9 FARM OWNERS PAY OFF FHA LOANS; GET AWARDS

Nine Dickens-Kent farm families were honored at a Rotary Club luncheon Thursday, October 7. Certificates in the form of "Achievement Awards" were presented to the families during the course of a program in charge of R. E. Dickson, Director of the Texas Agricultural Experiment Station. Mr. Dickson started the program by stating "This program is presented today to honor nine farm families of Dickens and Kent Counties. These families all received loans from the United States of America through the Farmers Home Administration under provisions of the Bankhead-Jones Tenant Purchase Act. They had forty years to repay these loans but, with sincere appreciation of the opportunity afforded them and by diligent effort and hard work, they have all paid off their loans in full far ahead of schedule. For this outstanding achievement we honor them today by presenting these Achievement Awards of the State Fair of Texas." "I would like to say," Mr. Dickson continued, "that I think that this program is one of the greatest things that ever happened to rural America. I've seen these people here progress under the guidance of the program and I've seen them grow. We need more such far reaching programs to help more deserving farm families reach the point these families reach today."

Members of the two county committees were introduced by Maurice P. Vannoy, County Supervisor of the Dickens-Kent unit of the Farmers Home Administration. "Along with these outstanding farm families, we also honor another group. County Committee members of the Dickens-Kent unit," he said in introduction. "There been interest in agriculture, their experience and standing in the communities qualify them as leaders. They evaluate the qualifications of applicants, interpret the family-type farm definition in local terms, explain supervised credit, review borrowers' progress to determine future credit needs, and certify every loan made by the local office. In short, they are the backbone of the unit." Mr. Vannoy introduced Hugh Turner of Girard and Prentiss D. Allen of Jayton who were in attendance and recognized Oscar McGinty, Spur; Paige Gollihar, Spur; and Byron S. Haney, Afton; Members of the Dickens County Committee, and Edgar M. Jones of Jayton, Kent County Committees in absentia. David McTeater, former Dickens County Committee member.

Fox Named Advisor For Registrants

C. O. Fox has been notified by the State Selective Service Headquarters of his appointment by the National Director of Selective Service as Advisor for registrants for the local draft board 80, serving Dickens County. Registrants that are having problems with reference to their questionnaires or other draft problems, are asked to contact Mr. Fox at the City Hall in Spur for aid.

JOTS BY JOE

Everyone was in a joyous mood Saturday, except the Paducah Bulldogs. We were glad for two reasons. . . rain, and the stunning defeat the Bulldogs gave the dragons. . .

Incidentally, the Bulldog juniors will go against the Floydada Junior Whirlwinds tonight at 7:30 p. m. . .

Again, we pay praise to Lawis Lee and his firmen. . . it was exactly 12 minutes from the time the siren sounded until they had water playing on the drug store fire in Dickens. . . JOTS has seen some good fires in his day, and some good depts, but none will compare with the speed and efficiency of the local boys. . . they are more than a credit to Spur. . . they are our protectors. . . and can be depended on when the time comes. . .

Some sick customers after the finish of the world series. . . (Including me) . . . I had the Braves. . .

Voters attention. . . when you go to the polls on Nov. 2, carry an extra person to hold your ballot. . . no fooling, JOTS finished the ballots for Dickens County (mon. in the early hours) and they resembled a blanket. . . in fact, they are 19 inches x 24 inches. . . and have everything on them except the kitchen sink. . . BT, by all means, blanket or no blanket, be sure that you vote. . . absentee balloting started yesterday. . .

T. E. Milam, one of Spur's leading merchants is this week celebrating his 11th year in business in Spur. . . Milam Stores have come a long way from back in 1937 when he opened across the street from his present location. . . he now has stores (2) in Lubbock, but like all good SPURITES still claims Spur is the best town in West Texas. . . Congrats and best wishes to T. E. . .

Coy McMahon is a busy little man. . . caught him polishing an auto couple of days ago. . .

Maurice Vannoy, FHA supervisor, off to Dallas and the State Fair. . . lucky fellow. . .

JOTS has a nice leather folder belonging to some insurance man. . . Owner may pick it up at the SPUR office. . .

Say, anybody want a cute little half-collie puppie? If so get in touch with Mrs. Ferrell Albin, route 1. . .

It's only 72 days until Christmas. . . See you at the ball game.

