I had a nice chat with Deputy Jim Wilson Monday about the upcoming trail ride. Mr. and Mrs. Buck Owens of Barnhart came in the same day and gave us info on the Barnhart portion of the trail ride and barbecue. All the folks from Mertzon, Big Lake, Barnhart and Ozona will end their ride at Barnhart with a barbecue and entertainment.

The following news release will give you all the particulars.

Registration forms and barbecue tickets are now available at the Ozona Chamber of Commerce for the June 6 and 7 Ozona-Barnhart Trail Ride. The ride is open to all interested persons, and riders under 17 years old must be accompanied by a responsible adult.

The trail ride will leave Ozona at 8 a.m. on June 6 and travel north on the Ozona-Barnhart Drover's Lane. The evening camp will be on the Williams Ranch at Midway Lane with a barbecue served by the Ozona Lions Club. The general public is invited to visit the camp and enjoy the good meal and entertainment.

On June 7, the trail ride will leave Midway Lane campsite and travel to Barnhart where a barbecue and entertainment will be provided by the Barnhart Fire Department.

Tickets for the both barbecues can be purchased in Ozona at the Chamber of Commerce. Big Lake residents may buy their tickets at the Chamber of Commerce or County Extension Office. The Extension Office is also the sales location in Mertzon. In Barnhart, tickets are available at the Volunteer Fire Department.

Tickets must be purchased three days prior to the barbecues.

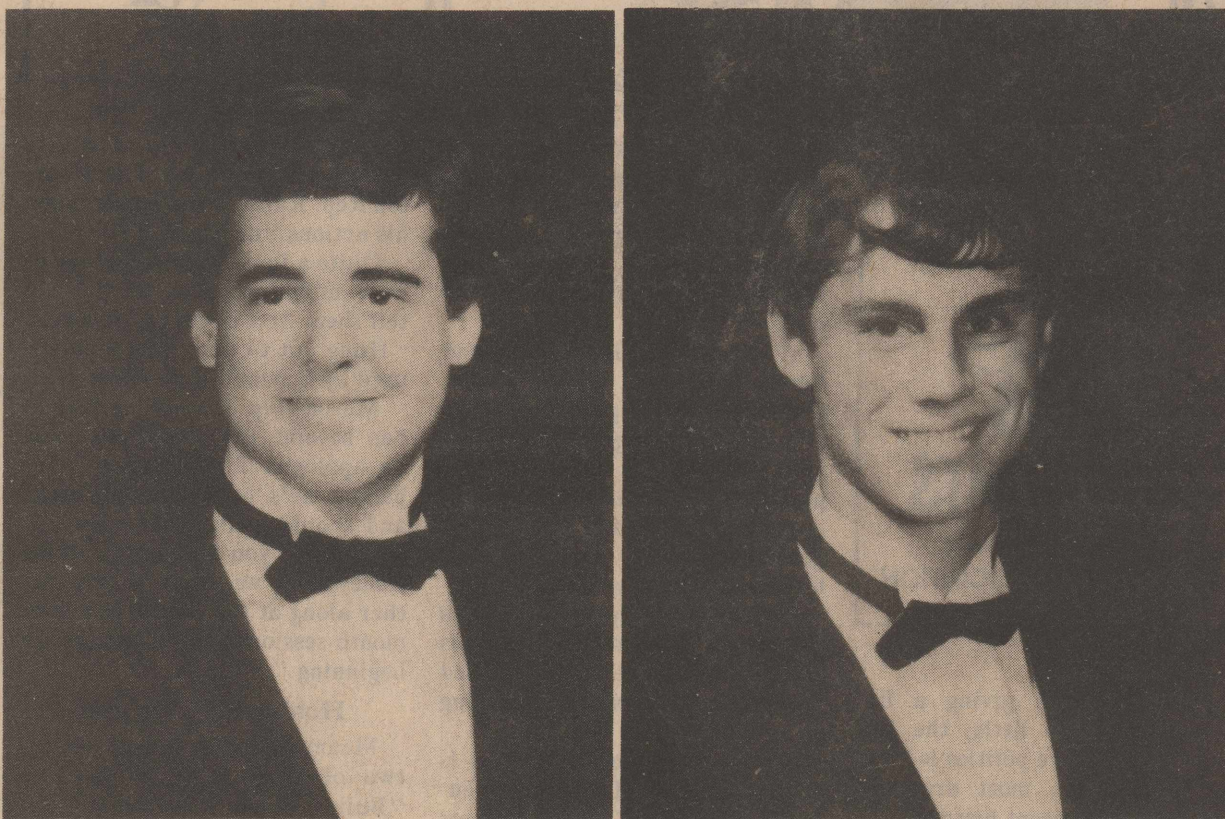

A Trail-Ride meeting will be held Wednesday night, May 13th, at 7:00 p.m. at the Ozona Chamber of Commerce. All interested persons are invited to attend.

Glaze, Sellers top OHS grads

VALEDICTORIAN - MICHAEL KELLY GLAZE

SALUTATORIAN - MARK HENRY SELLERS

Honor graduates for the Class of 1987 have been announced at Ozona High School.

Top ranking student is Michael Kelly Glaze, valedictorian. Salutatorian honors go to Mark Henry Sellers.

Also graduating magna cum laude with a four-year grade point average of 7.00 or above is Rodney Craig Beasley with a 7.37.

Glaze achieved a 7.81 grade point average during his high school career. He is a member of the National Honor Society and International Oquill and Scroll.

His UIL literary and academic competition earned a first place in state in newswriting and a second in accounting. He was a state qualifier in solo contest, earned first chair in all region band and was a member of the all area band. He has been a four-year section leader.

Glaze has served as editor-in-chief of the school newspaper and is on the yearbook staff.

Following graduation he plans to attend Sul Ross State University in Alpine where he will study to become

a band director.

He is the son of Kelly and Patsy Glaze.

Mark Henry Sellers achieved a 7.57 four year grade point average.

Sellers has been active in tennis and band during his high school years. Three years of lettering in tennis and the Fighting Heart award as a junior testify to his ability in the sport.

A band member throughout high school, Sellers has been head of the percussion section since his sophomore year.

He is currently vice-president of the National Honor Society and has been a member of that organization since a sophomore.

Texas Christian University in Fort Worth and a business education are Sellers' goals after high school. He is the son of Mr. and Mrs. Henry Sellers.

Sports and one act play have been important extra curricular activities to Rodney Beasley. Three years of football, two years of track, one year in tennis and one year as a basketball manager gave him a strong back-

ground in high school sports.

Beasley was a member of the one act play cast as a sophomore, junior and senior. He earned honorable mention last year and was a member of the all star cast this year. He has been a National Honor Society member for three years.

The busy student was also a band member for two years.

Career goals for Beasley include an education at Texas A&M in mechanical engineering.

He is the son of Charles and Martha Beasley.

