Damage Suit Likely To Be Given Jury Sometime Today

Four Indictments Returned and Criminal Cases Set For Next Week

BULLETIN

Judge Montague last night heard petitions by counsel and ruled L. L. Massey out of the damage suit case, leaving Field Bros., road contracting company, sole plaintiff in the suit styled "H. H. Tanneberger vs. L. L. Massey et. al."

With deliberations of the grand jury out of the way Tuesday, the September term of district court got under way Wednesday morning with the calling of the suit for damages filed by H. H. Tanneberger, McCamey, against L. L. Massey, trucking contractor, for \$50,000.

The case, one of three totaling \$90,000 filed by Tanneberger, his wife and Mrs. Quinta Maria Wilson, is the outgrowth of an accident on the Ozona highway about 5:30 in the evening August 25, 1936.

The Tanneberger party was on the way from McCamey to Corpus Christi on a pleasure trip. Six or eight miles from Sonora on the Ozona road those in the pick-up were thrown from their vehicle to the loose dirt of the road shoulder. Testimony Wednesday was to the effect that the accident happened shortly after the pick-up had come out of a bar pit detour and onto the highway proper.

It is alleged that the accident was caused by the swerving of a Massey gravel truck which caused the driver of the Tanneberger car to lose control of the machine. The Tannebergers allege they were attempting to pass the truck. Those in the pick-up were: Mr. and Mrs. H. H. Tanneberger and daughter, Virginia, 16; Mr. and Mrs. J. H. Wilson; James A. Littlejohn, Mrs. James A. Bardin. All live in McCamey except Mrs. Bardin who is an Odessa resident.

Eight Lawyers Involved

Legal talent seen in action in the case was:

For plaintiff: Louis D. Gay and Lloyd Kerr, San Angelo, L. W. Elliott, George Wynn; for the defense: W. B. Handley, Dallas; J. I. Kilpatrick, Lubbock; Davis Ely, Abilene; Alvis Johnson.

The jury hearing the testimony was: Lawrence Nichols, Joe Hull, Louis Rouche, W. D. Valliant, Ed C. Mayfield, James Caldwell, Carnie Wyatt, J. W. Sykes, Glenn Reeves, Earl Adams, Terry Baker, Henry Wyatt.

No criminal docket cases were considered this week. A verdict for (Continued on page 4)

Former Pupil Here Killed in Del Rio

Sydney W. Cauthorn Freshman in Sonora School 1934-35

An accident late Sunday afternoon cost the life of Sydney William Cauthorn, 17-year-old son of Mr. and Mrs. Bob Cauthorn, ranch people of the Del Rio section.

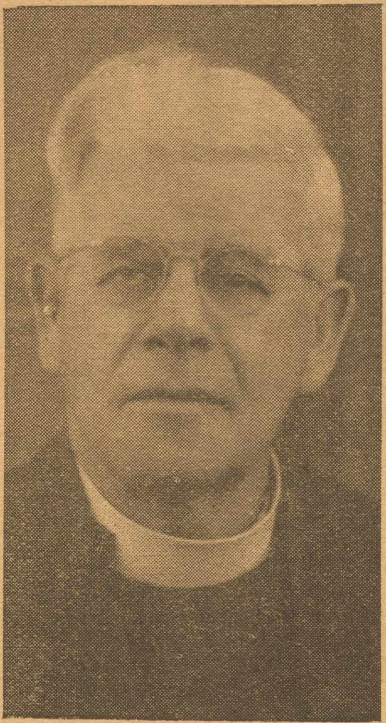

Young Cauthorn who was a Sonora high school student when the 1936 seniors were freshmen, was target shooting with a friend on his parents' Blue Hills ranch when the accident happened. Death came at seven o'clock, about one and one-half hours after he was shot.

Mr. and Mrs. Bob Cauthorn lived in Sutton county eight or ten years, his brother, J. A. Cauthorn, Sutton ranchman, said Wednesday. The family moved to the Del Rio section about 1919 although the boy returned here to go to school in 1934-1935.

A number of Sutton young people and others attended the funeral services which were held in Del Rio Monday afternoon. Classmates of young Cauthorn, a high school student in Del Rio, served as pallbearers. His classmates while he was in Sonora high school sent a floral tribute.

Besides his parents three brothers and a sister survive. They are: Albert Cauthorn, recently elected to the state legislature; Bobby Cauthorn and Virgil Cauthorn, Juno ranchmen; Mrs. G. M. Girard, Temple.

The Rector -

Recently returned from a vacation trip in Canada, the Rev. Frederic M. Brasier of Kerrville will be here Sunday for services at St. John's Episcopal Church. The Reverend Mr. Brasier comes here monthly. In a letter this week he said he was hoping that a number of Kerrville people would be here Sunday.

Regular Army Men "Take" Sonora in Sunday "Advance"

Nine Hundred Others From Fort Bliss Spend Last Night in Camp Here

"You'll have to keep out of this area."

That was the militaristic order given by a trim young soldier Sunday night to the motorist who chanced to drive through the camping place of Fort Bliss cavalrymen in the "flat" near the Dry Devil's Draw bridge in west Sonora.

The men came here Sunday afternoon on their way to Fort Sam Houston, San Antonio, for fall test division maneuvers. It was the original intention of the commanding officers, Major R. E. S. Williamson and Major L. K. Patterson, to camp on the baseball park property. It was decided that the heavy trucks in which the men were being transported might damage that area.

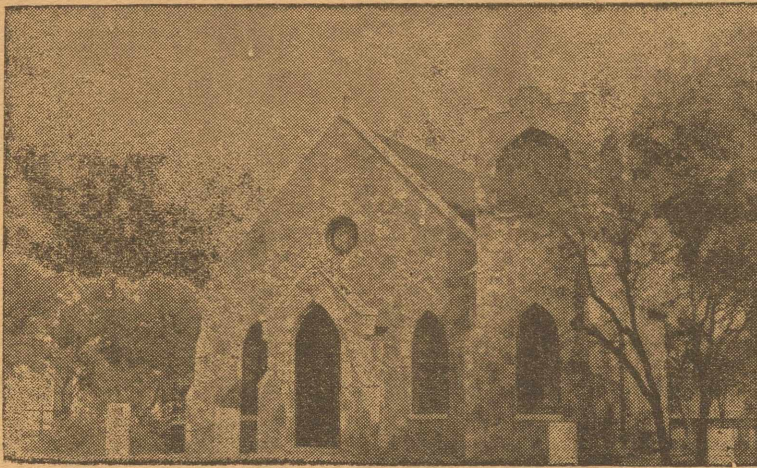

Officers Pleased Here

The majors were quoted by W. C. Gilmore, mayor, as saying: "This is the best treatment and the best cooperation we have received. We will try to be routed back this way on the return trip."

The Lions Club paid for ice water for the men, the city supplied water for cooking and other purposes.

The men left Monday morning in three groups—one at 5:30, another at 6 and the third at 6:30. Last night 898 men and 135 vehicles. (Continued on page 4)

Sutton County Is Building!

No more appropriate time will present itself for the picturing of the beautiful St. John's Episcopal Church building than today—two days before the first service is held there.

Not many months ago it was a small frame building. Today

it is one of the most attractive houses of worship in this section. The building was rock veneered and remodeled thru-out.

The contractor was J. T. McClelland with rock work done by G. W. Archer.

Turn Now To The "Home Builders' Page"

School Personnel To Be Guests of Lions Wednesday

Gasoline Prices Reduced Here After Request Made By Civic Organization

Ladies and gentlemen who will instruct Sutton county's "young America" for the next nine months will be guests Wednesday evening at 7:30 when the Lions Club is host at its annual Ladies' Night honoring the Sutton county members of the teaching profession.

Final details of the Ladies' Night event were perfected Tuesday noon at the club's luncheon. The menu committee announced that the dinner will be one of fried chicken and all that goes with such a repast. Entertainment will be supplied by members of the Sonora Music Club.

A report of the committee appointed to request major companies to reduce gasoline taxes was made. One had reduced by one cent a gallon the day before, three others have met the reduction this week. "Regular" gasoline sells at 19 cents in Sonora now.

It was ordered that the secretary should write Charles L. South, representative in Congress, of the club's appreciation of his efforts in securing the recent Public Works Administration grant for water plant construction.

Peter A. Chase and Jennings H. Flathers, new teachers, were introduced as new members of the club. Guests were: Weaver Baker, Junction; Leslie Nance, Ozona; W. W. Gibson, G. W. Cunningham, J. D. Cowser. Mr. Chase played two saxophone solos — "Canadian Capers" and "My Buddy" — with piano accompaniment by Mrs. Robert W. Jacobs.

E. D. Shurley, W. E. Caldwell and George E. Smith were named as a committee to see that Sutton county teachers were present at the dinner in their honor Wednesday.

LIGHTNING KILLS CALVES ON SUTTON MAN'S PLACE

Three sheep taking shelter under a tree were killed by lightning Sunday on the Holland Ranch owned by R. A. Halbert, Sutton county ranchman.

Mr. Halbert said that he was working cattle in a pen about 150 yards from where the sheep were killed. He had realized the danger of the lightning and was leaving the pen when he noticed the animals were killed.

Only about half an inch of rain fell on about five sections of the ranch, Mr. Halbert said in Sonora Tuesday.

SEVEN MORE MEMBERS FOR LIVESTOCK MEN'S GROUP

Seven new members, living in Dickens, Crosby, Lubbock and Hockley counties, were listed at the headquarters office of the Texas Sheep and Goat Raisers' Association office in Sonora this week.

The dues payment made by the new members totaled \$38.50, G. W. Cunningham, secretary, said this week.

The dues payment made by wool and mohair growers this year represents a clip production of about 23,000,000 pounds, Mr. Cunningham commented this week.

SONORA BOY SCOUTS TO MEET WEDNESDAY NIGHT

When Boy Scouts meet Wednesday evening at 7:30 at the Scout Hall plans will be mapped for the boys' Scouting activities during the school year.

A. W. Awalt, Scoutmaster, said Thursday that he and H. F. Gilley, Assistant Scoutmaster, have an interesting program planned for the meeting next week.

All boys who are Boy Scouts are urged to be present.

The Bishop -

A distinguished guest of St. John's Episcopal Church people Sunday for the re-opening services of their church will be the Rt. Rev. William Theodotus Capers of San Antonio. Bishop Capers is in charge of the Protestant Episcopal Diocese of West Texas. (Photo by Kay-Hart, N. Y., by courtesy of San Antonio Express.)

