Posse Re-Elects Staff Here Friday

By "Woody" Woodward
At our regular business meeting following an excellent meal last Friday night the Dickens County Sheriff's Posse re-elected all of their present officers.

We don't know whether they just don't want to spend money on new stationery or were pleased with the way things have turned out this past year.

Burand Jones was elected to the board of directors to fill a vacancy there.

The re-elected officers are Everett McArthur, president; Bill Wyatt, vice-president; Johnny Scudder, secretary-treasurer; and Yours Truly, publicity chairman.

Some of the boys wore their new shirts—some gold and some blue—and, say, they look pretty nice! One can sure tell that some of the wives in this club know how to sew!

It was voted for all members to have two shirts, so if we have to make two shows we can have a clean shirt for each appearance. Some more of the gold material has been ordered.

Anyone going to Florida must have \$50 on deposit with the club treasurer on or before Mar. 1. One of our leading business partnerships, the City Drug Co., has made a very nice donation, to help with the expenses for our trip to Florida. We're glad that the businessmen here in Spur are willing to help us advertise our town.

We sincerely hope that this organization will always conduct itself in such a manner that the citizens here will be behind us.

Anyone who would like to help sponsor this trip may contact any of the officers. We are planning to take approximately a thousand feet of movie film on the trip and the show to later be used on television. We believe that such a TV show can be made very interesting for the South Plains folks and will be a fine thing for our city.

The boys are still polishing up their polo game and we expect to bring home the top score from the polo which is invented from the game. Come on down to the gin lot Sunday afternoon and watch a game. We still haven't started passing the hat, so it's free to everybody.

SCHOOL PERSONNEL RE-ELECTED BY BOARD
Two-year contracts were renewed for Weldon Skinner, Sam Hawkes and H. M. Allison at the meeting of the Spur school board on Monday, Feb. 8.

Re-elected for another year were Bill Gregory, Lester Ball, Billy Hahn, Guy Dickson and Cecil Green.

The board also discussed the payment of school taxes. It is reported that 80% have been paid but that at least 90% must come in to meet the bills.

For Real Fun, Remember March 5!

CHAMBER SEEKS NOMINATIONS FOR OUTSTANDING CITIZEN OF '53

By Norton Barrett, Mgr
Summer is just around the corner and we know that two years ago the City passed an ordinance that all garbage cans must have covers. In checking around, we find that about half of the town does not have them covered. Everyone knows they are more sanitary, less flies, etc. when they are covered. Let's get our garbage cans covered before the City asks us to.

A few weeks ago we asked for some names of the ones in Spur that you think should be chosen the outstanding citizen of Spur for 1953. We have had four people to call and tell us that they had someone in mind, but we have not received any reasons why. Please do this. This is your town, so please help us give this award to the person who most deserves it.

The ones you who have not seen the girls basketball team this year surely have missed some good playing. They have the desire to win and they have

done a good job of winning. They journey to Abernathy with the boys team next Tuesday for last regular game of the season. This is a long drive, but we hope that a good crowd from Spur can take time to go.

The senior boys haven't had any luck at winning, but they are still in there fighting when the last buzzer sounds. The junior boys have held their own and are doing a fine job. They have the material for a good team next year.

We have been visiting around during school hours in our local schools. We think if a lot more people would go up and look around and visit with our officials and see what a fine program they have going in our schools, we would appreciate everyone connected with the system a lot more than we do.

When you have time go up and have a look and see for yourself what a fine thing they are doing.

The merchants committee has made arrangements with Mrs. D. J. Dyess to serve the meal for the annual C of C banquet to be held March 16 in the high school gym.

Cecil Green has agreed to be in charge of the program. These are two things that we can rest assured of being done, and done in grand style.

The banquet will be as informal as we can make it. Tickets are \$1.25. If anyone would like to buy a few extras to help take care of the ones Mr. Green will have on the program, we will be glad to bring them to you.

There will be several people here in town who will have them on sale, so let's buy an extra to help take care of the ones on the program.

The chamber is trying to help everyone in town in some way. We need your support. Not only do we need the support of the businessmen, but also every individual who lives here. You do not know what all we could do if we will all work together and make this the best town in West Texas.

We read every once in a while where some small town about the size of Spur has done wonders through their chamber of commerce.

Not long ago we read an article about a small town in the East that bought ten acres of land and went all out to make a beautiful park out of it. The cost was less than \$3,000. The people did all the work themselves.

We already have the land, the manpower and the playground equipment, but we don't seem to be able to get the people interested in it. Come summer and everybody will be wanting a place to have an outing. Then people will say why doesn't the chamber or the city do something about our park.

How many of you would be willing to give a day's work and \$2.00 to have it done. If you would, come see us and we'll get started.

If you missed the Chamber of Commerce Dolms last week, get a paper and read "Pete Progress." It'll be worth your time.

Jim Offield Seeks Re-Election In Pre. 2
Jim Offield announces this week that he is a candidate for re-election as county commissioner of precinct 2.

"I have been working for you for a good while and I am asking you again for the office subject to the Democratic Primaries for another term, for Commissioner, Prec. No. 2.

"First, I want to thank each of you for the splendid cooperation that you have given me in the past as your commissioner. My record speaks for me and if I am elected I will continue to give you the best I have."