Honor students graduating cum laude with a four year grade point average between 6.00 and 7.00 are: Roger Flores, son of Mr. and Mrs. Robert Flores Sr., 6.74; Peggy Sue Knox, daughter of Mr. and Mrs. Jamie Knox, 6.74; Richard Dean Gray, son of Mr. and Mrs. Jim Gray,

6.53; Darla Jean Judd, daughter of Mr. and Mrs. Carlos E. Judd, 6.49; Lisa Anne Colin, daughter of Mrs. Darla Jones and Mr. Bud Colin, 6.37; Marcos Castro Gonzales, son of Mr. and Mrs. Lupe Gonzales, 6.31; Vickie Kay Reagor, daughter of Mr. and Mrs. Billy Reagor, 6.30; Melissa Tambunga Ybarra, daughter of Mr.

and Mrs. George C. Ybarra, 6.20; Samuel Ira Hightower, son of Mr. and Mrs. Royce Hightower, 6.19; Robin Denise Bolf, daughter of Mr. and Mrs. Bill Bolf, 6.10.

These 13 students will be presented with their classmates in graduation exercises in Lion Stadium May 29 at 8 p.m.

Glaze and Jones bring home state medals

Is it better to begin one's high school University Interscholastic League literary competition with a bang in the form of a trip to Austin and a state medal? Or is it better to build up slowly, to climax four years of learning, competing and growing, with a medal proving you are the best in the state?

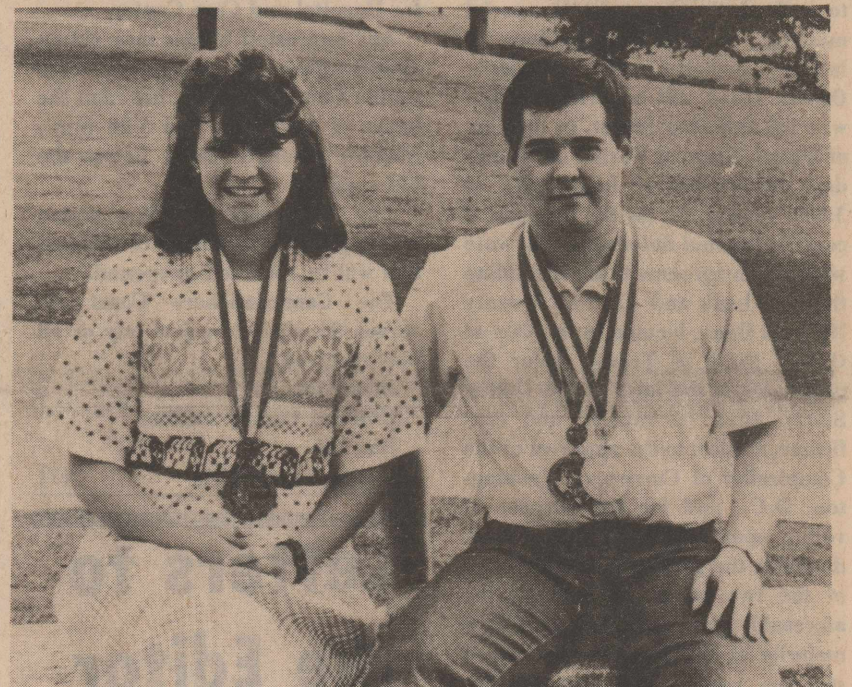

Ozona High freshman Margaret Jones might argue that point with her fellow state UIL qualifier senior Michael Glaze. But, no matter.

Both agree that beginning or ending UIL with a state medal is very nice indeed.

Glaze completed his fourth and final UIL year by winning first place Friday in newswriting and second place in the first state-level accounting contest for the 2-A conference.

Jones argued her case in Lincoln-Douglas debate Saturday, finishing third in the state to cap her first year in high school UIL.

Hedrick to retire from Highway Dept. Koerth assumes duties June 1

Cecil F. Hedrick, Roadway Maintenance Supervisor for the State Department of Highways and Public Transportation, is retiring effective May 31. He is supervisor of maintenance of all highways in Crockett County.

Hedrick's career began under Scottie Houston in Ozona. Houston's assessment of Hedrick when he said, "This man is good on any type work and a very dependable man," was accurate as verified by his continuous promotions through his 35 years with the department. This 35 years' service time has been with four different district engineers.

Hedrick served three years as foreman of a special construction crew, which worked throughout the district. In July 1976, he was transferred back to Ozona when Scottie Houston retired.

Hedrick stresses safety, and sets the example for his employees by having completed 22 years without a lost time accident due to operating state equipment.

Cecil and his wife, Sybil, have two daughters, two stepchildren, and four grandchildren. They plan to buy

a small acreage in Brown County where they can have a garden, chickens and other animals. He has been a member of the Ozona Lions Club, and has helmed with the Youth Rodeo for about 10 years. He said, "District 7 of the DHT has the best people in the world to work with."

The employees of the department and Cecil and Sybil's many friends wish them many happy and enjoyable years of retirement.

Effective June 1, Winston A. Koerth of Ozona will assume active charge of the Crockett County Maintenance Section. Koerth began his DHT career in Burnet in 1954 and transferred to Ozona on April 1, 1965, where he worked on the design and construction of IH 10 in Crockett County and did design work for the Houston district. Since June 1984, when the Crockett County Residency was phased out, Koerth has been working in the Sonora Resident Engineer's Office.

Winston and his wife, Betty, are the parents of two daughters and one son. They also have three granddaughters. His golfing ability is well known in this area, and he has also

been known to go hunting. He is looking forward to this new area of service to the motorists of Crockett County and with the department.

Ben Bohuslav, district engineer, and Dan Gower, district maintenance engineer, both of San Angelo, met with the Crockett County employees to announce the personnel changes.

Childress, McMullan named Outstanding Conservation Ranchers

Pleas Childress III and Jim McMullan have been chosen as recipients of the 1987 Area II outstanding conservation rancher awards by the Association of Texas Soil and Water Conservation Districts. The awards were presented to the Crockett County ranchers at the Area II Awards Banquet held at Angelo State University on May 7.

Each year the Association of Texas Soil and Water Conservation Districts recognizes outstanding leaders in the field of natural resource conservation. Awards are presented to individuals in each of the five areas

of Texas. Area II consists of 50 counties in the western portion of the state. E. R. Seidensticker, field representative with the Texas State Soil and Water Conservation Board, said, "The competition in Area II is extremely tough, and the Crockett Soil and Water Conservation District was represented by two outstanding nominees."

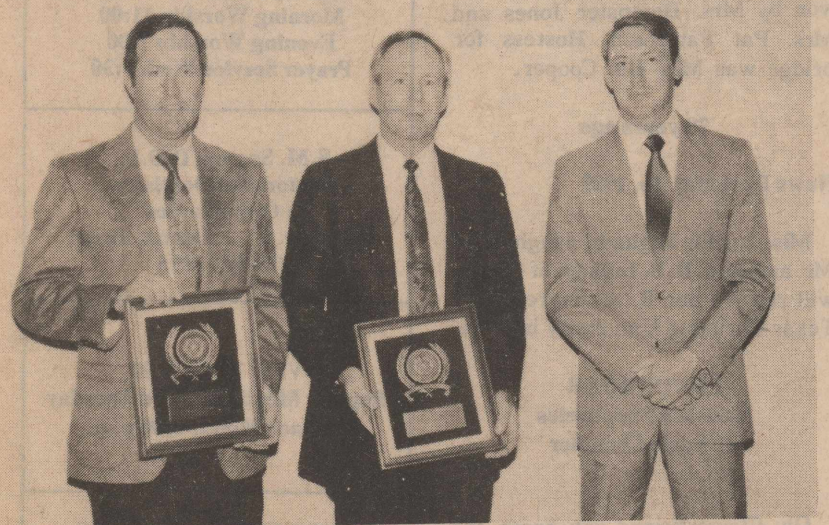

Pleas Childress III was chosen as the outstanding resident conservation rancher. He operates three separate units in Crockett County totaling approximately 21,000 acres, and has continued the excellent job

of range and ranch management that his father, Pleas Childress Jr., started many years ago. He primarily runs sheep and cattle and normally stocks light on all three ranches giving him a built-in drought plan. He is a firm believer in proper grazing use and has found through experience that the range recovers faster after periods of dry conditions by stocking lightly.

