

# TEXAS THE SPUR

SERVING A RICH FARM CROP, STOCK AND POULTRY RAISING TERRITORY OF WEST TEXAS.

VOLUME 42

SPUR, DICKENS COUNTY, TEXAS

THURSDAY, NOVEMBER 23, 1950

NUMBER 5

## Chamber of Commerce Doings: PLACID STAKES WELL NEAR SPUR; STANDARD CREW DUE HERE SOON

The Placid Oil Company has announced the location of the new drilling rig 1/2 mile south east of Spur. This new well will be located on the South West 40 of North West 160 of survey 226, Block 1, Dickens County by the Placid Oil Company. It is expected that the new rig will be installed and ready for drilling within the very near future.

Howard Lacey, a representative of the Standard Oil Company of Ohio informed the Chamber of Commerce office this week, that his Company will send a crew into Spur within the very near future. As soon as confirmation is received regarding the number of people that will be moving into Spur, the Chamber of Commerce will request that additional housing facilities be phoned in to the Chamber office.

## Ben Holly Dies, Burial At Dickens

Funeral services for Ben Duncan Holly, 64, resident of Dickens county since 1939, were conducted at 11 a. m. Monday, November 20, 1950, in the Dickens Church of Christ. Bro. John Faubus officiated.

Holly died suddenly Friday evening in a local hospital where he was brought after suffering a heart attack. He was born June 1, 1886, in Eastland county, the son of Mr. and Mrs. Richard Holly. He was married to Lula Randall on December 11, 1907 in Dickens county ever since.

Survivors include the wife, Mrs. Lula Holly, a daughter, Mrs. Velma Baillio, both of Spur, and a son, Odis Holly, of Lubbock. Also surviving are three brothers, Watt and Hallett Holly, Dickens; Tony Holly of California; three sisters, Mrs. Lena Marshall and Mrs. C. C. Overstreet, Dickens, and Mrs. Gertrude Kratchmar of California. Four grandchildren also survive.

Funeral services were held at the home of Mrs. Hallett Holly on Monday. Interment was in Dickens cemetery, with Chandler Funeral home directing arrangements.

## Ned Hogan Speaks At P-T.A. Meeting

"We must train our children to have the highest ideals so they will be strong enough to be leaders of this, the strongest nation in the world," stressed Ned Hogan, city mayor, in his address before the Parent-Teachers association meeting last Thursday afternoon.

"I feel that I am speaking to a group of teachers, because parents are teachers of our children as well as the public school teachers," he stated. Hogan expressed the belief that our children must be taught that they cannot always realize their ideals in one generation. He cited examples showing that Americans today are "reaping some seeds from the Pilgrim fathers." Our children should be taught to be worthy of their heritage, he concluded, before the assembly of parents and teachers.

Dean Duffie served as program leader, and introduced the guest speaker, and the guest speaker, and the guest speaker.

Following the address, the East Ward band under the direction of Melvin King, Spur school band director, played several selections. Members of the band were introduced to the guests by King who cited the number of years each child had been a member.

Guests were conducted on a tour of the classrooms where they viewed work of the students which was on display. Members of the Brownie troop who were in charge of the nursery for small children are to be commended for the excellent care which they showed during the afternoon, states an officer of the P-T.A.

The ministers of Spur churches met Tuesday morning at the First Baptist Church for the first of regular meetings to further the spiritual interests and welfare of the city of Spur.

The ministers will meet on the second Tuesday of each month, alternating the chairmanship and meeting places among the different churches.

The December meeting will be held at the Spur Church of Christ with Willis Jernigan acting as chairman.

## OKLAHOMANS VISIT

Mr. and Mrs. P. A. Watson of Marlow, Okla., spent Sunday and Monday in Spur, leaving Tuesday morning for New Mexico and Colorado. They were guests of her father, C. L. Love while here.

"The more I am acquainted with agricultural affairs the better I am pleased with them, inasmuch as I can nowhere find so great a satisfaction as in those innocent and useful pursuits." — George Washington.

# Bulldogs Tie For District Title

## SANTA AND REINDEER READY FOR PARADE DEC. 9

Sleigh bells with tinkle, reindeer with big antlers will prance and pant, their ankles popping in rhythm with the bells, when Santa Clause comes Spur, December 9, 10:00 A. M. for the big parade sponsored by the Spur Chamber of Commerce.

The parade will be led by the Spur High School Band, starting at the intersection of Hill Street and Burlington Avenue and will continue straight down Burlington Avenue. Many who never saw a reindeer in their lives will be on hand. The four reindeer will come wearing red leather harness with bright trimming, and the children can tell which is Dancer, which is Blitzen, and Donner and Prancer, for each will have his name spelled out on his harness. Santa's sleigh will be a bright red and silver with green trim and the words "Merry Christmas" spelled out in the decorations.

Santa will visit the Children of this area for about two hours, parking in front of the Spur Security Bank building. The Spur High School Band under the direction of Melvin King will furnish the music during his visit. Everyone is invited to attend the parade and bring the children to see Santa Clause and his artie Reindeer.

## McALPIN, JAMES, WATSON, GRIMLAND CHOSEN ON ALL-DISTRICT ELEVEN

Four Spur Bulldogs were named on the All-District 3-A football team for 1950, it was announced Monday night.

Vernell McAlpin, end, Joe James, guard, Dean Watson, tackle, and Charles Grimland, back were among the top eleven in the district balloting.

Others making the first team are H. A. Lee, end, 185 pound senior from Paducah, Johnny Yates, tackle, 170 pound senior from Ralls, Jack Ballanger, guard, 165 pound senior from Tulla, Barry Thompson, center, 180 pound junior from Lockney, Pat Green, back, 185 pound junior from Paducah, Bobby Gustin, back, 165 pound senior from Ralls, and Jimmy Miller, back, 170 pound senior from Abernathy.

McAlpin will receive his third letter as a Bulldog this year, with two years of regular play. This year he has acted as co-captain of this year and is Spur's leading pass receiver. He has served as a key man on the Bulldog defense playing guard and linebacker.

James, also after his third letter, is one of the best blockers in these parts in many a day. His work as defensive tackle indicates that he has been a valuable hole-plugger and a constant threat to offensive backs trying to slip through. Joe is probably the most consistent player on the Bulldog roster this season. He is often referred to as the "work horse" of the 1950 club.

Watson, who played regular at the fullback slot last year, has shown his prowess in line play this year. He has served faithfully at tackle and center offensively and tackle and line backer defensively. Serving where needed, Dean has often failed to receive credit for the load he has been called on to carry. He, also, will receive his third letter this year.

Quarterback Grimland is probably the leading passer and punter in the district. Charles has passed 111 times, completing 56 of them for approximately 1000 yards. Not including the Floydada game, he had punted 29 times for an average of 35 yards—an average many a college player would be proud of. He is a good ball handler and is among the top on the roster when it comes to speed. He has done a good job of calling signals for the champions and has received valuable experience which will definitely show up in the 1951 season. Defensively, Grimland holds down a halfback spot and plays safely on fourth downs.

The first and second all-district teams are as follows:  
**FIRST TEAM**  
Pos. Player Team Wt. Cl  
E. H. Lee Paducah 185 Sr.  
E. Vernell McAlpin, Spur 180 Sr.  
T. Johnny Yates, Ralls 170 Sr.  
T. Dean Watson, Spur 190 Sr.  
G. Jack Ballanger, Tulla 165 Sr.  
G. Joe James, Spur 200 Sr.  
C. Barry Thompson, Lock 180 Jr.  
B. Pat Green, Paducah 185 Jr.  
B. Charles Grimland, Spur 180 Jr.  
B. Bobby Gustin, Ralls 165 Sr.  
B. Jimmy Miller Abernathy 170 Sr.

## Miss Annette Lee Is Football Queen

Annette Lee, daughter of Mr. and Mrs. E. S. Lee and a senior in Spur High School, was crowned football queen during halftime ceremonies of the Spur-Floydada football game last Friday night.

Miss Lee was driven on to the field in a Chrysler automobile, winner in the favorite car contest. She was escorted by co-captains of the 1950 football team, Vernell McAlpin and Dick Gibson.

Other queen contestants and their escorts were Ginger Walker, representing the junior class, escorted by Paul Simmons; Gayle Reese, sophomore, escorted by Joe Bell, and Alice Jo Crockett, freshman, whose escort was Ralph Gibson.

During the coronation ceremony, the Spur High School band formed a large heart on the field, and played "Let Me Call You Sweetheart" before a near capacity crowd of football fans. Tribute was paid to Band Director Melvin King and members of the band for their outstanding performances during the past football season.

## SPUR SHUTS OUT FLOYDADA 26-0; MEETS LOBOS IN BI-DISTRICT THURS.

The mighty Spur Bulldogs racked up their fourth shutout in as many games last Friday night in Jones Stadium to successfully defend their District 3-A title for the 1950 season. Championship honors are shared with Paducah, but the Bulldogs go into the bi-district tilt with Levelland Thursday as a result of their 20-0 victory over the Dragons in season play.

The Spur boys scored in every quarter of their last game and managed to mark up 18 first downs to the losers 2. In yards gained rushing, Spur bettered Floydada 344 to 43. The Bulldogs completed six out of eight passes for 166 yards while Floydada completed one out of 10 for 12 yards. Each team had one pass intercepted.

Big Dick Gibson scored the Bulldogs' first touchdown from the whirlwind's 12 on an off-tackle play. Charles Grimland kicked the extra point.

In the second quarter, Grimland passed to end Vernell McAlpin on a play which netted 31 yards and a score. Grimland missed the try for extra point.

The "Play of the night" set up Spur's third TD in the third quarter. The Grimland-McAlpin combination connected from deep in Spur territory and McAlpin galloped on down field to make the play net 85 yards. Gibson scored from the five on the next play. Again Grimland's kick was wide.

In the final stanza, the Grimland - McAlpin game clicked again from Floydada's 11 for a touchdown. Grimland's extra point ran the score to 26-0.

Spur threatened again in the last quarter with second string end B-team boys in the back field. Jackie Cloude, Franklin Gabriel, Curtis Blair, Billy Hoover and Ronald Comer combined their efforts for a march from their own 30 to the Floydada 3 only to lose possession on downs. The drive featured a 40-yard gallop by Comer on a lateral play.

The winning car was from Rickels Motor company. Other cars in the contest were Dodge, Jones Motor; Chevrolet, Spur Motor; Buick, Spur Auto; Mercury, McGee Car and Tractor; Oldsmobile, Edwards - Kelley; Pontiac and Cadillac, Reagan Motor; Henry J, Gregory Motor; and Plymouth, Rickels Motor. A Ford convertible, entered by Godfrey and Smart, was unable to be shown on the field because vandals maliciously tampered with its wiring.

The queen contest netted a total of \$186 for the school. Funds will be used for the band pep squad, football banquet to be held at a later date.

## Gins Report Cotton Crop Nearly Over

A cotton ginning report from the U. S. Department of Commerce, shows that 6,320 bales of cotton were ginned in Dickens county from the cotton crop of 1950, prior to Nov. 1. This figure is compared with 11,400 bales for the total crop of 1949, states the report.

A check with local gins shows that cotton crops in this area are three-fourths harvested, with only a few scattering fields to be pulled for the last time.

Tickets for the game went on sale in Spur Tuesday morning and will continue to be on sale until 6:00 p. m. Wednesday night. Tickets may be purchased at the High School, at East Ward School, and at Gibson Insurance office. After the close of school Wednesday, all tickets will be placed on sale at Gibson Insurance office.

