Gary Davis is contest winner

Two entrants tied in the weekly football contest, but Gary Davis was the winner, coming closest to the score in the tie-breaker between Missouri and Texas. Bettye Hoover was tied with Davis before the tie-breaker. Both only missed two games.

The weekly entry blank may be found on page 8 of this week's edition. The contest is sponsored by local merchants and anyone may enter. Entries must be in the Stockman office or post-marked before 5:00 p.m. on Friday.

ONB asks loan of pictures

As remodeling at Ozona National Bank nears completion, officials have made plans to set up an historical display with pictures pertaining to the bank history and former bank employees and officials.

Any having pictures they would be willing to loan should contact the bank. They are especially interested in pictures of former employees or directors. All pictures will be copied and returned to the owners in the same condition received.

Borrego at Dallas Baptist

Ernest Ortiz Borrego, a 1982 Ozona High School graduate, has enrolled as a freshman at Dallas Baptist College. Borrego, the son of Senovio and Inez Ortiz of Ozona, is undecided about a major.

Dallas Baptist College is a Christian co-educational college located between Dallas and Fort Worth. The college offers six degree plans as well as special degree programs for the deaf, and college credit for work experience.

Lions thrill homecoming fans with 29-28 win

By-Ross Alexander

The Ozona Lions, despite a sub-par defensive performance, managed to hand defeat to a powerful McCamey football squad, 29-28, at Lions Stadium Friday night in a thrilling homecoming clash.

Playing before an overflow homecoming crowd last Friday, the Lions seemed at times to toy with the previously unbeaten Badgers, occasionally lapsing into a lethargic, almost indifferent defensive posture, much to the alarm of Lion fans.

"We might have been too confident we could score at will," explained player-of-the-week Robert Flores.

Game films seemed to bear out the observations of the junior star running back. The Lions' potent offense, led by QB David Badillo moved the ball consistently against the vaulted McCamey defense. The Badger linebacker corps, a fierce and exceptionally mobile group, keyed all evening on speedster Willie Payne, effectively neutralizing his rushing game for much of the contest. It was precisely the considerable attention Payne was getting from the Badger defenders that sprung Flores loose on 2 fine TD runs which in both instances were three-play scoring drives with Payne and Flores packing the pigskin.

After McCamey's first possession was halted in fine fashion by the Lions, Robert Massey, continuing a Lion habit of scoring on the first Ozona possession, returned the Badger punt 79 yards, dancing down the near sideline stripe to put Ozona on top with 7:34 left in the first. Will Mason's PAT provided the crucial difference as game events would later show, as the Lions leaped out to a 7-0 count.

Although the Lions shut down the Badger offense for the remainder of the quarter, the Ozona offense failed to put points on the board

despite a sparkling Badillo to Massey completion to set up a first down situation across the midfield stripe. Two successive losses took the Lions out of scoring position and a dropped pass at the Badger 28 ended another opportunity.

After both offensive teams stalled early in the second quarter, Badger QB Zarate, the first signal caller the Lions have faced this season who actually wanted to run the ball, alternating with speedy Jodee Stephens, moved the Badgers deep into Ozona territory on an impressive series of running plays, victimizing outside linebacker Johnny Rodriguez repeatedly en route to a TD

with 6:30 showing in the half. Willie Payne opened second half action with an off tackle slant for 9 tough yards to the Badger 43. Robert Flores teamed with Diego Leal to move Ozona some 27 yards in 5 plays before a fumble killed the drive.

The Badger offensive unit, on a tackle trap called on Stephens who responded gainer to the Ozona 22 yard line. As the observant Badger quarterback brought his team to the line, he saw something and decided to call time-out, an enormously critical decision with 8:55 left in the third quarter. Although the McCamey speedster Stephens scored on the subsequent play, that time

out was to prove costly down the line in the contest.

Ozona, after receiving the kick-off, displayed its potent outside speed in promptly scoring in just three plays with Flores finishing it with a 42 yard dash to the end zone with 7:35 showing. Mason's conversion put the Lions ahead 14-13 and that's when the Ozona defensive unit began to somewhat relax.

On the following series, after the Lion front four shutdown the second running play for no gain, and faced with a third and goal from a considerable distance, Zarate dropped back to pass and under heavy pressure from the talented Zeke Martinez, let fly with a fluttering pass which Stephens somehow hauled in for a touchdown. A pass conversion was good for two points and McCamey briefly assumed the lead 21-14.

However, a confident Ozona offense stormed back and in under 45 seconds had scored with Willie and Flores accounting for over 65 yards in three plays. Mason's kick knotted the score at 21-21 with 3:15 left in the quarter.

The stunned Badgers were unable to move the ball on the next series of downs. The Lions also failed to score in spite of having a good opportunity. After the Lions came up empty, that seemed to re-invigorate the Badger team. At the 8:07 mark, McCamey commenced a drive from their own 20 yard line and moved upfield with good running and considerable illegal use of hands. At the 5:08 mark on second and 9 at their own 47, a flag was dropped for just such illegal use, but the iron man declined the penalty. Zarate quickly dropped back to pass on the very next play, and fired a perfect strike to the Lion 30. From that point it took running back Terry Kenny just two plays to score a touchdown with 4:09 re-

mained. Presently Angelo is the Republican National Committeeman and serves on the RNC executive committee, and the RNC election reform committee.

Angelo, in his bid to occupy the senate seat vacated by Senator Pete Snelson, Texas State Senate, 25th District, is opposed by Bill Sims, the Democratic nominee. The two will face each other in the November 2, general election.

A reward fund has been set up for information leading to the arrest and conviction of Mrs. Hartnett's attackers. The Ozona Stockman has made the first contribution in the amount of \$500. Anyone wishing to make donations may do so by making a contribution at the Stockman office or the bank.

Hedrick and Duran honored

The State Department of Highways and Public Transportation in Ozona honored five persons recently with the presentation of Certificates of Service and Lapel Emblems.

Cecil F. Hedrick and Otilio V. Duran were honored for 30 years of service, George C. Ybarra received the 15 year and Ricardo M. Dominguez the 10 year award. These four men work for the maintenance section in Ozona.

Virginia M. Hubbard with the Crockett County Residency in Ozona was presented a 15 year Certificate of Service.

All these people are married and have families. They attend their respective churches, help with clubs and organizations for the betterment of their community and like the type of recreation that includes their families.

The presentations were accompanied by letters of congratulations from District Engineer D.R. Watson of San Angelo.

American male intruders in her home when she returned from taking her children to school.

The Hartnett home at 108 Fairview was broken into Friday morning and some prescription drugs, liquor and other items were taken. Mrs. Hartnett went to the grocery store after taking her children to school Friday, but Tuesday morning she returned directly to her home and caught the intruders who had gained entrance through a window after cutting a screen.

According to Mrs. Hartnett the men pulled knives, then beat her to the floor where they began to kick her, before leaving the scene. She managed to get to the telephone and call the DPS at

8:36. When officers arrived at the scene, an ambulance was called and Mrs. Hartnett was hospitalized with the injuries and was in shock. Later in the day Mrs. Hartnett told officers she could identify her attackers. There were no other witnesses.

According to an official of the Sheriff's Department, several good fingerprints were found at the scene and department personnel is following up on some very good leads in the case. They are being assisted by Mrs. Hartnett's husband, Manuel, who is a former law-enforcement officer, and a very good one.