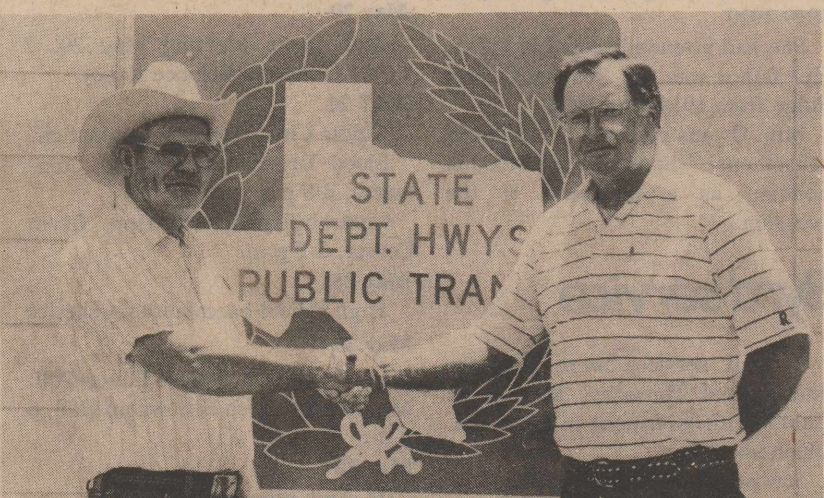

The outstanding non-resident rancher award was presented to Jim McMullan. He operates two separate units in Crockett County. He runs all three classes of livestock and retains a great amount of flexibility in his stocking operation. To achieve his goals of range improvement and livestock performance, Jim has utilized various grazing systems through the years. He feels one of the underlying reasons for his improved livestock performance is the improved nutrition provided by the grazing systems.

Childress and McMullan both have been recognized by the Society for Range Management with the Excellence in Grazing Management Award.

"They exemplify the knowledge and skills of range and wildlife management necessary to maintain the productivity of our natural resources," said George Peacock of the local SCS office. "The Crockett Soil and Water Conservation District is proud to have such outstanding ranchers within the district and congratulates them on their accomplishments," said Peacock.

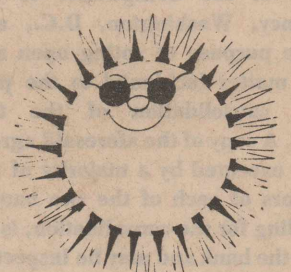

Outstanding Conservation Rancher awards were given to Pleas Childress III and Jimmy McMullan May 7 in San Angelo at the Area II Awards Banquet. With them is Reggie Quiett of Balmorhea, former Crockett County SCS officer.

Cecil Hedrick and Winston Koerth prepare for the change of leadership at the Texas Highway Department.

Letters to the Editor

Dear Scotty & Linda,

Here is a check for my Stockman for another year. I do enjoy the paper even if I don't know many folks in Ozona now.

I want to wish you all the success in the world.

Mrs. Laura Owens Honored in Big Lake

Mrs. Laura Pittman Owens of Ozona, one of the early day Reagan County teachers, was honored April 11 at a meeting of Gamma Gamma Chapter of Delta Kappa Gamma Society International. The meeting was held in the Big Lake home of Mrs. Seth Stout III.

Past presidents of the Gamma Gamma Chapter were also honored.

Many interesting contrasts were developed in the minds of the teachers as they compared the present and the past.

Mrs. Owens gave a clear picture of basic education during the time when she taught two grades in one room. During this time, she taught 55 pupils, fifth and sixth graders, for \$65.00 per month. At least two students were told by law officers to attend school or go to reform school.

Principals and superintendents taught classes, too, related Mrs. Owens, who taught in Big Lake in 1919-1920.

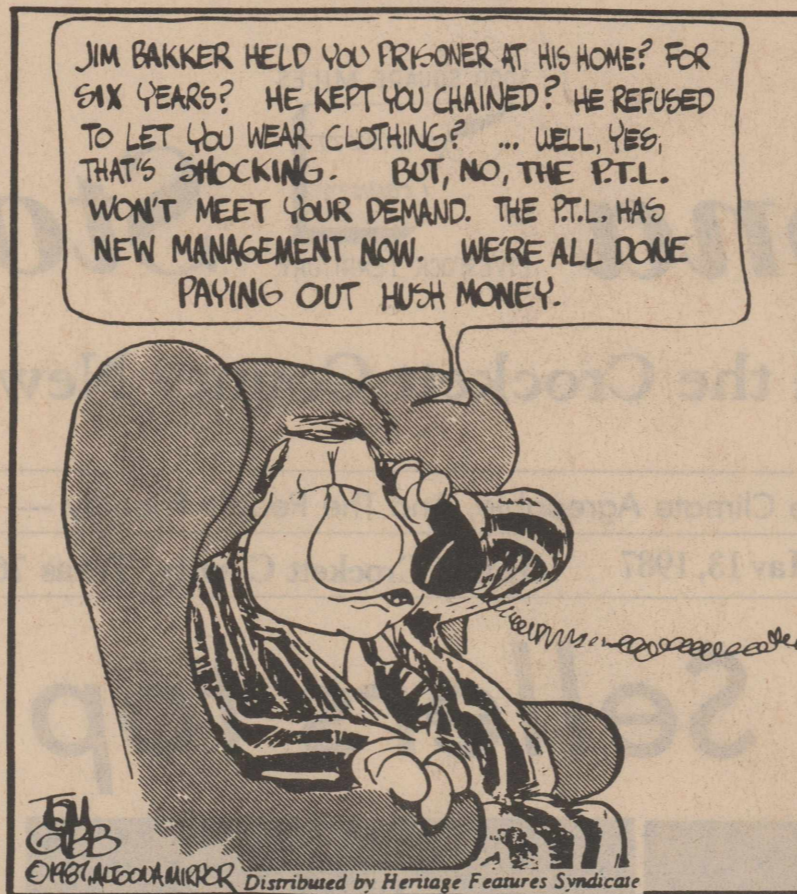

She had attended school in Stiles. Her father was the Reagan County judge from 1914 until 1928.

Mrs. Owens received a "little red schoolhouse" hand-painted wooden pendant as a memento of the occasion.

Byrd service

Funeral services were held for Sherri Byrd Thursday, May 6, in Dublin with interment in Healdton, Oklahoma.

Survivors include a son, James of the home, her parents, Buster and Clara Byrd, and a brother, Kim, of Ozona.

STATE CAPITAL HIGHLIGHTS
By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Each giving a little and taking a little, the Big Four of legislative politics is forging perhaps the most dramatic turnaround in recent history.