Five-Game Series With Iraan Begins Tomorrow at Four

Season Trophy To Be Battled For By Winners of Two Season Periods

When Station A Sonora players oppose Iraan baseball players on the Sonora diamond tomorrow (Saturday) at four o'clock they will be starting a series which will determine Permian Basin League winners for 1937.

The trophy will be given whichever team wins three of the 5-game series.

The second game will be played in Iraan Sunday. A. H. Ohlenburg, manager of the Sonora-Ozona combination, said Thursday that no announcement could be made at that time as to the location for the playing of the remaining games of the series.

Finger Saturday Pitcher Tom Finger, D'Hanis pitcher who pleased fans recently in a 16-inning game in Ozona, will be on the mound for the Station A Sonora nine tomorrow afternoon. The next day Crostwaite will do the pitching.

Last week-end the Sonora-Ozona team lost a 5 to 3 contest with the Del Rio team in the border town and tied the same team, 1 to 1, in a game called on account of darkness. Smith and White pitched the first one and Connelly Cox, former Palestine player in the East Texas League, hurled the second. Cox will play shortstop in Heatherly's place in the series of five games which is started tomorrow. Heatherly chipped a bone in his leg while sliding into second base Sunday. He is on crutches.

The Station A manager said this week that Sam Gray, Iraan manager, had graciously granted permission to use Cox in the place (Continued on page 4)

Services Sunday in Recently Improved St. John's Church

Native Stone Used For Exterior With Extensive Work Done On Interior

Services indicative of the joyous culmination of dreams of church members for many months will be held Sunday morning and evening in the attractive St. John's Episcopal Church building on which construction work has been done since April 28.

The building work, costing about \$4,000, has been paid for with the exception of \$1,500, Mrs. Bryan Hunt, president of the Young Woman's Guild of the church, said last night. The Guild, organized less than two years ago, has been active in many ways in making the church building fund possible. The building committee of the organization is composed of Miss Alice Karnes, chairman, Mrs. J. C. Morrow and Miss Nann Karnes.

Men Compose Financial Group Financial matter and general direction of the work has been handled by Roy E. Aldwell, Joe M. Vander Stucken, Tom Bond and W. C. Gilmore.

Bishop William T. Capers of San Antonio as well as the Rev. Frederic M. Brasier of Kerrville, rector of the church here, will be here for the Sunday services. Miss Marie Watkins will sing at both services. Barbara Ann Schweining, daughter of Mr. and Mrs. Harold Schweining and a granddaughter of Mr. and Mrs. Alfred Schweining, will be christened. Several may be confirmed.

Neither the Methodist nor the Baptist churches will have preaching services Sunday, the ministers of the churches doing away with their services as a gesture of respect to the St. John's people. Both Baptist and Methodist churches will have Sunday School.

Two New Memorial Windows

Native stone was used in rock veneering the frame structure the church formerly used. Interior remodeling was done with a new floor laid, the altar and vestry room made larger and twisted weave rugs placed in the aisle. The front of the church was revamped with two arched windows and a center entrance built. Attractive indirect lighting fixtures hang from the beam ceiling. Other indirect fixtures are on the walls. Kneeling benches have leatherette covering.

Two new memorial windows of stained glass have been given and these match the former three in the church. The new ones bear the (Continued on page 8)

Last Month's Rain Totals 1.69 Inches

September Lagging Greatly From 10.47 Fall in 1936

One may believe it or not but there was more rainfall at the Ranch Experiment Station last month than in the same month last year!

More amazing even than that statement is the factual one that there was more rain at the Station last month than in any August since 1932 when 8.92 inches fell! The record at the Station shows 1.69 inches for August, 1937, while in August last year only 1.26 inches fell.

In town, according to the Sonora Wool and Mohair Co., the rainfall last month was .53 of an inch.

Only .12 of an inch has been marked up at the Station for September. That shower was Sunday. Townspeople have fared a bit better with .41 of an inch recorded at the warehouse up to 3 o'clock Wednesday afternoon. Thursday of last week .09 was recorded in town, the next day .04 of an inch and Sunday .28 of an inch fell.

Last September 10.47 inches was "clocked" at the Station, more than one-third of the yearly precipitation that year.

Scattered showers have been reported on Sutton county ranches within the last week or two. The rain Sunday seemed to have favored Sutton people living in the northern part of the county. The Steen ranch got 1/2-inch, the Meckel ranch 1 inch and the Halbert ranch 1/2-inch.

SUTTON YOUTHS OFF FOR COLLEGES IN MANY TOWNS

Marion Elliott, son of Mr. and Mrs. A. C. Elliott, will leave Wednesday for Austin where he will enter the University of Texas. Marion, who was president of the senior class of 1937, plans to do pre-law work.

A senior at Texas Technological College in Lubbock, will be Herbert Fields, son of Mr. and Mrs. W. J. Fields. Herbert is majoring in Animal Husbandry, and during the summer months has been employed by the Texas-New Mexico Pine Line Company at the station near here.

Another to go to college at Lubbock will be Miss Emma Sessions, who will major in home economics. Miss Sessions, a niece of Mr. and Mrs. C. T. Jones, was football sweetheart and co-leader of the Pep Squad last year.

Miss Bobbie Halbert, daughter of Mr. and Mrs. R. A. Halbert, will resume her studies at Southern Methodist University at Dallas. Miss Halbert, who is majoring in

business administration, will be a sophomore this fall. She attended summer school at Sul Ross College in Alpine this summer. She is associated in the ownership of Sonora Drug Co.

A mechanical engineering course at the University of Texas will be undertaken this fall by Richard Vehle, son of Mr. and Mrs. Richard Vehle. Richard was captain of the football team last year and made the highest average of the boys in

the 1937 high school class. He will go to Austin next week.

Miss Joyce McGilvray left Sunday for San Angelo to attend San Angelo Business College. Miss McGilvray, a daughter of Mr. and Mrs. B. C. McGilvray, attended the summer session of the business school. She was a graduate of the high school class last May.

Joseph Logan and his sister, Emmalou, left Tuesday for Stephenville where they will attend John

Tarleton College. Joseph, a senior there, is studying a pre-medical course. Emmalou will be a freshman and is majoring in Home Economics. They are children of Mr. and Mrs. Joe F. Logan, Sonora ranch people.

Wesley Sawyer, son of Mrs. E. E. Sawyer, will be a student in the University of Texas this year. He will leave Sonora Wednesday. Wesley was valedictorian of the 1936 graduating class of Sonora high school.

Marvin Smith, son of Mrs. Velma Shurley, a sophomore at Texas A. and M. College, is studying agricultural administration. Marvin recently returned from Boston, where he was employed during the summer by a wool concern. Marvin will leave for College Station next week-end.

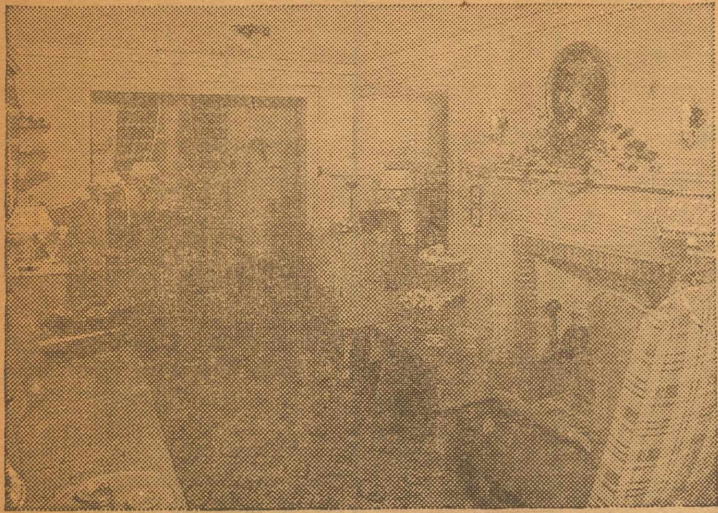

Miss Lunetta Marion, a daughter of Mr. and Mrs. Vernon Marion, will go Monday to San Angelo to (Continued on page 8)

A Weekly Letter From Home! "the Devil"

Will Please the College Boy and Girl

THE NEWS announces its usual rate of \$1.25 for the paper, sent to any teacher or student, the school year. The home town paper is a vital part of the college student's life. Order the NEWS sent each week to the boy or girl at school.

Early American Charm

This living room was decorated for a small house of the colonial type. The cheerful alcove with its shelves for books is an interesting feature. The owner of the house, by placing a desk in this space, has made it a den which gives the feeling of an extra room, as the furniture in the living room proper is grouped about the fireplace. Small homes may be financed under the insured mortgage system of the Federal Housing Administration.

CAN YOU MATCH IT?

Jeff Davis, "Around the Plaza" columnist in the San Antonio Light, is responsible for the following story about Judge S. G. Tayloe, former Sonora citizen who lives in San Antonio:

It seems the judge stopped at an out-of-the-way farm house in Virginia to inquire about the road directions. The farmer, a regular low comedy stage farmer, cautiously approached. He saw the Texas license on the car and asked:

"Are you from Texas?" Judge Tayloe said indeed he was, and proceeded to ask for road information.

"Just a minute, Stranger," the rube said, and ran in the house. In a few minutes he returned, and gave the desired information. When the judge started to drive away the rustic said:

"Please don't leave for a minute. I went inside and woke up my son because I want him to see a real Texas cowboy!"

The judge said no, he didn't mind the son seeing a real Texas cowboy. In a few minutes a 16-year-old boy in overalls came out of the house and studied the judge curiously. The boy never made any comment about what he thought about a Texas cowboy, and after while the judge said well he guessed he'd be amosyin' on daown to the' Bar-X fer chuck.

More Than 2,000 Indians in State

Denton, Sept. 8.—Although the Vanishing American has done a great deal of his disappearing act in Texas, there are still about 2100 full-blooded Indians left. Estimates of the Indian population at the beginning of the white man's settlement run from 30,000 to 200,000. Many full-bloods are now counted in with the Mexican population, their ancestors having migrated back and forth across the border, so there may be many more descendants of the original inhabitants of the state than the tabulation shows. The only distinct settlement left is that of the Alabamas and the Coushattis on the Polk County Reservation.

