

The Dickens Item and Dickens County Times Absorbed by Purchase

SPUR, DICKENS COUNTY, TEXAS

THURSDAY, MAY 17, 1951

NUMBER 30

Chamber of Commerce Doings: STORM WARNING INSTIGATED FOR PROTECTION OF CITIZENS OF SPUR

The chamber of commerce, in cooperation with the Spur Volunteer Fire Department, the Texas State Highway department, and City of Spur officials has set up a system of warning in case of a serious storm in the Spur area.

The storm warning system will be a part of a plan now being used very effectively in many West Texas towns and will endeavor to warn citizens of dangerous weather conditions prior to their arrival in Spur. It has been found that much storm damage to persons, property and livestock can be prevented in this manner.

In the event of storm conditions approaching this area, local law-enforcement officers will be contacted by the Highway patrol from Lubbock. When this word is received, the air whistle at the City Light plant will be blown in a series of short blasts. The sound of this whistle is familiar to residents, as it was used as the six o'clock whistle until recently.

Norton Barrett, fire chief, has offered the complete cooperation of his department in case of such an emergency and states that several Spur firemen have recently completed a thorough first aid study, some of whom will be on hand at the sound of the warning whistle.

In compliance with a request received this week from Leon Huff, former manager of the Spur Chamber of Commerce and now assistant manager of the Abilene chamber, the following announcement is made: There will be an Armed Forces Day Banquet at the Rose Field House in Abilene on Friday, May 18 at 7 p. m. with Gen. Walker Krueger as the speaker. Tickets are on sale for \$1.25 each in the Abilene C. of C. office.

Alton Taylor, price specialist from the Lubbock district OPS office, will be in Spur Friday, May 18, to advise businessmen in the food and restaurant businesses. Friday, May 25, Fidel R. Eggel will be on hand in the chamber of commerce office to advise on industrial materials and manufactured goods.

ANTELOPE SINGING
A singing will be held at 2 p. m., Sunday, in the Antelope church, according to announcement made today. The public is cordially invited to attend.

Special Prizes Announced For Spur Jubilee Winners

Special Saddles For Cowboy Champions

The Grand Champion Roper of the Spur Cowboy Jubilee to be held May 30 through June 2 in Spur will be presented a special hand made saddle by the Swenson, Emery and Neustadt ranches. It was announced this week by Jubilee officials.

Two other saddles will be given to the Champion Calf Roper and the Champion Double Mucker, the announcement included. Each of the three saddles will be placed on display in Spur businesses in the near future.

One of the West's fastest and most popular all-ammateur rodeos, the Spur Cowboy Jubilee is receiving a steady flow of entries with the opening date two weeks off. The events of the annual show include calf roping, bronc riding, bareback bronc riding, double mucking, steer riding, cutting horse contest, old-time roping and cowgirls' sponsor contest. Information concerning entry in the show can be had through the Spur Chamber of Commerce or through Eric Swenson, president of the non-profit organization.

Steer riding, bareback riding and bronc riding contest winners will this year be presented sterling silver and gold belt buckles by Slim Mettner, owner of the Spur Boot and Shoe Shop. These prizes and the prize saddles are given in addition to the generous prize money for the winners.

Parades will be held in downtown Spur on Wednesday and Saturday afternoons this year, and performances will be held nightly in Jones Stadium.

Jones Stadium is located in the Swenson park north of Spur and is widely known as the only natural arena in West Texas. "The show grounds are nestled against a natural hill, offering spectators a colorful outdoor atmosphere that makes one appreciate the spirit of our West Texas," states Swenson.

Combining fresh, spirited rodeo stock, the fastest and best cowboys in the West, the most talented and beautiful cowgirls in the world, an attractively substantial prize list, and the appropriate natural setting, the 1951 Spur Cowboy Jubilee is destined to maintain its rating as one of the best all-ammateur shows in the West.

Girard Schools Set Graduation Dates

W. T. Walton, dean of students and vice-president of Hardin-Simmons university, Abilene, will give the commencement address for Girard High school at 8 p. m., May 23, in the school auditorium.

Rev. Lee Hollis, pastor of Girard Baptist church, will give the invocation, and Rev. Vernon Hester, pastor of Antelope church, will give the benediction. Salutatorian of the class is Ted Gallagher, and the valedictory address will be given by Finis Butler.

M. H. Galbreath, school superintendent, will introduce the speaker, whose address will be followed by presentation of diplomas by W. H. Daniel. Special music will be presented by Winnie Smith and a girls' chorus.

Rev. C. Melvin Ratheal, pastor of Spur First Baptist church, will deliver the baccalaureate sermon at 8 p. m., Sunday, May 20, in the school auditorium.

The baccalaureate program includes group singing directed by R. E. Beaver, Rev. Hagar, invocation; Rev. Ratheal address; Rev. Hollis, benediction; and music by Miss Smith.

Commencement exercises for the Girard eighth grade class will be held at 8 p. m., May 24, in the school auditorium. Garth Gregory will give the valedictory address, and H. T. Stalaland, Jr. will give the salutatory address.

The public is extended a cordial invitation to attend each service.

Mr. and Mrs. Pat Fletcher and children visited here recently.

Rev Applewhite To Conduct Meeting

Rev. M. H. Applewhite, pastor of the First Presbyterian Church at Del Rio, Texas, will preach and direct the singing in a revival meeting in the Spur Presbyterian Church. The services will be held each day beginning Monday, May 21, and continuing through Sunday, May 27. The services start at 8:00 p. m. each day and on Sunday Rev. Applewhite will preach at the 11:00 a. m. service.

Rev. M. H. Applewhite served the local church for a number of years, coming to Spur in 1929. Since then he has served pastorate at Sweetwater, the Westminster Presbyterian church in San Antonio and served as director of the Presbyterian extension work in Corpus Christi for a number of years where he led in organizing three new churches. During his ministry he has held numerous evangelistic meetings over the state. The public is cordially invited to hear this minister.

Workouts To Start Today For American Legion Jr. Baseball

Local baseball players will join the rest of the nation this year in celebrating the Silver Anniversary of the American Legion Junior Baseball league, according to C. B. Chandler, co-manager of Spur's representative team.

Prospects will begin workouts for the Spur team this afternoon at 5 p. m. at the high school, states Chandler. The team will be managed by Chandler and Guy Karr and will be coached by John Waddell, new pastor of the Spur Christian Church.

In Spur's six years in the league, twice it has won second place and placed third last year among eight teams. The team is made up of boys 17 and under and the team is limited to 16 players.

Chandler and Karr urge all boys interested in playing American Legion Junior baseball to be present at today's practice.

L. A. Hindman Has Tractor Accident

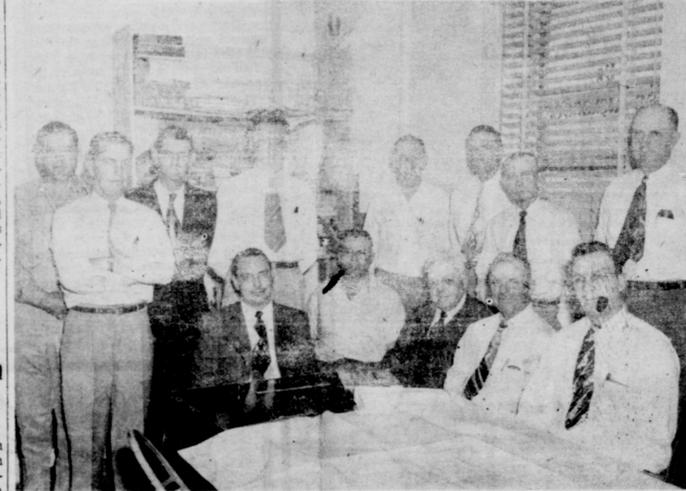

L. A. Hindman considers himself mighty lucky today following a tractor accident early Tuesday morning which easily could have cost him his life.

Hindman, who recently moved into Spur from his farm on the

Girard Highway, was enroute to the farm when the mishap occurred. He suffered bruises and was severely shaken up when his tractor evidently hit the side of a bridge and capsized. It was believed he had pulled close to the bridge to allow a car to pass.

He was moved to his home in Spur after a day in a local hospital, and is reported doing well.

OFFICIALS DISCUSS CAPROCK RURAL TELEPHONES

FINAL AGREEMENT MADE BETWEEN CRTC, SWAT—Pictured above are officials of the Caprock Rural Telephone Co-op. and the Southwestern Associated Telephone company immediately following their meeting last Thursday afternoon in which a final agreement was made concerning the areas to be served with rural telephone service by each.

Left to right, standing are: Jim Barron, CRTC director; James R. Wright, CRTC manager; G. D. Shelley, SWAT district manager from Lubbock; W. H. Thomson, SWAT general commercial engineer from Dallas; John Ragland, telephone engineer from Lubbock; J. B. Morrison, Jr., CRTC director; Robert McAteer, CRTC director; and Dallas Kenady, Jay representative. Seated left to right are Coy McDougald, REA field representative; Robert Simmons, president of CRTC board of directors; R. E. Peoples, telephone engineer from New York; C. V. O'Keefe, CRTC director; and Grady Elder, manager of the Spur Chamber of Commerce.

Fireboys, Hoover - McAteer Lead League; Proctor's Lags

Proctor's softball team has taken a tumble from the top rung to fourth place since last Thursday morning as they dropped two games in succession and the Fireboys and Hoover-McAteer maintained perfect records. The V. F. W. continued its bid as a major contender with a two-out-of-three win record.

Tonight will see Phillips "66" and the Baptist Brotherhood paired in the first game. The two winless teams meet at 8:00 p. m. in the battle for the cellar, and will be followed by the City Drug team against Hoover-McAteer. Trying to forget their initial 15-6 drubbing by the V. F. W. in their season opener, Jerry Ensey's boys will be keyed to upset the scrappy Hoover-McAteer bunch.

The game that has been anxiously anticipated from the opening of the season is scheduled to be played next Tuesday night. Re-naming last year's Proctor's-Farmall House rivalry, (the City Drug team is composed mainly of last year's Farmall team) Proctor's and City Drug will square off in the opening game. Record attendance is expected for this game in spite of the superior records of three other teams at this time. The hapless Baptist Brotherhood meets the high-flying V. F. W. in the night cap.

Last Thursday night, in the absence of their regular pitcher, Fred Kenney, a spirited Fireboys team turned in a major upset by defeating Proctor's 13-12 with Leonard Wilson on the mound.

Near-perfect fielding and hits that counted were major factors in the victory. In the nightcap, "Bigboy" Reynolds pitched the City Drug to a 10-1 five-inning victory over the Baptists.

Tuesday night a rejuvenated Phillips "66" team forced Hoover-McAteer into an extra inning only to lose to Buddy Hoover's boys by a 10-9 score. Jerry Price, relieving Don Hindman in the fourth inning, received credit for the win. The V. F. W. and Proctors slugged it out toe-to-toe in the late game with the V. F. W. coming out on top of a 12-11 score. D. R. Gilbert was the winning pitcher for the V. F. W.

STANDINGS

Team	w	l	pt.
Fireboys	3	0	1,000
Hoover-McAteer	2	0	1,000
V. F. W.	3	2	1,667
City Drug	2	1	1,500
Phillips "66"	3	0	3,000
Baptist Bro.	3	0	3,000

Mr. and Mrs. Weldon Higginbotham and Judy of Monahans spent the past week-end with Mr. and Mrs. T. C. Ensey.

"FASHION FOLLIES" WINNERS DISPLAY GARMENTS

Mrs. Evalene Holley, homemaking teacher in Spur High school, is shown at far right announcing winners of the 1951 Homemaking style show, "Fashion Follies," held Thursday night. Betty Sue Dyess, first, Bregetta Senn, second, and Duffy Austin, third place winner, are pictured at far left wearing their winning garments made in homemaking I. At right are Barbara Nalley, first, Ina Kay Putman, second, and Lota Hogan, third, winners in the home-making II division.

CRTC, SWAT Reach Agreement Thursday

Purchase of Glenn, Afton Lines Included In Plan; Engineers At Work

Following over four hours of detailed discussions of specific problems and differences, the Caprock Rural Telephone directors and officials of the Southwestern Associated Telephone company emerged from their meeting last Thursday, May 10, with final agreements on areas to be served by the two organizations.