Superintendent Cook urges fans to purchase tickets in advance to avoid delay and congestion at the game. No reserved seats are available and the better seats will go to those arriving at the stadium first. Prices of admission is \$1.50 for adults and 50 for students.

Radio station KSEL, Lubbock, will broadcast the game starting at 7:30. Spur's announcer Fred Kenney will announce half of the game over the public address system in the stadium. The official field clock and the official score board will be used for the game. Programs containing the pictures of all players of both teams will be on sale at the game for 25 cents.

## CITY MAIL DELIVERY TO BE RECOMMENDED BY INSPECTOR

Recommendation will be made to the Post Office Department by the City of Spur to receive city mail delivery, according to a letter received this week by Postmaster Guy Karr from Post Office Inspector V. E. Bell.

According to Bell, the city has satisfactorily met the requirements for the service and will probably be introduced in three to six months.

## Dry Lake Residents Plan Homecoming

Final plans for the Dry Lake Homecoming are being made this week before the all-day gathering which is scheduled for Sunday Nov. 26, at the Dry Lake school house.

Basket lunches will be served at the noon hour, and a short noon's activities. All former residents of the community have been extended a cordial invitation to attend.

## HOLIDAYS ANNOUNCED

Thanksgiving holidays for the Spur schools will begin on Thursday, Nov. 23, and continue to Monday, Nov. 27. Several local teachers are expected to attend the State Teachers convention which is being held in San Antonio Thursday and Friday.

## Dickens County Farm Bureau News: Farm Bureau Membership Drive Ups Enrollment 100%, Says Chairman

Approximately 100 new members have been added to the Farm Bureau enrollment since the recent activation of the membership drive by Bureau members, states S. L. Benefield, county chairman. Many old members are renewing well in advance of their expiration date, he reports.

"This is as gratifying as it is unusual," relates Benefield. The drive ends Nov. 27. Any person who desires to become a member or any old members can enroll until that date under the old membership rate.

An amendment to the Child Labor law as embodied in a resolution last week at the county meeting is already in the making. All West Texas Farm Bureau groups supported in recent meetings approximately the same resolution, and placed the resolution with the state congressman and the State Bureau office. The congressman is working closely this week with the Farm Bureau committees and will introduced a bill

when Congress convenes during the latter part of this month.

Reports coming from many parts of the nation show a dislike for the Child Labor law. It places an undue burden on the employer as well as the employe, believes Benefield. It is time for every farmer to be eager for the change, and aiding in getting a change in the law, he states. Farmers interested should contact their Farm Bureau office at once, he says.

We wish to pause here to thank our solicitors through the county for the part which they shared in our activities the last few weeks. Perhaps some do not realize how far reaching their work has been. It is through their efforts that definite policies have taken shape. Among those who have stamped an impression along their way are Ferrell Smith, H. U. Butts, Earl Robertson, C. W. Nichols, John Woolley, Charley Witt, Herman Bostic, G. L. DeLisle, Harold Hardy, D. P. Smiley and Jay Austin.

Karr states that he is now ready to interview applicants for the delivery jobs. He explains that two carriers will be hired on an auxiliary basis prior to the giving of Civil Service examinations. Karr states that he is interested in employing two carriers who will probably be able to pass the examination and will be interested in the jobs permanently. The carrier jobs will include approximately six hours work six days a week and will pay approximately \$47.00 per week.

## Inspector Bell States that the present Post Office location does not have ample floor space to set up the planned service, but will be included in the plans for the new post office building scheduled to be ready for occupancy December 1, 1950.

The survey conducted by Karr to determine the attitude of the citizens toward city mail delivery indicated that 20% of the businesses in Spur would use the delivery and that 80% of the homes would use it.

THE SPUR CHAMBER OF COMMERCE has invited Fred Wemple and the State Highway Commission to visit Spur for a three day quail hunt. Word has been received from Wemple that he will accept the invitation and plans are being made for the delegation to arrive during the first three days of the quail season. Several of the Chamber of Commerce members and the directors will entertain the Commission during their stay in Spur.

## Miss Maybelle Is 1933 Club Guest; Work Of Local Artists Is Exhibited

An exhibit of the paintings of local women was made at the regular meeting of the 1933 Study Club Tuesday afternoon. The meeting was held at the home of Mrs. C. P. Scudder.

Mrs. W. F. Patrick presided during the business session of the club. Articles for a Christmas package to be sent to a Greek orphanage were collected. Plans for the "Game Night" sponsored by the library committee of the City Federation of Women's Clubs were presented by Mr. C. F. Cook.

The guest speaker for the afternoon, Miss Maybelle Thornton, was introduced by the president. Her talk included her interpretation of what painting means to her, to others and to God.

Local artists whose paintings were shown in the exhibit were Mrs. Walter Gruben, Miss Ernestine Berry, Miss Bobbie Morrow, Mrs. M. C. Hurst, Mrs. Henry Gruben, Mrs. Conner mother of Bob Conner, and Miss Thornton.

Refreshments of pumpkin pie topped with whipped cream, mixed nuts, and coffee were served to Mrs. C. H. McCully, W. F. Patrick, C. F. Cook, Grady Lackey, Everett McArthur, Melvin Rathel, Walter Carlisle, Coy McMahan, and Miss Thornton.

## Harmony Club Is Guest At Crosbyton

The Spur Harmony Club was invited to Crosbyton as guests of the Crosbyton Harmony club on Monday evening. The guests met in the home of Dr. and Mrs. M. R. Snodgrass.

Mrs. Raymond Marshall, vocalist, accompanied by Mrs. Lloyd Croslin, sang several selections. Mrs. Croslin, an accomplished pianist, was very gracious to play several piano selections for the guests. She served as soloist for the Lubbock Symphony orchestra last year and has recently given a concert in the West Texas Museum at Texas Technological college.

Attending from Spur were Mrs. W. T. Andrews, J. E. Berry, J. H. Bowman, Nell Davis, Sam Hawks, Paul Marion, A. C. Williams, Cuba White, Dean Duffie, A. G. Dunwoody, J. W. Carlisle, and Misses Margaret Elliott, Julia Hickman and Julie Hickman.

## Five Attend Meet Of Eastern Star

Five officers of the local Eastern Star chapter attended a district meeting of the organization held in Paducah on Monday of this week.

Special instructions were given in the afternoon meeting to Mrs. Josephine Crockett, Georgia Mae McAteer, Foster Aston and C. B. Chandler, of Spur, and Mrs. Jo Cyfert and Syble Brantley of McAdoo.

## Culpepper Group Meets At Church

"Is there a doctor in the house?" was the topic of discussion when the Culpepper circle met in the First Baptist church educational building on Monday night.

Prayer and hymns opened the short business meeting, followed by a program directed by Mrs. Billie Glenn. Assisting her were Mrs. Ernestine English, Marge Smith, Melville Powell, Cooper, Bostic and C. P. Scudder.

Refreshments of hot chocolate, tuna on ritz crackers, nuts and cookies were served by Ann Smith and Judy Jane Johnson to Mrs. Melvin Rathel, Malcolm Edwards, Tang Smith, C. P. Scudder, Lester English, Bostic, Billie Powell, Billie Glenn, Darwin Callahan, and co-hostesses, Mrs. Tom Cooper and Mrs. Thurmon Morrow.

Next meeting of the group will be at 7 p. m., Dec. 27, in the educational building, immediately preceding the Sunday School Training course.

## Mrs. R. E. Dickens Named Honoree

Mrs. R. E. Dickson was named honoree at a luncheon recently given by the women of the Experiment Station in the home of Mrs. Paul T. Marion.

Red roses decorated the luncheon table and places were laid for Mrs. Dickson, W. M. Hilley, Helen Williams, Weldon Grimes, Dale Young, Alvis Bilberry, Lester English and Miss Nina Grace.

A gift was presented to the honoree at the close of the luncheon.

## Mrs. Hord Hosts Judson Circle

Mrs. A. D. Hord was hostess to members of the Judson circle of the First Baptist WMU in her home on the Dickens Highway, Monday afternoon.

Group singing opened the program, with Mrs. Elmer Hagins directing the program activities. Assisting her were W. T. Buckingham and Mrs. C. P. Scudder.

Refreshments were served to Mrs. W. T. Buckingham, W. G. Hinson, George Gabriel, N. C. Moffett, Elmer Hagins, C. P. Scudder, C. Melvin Rathel, Logan Singleton, and the hostess, Mrs. Hord.

## Shower Compliments Jimmy Koons In C. A. Fagan Home

Mr. and Mrs. Jimmy Koon, who were married recently were complimented with a miscellaneous shower given in the home of Mrs. C. A. Fagan, 318 East Harris, on Monday evening.

Hostesses for the evening were Mrs. S. C. Reynolds, R. C. Jones, Howard Morrow, Loyd Roberts, R. E. Bailey, Miss Leona Smith and Miss Carrie Childers.

Potted begonias and ivy in clay containers were used in decorations, and a lace cloth covered the serving table.

Guests signed their names on a unique guest register made of a rolling pin. A bridal bouquet of balloons was presented the couple, and a note in each balloon burst by the bride told places where gifts were hidden!

A refreshment plate of cake, hot chocolate and coffee was served.

Approximately 75 persons called during the evening and sent gifts.

## Willing Workers Are Feted With Party

Members of the Willing Workers Sunday School class, seven-year-olds, were honorees at a Thanksgiving party given by the Happy Hearts class, eight-year-olds, Monday afternoon in the education building of the First Baptist Church.

Games following a Thanksgiving theme, were played by the group. Peanut dolls were made by the girls for their own plate favors.

Refreshments of hot chocolate and jelly doughnuts were served to Iris Jean Moudy, Brenda Reagan, Elaine Singleton, Linda Hinson, Rhoda Sue Turner, Marilyn Hagin, Mary Jones, Susan Shugart, Pattie Jo Patrick, Pamela Allen, Donna Hinson, and teachers, Miss Bobbie Morrow and Mrs. Grady Lackey.

## STABBING NEURITIS PAIN EASED FAST!

Use new SURIN Ointment and see what ultra-fast relief it gives from local superficial pains of arthritis, rheumatism, neuritis, bursitis, sciatica, lumbago, as well as fatigue and muscular aches and pains of simple colds. SURIN is brand new—sensational! It is based upon a new application of a principle. SURIN contains a powerful modern research drug that dilates surface blood vessels when applied where local pain is present. SURIN works 2 ways (1) by increasing local blood supply (2) gets faster action by SURIN's selected analgesic and relaxing agents. When you apply SURIN you feel an easing warmth. Then follows joyful relief lasting 1 to 3 or more hours. SURIN treats the pain at the point of pain. It gives absolute, temporary relief fast. SURIN is safe, dependable. No internal dosing—use it locally. SURIN is new! Unlike old-fashioned ointments and liniments! Has a new creamy-white, smooth ointment base. Easily applied and washed off. Does not stain washable fabrics. Money back at your druggist if not satisfied.

\*SURIN is not intended as a cure or treatment of chronic diseases. It is to be used only for temporary relief of local superficial pains.

FAST PAIN RELIEF—GET SURIN!

Spur, Texas

## Mrs. Leon Huff Is Hostess To Circle

Mrs. Leon Huff was hostess to members of the Eloise Cauthen Circle of the First Baptist WMU at her home, 821 W. Harris, Monday afternoon.

Mrs. W. F. Patrick introduced the program on the topic of "Saved to Serve." Mrs. Jessie Morrison made a talk on "After Baptism, What Then?" A story of medical missions was told by Mrs. Bud Harris. Mrs. Leon Huff and E. E. Caudle sang a duet "It Pays to Serve Jesus." A short talk on "A Thankful Heart" given by Mrs. Grady Lackey, concluded the program.

