## Duck Creek Soil Conservation District

### NEWS NOTES

E. F. Shugart, Chairman Clark Forbis, Secretary  
C. P. Witt, Vice-Chairman Gilles McCrary  
K. P. Brantner

District Supervisors E. F. Shugart, Clark Forbis and K. P. Brantner met in Spur last Thursday afternoon for their regular monthly meeting.

Plans were made for the observance of Soil Stewardship Sunday and week, from May 26 to June 1. Special editions of local newspapers will highlight the week's observance. Churches throughout the district will be contacted and requested to have special services—pointing up the responsibilities we have as stewards of the soil.

Ten conservation plans were approved by the board Thursday. Five of these plans in the Spur Work Unit are John A. Scott, Ralph Bennett, V. L. Graves, W. G. Hinson and James A. Bridge. S. C. S. technician John H. Taylor assisted these landowners in developing the plans.

Participants in the conservation reserve of the soil bank program are busy making plans for or preparing their lands to seed cover crops or seed permanent grasses. This program is affording a good opportunity to landowners to convert submarginal, steep and thin land back to native grasses, observe S. C. S. technicians. Technical assistance in planning is available from these technicians for the work.

Building terraces at this time

## Girard Elects Clark, Hodges, Stephens

At the trustee election held in Girard last week Woodrow Hodges was re-elected and two new trustees won places on the board, Alton Clark and Orwin Stephens.

On Monday night the board met and organized for the new year. Udell Cooper was made president, John Neskorick, vice-president, and Woodrow Hodges, secretary.

Other hold over members of the board are Willis Long and W. T. McIntoch.

## Posse Will Send 15 To Sante Fe

Fifteen members of the Dickens County Sheriff's Posse plan to attend the Fourth Annual Round Up of the American Association of Sheriff's Posses and Riding Clubs, being held this week end in Santa Fe, N. M.

The group representing Spur and Dickens County will load their horses at 6 p. m. today, Thursday, April 18. Most of them plan to leave for Santa Fe some time tomorrow.

The three previous roundups of the association have been held here in Spur.

Everett McArthur, president of the local organization, reports that there are now 120 clubs in the association, representing 20 states and Canada. A New Jersey club has 18 reservations for the Santa Fe meeting.

## THIRD SUNDAY SINGING

The regular Third Sunday Singing will be held Sunday, Apr. 21 at the Bethel Baptist Church, beginning at 2 p. m. All singers and those who enjoy hearing good singing are invited.

## Fire Dept. Still Unimpressed By SWB Dial System

Report to the People of Spur—Number 5  
Since you have been last contacted, your petition was excepted by the City Commission and forwarded to the top-most officials of Southwestern Bell Telephone Co. for immediate action.

Last Saturday, Southwestern Bell Telephone Co. officials from Lubbock and Plainview spent the entire morning prying the dial telephone system without local emergency facilities and impressing the Fire Dept. very little if any. Our present system is the only system that we can depend on. This is the system we want to keep.

Mr. Stiles and Mr. Oakley offered the same old story as we had heard from Mr. Oakley some time ago. It is hard to explain to men that know little or nothing of the pride and work that we have put into our emergency system, the complications that arise that the dial telephone machine can't handle.

Those dial phones can't think. We must keep in mind that some emergency and fire call must travel on 100 miles of exposed lines. These lines are subject to hazards too numerous to list.

The Spur Fire Dept. has been taught to leave as little to chance as possible. We know that any other emergency system offered by Southwestern Bell Telephone Co. can't be as efficient as the one we now have.

The people of Spur have spoken loudly and clearly as to their desires in this matter. If nothing is forthcoming from SBTC in the way of a satisfactory reply it would appear that their interest in the Spur community is solely commercial.

It is hard to understand how Southwestern Bell can completely ignore the wishes of the citizens of Spur, their elected officials, and the Spur Fire Dept.

(signed) SPUR FIRE DEPT.  
Spencer Campbell, Chief  
Dr. Joe Alexander, Sec'y

Mrs. Emma B. Russell was here over the week end visiting. She has moved from McAllen to Lubbock.

## EMERGENCY FEED GRAIN PROGRAM EXTENDED

Walter T. McKay, State Director, Farmers Home Administration today advised John E. Quattlebaum, County Supervisor of the Kent Counties for assistance under the Emergency Feed Grain Program. Under this designation, farmers and ranchers may now file applications through April 29, 1957 to provide feed grain for basic livestock herds through May 15, 1957.

## SPUR METHODIST CHURCH TO HAVE FAMILY NIGHT

Plans are being made for Family Night at the Spur Methodist Church, to be held May 8 at 7 p. m. at the church.

All families are invited and urged to attend, states Rev. Cal Wright, pastor. "Mark your calendar now and make plans to have the entire family attend," he urges.

Mr. and Mrs. Raymond Ince and children, Cynthia, Ray and Nancy, of Lubbock, visited their mother, Mrs. D. B. Ince, over the week end.

## Cancer Drive Proceeds Near Goal

With two communities yet to report, a total of \$874.18 has been turned in to the County Chairman on the Cancer Fund Drive. The quota for the county was put at \$900.00 so all drive workers feel confident that this amount will be exceeded when all reports are in. Next week it is hoped that a final report from all chairmen can be published.

## SURPLUS FOOD COMMODITIES TO BE DISTRIBUTED

Judge W. H. Hindman announces that the food commodities have arrived for distribution and will be available for eligible persons on Tuesday, April 23, and Wednesday, April 24 on the same basis that has been used in the past.

Judge Hindman adds that there are plenty of beans available this time.

Mrs. Roberta Puschel spent Monday and Tuesday in Lubbock visiting Mr. and Mrs. Jimmy Noisand and attending to business. While there she attended the Home Show.

## Ninth Annual Meeting Of Caprock Lawmen April 25

Over 500 Expected At Wood Ranch; Crimemobile Due Here

The Caprock Peace Officers Association will have its ninth annual all-day barbecue and meeting at the Horace Wood Ranch next Thursday, April 25.

Highway patrolmen, sheriffs, deputies, city policemen, game wardens, federal men, and several other types of law officers are expected to push the attendance at the annual affair to over 500 this year. Area students are also expected to swell the attendance figure well above last year's 318.

An added attraction to the gathering this year will be the Crimemobile, a large van display of crime detection and prevention equipment, oddities, technical apparatus, etc. used in Texas. The Crimemobile is sponsored by the Texas Law Enforcement Foundation and has been seen by an average of 32,000 Texans a month since its origin.

The Crimemobile will be exhibited at the peace officers' meeting all day Thursday, and then here in Spur on Friday.

District Judge L. D. Ratliff is to be the principal speaker at the meeting next week. Judge Cecil Berry of Crosby County will make the welcome address.

