Whoa, Now!

By GRADY LUCKEY

Another fine piece of service by the Ladies' Auxiliary to the Spur Memorial Hospital! They are now setting up an Emergency Program to go into effect if ever needed to care for and comfort the injured or sick.

We believe it can truthfully be said that these ambassadors of service, comfort and cheer, along with their little sisters, the NRS, have earned for themselves a major part in any success and improvement accomplished at the hospital in recent months.

A half-million bucks! That's a lot of money for a little cotton town to spend on anything! As far as we can find out, that's considerably more than has ever been spent in our town for any one thing all at one time.

Our school board, in all good faith toward the duties and responsibilities of their trusts, tried to get us by on just one-fifth as much, but we said no. At a public meeting our instructions to them were that we wanted a new high school building and are willing to pay for it. At this meeting, held Monday, Feb. 13, a large group of tax payers was almost unanimous in desiring at this time a bond issue sufficient to build a complete new high school. Any group or individual strongly opposed forfeited their best opportunity to speak against it.

By instructing the board to cancel the \$100,000 election and to call a larger one, we took the beef off the board's back and placed it directly on our own. Now it's up to us to live up to our expressed convictions that we need, want and are willing to pay for a new high school plant.

To so large an expenditure there will undoubtedly be opposition. Unfortunately, there will be hard words said about the ones responsible for calling such a sizeable bond issue at this time. We only ask that these hard words be directed to the over-100 people present at that public meeting, to the ones who have pointed out to the board that we are ready for a large building program, and if there are still hard words left over, bring them to yours truly for supporting the larger issue both editorially and over coffee cups.

We are not saying at all that the members of the school board and school administration need someone to pass any buck to. On the contrary, their shoulders are broad and their consciences clean as they have followed the expressed desire of the people they represent. They were the first to raise the question—can we afford it? They have spent long hours recently delving into the various aspects of a half-million dollar bond issue and are now ready to present their findings to the people for ratification.

When the bond issue carries and we soon have a fine new high school plant, we can look to these men and commend them for the fine work done in representing the tax payers of Spur school district.

If the bond issue is defeated, we can look at our community and wonder what has happened to our sense of values, our foresight and our concern for the education of our youth.

Along with fishing and baseball season comes a menace to our fair city.

We're told that with spring and its warm weather comes the time when rabies is most common among dogs.

SHS TRACK TEAM FINISHES FIFTH IN FIELD OF 32 AT CROSBYTON

By Billy Bigham
The Spur Bulldog track team showed unexpected strength in its first meet of the season last Saturday at Crosbyton. The Spur team placed fifth in a field of 32 teams with nine points to their credit.

Gene Roberson won first place in the 12-lb. shot-put and fourth in the discus. Monk Harris was second in the broad jump. Most of the other boys came through better than was hoped for in all events, giving the coaches a brighter outlook for the meets to follow.

Roberson gives prospects of being the best weight man Spur has ever had. He tossed the shot 47 feet 6 inches to win first place in a meet that had six new records set.

LOCKNEY MEET SATURDAY

The Spur team will compete in the Lockney track and field meet Saturday, March 17, for its second appearance of the year. The team will be minus some of its boys due to the stock show in Lubbock, but will have several back that missed the Crosbyton meet. These will include Wilburn Hairgrove, who is a good man on the relays, and Dwain Green on the hurdles.

Following are the boys that will go to Lockney and the events they will enter:

- 100 yd. dash—Morgan, Harris.
- 200 yd. dash—Morgan, Harris.
- 440 yd. dash—Hairgrove, Bass.
- 880 yd. run—Reeson, Gordon.
- 1 Mile—Castro, Kissinger.
- 440 relay—Morgan, Harris, Hairgrove, Powell.
- 1 Mile relay—Hairgrove, Hagins, Reeson, Gordon.
- High jump—Bass, Green.
- Low hurdles—Green, Hairgrove.
- High hurdles—Green, Hairgrove.
- Broad jump—Harris, Hagins.
- Pole vault—Gordon.
- Shot put—Roberson, D. Morgan.
- Discus—Roberson, D. Morgan.

POLO TEAM WINS AT LUBBOCK SUNDAY

The Dickens County Palmetto Polo team added another to their long string of victories Sunday afternoon by defeating the strong Lubbock team 5-3 in a hard-fought well-played game.

Don Holloway showed the grand champion fat calf here last Saturday in the 14th annual Dickens County Fat Stock Show. Reserve champion was shown by Guy Goen.

The two-day show included nearly 500 animals and awarded approximately \$1600 in prize money. It was held at the show barns of the Spur FFA chapter.

In Friday's part of the show the grand champion fat hog was displayed by Benton Watson, winning over the reserve champion of Weldon Stanley. In the breeding hog class grand champion went to Stanley and the reserve champion to Billy Watson.

