

Recommended Reading

Best seller these days ought to be the bulletins put out from time to time by the Texas Board of Water Engineers...

"Ground water is considered to be a replenishable resource, but the rate of ground-water recharge in the Southern High Plains in Texas is so small compared to present pumpage that for practical purposes withdrawals may be considered as coming from storage..."

Further, we read: "... if present trends of pumping and water-level declines continue, those areas and other parts of the irrigated region will be seriously affected within 5 to 10 years."

Our Recharge Area

The same bulletin named above states in a table on page 9 that the Ogallala formation is the "principal source of water in the High Plains..."

Okay, so, we're committed to the idea that water must be recharged into the Ogallala sands by rainfall.

Now, the Sand Hills, which extend eastward from Roosevelt county, New Mexico, across Bailey and Lamb counties and a small part of Hale county, Texas...

Plains farmers never intended to cultivate these Sand Hills areas. They were put there by Providence to be our principal sources of recharge for our underground water reservoirs...

Seems to us that the High Plains Water Conservation District was set up to take care of such matters.

And why, in view of the above, won't the people of the entire irrigation district rise up as one man and oppose this proposition, is a mystery that is unsolvable here...

People just don't want to believe the facts presented in this very column. They would much rather play bridge, read a novel, play golf, or go visiting than to give a minute's thought to what may happen to them and their property.

New Mexico Delegation Met With Local Group Sunday To Make Plans For Fight Against Lubbock Pipeline

West plains farmers and businessmen, fighting to protect their water rights from encroachment by the City of Lubbock, have been joined by similar groups from Curry and Roosevelt counties in New Mexico...

The New Mexico delegation met with area men in Muleshoe Sunday afternoon to lay out a plan of action that includes an interstate study of the threat to underground water resources in the western Plains of Texas and eastern New Mexico.

Don Sanders Hurt In Farm Accident Tues. Afternoon

Don Sanders was resting well at West Plains Hospital and Clinic here Wednesday morning, following a farm accident Tuesday afternoon.

On received a crushed right hand, crushed right ankle and leg bruises, when the front end of a tractor on which he was changing tires fell on him...

Byron W. Eason Is Heart Attack Victim Saturday

Byron W. Eason, 36, of Van Horn, died about noon Saturday from a heart attack while working with his brother-in-law, H. L. Stratton...

Eason, who was a disabled veteran, had come to this area early this year. Stratton digs irrigation wells and Eason was helping him at the time of the attack.

The body of Eason was brought to West Plains Hospital in a Singleton ambulance. Funeral arrangements are pending, but will probably be held in Jacksboro.

Survivors include three brothers Edwin of Amarillo, Willard and John of Indianapolis, and a sister, Mrs. Stratton.

We Dont Want State or Federal Control, But ... AN EDITORIAL

Lubbock's City Fathers claim they can come to the Sand Hills recharge area of Bailey county, suck out up to 62 million gallons of water daily, and that this action will have no effect on the water supply of the vast irrigation area on the Plains of which Bailey county is only a part.

We in this irrigation area claim it most certainly would soon affect the underground water supply of a huge prosperous area; to the extent that it would precipitate the conditions where irrigation becomes uneconomical.

Lubbock's Plan Unrealistic

Lubbock city folks ought to be told. 1. Most of our area bankers and business people believe Lubbock's plan to run a long pipeline to the Sand Hills of Bailey county is unrealistic and basically unbusinesslike.

2. We think Lubbock people ought to realize that land values have taken a terrific beating in the last few weeks. One large acreage farmer near Muleshoe told The Journal he thinks values have declined as much as \$150 per acre.

3. Lubbock people ought to be told that it has been estimated that when the city pipeline removes water from the Sand Hills at the maximum rate they expect to hit, they'll be taking enough water to irrigate some 61 sections, figuring an 8-inch well to the quarter. 244 quarters of land in the Muleshoe area would support a considerable number of people.

4. A map, published in Bulletin No. 5209, prepared by the Texas Board of Water Engineers in cooperation with the U. S. Geological Survey, and called a "Cross section from the Canadian River southeastward across the High Plains to Roaring Springs, Texas", shows that our water bearing sands extend far into New Mexico.

Is there any wonder that they have joined forces with this section of the Texas Plains to help prevent consummation of Lubbock's announced plans?

No one in this part of Texas is willing even to discuss anything except local control of water. But ...

NOW MR. PLAINS CITIZEN

Men and women of the counties affected here on the Texas Plains: If you don't get alarmed, and if you don't aid and abet the efforts that are being made to stop this pipeline scheme, we just don't know, in view of all that's been printed and said, we just don't know what would alarm you.

By shutting your eyes and closing your mind to the danger (which flatly exists) you won't have to face it. But it is our firm conviction that if the plan goes through, and if the city of Lubbock takes as much as 62 million gallons a day out of our farming area, depleting the recharging area that is the Sand Hills you will see the day come when you will deeply regret any indifference you may feel now.

We have a few more days in which to make our protest. Your ideas and your interest are wanted. The Journal urges you to help your neighbors protect your interests.

ATTENDED CONGRESS OF FREEDOM CONVENTION

Mr. and Mrs. Kenneth Precure and Mr. and Mrs. John West have returned from Dallas, where they attended the "Congress of Freedom" Convention.

This was the fourth annual convention. Last year, the meeting was held in San Francisco, Calif. This organization is dedicated to the preservation of the constitutional form of government in the United States.

LAST CHANCE AT 4-LANE HIGHWAY ... Ad Valorem Election April 28

Bailey County To Observe National Cotton Week 14th

Plans were announced this week by the Chamber of Commerce for the first annual local observance of National Cotton Week, May 14-19.

Muleshoe and Bailey county residents will be offered at least two nights of extraordinary entertainment, free of charge, including a queen contest to name the Bailey County Maid of Cotton...

The program is designed to take place out of doors, on the nights of May 18 and 19, and will probably be held in a roped off block of Main street in Muleshoe.

An essay contest on the value of cotton will be conducted in cooperation with the schools also, the planners of the celebration have announced.

Merchants in Muleshoe will be asked to decorate their windows during cotton week, with items made from cotton, and to feature items of cotton in special sales promotions.

Badges proclaiming the slogan for cotton week will be distributed by civic club members to every resident in the area that can be contacted.

Although plans are not complete at this early date, all indications are that Bailey county's observance of cotton week will be a highlight of the year in Muleshoe.

Friana C of C Call Water Meeting In Legion Hall Tonite

An important meeting to discuss water problems facing this area will be held tonight (Thursday) at 8 p.m. in the Friana Legion Hall.

The meeting, which is called by the Friana Chamber of Commerce is expected to be attended by a large delegation from Muleshoe.

Red Cross Auction Saturday Night Grossed \$243.07

H. C. Braune was crowned the 1956 Bean Guessing Champion of Bailey county Saturday night as the result of guessing the correct number of beans in a jar at the big Red Cross auction sale held here.

The auction, for the benefit of the Bailey County chapter of the American Red Cross, netted \$243.07, for which the campaign workers expressed their sincere gratitude. The auction was held in the Gilbreath building on Main street.

Col. Clayton Myers was auctioneer, and the success of the auction sale was determined by the fact that every item offered was ultimately sold.

MHS Golfers Are District Champs

Muleshoe high school golfers won over the Littlefield team for the District 6A title, in a match played at the Littlefield Country Club last Friday morning.

Medalist in the event was Muleshoe's Terry Dill, who shot a low of 82. Low man on the Littlefield team was Alex Dugan, with an 85. Stanley Fox of Muleshoe, shot a 96; Don Taylor, 104; and Dick Johnson, 108.

Saturday of this week, April 14, the team will travel to Amarillo, for a tournament there, and next Saturday they will go to Lubbock, where they will participate in the Regional Meet, at Lubbock Country Club. Other teams slated to take part in the meet are: Post, Brownfield, Slaton, and Littlefield.

HERE FOR WEEKEND

Nell DeShazo, of Midland, was a weekend guest in the home of her father, J. J. DeShazo. She also visited in Lubbock.

In a last effort to secure a four lane road on highway 84 before the State Highway Commission transfers funds to another county at their May meeting, the Bailey County Commissioners' Court called for a 30 cent ad valorem tax election to be held April 28, at their meeting here Monday afternoon. The election, which failed once, and received no votes at all due to weather conditions, if carried, will authorize the Commissioners' Court to levy up to 30 cents ad valorem tax on each \$100 evaluation excluding homesteads. The ad valorem tax money would be used by the Commissioners' Court to operate their road equipment with, and money in the road and bridge fund would be used to purchase right of way for four-laning the stretch of highway 84 from Muleshoe to the Lamb county line.

Ad valorem taxes have not been levied by the State since 1951, when it was provided that each county could by election, collect ad valorem taxes for the purpose of building and maintaining county and farm to market roads, the tax not to exceed 30 cents for each \$100 taxable valuation, homesteads exempted.