Anyone having any knowledge of this crime is asked to contact the Sheriff's office immediately.

Court action in all-day session

In an all-day court session here Monday, two probated sentences were revoked, a man charged with statutory rape, custody removed from the mother in the cause of two juvenile girls, and a woman cited with contempt of court.

Desi Tijerina, 20, had his probation revoked for violation of the conditions of his probation and was ordered to serve his 3-year sentence in the State Department of Corrections. He was convicted of criminal mischief in November of 1980 and given a 3-year probated sentence. His violations consisted of extorting money from Travis Wayne Bentley, and breaking into the Ozona Primary School for purpose of vandalism June 15, of this year.

Paul Sanchez, around 25, was charged with statutory rape and awaiting trial. Two girls, ages 11 and 12, were taken from their mother's custody and sent to their father in another state. Lucy Williams was charged with contempt of court by Judge Troy Williams and sent to serve 24 hours in jail. The proceedings were lengthy and took all day and the services of County Attorney Tom Cameron and District Attorney Bill Mason, 112th District Judge Troy Williams presided during the lengthy deliberations.

RECEIVES NAVY COMMISSION-Brian L. Gries, son of Mr. and Mrs. Terry H. Gries of Ozona, received his commission as an Ensign in the U.S. Navy Sept. 10, at Naval Aviation School Command in Pensacola, Fla. He received his B.S. in Nuclear Engineering from Texas A&M in May. He has been assigned to Corpus Christi Naval Air Station where he began pilot training last week. After the ceremonies he received congratulations from his Marine Drill Instructor.

CUTTING KREMLIN'S CREDIT

By Edwin Feulner

With the Soviet Union locked in a war of words with the United States over who possesses the deadlier arsenal — as they jockey for the upper hand at the Strategic Arms Reduction (START) Talks — the military buildup continues unabated in the rest of the Warsaw Pact.

East Germany, for example, spent 6.1 percent of its 1980 gross national product (GNP) on its military compared to West Germany's 3.2 percent. Czechoslovakia spent 4 percent, in contrast to Italy's 2.4 percent. Overall, the Warsaw Pact countries spent an average of 5 percent of their 1980 GNP on their militaries, while the NATO countries spent an average of less than 3 percent.

Don't kid yourself into thinking the Eastern Bloc has no direct connection to the Kremlin. East Germany has served as Moscow's proxy throughout the Third World, especially Africa. And in a roundabout way, the West has been helping them.

While Eastern Bloc military regimes build more weapons, trade agencies of Western governments extend credit to Communist governments and guarantee loans made by private banks and companies to the Soviet empire. As a result, the Eastern Bloc now owes the West over \$68.5 billion.

There you have it. And all we'd have to do to get the Eastern Bloc to slow down its military growth is cut off its line of credit.

So far Poland and Romania, with a combined \$32.7 billion debt, have had the most serious debt-payment problems. Stupidly, we let them off the hook. Now it appears that Hungary and East Germany, with \$20 billion in debts, may also ask for delayed payments.

Moscow too is experiencing a severe cash bind — due to shrinking revenues from energy and arms exports, another disastrous harvest, and the rising cost of its worldwide empire. The Kremlin now owes the West some \$10.2 billion.

Curbing the growth of Warsaw Pact military regimes is but one consideration. The other is moral. It seems to me there is something seriously lacking in a policy that rewards repressive Communist regimes that we have long denounced as threats to the Free World with financial aid. The Reagan administration has said repeatedly that it will oppose future Chrysler-like bailouts; but it doesn't have the heart to refuse to bail out the Polish regime?

Some argue that using international finance as a political weapon is a dangerous tactic. But that danger must be weighed against the threat of communist aggression, which is used, we know, even against their own citizens.

A high official of Poland's "Solidarity" union — one who has the freedom to say what he thinks because he was in the U.S. when the military crackdown took place — has bluntly said, "I believe that the West should block off the entire (Soviet) system. . . . It is generally known that the Soviet system is not economically self-sufficient. It spends most of its energy increasing its front of attack . . . and does not have enough energy left for satisfying the needs of its population. If you cut off all trade, this system will collapse."

Cutting the Eastern Bloc's line of credit would seem an appropriate first step.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — Texas Secretary of State David Dean did not have a good week.

On one day, his well-intended efforts to purge felons from Texas voting lists led him into a threatened libel lawsuit.

Then later, his ruling that the name of a deceased state senator must remain on the Nov. 2 ballot was challenged vehemently by the Texas Democratic Party.

The double uproar was faithfully covered by the media, and, on the bright side for him, Dean's name identification was probably greatly increased across the state.

Survivor that he is, Dean will probably capitalize the incidents into votes whenever he decides to run for office himself, as he is expected to someday.

But for now, politically speaking, Dean finds himself caught in two cracks.

Felons List

Texas law prohibits convicted felons from voting, and as the state's chief election officer, Dean wanted to make sure the law was enforced.

He asked the Department of Public Safety for a list of convicted felons soon after a voter fraud investigation in South Texas turned up evidence that ex-convicts had voted illegally.

When DPS sent over a list, Dean compared it with his voter lists. He sent the names found on both lists to all local election officials for purging.

The trouble erupted for Dean when it was discovered that an Austin investor running for state representative was mistakenly included in the felons list which Dean

had sent to Travis County officials. It might have all been resolved quietly if not for the fact that Dean is a Republican and the candidate, Jerry Angerman, is a Democrat running against a GOP incumbent.

What Dean apparently did not know is that the DPS list included both felonies and misdemeanors and had picked up on an old speeding citation for Angerman.

Angerman became an angry man, and held a press conference denouncing what he implied were Dean's efforts to sabotage his campaign. Other local Democrats joined in against Dean, labeling him from incompetent to "Nazi."

Angerman said he would file a libel lawsuit against Dean.

The DPS chief, meanwhile, said his staff had made it clear to Dean's office that the list contained both felonies and misdemeanors which could not be separated by the computer.

Deceased On Ballot?

Dean's troubles increased after State Sen. John Wilson, D-LaGrange, lost his courageous battle against cancer last weekend.

The race was on to replace Wilson on the ballot, until Dean ruled that the senator had died just hours after the 45-day deadline prohibiting a replacement. The deadline was supposedly up on Saturday, and Wilson succumbed on Sunday.

Dean ruled that the Democrats could not find a re-

placement, and that only the names of the deceased Democrat and his Republican opponent could appear on the ballot.

Texas Democratic Party chairman Bob Slagle went full speed ahead anyway and the District 18 executive committee has named State Rep. John Sharp, D-Victoria, as the senatorial candidate.

The Democrats charged Dean was just trying to sneak in another Republican senator and bypass a fair election. They argue the law provides that, if the deadline falls on a weekend or holiday, then the deadline is extended to the next working day; in this case Monday, the day after Wilson's death.

The dispute will probably wind up soon in the Texas Supreme Court.

Tribute To Wilson

If uncertainty now surrounds the seat which Sen. John Wilson occupied, it was not present when Wilson held it. He was widely respected for his prowess as a legislator.

Wilson, 43, knew for more than two years that he would die from inoperable lung cancer. He never smoked a day in his life.

Friends and political foes alike respected his skill and dedication, which became stronger as death came nearer. On Sept. 7 he was sworn in as Senate president pro tem, helped from his wheelchair while his colleagues stood close to tears.

