SPUR, DICKENS COUNTY, TEXAS, THURSDAY JULY 12, 1945

NUMBER 57

Curtis Hisey, 36th Division Veteran, Receives Discharge

Pfc. Curtis Hisey returned to his old home town Friday wearing several rows of campaign ribbons—reminders of days at Salerno, Cassino and in the Vosges mountains—and carrying in his pocket papers showing his honorable discharge from the Army.

A medical corpsman in the famed 36th Texas division, Hisey spent 30 months of his four and one-half years in the service overseas. He landed with his division on Sicily, at Salerno and then on to Cassino where one of the toughest battles of the European war was fought.

For 70 days, the Texas division fought from house to house and still did not take Cassino. Four months later the Italian city fell—literally. "Cassino is flat—there is not a building standing today," Hisey commented.

As an aid man to a rifle company, Hisey advanced with his company and gave medical assistance to the wounded. Twice wounded himself—once at Cassino, again in the Vosges mountains—the former Spur high school student wears the Purple Heart with an Oak Leaf Cluster.

Hisey will long remember the night he and other members of the 36th division twice crossed the Rapido river and twice were forced to return. The first time he swam the river, Hisey was with 200 men. When they retreated, he was one of four soldiers to get back to the American side—the other men were either killed or taken prisoner.

The second time he swam the river that night, the odds were only slightly better—Hisey was one of 20 out of 200 men to return. Crack German SS troops were entrenched in the hills on the opposite side of the Rapido river, a position which afforded an excellent view of the river and the American lines. Hisey said they were "fanatical and tough fighters."

When asked about the capture of Rome by the 36th division, the ex-soldier said for the first time in its history the Italian city was captured from the south. Although Rome has been attacked many times in past centuries, the conquerers never succeeded in their offensive from the south. "Rome is beautiful," Hisey commented, "You couldn't tell it had been touched."

When the Italians surrendered, the Texas division invaded Southern France and then went on through Alsace, Belgium, Austria and Germany. Newspapers readers will recall the dark days in February, 1944 when the "Lost Battalion" was cut off from the 36th division in France. Hisey was among those men of the battalion who went five days with no food. The sixth day food and medical supplies were placed in empty shells and shot to them from big guns. The eighth day the 442nd regiment broke through and relieved the battalion. For meritorious service during those eight days, Hisey was awarded the Silver Star.

Quite proud of his division, but reluctant to tell much about himself, Hisey said that the 36th division set an all time record by sending 235 days at the front. The Texas division and the 45th division hold the record for sending more than 400 days in action.

Hisey said he did not know how many prisoners they took, how many prison camps they liberated. Toward the last, the veteran said, we were wading so fast, we could not keep track of the towns we did liberate.

On VE-Day, the 36th division is holding a road block in Austria and preparing to attack the Austrian city. Instead of attacking American doughboys celebrated in addition to having the Purple Heart and the Silver Star, Hisey holds the Bronze Star medal with one Oak Leaf Cluster for "gallantry in action," the ribbon with six battle stars, presidential unit citation, a veteran of foreign wars ribbon, pre-Pearl-Harbor ribbon and a Good Conduct Medal.

At one time a technical sergeant, Hisey volunteered his services six months ago and accepted the rank of a private in private class. He wanted to take orders for awhile—instead of being them.

Son of Mr. and Mrs. K. A. Hisey, San Angelo, Hisey is a member employee of the Spur Press company.

MR. PRICE, RATION BOARD CLOSE NOON SATURDAY in accordance with President Truman's declaration of a 44¢ week, the Dickens County Price and Rationing Board will close at 12:15 p.m. Saturday, it was announced today.

Mrs. S. R. Bowman Dies July 5 in Spur After Heart Attack

Mrs. Susie Mae Bowman, a resident of Spur for 32 years, died of a heart attack Thursday, July 5, at her home in Spur.

Funeral services were held at 5 p.m. Sunday in the First Baptist church, Spur, with the Rev. C. N. Gilbert, pastor, officiating. Interment was in Spur cemetery. Born Feb. 1, 1876 in Hill county, Texas, Mrs. Bowman, on July 15, 1899 in Milford, Texas, married the late S. R. Bowman, who preceded her in death by only a few months.

The deceased is a member of the Baptist faith. Mrs. Bowman is survived by Mrs. Will Suddath of Spur; Mrs. A. J. Hill and Miss Eva Murphy of Hubbard; Mrs. J. A. Murphy of Girard; Mrs. D. E. Wells of Knox City; Mrs. S. H. Twaddell of Amarillo; Mrs. L. A. Sanders of Albany; A. M. Bowman and J. L. Bowman of California and Mrs. G. B. Whittle of Madell, Okla.

Funeral bearers at the funeral were George Gabriel, Lawis Lee, Neal Chastain, Coy McMahan, L. D. Ratliff and Penn Shugart. Campbell's Funeral Chapel had charge of the services.

