Bulldogs Meet Pipers Friday In Home Opener

Editor's Corner
By Joe Harrison

Several people from Spur attended the Golden Jubilee in Crosbyton this week in hopes that they might pick up some information so that Spur's 50th Birthday can be observed next year in a like manner.

Chamber of Commerce president Arner Watson attended as did Sheriff's Posse President Everett McArthur. Others may have attended from other clubs.

It would have been nice if everyone interested in promoting Spur could have gone.

A representative from the City Council, bank, civic clubs, schools, churches, Caprock Peace Officers, and other like organizations should have made a special effort to send a delegate so that plans can get underway.

Seems this is the gloomy time of year, cotton estimate down, businessmen are crying and things in general are pretty bad. Things will be bad if we keep talking things down. Let's try to look at the brighter side of things, and maybe they'll get better.

The editor is probably the world's greatest pessimist, but even I can see that things are not quite as bad as people let on.

So what if you do have troubles. Doesn't everybody? And chances are if you'll take the trouble to look around you, you will find someone with more trouble than yourself.

Did you hear about the little girl here in town who had been sick quite a bit who was out riding around with her parents and they were pointing out various sights. "There's the Moo-Cow," "There's the Chickens," etc.

Their drive took them to the hospital and the little girl said, "Look Mommy, there's the shot house."

Then there was the sheep raiser who lived near Spur on a busy highway. One day his wife became dissatisfied with the color of the living room drapes and ordered him to dye them blue. He prepared a tub of blue dye in the back yard but along came a lamb and fell in. The man picked out the animal and chased him away.

The next day a motorist stopped by and asked whether he could buy the beautiful blue lamb. The Texan got a high price for the lamb and an idea. He dyed his lambs various colors and made more money than he ever did in his life.

The truth of the matter is that business is so good that he is the biggest lamb dyer in the state of Texas.

New Arrivals

Mr. and Mrs. Jackson Powell are the parents of a boy, born Sept. 8. He weighed 8 lbs. and 6 ozs. and has been named Tommy Lee.

Mr. and Mrs. Freddie Young are parents of a boy, 6 lbs. and 15 ozs. He was born Sept. 9.

Mr. and Mrs. Sam Gannon are the parents of a 7 lb. and 4 oz. girl born Sept. 9.

Mr. and Mrs. Jackie Cavanaugh, 602 W. Harris, Spur, are the parents of a girl, Kimberly Jan. She was born Sept. 6 at Overall Memorial Hospital in Coleman. She weighed 7 lbs. and 7 ozs.

The Spur High School Bulldogs will open their home season in Jones Stadium here Friday night at 8 p.m. against the Hamlin Pied Pipers.

Spur dropped a hard-fought 20-8 non-conference game to Abernathy last week, while Hamlin defeated Eastland, 20-14.

Coach Bill Henry reports that he expects all his Bulldogs to be ready for the Hamlin game, although several will still not be at full speed. Tackle Kenneth Gilcrease, who missed the Abernathy game, has rejoined the team and will play some Friday night. Kent Morgan and Woody McArthur are also expected to see action.

Scouting reports indicate that Hamlin is a well balanced team, featuring both a strong running attack combined with a good aerial game.

Last year the two teams played to a 7-7 tie in Hamlin. Probable Starting Lineups

Spur will start Ernest Wilson and Woodrow McArthur at end; Tackles, Kenneth Gilcrease and Milton Webb; Guards, Jim Gabriel and Marshal Murray; center, Don Kidd; Quarterback, Don Morrison; halfbacks Kenneth Sutt and Freddy Walker, and Joe Copeland at fullback.

Hamlin will start Tobe Shields and Charlie Green at ends; Tommy Bonds and Steve Carmichael at tackles; Bob Martin and Joe Kraft at guards and Durwood Boyd at center. In the Piper backfield will be quarterback Gene Murff; halfbacks Ed Shields and John Richey and fullback Ken Prewit.

Coach Henry stated the above starting lineup might be altered to include tackle Z. B. Mayo, end Wayne Wright and fullback Jimmy Paronto, depending on developments later in the week.