During the business session, a community mission project for the Christmas season was decided upon by the group. Mrs. Morrison presided for the business period.

Chocolate cake and coffee were served to Mrs. Jimmy Hudson, E. E. Caudle, W. B. Steele, Grady Lackey, Jessie Morrison, W. F. Patrick, Bud Harris, and the hostess, Mrs. Leon Huff.

A good carving set is a must for those who will carve the Thanksgiving or Christmas turkey. The carving knife should be sharp.

## Sleeping Comfort FOR SALE!

Let us show you what Modern Automatic Sleeping Comfort can mean to you!

The best aid to health and beauty is a good night's sleep. You will fall asleep faster and sleep sounder in a bed that is warm all over and stays that way all night. With a G-E Automatic Blanket, you can select the personal warmth you like best. Just set the dial on the bed-side control - this "just-right" warmth is automatically maintained regardless of temperature changes all night long.

Automatic Electric Blankets

COME IN AND SEE FOR YOURSELF...

The new G-E blanket circuit gives you even, satisfactory, soothing warmth—all night long. How the new G-E blanket is lighter than ever—blows it away—how it takes the place of three ordinary blankets. How the remarkable bed-side control keeps your bed at a perfect temperature for restful sleeping comfort. How 1,000,000 G-E Blankets are already making Americans "sleep-happy."

G-E Automatic Blankets launder easily and come in four lovely colors: rose, blue, green, and cedar. They're available in sizes to fit any type bed.

**Fight On Varmints Termed Successful**

Estimated to cause damage from loss to livestock and poultry to the extent of more than \$1,000,000 annually, predatory animals in Texas present a great problem to rural residents, but a recent official report reveals that 30,395 of the predators were killed during the fiscal year 1949-50 by approved hunters.

During the year, control work was carried on in 106 counties by an average of 130 hunters, and in addition, some ranchers employed their own hunters, while game associations and county governments in some instances paid bounties for predators. Of the 30,495 taken during the year 27,176 were coyotes, the report showed, and an important part of the catch included 1,105 coyote pups taken from dens, mostly in the Lubbock area. A total of 2,829 bobcats set a new

record for that bracket of the fight, and since very few of the cats were caught incidentally in coyote traps, the large number was attributed primarily to special efforts against bobcats. Expanded action of wild country brought a total kill during the year of 356 red wolves, an increase of 50 percent over the previous year. There were no specific full-time projects directed toward mountain lion control, but the report shows 18 of those animals captured.

The Jones County (Anson) Trappers Association, which cooperates with the program, reported that during the year a total of 219 coyotes and 11 bobcats were killed in that district. Charles Myatt of Anson is secretary of the association that includes 125 members, and L. W. Whitley of Leuders is the official trapper. Depredations by animals and heavy losses to stockmen, were many and varied in other sections. Darwin Ivy of Marfa reported that from June 10 to June 22, a

female coyote killed a total of 12 sheep on the Frank Newman Ranch in Presidio County. Hunter Ranch in northern Uvalde County Ranch in northern Uvalde County, where he said one coyote killed about 70 lambs and kids on the Briscoe and Joe Roberts ranches. He took the varmint in a few days. The service is financed on a cooperative basis, part by federal funds, and part by a local cooperator, which can be an individual, a group of individuals or a

county or counties. Hunters are employed on a monthly salary basis. C. R. Landon, Bax 1941 San Antonio, has general supervision of hunters in the program.

**State Health Board Names Vox Head**

The Texas State Board of Health has elected Dr. George W. Cox of Austin to his eighth consecutive two-year term as state health officer. The vote of the nine member board was unanimous in favor of keeping Dr. Cox in the post he has held since 1936, the longest tenure in the 70-odd year history of the State Department of Health. Dr. O. B. Kiel of Wichita Falls,

chairman of the board, called Dr. Cox, "outstanding among the health officers in the nation. The job he has done in his capacity is remarkable," Dr. Kiel said. "I say Texas is fortunate to have such a man as Dr. Cox heading its public health activities."

Dr. Cox has aligned himself with the public health movement in Texas throughout his professional career. He is a former member of the State Board of Health. His medical degree was conferred at Tulane University. Some of the highlights of his tenure as the leader of State public health activities are: A reduction of typhoid fever death rates of 97 per cent; a 96 percent cut in malaria mortality; 43 per cent reduction in syphilis death tolls. The common diseases of child-

hood — scarlet fever, whooping cough, diphtheria and measles — have been so sharply curtailed that last year the combined death rate from these four causes was less than one-third that of diphtheria alone 15 years ago. Influenza and pneumonia deaths have also fallen off sharply since 1937. "A 500 per cent increase in the number of local health units has occurred under the administration of the veteran health chief who strongly advocates decentralization of the states health facilities "so people can get to them."

**Geiger Counter Aid Search For New Oil—Gas Reserves**

Experiments are being conducted in the use of Geiger and other radiation counters in the search for new oil pools. Instruments which measure the penetration of various rock formations by radioactive materials will help scientists determine the composition of the formation. Radiation measurements also may make it possible for oil searchers to determine whether a porous formation contains oil or water, either fresh or salt. Exploration and measurement with radiation counters may indicate the efficiency of other methods now used to locate oil reservoirs.

**Oil Research Works Every Hour**  
 Every hour of the day, every day of the year, the oil industry invests about \$11,400 in research to develop new and better products, and more efficient processes. The annual total is about \$100,000,000.

MASONIC LODGE No. 1023 Regular Meeting SPUR November 23, 1950

A. M. Le Croix Attorney At Law Spur, Texas

**"WHAT D'YA MEAN... MORE PAYLOAD?"**

**DODGE "Job-Rated" trucks GIVE IT TO YOU!**

**IT'S A MATTER OF better weight distribution**

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

**NOT THIS** The payload on most trucks — like the girl in this boat — rides too far to the rear. Result: there's too much weight aft, not enough forward.

**BUT THIS** In "Job-Rated" trucks, the load is moved forward — as the girl is now positioned. Results: proper weight distribution — bigger payloads — easier handling.

**NEW! gyro FLUID DRIVE!** Available on 1/2-, 3/4- and 1-ton models ... for longer truck life, lower upkeep costs. Ask us for interesting Fluid Drive booklet.

**SAFE DRIVING CAN BE TAUGHT**—And Texas has proved it. Gov. Allan Shivers receives from R. B. Cousins, Jr., center, of Austin, a plaque awarded Texas for "meritorious accomplishment in teaching safe driving to 40,000 high school students during the 1949-50 school year." Casualty Insurance Commissioner J. P. Gibbs looks on at right. The award was the second in as many years to be given Texas by the Association of Casualty and Surety Companies. Texas began teaching safe driving four years ago and now offers the course in 432 of the state's 1,150 high schools.

## Legion Posts Slate Democracy Week

On Thursday, December 7, the 777 American Legion Posts in Texas join in "Operation Democracy," the second state-wide campaign sponsored by The American Legion to combat complacency and neglect of civic responsibilities. Secretary of State John Ben Shepperd of Gladewater, state chairman of the American Legion's Americanism committee, will again lead 100,000 Texas Legionnaires in a series of programs designed to keep the fires of freedom burning forever by having an alert and aggressive citizenry. Originator of last year's successful "Democracy Beats Communism Day," Shepperd estimates that three million Texans in more than 600 communities will once again link hands with The American Legion in "Operation Democracy."

izing Democracy's strength through religion, education, civic duty and citizenship will be launched by a state-wide "Go To Church" program on the eve of "Operation Democracy Day." Texas pastors, priests and rabbis will be invited by local American Legion Posts to participate in "Operation Religion."

"Faith in God and faith in our Democracy walk hand in hand in keeping America strong," Shepperd says. The plan stressing Democracy was first tried out in the Spring of 1949 in a week-long program by Gladewater and gained national recognition. Texas Legionnaires decided last year to make it an annual event and Legionnaires all over the nation have adopted the idea of selling Democracy as their own one-day program.

## Marine Personnel May Now Reenlist With Former Rank

Major Edward Bale, Jr., officer in charge of the Dallas Marine

Recruiting office, announced today that his office has received instructions which permit the reenlistment in the U. S. Marine Corps Reserve, in grades up to and including the rank of Sergeant, for assignment to immediate active duty, in the cases of ex-Marines.

"A man who served in the U. S. Marine Corps and was discharged as a Sergeant, may now apply to any Marine Corps recruiting office for reenlistment in the U. S. Marine Corps reserve, and reappointment to the rank of Sergeant for assignment to immediate active duty," the Major explained, "men accepted for enlistment under the provisions of these instructions from the Lubbock area, will be assigned to camp Joseph H. Pendleton, California, for duty, except in the cases of men with job specialties in Marine aviation, who will be assigned to the Marine Corps Air Station, El Toro, California, for duty. Men reentering the Marine Corps to take advantage of this opportunity will be required to reenlist for an 'indefinite period.' This program will be restricted to male personnel," Major Bale added. Local Marine recruiter is located in room 200, Post Office building, Lubbock. He will be in Spur on

the second and fourth Thursdays of each month.

Ten of the farmers who entered the Wood County Veterans Vocational School corn growing program made yields of more than 100 bushels per acre. The high yield was made by Clarence Bridges, Quitman, 131-56 bushels per acre.

The new rat poison, Warfarin, appears to be one of the most effective poisons yet developed

for controlling rats and mice. It is poisonous to all warm-blooded animals, but the amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally.

Research studies show that good eating habits tend to go downhill as school children grow older. With the onset of the teen years and continuing through high school, food habits decline still further.

## LST Becomes Drilling Barge

A wartime LST has been converted by a Gulf coast drilling company into the world's largest diesel-electric drilling barge. The barge, 212 feet long, and 40 feet wide, mounts a 136-foot portable derrick that can be lowered to a horizontal position in the event of a hurricane. The barge is used in bayou and swamp country and is moved to location by tub boats.

## Pipe Line Run By Remote Control

An oil company has developed a system whereby a 45-inch pipe line running from Illinois to Ohio is operated from a master control point 850 miles away in New York City. Progress of shipments through the line is followed by dispatchers on a control board 17 feet long. Valves and pumps at the four automatic stations are controlled electronically from New York.

The development of effective hard water softeners and soaps and synthetic detergents have contributed to making the wash day job easier.

## Plaid Blend

The perfect winter fabric for the sub-teen is this handsome plaid in a rayon-and-wool blend. The warm wrinkle-resistant fabric, made with Avisco rayon yarns, will wear and wear—yet the dress is priced to fit a crowded family budget. Teen agers will love the pert white collar and smart chair-embellished belt.

# Here Friday! THE '51 FORD STEPS AHEAD... FOR THE YEARS AHEAD!

WITH 43 NEW "LOOK AHEAD" FEATURES

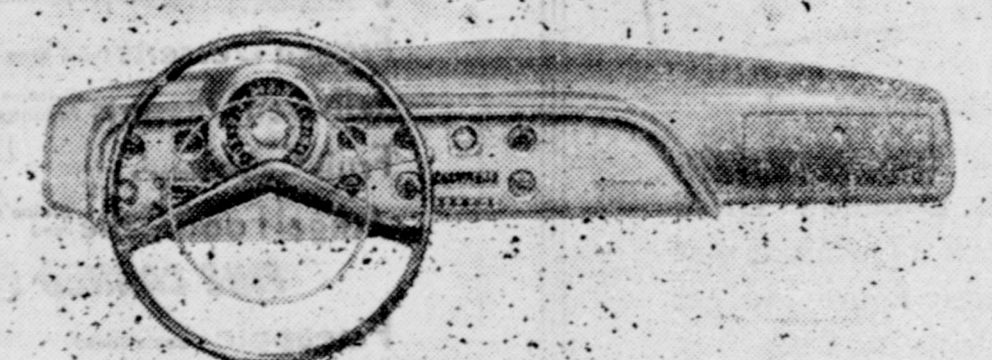

See it Friday at your Ford Dealer's—the '51 Ford! It's the newest Ford! It's the finest Ford! And it gives you 43 new "Look Ahead" features—engineered and built into the car not just for this year and next, but for the years ahead!