Bailey county has not collected the ad valorem tax in the past, but if the election April 28 carries, they could set and collect up to 30 cents for road building and maintenance.

Money from ad valorem tax collections may not be used to purchase state highway right of way, but there is sufficient money in the road and bridge fund of Bailey county, the Commissioners say, to purchase the right of way, providing they have the ad valorem tax money to build and maintain county and farm to market roads.

The actual amount of the ad valorem tax would be set annually by the Commissioners, who state that the maximum would not be collected or charged each year, only as much as was needed for current needs.

polling places and election judges for the April 28 ad valorem tax election will be: Muleshoe, Ernest Kerr; Baptist church, West Camp, Partin Austin; Longview church, Mays, Bert Seales; Three Way school house, J. G. Arm; Baileyboro gin, Baileyboro, Howard Ashley; Bula school house, Roy Young; Circleback school house, C. G. Damron.

A special canvassing board will be composed of Barry Lewis, Johnnie Johnson and Mrs. Elizabeth Woodley.

Alexander Marketing Co. Again Offers Vegetable Mart for Area

Alexander Marketing Co again will be doing business in Muleshoe the coming vegetable season, according to The Journal from Bob Tankersley, who has been in charge of Alexander's operation here in past years.

"We are ready to follow this deal through," Mr. Tankersley writes. "At the same time they want any ideas or suggestions that might benefit Muleshoe area growers and everyone in the community connected with vegetable growing and marketing."

They will be interested in tomatoes, potatoes, onions, cabbage, carrots, peppers, lettuce, in fact all variety of vegetables.

The company operates from the Barrett Produce Co. plant here. Growers of the area are thus assured in advance, right at planting time that this big firm will be on the ground as usual to handle the produce grown here. They will have a daily market for the above named products.

Alexander's will be glad to furnish any information necessary to carry this deal through. Anyone desiring to communicate with them may address their mail to Bob Tankersley, Alexander Marketing Company, Santa Rosa, Texas.

Senterfitt In Brief Visit Here

About 30 local business men and farmers met for a few minutes with Reuben Senterfitt, of San Saba, a candidate for Governor of Texas, who paid Muleshoe a brief visit Wednesday afternoon. They had coffee at Leigon's with the former Speaker of the Texas House of Representatives, and heard him make a short talk.

Senterfitt had spoken at noon before the Morton Lions Club and came on here, accompanied by his brother-in-law, Willard Cox, and J. W. McDermott, both of Morton.

In his short talk Mr. Senterfitt said there is a need for a Texas constitutional convention to study certain revisions needed to keep pace with the rapid growth of Texas business and industry. He paid tribute to Jesse Osborn, of Muleshoe, representative from this district for his fine work in the Legislature.

Incidentally, Mrs. Lillian Sellers, for many years an employee of the county clerk's office here, for the last several years has been Mr. Senterfitt's secretary.

Red Cross Benefit Movie to Feature Prize Give Aways

Several more prizes have been added to the list of items to be given away at the Red Cross benefit movie at Cox Drive-In Theatre on April 18.

The miniature Chevrolet Corvette, kiddie size, will be donated to be given away, and is now on display at C & H Chevrolet Company here.

In addition, a ham, and a \$10 meal ticket to a local restaurant will also be given away, plus other items to be added to the list in the near future.

The show, with proceeds to be given to the Bailey county chapter of the Red Cross, is "The Lady Wants Mink", and stars Dennis O'Keefe and Ruth Hussey.

CROW'S COUSIN DIES W. H. Crow, 66, passed away at his home in Abernathy at 8:20 a.m. Tuesday. He was a cousin of Arthur Crow, Muleshoe, and E. E. Crow, Sudan, who attended funeral services held at 2:30 p.m. Wednesday at the First Baptist church in Abernathy.

State Vice President Installs JCs

Hybrid Grain May Be Obtained By 4-H or Ag Boys

County Agent J. K. Adams announced this week that he has a number of sacks of hybrid grain sorghum seed to be given any 4-H or vocational ag boy in Bailey county.

The new seed has been sacked into small bags, enough for a test planting, and may be obtained from Adams, or through any vocational ag teacher in the county, free of charge.

Plainview Votes April 26 On Canadian River

After turning down a proposition to join the Canadian River Water Authority, the citizens of Plainview will vote again on the question in a city election to be held April 26.

Recently Plainview citizens voted 357 to 330 not to join the Canadian River group to dam the Canadian and pump water to a number of Plains cities.

But since the election, general feeling has run strong in favor of the proposal, and a second election on the same question has been called.

Lions to Install Officers at June Special Meeting

Jeannie Waller and Magann Lamb, fifth and seventh grade students presented declamations at the Wednesday meeting of the Muleshoe Lions club at the Legion Hall.

The club voted to hold installation services for new officers some time during the latter part of June.

Ray Franz, club member who is moving to Portales, was presented a gift from the club of a set of cuff links and a tie clasp.

Furniture For Five Classrooms To Be Purchased

Trustees of the Muleshoe Independent School District met Monday night in the school tax office to discuss various school problems.

Among other things discussed by the trustees was the authorizing of Superintendent Jerry Kirk to purchase school furniture for five new class rooms.

The five class rooms will be additional room space for the first five grades in elementary school next year.

School Trustees Are Elected In Saturday Voting

In school trustee elections held in Bailey county Saturday, Leon Lewis, incumbent was re-elected, and Paul Scott was named to serve on the board of Muleshoe Independent School district. Of the total 94 votes cast in the Muleshoe box, Lewis received 84, while Scott garnered a whopping 65 write in votes. Dan Darsey, whose name was on the ballot, got 24 votes.

At Circleback, three trustees were to be chosen, and R. H. Akin, C. G. Damron and Raymond Gage were elected. Other contestants included Virgil Wood and Robert Reagan. No votes were cast for county school trustee in the Circleback box. Judges were J. K. Smart and V. E. Garner. Gage and Damron were incumbents.

At Three-Way school, where two trustees were to be elected, Charlie Byars and Earl Bowers received the highest number of ballots in an election that saw 57 votes cast. Other candidates were W. T. Parker, J. L. Ferguson, Baker Johnson, Conrad Williams and R. M. Walker. Election judges were H. C. Brashear and J. G. Arnn.

In the Muleshoe box, for county trustee, C. F. Jones received 76 votes, and Barry T. Lewis, one vote. In the Bula box, Jim Claunch was re-elected over Roy Young, 15-1.

At Bula, J. Ray Spence, receiving 17 votes, and Chester Setliff, 10 votes were elected trustee of the Bula Independent district. George Bohlman received nine votes.

Attended Congress of Freedom Convention

Mr. and Mrs. Kenneth Precure and Mr. and Mrs. John West have returned from Dallas, where they attended the "Congress of Freedom" Convention.

P-TA Meets Mon. For Scouting Program Topic

The Brownie Scouts and Girl Scouts will present the program at the Muleshoe P-TA meeting next Monday night.

Each troop will present a phase of Scouting which it has been working on during the past year.

PROGRESS MEMBERS ATTENDED DISTRICT WSCS MEETING

Members of the Progress W. S. C. S., who attended the District meeting at Silverton, April 6, were Mmes. Mattie Griffin, Joe Walker, and Byron Gwyn. Mrs. Gwyn's parents, Mr. and Mrs. W. D. McDorman, of Farwell, accompanied the ladies, and visited relatives at Silverton who were ill.

### New Farm Bill To Be Discussed At Farm Union Meet

Gus F. Giessler

Prices of grain sorghum and cotton under the new farm bill will be outlined to a mass meeting of Plains farmers at the city auditorium in Plainview on Friday, April 20 at 8 p.m., Alex Dickie announced today. Dickie is president of Texas Farmers Union.

The farm price legislation will be discussed by Gus F. Geissler, national head of Commodity Credit Corp., and Production and Marketing Administration programs under President Harry Truman. He is now assistant to the president of the National Farmers Union.

Dickie said "so much confusion has resulted from mis-statements and distortion by so many mis-informed sources that it was thought advisable to get the country's No. 1 authority on these questions to give us the correct information once and for all."

"This mass meeting is very timely," Dickie explained. "Since Congress has now about reached agreement on price support legislation and this legislation will either be signed or vetoed by the president by the time of the meeting."

Dickie stated further that Geissler is the best informed man in America with respect to all aspects of price support legislation past, present and contemplated since he was directly responsible for administration programs under the Democratic administration. "Every farmer and businessman of the Plains area who would like to know specific facts about this legislation, should attend this meeting," Dickie said.

Farm leaders of this area who will participate and are helping to sponsor this mass meeting include J. Earl Laney, Hale Center, W. L. Edlemon, Friona; L. Deah Butler, Tulla; Paul Nafziger, Olton; Paul Hammer, Plainview, and others.