The discussions included the towns of Dickens, Roaring Springs, Paducah, Aspermont, and Post. The rural area surrounding each town was considered separately and definite areas were designated as potential service area for each of the telephone concerns.

Plans were discussed by the telephone officials for the CRTC to purchase existing lines and serve exclusively the Afton and Glenn areas. The SWAT authorities agreed to sell the lines at a price representing their actual investment and assured the co-op officials that a satisfactory price can be reached. Similar purchases are pending with other telephone co-ops, according to the SWAT men.

Although the Bell officials in Spur last week could not speak finally for their company, Cecil Cale informed the CRTC that the plan would be submitted and its verification will be sent to Spur at an early date.

A switching agreement whereby the local rural telephones will be tied in with both Bell and SWAT will be worked out according to a general pattern now being drawn up in Washington, states James R. Wright, manager of CRTC. These plans are not necessary for the construction to begin, he adds.

Representing SWAT at last Thursday's meeting were G. D. Shelley, district manager from Lubbock; and W. H. Thomson, general commercial engineer from Dallas.

CRTC directors and officers present were Robert Simmons, James R. Wright, Jim Barron, J. B. Morrison, Jr., Robert McAteer, C. V. O'Keefe, and Bob Conner. Others attending were John Ragland, engineer from Lubbock; Dallas Kenady, Jayton representative, Coy McDougald, REA field representative.

Probably the hardest fight of the Legislature session has taken place this week between the house of representatives and the senate over the rural road bill. Dickens County Farm Bureau has contacted the legislators and the governor a number of times in this weeks activities urging them to pass the original house bill 669 without modification.

Members who have reported to the office of their telegrams are of the opinion that anything less than the original house bill 669 without modification.

Members who have reported to the office of their telegrams are of the opinion that anything less than the original house bill 669 without modification.

Cowgirls Add Color To 1951 Spur Show

Amid the bucking brones, scampering calves and whooping cowboys in the annual Spur Cowboy Jubilee, emerges one of the most colorful and appealing events in West Texas—the Cowgirls' Sponsors contest.

Displaying polished horsemanship and graceful femininity, the cowgirls will again this year compete for the honor of being crowned the Champion Cowgirl of West Texas and the Champion Cowgirl of Dickens County.

This phase of the West's fastest all-ammateur rodeo is ably directed by Mrs. Rob Simmons of Dickens. Mrs. Simmons states that a large entry in this event is expected for this year's show as many cowgirls have already expressed their intentions of competing. Entry blanks will be available soon, she adds.

One of the highlights of last year's crowning of the champions was the crowning of Miss Juanelle Ward of Boone, Colo. as the Champion Cowgirl of West Texas, and Miss Vera Mae Blackwell of McAadoo as Champion of Dickens County. Other girls placing in last year's show are Joan Davis of Crosbyton, Mary Ann Starritt of Kalgary, Mrs. Fred Dalby of Aspermont and Mary Swenson of Leuders.

The cowgirls will compete for \$275.00 in prize money with \$75.00 going to both of the champions.

Quannah School Head To Address Class

E. D. Huff, principal of Quannah Colored school, will deliver the commencement address of Haynes school (colored) at 8 p. m., May 25, in the school auditorium.

Baccalaureate services for the graduating group will be held at 3 p. m., May 20, in the Church of God in Christ, with Rev. R. E. Jamerson giving the sermon.

Closing exercises for primary pupils were held last night. The intermediate program will be given at 8 p. m., May 23.

Local Vacation Bible School To Open

The annual Vacation Bible School of the Spur church of Christ is scheduled to begin at 9:15 a. m., Monday, May 21. The school will be under the direction of the local minister, Willis G. Jernigan, and will provide classes for ages ranging from kindergarten to adult groups.

The departments and teachers include: beginners section one, Mrs. Phil Meekins, Mrs. T. B. Watson, Mrs. John Bachman; beginners, section two, Mrs. Edd Williams, Mrs. Gifford Phillips, Mrs. Anna Marsh; primary grades, Mrs. R. L. Benson; junior number one, Mrs. Loyd Roberts, Mrs. Frank Dobbs, Mrs. E. S. Lee; junior section number two, Mrs. O. G. Arthur, Mrs. Joe McDaniels, Mrs. Guy Goen; high school and intermediate section, Walter A. Brown, Minister, church of Christ, Crosbyton; W. Davis, minister, church of Christ, Mataador and Robert Williams, Spur.

As special features of the school two adult classes will be conducted, including a class for young married women under the supervision of Mrs. O. M. McGinty and Mrs. O. L. Kelley. Special teachers appearing before this group will include W. R. Smith, Vice-President, Abilene Christian College, who will teach the class on May 22, and Mrs. Luther G. Roberts, Clovis, New Mexico who is scheduled to teach on May 25.

The second adult division will be under the direction of C. V. Allen and R. L. Benson. The school is scheduled to run daily from 9:15 a. m. to 11:15 a. m. through May 30, except Saturday and Sunday.

DICKENS BASEBALLERS HOST KING COUNTY CLUB

The Dickens baseball club will play the King county club at 2:30 p. m., Sunday in Koons park, Dickens, states J. L. Koonsman, owner and manager of the park. The public is invited to attend.

RAIN! RAIN! RAIN!

Approximately two inches of precious rain fell on the Spur area early this morning with heavy clouds promising possibly more before the day is over.

Anxious farmers and businessmen have hopefully watched moisture-laden clouds cross this area for the past few days and warmly welcomed the change of wind late Wednesday which broke one of the most serious droughts in recent years.

POPPY SALE STARTS MONDAY IN SPUR

The Spur V. F. W. and American Legion posts will open their annual Buddy Poppy sale Monday, May 21 in Spur and will continue through Saturday 26.

Officials of the local veterans' organization state that the funds will be used for both local and national relief of veterans, their families and orphans.

The ladies of the auxiliaries will aid in the sale.

4-H Dress Review Slated Saturday

Judging of Dickens county 4-H club girls' dress contest will begin at 10 a. m. Saturday in the Spur High school auditorium, states Mrs. Jack Gordon, county 4-H chairman.

Parents of the girls and home demonstration clubwomen will be special guests at the event.

A special exhibit from a well known cotton mill will be on display during the judging hours. Slides of dress reviews will be shown by Mrs. Harriette Hatcher, county HD agent.

Climaxing the day's program for the 4-H club girls will be a dress review at 7:30 p. m. the same evening in the Primary auditorium, when each girl will model her entry. Individual awards will be given each entry in addition to prizes awarded by judges.

The public is extended a cordial invitation to attend both events, adds Mrs. Gordon.

DICKENS CEMETERY GROUP TO MEET THERE MAY 30

Annual meeting of the Dickens Cemetery association will be held in Dickens May 30, states Willow Street, president of the organization. Election of officers will be held and basket lunches will be spread. Mrs. Anna D. Baldwin is secretary and Mrs. Watt Holly is treasurer of the group.

MURL FOREMAN OPENS NEW TRACTOR AGENCY

Murl Foreman, long time resident of Spur and Dickens county, has opened the Foreman Tractor and Implement company at 521 N. Burlington.

The new business is the Spur Case tractor and implements agency and carries a complete line of Case tractor, implements, farm machinery and parts.

LOCAL GROCERY TO INITIATE NEW SAVING STAMP DEAL

E. E. Caudle, manager of the C. & S. Super Market, announced today that his grocery store is now giving "Scottie" stamps with merchandise.

The new saving stamp program features over 25,000 premiums, from luxuries to necessities, with Montgomery Ward in Lubbock as the redemption center.

Lyndon Johnson Is Probable V P Choice

Senator Lyndon Baines Johnson is being mentioned in Washington as the choice for Democratic vice-presidential candidate in 1952. An article about the senator in the current issue of The Saturday Evening Post says, "He has, in fact, the perfect personality for

Capitol Hill: a grass-root hominess blended with just enough city sophistication." His personal charm has won him friends on both sides of Congress. Recently Republican Floor Leader Kenneth Wherry, yielding to Johnson's persuasions in connection with a bill to save West Texas long staple cotton, remarked, "I'd rather do business with you than anyone else on your side." The greatest part of Johnson's

success is attributed to his tremendous capacity for work and the willingness with which he uses it. "Besides looking out for the Lone Star State," says the article, "Johnson functions as Democratic whip in the Senate, a part in which he acts as assistant majority leader. He is also a member of the strategy-planning Democratic Policy Committee in the Senate, and of the Interstate Commerce and Armed Services committees."

To these he recently added another important job as chairman of the powerful Armed Services Sub-committee on Preparedness. Until the outbreak of the Korean War Johnson was content to limit his speeches on the Senate floor and win votes in the cloakroom, observes the article, then he made several penetrating and timely talks on the Government's "makeshift mobilization." He beat the other Senators to the punch by proposing the estab-

lishment of the preparedness-investigating committee and was appointed its chairman. To his credit it can be said that he maintains the unique practice of calling government officials into closed committee sessions before attacking them in a report, to give them a chance to rebut the charges if they could.

Electronic Device Is Cancer Detector

A kind of electronic "adding machine" which may permit automatic detecting of cancer cells is being developed. It may even ring a bell or buzz a buzzer when such a cell is detected. The American Association for Cancer Research heard a description of the device recently.

And, if it is perfected as envisioned, said Dr. Robert C. Mellor, it will offer opportunities for the "mass screening" of the entire population of the country. Such screening would separate many non-cancerous people from those suspected of having major forms of the disease.

Essentially, the device would work this way: Tissue cells under examination would activate electronic devices in the machine in such a way that numbers would automatically appear on a dial—just like figures on an adding machine. Numbers at various levels would be characteristic of different types of cells, so the operator of the machine could quickly estimate whether a particular cell was normal or possibly cancerous. And, it would be easy to incorporate certain sound-making instruments to alert the operator.

The instrument is designed to save time for the cancer diagnostician rather than to be a diagnostic tool in itself, Dr. Mellor declared. Any final diagnosis of cancer would be the province of a cancer specialist, he explained.

DEALERS KNOW FORDS BEST!

● The "in's" and "out's" of your Ford are ancient history to us. It stands to reason that folks who service Fords day in and day out will know how to care for Fords better than anyone else. And, because our future is wrapped up in the pleasure your Ford gives you today, it stands to reason that we'll use our many Ford service advantages to save you time and money. It certainly makes sense that no one else can do this as well... because no one else can offer the 4-way benefits of our:

ASTHMA

Don't let coughing, wheezing, recurring attacks of Bronchial Asthma ruin sleep and energy without trying MENDACO, which works thru the blood to reach bronchial tubes and lungs. Usually helps nature quickly remove thick, sticky mucus. Thus alleviates coughing and aids freer breathing and better sleep. Get MENDACO from Druggist. Satisfaction or money back guaranteed.

Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try Romidol. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get Romidol at Druggist today. Quick, complete satisfaction or money back guaranteed.

4-H Public Speaking Program Is Set

The 4-H Public Speaking program—now in its second year—promises to become very popular

HEART ATTACK OR INDIGESTION?

THANK HEAVENS! Most attacks are just acid indigestion. When it strikes, take Bell-and-tablets. They contain the fastest-acting medicines known to doctors for the relief of heartburn, gas and similar distress. 25¢.

BACKACHE

For quick comforting help for Backache, Rheumatic Pains, Getting Up Nights, strong cloudy urine, irritating passages, Leg Pains, circles under eyes, and swollen ankles, due to non-organic and non-systemic Kidney and Bladder troubles, try Cystex. Quick, complete satisfaction or money back guaranteed. Ask your Druggist for Cystex today.

with Club members in Texas. Realizing that the ability to project thoughts and ideas clearly is of prime importance in leadership, citizenship and everyday life—they are earnestly taking part in the program, in order to trim corners and make their best better. Twenty-three states have accepted the program for 1951, as compared with 19 last year. Gold-filled medals are awarded to the boy and girl winners in each participating county. State winners' awards comprise a handsome set of silverware for the top-ranking girl, and a 17-jewel wrist watch for the outstanding boy. Winners are determined not only on what they say, but on how well they say it. All awards are provided by the Pure Oil Company.

