Lions Shutout Eagles 28-0

Neal Ulmer, Stockman SportsWriter

The Ozona Lions scored four touchdowns to win their first game of the season 28-0 over the Sanderson Eagles in last Friday's game in Sanderson. With their first win, the Lions' season record is 1-2.

Lion Coach Walter Hargrove said, "We played real well offensively and defensively--it was a good game for us. We wanted to control the ball in the game and we did! The offensive and defensive plan worked well. Our linemen did a good job of blocking. We did some better things."

"Sanderson played a good game, with a lot of intensity, and they never did quit. Our boys just executed well," Hargrove added. "I thought they were just trying to run the ball and control the ball, but we stopped them."

The Lions, led by quarterback Pete Castaneda and running backs Darin Jackson, Justin Browne, Ray Fierro, Shayne Fuentes, and Brian Badillo, scored three of the four touchdowns on 48 carries for 220 rushing yards.

"I think the kids are understanding our offense and defense better. Pete did a good job with the offense. The running backs did a good job--we used a lot of different ones," said Hargrove.

The Lions took the ball on the opening kickoff and marched 86 yards to the Eagle 14-yard line. On the next play, strong end Casey Upham received a 14-yard pass running a fade route for the touchdown. The touchdown came with 5:31 left in the first quarter. Bryan Mendez kicked the PAT to give the Lions a 7-0 lead.

Ozona's second score came on a 2-yard run around the right side on an off-tackle play by Shayne Fuentes with only 49 seconds left in the first half. The PAT by Mendez was good, increasing the Lion score to 14-0.

Good defense by the Lions kept the Eagles out of the end zone during the game. Mendez, splitting time playing defensive tackle and linebacker, led the Lions in tackling with 11 tackles. Patrick Sanchez had seven tackles followed by Albert Flores and Robert Kelly with six each, Darin Jackson five, Brian Badillo three, four players had two each, and eight players had one tackle each.

"Defensively, we tackled better, did a better job on reads and responsibilities, and played basic defense," said Hargrove. Indeed, the Lions did play good defense allowing the Eagles only 60 total yards in 29 carries and only two first downs.

In the third quarter, the Lions' offense came back with a touchdown with 9:55 left. The score came on a

ROBERT'S CONSTRUCTION CO. of San Angelo foreman Greg Macias directs a machine operator on the filling up and digging of a ditch for new sewer pipe on Willow Street. The Texas Community Development Program sewer improvement work started Sept. 18 through grant money provided by the Texas Department of Housing and Community Affairs.

photo by Neal Ulmer

Work Begins On Sewer Improvement Grant Project

Construction began Sept. 18 on a sewer improvement project in south Ozona which is funded in part by a Texas Community Development Block Grant. The grant in the amount of \$198,869 was awarded in 1993. Matching funds from Crockett County Water Control and Improvement District #1 amount to \$29,831.

Bids for the project came in above the grant funding, necessitating a change in the project. The grant provides for removing sewer lines from

yards and under houses. These lines will be rerouted under streets and alleys.

Due to the cost coverage, the project will be done in two stages. Additional grants will be sought to complete the work.

A Texas Community Development Program grant was approved earlier this year in the amount of \$199,999 for water improvements in conjunction with the sewer improvements.

The district will provide \$22,000 in matching funds on this grant. Funds are to pay for a booster pump station south of I-10 and a water storage standpipe above Heracleio Street and additional six inch water line.

Also approved this year is a colonias grant for \$495,800 to be used for sewer improvements, new fire hydrants and six and eight inch water line to replace two inch line.

The improvements will benefit more than 400 residents.

Local Wool Sale Results Disappointing

Warehouse managers at Ozona Wool and Mohair and Wool Growers both expressed disappointment with wool sales held here Sept. 19.

At their sale that morning, Ozona Wool offered 103,000 pounds with almost all of it sold according to Glenn Fisher. The majority of the offering was short fall wool. Prices ranged from 65c to 90c per pound with the bulk of the offering between 83c and 90c.

Fisher said he was expecting the market to be down "but not this bad". Spring prices were \$1.05 to \$1.10 and he expected a drop of about 10c,

Fisher said.

Reports are that the textile business is bad all over the world. A warm winter last year in Europe and here and customer resistance have combined to hurt the market according to Fisher.

Wool Growers of Ozona and Sanderson Wool Commission offered 227,000 pounds at an afternoon sale. 170,000 pounds of fall paint free

wools averaged 82c with a high of 90-1/4c and a low of 45-1/2c.

The 26,000 pounds of 12-month wools went for 86-5/8c and 25,000 pounds of lamb wool at 82c, said manager Donnie Laughlin.

"We had a lot of people show up but very light demand," said Laughlin. "I was real disappointed in the sale."

Testimony Starts In Murder Case

Testimony began Tuesday afternoon in the capital murder trial of Loretta C. Neumueller. Ms. Neumueller is charged in the March 1994 death of Larry Albers.

The first and only witness questioned Tuesday was Deputy Dan Griffith, the officer who took a welfare concern report from Neumueller March 16. Two days later Ms. Neumueller filed with Griffin a missing person report on Albers which was sent out statewide.

Seating of the jury took place at 3:45 p.m. Five hundred prospective jurors had been called in two draws with questioning of the 98 person jury panel beginning last Wednesday.

Attorney for the defense Randol Stout of San Angelo filed motions for change of venue on Friday and again on Tuesday. These were denied by District Judge Brock Jones as were two previous motions for change of venue.

Prior to the seating of the jury Tuesday, Stout filed a motion to challenge the array of the jury, claiming racial prejudice in the state's striking of some potential jurors.

112th District Attorney J. W. Johnson and special prosecutor Albert Valdez, who is district attorney of the 83rd Judicial District, testified as to why they made the strikes. Judge Jones denied the challenge after their testimony.

Lions Place First In Mertzon, Ladies Second

Neal Ulmer, Stockman SportsWriter

The Ozona Lions took first place in the Irion County Cross Country Meet held Sept. 23 in Mertzon. The Lions garnered 29 points and the Ladies took second place with 82 points.

Coach Pete Maldonado said, "Overall, the boys improved their times. Everybody competed well and we're getting better each weekend."

Ozona won first place with 29 points followed by the other teams' placings and total points: 2 Comstock 48, 3 Reagan County 65, and 4 Water Valley 82 points.

Again, speedster Charles Villarreal placed first with a time of 16 minutes, 30 seconds; 5 Johnny Porras 17:47, 9 George Hernandez 18:14, 10 Blas Villa 18:17, 11 Codie Porras 18:27, 13 Will Roane 18:29, 23 David Martinez 20:53, and 24 John Baker 20:57.

In the girls division, Sterling City placed first with 67 points followed by 2 Ozona 82, 3 Wall 83, 4 Garden City 105, 5 Colorado City 123, and 6

Irion County with 138 points.

The Lady Lions' individual results were led by first place Lady speedster Lori Sanchez with a time of 13:39, followed by 3 Terren Marshall 13:58, 16 Amy Laughlin 14:50, 17 Gina Castro 14:52, 48 Patti Dominguez 15:59, and 63 Felicia Ramirez 16:28.

Commenting on the girls' efforts, Maldonado said, "The girls are working on improving their times. Overall, the competition wasn't as tough in past weeks and as tough as we had the last week. They ran and competed well."

The junior high boys competed in the Irion County Meet as well. Placing fourth was Matt Castaneda with a time of 13:13, followed by 6 I.J. Villarreal 13:23, 16 David Vandenberg 15:20, and 32 Roman Castaneda with a time of 20:54 minutes.

The junior high girls and boys run two miles in their division.

Both Ozona High teams will be competing this Saturday, Sept. 30, in Big Spring starting with the girls at 10 a.m. and the boys at 11 a.m.

Gramm Staffer Here To Discuss Property Rights

U. S. Sen. Phil Gramm has introduced legislation to protect property owners from the avalanche of federal regulations and restrictions that can strip private property of its value without compensation to the owners. Gramm's *Private Property Rights Restoration Act* safeguards the rights of individuals whose land is the target of government regulations or policies which reduce or destroy the value of the property. The bill requires compensation to be paid when such a "taking" has reduced property value by at least 25 percent or \$10,000.