An outstanding entertainment feature of this event will be song and dance numbers by the Berg Sisters trio who are very famous in the High Plains area for their novelty song and dance numbers. They are daughters of Mr. and Mrs. Joe J. Berg, of Panhandle. Berg is vice-president of the Texas Farmers Union.

### Los Planos Met At Riley Home

The home of Evelyn Riley was the scene Tuesday evening of this week for the meeting of the Los Planos Study Club. Attending were thirteen members.

A number of business matters were discussed, and Mrs. Betty Hopper, incoming president of the club, gave some interesting highlights of the district conference, which she attended recently in Plainview.

Refreshments of angel food cake topped with strawberries, and coffee were served by the hostess.

### Revival Begins At Main St. Church Here on April 15

Revival services will begin Sunday, April 15 and continue through April 22 at the Main Street Baptist Church. Rev. J. H. McWilliams, pastor of the Harmony Baptist church, Austin, will do the preaching.

Bro. McWilliams is no stranger to the people of this area. He lived for several years near Sudan and began his ministry at the old Friendship church of that area some years ago. Bro. McWilliams was missionary for the Baptist Missionary Association of Texas in the city of Austin until this past year, having organized the church of which he is now pastor.

Earl Sybert, a former member of the Main Street church and of the Main Street church and lead the singing for this meeting. Mr. Sybert has had many years of experience in leading gospel singing.

Bro. J. D. Hudson, pastor of the local church, sends a welcome to the people of this area to attend this series of revival services which will begin each morning and night at 10:30 a.m. and 8:00 p.m. Prayer groups for all ages and singing for the children will begin each evening at 7:30 p.m.

### Smith-Doxey Plan Available Now To Cotton Farmers

Cotton farmers can get the details now about the U. S. Department of Agriculture's 1956 Smith-Doxey program.

This was announced today by Mr. Leil O. Buchanan, who is in charge of the Agricultural Marketing Service's Lubbock cotton classing office.

"Farmers will follow about the same procedure as in past years in signing up for this program," Buchanan said.

Under the Smith-Doxey program, farmers get their cotton classed without cost. Also, they receive by mail a weekly cotton market news bulletin prepared especially for their locality.

Buchanan pointed out that farmers must take these steps in order to be eligible for Smith-Doxey services: organize a group

### Hospital News

**DISMISSED:** M. E. Finley, medical; Cieta Joy Obenhaus, medical; Kay Stevens, medical; Ray Griffith, medical; E. F. Eason, medical; Mrs. Wanda Huber, surgery; Mrs. C. D. Nowlin, medical; Mrs. Norman Cline, medical.

**ADMITTED:** Mrs. Truitt Smith, surgery; Tinsley Machal, medical; Glenda Vinson, medical; Marian Gant, medical; Mr. Woody, medical; W. A. Mathis, medical; Antha Grant, medical; T. D. Reed, medical; Debra Haney, medical; Mrs. Grace Benton, medical; Dave Aylesworth, medical;

### SOIL CONSERVATION DISTRICT NEWS

#### OUR SOIL ★ OUR STRENGTH

The regular monthly meeting of the Board of Supervisors of the Blackwater Valley Soil Conservation District was held March 19 at 7:30 p.m. Supervisors present were E. N. McCall, Enoch; Ray Carter, Baileyboro; Virgil Nowell, West Camp; and Sherman Inman, Progress. Business included:

1. Discussion of Soil Stewardship Sunday. Literature to aid our local pastors in preparing a Soils Sermon was ordered.

2. Carol Pouncey, editor of The Muleshoe Journal, discussed the procedure and help needed to publish a special edition on Soil Conservation during the National Soil Conservation Week in May.

3. Land judging contest was planned for 4-H and FFA boys in the county. Ernest Rivers, Soil Scientist, Soil Conservation Service, J. K. Adams, County Agent, Bill Bickel, Muleshoe Vocational Agriculture instructor discussed dates and rules for contest.

4. Supervisor McCall was delegated to make contacts with dealers for the purchase of two new land planes. Shortly pointed out the need for one of these at the Bula school.

A good meeting was held with

much evidence of cooperative action on all Soil Conservation work in the District by all agricultural workers to carry out the District's vital job of soil, plant, and water conservation.

L. Duane Barte, Work Unit Conservator, Soil Conservation Service, presented to the Board for their approval eleven new conservation plans on the following farms: J. G. Arnn, Star Route, Goodland; H. W. Sismore, Route 2, Muleshoe; W. E. Bass, Littlefield; Ernest Park, Circleback; John G. Coe, Muleshoe; C. H. Byars, Enoch; L. H. Adams, Littlefield; H. E. Shaefer, Route 2, Muleshoe; Charlie H. Byars, Enoch; Linney V. Haste, Bula; Bobby Airhart, Route 2, Muleshoe.

Wayne Vanlandingham, Enoch, is installing five miles of standard ridge-type terraces and three miles of spreader-type terraces. Wayne also will soon seed several acres of Blue Panic for permanent pasture.

Ed Little recently overseeded his vetch in cotton with hubam clover. Ed will receive additional soil building benefits from the clover. His vetch appears green down the rows and will help insure a high yield of cotton on this land next year.

Arch Fowler, Muleshoe, has overseeded his wheat with clover. Jack Hicks has seeded clover in his oats and barley.

John and Byron Gunter plan to sow strips of Hubam clover in their cotton this year.

Jimmie Wedel and Carl Bamert plan solid seedings of clover. One inch of top soil blown or washed from one acre of ground amounts to approximately 162 tons of soil.

### Local Studets Honored At Tech Ceremony

Names of the students who had the top scholastic average in each of Texas Tech's five undergraduate academic divisions during the 1955 spring and fall semesters were announced at the institution's tenth annual All-College recognition service held last Sunday in the Student Union building.

A total of 214 students were recognized for outstanding scholarship during the service.

Tribute was also paid to 103 scholarship winners, to 33 students named outstanding campus leaders by a Student Council committee, to 86 students who won letters in varsity athletics, and to students on Tech's national and international championship crop judging team.

Ten Tech student organizations were recognized for scholastic achievement. Two-thirds of the membership in each organization compiled at least a 2.00 grade point average for the spring and fall semesters.

Students maintaining a 2.00 or better grade point average for the two semesters of 1955 include R. E. Bryant of Muleshoe. Athletic recognition given to 86 students who won varsity letters including Roald Johnson of Muleshoe.

National competition honors were awarded to Tech crop judging team which includes Jim W. Gaede of Muleshoe.

The first patent for an automobile was granted to C. E. Duryea, June 11, 1895.

### Morcombe Services Conducted Sunday

Mrs. John Morcombe, of Lubbock, passed away Saturday, April 7, at Methodist Hospital, after an extended illness.

She is survived by her husband, John; a daughter, Mrs. Byron Meyers, Lubbock; her mother, Mrs. John Furr, Slaton; and a sister, Mrs. S. C. Caldwell, of Muleshoe.

Funeral services were conducted Sunday afternoon, April 8, at Williams Funeral Home, Slaton. Friends from Muleshoe attending services were: Mr. and Mrs. Rhel Williams, Mr. and Mrs. John Boydstun, Mr. and Mrs. Doyle Boydstun, Mr. and Mrs. Ernest Holland, and Mr. and Mrs. N. R. Iley.

Relatives from Muleshoe attending were: Mr. and Mrs. S. C. Caldwell, Mr. and Mrs. Gene Caldwell, and Mr. and Mrs. Bill Caldwell.

Mrs. S. C. Caldwell was at the bedside of her sister the week preceding her death.

**TEACHERS ATTENDED DIST. TSTA MEETING** Joe Walker, Mrs. Lois Witherspoon, Mrs. Jack Beddingfield, and Mrs. John Watson attended a T. S. T. A. District 4 meeting in Lubbock Monday evening. Plans were made for the public on the importance of the passage of Amendment 4.

### Vegetable Council Being Perfected

An open meeting of the West Texas Vegetable Council is being held today at Lubbock, beginning at 2:30 p.m. Farmers and business people of the area were invited to attend.

Purpose was to perfect organization of the Council on a district basis. The area to be served by the Council has been divided into 13 districts, and after the meeting today representatives of the various districts were to gather and elect their representative on the Council's executive board. The board will then select permanent officers.

By Mrs. D. O. Smith

\* Mr. and Mrs. B. G. Stafford are former residents of Littlefield. They are members of the Assembly of God church. He will be employed at the Progress Gin.