In the fat lambs division the grand champion was shown by Wayne Davenport and the reserve champion by George Scott.

Other winners by division included:

SWINE
Breeding hogs, gilts—Duroc, Stanley; Poland China, Watson; Berkshire, Max Edwards; Spotted Poland China, Mark Parsons.

County Hits 60% Of Red Cross Goal

Over \$100,000, which is 60% of the county's goal, has been raised to date in the 1956 Dickens County Red Cross drive, states County Chairman Joe B. Long.

Additional donations may be given or mailed to the community chairman over the county or directly to Long.

The annual drive will continue throughout March, striving for a goal of \$187,000.

SIXTY-NINE YEARS YOUNG

Some athletes get old and stiff at 30 years of age. Some even take to the rocking chair at 45. But not Rev. Cal C. Wright, who is now going after his 70th birthday.

His favorite hobby is horseback riding. He can be seen often cantering down the street on his newly-acquired pony, sitting very erect and loose in the saddle, and thoroughly enjoying his ride.

He also walks several miles each day visiting the sick, the needy and his fellow-men in general. He walks with a straight back and with his shoulder squared.

A lot of us would look and feel better if we followed his example.

DID YOU KNOW?

That the Spur Bulldog starting football team for 1956 will outweigh the starting team of '55? That class B, A and AA schools do not have spring training in football? That class AAA and AAAA school, do have spring training? That a football is not made of pig skin at all?

Chester White, Larry Bass, Sow and litter, Gene Roberson; Boar, Max Edwards; Bred gilt, Billy Watson.

Fat hogs, pen of three, T. H. Hollingshead, best trained pig, Billy Watson.

CHICKENS, RABBITS

C. E. Fisher is general superintendent, Jim Barron chairman, Bob Berry secretary, E. S. Lee treasurer, Guy Goen vice-chairman, and Bob Conner finance chairman.

Rotarians Hear Senior Students

Guests of the Rotarians when they met Thursday were Jay Austin, George Holland, Mack Wicks, Bob Copeland, Ernest Finley, and L. R. Pendley.

Program chairman, John King, Jr., presented Bob Nunley, who introduced five senior students, who gave talks on education. The students and their topics were JoAnn Bailey, "What is School?" Gail Buzbee, "A Comparison of European Schools and our Schools"; Jerry Whitmer, "Schools a Grand Heritage"; Terie Sechrist, "Teachers—What are They?"; and Marie Pierce, "My Opinion of a Good Teacher."

The club enjoyed these very interesting talks and wish to thank Mr. Nunley for a fine program.

Merla Foreman On Distinction List

Merla B. Foreman, student at Southwestern U. at Georgetown, has been placed on the University Distinction List during the fall semester. Her general average on sixteen hours of work was 91.12 per cent.

Merla is the daughter of Mr. and Mrs. Murl Foreman, Route 1, Spur.

\$500,000 Bond Issue Election to be Called

Arner Watson Asks For Re-Election

Arner Watson announced this week that he is a candidate for re-election as Dickens County Commissioner of Precinct 3.

To date the only other candidate for the office is Russell Williams.

Watson states that he will submit his formal announcement to the voters in the near future.

Car Tags Available Here March 23, 24

All types of motor vehicles will be registered at the Justice of the Peace office in Spur Friday and Saturday, March 23 and 24, states Sheriff Cleo Rogers.

"It will be necessary to bring the certificate of title and the 1955 registration receipt in order to register your vehicle," stresses the tax assessor-collector. "No title applications will be accepted, as this is registration of vehicles, only," he adds.

March 31 Is Tentative Election Date; Special Board Meeting Set For Friday

Plans are for a \$500,000.00 Spur school bond election to be called at a special meeting of the board of trustees Friday, March 16, reports, Lloyd Hindman, chairman.

Hindman states that the election will probably be called for Saturday, March 31.

The bond issue, if approved by the voters, will be used to construct a complete new high school building, new dressing rooms at Jones stadium, and a new agricultural building.

The necessary petition to the board requesting the election was in circulation yesterday and is probably completed by this morning.

Since cancelling the bond election called last month at the request of those attending a public meeting, the board has worked steadily with architects in working out tentative plans for the larger project. The original plans called for a \$100,000 issue to bring the school facilities up to current needs.

Plans for the proposed new high school building are available at the superintendent's office, and with Spencer Campbell and Jean King, Jr. Hindman states that the plans are not complete yet, but are as far advanced as is necessary to estimate the cost and present to the tax payers. After the election if the bond issue is approved the definite plans will be started on immediately, states Hindman.

County Cotton Folks Will Meet Here Next Thursday

CHARLES SIGNOR OF LUBBOCK WILL REPRESENT COTTON GROWERS

A meeting of all Dickens County cotton growers and interested in or connected in any way with cotton will be held in Spur next Thursday, March 22, sponsored by the Plains Cotton Growers.