Letters to the Editor

Dear Kitty,

Enclosed is a check for \$12.50 for a year's subscription to the "Stockman". We've been away from Ozona for about a year and we like to try to keep in touch with our little home town. So we decided the "Stockman" would be the best way. Keep up the good work! "Go Lions!"

Dear Publisher:

You previously received a letter from my office regarding the statewide voter registration drive proclaimed by Governor Clements for the November 2, 1982 General Election covering the period of August 11, 1982 through October 2, 1982.

Since October 3, 1982 is the last day to register to vote for the November 2, 1982 General Election, I wanted to take this opportunity to encourage you to remind your readers that they have until that time to register to vote if they have not already done so.

Again, your full cooperation and assistance in this endeavor is greatly appreciated.

Sincerely,
David A. Dean

Strake Talk

FROM YOUR NEXT LT. GOVERNOR

This may be my last column in this series. We began this column ten weeks ago, hoping it would be a success. And judging from the response of the readers, I would call it an unqualified success. The mail has been very favorable. The columns that drew the most response were those dealing with education of our children, the property tax issue, and the issue of Mr. Hobby raising funds for the ACLU to use in that organization's crusade against prayer in schools and in defense of pornographers.

I have made a point in these columns that Texans need a Lt. Governor who is in touch with the people he is supposed to serve. Mr. Hobby is clearly out of touch with the thinking of Texans, and, in my opinion ought to be retired.

Mr. Hobby's lack of understanding can be illustrated: Texans are overwhelmingly in favor of President Reagan's efforts to transfer power and responsibility back to the states. I agree that Texans can do a better job for Texas than Washington can. Mr. Hobby disagrees. The vast majority of Texans do not believe they ought to be forced to pay for the education of the children of illegal aliens. I have compassion for these children—but I must confess that I care

more for Texans who are faced with the burden of supporting their own children in hard economic times. Mr. Hobby disagrees. Most Texans think our Right to Work law should be incorporated in the Texas constitution. I agree here, too. But Mr. Hobby disagrees and has fought the effort. The list goes on and on.

The problem with continuing my column is a simple one—money. We originally budgeted for ten columns, and we have now reached that point in our budget. If we are successful in raising more campaign funds, you are likely to see more columns. I hope so, for this seems to be a good way to get the issues to the people.

These columns are needed. Without them Mr. Hobby will clearly avoid the issues and seek to confuse us with 30-second TV commercials created by his image builders. If you would like to see these columns continue and would like to help in that regard, please send your contribution. If you can't make a contribution, I assure you that your opinion will be equally important. Please write to me at Texans for Strake, 1213 W. 34th, Austin 78705. Let's keep in touch.

4-H Activities and projects are well under way. 4-Hers are participating in livestock, shooting, and cooking projects. Three 4-H clubs are organized and have some exciting activities planned for the fall.

Extension clubs that have programs in October are the Crockett Heights club on October 5, 9:30 at Roberta Schoenhals home-program on quilting; Happy Homemakers meet October 12, 12:00 noon at the Chamber of Commerce for a program on "Homemade games for children"; and Progressive Club meets October 14, 12:00 noon at the Civic Center for a program on Nutrition by Mary Leigh Kirby.

Proper care and maintenance of wood floors add warmth and beauty to any home.

Dust mop or vacuum wood floors to remove surface dust and dirt. If dust and dirt are allowed to build up, it will work into the wax and dull the luster.

Wax and buff the floor several times a year, depending upon the amount of traffic. Avoid water-based products. Woods like "mopha," "mineral spirits" or "petroleum distillate" on the label are fine for wood.

Stains are the most common type of damage to wood floors. Do a patch test in an inconspicuous space before cleaning big stains. Begin at the outer edge and work toward the middle to prevent stain from spreading.

Special Care-Stains and Spots

Food stains-Clean with a damp cloth. Rub dry and re-wax.

White spots and water spots-Rub lightly with fine steel wool moistened with wax or mineral spirits. Wipe dry and re-wax.

Dark spots-Clean with fine steel wool and floor cleaner or mineral spirits. If spot remains, sand with fine sandpaper, touch up with matching stain and re-wax.

INSIDE-OUT CREAMY CUPCAKES

1 Package (14 oz.) gingerbread mix
 1/2 cup finely chopped pecans
 1 container whipped topping, thawed
 Prepare gingerbread mix as directed on package, adding pecans. Divide batter evenly into 12 paper baking cups set in muffin pans. Bake at 350 degrees for 20-25 minutes, or until tops spring back when lightly touched. Remove from pans and cool on racks. Cut a 1" circle in center of each cupcake and remove. Gently scoop out center, reserving crumbs. Toast reserved crumbs at 350 degrees for 10 minutes. Cool. Fill each cupcake with about 1 tablespoon of whipped topping. Replace tops. Frost tops of cupcakes with remaining whipped topping and sprinkle with toasted crumbs. Serve the day prepared or freeze 2-3 hours or overnight. Remove cupcakes from freezer 5-10 minutes before serving. Makes 12.

Tips for Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

After the refreshing shower last week everyone seems to be enjoying our perfect cool fall days and look forward to more of the same. From now through October we should have a perfect display of beautiful roses with deeper coloring than the spring bloom. Keep well-watered while buds are forming and maturing. Feed if you haven't done so before this.

Foremost among the fall blooming annuals are the calendulas, where long-lasting blooms make them excellent bedding plants or cutting flowers. They are available in a variety of selections. If for bedding uses include Fiesta titane, golden gem and Juliette that bear creamy yellow to rich-orange double flowers.

It isn't too late to plant larkspur, stock, bluebonnets, cornflowers, California poppies, etc.

Another colorful plant in bloom at this time is the queen's wreath vine. This vine does better if it has plenty of sunshine, so plan to make room for one next year. Once established they give a beautiful display every year.

Before frost time move your indoor plants outside for two or three weeks. Apply liquid fertilizer and water to encourage growth. Place where the hot sunshine won't burn the foliage. A choice place would be beneath trees or large shrubs. Be sure to bring them in when frost is forecast.

This is an excellent time to make cuttings for inside greenery and blooms. Some of the plants to enjoy this winter (and a good opportunity to multiply) are begonias, coleus, geraniums, jacobins coat, sultanas and others you may want.

Calling All Homemakers
 Brought to you by Brown Furniture

The first rule to remember in buying a lamp is that lamps should perform--not one--but two jobs for you.

Beside giving you the kind of light you want where you want it, the other job that lamps should do is to add a decorating quality to your rooms.

A famous designer once said that a lamp should be useful--Even when it's off. What he meant was that lamps should be bought--not just for lighting--but for their own beauty. They should bring decorator touches to the place where they're being used.

But just as a lamp should be useful when it's off, you should take care that it will be useful when it's on, by having it be the right size to do the right job in lighting. Make sure that a lamp is the best height to throw the right amount of light in the right spots. And make sure that the lamp is the size you want in relation to furniture around it.

Lamps can do a lot for you, both when they're on and when they're off, if chosen properly. For all your home furnishing needs and help, stop in here at **Brown Furniture**. We'll be glad to see you!

World Communion Sunday! and millions of Christians will be joining together to celebrate the Sacrament of the Lord's Supper.

In a way, the emphasis is on what we can do . . . and on what God does for us. The Bible is ours to read and learn from every day. But to most Christians the Lord's Supper is a wonderful mystery in which Our Lord comes to us with his forgiving, saving love.