Again this year the peace officers will compete in the Rattlesnake Rodeo as part of the afternoon's recreation. The peculiar sport consists of shooting at the head of a live rattlesnake just a few feet from the shooter. The sport was originated at the meeting a few years ago.

Many improvements have been added to the site of the annual gathering, located in north Kent County, south of Spur. New masonry barbecue pits have been built, stands erected for spectators at the Rattlesnake Rodeo, lights have been installed, and other improvements have been made.

This annual gathering of caprock area peace officers began back in 1949 when six men met at Wood Ranch for a barbecue.

## Council To Ask WTU For \$25,000 Offer

Raise In Annual Lease Is Only Major Change Asked In Proposal

### Rita Williams Is Winner of Local KP Speech Contest

Miss Rita Williams, daughter of Mr. and Mrs. Robert Williams, was first place winner Monday evening of the annual Knights of Pythias speaking contest. The contest was held in the East Ward auditorium.

Mike Hairgrove was second place winner.

Miss Williams will now go to the state contest at Mineral Wells and if she wins there, will go on to the national contest in Memphis, Tenn.

The Spur grade school choir, under the direction of Mrs. Madge Carlisle, presented added entertainment on the evening's program.

Visiting the local KP lodge for the speaking contest were Ralph Brock, Ed Boedecker and Les Crews, all of Lubbock.

The city council of Spur met in a special session last night, Wednesday, to discuss and consider the lease proposal presented to them by West Texas Utilities on the city's light plant and electrical system.

Following the meeting Mayor Reese McNeill stated that the council will seek a meeting with WTU officials in the next day or so to discuss several changes that the council feels should be made in the proposal before it is considered further. The major alteration in the proposal is a raise of the annual lease on the system from the proposed \$20,000 to \$25,000. Over the period of 40 years, the lease would then amount to \$1 million.

Other changes to be suggested by the council, states McNeill, are minor in nature and deal primarily with details.

The mayor said it is the hope of the council that a proposition can be agreed upon that the council can recommend 100 percent to the people of Spur by the time of the next council meeting.

### L-League Meeting Called For Tonight

All Little League and Pony League team managers, sponsors, supporters and last year's commissioners will have a meeting at 7:30 p. m. tonight at the high school study hall, announces Bob Johnson, commissioner.

The meeting will be held to elect this year's commissioners and to lay initial plans for the local program of the leagues for this year. Johnson points out that a lighted field on which to play will be one of the major items of discussion.

This first meeting is primarily for the adult leaders of the leagues and a meeting with the boys will be held later.

Last year's commissioners include Johnson, Earnest Kearney, T. B. Watson and Joe Watson.

### Don McGinty To Head A & M Council

Donald D. McGinty, junior animal husbandry student from Spur, has been named president of the Memorial Student Center Council and Directorate at Texas A. and M. College for the 1957-58 school year. He will take office at the annual Council-Directorate banquet scheduled later this month.

McGinty will assume supervisory responsibility for all student activities which originate in the MSC, including 19 regular committees. The Council establishes policy for the Directorate and governs the budget. The Directorate, composed of committee chairmen, is the coordinating body between the Council and actual operation of the activities under their various individual budgets.

Registration will start a 9 a. m. and the Grand Entry is set for 10 a. m.

### SUNRISE EASTER PAGEANT EAST OF DUMONT

The Methodist and Baptist Churches of Dumont and Guthrie are having an Easter Pageant to be held at sunrise on Easter morning.

The service will begin at about 5 a. m. and everyone is invited. The location is five miles east of Dumont on Farm Road 193.

### Ben Hagins Buried Here Wednesday

Benjamin Lee Hagins, 48, was buried in the Spur cemetery yesterday, Wednesday, April 17, 1957 following funeral services at the First Baptist Church.

Rev. Clyde Spann officiated, assisted by the pastor, Rev. Riley Fugitt.

Hagins was born here in Dickens County on February 10, 1909, and died here on April 16, 1957.

On June 23, 1938, at Ft. Worth, he married Miss Lucy Lee Day and the couple made their first home here in Spur. He was converted to the Christian religion in 1948 and was a member of the Steel Hill Baptist Church.

Nephews served as pallbearers. Survivors include his wife, Mrs. Lucy Lee Hagins, a daughter, Alice Ruth Hagins, two sisters, Mrs. Effie Brandon of Seminole, Tex., and Mrs. Agnes Blair of Lamesa, and three brothers, George of Dimmitt, Hugh of Spur and Ira of Gale, Tex.

Campbell's Funeral Home was in charge of arrangements.

### Plans Made For Dickens Egg Hunt

The Dickens school children should each bring some candy eggs and a picnic lunch, and all mothers who can should bring a gallon of punch for the Easter egg hunt.

The students will leave the Dickens school at 10:00 Friday and proceed to the Spour Park where they will play games and eat lunch. Then the Easter egg hunt will begin. They will leave on the return trip to Dickens at approximately 3:00.

A separate place will be provided for the pre-school children to hunt.

All mothers are urged to be at the school on Thursday to help color hen eggs for the hunt.

### JR. HIGH GIRLS WIN VOLLEY BALL TOURNEY IN FLOYDADA

The Junior High School girls won the Interscholastic League volleyball meet in Floydada. The girls defeated Slaton, Post and Abernathy.

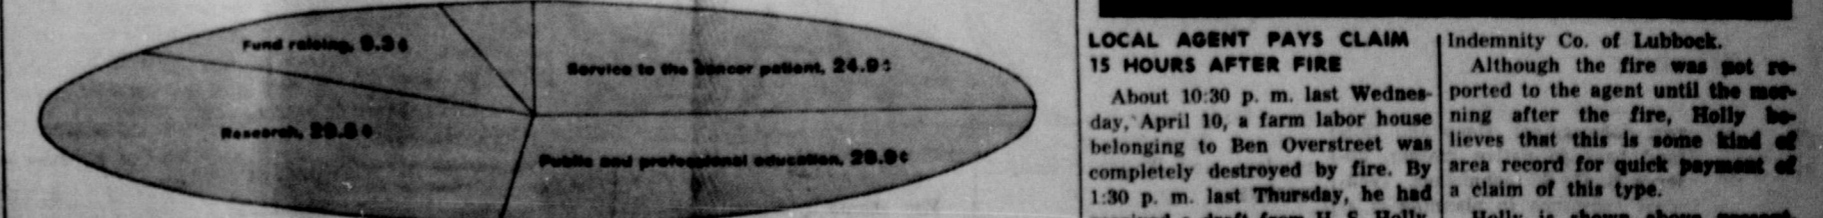

Members of the team are: Janis Powell, Sandra Foreman, Becky Thatcher, Nancy Latham, Jane Fitzgerald, Sandra Shearer, Karen Drennon, Shirley Morgan, Julia Castro, Nettie Jo Smith.