ABERNATHY 20, SPUR 8
A scrapping, fighting Spur High School football team threw a scare into the highly regarded Abernathy Antelopes last Friday night, before they were downed 20-8 in the opening game of the season for both teams.

Spur fought on even terms with Abernathy through the first half and lead, 8-6, as the half ended. Football fans got their first look at the new extra point rule, as Spur quarterback Don Morrison gave the Bulldogs a two point margin as he scored the extra point following a 66-yard scoring drive early in the second period.

Halfback Kenneth Sutt spearheaded the march which began on the Bulldog 34 yard line, with runs of 15, 5 and 9 yards. Sutt scored the touchdown from about one-yard out on a plunge.

Abernathy scored first with only seconds elapsed in the

first period following the kickoff, when Spur fullback Joe Copeland fumbled a handoff and Abernathy recovered. One running play was stacked up and quarterback Lane Tannehill hit halfback Watson and he scored standing up on a 28-yard scoring play.

Trailing 6-0 in the first period, Morrison had a pass intercepted, but on the next play, Abernathy fumbled and tackle Milton Webb recovered for the Bulldogs. However, Spur failed to move past mid-field and Copeland kicked to the Antelope 24.

Abernathy started a drive from there, but it fizzled when halfback Freddy Walker made a diving interception on a pass that had been tilted away from its intended receiver.

Spur moved to the Abernathy 44 before a 15-yard holding penalty stunted their march.

BIG GAME HUNTERS?—Although dove season opened the first of last week, State Game Warden Cecil Fox and Highway Patrolman Stuart Eriksen went out after bigger game. They killed a 4'9" rattlesnake and a mother Bobcat with four kittens last Thursday morning on the Elmer Shugart place, southeast of Spur. Shugart had notified Fox that the Bobcat had a den in a 6 ft. cistern on his place. As Fox and Eriksen approached the lair, Eriksen spied the rattler in the grass nearby. Fox killed the reptile with a short stick, then shot the Bobcat when she left her hideout. Fox gave away the four kittens, and they are being fed with eyedroppers in foster homes. Social Worker Resigns; Job Still Open

John Reifenberg, field worker for Dickens, Kent and Motley Counties, State Department of Public Welfare, resigned last week to accept employment with the Corpus Christi Child Welfare Unit.

He will enter the School of Social Work at the University of Texas at the beginning of the fall term. He will then return for at least a year's work with the Corpus Christi Child Welfare Unit. No notice has been received of a replacement.

The work in these three counties will be handled by workers from neighboring territory. See SOCIAL WORKER—Page 4

Spur School Adopts Smaller '58 Budget

Spur High Aggie Department Enrolls 92; Projects Planned

Ninety-two boys in Spur High School have enrolled to study Vocational Agriculture this year. This marks an increase of 20 boys over last year.

Chapter officers will be elected this week and regular monthly meetings will be set up for the year according to advisor Bill Gregory.

The senior Ag boys will set up two Educational Exhibits at the West Texas Fair at Abilene Saturday. They will be in competition with other FFA chapters and 4-H Clubs throughout West Texas.

An Agricultural Products Exhibit will be presented at the South Plains Fair last week in Sept. by VA class IV. A group of Spur boys will also compete in the Tractor Driving contest at the West Texas Fair in Abilene, Sept. 17.

All of the boys in the six VA classes are busy getting their livestock projects lined up for the school year. Many of them are hopeful of exhibiting as Dallas, State Fair of Texas; Houston Fair Stock Show; Ft. Worth, El Paso, Lubbock and Abilene as well as their annual Project Show and the Dickens County Livestock Show.

This year, Ag courses VA I and VA II are being offered in two sections so that all six VA classes will have an average of 15 boys. The smallest class being 13 boys and the

largest class being 18 boys. With this size class the VA department can meet the floor space requirements in farm shop set up by the State Agency, but it also affords a better opportunity in teaching the smaller size class.