Luis Saenz, director of Gramm's South Texas regional office, will deliver remarks to concerned residents of Crockett County on Thursday, Sept. 28, at 3 p.m. at the courthouse.

"This property rights legislation reaffirms the Senate's commitment to private property, and it says in the clearest possible terms that while Bill Clinton and interior Secretary Bruce Babbitt may view private property as being an outmoded concept, the Congress disagrees because the Constitution disagrees," Gramm said.

Banquet Begins National 4-H Week

"Everyone's a Star in 4-H" is the theme for the 1995 Crockett County 4-H Banquet to be held at the civic center at 6:30 p.m. Monday, Oct. 2.

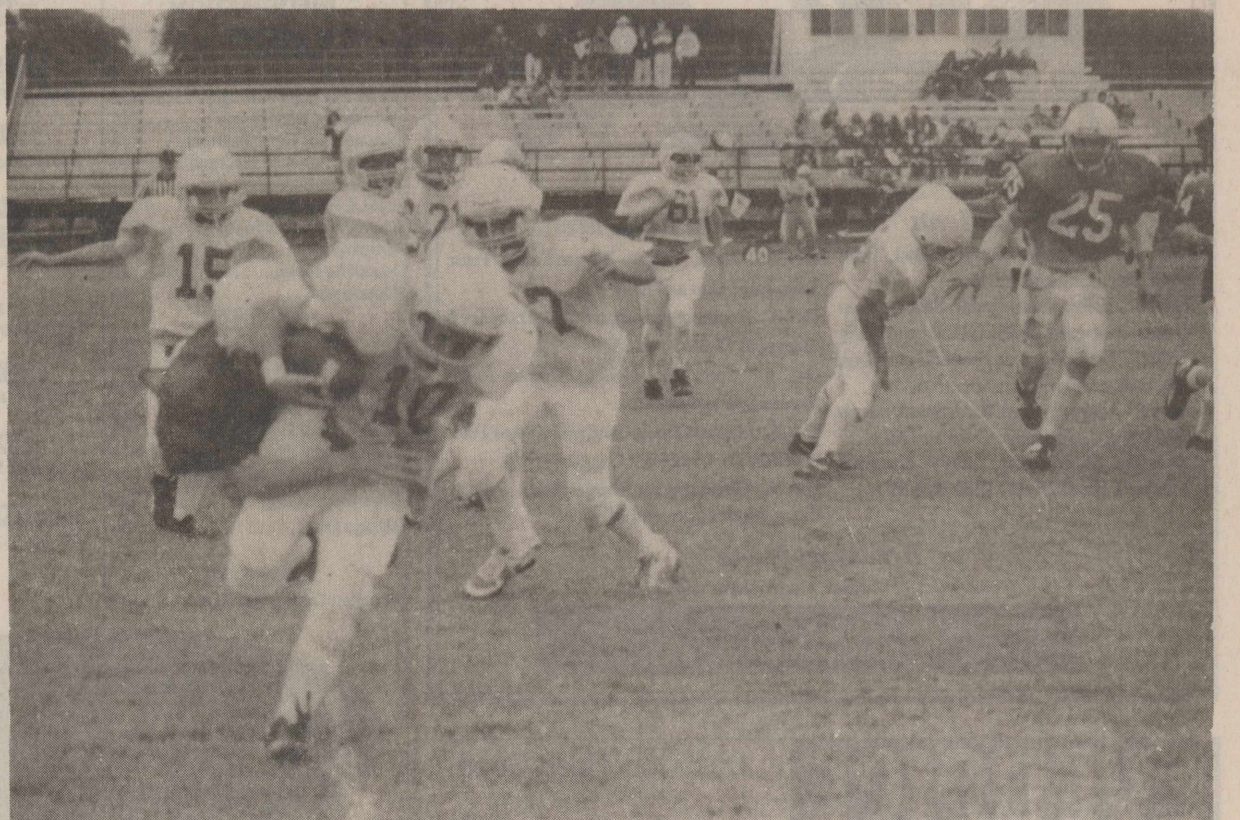

"We hope all 4-H members, parents, family members and adult leaders will join us for this special evening," said Billy Reagor and Tedra Ulmer, County Extension agents. National 4-H Week begins on Sunday, Oct. 1, and will end on Saturday, Oct. 7, with the District Gold Star Banquet and a county foods workshop.

This year, a lasagna supper will be provided by the county's Adult Leaders Association. All 4-H members, their families and interested persons are invited to attend this celebration of outstanding youth.

All 4-H members in the fourth through ninth grades who completed a project during the 1994-95 4-H year and who turned in awards applications are eligible to receive the new project plaques and disks. High school members will receive awards medals for project work. In addition, major awards will be presented to junior high and high school 4-H members.

Junior high members are eligible for junior achievement, citizenship or leadership awards. Senior awards include Gold Star, Mother Davidson, I Dare You, senior achievement, leadership and citizenship and the \$1,000

(Continued on pg. 10)

OZONA 7TH GRADE CUB #10 Chris O'Brien tries to pick up some yardage as an Irion County Hornet puts the "grab" on him. The Cubs lost to a combined 7th and 8th grade Hornet team 30-0 in last Thursday's wet and cold game in Mertzon.

Fire Department Report

Ozona Fire Department answered 21 calls during September. Of these, 12 were grass fires. The department received mutual aid on three fires and gave mutual aid on one.

There were two calls each to oil field, vehicle and structure fires. Firemen also participated in two rescues along with the EMS and received two calls which were false alarms.

There have been 70 incidents for the year.

September's truck hours amounted to 41,48, man hours were 347.42 and 27,750 gallons of water was used.

Figures to date show 86.06 truck hours, 859.07 man hours and 31,880 gallons of water used.

Harper Trades Days Oct. 14

Harper Trades Days will be held Oct. 14 from 9 a.m. to 5 p.m. in the Harper Community Park.

Last year a new tradition was born when the first annual session of the Harper Hounds Downs Dachshund racing was added to the annual celebration. This race will again be open to all Dachshunds and their owners.

Another tradition is being born this year with the addition of the Harper quilt show. This show will be held in the community hall in the park. Unlike the Trades Day event, where there is no admission or parking fee, the quilt show will carry a \$3 admission fee.

Adding to the day's activities will be a host of local celebrities providing live music and entertainment to brighten the day. Dee Shipman of Brady will be on hand to autograph his book, *30 Years of ADC - Or - A Texas Trapper*.

For further information on entering your quilt or Dachshund, call Harper Chamber of Commerce at 210 864-5656.

Few women and fewer men have enough character to be idle.

Crockett County CFSA News

By Laurie Hale

Producers who have outstanding ACP practices are reminded that Friday, Sept. 29, 1995, is the last day to be paid for the practice and have it count for 1995. We will not be taking applications for the 1996 program until

Nov. 1, 1995. LTA sign-up should be announced in December or January.

Producers are also reminded that Sept. 30, 1995, is the last day they can purchase crop insurance for 1996 small grains. Producers who plant a crop to harvest must have insurance to be eligible for payments.

Parachutes descend at the rate of about 15 feet per second, depending on the weight of the parachutist.

Afternoon Ceremony Unites Miss Schneider, Mr. Hightower

JoLynn Schneider became the bride of Sam Hightower Saturday, Sept. 16, 1995, in Walnut Ridge Baptist Church in Mansfield.

Parents of the bride are Joe and Linda Schneider of Mansfield. The bridegroom is the son of Royce and Donna Hightower of Ozona.

Given in marriage by her father, the couple wed in a single ring ceremony, sealing their vows with a ring which belonged to her grandmother, Pauline Clapp of Punta Gorda, FL.

Attending her sister as maid of honor was Tracy Schneider of Arlington. Barbara Ford of Denton served as bridesmaid, and flower girls were Makinsey Morris and Melissa Morris of Crowell.

Rodney Storms of Ozona stood as best man. Baye Wilson of Del Rio was the groomsman and Joey Schneider, brother of the bride, of Mansfield, and Chris Harlow of Arlington were ushers. Justin Weant of Ozona was the ring bearer.

A reception was held at Walnut Creek Country Club immediately following the ceremony.

Library News

GARDEN CLUB EXHIBIT

Mrs. Marge Smith has created a splendid Fall design for the Ozona Garden Club Exhibit at the CCPL. She has used Autumn's dried materials in the arrangement with garlic blooms, cattails, red cockscombs, and accented with dried leaves, various pods and seeds. Don't miss seeing it at the Library. Thank you, Marge.

