

Broncos Upset Iraan 30-6 with First District Win

by Gary McGilvray
The Sonora Broncos took the joy out of Iraan last Friday night as they completely ran over the Braves by a score of 30 to 6. It seems that the only thing the Braves have to brag about is that they were the first team to score on the Bronco defense this year.

The Broncos took charge from the start as they took the opening kick-off on their own sixteen and marched 94 yards in 12 plays for the first score with quarterback Laney Cook going over from the one. The extra point attempt was blocked, however.

Even the first kick-off to Iraan proved disastrous for the Braves.

They fumbled and Ed Lee Renfro recovered on the Iraan 29-yard line. This drive was stopped, however, as the Braves intercepted a Bronco pass.

The Broncos started their next drive on their own 18-yard line early in the second quarter. The drive was enhanced by runs of 24 and 12 yards by halfback Noe Chavez, and Renfro completed the 82-yard drive with a 20-yard romp around right end for the score. Renfro also ran over the two extra points.

The Braves, feeling the sting of the Bronco defense, fumbled once more this time on the Bronco 38 with Eddie Howell recovering. The Broncos once again

seemed in route to a score when the drive stalled on the Brave 16 yard line with fourth down. Sonora elected to go for the first instead of the field goal and Chavez ran for the first down. Two plays later quarterback Bill Glasscock pushed the ball over from the one-yard line. Howell made good the two point conversion.

The half ended with the Broncos in the lead 22-0. Sonora's ball control brought about this lopsided margin. Sonora held the ball for 36 plays during the first half as they picked up 257 yards rushing and 19 first downs. Iraan had the ball for only 16 plays, 37 yards and, 2 first downs.

The scoring for the Broncos

continued in the third quarter as Cook intercepted a Brave pass on his 38, and Sonora was in business once more. The Broncos marched 62 yards in 8 plays with Renfro again going in for the score, this time from the two-yard line. Cook made good the two extra points.

Iraan's only score was due to a fumble recovery on the Bronco 8-yard line. The Broncos held for three plays but on fourth down quarterback John Joy threw an 11-yard TD pass to end Wesley Whitefield for the score. The Broncos stopped the try for a two-point conversion.

All in all the Broncos picked up 353 yards rushing on 25 first downs. The leading rusher of the

game was fullback Mike Gosney with 81 yards to his credit. Not far behind Gosney were Renfro and Chavez with 80 and 79 yards respectively. Jerry Shurley and Eddie Howell also aided the Bronco cause with 49 and 48 yards rushing. After this decisive victory over Iraan, Sonora is now rated 10th in the state compared with 64th at the beginning of the season.

The Broncos will tackle the Rankin Red Devils Friday night at 7:30 p.m. in Rankin. The Red Devils will probably have a slight weight advantage, but the Broncos should have no trouble handling them in the first out-of-town district contest.

END MIKE WUEST stretches high in the air for a pass in last week's football game between the Sonora Broncos and the Iraan Braves. In the background other Broncos protect the passer. Those identifiable are Bert Bloodworth (51) and Carl Teaff (71). The Broncos won the game, their first district contest, by a score of 30 to 6.

Nursing Home Proposal Wins C of C Backing

The Sonora Chamber of Commerce unanimously backed a bid for a nursing home in Sonora at the Sept. 22 directors meeting.

Three representatives of Home Fund Corp. and Albert M. Everett reviewed the need and the possibilities of a 30-bed home. The San Antonio corporation builds and finances nursing homes throughout the state, and Everett has been seeking to establish a home in Sonora.

Local financial backing holds the key to establishment, however, as \$12,000 plus land or \$19,000 is needed to start the \$39,000 project.

Arguments for the establishment of the home included the following:

- Extended life expectancy has brought about the need for nursing homes to care for the elderly.
- State support of needy nursing home patients is already a reality, with from \$185 to \$250 available monthly for patient care.
- There are 70 recipients of old age assistance in Sutton County and about the same number in the combined counties of Crockett and Schleicher, counties without nursing homes.
- A nursing home built to state requirements will bring tax dollars back into the local economy.
- Burnet, Bandera, and Stockdale are among towns recently working with Home Fund Corp. to secure nursing homes, and Home

Fund representatives expressed hope that they could return soon to explain their plans to an investor. Everett retained a set of blueprints on the proposed home.