Eight boys are expected to exhibit animals at the State Fair of Texas. There will be 6 steers, 7 lambs, and 7 barrows going to Dallas this year. Tommy Kissinger, advisor, will accompany the FFA boys to Dallas. Making the trip will be Freddie Scott, Ralph Carlisle, Marshal McGalliard, A. C. Alexander, Donnie Arnold, Mack Smithey, Bobby Greer and David Albin.

Bulldog Boosters To Meet Tuesday

The Bulldog Booster Club will elect officers at its next regular meeting to be held in the Primary Auditorium, Tuesday night at 7:30 p.m.

Films of the Hamlin game will be shown. All interested persons and Bulldog fans are urged to attend this meeting. Rex Holder is president.

Mrs. Melvin Lindsey and daughter, Tempie, Abilene, are visiting this week in the home of her parents, Mr. and Mrs. R. B. Walsworth.

A Budget of \$247,454 was adopted by the Trustees of the Spur Independent School District following a public hearing on Monday, Sept. 8, according to B. G. Nunley, Superintendent of Schools.

This amount reflects a decrease of \$12,703 over last year's budget," Nunley states.

"This decrease is represented by a cut in operation costs and teachers' salaries," Nunley says. The system has fewer teachers this year than last.

The major item of the budget is salaries of teaching personnel in the amount of \$157,629. Teaching supplies, totaling \$6,702 brings the instructional total to \$164,331. A total of \$17,910 has been budgeted for transportation of pupils; \$21,300 for operation of the plant; \$3,600 for maintenance of the plant; \$3000 for fixed charges; \$5,100 for capital outlay and \$18,213 for debt service.

The per pupil cost of operation is \$280.50, which will probably be among the lowest in this area according to Nunley. Salaries of all personnel will amount to \$178,039.

Local taxes will pay \$87,000 of the total budget with state and county sources paying the balance of \$160,454. An audit of the school district is in process and will be printed as soon as it is complete. A new law requires all school districts to have an independent audit made each year.

"A Diller, A Dollar . . ."

SUMMER'S END and the start of another school year is a time of mixed emotions for youngsters. Caught in these photos are two quite different yet typical reactions. An "old hand" at cracking the books (left) frowns dejectedly. To him, school is only a confinement. To the tots receiving last minute instructions from mother (below), however, school is an awesome adventure—their first "away from home."

WHETHER THEY ARE happy about school or not, if you drive you have a responsibility to see children arrive there safely. Watch for signs like this one. Slow down as you approach, ready to stop.

STAY ALERT DRIVING near school buses. Be prepared to stop quickly. More buses like this International are taking to the road now, because more children are attending school than before.

HOW MANY HORSES IN YOUR HOME?

Hard to believe? Stop for a minute and think of all the ways you put electricity to work—and how often. Cooling, heating, cooking, cleaning, lighting, even entertaining.

Yet how little all this electricity cost! Nothing else your family buys adds up to such a value.

The horsepower equivalent to electric energy used for electric cooking costs the average W.T.U. family less than \$2 a month—about \$2.34 a month.

Rev. Crabtree Speaks At Two Services

Rev. Victor Crabtree, accompanied by his wife, filled his appointment at the First Baptist church Sunday morning and evening.

Mr. and Mrs. Earl Landeath and son of Lubbock, spent the week end with her mother and brother, Mrs. George Carpenter and Leland.

Guy Johnson left Friday for his home in Corpus Christi, after a visit with his sisters, Mesdames Allie Carpenter and Nana Rogers. He returned home by way of Lubbock and visited a nephew there.

Mr. and Mrs. Floyd Forrest visited her brother in Plainview a couple of days last week.

Mr. and Mrs. Paul Balkman and son of Lubbock, spent the week end with her parents, Mr. and Mrs. Guy Hamilton. Also visiting the Hamilton's was a brother, Bryan Hamilton of Paducah.

A correction: The Dumont school opened with 15 pupils instead of 51 as it read last week. The High School is going to Guthrie this term.

Mrs. Perilla Brewster returned home Saturday, after spending a week in Amarillo with her brother, Mr. and Mrs. Wayne Rogers.