FIRST LIEUT. EVERETT MARTIN, son of Mr. and Mrs. C. L. Martin, Spur, will receive an honorable discharge from the Army August 30. A B-25 pilot, the former football player is a veteran of 50 missions in the Pacific theater of operations. For the past few months he has been stationed at the Army Air Field in Midland. Lieut. and Mrs. Martin and son, Everett Jr. are now in Spur and plan to live in the Alph Glasgow house.

Pete Hughes, ETO Veteran, Is Given Army Discharge

T/5 David W. (Pete) Hughes Jr., son of Mr. and Mrs. D. W. Hughes Sr., Duncan Flat, arrived home Friday with an honorable discharge from the Army under the point system. This was the first time Hughes had been home during his three years in the service.

A radioman in the Army Signal Corps, Hughes was stationed overseas for 34 months. Much of this time was spent in England, but when the Germans broke through our lines las December, Hughes was in Holland helping maintain communications with the front lines and headquarters back in England.

Hughes praised the Dutch highly—"They seemed to think they just couldn't do enough for us." He went on to say that the Dutch would invite American soldiers into their homes, give them the best beds, the best food and wait on them "hand and foot."

While in England, Hughes said at one time he was stationed on the eastern coast, overlooking Holland where the Germans were launching buzz bombs. His headquarters were in an old English castle about six stories high, the ball room had been converted into a mess hall, and officers and some enlisted men were billeted in the mansion. Hughes and some of his buddies were quartered in guest houses on the estate.

The former radioman said that he met a number of Britishers bearing the name of Hughes. He never found the true origin of his name though, because each person would tell him something different. In Ireland, he was told Hughes was Irish—in England, it was Welsh.

Arriving in the United States June 20, Hughes was sent to Fort Sam Houston, Texas, where he was granted a discharge with 109 points.

At present the Ninth Army veteran has no definite plans, except that he is going to rest and visit with relatives and friends for awhile.

Transfers to Spur Schools Must Be Made By Aug. 1

C. F. Cook, superintendent of Spur schools, announced Wednesday that school children from surrounding districts who intend to transfer to Spur schools this fall, must transfer before August 1.

"It is absolutely necessary that transfers be made for children who plan to attend Spur schools. Children who have not been transferred, will not be accepted in the schools here," Cook emphasized.

Information regarding transfers may be obtained from Superintendent Cook or O. L. Kelley, superintendent of Dickens county schools.

WOMANS COUNCIL

The Womens Council of the First Christian Church, met in the home of Mrs. O. B. Ratliff, newly elected president, at 4 p.m. Monday. Mrs. Cecil Fox announced.

Mrs. E. C. McGee and Mrs. B. F. Hale had parts on the program. Sandwiches, pie and punch were served to the 11 women present.

T-5 Thomas Martin Is Serving With Famed 83rd Division

T/5 Thomas A. Martin, Afton, is a member of the famous 83rd Infantry (Thunderbolt) division which is credited with taking over 2,000 prisoners in one day and being the first American division to reach the lower Rhine river.

A graduate of Spur high school, Corporal Martin entered the service three years ago, and was assigned to the 83rd division. He received basic training at Camp Atterbury, Ind. and advanced training at Camp Breckinridge, Ky. before going overseas in April, 1943. Landing in England, Martin and the other soldiers of the Thunderbolt division received basic training. Shortly after D-Day, the 83rd left England and invaded France.

Members of the crack infantry division fought at Normandy, Brittany, the Loire Valley, Luxembourg, the Hurtgen Forest, the Ardennes and made drives to the Rhine and across the Elbe river.

After crossing the Elbe river, the 83rd liberated from prison camps over 75,000 Allied soldiers, and took 24,000 Germans captive.

Originally, the 83rd division was part of the Third Army. When troops landed in England, the division was transferred to the First Army—and now it is assigned to the Ninth Army. The Thunderbolt division is now commanded by Maj. Gen. Robert C. Macon.

Canning Center To Open in Spur Mon.

A canning center for local citizens will open at 9 a.m. Monday in the WPA building, Spur, Walter Labay, vocational agriculture teacher of Spur high school announced.

Canning equipment will be furnished by the center. Individuals canning must furnish their own cans or jars, Labay said.

The center will operate from 9 a.m. to 4 p.m. Monday through Friday of each week until the first of November. Mrs. O. C. Arthur will be in charge of the center, and will instruct canners in use of equipment.

Mrs. M. C. Golding, Miss Ida Lee Golding, Mrs. W. T. Andrews, Mrs. Edna Daniels, Mrs. R. R. Wooten and Mrs. F. W. Jennings left Spur Thursday, July 12, for a two weeks vacation in the Golding cabin at Ruidosa, N. Mex.

Merchant Marine Describes Sights in Liberated Holland

"Holland is the prettiest country I've ever seen," said Merchant Marine Wendell Parker, when he arrived in Spur last week after carrying a load of wheat to the Netherlands aboard a Liberty ship.

Parker said he spent four days in Rotterdam and described the Dutch seaport as "beautiful." The people of Holland, Parker continued, would do anything for the Merchant Marines. He then told how the Dutch came on board the ship, washed the men's clothes, and dishes—all free of charge. The American seaman showed their appreciation though, by giving them soap, clothing and food.