Skunk Sales High in Texas

Denton, Sept. 8.—Possums and skunks may not sound very enticing, but these two animals yield a larger number of pelts to trappers in Texas than any other animals. Out of the 1934-35 catch of 912,276 raw furs, over 600,000 of them were opossums and about 120,000 were skunks. The season's fur catch was valued at \$600,000, but in past years the amount has been estimated as high as \$3,000,000. Other fur-bearing animals which are breadwinners in the southwestern and southeastern part of the state are fox, raccoon, badger, civet cat, muskrat, mink and beaver.

Charging that her husband was so stingy that he would set his alarm clock, then awaken before it rang and shut it off to save the spring, Mrs. Helen Johnson of Chicago sued for divorce.

"Ma," the Congressman's little boy will say, some day this autumn, to his mother, "there's a tired stranger at the door."—San Francisco Chronicle.

It's a crime to make ugly faces at a fellow citizen in Zion City, Ill., as it is everywhere else. But Zion City has an ordinance prohibiting such conduct.

HILLSBORO MAN WANTS TO BE ATTORNEY GENERAL

Announcement has been made by Bob Calvert of Hillsboro that he will be a candidate for the office of attorney general of Texas.

Calvert is in the state legislature, representing the sixtieth district, composed of Hill and Navarro counties. He was reared in the state orphans' home at Corsicana and was graduated from the University of Texas law school.

Sonorans Return From Corpus

Mrs. Hix Hall and sisters, Mrs. Joella Bell of Breckenridge and Miss Emma Creagh of Commerce, and Mrs. W. D. Wallace returned Saturday from Corpus Christi. They were accompanied there by Mr. Hall who visited in Phalt with his sister, Mrs. J. L. Hill. Unable to secure ship reservations before October 1, the group was prevented from continuing their trip to Havana, Cuba, as planned.

Miss Draper Attends Funeral

Funeral services for Tom Draper of Pontotoc, were held Monday afternoon at Cold Creek Cemetery near there. Mr. Draper, an uncle of Miss Grace Draper, died after a brief illness. Miss Draper went to Pontotoc Sunday and was accompanied there by Mr. and Mrs. A. P. Hughes of Eldorado, Mrs. Ben Mayo and daughter, Miss Ollie, of Bailey Ranch. Miss Draper returned to Sonora Tuesday.

Mrs. Hayne Graves of Eldorado visited Mrs. Totsie Barton this week.

Personals

Miss Zella Lee Thorp of San Antonio visited friends and relatives here this week.

L. M. Penick and son, J. T., and Mrs. Penick and children, Dorothy and Billy, were in Christoval Sunday.

Mrs. Theresa Friend and grandson, Billy Bryan Savell, went to Menard Friday, where Mrs. Friend will live.

Bobbie Keasler and Bobbie Perkins of Eastland were week-end guests at the ranch home of Mrs. Velma Shurley.

Mrs. Orion Brown and daughter, Kathryn, Miss Joe Nell Miers and Elizabeth Elliott went to San Angelo Saturday.

Mr. and Mrs. Richard Vehle and children, Betty Grace and Dickie, spent Sunday with Mrs. Vehle's uncle, W. H. Mitchell, and family at their ranch home near Barksdale.

Carrolls in San Antonio
Mr. and Mrs. Ernest Carroll, Mr. and Mrs. Pat Carroll and son, Pat, Jr., and Gloria Saunders went to San Antonio during the week-end. Miss Saunders will go from there to her home in Houston. She

has been visiting her grandparents, Mr. and Mrs. Ernest Carroll, and Pat and Arthur Carroll and families.

Pencil Sharpener — \$1.30. At NEWS.—adv.

Roueches Return From Vacation
Mr. and Mrs. Louis Roueche returned Sunday from a visit with relatives in Odessa and Midland. They also visited Carlsbad Caverns, Cloudcroft and other places in New Mexico.

Sutton Sheets For AAA Compliance To Be Mailed Soon

Ranch Operators Here Take Part in Nine Phases of Range Conservation Work

Rechecking of range compliance reports preliminary to forwarding of final figures to the state office is under way this week in the office of H. C. Atchison, county agent, who is attending the Agents' Meeting in College Station this week.

Mr. Atchison said Sunday that the Sutton County Agricultural Conservation Committee checked and signed range reports of Sutton county ranchmen who are participating. Some still lack signatures of applicants. It is likely, he said, that all of the reports from over the state must be in the state office before payments by the government are begun.

Many Sutton Participants

The "forage acre requirement" in Sutton county is "3 1/2 forage acres per animal unit." A "forage acre" may be considered as one on which all the vegetation of a given area has been concentrated. An "animal unit" is made up of one cow or one horse or five sheep or five goats.

The "forage acre requirement," Mr. Atchison said, in this section of West Texas is the second highest in the state, being exceeded only by one in the coastal prairie area.

Mr. Atchison's analysis sheets showing what Sutton individuals have done in their first year of participating in the conservation program present some interesting facts.

Nine Practices Undertaken

Seventy-one individuals participating have indicated operation of 535,070 acres of range land. The average acres per animal unit is 10.54.

Nine different practices have been carried out by Sutton ranchmen according to regulations which will permit them to receive reimbursement from the government according to their success and thoroughness of work.

Deferred grazing has been done by only four men who have set aside 6,097 acres for re-seeding and "rest."

Twenty-seven spreader dams, totaling 1404 yards, were signed for by three ranchmen.

Sixteen Builders of Tanks

Other practices include: Earthen tanks: 30 built by 16 ranchmen who were required to move 26,232 cubic yards of dirt in their construction;

Spreader terraces: 93 built by 7 ranchmen (16,200 feet of terraces);

Range fences: 4 of 2,190 rods total length, built by 4 ranchmen; Eradication of prairie dogs: 4 ranchmen participating with a total of 683 acres;

Pear removal: 17 ranchmen "throwing in" 21,565 acres on which pear would be destroyed; Mesquite removal: 10 ranchmen signing for eradication work on 1,070 acres;

Cedar eradication: 51 ranchmen signing for eradication work on 38,227 acres.

According to Mr. Atchison's analysis sheets the following have built dirt tanks:

Frank Bond, George D. Chalk, Ben H. Cusenbary, B. B. Dunbar, W. J. Fields, Jr., W. E. Glasscock, Dave Locklin, Logan and McKnight, Vernon Marion, O. L. Richardson, T. W. Sandherr, Auther Simmons, Fred Simmons, Gordon Stewart, G. G. Stephenson, Thomas Bros. and Logan, Joe M. Vander Stucken.

Spreader dam or terracing work was signed for by these: Aldwell Bros., Ben H. Cusenbary, Alvis Johnson, William Allison, Dave Locklin, Fred Simmons, Mrs. Velma Shurley.

Four On County Committee

The Sutton County Agricultural Conservation Committee is composed of the following: H. C. Atchison, county agent; Joe N. Ross, Virgil Powell, W. R. Cusenbary; Joe M. Vander Stucken (alternate).

Range inspectors are Fred Simmons and Leonard Gibbs.

The 1937 Agricultural Conservation program will be more successful than the 1936 program, George Slaughter, chairman of the Texas Agricultural Conservation Committee, predicted in College Station recently.

The state AAA office has received 239,084 applications for entry in the current program, within a hundred of the number received in 1936.

Of the more than 239,000 farmers who filled out work sheets in 1936, some 198,400 fulfilled provisions of the program. These

SUTTON MAN AND GOAT BOUGHT AT JUNCTION SALE

The September 1 issue of the Southwestern Sheep and Goat Raiser carried the above picture of Otto Mund, Sutton county ranchman, and the

\$350 "C" Type top price yearling billy raised by J. L. Gulley & Sons of Uvalde. The magazine stated—"Mr. Mund is running a small

bunch of goats, having just started in the registered goat business. He purchased twelve head of nannies from Oscar Camp of Junction in starting his flock."

CATTLE IMPROVING WORK BEGUN IN WEST TEXAS

Improving beef cattle herds and the feeding out of calves are receiving the attention and interest of West Texans at present, according to reports of county agricultural agents.

The quality of range cattle will be greatly improved in the next few years by the recent purchase in Brewster and Jeff Davis counties of 26 head of range bulls selected from an outstanding herd. The cattle were purchased by E. H. Richardson and E. C. Merriwether. George Jones, who has a noted herd of registered cattle recently purchased 27 cows and calves from an outstanding herd.

Lambs Bring Eight Cents

One thousand lambs bought by B. W. Hutcherson from J. A. Cauthorn at 8 cents a pound were shipped Wednesday from the Sonora pens. Twelve hundred bought by Mr. Hutcherson from Sulie Shanklin of Rocksprings at 8 cents were also shipped this week. Delivery from October 10 to November 1 was specified when 1000 lambs were bought by the same buyer Wednesday from Jack Wardlaw, Sutton ranchman.

Inch of Rain at Meckels'

Rainfall estimated by Ben Meckel at about one inch fell on his home ranch near Sonora on the San Angelo highway Sunday morning. Mr. Meckel said later in the day that ditches still had water standing in them.

Blackface Lambs Go at 8 3-4 Cents

One thousand blackface lambs delivered last week by William Allison, Sutton county ranchman, brought 8 3-4 cents a pound, Mr. Allison said in Sonora Monday. The buyer was R. A. Neal of Adrian, Michigan.

farmers diverted 4,338,000 acres from soil-depleting crops to soil-building uses, and employed soil-building practices, such as terracing, on an additional 4,901,891 acres.

State Work Well in Hand

The state office has suspended 52,560 work sheets and returned them to the counties for correction. All except 402 have been corrected and returned to College Station, Slaughter said.

Work sheets have been sent 123 counties for final adjustments, according to Slaughter, and some 60 additional counties will have their quotas released within the next few days.

More than 18,000 applications for appraisal under the range conservation feature of the program are in the state office, Slaughter said. These applications cover in excess of 62 million acres. Range supervisors are checking range improving practices completed by ranchmen in 173 counties.

About 17,000 Lambs Shipped in 10 Days

Sonora's Stock Pens Busy Place These September Days

With fifty-six double-deck cars of sheep leaving the Sonora stockyard pens during the period September 2 to 8, inclusive, Sonora bids fair to continue its position as one of the largest livestock shipping points in West Texas.