(Editor's note: The following analyses of Constitutional Amendments have been prepared to aid you in becoming a better informed voter. Source of information was the Texas Legislative Council, Lieutenant Governor Preston Smith, chairman. We urge you to study the following analyses and those which will be published in the coming weeks and vote November 2.)

AMENDMENT NO. 1

Proposed constitutional amendment No. 1 would increase the state ad valorem tax for constructing buildings at state institutions of higher learning from five cents to ten cents on the \$100 valuation. Five schools are added to those already benefiting from funds obtained through the ad valorem tax now provided for in the present section 17 of the constitution: Angelo State College, Arlington State College, Midwestern University, University of Houston, and Pan American College.

The amendment also changes the method of allocating the revenues from this tax from an

\$4,499.50 Raised At Lions Auction

\$4,499.50 totaled the adding machine as Lem Jones closed the 31st annual Lions Auction sale at the 4-H Center Tuesday.

At 7 p.m. George (Bud) Smith bought the first item, a sportsman stove donated by Foxworth Galbraith, for \$12.50. Three and one-half hours later the last item was gone in the fast clip that averaged an item sold every minute.

The total amount was down from the \$5,496 of 1964 and \$5,422 of 1963, but donations that usually come after the sale will boost the total to near \$5,000.

Robert Halbert bought the mystery package for \$100. It was his third time to purchase the gurgling brown package that has teased bidders with its secret contents for 28 years. It was donated to the auction by John I. King, last year's purchaser.

Each year the Lions stage the auction to raise money for Lion projects, and after the free barbecue bidders seldom let value interfere with the price an item brings.

A loaf of homemade bread made by Mrs. Oliver Wuest brought \$22.50 from George Brockman. Edgar Glasscock, sometimes called the goat king because of his dislike for the animals, purchased a half-Spanish, half-milk goat donated by Pedro Galindo and boasted that he would use the stud billy to improve goat bloodlines.

From the Ratliff Store a "Hoss" Cartwright straw hat that engulfed Jack Kerbow's head brought \$22.50 from West Texas Utilities.

A jar of Mrs. Joseph Vander-Stucken's tomato pickles brought \$17.50 from Jack Neill.

Mrs. Robert Rees's homemade cookies brought \$20 from Vestel Askew.

A complete listing of items,

donors, purchasers and prices will be printed in the Devil's River News within the next few weeks.

Fire Prevention Week Every Week in Sonora

A concerted effort on the part of everyone in Sutton County was urged recently by John A. Martin, city fire marshal, as National Fire Prevention Week rolls around again.

Fire Prevention Week this year is October 3-9. It always falls in the week containing October 9—the anniversary of the Great Chicago Fire in 1871.

Vigilance is essential in holding down fire losses, and the best way to prevent unnecessary fires is to try to keep them from happening, Martin pointed out.

Martin gives high praise to the Sutton County schools for the setting up of periodic fire drills to familiarize students with how to get out of the building quickly in case of emergency.

"Fire drills are important for schools. They are equally important for similar protection of families at home," declared Martin.

"Every home," he added, "should have an escape plan, with at least two escape routes, so that one of the two may be

used if the other is blocked." By observing fire prevention rules, the tragic toll of lives lost in fires may be cut down—a building can be rebuilt, but a life can not be replaced, stressed Martin.

"National Fire Prevention Week is October 3-9, but fire prevention is practiced and taught in Sonora 52 weeks out of the year," Martin said.

J. Hough Seizes Youths in Stolen Car

Two San Antonio youths in a stolen car were apprehended in Sonora Tuesday, September 21, by Deputy Sheriff James Hough.

The Sutton County sheriff's department received a call from the Junction sheriff's department at approximately 3:15 Tuesday concerning a car that had filled up with gas in Roosevelt and had left without paying.

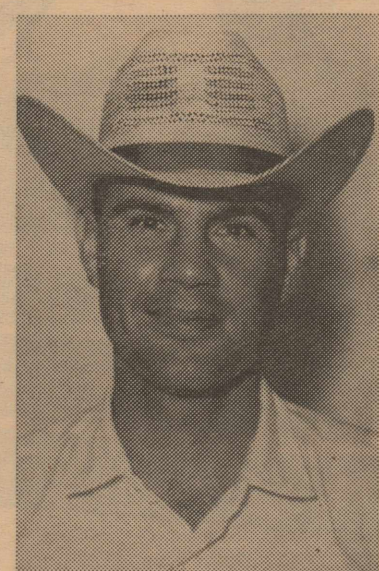

At the Fort McKavett turn off, Hough intercepted the car,

amount based on the average enrollment over the five years preceding the date of allocation to an amount based on projected enrollment increases and on additional space requirements.