The Dutch were particularly anxious for soap colored red, Parker stated, because they believed it to be sweeter smelling. The Spur sailor said he gave a Dutch man some trousers and the man was so happy that "he jumped up and down and hugged my neck."

"The Dutch are starving," Parker emphasized. He then related some of the stories the Dutch told regarding German atrocities toward civilians in Holland. Parker was told that during the German reign, each person was allowed four ounces of bread per week.

One of the most impressive of the horror tales told by the Dutch was how in concentration camps, the Germans would graft a man's hands to his chest. Parker said he did not see any persons that had actually suffered such a fate, but he did see a number of crippled Dutch—they had walked home from Germany.

Parker stated that the Dutch had cleared away the harbor blockade laid by the Germans, but that they had not gotten their transportation system working again—so bicycles are still the vogue.

When his leave expires the latter part of this week, Parker will report to Houston for duty. Son of Mr. and Mrs. Lee Parker, Soldier Mound, Parker has been in the service six months.

Pfc. Patterson's Unit Gets Plaque

Pfc. Nathan C. Patterson, formerly of Waco and the husband of the former Mae Butler, Spur, is a member of a port battalion in Calcutta, India, which recently has been awarded a meritorious service unit plaque by Maj. Gen. W. E. R. Covell, commanding general of the services of supply in the India-Burma theater, it was announced in a Waco news paper last week.

The port battalions have cut down the unloading of ships in harbors to an average of three and one-half days, the fastest record in the world. They recently unloaded a Liberty ship in 44½ hours.

Mrs. Patterson and son are living in Spur during Private Patterson's absence.

Look Who's Come!

Mr. and Mrs. Bill Davenport, Carlsbad, N. Mex. are the parents of a baby boy born June 11. Mrs. Davenport is the former Tommie Brittain, daughter of Mr. and Mrs. F. O. Brittain, Oakland, Calif., formerly of Spur.

A son weighing six pounds and 14 ounces was born to Dr. and Mrs. O. R. Clouds Spur, Friday, June 29 in Nichols General hospital. The baby has been named Roy Randall.

Deposits Are Largest In History of Local Bank

Total deposits in the Spur Security bank have quintupled since the close of business June 30, 1941, and the close of business June 30, 1945, official reports on the financial condition of the local bank reveal.

In spite of the drought in this area and the purchase of around 300 thousand dollars worth of bonds in the recent Seventh War Loan drive in Dickens county, deposits have soared to \$3,107,365.77—the highest in the history of the bank.

W. T. Andrews, executive vice president, said Tuesday, "The bank report shows we are in the best financial condition we ever have been in."

Sgt. E. L. Parker, CBI Veteran, Is Home on Furlough

Sgt. Eldred L. Parker, son of Mr. and Mrs. Lee Parker, and veteran of 28 months service in the CBI, arrived home last week on a 30-day furlough from Fort Sam Houston.

Since arriving in the States June 22, Sergeant Parker has been catching up on all the ice cream, oranges, apples and grapefruit that he missed during his months overseas. Most of the foods was canned, and water buffalo was their main meat supply in China.

Six months of his tour of duty were spent in India. Sergeant Parker was quite impressed with the Indian "trucking lines," which turned out to be camel caravans. He said the merchants load their goods on camel backs and travel all night, sleeping in the daytime to avoid being out in the terrific heat. The lead camel has a bell tied to him and the other camels follow the sound of the bell.

If you are anywhere near a main road in India, Sergeant Parker said you can hear the camels going by all night long.

The Texas Sergeant preferred the cool climate of China to the high temperature of India. "We slept under two blankets the year around in China," he said. Sergeant Parker said his most outstanding impressions of China were the poverty of the people and the huge population—"I didn't know there were that many people in the world."

Despite their primitive abodes and lack of modern machinery, the Spur soldier said, you never see a Chinese unless he is singing, smiling and appearing to be happy. To Sergeant Parker, the Chinese "are not living—just existing."

A member of a ground crew servicing heavy bombers (B-24s) for the Fourteenth Air Force in China, Sergeant Parker said that except during the monsoons, the weather was excellent for flying. The former Spur high school student said that he saw five USO shows, including Hollywood stars Ann Sheridan, Pat O'Brien, Paulette Goddard and O'Brian, Brown, while overseas.

Tennis courts, volley ball and basket ball courts and out door movies were provided, and could be used any time, he stated.

Sergeant Parker has been in the service three years and wears the Asiatic theater of operations ribbon with one bronze star and the Good Conduct ribbon.

Spur Gets 1.60 In. Rain Monday Night

A hard driving rain, accompanied by heavy lightning and thunder, hit Spur Monday night, causing some telephone and light lines serving the town to be inoperative for several hours.

Although water rushed down the streets of Spur late Monday night, total precipitation was reported to be only 1.60 inches. Rain was received throughout Dickens county, but no estimate of the rainfall in areas other than Spur have been received.