The Plains Cotton Grower, has recently been organized to cover 23 West Texas counties in the general promotion of the interests of cotton producers, in this area. Dickens County is on the eastern extremity of the area included. Representing the county on the original board of directors are Joe Rose and Joe Long.

Next Thursday's meeting is being held to familiarize Dickens County with the aims and purposes of the organization and to discuss some of the major problems and projects which the organization is planning on undertaking. Representing the Plains Cotton Growers, along with Rose and Long, will be Charles Signor.

Lubbock County cotton grower and president of the Lubbock National Bank. He will be the main speaker and is expected to bring to those attending a very informative and interesting address, reports Long.

2 p. m. At Palace Theatre
The meeting will get underway at 2 p. m. next Thursday in the Palace theatre in Spur.

Long and Rose urge everyone in the county connected in any way with cotton to be present. It is pointed out that the meeting is for cotton growers, both tenant and land lord, ginners, businessmen, farm labor, implement dealers, brokers, etc.

Officers Elected At PTA Meeting

At a regular meeting of the P.T.A., Tuesday, March 13, Robert Williams opened the program with a prayer. Following was a singing led by Mrs. Bob Nunley.

Mrs. Ethel McArthur was program leader for the afternoon and directed a skit on health and safety which was presented by Guy Dickson's sixth grade pupils.

Officers elected for the coming year were: president, Mrs. O. L. Kelley; vice president, Mrs. E. L. Martin; secretary, Mrs. James Jay; and treasurer, Mrs. Lloyd Hindman. Parliamentarian and historian will be nominated at the next meeting.

10. Admittance—Mmes. Archer Powell, Clarence Foreman.
11. Laboratory—Mmes. Bob Conner, John Green, John King, Jr.

The Spur Volunteer Fire Department is cooperating with the auxiliary in this program. Among their special duties, are:

1. Furnish transportation for patients.
2. Assist in case of power failure.
3. Help ambulances.
4. Maintain order in hospital.
5. Form observation corps.

Plans are being made to maintain a nursery in case of the need for one should come with an emergency.

BROTHERHOOD HOSTS BOYS AT ANNUAL FEED

The Dickens County Association of Baptist Brotherhoods held its annual man-and-boy banquet Monday, March 5, at the Bethel Baptist Church. Main speaker of the evening was Rev. Wayland Boyd, pastor of the First Baptist Church, Crosbyton.

Over 125 men and boys were present for the feast of barbecue with all the trimmings. The meal was prepared and served by the brotherhood and ladies of the host church.

Chamber Doings . . .

By Jane B. Moore, Sec.

Correspondence is still going on between the Chamber and Sears Roebuck in regard to location of a garment factory in Spur. We have received some favorable comments from Sears, but of course nothing definite can be known yet.

Ticket, are now on sale for the annual Chamber of Commerce banquet on March 23. You can get your tickets from several business men or at the Chamber office. We want to emphasize the fact that this is not only a city-wide function but one which everyone in the community is urged to attend.

Rev. Dick O'Brien of Big Spring will be the speaker and people who have heard him say he is very good.

BETHEL BAPTIST SINGING

The regular third singing will be held at the Bethel Baptist Church, Sunday, March 18 at 2 p. m.

GIRARD NEWS

Mr. and Mrs. Millard Smith were shown in the stock show at Spur and Jayton.

Mrs. Amos Fincher and son left last week end for Oklahoma City to visit her father, Clarence Phipps, who was stricken last week with a heart attack in that city.

Supt. M. H. Galbreath left for Austin last week end on business pertaining to schools.

Mr. and Mrs. Carlos Dickerson and family left last Wednesday for Brownwood to attend funeral services for a cousin, Des Thomas, who died of a heart attack.

Mr. and Mrs. Tom Hunnicutt, Mrs. George Darden and Rev. R. M. Parsley attended a church meeting at Haskell last Thursday.

Visiting in the M. A. Darden home Sunday were their son, Mr. and Mrs. Vernon Darden, from Lovington, New Mexico and their granddaughter and husband, Mr. and Mrs. Crandall Young, from Abilene.

The Girard Adult Ag class met in regular session Monday night at the school lunchroom. Slide pictures were shown and a good feed, cooked by D. J. Williams, was served to the group.

Local teachers attended the teachers meeting in Midland and Sweetwater last week end.

There was no school in Girard last Friday due to teacher's meetings over West Texas.

Mrs. Pete White and Mrs. Ollie Bural, local school lunchroom employees, attended a meeting for lunchroom employees in Lubbock last Saturday.

Mr. and Mrs. Don Martin from Ruidosa, New Mexico visited last week end in the home of Mr. and Mrs. G. H. Brown.