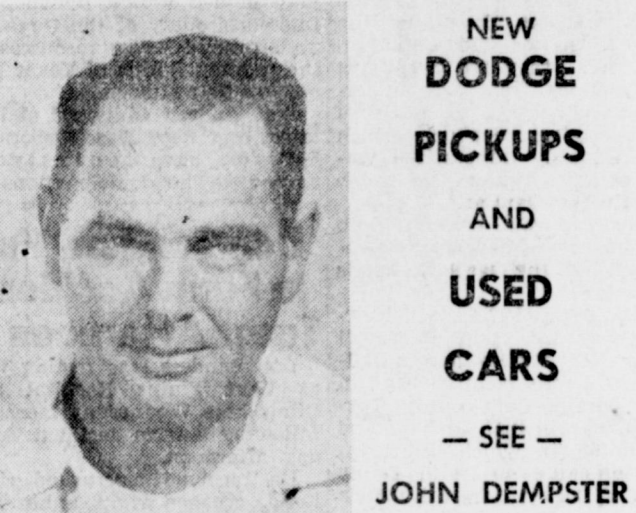

\* Mr. and Mrs. R. F. Parkerson have moved to Muleshoe from Granberry. They have two daughters, Sally Ann, 7, and Marsha, 2. He is employed at C & H Chevrolet.

# WATER

From the way it looks to us now..

**FIRST:** We are faced with Lubbock's successful completion of their proposed 48-inch, 60 million g a l l o n s per day pipeline, pumping 365 days a year, and

**SECOND:** the citizens of New Mexico proposing State or Federal control of irrigation water throughout the Hi-Plains Water Conservation District in order to stop the Lubbock pipeline.

Is every West Texas citizen really trying their best to avoid one or both of these two above Catastrophes?

Why can't we all, or each of us, as an individual, have a terrific effect on our

**HI-PLAINS UNDERGROUND WATER CONSERVATION DISTRICT** here on the South Plains, to give us County Control of this water. Get busy, you have a right to fight for this control and a vote, if an election of this kind can be called.

This could automatically stop the threat from New Mexico of State or Federal Controls and also the pipeline from Lubbock. Think hard, work hard and make a special effort to discuss this matter thoroughly with every person you meet.

By HAROLD KING

### Charles Parker, Betty Moore Elected Junior Class Favorites at Muleshoe High

The Junior class at Muleshoe high school this year, elected Charles Parker and Betty Moore as class favorites. Charles has moved to Seminole since receiving this honor. He was very popular with the students here, and was active in athletics. Betty Moore is the daughter of Mr. and Mrs. A. E. Moore, of Rt. 5, Muleshoe. She participated in freshman basketball, is a member of the Dusty Pages, library club, has been a member of the chorus, and is a good student.

### Guild President Names Nominating Committee Mon.

Mrs. Fred Johnson, president of the Wesleyan Service Guild of the Muleshoe First Methodist church, appointed her nominating committee, composed of Mmes. Lois Schoenberger, Francis Gilbreath, and T. M. Slemmons, at the regular meeting, Monday evening at 8:00 o'clock at the Jim Burkhead home. Officers names will be announced at the next meeting.

During the business session, with Mrs. Johnson in charge, it was decided that the Guild would serve pie, sandwiches and soft drinks at the D. L. Morrison farm sale on Tuesday of this week. Also, the Guild will furnish beans for the District M. Y. F. Banquet, which is to be held in Fellowship Hall, Saturday evening, April 14.

Meeting was opened with a prayer by Mrs. Bess Edwards. Mrs. T. M. Slemmons then paid tribute to Mrs. J. W. Bunch, Secretary of Spiritual Life of the Women's Division of Christian Service, who was killed in an airplane explosion in Colorado last September. Mrs. Andy Thompson then gave a talk on "The Fruits of Discipleship."

Place of the next meeting is to be announced later. Refreshments were served to Elizabeth Harden and Mmes. Wall Colbert, Fred Johnson, Lois Schoenberger, A. S. Stovall, Jessie Wright, Virginia Ghosson, Opal Thompson, T. M. Slemmons, S. D. Slemmons, Buford Butts, Delma McCarty, Francis Gilbreath, Ray Edwards, and the

### Bailey County H. D. Club Represented At District Meeting

Texas Home Demonstration Clubs of District Two, held the annual meeting at the First Methodist church in Lamesa last Friday. Attending from Bailey county were Mmes. G. T. Maltby, Albert Davis, A. W. Copley, and Carrie Huff. Three hundred-nineteen club women and forty-five delegates from eighteen counties attended the one day session.

Mrs. Gladys Holden, assistant professor in the foods and nutrition department of Texas Tech College, discussed the importance of maintaining normal weight in the family. Special music was furnished by the Homemakers Chorus of Hale county. 4-H girls of Dawson county acted as pages. Highlight of the business session was the election of Mrs. Ross Adamson, of Lubbock county, as District Two vice-president. Other candidates for this office were: Mrs. C. G. Landers, of Hockley county, and Mrs. Odell Jennings of Swisher county.

Counties represented at this meeting were: Bailey, Borden, Cochran, Dawson, Floyd, Garza, Gains, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Mitchell, Seury, Swisher, Terry and Yoakum. Meeting was closed with the group repeating "The Lord's Prayer", in unison, and singing the hymn, "The Lord Be With You 'Till We Meet Again."

### Pleasant Valley Club Met With Mrs. A. Taylor

Mrs. Allen Haley presided over a business meeting of the Pleasant Valley Home Demonstration Club, which was held last Thursday afternoon at the home of Mrs. Alton Taylor.

As meeting began at 2:30, roll call was answered by exchanging bulbs, flower cuttings, or flower seed. Highlight of the day was an apron parade, with each lady modeling from one to four aprons of various designs and colors.

Punch and brownies were served to four visitors, Mmes. Clifford Bills, Bill Scott, Barnett, and A. V. Taylor. There were two new members: Mmes. Earl Moore and Claude Hendricks.

Members present were: Mmes. Earl Moore, Claude Hendricks, George Wuerflein, Allen Haley, Doyle Turner, Elmo Stevens, Roy Taylor, O. E. Green, W. F. Stewart, W. J. Meeks, C. B. Landers, and the hostess.

Next meeting will be with Mrs. Roy Taylor, April 19, at 2:30.

### Bi-Annual WSCS District Meeting Held at Plainview

The bi-annual meeting of the Plainview District Women's Society of Christian Service was held in Silverton April 6, with approximately one hundred-fifty attending.

Theme of the meeting was, "Faith Without Works". Mrs. Luther Kirk, of Plainview, conducted an impressive memorial service honoring members of the society who passed away during the past year.

Speaker for the morning and afternoon session was Miss Mary Searcy, former missionary to Japan. She has been a missionary there for over twenty years. Her morning address pertained to facts about Japan and the afternoon session included the thought "what we as Christian Women could do to help Japan and other countries."

Mrs. Johnnie Williams, district president, was in charge of the business. A number of important discussions were held. The district voted to send \$120 to the conference, using it for foreign missions. A baby membership was given to the baby of Mrs. Norman Sulser, and a life membership to the society was presented to Mrs. Joe Walker.

Members voted to have the next meeting at the Oklahoma Lane church. A standing vote of thanks was given to the Silverton women for the lovely reception there.

Sub-district No. 1 will meet on Jun 12, at the Y. L. Methodist church. Attending the meeting from Progress Methodist church were Mmes. Byron Gwyn, Mattie Griffin and Joe Walker.

### WEEKEND GUESTS

Mr. and Mrs. L. J. Sullivan, of Vernon, and their daughter and son-in-law, Mr. and Mrs. Kenneth Russell and sons, Ken and Jimmy, of Amarillo, were weekend guests in the homes of Mr. and Mrs. Clay Beavers and Mr. and Mrs. Sherman Sweatmon.

Mrs. Sullivan is a sister of Mrs. Beavers and Mr. Sweatmon.

### Gil Lamb Speaker At WMU Meeting

Gil Lamb was guest speaker this week as all circles of the W. M. U. of the Muleshoe First Baptist church met at the church building at 8:00 o'clock, Monday evening.

Mr. Lamb made a talk on the topic of "Alcoholism". The main thought carried out throughout his talk was that without the help of God, an alcoholic could not be cured.

Following the talk, the ladies and the brotherhood who had met in another part of the building met for a social hour, and coffee and donuts were served.

Tonight, Thursday, the W. M. U. ladies will travel to Littlefield for the associational meeting. A full account of the meeting will be carried in next week's edition of The Journal.

### Rebekah Initiation Postponed to 17th

Grace Kemp, Noble Grand of the Muleshoe Rebekah Lodge, was presiding at the meeting Tuesday evening at Lodge Hall.

An invitation was read from the Odessa Rebekah Lodge, asking members here to attend the decoration of Chivalry May 5, to be conferred upon Brother and Sister Laws.

Ruby Faubus was welcomed as a new member. She is a transfer from the Needmore Rebekah Lodge. Wanda Givens was installed as flag bearer. Several members were reported ill with flu, and due to this the candidate was not initiated. Initiation services for her will be held next Tuesday evening, and all members are asked to be present.