CORRECTION

The Texas Spur erroneously reported in the "News of Our Men and Women in Uniform" column in the July 5 edition that Sgt. Dean McInroe was a former German prisoner of war. The reporter is happy to announce that Sergeant McInroe never was imprisoned by the Nazis. He did, however, fight with the 86th Blackhawk division in the European theater of war. Now back in the States on furlough, Sgt. McInroe and his wife are visiting Mr. and Mrs. E. G. McInroe, Afton, and Mr. and Mrs. Victor Arrington, Spur.

Since the end of the fiscal year in 1941 when the deposits were \$96,720.90, there has been a steady increase in the amount of money placed into the Spur bank.

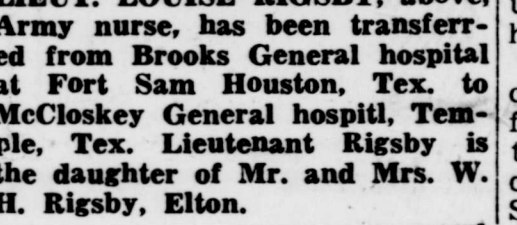

The statement of June 30, 1942,

showed a marked increase in deposits with the total being \$1,738,845.95. In 1943, deposits were \$1,738,845.95, and in 1944 at the close of business, deposits totaled \$2,181,691.25.

From Dec. 31, 1944 to June 30, 1945, deposits increased by approximately \$250,000, Andrews stated.

Throughout West Texas, banks in towns comparable to Spur report a general increase in deposits, Andrews said.

Loans and discounts amounting to \$678,700.98, plus United States Government obligations and other assets, make the total assets of the Spur Security bank \$3,265,525.74, as of June 30.

Lieut. Louise Riggsby, Army Nurse, Has Been Transferred to Fort Sam Houston, Tex.

Lieut. Louise Riggsby, above, Army nurse, has been transferred from Brooks General hospital at Fort Sam Houston, Tex. to McCloskey General hospital, Temple, Tex. Lieut. Riggsby is the daughter of Mr. and Mrs. W. H. Riggsby, Elton.

Afton Board Will View Bids on New Building July 20

Bids on the construction of the new vocational agriculture building at Patton Springs will be reviewed and probably one accepted at a meeting of the school board Friday night, July 20. O. L. Kelley superintendent of Dickens county schools, announced.

Contractors may obtain blueprints of the proposed building at Kelley's office.

In a recent election tax payers of the Patton Springs school district voted \$4,000 in bonds for the purpose of replacing the vocational agriculture building which was destroyed by fire about a year and one-half ago.

Proctor Dept. Store Announces July Sale of Alexander Stock

Carl Proctor, new owner of Henry Alexander & Co. dry goods store, is announcing a store-wide July clearance sale, opening Thursday morning, with a double-page ad in this issue of The Texas Spur.

Purchase of the business from Mrs. Gertrude Alexander was completed early last week, but the store has been closed most of the week in preparation for this sale.

Proctor stated that clerks employed by the late owner of the store would be retained by him, and they invite their friends to call on them under the new management.

75 Miles REA Lines In Elton Area To Be Complete By Friday

By Friday, Jack Rector, local manager of the REA, said that the hoped to have 75 miles of wire in the air toward Elton community. Holes were dug and poles were laid last month in that community.

Work in other areas is progressing normally, Rector said, and shipment of poles are coming in this week. An additional carload of wire has arrived, too, the REA manager stated.

Credit Asso. Buys \$20,000 War Bonds

The Stamford Production Credit Association invested \$20,000 in its member capital and surplus in War bonds during the Seventh War Loan Drive, J. L. Hill Jr., secretary-treasurer, announced.

From Dec. 31, 1944 to June 30, 1945, deposits increased by approximately \$250,000, Andrews stated.

Throughout West Texas, banks in towns comparable to Spur report a general increase in deposits, Andrews said.

Loans and discounts amounting to \$678,700.98, plus United States Government obligations and other assets, make the total assets of the Spur Security bank \$3,265,525.74, as of June 30.

Swenson & Edwards Retain Offices in Cowboy Reunion

J. E. Swenson, Spur, and Luther Edwards, Dickens, were re-elected to their offices as range boss and wagon boss, respectively, in the Texas Cowboy Reunion Association at an election held last week in Stamford.

Other officers re-elected include Charles C. Coombes, Stamford, as secretary-treasurer; Porter Campbell, Rule, as wagon cook and Mrs. Pat Donoho, Stamford, as assistant secretary-treasurer.

New officers elected at this time were H. G. Bedford, Midland, first vice-president; Grover Carothers, Stamford, second vice-president; and Walter Johnson, Bronte, horse wrangler. M. S. Doss, Seminole, was named chairman of the board, replacing Kir Jeffers, Brady, who was renamed a director.

Farmers Must Get Permit to Kill Beef For Retail Buyers

The Dickens County War Price and Rationing Board announced Monday that all farmers, who plan to have their cattle slaughtered for sale to retail stores, must secure permission from their rationing board to do so.

"Permits will not be granted, if the cattle already have been slaughtered," the spokesman emphasized.

"A farmer, who never has had cattle slaughtered for sale before, is eligible to kill a maximum of 400 pounds per year," the board employee stated.

AAA Performance Reports Due Aug. 15

Under the 1945 Agricultural Conservation Program the farm operator will be responsible for determining and reporting the extent of all practices carried out on the farm by himself or other interested producers.