"Test Drive" the '51 Ford! You'll like the quiet "jet-away" performance of either the 100-h.p. Ford V-8 or the 95-h.p. Six... the ease of sure Centramatic Steering... and the extra safety of new, Double-Seal King-Size Brakes. And the '51 Ford offers three advanced transmissions—the Conventional Drive, the Overdrive,\* and Fordomatic Drive,\* the newest, finest and most economical of all automatic transmissions.

\*Optional at extra cost.

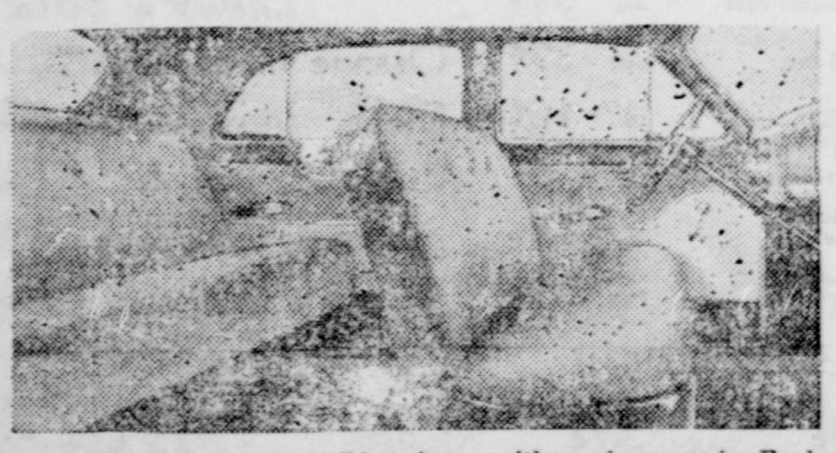

**NEW AUTOMATIC RIDE CONTROL**  
... a new and unique springing system which automatically adjusts spring reaction to road conditions. Advanced "Hydra-Coil" Front Springs and new Variable-Rate Rear Spring Suspension team with new "Viscous Control" Shock Absorbers to give you an easy ride—a level ride. Stroboscopic illustration above indicates how car stays level when going it rougher.

Here are a few of the 43 new "Look Ahead" features in the '51 FORD

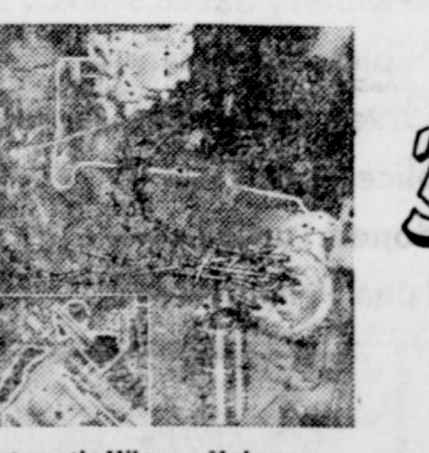

New "Safety Glow" Control Panel... The new design places all controls literally at the driver's fingertips. New "Chamelled" Instrument Cluster is easily visible at night without being distracting. New "Glow-Cup" Controls are individually illuminated... a Ford exclusive!

New "Luxury Lounge" Interior... with new long-wearing Fordcraft upholstery fabrics, new harmonizing appointments, smart new colors, new "Colorblend" Carpeting—the '51 Ford's new "Luxury Lounge" Interiors are "decorator designed" for the years ahead. Interior colors and new Fordcraft Fabrics are "Color-Keyed" to outside body colors!

New Automatic Posture Control... moves front seat forward automatically at release of lever, raises it for shorter drivers. Push seat back, it lowers automatically for taller drivers.

Automatic Mileage Maker... saves gas automatically. New Water-Proof Ignition System, including snug synthetic rubber spark plug boots, prevents engine being shorted out by moisture.

Come in and see it Friday

**Table Color Has Special Value**

"Color on the table is one of the best ways to keep a family happy at meal time," according to Mrs. Dorothy Jones, of Dorothy's. "It helps them forget their troubles."

"It's a positive aid to digestion," says the experts. Right now, during these days of doubt and uncertainty it has become more important than ever."

Housewives who wish to set a gay and inspiring table for their families will find an unusual opportunity to do so at extremely advantageous prices in the special Franciscan Ware Starter-ette sale which is now being held at Dorothy's.

This famous, nationally known dinnerware has become popular because of its colorful patterns and hand-painted underglazes which have never been known to craze. It is seldom available at special sale and will return to standard prices after this week.

"The Starter-ette," explained Dorothy, "is an entirely new Franciscan dinnerware combination of eight pieces a service for two, which consists of two dinner plates, two bread and butter plates, two cups and two saucers."

**HOBBS CHILD STRICKEN**

Relatives in Spur have been notified that the four-year-old daughter of Mr. and Mrs. Loyd Rindhart is in the Plainview Polio center, a victim of polio. The child was carried by plane to the hospital from Hobbs, New Mexico, on Nov. 9. She is reported to be suffering from paralysis in her left leg. Mr. and Mrs. D. L. Pace and Mr. and Mrs. J. H. Rinehart of Spur are grandparents of the child.

A new screwworm smear, known as EQ 335, has many advantages over the old reliable Smear 62 formula which has been used for the past ten years. Formula EQ 335 lasts longer than Smear 62, treated wounds heal more quickly, and the lamp black and other coloring chemicals that stain wool, clothing, or hair are not found in this new remedy.

Forest rangers estimate that 280,000 vacationers can be accommodated at one time in 4,500 camping and picnic areas in our national forests.

**me to buy trucks something besides hearsay!**

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

That's our specialty as a GMC truck dealer—we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

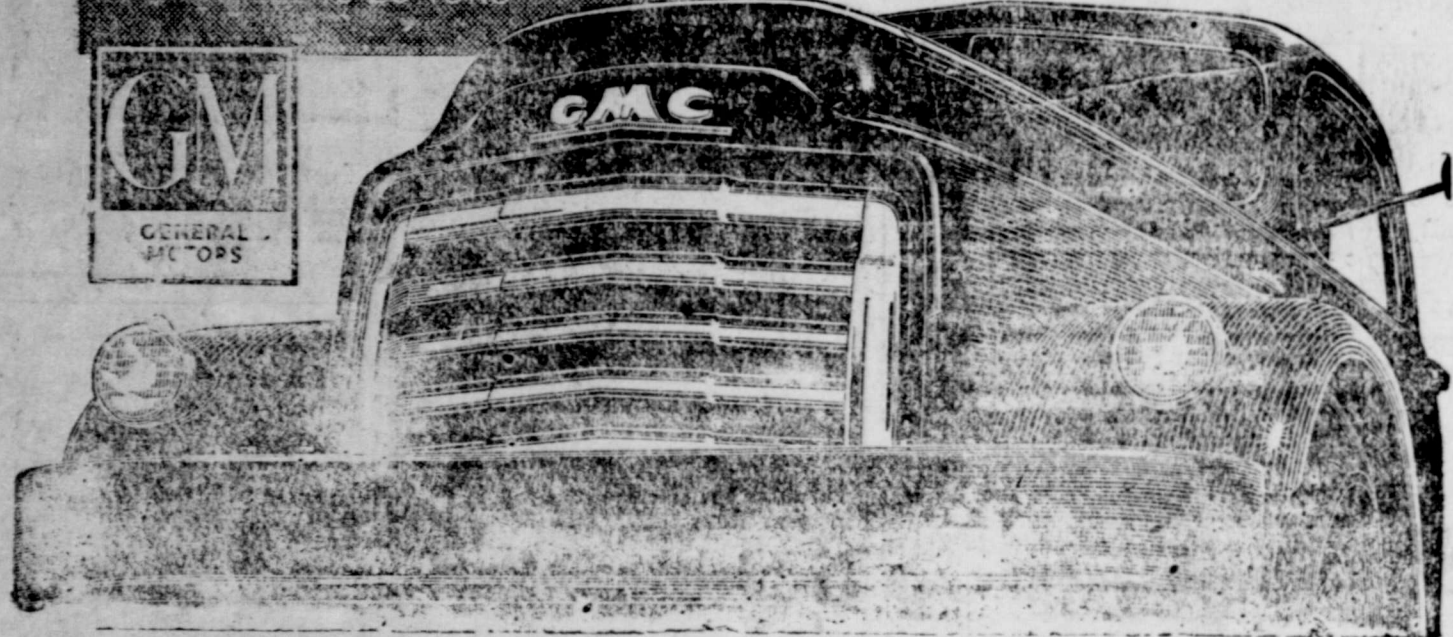

Come in and see us—whether you want a 1/2-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck—designed for longer mileage with less maintenance expense—and it will be a real truck, engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

**NEW faster service anywhere in U. S.**

**Music Students To Present Playlet**

Patton Spring school will have a United Nations assembly program at 2:30 this afternoon, Nov. 22.

The program will be in the form of a musical playlet directed by Mrs. J. E. Berry, and played by music students and rhythm band members.

Billie Maurice Goodwin will play the part of Uncle Sam; Ronnie Stokes, bugler; United Nations delegates: Hungary: Mary Ruth Allison, Holland; Barbara Turbeville, Hawaii; DeLynn Simms, China; Virginia Ford, India; Annetta Haile, Norway; Nancy Hale, Russia; Laura Beth Turbeville, Germany; Tiny Bateman, Poland; Marthy Sue Goodwin, American girl. Jerry Hext, Scotland.

A United Nations flag made by the Patton Springs home demonstration club under the direction of Mrs. Harriette Hatcher, county home demonstration agent, will be used.

Mrs. Berry will be assisted by home demonstration club members and teachers of the grade school.

**ENJOY YOURSELF — it's saner than you think**

**ONLY BUICK HAS Dynaflow — AND WITH IT GOES:**

HIGHER-COMPRESSION Fireball valve-in-head power in 4-cylinder engines. (New 15263 engine in SUPER models) • NEW PATTERN STYLING, with MULTI-GUARD fenders • NEW-THROUGH fenders, with MULTI-GUARD fenders, tapered VISIBILITY, "double bubble" taillights • WIDE-ANGLE • TRAFFIC-HANDY size, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from shock-absorbing, Safety-Ride rims, low-pressure tires, ride-boosting torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

It would be easy to let the breath-taking power, the luxurious ride and the gleaming good looks of a Buick sweep you off your feet.

And once you've sampled the sweet response of Dynaflow Drive—you feel a big lack in anything else.

But let's be practical about all this.

What does it cost to buy—and to own—this star performer?

The first answer is a look at delivered prices—and most people still are surprised to find

that a car which offers so much actually costs so little.

That's true, whether you put the SPECIAL, the SUPER or the superb ROADMASTER against other cars of comparable dimensions. They certainly shine on a first-cost basis.

But this is only half the story, as you'll soon find out on any used-car lot.

Year in, year out, the resale prices of Buicks stay much closer to first cost than the prices of

cars with lesser merit.

And among recent models, Buicks with Dynaflow Drive command such a premium that you can almost figure you get this dream drive for free.

So why not let yourself go? Why not walk right into your Buick dealer's now and say, put me down for one of those!