Tuna salad and pimento cheese sandwiches, cookies, whipped cream and jello salad, salted nuts, mints and hot spiced tea were served by Ruby Green and Fay Lambart to Grace Kemp, Allie Snyder, Callie Smith, Argilee Miller, Ona Berry, Lucille Gross, Bessie Davis, A. H. Owen, Myrtle Freeman, Ruby Faubus, Bernice Hendrix, and Wanda Givens.

### McVickers Home Scene of Circle Meeting Thursday

Jeannie McVickers was Philathea Circle hostess last Thursday evening, April 1. Twelve members were present.

A report on the recent bake sale was given by the treasurer, who related that the circle cleared almost \$100. Also discussed was the Mother-Daughter Banquet, which is to be held in the near future. Plans were made for the banquet, and committees appointed.

Dorothy Wyer was in charge of the program, topic of which was, "Witnessing At Daily Work." Those attending were: Dorothy Wyer, Jeannie McVicker, Pat Nickels, Mary Nell Chapman, Bonnie Adeox, Betty Cowan, Betty Murray, Margaret Adams, Theresa Edwards, Sammie Allison, Ann Birdsong, and Texas Dryden. The latter two are new members of the circle.

Mr. and Mrs. H. S. Sanders, Sr., of Albuquerque, N. M., are visiting here with their son H. S., Jr., and family, and friends.

### Y. L. Christian Society Elected Officers for Year

Annual election of officers was held in the sanctuary of the Christian Service of the Y. L. Methodist Church held a regular meeting last Wednesday afternoon at the home of Mrs. B. H. Bickel.

Officers elected were: president, Mrs. Seaborn Moore; vice-president, Mrs. George Mitchell; recording secretary, Mrs. E. H. Buhman; treasurer and secretary of publications, Mrs. John Bickel; secretary of youth work, Mrs. B. H. Bickel; secretary of children's work, Mrs. Jessie Lewis; secretary of student work, Mrs. W. M. Culwell; secretary of promotion, Mrs. Cecil Buhman; secretary of missionary education, Mrs. Dottie Wilterding; Sec. of supply work, Mrs. Arthur Ryan; secretary of Christian social relations and local church activities, Mrs. Leland Mounts; status of women, Mrs. Dale Buhman; and secretary of spiritual life, Mrs. Lloyd Quisenberry.

Meeting was opened with a prayer by Mrs. Leland Mounts, after which Mrs. Seaborn Moore, president, conducted a short business session. Members voted to pledge \$100 for the coming year, the same amount as was pledged last year. They also decided to take up a collection to purchase additional equipment for the church kitchen.

Twelve members and two visitors, Mrs. Ronald Lewis and Mrs. C. Wakefield, attended the meeting. Meeting closed with all the ladies repeating Psalms 19:14.

### Wayne Gregory Party Honoree

A birthday party was given in the Muleshoe City Park, Tuesday, April 3, at 4:00 o'clock in the afternoon, for Wayne Gregory, who was 10.

Wayne is the son of Mr. and Mrs. R. C. Gregory, Route 1. Games were played by the group, and a number of pictures were taken.

Birthday cake, cold drinks, and ice cream were served to: Paula Baker, Jan McVickers, Virginia Bowers, Mary Sanders, Doris Gregory, Mike Epting, Berry Lewis, Dusty and Danny Thomas, Denise Martin, Mrs. Thomas, Mrs. Lon Martin, the honoree and his mother.

Wayne received a number of nice gifts, and wishes to thank each one again for them. He says this is the nicest birthday he ever had.

### Mrs. Holt Is WSCS Speaker

Mrs. H. C. Holt was the guest speaker at the Women's Society of Christian Services of the Muleshoe First Methodist church met in the sanctuary of the church, Monday afternoon. Her topic, taken from the fourth chapter of the current study, Five Spiritual Classics, was entitled, "A Serious Call To A Devout Social Life".

Mrs. Holt was introduced to the group by study leader, Mrs. W. D. Moore. A song by the group opened the meeting. The business session was conducted by the president, Mrs. H. Jay Wyer. Reports are to be in early this month, and also, the nominating committee is asked to have their list ready. Money was handed in from the treasury chests.

Mrs. O. C. Kirk purchased two bottles of vanilla at \$1.85 each, and gave the balance of \$5.00 to the WSCS fund. A number of business matters were discussed.

Mmes. H. Jay Wyer, Mervin Wilterding, C. R. Farrell, and Earl Howell, reported on their trip to the District meeting last Friday at Silverton.

Mrs. H. M. Shofner led the dismissal prayer. Those attending were: Mmes. Arnold Morris, H. M. Shofner, F. E. Pierson, R. O. Gregory, S. C. Beavers, C. R. Farrell, J. E. Day, Cecil Davis, H. C. Holt, Earl Howell, H. Jay Wyer, and W. D. Moore.

Study leader next week will be Mrs. Melba Davis.

### Cancer Drive Is Planned Here For April 17 By J.C.

The fund drive for the American Cancer Society in Bailey county will begin April 17 with a radio program at 10:30, the Muleshoe JayCees announced this week.

Persons desiring to contribute to the Cancer fund may call KICA and the JayCees will have cars to pick up the contributions.

At 6 p.m. on April 17, the JayCees will make a house to house canvass for funds, and at 8 p.m. a big hometown jamboree will begin in the high school auditorium.

Featuring home talent entertainment, the jamboree will also be the scene of several Chinese auctions, and other entertainment lasting until everyone is satisfied.

Anyone desiring to appear on the talent show may contact James Crow or Gil Lamb.

### Bula 4-H Girls Met on Tuesday

4-H Club girls of the Bula community met in the Home Economics room at Bula high school, Tuesday afternoon, April 10. An interesting demonstration

was conducted on "Electrical Appliances." Members present were: Ruby Cash, Jackie Risinger, Nancy Aaron, Marilyn McDaniel, Georgia Balkman, Donna Spence, Stella Henderson, Theresa Jo Hall, Gwen Autry, Sarah Jones, and Wanda Huber. Mmes. Cash, Spence and Aaron, were the adult leaders attending.

Popcorn was served and a number of games were played at the close of the meeting. The next meeting will be held Tuesday, April 24.

### IN CAR ACCIDENT

Grace Benton was injured in an automobile accident last Wednesday afternoon when a tire blew out on her car and overturned three times.

She was thrown out of the car and into an irrigation ditch. Some neighbor ladies brought her to West Plains Hospital where she remained until Saturday.

She is reported to be all right now.

### GRIFFITHS BACK AT WORK

Ray Griffiths was back at the Ray Griffiths & Sons elevator office Wednesday and seems to be doing fine. He spent Sunday afternoon to Tuesday noon in the hospital here for observation during a brief illness.

### VISITED PARENTS

Mr. and Mrs. Arlo Farrell and children, of Lubbock, visited during the weekend with the Claude Farrells and the R. Q. Whatley.

**MULESHOE CHIROPRACTIC CLINIC**

IN BARRON BUILDING South of Courthouse Phone 6090

**Loss of Energy, Shoulders and Hip Hurt**

Case History: A man; Age, 38; Symptoms: Shoulder nerves felt as though they were pinched; Soreness in shoulders, and shoulders felt very tired for many years and gradually getting worse; then hips became affected with the same as his shoulders were and both getting worse; Was nervous and given out all of the time; Loss of pep; Loss of appetite.

**CAME TO THE CHIROPRACTIC CLINIC**

After trying various health methods before coming to the Chiropractic Clinic without results he came here for an examination. X-Ray pictures were made of his spine which showed that the vertebrae were distorted out of alignment with one another.

**WHAT CHIROPRACTIC HAS DONE FOR HIM**

During the series of Health Service delivered at the Chiropractic Clinic this case reports that he has never felt better; That he came to the right place to get well. He says, "It is scientific the way you do things here, I'm so glad that I came to get the cause of my trouble corrected instead of just treating the effects of my pains—I wouldn't take anything for what you have done."

**Female Disorder and Highly Nervous**

A Lady; Age 41; Case History and Symptoms: Had nerve trouble and would become highly nervous almost to the stage of hysteria; Colds in the head almost constantly; Prolapses or dropping of female organs making almost impossible to work. All of these symptoms had been developing for the last 25 years more or less. There was also uncomfortable sensation at the base of her brain. The case came to the Chiropractic Clinic for an examination.

X-Ray pictures were made of her spine which revealed the abnormal position of the atlas vertebra, being out of alignment with the skull above and the axis or second vertebra in the neck below, which was causing her severe nerve condition. Also, her spine was distorted in two other places, one in the middle dorsal or back region and in the lower region. After a few months of chiropractic service to replace the vertebra in her spine back to normal position, there was a releasing of the nerve interference in her spine and re-establishing of normal condition. You should see and hear this case praise chiropractic.