The school auditorium was packed for the senior play and was one of the best senior plays we have seen in a long time. Mrs. M. H. Galbreath was the director.

Tommy Gallagher, who is employed at Lubbock with a railway company, was home over the week end.

Clifford Jones and Jimmie Bural were in Breckenridge over the week end.

Mr. and Mrs. Joe Tino, who have resided in Girard for the past three years, left for their former home in Illinois this week. Mr. and Mrs. Tino have proven to be mighty good Kent county citizens and folks in these parts regret to see them leave.

Mr. and Mrs. Rufus Herbst and Mr. and Mrs. E. L. Marx from McCaulley visited in the George Darden home last Thursday night and were guests at the Masonic oyster supper in Spur on the same evening.

There are only ten more weeks of school, counting this week, and school youngsters are counting the days.

Quite a contrast in the weather last week hot summer time weather and then on Sunday night a blue norther struck and ice is everywhere today. (Monday).

Just a little "ribbing" from the people and "pass the biscuits, oysters" O'Daniel will announce for Governor. Anyway, if such happens, then the natives will at least get to hear a lot of hillbilly music along the shores of beautiful Texas.

Mr. and Mrs. Lonnie Williams and family visited their daughter and family in Colorado City last week.

Mr. and Mrs. Arch Barnard from

Kermit were visiting Mrs. B. F. Spradling and other relatives in Girard last week end.

Kay Galbreath of Girard and Annetta Haile of Spur were week end visitors in the home of Ann Brown.

Fishing is good at the G. H. Brown lake, we hear. A fellow caught some nice croppie last week at the lake west of Girard.

GIRARD SCHOOL NEWS

Charles Parsley went with his family to Lubbock.

Mr. Smith Rees of Turkey visited Charles Parsley's family Sunday.

Bruce Browning went with his family to Fluvana, Sunday to visit his cousin.

Jerry Don Stanaland is happy because his brother has the cast off his foot.

Jerry Don's aunt of Colorado City visited him Sunday.

5th and 6th Grades Joe Bill went to Sweetwater.

Zanny Roy went to Snyder.

Bob Bowen visited the Lunas over the week end.

Mr. and Mrs. Robert Cherry and children of Lubbock visited in the Clyde Hagar home Sunday.

Bill and Eleanor Edward, came from Lubbock to visit the Stinnetts, Sunday.

5th Grade The 5th grade is still planning our banquet. Everyone is very excited about it and is working hard on it.

Freshmen The freshmen girls modeled their skirts and blouses, in the home-making style show Thursday. We all enjoyed it very much. We want to thank all of our parents for coming and visiting our classes during last week.

Barbara Cheyne spent the week end with Sandra Bingham from March 8 to March 12.

Nora Lea Long, Domingo and Sally were absent from school Monday.

Bernice and parents gave a party for a group of children last

Monday night. Everyone had an enjoyable evening.

Seniors We are all feeling rather relieved and most overjoyed over the senior play that we presented Tuesday night for the public. We had a very full house and brought in \$110. We hope the audience enjoyed watching it as much as we enjoyed presenting it to them. We would like to take this opportunity to express our appreciation to you for the wonderful support you have shown us this year.

Mickey Olliff had an appointment with the doctor at Lubbock who has been treating him since his injury he received during football season. We are glad to report that his condition is improving most satisfactorily.

F. H. A.

The Girard Chapter of Future Homemakers of America held a meeting in front of the student body and visitors for Public School Week, March 8. The Proclamation was given by Supt. M. H. Galbreath. Betty Parker was crowned queen of Education Week with Mrs. M. H. Galbreath and Charlene Rudder as runner-ups.

The F.H.A. chapter had the opening Ritual with the president, Janis Gregory, presiding.

The program consisted of a style show given by the freshman class. Sandra Bingham, Joann Brooks, Sally Cantu, Barbara Cheyne, Bernice Fincher, Nora Lea Long, Wanda Ann Montgomery, Wanda Joyce Smith, Betty Webster and Joann Williams modeled skirts they made in class and blouses they made at home. Janice Long, a sophomore, modeled a skirt and blouse as a home project. Ola Ellen Hooser and Clara Pearson, juniors, modeled dresses they made in class. Alta Jean Clark was the narrator for the show. Ruth Willis gave a talk on highlight, of the area meeting at Odessa.

The Chapter degrees were awarded to four junior girls. They were Kay Galbreath, Flora Lee Parker, Alta Jean Clark and Janis Gregory. Zana Lou Phillips introduced the girls, to go to the state meeting in Ft. Worth. They are Flora Parker and Janis Gregory.

Zana Phillips, Kay Galbreath and Flora Parker led the group in round, and some other songs. Robert Williams, was the speaker for the day.

SYSTEMIC INSECTICIDE CONTROLS INSECTS

Texas entomologists report that cotton grown from seed treated with new systemic insecticides has been protected against thrips, aphids, spider mites and leaf miners for four to six weeks from date of planting.