FARMERS HONORED—Farmers of Dickens and Kent Counties, who paid off farm loans more than 30 years before they were due are honored here. R. R. Woolen, former Dickens County Committeeman presented awards to seven Dickens County families, and Hugh Turner Committee Chairman, Kent County, made the presentation to Kent County families. Shown receiving awards are: Mr. and Mrs. Bill Carothers, Mr. and Mrs. Jimmie Perriman, Mr. and Mrs. Chas. Butler, and Mr. and Mrs. Carney B. Roberts, all of Dickens County; Mr. and Mrs. Dewey Carr (Mr. Carr not shown) and Mr. and Mrs. Fletcher Rich of Kent County. Others shown in picture, R. E. Dickson, Spur, Maurice P. Vannoy, County FHA supervisor, Spur, Miss Fowler FHA secretary and Prentiss Allen, Kent County, Dickens families not shown are: Mr. and Mrs. Herman Armstrong and Mr. and Mrs. Thomas Rigby. Football Queen To Be Crowned At Friday Nite Game

LaNelle Brashear, daughter of Mr. and Mrs. E. A. Brashear, a senior in Spur High School was elected Football Queen in a contest that ended at the High School Wednesday. Miss Brashear will be crowned "Queen" by Co-captains Joe Simpson and J. W. Karr at ceremonies to be given at 7:30 Friday night, prior to the beginning of the football game between Spur and Lockney. The honor went to Miss Brashear above three other contestants. They were: Peggy Wilson, junior representative; Betty Scott, sophomore representative and Ella Hill, freshman representative. Fred Kinney will do the narrating of the ceremony, and the Spur Band and Pep Squad will take part in the event.

Spur Steer Gets 2nd Place At Fair

O. M. McGinty and sons, Rush and Don, returned to Spur Tuesday night after attending the Livestock Exhibit and the State Fair at Dallas. Don's steer won 2nd place in light weight Junior Hereford Steer division. The McGintys entered four calves and all placed. The Grand Champion steer of the Junior Show, owned by Slim A. Reeves, Jr., 4-H Club boy from Fort Stockton, sold for \$2 a pound. The steer brought \$2,480. First place steers sold for 75 cents and others for 40c and up. Mrs. Louella Powell of Abilene spent the week-end here visiting friends. Mrs. Powell is a former resident of Spur. Mr. and Mrs. Wilson Justice of Slaton visited with their parents, Mr. and Mrs. G. W. Justice this week.

Jordan Thanks Fire Department

A. W. Jordan who resides 9 miles south east of Spur expressed his appreciation to the Spur Volunteer Fire Department this week for the efficient work they performed last Wednesday night, when they extinguished a fire in his truck load of cotton he was bringing to the gin. The cotton became ignited about three miles out from Spur and the Fire Department answered the alarm. The blaze was soon extinguished with a loss of only about 50 pounds of cotton.

W. D. Hancock On Tech Judging Team

W. D. Hancock of Jayton was one of the six members of the livestock judging team chosen to represent Texas Tech at the American Royal Livestock Show in Kansas City next week. The group left Lubbock Tuesday for Dallas, where they spent Wednesday and Thursday in observing and practice-judging of livestock at the state fair. They will arrive in Kansas City Thursday night, and will go into competition there Saturday against probably 25 teams from all parts of the United States and Canada. W. D. Hancock is the son of Mr. and Mrs. Glenn Hancock of Jayton.

Bulldogs Battle Lockney Eleven Tomorrow Night

Riding a destructive attack, the Spur Bulldogs swept to an easy 40 to 6 victory over the Paducah Dragons last Friday night to chalk up their second straight conference victory. The Bulldogs scored almost at will during the first half, and amassed three touchdowns before half time. Scoring began early, when Doyle Slack went thru the center of the Paducah line on the fourth play for a touchdown. The gallop was good for eighteen yards. Lindsey's educated toe converted. Heads-up football gave the Bulldogs their second score. McAlpine recovered a fumble, and on the first play for scrimmage, Clyde Blair, thirty back raced around end for 22 yards and the score. Blair again scored in the closing minutes of the second half to give the Bulldogs a 21 to 0 margin at half time. The Bulldogs scored following the second kick-off. A pass from Lindsey to Reynolds was good for 20 yards, and Reynolds scampered the remaining distance to cross the goal untouched. For the fourth marker, Lindsey again converted. Shortly after an exchange of line plays, Lindsey took the ball on Paducah's 35 yard line and ran the distance to the goal line thru the Dragon team for the fifth score. He scored again in the closing minutes of the fourth quarter from Paducah's 4 yard line to end the scoring for the Bulldogs. With the second string playing, Paducah's Rochelle saved them from a "skunking" when he rammed over from the six yard line for their lone marker. Final score, Spur 40, Paducah, 6. The Bulldogs meet the fast charging Lockney eleven here Friday night in what may well determine the winner of District 3-A. Lockney defeated Crosbyton last week end by the score of 13 to 7. Game time is 8 p. m.