Approximately 17,000 head of sheep have been shipped from Sonora during the week's period. Three cars of cattle have been shipped to Iowa destinations. The sheep have been sent to the following points:

Texas, 12 cars; Illinois, 19; Ohio, 10; Kansas, 7; Oklahoma, 3; Missouri, 3; Iowa, 1; Colorado, 1.

Not exceptional for Sonora at all is the shipping pace which has been carried on since September 1. Shipping here for several weeks has been very heavy.

WEST TEXANS HARD AT WORK ON LAND TERRACING

Terracing has proved its value in West Texas and many terraces are under construction at the present time, according to reports of county agricultural agents.

So urgent is the demand for terracing of stubble land in Brown county that double crews consisting of two rod men and two stake men are being used for each farm level in order to expedite the work. By this method, two days' work can be done in one day.

The farmers are pleased with this method because large areas can be covered in a short time. By following this method, 18.3 miles of terrace lines were laid out in three days' time recently.

Heifer Calves Sold Monday

Seven and one-half cents a pound was secured by R. A. Halbert Monday for 52 heifer calves. The animals, averaging 434 pounds, were sold to C. T. Jones and Burts Johnson.

D. H. KIRKLAND FINISHES SHEARING FIRST OF WEEK

An average clip of 3.43 pounds from the grown goats of his flock was secured by D. H. Kirkland, Sutton ranchman who finished shearing this week.

Mr. Kirkland said in town Wednesday that he was well pleased with the way the goats sheared. About 1,050 of the 1,450 shorn were grown animals.

Rain On J. C. Baker Place

One and one-fourth inches of rain fell on the J. C. Baker ranch in the Camp Allison section last week. Mr. Baker said in Sonora last week that he had been favored with a total of three inches of rain in a 10-day period ending last week.

They Have Relatives

About 1,400 men of the U. S. regular army, guests in Sonora this week, gave to the Sutton community an unusual appearance not often seen in a town as small as Sonora.

Not all business houses profited by their visit. That is not to be expected. However, those stores that did have the "merchandise" that interested them did a very good business.

The Lions Club and city did all that was possible in making their stay pleasant. Commendation of commanding officers was expressed to the mayor in regard to Sonora hospitality.

As one Lions Club member said Tuesday—"those men have relatives and they do write and tell them where they stop. Those relatives travel."

Such projects of entertaining groups in a courteous and hospitable manner can hardly help but bring both immediate and future profit to Sutton county business people.

Damage Suit Likely

(Continued from page 1)

The plaintiff was rendered in the case of Mrs. Nannie B. Wilson vs. George F. McKay, trespass to try title; continuation was ordered in the case of Ed Roe vs. L. W. Elliott, independent administrator, suit for expenses, salary and services. A divorce was granted Mrs. Hazel Thiers.

Two divorce cases were not heard by Judge Montague. The case of C. V. McKnight vs. F. B. Williams was continued on motion of plaintiff pending settlement.

Murder Case Next Week Criminal cases are to be considered next week with a special jury venire notified this week by B. W. Hutcherson.

Cases to be taken up then include the following who were charged by grand jury indictment this week:

Morris Coleman, negro, charged with murder; Francisco Santa Anna, charged with driving an automobile while intoxicated; A. M. Iley, charged with driving an automobile while intoxicated; Johnnie Andrews, charged with driving an automobile while intoxicated.

First action in the Iley case was May 10, first papers in the Santa Anna case were filed May 17 and filing in the Andrews case was July 19.

The grand jury, of which Joe M. Vander Stucken was foreman, was composed of the following:

C. H. Allen, Lea Allison, Sterling Baker, Joe Berger, C. H. Carson, Henry Decker, Howard Espy, Edgar Glasscock, Hub Hale, Mack Cauthorn, J. D. Cowser, Cleveland Jones, A. I. Davidson, Joe B. Ross, Joe M. Vander Stucken, Pat Cooper.

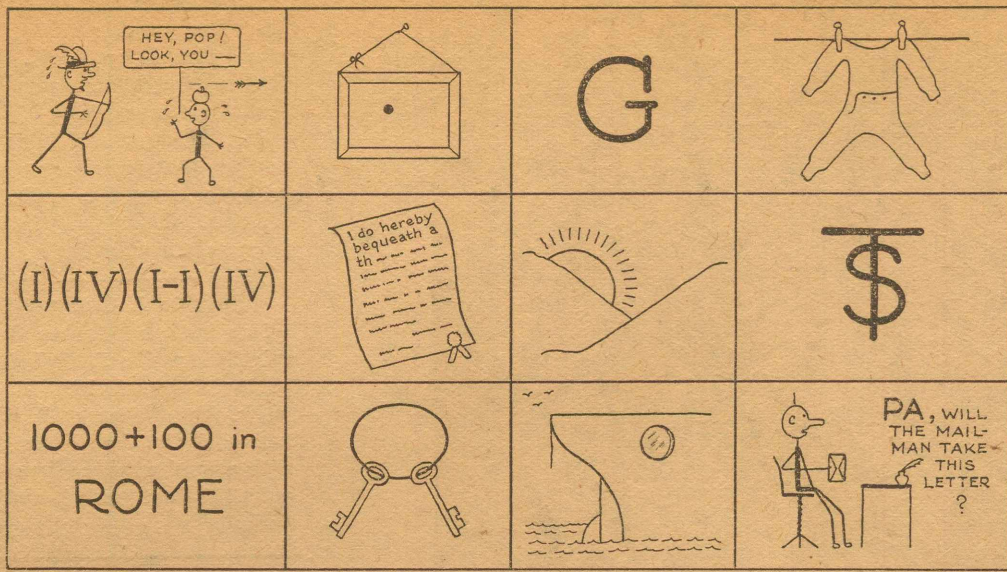

Petit jurors from whom twelve were chosen to hear the suit for damages case were:

S. H. Allison, Jesse Green Barton, James G. Caldwell, Jack Drennan, Les Fambrough, W. C. Gilmore, Homer Harris, Joe Hull, L. E. Johnson, Pope Lindsey, Ed C. Mayfield, Ben Mittel, W. L. Miers,

Andrew Moore, Lawrence Nichols, J. T. Penick, Louis Roueche, Ira Shurley, Arch Valliant, Libb Wallace, Duke Wilson, Jack Wardlaw, W. C. Warren, Henry Wyatt, P. E. Adams, Lee A. Joy, Terry Baker, Artie Joy, R. R. Murr, Glenn Reeves, Wesley Sykes, Perry Valliant, Carnie Wyatt, D. H. Kirkland.

The Library of Congress is one of the most complete libraries in the country. It contains almost any text- and reference-books available—except an arithmetic.—Thomason (Ga.) Times.

YES, U. S. POSTMASTERS HAVE THEIR PROBLEMS Where Would You Dispatch This One?

T. C. Murray, Sonora postmaster, recently discovered this puzzler in an issue of the Postmasters' Gazette, published in San Francisco. It is the

way an envelope was addressed when received by Postmaster J. Frank Glover of Lewisburg, Pa.

The puzzle is reproduced

in the NEWS through the courtesy of William H. McCarthy, postmaster of San Francisco.

The deciphered address will appear in next week's NEWS.

Regular Army Men— (Continued from page 1)

hicles from the same military post were here for overnight camp.

One business man said this week that he knew of more than 1100

GREAT DEAL OF GASOLINE FOR THIRSTY ARMY TRUCKS

When orders from "Uncle Sam," by way of The Texas Company, came to Ernest Carroll, Sonora bulk agent, to have gasoline delivered to army vehicles Sunday night it looked like an all night job ahead for Arthur Carroll, associated with his father in the agency.

Instead the job of servicing the trucks, which required 1,755 gallons, was done in four hours. All that had to be done was to haul the gasoline to the camp. Twenty-five men were detailed by officers to do the truck servicing.

An estimate quoted by Arthur Carroll yesterday afternoon was that about 3,200 gallons would be needed for the Thursday night motor equipment.

worth of business done Sunday night which was directly attributable to the soldiers' visit. A number of the men attended the Baptist Church service Sunday night.

The six detachments here Sunday night were: Cavalry Reconnaissance Squadron, Troop "A" 1st Armored Car Squadron, Truck Company "A", Headquarters Second Division, Headquarters Special Troops, Ordnance Company Medium Maintenance.

The soldiers' group was made up of 306 enlisted men and these officers:

Major R. E. S. Williamson, 7th Cavalry—graduate U. S. Military Academy, 1917; graduate Troop Officers Course Cavalry School, 1927; graduate Advanced Equitation Course, Cavalry School, 1928; graduate Command and General Staff School, 1936; served in Aisne-Marne, San Michiel, and Meuse Argonne offensives; awarded Legion of Honor and Croix de Guerre with palm.

Major L. K. Patterson, Medical Corps—graduate Emory University, 1917 and post graduate University of Edinberg, Scotland.

Captain H. D. Hodes, Headquarters 1st Cavalry Division—graduate West Point, 1920; Basic Course Cavalry School, 1921; Advanced Equitation Course Cavalry School and Command and General Staff School, 1927.

Captain R. L. Howze, 7th Cavalry, U. S. Military Academy, 1925; Troop Officers Course Cavalry School, 1930; Advanced Equitation Course Cavalry School, 1937.

Captain V. D. Mudge, U. S. Military Academy, 1918; Basic Course Cavalry School, 1921; Command and General Staff School, 1935.

Captain R. A. Gardner, Troop "A" 1st Armored Car Squadron; graduate U. S. Military Academy, 1924; Troop Officers' Course Cavalry School, 1932.

Lieut. W. V. Martz, 8th Cavalry; graduate U. S. Military Academy, 1935.

Lieutenant E. W. Williams, 7th Cavalry, graduate U. S. Military Academy, 1936.

Lieut. H. E. Lardin, 7th Cavalry; graduate U. S. Military Academy, 1934.

Lieut. B. W. Heckmeyer, 7th Cavalry; graduate U. S. Military Academy, 1935.

Lieut. W. Van Nostrand, Troop "A" 1st Armored Car Squadron; graduate U. S. Military Academy, 1934.

Lieut. R. E. O'Brien, 8th Cavalry; graduate U. S. Military Academy, 1936.

Budget of \$54,330 Set For Operating 1937-1938 Schools

Cost of \$62,185.24 Last Year Included Improvements of Various Types

Sonora Independent School District board members estimate that the cost of schooling the 793 scholastics this 1937-1938 school year will be \$54,330.