The situation remains delicate and can still collapse as the session winds to its June 1 close. Not everyone is happy with the deal, particularly the Texas Republican Party, but many lawmakers see bluer skies.

A compromise forged by Gov. Bill Clements, Lt. Gov. Bill Hobby, Speaker Gib Lewis and Comptroller Bob Bullock promises to dispel the clouds of crisis, indecision, confrontation, and bankruptcy which have darkened the legislative agenda for over a year.

A few days ago, conservatives and liberals were locked on a collision course to the poorhouse with the prisons, mental hospitals and public education seemingly falling down around them.

Now the plan is to broaden the sales tax base and lower the rate, increase tax revenues, save the institutions with adequate funding and give the governor new emergency budget authority.

Pressure for Tax Hike
The obligation is on the Legislature to adopt all the elements in

the next two weeks without short-changing any players. Many business lobbyists are working behind the scene to halt the tax reform, because it means their services will include a sales tax for the first time.

If all goes right, Hobby and Lewis will get a tax hike, Clements gets budget authority to eliminate spending he doesn't favor, and Bullock will have the pleasure of knowing that his tax reform package has brought Texas government back to some semblance of solvency.

The surprise turnaround was Clements, who had just ended his no new taxes tour and had polled House Republicans on upholding a tax veto.

The pressure to raise taxes is enormous. The House and Senate have already passed budgets requiring additional taxes, and they have only to work out the differences in conference. Meanwhile, a group of prominent Texans, mostly Democrats, urged the Legislature to increase funds for public education.

And Clements apparently found some of his House Republicans were for a tax hike, too. Not many, but maybe enough to override his tax veto. The old Clements would have vetoed the bill and used the time before a special session to solidify the one-third majority bloc he needed to hold a veto.

But time is running out on the state Treasury. The new Clements saw that if he changed his stance, he would get half-a-loaf and Texas could move on to some new problems.

Clements Blasted
Immediately, the governor was blasted by the Texas Republican Party for reversing his stand against new taxes.

His own party sent over a resolution urging him and the 56 House Republicans to stand fast against new taxes. It prompted

Clements to say he may still veto the tax bill, but not before Houston Rep. Randy Pennington called his actions "disgraceful."

Quite a few House Republicans were miffed because he did not tell them first about his reversal. "Hung out to dry" was a phrase used by Garland Rep. Anita Hill.

Mason Rep. Gerald Geistweidt has become the closest to being an apologist for Clements: "We believe he's been right all along and should continue to stay that way. But if you don't start talking somewhere, we won't be any further along at the end of this five-month session than we were at the beginning."

Hobby Plan Passed
Meanwhile, the Senate passed two of three bills in Hobby's "Build Texas" economic program, labeled by some as similar to the depression-era public works program.

The Senate okayed \$400 million in bonds for water and flood projects and \$400 million again for local public works projects.

Open Container Bill
Clements signed the open container bill into law, making it illegal to drink alcoholic beverages while driving.

The prohibition applies only to the driver, not to passengers.

Other Highlights
• Former Secretary of State Al Haig visited the Capitol last week seeking the Republican presidential nomination.

• The governor, neutral thus far, planned to attend a Houston fundraiser for Vice President George Bush's presidential bid.

• The foresight of two legislators last summer, San Angelo Sen. Bill Sims and Sanderson Rep. Dudley Harrison, led Texas to beat federal red tape last week in raising the rural highway speed limit to 65 mph and the governor signed the proclamation.

★ UIL

[Continued From Pg. 1]

Glaze had placed first in both newswriting and accounting at the District 6-2A and Region I contests. He placed second in editorial writing as well, but was forced to make a difficult choice between editorial and accounting at the regional level due to a schedule conflict.

Jones placed first at district and third at regional to qualify in Lincoln-Douglas debate.

Ozona's only state qualifiers for 1987, the two students traveled to Austin Thursday to compete in the 77th UIL state contest.

Hundreds of nervous contestants accompanied by coaches gathered to register and compete in speech and literary events Thursday through Saturday of last week in Austin.

Tension gave way to rejoicing or disappointment as the results were announced in each event. Glaze and Jones were no exceptions. But, in their cases, they had earned the right to be jubilant.

Glaze went into his newswriting competition with confidence.

"If what I wrote wasn't good enough, then I'm not capable of writing good enough," said Glaze, coming out of the contest. "It was the best news story I ever wrote."

The confidence was obviously justified when the results were posted showing Glaze in first place.

"Michael and I both knew he was capable of winning the contest," Ozona journalism teacher and coach Jacquelyn Shacklette said. "He worked hard for that medal and I'm very proud of him. He deserves it."

Jones also worried through the announcement of results for L-D debate, with hugs and congratulations in order when the placings were finally made.

"I'm very proud of Margaret and Michael," Coach David Porter said. "It is unusual to take two students to the state meet and come home with three medals."

Porter and Shacklette accompanied the two students to Austin. Louise Taliaferro, Ozona High School business teacher, and Michael's accounting coach, did not go.

"Michael had to cover 12 chapters of an accounting text since the regional contest," Taliaferro said. "We really worked on it." Glaze missed first place in accounting by one point.

Frances Curry, also a debate sponsor, did not attend the meet.

Margaret's mother, Mrs. Brock Jones, was also on hand to hear her

daughter speak and to lend emotional support.

Porter judged several debate rounds while at the contest.

"I worried about how I placed them," said Porter, referring to the semi-finals of the 5-A conference. "But, when the boy I put first went on to win the championship, I knew I

had been right."

The three medals won by Glaze and Jones represent a first for Ozona High School.

"It is the first time that I know of that an Ozona student has ever won a first place in a literary event," said Jim Payne, Ozona High School principal.

All sports name fighting hearts

"You can't live any better than you can love. And, you can't live any better than you can forgive."

Willard Tate, associate professor in the Department of Communications at Abilene Christian University, spoke these provocative words as the main speaker at the All-Sports Banquet held May 5 at the Ozona Civic Center.

Ozona High School student athletes, coaches and parents gathered to hear Tate and to hear the coaches recognize the best among the young athletes.

"School wasn't so bad; it was just the principle (principal) of the thing," Tate joked, remembering his own student days as he entertained his audience with humor, singing, and inspirational words.

"You can't live life in fast forward, and you can't live it in rewind," he said. "But, some try to live it in pause."

Tate, former head men's basketball coach at ACU and a Lone Star Conference's Coach of the Year, told the students that part of loving life is being thankful for what one has here and now.

Tate concluded his portion of the program with a solo, accompanying himself on the banjo.

The moment some young athletes had awaited came with the presentation of the Fighting Heart awards.

"We've had a very successful girls' golf season," Coach Glenn Graham said, when introducing his team. "We were two strokes from going to the state golf tournament."

Gina McCollum received the Fighting Heart for girls' golf.

Boys' golf coach, Rip Sewell, in presenting the Fighting Heart award to Bret Hood, said Bret was good enough to win regionals and qualify for state.

Hood will compete this week in the state golf tournament at Austin.

"We placed more players than any other team in the district," is how tennis coach Jerry Tucker put it. Suzy King and Sylvia Flores shared

the girls' Fighting Heart while Marcos Gonzales and Mark Sellers shared the boys' award.