Texas' top ranking boy and girl in the 1951 Public Speaking program will be selected in the elimination contest at the State A. & M. College, October 1-6. Don McGinty, Dickens county, was last year's watch winner in Texas. Frances Mullins, Bastrop county, received the silverware award for her outstanding work. County medals were awarded to 16 4-Hers in the state.

This program is conducted under the supervision of the Co-operative Extension Service.

Agricultural Extension Service personnel supervised a home garden program in 233 Texas counties last year. A total of 477,076 gardens were grown.

Soil Leaders To Convene In Tulia

Soil conservationists from Region I, comprising 32 South Plains soil conservation districts which includes Duck Creek district, will convene at the second annual soil conservation banquet to be held May 19 in Tulia.

This year's featured speaker will be John Ben Shepperd, Texas Secretary of State. Shepperd's out-

standing career as a lawyer and state official has recently won for him the title of one of the nation's "Ten Outstanding Young Men," by a popular magazine. Members of the Duck Creek Soil Conservation board are O. M. McGinty, J. B. Montgomer, Giles McCrary, Charles P. Witt and Clark Forbis.

As a feature of the Swisher county field day, also scheduled for May 19, members of the county's Flying Farmers association will fly guests over selected farms

employing soil conservation practices. The number of pigs saved at farrowing time last year by Texas swine producers was 6.4 per litter. This is substantially above the average for past years and better management, breeding and feeding practices as recommended by the Agricultural Extension Service personnel is credited with much of the improvement.

"Was a nervous wreck from agonizing pain until I found Pazo!"

Speed amazing relief from miseries of simple piles, with soothing Pazo! Acts to relieve pain, itching, redness—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduces swelling. You get real comforting help. Don't suffer needless torture from simple piles. Get Pazo for fast, wonderful relief. Ask your doctor about it. Suppository form—also tubes with perforated pile pipe for easy application.

Here's one of the greatest iron tonics you can buy to BUILD UP RED BLOOD to GET MORE STRENGTH

if you have SIMPLE ANEMIA

You girls and women who suffer so from simple anemia that you're pale, weak, "dragged out"—did you ever stop to think this condition may be due to lack of blood-iron? Then do try Lydia E. Pinkham's TABLETS.

Pinkham's Tablets are one of the very best home ways to help build up red blood to get more strength and energy—in such cases. Without a doubt they are one of the greatest blood-iron tonics you can buy today. See if you, too, don't remarkably benefit! Pinkham's Tablets are also a very pleasant stomachic tonic! All druggists.

MONTHLY FEMALE PAINS Pinkham's Tablets are also very effective to relieve monthly cramps, headache, backache—when due to disturbances.

Lydia E. Pinkham's TABLETS

What's New?

IT'S NEWS

... that the J. I. Case Co. has appointed us as their dealer to sell and service Case machinery in this community. The name CASE has always meant the finest and most dependable tractors, implements and farm machines.

IT'S NEWS

... that Case tractors ("S," "D," and "LA" Series) now come with a brand-new Hydraulic Control system. It's FAST—or slow as you like. Come in and try your hand at it—see how swift and smooth it is, how accurate in adjusting all implements at just the depth you want.

You're Invited to see how we are equipped to give you good service on genuine Case factory parts... Come in and look us over. And be sure to notice the new machines on display.

Virginia Mc Neill Weds Lt. Harry Jung In Methodist Church Service Here

Miss Virginia McNeill, daughter of Mr. and Mrs. J. R. McNeill, and Lt. Harry H. Jung, Jr., son of Mr. and Mrs. Jung of Albany, were married at 8 p. m., May 12, in the First Methodist church. Rev. Cal C. Wright, pastor of

Rev. Melyin Rathaal sang, accompanied by Robbie Clemmons of Lubbock. Miss Clemmons also played traditional wedding music.

Wears White Organdy
The bride was gowned in a dress of imported crisp white organdy with a flounce into a cathedral train. Her fingertip veil was caught to a pearl encrusted halo cap. The bridal bouquet was an orchid encircled by white carnations.

Miss Creola Rector—maid of honor and Miss Ann Hull, bridesmaid, wore dresses of mauve

Barbara Nalley, Betty Dyess Receive First Place Honors In "Fashion Follies" Review

"Fashion Follies," the 1951 Spur High school homemaking style show, was presented to a capacity crowd Thursday evening in the Primary auditorium.

Setting for the review was the porch of a southern colonial home, complete with brick columns and garlands of garden roses. Featuring the development of styles during the past 125 years, several ladies wore historic costumes, their quaint fashion contrasting sharply with modern-day dresses modeled by class members.

Peggy Reid acted as narrator during the review, and during the nursery scene when children modeled dresses and suits made by the Homemaking II class.

Certificates of award were presented by Mrs. Evalene Holly, homemaking teacher, to winners in the homemaking I and II groups. They were Betty Sue Dyess, first; Bregetta Senn, second, and Duffy Jean Austin, third, in homemaking I, and Barbara Nalley, first, Ina Kay Putman, second, and Lota Hogan, third, in the homemaking II division. Carolyn Kelley and Ella Copeland, gave detailed descriptions of each dress group.

Judges for the show were homemaking teachers from McAdoo, Jayton and Aspermont. Places awarded on a basis of construc-

and lime net over taffeta. Their full skirted gowns had fitted bodices and lace berthas, and each wore a headdress of matching daisies. Miss Rector carried pink daisies, and Miss Hull's bouquet was of yellow daisies.

Don Bookout of Hereford served as best man. Frank McNeill, brother of the bride, was groomsmen. Ueal A. Chastain, Jr., and George Link, Jr. were ushers.

Parents Are Hosts
White and yellow roses were used in profuse arrangement in the receiving rooms in the home of the bride's parents, 1005 West Harris, who were hosts for a reception honoring the couple and guests after the ceremony.

In the house party were Misses Patsy Klaver, San Antonio, and Rae Boker, Dallas, sorority sisters of the bride, parents of the bridegroom, and Misses Virginia Leon of Rotan and Doris Gibson. Others in the house party were Mmes. D. J. Dyess, Bynum Britton, Cliff Byrd and M. H. Brannen.

A ring shaped wedding cake centered the bride's table topped with confection rosebuds and surrounded by yellow flowers and yellow candles in silver candle holders.

Mrs. Robert McAteer served punch and Mrs. Jack Rector served wedding cake to guests. Mrs. J. C. McNeill III of Crosbyton played piano selections.

When the couple left for a wedding trip to New Mexico, Mrs. Jung was wearing a melon suit with navy accessories. Her corsage was the orchid from her bridal bouquet.

Mrs. Jung is a junior student at the University of Texas where she is affiliated with Chi Omega sorority. She attended Stephens college in Missouri after her graduation from Spur High school. The bridegroom is a graduate of the University of Texas, and holds membership in Sigma Nu fraternity. Lt. Jung expects to leave soon for overseas service.

Out of town guests included Mrs. Jim Goodman and Mrs. Miller Goodman of Albany, Mrs. C. E. Leon and Polly of Rotan, and Mrs. Pauline Clemmons, Mrs. Lottie Hilton and Miss Doris Arthur of Lubbock.

Party Series Compliments Students As 1951 School Year Nears End

As courtesy and end-of-school compliments to Spur High school students, several parties and entertainments have been held during the past week.

The annual junior-senior picnic was held in Swenson park last Friday evening, with members of the senior class acting as hosts. Roast stew, baked beans, pickles, olives, iced tea, doughnuts and cake were served class members and faculty guests.

Senior sponsors are Mrs. Joe Grimland, Mrs. Ila Johnston and James Jay.

Luncheon Honors Two
Complimenting Myra Ratliff and Annette Lee, Margaret Wood entertained at a luncheon Saturday noon in her home, 701 North Willard. The girls have been classmates for 12 years in the local schools, and are members of the 1951 graduating class.

Places were laid for eight guests at a table covered with a white Mexican drawnwork cloth over red. An arrangement of red roses centered the serving table, and place cards bore a miniature girl graduate and red rose. Class colors are red and white.

Guests were the honorees and their mothers, Mrs. L. D. Ratliff and Mrs. E. S. Lee, Mrs. Joe Grimland and Mrs. Ila Johnston, senior class sponsors, Mrs. Horace Wood and the hostess.

A menu of tomato juice cocktail, ham with pineapple sauce, sweet potatoes, creamed peas in patty shells, congealed salad, assorted relishes, rolls, iced tea, homemade ice cream and burnt sugar cake was served.

Hostess gifts of silver in their chosen patterns were presented the honorees.

Kelley's Entertain
A ministry of school days party was given in the home of Mr. and Mrs. O. L. Kelley Saturday night, honoring a group of students.

Group games were played and refreshments were served. Seniors attending were Douglas McArthur, Beryl Durham, Myra Ratliff, Ronald Comer, Annette Lee, Jimmie Green and Margaret Wood.

Others present were Carolyn Kelley, Beverly Wood, Kathleen Kelley, Hershell Wade, Emma Lena Simpson and Don McGinty.

Party On Birthday For Faydell Gordon

Faydell Gordon was honored on her seventh birthday with a party given by her parents, Mr. and Mrs. Jack Gordon, at the Primary school, Friday afternoon.

About 40 classmates and pupils in Mrs. H. A. Marcy's room sang and played games. Birthday cake and ice cream were served following the opening of gifts.

REVIVAL SERVICES

AT THE
FIRST PRESBYTERIAN CHURCH
SPUR, TEXAS

MONDAY, MAY 21 through SUNDAY, MAY 27

SERVICES EACH DAY AT

8:00 p. m.

AND 11:00 a. m. SUNDAY

THE REV. M. H. APPLEWHITE

A former pastor of the Spur Church, and now resident pastor in Del Rio, Texas, will preach and direct the singing.

We take great pleasure in inviting you to hear Rev. Applewhite.

Everything's O.K.!
It's a BOY!

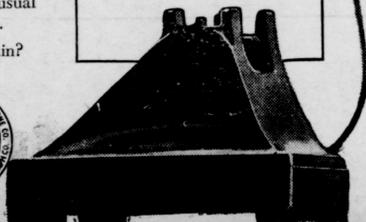

What price good news? So often it's the price of a telephone call . . . and that means just a few pennies to spread the glad tidings. Worth more? Of course. Many telephone calls are practically priceless in their value to you. And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2½¢.

Can you think of a better bargain?

A GROWING BARGAIN!

Telephone service has gone up far less than most things you buy—far less than the average family income.

EVERY HELLO IS A GOOD BUY!

NEW BODY!
NEW CHASSIS!
NEW "ROCKET"!

Oldsmobile Super "88" 4-Door Sedan. *Hydra-Matic Drive optional at extra cost. Equipment, accessories, and trim subject to change without notice.

Everything is NEW for Oldsmobile's Revolutionary NEW "Rocket Ride"!

The facts—the FEATURES—speak for themselves! In this new Super "88," you see ten years' major advancements! Body: low, wide, and handsome—all new! Chassis: springs, shocks, frames—all new! "Rocket": all that famous snap and sparkle—plus new economy, new dependability! And Hydra-Matic Drive* has new instantaneous reverse gear selection! Smoothness—smartness—amazing gas savings! They're all new, all yours in Oldsmobile's Super "88"! Come into our showroom! Drive the triumphant NEW Super "88" Oldsmobile!

Wherever you live! Wherever you are!
Your one tire investment for the years to come!

In their separate classes these tires are, we believe, the most valuable ever manufactured. They are of the Genuine and Original AIR RIDE design and construction—the only such tires in the world!

In the Royal Master you get a tire of extreme tread depth and mileage capacity. It gives you the famous ROYAL-TEX TREAD TREATMENT AND TRACTION, with more than 3000 flexing, gripping and holding fingers per tire—your Skid-Protection and Life Protection in all slippery weather.

In the Royal Air Ride you get the same basic design and construction—as provided by top-ranking automotive designers, and as chosen for the finest of new motor cars. These tires, we believe, are today's utmost in performance and economy. They would be your one tire investment for the years. Convenient credit terms if you wish.

Special Notice!

These superb tires are available. You should let us have your order soon. In any possible delay, we render complete and responsible service on your old tires until your new AIR RIDE tires arrive! With every shipment, orders are being filled—with every order, a new and lasting friendship is established. We want your friendship.