The Clarence Ward family, Kidd Baco and wife, Claude Flippin, Charley Deatons and Anne Hand, were all seen in Paducah last Saturday.

E. J. Offield and Judge Hindman were around last week getting the estimates for the 8 mile gap in the farm to market road, that will connect Dickens and King Counties.

Louis Hollar fell last Friday and received a very painful knee injury, that has kept him in bed ever since.

Mr. and Mrs. Everett Bunch and children, returned to their home in Lubbock, Sunday after spending last week with her parents, Mr. and Mrs. Louis Hollar.

Guests in the home of Mr. and Mrs. W. D. Brady over the week end, were Mr. and Mrs.

Roy Knight, Mrs. Junior Campbell and Linda and G. H. Jamison from Jacksboro and a son Claud Brady of Seymour.

Mr. and Mrs. Bob Sunday of Paducah, visited the J. H. Gages, Sunday afternoon.

Mrs. Bertha Johnson, spent the week end in Dickens with her son, Mr. and Mrs. Red Johnson.

W. D. Powell of Paducah, visited his daughter, Mr. and Mrs. Marshall Holcomb, last week.

Girl Scouts . . .

Septmeber 3 found all members of Troop XII back in line at regular meeting, a mixed group of girls that flew up into intermediate scouting of some thirteen girls and the other five who were unable to be present to fly up.

Eulalia Smith is back in Spur with Mrs. Whittiker for the school year. We are glad to have her back with us. Brenda Clifton is back from Cheyenne, Wyoming and also Myrna Harwell and Martha Campbell have told us about their vacations.

The girls that didn't fly up, will have their fly up ceremony soon.

The leader regrets that Branda Richey's name was left off the list when the fly up was published.

We don't know who is the proudest of the newly repaired Girl Scout House, the leaders, the parents, committee members, or the girls. We just have to say "thank you" to the Ex-Council who gave us their fund, to the new finance repair group and especially to Robert McAteer, who has really been seeing that all the fund was spent to a good advantage for the girls. West Third street is going to be a better street when all improvements are completed. Drive by soon.

DRIVE CAREFULLY
"Watch for the little ones" is the advice of the Texas Farm and Ranch Safety County now that schools are in session again. Children, they point out, often do the unexpected when crossing busy streets or highways and unless the motorist is on guard, a serious or even fatal accident may occur.

YEA BULLDOGS—HAMMER HAMLIN

FROM WHERE I SIT . . .

By JOE HARRISON

It took two fine runs by Abernathy fullback Aubrey Smith to down the Spur Bulldogs last Friday night.

A lot of people in Spur stayed home, thinking the Bulldogs didn't have a chance against an Abernathy team ranked number four in the state (before the Bulldogs got through with them . . . they may drop out of the top ten or top twenty after their showing Friday).

True, Abernathy had some regulars out . . . so did Spur. Tackle-linebacker Kenneth Gilcrease would have made some difference for Spur if he could have played. He has a pulled muscle as does halfback Kent Morgan. End Woody McArthur saw limited service with a sprained ankle.

Smith played a good game. But, he was the second string fullback, subbing for flu-stricken Danny Miller, who is about 20 pounds heavier than the 150-pound Smith.

(Coach Henry had his team take flu shots Saturday morning following the game.) Perhaps this move will overtake any chance of forfeit as cropped up last year when the Bulldogs couldn't field a team to play Slaton.

Giving credit where credit is due, Smith and Abernathy did a good job—the last half of the ball game—Spur whipped them pretty good the first half. Spur seemed to tire considerably in the last half and were hit again by injuries as Suitt and Walker both suffered leg injuries. (Suitt carried the ball only 4 times the second half, compared to 9 times in the first half when he gained 68 yards rushing.)

Z. B. Mayo, subbing for the injured Gilcrease; Wayne Wright, Milton Webb, playing his first varsity ball, and Don Morrison, a sophomore, all played a good ball game and will no doubt improve with experience.

The boys can do so much, but they also need support. They had support Friday night, from the couple of hundred fans who chose to go to Abernathy.