### WATER MEETING AT RALLS TONIGHT

The officers and directors of the White River Municipal Water District will meet in Ralls tonight to consider further the revised engineer's estimate that has boosted the estimated cost of the White River Project to \$3.5 million.

Lynn Buzbee, director, and chairman of the Spur water committee, states that the Spur group will go to the meeting anxious to hear the reactions in the other three member cities. He states that the local group has met and decided not to come to any definite decisions on the matter until more information is had. The actual taxation probable on current valuations or the rate per gal. to member cities has not yet been determined since the new figure was reported by the consulting engineers.

## HOW THE AMERICAN CANCER SOCIETY DOLLAR IS USED

Your dollars go far fighting cancer on many fronts. Fight cancer with a checkup and a check. Give to the American Cancer Society.

### LOCAL AGENT PAYS CLAIM 15 HOURS AFTER FIRE

About 10:30 p. m. last Wednesday, April 10, a farm labor house belonging to Ben Overstreet was completely destroyed by fire. By 1:30 p. m. last Thursday, he had received a draft from H. S. Holly, local insurance agent, a draft for \$1500 on the Western Fire and

Indemnity Co. of Lubbock.

Although the fire was not reported to the agent until the morning after the fire, Holly believes that this is some kind of area record for quick payment of a claim of this type.

Holly is shown above presenting the draft to Overstreet at the fire scene. Photo by Morgan

# Roaring Springs...

Mrs. Sam Lee returned to her home in Hereford Monday after a visit here. She was accompanied by her daughter, Mrs. John Meason.

Mr. and Mrs. Steadham Conway and children, Linda and Junior, spent the week end in Chickasha.

GEARED TO SOUTHWESTERN LIVING

"You'll like it even better when you drive it!"

Neighbor: Say, your new Olds sure looks like a lot of car!  
Olds Owner: That's nothing, wait'll you take a ride.

(A few minutes later:)

Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!

Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!

Neighbor: What's that? Tell me how it works.

Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!

Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!

Olds Owner: Better see your Olds dealer. He's expecting you!

### Dry Lake Community News.

Mr. and Mrs. E. J. Lassetter were called back to Santa Fe hospital in Temple for the second time last Monday, April 1, to be with her brother, Bob Allison, who was found unconscious in his home in Brownwood on March 24. They found him better and drove on to Glidden, Texas, for a visit with her sister, Mr. and Mrs. J. H. Ashcraft and were met there by a brother, Mr. and Mrs.

Claude Allison of Rosenberg. A sister, Mrs. J. R. Jacksay of Houston and a nephew, Mr. and Mrs. Melvin Ashcraft, of Columbus also were there. Bob Allison is slowly improving at this writing. Mr. and Mrs. Bob Pickens made a business trip to Anson and Abilene last Monday. Those attending the district M Y F in Lubbock at the First Methodist Church from Foreman

Chapel Church Sunday were; Rev. Tommy Strother, Miss Wanda Wright and sister Barbara, and Mary Joe Calvert. Rev. and Mrs. R. D. Hill and Mrs. Bob Dixon drove to Lubbock Sunday to visit Mrs. Della Merriman, who is very ill with a broken leg in Methodist hospital. We are sorry to report Mrs. T. N. Morgan was suffering over the week end with a very severe headache. Rev. and Mrs. Raymond Smith and son, Alan Wayne, had dinner Sunday with Mr. and Mrs. Ellis Draper. Mrs. Boyd Ball and children, Ronda and Gordon of Brownfield, spent last Thursday with Mr. and Mrs. W. E. Ball. Mr. and Mrs. John Aston visited Mr. and Mrs. Willie Allen and Miss Bettie Cartwright Sunday afternoon. The Dry Lake Baptist Church had a business meeting Sunday and set May 27 through May 31 for their vacation Bible school. Mrs. Ethel Ballard of Antelope Community attended church at Chapel Church Sunday were Rev. and had dinner with her son, Mr. and Mrs. Buck Ballard. T. N. Morgan Jr. arrived home from Korea Sunday morning. He had been gone a year. He joined his wife and son, Tommy, here. He will be stationed in Maryland where he will move with his family. Mr. and Mrs. Marshall Cox of near Jayton spent last Monday with Mr. and Mrs. John Coursey. All who wish to hunt Easter eggs Sunday at Foreman Chapel Church bring your eggs to Sunday School. Mrs. Ethel Ballard and Mrs. Jerry Ballard and Donna Kay visited Mrs. Coy Dopson Sunday afternoon for a while. Other visitors at Foreman Chapel Church Sunday were Mr. and Mrs. Roy Caplinger, Mr. and Mrs. Adrian Rickels. We welcome visitors any time. Mr. and Mrs. Dick Wright visited Mr. and Mrs. E. J. Lassetter Sunday afternoon. Mrs. Bob Pickens reported that Mr. Pickens sister, Mrs. Marlin Rogers, has had another heart attack. These girls are the ones reported to go to Abilene Tuesday from Dry Lake in the Jr. Class on a field trip: Ann Austin, Nancy Powell, Charlotte Karr and Nelda Hahn. Mr. and Mrs. Paul Martin of Gilpin spent Wednesday afternoon with Mr. and Mrs. Bob Dixon. Mrs. T. A. Johnson's father, Mr. Mat Dawson, is in Spur Memorial hospital in a very critical condition. Sandra Ballard spent Sunday with Landa Coursey. Rev. Tommy Strother brought two good sermons to Foreman Chapel group Sunday. Mr. and Mrs. John Coursey visited with his brother, Mr. and Mrs. Kenneth Coursey Friday night until bed time. Kenneth Coursey is with the Myles irrigation rig this week in Paducah, testing for wells. Mrs. E. J. Lassetter came down with a cold Friday night and was still unable to attend church Sunday. She is feeling better at this writing.

**YOU, CITIZEN**  
Proud men and women, ancient and modern, who fought free of tyranny, have taken the name of citizen. Others may call themselves subjects, denizens, slaves, etc.  
For the Greeks, with rare exceptions, citizenship came by blood. You had to be born a citizen's child. But the Romans, like us, found ways to make citizens of those who came up to certain standards: As Gibbon said, the Romans sacrificed "vanity to ambition; and deemed it more prudent as well as honorable, to adopt virtue and merit for her own wherever found—among slaves, strangers, enemies or barbarians." American citizenship is an office which carries power, privilege, and duties. Only citizens can do certain things—for example, teach in many school and colleges, become lawyers, hold certain political or civil service offices. You are a citizen if naturalized or born in the United States (subject to its jurisdiction); and in certain circumstances if born outside the United States to parents of whom one or both are American citizens. As in ancient Greece, citizenship in most lands comes through blood; but American citizenship comes chiefly by place—where you were born. (So dig out your birth certificates or naturalization papers if you can find them, and put them away safely; you may need them for many reasons, for example, to travel in foreign lands under U. S. protection.)