SPUR COLORED TEAM TO PLAY HASKELL AT GIRARD

There will be a basketball game between the Spur colored school team and the Haskell colored school team Tuesday night, February 16 at 7:30 p. m. in the Girard High School Gymnasium. The admission will be 35 and 20 cents.

DICK LESTER SUCCEEDS HERE WEDNESDAY NIGHT

Henry C. (Dick) Lester, 55, died at his home in Spur at 8:30 p. m. last night. He had been seriously ill for some time. Funeral services will be held at the First Baptist Church tomorrow afternoon, probably at 2:30. Chandler Funeral Home will be in charge of arrangements.

ROBERTA PUSCHEL RETURNS AFTER VISIT AT GLENN

Roberta Williamson Puschel of Spur, who has been visiting her mother at Glenn, has now returned home. She invites her friends to visit her at her home at 819 Second Street.

Mrs. Puschel has degrees from N. T. S. N. C. at Canyon and Alamos State College in Colorado, and has taught school at several of the surrounding communities.

The 8th grade students will have a party in the high school gym on Monday night, Feb. 15.

PATTON FFA IS GIVEN STOCK RACK BY IMP. CO.

The Patton Springs FFA Chapter was recently given a factory built stock rack for their pick-up by Mr. O. L. Kelley of Edwards-Kelley Implement Company. The rack was not in stock at the Spur business, but has been ordered. The chapter should receive it within a week or two.

The Spur businessmen have been very helpful and thoughtful in trying to help our chapter this year. We are also being furnished a pick-up by Godfrey Motor Company and now the racks by Edwards-Kelley," states Odie Holly, V. A. teacher.

SIX PATTON SPRINGS BOYS TO MAKE HOUSTON TRIP

Six Patton Springs FFA boys will make the trip to the Houston Fat Stock Show to enter the livestock judging and dairy judging contest, according to Odie Holly, V. A. teacher.

The boys on the livestock team are Red Dunlap, Doc Edwards and Jimmy Legg. The boys on the dairy team are Don Forbis, Carl Offield and Thomas Lawrence.

The group will leave here Thursday afternoon, arriving in Houston Friday night. The judging contests will be held Saturday morning, February 13. Then the entire group will attend a rodeo Saturday afternoon. They plan on returning to Afton Sunday night.

Watch for Announcement Next Week About March 5!

GETTING READY for the big Palmolive Polo game in New Smyrna Beach, Florida next month are members of the Dickens County Sheriff's Posse polo team. Twelve players will make the trip to represent Spur and Texas in the big celebration in Florida. Known during a recent practice session on the gin lot are, in the background, Edna Gibson, Odie Holly, and Martin Teroville and L. B. Jones on the sidelines.

ROTARY CLUB ELECTS NEW OFFICERS THURS.

Fike Godfrey was elected as president of the Rotary Club when it met Thursday at noon. Also during the balloting, C. F. Cook was elected vice-president and Dr. Claude, Weldon Skinner, Paul Marion and Rex Holder were chosen directors.

Mr. W. F. Gilbert was chairman of the meeting and the invocation was given by Oscar Kelley. A film was shown by Paul Marion which portrayed army life and reserve work.

GAIL WILLIAMS IS TO APPEAR ON TELEVISION

Miss Gail Williams, daughter of Mr. and Mrs. A. C. Williams, will appear over television at the Lubbock station next Tuesday, Feb. 16.

NEW ARRIVALS

Mr. and Mrs. Bill Fry announce the birth of a son, David Joel, born Saturday, Feb. 6, at the Spur Memorial hospital. He weighed seven pounds, four ounces.

The paternal grandparents are Mr. and Mrs. A. A. Fry of Spur and the maternal grandparents are Mr. and Mrs. Joe Kidd, also of Spur.

Joe Simpson Is Coach At Littlefield

Littlefield, Feb. 11—Joe Simpson has just begun his first season as the high school basketball coach at Littlefield. He came from Hardin-Simmons University, graduating last spring. Joe is a Spur boy, son of Mr. and Mrs. J. E. Simpson of Spur. He played football and basketball and made all-district quarterback his senior year at Spur.

For some reason or other he left the good 'ol west Texas for Junior College in Arlington, playing football and basketball there. However, he came back to spend his junior and senior years at HSU.

Simpson racked up 372 points as a junior in college, but because of a knee injury was held down his senior year. However, he did play enough to letter and represent the Border Conference in the NC AA playoffs.

Sports isn't Simpson's only talents. He is teaching math during the day at Littlefield.

As a coach, the young man has the makings. He is patient, but firm, careful about details. Joe is well-liked by his boys, but not over-chummy.

Parents can feel at ease with their boys in Coach Simpson's care. He is a clean cut fellow, allows no cursing or shady jokes on the squad and will see to it that the boys toe the mark in training rules.

He knows his basketball and loves the sport. Littlefield is fortunate indeed to have this fine young man on their staff.

Girls Win 2 More; End Season Tues.

Spur's flashy girls' basketball team moved two steps closer toward the district championship Tuesday and last Friday with two more impressive wins.

The defending champions took Slaton for a 57-36 victory Tuesday in the local gym with Frances Wilson scoring 23 points.

Betty Dyess made 17, Jane Simpson 11 and Geraldine Thomason scored 1.

Last Friday Floydada bowed to the Spur girls 34-18. Miss Wilson again led the scoring with 27 points. Miss Dyess made 12 and Miss Simpson 9.