BIG COUNTRY LIBRARY SYSTEM

CCPL has been a full member of the BCLS since 1985. Of the 10 library systems in the state, the BCLS has the largest geographical area, but is among the lowest in population. The BCLS major resource center is in Abilene and operates out of the Abilene Public Library. The library systems administer state funding from the Texas State Library and Archives Commission to the individual public libraries around the state.

Each public library is represented to the system by a Lay Representative and the public librarian. Our Lay Rep. is Mrs. Lou Deaton. Lou has served since 1985 and is now on the Advisory Council

to the State Library serving as Chairman. She is also serving on the Computer and Automation Committee. Thank you Lou for all your hard work and travel, plus special thanks to Buster!

CCPL LIBRARY BOARD

CCPL welcomes a new member to the Library Board. Mrs. Jessie Reina Zuniga is replacing Ninfa Fierro. Ninfa regrettably submitted her resignation and will be much missed.

Jessie is a familiar face at the Library, however. She is the Director of the Head Start Program for pre-school children. Head Start and the CCPL have worked together very closely to provide reading materials for the children, and to form good reading and library use habits that will hopefully carry on through their school years and beyond. Jessie is a very energetic, enthusiastic person and the Board looks forward to working with her on the Library Building Expansion Campaign. We appreciate her input and fresh perspective on the project to help get it completed.

Louise P. Ledoux
Crockett County Librarian

Federation Program Given At Forum Meeting

The Ozona Woman's Forum met at the civic center Tuesday, Sept. 19, for an enjoyable program on Federation presented by Jewel Bailey, Marcille Long and Dorothy Montgomery.

Mrs. Bailey reviewed the history of General Federation and Texas Federation of Women's Clubs and told of some of their accomplishments. Many scholarships have been given by the Federation to college students. Mrs. Bailey told of how the Federated Women's Clubs were responsible for having the first stripes and reflectors put on highways for safety. In 1903, members helped save the Alamo from being closed.

Mrs. Long gave a review and led a discussion on the Ozona Woman's Forum by-laws and constitution.

Dorothy Montgomery showed a video of style shows sponsored by the Woman's Forum in 1952 and 1953. Many current members were models in those style shows.

Shirley Kirby presided over the business meeting. Hostesses were Beth Smith and Barbara Malone.

Those attending were: Jewel Bailey, Louise Bunger, Sandy Bebee, Jane Black, Crystelle Childress, Geniece Childress, Rachel Childress, Norma Carson, Barbara Carter, Sue Cosper, Marilyn Cox, Elizabeth Dudley, Martha Gries, Benny Gail Hunn-

cutt and Georgia Kirby.

Also Shirley Kirby, Sophie Kyle, Luetta Kost, Marcille Long, Barbara Malone, Joyce Maness, Dorothy Montgomery, Ethel Miller, Bernice Phillips, Katharine Russell, Margaret Tabb, Blanche Walker, Mary Agnes Ward and one guest, Catharine Coates.

It's A Boy!

Will, Cori and Kaylee Jo Seahorn are proud to announce the arrival of Weston Ryan.

Weston was born Sept. 17, 1995, at Shannon Women's and Children's Hospital in San Angelo. He weighed seven pounds, 10 ounces and was 20-1/2 inches long at birth.

He also is welcomed by his maternal grandparents, Nannette and Bill Thompson of Mission, and his paternal grandparents, Pon and Jill Seahorn of Ozona.

Maternal great-grandmother is Zeola Thompson of Mission. Paternal great-grandparents are Ruth Seahorn of Ozona and Jimmy and Betty Martin of Nixon.

Nature does nothing uselessly. —Aristotle

Card of Thanks

Thank you, Thank you, St. Jude for answering my prayers.

Gloria

Card of Thanks

I can certainly testify that the Lord is alive and doing quite well in the hearts of so many people in our church and the town of Ozona. Thank you all so much for the love, prayers, meals, and concern that you have all expressed for Bryan and our family during this time of uncertainty.

We thank the Lord for answering all of the many, many prayers that have been offered up in Bryan's behalf and just ask that God be glorified during this situation. He has shown us his mercy and the doctors say that Bryan could wait for dialysis for six months to a year!! We respect our doctors knowledge, yet we also know who is in control and are waiting and watching for signs and wonders that he is showing himself to all the world through every situation.

Thank you all again for letting Christ shine through our town.

Randy, Lisa, Bryan, Charlie, & Angela Branch
Psalm 135: 1-21
Mark 5: 34

Note of Thanks

To all those who participated in the 'Wheels For Life' benefit on Sept. 9th -- and their sponsors, a big hearty thanks for helping raise \$1,000.50 to help St. Jude's Children's Hospital minister to underprivileged children with cancer and other serious disorders.

Thanks also to T&T Grocery for donating Gatorade, Crockett Automotive for fruit, and Pauline Bently and Hilary Huffman for the cookies. It was a job well done, expressing our love for others.

Thank you all!

Paula Hester & Betty Huffman

Reinas Celebrate 25th Anniversary

A special Mass was held Saturday, Sept. 2, at Our Lady of Perpetual Help Catholic Church in honor of Cuca and Buster Reina of Grand Prairie.

With the presence of their son Armand Gene and daughter Kathy

Lynn, family and friends and direction of Father Ray Gallagher, wedding vows were renewed.

The Mass was followed by a dinner reception and concluded with a dance at the parish hall with music by DJ Lee Roy Martinez.

It's A Girl!

Kelsey Lynn Galan arrived Friday, Sept. 22, 1995, at 12:57 a.m. at Shannon Women's and Children's Hospital in San Angelo. She weighed five pounds, one ounce and was 17-1/2 inches long at birth.

Proud parents are Paul and Terri Galan of Ozona.

The baby's grandparents are Mr. and Mrs. Javier Galan of Ozona and Mr. and Mrs. Neil Harms of

Braidwood, IL. Great-grandparents are: Deila Galan of Ozona, Mr. and Mrs. Willie Love and Mr. and Mrs. Clarence Harms of Custer Park, IL.

"These things I have spoken unto you, that in Me ye might have peace. In the world ye shall have tribulation: but be of good cheer: I have overcome the world."

Title 1 Parent Meeting Sept. 27

The Title I Fall Parent Meeting has been set for Wednesday, Sept. 27, at 6:30 p.m. It will be held at the intermediate library. Anyone interested in learning more about the Title I program (formerly Chapter I) is encouraged to attend.

Mr. Manley Holmes, intermediate principal, and Ms. Marilyn Luce,

primarily principal, will talk about how the students are being served this year at each campus. Ann McQuerrey, Region XV Title I consultant from San Angelo, will be on hand to answer any questions. Rose Mae Whitehurst, home liaison, will be sharing ideas with the parents on how to work with their children at home.

McCamey Chili Cookoff And Crafts Fair Oct. 28

The 9th annual McCamey Chamber of Commerce chili cookoff and arts and crafts fair will be held Saturday, Oct. 28, beginning at 9 a.m. in the 4-H Building on West Hwy. 67. There will be entertainment, arts and crafts, cash pot drawings and lots of fun all day long.

There have been new categories added to the cookoff this year. There

will be chili, brisket, ribs and jackpot beans.

Call early to reserve an inside crafts booth. All booths will be reserved, and the inside booths will go first. Cost for booths start at \$15.

For more information, call the McCamey of Commerce at 915-652-8202.

Iraan Schedules Arts And Crafts Bazaar

The annual arts and crafts bazaar in Iraan will be from 9 a.m. until 6 p.m. on Friday, Nov. 10, in the Iraan Community Center. This event is sponsored by the members of the Ladies' Christian Service of the Iraan Christian Church.

Reservations for tables are being accepted at a cost of \$15 per table.

The event is open to clubs, individuals and organizations in the surrounding cities.

For information, contact Rose Mary Rogers at 915-639-2417. Reservations may be mailed to Ms. Rogers at Ladies Christian Service, P. O. Box 204, Iraan, TX 79744.