F. M. Fuller, Jr. and C. F. Garner, entomologists, Texas Agricultural Extension Service, say that the insecticide is compound 3911. A systemic insecticide is one that can be taken up by plants and translocated to all its parts.

Seed treatment such as this will replace the first two early season applications of insecticides, but will not be effective against the overwintered boll weevil. Application of a recommended insecticide should be made before the squares are one-third grown to protect the young fruits from weevils or other insects.

Individuals can not purchase Compound 3911 because of the hazards involved. Severe toxicity to man calls for extreme caution, and all seed containers must be burned. Farmers must transport their seed to and from the treating plant. There are two companies in Texas equipped for treating seeds, both are at Waco. Seed, can be treated at a cost of about three dollars an acre.

Advantages of the systemic insecticides are four to six weeks protection against certain insects, and elimination of the first two poison applications by spraying or dusting. Adverse weather conditions cannot destroy the effective-

ness of the poison in the plants, report the entomologist. Loss of time for transportation of seed, and three dollars per acre as compared to two dollars when dusting or spraying is employed, offer some disadvantage.

An estimated 6,200,000 acres of Texas crop and pasture were under irrigation last year. Grain sorghums and cotton were the leading crops irrigated.

From 1950 to 1954 the number of farms in the U. S. with some chicken, four months or older declined 19 percent. In the fall of 1954, 71 percent of the nation's farms had on hand some chickens.

Farm and urban families grew an estimated 567,000 home gardens last year. Extension horticulturists reported these gardens produced an estimated \$39 million worth of vegetables. The 1956 gardening season is here.

After lunch, the group toured the Y6 ranch house, which is furnished with early American and European antiques. The Y6 Ranch is famous for the quality of its commercial and registered herd.

Edna Frances Elam - Howard Wilson United In Church Ceremony Recently

Nuptial vows were recited by Miss Edna Frances Elam and Howard Glyn Wilson before Rev. Charles E. Fike at the Oak Lawn Methodist Church at Throckmorton in a ceremony Saturday night at 8 p. m.

Following wedding music by Hancel McCord, soloist, and Seid Howe, organist, Garnett E. Elam gave his daughter in marriage.

She wore a gown of Chantilly lace over ivory chrysalis, which she made and designed. The figurine bodice of lace was sculptured over a strapless chrysalis bodice fashioned with a sweetheart neckline, enhanced with a stand-up lace collar forming the face.

The tightly moulded bodice featured tiny covered buttons to the waist front. Long lace sleeves tapered to petal points over her hands. The voluminous lace skirt was floor length and worn over hoops. A tier of tulle petals, centered with pearl orange blossoms and edged with iridescent paillettes held her tiered finger-tip veil of French illusion. Her bouquet was a cascade design of stephanotis and Easter lilies.

The couple's mothers wore identical dresses of copper crystallure made by the bride.

Matron of honor was Mrs. R. G. Reynolds, Miss Betty Horn and Miss Lenora Wilson, sister of the groom from Aberrathy, were bridesmaids. The bride's attendants wore dresses of canary yellow chrysalis and carried copper chrysalis muffs, topped with yellow dutch iris.

Joe Garner served as best man. Groomsmen were Joe Coddell and Jack Hale. Ushers, were Charles Dilleboy, Jerry Hatfield and James Parkman.

HOME RECEPTION

Immediately following the ceremony, the reception took place at the home of the bride's aunt, Mrs. J. R. Sanford. Miss Frances Malison registered the guests. Mrs. Ray Shannon of Gainesville presided at the wedding cake and Miss Dawn Tims presided at the punch bowl. Members of the house party were Misses Betty Hopkins, Elaine Cooper, Virginia Morgan and Betty Matthews.

The bride is the daughter of Mr. and Mrs. Garnett E. Elam of Throckmorton. She attended Texas State College for Women and is a graduate of North Texas State College. She is serving as the current president of Delta Upsilon Chapter of Beta Sigma Phi.

Wilson's parents, Mr. and Mrs. L. S. Wilson, reside in Aberrathy. He is a graduate of Texas Tech. The newlyweds will make their home in Dallas, residing at 4318 Cedar Springs.

A good time was reported by all.

Go to Church Sunday

WCSA Meets At Church Recently

The Woman's Society of Christian Service met in general meeting March 12 in the church basement, with the president, Mrs. Walter Carlisle, presiding.