DALE CARNEGIE

★ AUTHOR OF "HOW TO STOP WORRYING AND START LIVING" ★

"You Are An Individual"

JOHN E. EITSON, Oklahoma City, Oklahoma, says until he had grown to manhood he had hated himself most of the time. He hated himself because he couldn't do the things other people could do; he hated himself because he was so bashful; he hated himself because he so often made a fool of himself. He went through the war not caring whether he lived or died. He would volunteer for dangerous missions just to see if he could take it. He wanted to prove to himself that he was not a coward.

Carnegie

He was still bitter after he got out of the army. He got a job, worked three days and quit. He had left school at the end of the eighth grade. But now he decided to go to the veterans' school, and this was the first time he had ever felt the stirring of ambition. But he worked so hard that he became ill. Now he had something to worry about: stomach ulcers. Next his eyes became infected, and a carbuncle developed. Soon he was in the hospital.

Lying in the hospital, he read a great deal. He came across the following in a book that was handed him:

"You are an individual; there is no one like you; there never has been; and there never will be anyone like you."

Now he began to think. He suddenly realized that he didn't need to be like all those people he had resented. He was different and he would make the most of his differences. He began to like himself better; he began liking other people. Gradually he became happier. As he became happier, his physical self improved, and he says from that time on he didn't worry. He is happier now than he ever thought it possible for him to be.

Pintail Ducks Are Found In Alaska

During the last four winters about six hundred pintail ducks have been banded in the Rockport area, according to an article in TEXAS GAME & FISH, official publication of the Texas, Fish & Oyster Commission.

And data already compiled on the basis of returns made by hunters, who shot some of the tagged birds, has helped scientists to determine vital facts about the birds' habits.

These studies indicate nesting routine, the flyways used in moving from north to south, average ages and whether hunters are harvesting the young produced each year or the breeding stock.

Of the pintails banded at Rock-

OPS Surveys Are Opened In District

Surveys of restaurants and other eating establishments in West Texas to determine their compliance with Office of Price Stabilization regulations have been launched by the Lubbock district office on orders from Edward P. Morgan, national OPS Director of Enforcement.

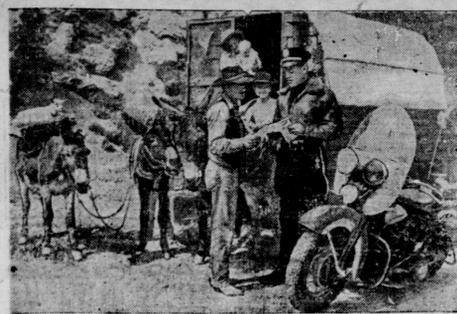

The surveys are being made simultaneously with similar OPS checks in other parts of the country.

The investigators in the Lubbock district, which includes Dickens County and adjoining counties, began their survey in the northern half of the district, which reaches from the Oklahoma

port, 26 band returns have been received. Ten were killed within two miles or less of the original banding site; eight additional were killed elsewhere in Texas, three in Nebraska, two in California, and one each in Alaska, North Dakota and Oklahoma.

"Thus," states the article, "we find about 38 per cent had returned to the same wintering site as occupied the year before. From a study of the additional band returns, we find that nearly all were traveling toward the Texas coast.

"An exception to this statement would be in those birds killed in Alaska, Nebraska and North Dakota. The two pintails killed in California fit into a recently developed theory of pintail migrations from their nesting grounds in the north central United States, and Alberta, Saskatchewan and Manitoba, Canada, southward into Montana and North Dakota, westward into California, south into Mexico, crossing to the Gulf coast, and northward again up the Central and Mississippi flyways. It is anticipated that additional bands from local pintails will be returned from California."

TRAFFIC PROBLEM... Officer Jack Fuller gives copy of state traffic laws to John Moore, retired Tennessee farmer touring country in burro-drawn covered wagon, at Pacific Palisades, Calif.

Panhandle on the north to the Big Bend and El Paso on the south and west, early this week. Upon completion, they will move into the southern half to complete their survey.

All operators of restaurants and other eating and drinking establishments—except those specially exempt by Ceiling Price Regulation—were required to file basic reports with OPS by April 30. This report includes a base period statement of food costs per dollar of sale.

The enforcement officers were instructed to give warnings to operators known to have failed to file the report required under the ceiling price regulation. In cases

of wilful violations, action looking toward injunctions has been requested by the Washington office of Enforcement.

Meanwhile, price officials said that the reports continue to come into the district office, Broadway Building, 1202 Texas Avenue, Lubbock, Texas. Operators who have not filed are urged by price officials to do so immediately.

Texas 4-H Girls Plan Dress Review

Increased activity in three national 4-H programs relating to

personal appearance and the home, further emphasizes that Texas club members are striving to "make the best bette." More than 11,000 girls are expected to take part in county Dress Reviews, while some 46,000

enrolled in Home Economics projects are eligible to compete in the Girl's Record program. Approximately 1,000 4-H members are carrying out the objectives of the Home Improvement project which include jobs like refinishing

ing furniture, sanding floors, making slipcovers, drapes and painting walls. The Dress Revue—open to all girls enrolled in 4-H clothing—teaches pose and good grooming as well as how to select and wear clothes. The Girls' Record activity invites all girls to participate who have completed projects such as canning, clothing, garden, poultry

and home grounds beautification. Members' record books, reports of club work, demonstrations and exhibits are all considered in making awards on a county, state and national level when the 4-H Club year ends. County winners receive medals of honor, and state winners a trip to the National 4-H Club Congress in Chicago next fall, in addition, \$300 college

scholarships are presented to national champions in both the Girls' Record and Home Improvement programs. Dress revue awards are provided by Simplicity Pattern Company. Girls' Record are given by Montgomery Ward, and Home Improvement by Sear Roebuck Foundation. The programs are under the supervision of the Cooperative Extension Service.

Bagby Circle Has Monday Study

Mrs. Myrtle Whitwell led Bible study for the Bagby circle of First Baptist church when the group met with Miss Jennie Shields on Monday afternoon. Mrs. G. B. Morris gave the opening prayer. Mrs. John Adams led the devotional. Attending were

Mmes. W. B. Francis, Hatie Turvan, Adams, Whitwell, Morris and Miss Shields.

Fresh, crisp vegetables provide vitamins, minerals and lots of just good eating for the family. Continuous planting will keep the home garden producing.

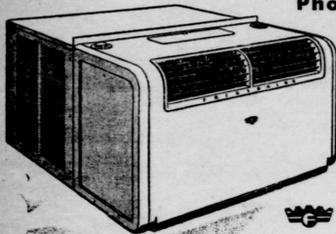

Why swelter again this Summer?

Here's Where the Pounds Pay Off

FIRST thing that people notice when they take over a Buick is the sure-footed stance this fine automobile has on the road.

You head into a curve and hold firm and true. You travel a turnpike without sway or wander.

While your wheels may dance when you hit a stretch of washboard gravel—your car holds its level course.

A lot of things account for this beautifully poised performance, but it starts with stalwart structure and ample weight—plenty of pounds where pounds are needed.

Please don't get us wrong. This isn't "deadweight." Though a Buick like the one pictured here tips the scales at more

than two tons, it's as nimble as an antelope at play.

It has a generous hoodful of valve-in-head Fireball power—packing a powerful punch of velvet velocity.

It comes with the smooth magic of Dynaflo Drive—a lightness of steering that's gently responsive to a lady's hand—a front-end geometry that's pure genius—the finest brakes ever put on a Buick.

And every wheel rides on shock-eating coil springs that are carefree and trouble-free for the life of your car.

You'll also find—by a few moments of simple arithmetic—that the pounds in

this bounteous beauty pay off in another way. On a cents-per-pound basis, it will cost less to buy than anything else near its weight and power and size.

Why not visit us real soon—like the first thing tomorrow—and let us show you why you and your budget will both be happy with this Buick?

Equipment, accessories, trim and models are subject to change without notice.

- No other car provides all this:**
- DYNAFLO DRIVE* • FIREBALL POWER
 - 4-WHEEL COIL SPRINGING • DUAL VENTILATION
 - PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
 - WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
 - BODY BY FISHER
- *Standard on ROADMASTER, optional at extra cost on other Series. When better automobiles are built BUICK will build them.

Buffet Supper Is Girard Compliment
Mr. and Mrs. R. D. Hooper complimented sophomore class members, their dates and special guests at a formal buffet supper in their Girard home recently.
A white linen cloth covered the serving table. The menu consisted of fried chicken, creamed potatoes, green beans, olives, pickles, stuffed eggs, celery, ice cream and cake.
Guests participated in group games after the meal.
Attending were Doris Woods, Letha Beth Turner, Denver Jones, Wayne Wyatt, Billie Lue Willson, Wilma Jean Wallace, Winnie Smith, Joann Gallagher, Donald Ray Hooper, Margaret Jo Scott, Bobbie Ted Gallagher, Key Galbreath, Bertie Faye Wilson, and guests, Mrs. M. H. Galbreath, Mr. and Mrs. Tom Wilson, Mr. and Mrs. M. B. Welborn, Mr. and Mrs. Jim Wyatt, and the host and hostess, Mr. and Mrs. Hooper.

Harmony Group Closes Club Year
Junior Harmony club met in the home of Mrs. Melvin King, sponsor, recently for the group's final meeting of the year.
Plans were made for a swimming party at Roaring Springs today.
Officers installed for the next club year were Gayle Reese, president; Ginger Walker, vice-president; Beverly Wood, corresponding secretary; Peggy Reid, recording secretary; Maxine Williams, treasurer; Emma Lena Simpson, reporter, and Jimmie Nell Bowman, parliamentarian.
Cookies and Coke were served guests.

TELEPHONES, From Page 1
representative, R. E. Peoples, engineer from New York City; and Grady Elder, manager of the Spur Chamber of Commerce.
This agreement with SWAT, following the similar agreement with the Bell system last week, complete the work necessary prior to submitting actual working plans to Washington to secure funds to start construction in several areas to be served by the CRTC, states Wright. These plans are now being prepared by engineers in Lubbock and should be ready to submit next week.
Although the required membership over the entire area to be served with rural telephones by the co-op has not yet been reached, the local board has been notified by Washington that funds are available and work can begin in the different exchange areas when the required subscribers are obtained in that particular area, according to Wright.
Wright adds that to be included in the initial "A" installation of rural telephones, applications for membership must be submitted on or before Wednesday, May 23. "All applicants after this date will be required to wait until the "B" section of the line is approved by Washington," according to Wright.

FARM BUREAU, From Page 1
than this bill would spell doom to any more rural roads. Forty members have reported sending telegrams and letters. We would like for all who have contacted Austin to report it to the office. This gives us a better check on what we need to do. These telegrams and letters have really done the job.
The office has an application into the Mexican government through the Texas Employment Commission for Mexican nationals to help with cotton hoeing. We hope to get this processed and ready, if needed, so that farmers will be able to get the help when it is needed.
Confirmation was received last week from Congressman Mahon that a ten percent increase in parity for grain sorghums has been granted. An increase was asked for some time ago from this office. A greater increase is needed because grain sorghum had a low parity rating to begin with.
The office along with a number of interested farmers this week sent telegrams to the lieutenant-governor urging him to have brought out of committee a bill effecting the revolving fund of soil conservation offices. It would take the place of the bill just passed which, if allowed to stand, would exact a ten percent inter-

It would take the place of the bill just passed which, if allowed to stand, would exact a ten percent inter-

est on these funds, a situation which would make them useless to the farmers of this area.

Finger-Tip FARMING!
A fellow came in the store the other day and asked, "What's this I've been hearing about the Farmall C tractor and Fingertip Farming? I'd like to try it once."
"There it stands," I said. "Hop to it!"
He hopped on the seat, grinned a little, then touched the starter. Then he tried the Touch-Control lever. Watching the cultivator lift and lower automatically, he burst out laughing and said:
"Never saw anything like it. No more heavy muscle work... no more aching back or arms... Yes, from now on it's the Farmall C for me! I like this new Fingertip Farming!"
Why don't you drop in and see the Farmall C?

Guaranteed MOTHPROOFING SERVICES WITH Fastex

Mrs. Housewife
WE KNOW YOUR MOTH WORRIES
Our business is handling fine fabrics. We know the destructive power of the tiny moth larvae. Over our counter daily come costly woolsens, fine furs, silks, velvets and other animal fabrics. We see the paths the moth cuts... the tattered edges, the gaping spots, the little pin pricks that grow... and grow... and GROW. Whether it's a \$3,000 fur or a \$30 suit, we see the value disappearing.