Practices carried out between must be reported not later than January 1 and August 1, 1945, August 15, 1945. A series of Community meeting will be held later this month for the purpose of taking these reports. It is suggested that farm operators be prepared to report at these meetings, the measured extents of all practices which are complete. This would save the loss of time and expense of a trip to the County AAA office at a later date.

Local Merchants Will Meet July 19

A trade meeting for merchants covered by MPR 580 and MPR 529 will be held at the Dickens County War Price and Rationing Board office Thursday, July 19, it was announced Monday.

Postcards giving the hour of the meeting will be mailed to all merchants governed by MPR 580 and MPR 529, a spokesman at the Ration board stated.

Duncan Campbell, district price specialist, will conduct the meeting.

"All merchants from Dickens, Kent and Stonewall counties, who are covered by these regulations, are urged to be present at the meeting," an employee at the local board said.

Mrs. J. C. Keen returned home from Amarillo Thursday after attending the funeral of her brother-in-law, E. A. Armstrong.

Mr. and Mrs. Charlie Powell and daughters, Misses Shirley and Charles Powell spent the week end in Baird, Texas in the home of Mrs. Powell's parents.

Is Your Self-Respect Worth Anything?

Are you willing to help win the war against Japan? Naturally you will say yes. There are two outstanding things those of us who are privileged to remain at home can do to aid our fighting forces. First, we can work to the limit of our strength and ability, without interruption; second, we can deny ourselves luxuries in order to buy the war bonds necessary to give our fighting men every ounce of equipment and food they need.

While millions of men are facing death and foregoing the pleasures of home and family life,

every mother's son of us should put every dollar we can into financing this war, so that by the sheer weight of the equipment we throw into it we will bring it to a conclusion at the earliest possible moment, thereby saving the lives of countless loved ones.

After all, this is our war; our boys are the ones on the firing lines; our homes are the ones being saved. How much would your life or property be worth if the Japanese army and navy had not been held at bay, and were not eventually demolished? Don't think that in buying bonds you are in some manner doing someone a favor; you are the one who is really favored by having an opportunity to buy them. Think what it means to the boys

at the front to know that the necessary money is given willingly to back them up.

All war loans necessary to knock out the Japs must go over the top with a bang. American bullets and American money are the most discouraging things they can face today. Why should we hesitate about buying that extra bond when the boy with the rifle hits the beachheads without question, not knowing at what moment he may be blown to bits or blinded or crippled for life—and then we quibble about loaning \$25 or \$100 to buy more supplies for him. There is only one answer if you wish to keep your self-respect.

The Opposite of Monopoly

The Attorney General of the United States has given fire insurance a lot of publicity in his anti-trust suit against the industry. The action was confusing to millions of people. But John M. Thomas, past president of the National Board of Fire Underwriters, threw light on the subject when he said:

"Any group of men or women in any state who can meet the qualifications of their state's laws as to character, capital and reserves required, can launch a capital stock fire insurance company. They can enter the business on the same basis as the oldest and most widely experienced of any of the companies in the field. There is available the tabulated, analyzed experience of the companies over the years, scientifically reduced to a classified rating service resting upon the mathematical accuracy of the law of great numbers over a large area and supervised by the insurance officials of the states in which any company operates.

"This biases the direct antithesis of monopoly. Without that system of rating, open to all companies on equality of terms, only the very largest companies with the broadest experience on which to base their rates, could operate in the public interest. With that system of rating, all can enter on equal terms, who

can qualify under the laws of their home state. It is equality of opportunity and equality before the law, plus equality of access to adequate rates, that will protect the public against overcharge and insolvency, and equality in contract terms under the

standard policy laws. Monopoly under such conditions is impossible.

"The great bulk of our premium income comes from the numberless owners of the little homes and plants scattered in every nook and corner of our

land. More than 56 per cent of our annual payments of losses goes to indemnify such of these owners who suffer loss from fire, or hail, or windstorm or other insurable hazard. "Insurance is the road away from monopoly, not to it."

Thank You...

To all my customers who are also my good friends, may I express my thanks and appreciation for all you have done for us during our years of business in Spur.

It has been a pleasure to know you and to do business with you. Your fine cooperation and understanding have been an incentive to us and it is with deep regret and sadness that I now close the books of Henry Alexander and company.

The new owners, Mr. and Mrs. Carl Proctor, are my good friends and I recommend them to you. They expect to continue with the same merchandise lines we have carried and to carry out the same business policies which you have always associated with Henry Alexander and Company. I am sure that they will greatly appreciate your friendly cooperation and help.

Mrs. Henry Alexander

TAKE A QUICK LOOK AT A

This car may have disappeared by the time you finish reading!

Every 17 Seconds (much less time than it takes to read this ad) another vitally needed car breaks down—so far beyond repair that it is gone forever.

This wouldn't be so serious if all of us lived within walking distance of our jobs. But we don't. And all you have to do is look at the acres of cars parked outside any big war plant to realize how much America's war effort depends on automobile transportation!