Fuqua Rites Held Friday, October 8

Funeral services were conducted for Lonnie B. Fuqua, 61, a resident of this community, at the past 56 years, at 3 o'clock last Friday afternoon in the First Methodist Church. Rev. C. M. Ryan of the Plains, Texas, Methodist Church officiated and was assisted by Rev. Doc Love of Spur. Interment was in the Red Top Cemetery under the direction of Chandler Funeral Home. Mr. Fuqua was a pioneer cattlemen and farmer, having been a resident of the Red Mud Community for many years. He died Wednesday night, October 6, after suffering what was believed to have been acute indigestion. Survivors include his wife, two sons, A. N. and Ross, both of Red Mud; two daughters, Mrs. Doyle Fry of Spur, and Mrs. Roy Lucas of Lampasas; one brother, Ed of Greenville, N. M., and three sisters, Mrs. W. H. Smith and Mrs. Riley Smith of Rogers, Okla. Pallbearers were J. B. Morrison, Bass Bateman, Giggs McCombs, Elmer Maber, Glenn Sweeney and Jimmy Stuart.

Local Seaman Wins Chinese Award

Duwayne D. Willard, yeoman, second class, USN, of Spur, Texas, on duty at Nanking, China, was presented with a Chinese award for services rendered at a ceremony held at the Chinese Naval Headquarters. General Ho Yingchin, Minister of National Defense made the presentation. Vice Admiral Kevei Yun-chin, Acting Commander in Chief of the Chinese Navy read the citation. Wives of the Navy personnel receiving awards were guests at the ceremony. Also present as guests were the Chief of the U. S. Army Advisory Group, Maj. Gen. David G. Barr, the U. S. Military Attaché, Brig. Gen. Robert H. Soule and Rear Admiral Harry R. Thurston, USN, senior member of the U. S. Naval Advisory Group Survey Board. A large number of Chinese Naval officers also witnessed the ceremony. Pvt. Billy Meadows of Spur is enroute to the states, and home according to an announcement from Marianas Bonins Command Headquarters. Upon his arrival in the states he will be reported from the military service.

Cotton Ginning In County Totals 5,000 Bales; 1-3 Complete

The cotton harvest in Dickens county is about 32 per cent complete according to information given the SPUR this week. Up to press time Thursday morning 5,000 bales had been ginned in the county of the estimated 15,000 bale crop. Gins throughout the area are running 16 hours a day in order to take care of the harvesting. The heaviest area in the county is in Afton with over 2,000 bales ginned in that section. TEC placed 420 workers in the county last week and need approximately 350 at the present time, according to Mr. Fitzgerald, local manager. Since opening the TEC office in Spur, over 3,000 workers have been placed in the county.

VFW Names Pippin Commander for 48; Endorse Bonus

The Charles Ensey Post No. 7212, Veterans of Foreign Wars, elected officers on Thursday night, October 7, for the 1948-49 term. Officers named were: V. D. Pippin, Commander; J. R. Dean, Senior Vice-commander; Herman Smith, Junior Vice-commander; Dan Pritchett, Adjutant and Wray Carlisle, quartermaster. During the regular business session of the Meeting, members of the Post passed a resolution calling for a state bonus to every World War I and II veteran. The bonus calls for payments of \$10 per month for home services and \$15 a month for each month spent overseas during either World War. Minimum payment would be \$300 and maximum would be \$600. The resolution was submitted to the Charles Ensey Post by Roger G. Evans of Austin. Evans has led a fight for veterans bonus for a number of years, and recently opened offices in Austin for a state wide drive. He has submitted a Veterans Bonus Bill to the legislature three times.

Gibson Drug Store Razed by Flames

Gibson's Drug Store, owned and operated by Jack Gibson, in Dickens, was completely destroyed by an early morning fire, Tuesday, October 12. The blaze was discovered about 2 o'clock Tuesday morning, and the alarm was answered by the Spur Volunteer Fire Department. Within twelve minutes after the alarm was received in Spur, the local fire department was in Dickens at the scene. The building was almost destroyed upon their arrival. According to reports to the Texas Spur the building, fixtures and stock was a complete loss.