There's no time like the present for showing your good judgment.

WHATEVER YOUR PRICE RANGE

# THE TEXAS SPUR

SERVING A RICH FARM CROP, STOCK AND POULTRY RAISING TERRITORY OF WEST TEXAS.

The Dickens Item and Dickens County Times Absorbed by Purchase

SPUR, DICKENS COUNTY, TEXAS

THURSDAY, NOVEMBER 23, 1950

NUMBER 5

## Chamber of Commerce Doing: PLACID STAKES WELL NEAR SPUR; STANDARD CREW DUE HERE SOON

The Placid Oil Company has announced the location of the new drilling rig 1/2 mile south east of Spur. This new well will be located on the South West 40 of North West 140 of survey 226, Block 1, Dickens County by the Placid Oil Company. It is expected that the new rig will be installed and ready for drilling within the very near future.

Howard Lacey, a representative of the Standard Oil Company of Ohio, informed the Chamber office this week, that his Company will send a crew into Spur within the very near future. As soon as confirmation is received regarding the number of people that will be moving into Spur, the Chamber of Commerce will request that additional housing facilities be phoned in to the Chamber office.

### New Business Establishments For Spur

Spur may have two new business establishments under construction in 1951. Ward has received in the Chamber of Commerce office of the possible construction of a new and modern restaurant, similar to Mack Epler's Restaurant in Abilene. Should future plans develop, the restaurant will be located close to the main part of the city, with accommodations for dining rooms, club meetings, and civic gatherings. It has also been rumored of the possible construction of two other eating establishments which will be operated by local citizens in Spur and will be available for various civic gatherings.

Spur may also receive a new Drive-In Theatre within the next year. A representative from Midland visited the Chamber of Commerce last week inquiring of the possibility of constructing a new modern Drive-In theatre, between Spur and Dickens. Charter bus for football team: The Chamber of Commerce, in cooperation with the Chamber of Commerce, has chartered a 50 passenger bus for the Bi-district game this Thursday. The bus, will be one of T. M. & O, Inc. new all-metal coaches and will depart from Spur at 2:00 P. M. and will transport the football team to Lubbock and return after the game to Spur.

### Service to the Business Establishments of Spur

The Spur Chamber of Commerce has a listing of every Business Establishment in the State of Texas. As a service to the merchants and the citizens of Spur, the Chamber of Commerce will be glad to furnish you with the name, address, telephone number and requested information concerning various business establishments within the state of Texas. Although the library is not complete, the Chamber of Commerce expects to have a directory of Business Establishments from each City by February 1, 1951.

### Dial Telephone System For The City of Spur

The Civic Committee of the Chamber of Commerce has begun investigations concerning the possibility of having dial telephones within the City of Spur. Several letters have been written to the Lubbock and Dallas office, asking for information concerning this type of service. Many local merchants and citizens have requested the Chamber of Commerce to investigate the possibility of securing the Dial system for Spur.

### Congratulations to Post C. of C.

The Post Chamber of Commerce and authorities of the U. S. Department of Health informed the Spur Chamber of Commerce this week of the construction of a new \$321,000 hospital, which is to be constructed within the very near future. Post Texas received a federal grant of \$160,500 from the Department of Health and will match \$160,500 for the hospital. The hospital will be known as the Garza hospital and the money is being made available through the federal hospital program which is administered by the U. S. Public Health Service. The hospital is to be located in Post, Texas and will serve the surrounding communities. It is understood from reliable sources, that Garza County applied for a federal grant several months after the Dickens County delegation. Further word has been received, that Post is planning to build a Farm-to-Market road from Post to the Calgary community, which will give the people of Calgary an all weather road into Post. Highway Commission to Visit Spur:

THE SPUR CHAMBER OF COMMERCE has invited Fred Wemple and the State Highway Commission to visit Spur for a three day tour. Word has been received from Wemple that he will accept the invitation and plans are being made for the delegation to arrive during the first three days of the week. Several of the Chamber of Commerce members and the directors will entertain the Commission during their stay in Spur.

## Ben Holly Dies, Burial At Dickens

Funeral services for Ben Duncan Holly, 64, resident of Dickens county since 1899, were conducted at 11 a. m. Monday, November 20, 1950, in the Dickens Church of Christ. Bro. John Faubus officiated.

Holly died suddenly Friday evening in a local hospital where he was brought after suffering a heart attack. He was born June 1, 1886, in Eastland county, the son of Mr. and Mrs. Richard Holly, Dickens, Texas. Holly of California; three sisters, Mrs. Lena Marshall and Mrs. G. C. Overstreet, Dickens, and Mrs. Gertrude Krachmar of California. Four grandchildren also survive.

Survivors include the wife, Mrs. Lula Holly, a daughter, Mrs. Verna Ballio, both of Spur, and a son, Odus Holly, of Lubbock.

Also surviving are three brothers, Watt and Hallett Holly, Dickens, Texas; and three sisters, Mrs. Lena Marshall and Mrs. G. C. Overstreet, Dickens, and Mrs. Gertrude Krachmar of California. Four grandchildren also survive.

Pall bearers were Lee Marshall, Stiles Hurst, John Blakeley Preston Booth, Bud Scott and Joe Long.

Interment was in Dickens cemetery, with Chandler Funeral home directing arrangements.

## Ned Hogan Speaks At P-T.A. Meeting

"We must train our children to have the highest ideals so they will be strong enough to be leaders of this, the strongest nation in the world," stressed Ned Hogan, city mayor, in his address before the Parent-Teachers association meeting last Thursday afternoon.

"I feel that I am speaking to a group of teachers, because parents are teachers of our children as well as the public school teachers," he stated. Hogan expressed the belief that our children must be taught that they cannot always realize their ideals in one generation. He cited examples showing that Americans today are "reaping some seeds sown by the Pilgrim fathers." Our children should be taught to be worthy of their heritage, he concluded, before the assembly of parents and teachers.

Dean Duffie served as program leader, and introduced the guest speaker. Following the address, the East Ward band under the direction of Melvin King, Spur school band director, played several selections. Members of the band were introduced to the guests by King who recited the number of years each child had been a member.

Guests were conducted on a tour of the classrooms where they viewed work of the students which was on display. Members of the Brownie troop who were in charge of the nursery for small children are to be commended for the excellent care which they showed during the afternoon, states an officer of the P-T.A.

### LOCAL MINISTERS HOLD MEETING TUESDAY MORNING

The ministers of Spur churches met Tuesday morning at the First Baptist Church for the first of regular meetings to further the spiritual interests and welfare of the city of Spur.

The ministers will meet on the second Tuesday of each month alternating the chairmanship and meeting places among the different churches.

The December meeting will be held at the Spur Church of Christ with Willis Jernigan acting as chairman.

### OKLAHOMANS VISIT

Mr. and Mrs. P. A. Watson of Marlow, Okla., spent Sunday and Monday in Spur, leaving Tuesday morning for New Mexico and Colorado. They were guests of her father, C. L. Love while here.

# Bulldogs Tie For District Title

## SANTA AND REINDEER READY FOR PARADE DEC. 9

Sleigh bells with tinkle, reindeer with big antlers will prance and paw their ankles popping in rhythm with the bells, when Santa Clause comes Spur, December 9, 1950 A. M. for the big parade sponsored by the Spur Chamber of Commerce.

The parade will be led by the Spur High School Band, starting at the intersection of Hill Street and Burlington Avenue and will continue straight down Burlington Avenue. Many who never saw a reindeer in their lives will be on hand. The four reindeer will come wearing real leather harness with bright trimmings, and the children can tell which is Dancer, which is Blitzer, and Donder and Prancer, for each will have his name spelled out in his harness. Santa's sleigh will be a bright red and silver with green trim and the words "Merry Christmas" spelled out in the decorations.

Santa will visit the Children of this area for about two hours, parking in front of the Spur Security Bank building. The Spur High School band under the direction of Melvin King will furnish the music during his visit. Everyone is invited to attend the parade and bring the children to see Santa Clause and his Arctic Reindeer.

## McALPIN, JAMES, WATSON, GRIMLAND CHOSEN ON ALL-DISTRICT ELEVEN

Four Spur Bulldogs were named on the All-District 3-A football team for 1950. It was announced Monday night.

Vernell McAlpin, end, Joe James, guard, Dean Watson, tackle, and Charles Grimland, back were among the top eleven in the district balloting.

Others making the first team are H. A. Lee, end, 185 pound senior from Paducah, Johnny Yates, tackle, 170 pound senior from Ralls, Jack Hallanger, guard, 185 pound senior from Tulla, Barry Thompson, center, 180 pound junior from Lockney, Pat Green, back, 185 pound junior from Paducah, Bobby Gustin, back, 165 pound senior from Ralls, and Jimmy Miller, back, 170 pound senior from Abernathy.

McAlpin will receive his third letter as a Bulldog this year, with two years of regular play. The senior has acted as co-captain this year and is Spur's leading pass receiver. He has served as a key man on the Bulldog defense playing guard and linebacker.

James, also after his third letter, is one of the best blockers in these parts in many a day. His work as defensive tackle indicates that he has been a valuable hole-plunger and a constant threat to offensive backs trying to slip through. Joe is probably the most consistent player on the Bulldog roster this season. He is often referred to as the "work horse" of the 1950 club.

Watson, who played regular at the fullback slot last year, has showed his prowess in line play this year. He has served faithfully at tackle and center offensively and tackle and line backer defensively. Serving where needed most, Dean has often failed to receive credit for the lead he has been called on to carry. He, also, will receive his third letter this year.

Quarterback Grimland is probably the leading passer and punter in the district. Charles has passed 111 times, completing 56 of them for approximately 1000 yards. Not including the Floydada game, he had punted 29 times for an average of 35 yards—an average many a college player would be proud of. He is a good ball handler and is among the top on the roster when it comes to speed. He has done a good job of calling signals for the champions and has received valuable experience which will definitely show up in the 1951 season. Defensively, Grimland holds down a halfback spot and plays safely on fourth downs.

The first and second all-district teams are as follows:

FIRST TEAM	
Pos.	Player
Wt.	Cl.
E-H.	A. Lee Paducah 185 Sr.
E.	Vernell McAlpin, Spur 180 Sr.
T.	Johnny Yates, Ralls 170 Sr.
T.	Dean Watson, Spur 180 Sr.
G.	Jack Ballanger, Tulla 165 Sr.
G.	Joe James, Spur 200 Sr.
C.	Barry Thompson, Lock 180 Jr.
B.	Pat Green, Paducah 185 Jr.
B.	Charles Grimland, Spur 180 Sr.
B.	Bobby Gustin, Ralls 165 Sr.
B.	Jimmy Miller, Abernathy 170 Sr.

## SPUR SHUTS OUT FLOYDADA 26-0; MEETS LOBOS IN BI-DISTRICT THURS.

The mighty Spur Bulldogs racked up their fourth shutout in as many games last Friday night in Jones Stadium to successfully defend their District 3-A title for the 1950 season. Championship honors are shared with Paducah, but the Bulldogs go into the bi-district tilt with Levelland Thursday as a result of their 26-0 victory over the Dragons in season play.

The Spur boys scored in every quarter of their last game and managed to mark up 18 first downs to the losers 2. In yards gained rushing, Spur bettered Floydada 344 to 43. The Bulldogs completed six out of eight passes for 166 yards while Floydada completed one out of 10 for 12 yards. Each team had one pass intercepted.

Big Dick Gibson scored the Bulldogs' first touchdown from the Whirlwind's 12 on an off-tackle play. Charles Grimland kicked the extra point.

In the second quarter, Grimland passed to end Vernell McAlpin on a play which netted 31 yards and a score. Grimland missed the try for extra point.