That's why, with 5000 cars a day going into the scrap heap, all of us have plenty to worry about. That's why Uncle Sam says, "Care For Your Car For Your Country!"

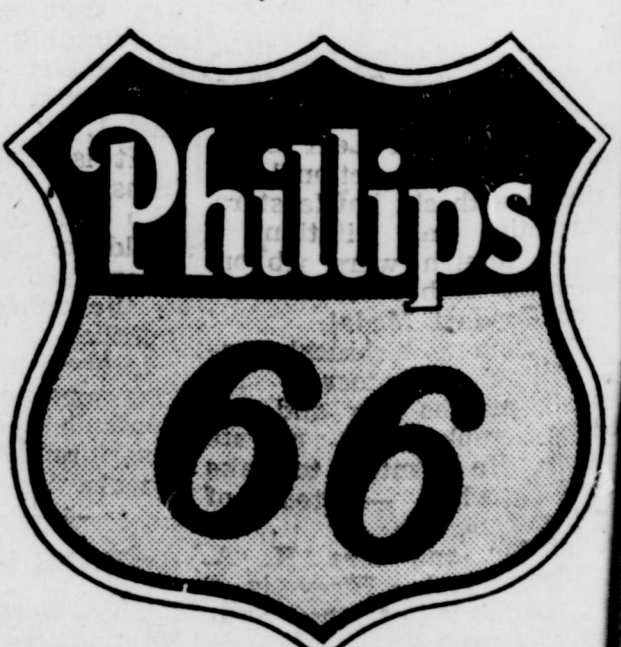

And it's not hard to do—especially with your Phillips 66 Service Man stand-

ing by to help you. Because he has a special Tire-Saving and Car-Saving Plan for motorists like you. If you'll take your car to him regularly he'll check your tires—look out for cuts, bruises, and nails; warn you when re-capping is necessary; see that the air-pressure is right.

He'll take a regular look at your battery, cooling system, and air filter. He'll help discover the little troubles before they become big ones. And your Phillips 66 Service Man will tell you it's a mighty good idea to have a complete lubrication job done regularly—for it's often those unseen parts of a car that cause trouble.

So for complete car-saving service, stop at your nearest Phillips 66 Shield... the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

PHILLIPS PETROLEUM COMPANY

CARE FOR YOUR CAR—FOR YOUR COUNTRY

IT'S GREAT TO GET BACK FROM NATURE

POISON IVY, mosquitoes, ants, sunburn, rain—
Roughing it on a camping trip is great stuff. For a week or so. Then you begin to long for the comforts of home.

A good light to read by... a hot shower... your electric razor... an electric range... and, of course, your radio.

It's surprising the number of every-day conveniences made possible by electricity. You take them for granted—until you have to get along without 'em.

The big reason why you forget 'em is because electric service is so good and cheap. Electricity is still available at low pre-war prices. There have been no shortages.

And you can be sure there will be plenty of power for the post-war electric era—thanks to the practical experience and sound business management of America's light and power companies.

Listen to "THE SUMMER ELECTRIC HOUR" with Robert Armbruster's Orchestra and guest stars. Every Sunday afternoon, 3:30, CWT, CBS.

West Texas Utilities Company

"We'd like to put them in for all who want them"

That's our business—to install telephones and furnish telephone service. We'd much rather put in telephones for all those waiting than put this ad in the paper. But there is still no choice. Though V-E Day has come and gone, the Japanese war is making heavy demands on Western Electric's telephone factories.

Of course, the end of the war in Europe brings us closer to the day when everyone who wants telephone service can get it without delay. But that day would still be far off, even if all war demands ended tomorrow. Telephone equipment—dial central office equipment, switchboards, even cable—is complicated. It takes a long time to make, and a long time to put to work.

At present, a trickle of new equipment of various kinds is being made. Until more is available, we'll continue to do our best with what we have. Thanks for being patient.

SOUTHWESTERN BELL TELEPHONE CO.

With the cry of "Geronimo" the paratroopers hit the silk in the picture, "Objective, Burma," starring Errol Flynn, with George Tobias, John Alvin.

'Objective, Burma' 27th Roll for Errol Flynn

Errol Flynn, star of Warner's "Objective, Burma," showing at the Palace Sunday and Monday, has completed twenty-seven pictures since starting his movie career at Warner Bros. studio nine years ago and, listed in continuity form, the titles tell their own story, as follows:

Starting with "The Case Of The Cruel Bride" back in 1935, Flynn followed with the oft-disputed piece of advice, "Don't Bet on Blondes." Wonder of there was any connection?

His first starring role was in "Captain Blood," filmed in 1936 shortly after he was made a major in "The Charge Of The Light Brigade." The charge, naturally enough, was made before the "Green Light" was flashed.

Then came "Another Dawn" for "The Prince and the Pauper" who preceded "The Adventures of Robin Hood"—"The Perfect Specimen."

In 1938, Flynn made "Four's A Crown," evidently having in mind "The Sisters" which followed immediately after!

Then in 1939 came the "Dawn Patrol" over "Dodge City" and "The Private Lives of Elizabeth and Essex" in "Virginia City." The latter place is a ghost town, too!