Background
The plan contained in the present Section 17 was adopted to establish a constitutional source of revenue for certain state-supported colleges to be used in construction of new buildings.

Arguments

- The change provided in the amendment which bases distribution of the fund upon future enrollment is a more realistic method for making adequate provision for classroom and other physical facilities.
- Expansion of the Texas state See Amendments, Page 8

PAT REARDON, working as a range technician with Dr. Leo Merrill at the Ranch Experiment Station, is a new resident of Sutton County. Reardon is originally from Mason County, but moved here from Matador. He holds a MS degree in range management from Texas A&M. He and his wife, Carol Jean, are Methodists.

Joe Nance Accepts Uvalde Job Offer

Joe Nance, owner of the Sonora Gas Company and Sono Coins, has recently accepted an employment offer from Gensco Incorporated of Uvalde.

The family will move to their new home in Uvalde around the first part of the month. They intend to sell both their Sonora home and the Sonora Gas Company.

Nance is a past president of the Lions Club, past master of the Dee Ora Lodge, and is finishing out his term as vice-president of the Texas Butane Dealers' Association. He is deacon of the First Baptist Church.

He and Mrs. Nance are past patron and past matron of the Sonora Chapter No. 575 of the Order of the Eastern Star. The Nances have three daughters, Melissa, 10, Melinda, 9, and Susan Jo, 5.

1966 Ford Showing Scheduled Friday At Sonora Motors

A Galaxie 4-door, Galaxie 2-door hardtop, pickup, and other 1966 Fords are expected to be on hand Friday at Sonora Motor Company for Sonora's first 1966 auto showing.

Joe Hull, manager of Sonora Motor Company, said that coffee, cookies, and sweet rolls would be served, and he invited everyone to come in for refreshments while they looked over the new Fords.

Sonora P-TA Schedules District Fall Workshop

Officers and members from Concho, Crockett, Irion, Kimble, Kinney, Menard, Reagan, Schleicher, Sutton, Tom Green, and Val Verde County P-TA's will attend the 1965 District Fall P-TA Workshop held here October 12.

"Focus on the Child in the Community" will be the theme of the workshop which begins at 9:30 a.m. with registration and coffee in the Central Elementary School auditorium.

Mrs. Edward Neill of San An-

gelo, district first vice-president and aide to the president, will conduct the workshop.

At 10 a.m. there will be a panel discussion on youth opportunities, with a representative from the San Angelo unemployment agency. Following the youth panel, there will be a panel on health at 11 a.m. At 12:30 p.m. a film on juvenile delinquents will be shown and at 1 p.m. a symposium on youth protection is slated.

The Sonora P-TA will conclude the program at 2 p.m. with ideas of work for local units.

The meeting will adjourn at 2:30 p.m.

Museum Site Needed

"We would like suggestions for possible locations of a museum," said John Eaton at a meeting Wednesday, September 22, of the Sutton County Historical Committee.

"If anyone has property they would like to donate or sell for the museum, we would like them to talk to some member of the site committee," Eaton added. Members of the committee are Mrs. Bryan Hunt, Mrs. Miers Savell, Joe Brown Ross, and Eaton.

Reporting the activities of the site committee, Eaton said that a number of locations are being investigated. The group noted that among important considerations are accessibility to tourist

traffic, parking area, cost, and availability.

Also discussed Wednesday was the possibility of combining the museum with an enlarged library.

E. B. Keng reported that the proposal that a museum be organized here had been presented to the County Commission. He said commissioners' response was generally favorable, although no action was taken. The proposal is to be presented to the City Commission also.

The group voted to meet Oct. 6 at 2 p.m. in the fellowship hall of First Methodist Church, and acted to establish a telephone committee.

Mrs. Ben Cusenbary, vice-chairman, presided at the meeting.

Bronco Boosters View Iraan Film

Bronco Booster Club members met Monday night after Sonora's victory over Iraan to view a film on the game and to view a film of the Sonora-Eldorado "B" team game.