Ever since I came to Spur, I've been told that Spur is a

BULLDOGS—From Page 1

They had the ball first and ten on the Abernathy 39 when the quarter ended.

Spur scored early in the second quarter and Abernathy filled the air with passes in an attempt to catch up before the half. They failed, and Spur lead 8-6.

The second half was a different story as Abernathy began to move against the Bulldog forwards. The Antelopes completely dominated the third period as Spur got possession of the ball for only seven plays.

Abernathy scored with only a few minutes remaining in the third period, as 150-pound fullback Aubrey Smith blasted off tackle from 15-yards out to score. Extra point was good this time and Abernathy went into the lead, 14-3.

The Bulldogs threatened mid-way of the fourth quarter as they drove to the Antelope 30-yard line. The ball went over, however, as Spur lacked a good five yards having enough for a first down.

Smith lost a yard, but on the next play, he ripped off left tackle, headed for the side line, and barely managed to escape a diving tackle by Jimmy Paronto, as he dashed 68 yards for a touchdown. Extra point attempt failed, and the final score was Abernathy 20, Spur, 8.

Both teams played without the services of several regulars. For Spur, tackle Kenneth Gilcrease and halfback Kent Morgan sat out the game with leg injuries. End Woodrow McArthur saw some limited service on a weak ankle.

Smith was filling in for flu-stricken starting fullback Miller. Both starting guards, Jim Nelson and Charles Evans, also missed the game.

football town—well where were all those "die-hard fans Friday night?"

I'll tell you where some of them were; home in bed. They figured Spur would be run off the field—instead Spur played a creditable, fighting football game that was worthy of any fans attention.

The few people who journeyed to Abernathy hollared like heck for the team—part of the time. The boys played their hearts out in the first half, and didn't have enough gas left to finish strong—thus they got beat. But they didn't get clobbered. And, you can bet your last dollar they'll win some ball games before the year is out.

Hamlin would be a good place to start.

Slaton, a team that was picked to win this district didn't fair so well either last week end as they bowed to Canyon, 20-6. Post may surprise some people this year as they were picked to finish last and yet they led a strong Rails team for three quarters, and held them to a tie, 8-8.

Tahoka, another team high on the district ladder, took their lumps from a Seminole team that had their coach Metz LaFollette shedding tears.

Floydada gave warning that they may be the team to beat as they roared past Wellington, 40-0.

Providing the Bulldogs have everyone ready, they should play Hamlin a good game.

Scouting reports indicate the Pipers have a fairly balanced attack, mixing their pass attack well with their running game.

SOCIAL WORKER—From P 1

Robert Spear, field worker, Haskell, will be in Spur on Monday, Sept. 15 to take applications. Perry C. Spenny, field worker, Knox City, will be in Matador, Monday, Sept. 22 to assist those who wish to apply for Old Age Assistance, Aid to the Blind, Aid to Dependent Children, or Aid to the Permanently and Totally Disabled. This temporary arrangement will continue through the month of October, with the application date for Dickens and Kent Counties being the 3rd Monday, in Spur; and for Motley County, the 4th Monday at Matador.

About Your HEALTH

A monthly public service feature from the Texas State Department of Health. HENRY A. HOLLE, D. D. Commissioner of Health.

Many mothers have misgivings this time of year, but just as many fathers begin to feel a little proud, because it is football time again. Worrying mothers have a justification for their feelings as well as Dad who likes to see Junior plunge through for a touchdown.

A study of 4,000 football players at 62 colleges showed that three out of four players during a season sustained injuries severe enough to make it necessary to suspend sports activity for at least four days. In 601 football games played by these 4,000 athletes, 753 teeth were chipped or knocked out, 578 ankles sprained, and 53 knees strained. This seems like a staggering total, but on the most part these injuries are not permanent and do not permanently disable and serve only to harden a youth for the rigors of life ahead.

However, there are measures that parents can undertake to hold injuries to a minimum for their sons if they are inclined towards heavy contact sports such as football.