The Fourteenth Amendment holds that place of birth fixes native citizenship — all persons born in the United States. Your birth in this country automatically makes you a citizen unless you are not subject to U. S. jurisdiction, as in the case with diplomats' families and certain travelers. In 1898 Chinese parents who themselves could then not become citizens, became parents in San Francisco of a son, Wong Kim Ark. Years later this fact settled the whole thing for the U. S. Supreme Court — he was a citizen. Nothing else mattered: not his parentage nor blood, nor his race, color, creed or ancestry.

Not all American Indians used to be citizens — only those whose tribal treaties with the federal government included citizenship. But in 1924 Congress made all American Indians, no matter what tribes, United States citizens. (This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

## the river that flows on wheels

**More petroleum moves over Santa Fe than over any other railroad in the country**

The 2,384,000,000 gallons of petroleum that Santa Fe moves every year is the river that flows on wheels. It's so large that it makes Santa Fe the No. 1 petroleum railroad in the country. This flood tide of oil gives heat and power to farms, factories, military installations and homes all over the nation. The tremendous demand for petroleum, in all its forms, poses special problems for Santa Fe. For it requires speed and service to keep that river flowing full force. Here are a few of the ways we get the job done: We move empty tankers just as fast as full ones, so no vehicle will stand idle. As new oil fields are opened up, we stand ready to serve them. And when new developments take place within the industry, we adapt ourselves to take care of them. As an example, take liquefied petroleum gas. The demand for it has skyrocketed in the last 10 years, because with this "bottled gas" rural families can cook and heat with gas just like city people. And the railroads have made it possible for them to get it. Santa Fe runs special LPG trains when the demand for this product requires it. In a year, these trains carry enough LPG to heat over 500,000 homes from November through April. This is just a part of the story of the dependable transportation service Santa Fe is providing to essential industries that contribute so much to the welfare of our country.

### Miss Galbreath Feted At Shower

Miss Kay Moodine Galbreath was honored on Saturday afternoon, April 13, at 4:00 with a bridal shower presented by members of her Sunday School class. After a number of guests had arrived, Miss Galbreath was presented with a large "Special Delivery" package of unhemmed cup towels. Each guest present was given a towel and the necessary needle and thread to put in a hem. As other guests arrived, they also were given towels to hem. After the towels were finished, packages, which had been collected during the afternoon were opened and the honoree displayed many articles useful in a bride's kitchen.

Miss Galbreath is the daughter of Mr. and Mrs. M. H. Galbreath of Girard.

She is the bride elect of Douglas Monzingo of Stamford, Texas. Hostesses for the shower were the Spur members of the Gamma Eta Chapter of Delta Kappa Gamma.

Mrs. Galbreath is a member of this organization. The hostesses were assisted by Misses Lanelle and Rozelle Marey, members of the Sunday school class.

Besides members of the Sunday school, other guests were Mrs. B. C. Cairns, Mrs. A. H. Marey, Jr., Mrs. M. H. Galbreath and Miss Elizabeth Williams.

### Elizabeth Williams Feted On Birthday

Elizabeth Williams, daughter of Mr. and Mrs. Louis G. Williams of Spur celebrated her eighth birthday on April 12 by presenting members of her class at school with balloons and rubber balls on a rubber cord; then serving each classmate with a piece of birthday cake.

On Sunday, April 14, Elizabeth was the honoree at a birthday dinner. Mr. and Mrs. F. W. Jennings, Mrs. Basie C. Cairns, Mr. and Mrs. Louis Williams and Elizabeth's brother, Bill, were guests.

### COMING...

Sun. - Mon. - Tues. April 28, 29, 30

We want to tell you about a special kind of movie!

**BATTLE HYMN** is the story of a strange and wonderful deed wrought by a strange and wonderful man.

**BATTLE HYMN** is the story of Col. Dean Hess, who traded his preacher's pulpit for the cockpit of a fighter plane. He was one of Hell's angels in Korea—and he became the guardian angel of the forgotten children of that ravaged land.

**BATTLE HYMN** is the true story of one man's great heart, and compassion and love. It is one of the most entertaining, beautiful and inspiring movies ever made.

Don't miss it!

### Furniture Fashions Studied By Club

The 1951 Study Club met in the home of Mrs. John Dunaway, April 16, with Mrs. Louis Arnold as co-hostess.

Roll call was on Fashions in Furnishings with Mrs. JuDon Rieckels as leader. The group was shown a film on this subject also.

The members attending the meeting were: Mmes. Bill Glenn, Alfred Walker, W. D. Blair, Jr., Earl Burnett, W. B. Francis, Dalton Lehw, James Jay, Everett Martin, C. L. Berry, Douglas McArthur, Harold Karr, JuDon Rieckels and hostesses, Mrs. Louis Arnold and Mrs. John Dunaway.

### Gardening Studied By Espuela Club

On April 4 the Espuela Home Demonstration Club met in the home of Mrs. D. I. Loe.

Opening exercise was led by Mrs. Jim Barron.

A program about "Gardening" was given by Mrs. Harold Karr, who gave "Garden Reminders". Mrs. Toby Collett suggested that you "Choose Now the Garden You Want", and Mrs. T. A. Johnson gave the "Latest Garden News". The club planned to invite Mrs. E. J. Lassetter, of the Dry Lake Club, to give a demonstration on making hook rugs.

Following recreation, refreshments were served to Mmes. Jim Barron, Collet, Karr, Johnson, Ramsey, Delisle, Ball, Johnson, Dixon and Loe.

The next club meeting will be April 18 in the home of Mrs. Bob Dixon. Each member is to bring a household hint.

### Janie King Honored At Bridal Shower

The home of Mrs. John Dunaway was the scene of a bridal shower honoring Mrs. Dean King, nee Janie Alexander, on April 12.

The table was covered with white net over orchid; and centered with white carnations, each in a setting of orchid net.

Punch, cookies and nuts were served to the guests.

Hostesses for the occasion were: Mmes. George Gabriel, Joe Long, A. G. Dunwoody, Louis Arnold, John F. Moore, O. R. Cloude, A. V. Hoover, Nora Lahman and John Dunaway.

### Dry Lake WMS Has Bible Lesson

The Dry Lake WMS met in the home of Mrs. Len Bass Monday afternoon in a regular meeting. Their lesson was from the Bible with each one entering into the discussion.