Approximately 40 members heard Coach Bob Painter give a scouting report on the Rankin team and Coach Jerry Hopkins give a review on the Iraan game.

James Trainer, vice-president of the Boosters, urges all members to be present at the meetings held each Monday following a game at 7:30 p.m. in the school cafeteria.

4-H CLUBS CARRY ON TRADITIONS

Whatever you're doing and wherever you are going—during the week of September 25 through October 2—you should give attention, interest, and support to an observance that is taking place in Sutton County and all over the nation. It is National 4-H Club Week.

It would be difficult to praise the 4-H Movement too highly. Because of it, great numbers of boys and girls are helped to learn the fundamentals of ranching—and ranching, in these days, is a combination of business, art, and craft. The ancient virtues that are an implicit element in land and nature are combined with the technology of today.

We live in an increasingly urbanized society.

Inevitable as that may be, a very great deal of the strength and the character of this nation is found in the rural side of its life. The land, and those who work the land, feed and clothe and sustain us. And there, away from the congested cities with all their problems, is the strongly beating heart of America.

There are no juvenile delinquents in the ranks of 4-H. They carry on those traditions—pride of purpose, fair dealing, independence, consideration for others—that are so vital to that heartbeat.

Variations on a Theme
 Add 1/4 cup of crushed peppermint candy to whipped cream and use as a marvelous topping for pudding, cake or pie.

It's easy to make a Sundae Sauce to serve hot or cold over ice cream by using a package of pudding mix cooked with 1/2 cup sugar, 1 cup of water and 2 tablespoons of butter.
 Make a topping from 1/2 cup flaked coconut, 2 tablespoons of brown sugar and 1 tablespoon butter and spread this over butter-scotch filling placed in a pastry shell. Broil 3 inches from heat until topping is golden.

Blend 1/2 cup of confectioners' sugar and 1/4 cup cocoa into 1 cup of chilled whipping cream. Use this as a topping for angel food cake.
 Fold 4 ounces of shredded Swiss cheese and 1 cup diced cooked ham into 3 eggs beaten with 1 1/2 cups milk, 1/2 teaspoon salt and 2 tablespoons each of butter and flour. Pour into unbaked pastry shell and bake 15 minutes at 425°F. and 40 minutes at 300°F. This makes a nice supper pie.

SCD Zone 2 To Hold Election October 5

Zone 2 residents of the Edwards Plateau soil conservation district will elect a supervisor for that sub-division on October 5. D. C. Langford, county agricultural agent, says the election is very important and he urges all eligible voters to cast their ballot.

Zone 2 of the Edwards Plateau SCD includes all land north of the old Juno road and west of Highway 277. The election will be held at 1 p.m. Tuesday, October 5 in the basement of the Methodist Church.

The District has five landowner supervisors, with one being elected each year for a five year term. Edwin Sawyer is the current supervisor from Zone 2. Others include Fred T. Earwood, Frank Bond, Joe B. Ross, and W. B. McMillan.

Langford states that a qualified voter is a Zone 2 landowner who is 21 years of age or older. Wives of eligible landowners can vote.

The agent points out that soil conservation districts are political sub-divisions of the State of Texas and by law are charged with the responsibility of carrying out a soil and water conservation program in their district.

George L. Wipff Jr. Feted on Birthday

NEW CHEVROLET WORKPOWER IS HERE!

Here's low-cost Chevy-Van—economy champ of Chevrolet's long, strong covered delivery truck line.

NEW HEAVYWEIGHTS UP TO 65,000 LBS. GCW!
The all-new Series 70000 and 80000 models are here—the biggest Chevies ever built, out to do the biggest jobs any Chevrolet trucks have ever done! They're ready to cut costs with new V6 gasoline engines, new V6 and V8 diesels. They offer, also, a new 92" cab that's the best yet for working efficiency, new higher capacity frames and axles and a high 65,000-lb. GCW rating.

NEW LIGHT-DUTY WORKPOWER!
The most widely used of all truck engines—the famous Chevy light-duty Six is built for bigger things in '66 with a big new 250-cubic-inch design. It's the standard power plant in most light-duty models. Also, users of ½-ton models can now specify a big 327-cubic-inch V8—the most powerful engine ever offered in a ½-ton Chevy truck. See the new Chevies now, at your Chevrolet dealer's.

