

Old Judge Early

FAMILY COURT

DAD vs MOM

Docket: Shall Dad bring work home from the office.

MOM: "Ralph, has been trying to do too much of his work at home lately. Nearly every night he walks to with a big stack of papers and says, 'Honey, let's hurry up dinner a little, so I can get started on this stuff.' Why I hardly get a chance to talk to him any more."

DAD: "I know that I've been bringing a lot of work home nights lately, but I just can't get it all done in the daytime. I'm trying to break in on a new job at the office and I haven't had time to get things down into a system yet. Looks like Mabel could see this."

Findings and Verdict of Judge Early

Well Ralph, the old judge feels things aren't going bad at all down at your house. Your wife loves you and wants you by herself in the evenings. Sure you can't blame her for being a little jealous of that stack of papers it's natural as daylight.

On the other hand, Mabel, Ralph's problem is just as serious as yours—in fact more serious. For on him rests the responsibility of earning a living for you both.

Ralph, get that new job organized just a fast as you can.

In the meantime, Mabel, don't be a fussier. Help him every way you can.

Next Week's Case: Shall Tom take boxing lessons?

Max Bentley Visits C Of C Last Week

Mr. and Mrs. Max Bentley of Abilene were guests in the home of Mrs. Nona Starcher on Thursday of last week, and while in Spur, Mr. Bentley contacted the City Dads through the chamber of commerce and talked over the water situation in general. He stated that Spur may receive information and help, free of charge, in regard to the water needs and problems that may arise. Mr. Bentley is a recognized authority in his line.

In conversation with Mr. Bentley, he spoke of Ray Dickson, Jr., the late son of Mr. and Mrs. R. E. Dickson, of Spur, as one of the finest lads he had ever had in his employ.

New Tech President Named Saturday

Dr. D. M. Wiggins, president of the Texas School of Mines at El Paso since 1936, was elected Saturday night to the presidency of Texas Technological College at Lubbock by a unanimous vote of the nine directors.

Wiggins will assume his duties September 1, succeeding Dr. W. M. Whyburn, who resigned to take the chairmanship of the North Carolina University mathematics department.

The mines school president was one of twelve candidates for the position interviewed by the board in an all-day session at Fort Worth.

Duck Creek Soil Conservation District News Notes

WILL WRIGHT, JAMES MONTGOMERY, CHAS. WITT, RILEY WOOLLEN, Chm.

Hard Land sites, as the name implies, have a deep clay or loam topsoil with a clay subsoil. They absorb water very slowly even if the land is flat or with a gentle slope. The soils break badly in dry weather, and grass will play out quicker here than it will on sandy or mixed land. Hard Land are sometimes referred to as "drouthy" soils.

This kind of country will produce a large variety of grasses. On some Hard Land sites, the Tobosa grass is dominant, while in others the Buffalo or "Mesquite" grass is most plentiful. Besides those mentioned, Blue Grama, Sidecocks Grama, Winter Speargrass, Viny Mesquite, White Trifolium, Plains Bristlegrass, Silver Beardgrass, and Western Wheatgrass are some of the desirable species that do well on

Dickens Owls Win Over Memphis Score 17 To 3

The Memphis ball team met their Waterloo when they tackled the Dickens Owls at the Dickens ball park last Thursday night. This was the first defeat the Memphis team had suffered up to date. The score was 17 to 3 in favor of the Owls.

Lefty Faulkner, pitching for the Dickens Owls, struck out 13 men and gave only two hits through three safe hits in the game. Dickens registered 22 hits to 2 for Memphis. After the third inning the game belonged to Dickens.

The Dickens Owls will play Spur Red Socks in Spur next Sunday, July 18, at the Jones Recreational Park.

Lions Plan City "Labeling" Program

Spur Lions met Tuesday with President Fred Kinney presiding in the first regular meeting of the new club year.

Lion D. J. Dyess reported on the recent directors meeting. Committees were appointed and activities were planned for the coming year.

Lengthy plans were discussed in regard to a house numbering and street marking campaign soon to be underway. All its life Spur has needed either one or the other, and now she critically needs both. Civic pride should prompt every resident of Spur to investigate the possibilities and advantages of naming his city streets and numbering his house.

Public interest and reaction on this subject requested in verbal form to be given to a City Lion. Let them know if you want to be included in their plans.

Spur Roping Fans Invited To Contest

Spur roping arena will feature a matched roping contest Sunday, July 18, 3 p.m., when Alton Clark of Girard, Texas, contests Odell Blackwell of McAdoo. The men will rope six calves each, according to Olney Walker, secretary of the Spur Roping club.

All ropers are invited to enter the amateur jack-pot roping on the same afternoon. Other interesting attractions will be presented to the spectators. Admission charges will be assessed.

T S Fred A. Morris Awarded Certificate

Technical Sergeant Fred A. Morris, Spur, has recently received a "Certificate of Achievement" from Lt. General Robert L. Eichelberger, Commanding General, Eighth Army in Yokohama, Japan.

The award was presented for efficient and faithful service from December, 1946 to June, 1948 as Personnel Sergeant Major, Medical Section, Headquarters Eighth Army.

The certificate read as follows in part: "This certificate is presented as evidence of your achievement and with gratitude for your cooperation and endeavor while participating in the mission of this headquarters during the occupation of Japan."

Class Members Of '38 Meet

Above are class members and their families who attended the recent reunion of the 1938 graduating class of Spur High School, which was held on the lawn of the Junior High School on July 4.

Class members of '38 sang a new version of Auld Lang Syne when they met on their tenth anniversary, July 4, 1948. The reunion was held on the lawn of the Junior High School Sunday afternoon at 3 o'clock.

The group was called to order by Norton Barrett, president of the class.

In a brief, but most impressive talk Bill Gruben, Jr., paid tribute to J. T. Horner and Harold McClung, members of the class who were killed in World War II.

A most interesting feature of the meeting was the review of the activities of class members since graduation day, ten years ago. When the roll was called, it was found that much water had run under the bridge during this interval of time. As the name of each member of the class was called, the member, if present, stood up, introduced his or her family and gave a brief summary of his activities since 1938.

Those who were present furnished information they had about members who were unable to attend. A number of letters and telegrams were read from absent class members.