Rhonda Yarborough, girls' varsity coach, recognized all cross-country and track girls and described their achievements in district competition before awarding the Fighting Heart to Maria Sanchez.

Boys' cross-country also enjoyed the limelight for a moment.

"This was the boys' first year to compete in cross-country," Coach Pete Maldonado said. "We did great."

In district competition the boys' team was the runner-up and placed third at regionals. The team placed seventh at state.

Danny Sanchez placed third at state in the cross-country.

Maldonado asked Dr. Bill Farney, state UIL athletic director, to present state participation certificates to the cross-country team.

"A lot of people don't get these," Maldonado said.

Maldonado recognized many of the same cross-country boys as members of the track team.

"I give you the district champions of 1987," Maldonado said.

Seniors Valdo Galindo and James Sanchez shared the Fighting Heart award for track.

Maldonado commended the students for capturing the Spring Meet trophy for the district. The trophy is awarded to the school which amasses the greatest number of points in literary, speech and spring sport activities.

Again Rhonda Yarborough recognized girls' teams - this time basketball. Vickie Reagor received the basketball Fighting Heart.

After reviewing a successful boys' basketball season during which the boys took the district championship, Coach John Curry presented the basketball Fighting Heart to Abel Lara and Sam Hightower.

Athletic trainer Mark Duncan had the opportunity to recognize the student trainers as well. "I wish I

had a Fighting Heart or something like that to give them, but I think I can pay them a higher tribute by telling them I have a special place in my heart for them."

Duncan added that to be able to serve takes a special talent. "In a lot of places you get the rejects, but I think I've got the cream of the crop," he said.

Duncan concluded his remarks on a humorous note. "If it hurts, put ice on it."

Coach Jim Green complimented Duncan. "All coaches have a fear of not recognizing the serious injuries, and Mark hasn't missed any yet."

Green also referred to the 1986 football season during which the Lions won only three football games.

"Unfortunately, I don't get to talk about a lot of champions like some of the coaches," Green said. "You didn't see a lot of athletic talent in our team, but fighting hearts. Go out and be good people."

Green said there are many things to think about in selecting the Fighting Heart recipient.

George Wall was named to receive the football Fighting Heart for 1986-87.

"I don't think he ever missed a practice," Green said. "He was always there."

Athletic director Rip Sewell presented Radio KYXX and Wool Growers' "Player of the Year" award to Abel Lara and James Sanchez.

"There are some people in 6-2A who know we are here," Sewell said. "We showed up and we competed."

The overall athletic program at Ozona High School is as good as it has ever been, according to Sewell.

"District 6-2A knows that we are back," Sewell said. "Now you've got to set some goals and make some commitments. Tomorrow is here."

Crockett County Care Center News

by JoAnne Marshall

Cloth flowers were completed in Monday morning's craft class. The flowers were so pretty, some of the residents decided to make more than one. Residents attending craft class were Juana Hernandez, Moriana Perez, Doris Robnett and Ethel Youngblood. We would like to thank resident Minnie Karr for her help in making a lovely arrangement with the flowers.

A game of Ring Toss was played following exercise class Monday afternoon. Doris Robnett was the high scorer. Other residents attempting to match Doris' skill at the game were: Lucia Rios, Harry Blatchford, Moriana Perez, Juana Hernandez, Edna Wallace and Elzy Bishop.

Two special games were played for lovely corsages during Tuesday morning's bingo. The lucky winners were Bertha Miller and Edna Wallace. Other prize winners were: Harry Blatchford, Jesus Hernandez, Tomasa Ramos, Virginia Hoover and Manuela Perez. Volunteers were: Teena Lockridge, Sophie Kyle, Georgia Kirby, Melinda Hokit and Mattie Cooper.

Several residents enjoyed a van outing to see the beautiful wild flowers Tuesday afternoon.

Volunteers for Wednesday morning's ceramic workshop were Ruth Hester, Mattie Cooper and Jeannie Wellman. Residents participating in the workshop were Theo Burns, Hazel McDaniel, Ethel Youngblood, Moriana Perez, Manuela Perez, Edna Wallace, Juana Hernandez, Tomasa Ramos and Doris Robnett.

Wednesday afternoon, residents gathered on the front porch to share jokes, enjoy the sunshine and join in a sing-a-long.

Thursday morning's beauty shop volunteers were: Terrie Howard, Bobbie Light, Joannie Hernandez and Melinda Hokit. We would like to thank these ladies for filling in for our regular beauty shop volunteers during their absences. The residents were very pleased with the hair styles they received.

Mid-week Bible study was presented by Charles Huffman of Faith Lutheran Church. Ruby Olson played the piano.

The Spanish hymns were sung with enthusiasm during the Spanish Hour of Praise. Alicia Perez and Herberito Gutierrez played the guitars.

Friday morning's bingo volunteers were: Mattie Cooper, Melinda Hokit and Teena Lockridge. Popcorn was served. Prize winners included Harry Blatchford, Virginia Hoover, Doris Robnett, Theo Burns, Manuela Perez and Bertha Miller.

Wheel of Fortune was played Friday afternoon. Vanna White was portrayed by Jimmie Jacoby wearing a light blue, mid-length, chiffon evening dress trimmed with silver sequins. Theo Burns was the grand prize winner of an exquisite orchid corsage, compliments of Willie Tooke. We would like to thank Melinda Hokit for assisting us during this activity.

Sunday worship service was presented by the Catholic Church.

Hospital reviews budget Easterwood chosen cheerleader

When the hospital board met May 7, members were told that the Justice Department must have a copy or facsimile of all election materials, including public notices and ballots, for the hospital district election. Election for the hospital district may be held 35 days following the return of the bill to Crockett County.

President Jo Davidson appointed Don Long and Betty Perry to the 1988 Budget Committee.

Bill Boswell told commissioners Monday that budgets will be prepared for different levels of care.

Discussion was held on the year-to-date budget. Earned revenue has been greater than budgeted, and the hospital has been under budgeted expenses. Billed revenue has earned enough additional income, and the hospital has saved enough on budgeted expenses to cover all non-budgeted expenses except \$5,683.00.

Board members were told that the Texas House Appropriations Committee has proposed reducing the income cap for Medicaid patients to \$609 in 1988 and \$509 in 1989. The Texas Department of Human Resources estimates that, over the next three years, this will make 17,404 people now eligible for Medicaid nursing home support unable to receive that support. This includes 6,140 persons already in nursing homes. This will be included in the general appropriations bill going to the full Texas House this week.

Boswell reported that the hospital will be able to save approximately \$10,675 in hospital liability insurance by joining the Texas Hospital Insurance Exchange. These savings do

not reflect the additional premium going into effect this year.

Contract costs for the Care Center fire alarm system will be \$4,995. This will bring the cost to the Care Center to comply with the 1976 Fire Code to \$10,051.00 and reflects an additional cost of \$0.89 per patient per day for one year.

Mrs. Jacquie King reported that total cash deposits for the hospital in April were \$44,006.67 and disbursements were \$77,950.10. A total of 343 patients were seen in April, including 250 visits to the Emergency Room. Of these, 230 were released, eight transferred, and 11 admitted. There were 190 out-patient clinic visits. There were 198 lab procedures done and 138 x-ray procedures. Ambulance runs totaled 18, 13 local runs and five transfers.