The "Play of the night" set up Spur's third TD in the third quarter. The Grimland-McAlpin combination connected from deep in Spur territory and McAlpin galloped on down field to make the play net 85 yards. Gibson scored from the five on the next play. Again Grimland's kick was wide.

In the final stanza, the Grimland-McAlpin duo clicked again from Floydada's 11 for a touchdown. Grimland's extra point ran the score to 26-0.

Spur threatened again in the last quarter with second string and B-team boys in the back field. Jackie Claude, Franklin Gabriel, Curtis Blair, Billy Hoover and Ronald Comer combined their efforts for a march from their own 30 to the Floydada 3 only to lose possession on downs. The drive featured a 40-yard gallop by Comer on a lateral play.

The winning car was from Rickels Motor company. Other cars in the contest were Dodge, Ford, Chevrolet, Buick, Spurr, Mercury, Oldsmobile, Edwards - Keller, Pontiac and Cadillac, Reagan, Ford, Plymouth, Rickels Motor, A Ford convertible, entered by Godfrey and Smart, was unable to be shown on the field because vandals maliciously tampered with its wiring.

The queen contest netted a total of \$166 for the school. Funds will be used for the band-pep squad, football banquet to be held at a later date.

The Spur Bulldogs, District 3-A Co-Champions, will meet the Levelland Lobos, District 4-A Co-Champions, in Jones Stadium in Lubbock, Thursday night, November 23, 1950, in bi-district play.

School officials of Spur and Levelland met Sunday at the Hilton Hotel in Lubbock and voted to hold the bi-district game in Lubbock. Present at the meeting were Superintendent C. F. Cook, Coach Sam Hawks, Principal Joe Grimland, all of Spur, and Superintendent O. W. Marcom, Coach Truett Rattan, and Principal Jack Clapp, all of Levelland.

Tickets for the game went on sale in Spur Tuesday morning and will continue to be on sale until 6:00 p. m. Wednesday night. Tickets may be purchased at the High School, at East Ward School, and at Gibson Insurance office. After the close of school Wednesday, all tickets will be placed on sale at Gibson Insurance office.

Superintendent Cook urges fans to purchase tickets in advance to avoid delay and congestion at the game. No reserved seats are available and the better seats will go to those arriving at the stadium first. Prices of admission is \$1.50 for adults and 50 for students.

Radio station KSEL, Lubbock, will broadcast the game starting at 7:30. Spur's announcer Fred Kenney will announce half of the game over the public address system in the stadium. The official field clock and the official scoreboard will be used for the game. Programs containing the pictures of all players of both teams will be on sale at the game for 25 each.

Spur's band and pep squad will participate, along with drill teams from Levelland, in the half-time entertainment.

Officials for the game will be Floyd Reed, L. J. Lued, Cotton Neeley and Swede Pitman.

## Gins Report Cotton Crop Nearly Over

A cotton ginning report from the U. S. Department of Commerce, shows that 6,329 bales of cotton were ginned in Dickens county from the cotton crop of 1950, prior to Nov. 1. This figure is compared with 11,400 bales for the total crop of 1949, states the report.

A check with local gins shows that cotton crops in this area are three-fourths harvested, with only a few scattering fields to be pulled for the last time.

## GAME TOURNAMENT TO BENEFIT COUNTY LIBRARY

A game tournament will be conducted in the Spur Inn dining room on Dec. 5, for the purpose of raising funds to aid the Dickens County Library fund. The public is cordially invited to attend in groups or individually, and may choose the games desired. Arrangements are being made for dominoes, forty-two and canasta to be played during the evening.

## CITY MAIL DELIVERY TO BE RECOMMENDED BY INSPECTOR

Recommendation will be made to the Post Office Department for the City of Spur to receive city mail delivery, according to a letter received this week by Postmaster Guy Karr from Post Office Inspector V. E. Bell.

According to Bell, the city has satisfactorily met the requirements for the service and will probably be introduced in three to six months.

## Dry Lake Residents Plan Homecoming

Final plans for the Dry Lake Homecoming are being made this week before the all-day gathering which is scheduled for Sunday Nov. 26, at the Dry Lake school house.

Basket lunches will be served at the noon hour, and a short noon's activities. All former residents of the community have been extended a cordial invitation to attend.

## HOLIDAYS ANNOUNCED

Thanksgiving holidays for the Spur schools will begin on Thursday, Nov. 23, and continue to Monday, Nov. 27. Several local teachers are expected to attend the State Teachers convention which is being held in San Antonio Thursday and Friday.

Soybeans do not deplete soil nitrogen when they are properly inoculated and when harvested with a combine so that the seed is removed.

# Thanksgiving

Welcome, guest; come share our festive board. Whatever we have aplenty we offer you with bountiful hands. Whatever is lacking we can do without, compensating for its absence with our own good cheer, generous spirit and gratitude for whatever blessings we do enjoy. As the Pilgrim Fathers found it in their hearts to observe the first Thanksgiving on bleak New England shores we who have so much more can certainly say Grace in all sincerity, inspired by the history of our founding fathers' faith.

This country is rich in traditions which are so basically sound, they will outline all the changes which may take place in another three centuries of progress and existence. Motor cars may give way to flying vehicles. Our baths may be plastic rather than porcelain; all our foods processed, compressed or fed to us like pills; the tempo of our dance music and of our very lives speeded-up and slowed down in alternating generations. Still the great humane urges to tolerance, personal freedom and individual security characteristic of those who gave us the tradition of Thanksgiving will never be forsaken.

The Texas Spur Employees

## Dickens County Farm Bureau News: Farm Bureau Membership Drive Ups Enrollment 100%, Says Chairman

Approximately 100 new members have been added to the Farm Bureau enrollment since the recent activation of the membership drive by Bureau members, states S. L. Benefield, county chairman. Many old members are renewing their memberships in Spur under the drive, he reports.

"This is as gratifying as it is unusual," relates Benefield. The drive ends Nov. 27. Any person who desires to become a member or any old members can enroll until that date under the old membership rate.

An amendment to the Child Labor law as embodied in a resolution last week at the county meeting is already in the making. All West Texas Farm Bureau groups supported in recent meetings approximately the same resolution, and passed the resolution with the state congressman and the State Bureau office. The congressman is working closely this week with the Farm Bureau committees and will introduce a bill when Congress convenes during the latter part of this month.

Reports coming from many parts of the nation show a dislike for the Child Labor law. It places an undue burden on the employer as well as the employe, believes Benefield. It is time for every farmer to be eager for the change, and aiding in getting a change in the law, he states. Farmers interested should contact their Farm Bureau office at once, he says.

We wish to pause here to thank our solicitors through the county for the part which they shared in our activities the last few weeks. Perhaps some do not realize how far-reaching their work has been. It is through their efforts that definite policies have taken shape. Among those who have stamped an impression along their way are Ferrell Smith, H. U. Butts, Earl Robertson, C. W. Nichols, John Woolley, Charles Witt, Herman Beatie, G. L. DeLisle, Harold Hardy, D. P. Smalley and Jay Austin.

## Miss Maybelle Is 1933 Club Guest; Work Of Local Artists Is Exhibited

An exhibit of the paintings of local women was made at the regular meeting of the 1933 Study Club Tuesday afternoon. The meeting was held at the home of Mrs. C. P. Scudder.

Mrs. W. F. Patrick presided during the business session of the club. Articles for a Christmas package to be sent to a Greek orphanage were collected. Plans for the "Game Night" sponsored by the library committee of the City Federation of Women's Clubs were presented by Mr. C. F. Cook.

The guest speaker for the afternoon, Miss Maybelle Thornton, was introduced by the president. Her talk included her interpretation of what painting means to her, to others and to God.

Local artists whose paintings were shown in the exhibit were Mrs. Walter Gruhen, Miss Ernestine Berry, Miss Bobbie Morrow, Mrs. M. C. Hurst, Mrs. Henry Gruben, Mrs. Conner mother of Bob Conner, and Miss Thornton. Refreshments of pumpkin pie topped with whipped cream, mixed nuts, and coffee were served to Mrs. C. H. McCully, W. F. Patrick, C. F. Cook, Grady Lackey, Everett McArthur, Melvin Rathel, Walter Carlisle, Coy McMahan, and Miss Thornton.

## Harmony Club Is Guest At Crosbyton

The Spur Harmony Club was invited to Crosbyton as guests of the Crosbyton Harmony club on Monday evening. The guests met in the home of Dr. and Mrs. M. R. Snodgrass.

Mrs. Raymond Marshall, vocalist, accompanied by Mrs. Lloyd Croslin, sang several selections. Mrs. Croslin, an accomplished pianist, was very gracious to play several piano selections for the guests. She served as soloist for the Lubbock Symphony orchestra last year and has recently given a concert in the West Texas Museum at Texas Technological college.

Attending from Spur were Mrs. W. T. Andrews, J. E. Berry, J. H. Bowman, Neil Davis, Sam Hawks, Paul Marion, A. C. Williams, Cuba White, Dean Duffie, A. G. Dunwoody, J. W. Carlisle, and Misses Margaret Elliott, Julia Hickman and Julie Hickman.

## Five Attend Meet Of Eastern Star

Five officers of the local Eastern Star chapter attended a district meeting of the organization held in Paducah on Monday of this week.

Special instructions were given in the afternoon meeting to Mrs. Josephine Crockett, Georgia Mae McAteer, Foster Aston and C. B. Chandler, of Spur, and Mrs. J. Cyfert and Syble Brantley of McAdoo.

## Culpepper Group Meets At Church

"Is there a doctor in the house?" was the topic of discussion when the Culpepper circle met in the First Baptist church educational building on Monday night.

Prayer and hymns opened the short business meeting, followed by a program directed by Mrs. Billie Glenn. Assisting her were Mrs. Ernestine English, Marge Smith, Mellicie Powell, Cooper, Bostic and C. P. Scudder.

Refreshments of hot chocolate, tuna on ritz crackers, nuts and cookies were served by Ann Smith and Judy Jane Johnson to Mrs. Melvin Rathel, Malcolm Edwards, Tange Smith, C. P. Scudder, Lester English, Bostic, Billie Powell, Billie Glenn, Darwin Callahan, and co-hostesses, Mrs. Tom Cooper and Mrs. Thurmon Morrow.

Next meeting of the group will be at 7 p. m., Dec. 27, in the educational building, immediately preceding the Sunday School Training course.

## Mrs. R. E. Dickens Named Honoree

Mrs. R. E. Dickens was named honoree at a luncheon recently given by the women of the Experimental Station in the home of Mrs. Paul T. Marion.

Red roses decorated the luncheon table and places were laid for Mrs. Dickinson, W. M. Hilley, Helen Williams, Weldon Grimes, Dale Young, Alvis Billberry, Lester English and Miss Nina Grace. A gift was presented to the honoree at the close of the luncheon.

## Mrs. Hord Hosts Judson Circle

Mrs. A. D. Hord was hostess to members of the Judson circle of the First Baptist W. M. U. in her home on the Dickens Highway, Monday afternoon.

Group singing opened the program, with Mrs. Elmer Hagins directing the program activities. Assisting her were W. T. Buckingham and Mrs. C. P. Scudder. Refreshments were served to Mrs. W. T. Buckingham, W. G. Hinson, George Gabriel, N. C. Moffett, Elmer Hagins, C. P. Scudder, C. Melvin Rathel, Logan Singleton, and the hostess, Mrs. Hord.

## Shower Compliments Jimmy Koons In C. A. Fagan Home

Mrs. and Jimmy Koon, who were married recently, were complimented with a miscellaneous shower given in the home of Mrs. C. A. Fagan, 318 East Harris, on Monday evening.