## Gracious Living

by GLORIA WRIGHT  
Noted Homemaking Authority

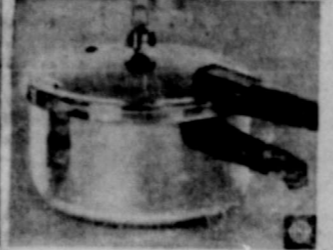

### How to Take Care of Your Stainless Steel

Because stainless steel is easy to care for, more and more items are being manufactured in this most modern metal. Very recently a beautiful new line of hollowware—from exquisitely styled serving dishes and platters to sleek, efficient stove-to-table casseroles—was introduced by one of the leading silver companies. We've long been accustomed to large appliances, such as ovens and counter-top ranges in stainless steel.

Now an increasing number of small appliances are appearing on the market in this easy-care-for metal such as the coffee maker and pressure cooker pictured here. Newest style in stainless steel pots and pans is the handsome and practical "square look". Square pans have greater capacity and are space savers both on top of the range and in the oven.

I therefore asked Richard E. Paret, the executive secretary of the Committee of Stainless Steel Producers, American Iron and Steel Institute, what he would suggest as five basic rules for the care of stainless steel. Here's what he said:

1. Take care of stainless steel much as you would glass. Stainless steel, like glass, will spot if you leave soap and water on it. It will, however, retain its natural gleaming surface if it is properly rinsed and dried.
2. Deposits of all kinds are very easy to remove while fresh and soft. . . so keep it clean.
3. You need no special cleansers for stainless steel. Use ordinary soap or detergent and water. Because of the extraordinarily hard surface of stainless steel, you will find that dirt is whisked away easily.
4. If something is burned on, a mild household abrasive will usually scour it off. If a metallic cleaning pad is required, be sure to use stainless steel wool. Ordinary steel wool sometimes sheds particles, which become imbedded in the stainless steel surface.
5. If another metal, such as copper, is combined with stainless steel, follow the directions for using that particular metal polish to restore its brightness.

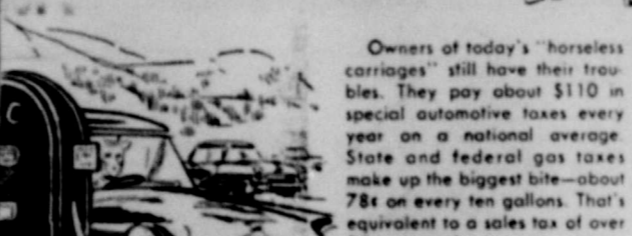

Now an increasing number of small appliances are appearing on the market in this easy-care-for metal such as the coffee maker and pressure cooker pictured here.

## ALL ABOUT HORSES

A horse was once named head of the Roman Empire. The mad emperor Caligula made his favorite horse, Incitatus, Consul of Rome to show his contempt for traditional government. It was one of the few times the Roman Empire was run with horse sense.

Some 50 years ago, a Pennsylvania ordinance required motorists to pull off the road and cover their automobiles with a large canvas when a horse came into sight. If the horse still refused to pass, the car owner had to take his vehicle apart piece by piece and hide the pieces under the nearest bush.

Owners of today's "horseless carriages" still have their troubles. They pay about \$110 in special automotive taxes every year on a national average. State and federal gas taxes make up the biggest bite—about 78¢ on every ten gallons. That's equivalent to a sales tax of over 35 per cent!

### One Moth Equals 13 Sheep

If one female moth occupies your home, how much wool will her descendants eat during one year? Surprisingly enough, they could consume more than 100 pounds of wool in a year—the production of 13 sheep.

Moths are a very real problem for today's homemaker—witness the fact that approximately 450 million dollars worth of clothes are destroyed annually by moths.

Oddly, though, a recent survey showed that homemakers suffer more moth damage to their clothes than they should. One outstanding reason for the large loss is that moths destroy clothing year around. Moths know no season in the day of modern heated homes and closets. They must be fought in winter as well as in summer.

Additionally, moth control agents are best in sealed or semi-sealed areas. Containers such as trunks, heavy bags, chests, shoe boxes and sealed closets do a good job of protecting clothes from moths. But they won't keep moths from destroying already infested clothes. This is where the paradichlorobenzene-based moth control agents go to work.

Only six ounces of paradichlorobenzene (its fumes are heavier than air) placed on top of the clothes in an average sized trunk (30 x 18 x 16 inches) will keep them protected for ten weeks. The paradichlorobenzene crystals or spray will not stain the clothes, and odors will disappear within 30 to 60 minutes after removal from the fumes.

In addition to killing moths, the paradichlorobenzene active ingredient in moth killers also prevents mildew. It kills the spores causing mildew before they get a chance to grow. One female moth and her descendants will never get a chance at their 100 pounds of wool food if clothes are properly protected all year long.

### A FISHERMAN'S INTRODUCTION TO MANITOBA

MANITOBA'S LAKES AND RIVERS ARE FAMED FOR THE VARIETY, SIZE AND GAMENESS OF THEIR FIGHTING FISH.

OLAF WALTONS, BIG AND SMALL, HAVE NO TROUBLE FILLING THEIR CREEL IN MANITOBA. LAKE TROUT, WALLEYED PIKE, SMALLMOUTH BLACK BASS, BROOK TROUT AND OTHER VARIETIES ABOUND. AND BESIDE THE FABULOUS FISH, THERE'S THE GLORIOUS MANITOBA SCENERY TO INSPIRE YOU.

### Wedding In June Planned By Couple

Mr. and Mrs. A. H. Cherry of Spur announce the engagement of their daughter, Ophelia, to Grady Swarngen of Dickens. Plans are being made for a June wedding.

Ophelia is a 1956 graduate of Spur High school and is now attending Draughon's Business College in Lubbock. Grady finished high school at Dickens in 1955 and after finishing Draughon's was employed by the Lovington Antenna Co. of Lovington, N. M. He is the son of Mr. and Mrs. C. Swarngen of Dickens.

### Bagby Circle Has Mission Program

The Bagby Circle of the First Baptist Church met in the home of Mrs. Rex Holder with Mrs. Brooks as hostess on Monday April 15 with 17 members and one visitor, Mrs. Griffin of Abilene, present.

After a brief business meeting with Mrs. Adams, the chairman, presiding, the group was led in prayer by Mrs. E. L. Smith. Mrs. Marie Gruben brought the devotional from Gen. 28, 10-22, followed by a prayer by Mrs. Ponder.

A missionary program followed with Mrs. Dobbins talking on "From Death Comes Life", Miss Shields talked on "Not Even a Dream But It Comes True" and Mrs. McCombs talked on "Love Does the Impossible Through Good Will Centers". The closing prayer was brought by Mrs. Walker. Refreshments were served the group by Mrs. Brooks.