**FIRE VICTIM DIES**  
 Mrs. Corey Hammonds, 25, of Clarksville, passed away in a Galveston Hospital early this week, from burns suffered in a fire at her home on March 2. She was the niece of Fred Stigeau of this community. The Hammonds family are former residents of Muleshoe.

Four other members of the family perished in the fire, which was thought to result from an explosion caused from escaping gas fumes.

Mrs. Hammonds' seven year old son, the only surviving member of the family, remains in critical condition in the Galveston Hospital.

**TO CLEBURNE**  
 Mr. and Mrs. E. H. Baugh, of Route 3, Muleshoe, left Tuesday of this week for Cleburne, where they plan to make their home.

**VISITED HERE ON WAY TO CALIF.**  
 Leo Wollard visited here over the weekend with Mr. and Mrs. Gil Wollard. Leo received his discharge from the U. S. Armed Forces March 29, and was on his way to Los Angeles, Calif., where he will enter Dental School. His wife, Joy, a dietitian at Ft. Hood, will join him in California when she is discharged from the Army in August.

**WEEKEND GUESTS**  
 Mr. and Mrs. Goodwin Powell and children, of Lubbock, made a weekend visit in the Progress community, to his parents and brother, Mr. and Mrs. Owen C. Powell and Kenneth.

### Informal Dinner Party Honors Lazbuddie Seniors

Fellowship Hall of the Lazbuddie church was the scene Tuesday evening, April 10, of an informal dinner party honoring the members of the senior class of Lazbuddie high. Hostesses were ladies of the W. S. C. S. Decorations were carried out in blue and white and table decorations consisted of blue and white floral arrangements and blue candles. The menu and programs were hand printed on individual place cards. Favors were lipstick and lip-ice tied with blue ribbon.

A delicious sea food plate dinner was served to thirteen seniors. Supt. and Mrs. J. G. Ward, Principal and Mrs. J. H. Haynes,

arrangement. In the receiving line was Mrs. Sam Gholson, Miss Gholson, Mrs. Lee Pool, mother of the prospective bridegroom, and Lora ne Curry, of Wellington, aunt of the bride-elect.

Miss Billy Ann Pence and Miss Ann Gholson, twin sister of the bride-elect, alternated at serving guests. Mrs. Donald Curry registered guests and presented them with favors which were small white wedding bells tied with orchid satin ribbon.

Miss Gholson, a senior at Muleshoe high school, will graduate in May. Mr. Pool graduated last May from the high school here. He is presently stationed at Lackland Air Force Base, San Antonio. His parents are Mr. and Mrs. Lee R. Pool, of this city.

The wedding will take place at 4:00 o'clock in the afternoon, April 29, in the First Baptist church, with the Rev. Clarence Stephens, of the First Methodist church, officiating.

### Birthday Party Held Honoring Deanna Myers

Deanna Myers was honored with a party on her twelfth birthday, April 6, at the home of her parents. Following an egg hunt, a number of outdoor games were played, including a treasure hunt. Refreshments of birthday cake and punch were served from a gaily-decorated table in the dining room of the Myers home. Balloons floating overhead added to the festive occasion. Following the serving of refreshments, the honoree opened her gifts.

### Bruns Home Scene H. D. Club Meeting

Muleshoe Home Demonstration Club held regular meeting Tuesday afternoon of this week, in the home of hostess, Mrs. Fred Bruns.

Club members present were: Mmes. C. E. Briscoe, M. E. Simmons, J. E. Day, W. W. Smith, W. R. Bowers, S. L. Robinson, Fred Bruns, M. R. Oden, S. C. Caldwell, C. H. Gillis, M. L. Oswald, T. F. Maddox, and a new member, Mrs. Muriel Wilson. Visitors attending were Mmes. Tom Zimmer, N. R. Iley, Jack Bruns, Ruth Briscoe, and Mrs. Juanita Buhman.

Mrs. Buhman gave a Tupper Ware party for the benefit of the club. Mrs. M. L. Oswald and Mrs. S. C. Caldwell gave the program for the day on "What's New In Line and Design."

During the business hour, it was decided that the club would help sponsor the Commissioners' Supper the evening of April 13, which will be tomorrow.

Mrs. Bruns served delicious angel food cake and punch to all attending. Next meeting will be with Mrs. S. C. Caldwell on April 24. At this meeting, the program will be presented by Bailey County 4-H girls. Judges for the girls work will be Mmes. S. L. Robinson, A. W. Copley, and D. E. Beller.

### Miss Pitts To Marry in June

Mr. and Mrs. H. B. Pitts, of Seagraves, are announcing the engagement and approaching marriage of their daughter, Miriam, to R. L. Gabbert, of Muleshoe.

Wedding plans are not complete, but the date has been set for June 3.

Miss Pitts, a senior student at Seagraves high school, formerly attended Tom S. Lubbock high school.

The prospective bridegroom is a graduate of Muleshoe high school. He is presently employed with Seymour and McClesky Roofing Company in Lubbock. He is the son of Mrs. A. L. Gabbert, of this city.

### ROT C Student

Jerry Gleason is a sophomore air force ROTC cadet at Texas A. & M. College. He is the son of Mr. and Mrs. T. L. Gleason of Rt. 1, Muleshoe and his course of study is pre vet medicine. The flights are used to familiarize the cadets with what life will be like after graduation and they receive commissions as second lieutenants in the USAF reserves.

### Missionary Speaks At Local Church On Sunday Night

John F. Hall, missionary to Upper Volta, French West Africa, will be the guest speaker at the Assembly of God church on April 15, Rev. R. V. Luna, pastor, announced today.

Mr. Hall will be telling some of his experiences in Africa, and of conditions there.

Beyond regular missionary activity, Mr. Hall has been engaged in translation work. French, Hausa, Gourma, and more are the languages which represent three million people of the Mossi tribes, all of whom have been brought under the influence of the word of God by the efforts of this missionary. A dictionary of more than five thousand words, and original Bible studies have also been translated into their language. As a result of these labors, an honorary life membership in the American Bible Society has been given Mr. Hall.

A graduate of Wheaton College, Weaton Ill., and the Missionary medical course in the National Bible Institute, New York City, with studies in France all go to make this man an interesting speaker. The public is cordially invited to visit this special service and see Mr. Hall dressed in West African costume, 8:00 p.m., Sunday.

## Pleasant Valley News

Mrs. Leroy Hicks

The P. V. Home Demonstration Club met in the home of Mrs. Alton Taylor April 5.

Mrs. Allan Haley, presided over the short business meeting.

Roll call was answered with an exchange of plants and garden seed.

Each member took part in the program which was based on "Apron Parade"

The club welcomes two new members Mmes Earl Moore and Claude Hendricks.

Delicious refreshments were served to visitors, Mmes. Coleen Randolph and A. V. Taylor. Members present were Mmes. Judy Green, Lena Haylor, Alma Turner, Lillie Wuerlein, Sena Stevens, Glenda Haley, Stewart, Vernie Landers, Moore, Hendricks, Jo Meeks, and the hostess.

Next meeting will be with Mrs. Roy Taylor on April 19.

Nancy, daughter of Mr. and Mrs. Jack Julian, had appendix surgery early Sunday morning.

At last reports Nancy is recovering nicely.

Thurlo Branscum is suffering from a nose injury. Thurlo had the misfortune of being kicked on the nose by a horse.

"Cotton John Smith" was visiting in the Pleasant Valley community and other South Plains areas Monday.

Doyle Turner was in Littlefield Friday on business.

The Ethel Hardy Circle met in the home of Mrs. Alton Taylor last Tuesday afternoon.

Mrs. George Wuerlein presided over the business meeting. Mrs. Clifford Bills was elected secretary of the circle.

"A Man of Pharisees" was the Bible lesson, taught by Mrs. Eldon Davis.

Those present for the meeting were: Mmes. Roy Taylor, Eldon Davis, George Wuerlein, Clifford Bills, and the hostess.

Mrs. Bonnie Haberer attended the county Red Cross dinner in Sudan Thursday night.

D. B. Lancaster of the Bailey County Electric Coop. in Muleshoe was a guest in the home of Mrs. Bonnie Haberer Tuesday night. Others present were: Mr. and Mrs. Leroy Hicks, Oscar and Harold Allison, Harry Engelking, Doyle Turner, E. K. Anceley, Billy Free, and Lillie Wuerlein. Purpose of the meeting was to strive to finish the community scrapbook.

George Wuerlein was quite ill last week, but he is recovering nicely.

Russell Haberer and his mother, Mrs. Bonnie Haberer attended the West Texas Aberdeen Angus sale in Lubbock Wednesday. Mrs. Haberer sold two of her registered Angus heifers.

and Harlan Curry. Gary Barbour and Edwin Cox registered for a fourth year in scouting.