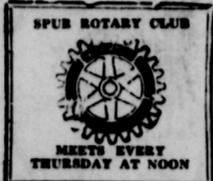

Today, Science has an answer to the moth menace. Housewives couldn't kill all the moths, so Y-A-DE chemists mothPROOFED the fabric. We're glad we've got Y-A-DE... **THE ONLY MOTHPROOF CONTAINING Fastex**

SPUR, DICKENS COUNTY, TEXAS THURSDAY, MAY 17, 1951 NUMBER 30

Chamber of Commerce Doings: STORM WARNING INSTIGATED FOR PROTECTION OF CITIZENS OF SPUR

The chamber of commerce, in cooperation with the Spur Volunteer Fire Department, the Texas State Highway department, and City of Spur officials has set up a system of warning in case of a serious storm in the Spur area.

The Spur warning system will be a part of a plan now being used very effectively in many West Texas towns and will endeavor to warn citizens of dangerous weather conditions prior to their arrival in Spur. It has been found that much storm damage to persons, property and livestock can be prevented in this manner.

In the event of storm conditions approaching this area, local law-enforcement officers will be contacted by the Highway patrol from Lubbock. When this word is received, the air whistle at the City light plant will be blown in a series of short blasts. The sound of this whistle is familiar to residents, as it was used as the six o'clock whistle until recently.

Norton Barrett, fire chief, has offered the complete cooperation of his department in case of such an emergency and states that several Spur firemen have recently completed a thorough first aid study, some of whom will be on hand at the sound of the warning whistle.

In compliance with a request received this week from Leon Huff, former manager of the Spur Chamber of Commerce and now assistant manager of the Abilene chamber, the following announcement is made: There will be an Armed Forces Day Banquet at the Rose Field House in Abilene on Friday, May 18 at 7 p. m. with Gen. Walker Krueger as the speaker. Tickets are on sale for \$1.25 each in the Abilene C. of C. office.

Alton Taylor, price specialist from the Lubbock district OPS office, will be in Spur Friday, May 18, to advise businessmen in the food and restaurant businesses. Friday, May 25, Fidel R. Egstel will be on hand in the chamber of commerce office to advise on industrial materials and manufactured goods.

ANTELOPE SINGING

A singing will be held at 2 p. m., Sunday, in the Antelope church, according to announcement made today. The public is cordially invited to attend.

Special Prizes Announced For Spur Jubilee Winners

Special Saddles For Cowboy Champions

The Grand Champion Roper of the Spur Cowboy Jubilee to be held May 30 through June 2 in Spur will be presented a special hand made saddle by the Swenson, Emery and Neustadt ranches, it was announced this week by Jubilee officials.

Two other saddles will be given to the Champion Calf Roper and the Champion Double Mucker, the announcement included. Each of the three saddles will be placed on display in Spur businesses in the near future.

One of the West's fastest and most popular all-ammateur rodeos, the Spur Cowboy Jubilee is receiving a steady flow of entries with the opening date two weeks off. The events of the annual show include calf roping, bronc riding, bareback bronc riding, double mugging, steer riding, cutting horse contest, old-time roping and cowgirls' sponsor contest. Information concerning entry in the show can be had through the Spur Chamber of Commerce or through Eric Swenson, president of the non-profit organization.

Steer riding, bareback riding and bronc riding contest winners will this year be presented sterling silver and gold belt buckles by Slim Metteer, owner of the Spur Boot and Shoe Shop. These prizes and the prize saddles are given in addition to the generous prize money for the winners.

Parades will be held in downtown Spur on Wednesday and Saturday afternoons this year, and performances will be held nightly in Jones Stadium.

Jones Stadium is located in the Swenson park north of Spur and is widely known as the only natural arena in West Texas. "The show grounds are nestled against a natural hill, offering spectators a colorful outdoor atmosphere that makes one appreciate the spirit of our West Texas," states Swenson.

Combining fresh, spirited rodeo stock, the fastest and best cowboys in the West, the most talented and beautiful cowgirls in the world, an attractively substantial prize list, and the appropriate natural setting, the 1951 Spur Cowboy Jubilee is destined to maintain its rating as one of the best all-ammateur shows in the West.

Girard Schools Set Graduation Dates

W. T. Walton, dean of students and vice-president of Hardin-Simmons university, Abilene, will give the commencement address for Girard High school at 8 p. m., May 23, in the school auditorium.

Rev. Lee Hollis, pastor of Girard Baptist church, will give the invocation, and Rev. Vernon Hattar, pastor of Antelope church, will give the benediction. Salutatorian of the class is Ted Gallagher, and the valedictory address will be given by Finis Butler.

M. H. Galbreath, school superintendent, will introduce the speaker, whose address will be followed by presentation of diplomas by W. H. Daniel. Special music will be presented by Winnie Smith and a girls' chorus.

Rev. C. Melvin Rathel, pastor of Spur First Baptist church, will deliver the baccalaureate sermon at 8 p. m., Sunday, May 20, in the school auditorium.

The baccalaureate program includes group singing directed by R. E. Beaver, Rev. Hagar, invocation; Rev. Rathel address; Rev. Hollis, benediction; and music by Miss Smith.

Commencement exercises for the Girard eighth grade class will be held at 8 p. m., May 24, in the school auditorium. Garth Gregory will give the valedictory address, and H. T. Starnes, Jr. will give the salutatory address.

The public is extended a cordial invitation to attend each service.

Mr. and Mrs. Pat Fletcher and children visited here recently.

Rev Applewhite To Conduct Meeting

Rev. M. H. Applewhite, pastor of the First Presbyterian Church at Del Rio, Texas, will preach and direct the singing in a revival meeting in the Spur Presbyterian Church. The services will be held each day beginning Monday, May 21, and continuing through Sunday, May 27. The services start at 8:00 p. m. each day and on Sunday Rev. Applewhite will preach at the 11:00 a. m. service.

Rev. M. H. Applewhite served the local church for a number of years, coming to Spur in 1929. Since then he has served pastorate at Sweetwater, the Westminster Presbyterian church in San Antonio and served as director of the Presbyterian extension work in Corpus Christi for a number of years where he led in organizing three new churches. During his ministry he has held numerous evangelistic meetings over the state. The public is cordially invited to hear this minister.

Workouts To Start Today For American Legion Jr. Baseball

Local baseball players will join the rest of the nation this year in celebrating the Silver Anniversary of the American Legion Junior Baseball league, according to C. B. Chandler, co-manager of Spur's representative team.

Prospects will begin workouts for the Spur team this afternoon at 5 p. m. at the high school. Steve Chandler, the team will be managed by Chandler and Guy Karr and will be coached by John Waddell, new pastor of the Spur Christian church.

In Spur's six years in the league, twice it has won second place and placed third last year among eight teams. The team is made up of boys 17 and under and the team is limited to 16 players. Chandler and Karr urge all boys interested in playing American Legion Junior baseball to be present at today's practice.

L. A. Hindman Has Tractor Accident

L. A. Hindman considers himself mighty lucky today following a tractor accident early Tuesday morning which easily could have cost him his life.

Hindman, who recently moved into Spur from his farm on the Girard Highway, was enroute to the farm when the mishap occurred. He suffered bruises and was severely shaken up when his tractor evidently hit the side of a bridge and capsized. It was believed he had pulled close to the bridge to allow a car to pass.

He was moved to his home in Spur after a day in a local hospital, and is reported doing well.

OFFICIALS DISCUSS CAPROCK RURAL TELEPHONES

FINAL AGREEMENT MADE BETWEEN CRTCC, SWAT—Pictured above are officials of the Caprock Rural Telephone Co-op and the Southwestern Associated Telephone company immediately following their meeting last Thursday afternoon in which a final agreement was made concerning the areas to be served with rural telephone service by each.

Left to right, standing are: Jim Barron, CRTCC director; James R. Wright, CRTCC manager; G. D. Shelley, SWAT district manager from Lubbock; W. H. Thomson, SWAT general commercial engineer from Dallas; John Ragland, telephone engineer from Lubbock; J. B. Morrison, Jr., CRTCC director; Robert McAteer, CRTCC director; and Dallas Keasby, Jay representative. Seated left to right are Coy McDougald, REA field representative; Robert Simon, president of CRTCC board of directors; R. E. Peoples, telephone engineer from New York; C. V. C. C. CRTCC director; and Grady Elder, manager of the Spur Chamber of Commerce.

Fireboys, Hoover - McAteer Lead League; Proctor's Lags

Proctor's softball team has taken a tumble from the top rung to fourth place since last Thursday morning as they dropped two games in succession and the Fireboys and Hoover-McAteer maintained perfect records. The V. F. W. continued its bid as a major contender with a two-out-of-three win record.

Tonight will see Phillips "66" and the Baptist Brotherhood paired in the first game. The two winless teams meet at 8:00 p. m. in the battle for the cellar, and will be followed by the City Drug team against Hoover-McAteer. Trying to forget their initial 15-6 drubbing by the V. F. W. in their season opener, Jerry Ensey's boys will be keyed to upset the scrappy Hoover-McAteer bunch.

The game that has been anxiously anticipated from the opening of the season is scheduled to be played next Tuesday night. Re-newing last year's Proctor's-Farmall House rivalry, (the City Drug team is composed mainly of last year's Farmall team) Proctor's and City Drug will square off in the opening game. Record attendance is expected for this game in spite of the superior records of three other teams at this time. The hapless Baptist Brotherhood meets the high-flying V. F. W. in the night cap.

Last Thursday night, in the absence of their regular pitcher, Fred Kenney, a spirited Fireboys team turned in a major upset by defeating Proctor's 13-12 with Leonard Wilson on the mound.

Near-perfect fielding and hits that counted were major factors in the victory. In the nightcap, "Bigboy" Reynolds pitched the City Drug to a 10-1 five-inning victory over the Baptists.

Tuesday night a rejuvenated Phillips "F" team forced Hoover-McAteer into an extra inning only to lose to Buddy Hoover's boys by a 10-9 score. Jerry Price, relieving Don Hindman in the fourth inning, received credit for the win. The V. F. W. and Proctors slugged it out toe-to-toe in the late game with the V. F. W. coming out on top of a 12-11 score. D. B. Gilbert was the winning pitcher for the V. F. W.

Mr. and Mrs. Weldon Higginbotham and Judy of Monahans spent the past week-end with Mr. and Mrs. T. C. Ensey.

DENTON IMPLEMENT TO HOLD FIELD DEMONSTRATION TUES.

"Buck" Denton, manager of the Denton Implement company announced yesterday that his company will hold a field demonstration of newly developed John Deere Implements Tuesday, May 22.

The demonstration will be held eight miles south east of Spur on the Gilpin highway, one mile west of Gilpin, and will feature new quick attachable implements for John Deere A, B, and G tractors.

The event is scheduled to start at 1:30 p. m. with free cold drinks for all who attend.

Local Vacation Bible School To Open

The annual Vacation Bible School of the Spur church of Christ is scheduled to begin at 9:15 a. m., Monday, May 21. The school will be under the direction of the local minister, Willis G. Jernigan, and will provide classes for ages ranging from kindergarten to adult groups.

The departments and teachers include: beginners section one, Mrs. Phil Meekins, Mrs. T. B. Watson, Mrs. John Bachman; beginners, section two, Mrs. Edd Williams, Mrs. Gifford Phillips, Mrs. Anna Marah; primary grades two and three, Mrs. Willis G. Jernigan, Mrs. Robert Crawford, Mrs. R. L. Benson; junior number one, Mrs. Loyd Roberts, Mrs. Frank Dobbs, Mrs. E. S. Lee; junior section number two, Mrs. O. G. Arthur, Mrs. Joe McDaniel, Mrs. Guy Goen; high school and intermediate section, Walter A. Brown, Minister, church of Christ, Crosbyton; W. Davis, minister, church of Christ, Matarador and Robert Williams, Spur.