# Proctor's

SPUR, TEXAS

**Gypsy Motif Used At Senior Banquet**

The educational building of the First Baptist Church was the scene of a Gypsy Banquet given recently in honor of the seniors of Spur High School.

As guests arrived, their fortunes were told by gypsy ladies, Mrs. Rex Holder and Mrs. Dalton Lelew, from their tents on the gypsy camp site. Other gypsies, Mrs. George Stanford and Mrs. O. R. Cloude, ushered the seniors into the "Crystal Gazing Room" where literature from all the Baptist colleges in the state was displayed by Mrs. Alfred Walker and Mrs. E. D. Engleman, also dressed as gypsies.

Gypsy troubadours, dressed in black and white with red cummerbunds and polka dot scarves, were singing around a campfire before a replica of a gypsy wagon as guests found their places at the serving tables. Individual places were marked by colorful castanets inscribed with the names of guests.

The troubadours sang as they served barbecued chicken from a large black cauldron. They were Jimmie Holder, Jennings Long, Ronnie Cloude, Kenneth Gilcrease, Sherry Fugitt, Johnny Lou Scudder, Judy Bragg and Ann Reagan. During the program hour they sang "Play Fiddle, Play" and "Golden Earrings."

Master of ceremonies for the banquet was Rev. Riley Fugitt who was dressed in gypsy costume. The welcome was given by

**Layette Shower Honors Teacher**

The Dickens PTA was hostess at a layette shower honoring Mrs. Austin Williams, Wednesday, April 10 in the Homemaking Room at the school.

Tables were laid with lace table cloths with lilac center arrangements.

Punch, coffee and decorated cake were served. Favors were miniature diapers filled with candy mints.

About 50 guests attended or sent gifts.

Mrs. Williams taught music in Dickens school and they are sorry to see her leave.

**Gideon, McCormick Betrothal Announced**

Mr. and Mrs. B. B. Gideon of Highway Community wish to announce the engagement of their daughter, Peggie Ruth, to Sgt. Joe D. McCormick, son of Mr. and Mrs. L. H. McCormick of Spur.

Mrs. O. R. Cloude, president of the Woman's Missionary Union, Judy and Hal Haralson from Hardin-Simmons University were featured on the program.

Sammy Seifres sang "A Gypsy Love Song" to conclude the program.

**SINGLE RING CEREMONY UNITES MISS CONNALLY, H. T. SCOGGIN**

Miss Nauta Faye Connally, of Fort Worth, daughter of Mr. and Mrs. B. H. Connally of Spur, became the bride of H. T. Scoggin in a single ring ceremony in the home of Mr. and Mrs. Jack Stoker o'clock in the evening. The Rev. Clem Sarly read the rites.

An arrangement of gladioli and anemone mums with palms and pyramid candelabra formed the altar background. White tapers were used for lighting.

The groom's parents are Mr. and Mrs. W. D. Scoggin, of Azle, Texas.

Freda Hughs played the wedding music and Dora Napier sang "Because and The Lord's Prayer". Both girls wore pink formals. Their shoulder corsages were of white carnations. Attendants for the couple were Mr. and Mrs. Jack Stoker. Mrs. Stoker was dressed in beige taffeta with rhinestone trim. Her flowers were gold carnations.

Given in marriage by her father, the bride wore a beige gray imported changeable taffeta dress, princess fitted, with full skirt. Her hat and shoes were yellow. She carried a bouquet of white carnations and stephanotis tied with white streamers.

Something new was her bridal dress; something old was a lily-alier belonging to her mother; something blue, a garter; and something borrowed, pearl earrings belonging to her sister-in-law, Mrs. D. P. Connally.

The mother of the bride wore an orchid dress with white accessories. The mother of the groom wore a navy dress. Both wore shoulder corsages of white carnations.

Mrs. D. P. Connally registered the guests in the bride's book. The three tiered cake was cut and served by Mrs. Grady Kirsch and Mrs. Dorothy Aldrich. Mrs. George McGowen, ladled the frosted punch.

Mrs. Alton Clett, aunt of the bride, was also a member of the houseparty.

The bride was born in Stamford, Texas, and finished high school there before entering nurses training in Fort Worth. She is now employed at John Peter Smith Hospital in Fort Worth as surgical nurse.

The groom is a Southwestern Bell Telephone employee and a veteran of the Korean War.

The couple is presently making their home at 3630 Crestline Road, in Fort Worth.

Mrs. B. H. Connally was in

**Mrs. Alfred Walker Hosts Parks Circle**

Mrs. Alfred Walker was hostess to members of the Parks Circle of the First Baptist WMS on Monday afternoon at her home, 918 West Third.

The guest speaker for the afternoon program was Mrs. Rex Holder who reviewed a portion of the mission study book, "So Strong Our Faith" by Clem Hardy, former missionary to Brazil. The study will be completed at the next meeting, Monday, April 22.

Ice cream, chocolate cake and Cokes were served to Meses. Earl Burnett, Dalton Lelew, Grady Lackey, Jr., Bill Glenn, Bob Nunley, Fike Godfrey, Doug Robison, Holder, and the hostess, Mrs. Walker.

**Phillips, Sherer Engagement Told**

Mr. and Mrs. John Phillips of Girard announce the approaching marriage of their daughter, Zana, to Sandon Sherer, son of Mr. and Mrs. S. E. Sherer of Girard. Wedding vows will be exchanged at 8:00 p. m., May 25 in the Girard Baptist Church. The reception will be held in the Friendship Hall of the church.

The engaged couple are seniors at Girard High School. Friends of the couple are invited to attend the ceremony and the reception.

**CARD OF THANKS**

We express our appreciation to those who helped during the sickness and death of our father and loved one. To those who brought food, and for words of kindness and to Dr. Stanley, we especially extend our thanks.

The J. H. Partridge Family

**JUNIOR HIGH HONOR ROLL 7th GRADE**

**8th GRADE**

"A" Janis Powell, Anna Bob Williams, Jane Fitzgerald, Mack Smalley, Rudy Moore.

"B" Patsy Womack, Benton Watson, Bonnie Clifton, Argenta Reclio, Sandra George, Nancy Latham, Elaine, Mahen, Nettie Jo Smith, David Albin, Bennie Lowe, Sue Holway, Sandra Shearer, Jimmie Paronto, Donnie Arnold, Melton Webb, Linda Atkins, Ann Godfrey, Mike Foreman, Marilyn Hagins, Linda Chase, Dale Buzbee, Gerry Proctor, Rhoda Sue Turner.

Combinations of stilbestrol and antibiotics in yearling steer rations gave higher, more economical gains and heavier carcasses on extended feeding trials than either stilbestrol or antibiotics alone, report Texas Agricultural Experiment Station animal husbandmen. The feeding trials were conducted at the Spur substation.