Grace Dodson reread the class prophecy which was written by Mrs. Cecil Ayres of Lubbock, the fether Miss Opal McElathery of Spur. This brought forth much fun and comment as great expectations had been held by the writer of said prophecy for those making up the membership of the class. After the reading of the prophecy, O. L. Kelley, who was principal of the high school at that time, and Mrs. Oscar McGinty a former teacher, gave brief addresses.

At the close of the history review, the group was asked over to where watermelons were cut and served. Watermelon feasting was interspersed with visiting and reminiscing of the senior trip, senior parties, class activities at all times.

LEGION HOME DEDICATION BRINGS NINE OFFICIALS FOR HUT OPENING

Official dedication of Williams-Puckett Post No. 161, American Legion, brought nine visiting Legion dignitaries from Lubbock to view Spur's new Legion home.

Among these were George Berry, department commander; Sid Lowery, department service officer; and A. C. Jackson, past district commander.

The evening's program included a steak dinner for the officials and four dance numbers by Mrs. Guy Karr's Dancing School pupils. Larry Boothe reeled an eight minute film on "The Advantages of Peace."

Approximately sixty veterans and Legion members gathered on the terrace of the new hut to hear Berry's address, "Aims and Policies of the American Legion." In conjunction with the address the building was dedicated as the American Legion home, and as a perpetual memorial to those who lost their lives in World War I and II.

In the Home's Sunday afternoon Open House, callers spent four hours wandering through the building, expressing sincere compliments on construction and arrangements. Plans are for a caretaker's home to be constructed nearby, in order that the hut remain open for inspection and Legion activities at all times.

Butane Crisis Once More Faces Texans

Rural Texans depending on liquified petroleum gas-butane or propane—can expect another shivering winter without supplies of fuel.

Both William J. Murry, Texas Railroad Commission member, and O. L. Garretson, Roswell, N. M., an engineer, June 29 told 250 persons attending the Texas Butane Dealers Association that winter shortages will be felt because of a lack of storage facilities and butane.

Dickens county citizens well knew the hill of last winter's cold home or office when they drew closer to a low fire and remembered early fall warnings to conserve their fuel and save a winter shortage.

Fred Kinney New Lions Zone Chairman

Fred Kinney, new president of the Spur Lions club, has been appointed zone chairman by the Lions district deputy governors. News of this appointment came last week when W. R. Rutherford, Lions district governor elect of District 2, Texas, announced appointment of new members of his cabinet for the fiscal year 1948-49.

Preventable Diphtheria Victimizes 463 Texans Over Past Year

Morbidity report for the week ending July 3 states that more than 463 cases of diphtheria occurred throughout Texas so far this year.

This report is released weekly by the Texas State Department of Health. It shows the prevalence of communicable diseases by counties.

"In the light of our present knowledge regarding the control of diphtheria, it is unfortunate that the disease is allowed to flourish," says Dr. George W. Cox, State Health Officer.

"A life-time immunity may be established in 90 per cent of the children receiving diphtheria toxoid," the health officer said. "If all parents of children over six months of age would have their children inoculated, the incidence rate of the disease would be rapidly reduced."

The administration of toxoid causes little or no discomfort in the child, Dr. Cox added, and a positive immunity can be determined by a Schick test conducted four to six months after the final dose of the toxoid has been given the child.

Final Rites Read In Baptist Church For Sgt. Sparks

Reburial services for TSgt. William C. Sparks, who was killed in action on Wake Island off the coast of New Guinea, on May 27, 1944, were held in the First Baptist church in Spur, on Wednesday, July 7, 1948, with Rev. Wayne Grizzle assisted by Rev. C. N. Gilbert officiating. O. L. Kelley, O. C. Thomas and Judge Alton Chapman paid brief tribute to Sgt. Sparks as a school boy in Spur, and declaring it was boys like Billy that were the heroes of the war.

Sgt. Sparks was killed when the Japanese bombed Wake Island during the invasion. Sgt. Sparks with a group of his buddies was sitting in a jeep on the morning of May 27, about 9 o'clock. Sitting with Sgt. Sparks was his good buddy, Guy McIntyre who rendered first aid, but in vain as Sgt. Sparkie only lived a short time.

Close buddies of Sgt. Sparks who were with him at the time of death were Guy McIntyre of Shreveport, La.; Joe Koriath and Roy Jones of Sherman, Texas, these three and Sparks formed the Texas Four. All three of these were present for the services last Wednesday with Guy McIntyre of the U.S. army in Shreveport, La.; and Joe Koriath acting as pallbearers.

Youngest son of Mr. and Mrs. J. E. Sparks of Spur he was born March 28, 1921, in Dickens county, attending and graduating from the Spur schools with the class of '39, he enlisted in the army air corp in 1940 where he served as parachute expert and instructor in the army air corp with the 100th, service squadron. He was sent overseas in '43.

As has been attested by their presence at the final rites, he was loved and respected by his comrades in arms and his friends of civilian life were many. At the time of his enlistment in the army he was president of the B.T.U. in his community. He was converted when 16 years of age and joined the Baptist church which he attended regularly.

and father, Mr. and Mrs. Johnnie Sparks, one brother, Jimmie Sparks of Spur; four sisters, Mrs. Lotella Murchison, and Mrs. Leona Koonsman of Dickens; Mrs. Loretta Parker and Mrs. Winnie Hughes of Oakland, Calif.

Pallbearers were: Ira Westfall, Larry Botte, Cleo Rogers, Guy McIntire, Joe Koriath and Bill Hahn. Honorary pallbearers were Everett Martin, Robert Martin, Jerry Hahn, Billy Powell, Chuck Powell, J. C. Draper, Roy Jones, Sherman Texas, Brownie Ogile, Fort Worth, Collin Denson, Dallas, Dan Prichett, Jr., Billy Koon, Dallas and Clinton Son, Dallas, Texas and Clinton sonnamaker, Henrietta.

Inment was in the Spur cemetery with Chandler Funeral home in charge.

Mayor Pope Speaks To Rotary Club On City Taxes

At the regular Thursday luncheon of the Spur Rotarians, July 8, Mayor Martin Pope urged the cooperation of all citizens of Spur in the clean-up campaign scheduled for July 12 through July 17.

He stated that the city was contemplating the hiring of a DDT spray machine to thoroughly spray the city after the preliminary clean-up and that the clean-up was two-fold in purpose: first to beautify the city and second, to avoid the spread of polio by germ carrying insects.