Coach Billy Hahn's girls have now won eight straight in district 5-AA play and have two more games to play. Tahoka comes to Spur tomorrow night and the Spur girls travel to Abernathy next Tuesday, Feb. 16.

Annual Fun Night To Be February 26

On Friday night, February 26, at 6:30 p. m. at the High School Gym there will be fun for the entire family.

This is the annual Fun Night sponsored by the East Ward P. T. A. There will be entertainment for all ages, such as stunts, relay races, band concert and the comedy basketball game between the all-star girls and the men.

Come early and eat your supper at a low price of 25c. There will be pie and sandwiches for 10c each and a drink for 5c. Come enjoy yourself, forget your troubles and help a worthy cause.

GRASS JUDGING TEAM ATTENDS CONTESTS

Last week Spur's high school grass judging team entered the annual contest at the Fort Worth stock show.

The team, composed of Wayne Hoover, Mac Fry and Walter Stanley, was accompanied by agriculture teacher Bill Gregory.

Next week the same team will be accompanied by ag teacher R. L. Peters to the show at San Antonio.

DICKENS-MOTLEY FARMERS TO MEET TUESDAY NIGHT

There will be a special meeting of the Dickens-Motley Farmers Union Tuesday night, February 16, at Roaring Springs.

The purpose of this meeting will be to elect a delegate to Washington. All members are urged to be present.

Mrs. J. W. Steele left Tuesday to go to Fort Worth to care for her husband's uncle, Uncle Bob Steele, until his death Saturday morning. J. W. Steele came for the funeral Sunday and then they returned home Sunday night.

RED CROSS GOAL FOR COUNTY IS \$2,000.00, 850 MEMBERS IN 1954

"We must sign up 850 members and raise \$2,000 in the 1954 Dickens County Red Cross campaign," states Homer Hindman, county funds chairman.

Hindman and his fund committee met Tuesday of this week to start plans for the big county-wide drive to be held the first week in March.

The county's goal, along with the national goal is smaller than last year's. The national goal is \$85 million this year. Last year Dickens county's goal was \$2360 and the county actually raised \$2627.

Following the recent flood in Dickens county, the national Red Cross spent \$2774.57, states the

"Our goal is even lower than the amount actually spent here last year," states Hindman. "So surely we can all give generously in reaching our \$2000 goal."

Last year under the chairmanship of John Albin the county drive reached its goal the first three days. It is hoped and planned that this year's goal will be reached at least during the first week.

Elsewhere in Texas last year the Red Cross met the needs in many disaster areas. In Waco \$295,000 was spent. In San Angelo \$279,045 was spent, and in Knox City \$37,972.94 was spent. The total in Texas was \$821,385.89.

The committee will meet again next Thursday to complete plans for the county-wide drive. Committeemen include Chairman Hindman, Tom Johnston, Albin, Norton Barrett and Grady Lackey. Miss Jean Fitzsimmons, Red Cross representative, also attended this week's meeting.

fund chairman. Of this \$1617.87 was spent for building repairs, \$1115.30 for furnishings, and \$484.50 for food, clothing and maintenance.

The Godfrey Motor Co. of Spur has received a Highway Safety Award in recognition of the part the firm is playing in the current school year by lending an automobile for high school driving training purposes.

The award was made by the Texas Automotive Dealers Association, the State organization of factory authorized new car dealers.

Loan of the training car was to Spur High School in a program that each year is helping to turn out a constantly increasing number of high school students who are thoroughly versed in all phases of safe and courteous driving.

C. B. Smith, Austin, Safety Chairman, and E. J. Pennington, Galveston, President of the State Dealers' Association, termed the driver training program one of the most significant developments in the field of safety in recent years.

"Our youths form the reservoir from which drivers of the future are drawn," they said. "and if we are to have safe highways it will be through their education in the proper handling of motor vehicles."

Nearly 300 members of the factory authorized new car dealer group received Safety Awards, according to Tim J. Crooks, Austin, Manager of the Association. Their participation in the driver training activity represents a loan of equipment each year valued at approximately \$600,000, he said.

HD CLUB REPORTERS TO MEET FEB. 20 IN SPUR

A called meeting of the club reporters of the Dickens County Home Demonstration clubs will be held in the Spur Chamber of Commerce office Saturday, Feb. 20, at 3 p. m.

Publisher H. G. Lackey, Jr. will meet with the reporters to discuss the method of reporting club news for publication.

GROUP ATTENDS ALL-STATE BAND, CHORAL MEETING

Four Spur music students and their instructor, Cecil Green, are in Dallas this week attending the state music clinic.

Joe Bruce Long is participating in the all-state band for his second year. Vocalists Sandra Watson, Ralph Gibson and Kathleen Keller, are singing in the all-state choral group.

Tuesday night in the Spur gym Slaton beat the Bulldogs 19-50. D. Wyley made 23 for the victors. Blair scored 13 for Spur.

Spur's B boys lost 35-50 in the preliminary.

Tomorrow night the boys will meet Floydada and will then travel to Abernathy next Tuesday to wind up the season.

Spur junior high basketball teams entered the Roaring Springs tournament on Feb. 4, 5 and 6. The Spur boys and girls both won in the consolation bracket.

The boys lost their first game and then beat Flomont 49-12. Randall Gilcrease scored 12. Ronnie Cloude 8, Ray Don Powell 6 and David Morgan 6.