**Read the Want Ads**

**Officers Elected By Girard FHA**

The Girard FHA Chapter met April 10 to elect new officers. They are as follows: President, Joyce Long, vice-president, Charlene Rudder; second vice-president, Ann Brown; secretary-treasurer, Jimmie Morrow; reporter, Sharon Wyatt; pianist, Patricia Montgomery; song leader, Ann Montgomery; historian, Bernice Fincher; parliamentarian, Veda Thompson.

They will be installed at the closing of the style show which will be held at the Girard High School Auditorium May 16.

The chapter was happy to hear that Janis Gregory and Kay Galbreath will receive their State Degree of Achievement at the state meeting April 25. They will be accompanied by Miss Williams, sponsor, Mr. and Mrs. Galbreath, Joyce Long and Charlene Rudder.

**May 14 Set For Rosemary Party**

The annual Rosemary Party will be held at the Methodist Church at 3:00 p. m. on May 14 and efforts are being made to have every lady past 70 years of age in attendance. Transportation to and from the party will be provided by the committee in charge.

Anyone knowing of a lady in Spur who has passed her 70th birthday is asked to contact Mrs. Paige Gollibar and inform her so that no one will be overlooked on the occasion.

**ROSE QUEEN**

Pretty Polly Doly, former 4-H Club Rose Queen of the Rose Festival at Newark, New York, the Rose Capital of America, stands among some of the 36,000 rose plants in the world famous Jackson & Perkins 17-acre public rose garden where the silver anniversary of the Rose Festival will be celebrated June 16-July 4.

**MRS. Homemaker's FORUM**

Don't throw out that saucapan cover just because the knob is gone. Instead, push a screw through the opening and twist a cork onto it. Good as new.

When you sprinkle clothing before ironing, use lukewarm water—it penetrates more evenly than cold water.

If you keep a candle stub in the thread box, you can draw thread through the wax to stiffen the end before threading a needle.

Cost children's gold colored jewelry with clear nail polish, and the jewelry won't turn green.

Save work by soaking extra-soiled work clothes overnight in a solution of Pine-Sol and water.

When it's time to buy new shower curtains, why not make aprons from the old ones?

Hold a steam iron over rug depressions and they'll vanish!

Sausages will shrink less—and won't break—if you boil them for eight minutes before frying.

Fort Worth several days before the wedding to attend parties and teas honoring the bride.

### Highway Community News . .

Sunday before last Nettie Jo Smith and Lois Putman obeyed the Gospel of Christ and were baptized by Douglas McArthur at the Church of Christ in Spur. This last Sunday he baptized Constance Beth Smith. We are happy that these three have been added to the church.

Mrs. Clarke Morgan, Shirley and Aaron Morgan and Linda Atkins of Spur visited the Keley Putman family Monday night. Mrs. Edna Hemphill and son, E. visited with Mr. and Mrs. Jack Beavers in Paducah Wednesday evening and came back by Guthrie where they had supper with Mr. and Mrs. Bill Hemphill.

Mrs. Bill Rucker and Mrs. Frank Sonnemaker visited Tuesday evening with Mrs. Edna Hemphill.

Mr. and Mrs. Willie Smith and Weidon and Lois Putman visited Mr. and Mrs. Charles Suits and Mrs. Dot Price in Spur Sunday evening and they went to the baptismal service at the Spur

### Fresh-Up Party Punch

Here's the easiest, most refreshing punch ever! It takes just sherbet and a popular soft drink to make this tempting summertime cooler. A two-layer beverage ice-block adds a decorative touch.

Now you can make punch for four — or forty — in a few minutes time!

Blend softened sherbet with a popular soft drink, and you have sparkling refreshment. Make it in your favorite flavor, too — using raspberry, pineapple, lemon, lime or orange sherbet. It's an inexpensive way to entertain graciously.

You can easily adapt the recipe to the number of your guests. Allow at least one bottle of the beverage per person, and allow for plenty of refills.

To make your punch look extra festive, float a double-layer, decorated ice block on top. This keeps the last glass you serve as cold as the first one . . . and as delicious as the first, since the block also is made from the soft drink.

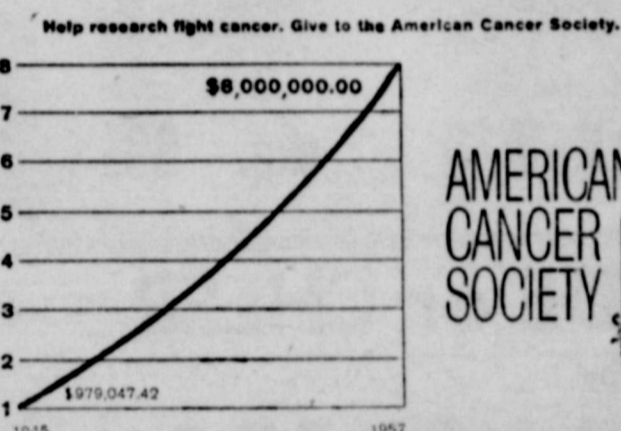

**Fresh-Up Sherbet Punch**  
1 quart sherbet (water base if possible)  
12 bottles 7-Up

Put the quart of sherbet in a punch bowl and let stand at room temperature. Just before serving, when the sherbet is mushy, add the 12 bottles of chilled beverage and stir several times.

**Floating Ice Block**  
Fill a refrigerator tray with 7-Up. Freeze to mush. Then place a strip of cardboard as a separator cross-wise through the middle. Freeze solid. Decorate one square with cherry slices, mint and/or lemon slices. Place this on top of the other square and let float in the punch bowl.

WE  
PLAN  
OUR  
SAVING

YOU'RE SO RIGHT! Planned saving beats haphazard saving every time. It's much better to plan to save a small amount regularly and actually DO it than merely to hope to save a large amount "sometime." Wishful thinking seldom pays off. Money in the bank always does!

Spur Security Bank

### TELEPHONE TALK

by J. C. Oakley, Manager

#### HAVE YOU NOTICED

Except for times when Mom has to let out a cuff or a seam, parents seldom realize how fast their children grow. I guess that's because it's hard to notice much change from one day to the next.

With telephone service, it's the same way. Growth and improvements go steadily on and on . . . almost unnoticed.

One big reason for this is that you can't always SEE changes and improvements in telephone service.

Today, for instance, we may begin using some new rubber compound to keep circuits better protected from rain or ice. Next month maybe it will be something to help us spot cable troubles more quickly. Next year, perhaps a new way of making your telephone voice sound more natural.

Improvements like these, made behind the scenes, come along month after month, year after year. They're just part of our efforts to make your telephone service more convenient and dependable . . . and as low in cost as possible.

#### PROGRAMS FOR YOUR GROUP

Watching a movie at a Club meeting the other day reminded me to tell you about free-loan motion pictures we keep in our telephone film library.