Mayor Pope then discussed the city tax, lights, water and gas rates, comparing them to rates charged by other cities of comparable size located in this area. Figures quoted seemed to be in line with those charged by other cities in this part of the state.

The financial statement of the City of Spur was next explained and all indications are that Spur is in a sound financial condition.

Mayor Pope made the statement that many had asked questions about the excavation at the end of Burlington Avenue on Hill street and explained that its purpose was to construct a pumping station at that location as an added fire protection, which would in turn decrease our fire insurance rate. This work is being done in connection with the construction of a new water tower.

Bill Gregory acted as program chairman in the absence of Stewart Scales.

Two visiting Rotarians were present: John Stapleton from the Flowlady club and Fred McGinty from Tahoka club.

Program scheduled for July 22: Alton Chapman, speaking on a subject of his choice, with Fike Godfrey as chairman.

Local Cleanup Adds DDT Spray; Safety Measure

City officials not to be found lagging rolled out their trash wagons Monday morning and began a weeks work of clearing out alley-ways and any trash placed in the alleys.

The spirit of cooperation shown by the citizenship of Spur is to be commended. The responsibility of a clean and sanitary town is not the sole responsibility of work of any certain one, but rather the combined efforts of all.

Health Officer, Dr. P. C. Nichols, again urges not only clean back yard but asks that special attention be given any outhouses that may be a menace to the community. He further stated that all public places of eating or drinking, observe all rules and regulations of the health inspector.

A case or two of typhoid have been under the supervision of Dr. Nichols and rigid precautions are being taken to prevent the spread of the disease. The cases are said to be very mild in form. Dr. Nichols advises those who are in the vicinity of a typhoid case, to see their family physician and be vaccinated.

Most situations have their humorous sides and clean-up week supplies this one. Two men in the neighborhood were seen leaning on their backyard fences sharpening their hoes and John Doe was sharing his plug of "Star" or Bull Durham or what have you, with his neighbor to sustain him in his efforts in cutting the weed patch in his backyard, so sharing and chewing they did their work.

City Manager James Cowan, stated that plans and arrangements have been made for spraying the town with DDT on Wednesday, July 21, at about 8:30 o'clock. Since this fog is harmless it is not necessary to close doors or windows in any residence or places of business. It is just as beneficial indoors as it is outdoors.

Announcing The Arrival Of The Fifth Generation

Mr. and Mrs. Henry E. McGee of Kirtzville, Texas, are the proud parents of a baby girl born July 3rd, the young lady has been named Iris Kay. The grandparents are Mr. and Mrs. Vernon Bilberry of Brawley, California, Mr. and Mrs. Charriah McGee of Jasper; great-great grandparents W. D. York of Spur.

Revival At Bethel Baptist Having Good Attendance

Revival meeting at the Bethel Baptist church is having splendid attendance despite the warm weather and the onslaught of mosquitoes. Brother H. L. Burham is bringing some very spiritual messages with Brother Frank Adams leading the song service.

The public is cordially invited to attend these series of services.

Body of Lieut Dickson Has Arrived In United States

Mr. and Mrs. R. E. Dickson of Spur, have received official notification that the remains of their son, Lt. Ray Dickson, Jr., has arrived in the United States. They will receive a second notice when the body arrives in Fort Worth, preparatory to being sent to Spur.

Captain R. G. Rose Named Supervisor

Captain Robert G. Rose, son of Mr. and Mrs. Joe M. Rose, of Roaring Springs, has been named to supervise all U S Army and U S Air Force Recruiting activities in the Connecticut River Valley of Massachusetts, including Central Examining Station at Springfield, Mass. It has been announced by the Western Massachusetts - Connecticut District Commander.

Captain Rose has previously been in charge of local recruiting in Holyoke, and in recent months in Springfield, Mass. He first entered the Air Force in 1941 as a flying cadet, later serving as a flying officer during World War II in Australia and New Guinea.

Captain Rose, a graduate of Texas Tech in 1941, was a farmer and rancher prior to entering the Air Force. His father, Joe Rose, is one of Dickens county's most progressive farmers and a committeeman of the Dickens county AAA.

Doss Flying School Awards Licenses

A tip of the Hat to Earnest Kearney, Forrest Earnest, and Virgil Murray, students of the Doss Flying School, who have been awarded their private flying license and are now permitted to soar through the blue yonder on their own.

Out of the twenty students receiving flying lessons a number of others will soon have their private license. This is no small achievement as certain requirements are rather rigid and to meet these mean hours of tedious training, along with a cool head, perfect coordination and a thorough knowledge of the technicalities of a plane.

Night classes are to be resumed on Wednesday and Friday nights of each week, with Gerald McLennen of Stamford as the student to learn and comprehend is the thought of safety," stated Mr. Doss flying school supervisor, Doss Flying school feel they have set a record with no accidents and no damaged planes (those boys better knock on wood) up to date. Some plane crashes are said to result from failure to observe the most simple rules.

Lights recently installed on the landing field and runways will be greatly appreciated by both local and visiting flyers.

Girard Store Theft Reported July 9

No arrest had been made early this week in the theft of a good amount of cigarettes, money and clothing on Friday night July 9, from the Millard Smith Grocery in Girard. No other businesses reported disturbances.

Fingerprint experts were called from Lubbock to investigate and search for clues of the thief or thieves, but no available reports have indicated that a substantial lead has been discovered.

Absentee Ballots Deadline July 21

All voters who have ballots out for absentee voting must return them to the office of County Clerk L. J. Varnell not later than July 21, as the votes will not count after that date, it was explained.

Matthew Gruben Attends Services

Matthew Gruben drove to Amarillo last Friday where he attended as a pall bearer the reburial services of Walker Fry. Walter was a former roommate of Matthew's at Texas Tech.

Hot Dog!

A beach picnic is always fun, and doubly so when someone like Virginia Mayo, starring in Samuel Goldwyn's "A Song is Born", is around. Of course, there's usually a photographer on hand to take a picture! In this one, Virginia has just unpacked the food and the paper napkins, and wisely holding a paper napkin around a "hot dog", she prepares to enjoy her favorite picnic snack.