In the consolation finals Spur beat Guthrie 36-12. Cloude made 10 points, Gilcrease 10 and McAteer 6. The consolation trophy was received for the team by McAteer who also was chosen on the all-tournament team.

The Spur girls dropped their first game by a narrow 17-15 count. Starters for all three of their games were guards Nelda Hahn, Jean Bostic and Linda Thompson, and forwards Ann Reagan, Sue Higham and Charlene Simpson. Turkey was the winning team.

Saturday Spur beat Flomont and Dickens for the consolation trophy which was accepted for the team by Charles Simpson. She and Ann Reagan made the all-tournament team.

The Flomont score was 29-12 and the Dickens score 19-10.

P-TA Meets Tues.; Choir, Band Perform

The Parent-Teachers Association met Tuesday afternoon at the Primary Auditorium. Mrs. George Gabriel led the group in singing several songs and then the invocation was given by Bro. T. B. Allen.

During the business session, Mrs. Bob Conner, Mrs. O. R. Cloude, Mrs. Westfall and Mrs. Everett McArthur were appointed to serve as the nominating committee.

The program was brought by the High School Choral Club, directed by Mr. Cecil Green and the fifth and sixth grades band.

Three visitors from Girard who were present were Mmes. Hollingshead, George Darden, and Pete Sherer.

Before the meeting adjourned, plans were made for the Fun Night which will be February 26.

The next meeting will be March 5.

Floydada, Slaton Beat Spur Bulldogs

Spur's boys basketball team remained in the losing column through two more district games and now face only two more before the season ends. Last Friday Floydada beat the Spur boys 60-47. Ashton was high scorer in the game with 20. Curtis Blair was high for Spur with 14.

Tuesday night in the Spur gym Slaton beat the Bulldogs 19-50. D. Wyley made 23 for the victors. Blair scored 13 for Spur.

Spur's B boys lost 35-50 in the preliminary.

Tomorrow night the boys will meet Floydada and will then travel to Abernathy next Tuesday to wind up the season.

Duck Creek Soil Conservation District News Notes

Conservation activities of district co-operators has been on the increase since the first of the year including terrace maintenance and new construction, irrigation land leveling, deep breaking, grass seeding and stock water dams. Sixty-five requests for financial assistance have been submitted to A. C. P. for these practices since January 1st. Technical assistance for the work is done by Soil Conservation Service Technicians.

Terrace repair and maintenance is receiving major attention at this time following the severe damage caused by the unusual heavy rains during October. Co-operators engaged in this work now are C. R. Edinburg, M. H. Costlow, Jack Lawson, O. E. Barron, Willie Brady, Jordan Rogers, Lon Bass, Jay Austin and C. Parson.

Recent checks on the condition of blue pantle seedlings had last year indicate good survival of the seed whether or not plants that made average growth. The weaker plants have sustained considerable loss, however it is expected that fair to good stands will come out this spring on most plantings.

Soil-moisture checks made by S. C. S. technicians recently indicate that most farmers having sufficient stubble to prevent soil blowing are wise in leaving this land undisturbed during the dry-blowing season, and recommend that listing be delayed until late spring unless good rains should come during that period. These checks indicate good moisture on most sandy soils to a depth of 3 to 4 feet just under a dry top of about 3 inches. Very little moisture is being lost under the above conditions.

Good irrigation wells have been drilled and developed recently by Fred Halle, Garvey Booth, Robert Williams and Neal Chastain, district co-operators in the Spur area. Roland Murchinson, Fred Walle, T. B. Watson, Neal Chastain and Paul Braddock are doing some leveling in connection with irrigation.

LUSTROUS AND LADYLIKE

Draw by Frank Starr
 START THE NEW YEAR RIGHT in this lovely gown of lustrous Avisco acetate trimmed with a crisp ruffled collar of white organza. Perfect for party or dress occasions all through spring... you'll find it a welcomed addition to any basic wardrobe.

Cherry-vanilla ice cream is a seasonal favorite for Washington birthday and Valentine desserts. The ice cream in handy pint and half-gallon paraffined cartons may be cut in serving portions and topped with a cookie that is hatchet or heart-shaped.

Tangy and juicy grapefruit from Florida, plentiful at markets, are still tops as a first course. Cut in half, core and loosen sections and then fill center of grapefruit with shrimp and cocktail sauce.

Flavor that's fresh describes the goodness of jelled salads and desserts made with unflavored gelatin. This plain gelatin, being tasteless and colorless, permits the true, natural flavors of fruits and vegetables used with it to predominate.

To have a tender and excellent tasting meat loaf, handle the ground meat as little as possible and season well. Blend an egg, 1/2 teaspoon Tabasco, 1/2 cup tomato juice, 1 cup bread crumbs and chopped onion together first and mix in the 1 pound of ground meat last.

Quick cookie patties with colorful frosting for the filling can be made by following the directions for refrigerator cookies on a package of house cookie mix. Use the chilled dough, bake and put cookies together with tinted frosting.

Chase away winter's chill with hot molasses egg nog. To make this tasty flavored drink, beat one egg yolk with a tablespoon of sweet unsifted molasses, gradually stir in 1 cup hot milk. Beat egg white still but not dry and stir into the molasses-milk mixture.

Once a package of raisins is opened, transfer contents to tightly covered jar or tin to keep raisins from becoming hard.

