the committee's findings.

The Bank Management Commission of the American Bankers Association has made a nation-wide survey covering the movement among banks to increase their earning abilities "through fair and legitimate rates for services they render their depositors." The commission has developed a uniform plan of account analysis as a basis of sound charges.

Personal Income Loans

The Bank Management Commission has also formulated methods for installing and operating personal income loan departments in banks. "This plan contemplates making loans primarily to individuals and small business concerns, based upon the character and assured incomes of the borrowers, as distinguished from the usual basis for commercial loans," the commission says.

It points out that a large part of the population is not now making use of available bank credit and that "to these people the personal loan department extends a valuable service which at the same time is profitable to the bank." It adds that it is "the duty of the banks to educate the public to come to the bank for all financial services. Small borrowers should be informed that the local bank is ready and willing to take care of their demands."

Other Researches

Other researches are being made by the Economic Policy Commission of the association dealing with shrinkages in liquid commercial loans caused by the economic changes in the nation's business methods, while the National Bank Division has made studies of the lending and investment powers of this class of bank, the present status of the real estate investment field and of detailed data by states on earnings and expenses.

The Savings Division has gathered the facts showing savings in banks of all types, the number of savings depositors, the per capita savings for the country as a whole and the effects of current economic and social changes upon the savings habits of the American people.

The association's State Bank Division has issued the most recent figures available as to the detailed conditions of state banks, showing steady improvement in the position of the state banks, with marked expansion in their aggregate resources, while the Trust Division has compiled a guide to fees with a recommended cost accounting system.

MOTHER OF SONORA MAN BURIED LAST SATURDAY

An illness of only two weeks following a paralytic stroke cost the life of Mrs. J. W. Alldredge, 68, in Desdemonia Friday afternoon.

Mrs. Alldredge, mother of Bob Alldredge, operator of the meat department at the Piggly Wiggly store, was buried in a Desdemonia cemetery Saturday. Five sons and five daughters survive.

Mr. and Mrs. Alldredge and their daughter returned Sunday from the trip to the Eastland county town.

Miss Allison's Father Ill

The condition of E. L. Allison, was unchanged Wednesday when his daughters, Miss Johnnie Allison, Spanish instructor in Sonora high school, and Miss Norine Allison, Ozona school instructor, left for Brady to with him. Mr. Allison, superintendent of schools at Rockwood, underwent an operation in Brady Tuesday night.

You'll Enjoy the NEWS' THIRD ANNUAL Cooking School

Monday and Tuesday
April 19 and 20

Again the NEWS and cooperating Sonora business people, as well as manufacturers of well known food products, are to cooperate in the presentation of a 2-day Cooking School for Sutton county women.

Each of the two years such a School has been held in Sonora housewives have enjoyed learning of new and better ways of preparing food that will please their families and still will make for thrift in the kitchen.

The NEWS and those cooperating hope that the 1937 School may be by far the most successful of those that have been conducted. Special features designed to make the School more appealing will be announced.

Remember the dates — Monday and Tuesday afternoons, April 19 and 20 —and the place: **High School Auditorium.** You will enjoy the lecturer's information, the demonstrations — and the **SPECIAL FEATURES!**

**STATE OFFICIALS INVITED TO THE
OLD SPANISH TRAIL CONFERENCE**

A publicity program which it is hoped will attract 20 million 1937 visitors to historical points along the Old Spanish Trail from San Diego, Cal., to St. Augustine, Fla.,

will be in a hotel in the Gulf Coast city, are Hugh White, governor of Mississippi, Richard W. Leche, governor of Louisiana, Bibb Graves, governor of Alabama, and Fred

BIBB GRAVES
Governor of Alabama

HUGH WHITE
Governor of Mississippi

is to be one subject discussed at the Old Spanish Trail Association meeting in Biloxi, Miss., Wednesday.

Sonora and Sutton county people will be interested in the meeting inasmuch as the route goes through Sonora, shown on a log of the highway as being 1455.9 miles from St. Augustine and 1314.7 miles from the California terminus of the highway.

Among those who have been invited to the meeting, which

Cone, governor of Florida.

An objective of the association named by W. L. Rammel, secretary, who lives in Beaumont, is the establishing of the highway as one to be made a four-lane paved highway across the country. At present, Mr. Rammel states, only about fifty miles of the route is not paved.

In Texas the Old Spanish Trail extends from Orange to El Paso, a total distance of 903.8 miles.

**Dickie Vehle
Honored With
Party in Menard**

Mr. and Mrs. Oscar Vehle of Menard, honored their nephew, Dickie Vehle, with an informal dance, Saturday night in Menard. Dickie, a senior in high school this year, is the son of Mr. and Mrs. Richard Vehle.

Refreshments of cake, punch, sandwiches and potato chips were served.

About twenty-five young people in Menard attended the dancing party and the following from Sonora were present:

Mattie Mae Friess, Doris Keene, Joe Nell Miers, Elizabeth Elliott, Mary Owen, Margaret Sandherr, Margaret Fay Smith, Libby Jo Wallace,

Jo Ann Marion, Emma Sessions, Cathryn Finer, Rena Glen Shurley, Jimmie Langford, Marjorie Davis, Linda B. Rape, Kathryn Brown, J. S. Glasscock,

Reginald Trainer, L. M. Roueche,

Marion Elliott, A. W. Awalt, Junior Schwieng, Louis Davis, C. T. Driskell, Vernon Morris, Bob Jackson,

Mr. and Mrs. O. P. Adams, Mrs. J. S. Glasscock, Miss Annie Duncan, Miss Leeta Mae Garrett, Miss Harva Jones, Mr. and Mrs. Vehle.

**SONORA WOMEN ATTEND
ANNUAL CLUB MEETING**

Mrs. E. D. Shurley, president of Sonora Music Club, Miss Edythe Carson and Miss Marie Watkins, delegates of the club, and Mrs. H. B. Tandy, president of the Ozona Music Club, left Wednesday for San Antonio where they are attending the annual convention of the Texas State Federation of Music Clubs.

Reports from each member club will be heard and meetings of state boards and committees will be given. The convention started yesterday and will end tomorrow.

They attended the concert of the St. Louis Symphony Orchestra Wednesday evening.

Wood and Steel Give Human Splinters

Human splinters—splashed with red. The crash of wood and steel that spell destruction. A burst of speed, mistaken judgment (?), a quick turn from danger into disaster.

That's what somebody's error meant in this graphic picture of shredded wood and steel. Another terrible indictment of thoughtless driving for Death's increasing harvest of lives.

The manufacturer never intended that his product was to be turned within a split

second into a crushed mass of demolished steel and glass. For comfort, for convenience, not for battering, was this car conceived.

What went wrong here? Somebody did the wrong thing—that's what happens in nearly every highway accident. Human splinters are not necessary. Thoughtless driving, faulty mechanism, disobedience must be eliminated because these factors so often contribute to the inevitable destruction pictured here.

**Our
Answer**

TO A FREQUENTLY
ASKED QUESTION

"Yes, you can borrow money from this bank, provided you meet our requirements for making sound loans."

We are glad to have loan applications—large or small—for this is one of the chief ways we make money. Your application will be judged strictly on its merits like any other business matter. Character, reputation for meeting obligations, ability and willingness to repay are the chief requirements for obtaining a loan at this bank. We ask you to tell us—

1. How much you wish to borrow.
2. For what purpose you want the money.
3. When you expect to repay it.
4. How you expect to repay it.