Wesleyan Guild Will Meet In Home Of Mrs. Marion Hurst

There will be a meeting of the Wesleyan Guild in the home of Mrs. Marion Hurst on Monday evening, July 19th, at 8 o'clock. All members are urged to come and bring a friend.

ACA Releases Soil Erosion Material

In a recent article under the title "Conflicting Doctrines About Soils," Charles E. Kellogg, Chief, Division of Soil Survey in USDA's Bureau of Plant Industry, Soils and Agricultural Engineering, clears up some misunderstandings about erosion. He draws the distinction between natural or geological erosion, and the erosion caused by man's activities.

"Excessive erosion-accelerated soil erosion—is a serious problem in parts of our own country and in many other places in the world. Like other soil problems it has been long neglected and it demands attention. Unless farmers are careful there will be bad soil blowing again during the drought years in the Plains. Another period of very low farm prices will almost certainly be accompanied by serious soil erosion.

"One cannot, or should not, try to stop erosion, but rather to control it. On the other hand, some of the erosion least conspicuous to the casual observer is the most harmful.

"In fact, the most serious erosion injuries to the soil are not chemical, not the loss of plant nutrients, but the change in the structure, the loss of crumb-like surface horizons and the exposure of massive clays, hardpans, or even solid rock.

"Generally when a rural population becomes poverty-stricken, it fails to maintain its soil. An exploited people pass on their suffering to the land."

Lloyd Holley and R. C. Littlefield, who are employed with the Veteran's Administration in Lubbock, spent the past week-end in Spur.

FIRST BAPTIST CHURCH

An especially nice treat was extended the B. T. U. group of the First Baptist Church Sunday evening when their sponsors, Mrs. E. D. Engleman, Mrs. Darwin Callahan, and Mr. Abb Bingham served them three and one-half gallons of home made ice cream on the church lawn.

At the close of the refreshment hour the class enjoyed a song service led by Joe Max Barclay, with Mrs. Engleman bringing a brief inspirational message. At this time of Mrs. Bingham discussed plans and problems for the coming year.

Twenty two members were present for this occasion plans for next Sunday's program will include scripture reading with explanation on "Why I Am A Baptist," by Morris Denson of Spur. The class is asked to bring bibles at this time to follow the reading of the text.

One of the most enjoyable programs of the year was the recent musical hour rendered by Mrs. Rex Carlisle at the piano with Mrs. George Gabriel singing a selection of the best loved church hymns along with a number of those old Negro Spirituals so beloved by the people of the South.

Those who missed the beauty of Mrs. Carlisle's piano solos and the vocal numbers in the lovely voice of Mrs. Gabriel missed a rare treat indeed.

Betty Fox Elmer Hugh Owens Nuptials Held

Miss Betty Fox of McAadoo and Elmer Hugh Owens of Tahoka exchanged double ring wedding vows at 3:30 p. m., Sunday, July 11, in the home of the bride's parents in McAadoo with Rev. J. B. Baker, pastor of the First Methodist Church of Bovina officiating.

The bride, who is the daughter of Mr. and Mrs. N. L. Fox, McAadoo, was given in marriage by her father. She was attired in a pale blue linen suit with grey accessories. She carried a bridal bouquet of pink roses atop a white Bible. For something old she carried a handkerchief over fifty years old belonging to her grandmother. Something borrowed was a string of pearls from Billie Nickels, and she wore a good-luck penny in her shoe.

W. C. Gruben Home Very Quiet After Grandchildren Leave

The W. C. Gruben home was strangely quiet Sunday afternoon when their three children, Bill, Matthew and Emma Pearl and their families left Mr. and Mrs. Bill Grubben and two children returned to Westchester, Illinois after a 10 day vacation here and Mr. and Mrs. Allbritton also returned to their home in Beaumont, Texas. Mr. and Mrs. Matthew Gruben and son, Corky left for Lombard, Illinois where they will visit Mrs. Gruben's mother, Mrs. V. V. Anderson for the next two weeks.

Beam-Briggs Vows Solemnized July 10

Mr. and Mrs. C. L. Beam announce the marriage of their daughter, Bonnie Marie, to Alfred W. Briggs, Jr., on Saturday, July 10, 1948. The service was held in the home of the groom's sister and brother in law, Mr. and Mrs. Alfred L. Elkins, at 7 o'clock.

The bride was attired in a street length dress of light blue crepe, and wore black accessories. The bride's corsage was of deep rose colorations. Attending as bridesmaids was Mrs. Alfred Elkins, who wore a beige crepe dress with red accessories. Alfred Elkins attended the groom as best man.

Wedding guests present were: Messers and Mesdames A. W. Briggs, C. L. Beam, Henry Brooks

Harvy Childress, and Alfred Elkins.

The couple will make their home in Levelland, Texas.

Rites Unite Carrie Kimmel Bobbie Hawley

At the home of Rev. James Hardison, pastor of the First Christian Church, Miss Carrie Louise Kimmel and Bobby Ray Hawley were married in a twilight ceremony July 9.

The bride is the daughter of Mr. and Mrs. Joe Bailey Kimmel, Spur, and the groom is the son of Mr. and Mrs. B. F. Hawley, Stamford, Texas.

Mrs. Hawley wore a gray dress and her bridal corsage was of red roses. Miss Nova Jean Pierre attended as bridesmaid and wore pink with a white carnation corsage.

Billy Ray Barrett served as best man.

After a wedding trip to Amarillo, the couple will live in Lubbock, Texas.

Charlie Robinson left today for Richmond, California.

He was accompanied by his aunt, Mrs. Miller as far as Phoenix, Arizona. Mrs. Miller has been here for the past month visiting her brother, Buster Robinson of the Highway community.

Conserve Moisture For Plant Beauty

Native shrubs and trees which have been set out within the past two years will need extra moisture until they have grown good roots, so water should be given them during the hot dry months of summer, says Sadie Hatfield, landscape gardening specialist at Texas A. & M. College.

Miss Hatfield states that experience with the transplanting of native shrubbery has shown that the first two years after setting out the plants is the most critical period. After that, they are hardy enough to withstand normal weather conditions.

Contours and small terraces in orchards and low yards will catch and hold water after every rain, and will help keep the soil moist. The use of mulch is an excellent way to hold moisture around trees and shrubs.