In the business session the following officers were elected: president, Mrs. Paige Gollibar; vice-president, Mrs. Hobert Lewis; recording secretary, Mrs. Walter Carlisle; treasurer, Mrs. W. F. Gilbert; secretary of promotion, Mrs. O. E. Barnett; secretary Missionary Education and Service, Mrs. Dee Haigrove; Christian Social Relations, and Local Church activities, Mrs. Horace Wood; Student Work, Mrs. Bill Gregory; Spiritual Life, Mrs. Tom Johnston; Literature and Publications, Mrs. Jack Rector; supply work, Mrs. J. T. Powell; Status of Women, Mrs. Eric Foster; and Wesleyan Service Guild, Mrs. J. D. McCain.

The Golden Age group was chairman of the luncheon and the afternoon session was led by Mrs. Dee Haigrove, who presented the study on "The Christian Mission in a Revolutionary World." This study will begin Monday, March 19 in the church basement at 3 p. m.

A benediction adjoined the meeting.

28 Attend YPFC Meeting Monday

There were 28 present at the Y.P.F.C. meeting Monday, March 12, at the Steele Hill Baptist Church. At the previous meeting there were 33 present, including nine young people from Wayland College. Everyone enjoyed the meeting and the Wayland group is invited to join the activities again.

The group would like to thank Mary and Howard Thomas, for their trouble and time they have spent in trying to make this organization a success.

The next meeting will be Monday night, March 19 at 7:30 at Steele Hill Baptist Church.

Luna Family Has Reunion Sunday

Thirty people gathered in the home of Mr. and Mrs. M. L. Luna of Girard Sunday for a family get-together. Mr. and Mrs. Luna have ten children, of which nine and their families were present. One son, Alvin, of Arizona was unable to attend.

Several of the group attended church at the Girard Church of Christ, prior to lunch which consisted of covered dishes brought by the women.

Mrs. Willis Hosts Antelope HD Club

The Antelope Home Demonstration Club met in the home of Mrs. John Willis on March 1.

Miss Brunson gave a very interesting program on the selecting of fabric, pattern and findings for a tailored dress. She also showed samples of materials for different types of figures.

Following the program, a surprise birthday party was held for one of the members, Mrs. Lou Windham, celebrating her 79th birthday.

Refreshments were served to thirteen members and three visitors.

The next meeting will be in the home of Mrs. John Burks, March 15th at 2 p. m.

Quilting Luncheon Held in George Home

The women began to quilt at 9:30 and after a delicious lunch, Mrs. Conley Smith, Agent for BeeLine fashions, supervised three games with Meses. Kelly Putman, Preston Smith and Ray George receiving prizes.

Ladies enjoying the day were Meses. John Gregson, Laird, Bill Ricker, Frank Sonnemaker, Keley Putman, Edna Hemphill, Donnie Pace, Forrest Martin, M. E. Tree, Jimmie Hahn, Wilbur Stanley, Willie Smith, Preston Smith, and Conley Smith.

The quilt was quilted for Sgt. and Mrs. Tommie Hemphill.

Hesitations from Complications

By Loyd Womack, Jr.

One good consolation that comes when the oldsters tell us youngsters we're too young to enter into public leadership is the standing example that they haven't done too well in a few cases themselves.

In looking through various articles Monday evening we ran across this tidbit from the Fort Meade (Fla.) Leader (Dem.)—Will a merchant who is wise, ever cease to advertise? Yes, when the trees grow upside down, when the beggar wears a crown; when ice forms on the sun, when gold dollars get too cheap; when women's secrets keep; when a fish forgets to swim, when Satan sings a hymn, then the man that's wise will neglect to advertise.

Monopoly is a word that has a bad sound to the ears of Americans. Yet, with the might of public opinion, we squelch it. It's the intangible monopolies that seem to be giving us all the trouble.

For instance, our young men often stand aside and wonder if it's worth all the trouble, expense and hardship to spend four to six years and up for a college degree, particularly in science and engineering.

Indifference, laziness, lack of ambition, contentment and confusion are trying to monopolize them and make them take the easy way out—an easy job, a

quick retirement and a life of ease from forty to sixty years. America challenges every young man to break these monopolies and put his shoulder to the wheel and push with zeal and determination. At present, Russia is graduating two-and-a-half times as many engineers as we are. We need between 50,000 and 90,000 engineers and scientists annually to protect our freedom from aggression and to satisfy the demands of our industrial economy.

Mrs. A. G. Dunwoody and Mrs. Jina Haney and son, Mark, visited in Brownfield Sunday in the home of Mrs. Dunwoody's sister, Mr. and Mrs. E. V. Riley.

HOSPITAL NOTES . . .

Cecil Fox and Horace Wood were admitted March 5 as a result of a car accident. Wood was dismissed March 10 but Fox is still undergoing treatment.

Mrs. Rosa Overton of Jayton is receiving medical care after being admitted March 6.

Nona Starcher of Spur received medical treatment for five days beginning March 7.

We wish to thank the members of the various clubs of Spur for completing their project "Beautification of Hospital Grounds". We are proud of these people who make up our civic groups, and we have said before and are glad to repeat, no other city large or small can boast of a more active, progressive or civic minded citizenry than ours.