Duck Creek Soil Conservation District News Notes

With Saturday's rain giving a new lease on life, the progress of this soil conservation district moves ahead in its fight to hold the soil in place, control the water, and sensibly use the productivity of both. Cover crops can now be sown on land that blows and have enough moisture to come up. New terraces will be easier to build and maintenance work on old ones won't take as much time and labor. Clark Forbis of Afton was elected to the board of supervisors of the Duck Creek Soil Conservation District last week to replace H. E. Wooten. The next regular meeting of the board of supervisors will be Thursday, October 21. Business scheduled for that meeting include the selection of a new chairman and the consideration of new applications for assistance. Terrace lines for one half of a mile of new terraces have been added to the terrace system on M. M. Copeland's place north east of Giblin. The addition will complete his system on this place. Copeland has renilled all the old terraces and will get the new ones built right away. King Ranch Bluestem is a grass that is quite new to this district but one that shows promise. Dr. Blackwell made a trial planting of this grass on his place north of Dickens last spring. It came up in a pretty good stand and survived the summer drought. Although it made little growth this summer, its merit is in the fact it can stand these dry summers and come back fighting when there is moisture. K. R. Bluestem is a good forage producer and deserves watching. Seed of this grass are still very scarce and costly but increasing acreage of it should be available before too long.

USDA Estimates 15 Million Bale Cotton Crop in '48

The Agriculture Department Friday estimated a cotton crop this year of 15,079,000 bales of which it said Texas should provide 3,250,000. The department said dry weather in Texas, Missouri, and some parts of the Southeast cut yield prospects during the past month, but the crop still promises to top all others in value. Texas should harvest 3,250,000 bales of 9,998,000 acres, with an average yield of 173 pounds of lint cotton an acre, the department said. Nationally the crop was put at about one per cent less than the 15,219,000 forecast a month ago. But the estimate as of October 1 was far above last year's 11,857,000 bales. Production for the 1937-46 ten year period averaged 12,014,000 bales. Current prices make the crop worth about \$2,736,000,000, that includes \$414,000,000 for lint. Last year's crop was valued at \$2,219,200,000. The previous record was \$2,348,000,000 in 1919. The condition of the Texas crop was placed at 67 per cent of normal, and the condition nationally at 82 per cent. A national average yield of 310.3 pounds an acre was indicated, compared to 297.3 pounds last year and 264.2 for a ten-year average.

Guthery Child On Way To Recovery

3 year old Jacqueline Guthery, daughter of Mrs. and Mr. Guthery, former residents of Spur, is reported to be well on the way to recovery from a miraculous escape from death when she was injured by the accidental discharge of a 22 rifle on September 25. The bullet from the gun passed entirely thru the child's head. Gary Jacqueline has been in the hospital in Matador, Texas, and is reported to be well. She was removed to Scottsboro, Texas, in Dallas this week for further treatment. She celebrated her birthday on Sat. October 9. Mrs. Guthery, mother of the injured child, was the daughter of Miss Peggy Durham of Spur. They now reside near Spring.

FIVE GENERATIONS—In picture above, five generation are represented. Standing at left is J. W. Martin, standing at right his daughter, Mrs. Van Turner of Bakersfield, California. Seated at right is Mrs. Turner's daughter, Mrs. Gary Cavese, Bakersfield. Seated in front of Mr. Martin is his mother, Mrs. Charlie Jones, 83, who has been a resident of Dickens County 40 years. She is holding little Patay Cavese, 10 month old daughter of Mrs. Gary Cavese.

Boyce House "Gives You Texas"

Texas are tremendously proud of their state and other people are proud of their states, too—though of course with much less reason than we Texans have!
Think of the proud Kentucky "colonels", the Virginians, sub. It is even rumored that Californians have state pride.
So why not a book containing the humor of all the different states? Such a book would have entertainment as varied as the climate, topography and philology of states as different as Oklahoma and Main or Illinois and Massachusetts.

Well such a book has been written. The author was born in Arkansas, spent his boyhood in Texas, Arizona, Missouri, Mississippi and Tennessee; and heard such laugh provokers as Will Rogers, Bob Burns, William J. Bryan, Jeff Davis of Arkansas and Bob Taylor, the "fiddling governor".

The book is entitled "Laugh Parade of States" (Naylor Co. San Antonio, publishers) and it includes 70 Texas stories that have never appeared in a book before—750 jokes in all.

The author? Well, I reckon you'd already guessed it was written by that "I Give You Texas" man.

Would you like a sample or two from "Laugh Parade of States"? Just room here for some mighty short ones:
Massachusetts—The complacency of the people of Boston is shown by the remark of a man from there who, replying to a question, said, "Why should I travel when I'm already here?"
Tennessee—Gov. Bob Taylor

A. C. A. News

With prospects of getting some of the crops off the land in the near future, it is time to think of soil conservation work that may be done during the remainder of the year.

Do you need some new terrace?
Do you need cover crops or grazing crops on part of your land during the winter? Do you need protection from wind erosion? Perhaps it needs deep breaking or you may wish to leave grain sorghum stalks on the land, not grazed until January 1, 1949.