Among the good mulches to be found around farm and ranch homes are decayed leaves, grass clippings, decayed wheat or oat straw, decayed hay or barnyard fertilizer. Place the mulch two or more inches deep. One or two inches of sand is sometimes used on tight soils. When the sand or mulch, or both are worked into the soil they will improve the soil's water holding capacity.

The growth of favorite flowers, shrubs and trees can be helped by removing other larger and more porous plants which take up the moisture.

A light watering does more harm than good, according to Miss Hatfield, as it causes roots to grow near the top of the soil. A good, slow watering once a week to soak several inches into the ground is a much better way than watering lightly every day.

teachers are teaching more than 30 pupils per room.

15 per cent of the high school teachers teach more than 120 pupils a day.

5 per cent of the teachers were dismissed (or "asked to resign") during 1946-47 or at the end of that year.

Two thirds of the schools reporting are not required to give notice of dismissal before April 15.

The Teacher Stability Index is .66 which means that one third of the positions were vacant during the three year period considered.

New York City was the capital of the U. S. from 1788 to 1790.

Rome was founded in 753 B. C.

Male-Tested Winners

Black dresses shown above were selected as winners by Henry Fonda, star, and twelve members of the cast of "Mister Roberts," Broadway stage success at Cosmopolitan Magazine's Male-Tested Fashion Show on board the S.S. Argentina. The four winning dresses which are featured in the July Cosmopolitan are, from left to right, an International original worn by Evelyn Miroy; a David Westheim dress worn by Dot Jones; a Parisian dress worn by Rosemary Collins; and a Penart Fashion faille suit worn by Peggy Taft.

Tech Football Field Stands Demolished Constructively

Razing of the stands surrounding Texas Tech football field is well underway and will be completed this month, S. H. Scates, Lubbock and Spur Contractor, has announced.

Workmen are tearing down the stands, leaving about 3,000 seats on the west side of the field to be used by spectators at track-meets and practice football sessions. The section to be left was constructed in 1927, partly of steel. Sections being demolished were put up of wood in 1936.

Tech field will be used only for football practice, games will be played in the new Clifford B. and Audrey Jones stadium.

Teacher Reports Summary Released

State summary reports of Opinions distributed throughout Texas counties have been released, and the following is a summary thereof. This summary deals with teaching staffs in Texas schools. Each percentage according to the Opinions is listed by its respective data.

6 per cent of the teachers are beginning teachers.

55 per cent of the negroes and 15 per cent of the white teachers were teaching their first year in the district.

8 per cent of the teachers have more than 30 years experience.

15 per cent of the teachers have less than 5 years experience.

2 per cent of the teachers are teaching with emergency credentials.

5 per cent of the primary teachers have no special training for assignment.

17 per cent of the elementary teachers received preparation for high school teaching only.

One-third of the teachers have not done any professional study within the past four years.

10 per cent more new teachers or replacement are needed next year to fill new positions and vacancies.

10 per cent of the teachers receiving annual salaries below \$2,000 a year.

Median "take home" pay for teachers is \$1,944 for white teachers and \$1,779 for negro teachers.

30 per cent of the elementary

Texas Has Record Number Of Old-Age Aid Recipients

The first 12 years of old-age assistance in Texas are reviewed in a comprehensive report issued this week by the Texas Research Institute, statistical agency sponsored by the South Texas Chamber of Commerce.

In July, 1936, the first old-age assistance grant was paid in Texas. A great deal of tinkering has been done with assistance laws during the ensuing 12 years the Institute report says, but the trend in the number of aged Texans receiving aid has been steadily upward. For the first 10 months of the current fiscal year the average monthly number of recipients of old-age assistance was 200,773, and in the month of June 204,221 Texans received aid.

Payments from State funds to the needy aged amounted to \$785,468 per month, on the average, for the first year of the assistance program's operation in the fiscal year ended Aug. 31, 1937, when economic conditions were only fairly good. For the first 10 months of the current fiscal year, in a time of record-breaking prosperity, old-age assistance payments made from State funds averaged \$2,567,736 per month.

"Texas has more old-age assistance recipients than any other state," says the report. "Texas is second highest in the percentage of people over 65 receiving assistance. Texas has more than twice as many recipients of old-age assistance per thousand of population 65 years of age or over as the average for the nation as a whole."

"The shift from old-age assistance to old-age pensions has caused the average Texan to have to assume a heavier burden of taxes," reports the statistical agency.

The Church of Christ Spur, Texas

Presents
EVANGELIST CECIL E. HILL
San Antonio, Texas

IN A SERIES OF
Gospel Meetings

From Friday of July 16 to Sunday July 25

With Services Daily at 10:00 A. M. and 8:00 P. M. (Sunday Services at 11:00 A. M.)

EVANGELIST HILL

Brother Hill did the preaching in a series of meetings two years ago. The people who heard him learned to love and to appreciate his great sermons. They will desire to hear him again.

The people of Spur and Adjacent Communities are most cordially invited to hear this man of God from time to time. Fine gospel singing under the direction of a capable leader will feature every service.

Comt and Bring a Friend

A Warm Welcome Awaits You!

Santa Fe Indian Village

You'll think you are really on an Indian reservation in the Southwest—when you visit the Santa Fe Village at the Chicago Railroad Fair this summer (opening July 20).

You'll see Navajos, Apaches, Hopis, Zunis, San Juans and Jemez—125 colorful Indians living in pueblos, hogans and wickiups.

You'll watch ceremonial dances seldom seen away from the reservations, and see Medicine Men make their famous sand paintings and destroy them every day at sundown.

Indian craftsmen weave rugs, make moccasins, baskets and jewelry. In fact, in

the Village you actually see a faithful portrayal of customs, ceremonies and living quarters of Southwestern tribes. Their way of life today is noticeably unchanged from that of their ancestors who inhabited the Southwest years before Columbus discovered America.

Bring your Camera! \$1,280.00 in cash prizes Santa Fe Indian Village Photo Contest

85 cash prizes will be awarded for the best black-and-white and Kodachrome pictures. Ask for contest rules when you visit the Santa Fe Indian Village.

See the big display of railroad equipment
New streamlined cars, and Diesel and steam locomotives of the Santa Fe, are a part of the huge displays of railroad equipment at the Chicago Railroad Fair. Another outstanding feature is the great outdoor pageant, Wheels A-Rolling, which dramatizes 100 years of transportation.