For their March theme, the boys made ash trays for their fathers, and kites for themselves. To climax activities for the month of March, the boys held a kite flying contest on March 18.

Theme for April for the Den meetings is bird-watching. On Monday, April 9, the Cub Scouts and den mothers spent a very enjoyable two hours at the Game Reserve south of Muleshoe. They observed a number of different kinds of birds and animals, and also visited the office and workshop on the refuge.

Teacher of the class is Mrs. Lela Barron.

Mrs. Horace Blackburn, guest speaker, brought a very inspiring devotional.

A number of business matters were discussed, and refreshments of spiced tea and cookies were served by Mmes. Harlan and Jones.

Meeting was adjourned with a prayer.

## Tax Deadline Is April 16, Not 15 Tax Office Advises

April 16 is the deadline for filing income tax returns rather than April 15. The reason for the extra day is the fact that April 15 falls on Sunday this year, according to John R. Robinson, administrative officer in charge of the Lubbock office. The Lubbock office will be open from 8:30 a.m. until 5:00 p.m. on April 16 to give group assistance to taxpayers who need last minute help. Mr. Robinson advised taxpayers who have not yet filed to do so immediately. He explained that many taxpayers run into unexpected problems. Often the taxpayer has to search for his records before making his return. There is certainly not much time left for searching for figures and filing between now and April 16.

## Revival Begins At First Baptist Church April 29

A revival meeting will begin at Muleshoe First Baptist church, April 29, and continue through May 6, the pastor, Rev. E. K. Shepherd, announced this week. Rev. E. Milford Howell, of Ft. Worth, Baptist missionary to Nigeria, will bring the evangelical messages, while Bob Harthcock will be in charge of the musical services.

Services will be held daily at 10 a.m. and 8 p.m. The public is invited to attend this meeting.

## Bethany Class Met Thursday In Harlan Home

Twelve members were present last Thursday evening for the meeting of the Bethany Class of the First Baptist church, held in the home of Dorothy Rea Harlan.

Teacher of the class is Mrs. Lela Barron.

Mrs. Horace Blackburn, guest speaker, brought a very inspiring devotional.

A number of business matters were discussed, and refreshments of spiced tea and cookies were served by Mmes. Harlan and Jones.

Meeting was adjourned with a prayer.

## Trinity Church To Begin Revival Services April 15

Revival services at the Trinity Baptist church in Muleshoe will begin April 15, and continue through April 22. Services will be held each morning at 10 o'clock and at 8:30 in the evening.

Prayer services will begin at 7:30 p.m., followed by song services at 8 o'clock.

P. D. Fullingim of Borger will do the preaching, and Dewayne Singletary will lead the song services.

The public is invited to attend any or all of these meetings.

## Monthly News Of Cub Scout Pack 20

Monthly meeting for Pack 20 Cub Scouts will be held each last Thursday of every month at the old junior high school building at 7:30 p.m. All parents and Cub Scouts are asked to attend.

Officers for the coming year are as follows: Cub Master, Billy Elrod; assistant, Homer Curry; and institutional representative, Troy Perkins.

Den Dads and committeemen are: James Cox, Horace Edwards, H. S. Sanders, Jr., James Fowler, John West, and Alex Wilkins, and Den Mothers are Mrs. Homer Curry, Mrs. Ray Morrison, Mrs. L. T. Green, Jr., Mrs. Hazel West, Mrs. James Cox, Mrs. James Fowler, and Mrs. Robert King.

Den Chiefs are Jerry Howard, Darrell Lancaster, Dale Vice, and John Wilkins.

Cub Scouts who have joined the organization since registration in January should attend the Pack meeting with their parents so that they may be registered.

Registering at the past meeting for the first time was James Ray Phipps. Boys registering for the second year in scouting are as follows: Dwight Burkhead, Charles Elrod, Gary Edwards, James Fowler, Tommy Gunstream, Corky Green, L. T. Green, III, William Henson, Ronald Johnson, Charles Jones, Charles King, Lynn Perkins, Michael Sanders, Larry Morrison, Carl Herrin, David Heyrin and Roger Buhman.

Third year registrants were: Larry Allison, Joe Dean Fowler, Richard Leveridge, Gary Middlebrook, Mike Miller, James West,

and Harlan Curry. Gary Barbour and Edwin Cox registered for a fourth year in scouting.

For their March theme, the boys made ash trays for their fathers, and kites for themselves. To climax activities for the month of March, the boys held a kite flying contest on March 18.

Theme for April for the Den meetings is bird-watching. On Monday, April 9, the Cub Scouts and den mothers spent a very enjoyable two hours at the Game Reserve south of Muleshoe. They observed a number of different kinds of birds and animals, and also visited the office and workshop on the refuge.

Teacher of the class is Mrs. Lela Barron.

Mrs. Horace Blackburn, guest speaker, brought a very inspiring devotional.

A number of business matters were discussed, and refreshments of spiced tea and cookies were served by Mmes. Harlan and Jones.

## Track Meet

The Lazbuddie Longhorns placed fourth in the high school district track meet held at Bovina Saturday by the score of 13 points.

Leon Smith placed second in the 100-yard dash and 220-yard dash. Jimmy Oliver placed second in broadjump and was a member of the second place 440-yard relay team, which will go to the regional meet in Lubbock on April 21. Other members of the team were Johnny Gammon, Glen Watkins, and Durwood Teague.

The Lazbuddie Junior high team also made a good showing as they scored 31 points to place second behind Farwell, the first place winner. Lawrence King with 15 1/2 points and Cagle Davis with 12 1/2 points were the outstanding performers for Lazbuddie. Other members were Dennis Nelson 1 1/2 points and Ronnie Briggs with 3/4 point.

## Lazbuddie Wins Grade School District Track Meet

The Lazbuddie grade school track team scored 40 1/2 points at Bovina, to win easily over its five opponents. Other teams entered were Walcott with 18 points, Farwell with 17, Vega with five, Bovina with 4, and Adrian with 1 point.

Joe Don Beavers was high scorer as he won first in the 50, 75, and 100 yard dashes. He took second place in chinning the bar for a total of 18 points.

Darrell Jennings cleared the high jump bar at a height of 5' 1 1/2" for first place. He also had a second place in the 50 yard and 100 yard dashes, and picked up a half point on the third place relay team for a total of 11 1/2 points.

Other members of the relay team were Freddie Smith, Odis Bradshaw, and Jerry Weaver. Boys placing in other events

were: Freddie Smith, first in chinning; Odis Bradshaw, third in 100 yard dash; Clyde Redwine, fourth in broadjump; and Gerald McGehee, fourth in shot put.

• New school trustees replacing Clarence Mason and Conrad Nelson are Harold Wilson and R. L. "Bob" Jones at Lazbuddie.

• Darrell Mason, son of Mr. and Mrs. Clarence Mason, underwent a tonsillectomy in Clovis Memorial hospital last Friday. He is recovering nicely.

• T. D. Reed, long time resident of this community, has been quite sick in West Plains hospital in Muleshoe. He is slowly improving.

# Its power packin' punch put it No.1 in V-8 sales

And now Ford's new 225-h.p. engine gives you even hotter performance!

Today's trend in automobiles is to the V-8 engine. That's because today's car buyer demands performance. And sales figures show that Ford V-8 with its power-packin' punch is the largest-selling eight in the world! Official figures for 1955 show that 346,373 more people bought Ford V-8's than bought the two other low-priced eights combined!

But now Ford is setting an even hotter V-8 pace by making available the biggest engine ever offered in the low-price field. It's the Thunderbird Special V-8—and you can order it now in Fairlane and Station Wagon models. With a displacement of 312 cubic inches and 225 horsepower, it whisks you from "whoa" to GO as you've never gone before!

Ford gives you that wonderfully long, low look of the Thunderbird. You get Lifeguard Design, also, to help protect you in case of accident. Test Drive this new Ford . . . today!

Ford wins all 3 awards

You get more GO for your "dough" in a MULESHOE MOTOR CO.

## County Farm Bureau Outlines Program

Bill Millen was re-elected president of the Bailey County Farm Bureau for the fourth term last week. The directors unanimously stated that the Bailey County Farm Bureau must be more aggressive in stating the facts concerning the tangle the farm program is in.

"Does the government owe us a living? Can the government through legislation produce prosperity? The government can only give to us what they have taken away less the cost of administration. Is the government a market? Can they give us

freedom and desire for self government of Divine Providence, they would have lost. The same government in their hearts and the ernment that grew too big until socialism has reduced it into a third rate power, and we are traveling each day down the same road to socialism.

100% parity and let us plant all the acreage we want? To have high rigid price supports you must take acreage cuts and we have been under rigid supports for the past five years and since 1951 our income has dropped from 54% to 39%.