Do you wish to eradicate mosquito or prickly pear from your pasture land?
Do you need a tank or dam for erosion control?

These are some of the practices for which A. C. A. can make assistance payments in 1948. If your farm or ranch needs any of these things, come to the A. C. A. office in Dickens for approval before beginning the practice so that payments can be made to you.

receive "War Service Gratitude" from the Canadian Government, have not applied for these payments although the RCAF has been trying to locate them since the end of the war.

The men, many of whom joined the U. S. Air Force after service with RCAF, are entitled to a bonus of \$7.50 for every day of service in the RCAF, plus an extra \$26 for every day of service overseas. In addition, for each period of 100 days of overseas service in the RCAF, an amount will be paid equaling seven days' pay and allowances computed on the rank held at the time of discharge from the RCAF.

Those eligible to receive the

More than five and one-quarter million World War II veterans had taken some type of training under GI Bill from the inception of the program until September 1, 1948, the Veterans Administration reports.

On that date 1,500,000 were still in training and 3,900,000 had completed or discontinued their training.

7th District TFWC Officers Speak At Levelland Clubs

Mrs. W. T. Andrews, president of the 7th district, Texas Federation of Music Clubs, accompanied by Mrs. George Gabriel, district junior chairman, went to Levelland Monday afternoon to speak before the music clubs at the First Baptist Church. Mrs. Gabriel spoke to an enthusiastic group of fifty juniors on the subject of Federation.

Mrs. Andrews was guest speaker for the senior Levelland Music Club dinner in the beautiful home of Miss Mary Nell Lea. Her subject was "Results of Federation work in the United States". A musical skit in costume was given by three members of the Levelland club. Miss Charlene Jordan, Lubbock Federation contest winner, sang two vocal numbers, and Mrs. Raymond Marshall, Lubbock, State 2nd vice president, gave several vocal selections.

The guest table was beautifully laid with an imported cut-work dinner cloth with a center piece of dahlia and azelia flowers. Place cards were silver treble clefs. Mrs. Andrews and Mrs. Gabriel were over-night guests of the club, returning home Tuesday morning.

Opera Reviewed At Harmony Club Meeting Tuesday

The Spur Harmony Club met Tuesday evening, Oct. 12 in the home of Mrs. Paul Marion, president, in one of the most responsive meetings of the club history.

After a short business session, club members answered roll call with a favorite opera and composer. This was followed by a review of the opera *Aida* by Verdi, beautifully given by Mrs. Sam Hawkes. Recordings of the entire four scenes of the opera followed the review.

Refreshments of cake and spiced tea were served to a large number of ladies.

Of much interest at the present time is the Regional meeting of the Texas Federation of Music Clubs to be held at Quannah October 22 and 23. A large number of members of the Spur Harmony Club plan to attend this meeting.

The next meeting will be Tuesday evening, October 26 in the home of Mrs. Nell Davis at 7:30 (instead of the usual time). The Club will meet earlier to allow time for practice on the Christmas Cantata, "Child Jesus" to be presented December 19. It is hoped that all members will be able to take part in the cantata. It is customary for those members who do not sing to ask someone to participate for them.

"Oil Progress Day" Observed

Competition, many economists agree is a factor stimulating the program which keeps American gas to its approximate, in view of the fact that today October 14, is being observed as "Oil Progress Day", an occasion when all men give an account of their public service activities to citizens of the communities in which they operate, to take a look at the competitive factor in the petroleum industry.

According to the U. S. Department of Commerce petroleum "Survey of Current Business":

Twenty-two hundred more companies are currently producing oil—taking it out of the ground—than were engaged in that work at the beginning of 1944.

In 1944 and 1947, some 62,000 new service stations opened, while only 15,000 closed, for a net gain of 47,000. The figure increases even more, nothing when it is realized that 50 per cent of these stations are owned or leased by independent businessmen.

In addition there was a net gain of 1,300 new oil marketing firms throughout the country during the past year, according to the Petroleum Register.

The over-all picture is even more striking. From a mere handful of companies in 1933, when the first oil well was drilled, the industry has grown into now 24,000 competitive firms, plus a quarter million service stations, have been established to meet the ever increasing oil needs of the American people.

Memorial Day For Navy and Marine Corps Set Oct. 24

The traditional memorial flower service for Navy and Marine Corps war dead who were buried at sea will be held Sunday, October 24, as a part of the observance of the week of Navy Day, October 20-26, 1944.

Flowers received from relatives and friends of the war dead will be placed aboard Naval vessels at various bases in the United States and overseas that day after appropriate devotional ceremonies. The vessels will then proceed to sea where the flowers will be scattered upon the water in memory of the dead.