With whatever emphasis of doctrine or reverence you view the Word and Sacrament, make this week at worship a very special event in your family's life. It is a time when we are reminded that the World is God's family.

Crockett County Care Center News

BY ANN McCARTNEY
DIRECTOR OF ACTIVITIES & SOCIAL CARE

Fall officially arrived on Thursday. We really welcome the cooler weather. Third Sunday services were brought by the First Baptist Church of Ozona. Residents always enjoy these services held weekly by different churches of Ozona at 4 o'clock on Sunday afternoon. Residents were also entertained on Sunday by Bea McWilliams of Odessa and her two dachshunds.

Monday morning Maude Pettit, Louise McWilliams, and Paul Cavin had a game of dominoes. Monday afternoon residents were entertained by Joycelyn Graves of the Myrtle Post Garden Club with a slide presentation showing Texas wildflowers. Residents were also treated with some slide pictures of themselves at different activities around the Care Center.

Tuesday morning residents played bingo. Dorothy Doll, Nina Martinez, and Juanita Delgado were volunteers. Juana Hernandez won the El Chato dinner for two. Tuesday afternoon Sara Hight graciously consented to come after school to play for our residents while yours truly gave a program on the endless possibilities of volunteerism at our Care Center to the Woman's Forum. (Here's hoping other church and civic groups will ask for the same program.) Residents always enjoy Sara and were further entertained when Alma James joined in the singing with her lovely alto voice. Made me wish I could have been two places at once.

Wednesday morning we were all treated with some piano music played by volunteer-resident Leona Harris.

Also Wednesday morning Ruth Hester, Dorothy Doll and Marie Pierson helped Ola Mills, Maude Pettit, Frances Borrego, Juana Hernandez, Verna Talley and Moriana Perez with ceramics. Jessie Deaton also came down and watched.

Wednesday afternoon a nice group of residents once again sat out on the front porch while they and all inbound residents as well, enjoyed oranges donated by Jim of Jim's Foodway.

Thursday morning beauty shop was manned by Madye Jo Humphreys, Arlene Clayton and Bernabe Villarreal. Thursday after the Faith Lutheran Church group brought our Bible study followed by Spanish hour brought by our Catholic ladies. Thanks goes to all these volunteers.

The Faith Lutheran ladies recently donated bath powder and the Baptist ladies from the First Baptist Church of Big Lake donated a case of deodorant. We really appreciate these two faithful groups. If anyone has any perfume hanging around the house they aren't using we could use that too.

Friday morning we had our second bingo session for the week. Jesus Hernandez was the weekly winner and won a gift certificate from Westerman Drug. Hilario Cortez was a close second. Volunteers helping included Dorothy Doll, Alice Ross, Anna Bell Patrick, Ofilia Enriquez, Hope Vargas, and Louise Johnigan. We really appreciated this nice group of volunteers.

Friday afternoon Jo Cook from Big Lake came by with an informative demonstration on all the creative ways

to decorate with liquid embroidery. A large group of ladies watched and then several tried their hand at the handicraft.

Residents attending included Ola Mills, Maude Pettit, Frances Borrego, Juana Hernandez, Verna Talley, Moriana Perez, Carol Reed, Grannie Carter, Maggie Crawford, Virginia Russell, and Floy Claire Short.

Also on Friday afternoon Elma of Elma's Roadside Grocery came by with a large box of new, month old magazines. Many thanks for remembering us!

Volunteers can bring residents friendship, enthusiasm, a sensitivity that lets our residents know they are important people, and so help the residents maintain a sense of self-esteem. "You'll come!"

Pandale Study Club

Pandale club enjoys brisk cookbook sales

Members of the Pandale Study Club unveiled their new Pandale Cookbook for Ozonans Friday at the Ozona National Bank and sold around 300 of the attractive books before the end of the day.

The book, done in durable vinyl tan cover, features illustrations done in brown by the artist Sharman West. Mrs. West was at the bank Friday to autograph the books.

The cover features the famous Pandale, Texas sign, with the population varies inscription. Segments of the recipes are separated by illustrations of the first Pandale School, the old store and several original ranch homes in the area, along with some ranch scenes.

A brief history of Pandale and the Pandale Study Club forms the forward of the book, followed by some good cooking tips, then hundreds of recipes from club members which begins with appetizers, goes through everything from soup to nuts, ending with a miscellaneous

chapter. All recipes are submitted by club members. Several pages end with little tips such as "A small dish of activated charcoal helps to remove post-party odors."

The book enjoyed brisk advance sales prior to its printing, and with the 300

sales Friday, the club is sure to be out of books in the near future. However, at present they may be purchased in Ozona at Maxine's Flowers, the Teacher Store, Small Fashions, Clayton's Village Drug, and Ozona Inn of the West. The purchase price is \$12.

The club uses the money from the sale of cookbooks to finance its many civic projects during the year.

Thomas upsets Fierro in tennis match

David Thomas, using a powerful serve, swept Crockett County's No. 1 ranked tennis hot shot James Fierro, in straight sets, 6-3, 8-6, on the Ozona courts Sunday afternoon.

Mixing his game to fully utilize accurate lobs, and fierce passing shots, Thomas managed to solve Fierro's tough volleys and slicing drop shots, in this second

challenge match for each player. The deciding set saw Fierro at the net more frequently but his usually devastating first serve was absent and Thomas hung on to resist Fierro's comeback.

Eldorado tournament to aid ACS

The First Annual American Cancer Society Golf Tournament in Eldorado will be held October 9, at 10:00 a.m. Entry fee is a \$15.00 minimum donation per person.

There will be a limit of 44

teams to play; men and women may play in any combination. The Eldorado Golf Club will be the location of this charity event.

Prizes will be donated by local merchants. To register, send your name, address, phone number, and donation

to Mrs. Helen Carlman, Box 536, Eldorado, Tx. 76936. For further information, call Mrs. Carlman at 853-2766.

NEW STUDENT

By-Noemi Gonzales
New to Ozona High is John Castro. Junior John Castro is six one, has green eyes, and is eighteen years old.

Before moving to Ozona, John lived at Scott Air Force Base, Illinois where he attended Mascoutah High School.

Basketball is one of John's hobbies. He also likes to listen to rock and soul music. Van Halen, Lover Boy, and Billy Squire are his favorite singers.

According to John, his favorite sport is basketball. Some of his other favorites include the color red, macaroni and cheese, pizza, and the food at McDonald's. John is also working at the Truck Stop.

When asked if he likes Ozona High, he said, "Yes," because it "is easier than Mascoutah." He also likes it because "it's smaller and you get to leave the campus."

LIONS WIN FOURTH STRAIGHT

Robert Flores rushed for 139 yards on eleven carries to help the Lions defeat McCamey 29-28 in the Homecoming game Friday night.

Robert Massey opened the scoring when he returned a McCamey punt and ran it back seventy-five yards for a touchdown. Will Mason's conversion kick was good.

McCamey also scored a ten yard touchdown run but the extra point kick hit the crossbar.

Both teams threatened to score in the second quarter, but both were marred by interceptions.

Diego Leal and Will Mason had an interception each for the Lions as time ran out, with Ozona leading 7-6 at the half.

McCamey went ahead on a twenty-three yard touchdown run but Robert Flores scored on a forty-two yard touchdown run for the Lions.