The following groups and individuals contributed to the project in labor, time and money. We feel that it was such a successful step forward that we want to thank you all, individually and collectively: Rotary Club, Lions Club, Garden Club, 1931 Study Club, 1933 Study Club, 1917 Study Club, 1925 Bridge Club, 20th Century Study Club, Sheriff's Posse, Mrs. C. C. Wright, Mrs. J. F. Hughes and Ratliff, Conner and Walker.

The F.P.A. boys under the direction of Bill Gregory, showed their interest and sportsmanship by enthusiastically putting forth effort and energy to plant the shrubs. They are as follows: Charles Love, Kent Morgan, Kenneth McClannahan, Marshall McGalliard, Lynn Parker, Dannie Randall, Robert Rex Robinson, Freddie Scott, Doris Soules, Kenneth Smith, Jimmy Wade, Dale Williamson, Ernest Wilson, Coy Wilson, Curtis Wooten, Billy Gordon, A. C. Inspection Deadline April 15

Safety inspections of the nearly four million motor vehicles registered in Texas is "falling seriously behind schedule" with the official deadline only six weeks away.

This was reported today by the Highway Safety Council of Texas after a spot check of authorized inspection stations for the week ending March 3.

Executive Director G. C. Morley of the Council said that inspections had "held to a satisfactory pace until January, but inspection stations—particularly in

Cotton Congress To Be Held In Lubbock May 31 - June 2

South Plains, cotton production and marketing problems will receive special attention during the seventeenth annual American Cotton Congress, to be held in Lubbock, May 31, June 1 and 2.

This announcement was made Monday by Burrus C. Jackson of Hillsboro, Chairman of the Congress, after an advance meeting of the program committee in Lubbock.

"We will attempt to analyze the major current problems of the cotton industry, with particular emphasis on those involving the South Plains area," Jackson said. "Principally, these are problems of price and quality. Because of the importance of this area in U. S. cotton production, these problems must be solved here if they are ever to be solved nationally," he added.

Speakers for the three-day sessions will include leading cotton authorities. A partial list, released Monday, includes Earl Heard of West Point, Ga., vice-president of the West Point Mfg. Co., and former head of the textile department at Texa, Tech; F. Marion Rhoads of Washington, D. C., director of the Cotton Division U. S. D. A.; and Dr. M. K. Horne, Jr., of Memphis, Tennessee, chief economist of the National Cotton Council.

Round Table To Be Held At Tech

Citizens' groups in 12 West Texas communities will hold round table, this week (March 11-17) on "Schools for Tomorrow." Wendell Williams of Texas Tech has announced.

Delegates from the community round tables will attend a regional conference on that subject March 21 at Tech, according to Williams, a Tech Adult Education Program executive.

The discussion of school problems are sponsored by the West Texas Council on Adult Education and the Tech Adult Education Program.

Communities at which citizens' round tables are scheduled this week include: Coahoma, Stanton, Plainview, Amarillo, Lamesa, Borger, Hereford, Brownfield, Big Spring, Sweetwater, Sour, and Lubbock.

Metropolitan areas—report that the required safety checks have been falling seriously behind schedule during the past six weeks.

Deadline for the inspection of vehicles registered in Texas is April 15.

WHEN YOU GO OVER TO OLDS!

OLDSMOBILE

ROCKET 'ROUND THE BLOCK... AT YOUR OLDSMOBILE DEALER'S!

Edwards-Kelley Imp. Co.

Phone 53 Spur, Texas

It's a matter of record! You get more for your money in Olds for '56! Oldsmobile owners have known this for years, and many of them have enjoyed the pleasure of Rocket performance for less than the cost of owning one of the small "lower-priced" cars.

Let us show you the facts and figures. You'll see that it's easy to get out of the ordinary and into an Olds... that it's good sense to make the move now!

For example, look at what you get. Start with power. Oldsmobile pioneered the high-compression engine with the Rocket Engine. The 1956 Rocket is mightier, peppier than ever, with a 9.25 to 1 compression ratio! Take your choice of 240 horsepower in Super 88 and Ninety-Eight or 230 horsepower for the lower-priced '88.

Want trend-setting style? Olds shows the way again with the double-duty beauty of the new "Intagrite" front bumper. It's no sturdy bumpers in one—and a smart grille boulder!

And you'll never know what a pleasure riding and driving can be until you've tried an Olds. This car struggles down to the road, holds a straight-as-a-string course, rounds a curve dead-level.

You'll find many of the reasons behind this marvelous roadability in the new Safety-Ride Chassis. Oldsmobile's six-point suspension features such advances as dual stabilizers, center-control steering, and a heavy, solid-unit frame. It all adds up—come try a Rocket ride yourself! We feel sure we can show you the greatest values ever in the car that holds its value high!