Boy Scouts Observe 44th Birthday

FORWARD ON LIBERTY'S TEAM

44th ANNIVERSARY 1954 BOY SCOUTS OF AMERICA

Official Boy Scout Week Poster
 The 44th anniversary of the Boy Scouts of America will be observed during Boy Scout Week, Feb. 7 to 13, by more than 3,300,000 boys and adult leaders. Since 1910 more than 21,000,000 boys and leaders have been members. Boy Scout Week will highlight the "Forward on Liberty's Team" theme which seeks to produce a

greater functioning manpower and provide a higher quality program for an ever-increasing membership in countless communities. Scouts, their parents, local institutions and public officials will pay tribute to the leaders of 89,000 units for the contribution they are making to the boyhood of America.

"Lord, What Have I Done" was the lesson taught by Loyd Womack Sunday morning. Visitors were Mrs. Alton Estep, Mr. and Mrs. Larry Hahn, Mr. and Mrs. Ed McArthur and Mrs. Elmer Thomason and daughters.

Donnie Pace was very sick Sunday but he is better now.

"Always bake meat at a low temperature of 350 degrees," stated Mrs. Lou Jeffers at the meeting of the Highway HD Club Monday.

Mrs. Ray George was hostess and seven members were present. They were Mmes. Martin, Tree, Hahn, Hemphill, Thomason, Pace, Jeffers and the hostess.

Mr. and Mrs. Raymond Eldridge and Cherry spent Saturday night in Lorenzo as the guest of her brother, Mr. and Mrs. Mel Cherry.

Mr. and Mrs. James A. Bruce and baby were visitors at the Baptist Church Sunday. They also visited her parents, the C. T. Wallaces.

Texas Land Values Show 4% Decline

Farm land values in Texas show moderate decline from postwar peaks established in 1952.

This decline coincides with a nationwide trend, says John G. McHaney, assistant extension economist, and is a reflection toward slightly lower farm real estate values.

Value of farm land in the state declined four percent last year, but is still 145 percent over the 1935-39 average, says McHaney.

Declines of two percent or more were recorded in all but three states, and 10 states had drops of five percent or more. Sharpest land value decreases were evident in Kentucky and Tennessee westward to Utah, an area including most of the states where drought was a major factor in reducing farm incomes.

First apparent during the spring and summer of 1953, mild decrease in land values continued in most of the country and now effects current develop-

Hints For Avoiding Influenza Diseases

Reports coming in from various sections of the State indicate that influenza is quite prevalent throughout Texas, according to Dr. Geo. W. Cox, State Health Officer. Colds, grippe, influenza or whatever we may call them are spreading from person to person through discharges from the nose and throat.

To protect yourself and others

Keep fit by drinking plenty of water, eating simple, nourishing food and taking some outdoor exercises every day. Dress according to the weather; get plenty of sleep in a well ventilated room and keep the bowels regulated.

Dr. Cox warns that disastrous results may follow this disease if influenza cases are allowed to get about too soon. Persons convalescing from this disease are susceptible to other infections; so, if you are just getting over some illness return to your normal routine of life gradually.

Most reporters expect greater price drops for poor farms than for good farms.

from such diseases here are some of the things to remember: Influenza is highly infectious. Practically everybody is susceptible to it. No matter how many times you have had the disease you may contract it again. Therefore, keep away from people who are coughing, sneezing or who may be actively ill with colds, influenza or pneumonia. Keep away from crowded places. Have your own towel; always wash your hands before eating and sneeze or cough into your handkerchief.

Timely Tips

It's a wise homemaker who knows the tricks of her trade. Here are a few to add to your collection and help make your chores easier for you.

Separating egg whites from yolks can be done in a jiffy. Just break the egg in a small funnel. The whites will go through... the yolks won't.

Before scalding milk, wipe the bottom and sides of the pan with butter. The milk won't scorch and the pan will be easier to clean.

A folded damp cloth placed under a mixing bowl keeps it from slipping and speeds mixing.

To soften butter quickly, heat an earthenware bowl by filling it with boiling water, then empty it and place it upside down over the butter.

To banish that horrid ring around your toilet, rub them with vinegar.

Her Voice Travels 3 Miles for a Penny

HOW MUCH DOES YOUR TELEPHONE SERVICE actually cost? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. One of the group, Mrs. Felicia Littlejohn, made and received 58 local calls. She estimates that they covered a total of 345 miles. The cost, according to Mrs. Littlejohn's figures — about three miles for a penny. "That's a real bargain," she added.

Amazing New Scientific Discovery! NOW PUNCTURE-PROOF YOUR OWN TIRES IN 60 SECONDS!

DRIVE 10,000... 20,000... 50,000 MILES WITHOUT A FLAT TIRE!

SENSATIONAL LABORATORY AND ROAD TESTED SAFE-T-GARD TURNS REGULAR INNER TUBES INTO PUNCTURE-PROOF TUBES!

Science has at last made available to automobile owners an amazing new liquid discovery that STOPS FLAT TIRES! Yes, ACTUALLY TURNS ANY INNER TUBE INTO A SAFE PUNCTURE-PROOF TUBE! Simply as A-B-C. Merely fit pint tube of SAFE-T-GARD to air valve... and squeeze! SAFE-T-GARD evenly coats the inside of the ENTIRE TUBE with miracle self-sealing compound. Adhesive liquid rubber coating ACTUALLY SEALS PUNCTURES WHILE YOU DRIVE! The longer you drive, the more puncture-proof your tire becomes. Lasts the life-time of your tube. Cannot dry out, lump or unbalance wheel. Now puncture-proof four tubes for less than you ordinarily pay for one regular puncture-proof tube!