Preparation of the budget, required by law, was completed last week by F. T. Jones, superintendent, and approved at the meeting of the board the latter part of last week.

The budget figure is not quite \$8,000 less than the actual amount spent last year but nearly \$3,000 more than the budget set in the summer of 1936 for the 1936-1937 year.

Mr. Jones explained this week that a number of unusual expenditures by the board fell in the 1936-1937 year which accounted for its exceeding by nearly \$11,000 in ac-

SUCCESSOR TO MEMBER WHO RESIGNED NOT MADE

Acceptance of the resignation of W. E. Caldwell as a member of the board was part of the business when the Sonora Independent School District met last week.

Mr. Caldwell's daughter, Elizabeth, is an instructor in the elementary school this year and for that reason he can no longer be a member.

The board has not appointed someone to succeed Mr. Caldwell for the remainder of his term which expires next spring.

tual expenditure the amount budgeted for that year. Among those expenditures Mr. Jones named: superintendent's home construction, \$5500; remodeling work on frame building for Mexican children; indirect lighting in elementary school, \$1200; electric clock work and purchases, \$350; equipping of woodwork shop.

The "breakdown" of the 1937-1938 budget is as follows:

General Control, (chiefly administration and tax collection), \$4,400; Instruction, \$30,620 (spent previous year—\$26,826.71); Operation of Plant, \$4,575 (spent previous year—\$5,544.54);

Maintenance of Plant, \$2,000 (spent previous year—\$1,735); Auxiliary Agencies, (library and health education), \$450 (spent previous year—\$353.55); Fixed Charges, \$1,550 (spent previous year \$1,087.37); Capital Outlay, \$3,500 (spent previous year—\$10,024); Debt Service, \$10,550 (spent previous year—\$10,431.70).

This year's budget was based on the expectation of receiving \$22 from the state for each scholastic. That source, at that rate, would account for \$17,446 for the schools of the district. Other sources of the money (estimates only), are:

State vocational aid (Homemaking), \$6,000.00; county available fund (money paid by state as interest on school funds), \$1,850; county school tax, \$33437.81; delinquent school tax collections, \$1,000.

Total receipts last year were \$51,712.97. County valuations this year—\$4,179,726.25—are slightly higher. The school tax rate remains at 80 cents—thirty cents of which is for bond retirement and the remainder for maintaining the schools.

Five-Game Series— (Continued from page 1)

made vacant by Heatherly's injury. Stewart With Dallas Team

Stewart Station A Sonora catcher, left Monday for a try-out with the Dallas team of the Texas League. He caught the second game Wednesday night with Oklahoma City when Dallas was on the short end of a 3 to 2 score.

Mr. Ohlenburg emphasized the need of a good attendance at series games. He said:

"I wish the NEWS would tell the fans that we really need their support. We have no further financial support from the townspeople of our own towns and will have to depend on the gate receipts."

The Station A Sonora team, first half winner in the Permian Basin League, ended the season in third place, following Crane, runner-up, and Iraan, the leader.

New Residents Here

Mrs. E. S. Paul and son, T. A., of San Angelo moved here this week. Mr. Paul is employed at the West Texas Utilities Co. He is working in the position formerly filled by Homer Harris, who is now working in Abilene.

Miss Brister Teacher Here

Art, penmanship and the fourth grade in the elementary school are being taught by Miss Althea Brister of Abilene who was secured in the place of Miss Luella Stone, elected recently but who resigned last week. Miss Brister is a 1937 graduate of Hardin-Simmons College where she secured her B. A. degree. She has done student assistant's work in art in high school.

Child For Elkin Waddells

A grandson of Mr. and Mrs. J. V. Roberts, a baby weighing nine pounds, four ounces, was born Thursday night to Mr. and Mrs. Elkin Waddell. The child's father is employed on the W. E. Glasscock ranch. The name "James Louis" has been given the child.

M. G. SHURLEY

Many in Auditorium When School Opens Monday Morning

Addresses by District Judge and District Attorney Program Features

Traditional program that it is, the opening convocation in the Sonora high school auditorium Monday at nine attracted so many parents of school children as well as friends of the pupils that only a few seats in the auditorium were unoccupied.

After "America" was sung by the audience, F. T. Jones, superintendent, introduced Judge Joe G. Montague, of Fort Stockton. It has long been the custom for Judge Montague to make an address at the opening of Sonora Public Schools. In his talk he stated that children should take advantage of every opportunity, and that he hoped that the children of the United States did not have to face problems that exist today in China and Japan.

Weaver Baker, Junction, district attorney, said that school is a living investment, and that children were sent to school not to learn how not to work but to learn to live intelligently. Mr. Baker expressed his appreciation for the ever increasing interest in the schools of West Texas.

Organizations Represented Representatives of the various clubs and organizations at the school opening were:

The Parent-Teacher Association, Mrs. W. R. Cusenbary, Mrs. M. O. Britt; Lions Club, Dr. Joel Shelton; Sonora Woman's Club, Mrs. W. C. Warren, Miss Nann Karnes; Sonora Art Club, Miss Leeta Mae Garrett;

Methodist Church, the Rev. R. F. Davis; Baptist Church, the Rev. R. C. Brinkley.

Mrs. S. T. Gilmore, who was unable to attend, telephoned greetings of the Parent-Teacher Association, to Mr. Jones.

Awarding of Pins Explained Dr. Shelton explained about the Lion and Lioness pins, and also said that the Lions Club was interested in athletic events, health welfare, eyesight and hot lunches for the under-privileged children.

Mr. Jones announced that Mrs. H. F. Gilley would teach tap dancing.

Seated on the stage were: Judge Joe Montague, Weaver Baker, Dr. Joel Shelton, Mrs. W. C. Warren, Mrs. W. R. Cusenbary,

the Rev. R. C. Brinkley, the Rev. R. F. Davis, Miss Marie Watkins, and the faculty:

Misses Johnnie Allison, Annie Duncan, Viva Milstead, Mary Lillian Leatherwood, Jamie Gardner, Elizabeth Caldwell, Pauline Davis, Rena McQuary, Mary Ruth Quisenberry, Leeta Mae Garrett, Althea Brister,

Mrs. Rosanna Hildreth, O. P. Adams, Preston C. Lightfoot, Jennings H. Flathers, Peter A. Chase, Boyd Caffey and F. T. Jones.

Miss Nora B. Hill, daughter of Mr. and Mrs. G. P. Hill, who has been attending school in San Antonio, has been employed as secretary to the superintendent.

Verne Eastridge Here Yesterday

A Sonora visitor for a short time Thursday was Verne Eastridge, timekeeper here several months ago for Field Bros. Construction Co., contractors on the Ozona-Sonora highway work. Mr. Fields, who is employed at Gainseville by a construction company, was on his way to Ozona and Bryan.

Music Club Members Guests At Caldwell Home

The first meeting for the official year of the Sonora Music Club was held Wednesday evening at the home of Mrs. W. E. Caldwell.

Officers for this year include: President, Mrs. W. C. Warren; first vice-president, Mrs. Joel Shelton; second vice-president and chairman of the program committee, Miss Marie Watkins; recording secretary, Mrs. Rosanna Hildreth; treasurer, Mrs. Maysie Brown; corresponding secretary, Mrs. Sterling Baker; parliamentarian, Mrs. O. G. Babcock; critic, Mrs. John L. Nisbet; reporter, Mrs. Edgar Shurley.

Mrs. Robert W. Jacobs and Miss Elizabeth Caldwell were named as new members of the club.

Plans were made for a Pan-American banquet to be held some time this fall. The members also discussed exchanging programs with the Ozona club again this year.

A refreshment plate of punch, cookies and sandwiches was served to:

Misses Edythe Carson, Marie Watkins, Gertrude Babcock, Thelma Rees, Elizabeth Caldwell,

Mesdames Edgar Shurley, John L. Nisbet, Robert W. Jacobs, Joel Shelton, Maysie Brown, O. G. Babcock, W. C. Warren, Rosanna Hildreth.

Miss Caldwell assisted her mother in serving.

Mrs. Vander Stucken Club Hostess

Mrs. E. F. Vander Stucken won high score Tuesday, when her daughter-in-law, Mrs. Joe M. Vander Stucken was hostess to the Contract Club. Her other guests were: Mrs. Mike Murphy, Mrs. A. G. Blanton, Mrs. Sam R. Hull.

If you can't speak well of your fellowman, let him do the talking. —Los Angeles Times.

Bridge Club Entertained By Mrs. Louie Stuart

Colors of pink and white were used throughout the party Saturday afternoon when Mrs. Louie Stuart of Eldorado was hostess to the Girls' Club, at the home of Mrs. R. C. Vicars. Zinnias were used in decorating for the occasion.

At the tea hour refreshments of cake and ice cream were served.

Club members present were: Mesdames John Fields, John Hamby, J. C. Morrow, J. A. Ward, Jr., George H. Neill, R. C. Vicars, Duke Wilson, Frank Bond, Miss Alice Karnes.

Club guests were: Mrs. Fred Simmons, Mrs. H. N. Sneed of Washington, D. C., Mrs. Sterling Baker.

Mrs. Wilson won high club award, and Mrs. Hamby won second high and cut award. Mrs. Baker won high guest award.

Picnic Honoring Houston Guest Thursday

Mrs. Pat Carroll and Mrs. Jesse G. Barton honored Miss Gloria Saunders Thursday evening of last week with a weiner roast at the roadside park on the San Angelo highway.

After several games a picnic supper was served to:

Louise Briscoe, Wanda B. Rape, Jimmie Langford, Doris McDaniel, Wirt Ellis Stephenson, Margaret Schwiening, Mrs. Carroll and son, Pat, Jr., Mrs. Barton, and the honoree.

Those who keep bathing suits for rent continue to hold steadfast to the belief that the planet earth is inhabited by a race of giants. —St. Louis Star-Times.

Composer Again in Charge of Music in San Antonio College

A musician as well as a composer in her own right, Mrs. P. P. Brooks, Sonora resident for a short time this summer, this week resumed her work as director of music instruction in Texas Military Institute, San Antonio.

Mrs. Brooks, formerly Miss Alice Mayfield, is the wife of P. P. Brooks, construction engineer in charge of the building of the Texas-New Mexico Pipe Line Co. station on the Menard road. Before coming here he was in charge of similar work near Ozona.