WHY JOIN THE FARM BUREAU

Agriculture is vital to the state of Texas. For that reason it is important that every farmer and rancher in this state join an organization that is seeking to promote, protect and preserve agriculture.

Since its inception on a national basis in 1919, the Farm Bureau has been striving to obtain and maintain a higher standard of living on the farm and ranch. It has had many notable successes on both state and national levels. Altogether, the American Farm Bureau has been responsible for passage of more than 200 pieces of national legislation beneficial to agriculture. It has defeated many bills that would have been harmful to agriculture.

On the state level, the Texas Farm Bureau has also helped Texas agriculture through its legislative program. The state farm organization was responsible for the passage of the present rural road program. It has also been able to obtain and retain tractor gas refund and many other benefits.

As an individual, a farmer and rancher has no voice in helping

TELEPHONE TALK

by J. C. Oakley, Manager

MIGHTY MITE

In the telephone business, we must look beyond tomorrow and into the future for new ways to improve service. And the Bell Transistor, a new electronic gadget, is one of the most exciting developments in many a day.

It's so new that it was an unknown word in my vocabulary not so long ago. But the Bell Transistor is in actual telephone operation already in a few places, helping Long Distance operators to dial direct to distant cities.

Invented by telephone scientists, the Bell Transistor - which consists of a tiny piece of metal sprouting a couple of hair-thin wires - is the first practical replacement for many present vacuum tubes. But it can do many things that a vacuum tube cannot do, and takes far less power to do it. It can, for example, amplify sound waves one million times their original strength. Transistors won't get hot, won't burn out, and have a life expectancy of 50 years.

Tiny transistors - an ordinary thimble will hold seven - are also helping modernize the communications equipment field. They are being used in radio and television sets, hearing aids, military equipment, and in many other electronic devices.

The telephone company is proud of its miracle mite. With good reason. More than anything else, the Bell Transistor represents another step forward in a continuing effort to bring you the best telephone service possible.

CALL BY NUMBER

You know, there are a number of expressions which used to be just "telephone lingo," but have now become familiar terms to everyone who uses the telephone.

First came "Long Distance" which people learned to associate with calls to other towns. Now you've adopted "Call by Number" as a familiar term. That's good news for us and for you, too.

By placing your calls by number whenever you make a Long Distance call, you're really saving time. Calls go through twice as fast. Talking about Long Distance, anytime is a good time to call your family or friends just to keep in touch. Why reserve Long Distance calls for holidays or special occasions? Make Long Distance a habit at your house - it's the most personal way to keep in touch.

How about calling tonight? Remember: Rates are lower after 6 p. m., and all day Sunday.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

CARD OF THANKS

We wish to express our sincere thanks and gratitude to our many friends and neighbors for their kind words of sympathy, floral offerings, and food they brought us during the loss of our beloved baby boy, Danny Paul Briggs.

May God bless each of you in our prayer.

Mr. and Mrs. Alfred A. Briggs, Jr., Mr. and Mrs. Clyde Beam, and brothers and sisters of each family.

CARD OF THANKS

To all our friends, we wish to acknowledge with greatest appreciation the kind expressions of sympathy of the loss of our loved one.

The family of L. N. Harrison

JURY DUTY

One of these days—perhaps soon—you may get a notice telling you to report for duty—and to "fail not." In serving, you share one of the most solemn duties known to our democracy. Some people try to get out of

jury service. It may be inconvenient or unpleasant. Yet, when you should think of this as a chance to help make good one of the promises of our Constitution—trial by jury. Say the following to yourself.

"My forefathers wrested my right to serve as a juror from tyrants.

"Under our law one's life, liberty, or property can be taken without due process of law.

"Trial by jury is our basic right. All who seek their day in court should have a fair hearing. They will get it from me.

"I will not ask to be excused from jury service except in an emergency.

"On my oath I will and truly try each case before me, and a true verdict render under the law

given me by the judge and the evidence at the trial without fear, favor, or hope of reward.

"I will listen closely, with open mind to all of the testimony, instructions, and arguments. I will not make up my mind until all the facts are in and the judge has instructed the jury on the law.

"I will search for the truth regardless of wealth or poverty, friendship or enmity, of any party or witnesses.

"To someone my decision may mean the difference between freedom or imprisonment, poverty or wealth.

"Justice, once but a dream, is a reality when I, as a juror, do my full duty. No act of mine shall bring shame to our system of liberty under law."

(This column, based on Texas

law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

The safest place to fly a kite is an open field or pasture. There the danger from power lines and traffic hazards are no problem.

The annual meeting of the Texas Safety Association will be held at the Baker Hotel in Dallas, March 26-27. The section on farm and ranch safety meets the afternoon of the 26th. Those interested in farm safety are invited to attend this section meeting.