"Parental Guidance Suggested"

History tells us that how our kids go is how our Nation will go. We are all aware that the youth of today will be the Leaders of our cities and states tomorrow. Just recently the basketball star Charles Barkley stated that he was not a role model for the youth of America. Many people fumed over that statement because they believe that all pro athletes are role models. Well, this may shock some, but many parents want these role models for their kids so they don't have to. Our government places PG, or PG-13 warnings or even Rate R on videos and we still let our kids watch it. What's happening in our country now can't be blamed on pro athletes or movie stars...it goes back to the home. Many times we parents lose our kids simply by default; that is we don't even try. Well, we can change all that when we realize that a second income is not as important as a primary family atmosphere for our kids. One thing I know for sure is that pro athletes have come and gone since I was a kid, but the things that I learned from my dad are in me to stay.

If you would like a free cassette tape of one of our services, please write us at P.O. Box 103 or give us a call.

Attend Church This Sunday

No Outcry In The Streets

By Dennis J. Prutow

What of men who blow up a building containing a daycare center and a mother who drowns her babies? The Bible talks about ancient kings who engaged in such evil. "Ahaz was 20 years old when he became king, and he reigned 16 years in Jerusalem; and he did not do what was right in the sight of the Lord God, as his father David had done. But he walked in the way of the kings of Israel, and even made his son pass through the fire, according to the abominations of the nations whom the Lord had driven out from before the sons of Israel" (2 Kings 16:2-3).

Here is the mournful cry regard-

ing the country where such things occur. "Alas, sinful nation, people weighed down with iniquity, offspring of evildoers, sons who act corruptly! They have abandoned the Lord, they have despised the Holy One of Israel, they have turned away from Him" (Isaiah 1:4).

Is there a correlation between our lack of service to God and the eruption of evil in our land? The Bible suggests there is. The opposite also seems to be true. Psalm 144:14 prays, "Let there be an outcry in our streets!" The Psalm then exclaims, "How blessed are the people who are so situated; how blessed are the people whose God is the Lord!" (Psalm 144:15).

Ozonan Selected As Principal

Frank Garza, a native of Ozona, has been selected as the new principal of Ted J. Porter Zero Tolerance School in Fontana, CA.

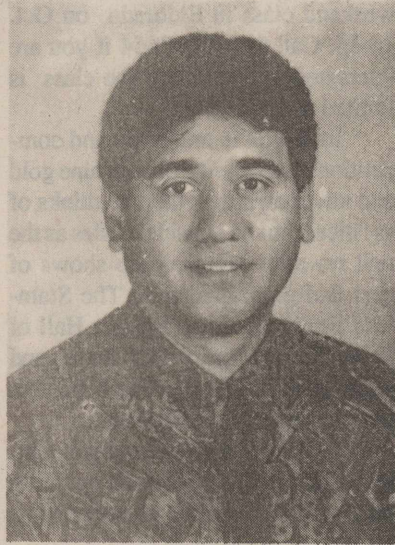

Garza, the son of Francisco and Bertha Garza of Ozona, graduated in 1976 from Ozona High School. He is completing his administrative credential at Azusa Pacific University.

He was an elementary counselor before being selected for his principalship. Garza indicates that this is an innovative school, a first in his school district.

Porter school is an alternative to expulsion/suspension school. Other school districts are closely monitoring and visiting the school to determine its positive effects in the community and in the school district. Students, instead of being suspended and expelled from the district, can have their expulsions suspended by the school board, thus keeping them in a learning environment and not in the streets.

Ted J. Porter also receives the ADA lost by the original school the student was attending.

Garza indicated that the next goal in his life is to finish his second tier in his administrative credential and to plan to begin his doctoral degree in

administrative education.

Garza lives in San Bernardino, CA, with his wife, Rennie, his 15-year-old son Frankie III and his 7-month-old son Ronald.

He will be visiting Ozona and San Angelo in December with his family, which includes: Mr. and Mrs. Frank Garza, Milton and Joannie Fowler, Lupe and Alma Martinez of San Angelo, Elpidio and Belinda Martinez and Fred and Lisa Garza.

Basin Detox Program Available For Area Residents

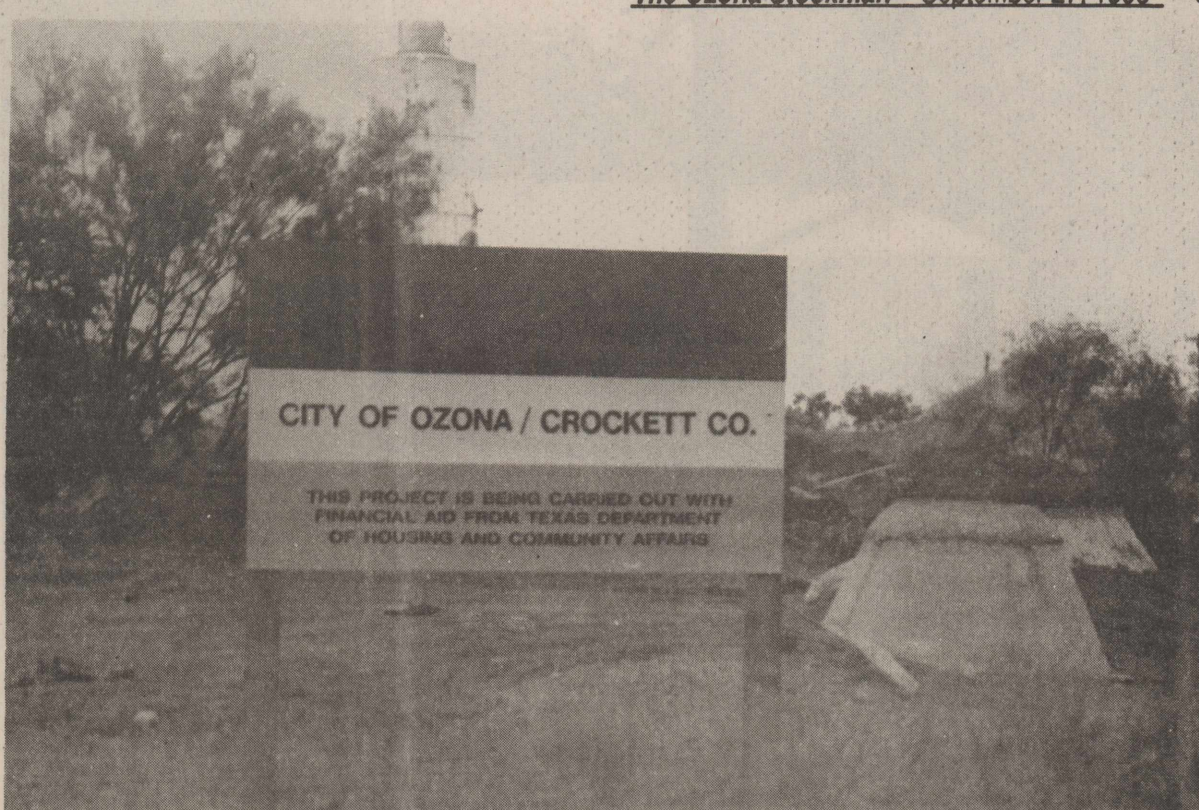

Services of Basin Detox Centers, headquartered in Stanton, are now available to residents of Crockett County. The privately owned company serves clients at the Hamlin and Stanton hospitals and additionally has a program of ongoing care. Both facilities are bilingual, and brochures for the program are available in English and Spanish.

The company also works with Rivercrest in San Angelo and Glenwood in Odessa.

Jennifer Ivy, community service representative for Crockett County, can be reached by calling 1-800-317-7818. "I am usually no more than an hour away," Ms. Ivy said.

Medicaid and Medicare are accepted along with private insurance. Patient transport is also available through Basin Detox, and the company can accept individuals referred through the court system.

The company's owners are advocates of Alcoholics Anonymous and Narcotics Anonymous, says Ms. Ivy. She is available to talk to groups or clubs in the area including Ozona, Del Rio, Sonora, Junction, Edlorado and San Angelo.

THIS SIGN STANDING IN GURLEY DRAW states that the 1993 Texas Community Development Program sewer development project for Crockett County has started. At right of the sign are two new manholes that were recently installed. photo by Neal Ulmer

New Laws Assist Volunteer Fire Departments

COLLEGE STATION - Ernest Brown won't have to risk the ranch to help his neighbors anymore.