Hostesses for the evening were Mrs. S. C. Reynolds, R. C. Jones, Howard Morrow, Loyd Roberts, R. E. Bailey, Miss Leona Smith and Miss Carrie Childress.

Potted begonias and ivy in clay containers were used in decorations, and a lace cloth covered the serving table. Guests signed their names on a unique guest register made of a rolling pin. A bridal bouquet of balloons was presented to the couple, and a note in each balloon burst by the bride told places where gifts were hidden.

A refreshment plate of cake, hot chocolate and coffee was served. Approximately 75 persons called during the evening and sent gifts.

## Willing Workers Are Feted With Party

Members of the Willing Workers Sunday School class, seven-year-olds, were honored at a Thanksgiving party given by the Happy Hearts class, eight-year girls, Monday afternoon in the educational building of the First Baptist Church.

Games following a Thanksgiving theme, were played by the group. Peanut dolls were made by the girls for their own plate favors. Refreshments of hot chocolate and jelly doughnuts were served to Iris Jean Moudy, Brenda Reagan, Elaine Singleton, Linda Hinson, Rhoda Sue Turner, Marilyn Hagin, Mary Jones, Susan Shugart, Patie Jo Patrick, Pamela Allen, Donna Hinson, and teachers, Miss Bobbie Morrow and Mrs. Grady Lackey.

**STABBING NEURITIS PAIN EASED FAST!**

Use SURIN Ointment and see what relief it gives from head-ache, neuralgia, sciatic, rheumatism, neuritis, hysteria, sciatica, lumbago, as well as fatigue and tension. It relieves pain of arthritic origin. SURIN is best used - occasionally - in a moist form in the treatment of a sprain. SURIN is a modern medicine, powerful and effective. SURIN relieves blood vessels when applied with hand pain to prevent SURIN marks. SURIN gives relief from head-ache, sciatic, rheumatism, neuritis, sciatica, lumbago, as well as fatigue and tension. SURIN is safe, dependable. No internal dosage. SURIN is used locally. SURIN is new! Unlike ordinary ointments and liniments! Has a rose-essence-fragrance. SURIN is made of purest ingredients. SURIN is not intended as a cure or treatment of these diseases. It is to be used only for the temporary relief of neuralgic pain.

Spur, Texas

## Mrs. Leon Huff Is Hostess To Circle

Mrs. Leon Huff was hostess to members of the Eloise Cauthen Circle of the First Baptist W. M. S. at her home, 821 W. Harris, Monday afternoon.

Mrs. W. F. Patrick introduced the program on the topic of "Saved to Serve." Mrs. Jessie Morrison made a talk on "After Baptism, What Then?" A story of medical missions was told by Mrs. Bud Harris. Mrs. Leon Huff and E. E. Caudle sang a duet "It Pays to Serve Jesus." A short talk on "A Thankful Heart" given by Mrs. Grady Lackey, concluded the program.

During the business session, a community mission project for the Christmas season was decided upon by the group. Mrs. Morrison presided for the business period. Chocolate cake and coffee were served to Mrs. Jimmy Hudson, E. E. Caudle, W. B. Steele, Grady Lackey, Jessie Morrison, W. F. Patrick, Bud Harris, and the hostess, Mrs. Leon Huff.

## Junior G. A. Has Election of Officers

Members of the Junior Girls Auxiliary of the First Baptist church met recently to reorganize. New officers elected to head the group are Charlene Simpson, president; Collette Collett, vice-president; Johnny Lou Scudder, secretary and treasurer; Melba Love, reporter.

The Junior G. A. Represents the youngest girls' training group in the Baptist church. Six committees have been appointed to make plans for enlarging the organization.

## Sleeping Comfort FOR SALE!

Let us show you what Modern Automatic Sleeping Comfort can mean to you!

The best aid to health and beauty is a good night's sleep. You will fall asleep faster and sleep sounder in a bed that is warm all over and stays that way all night. With a G-E Automatic Blanket, you can select the personal warmth you like best. Just set the dial on the bed-side control - this "just-right" warmth is automatically maintained regardless of temperature changes all night long.

Automatic Electric Blankets

COME IN AND SEE FOR YOURSELF...

- The new G-E blanket control that gives you even, fast, and lasting warmth all night long.
- How the remarkable bed-side control keeps your bed at a perfect temperature for real sleeping comfort.
- How the new G-E blanket is lighter than ever - warmer than ever - how it takes the place of those ordinary blankets.
- How 1,000,000 G-E blankets are already making America "sleep-happy."

G-E Automatic Blankets launder easily and come in four lovely colors - rose, blue, green, and white. They're available in sizes to fit any type bed.

Ask Your Gas Station Man!

# OLDSMOBILE'S "ROCKET" ENGINE RUNS WITH SMOOTHNESS, POWER AND ECONOMY ON GASOLINE AVAILABLE EVERYWHERE TODAY!

Here's a question we'd like you to ask, next time you drive in for gas: "What do you think of Oldsmobile's 'Rocket' Engine?" Chances are, the attendant will tell you that the "Rocket" tops its field in smoothness, quietness, and quick-acting power. He'll probably explain that the "Rocket's" high-compression design gives it that thrilling response. We're sure he'll tell you that the "Rocket" uses gasoline available everywhere today—and makes every gallon go a long way! Your gas station man knows his engines, and he knows motor car values, too. That's why we think he'll tell you: "Yes, sir, mister—Oldsmobile's a smart deal!"

### Fight On Varmints Termed Successful

Estimated to cause damage from loss to livestock and poultry to the extent of more than \$1,000,000 annually, predatory animals in Texas present a great problem to rural residents, but a recent official report reveals that 30,395 of the predators were killed during the fiscal year 1949-50 by approved hunters.

During the year, control work was carried on in 106 counties by an average of 130 hunters, and in addition, some ranchers employed their own hunters, while game associations and county governments in some instances paid bounties for predators. Of the 30,395 taken during the year 27,176 were coyotes, the report showed, and an important part of the catch included 1,103 coyote pups taken from dens, mostly in the Lubbock area. A total of 2,829 bobcats set a new

record for that bracket of the fight, and since very few of the cats were caught incidentally in coyote traps, the large number was attributed primarily to special efforts against bobcats. Expanded action of wild country brought a total kill during the year of 356 red wolves, an increase of 50 percent over the previous year. There were no specific full-time projects directed toward mountain lion control, but the report shows 18 of those animals captured.

The Jones County (Anson) Trappers Association, which cooperates with the program, reported that during the year a total of 218 coyotes and 11 bobcats were killed in that district. Charles Myatt of Anson is secretary of the association that includes 125 members, and L. W. Whitley of Leuders is the official trapper. Depredations by animals and heavy losses to stockmen, were many and varied in other sections. Darwin Ivy of Marfa reported that from June 10 to June 22, a

female coyote killed a total of 12 sheep on the Frank Newman Ranch in Presidio County. Hunter Ranch in northern Uvalde County and in northern Uvalde County, where he said one coyote killed about 70 lambs and kids on the Briscoe and Joe Roberts ranches. He took the varmint in a few days. The service is financed on a cooperative basis, part by federal funds, and part by a local cooperator, which can be an individual, a group of individuals or a

county or counties. Hunters are employed on a monthly salary basis. C. R. Landon, Box 1941 San Antonio, has general supervision of hunters in the program.

### State Health Board Names Vox Head

The Texas State Board of Health has elected Dr. George W. Cox of Austin to his eighth consecutive two-year term as state health officer. The vote of the nine member board was unanimous in favor of keeping Dr. Cox in the post he has held since 1936, the longest tenure in the 70-odd year history of the State Department of Health. Dr. O. B. Kiel of Wichita Falls,

chairman of the board, called Dr. Cox, "outstanding among the health officers in the nation. The job he has done in his capacity is remarkable," Dr. Kiel said. "I say Texas is fortunate to have such a man as Dr. Cox heading its public health activities." Dr. Cox has aligned himself with the public health movement in Texas throughout his professional career. He is a former member of the State Board of Health. His medical degree was conferred at Tulane University. Some of the highlights of his tenure as the leader of State public health activities are: A reduction of typhoid fever death rates of 97 per cent; a 96 per cent cut in malaria mortality; 43 per cent reduction in syphilis death tolls. The common diseases of child-

hood — scarlet fever, whooping cough, diphtheria and measles—have been so sharply curtailed that last year the combined death rate from these four causes was less than one-third that of diphtheria alone 15 years ago. Influenza and pneumonia deaths have also fallen off sharply since 1937. A 500 per cent increase in the number of local health units has occurred under the administration of the veteran health chief who strongly advocates decentralization of the states health facilities "so people can get to them."

### Gieger Counter Aid Search For New Oil-Gas Reserves

Experiments are being conducted in the use of Gieger and other radiation counters in the search for new oil pools. Instruments which measure the penetration of various rock formations by radioactive materials will help scientists determine the completion of the formation. Radiation measurements also may make it possible for oil searchers to determine whether a porous formation contains oil or water, either fresh or salt. Exploration and measurement with radiation counters may indicate the efficiency of other methods now used to locate oil reservoirs.

Oil Research Works Every Hour Every hour of the day, every day of the year, the oil industry invests about \$11,400 in research to develop new and better products, and more efficient processes. The annual total is about \$100,000,000.

**"WHAT D'YA MEAN... MORE PAYLOAD?"**

## DODGE "Job-Rated" trucks GIVE IT TO YOU!

**IT'S A MATTER OF better weight distribution**

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

**NOT THIS** The payload on most trucks—like the girl in this boat—rides too far to the rear. Result: there's too much weight aft, not enough forward.

**BUT THIS** In "Job-Rated" trucks, the load is moved forward—as the girl is now positioned. Result: proper weight distribution—bigger payloads—easier handling.

**Job Rated**  
for low cost transportation

POWER... 8 great truck engines—each "Job-Rated" for PLUS power.  
ECONOMY... priced with the lowest "Job-Rated" for dependability and long life.  
BIGGER PAYLOADS... carry more without overloading axles or springs because of "Job-Rated" weight distribution.  
EASIER HANDLING... sharp or turning. Parks in tight places. "Job-Rated" maneuverability!  
COMFORT... wide seats windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.  
SAFETY... Best truck brakes in the industry... hand brake operating independently on propeller shaft on all models—1/2 ton and up.

**NEW! 6 CYL FLYING DRIVE!** Available on 1/2, 3/4, and 1-ton models... for longer truck life, lower upkeep costs. Ask us for interesting Flying Drive booklet.

**With all their extra value DODGE "Job-Rated" TRUCKS are priced with the lowest**

SAFE DRIVING CAN BE TAUGHT—And Texas has proved it. Gov. Allan Shivers receives from E. B. Cousins, Jr., center, of Austin, a plaque awarded Texas for "meritorious accomplishment in teaching safe driving to 40,000 high school students during the 1949-50 school year." Casualty Insurance Commissioner J. P. Gibbs looks on at right. The award was the second in as many years to be given Texas by the Association of Casualty and Surety Companies. Texas began teaching safe driving four years ago and now offers the course in 432 of the state's 1,459 high schools.

## Legion Posts Slate Democracy Week

On Thursday, December 7, the 777 American Legion Posts in Texas join in "Operation Democracy," the second state-wide campaign sponsored by the American Legion to combat complacency and neglect of civic responsibilities.

Secretary of State John Ben Shepperd of Gladewater, state chairman of the American Legion's Americanism committee, will again lead 100,000 Texas Legionnaires in a series of programs designed to keep the fires of freedom burning forever by having an alert and aggressive citizenry. Originator of last year's successful "Democracy Beats Communism Day," Shepperd estimates that three million Texans in more than 600 communities will once again link hands with The American Legion in "Operation Democracy."