Cash deposits for the Care Center were \$37,347.72 and disbursements were \$61,492.86.

Seven members of the EMT class took final exams and are awaiting results May 15.

Dr. Bostick has agreed to become medical director for the hospital and EMS coordinator with San Angelo. This will permit local EMT's to use their skills.

The ambulance service reported a net profit for the year of \$363 and remains under budget by \$379.

Attending were board members Jo Davidson, Raymond Borrego, Don Long, and Pete Maldonado. Others attending were Bill Boswell, Elvira Caldwell, Jacquie King, Dr. Owensby, Tom Cameron, Zoe Green, Tina Moran, Doug Meadors and Joe Moran.

Amy Mae Easterwood, 11-years-old, has been chosen one of six middle school cheerleaders at Lamesa Middle School in Lamesa for the 1987-88 school year.

The competitors were chosen from a field of 26 eighth and seventh graders by judges, teachers and student body votes for the positions.

Amy, who will be in the seventh grade in the fall, is the daughter of Doyle Easterwood of Ozona and Nikki Dunn of Lamesa.

She is the granddaughter of Mr. and Mrs. H. Ray Henderson and Mr. and Mrs. Doyle Ward Easterwood of Ozona.

Gardeners plan pilgrimage

The Myrtle Post Garden Club members held their monthly meeting May 11 at the home of Clara B. Freeman. Sara Hignight was co-hostess.

Mozelle Houston, vice-president, called the meeting to order. Business discussed included the plant sale held last Saturday, the Emerald House, assisting the Helping Hands for the Elderly, and the upcoming pilgrimage.

A horticultural tip presented by guest Mena Rae Carnes, was to water bluebonnets all summer and they will continue to bloom until fall. The program on pilgrimages and gardens to visit in the area was presented by member Sara Hignight. Grace Williams has been named

District Vegetable-Food Garden Chairman, and Sara Hignight has been named District Pilgrimage Chairman.

Members present were Mary K. Brewer, Betty Bullard, Clara B. Freeman, Sara Hignight, Mozelle Houston, Kathy Mayfield, Beth Smith and Grace Williams. A visitor was Mena Rae Carnes.

Levis and Lace graduate members

Levis and Lace Square Dance Club students graduated amid fun as well as serious commitments to keep square dancing a clean and wholesome entertainment.

This ceremony occurred at Friendship Hall in San Angelo, Friday night, May 8.

Combined with San Angelo Square & Round Dance students there were a total of four square graduates.

After 30 weeks of lessons those receiving diplomas from Ozona were Tom and Corina Diehl, Rita Hensley and Bob and Barbara Wallace.

Levis and Lace Club members attended the impressive candlelight ceremony.

Request for Soul Rest by Rev. Jim Gray THE FIRST BAPTIST CHURCH

I am currently reading a book by Gordon MacDonald entitled **Restoring Your Spiritual Passion**. The book was loaned to me by a pastor-friend in another city. I believe he perceived that my reservoir of spiritual passion was running low. I thank God for loving and perceptive friends.

What is "spiritual passion"? As MacDonald uses this phrase, it is the energy or drive with which those who have trusted in Jesus Christ serve God empowered by the Holy Spirit. Anyone who has been a Christian very long realizes that we experience peaks and valleys in our spiritual walk as our "spiritual passion" alternately increases and then is depleted.

It is not just ministers who grow weary. I've known this for a long time (I've not always been a minister), but somehow I had forgotten. Bro. MacDonald brought this reality back to me with his following

comments:

"I am constantly made aware of the relatively small knot of people in most churches and Christian groups who have paid a great price to serve, to hold things together for the benefit of the large numbers who merely come and enjoy the fruits of it all. Those few are often tired; they grow restive, trying hard not to complain; and one by one they silently grapple with the appealing prospect of calling it quits and letting someone else do the job."

Did you see yourself? Were you one of the "small knot" who have paid a great price to serve or were you one of the "large number" who merely come and enjoy? This is not written to place those who "enjoy" on a guilt trip. I suppose it is written for two purposes. One, to give those who are considering "calling it quits" hope. Also, it is written to

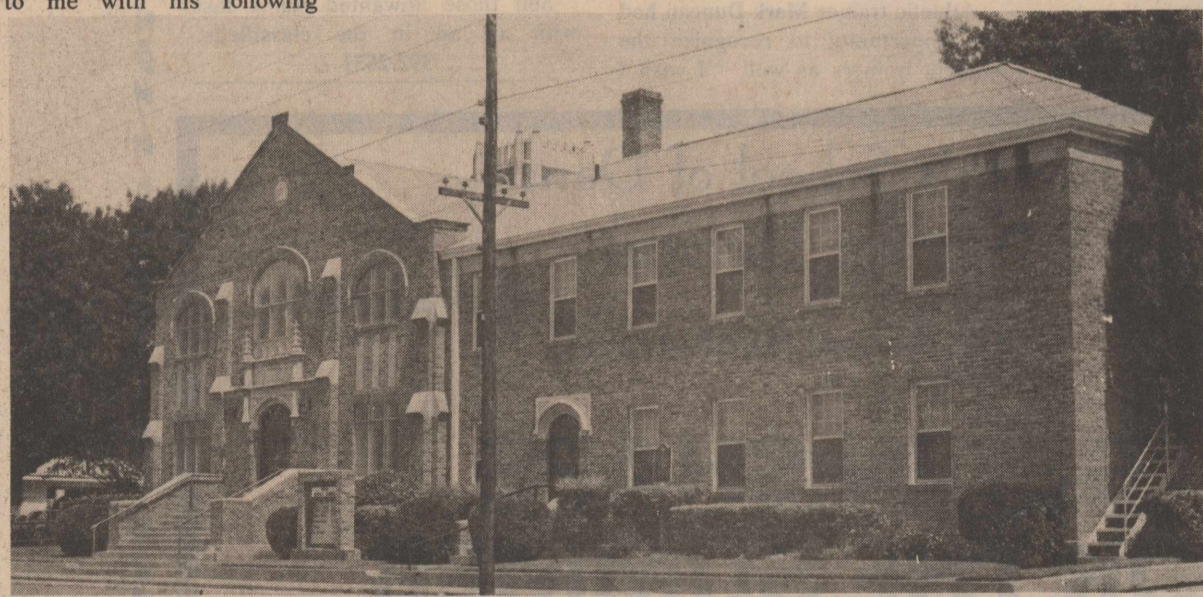

encourage those who "enjoy" to help so that we all might enjoy.

When our service to God becomes a burden, it becomes difficult, sometimes impossible to worship Him. The burden is not from God! Jesus said,

"Come unto Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and My burden is light."

A yoke is for the purpose of distributing the load. If we all pull together, we will find rest for our souls.

May God richly bless your Christian pilgrimage.