As a firefighter with the Bootleg Volunteer Fire Department in rural Deaf Smith County, his life may still be in danger, but his livelihood won't be - thanks to some recent legislation.

For the past 20 years, Brown, as secretary/treasurer, has put his personal assets on the line with his signature on the department's auto liability insurance.

Limited budgets and seemingly limitless insurance premiums forced the department to buy the minimum coverage allowed by law, he said.

"Had we had a wreck, it wouldn't fix up a car or pay a total hospital bill," Brown said.

A single accident involving any department vehicle could have cost Brown the ranch.

But three bills signed by the governor in June should ease the burden for volunteers like Brown.

House Bill 2603 sets up volunteer fire departments as governmental entities, establishing limits of liability. That means the volunteer members won't be held financially accountable for the department, said Bobby Young, head of the Texas Forest Service's Fire Control Department in Lufkin.

Senate Bill 1695 covers mutual aid. It allows firefighters to legally respond outside their districts, Young said.

And Senate Bill 1232 establishes a truck liability insurance risk pool that will be administered by the Texas Forest Service, which has a longstanding relationship with volunteer fire departments. The idea is to provide small volunteer fire departments, those serving communities of less than 10,000 people, with low-cost liability insurance, he said.

"Hopefully we'll start selling insurance around the first of January," Young said.

He is confident the state agency can provide this service at a "significant cost savings" to most eligible departments - possibly cutting their premiums in half.

On average, a small volunteer fire department has about five trucks and pays \$600 per vehicle for liability coverage. Young would like to offer it at about \$300.

"For some people, it'll be a heck of a lot better deal than that," he said, noting some departments are paying as high as \$1,200 a truck.

Young expects about 1,000 of the nearly 1,800 eligible departments, those departments serving communi-

ties of less than 10,000 population, to take advantage of the new insurance option. Most of the eligible departments, like Bootleg, are established in unincorporated areas. Many of those that won't participate are associated with a city and already get a good price on insurance through the Texas Municipal League, he said.

Involvement is key to the program's success.

Although \$3 million has been appropriated for the program, all of the funding must be paid back by the end of fiscal year 1997, and that money will primarily come from premiums, Young said.

Brown and the Bootleg Volunteer Fire Department are more than ready to chip in their share.

"This bill means that we will have more insurance for less money," Brown said.

Elderly Often Suffer From Bad Diet

If an elderly relative or friend has inexplicably lost weight or seems lethargic, the problem may be diet.

Many senior citizens simply don't eat enough, and others don't eat the right kinds of food, says Dr. Rosemary Wilson, interim chairman of gerontology and geriatric services at UT Southwestern Allied Health Sciences School.

Some seniors are frightened by news reports warning of the hazards

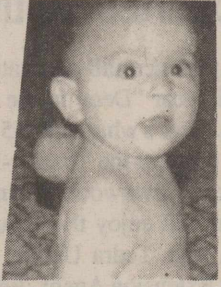

of certain foods. Others find food preparation difficult, or they don't like the way their medicine alters the taste of some foods. Getting to the grocery store can be an obstacle, too.

Friends and relatives should make sure seniors maintain a well-balanced

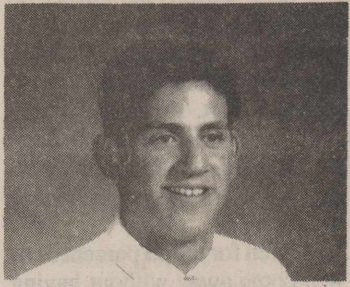

diet. They may want to help with meals and shopping or find out about the special nutrition programs that many communities offer elderly residents.

Once their diet is improved, seniors often show renewed strength and an improved outlook on life.

It's hard to believe you're 18 years old, Mel

Deer Season Prospects Good For Bowhunters

AUSTIN - To some, the thought of remaining motionless in a tree stand in September Texas heat for hours on end, covered in camouflage, and surrounded by a variety of annoying insects, might be a dismal one. To a bowhunter, however, the upcoming archery deer season opener carries thoughts of a different nature.

For some 75,000 Texas bowhunters who'll take part in this year's archery-only deer season, the chance to "draw down" on that first whitetail of the season will ultimately outweigh any discomfort that might be associated with the sport. The archery-only season for white-tailed deer runs Sept. 30-Oct. 31 in all counties with a general white-tailed deer season, and in Grayson.

And, even for the 85 percent or so who will come away without having harvested a whitetail, the opportunity to have hunted still makes it worthwhile. Typically, the success rate for Texas bowhunters is about 15 percent, which accounts for between 15,000 to 20,000 deer killed statewide, according to the Texas Parks and Wildlife Department.

But, as any bowhunter will confirm, the harvest is not the compelling factor behind bowhunting. "The harvest is always going to be low, just because of the high skill level required to get a shot at a deer," said Butch Young, TPWD whitetail deer program leader. "Bowhunting has never been a real factor in possible overharvest of deer. The end result is not the kill, although venison is nice to have, but to be closer to nature and to understand our place in the natural world. "Bowhunting is a great opportunity to get out in the woods and improve your hunting skills," Young said. "It's a great way to introduce young people to hunting. They'll have an opportunity during bow season to get out in the woods when there's not a lot of hunters running around and the deer aren't spooked easily and see more deer and learn more about their habits."

And, according to Young, the habit of some hunters may need to change in order to get close to deer this season. Due to decent amounts of rainfall throughout the Edwards Plateau and in East Texas earlier in the year, deer may not be as susceptible to food plots and feeders, especially during bow season.

Young also noted the additional rainfall in the Hill Country and some parts of South Texas has resulted in higher fawn production. "Bowhunters should be aware of the need to harvest more antlerless deer in these areas with high fawn production."

Though providing supplemental food sources for deer has become routine for many hunters in Texas, there are some concerns which should be considered. Hunters who prefer to use corn as supplemental deer food are encouraged to keep it as dry as possible, due to the potential threat of aflatoxins. Aflatoxin is a strain of mold

which grows in corn under humid conditions and can be extremely deadly when ingested by birds and mammals. Because growing conditions for aflatoxins can be created when corn is stored in areas of high moisture content, poorly constructed wildlife feeders that allow corn to get wet can cause an increase in toxicity.

With recent implementation of either-sex hunting statewide during the archery-only deer season, hunters in one-buck-only counties of East Texas are not required to have an antlerless permit to harvest does. All bowhunters must purchase the \$7 archery stamp in addition to possessing a valid Texas hunting license.

Octoberfest Activities For Senior Citizens

Experience fall and nature at its best this year "Deep in the Heart of Texas". That's what folks 55 and over will be doing at the Texas 4-H Center on Lake Brownwood when several hundred will enjoy the annual Octoberfest, says Tedra Ulmer, Crockett County Extension Agent - Family and Consumer Sciences.

Sponsored by the Texas Agricultural Extension Service, four weeks are offered from which men and women alike may choose: Octoberfest I - Oct. 3-6; Octoberfest II - Oct. 10-13; Octoberfest III - Oct. 17-20; and Octoberfest IV - Oct. 24-27.

Opportunities include "hands-on" learning centers where one can learn leather working, oil painting, wood-working, stained glass and other exciting projects. Educational programs on topics such as horticulture, photog-

raphy, nutrition, finances and other current interests are a popular highlight.

Boat rides (weather permitting) and fishing on Lake Brownwood add fun to your stay. Lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes and card and table games are all popular activities.

A special "Octoberfest CoverUp" theme featuring a coat contest on Thursday afternoon will provide a festive atmosphere to the event. Thursday's theme party will feature exciting activities and entertainment.

Octoberfest '95. Are you 55 or older? Then it's for you. Each week is limited to 165 participants at a nominal fee. Get away and learn to make the most of the best years of your life. Call your county Extension office at 915-392-2721.

Concealed Handgun Instructor

Leonard Hillman will be available for the necessary training resulting in qualifying you for the concealed handgun license. Classes scheduled for your convenience. 392-5431 or 392-2837

Ozona National Bank Hosts Benefit Exhibit

Ozona National Bank announces a charity art exhibit and sale to benefit a local charity.

A number of paintings by West Texas artist Lewis Holiman will be displayed in the bank lobby beginning Monday, Oct. 2, until Friday, Oct. 13, with 25% of sales going directly to charity.