Bill Elkins, state commander of The American Legion, and Legionnaire Governor Allan Shivers will make state-wide radio addresses on December 7. The four-fold program emphasizing Democracy's strength through religion, education, civic duty and citizenship will be launched by a state-wide "Go To Church" program on the eve of "Operation Democracy Day." Texas pastors, priests and rabbis will be invited by local American Legion Posts to participate in "Operation Religion."

"Faith in God and faith in our Democracy walk hand in hand in keeping America strong," Shepperd says.

The plan stressing Democracy was first tried out in the Spring of 1949 in a week-long program by Gladewater and gained national recognition. Texas Legionnaires decided last year to make it an annual event and Legionnaires all over the nation have adopted the idea of selling Democracy as their own one-day program.

## Marine Personnel May Now Reenlist With Former Rank

Major Edward Bale, Jr., officer in charge of the Dallas Marine

Recruiting office, announced today that his office has received instructions which permit the reenlistment in the U. S. Marine Corps Reserve, in grades up to and including the rank of Sergeant for assignment to immediate active duty, in the cases of ex-Marines.

"A man who served in the U. S. Marine Corps and was discharged as a Sergeant, may now apply to any Marine Corps recruiting office for reenlistment in the U. S. Marine Corps reserve, and reassignment to the rank of Sergeant for assignment to immediate active duty," the Major explained, "men accepted for enlistment under the provisions of these instructions from the Lubbock area, will be assigned to camp Joseph H. Pendleton, California, for duty, except in the cases of men with job specialties in Marine aviation, who will be assigned to the Marine Corps Air Station, El Toro, California, for duty. Men reentering the Marine Corps to take advantage of this opportunity will be required to reenlist for an 'indefinite period.' This program will be restricted to male personnel," Major Bale added.

Local Marine recruiter is located in room 200, Post Office building, Lubbock. He will be in Spur on

the second and fourth Thursdays of each month.

Ten of the farmers who entered the Wood County Veterans Vocational School corn growing program made yields of more than 100 bushels per acre. The high yield was made by Clarence Bridges, Quitman, 131-56 bushels per acre.

The new rat poison, Warfarin, appears to be one of the most effective poisons yet developed

for controlling rats and mice. It is poisonous to all warm-blooded animals, but the amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally.

Research studies show that good eating habits tend to go downhill as school children grow older. With the onset of the teen years and continuing through high school, food habits decline still further.

## LST Becomes Drilling Barge

A wartime LST has been converted by a Gulf coast drilling company into the world's largest diesel-electric drilling barge. The barge, 212 feet long, and 40 feet wide, mounts a 136-foot portable derrick that can be lowered to a horizontal position in the event of a hurricane. The barge is used in bayou and swamp country and is moved to location by tub boats.

## Pipe Line Run By Remote Control

An oil company has begun use of a system whereby a 450-mile products pipe line running from Illinois to Ohio is operated from a master control point 850 miles away in New York City. Progress of shipments through the line is followed by dispatchers on a control board 17 feet long. Valves and pumps at the four automatic stations are controlled electronically from New York.

The development of effective hard water softeners and soaps and synthetic detergents have contributed to making the wash day job easier.

## Plaid Blend

The perfect winter fabric for the suburban is this handsome plaid in a rayon-and-wool blend. The warm, wrinkle-resistant fabric, made with Avico rayon yarns, will wear and wear—yet the dress is priced to fit a crowded family budget. Teen agers will love the port white collar and smart chain-ed belt.

RANCH OWNERS  
I want to buy a stock farm or small ranch. Send complete information to Richard Bird, 2404 2nd Place, Lubbock, Texas. Phone 3-6367. 50-7ip

## Printed With Petroleum

The black ink used in the printing of newspapers and magazines stems to a large extent from natural gas. Carbon black, a material produced by burning of the gas, provides the very black qualities necessary in ink.

# Here Friday! THE '51 FORD STEPS AHEAD ... FOR THE YEARS AHEAD!

WITH 43 NEW 'LOOK AHEAD' FEATURES

See it Friday at your Ford Dealer's—the '51 Ford! It's the most Ford! It's the finest Ford! And it gives you 43 new "Look Ahead" features—engineered and built into the car not just for this year and next, but for the years ahead!

"Test Drive" the '51 Ford! You'll like the quiet "jet-away" performance of either the 100-h.p. Ford V-8 or the 95-h.p. Six... the ease of sure Centramatic Steering... and the extra safety of new, Double-Seal King-Size Brakes. And the '51 Ford offers three advanced transmissions—the Conventional Drive, the Overdrive,\* and Fordomatic Drive,\* the newest, finest and most... of all automatic transmissions.

NEW AUTOMATIC RIDE CONTROL  
... a new and unique springing system which automatically adjusts spring reaction to road conditions. Advanced "Hydra-Coil" Front Springs and new Variable-Rate Rear Spring Suspension Team with new "Whisper Control" Shock Absorbers to give you an easy ride—a level ride. Schematic illustration above indicates how car stays level when coils are retracted.

Here are a few of the 43 new "Look Ahead" features in the '51 FORD  
New "Safety Glow" Control Panel... The new design places all controls literally at the driver's finger tips. New "Channellac" Instrument Cluster is easily visible at night without being distracting. New "Glow-Cap" Controls are individually illuminated... a Ford exclusive!

New "Luxury Lounge" interior... with new long-wearing Ford-craft upholstery fabrics, new harmonizing appointments, smart new colors, new "Colorbond" Carpeting—the '51 Ford's new "Luxury Lounge" interior is "decorator designed" for the years ahead. Interior colors and new Ford-trail Fabrics are "Color-Keyed" to outside body colors!

New Automatic Posture Control... moves front seat forward automatically at release of lever, raises it for shorter drivers. Push seat back, it lowers automatically for taller drivers.

Automatic Mixture Maker... saves gas automatically. New Water-cooled Ignition System, including snug synthetic rubber spark plug boots, prevents engine being shorted out by moisture.

Come in and see it Friday

### Highway News

Mr. and Mrs. Sam Byrd had as weekend guests Mr. and Mrs. Floyd Byrd and family of Post, and Mr. and Mrs. Richard Swan of Dickens.

Mr. and Mrs. Wilbur Sanley had as guests recently Mr. and Mrs. Pet Posey of Breckenridge; Posey is a cousin of Mr. Stanley Earl Thomason and children, Geraldine, Jerry and Linda, and his son-in-law and granddaughter, Buster Smith and Judy, went to San Saba deer hunting over the past weekend.

Mr. and Mrs. Alton Estep were weekend visitors in the home of Mr. and Mrs. Ike Simmons.

Mr. and Mrs. Donnie Pace went to Plainview over the weekend to visit their granddaughter, a patient in the Polio clinic. They report the little girl will be confined to the hospital indefinitely.

Larry Hahn visited his family, Mr. and Mrs. Jimmie Hahn the past weekend.

The Highway community has planned a Christmas tree and program for the evening of Dec. 22.

By Mrs. C. E. Morgan

### Table Color Has Special Value

"Color on the table is one of the best ways to keep a family happy at meal time," according to Mrs. Dorothy Jones, of Dorothy's. "It helps them forget their troubles."

"It's a positive aid to digestion, says the experts. Right now, during these days of doubt and uncertainty it has become more important than ever."

Housewives who wish to set a gay and inspiring table for their families will find an unusual opportunity to do so at extremely advantageous prices in the special Franciscan Ware Starter-ette sale which is now being held at Dorothy's.

This famous, nationally known dinnerware has become popular because of its colorful patterns and hand-painted underglazes which have never been known to craze. It is seldom available at special sale and will return to standard prices after this week.

"The Starter-ette," explained Dorothy's, "is an entirely new Franciscan dinnerware combination of eight pieces a service for two, which consists of two dinner plates, two bread and butter plates, two cups and two saucers."

A new screwworm smear, known as EQ 335, has many advantages over the old reliable S-meat 62 formula which has been used for the past ten years. Formula EQ 335 lasts longer than S-meat 62, treated wounds heal more quickly, and the later black and other coloring chemicals that stain wool, clothing, or hair are not found in this new remedy.

Forest rangers estimate that 280,000 vacationers can be accommodated at one time in 4,500 camping and picnic areas in our national forests.

Go to church Sunday

### HOBBS CHILD STRICKEN

Relatives in Spur have been notified that the four-year-old daughter of Mr. and Mrs. Lloyd Rinehart is in the Plainview Polio center, a victim of polio. The child was carried by plane to the hospital from Hobbs, New Mexico, on Nov. 9. She is reported to be suffering from paralysis in her left leg.

Mr. and Mrs. D. L. Pace and Mr. and Mrs. J. H. Rinehart of Spur are grandparents of the child.

## Time to buy trucks on something besides hearsay!

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

That's our specialty as a GMC truck dealer — we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

Come in and see us—whether you want a 1/2-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck—designed for longer mileage with less maintenance expense—and it will be a real truck, engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

### Music Students To Present Playlet

Patton Spring school will have a United Nations assembly program at 2:30 this afternoon, Nov. 22.

The program will be in the form of a musical playlet directed by Mrs. J. E. Berry, and played by music students and rhythm band members.

Billie Maurice Goodwin will play the part of Uncle Sam; Ronnie Stokes, bugler; United Nations delegates; Hungary; Mary Ruth Allison, Holland; Barbara Turberville, Hawaii; DeLynn Simms, China; Virginia Ford, India; Annetta Haile, Norway; Nancy Hale, Russia; Laura Beth Turberville, Germany; Tiny Bateman, Poland; Marthy Sue Goodwin, American girl; Jerry Hext, Scotland.

A United Nations flag made by the Patton Springs home demonstration club under the direction of Mrs. Harriette Hatcher, county home demonstration agent, will be used.

Mrs. Berry will be assisted by home demonstration club members and teachers of the grade school.

## ENJOY YOURSELF — it's saner than you think

**ONLY BUICK HAS Dynaflow — AND WITH IT GOES:**

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New V-265 engine in SUPER models.) • NEW, through fenders, "double bubble" headlights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from coil springs, Safety-Ride rims, low-pressure tires, ride-boosting torque-tube • WIDE ARRAY OF MODELS with body by Fisher.

**IT** would be easy to let the luxurious ride and the gleaming good looks of a Buick sweep you off your feet. And once you've sampled the sweet response of Dynaflow Drive—you feel a big lack in anything else. But let's be practical about all this. What does it cost to buy—and to own—this star performer? The first answer is a look at delivered prices—and most people still are surprised to find that a car which offers so much actually costs so little.

That's true, whether you put the SPECIAL, the SUPER or the superb ROADMASTER against other cars of comparable dimensions. They certainly shine on a first-cost basis. But this is only half the story, as you'll soon find out on any used-car lot.

Year in, year out, the resale prices of Buicks stay much closer to first cost than the prices of cars with lesser merit. And among recent models, Buicks with Dynaflow Drive command such a premium that you can almost figure you get this dream drive for free.

So why not let yourself go? Why not walk right into your Buick dealer's now and say, put me down for one of those!

There's no time like the present for showing your good judgment.

### YOU SAVE MORE when every item you buy is priced low . . .

You can't judge a book by its cover. Neither should you judge food savings by week-end specials alone. Thrifty shoppers know that the way to real savings is to shop at a store where every price is low—all the time. It's the total that counts. And . . . the total is less when every price is low. Compare the prices listed here! We believe you'll agree that you save more on your total food bill by shopping regularly at Safeway.