EASY! SAFE! Put SAFE-T-GARD into Tube The Same Way You Put in Air!

Just deflate tire. Without removing tire, screw SAFE-T-GARD container on air valve. Squeeze. Inflate tire. While you drive SAFE-T-GARD evenly distributes itself... protects every square inch of the tube against punctures. Order SAFE-T-GARD TODAY.

SAFE-T-GARD Tubes Outlast Tires. Used Again and Again!

Summer or winter, year after year, SAFE-T-GARD is safe, sure protection against punctures. Ends danger and expense of flat tires. Adds thousands of miles to tube life. When tires wear out, SAFE-T-GARD treated tubes may be used and re-used, even with new tires.

TESTED!
by American Testing Laboratories, Inc.

Here's the Report:
"Punctured tire and tube with three 1" nails and two 2" nails. Car driven 30 miles... loss of air approximately 10 pounds. Then completely sealed. Then... two 1/2" nails and one 1" nail were driven into same tire and tube. Car driven 2 days with nails and nail still in tire! Loss of air less than 10 pounds! 7 or 8 days later. No further loss of pressure! Then completely sealed."

CONCLUSION:
SAFE-T-GARD eliminates flat tires created by ordinary punctures!

Famous Race Driver Says:
"I recommend Safe-T-Gard to every car driver," says Billy Vaughan, well-known race driver and American distributor for popular British made Singer cars. "Best way I know to get real protection against dangerous flat tires for less than \$2 per tire."

IMPORTANT: SAFE-T-GARD contains enough compound to puncture-proof one tube up to 7.00 x 16 (regular passenger-car size). SAFE-T-GARD PUNCTURE-PROOFS 4 TUBES FOR LESS THAN THE COST OF ONE PUNCTURE-PROOF TUBE!

Get Safe-T-Gard TODAY STOP FLATS OR YOUR MONEY BACK

Do It Yourself! No More Drafts This Winter

Drafts from that biting, whining wind outside, seeping in through window and door cracks, are virtually eliminated by a new weatherstrip that combines durability with new installation ease.

A boon to apartment dwellers, as well as home owners, when teeth-chattering chills set in this winter, is the Adjusto-Seal weatherstrip. Besides sealing against drafts, it keeps warmth inside, lowers heat bills and insures your comfort. A hammer and scissors are the only tools required for this new, easiest-to-install weatherstrip, created by the Schlegel Manufacturing Company, 277 North Goodman St., Rochester 7, N. Y.

FOR CASEMENT OR HINGED WINDOWS—Start at any corner and mount Adjusto-Seal around entire window frame.

FOR DOUBLE HUNG WINDOWS—On lower sash, mount Adjusto-Seal to inside window frame on both sides and across bottom of sill. On upper sash it is sometimes possible to mount on the paring strip inside. Otherwise, mounting outside the window frame at side, top guarantees the same comfort and economy as inside mount.

Formalities, Cost Reduced By Appropriate Provision in Will

A properly drawn will can be the means of short-cutting many legal formalities, and may save a great deal of time in distributing the estate of a decedent among his rightful heirs. It may also save many dollars in legal fees and court costs.

As an example, whenever a person dies without a will and it is necessary for the probate court to appoint an administrator of his estate, the person so appointed is required to post a bond. This bond is for the purpose of insuring the faithful performance of his duties. When signed by individuals, the amount thereof must be double the estimated value of the personal property of the estate plus a reasonable amount to cover prospective rents and other income from real estate involved.

When issued by a bonding company, the estimated value of the personal property need not be doubled. The administrator's bond must be kept in force until the estate is finally closed and he is discharged from his obligations by the court.

The same rule applies to an executor under a will, unless the testator has specified that no bond shall be required. This provision may be inserted or left out of the will at the option of the maker. Needless to say, there are situations in which the bond serves a real purpose. But when not needed, the statutory requirement may prove a distinct annoyance to the executor and a burden upon the estate in the form of annual premium payments.

Another example: A court appointed administrator may not sell any property of an estate without an order of the court authorizing him to do so. He must make application to the court for approval of each sale. The court must be advised of and approve the sale price and the manner in which the same is to be collected. Similar provisions apply to the making of mineral leases and other transactions.

These provisions apply entirely to the executor of a will unless the testator has freed him from

Cotton to be Allotted Directly to Farmers

Texas' share of increased 1954 cotton allotments should be allocated by the State PMA Committee directly to the farmer to take care of "hardship" cases, the Texas Farm Bureau Board of Directors recommended last week.

The TFB Board, in session Jan. 26 in Waco, asserted that "hardship" cases would benefit more through this procedure than if acreage increases were apportioned by county history.

A bill passed by Congress Jan. 22 gives Texas an increase of 1,342,320 acres over the allotment announced last fall. Under provisions of the new bill, Texas will get 8,719,178 acres this year.

Congress gave the state committee authority either to distribute the allotments directly to the farmer or to award the increase to counties for apportionment by county PMA committees. The Texas Farm Bureau opposed the latter procedure because some growers would be discriminated against due to factors involved in arriving at county histories. The Farm Bureau contends that direct distribution from the state level would be most fair to all concerned.