Holiman resides on the Wagon Wheel Ranch south of Midland. He was born and raised in San Angelo, finished high school in Midland, received his art degree from Texas Tech, and up to the present, has been self employed as both, a commercial/fine artist for 32 years. His one outside interest (besides working on windmills)

is teaching art classes. He plans a weekend class in Eldorado on Oct. 14-15. Call 915-535-2454 if you are interested in attending. The class is limited to 10 people.

Inclusion in art shows and competitions has netted Holiman nine gold and silver awards which he thinks of as "nice", but he considers sales as the real rewards. His favorite shows of past and present remain: The Stamford Reunion, Texas Ranger Hall of Fame, Haley Library, O.S. Ranch and gallery invitations which benefit some charitable organization.

When asked about subject matter, he says, "I just like to do anything that presents a challenge, not to copy,

but create an atmosphere regardless of subject or size."

The artist invites the public to come in the bank to meet and visit with him personally on Friday, Oct. 6, and/or Friday, Oct. 13. To enable anyone wishing to participate in this fund raising effort, he is making available a large 24"x18" print of "Windmill and Blue Quail" which may be obtained for a charity donation of \$10.00 or more. Donors are encouraged to sign up, and that list will be transmitted along with funds.

Ozona National Bank will be looking forward to your visit and welcomes you to be their guest in reviewing this exhibit.

Potatoes Potent Against Disease-Causing Agents

COLLEGE STATION - When it comes to disarming disease-causing agents in the body, potatoes pack a punch more powerful than many other vegetables.

New research has found that while vegetables such as bell peppers, onions and carrots remain valuable dietary sources of disease-preventing antioxidants, potatoes rank near the top of that category.

"We were surprised to find that potatoes are second only to broccoli in terms of antioxidant activity," said Dr. Creighton Miller, Texas Agricultural Experiment Station potato breeder based at Texas A&M University. He said people should not only put potatoes on every plate, but should eat them skins and all.

Discovery of the potato's high antioxidant activity is reported in the current issue of the Journal of Food Science.

Football Fans Need To Know The Rules Of The Game

Neal Ulmer, Stockman Sportswriter

When the action gets hot and heavy on the football field, a lot of screaming and yelling comes from fans who don't understand new rules or rule changes. In fact, rules for sports are re-evaluated each year for various reasons.

Rules are mainly added to clarify a situation, allow the game to be played at an even pace, and to keep the game more competitive.

This year, 14 major rule changes were made by the NCAA Foot all rules committee. "But we're high school!" you say--well, we play by the NCAA rules, and to be an up-to-date fan, you need to know about at least some of the most important changes so you won't look like a fool when you stand up and yell at the refs. In fact, you may become one of the most popular people to sit by--at least you'll have a lot of people to talk with! Here's a quick rundown of the changes.

One rule changed last year involves entering the neutral zone. No player may enter the neutral zone and cause an offensive lineman to react immediately. When this occurred in the past, the offensive team was penalized unless the defense made contact. Now, whoever moves first will draw the penalty.

Another rule change involves the starting of the game clock. When the clock has stopped, the referee declares the ball ready for play and the clock starts on the snap. Other conditions, with one exception, start the clock on the "ready for play". That exception is from a delay foul by a team in scrimmage-kick formation. In this case, the clock starts on the snap.

Another important rule change is that a pass is illegal, "if to conserve time, the pass is not thrown immediately after the ball is first controlled after the snap or is thrown after the ball has touched the ground." This simply helps to clarify the "killing the clock" rule and prevents picking up a fumbled snap to kill the clock. Confused? Basically, it prevents a quar-

ter-back from spiking a fumbled ball to stop the clock.

An additional rule change involves the extra point attempt. "If a touchdown is scored during a down in which time expires, the try (for an extra point) is mandatory unless the team behind in the score leaves the field of play." This applies at the end of the game only.

One change involves a recovery near the end zone. "When a player recovers a fumble, scrimmage kick or free kick between his 5-yard line and the goal, his original momentum carries him into the end zone, and the ball is declared dead in his team's possession or it goes out of bounds in the end zone, the ball belongs to his team at the spot where the fumble or kick was recovered." Take notice that this is not a safety nor a touchback, which would put the ball on the 20-yard line.

One important rule added to help protect the kicker and/or holder is related to "roughing the kicker." A defensive player legally blocked into the kicker or holder by a member of the kicking team is not exempt from fouls for running into or roughing the kicker or holder.

Take note of this rule that has been added to the list of prohibited acts--removal of a player's helmet before he is in the team area is prohibited. Exceptions include team, media or injury timeouts, equipment adjustments, through play, and between periods.

This was originally aimed at college players who "showboat", and imposes a 15-yard penalty.

Another equipment-related rule is, "Officials should inform players when fewer than four snaps are secured on chin straps without charging a timeout, unless the player ignores the warning." There are also three other new rules involving jerseys and gloves, but they won't affect the fans in the stands.

Finally, unsportsmanlike conduct can cause a player to receive extra penalties in addition to regular enforcement of the unsportsmanlike con-

duct rules. "If a player commits two unsportsmanlike fouls in the same game, he shall be disqualified."

One old rule fans are probably familiar with but where the terminology has changed is called "illegal participation." Simply, this is having 12 men on the field. It is a 5-yard penalty if the player is making an effort to leave the field. A 15-yard penalty is assessed when 12 men line up for a play and actually participate.

There are two additional clarifications that fans need to be informed about. One, there is no such rule in the book about "the ground cannot cause a fumble." If anything but the runner's hands or feet touch the ground, then the ball is dead. Therefore, you don't have a fumble. Second, when a punt or kickoff hits the ground in the end zone before it touches, the

ball is dead. The kicking team use to be able to recover kickoffs for a touchdown, but the rule was changed about 10 years ago.

If you do not understand a rule, ask a coach if he can explain it to you--or you may be fortunate enough to politely ask an official about a rule interpretation.

This writer would like to thank David Screws for his assistance and rules interpretation in this article. He is a member of the San Angelo chapter of the Southwest Football Officials Association and officiates junior high, junior varsity, and varsity area football games.

The bird of paradise alights only on the hand that does not grasp.

—John Berry

Meet your Potential With UniFirst! SALES PROFESSIONAL

UniFirst, a leader in the growing garment services business, provides custom work clothing programs to companies in virtually all industries. We are seeking a highly motivated sales professional to represent us in our region.

Your job duties will include prospecting and selling new accounts and you will be assisted by a strong telemarketing support team to help generate leads.

We are looking for a mature professional with a minimum of 2 years proven success in commercial outside sales. Minimum 2 years college degree plus. Demonstrated determination, drive, self-motivation, and desire to be a winner are essential.

You owe it to yourself to explore this opportunity with the best in the industry. We offer a competitive salary plus a great commission program, all major benefits, a second to none training program, and growth opportunity. If you meet our requirements please send your resume in complete confidence to: Bill Sprague, UniFirst Corporation, 202 Peterson Drive, Kerrville, TX 78028. No calls please.

...When your image is important.
UniFirst is an Equal Opportunity Employer

*Lions

(Continued from pg. 1)

24-yard off-tackle play which Darin Jackson broke to the outside. Mendez was true again on the PAT, increasing the Lions score 21-0.

Ozona's last score occurred with 2:16 left in the third quarter on a 1-yard plunge by senior running back Ray Fierro. Mendez kicked his fourth PAT in a row to increase the Lions' lead 28-0.

In the fourth quarter, Ozona moved the ball, made first downs, and ran the offense without throwing the ball. Hargrove said, "We changed a lot of things around. They did a good job."

According to Coach Hargrove, Justin Browne played quarterback in the fourth quarter and he let everybody play in the second half, both offensively and defensively. Also, some athletes played more than others.

"Casey (Upham) made a real good catch in the end zone. Lando's (Pena-Alfaro) catch (44 yards) was a real good catch. We didn't have to throw the ball much after receiving the kickoff," he said.

The Lions received a solid performance from Jackson who led his team in rushing with 78 yards on 12 carries and one touchdown. Browne added 49 yards on eight rushes and Shayne Fuentes picked up 31 yards. Fierro ran for 44 yards followed by Castaneda with 13 and Brian Badillo with five yards rushing.