As special features of the school two adult classes will be conducted, including a class for young married women under the supervision of Mrs. O. M. McGinty and Mrs. O. L. Kelley. Special teachers appearing before this group will include W. R. Smith, Vice-President, Abilene Christian College, who will teach the class on May 22, and Mrs. Luther G. Roberts Clovis New Mexico who is scheduled to teach on May 23.

The second adult division will be under the direction of C. V. Allen and R. L. Benson. The school is scheduled to run daily from 9:15 a. m. to 11:15 a. m. through May 30, except Saturday and Sunday.

DICKENS BASEBALLERS HOST KING COUNTY CLUB

The Dickens baseball club will play the King county club at 2:30 p. m., Sunday in Koonsey park, Dickens, states J. L. Koonsman, owner and manager of the park. The public is invited to attend.

CRTC, SWAT Reach Agreement Thursday

Purchase of Glenn, Afton Lines Included In Plan; Engineers At Work

Following over four hours of detailed discussions of specific problems and differences, the Caprock Rural Telephone directors and officials of the Southwestern Associated Telephone company emerged from their meeting last Thursday, May 10, with final agreements on areas to be served by the two organizations.

The discussions included the towns of Dickens, Roaring Springs, Paducah, Aspermont, and Post. The rural area surrounding each town was considered separately and definite areas were designated as potential service area for each of the telephone concerns.

Plans were discussed by the telephone officials for the CRTCC to purchase existing lines and serve exclusively the Afton and Glenn areas. The SWAT authorities agreed to sell the lines at a price representing their actual investment and assured the co-op officials that a satisfactory price can be reached. Similar purchases are pending with other telephone co-ops, according to the SWAT men.

Although the Bell officials in Spur last week could not speak finally for their company, Cecil Cole informed the CRTCC that the plan would be submitted and its verification will be sent to Spur at an early date.

A switching agreement whereby the local rural telephones will be tied in with both Bell and SWAT will be worked out according to a general pattern now being drawn up in Washington, states James R. Wright, manager of CRTCC. These plans are not necessary for the construction to begin, he adds.

Representing SWAT at last Thursday's meeting were G. D. Shelley, district manager from Lubbock, and W. H. Thomson, general commercial engineer from Dallas.

CRTCC directors and officers present were Robert Simmons, James R. Wright, Jim Barron, J. B. Morrison, Jr., Robert McAteer, C. V. C. C., and Bob Conner. Others attending were John Ragland, engineer from Lubbock; Dallas Keasby, Jayton representative, Coy McDougald, REA field representative, and Grady Elder, manager of the Spur Chamber of Commerce.

Probably the hardest fight of the Legislature session has taken place this week between the house of representatives and the senate over the rural road bill. Dickens County Farm Bureau has contacted the legislators and the governor a number of times in this week's activities urging them to pass the original house bill 669 without modification.

Members who have reported to the office of their telegrams are of the opinion that anything less than the original house bill 669 will not do.

See FARM BUREAU, Page 8

LeCroix, Patrick To Attend V. F. W. Meet

A. M. LeCroix, Commander, local VFW Post 7212, and W. F. Patrick, post adjutant, will represent Dickens county at the annual district 7 VFW convention to be held in Lubbock Saturday and Sunday.

Lubbock Veterans of Foreign Wars Post 2466 will be host for the event.

Charles A. Guy, editor and publisher of the Lubbock Avalanche Journal, will present the keynote address at the district luncheon Sunday. Guy, president of the Associated Press Managing Editors association of Texas and dean of South Plains columnists, will speak on national current events observed during his recent trip to Washington and New York City.

Delegates of all organized VFW posts in the district are expected to attend. Counties represented besides this one will be Crosby, Cochran, Dawson, Gaines, Hockley, Lynn, Lubbock and Terry.

RAIN! RAIN! RAIN!

Approximately two inches of precious rain fell on the Spur area early this morning with heavy clouds promising possibly more before the day is over.

Anxious farmers and businessmen have hopefully watched moisture-laden clouds cross this area for the past few days and warmly welcomed the change of wind late Wednesday which broke one of the most serious droughts in recent years.

POPPY SALE STARTS MONDAY IN SPUR

The Spur V. F. W. and American Legion posts will open their annual Buddy Poppy sale Monday, May 21 in Spur and will continue through Saturday 26.

Officials of the local veterans' organization state that the funds will be used for both local and national relief of veterans, their families and orphans. The ladies of the auxiliaries will aid in the sale.

"FASHION FOLLIES" WINNERS DISPLAY GARMENTS

Mrs. Evalene Holley, homemaking teacher in Spur High school, is shown at far right announcing winners of the 1951 Homemaking style show, "Fashion Follies," held Thursday night. Betty Sue Dyess, first, Breggetta Senn, second, and Duffy Austin, third place winners, are pictured at far left wearing their winning garments made in homemaking I. At right are Barbara Nalley, first, Ina Kay Putman, second, and Lota Hogan, third, winners in the home-making II division.

DICKENS CEMETERY GROUP TO MEET THERE MAY 30

Annual meeting of the Dickens Cemetery association will be held in Dickens May 30, states Willow Street, president of the organization. Election of officers will be held and basket lunches will be spread. Mrs. Anna D. Baldwin is secretary and Mrs. Watt Holly is treasurer of the group.

MURI FOREMAN OPENS NEW TRACTOR AGENCY

Muri Foreman, long time resident of Spur and Dickens county, has opened a Foreman Tractor and Implement company at 521 N. Burlington.

The new business is the Spur Case tractor and implements agency and carries a complete line of Case tractor, implements, farm machinery and parts.

LOCAL GROCERY TO INITIATE NEW SAVING STAMP DEAL

E. E. Caudle, manager of the C. & S. Super Market, announced today that his grocery store is now giving "Scottie" stamps with merchandise.

The new saving stamp program features over 25,000 premiums, from luxuries to necessities, with Montgomery Ward in Lubbock as the redemption center.

Lyndon Johnson Is Probable V P Choice

Senator Lyndon Baines Johnson is being mentioned in Washington as the choice for Democratic vice-presidential candidate in 1952.

An article about the senator in the current issue of The Saturday Evening Post says, "He has, in fact, the perfect personality for

Capitol Hill: a grass-root homeliness blended with just enough city sophistication."

His personal charm has won him friends on both sides of Congress. Recently Republican Floor Leader Kenneth Wherry, yielding to Johnson's persuasions in connection with a bill to save West Texas long staple cotton, remarked, "I'd rather do business with you than anyone else on your side."

The greatest part of Johnson's

success is attributed to his tremendous capacity for work and the willingness with which he uses it.

"Besides looking out for the Lone Star State," says the article, "Johnson functions as Democratic whip in the Senate, a part in which he acts as assistant majority leader. He is also a member of the strategy-planning Democratic Policy Committee in the Senate, and of the Interstate Commerce and Armed Services committees.

To these he recently added another important job as chairman of the powerful Armed Services Sub-committee on Preparedness.

Until the outbreak of the Korean War Johnson was content to limit his speeches on the Senate floor and win votes in the cloakroom, observes the article, then he made several penetrating and timely talks on the Government's "makeshift mobilization."

He beat the other Senators to the punch by proposing the estab-

lishment of the preparedness-investing committee and was appointed its chairman.

To his credit it can be said that he maintains the unique practice of calling government officials to closed committee sessions where attacking them in a report to give them a chance to meet the charges if they could.

Electronic Device Is Cancer Detector

A kind of electronic "adding machine" which may permit automatic detecting of cancer cells is being developed.

It may even ring a bell or buzz a buzzer when such a cell is detected. The American Association for Cancer Research heard a description of the device recently.

And if it is perfected as envisioned, said Dr. Robert C. Mellor, it will offer opportunities for the "mass screening" of the entire population of the country. Such screening would separate many non-cancerous people from those suspected of having major forms of the disease.

Essentially, the device would work this way:

Tissue cells under examination would activate electronic devices in the machine in such a way that numbers would automatically appear on a dial—just like figures on an adding machine. Numbers at various levels would be characteristic of different types of cells, so the operator of the machine could quickly estimate whether a particular cell was normal or possibly cancerous. And, it would be easy to incorporate certain sound-making instruments to alert the operator.

The instrument is designed to save time for the cancer diagnostician rather than to be a diagnostic tool in itself, Dr. Mellor declared. Any final diagnosis of cancer would be the province of a cancer specialist, he explained.

DEALERS KNOW FORDS BEST!

• The "ins" and "outs" of your Ford are ancient history to us. It stands to reason that folks who service Fords day in and day out will know how to care for Fords better than anyone else. And, because our future is wrapped up in the pleasure your Ford gives you today, it stands to reason that we'll use our many Ford service advantages to save you time and money. It certainly makes sense that no one else can do this as well. . . . Because no one else can offer the 4-way benefits of our:

ASTHMA
 Don't let coughing, wheezing recurring attacks of Bronchial Asthma ruin sleep and energy without trying **MENIDACO**, which works thru the blood to reach bronchial tubes and lungs. Usually helps nature quickly remove thick, sticky mucus. Thus alleviates coughing and aids freer breathing and better sleep. Get **MENIDACO** from druggist. Satisfaction or money back guaranteed.

Arthritis Pain
 For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Strain, try **Ramnid**. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get **Ramnid** at druggist today. Quick, complete satisfaction or money back guaranteed.

4-H Public Speaking Program Is Set
 The 4-H Public Speaking program—now in its second year—promises to become very popular with Club members in Texas. Realizing that the ability to project thoughts and ideas clearly is of prime importance in leadership, citizenship and everyday life—they are earnestly taking part in the program, in order to bring their own and make their best. Twenty-three states have accepted the program for 1951, as compared with 19 last year. Gold-filled medals are awarded to the boy and girl winners in each participating county. State winners' awards comprise a handsome set of silverware for the top-ranking girl, and a 17-jewel wrist watch for the outstanding boy. Winners are determined not only on what they say, but on how well they say it. All awards are provided by the Pure Oil Company.

Texas' top ranking boy and girl in the 1951 Public Speaking program will be selected in the elimination contest at the State A & M College, October 1-6. Don McGinty, Dickens county, was last year's watch winner in Texas. Frances Mullins, Bastrop county, received the silverware award for her outstanding work. County medals were awarded to 16 4-H'ers in the state. This program is conducted under the supervision of the Co-operative Extension Service.

Soil Leaders To Convene In Tulia
 Soil conservationists from Region I, comprising 32 South Plains soil conservation districts which includes Duck Creek district, will convene at the second annual soil conservation banquet to be held May 19 in Tulia. This year's featured speaker will be John Ben Shepperd, Texas Secretary of State. Shepperd's out-

standing career as a lawyer and state official has recently won for him the title of one of the nation's "Ten Outstanding Young Men," by a popular magazine. Members of the Duck Creek Soil Conservation board are O. M. McGinty, J. B. Montgomer, Giles McCrary, Charles P. Witt and Clark Forbis. As a feature of the Swisher county field day, also scheduled for May 19, members of the county's Flying Farmers association will fly guests over selected farms employing soil conservation practices.

The number of pigs saved at farrowing time last year by Texas swine producers was 64 per litter. This is substantially above the average for past years and better management, breeding and feeding practices as recommended by the Agricultural Extension Service personnel is credited with much of the improvement.

"Was a nervous wreck from agonizing pain until I found Pazo!"
 says Mrs. A. W., San Antonio, Texas
 Speed amazing relief from miseries of simple piles, with soothing **Pazo!** Acts to relieve pain, itching instantly—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduces swelling. Virginia Mc Neill Weds Lt. Harry Jung In Methodist Church Service Here

Miss Virginia McNeill, daughter of Mr. and Mrs. J. R. McNeill, and Lt. Harry H. Jung, Jr., son of Mr. and Mrs. Jung of Albany, were married at 8 p. m., May 12, in the First Methodist church. Rev. Cal C. Wright, pastor of the church, officiated at the double ring ceremony. Tall baskets of white gladioli and greenery decorated the church, and candles burned in candelabra down the aisles. White satin bows marked the pews.