Mrs. Brooks has been a student at several well known schools in the United States as well as at the Royal Conservatory in Leipzig, city in Germany. She is prominently identified with music organizations in San Antonio and in the activities of the Texas Federation of Music Clubs.

Best known of Mrs. Brooks' compositions probably are her "Honey in de Comb," a negro walk-around, "Mah Little Tater Blossom" and two violin numbers — "Bagatelle" and "Barcarolle."

Consideration is being given several of Mrs. Brooks' compositions

at this time by Robert Blake, music publisher. She explained to Sonora friends that those being considered are light compositions, somewhat of the type of conundrums, and are probably best suited for humorous radio program use. Music and words are by Mrs. Brooks.

The publisher, considering the recent compositions is a gentleman who was in charge of a group of American students on a European tour several years ago. Mrs. Brooks was one of the group. He became interested in the San Antonio composer's work when he heard several of her numbers presented on a "ship night" program participated in by many of the passengers on the liner bound for Europe.

The Ozona Music Club recently announced that several of Mrs. Brooks' compositions would be presented on their programs this year. The scope of that organization's study during 1937-1938 will include works of Texas composers, Indian and Spanish folk music, Texas opera and music of the deep South.

To Save Time Mix Muffins Day Before

Adding of Milk To Ingredients Saves Morning Minutes

Denton, Sept. 8.—Hot muffins for breakfast are not as much trouble as tradition would have them be. If late risers will remember to mix the dry ingredients the night before they can get that last fifteen minutes of sleep and still surprise the family with these delicious breads.

To turn this trick, one simply measures and sifts the dry ingredients together and places them in a covered jar; then measure the milk and eggs and fat and you are all set. In the morning sift the dry parts again and the muffins are practically done.

Cornmeal Muffins

Three eggs, 1 cup milk, 2 cups cornmeal, ½ t. salt, 1 T. melted butter, 4 t. baking powder. Beat egg whites and yolks separated. Add milk. Add dry ingredients and melted butter. Fold in beaten egg whites last. Fill greased muffin tins one-half full. Bake in moderate oven 20 to 30 minutes.

Graham Muffins

One and a half cups graham flour, ½ cup cornmeal, ¼ cup milk, ½ t. salt, 4 t. baking powder, 2 T. melted butter. Scald milk and pour over cornmeal. Cover and let stand ten minutes. Add graham flour, salt, baking powder. Add melted butter. Batter should be moderately stiff. Bake in greased muffin tins in moderate oven 20 to 30 minutes.

Wheat Muffins

Four cups flour, 1 t. salt, 8 t. baking powder, 1 t. sugar (if desired), 2 cups milk, 2 eggs, 4 t. melted butter. Mix and sift dry ingredients. Break eggs into mixing bowl and add liquid and flour alternately. Add melted butter. Bake in buttered muffin pans in hot oven 10 to 20 minutes, depending on size of pans.

Bran Muffins

Two cups sour milk, 2 cups bran, 2 eggs (may be omitted), 1 t. salt, 1 t. soda, 1 cup whole wheat flour, 3 t. baking powder, 1 t. sugar. Mix milk and egg together. Combine the two mixtures. Bake in buttered muffin tins 30 to 40 minutes.

H. V. STOKES OWNER OF SONORA FEED BUSINESS

Announcement was made this week by H. V. Stokes of the purchase of the interest of his associate, Louis R. Hall of San Angelo, in the H. V. Stokes Feed Co. here.

Mr. Hall is in the brokerage business in San Angelo and is handling cottonseed cake products, salt, minerals, hay and feed.

Mr. Stokes, in addition to his business here, has duties in San Angelo as commercial agent for Moore and McCormack Lines, operating coastwise vessels out of Texas ports.

Personals

Miss Jamie Gardner, Miss Nann Karnes and Miss Mary Loise Gardner went to San Angelo Monday.

Mr. and Mrs. W. M. McDonough and children, Billy Joe and Bobbie Maxine, of Blanco, were here Wednesday.

Mrs. R. Walter Davis returned to Austin yesterday after a visit here with her sons, W. L. and G. H., and their families.

Mrs. W. A. West of Miles and son, Jack, of Fort Worth, are visiting her daughters, Mrs. Earl Duncan and Mrs. Curtis Nicholas.

Mrs. H. M. Sneed and children, Martha Louise and Hunter, Jr., left Sunday for their home in Washington, D. C., after a visit with friends and relatives here.

Mr. and Mrs. Theo Savell and son, Miers, and Mrs. Savell returned Tuesday from Dallas and Fort Worth, where they attended the Greater Texas and Pan American Exposition.

SONORA REPRESENTATION AT HOTEL MEN'S MEETING

Either Mrs. Josie McDonald or her daughter and son-in-law, Mr. and Mrs. W. P. McConnell, Jr., will represent the Hotel McDonald at the thirty-second annual convention of the Texas Hotel Association in Fort Worth September 19-20.

Committees from the Ft. Worth Hotel Men's Association, under the direction of J. D. O'Keefe, are working to make the affair entertaining to all the members and visitors that attend. Among the various entertainment features are a dinner at Casa Manana, the annual banquet and dinner dance in the Venetian Ballroom of the Blackstone Hotel, together with other activities at the Worth Hotel, Hotel Texas and Fort Worth Club, also a bridge tea at the Fort Worth Club.

Officers of the association are: President, Alex Schneider, Pampa; vice-president, Paul McSwen, San Antonio; second vice-president, J. S. Mickelson, Houston.

Quarterly Reports Given By Baptist Ladies

Mrs. T. L. Harrison presided Wednesday afternoon when the Baptist Woman's Missionary Society met at the church for a business session. Plans for a candy sale Saturday were discussed, and chairmen of the various committees gave reports.

The next meeting will be a social one at the home of Mrs. H. J. Eastland.

Members present this week were: Mesdames Roy Largent, C. S. James, Joe H. Brasher, H. V. Morris, O. C. Ogden, L. H. McGhee, Lee Holland, J. K. Lancaster, R. C. Brinkley, G. G. Stephenson, T. L. Harrison.

Miss Mathis to Teach in Lometa

The third grade in the elementary school at Lometa will be taught this year by Miss L. C. Mathis. Miss Mathis, a sister of Mrs. G. H. Davis, recently returned from a visit in California. Miss Mathis left yesterday for Lometa.

Child Born Sunday Morning

Alfred Theodore Brown, Jr., was born Sunday morning to Alfred and Mrs. Brown. The baby weighed seven and one-half pounds. The child's mother is a daughter of Theodore Virgin.

YOUR CHILD AND THE SCHOOL

BY Dr. ALLEN G. IRELAND

Children Collect Things

I have just returned from Atlantic City where I was in charge of a public school exhibit at the convention of the American Dental Association.

One unit in my display certainly made a hit with the delegates. Unfailingly, they looked, stopped to exclaim, then to ask questions. What they saw was as fine

an illustration of modern education as I have ever seen.

It seems the teacher was developing a unit on care of the teeth. One day a pupil brought a decayed tooth to school. Then the first started. And there came teeth whole jaws and even skulls, originally belonging to a dog, cat, horse, hog, coon, possum, halibut and shark.

The collection was well organized, with the facts about each item on a card written by the pupil-donor. It was put in a box with a glass cover and loaned to me to show the visiting dentists from all over the United States.

Now for the best part. It was a one-room rural school, having only the first five grades. From the teacher I learned that enthusiasm for dental health reached the peak because of the novelty exhibit. Nothing else could have served the purpose quite as well. Milk, fruits, vegetables, going to the dentist, use of the toothbrush and so on were discussed with new interest, because of this central, motivating force—the museum of teeth.

Mrs. Valliant Guest of Honor On 77th Anniversary

The seventy-seventh birthday anniversary of Mrs. M. A. Valliant was celebrated recently when she and a group of her relatives and friends enjoyed an anniversary party at Fort McKavett.

Melvin Rogers of Menard, the husband of one of Mrs. Valliant's granddaughters, supplied the barbecue. The day was spent in fishing and other amusements.

Mrs. Valliant's only brother, W. D. Cozby of Comanche, was one of those present.

The guest list included:

W. D. Valliant, Mr. and Mrs. Robert Kelley and Robert, Jr., Mr. and Mrs. Roy Valliant and Lee Roy, Jr., Mr. and Mrs. C. E. Valliant and children, Miss Ona Cozby and Mark Cozby of Comanche, Perry Valliant, Mr. and Mrs. Melvin Rogers and daughter of Menard, Miss Agnes Jones.

The Valliants named above and Mrs. Robert Kelley are children of Mrs. Valliant, the Cozby's her niece and nephew and Mrs. Rogers and Miss Jones are Mrs. Valliant's grandchildren.

Lawn Party Wednesday Honors James Theodore Hunt

To honor her son, James Theodore, on his birthday, Mrs. Bryan Hunt was hostess Wednesday afternoon on the lawn of the home of her parents, Mr. and Mrs. Theo Savell.

After several games were played ice cream and cake were served to:

Jane Neill, Nancy Neill, George Hamilton, Clayton Hamilton, Richard Bean, Frankie Bond, Tommie Bond, Max Darrell Murray, Basil Halbert, J. W. Thomas, Billy Bryan Savell, John Allen Ward, Billy Frank Decker, Wayne Ogden, Charles Lee Cusenbary;

Mrs. Tom Bond, Mrs. Miers Savell, Mrs. Theo Savell, Mrs. George H. Neill.

HOME BUILDERS' PAGE

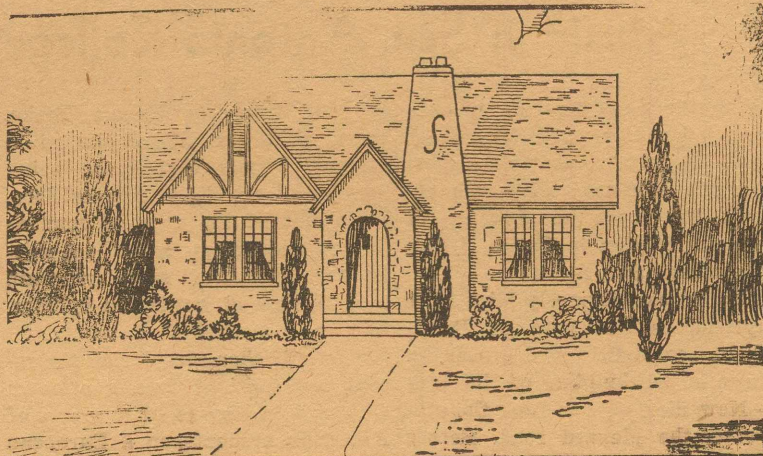

Closets of Wallboard—
A house without adequate closet space is difficult to keep in order. When there is storage space for everything, neatness is not difficult. Composition materials may be used to build closets.