Let your local agent give you folders about the Railroad Fair and tell you how easy it is to visit Chicago via Santa Fe

THANKS

I wish to take this method of soliciting your vote in the coming Primary Election, Saturday, July 24. I have made an effort to contact every voter in Dickens County, and if I have failed to speak with you personally, I take this means to ask your influence. I thank you for every courtesy shown me thru far.

Mrs. Jim Early visited her sister Mrs. Corley of Shallowater Sunday.

Mr. and Mrs. T. J. Brantley, and sons Curly J. and Wayne and Norman Roy Callahan have gone to harvest the Brantley wheat crop near Canyon.

A Former McAdoo Boy Is Running For The State Senate

BACKGROUND AND EXPERIENCE

NATIVE WEST TEXAN—Born on a farm in Crosby County, December 2, 1915, RALPH BROCK has been a lifelong resident of this district.

EDUCATION—Honor graduate Lubbock High School, 1933; honor student Texas Tech, 1933-1935; graduate University of Texas Law School, 1938 and licensed to practice law.

PUBLIC SERVICE—In 1940, at age of 24, RALPH BROCK was elected County Attorney, Lubbock County, over two opponents in first primary. Re-elected 1942 without opposition.

VETERAN—Soon after Pearl Harbor BROCK waived deferred classification to volunteer as Apprentice Seaman in the V-7 program of the Navy. Resigned office with more than two years unexpired term and relinquished legal rights to its salary. He was on active duty for 40 months and spent 20 months in the Pacific aboard a set going tug. Here he advanced to rank of Lieutenant and was recommended for command.

BROCK IS A WORKER—As a boy he sold papers, mowed lawns and raised and marketed garden products. He worked his way through 5 years of college and university as a truckdriver, clerk, life-guard, librarian, laborer, nightwatchman, elevator operator and as a member of the Board of Student Editors of the Texas Law Review. He worked hard to make Lubbock County a fighting prosecutor; he is working hard to win this election, and he will work hard to make you a good SENATOR.

Friendly—Aggressive Capable

RALPH BROCK

Solicits Your Vote For STATE SENATOR

30th Senatorial District of Texas
 (Pd. Pol. Adv.)

BROCK IS DEPENDABLE—He has been active in worthwhile community activities, civic projects and church work. He is a teacher of a large Bible class and a member of the Board of Stewards of the First Methodist Church in Lubbock, and has been for many years. Those who know RALPH BROCK know they can depend on him.

BROCK BELIEVES in re-districting local control of underground water, adequate support of teachers salaries, schools, colleges, Eloquent Institutions, Old Age assistance, farm to market roads and soil conservation.

RALPH BROCK SAYS: "I believe that your Senator should be a fighting Senator. Although the legislative process sometimes makes it necessary to trade and to compromise, I will never trade your vote in the Senate for personal gain, nor will I compromise against sound principles, good morals or the interests of those who have by their faith in me, elevated me to this high and important office. But, when all honorable efforts at compromise have failed to bring about a fair result for our district and the battle line is drawn, believe that your Senator should have the ability and the courage to stand on the floor of the Senate and with vigor and with fire prosecute and defend the rights of the people he represents.

"To all counties, big and little, I pledge fair and equal representation. I was reared in Crosby, Dickens and Lubbock counties; I have lived and worked with the farmers, ranchers, laborers, white color workers, public officials and the business and professional men. It is with the feeling that my background, experience and ambition for public service suits me for this office that I earnestly seek to be your STATE SENATOR.

RALPH BROCK

Right in the groove!

Always dependable, Reddy is a real player on your home team—and he can play 'most any position.

He's ready, day or night, to light your home, cook your meals, lighten household tasks, and do scores of other jobs at the flick of a switch. And when it comes to cost—Reddy is "right in the groove"—he does all this work for only a few pennies a day.

Breakfast Reveals Wedding Date Betty Reid

Engagement Of Miss Reid Announced At Sunrise Breakfast At Nona Starchers

A back yard sunrise breakfast given at the home of Mrs. Nona Starcher and son Billy D., Sunday morning, July 11, as a courtesy to Miss Betty Reid, who is to marry Jimmy Vernon, August 21st.

As the guests arrived Billy D. Starcher was in charge of the music which added color to the breakfast.

Shasta Daisies and Ivey formed the center piece with miniature bride and groom; even the Daisies won't tell, but Napkins of Ivory, printed in gold with the names and wedding date made the announcement at the party.

Miss Reid wore a white pique, gold trimmed morning frock, her corsage was yellow gamela. She is a graduate of Spur High School and for a number of years has been chief operator for the South Western Bell Telephone Company of Spur.

The groom-elect served in the U. S. Navy, is a Spur High School graduate and is attending A. and M. College.

Places were laid for thirty guests.

Misses Betty Reid, Bonnie Spears, Bertha Nell Walker, Minnie Ola Ward, Correne Wilkerson, Sue Hodges, Dollie Higgins, Donna Jean Wright, Wynell

E. L. Smiths Host Holiday Guests

It was like homecoming week at the E. L. Smith home over the Fourth. Tang Smith celebrated his 43rd birthday; Mrs. Virgie Smith and four of her six children arrived from California; Mrs. H. V. Link and her daughter-in-law, Mrs. Bill Link, were up from Aspermont; Mrs. Hansford and two children visited a while, and La Nelle Falls Higdon stopped by and promised a longer visit soon. Mrs. Virgie Smith is the widow of the late Raymond Smith, eldest son of Mr. and Mrs. E. L. Smith. She now makes her home in Los Angeles, California. Everyone who visited the several days reported a good time.

Nancy Holmes SUGGESTS

Strawberry Refrigerator Dessert

6 tablespoons 1 cup dried strawberries
vitaminized 1/2 cup sliced strawberries
margarine 1/2 cup cream
2 1/2 cups 2 1/2 chocolate wafers
1 egg yolk 1 cup heavy cream, whipped
1 1/2 cups 1/2 white strawberries

Cream vitaminized margarine with sugar until light. Beat in egg yolk and add strawberries, mix well. Drop mixture by teaspoonfuls onto chocolate wafers and spread almost to edge of wafer. Place another wafer on top and repeat using 4 wafers ending with a wafer. Repeat this process until 6 servings have been made. Place in refrigerator and chill overnight. Serve on individual dishes and top with whipped cream. Garnish with whole strawberries. Yield: 6 servings.