Under that arrangement, growers in areas where diversification is practiced and in areas where drought has cut planting should not be discriminated against. The state board stated that the main reason for asking for an increase in acreage was to help alleviate "hardship" cases. Another reason was to revise the basic legislation in a manner to facilitate necessary adjustments in the future.

The additional acreage apportioned to the states may be apportioned directly to the farmer so as to provide an allotment equal to the larger of the (1) 65 per cent of the average acreage planted to cotton in 1951, 1952, and 1953, or (2) 40 per cent of the highest planted cotton on the farm in any one of these years.

This allotment may be limited by the State Committee by providing a percentage of cropland limitation which may be 50 per cent or less. This permits taking into account local factors in distributing the allotment.

Acreages that will be unused on particular farms may be released and reapportioned to other farms in 1954 and 1955. The farm releasing the acreage will not be penalized in calculating future allotments. This section of the new bill was adopted as a resolution by the Texas Farm Bureau at its last annual convention. The resolution also called for increasing the national allotment from 17,910,000 acres to 21,500,000. Congress provided for an increase up to 21,379,342.

The original formula for making the increase was devised at Fort Worth last April at a meeting called by the American Farm Bureau Federation.

H. D. Club Meets In Harkey Home

The Dickens HD Club met on February 7 at 2:30 p. m. in the home of Mrs. Harkey.

Mrs. Lou Jeffers gave an interesting demonstration on different cuts of meats and how to prepare and cook them at the low temperature of 325 degrees.

Council delegates, Mrs. E. V. Arthur, gave a report on council meetings.

E. E. E. chairman, Mrs. Harry Martin, read the report.

Those present were Meses. E. V. Arthur, Glen Latham, Harry Martin, Wayne Ogle, Cleo Rogers, Roy Ward, J. H. Richards, two new members, Mrs. Foy Slough and Mrs. Fred Arrington and two visitors, Miss Jane Forby and Mrs. Cecil Meadows.

Doris Day Due In Heralded "Calamity Jane"

"Calamity Jane," story of the Wild West's most fabulous characters, will be brought to the local screen with songs and music on Sunday and Monday when the Warner Bros. film with color by Technicolor opens at the Palace Theatre.

Doris Day, tops among Hollywood's new stars, plays the title role of Martha Canary, heralded girl of the west who as a beautiful lass in buskins, was reputed to be a dead shot with six-guns of Winchester, a horse-woman second to none, and a whiz with the bull whip to boot.

As "Calamity's" leading man, Howard Keel, handsome, six foot four baritone, plays Wild Bill Hickox and macy a song is sung, many a shootin' iron fired, before the smoke clears away at the unusual film entertainment. Alvin Karpis, from the Broadway stage, plays an important role in the film, as does Philip Carey, David Butler directed.

It's a natural on more than one count for Doris Day, who plays a singing role about a girl whose real name was "Canary." And she had the time of her life making the picture, according to reports, for it is anything but a usual role. Dressed in buskins most of the time, even though they are probably the most stylish ever seen, Miss Day sings such Sammy Fain-Paul Francis Webster numbers as "Deadwood Stage," "I Can Do Without You" and "The Harry," not against conventional backgrounds but while leaping on racing stage coaches, shooting off guns against deadly adversaries or riding as a fast gallop in various pursuits. In most of the numbers it's handsome Howard Keel, whose experience has already placed him in such top entertainment hits as the stage hit "Oklahoma" and the film "Annie Get Your Gun," who duets with her. And it's with Keel that she winds up at the altar in a wedding gown that's as breath-takingly feminine as the most fashionable Paris designed creation.

Owners Are Urged To Have Cars Inspected Soon

Captain E. L. Posey, commanding officer of District 6 of the Texas Highway Patrol, with headquarters at Lubbock, announced today that Highway Patrolmen would begin issuing tickets to persons who operate an auto on the streets and highways after April 15 without a current inspection sticker.

The Patrol Captain said that the men in his command have all received orders to that effect as the result of a directive issued at Austin by Homer Garrison, Jr., Director of the Department of Public Safety. Posey said that Garrison's order was made following definite instructions from the State Public Safety Commission that enforcement of the modified motor vehicle inspection law which was enacted by the last Legislature would definitely begin following the April 15 inspection deadline.

Captain Posey also pointed out that local and county officers are empowered to enforce the inspection law.

According to the Patrol commander, only about 25 per cent of the cars in the Dickens county area have been inspected to date. This means, he said, that car owners who have not yet had their vehicles checked will run the risk of being caught in a last minute "log jam" at the inspection stations if they delay longer in complying with the law.

"Our Patrolmen will continue to issue warnings to motorists whose cars do not bear a current inspection through April 15," Captain Posey said in a prepared statement for the press and radio. "After that date, offenders will face court action."

HARMONY CLUB MEETS WITH MRS. POWELL

The Spur Senior Harmony Club met Tuesday evening in the home of Mrs. Billie Powell.

Each member answered roll call and then a program on opera was given. Mrs. Sam Hawkes was program director and parts were given by Mrs. Joe Bell, Mrs. Alfred Walker and Mrs. Grady Lackey.