It's English in type but the floor plan presents a design particularly desirable for southwest Texas climate. Too, not a single square foot of waste space is allowed.

Those in the dining room have an appealing view of the glowing embers in the living room fireplace. In the housewife's workroom—the kitchen—there are dual cabinets over tile drainboard. Separate entrances to terrace are provided for dining room, breakfast room and bedroom.

Specifications of the house, costing about \$4,500, call for reinforced concrete foundation, insulation, fireproof roof and excellent plumbing fixtures. The plan is said to have passed F.H.A. inspection.

This One Has Points That Appeal

A Bay Window For More Light
A bay window in the kitchen provides a cheerful place for a breakfast table, and plants can be kept on the ledge. Cupboards on either side may be used for storing cooking books, canisters, or maybe a radio. Such a feature could be suggested to the architect when he is drawing plans for the house.

MORE COLORS IN DEMAND FOR BATH THAN KITCHEN

The bathroom is more colorful than the kitchen, according to a survey by the Bureau of Standards and the National Retail Dry Goods Association. The analysis shows that it takes seven colors to meet the ordinary demands for bathrooms, while six are satisfactory for kitchens.

The seven most desired bathroom colors are white, bath green, orchid, ivory, maize, bath blue and royal blue.

The six most popular kitchen shades are white, kitchen green, ivory, delphinium blue, royal blue and red.

If You Buy An Old House—

Before purchasing an old house go down into the cellar and examine the sills on top of the foundation walls and the first-floor joists. These are the points where decay or the depredations of termites will first take place. If these are sound, it is reasonably safe to assume the balance of the frame is sound also.

QUESTIONS AND ANSWERS

Q. How do I take a latch from a door to examine it?

A. If it is a mortised lock, unscrew one handle and pull out the spindle to which the handles are fastened. Then unscrew the screws in the face of the lock on the edge of the door.

Q. How can we brace our chimney, which stands up alone for about 12 feet?

A. Anchor it with an iron tie rod, fastening one end to the chimney and the other to the rafters of the roof. If it is not possible to pierce the chimney, put an iron band around it, to which the rod may be attached.

EGYPT ONCE AGAIN IS ITS OWN MASTER

Independence Recognized by Treaty With England.

Washington, D. C.—The country that was among the very first in world history to develop a national government has at last become free and master in its own house. Egypt has been acknowledged by treaty with England as an independent country, with the latter as an ally; and more recently an international conference at Montreux, Switzerland, abolished "capitulations," or special privileges granted to foreigners. Thus the land of the Pharaohs, of Tutankhamen and of Cleopatra comes into its own again. "Among the first in history, Egypt also has long been foremost in the literature of travel folders," says the National Geographic society. "Winter visitors have flocked to see the country that the Nile built; to be jerked breathlessly up the pyramids; to seek out the 'knotty crocodile' that is supposed to lie and blink among the bullrushes in the Nile; to shiver at mummies; to draw city-dwellers' romance from camel caravans and vast expanses of tawny desert flecked with oases of green date palms.

Part of Egypt in Asia.
"They find that Egypt has no crocodiles now except in poems about it. The sacred ibis is missing from among the long-legged herons and cranes that fish in the Nile shallows. Lotus blossoms, beloved of the ancients, are now found only in the Delta. The papyrus reed, which gave the world some of its most valuable written records and gave paper its name, is virtually extinct along the lower Nile.
"Donkeys are five times more numerous than camels; but the long-eyelashed, vile-tempered 'freight cars of the desert' still outnumber automobiles six to one. In the land that practically invented writing, developed algebra and geometry for surveying flooded fields, and had one of the largest libraries in the world 19 centuries ago, only one person out of five can now read and write.
"Egypt is perhaps the most publicized African country, and perhaps among the least understood. Known since the beginning of history—in fact, history is thought by some to have begun there—parts of it are still unknown at all.
"It is thought of as a tropical country, typical of parched northern Africa. Yet most of it is in the temperate zone. And part of Egypt is not in Africa at all, but in Asia—the desert of Sinai, scene of the wanderings of the Children of Israel.
"Egypt is six times as large as England, and about equal to Texas and Colorado combined. It is closer to the size of Venezuela, but supports five times as many people. Habitable Egypt, however, extends no farther east and west than the waters of the Nile can be induced to go, for the country is fourteen-fifteenths desert. The real Egypt, the part which is responsible for the dawn of Mediterranean civilization, is only two-thirds as large as Estonia and barely larger than Belgium. But so fertile is this winding shoestring, the richest area in Africa, according to some reports, that it supports one of the densest populations in the world.

Tobacco Prohibited.
"Food is at such a premium that space cannot be spared to raise tobacco, which is prohibited, or to graze many animals, so that meat is almost a luxury to the large vegetarian population. On a slim diet of greenish bread, onions, and yellow-pulp watermelons, the true Egyptian is still a small-scale farmer, looking and living much as he is represented in wall paintings thousands of years old.
"One source of the awe which Egypt has inspired is its important place in the Bible. Before children are old enough to know that there is more of Africa than Egypt, they learn the adventures of Jacob, Joseph, Moses and the Israelites amid its plenty and its cruelty. They note that Egypt is the only country outside his native Palestine in which the New Testament describes a sojourn of Jesus.
"Wheat was widely cultivated in the days when Joseph tided the country through depressions with what may be the first public relief on record. The chief crop is cotton, which makes Egypt one of the three most important cotton-growing countries in the world.
"Cairo, the largest city in Africa, has been Egypt's capital for less than a century. Already its name has acquired a distinctive fame, from the cosmopolitan air of the city's large European settlement and the medieval flavor of the old Moslem districts. Cairo is the site of a university older than Oxford and Cambridge, which only a few years ago stopped teaching that the world was flat. The city's site at the apex of the Nile's delta makes it a transportation center for airlines, camel caravans, the government railroad, and busy river traffic."

Quilt 135 Years Old
Quincy, Mass. — A 135-year-old patchwork quilt, believed the oldest in the country, is owned by Mrs. Charles Churchill. It was made by Mrs. Caroline Munroe, mother of a Civil war general.

AGGIE TRIUMVIRATE THAT WILL MAP GRIDIRON PLANS

HOMER NORTON
Head Coach, A. and M. College

J. W. (Dough) ROLLINS
Assistant Football Coach

CHARLIE DeWARE
Assistant Freshman Coach

College Station, Sept. 8.— Reassignment of two members of the current staff, loss of one freshman coach and addition of two new freshman mentors marked the start of a new athletic season for the Texas Aggie coaching staff when varsity football practice began Monday. Homer Norton is head coach.
H. R. (Hub) McQuillan and J. V. (Siki) Sikes will switch football duties, McQuillan becoming head freshman coach and Sikes becoming an assistant varsity mentor. Charlie DeWare and Les Cummings, center and fullback, respectively, for the 1936 Aggie team, will be assistant freshman coaches. Nick Willis, star guard of the 1935 team and who helped tutor the freshman the past year, has left school.
McQuillan is considered one of the strongest teachers of fundamen-

mentals on the Aggie staff and will take over the freshman reins with 11 years of experience as head coach of a college team behind him. He was head coach at Stetson University, Deland, Fla., from 1924-34, inclusive, before joining the Aggie staff in 1935. McQuillan also is varsity basketball coach.
Sikes is an authority on end play, his particular varsity assignment this year. He was an All-Southwest Conference wing for the Aggies ten years past and played in the annual East-West game. He joined the Aggie staff two years ago after having been assistant coach at East Texas STC for four years.
DeWare and Cummings will return to complete work towards their college degrees. Each completed his intercollegiate athletic eligibility the past year, DeWare

by winning All-Southwest honors at center and Cummings, a full-back, by earning rank as one of the best blocking backs in the conference.
The Aggie coaching staff for football, with the new assignments and additions, will line up as follows:
Varsity — Homer Norton, head coach; J. W. (Dough) Rollins, business manager of athletics, assistant football coach and varsity track coach; Bill James, line coach; J. V. (Siki) Sikes, assistant football coach, varsity-baseball coach; Lil Dimmitt, trainer and assistant coach; and Manning Smith, backfield demonstrator.
Freshman—H. R. (Hub) McQuillan, head freshman football coach, varsity basketball coach; Charlie DeWare and Les Cummings, assistant freshman football coaches.

35 Years Ago

M. V. Sessum and son, Jim, the well known stockmen from down the draw were in Sonora a few days this week attending court.
Will Whitehead bought the Neuman steers last week.
W. T. Cawley sold to J. B. Mott 200 head of young cows at \$20 per head.
W. H. Kelley was in from the Bee Hollow ranch on the Llano Monday.
The kids are having a picnic this week, roping the city dogs.
Miss Maggie Word returned this week from a visit in San Angelo.
John Hunt the handsome blonde was over from Ozona Thursday and reports heavy rain.
Jim Hewes the handsome sheep man was in town this week.
Fred Koenig sold to Ben Hill 41 head of cows and calves off colors at \$15 per head.
Mr. and Mrs. W. A. Glasscock were in from the ranch 7 miles east of Sonora Tuesday shopping.
Chris Wyatt the young stockman was in Sonora several days this week from the Llano.
H. F. Williamson was in Sonora this week. He has sheep in the Fields pasture.
Lon Tatum bought Reagan Bros.' cattle this week at \$15 a head. There were about 200 head.
John Hurst and Will Alexander two of our progressive young men have formed a partnership with John McCleary, the windmill man.
San Antonio People Visitors
Guests in the ranch home of Mr. and Mrs. William Allison last week-end were Andrew Longaker, San Antonio, brother of Mrs. Allison, and Mr. and Mrs. Randolph Martin, San Antonio. Mr. Longaker is a San Antonio attorney and Mr. Martin is associated with his brother in the contracting business.