McCamey also scored another touchdown on a nine yard pass play and the two point try was good. Ozona came back on yet another touchdown run by Robert Flores and the extra point was good.

After three quarters the score was tied at 26.

McCamey went ahead then in the fourth quarter on a twenty-nine yard touchdown run, but Ozona's David Badillo came back and scored on a twenty-one yard touchdown run. Badillo then pitched to runningback Willie Payne who ran in for the two point conversion.

McCamey then drove deep into Lion territory, but time ran out as the Badgers were trying to set up for a winning field goal.

The Lions, through four games, now average 34.5 points per game, while giving up 13.75 points per game.

Ozona plays at Eldorado this Friday at 8 p.m., as they try to end their pre-district games at a perfect 5-0 mark.

PEP IT UP

An Editorial

By-Gayla Bell

With no spirit at school, how are the athletic teams supposed to get excited about their games? Pep rallies are aimed at the football boys, but many students don't participate. Many just sit in the stands and talk or do their homework. Before the pep rallies are over, most of the younger students can be seen making their way out of the stands.

The people who do this show others their rudeness. Many students leave because they are bored or because they want to get out of the gym before the crowd does.

Our staff, on the other hand, believes this makes

the pep rallies seem less important. Also, many people who want to stay for the whole pep rally are distracted by those who are leaving.

We feel that one solution to this problem is not to permit the younger students to come to the pep rallies. Most of them sit on the edge of their seats the whole time waiting to leave. Let them stay in school until it is time for them to go home. This is one of the solutions to a solution that has become a real problem.

EXCITING WEEK PASSES

By-Gayla Bell

Monday, September 20, marked the starting of the Homecoming Week festivities. Monday, everyone was to wear the funniest hat and glasses they could find.

Tuesday was Crazy Day, and there was no specific assignment, except to wear something really crazy, for example, a plaid shirt with striped pants. Wednesday was fifties day and OHS was taken back in time thirty years. Thursday was backwards day and OHS looked like a film run in reverse.

Thursday night was the big Homecoming pep rally and Snake Dance. The band, followed by cheerleaders and students, started at the Village parking lot and marched all the way to the boy's gym, which was full.

Speeches Thursday night were delivered by Ross Alexander, sports writer; Coach Curry, and Robert Massey.

Several of the high school boys were made up as cheerleaders, twirlers, a mascot, and a drum major.

Friday was purple and gold day, and everyone had a chance to show that they had "purple power." At the pep rally Friday, a spirit stick was given by each cheerleader to the student who displayed the most spirit throughout the week.

Friday was capped off with our football game against McCamey, which the Lions won, 29-28. Also on Friday night, Homecoming Queen Velma Fierro was crowned.

FOR ART LOVERS ONLY

By-Karise Aycock

Among the new classes offered for the 1982-83 school year is art, taught by Mrs. Mary Helen Parks, former librarian at OHS.

Mrs. Parks has always had a love of art, having taught art before she began teaching in the Ozona school system.

Not only does the talented teacher have high school classes, she also teaches classes in art in the junior high school.

One of the major projects the OHS art classes will undertake is the painting of murals on both ends of their classroom, which is located in the old junior high building.

Mrs. Parks has been really impressed by the talent shown by many of the students she teaches.

"Ozona has some really fine artists," said Mrs. Parks.

Mrs. Parks is also extremely pleased with the appearance of her art rooms.

"They look like art departments, not classrooms," commented Mrs. Parks. "If an art department looks like

an art department, there is going to be more response from the students."

Quite a bit of interest has been shown in the art classes. When students registered last spring, the classes were quickly filled.

TEST WEEK UPON US

This week marks the sixth week of the 1982-83 school year, which means teachers will be reviewing lessons and preparing students for their Six-weeks Tests.

Six-weeks tests are given in each class according to a specific schedule. Seventh period tests will be given Wednesday, first, third, and fifth period tests on Thursday, and second, fourth and sixth period tests on Friday.

HOMECOMING QUEEN CHOSEN

By-Gayla Bell

Friday night the Ozona Lions elected the girl they chose as the 1982 Homecoming Queen. Four girls were nominated. They were Darla Lovell, Kristal Williams, Pam Wilton, and Velma Fierro.

Elected as Homecoming Queen was Velma Fierro, daughter of Mr. and Mrs. Antonio Fierro. Velma has been active in band, volleyball, basketball, and track. She said just being involved in the Homecoming pre-game show is a great honor.

According to Velma, "everyone should get involved in homecoming."

Darla Lovell is a senior at O.H.S. Her escort was David Badillo, also a senior. Darla is the daughter of Mr. and Mrs. Doyle Lovell and she has a younger brother named David. Since she has been in high school, Darla has participated in basketball as a freshman, and in band all four years. She has been on the Honor Roll numerous times and has been a cheerleader the last two years.

Darla said she always enjoys Homecoming because everyone can act "really crazy" and get a lot of spirit going, and because she gets to see some of the ex-students again.

When asked how she felt about being a nominee, Darla said, "I am very excited about it because it is a great honor."

The second nominee was Kristal Williams, a junior at OHS. Kristal's escort was David Tijerina, a senior.

Mr. and Mrs. Jim Williams are Kristal's parents. They have two other daughters, Kim and Kelly.

Kristal has been involved in basketball, track, and band during her high school career. She has also been on the Student Council the past two years, on the Honor Roll many times, and this is her first year as a high school cheerleader.

Kristal feels that Homecoming is a big event in Ozona because it allows the graduates to come home and be involved in school activities and see old friends. Her feelings about being nominated are happy ones. She feels that it was a great honor. She added that she was really surprised to be nominated.

Pam Wilton, a junior at OHS, was escorted by senior Randy DeHoyos.

Pam's parents are Mr. and Mrs. Jene Wilton. The Wil-

ton's also have two sons, Jene and Shane.

Tennis and Band are the activities Pam is involved in at school. She was class secretary her sophomore year and this year, and is a cheerleader this year.

Pam feels that Homecoming gets school spirit up and that everyone seems to show more pride in OHS. Pam also feels being nominated for Homecoming Queen was a great honor she was "super happy" about.

STUDENTS ATTEND J-DAY
By-Noemi Gonzales

The Journalism class and photographers from OHS attended Journalism Day at Angelo State University Thursday for some special workshops designed to help improve skills in yearbook and newspaper production on the high school level.

The day began with registration and an orientation program in the University Center Ballroom at ASU.

A welcome was given by Jim Batts, head of the Department of Journalism at ASU. Linda Adams, Big Spring Herald editor, gave the address.

Also attended by Ozona students were individual sessions for photographers, editors, and sponsors.

In attendance from Ozona were Karise Aycock, Gayla Bell, Irma Ybarra, Noemi Gonzales, Cyndi Trujillo, Robbie Turnley, Dennis Young, Jene Wilton, Teresa Lee, Mary Trevino, Gary Davis, Kim Williams, and sponsors Mr. McWilliams and Mrs. Henderson.

JR. HIGH TEAMS LOSE GAMES

By-Irma Ybarra

Junior High football action for last week showed two losses for Ozona.

Ft. Stockton's seventh grade team slipped by Ozona's team with a score of 8-6. The highlight of that game was Oscar Payne's 65-70 yard run, according to Coach Don Payne.

The seventh grade team showed a great deal of improvement," said Coach Payne, who added, "They're due to win this week" when they play Eldorado there.