M & N Water Well Service new business in Ozona

Morris and Nancy Coates are among the new business owners in Ozona. They began their business, M & N Water Well Service, in April. "We do windmill repair, including oil change, and installation and repair of submersible pumps," said Coates. M & N gives quick service on emergency calls, said the Coates. Morris is a former employee of Chapman Drilling company and also acquired windmill repair experience growing up on a ranch. Nancy assists with the truck and does the book-keeping for the business. The Coates' five children, Leigh Ann, Jason, Diane, Sharon and Matt, also pitch in and help with the business, said their parents. M & N Water Well Service can be reached by calling 392-3915 or 392-3566, ext. 5715.

charges of DWI. He was released the next day, after posting a bond.
 5-11 A 24-year-old Ozona woman surrendered to sheriff's deputies to begin serving a sentence for DWI.
 5-11 A 30-year-old Ozona man surrendered to sheriff's deputies to begin serving a 30-day sentence for aggravated assault-probation violation.
INCIDENTS
 5-5 Sheriff's deputies investigated the theft of a battery from a Crockett County road grader. The grader was parked at a job site north of Ozona. The investigation is continuing.
 5-6 A citizen on Ave. B reported the theft of a lawn mower and grass-catcher bag from his carport. Sheriff's deputies are investigating this case.
 5-9 A citizen on Live Oak Street reported that they had been re-

ceiving obscene phone calls. Sheriff's deputies contacted the security office of General Telephone Company, and they have agreed to assist in investigating the case.
 5-9 A motel owner reported the theft of two pillows, two pillow cases and two blankets from his motel. Sheriff's deputies are investigating the case and attempting to contact a suspect from Montgomery, Alabama.
 5-10 An elderly woman on Montterrey Street reported the theft of approximately \$2000 from her residence. Sheriff's deputies investigated the case and recovered about \$1400 of the money. A suspect has been located and is being questioned in regards to the theft. The victim has requested that no criminal charges be filed against the thief.

5-10 Sheriff's deputies broke up a fight just west of town on HWY 290 at about 10 p.m. Involved were six youths ranging in ages from 15 to 19 years of age. The 19-year-old man was charged with DWI when he attempted to drive away from the scene. Two of the juveniles were cited to justice court on charges of public intoxication. The 19-year-old, charged with the DWI, was placed in jail. The rest of the youths were released to the custody of their parents.

Out & Around

with Judy Reagor

Robert and Angie Daniels will celebrate their 12th wedding anniversary Thursday.

David and Ruth Craig of Weatherford will be celebrating their fourth anniversary May 14.

Visiting in Ozona last week were Nannette Bailey Thompson of Mission and Janet Brotherton of McAllen. They were guests of Sally and Mike Ogelsby and Quay.

Joan Nicholas came home from Brownwood for the weekend, and returned Sunday evening to again take over the care of the new baby, Bryce, and Douglas while their mother, Jennifer Newton, remains in the hospital after the birth of the baby April 26.

It is hoped that Jennifer will be discharged some time this week to be cared for at home. She will be inactive for several weeks.

After a shaky start, Bryce is now doing very well.

Debbie and Jim Montgomery and children were here to visit his mother, Mrs. Tom Montgomery, during Mother's Day weekend.

Happy birthday to June Cameron on May 23.

Mr. and Mrs. Buck Owens of Barnhart were in Ozona last week talking about plans for the Barnhart, Big Lake, Mertzon, Ozona trail ride to be held June 6-7.

Belated anniversary wishes to Jim and Esther Strange who celebrated their sixth year of wedded bliss May 11.

Craig and Fawn (Pennington) Dunham of Colorado were in Ozona to visit family and friends last week. They will be moving to San Angelo in July where he will be a physician at Angelo Community Clinic.

Birthday people in the community on May 19 are Lottie Lee Baker, Patsy Tambunga and Jake Stewart Jr. Hope each of you have a very happy day.

Philip Bright Baggett, son of Sandy and Jack Baggett, will be one year old on May 21. Happy birthday, little one.

Happy 18th birthday to Peter Shacklette. His special day is May 16.

Birthday wishes go out to Slate Williams on May 22. This busy Cub Scout is a second grader.

Happy birthday to Pete Zapata today, May 13.

Court discusses varied topics

Commissioners rescinded an April vote to seal coat three miles of Crockett County roads next year when they met May 11. Instead, one mile (12,907 square yards of surface material) will be allowed in each precinct in the coming year. The measure passed on a motion by Judge A. O. Fields which was seconded by Sotenes De Hoyos.

Reports from department heads took up most of the morning. Court members asked Road Supervisor Eddie Moore to obtain prices on a seven foot mower to be used with a John Deere tractor before the May 21 called meeting.

Use of county vehicles by employees who become uninsurable was discussed by Moore and commissioners. Judge Fields emphasized the need for a policy for such situations. The matter will also be on the May 21 meeting agenda.

This called meeting was set to open insurance bids.

Parks Supervisor Onecimo Ortiz asked the court about tearing down the north announcing stand at the fairgrounds. The stand, which is no longer in use, is becoming a hazard according to Ortiz. He also reported that the fence between the park and horsebarn is coming to pieces.

Grass which was planted last year at the library has not come back, informed Librarian Louise Ledoux. Mrs. Ledoux was told to check on the price of ground cover as compared to St. Augustine grass for the front yard at the library.

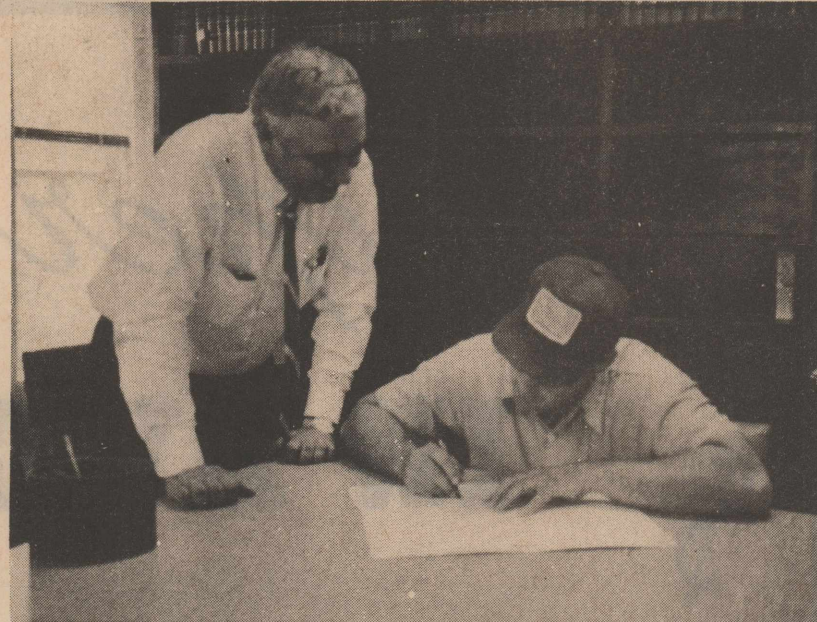

Civic and Youth Center Director Garland Young reported that he has been unable to find metal letters for the name to be put on the building. He will obtain prices for plastic lettering.

Helping Hands meals' program served 551 meals in April for an average of 25 meals per day, reported Jerry Hill. Contributions averaged 68c per meal.

Commissioner Hill told the court that commodities were distributed to 190 families on April 23 and "every month, more qualified people apply".

Dr. Stan Selby of Odessa was introduced to the court by Bill Boswell, hospital administrator. A native of McCamey and nephew of Mr. and Mrs. B. B. Ingham, Selby is completing residency work and was here to tour the local hospital.