PEP SQUAD ORGANIZED FOR 1937 FOOTBALL SEASON

Vocal support for the 1937 football team representing Sonora high school was assured Wednesday when girls of the school organized for Pep Squad activities under direction of Miss Johnnie Allison.
Ina Archer, daughter of Mr. and Mrs. G. W. Archer, and Kathryn Brown, daughter of Mr. and Mrs. Orion Brown, were chosen as squad leaders. Officers are: President, Cathryn Trainer; secretary-treasurer, Mattie Mae Friess; reporter, Margaret Ada Martin.
The forty-four girls present discussed the uniform which will be worn. Tentative arrangements call for one made up of: black velveteen skirt, red satin shirt, red socks, black skull cap, low heel oxfords, belt and suspenders to have design on them.

Former Sonora Teacher Here

Summer weeks were spent in Mexico and the eastern United States by Walter E. Willis, Iraan high school instructor who formerly taught here. Mr. Willis was through here Saturday on his way to Iraan. Accompanying him were his niece, Miss Estell Crowe of Hillsboro, Iraan first grade teacher, and Miss Evelyn Olson of Austin who will teach physical education in Iraan this year.

Jennings in Corpus Christi

A request that the NEWS be sent to them in Corpus Christi rather than in Phoenix, Arizona, was received this week from Mr. and Mrs. C. H. Jennings. Mr. Jennings has recently been stationed in Phoenix and Mrs. Jennings has been in school in Lubbock.

CARD OF THANKS

Many Eligible For Enrollment in CCC

Examinations For Sutton County Boys in San Angelo

County welfare boards in Texas may enroll 11,000 white and 1,200 negro boys in the Civilians' Conservation Corps during October, according to Adam R. Johnson, director, Texas Relief Commission.
Mrs. Grace Roberts, case worker in Sutton, Schleicher and Crockett counties, said Tuesday that more information about applications for entrance may be secured from her or by calling the office of Alvis Johnson, county judge. Examinations are held in San Angelo, she said.
A recent statement by the director of the Texas Relief Commission read, in part, in this manner:
"This number far exceeds any former enrollment and will give almost all boys in the state an opportunity to enroll if they are unemployed, 17 to 23 years of age, in need, and whose parents or themselves, due to financial limitations, are not in a position to secure or provide comparable training.
"Heretofore, rules did not allow boys from other than the groups receiving or eligible to receive public assistance be accepted, but these have now been modified. Such boys who have no dependents may allow two-thirds of their pay to remain on deposit and upon discharge, or completion of their enrollment, receive the full accrued amount. Where there are dependents, an allotment will be made each month direct.
"Over \$500,000 each month is brought to Texas through these allotment checks to dependents, which materially relieves the burden that would otherwise be carried by the communities."
Mrs. Ida Alderman of Syracuse, N. Y., sued for damages for injuries she claimed she suffered when attacked by a neighbor's ram. The neighbor's attorney said, "It is our defense that this is a gentle and lovable ram."

FIRST, THERE'S AN IDEA

All good things begin with an idea. Improved motor fuels, better motor oils are no exception to that rule. So Humble's continuous improvement policy puts a premium on ideas. First, a technician gets an idea; he and his fellows elaborate it, theorize about it, satisfy themselves it's sound. Then they test it in the laboratory, that graveyard of many ideas which look good on paper. If the idea passes the laboratory test, the supreme test of all awaits it—the open road. The new product, the improved product, goes through a gruelling grind no ordinary driving would ever give it. Then—if it stands up—it's offered to you.
When, therefore, we invite you to test our Humble products in your car, we're confident you'll like them. We have tested them ourselves and we know they're good!

Sonora Business Man Home
 J. J. Armour returned home Saturday after an illness of several weeks in San Antonio. He is recovering nicely.

Henry Kodern, 90, of St. Paul, had his wife, 74, arrested for beating him, but the case was dismissed.

Mrs. Lee Labenske and daughter, Mildred, visited Mr. Labenske in Bronte Sunday.

Sutton Youths—

(Continued from page 1)

attend San Angelo Business College. Last year she attended Our Lady of the Lake College in San Antonio.

Next Sunday Alvis Johnson, Jr., will leave for Austin where he is doing his pre-medical work. Alvis, a son of Mr. and Mrs. Alvis Johnson, is a junior at the University of Texas. During the summer months, he has been employed by the Texas-New Mexico Pipe Line Company.

Billy Penick, son of Mr. and Mrs. J. T. Penick, will attend the College of Mines and Metallurgy, a branch of the University of Texas, at El Paso. Billy plans to leave Wednesday; he is a junior there.

College work preliminary to journalism study is being done at Schreiner Institute in Kerrville by Reginald Trainer, son of Mr. and Mrs. R. D. Trainer. He went to Kerrville last week. Reginald has been employed at the E. F. Vander Stucken Co. during the summer.

Study toward a geology degree will be resumed Wednesday at the University of Texas by Kenneth Babcock, Kenneth, the son of Mr. and Mrs. O. G. Babcock, will be a sophomore there. He has been in Sonora most of the summer.

Mary Barnes expects to take a beauty course at the Alamo Beauty School in San Antonio. Miss Barnes, a daughter of Mr. and Mrs. W. R. Barnes, left this week for San Antonio.

To Fort Worth Thursday will go Miss Jo Ann Marion who will be a freshman at Texas Christian University. Jo Ann, a daughter of Mr. and Mrs. Vernon Marion, will study business administration.

Joe Nell Miers, valedictorian of the class of 1937, Sonora high school, will leave Sunday for Dallas to attend Miss Ela Hockaday's School. Miss Miers will be accompanied to Dallas by her mother, Mrs. W. A. Miers, and her sister, Addah. She is planning to take a secretarial course.

Another Sutton young person to enter the University of Texas will be J. T. Shurley, son of Mr. and Mrs. Ira Shurley, Sonora ranch people. J. T. attended San Angelo Junior College two years. He is taking pre-medical work.

Stanley Mayfield, son of Mr. and Mrs. Ed C. Mayfield, will leave about October 1 to attend Draughton's Business College in San Antonio. Stanley, who attended Texas Military Institute last year, recently returned from a tour of the western states, and a visit in Monterrey, Mexico.

Wednesday Armer Earwood went to San Antonio where he is attending Texas Military Institute. Armer is the son of Mr. and Mrs. Fred T. Earwood, and was accompanied to San Antonio Wednesday by his mother. He has been on the

Services Sunday in—

inscriptions: "W. L. Aldwell—Feb. 17, 1859-April 14, 1931" and "D. J. Wyatt—1863-1929."

Members Give To Church
 A circular window, one of the three memorial ones in the church before the recent work is in memory of an early day rector of the church—"Richard R. Mercer—Oct. 31, 1857-Aug. 17, 1925." The other two are in memory of—"E. R. Jackson—Feb. 25, 1861-Dec. 23, 1911" and "Thomas Bond—Dec. 19, 1850-April 5, 1922."

Mrs. W. L. Aldwell, a member of the church for many years, said this morning that the Reverend Mr. Mercer was in charge of the church from 1900 until his death in 1925.

Gifts to the church to aid in the modernizing of the interior include the following:

Reredos, a wooden carving replacing curtain behind the altar, given by Mrs. J. L. Nisbet and Mrs. T. A. Williams; prayer bench, given by Mr. and Mrs. Bryan Hunt; credence shelf, given by Young Woman's Guild.

Mrs. James Home From Hospital
 Mrs. W. E. James, who recently underwent an operation in a hospital in Austin, returned to Sonora Sunday. She was accompanied home from San Antonio by her daughters, Mrs. B. B. Kelly and son, Jamie, of Texon, and Mrs. John McClelland, Sonora. Miss Zella Lee Thorp of San Antonio, returned to Sonora with them.

Hudspeths Return From Trip
 Mr. and Mrs. Roy Hudspeth returned Saturday from a trip thru the western states and Canada. They were gone several weeks.

ranch this summer.
 Lem Eriel Johnson will return to Texas A. and M. College next week to continue his study of veterinary medicine. He is the son of Mr. and Mrs. L. E. Johnson. Lem Eriel will be a junior.

A sophomore at the University of Texas this year will be Miss Lillie Marie Smith, daughter of Mrs. Velma Shurley. Miss Smith will leave next week for Austin.

Lacey Smith will continue his studies at the University of Texas School of Medicine at Galveston. Lacey is a junior there. He is a son of Mrs. Velma Shurley.

G. W. Archer will leave Monday for Alpine where he will be a junior at Sul Ross State Teachers' College. He is a son of Mr. and Mrs. G. W. Archer, and has been employed with his father during the summer months.

L. M. Roueche, Jr., son of Mr. and Mrs. Louis Roueche, will leave tomorrow for Alpine, where he will enroll as a freshman in Sul Ross State Teachers' College.

A course in liberal arts will be studied at John Tarleton College, Stephenville, by Louis Davis, son of Mr. and Mrs. W. L. Davis. Mr. and Mrs. Davis plan to take their son to Stephenville Monday. Louis will be a freshman.

J. O. Mills, son of Mr. and Mrs. R. V. Sewell, will be a student at the University of Texas this year. He will go to Austin next week.

**Long Summer Trips
 Ended By Sonorans**

**Boy Scouts and Travelers in East
 Back This Week**

Back this week from their trip as two of the three Boy Scout representatives of the Concho Valley Council at the World Jamboree in Holland were Wesley Sawyer and Jack Shurley, members of the Sonora troop.

The boys returned to the United States Friday on the "Beregaria," making the trip in five and one-half days. It is 3,091 miles, according to an abstract of the ship's log which the boys have, from Cherbourg to Ambrose Channel Light Vessel near New York.

Souvenirs and mementoes of many kinds, as well as gifts for close friends, were brought by the boys from the various European countries through which they traveled. At the Jamboree Scout Sawyer and another American boy were privileged to welcome to the camp James E. West, Chief Scout Executive in the United States.

The boys were met in Fort Worth Sunday by Jack's parents, Mr. and Mrs. M. G. Shurley.

Completing another long vacation trip this week were Wesley's mother, Mrs. E. E. Sawyer, and his brother and sister, Edwin and Alice. Rena Glen Shurley accompanied the Sawyers on their trip through the South and to Washington, New York, Boston and in Maine. A portion of Canada was traveled through by the Sonorans who also saw Niagra Falls and other places of interest. Some time was spent at the Sawyers' lakeside cottage near Sebeois, Maine.

STOCKINGS AS
 DAINY AS
 CINDERELLA'S
 SLIPPER!

These sheer Cinderellas are really sturdy in the way they last. The tiny silk strands have a patented crepe twist for extra wear... they're real "sheers with strength." Ask for