Those present were Meses. Bell, Julia Bingham, Fred Haile, Dorothy Moore, Jerry Ensey, Homer Hindman, Nell Davis, W. T. Andrews, J. E. Berry, Walker, Albert Fry, Lackey, Van North, John Green and Al C. Williams.

A machine has been developed by research at the Naval Medical Center, Bethesda, Md., to explore the human body's reaction to constant vibration.

A team of scientists from the Naval Research Laboratory is planning a trip to Sweden to observe the total solar eclipse of June 30, 1954.

TRACTOR CARBURETION

Can be installed on your Tractor in time for Spring Plowing

CHEAPER FUEL... LONGER ENGINE LIFE... FEWER LUBE CHANGES...

Save three-fifths of your fuel bill! You get the same amount of Butane for \$40.00 as you've been getting for \$100.00 using gasoline... Actually over 9c per gal. Saving!

Actual field tests have proven longer - 3 times longer-engine life when the fuel is Butane... Why? Because there is no carbon, sludge and other harmful residues to increase friction and cause wear...

Because of the cleaner operation with Butane, it is necessary to change the crankcase lube only twice a year... Figure this great saving in with your fuel saving!

PLUS... FEWER REPAIRS, CLEANER, SMOOTHER OPERATION, AND AN EASY FINANCING PLAN...

PAY ONLY ONE FOURTH DOWN... PAY BALANCE WITH FUEL SAVINGS!

Here's how this new, easy plan works... We will convert your Tractor to Butane, sell you a storage tank, tractor tank, and, if desired, a tank trailer. You pay 25% of the total cost as down payment. Then, as you use Butane fuel, you pay 16c per gal. 8c of this is applied on the balance due and the other 8c pays for the Butane...

ASK YOUR NEIGHBOR ABOUT BUTANE TRACTOR FUEL!

We have converted over 300 tractors in this area, including several of your neighbors... Ask them about it! Most of them have paid for their complete change-over the first year!

THE BIG WD-45 has everyone talking...

And for good reason!

Never before has so much tractor been offered to farmers... at any price!

The outstanding performance of the WD-45 didn't just happen. It represents the latest in tractor engineering — beginning with the POWER-CRATER engine, the world's most advanced farm tractor power plant. This mighty four-cylinder engine gives you all the power you've always wanted — 45 horsepower on the belt.

Yes, and there's more. Complete hydraulic system with automatic Traction Booster, built-in, two-clutch power control, Power-Shift rear wheels, plus the newest of all — the SNAP-COUPLER... team up to bring you a combination of conven-

iences that get all farming jobs done easier... faster — unmatched in any other farm tractor... at any price!

Let us show you on your farm how to reduce your production costs... with the New WD-45 Tractor!

POWER-CRATER and SNAP-COUPLER are Allis-Chalmers trademarks.

Now...effortless, steadier handling

with New Ball-Joint Front Suspension

You'll notice the difference the moment you take the wheel. Mercury's new ball-joint front wheel suspension reduces the road shock of bumps and ruts. It gives you a feeling of greater control, better stability, as you take sharp curves and corners. In short, it makes handling far easier on any road. And only Mercury has it in its price class.

And Mercury also brings you an entirely new 161-horsepower overhead-valve V-8. You enjoy livelier performance—safer, more responsive. When passing or hill climbing, Mercury's tremendous reserve power is available instantly, automatically—released by a 4-barrel carburetor, with the two extra barrels vacuum controlled. And although 28% more powerful, you get remarkable gasoline economy. Try Mercury's new performance on the road.

CITY DRUG CO.

WE, TOO, HATE HIGH COFFEE PRICES

They're bad for coffee users. And bad for us, too, because our business prospers most when we can offer all foods at low prices.

Unfortunately, we have no control over the high costs of green coffee imports which are forcing store prices up. Basically, they result from increased use of coffee and two years of small crops in Brazil. We hope prices will return to normal when the 1954 crop reaches market. In the meantime, we do have a suggestion which we hope you will find helpful.

Here's A Way to Save Up to 10¢ Per Pound on Coffee and Still Enjoy Top Quality:

Because Airway and Nob Hill Coffees are packed in paper bags, they can be sold at several cents per pound less than vacuum-packed coffees. These two popular blends are protected in the whole bean - Nature's own package - until you get them at Safeway. Then, you simply set our handy automatic grinder, empty bag into hopper, flip a switch, and smell the fragrant coffee as it pours back into the bag - fresh-ground, just the way you want it.

Why not choose the blend that suits your family best and start enjoying top quality coffee at real savings? Here are today's prices.

Airway 88¢ Coffee 1-Lb.
Mild and mellow - all Brazilians

Nob Hill 90¢ Coffee 1-Lb.
Rich and aromatic blend

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Pedro Torres, Defendant,
Greeting:
You are hereby commanded to appear before the Honorable District Court of Dickens County at the Courthouse thereof, in Dickens, Texas, by filing a written answer at or before 10 o'clock a. m. on the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being the 1st day of March A. D. 1954, to Plaintiff's Petition filed in said court, on the 14th day of January A. D. 1954, in this cause numbered 2282 on the docket of said court and styled Elizabeth Lopez Torres, Plaintiff, vs. Pedro Torres, Defendant.
A brief statement of the nature of this suit is as follows, to wit: Such suit is for divorce on the grounds of cruel treatment, as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and made due return as the law directs.
Issued and given under my hand and seal of said court at