Twenty-six ports in the United States and overseas have been designated to receive the memorial flowers from relatives and friends of the war dead and from veterans and patriotic organizations.

Individuals are requested to send only one flower each, which should be forwarded to the Public Information Officer of the appropriate port before midnight Saturday, October 22. Organizations may provide sprays or wreaths.

Floral Memorial Services will be conducted at the Naval Air Station Corpus Christi, Texas, at 3:00 p. m., on Sunday, October 24th, in conjunction with "Open House" in which all the citizens of Texas are invited to attend and become acquainted with "Your Navy".

Redistricting Is Endorsed By Chamber Groups

DALLAS—Equitable representation in the State Legislature for all sections of Texas through regular redistricting has been endorsed by all regional chambers of commerce, Paul Carrington, immediate past-president of the Texas Association of Commerce, has announced.

"The East, West and South Texas Chambers of Commerce, which represent the entire state

of Texas have endorsed the plan for a three day tour of the state by Governor J. Strom Thurmond for whom the State Rightists hope to capture the 20 electoral votes in the General Election. Governor Thurmond will be in Texas, Oct. 20 and 21, and has a tentative schedule to speak in Fort Worth, Dallas, Austin, San Antonio, Corpus Christi, Brownsville, Port Arthur, Galveston, Houston, and possibly Amarillo, El Paso and San Juan of Louisiana.

Arrangements for the tour were made by the State Rightist Party and will get under way here on Monday, Oct. 18. It has been announced by Robert W. Milam, Jr., Houston oilman who has been named campaign director for the State Rightists.

TMEA Wins First Place in Safety Campaign in U. S.

For promoting safety and care on the highways of Texas, the Texas Motor Transportation Association has placed first in a national truck safety contest sponsored by the American Trucking Association, Inc.

The Texas group competed with other Associations from all over the country.

Ray Standish, president of TMEA, accepted the award plaque at the ATA convention in Washington, D. C. on October 18.

Throughout the past year the Association has:

- Sponsored a safety tour which visited 40 cities and towns to check on "Trucker 'drivability'".
- Over 20,000 individuals took the

tests on what really was "drivability", including such factors as other personnel, crash cushions, and field of vision. Over 20,000 vehicles of various types were checked for "drivability" for 1944 at the annual convention.

Sponsored a State-wide trucking course at Texas A & M College.

Louis E. Shaw is general manager of the Association, and Glen E. Ogle is the safety director.

FARM FAMILIES

(Continued From Page 1)
ber and Miss Claynell Fowler, Secretary in the local office and Wm. S. Patrick, former FHA supervisor were introduced by Mr. Vannoy in closing.
"Accomplishment For Which We Honor These Families" was the subject of Riley Wooten, former member of the Dickens County Committee, in his main address of the event. "These people have indeed made outstanding records," said Mr. Wooten. "I know most of their backgrounds and have seen them grow in this greatest of farm programs. They have all lived up to the confidence we placed in them in declaring them eligible for these loans. My only regret is that we were not far-sighted enough to buy more farms when these were bought, before inflation hit rural real estate and made buying land a hazard. All of these people had forty years to pay their farms out, but, with hard work by every member of every family, these nine families have paid for their land in an average of six years. Their loans ran from \$7,200 to \$10,158, a total of \$80,279. Had these people paid for their farms on amortization schedule, they would have repaid the Government a total of \$138,913.60 principal and interest. By paying their loans in full 34 years ahead of schedule, they were required to pay only \$83,295, thereby saving \$49,518.60. This in itself is an outstanding record, never and above that all now have homes and land that in their own and a glorious future ahead of them. In addition, two of the families have purchased additional farms since paying for these and have assumed their place in society they had been unable to attain before the Farmers Home Administration helped them get started. "In closing," he continued, "I'd like to say that since the Tenant Purchase Program started in this unit, there have been no foreclosures, no farms sold outside the Program and only two farms transferred from the original borrower. These nine paid-up loans represent twenty-eight per cent of the total regular Farm-Ownership loans made in the Dickens-Kent unit since the Program started."

Hugh Turner, Chairman for the Kent County Committee, presented certificates to Mr. and Mrs. Dewey Carr, Girard, who paid their loan in six years; and to Mr. and Mrs. Fletcher Rich, Girard, who repaid their loan in five and one-half years. Mr. Wooten presented Dickens County certificates to the following families: Mr. and Mrs. Herman Armstrong, McAdoo, in absentia, who paid for their farm in six years; Mr. and Mrs. Charles E. Butler, Spur, repaid in five years; Mr. and Mrs. Bill B. Carothers, Afton, repaid in seven years; Mr. and Mrs. Jimmie S. Perryman, Dumas, repaid in five years; Mr. and Mrs. Thomas H. Rigby, McAdoo, in absentia, repaid in six years; Mr. and Mrs. Carolyn B. Roberts, repaid in seven years; and Mr. and Mrs. Willie Williams, McAdoo, repaid in seven years.