Ideally, every athletic team, especially a football team, physician assigned to it. He should preferably be a man who has had some personal experience with athletics. Thorough and repeated medical examinations and evaluations of the athlete's physical fitness should be mandatory.

The team physician, the trainer, and the coach in any athletic program should be equally interested in the prevention of injury and in the supervision of the smallest detail, such as the proper fitting of athletic shoes or the design of protective uniforms and pads.

In communities unable to afford a team physician, parents should seek out a doctor for examinations, at least to be present at football games, and to make suggestions which might prevent an athletic injury.

Pre-teensagers are especially vulnerable to dislocations and resultant deformities from athletic injuries. They should be matched carefully in any competitive athletic program not only in regard to size, age and body build, but also in regard to stage of development, emotional maturity and judgment.

If properly supervised, touch football in this age group is far less dangerous than tackle football. Approximately 60 per cent of football injuries occur when the player is being tackled.

Perhaps the greatest aid in preventing sports injuries is the maintenance of a state of physical fitness. Insist that your son keeps in the best of condition and don't allow him to play if he is fatigued or suffering from a chronic injury.

Pre-teensagers are especially vulnerable to dislocations and resultant deformities from athletic injuries. They should be matched carefully in any competitive athletic program not only in regard to size, age and body build, but also in regard to stage of development, emotional maturity and judgment.

Making a study of getting ahead

First lesson in successful living is to learn that systematic saving is usually indispensable to the achievement of any worthwhile purpose.

If higher education is your immediate aim (as in the case of this young man) stashing away savings from part-time earnings or allowance is the best way to make sure that you'll always have "what it takes" in the way of money.

If you are looking still further into the future... to a home or a business of your own... to financial independence for your later years... regular saving is still the secret of turning dreams into realities.

YOU CAN CHART YOUR COURSE TO SUCCESS AND HAPPINESS IN THE PAGES OF YOUR SAVINGS ACCOUNT BOOK. WE'VE GOT ONE WAITING FOR YOU HERE!

LEARN THE LESSON OF REGULAR SAVING, AND YOU'VE GOT IT MADE!

DOUBLE SCOTTIE STAMPS ON TUESDAY

Exempt Cards Available For Sportsmen, 65

Exempt identification cards for hunters and fishermen over 65 years of age are now available from officials of the Game and Fish Commission, according to C. L. Friou, Fiscal Director of the Commission.

Not required by law, the card is being issued free as legal proof of age for those persons who might be questioned by game wardens. The cards will not have to be renewed.

The card will be issued on proof of age. The director suggested several documents or receipts acceptable to the State, which include birth certificates, drivers' licenses, poll tax receipts, military identification cards, old insurance policies, and Biblical records.

Cards are available from local game wardens or at offices of the Game and Fish Commission. Addresses of the offices over the State are: Second Floor, Walton Building, Austin; 2507 Milam Street, Houston; 401 West Nueve, San Antonio; County Courthouse, Brownsville; County Courthouse, Dallas; County Courthouse, Fort Worth; 271 Franklin, Beaumont; 1220 South Staples, Room 222, Corpus Christi; Marine Laboratory, Rockport; Field Laboratory, Seabrook; and 2313 Ave. J, B & B Building, Galveston.

DESTROY COTTON STALKS

Extension Entomologists F. M. Fuller and C. F. Garner are advising Texas cotton growers to destroy all cotton stalks as soon as possible after the harvest is completed. Destroy the cotton stalks, they say, to prevent a carryover of pink boll worms.

Other cotton destroying insects are also hit hard when their food supply is cut off. Stalk shredders are recommended for carrying out the initial stalk destruction practice.

Rev. and Mrs. P. H. Gates, Floydada, visited the first of the week in the home of Mrs. J. C. Keen.

30 YEARS AGO . . .

Fair To Open With Old Time Cowboy Parade; Choir To Sing

There are to be many added features which will be enjoyed by the visitors at the Northwest Texas Fair at Spur. Aside from the livestock exhibit there will be many agricultural exhibits, Home Demonstration exhibits, a fine arts department and many others that will be of much interest to the people.