Selby answered several questions from the court about the McCamey Hospital District. He stated that the doctor supply should be no problem now with so many young doctors completing their training.

John L. Henderson is shown signing up for the Safe Driving Course sponsored by Thomas Cameron, County Attorney.

July book sale scheduled

The Crockett County Public Library Board is sponsoring a Fourth of July book sale to be held at the park on July 4.

In preparation for this event, Board members are asking the public to start collecting brown paper grocery sacks to be used for the sale. If you have sacks you would like to donate to the library for this fund-raising project, please bring them by the public library. Each and every sack will be decorated and filled with paperback books, Reader's Digest Condensed Books, or magazines for the sale.

Money raised by this sale will be used for new equipment for the public library, so start collecting those grocery sacks and bring them by the library today.

The Conklin protective coating system, comprised of RAPID ROOF, PRIME TIME, SHOW KOTE, KWIK KAULK and WALL-UP, offers a package of solid, year-round protection. Roofs, masonry and cinder block walls... whatever your weatherproofing needs, Conklin has the quality solution.

Conklin protective coatings... your shield against the elements.

RAPID ROOF

Acrylic Latex Roof Coating
RAPID ROOF is the water-based, elastomeric roof coating system designed to provide a weatherproof covering over a variety of roof decking substrates. The lightweight, yet rugged RAPID ROOF membrane is many times lighter than conventional built-up roofing. And, because RAPID ROOF is a fluid applied coating, roofing deck irregularities that might pose problems for seamed membrane applications can be overcome with the RAPID ROOF monolithic system.

Forget the mess, expense and hazards of hot mopped asphalt. RAPID ROOF is applied cold, right from the container, covering your roof with all these benefits:

- Versatility** RAPID ROOF can be applied over built-up roofing, asphalt shingles, metal, plywood, concrete and spray-in-place polyurethane foam.
- Flexibility** Superior elastic properties allow RAPID ROOF to contract and expand with the roofing deck for year-round protection.
- Uniformity** Seams, joints and overlaps do not result from a RAPID ROOF application, creating a unilayered weatherproof barrier.
- Breathing Ability** RAPID ROOF permits trapped water vapor to escape while maintaining a water-resistant membrane.
- Reflectivity** The titanium dioxide pigmentation of RAPID ROOF minimizes the effect of ultra violet rays, reducing surface temperatures and cooling costs.
- Fire Retardancy** RAPID ROOF has received a Class A rating from Underwriters Laboratories, Inc. as to external fire exposure. See UL Classified Building Materials Index or contact Conklin Company, Inc. for complete deck, substrate and slope rating requirements. RAPID ROOF has also received a Class 1 rating from Factory Mutual System.
- Ease of Application** Water-based RAPID ROOF goes on easy, cleans up fast and passes many local and national pollution standards.

By spray, brush or roller, the ease and convenience of the RAPID ROOF System greatly simplifies job-site procedures, in many cases eliminating costly reroofing. In the last analysis, Conklin gives you the finest weathertight security you can find overhead.

Snips, Quips & Lifts

by Lottie Lee Baker

Our days are like identical suitcases - all the same size, but some can pack more into them than others.

Certainly you can't fool all the people all of the time. Some of them are fooling you.

To be well heeled tomorrow, you have to be on your toes today.

We're all born equal, but not equal to it.

Don't lose your head to gain a minute. You need your head; your brains are in it.

Modern music is when you feel like clapping your hands over your ears.

You can tell a man who indulges by the places he bulges.

A good name is rather to be chosen than great riches; it's tax-free, too.

Zero-base budgets aren't all that new. A lot of people have them at the end of the month.

When a youth begins to sow wild

oats, it's time for dad to start the threshing machine.

Entirely too many people fashion their lives after French bread - just one long loaf.

It's all right to call an avid reader a bookworm, but to call a music buff a tapeworm just doesn't seem exactly right.

Justice is what we get when the decision is in our favor.

The girl who wore glasses And pined for lost passes, Now chuckles and cleanses Her contact lenses.

You can't believe everything you hear - but you can repeat it.

You can usually tell a self-made man. He's apt to get the mouth too big.

There is nothing duller than an old blade trying to be sharp.

A LIFT FOR THE WEEK

A cheerful countenance has a lot of face value.

A nursery will be provided and all are invited to attend.

SECOND GRADE PLAY MAY 19

Second grade students of Mrs. Cotton, Mrs. Janes and Mrs. Winkley will present the musical, Goin' Buggy, May 19 at 7 p.m. in the primary cafeteria.

The public is invited to attend.

T-BALL TO ORGANIZE

All coaches and interested persons are asked to attend a T-Ball organizational meeting Thursday, May 14, at 5:30 p.m. The meeting will be held in the Emerald Room at Ozona National Bank.

LIONS CLUB

The new tax bill will be Burl Myers' subject when he addresses the Lions Club at noon on May 14. He is a local CPA and will cover some of the differences and how those changes might affect the average tax payer.

Doug Meador has volunteered to head the barbecue committee for the Trail Ride Feed the Lions will hold on June 5. It is shaping up to be a very good "community get-together" for the second year in a row.

There are a number of activities planned after the trail ride ends its day ride at the Williams place just off Midway Lane and everyone is invited to come out and enjoy themselves with the trail riders.

BAND CONCERT

Residents are invited to bring their lawn chairs and enjoy an old-fashioned concert in the park Thursday evening, May 14, at 6:30.

Sixth grade, junior high and high school bands will perform in the annual spring concert under direction of Kelly Glaze and Eric Wharton.

Mrs. Wallace's second grade class visited Crockett County Hospital Monday as part of Texas Hospital Week. With them are lab technician Connie Perez, Betty Pullen and Arlene Clayton.

Hospital week activities in full swing

During Texas Hospital Week May 10 through May 16, Crockett County Hospital is encouraging people to adopt healthy behaviors in order to "feel better". The hospital is sponsoring a number of activities throughout the week.

A poster contest following the feeling good theme was held with first, second and third graders participating. Winners are: first grade, Stormi Sessom and David Martinez; second grade, Lando Pena-Alfaro and Anthony Borrego; third grade, Adrian Phillips. Gift certificates for a cheeseburger special at Shot's #2 were awarded to all winners. The posters will remain on display at the hospital until Friday, May 15.

Open house for the general public will be held at Crockett County Hospital Thursday evening from 6 until 9 p.m. Activities planned include free screening for blood pressure, blood typing, diabetes, anemia, height and weight. Demonstrations are scheduled in CPR, IVs, EKG and various laboratory tests. There will be numerous displays and exhibits offering pamphlets and brochures to the public with emphasis on general health improvement in conjunction with the theme, "We Feel Good Helping You Feel Better".

A mammography clinic is scheduled at the hospital from 9 a.m. to 5 p.m. on Thursday. There is a \$50 fee for this service, which is conducted by personnel of Women's and Children's Hospital in Odessa. Appointments may be made by calling the hospital at 392-2671.

Retired R.N. Mary Alice Dunlap

will be honored during the Friday night banquet for hospital, care center, auxiliary and ambulance personnel.

"All employees and auxiliary and ambulance service volunteers have

been working hard to prepare for and conduct Hospital Week activities," said Jacquie King, assistant administrator. All Ozona residents are urged to help celebrate Texas Hospital Week.