"The Sea Hawk," made in 1940, evidently didn't have any carrier pigeon blood, for it was mixed with the "Santa Fe Trail," where "Footsteps In The Dark" were heard the following year.

"Dive Bomber" was followed, appropriately enough, by "They Died With Their Boots On" and it most certainly must have been a "Desperate Journey" with "Gentleman Jim" through the

"Edge of Darkness" in 1942. At work on his latest picture, "San Antonio," soon to be released, Flynn remarked, "Thank Your Lucky Stars" that the "Northern Pursuit" won't re-entire in any "Uncertain Glory" for "Objective, Burma."

Farmers, and businessmen both in cities and small towns, are looking to 200-pound War Mobilizer Fred Vinson to throw his weight around if bureaucrats try to set up price policies that will interfere with production and distribution of goods during reconversion.

Vinson, white-haired Kentuckian who smokes cigarette incessantly, left the U. S. Circuit bench to fight inflation as Director of Economic Stabilization. Shifted to the Office of War Mobilization, he sees clearly that high production is an antidote for inflation and that an adequate profit margin is an essential condition of high production.

"That condition has been met for war production, and that condition will be met for reconversion to peace production," he told his former colleagues in the House, where he served until 1937.

The promise satisfied legislators, disturbed by statements at distribution clinics sponsored by the National Assn. of Manufacturers that "the public is heartily sick of controlled production and distribution."

Vinson's statement on prices was a vital factor in settling the recent controversy over extension of the OPA. If any bureaucrats attempt to prevent the fulfillment of his promise regarding reconversion prices, the whole subject probably will be brought up for review in Congress next fall.

NURSE LOSES FAT SAFELY AYDS WAY
Get slimmer without exercise
Eat starches, potatoes, gravy, just cut down. AYDS plan is safe, sensible, easier. No exercise. No drugs. No laxatives.

NEWS of
MEN AND WOMEN
IN UNIFORM

Coast Guardsman Carlos Brummett, SP 1/c, stationed in New York City, visited his parents, Judge and Mrs. H. A. C. Brummett, Dickens, last week, and his brothers, Winston Brummett, Spur, and Lieut. Dudley Brummett, who is in Dickens on leave.

Lieut. and Mrs. Dudley Brummett are spending the week in Ruidosa, N. Mex.

Dick (Sonny) Hindman, BM 1/c, has been made assistant company commander at a Naval base in New Orleans. He is the son of Mrs. L. E. Langford and Luther Hindman.

R. W. Dempsey, torpedoman's mate second class, USNR, son of Mr. and Mrs. A. L. Dempsey, Dumont, is serving aboard a sea-plane tender which has just returned to the States with Naval aviation personnel who have been operating from England. Dempsey has been in the Atlantic 16 months.

M/Sgt. Marion Christal, ETO veteran who has been in Spur on a 30-day furlough, left Tuesday to report to Stour Falls, S. D. His father, Joe Christal, drove him to Sweetwater where he caught a train.

GY/Sgt. Haney Nugent with the Marines on Okinawa has notified relatives that he expects to be home soon. He is the grandson of Mrs. W. P. Nugent, and brother of Lieut. Leo Nugent, formerly of Spur.

Pvt. William N. Hickman, son of Mr. and Mrs. S. J. Hickman, Afton, is on duty somewhere in the Pacific and would like to hear from his buddies and old friends. His address may be obtained at The Texas Spur office.

S/Sgt. Joe E. Gilmore, a gunner on a B-24, has arrived in the States from the European theater of operations and is expected in Spur sometime this week. His sister, Mrs. Billy Powell, lives here.

Pvt. Ira Copass, son of Mr. and Mrs. J. E. Copass, Dickens, returned to Fort Benning, Ga. this week after spending a furlough with his parents and other relatives.

Elmer Lee Luna, S 1/c, son of Mr. and Mrs. M. L. Luna, Girard, notified his parents that he had acquired a battle star for his

Asiatic-Pacific campaign ribbon. The battle was at Okinawa. Aboard a transport ship, Luna has been at sea since Jan. 15, 1945. He has been in the service 14 months.

Jack C. Keen, electrician mate third class, is now stationed at the U.S.N.A.F., Thermal, Calif.

Pvt. Alva Earl Smith left Spur last week for Fort Ord, Calif. after spending a 13-day furlough with his wife and parents, Mr. and Mrs. R. F. Smith.

First Lieut. Bill D. Powers, Alamogordo, N. Mex., who has been visiting his parents, Mr. and Mrs. Albert Powers, returned to the Army Air Corps base at Alamogordo.

Pvt. Pat Hogan, son of Mr. and Mrs. Ned Hogan, has been made a mail clerk at Camp Crowder, Md. He is a former medical corpsman.

Marine Pfc. Jeff Smart, son of Mr. and Mrs. V. C. Smart, left last week for Philadelphia where he will report for reassignment. Until recently Private Smart was stationed at the Naval hospital in Portsmouth, Va.

S/Sgt. Spencer Lisenby, son of Mr. and Mrs. J. L. Lisenby, former resident of Spur, has been transferred from Amarillo Army Air Field to an air field at Las Vegas, Nev.