Ft. Stockton mangled Ozona's eighth grade team 44-12. Johnny Lombardo and Valdo Galindo were stars for the game with a 40-yard pass for a 23 yard touchdown run.

The eighth grade team lost its center, Peter Shacklette, to a broken arm.

Game time for next week is 5 p.m. for the seventh grade, with the eighth grade game immediately following.

JV TEAM UNDEFEATED

Ozona's Junior Varsity football team traveled to Rankin Thursday, where they walloped the Red Devils with a sound score of 33-0.

The win against Rankin made Ozona's JV undefeated, with a perfect 3-0, having previously defeated Sonora 12-6 and Big Lake 21-0.

The team will take on Eldorado there Thursday night.

CROSS-COUNTRY PRACTICE BEGINS

By-Irma Ybarra

Cross-Country is a sport that requires a lot of endurance and talent, according to Coach Debbie Deaton.

One of Ms. Deaton's train-

ing procedures is having participants do long runs and speed work at the track.

Cross Country competition involves running two miles at a golf course. The girls in Cross Country are Ida Munoz, Leonor Munoz, Zelda Munoz, Donna Sanchez, and Lynn Lozano.

The girls first Cross Country meet will be held in San Angelo, October 2, at the Santa Fe golf course. Coach Deaton's goal for the girls is to make it to state this year.

Other comments from Ms. Deaton were that this year's group is good and works hard, and she has a very optimistic view that her girls will have a solid chance of making it to state.

STUDENT OF THE WEEK

By-Cyndi Trujillo

The Lion's Roar staff will be adding something new to their publication this week. Each week, a student will be identified as the Student of the Week. The staff has circulated forms throughout the school to be used in featuring the star student of the week. The forms ask questions about extracurricular activities, etc.

This week's Student of the Week is Elisa Garza, a senior. Elisa is a very friendly person, who always wears a smile.

Elisa lives with her mother and brother. She has one special characteristic which distinguishes her from everyone else. This is Elisa's special laugh.

If you are walking through the hall one day and you hear a loud, jolly laugh, chances are it could be Elisa.

LOCAL STUDENT IS VICA OFFICER

By-Irma Ybarra

Randy DeHoyos, OHS senior, is Sergeant-at-Arms for the Vocational Industrial Clubs of America (VICA) at the District level. He is the first student from OHS to have a position as one of the district officers. When asked how he became district officer, Randy responded,

"Coach Maldonado asked me, because he wanted this group further involved with the VICA organization."

Some of Randy's duties as

District officer are to keep everything in place at the seminars, to recite part of the program there, to greet the people in attendance, to make them feel welcome, and to keep the meeting in order.

In Randy's opinion, being a district officer has a lot of advantages, one of which is "meeting a lot of girls." Randy said, since the rest of the district officers are girls.

Also, each year, the district officers go on a four-day trip to Dallas for a "beautiful convention," commented Randy.

Randy's final comment was, "by being district officer, I have gained more responsibility and maturity."

PIECE BY PIECE

By-Cyndi Trujillo

How would you like to build a car from bottom to top? Well, that is what the Auto Mechanics students are planning to do.

Tom Mitchell, who has an interest in automobiles, is sponsoring a replica of a 1932 Model A Ford, five window hardtop for the auto mechanics classes to build. The boys will start on this car in approximately two weeks.

The car must be finished before February 25, in order to be entered in the district contest in San Angelo this year.

Mr. Maldonado, the auto mechanics instructor, commented the project was meant to "teach the students about the general construction of an automobile." He wants his students to learn about the engine, the mechanics behind the building of an automobile, and the way the components work and why. He also feels that "building this automobile from the bottom up" is the best way for his students to learn about cars.

The students are looking forward to constructing the automobile. They expect the project to be fun, time-consuming, interesting and a great experience.

Roy Tambunga, first year Auto Mechanics student, said, building the car will be a good experience in "putting everything together our-

selves."

Arnold Vargas, another first year AM student, added, "Once it is built, we can look back at what we've done, and that is our greatest reward."

Second year students believe this year's project will be their hardest yet. They said it will take a great team effort, and they feel it will draw them closer as a group.

RADIO PROGRAM TO AIR

KRCT and the Journalism Department at OHS will be continuing to air a new radio news program compiled and broadcast by students in the journalism class at the high school. The first in the news series was heard Monday, September 27.

The program is a short spot, and will cover news pertinent to the school. Students in the journalism class will take turns broadcasting the program, with two students working together at a time.

Anyone who wishes to suggest possible news items or topics is invited to make suggestions to the journalism class.

4-H HOLDS FIRST MEETING

The first senior 4-H meeting for the 1982-83 school year was held last Monday, September 20, at the home of Mr. and Mrs. Joe Bean.

Officers for the new year were elected at the meeting, and projects for the year were discussed.

President is Bobbie Acton, Vice-president is Michelle Couch, Reporter is Susan Scott, and Council delegates are Will Mason and Bobbie Acton.

Discussed at the meeting were National 4-H Week, October 3-9, the Annual 4-H Awards Banquet to be held at the Civic Center October 16, and new projects. Some new projects for the year are outdoor cooking and "Share the Fun."

Meetings will be held the first Monday of each month, with the next upcoming meeting scheduled for October 4, at 7:30 p.m. at the house of Mr. and Mrs. Bill Mason.

Adult leaders are Mr. and Mrs. Lane Scott, Mrs. Joe

Bean, and Mrs. Ann Childress.

According to Bobbie Acton, president, it is never too late in the year to join 4-H, and the group always welcomes new members and adult leaders.

Voter registration deadline is Oct. 3

Eligible voters who have not registered to vote must do so by Oct. 3 if they wish to cast their ballot in the Nov. 2 general election.

"All that is involved is filling out an application card available at the county voter registrar's office," said Joe Rothe with the county officials program of the Texas Agricultural Extension Service, Texas A&M University System.

Rothe particularly encouraged high school seniors to register to vote. Those who are 17 years and 10 months of age are eligible to register and may exercise the right to vote on or after their 18th birthday. Some 188,000 high school seniors should be eligible to vote in Texas this fall.

"Everyone eligible to vote but unable to do so on Nov. 2, should apply at the county voter registrar's office to vote absentee," said Rothe. Oct. 29 is the deadline for voting absentee in person while absentee ballots will be accepted in the mail as late as 7 p.m. Nov. 2.

Any of the following conditions can qualify an individual to vote absentee:

Absence from the county of residence on election day. Age 65 or older on election day.

Inability to appear at the authorized polling place on election day due to sickness, physical disability or religious belief.

Historical Society sets meet in S.A.

The San Angelo Genealogical and Historical Society will meet Tuesday, October 5, at 7:30 p.m. in the Massey Club House, 815 S. Abe (Bryant Blvd).

Mrs. Fran Lomas, a past president of the club will speak on "Creative Imagination in Genealogy." The club meets the first Tuesday of each month September through May.

BARBECUE FOR BILL SIMS Saturday at the fairgrounds drew a crowd of around 100. Bill, center, is a candidate for State Senator, 25th District, and is running on the

Democratic ticket. He poses with two Crockett County supporters, Jeffrey Sutton and Dan Davidson.

Lawns need fall fertilizer now

If you haven't fertilized your lawn lately, it's not too late to do so, says a turfgrass specialist. In fact, fall fertilization can boost a lawn while minimizing energy requirements for mowing and removal of grass clippings.