In looking at this week's game with the Coahoma Bulldogs, Coach Hargrove said, "They have a good team, got some size, speed, and good skill people. They spread you out running a one back offense. They throw

the ball a lot, and have a good quarterback, running back and receivers."

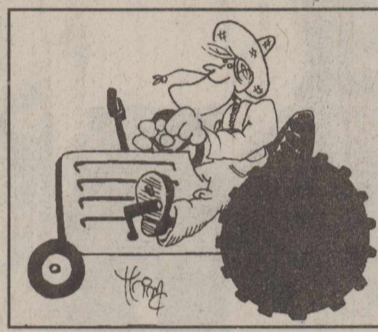

On defense, they run a 4-3 type that is the same kind of defense Ozona does except it doesn't look the same, Hargrove said.

The Bulldogs won over Sterling City 28-12 in last Friday's contest and have a 2-1 season record. They have 15 returning lettermen and four offensive and four defensive starters. Head coach Eddie McHugh sees the team's strengths as quickness and skill. He sees their team's weaknesses as inexperience, speed, and offensive line.

Players to watch include QB Adam Tindol, RB Kelby Bailey, center Adrian De La Rosa, defensive end Kevin Olson, and line backers Marshall Wright and Joel Hernandez.

This Friday, Sept. 29, at 8 p.m., the Lions will host the Coahoma Bulldogs in Lion Stadium. The pep rally will start at 2:30 p.m. in Davidson Gym. All campuses will be invited and school will be dismissed immediately after the pep rally. Catch the school spirit, be a supporter and "Back the Lions".

Crockett County Sheriff's Report

WEEK ENDING 9-26-95

ARRESTS:
9-20-95... 52-year-old John T. Broyles of Arizona was arrested on a charge of auto theft out of Colorado. Later in the day, charges were dropped by Colorado authorities. Mr. Broyles was released from custody.
9-21-95... 30-year-old Manuel Villarreal of Ozona was arrested on a warrant charging him with probation violation. He is in county jail awaiting action of the county court.
9-21-95... 33-year-old Votaw A. Grubbs of Colorado was arrested on a Colorado warrant charging him with assault. He has waived extradition and Colorado authorities are making plans to pick him up.
9-22-95... 25-year-old Abel B. Alba of San Angelo was arrested in San Angelo on a Crockett County warrant charging him with driving while intoxicated/failure to appear. He is in county jail awaiting action of the county court.
9-23-95... 19-year-old Edgardo H. Alfaro of California was arrested on traffic charges. He was released after paying his fine.

INCIDENTS:

9-21-95... Raymond Gesch of San Angelo reported the theft of a welder and trailer belonging to Tucker Drilling Co., from a location on the V. I. Pierce Ranch. Sheriff's deputies are investigating the offense.
9-22-95... Sheriff's deputies investigated a reported dog bite on Blas Street. A 5-year-old child was bitten while riding his bike. The owner of the dog produced receipts showing that the dog had been vaccinated. The injury was minor; the bite did not break the skin.
9-24-95... Fannie Southern reported that someone broke into her 1984 Oldsmobile while it was parked at the Comfort Inn. A radar detector was reported stolen.
9-25-95... Lucio Fierro reported that someone cut a tire on his van while it was parked at Jesse's Place north of town. Sheriff's deputies are investigating the offense.
9-25-95... Veronica Hernandez of Ozona reported that she was assaulted during a fight at Jesse's Place north of Ozona. Sheriff's deputies are investigating the offense.

New Staff At Ozona High, Administrative Office

By Neal Ulmer
Stockman Reporter

Kim Miller

Originally from Ozona, Kim Miller is the daughter of Fred and Carol Buie from Kingsland. She graduated from Ozona High School in 1982. Mrs. Miller received her bachelor of science degree in kinesiology and business from Angelo State University in 1995.

Beginning her first teaching position with Ozona High School, Mrs. Miller will teach grades 9-12 in accounting, typing and introduction to business. She is also in charge of the annual staff.

She is married to OHS computer instructor Rod Miller. They have two daughters, Victoria, age seven, and Jayci, who is three.

In her spare time, Mrs. Miller enjoys cooking, skiing, traveling, riding horses, youth group and being with family.

Kathy Vickers

A new face in the administrative office is Kathy Vickers. She brings important expertise to the Crockett County Consolidated Common School District. She formerly worked as an assistant vice president at United Bank & Trust in Abilene.

A Snyder native, Mrs. Vickers graduated from Snyder High School in 1977. She received her bachelor of business administration in marketing from Southwest Texas State University in 1982.

Mrs. Vickers is married to the new OHS teacher and coach Dane Vickers, and has one son, Jarrett, 10 years old. Jarrett is a fifth grader at Ozona Intermediate School.

Hobbies for Mrs. Vickers include reading, aerobics and walking.

"Our family was glad we were able to stay in a small town, especially where the educational standards are so high," she said.

You gain strength, courage and confidence by every experience in which you really stop to look fear in the face. You are able to say to yourself, "I lived through this horror. I can take the next thing that comes along." You must do the thing you cannot do.

—Anna Eleanor Roosevelt

TDA Predator Management Training Session Scheduled For Sonora

AUSTIN - The Texas Department of Agriculture will conduct a predator management training program on Wednesday, Oct. 11, at the Sutton County 4-H Exhibit Building in Sonora. The session will begin at 2 p.m. and end by 5:30 p.m. The program will include identifying causes of predation, alternative methods of predator control and M-44 sodium cyanide application. The Texas Agricultural Extension Service is assisting TDA in conducting this free training session.

Individuals who want to use M-44 sodium cyanide to control coyotes, feral dogs and foxes preying on livestock should attend the course. To continue using M-44 sodium cyanide, all M-44 applicators certified prior to

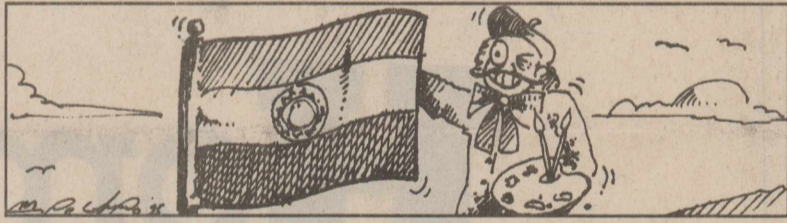

April 18, 1988, must take this course and be recertified. Proper certification to use M-44 sodium cyanide also requires possession of a private applicator certificate or license, a non-commercial applicator license or a commercial applicator license to purchase restricted-use and state-limited use pesticides. Information on obtaining these types of licenses will be covered at the training session.

For additional information on the predator management training session, contact Crystal Wilbanks, predator management specialist, Texas Department of Agriculture at 512-863-0013 or Preston Faris, County Extension Agent-Ag, Sutton County at 915-887-3101.

Texas Monthly Oil And Gas Statistics

The Texas Railroad Commission issued a total of 1,047 original drilling permits in August compared to 1,121 in August, 1994. The August total included 770 permits to drill new oil and gas tests, 45 to re-enter existing well bores, and 232 for re-completions.

So far in 1995, there have been 7,589 drilling permits issued, a 3.5 percent increase from the 7,325 granted during the same period of 1994.

Permits issued in August included 443 oil, 206 gas, 333 oil and gas, 48 injection and 16 other permits.

JUNE CRUDE OIL PRODUCTION

Texas preliminary June crude oil production averaged 1,384,737 million barrels daily, down from the 1,439,733 million barrels daily average of June, 1994.

The preliminary Texas crude oil production figure for June 1995 is 41,542,170 barrels, a decrease from the 43,191,987 barrels during the June 1994 reporting period. Crockett County produced 267, 204 barrels during June.

JUNE NATURAL GAS PRODUCTION

Texas oil and gas wells produced 458,213,102 Mcf (thousand cubic feet) of gas based upon preliminary production figures for June, up slightly from the June 1994 preliminary gas production total of 457,352,017 Mcf.

Texas gas production in June came from 168,412 oil, and 48,340 gas wells.

Crockett County was ranked seventh in the state with production of 10,149,756 Mcf for the period.

To know how to grow old is the master work of wisdom, and one of the most difficult chapters in the great art of living.
—Frederic Amiel

Cubs Improve Despite Irion County Loss

Neal Ulmer, Stockman Sportswriter

The Ozona Seventh Grade Cubs put up a good fight and showed some improvement in their 30-0 loss to the Irion County Hornets. The Cubs played a combined Mertzson team of seventh and eighth graders.