Roe-uing Around

by Grady Roe

You may remember in the last thrilling episode that Sal and Casey were at a train-dedicating ceremony, and that Black Bruce was also there, but in disguise.

Now to the plot. "... so the big bad wolf was eaten up by the little girl, and that's the end of my speech," said the new owner. "Now, I will cut the ribbon, Casey will drive the spike, and free lemonade will be served." Everyone cheered loudly, but not because of this, but because the owner was finished with his speech, which lasted about as long as a boring opera.

The owner stepped proudly up to the ribbon. Then, the owner grandly snipped the ribbon in half, and also snipped in half a small dog that was unfortunately in the way. "That owner," said Casey, "He's always cutting up." At this terrible pun, Sal groaned and nudged him gently in the ribs, breaking four of them. The ribbon fell to the ground. "At this time," the owner said, "Capable Casey will drive the final spike into our new railroad. Mr. Casey, here is the spike." The owner then handed Casey a spike. To Casey's surprise, the spike was made of a dull gray metal, instead of gold as he had expected. You see, the railroad had cost too much money to build, so, the owner couldn't afford a gold spike, and had to use a nickel one instead. You must admit, five cents is pretty cheap for one spike.

Casey strolled over and took the spike from the owner's hand, picked up the hammer, placed the spike in the rail, and swung the hammer over his head, wiping out an entire troop of Girl Scouts who were standing too close. With one, or five, or sixteen, twenty, fifty-seven blows from the powerful er, muscular Casey, the spike was in.

The owner then waved a red flag, and at a water tower about

a mile away, he was answered with a whistle blast, announcing that the train with the free lemonade was on its way. It was then that Casey noticed a huddled form between the station and the train. He picked up a pair of field glasses that just happened to be by his foot and discovered that the form was Black Bruce, the evil bad guy, and he was binding Sweet Sal to one of the ties in the new track. As Casey had driven the spike, Bruce had kidnapped Sal!

"Blest be the tie that binds," said Bruce, "Sweet Sal to the railroad track."

Can Casey save his loved one? Will Bruce's plan work? Will Sal be crushed beneath the wheels of the train? Will the free lemonade arrive at the station? Read the next thrilling episode and find out.

Woman's Club Sets Speaker and Film For Meeting Thurs.

A speaker, a film, and an exhibit will be featured at the year's first meeting of the Sonora Woman's Club Thursday, October 7, at 12:30 p.m. at the clubhouse.

Mrs. Ben Cusenbary will review the history of the club and its role in community service. Theme of the club's program for the year is State of the Community.

A color film strip furnished by the General Federation of Woman's Clubs is scheduled to be presented, and club yearbooks and Sonora Diamond Jubilee dolls are to be exhibited.

The Woman's Club also will be observing Federation Day October 7.

Guild Has District Meeting in Del Rio

"Mission: the Christian's Calling" was the theme of the San Angelo District Wesleyan Service Guild Fall meeting Sunday. The training program was held at the First Methodist Church in Del Rio.

Featured on the program was a panel discussion, and a film, "Portrait of a Woman," was shown commemorating the 25th anniversary of the Woman's Society of Christian Service.

The women attended church services as a group and ate lunch at a Del Rio restaurant.

Forty-three were present at the meeting. Attending from So-

nora were Mrs. S. M. Loeffler, Mrs. J. Wray Campbell, and Mrs. Zilpha Wheelis, accompanied by Mrs. Martha Word of Big Lake.

42 Fun Club Meets In Thompson Home

The 42 Fun Club met in the home of Mr. and Mrs. Lano Thompson September 23.

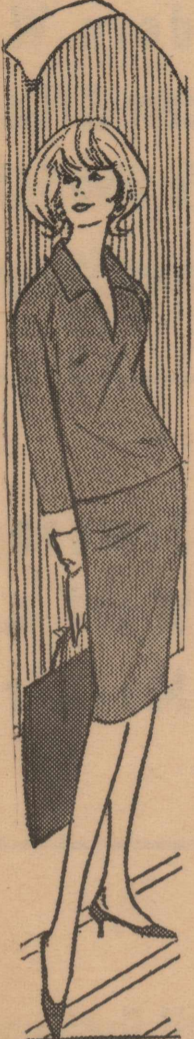

Winning the ladies' high score prize for club members was Mrs. W. O. Crites and M. C. Scott won the men's high score prize. Mr. and Mrs. George Wallace won the guests' high score prizes.