Lieut. Pat Williams, son of Mrs. Helen Williams, went to Tyler to be best man at the wedding of his co-pilot, Lieut. Don Curtis. Lieutenant Williams is here on furlough after serving in the ETO.

Pfc. Junior Jenkins, son of Mr. and Mrs. J. L. Jenkins, Girard, is spending a 30-day furlough with his parents. Private Jenkins has just returned from Germany where he served with the 86th Infantry division. He will report to Fort Sam Houston, Texas, at the expiration of his leave.

CARD OF THANKS

May we take this means of expressing our sincere thanks to our friends for their love and sympathy following the news of the death of Pvt. Bruce Bateman. We especially thank the ones who sent the beautiful flowers.

Mr. and Mrs. Paul Bateman

Melvin Barrett, Sante Fe, N. Mex., grandson of Mr. and Mrs. L. R. Barrett, arrived here Monday for a few weeks visit.

SIDELIGHTS FROM WASHINGTON

By GEORGE MAHON

On all sides one hears comments to the effect that President Truman has got off to a good start as President. He is friendly, and he would not know how to be arrogant or aloof. There has probably never been a more informal, down-to-earth, friendly sort of fellow in the Presidency than Harry Truman.

Most people in public life have referred to former Presidents as Mr. President or Mr. So-and-So. Even President Roosevelt was generally called Mr. President or Mr. Roosevelt by his associates in public life. But scores of men in public life call President Truman by his first name, Harry. It seems to fit in perfectly with the man. He appears to think of himself as just an ordinary fellow with a big job to do and who needs a lot of people to help him.

He was extremely well received when he appeared before the Senate last week to deliver the United Nations Charter. The Senate has been consulted from the beginning of the proposed plan, first by President Roosevelt and later by President Truman, and the ground work for favorable Senate action has been well laid.

Speaking of President Truman's informality, on the first occasion when he addressed a joint session of Congress, he forgot to wait until Speaker Rayburn presented him before proceeding with his speech. He was about to do the same thing on the next occasion, when Speaker Rayburn whispered audibly, "Hold on, Harry, let me introduce you!"

Not long ago I had occasion to

NOTICE!

We are glad to announce this week that

Dale Williams

is now the new manager of the South Side Service Station and will appreciate your business. Call on him and give him a try.

South Side Service Station
DALE WILLIAMS

call on President Truman at the White House. He had on a blue shirt and was in his shirt sleeves. With complete informality, he began the conversation by inquiring about conditions in Lubbock, recalling his visit there last year.

Of course, the President has a hard road ahead of him, but all our people wish him well, particularly in the field of foreign policy and in his capacity as Commander-in-Chief for the knock-out blow against Japan.

Mrs. A. O. Williams, who has been seriously ill in an Austin hospital, is said to be improving. Her husband, who has been with her in Austin, came back to Spur this week.

ACTS ON THE KIDNEYS

To increase flow of urine and relieve irritation of the bladder from excess acidity in the urine

Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery—**DR. KILMER'S SWAMP ROOT**—that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many people say its marvelous effect is truly amazing.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department D, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

Mr. and Mrs. Sam Robles, Mangum, Okla. are visiting in the home of Mrs. R. T. Anglin.

IN MEMORY OF ARETTA HURST

God needed a great singer in Heaven,
To sing around His beautiful throne,
So He called a darling sweet mother,
Up there to that heavenly home.

God give courage to her husband,
To bear his burden alone
For he has two darling daughters
To raise in a good Christian home.

God bless her mother and daddy,
For this is their darkest hour,
They gave up their darling daughter
Into Your loving care.

We know God has a reason,
When He calls our loved ones home,
Someday we all must travel that highway
And we will have to do it alone.
—Mrs. Lloyd Rudder, Girard.

Soliloquist

First Actor: "I can't get into my shoes."
Second Actor: "What! Feet swelled, too?"

We're the Working Wife's Favorite Cook

NEGLECTED "PINK EYE" MAY LEAD TO CANCER EYE

BLINDNESS AND SLAUGHTER, AUTHORITIES SAY

Any breeder who says "Pink Eye is just a harmless infection that will go away by itself" is flirting with tragedy. Cattle are fit only for slaughter when Pink Eye develops into Cancer Eye and Blindness. Play safe! At the first sign of Pink Eye, reach for the Security Pink Eye Solution bottle that has successfully treated more than 500,000 head of cattle. Names of top-flight breeders regularly using Security Pink Eye Solution read like the Breeders Blue Book - Cameron Duncan, L. L. Farr Jr., H. P. Guerra, Dennis O'Connor, D. H. Snyder, R. B. Thomas, Annandale Ranch and many others. U. S. Dept. of Agriculture shows that best cattle may lose one-third their weight in 30 days from Pink Eye. Young calves and lambs are particularly susceptible. Send today for Security Pink Eye Solution. Apply by spray or dropper. Money-back guaranteed if you're not completely satisfied. Get Security Pink Eye Solution today from -

STINSON DRUG CO. Snyder, Texas