Henry Family Attend Convention, Sightsee In New Orleans

"He travels faster who travels alone" was not spoken of the J. W. Henry family of Spur and Mrs. D. F. Smith of Lubbock, who returned last Sunday night from a 1975 mile trip to New Orleans, Louisiana, where they attended the American National Insurance Convention which convened there Thursday of last week.

They report a most enjoyable trip on the way down, making only one slight detour near Brownwood, where they visited Mr. Henry's mother, Mrs. C. F. Henry and daughter, Cordine. The second night out was spent in Galveston where they feasted on seafood. The next morning, they took the ferry boat to Port Bolivar, then continued their trip in the car up the coastal road where they saw many old southern plantation estates, and much beautiful scenery native to the river country. Here they also saw one of the largest oil refineries in the world, where three thousand men are employed.

They entered New Orleans at night on the Huey Long bridge, which is said to be a most wonderful feat of engineering skill, built in a semi-circle with a two way lane going each way. With a railroad in the center, ships sailing with whistles blowing, in the ole Mississippi river below, the lights on the bridge and those on the ships rivaled an enchanted scene from a Hollywood movie. Bonnie Beth declared the really needed more than one set of eyes to see everything.

The convention, which was held in the Tulane room of the Jung Hotel in downtown New Orleans, opened on Thursday, June 29, with a banquet in honor of the 310 agents and their families. Mrs. Henry stated the scene here was very magnificent, the splendid room filled with a happy, animated crowd made a picture never to be forgotten.

Thursday evening the representatives and their families were taken for a sail about 12 or 15 miles up the Mississippi in a three decker flat topped boat. All manner of amusements were offered on the boat, music, dancing, and games of different kinds. On this trip the Henrys made friends with other folk from Lubbock and Las Vegas, New Mexico.

The next day was spent in a tour of the renowned French quarters, which they declared, showed a decided French influence. An old prison, built in the days when Louisiana was owned by France, proved most interesting. They viewed the cell where Jean Lafitte, political prisoner, was kept imprisoned for a number of years. On exhibit here, also, was an old stock, where both men and women were kept for

Mr. and Mrs. W. L. Richey of Haskell are announcing the engagement and approaching marriage of their daughter, Jane to Alfred W. Walker, son of Mr. and Mrs. A. M. Walker of Spur. Double ring wedding vows will be solemnized August 22 in the Haskell First Baptist Church by the Rev. Allen W. Webb. Miss Richey and Mr. Walker are students at Baylor University and plan to continue their studies there after their marriage. The bride-elect is a speech major and a member of Delta Alpha Psi social club. Mr. Walker is a senior law student.

Miss Pearl Matthews Guest Of H. D. Club

"Next to color, fit of a garment has the most to do with the appearance of an individual," says Miss Pearl Matthews, guest demonstrator of East Spur Home Demonstration Club, which met in the home of Mrs. T. C. Ensey last week, with Mrs. Jack Ensey as hostess.

Five members were present and two new members were enrolled. After the business meeting a demonstration was given by Miss Matthews on "Fitting a Commercial Pattern."

Refreshments of home made ice cream and iced angel food cake was served to Mesdames Wallace Hinson, James Wright, Arner Watson, Loyd Johnson, Tang Smith, J. N. Criswell, J. R. Hudson, Ben Perry, T. C. Ensey, Miss Pearl Matthews and the hostess, Mrs. Jack Ensey Mrs. Perry and Mrs. T. C. Ensey were visitors.

Sharpe Family Hold Reunion In Spur

Mr. and Mrs. James Robert Sharpe of the Espuela community, were host and hostess with a picnic supper on Saturday evening, which marked the beginning of a family reunion held by the Sharpe brothers and sisters. The continuation of the reunion was held in the home of Judge and Mrs. A. C. Sharpe on Sunday the 4th, with a dinner consisting of fried chicken, barbecued chicken, and chicken pie along with new potatoes, blackeyed peas, fruit and vegetable salads, relishes, iced tea and a choice of cake and pies.

This was a gala occasion where much laughter and banter was exchanged. All the brothers and sisters were present except one sister, Mrs. T. P. King of Seymour.

Those present were Mr. and Mrs. John Sharp and Billy Byers of Dickens; Mr. and Mrs. C. L. Sharpe of Clovis, New Mexico; Mrs. George Kemp of Vernon (will be remembered as Miss Ruth Sharpe of Spur) Mr. and Mrs. J. S. Sharpe; Mr. and Mrs. John Largent and son, Johnnie Floyd of Chico; Mrs. Annie McClung and Cecil of Spur; Judge and Mrs. Sharpe of Spur; and a niece and nephew Mr. and Mrs. Robert Sharpe and Mr. and Mrs. R. W. Crockett both of Espuela; friends present were Mr. and Mrs. C. F. Cook and Mr. and Mrs. D. J. Dyess and families of Spur.

Spur Folks Return From Vacation

Something should be done with people who return from a vacation and make mention of such things as bacon frying, coffee brewing, mingling with the sweet fragrance of the pine trees out in the open mountain air—and all the time you know the next morning will find you back at the same old place of business grabbing a coke or two to carry you through the grind of the day.

Spur folks returning from a vacation spent in Ruidoso, New Mexico last week were Mr. and Mrs. Morris Golding, Mr. and Mrs. W. T. Andrews, and Mr. and Mrs. R. R. Woodson and Miss Lucille Lucas of McAdoo.

NEW ARRIVALS

Mr. and Mrs. C. Wray Carlisle are announcing the birth of a daughter on July 14 in the Crosbyton hospital. The baby was named Janice Marie.

Miss Margaret Davenport of the Milan store in Spur will relieve in the Miami store in Lubbock while Miss Jane Grubbs is on vacation.

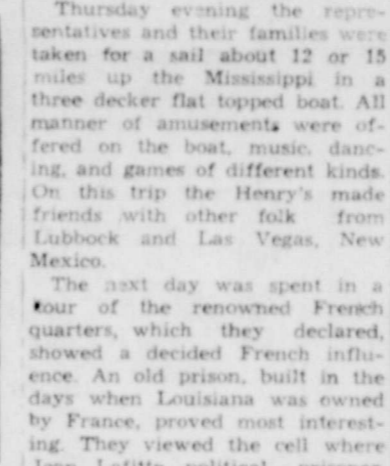

Mrs. R. L. Johnson and two children of Moline, Illinois are visiting Mrs. Johnson's parents, Mr. and Mrs. George Pierce and family in the Wichita community. Mr. Johnson will join them this week.