"We have been happy to present these people to the Rotary Club today," Mr. Dickson said in closing the program. "The indebtedness these families have developed, coupled with yours in our city, will carry forward to greater things. May we all meet the same high record of accomplishment that these families have reached today."

Melodramatic "Return of the Bad Men" Brings a Dynamic All-Star Ensemble

Randolph Scott has Robert Ryan covered in this scene from "Return of the Bad Men," an RKO Radio picture co-starring Anne Jeffreys.

Dealing with the lawlessness of the Oklahoma Strip in the hectic days of 1899, RKO Radio's "Return of the Bad Men" stars Randolph Scott, Robert Ryan, Anne Jeffreys, George Gabby Hays and Jacqueline White in one of the years most exciting melodramas. Scott plays a former Texas Ranger who has made a comfortable fortune in the Oklahoma Territory and plans to move on to California. When an outlaw band swoops down on the little town of Braxton and wipes out the bank, Scott is persuaded to remain as a law enforcement officer.
Ryan as the most ruthless of the outlaws; Miss Jeffreys, as a bandit queen who reforms under Scott's influence; Hays, as a frontier banker, and Jacqueline White as Hays's daughter, have the principal roles. The struggle between Scott's forces and the well-organized desperadoes leads to the many tense moments of the plot, and to its thrill-laden climax.
Although not a sequel to the earlier picture, the film carries on from the period of RKO's many of the actual outlaws of the period, such as the Youngers, Dalton brothers, and Billy the Kid are represented in the story.
Ray Enright directed "Return of the Bad Men," which was produced by Nat Holt. Charles O'Neal, Jack Nottorf and Luci Ward wrote the screen play and the cast includes Steve Brodie, Richard Powers, Dean White, Walter Reed, Robert Armstrong, Tom Tyler, Robert Bray, Lex Barker, Lew Harvey and Mike Harvey.
"Return of the Bad Men" opens at the Palace Theatre Sunday...

150,000 Sq. Feet Storage Space Is Leased in Lubbock

Leases have been completed for more than 150,000 square feet of the South Plains Air Field near Lubbock for emergency grain storage use, it was announced this week by Duncan D. Myers, who is in charge of the storage program for War Assets Administration, Grand Prairie regional office.

All buildings adaptable to bulk grain storage at the field have now been leased, he said. Available remaining buildings have wood flooring and could be pressed into service on an emergency basis for sacked grain, Myers declared.

The War Assets Administration undertook sponsorship of storage through use of government surplus buildings at the behest of Congressman George Mahon. Following appeals by Mahon and other congressmen, buildings at the South Plains Field, at the Pantex Ordnance Works near Amarillo, and at other installations in the southwest, were made available in September by the WAA.

Twelve buildings at the Lubbock field have been leased in the program. They will be used for storage of grain sorghum by the following firms: Wayne George of Anton, Lubbock Grain & Storage Company and the Herman Dawson Company.

Myers said he understood the Commodity Credit Corporation approved the flat storage leasing arrangement for all of the structures.

Texas Tech Sets October 30 For Homecoming Day

LUBBOCK, Oct. 13—With a record 6,000 visitors expected, Texas Technological college this week was preparing for the largest annual Homecoming of its 23-year history.

The Oct. 30 Homecoming program will include a giant parade, a luncheon, an afternoon football game between Tech's Red Raiders and Rice Institute Owls, and a dance.

Only about 2,000 general admission seats remain to be sold, and indications are that nearly 10,000 persons, the largest crowd in Tech history will watch the game. Rice will be making its first visit to Lubbock, the five previous meetings between the Raiders and the Owls having taken place in Houston.

All clubs on the Tech campus have been asked to enter floats in the 10 a. m. parade. Judges will award prizes to the most beautiful, most comical and most descriptive float.

Tech execs have been invited to attend the buffet luncheon in the college gymnasium, an annual event sponsored by the Lubbock Bus Company and the Texas, New Mexico and Oklahoma Coaches.

Style Trends Topic At HD Club Meeting

The Solder Mound Home Demonstration club enjoyed an interesting discussion and demonstration on costume accessories and style trends given by Mrs. Jewel Robinson, Home Demonstration Agent, when they met in the home of Mrs. Dee McArthur Thursday, October 7 at 2 P.M.

