Editor's Conner. By Joe Harrison

Response to articles regarding a youth center for Spur has been mild. However, several have commented about the need for such a facility. It had been planned that each week article written by one of the High School students would be published. However, this week, the paper did not receive such an article. Could it be that the Student Council has lost interest in their project so early in the game?

Received this article clipped from an Amarillo paper from Mrs. Elmer D. Hagins. She also submitted the following com-

"At the risk of provoking the wrath of my two teen-agers and others, I cautiously mit the following article taken from an Amarillo newspaper for publication. But let me say first that I am in favor of a youth center and will do anything I can to help with one. Too few parents ever want to be bothered with letting their children entertain in their homes. After you read this article carefully, see if any of this could be applied to you, before you call me a square." -Mrs. Elmer D. Hagins

Always we hear the plain-tive cry of the teenagers: What can we do? Where can we go?

I can make some suggestions