Rev. Melvin Ratheal sang, accompanied by Robbie Clemmons of Lubbock. Miss Clemmons also played traditional wedding music. **Wears White Organdy**
The bride was gowned in a dress of imported crisp white organdy with tiered skirt dropping from a flounce into a cathedral train. Her fingertip veil was caught to a pearl encrusted halo cap. The bridal bouquet was an orchid encircled by white carnations. Miss Creola Rector, maid of honor and Miss Ann Hull, bridesmaid, wore dresses of mauve

Barbara Nalley, Betty Dyess Receive First Place Honors In "Fashion Follies" Review

"Fashion Follies," the 1951 Spur High school homemaking style show, was presented to a capacity crowd Thursday evening in the Primary auditorium. Setting for the review was the porch of a southern colonial home, complete with brick columns and garlands of garden roses. Featuring the development of styles during the past 125 years, several ladies wore historic costumes, their quaint fashion contrasting sharply with modern-day dresses modeled by class members. Peggy Reid acted as narrator during the review, and during the nursery scene when children modeled dresses and suits made by the Homemaking II class. Certificates of award were presented by Mrs. Evalene Holly, homemaking teacher, to winners in the homemaking I and II groups. They were Betty Sue Dyess, first; Bregetta Senn, second, and Duffy Jean Austin, third, in homemaking I, and Barbara Nalley, first, Ina Kay Putman, second, and Lota Hogan, third, in the homemaking II division. Carolyn Kelley and Ella Copeland gave detailed descriptions of each dress group. Judges for the show were homemaking teachers from McAdoo, Jayton and Aspermont. Places awarded on a basis of construction and lime net over taffeta. Their full skirted gowns had fitted bodices and lace berthas, and each wore a headpiece of matching daisies. Miss Rector carried pink daisies and Miss Hull's bouquet was of yellow daisies. Don Bookout of Hereford served as best man. Frank McNeill, brother of the bride, was groomsman. Deal A. Chastain, Jr., and George Link, Jr. were ushers. **Parents Are Hosts**
White and yellow roses were used in profuse arrangement in the receiving rooms in the home of the bride's parents, 1005 West Harris, who were hosts for a reception honoring the couple and guests after the ceremony. In the house party were Misses Patay Klaver, San Antonio, and Rae Boker, Dallas, sorority sisters of the bride, parents of the bridegroom, and Misses Virginia Leon of Rotan and Doris Gibson. Others in the house party were Mrs. D. J. Dyess, Bynum Britton, Cliff Byrd and M. H. Brannen. A ring shaped wedding cake centered the bride's table topped with confection rosebuds and surrounded by yellow flowers and yellow candles in silver candle holders. Mrs. Robert McAteer served punch and Mrs. Jack Rector served wedding cake to guests. Mrs. J. C. McNeill III of Crosbyton played piano selections. When the couple left for a wedding trip to New Mexico, Mrs. Jung was wearing a melon suit with navy accessories. Her corsage was the orchid from her bridal bouquet. Mrs. Jung is a junior student at the University of Texas where she is affiliated with Chi Omega sorority. She attended Stephens college in Missouri after her graduation from Spur High school. The bridegroom is a graduate of the University of Texas, and holds membership in Sigma Nu fraternity. Lt. Jung expects to leave soon for overseas service. Out of town guests included Mrs. Jim Goodman and Mrs. Miller Goodman of Albany, Mrs. C. E. Leon and Polly of Rotan, and Mrs. Pauline Clemmons, Mrs. Lottie Hilton and Miss Doris Arthur of Lubbock.

Party Series Compliments Students As 1951 School Year Nears End

As courtesy and end-of-school compliments to Spur High school students, several parties and entertainments have been held during the past week. The annual junior-senior picnic was held in Swenson park last Friday evening, with members of the senior class acting as hosts. Roast stew, baked beans, pickles, olives, iced tea, doughnuts and cake were served class members and faculty guests. Senior sponsors are Mrs. Joe Grimland, Mrs. Ila Johnston and James Jay. **Luncheon Honors Two**
Complimenting Myra Ratliff and Annette Lee, Margaret Wood entertained at a luncheon Saturday noon in her home, 701 North Willard. The girls have been classmates for 12 years in the local schools, and are members of the 1951 graduating class. Places were laid for eight guests at a table covered with a white Mexican drawnwork cloth over red. An arrangement of red roses centered the serving table, and place cards bore a miniature girl graduate and red rose. Class colors are red and white. Guests were the honorees and their mothers, Mrs. L. D. Ratliff and Mrs. E. S. Lee, Mrs. Joe Grimland and Mrs. Ila Johnston, senior class sponsors, Mrs. Horace Wood and the hostess. **Kelley Entertain**
A mimicry of school days party was given in the home of Mr. and Mrs. O. L. Kelley Saturday night, honoring a group of students. Group games were played and refreshments were served. Seniors attending were Douglas McArthur, Beryl Durham, Myra Ratliff, Ronald Comer, Annette Lee, Jimmie Green and Margaret Wood. Others present were Carolyn Kelley, Beverly Wood, Kathleen Kelley, Hershell Wade, Emma Lena Simpson and Don McGinty.

Party On Birthday For Faydell Gordon

Faydell Gordon was honored on her seventh birthday with a party given by her parents, Mr. and Mrs. Jack Gordon, at the Primary school, Friday afternoon. About 40 classmates and pupils in Mrs. H. A. Marcy's room sang and played games. Birthday cake and ice cream were served following the opening of gifts.

REVIVAL SERVICES

AT THE
FIRST PRESBYTERIAN CHURCH
SPUR, TEXAS

MONDAY, MAY 21 through SUNDAY, MAY 27

SERVICES EACH DAY AT
8:00 p. m.
AND 11:00 a. m. SUNDAY

THE REV. M. H. APPLEWHITE
A former pastor of the Spur Church, and now resident pastor in Del Rio, Texas, will preach and direct the singing.

We take great pleasure in inviting you to hear Rev. Applewhite.

Everything's O.K.!
It's a BOY!

What price good news? So often it's the price of a telephone call . . . and that means just a few pennies to spread the glad tidings. Worth more? Of course. Many telephone calls are practically priceless in their value to you. And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2 1/2¢. Can you think of a better bargain?

A GROWING BARGAIN!
Telephone service has gone up far less than most things you buy—far less than the average family income.

EVERY HELLO
219¢ IN
600¢ SUIT

Mafoi Carlisle To Wed B. J. Bogitsh

Mr. and Mrs. Rex Carlisle announce the engagement and approaching marriage of their daughter, Mafoi, to Burton J. Bogitsh, son of Mr. and Mrs. Leonard Bogitsh of Brooklyn, New York. The couple will be married on June 6 in Garfield Temple, Brooklyn with Rabbi Eugene Sacks officiating. The bride's only attendant will be Miss Claire Bogitsh, sister of the groom. Seymour Finklestein of Brooklyn will be best man. Miss Carlisle is a graduate of Spur High school and graduated from Baylor University in August, 1950. Mr. Bogitsh, a graduate of Boys' High school, Brooklyn, received his bachelor's degree from the University of New York in June, 1949. He will receive his master's degree from Baylor in August.

McADOO NEWS

The Senior class left on their trip Friday, they planned to drive to Dallas the first night. On Saturday they were to go to Shreveport and attend the Louisiana Hayride. Sunday they were to continue to New Orleans to spend the remainder of the trip. They are to return home the following Friday. Students and sponsors making the trip are: Bruce Allen, Patsy Carr, Bobby Hardin, Everett Holcomb, H. F. Harris, Milton Joplin, Lila Jones, Tommy Lumsden, Jack Morgan, Neva Phifer, Wanda Butts, Mary Wallace, Kenneth Neeley, Mrs. Lorene Johnston, Mr. Gordon Spencer, Lanette Phifer, Mr. and Mrs. Robert Brown.

Baccalaureate services will be Sunday night, May 20, Graduation exercises the following Thursday night.

The Earl Van Meter family visited her mother in Fort Worth over the week end.

Mrs. Bradford Bass was honored with a bridal shower, at the activity building last Thursday. Many useful gifts were received.

J. H. Miller and Mrs. Preston Cyfert made a business trip to Spur Tuesday. Mrs. Cyfert is making arrangements to open a beauty shop in the near future.

Mr. and Mrs. C. O. Middlebrooks of Matador were Sunday guests of their daughter and family, Mr. and Mrs. W. H. Moore.

Mr. and Mrs. Jno. Burrow and Kay visited the Lawrence Pipkin family of Lubbock, Sunday.

Miss Helen Riggsby of Lubbock spent the week-end with her parents, Mr. and Mrs. J. H. Riggsby.

The Home Demonstration club will meet Friday at 3:00 o'clock, in the home making cottage. The 4-H club girls will model their dresses they are entering in the county-wide dress revue in Spur Saturday.

Mr. and Mrs. J. H. Miller visited T. L. Dozier and Maude, Sunday.

Mr. and Mrs. Giles Turner and children of Lubbock, Rev. and Mrs. McLeod were Sunday guests in the Henry Harris home.

Mr. and Mrs. A. J. Allen visited their daughter, Mrs. G. D. Butler, in Stephenville last week. She returned home with them to spend the week-end. Other visitors in the A. J. Allen home Sunday, were: George Allen of Fort Worth, Mr. and Mrs. Ray Allen of Coss, Mr. and Mrs. R. N. Richards of Dickens.

Last weeks news stated, Rush McLaughlin was in a Lubbock hospital, your reporter was misinformed and wishes to correct this statement. Mr. McLaughlin is convalescing in the home of a son in Lubbock.

A group of young people from the M. Y. F. accompanied by Bro. Patterson, attended a district meeting in Plainview Saturday night, an evening of worship and fellowship was enjoyed by all.

New Arrivals

Mr. and Mrs. James Houston announced the birth of a son, Kenneth Lancy, on May 4 in the Crosbyton hospital. The baby weighed 8 pounds 2 ounces.

Mr. and Mrs. William M. Randall of Borger are parents of a son weighing 8 pounds 12 ounces born May 11 in the Crosbyton hospital.

Highway News

Mr. and Mrs. Buster Smith and family, Mr. and Mrs. Preston Smith and Mrs. Raymond Whitford of Azle were among the guests Saturday night at the Mother's Day party. Men of the community planned the refreshments and served to about 75 guests.

Mrs. D. W. Thomason and Mrs. J. T. Hallif were guests of Mr. and Mrs. Earl Thomason Saturday night.

Mr. and Mrs. J. W. Thomason and daughter, Janice, Mr. and Mrs. Buster Thomason and children Mrs. Raymond Whitford and Paul visited in the Earl Thomason home Sunday.

Neida Hahn entertained a group of schoolmates with a slumber party Friday night. A picnic supper and ice cream were served. Attending were Jean Bostic, Deanie Mobley, Charline Simpson, Jerry Estep, Lindee Thomason, Ann Austin and Shelley Williams.

We gave a community progress dinner for those who have helped in any way to obtain our community building. Forest Martin extended thanks to C. F. Cook, Leon Reagan, Raymond Higginbotham, O. M. McGinty, Dr. W. K. Callan, Fred Neaves, Jerry Ensey, D. J. Dyess, A. V. Hoover, Robert Williams, G. C. Godfrey and C. A. McAlpin, who has been so good to work our roads.

U.S. ROYAL
Utmost in Tire Quality
...and Service

Wherever you live! Wherever you are!
Your one tire investment for the years to come!

In their separate classes these tires are, we believe, the most valuable ever manufactured. They are of the Genuine and Original AIR RIDE design and construction—the only such tires in the world!

In the Royal Master you get a tire of extreme road depth and mileage capacity. It gives you the famous ROYAL-TEX TREAD TREATMENT AND TRACTION, with more than 3000 flexing, gripping and holding fingers per tire—your Skid-Proof and Life Protection in all slippery weather.

In the Royal Air Ride you get the same basic design and construction—as provided by top-ranking automotive designers, and as chosen for the finest of new motor cars. These tires, we believe, are today's utmost in performance and economy. They would be your one tire investment for the years. Convenient credit terms if you wish.

Special Notice!

These superb tires are available. You should let us have your order soon. In any possible delay, we render complete and responsible service on your old tires until your new AIR RIDE tires arrive! With every shipment, orders are being filled—with every order, a new and lasting friendship is established. We want your friendship.

"You Are An Individual"

JOHN F. EITSON, Oklahoma City, Oklahoma, says until he had grown to manhood he had hated himself most of the time. He hated himself because he couldn't do the things other people could do; he hated himself because he was so bashful; he hated himself because he so often made a fool of himself. He went through the war not caring whether he lived or died. He would volunteer for dangerous missions just to see if he could take it. He wanted to prove to himself that he was not a coward.