BABY GIFT

ANY new baby—and its mother—would welcome this dainty white rayon crepe coat and hat set. Made of Avicce rayon yarns, the fabric is soft, smooth, and cuddly... and washes and irons beautifully. Notice the pretty rosebud embroidery and the rayon organza edging around the bonnet.

proudly presents **Fostoria** THE GLASS OF FASHION

CHOOSE "AMERICAN" A CRYSTAL OF DIAMOND-LIKE BRILLIANCE... ECONOMY... AND COMPLETENESS

Long ago, colonial craftsmen produced in glass the fire-flashing prismatic pattern illustrated above. It became a favorite in the mansions of the old South and adorned the hospitable tables of the North. And, now, you too will love "American," handmade by Fostoria.

You will adore its colonial simplicity, its modern, diamond-like brilliance, its economy and completeness. We have over 200 open stock pieces for your selection.

HILARIOUS AND DIFFERENT, "SITTING PRETTY" HAILED AS GAY COMEDY MASTERPIECE!

"Sitting Pretty," the word out of Hollywood is that Twentieth Century-Fox has succeeded in achieving the miracle of another smash hit screen comedy in the once-in-a-lifetime tradition of "Miracle on 34th Street." Starring Robert Young, Maureen O'Hara and Clifton Webb, the picture, scheduled to open Sunday at the Palace Theatre, is one

of the grandest laugh shows in years.

A comedy that goes beyond hilarity and into the realms of laughter that can come only from a warm, joyful human experience "Sitting Pretty" uses as its springboard one of today's most timely and entertaining subjects: the problem of the baby-sitter with hilarious complications not familiar to every young couple.

As such, the picture provides its three stars with what is said to be the most unusual and delightful roles in their careers. The story of "Sitting Pretty" is that of a reasonably successful young couple, Harry and Tacey King, whose recurring difficulties in finding baby-sitters for their three obstreperous offspring, finally inspire them to advertise for a resident sitter. The result proves more than they bargained for as the ad is answered by a sophisticated gentleman, one Belvedere, who immediately takes over the entire household—completely, and with devastating results.

The new baby-sitter, wondrously efficient in a startling sort of a way, is also a man of mystery. It is his stubbornly secret and odd extra-curricular activities, and the aplomb with which he insinuates himself into the family life, that leads to one of the most hilarious "triangle" situations the screen has known, and finally throws the entire community of Hummingbird Hill into an uproar.

Mrs. B. Rogers and son, Virgil, returned last week from Gainesville and Bonham where they visited relatives.

RED CROSS CONFERENCE TO BE HELD IN STOCKHOLM SWEDEN, AUGUST 20 TO 30

A new Red Cross "convention" whose adoption and observance could abolish slave labor, concentration camps and lessen the impact of modern weapons on non-combatants is to be discussed at the 17th International Red Cross Conference in Stockholm, Sweden, August 20 to 30, according to George S. Link, chairman of the Dickens County Red Cross Chapter. More than 500 Red Cross and government delegates will attend the meeting, first to be held since 1928.

The proposals for wartime protection of civilians include provisions for the care of sick and wounded civilians in war areas, humane treatment of civilian war internees, enemy aliens, and civilians in occupied lands and special consideration for women and children. If adopted and observed by nations, the new convention will give civilians some of the protection now given to combatants by the Red Cross and Prisoners of War treaties between governments. After an approved draft is adopted by the conference, the new convention will be submitted to a formal diplomatic meeting for signature and ultimate government ratification. Seventy-two governments now are signatory to the Red Cross "mercy" treaties. Most are expected to have delegations at Stockholm where those eligible to take part in the conference are representatives of the 66 national Red Cross, Red Crescent, and Red Lion and Sun Societies, the

League of Red Cross Societies and the International Committee of the Red Cross.

The American Red Cross and the U. S. government have been working for more than a year preparing for the important Stockholm meeting. Link says he has been informed. Special attention has been paid to proposed changes in the Red Cross and Prisoner of War conventions. Suggested American changes are designed to plug loopholes in existing treaties and afford greater security to medical personnel and Prisoners of War.

Remains Of Dickens Boys, Are Enroute Home From N. Y.

Official notice has been received by Mr. and Mrs. Fongso Shaw and Mr. and Mrs. C. J. Stubblefield of Dickens, that the remains of their sons, Staff Sgt. Clinton E. Shaw and Pvt. David J. Stubblefield, are included with those of 260 other Texas boys aboard the U. S. Army Transport Lawrence Victory which recently docked in New York.

These bodies will be sent to Fort Worth, distribution center for the war dead, then sent to different points from there. They will be accompanied by military escort to their final resting places.

Manager-Director Of REA To Attend Meeting in Amarillo

The Board of directors of the Dickens County Electric Cooperative, Inc. met in a regular session on Saturday, July 10th. Directors present were Joe M. Rose, President, S. L. Benfield, Secretary-Treasurer, A. L. Smith, Ben Lee, Melvin Thacker, and C. P. Witt.

The minutes of the previous meeting were read and approved as read. All current business matters were disposed of and it was decided by the Board that the Manager and as many Directors as possible would attend a Management Meeting at Amarillo August 16th through 19th. Progress in the construction of the "D" Section was discussed and it was found to be advancing according to schedule.

The recent rains, winds, electrical storms and persons shooting lines and line devices have caused many outages. The majority of the outages are the direct result of guns being used carelessly, which in turn, result in hundreds of homes out of service, many dollars spent on operations and maintenance, and then there is always the possibility of someone being electrocuted. It is the duty of each member of the Cooperative to see that the practice of shooting of the lines and line devices is stopped.

A resolution was passed by the Board authorizing the Manager to institute an educational program for the membership of the Cooperative. This program will include information pertaining to what REA is, the functions of your Cooperative, each member's duty as a member-owner, how to better utilize the electric service

through use of farm and home appliances, and the importance of safe, adequate wiring.

The meeting was adjourned and the next regular meeting will be held on the second Saturday in August.

Blue and yellow are the primary colors which make green.

Alabaster is a white, marble-like mineral.