The main point of the discussion was how to determine style and fashion from fad. Mrs. Robinson said, "If the style trend fits in *our* mode of life it is here as fashion and not as a fad." How to make our old suits longer was also discussed. Some of the illustrative material shown were handbags made from felt, woven to match a suit, dress or coat, handbags to contrast with costumes, and the different uses of scarfs, handkerchiefs and ribbons as accessories. The last thirty minutes of the meeting was devoted to transferring and cutting patterns of berets and hand bags that could be made at home.

Members answered roll call with a beauty hint and Mrs. Davis McTeer won the club prize. Those present were Mesdames: Ollie Hindman, W. T. Williams, Joe McDaniel, W. H. Condon, and Floyd Barnett, David McTeer.

Singers of Motley County to Meet

Motley County Singing Convention will meet at the Roaring Springs Assembly of God Church, Sunday, October 17, for the organization's second 1948 semi-annual meeting, according to an announcement appearing in the Matador Tribune, Oct. 8.

Singing will begin at 10 o'clock and continue throughout the day with the exception of the "dinner on the ground" lunch recess.

Dinner will be with the old-time basket method. Arrangements have been made by the church for the necessary facilities. All singers enjoying old-time gospel singing are extended a cordial invitation to attend.

According to the announcement in the Tribune, the Motley County Singing Convention is the oldest organization in the county.

Spur Girl Winner In Ribbon Roping At Tri State Fair

Judy Hayes of Spur won first place in the ribbon roping contest at the Tri-State all-girl rodeo in Amarillo Thursday night.

Contestants in the ribbon roping with Miss Hayes were: Ora Quigg, Del Rio; Madeline Thompson, Fort Sumner, N. M.; and Jackie Worthington, Jacksonboro.

Jackie Worthington won top honor as the all-round cowgirl of the rodeo. The bareback bronc contest and the Brama bull riding held the thrill spotlight. June Probst, 16-year-old San Angelo high school girl who weighed only 90 pounds, gave the crowd a chill when her bucking horse threw her near the end of her ride. She received an injured leg and a torn shirt.

Hamburgers a la—!
Hamburgers have a novel touch when your favorite mayonnaise or salad dressing is added. Use about 1-2 cup for 1-2 pound of meat.

Quick for Lamb
A quick flavor touch for lamb: melt butter, add lemon juice and thyme, and rub on surface of lamb leg before roasting.

it hard to keep up with the strain of court work. It is an economy and will save taxes in the long run to permit a man to retire when he is unable to work.

"It would be fair to the Judges and to the public to enable a man to retire after he has served long and faithfully", he continued.

McAdoo Resident Enrolls at Stanford

Marshall McDonald of McAdoo has recently enrolled for the fall term in the Graduate School of Engineering at Stanford University, Palo Alto, California. He was graduated from Texas Tech in August 1947 with a B. S. degree in Mechanical Engineering and was employed last year as an instructor in the Mechanical Engineering Department at Stanford University. He is the son of Mrs. Ethel McDonald of McAdoo and a former student of McAdoo High School. Marshall was back in Texas during the past summer to attend Texas Tech during one of the summer terms and also to visit his mother and his brother and family, Mr. and Mrs. M. R. McDonald and David.

October is Sausage Month
For a hearty open-faced dinner sandwich to October, serve two slices of toast with spicily-seasoned sausage patties on one, fried apple rings on the other.

A good braising liquid for veal steaks is mushroom soup. When the steaks are tender, thicken the liquid and serve as a gravy.

Have a Ham Roll!
Ham with a new flavor results in a rolled ham slice with apple stuffing. Have ham slice cut 1/2 inch thick and remove bone. Spread with mixture of 1 teaspoon dry mustard and 1 tablespoon vinegar, then top with 2 apples thinly sliced. Roll, with the fat side in and skewer together. Then bake, covered, about 45 minutes.

Only the Servel GAS Refrigerator STAYS SILENT LASTS LONGER
Only Servel GIVES YOU TEN-YEAR GUARANTEE
THAT'S WHY MORE AND MORE TEXAS FAMILIES PREFER SERVEL

All over Texas you hear, "It's the Servel Gas Refrigerator for our next!" For Servel alone brings you a ten-year guarantee of silent, trouble-free performance.

The Gas Refrigerator is the only one with a different, simpler freezing system. Instead of moving, wearing parts, a tiny flame of natural, butane or propane gas does the work. So every Servel stays silent, permanently. Lasts longer, too. Actually many of Servel's more than 2,000,000 owners are still enjoying theirs after 18 and 20 years of constant use.

But absolute silence and longer life are just part of the reason Texas is swinging to Servel. The new models are beauties, too. They've every new feature you're looking for. Come see the famous Gas Refrigerator today. It's first come, first served.