Carnegie

He was still bitter after he got out of the army. He got a job, worked three days and quit. He had left school at the end of the eighth grade. But now he decided to go to the veterans' school, and this was the first time he had ever felt the stirring of ambition. But he worked so hard that he became ill. Now he had something to worry about: stomach ulcers. Next his eyes became infected, and a carbuncle developed. Soon he was in the hospital.

Lying in the hospital, he read a great deal. He came across the following in a book that was handed him:

"You are an individual; there is no one like you; there never has been; and there never will be anyone like you."

Now he began to think. He suddenly realized that he didn't need to be like all those people he had resented. He was different and he would make the most of his differences. He began to like himself better; he began liking other people. Gradually he became happier. As he became happier, his physical self improved, and he says from that time on he didn't worry. He is happier now than he ever thought it possible for him to be.

port, 26 band returns have been received. Ten were killed within two miles or less of the original banding site; eight additional were killed elsewhere in Texas, three in Nebraska, two in California, and one each in Alaska, North Dakota and Oklahoma.

"Thus," states the article, "we find about 38 per cent had returned to the same wintering site as occupied the year before. From a study of the additional band returns, we find that nearly all were traveling toward the Texas coast.

"An exception to this statement would be in those birds killed in Alaska, Nebraska and North Dakota. The two pintails killed in California fit into a recently developed theory of pintail migrations from their nesting grounds in the north central United States, and Alberta, Saskatchewan and Manitoba, Canada, southward into Montana and North Dakota, westward into California, south into Mexico, crossing to the Gulf coast, and northward again up the Central and Mississippi flyways. It is anticipated that additional bands from local pintails will be returned from California."

Pintail Ducks Are Found In Alaska

During the last four winters about six hundred pintail ducks have been banded in the Rockport area, according to an article in TEXAS GAME & FISH, official publication of the Texas, Fish & Oyster Commission.

And data already compiled on the basis of returns made by hunters, who shot some of the tagged birds, has helped scientists to determine vital facts about the birds' habits.

These studies indicate nesting routine, the flyways used in moving from north to south, average ages and whether hunters are harvesting the young produced each year or the breeding stock.

Of the pintails banded at Rock-

OPS Surveys Are Opened In District

Surveys of restaurants and other eating establishments in West Texas to determine their compliance with Office of Price Stabilization regulations have been launched by the Lubbock district office on orders from Edward P. Morgan, national OPS Director of Enforcement.

The surveys are being made simultaneously with similar OPS checks in other parts of the country.

The investigators in the Lubbock district, which includes Dickens County and adjoining counties, began their survey in the northern half of the district, which reaches from the Oklahoma

TRAFFIC PROBLEM... Officer Jack Fuller gives copy of state traffic laws to John Moore, retired Tennessee farmer touring country in baro-drawn covered wagon, at Pacific Palisades, Calif.

Panhandle on the north to the Big Bend and El Paso on the south and west, early this week. Upon completion, they will move into the southern half to complete their survey.

All operators of restaurants and other eating and drinking establishments—except those specially exempt by Ceiling Price Regulation—were required to file basic reports with OPS by April 30. This report includes a base period statement of food costs per dollar of sale.

The enforcement officers were instructed to give warnings to operators known to have failed to file the report required under the ceiling price regulation. In cases

of willful violations, action looking toward injunctions has been requested by the Washington office of Enforcement.

Meanwhile, price officials said that the reports continue to come into the district office. Broadway Building, 1202 Texas Avenue, Lubbock, Texas. Operators who have not filed are urged by price officials to do so immediately.

Texas 4-H Girls Plan Dress Review

Increased activity in three national 4-H programs relating to

personal appearance and the home, further emphasizes that Texas club members are striving to "make the best bette." More than 11,000 girls are expected to take part in county Dress Reviews, while some 46,000

enrolled in Home Economics projects are eligible to compete in the Girl's Record program. Approximately 1,000 4-H members are carrying out the objectives of the Home Improvement project which include jobs like refinishing

ing furniture, sanding floors, making slipcovers, drapes and painting walls. The Dress Review—open to all girls enrolled in 4-H clothing—teaches pose and good grooming as well as how to select and wear clothes. The Girl's Record activity invites all girls to participate who have completed projects such as canning, clothing, garden, poultry

and home grounds beautification. Members' record books, reports of club work, demonstrations and exhibits are all considered in making awards on a county, state and national level when the 4-H Club year ends. County winners receive medals of honor, and state winners a trip to the National 4-H Club Congress in Chicago next fall, in addition, \$300 college

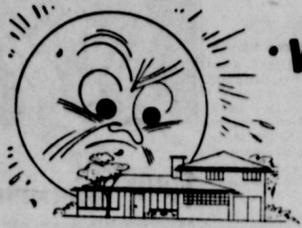

scholarships are presented to national champions in both the Girls' Record and Home Improvement programs. Dress review awards are provided by Simplicity Pattern Company. Girls' Record are given by Montgomery Ward, and Home Improvement by Sear Roebuck Foundation. The programs are under the supervision of the Cooperative Extension Service.

Bagby Circle Has Monday Study

Mrs. Myrtle Whitwell led Bible study for the Bagby circle of First Baptist church when the group met with Miss Jennie Shields on Monday afternoon. Mrs. G. B. Morris gave the opening prayer. Mrs. John Adams led the devotional. Attending were

Mrses. W. B. Francis, Hattie Turvan, Adams, Whitwell, Morris and Miss Shields.

Fresh, crisp vegetables provide vitamins, minerals and lots of just good eating for the family. Continuous planting will keep the home garden producing.

Here's Where the Pounds Pay Off

FIRST thing that people notice when they take over a Buick is the sure-footed stance this fine automobile has on the road.

You head into a curve and hold firm and true. You travel a turnpike without sway or wander.

While your wheels may dance when you hit a stretch of washboard gravel—your car holds its level course.

A lot of things account for this beautifully poised performance, but it starts with stalwart structure and ample weight—plenty of pounds where pounds are needed.

Please don't get us wrong. This isn't "deadweight." Though a Buick like the one pictured here tips the scales at more

than two tons, it's as nimble as an antelope at play.

It has a generous hoodful of valve-in-head Fireball power—packing a powerful punch of velvet velocity.

It comes with the smooth magic of Dynaflo Drive®—a lightness of steering that's gently responsive to a lady's hand—a front-end geometry that's pure genius—the finest brakes ever put on a Buick.

And every wheel rides on shock-eating coil springs that are carefree and trouble-free for the life of your car.

You'll also find—by a few moments of simple arithmetic—that the pounds in

this bounteous beauty pay off in another way. On a cents-per-pound basis, it will cost less to buy than anything else near its weight and power and size.

Why not visit us real soon—like the first thing tomorrow—and let us show you why you and your budget will both be happy with this Buick?

Equipment, accessories, trim and motor are subject to change without notice.

No other car provides all this:

- DYNAFLOW DRIVE® • FIREBALL POWER
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Series. When better automobiles are built BUICK will build them.

Buffet Supper Is Girard Compliment

Mr. and Mrs. R. D. Hooper complimented sophomore class members, their dates and special guests at a formal buffet supper in their Girard home recently.

A white linen cloth covered the serving table. The menu consisted of fried chicken, creamed potatoes, green beans, olives, pickles, stuffed eggs, celery, ice cream and cake.

Guests participated in group games after the meal.

Attending were Dora Woods, Letha Beth Turner, Denver Jones, Wayne Wyatt, Billie Lee Willson, Wilma Jean Wallace, Donald Smith, Joann Gallagher, Jo Scott, Ray Hooper, Margaret Jo Scott, Bobbie Ted Gallagher, Key Galbreath, Bertie Gale Wilson, and guests, Mrs. M. H. Galbreath, Mr. and Mrs. Tom Wilson, Mr. and Mrs. M. B. Welborn, Mr. and Mrs. Jim Wyatt, and the host and hostess, Mr. and Mrs. Hooper.

Dalby, Blackwell Win Roping Contest

Fred Dalby and Odell Blackwell defeated Willis Branson and Frank Gillespie in a match roping contest Sunday afternoon at the roping arena south of Spur.

Jackpot winners were Obey Walker, 13.0; Neal Love, 15.3, and J. T. Perkins, 15.6. Second jackpot winners were Clifton Smith, 13.1; Fred Dalby, 14.4, and J. T. Perkins, 14.6.

Winners in the average were Walker, 29.8; Perkins, 30.2, and Dalby, 33.8.

Guaranteed MOTHPROOFING SERVICES

Now in operation

Protect CLOTHING FURS MOHAIR ALL WOOLENS

Mrs. Housewife WE KNOW YOUR MOTH WORRIES

Our business is handling fine fabrics. We know the destructive power of the tiny moth larvae. Over our counter daily come costly woolsens, fine furs, silks, velvets and other animal fabrics. We see the paths the moth cuts... the tattered edges, the gaping spots, the little pin pricks that grow... and grow... and GROW. Whether it's a \$3,000 fur or a \$30 suit, we see the value disappearing.

Today, Science has an answer to the moth menace. Housewives couldn't kill all the moths, so YADE chemists mothPROOFED the fabric. We're glad we've got YADE...

Harmony Group Holds Club Year

Junior Harmony club met in the home of Mrs. Melvin King, sponsor, recently for the group's final meeting of the year.

Plans were made for a swimming party at Roaring Springs today.

Officers installed for the next club year were Gayle Reese, president; Ginger Walker, vice-president; Beverly Wood, corresponding secretary; Peggy Reid, recording secretary; Maxine Williams, treasurer; Emma Lena Simpson, reporter, and Jimmie Neil Bowman, parliamentary.

Cookies and Coke were served guests.

TELEPHONES. From Page 1

representative; R. E. Peoples, engineer from New York City; and Grady Elder, manager of the Spur Chamber of Commerce.

This agreement with SWAT, following the similar agreement with the Bell system last week, complete the work necessary prior to submitting actual working plans to Washington to secure funds to start construction in several areas to be served by the CRTS, states Wright. These plans are now being prepared by engineers in Lubbock and should be ready to submit next week.

Although the required membership over the entire area to be served with rural telephones by the co-op has not yet been reached, the local board has been notified by Washington that funds are available and work can begin in the different exchange areas when the required subscribers are obtained in that particular area.

according to Wright.

Wright adds that to be included in the initial "A" installation of rural telephones, applications for membership must be submitted on or before Wednesday, May 23. All applicants after this date will be required to wait until the "B" section of the line is approved by Washington," according to Wright.

FARM BUREAU. From Page 1

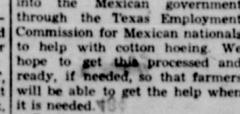

than this bill would spell doom to any more rural roads. Forty members have reported sending telegrams and letters. We would like for all who have contacted Austin to report it to the office. This gives us a better check on what we need to do. These telegrams and letters have really done the job.

The office has an application into the Mexican government through the Texas Employment Commission for Mexican nationals to help with cotton hoeing. We hope to get this processed and ready, if needed, so that farmers will be able to get the help when it is needed.

Confirmation was received last week from Congressman Mahon that a ten percent increase in parity for grain sorghums has been granted. An increase was asked for some time ago from this office. A greater increase is needed because grain sorghum had a low parity rating to begin with.

The office along with a number of interested farmers this week sent telegrams to the lieutenant-governor urging him to have brought out of committee a bill effecting the revolving fund of soil conservation offices. It would take the place of the bill just passed which, if allowed to stand, would exact a ten percent inter-

est on these funds, a situation which would make them useless to the farmers of this area.

Finger-Tip FARMING!

A fellow came in the store the other day and asked, "What's this I've been hearing about the Farmall C tractor and Finger-Tip Farming? I'd like to try it once."

"There it stands," I said. "Hop to it." He hopped on the seat, grinned a little, then touched the starter. Then he tried the Touch-Control lever. Watching the cultivator lift and lower automatically, he burst out laughing and said:

"Never saw anything like it. No more heavy muscle work... no more aching back or arms... Yes, from now on it's the Farmall C for me! I like this new Finger-Tip Farming!"

Why don't you drop in and see the Farmall C?

Edwards-Kelley Implement Co.