Winner of the 84 prize was Mrs. R. G. Nance. Mrs. Leon Neely and S. M. Loeffler binged for members, while Mr. and Mrs. Ed Grobe binged for guests.

Also attending the party were Louin Martin, R. G. Nance, M. C. Scott, Leon Neely, and W. O. Crites.

Guests at the club party included Mrs. Belle Steen, Mr. and Mrs. James Alexander, Mr. and Mrs. Joe Lane, and Mr. and Mrs. J. W. Sutton.

Mrs. Moore Honored At Kitchen Shower PP&K Registration Still in Progress

Mrs. Joe Moore, formerly Miss Martha Love, was honored with a kitchen and bedroom shower given by Miss Janet Johnson and Miss Brenda McCutchen in the Johnson home, September 22.

Attending the shower were Mrs. Hut Moore, Mrs. Preston Love, Mrs. L. E. Johnson Jr., and Misses Janie Letsinger, Susan Allison, Margaret Bundy, Tomye Smith, Gail Espy, Cee Wee Johnson, and Cindy Lambert.

Other guests included Mrs. Jimmy Powers and Misses Angie Moore, Linda McCutchen, Prissy Howell, Nedra Raye, Yvonne Young, Kaye Ellis, and Sue Middleton.

Cookies, dips, and punch were served.

In spite of its name, Indiana originally had fewer Indians than most other states and has practically none today.

Entries are still being taken for Sonora Motor Company's PP&K contest.

On October 9, boys from 8 through 13 will be given the opportunity to display their punting, passing, and kicking abilities in competition with other boys throughout the nation.

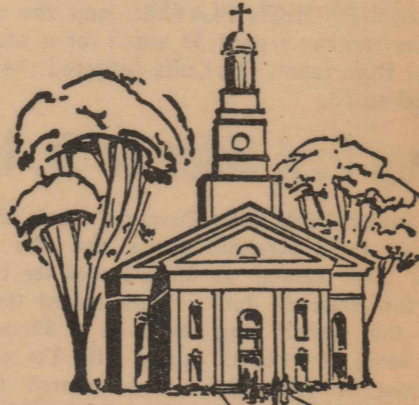

The winner of this zone area will be eligible to compete for the national PP&K title.

attend and support THE CHURCH OF YOUR CHOICE REGULARLY

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Once this vine was just a seedling, struggling to survive. Now look at it! Each year it grows stronger and yields a greater harvest.

The Christian faith has grown and flourished like the vine. From the seeds of the early church, Christianity continues to spread its joyful message to people everywhere.

World-wide Communion Sunday is a day for Christians of every creed to meet in spirit at the Lord's Table. This annual event makes us deeply aware of our brotherhood within the Church whose truths we share.

Come and take part in this special service. Your prayers, and those of all Christians, will combine to strengthen the roots of God's vine throughout the world.

 Dear Mr. King:

Thank you for your September 16 article on my New York recital.

I hope you don't mind my adding to what you have already written the fact that for eight years I studied piano in Sonora with Mrs. W. T. Hardy, and that had it not been for her excellent and dedicated teaching, I would not be giving such a recital.

Sincerely,
 Edward Aldwell

A HOST OF JUNIOR HIGH PLAYERS lead the way for Robert Mata (31) as he returns a punt 37 yards for a score against the Eldorado Junior High team. The Colts defeated the Eldorado team by a score of 36 to 12.

Colts Romp Past Eldorado Jr. High

The Sonora Junior High Colts rambled to their third straight victory of the 1965 season as they defeated the Eldorado Junior High for the second time this year by a score of 36 to 12. Eldorado scored first, but Sonora came right back with a 35-yard pass and run play from Dewayne Davis to Erasmo Lumbreras for the score. Robert Mata scored the two extra points. Mata scored the second touchdown on a 37-yard punt return along with the extra points. Mata scored the next three Colt touchdowns on runs of two, eleven, and one yards. David Wuest made one of the extra points to bring the final score to 36-12.

Amendments from page 1

college system with the addition of new institutions from time to time makes it essential that sufficient funds be available to provide adequate school plants.