"A fall application of fertilizer not only prolongs green color in lawns but also stimulates root growth, reduces winter injury and promotes early spring recovery," points out Dr. Richard L. Doble with the Texas Agricultural Extension Service, Texas A&M University System. "Fall fertilization also increases turf density and reduces weeds."

Warm fall days and cool nights provide conditions favorable for grass to accumulate carbohydrates that promote root growth and help winter survival, says Doble. And, since leaf growth is also less during the shorter fall

days, delaying lawn fertilization until mid-September or October helps reduce mowing requirements and energy use.

The specialist recommends applying a fertilizer high in nitrogen and potassium and low in phosphorus. "Both nitrogen and potassium are important to leaf growth and color and root growth," notes Doble. "Potassium is also important to winter survival, disease resistance and drought tolerance. Phosphorus is essential but is required in much lesser amounts than the other nutrients."

He suggests a fertilizer with a 15-5-10, 12-4-8 or similar analysis for the fall application.

Base the rate of application on the nitrogen content, the first number in the fertilizer analysis, says the specialist. Apply 1 to 2 pounds of nitrogen per 1,000

square feet of lawn. So, with a 12-4-8 fertilizer, use 10 to 15 pounds per 1,000 square feet, depending on when the last fertilizer application was made. If the lawn has not been fertilized for the past eight weeks or longer, use the higher rate.

"Lawns can be fertilized through October in most

areas of the state," points out Doble. "In South Texas lawns can still be fertilized in November without adverse effects."

"For the homeowner interested in an attractive lawn this fall and early recovery next spring, fall fertilization is a must," emphasizes Doble.

County 4-H clubs get organized

Three 4-H clubs met during September to plan 4-H activities for the year. Jeanie Thompson and Jeanette Robinson are adult leaders for the Intermediate 4-H Club which includes third, fourth and fifth grades. Officers elected were Tamie Reagor, president; Shane Wilton, vice-president; Stacy Skains, third grade delegate, Jennifer Colin, fourth grade delegate, and Missy Bishop, fifth grade delegate. The intermediate 4-H club will meet at 7:00 p.m. the first Monday of each month at the Ozona Intermediate School.

Junior High adult leaders are Debbie Arrott, Johnny Jones, Ethel and Jim McCrohan, Connie Fowler, and Carmen Sutton. Officers elected were Vickie Reagor, president; Jena Allen, vice-president; Sharon McCrohan secretary; Stacie Winkley, sixth grade delegate; Greg Underwood, seventh grade delegate and Elias Gonzales, eighth grade delegate. The Junior High Club includes sixth, seventh and eighth grade and meets the first Tuesday of each month at 7:30 at the Civic Center.

The 4-H leaders for the Senior 4-H Club are Marilyn Bean, Lane and Sherrie Scott, and Ann Childress. Officers are Bobbie

Acton, president; Michelle Couch, vice-president; Bonnie Cameron, secretary; Susan Scott, reporter, and Will Mason, senior delegate. The senior club meets the first Monday of each month at 7:30 in senior member's homes. The October 4, club meeting will be at the home of Mr. and Mrs. Bill Mason.

Dog trials slated in Sheffield

There will be a Sheepdog Field Trial at the Nogales Ranch, south of Sheffield Saturday and Sunday, October 9 and 10. The ranch is 10 miles south on 349, turn right on Hwy 2400 and go 3 miles.

There will be sheepdogs from several states competing on a large field. A barbecue will be held at noon, \$2.50 per person, no admission.

The Xerox Personal Computer. Miraculously easy to use.

So easy, in fact, anyone can use it to make almost any office task simpler and easier. Because anyone can learn how to operate it in just a few hours. And because there's the added convenience of a familiar typewriter-style keyboard with a handy numerical pad.

So before you know it, you'll be using it as a personal computer for everything from keeping inventories up to date to financial planning. Or as a word processor, to type, edit, store and recall the printed word in just seconds. Even as an intelligent terminal, providing access to remote data bases or communication of information from one location to another.

The Xerox personal computer. A simply amazing machine that's so easy to use, it's almost miraculous.

Ellenburger wildcat set for Crockett county field

O.I.L. Energy Inc., Oklahoma City, will drill a 10,300-foot project as an Ellenburger wildcat and as a 1 3/8 mile north and very slightly west outpost to its No. 1 Batts Friend, five miles south and slightly east extension to the Crockett County portion of the Whitehead (Strawn gas) field, 3/4-mile northeast of the Adams-Baggett Ranch (Canyon gas) field, 1 1/8 miles north of a 10,695-foot failure and 24 miles south of Ozona.

Location is 1,000 feet from the south and 3,280 feet from the east lines of W.M. Rape No. 42, in Block 000. Ground elevation is 2,046 feet.

The No. 1 Batts Friend, scheduled as a wildcat, was drilled to 10,345 feet and

completed as a discovery July 31 for a calculated, absolute open flow of 3,213,000 cubic feet of gas daily through perforations at 9,526-554 feet. It topped the Devonian at 9,995 feet and the Ellenburger at 10,20 feet on ground elevation of 2,178 feet.

The failure, Continental Oil Co. No. 1 Friend, was abandoned Nov. 27, 1952.

The Dudley, East (Devonian gas) field County gained its seventh and eighth producers with completion of two projects, 23 miles west of Ozona by International Oil & Gas Corp., Midland.

The No. 4 L.B. Cox Jr., two miles south and southeast, was finalized for a calculated, absolute open flow of 7,600,000 cubic feet of gas daily, through perforations at 9,090-274 feet, which had been acidized with 5,000 gallons and fractured with 5,510 gallons and 76,000 pounds of sand.

Location is 1,320 feet from the south and 1,720 feet from the west lines of 29 1/2-L&GN.

The No. 5 Vernon B. Cox "A", two miles southeast, was finalized for a calculated, absolute open flow of 4,700,000 cubic feet of gas daily, through perforations at 9,036-246 feet, which had been acidized with 5,000 gallons and fractured with 84,000 gallons and 76,000 pounds of sand.

Location is 660 feet from the north and west lines of 40-ST-TCRR.

Moran downs DeLaRosa

Crockett County's most improved tennis whiz Jon Moran, defeated an opportunistic and tough Ruth DeLaRosa in straight sets 6-4, 6-4, at the Ozona Tennis Courts, Saturday, in the best 2 of 3 set challenge match.

DeLaRosa, a product of the Odessa College Tennis Team was sensational in her overall court play at times, but the steady and smart play of Moran wore her down in the deciding set.

Jon had little trouble with the strong DeLaRosa serve, although she registered 4 aces in the first set. DeLaRosa made a strong run at her opponent in the final set, but Jon used his deadly placement shots to put her away.

As in all challenge matches, a trophy was awarded.

Small business seminar set

Texas A&M University, in cooperation with Angelo State University and Internal Revenue Service, is conducting a Small Business Tax Workshop at Angelo State University, 2601 W. Avenue N, San Angelo on October 2.

The six-hour workshop explains business taxes, highlights tax benefits and obligations connected with a small business, and emphasizes employer tax responsibilities.

The first section of the workshop introduces participants to the basic types of business organizations, business tax returns recordkeeping, and IRS functions. Participants also determine proper income and expense items of Schedule C business income tax returns.