The Fair is to be opened by an old-time cowboy's parade down the main street of Spur and to the Fair Park. There are to be in this parade all of the early day cowmen that can be secured—the people who were here when the wolves howled over the prairies. Isom Lynn, Guthrie, says he is going to be here and join that parade and ride once more with his old time friends. There are many others of the early settlers who are expected to lead this parade. It will be something that has never been in Spur before and probably will never be again.

Another feature of the Fair is an old-time singing convention, which will be just after the singing contest. It is hoped there will be thousands of voices in this great choir. This will be under the direction of M. D. Ivey, director of the First Baptist Church Choir in Spur. There will be hundreds of singing teachers here to join in and make this event a great success.

Then there will be the Kent County Parade the second day of the Fair, a feature that has never been seen before. It is said there will be at least one thousand people in this parade with a number of schools in the county represented. This will be one thing worth seeing. The procession will have the band leading them and people will wonder where so many people live in Kent County.

Then there will be different displays by the people of Dickens County. The Fair is going to be worth your time this year and you will be glad to say you were there.

MRS. WOOTEN HOSTESS
Mrs. Riley Wooten was hostess to a few friends on Wednesday afternoon of last week.

When all the guests had arrived they were shown into the dining room, where lovely refreshments were served at a beautifully appointed table. At each plate was a dainty plate favor.

After being served, the guests were most delightfully entertained the remainder of the afternoon.

The following ladies were present: Mesdames Geo. S. Link, Leslie Roberts, Cecil Fox, M. H. Brannen, Ruby Pierce of Dallas, E. L. Caraway, Jim Foster, Jim Edd Hall, Hubert Wester, Jack Rector, Renelle Brannen and D. H. Zachery.

Eleven Correctly Identify Earn Scott Farm

Earn Scott, who farms 9 miles east of Dickens, is the owner of Mystery Farm No. 8. Eleven people correctly identified the farm. They included Mrs. Freeman Clifton, winner of the year's subscription to The Texas Spur, and Mrs. Johnny Koonsman, Dickens, winner of the theater passes.

Others correctly identifying the farm were Mrs. Clyde Sar-

rett, McAdoo; Mrs. Herman Boctie, Spur; Judge W. H. Hindman, Dickens; Mrs. Lotella Murchison, Dickens; Max Gabriel, Spur; Mrs. Earl Dozier; Mrs. Sam Braly, Spur; Vernon Wright, Spur; Coy Dremman, Dickens, and John Green, Spur.

Several other persons called or came by The Texas Spur office, but when they learned

others had identified the farm, did not place their guesses.

Mr. and Mrs. Scott farm 358 acres and have been on this place 11 years since they bought it from George Gabriel. New improvements on the farm include a new house and barns.

The Scotts have one son, Buck, 27, who lives in Dickens. Scott's main crop is cotton. He also raises other row crops.

'King Creole' Features Elvis In First Musical Drama Film

Since a certain entertainer took leave of his fans to serve his country, the lyrics of the Army song, at least in his outfit, have probably undergone a change to: "The caissons go rock-'n'-rolling along." On the civilian front the millions of fans soldier Elvis Presley left behind can take heart from the news that Paramount is now releasing the last picture the star made prior to his induction. Hal Wallis' exciting drama-with-music, "King Creole." It is due in town next Sunday, Monday and Tuesday at the Palace Theater.

"King Creole" represents a big first for Presley in that it marks the singing star's premier plunge into big-league acting, for in this film the na-

tion's rock-'n'-roll idol assays a James Dean - Marlon Brando type of role. And what's more, he does it to the tune of a musical score of thirteen hits.

Co-starred in "King Creole", most of which was filmed in the colorful and exciting French Quarter of New Orleans are Carolyn Jones (who won an Academy Award nomination for "The Bachelor Party")

The film, based on "A Stone for Danny Fisher," tells the tense and emotional story of hard-loving, hard-hitting, Danny, who sang his way up from the gutters of lusty, brawling New Orleans against tremendous odds.