3. By meeting the needs for building construction in the state college system through this ad valorem tax, appropriations now required from other tax sources can be decreased, freeing those funds for other uses.

4. Schools and colleges participating in the funds provided by the amendment are excluded from benefits of all other constitutional funds in a companion amendment (S. J. R. No. 39, to be voted on in November, 1966). Thus if both amendments are adopted, there will be no duplication in fund allocations.

Against:
1. The adoption of the proposed amendment would increase the state ad valorem tax on property at a time when it is the consensus of tax experts that this levy should be completely abolished.

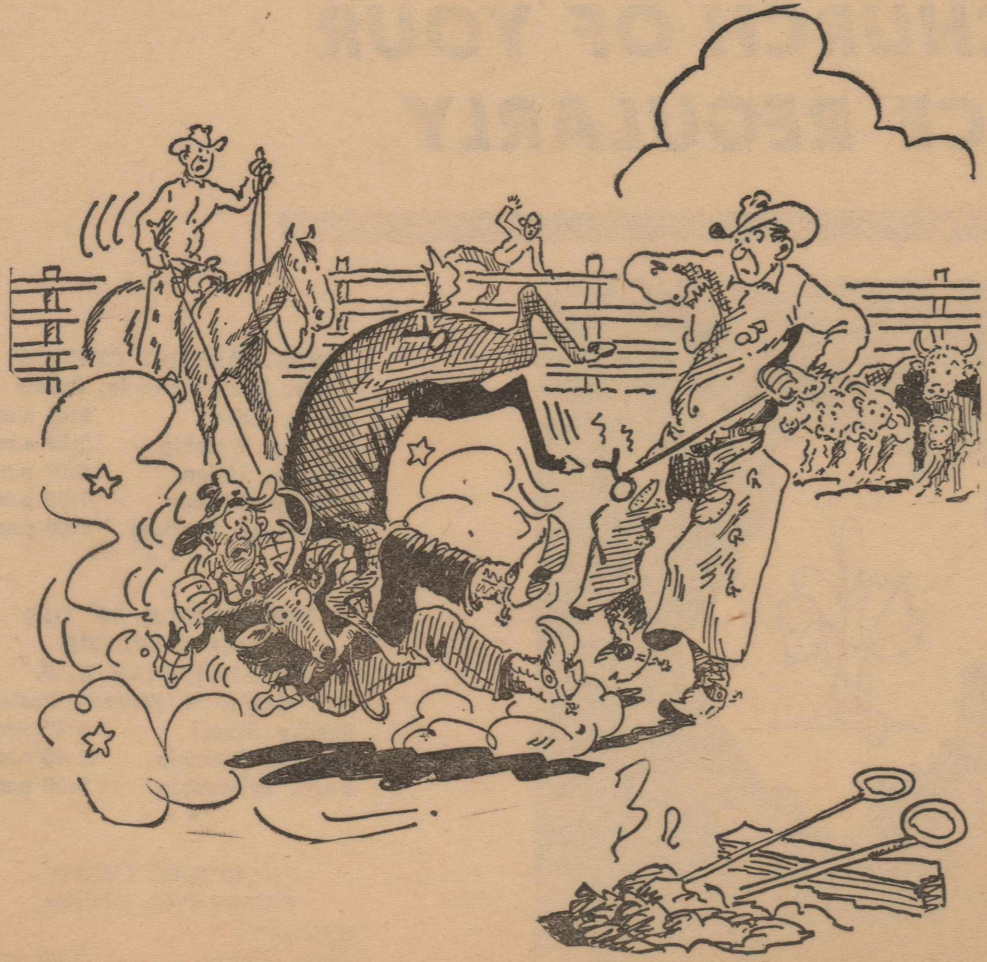

2. One of the institutions listed in the proposed amendment is now a participant in another constitutional fund. If proposed Amendment No. 1 is adopted and S. J. R. No. 39 is not adopted, there will be a duplication in fund allocation.

3. Some schools are presently overcrowded while facilities elsewhere are only partially used. The allocation formula proposed will tend to perpetuate this imbalance. Further, the plan does not include needs for improvement in quality of existing space or special buildings required for special needs.

4. The building programs should not be limited by the Constitution to schools now in existence and to an allocation formula which may be inadequate. The Legislature should have the authority to appropriate funds actually needed by any particular institution of higher learning.