Altogether I guess we have about 100 different 16 mm. films. All are sound-films . . . many are in color. Some are short ones . . . just eight or ten minutes. Others run 20 or 30 minutes, even up to an hour. Any of these films would add entertainment to your club program or other group meetings.

School teachers also find telephone films useful as classroom visual aids.

Anytime you'd like to borrow a film from us, just call the telephone business office. If possible, try to give us a few weeks notice so we can make sure it's available the day you need it.

Also, if you'd like to call and give us your name and address, I'd be glad to send you a free catalog that lists and describes the film and other program material we have.

#### JUST TO SAY HELLO

Not so many years ago, placing a Long Distance call was a pretty big event. One you saved for important news . . . like telling the folks back home about a new baby.

It's not like that any more. Nowadays, Long Distance calls often start off with, "We just thought we'd call to say hello."

I think this modern custom . . . calling just to chat . . . keeps growing in popularity because there's something exciting about spanning the miles to hear familiar voices. And, of course, there's nothing like a telephone call when you really want to get all the news.

Calling Long Distance regularly costs a lot less than you'd think, especially when you place calls station-to-station. That way you make three calls for the price of two person-to-person calls. And you can also get extra savings by taking advantage of the special low rates every evening after 6 p. m. and all day Sunday.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Another example of our type of service . . .

### \$1,500.00 IN 15 HOURS

Yes, that's right, we are shown above presenting Mr. Ben Overstreet a draft for \$1,500.00 on the WESTERN FIRE AND INDEMNITY CO. of LUBBOCK just 15 short hours after Mr. Overstreet's farm labor house was totally destroyed by fire.

#### Church of Christ.

Ray George has his sprinkler system going, and Saturday morning, while it was freezing, it was a pretty picture to see his fruit trees and garden fence covered in ice from the spraying water.

Mrs. Edna Hemphill and J. E. were visiting in Dickens Saturday with the David Clay family.

Mrs. Conley Smith of the Red Mud Community spent the afternoon with Mrs. Ray George Monday.

Mr. and Mrs. Jimmie Hahn and Neida were dinner guests of her parents, Mr. and Mrs. M. E. Tree, Sunday.

Donnie Pace became ill Sunday evening and has had to take it easy for a few days.

Re Rhinehart, son of Mr. and Mrs. Loyd Rhinehart of Hobbs, N. M., is here visiting his grandparents, Mr. and Mrs. Donnie Pace. He'll be here until Easter.

Clarke Morgan, who is working at Andrews, visited Mr. and Mrs. Jimmie Hahn, Saturday night.

Mrs. M. E. Tree, Mrs. Forrest Martin, Mrs. D. L. Pace, and Mrs.

**Reeds, Stovalls Visit West Indies**

Mr. and Mrs. Roy Stovall and Mr. and Mrs. James B. Reed recently returned from a West Indies cruise. They sailed from New Orleans on March 20 on a United Fruit Line Cruiser "The Chirique" with 95 passengers aboard.

They first docked at Sallago, Cuba, and spent the day there, and were taken on a tour of the city—to San Juan Hill, and Morro Castle and other interesting places.

Then the next part was Kingston where they spent two days and a night. They were taken across the Island of Jamaica seeing beautiful Casteline Gardens and several fine homes, one of which was the home of writer, Noel Coward, on the beach of the beautiful Carribbean Sea. They had lunch at the famous Tower Isle Hotel. Afterwards they went on to Puerto Barrios, Guatemala. From there they flew by plane to Guatemala City where they toured the city and drove to Antigua in the afternoon. Antigua was once the capital of Guatemala but was destroyed by an earthquake in 1773. They spent two nights in Antigua and from there they were carried on a tour 75 miles into the mountain where they saw coffee plantations and numerous other interesting things. They saw Lake Atitlan, one of the three most beautiful in the world. They also

**STRICTLY BUSINESS** by McFeaters

"... Professor Klaxon speaks, he's going to pass among you with copies of his latest book, on which — he he quaintly puts it — he hopes to make a fast buck!"

saw smoking volcanoes. They returned to Guatemala City and boarded a train on a narrow gauge railroad back to Puerto Barrios. This was a day long trip.

While returning to New Orleans, the boat stopped at British Honduras and they picked up a load of bananas.

The imported fire ant has been reported in Anderson, Tyler, Jasper, Newton, Hardin, Orange, Jefferson, Liberty, Chambers, Harris and Fort Bent counties in Texas. Extension entomologists caution farmers and ranchers in other counties to be on the alert for this troublesome pest. It damages many vegetable crops, has been known to attack unprotected newborn calves and pigs, and is especially destructive to nesting quail and poultry. The addition of fire to its name is some indication of the power of the sting.

**TROOP XI**

The members of Girl Scout Troop XI met on April 16 at the regular time and scheduled place. In addition to badge work the following officers were elected: president, Priscilla Wood; vice-president, Mary K. Fisher; secretary, Kathy Hurst; treasurer, Beverly Green; Reporter, Beth Inez Neaves.

Beth Inez Neaves has recently become a member of the troop. Beverly Green is active again after her visit in Lubbock. Kathy Slaton recently moved to Lubbock and is not a member of Troop XI now.

**TROOP XII**

The Brownies of the new Troop XII met on April 16. The regular leader of the troop, Mrs. Jo Ann East is visiting in Dallas this week. All girls belonging to the troop were present and three new girls came to the meeting. As soon as their mothers are able to attend a meeting of instruction, they, too, will have their names on the troop roll.

Mrs. Corder assisted in preparation to visit the convalescent home. Last week the girls had prepared greeting cards to present to friends in the home. Mrs. Corder, Miss Whitaker and Miss Elliot provided cars so that the girls could make the visit. They distributed Girl Scout candy as the cards were presented.

During the troop meeting, secrets were discussed and each girl is to work on a secret during the next two weeks. All members of the troop voted enthusiastically to take part in a Day camp during the summer. The next meeting will be on Tuesday, April 23.

A condition known as "jaw and tongue trouble" among cattle in areas along the Pecos River and in other sections of Texas and Oklahoma is caused from cattle eating a diet of mesquite beans over a long period of time. The condition has become more prevalent during the prolonged drought. Complete details on the research work may be obtained in Progress Report 1931 issued by the Texas Agricultural Experiment Station. It is available from the Agricultural Information Office, College Station.

**Phillips 66 Dealers have the Nicest Customers!**

We've noticed that one way to get people to be nice to us is to be nice to them.

At Phillips 66 Stations the customer learns early that she'll be treated right! Phillips 66 Service includes having your car brushed out... the windows cleaned off the way around... your battery and tires checked. It means friendliness, courtesy, a sincere desire to please you!