The Ozona Junior High coaching staff was surprised and yet encouraged by what they saw of the Cubs last Thursday night during cold and wet weather in Mertzson.

Spokesman for the junior high coaching staff, Coach James Lopez, said, "The seventh grade football team really surprised us last night playing those eighth graders. The team really showed us that they can play against anyone lined up across them. Those guys were real big, but we hung in there like a team. We are really proud of the team, they played their hearts out for our fans, cheerleaders, and us."

The Hornets took the opening kickoff and drove 53 yards down the field. They scored on a 16-yard run by Matt Holcomb down the right side of the field with 3:19 left in the first period. The two-point conversion run by Villanueva was good to give Irion County an 8-0 lead.

The Cubs received the ball on their own 28-yard line and were led by quarterback Stephen Tarr and running backs Chris O'Brien, Chase Adams and Leon Garcia. Unfortunately their drive and most of the other Cub drives for the evening were stopped by the bigger Hornet team.

The first quarter ended with the Hornets in possession and ahead 8-0. On the next play the Hornets scored on a 16-yard run but it was called back due to a penalty. The penalty plus good defense and a good tackle by Alex Onofre helped stop the Hornet's drive.

"I thought we played real well defensively and had some kids step up and play real well. I thought the kids handled the cold weather really well," said Coach Rodney Johnson.

An Ozona fumble on a punt attempt gave the Hornets good field position on the Ozona 6-yard line. On the Hornets next play, Holcomb scored from six yards out with 4:12 left in the second quarter. The two-

point conversion by Villanueva was good increasing the Hornets' score 16-0.

"In the first half they (Cubs) were struggling against the defense; we had some fumbles and could not move the ball. The defensive team really stopped their (Mertzson) offense; they had a great first half," said Coach Lopez.

The Hornets were not through scoring in the first half when they recovered another Ozona fumble on Ozona's 18-yard line. The Hornets scored in eight plays on an 8-yard run by Will Freitag with 2:56 left in the half. A pass for the two-point conversion failed but the Hornets expanded their score 22-0.

In the second half, Ozona received the ball on their own 15 yard line, and ended up punting it to the Ozona 42-yard line. The Hornets took over on the Cubs' 42-yard line and drove the ball down field. They scored on a 17-yard run, but it was called back due to a penalty. The Cubs held through the end of the third quarter with the score Ozona 0, Irion County 22.

Tiring a little, the Cubs could not stop the Hornets as they scored on an 11-yard run by Villanueva with 7:55 left in the fourth period. The two-point conversion was good by St. Clair giving the Hornets a 30-0 lead and win.

"Offensively, we are still struggling to move the ball, and we made some changes this week to try to help our offense with Grape Creek," said Coach Johnson.

"Coming out in the second half, the offense (Ozona) got pumped up and really moved the ball down the field—good effort offense! The defense played like they played in the first half—great! Again, we are really proud, the team played with all they had despite all the injuries," said Coach Lopez.

The junior high coaching staff expressed their thanks to the fans and cheerleaders for supporting the seventh grade team for coming out and supporting them in the nasty weather, "thanks".

The Cubs will be hosting the Grape Creek Eagles Thursday, Sept. 28, starting at 5 p.m. in Lion Stadium. Back the Cubs!

*4-H Week

(Continued from pg. 1)

Dan Bean Memorial Scholarship.

Gold Star is the highest award presented statewide to senior 4-H members. To be eligible, a 4-H member must have prepared an awards program record book and must have been involved in a variety of activities and have exhibited outstanding leadership, citizenship and project work.

The Mother Davidson trophy has been awarded since 1951 and is given each year to the outstanding 4-H member in Crockett County. Recipients must have excelled in leadership, citizenship and in project work.

The Dan Bean Memorial Scholarship is given annually to the 4-H member with outstanding agricultural projects. A minimum of two agricultural projects is required to be eligible

for the award.

There is no charge to attend the event. All 4-H foods members are asked to bring a dessert - cake, pie or brownies. Senior 4-H members will be in charge of the program and are asked to meet at lunch on Monday at the civic center to work on the script and assignments. A sandwich lunch will be provided.

County Council president Casey Upham will serve as master of ceremonies for the banquet. Junior high members are to help with serving and

cleanup, and intermediate members are asked to be at the civic center after school on Monday to help decorate. Parents who can help with meal preparation or decorating are asked to call the Extension office.

For more information, contact the Crockett County Extension Office at 392-2721. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or handicap.

WEEKLY REPORT

Congressman

Henry Bonilla

23rd District, Texas

1529 Longworth House Office Building Washington, D.C. 20515 202/225-4511

Letting Texans Decide How Fast Texans Should Drive

Another piece of the Washington power structure is being torn down and returned to Texans. Last week, in its latest move to give more authority to states and communities, the U.S. House of Representatives voted to lift the federally-mandated 55-mph speed limit.

For more than 20 years, the federal government has tied federal highway funds to the imposition of a 55-mph speed limit. Except for allowing a 65-mph speed limit on rural interstate highways, the federal government has blackmailed states. The states either go along with a 55-mph speed limit or lose federal highway funds. While the brainchild of the mandatory 55-mph speed limit may have meant well, he or she obviously never spent much time in Texas.

Driving around the rural roads of Texas, we sometimes go for miles without seeing another car or truck. In some places, where the only landmarks along the road are mesquite trees, cactus and sagebrush, the drive can last forever. You can see the heat rising off the long trail of black asphalt. And no matter how far you drive, the horizon stays just out of

reach. On the safe, multi-lane highways of rural Texas, people should not have to drive 55.

The current 55-mph speed limit assumes that a person who lives in Ozona or Fort Stockton or Uvalde experiences the same driving conditions as someone living in New York City or Miami or Baltimore. The government imposes the 55-mph speed limit across the board, whether it makes sense or not. I'll be the first to admit that a lower speed limit is probably wise for a crowded, busy road in San Antonio. However, the state of Texas should be able to decide whether people on empty, rural roads can drive faster.

Some opponents of this speed limit repeal have the idea that without guidance from the federal government, drivers will lose control and start driving like maniacs. That without big-brother government in the back seat, people will not know what to do and start smashing into each other on the road. Get real. This Congress has enough faith in people and their elected representatives at the state and local level to start letting them make their own decisions.

POWER OF THE GREAT COUPON COUP

Here's a fact you may care to clip and save: More than half of all female homemakers use newspaper coupons. In fact, newspapers distribute more than 86 percent of all manufacturer's coupons.

Nothing reveals a man's character better than the kind of joke at which he takes offense.

—G.C. Lichtenberg

Home Remedies.

Tips For Your Home That Make Good Cents.

Cure the energy bill blues and cut your heating and cooling costs. Try these simple Good Cents Home Remedies.

Overdraft Protection. Small cracks and holes in your home can leave it feeling damp and drafty. Reduce the amount of energy you need to heat and cool your home. Caulk and weather-strip around windows and doors. It saves money, because it saves energy. And that's good for the environment, too.

Batt'er Up. Add an extra layer of batt, loose-fill, or roll-out insulation in your attic. It can cut energy bills by as much as 8%.

Open Up. On a hot day, attic temperatures in your home can reach 160° or more. Make sure your home has proper ventilation. And breeze through the dog days of summer.

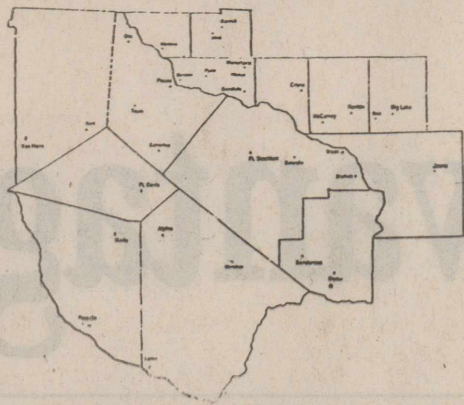

Easy, low-cost Good Cents improvements like these can make your home more energy efficient — boosting comfort, and saving you money. It's good for the environment, too.

Helping you get more out of your energy dollar is part of what we do at WTU. Why? Because we work for you! Find out more.