The second section is a practical application session focusing on employment taxes. It is designed for those who plan to prepare their own business tax returns. Participants are first introduced to employment taxes. Practical exercises provide opportunities for participants to prepare the Employer's Quarterly Federal Tax Return, Form 941, the Employers Unemployment Tax Return, Form 940, and, if necessary, the Employer's Annual Tax Return for Agricultural Employees, Form 943.

If you are interested in attending the workshop, please contact: Henry D. Pope, Liberal Arts-Continuing Education, Texas A&M University, College Station, Texas, 77843-4234. Telephone 713-845-7814.

The workshop is in session from 9:00 a.m. to 4:00 p.m. with lunch provided. The cost is \$40 per person for the workshop.

If you have any further questions regarding the workshops please call 1-800-492-4830 ext. 1428.

Hobby sets visit to Ozona, Wed.

Paul W. Hobby, son of Lt. Gov. and Mrs. Bill Hobby, will visit Ozona on Wednesday, September 29, on a campaign tour for his father.

Hobby, 21, said he plans to travel across the state this summer and fall campaigning for his father's re-election bid. A recent graduate of the University of Virginia, Hobby said that Texas will lead the experience and leadership of Lieutenant Governor Hobby to face the unparalleled growth that is expected to continue throughout the 1980s.

"The lieutenant governor sits at the head of the budgeting process and only his strong guidance can guarantee fiscal responsibility in state government," Hobby said. "That fiscal responsibility, however, has not made Bill Hobby unresponsive to the varied needs within our state."

The younger Hobby said that education and highway reforms initiated by his father have readied Texas for

the challenge of the years ahead. In addition, during his ten years in office, Lieutenant Governor Hobby has preserved and enhanced the state's capacity to attract investment that has spawned a rate of growth unparalleled in the nation, he said.

"Texas has maintained a fiscally sound state government throughout the 1970s in spite of experiencing some of the most explosive population growth in the nation," Hobby said. "The fact is that growth of state government has been kept within reasonable bounds by Bill Hobby's affirmative policy of fiscal responsibility."

With a background of experience in newspaper and broadcast media, Paul plans to explore work in other areas of communication, particularly media affairs. He will attend the University of Texas School of Law in the fall of 1983.

He was graduated from the University of Virginia in Charlottesville this spring

Mr. Lipe and Miss Saville are engaged

Mack Lipe and Mary Saville announce their engagement and upcoming marriage. The couple has set their wedding date for October 16.

Mary is the daughter of Mr. and Mrs. Rocky Saville of Romney, West Virginia. She is also a graduate of Hampshire High School and Fairmont State College. She is presently employed at the hospital as a computer operator.

Mack is the son of Mr. and Mrs. Ernest Lipe of Rogersville, Tennessee. He is also a graduate of Rogersville High School and is currently employed with Mayfield Construction.

The wedding will be held at Fall Creek Falls State Park in Pikesville, Tennessee. The couple will then return to Ozona to make their home here.

Get Banvel 10G Herbicide and get silverleaf nightshade on the spot.

Spot treat problem areas between crops with Banvel 10G Herbicide.

You've harvested your crop. Now you can see how scattered your weed problems are. So there's no need to treat every acre. Instead, hit problem areas with a Between Crops Application of Banvel® 10G.

Banvel 10G controls the toughest broadleaf weeds, including silverleaf nightshade, lakeweed, blueweed and bindweed, plus many more annuals, biennials, and perennials.

A granular herbicide, Banvel 10G is not only effective, it's downright easy to use. Carry a bucket of Banvel 10G on the tractor or keep one in the back of the truck. When you spot a problem area, just throw some on. When treating large areas, use a Cyclone™ hand spreader.

Banvel 10G dissipates through soil moisture and is taken up by weed roots. Then Banvel translocates throughout the entire weed, killing root-tip to leaf-tip.

When you see problem weeds scattered around, get effective control with a Between Crops Application with Banvel 10G Herbicide. See your ag chem supplier today. And get control on the spot.

SIMS talks SENSE

"Crime"

In recent years we have watched Texas grow and grow as the word has spread about our healthy economic climate and our weather. Much of that growth has been good for our state and for this district.

But there are clouds on the horizon. Our healthy economy not only attracts the law abiding, but it is also a bright beacon for the lawless.

By and large, our criminal system works well. Texas is blessed with fine law enforcement agencies and officers. We must make sure that they continue to have the money and manpower to carry on their work.

We must also provide the incentives to speed up the court system and end the legal foot-dragging so that the criminal will know he faces swift and certain justice...

We must also make sure that we have the prison facilities to handle the rising criminal element, once the judicial system has had a chance to work.

But there is a more important element that we do not address here in Texas:

CRIME PREVENTION

Statistics show that most adults sentenced to prison have had more than one brush with our laws as a juvenile...I want the state to make more of an investment in our juvenile system to keep today's kids from becoming tomorrow's cons.

We can do that by reducing the case loads of juvenile probation officers who often have to cover many counties and act as truant officers as well. And, we can put the first-time juvenile offender under close supervision so that he doesn't become a repeater.

We can get tough about enforcing our school truancy laws so that parents fully understand they will be held responsible...This approach means that the parents become involved with truant children early. We can provide money for counseling both parents and child in cases of repeated truancy or juvenile crime...

There are no easy answers to the crime problem. I would be the last to tell you there are. But any approaches to the problem should attempt to address the whole problem, not just bits and pieces.

A West Texan for our times.

Gleanings from the Lions Locker room

By-Ross A. Alexander

The Lions are never particularly joyous or festive and exuberant after a victory. A football team always bears the mark of a head coaches personality, and the locker-room scene was characteristically subdued and the tone and mood was reflective.

Will Mason: "It takes character to play football... we kept our hearts in it tonight, and didn't give in to whatever the game situation was. A lot of teams just give

in but these guys don't know how. That series when Massey's reception set-up Badillo's score was a turning point for this team and our season, and when Willie scored the two pointer, man, I'll tell you that was exciting."

Ed Borrego: "Me and Rowdy talked it over and really started getting more aggressive. I thought Rowdy played real tough tonight.

This is one for the coaches, I think. I believe we can go all the way for Coach Abbott and his guys. This game will help build some real character on this team for years to come. I really believe that. Thanks to all the fans who

came out. They were just great."

Robert Flores: "Both Huerreca and Diego did a really top-flight job blocking for me tonight and I credit them for my good yardage.

On my first touchdown run, Diego really made it possible with a beautiful downfield block. On my second TD, Harvey blew the linebacker

completely away...just wasted the guy and that's all I needed. Matty filled in real good for the Iron Man tonight. He's only a sophomore and he's a player of quality."

I BET YOU DIDN'T KNOW

By Jerry Lay

Here's an interesting football question for you. How many current head coaches in the National Football League have been elected to the pro football Hall of Fame as players? There are just 2. They are Cincinnati coach Forrest Gregg and Green Bay coach Bart Starr. *****

What are the most games in a row any college football team ever lost? The longest losing streak in college football history was set by Macalaster College in Minnesota which lost 50 games in a row between 1974 and 1980. *****

Here's an amazing World Series fact. Every American League team that's won the World Series in the last 10 years has had Reggie Jackson on it! The only American League teams to win the World Series in the last 10 years were; Oakland in 1972, 1973 and 1974, and the Yankees in 1977 and 1978--and Reggie Jackson played for each of those teams. *****

I bet you didn't know... L-B Motor Co., has the best selection of 1983 cars and trucks to choose from!