### Bob Gregory

GENERAL AGENT  
FARMERS  
AND  
BANKERS  
LIFE

### Thank You

For the nice way you of Muleshoe have received me and the Life Insurance Companies I have represented during the seven years I have had the pleasure of living among you.

I am moving to Lubbock to open an office with the company I now represent, however, I will still be available to serve you in this territory for your insurance needs — and service on policies you have purchased with companies I have represented.

It has been, without a doubt, for both my wife and myself, the best seven years of our lives.

Again let me say, thank you for your confidence and association.

"Take cotton for instance. In four years we have gone from 26 million acres of cotton to 17 million, and the present trend will bring us to 10 million acres in 1960, with no foreign markets. High rigid supports have held an umbrella over the rest of the world to develop cotton acreage every time domestic acres are cut. Farm Bureau thinks it would be cheaper to ask the government to sell surplus on the world market at competitive prices in an orderly manner and let the taxpayer pay the difference.

### Ford Describes Trip to Europe For Rotary Club

Frank Ford, elementary school principal, entertained the Rotary Club Tuesday noon with an account of his trip in 1955 to Europe.

Mr. Ford used slides of colored pictures, he made in England, Scotland, France, Germany, Switzerland, Italy, and Monaco, and made a running commentary on each. The program, in charge of Norvil Howell, was thoroughly enjoyed by all present.

Mr. Ford made the trip in company with a large group of students, who had ample time to study the history, customs, and the scenery of the countries in which they toured.

### Sports Show Will Begin This Week

The biggest sporting event of the year is rapidly shaping up in the form of the 3rd Annual South Plains Sports Show to be held in the Fair Park Coliseum in Lubbock, April 12, 13, 14 and 15.

What is a Sports Show? Well, neighbor, there's nothing new about Sports Shows. The Romans in the Amphitheatre at Rome had probably the first big formal Sports Shows. There they displayed their fine weapons of sport and war. King Arthur, on many occasions, drew together his famous knights to discuss the latest in archery equipment, spears, knives, etc. The American Indian tribes often called together neighboring tribes to display their sporting equipment and to have contests of skill. No, the South Plains Sports Show is not new — it is merely carrying on the tradition that was started thousands of years ago when the cavemen got together to compare notes on their newly-made stone axes.

What is our South Plains Sports Show? It is simply the biggest display of sporting goods and equipment you ever saw PLUS demonstration of that equipment, plus educational exhibits that help the sportsman know and appreciate his best friend, Old Mother Nature.

At the Fair Park Coliseum on East Broadway and Avenue A in Lubbock, on April 12, 13, 14 and 15, you will see the very latest in boats, motors, tents, stoves, rifles, shotguns, pistols, yo-yo's, golf clubs, fishing equipment, hunting equipment, camping

**SPAIN TO FREE MOROCCO PROTECTORATE** — Spain's Generalissimo Francisco Franco greets Morocco's Sultan Mohammed Ben Yousseff at Madrid Airport as the latter arrived to accept independence for the northern fringe of his country. Following Spain's announcement that it would grant freedom to the area, which it has controlled as a protectorate, the Sultan flew to Madrid for further conferences before a full agreement is worked out.

equipment, water sports equipment, and thousands of other items used in both indoor and outdoor sports. Everything from big, fast outboard motor boats to miniature model outboard motor boats, only inches in length—everything from big game rifles to B-B guns . . . everything, yes, everything you can imagine in the sporting field!

In the last 25 years, people have been blessed with new developments in machines to do more work efficiently. As we have progressed in this aspect, the average working man has gained a little more free time year by year, until now he has time on his hands. Right alongside this wonderful advancement has grown, by necessity, the various industries that manufacture sporting goods. Today we have thousands of sports and items to take up some of that "free time", and besides, the working man, whether he's a judge, a welder, or an office worker, is a better worker, happier worker, more contented and satisfied if he has some hobby or sports that can release some

of his pent-up feelings, emotions and energies. All work and no play makes Jack a very dull boy — more true today than ever.

The South Plains Sports Show will display all these new developments, gadgets, ideas, and sports. It may even help you find a new sport to enjoy, or to meet new friends in your old sport.

**FROM KRESS**  
Mr. and Mrs. Homer Gibson, of Kress, visited here over the weekend in the J. M. Moore home.

# WHAT DO YOU MEAN, "JUST FACE LIFTING"?

**EVERY NOW AND THEN**, we run across someone who seems to think that 1956 cars do not offer anything really new—just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

### The Styling is New

Sure, it looks like a Buick. But it has a new V-prowed grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweep-spear is new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours.

But that, friends, is only the beginning.

### The 1956 Dynaflo\* is New

It introduces what the engineers call "double regeneration"—which means a double-action take-off. It gives you new,

split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

### The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

### The Power is New

All 1956 Buicks have new 322-cubic-inch V8's—with record highs in power and compression—with unique new double "Y" manifold to step up efficiency—with new carburetor "deicing"

—and a host of other new features to make owning a Buick pure pleasure.

### The Thrill is New

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the *best Buick yet*—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## Ask for Research to Make Cotton More Versatile, and Cut Production Costs

Investigations of new chemical treatments, improved finishing materials and the possibility of modifying cotton fibers by means of nuclear-energy radiations to give cotton new versatility and improved textile properties have been urged by the USDA's Cotton Research Advisory Committee.

The committee, established under the Research and Marketing Act of 1946, is composed of 15 members representing every phase of the cotton industry. Texans on the committee and attending the recently held annual meeting include Roy B. Davis of Lubbock; Burris C. Jackson, Hillsboro, and Aubrey L. Lockett of Vernon.

search on the irrigation of cotton grown in humid areas, improved weed control . . . both mechanical and chemical, better processing methods for cottonseed oil and meal, and other work to aid utilization and marketing of cotton and cottonseed and to reduce the cost of production.

Further work on methods for controlling the pink bollworm and expanded program of basic and applied research in cotton breeding to improve fiber quality and increase production efficiency were also suggested.

Fiber research urged included determination of the economic need for improved bale wrappings; development of more practical and economical meth-

**HOUSTON NURSE AWARDED CANCER FELLOWSHIP**—Miss Catherine Carruth of Houston (above left) is shown receiving an award for study in cancer from Mrs. L. E. Dudley (right) president of the Texas Federation of Women's Clubs. The award, a six month's fellowship for study at the Vincent Memorial Laboratory of the Massachusetts General Hospital in Boston, Massachusetts, was made possible through the Texas Federation of Women's Clubs contributions to the scholarship fund of the Texas Division of the American Cancer Society. Miss Carruth will receive training as a cytologist and return to work with Dr. William T. Arnold of Houston in the diagnosis of gastric lesions and malignancies from smears taken from hospital patients.

## Social Security Representative Here on April 19

Social security payments can be paid retroactively for only one year before the formal application is filed, if entitlement exists in the earlier months, according to John G. Hutton, manager of the Lubbock District Office.

"There are some rare occasions," he went on, "when a person's claims benefits, fails to prove entitlement for a number of months, then succeeds and gets back payments for more than a year from the time he furnishes the last bit of evidence on which his eligibility depended."

"Ordinarily, such occasions are few and far between, as a social security office is usually able to help most people gather, in no more than a week or so, any evidence needed to prove their rights to benefits," added Hutton.

He further stated that the vast majority of the more than 7 million people now receiving monthly social security payments had no trouble getting their checks started. It was thus not necessary to pay them retroactively for more than a month or so unless they had delayed filing their claims for many months past their initial eligibility.

"We have always suggested that the nearest social security office be notified when a claimant reaches the age of 65, or when a person insured under social security dies," Hutton concluded.

and girls between the ages of 9 and 21, as well as their parents can get from the publication a clear understanding of how the 4-H organization functions and the responsibilities of the members, leaders, parents, extension agents and friends of 4-H.

The authors, the state 4-H leaders, point out that activity, achievement and adventure await youth enrolled in 4-H club work. They suggest a visit with a local county extension agent for full details on what it means to be a member of the 4-H Clubs.

## 4-H Club Roundup Plans Being Made Organization Of

Texas 4-H club members will gather on the campus of Texas A&M College on June 12-14 for their annual Roundup. They have been holding such meetings at this location for approximately a half century.

A trip to the Texas 4-H Roundup has long been recognized by 4-H members as an outstanding achievement and one that is long remembered. The 1956 meetings, according to Floyd Lynch, state 4-H leader, will provide opportunities for the delegates to get training in leadership and subjects of their choice and also further acquaint them with the facilities of the college.

State winners in the different judging and team demonstration contests will be determined on June 13. Delegates will select and participate in one of the 17 subject-matter short courses being offered. The training in agriculture and home economics subjects is designed so those receiving the training may pass it on to others when they return home.

County delegations will be limited to two boys, two girls and adult leaders or county extension agents must accompany a county group. District winners from a county are not counted as delegates, according to Lynch.

The first session is scheduled for Guion Hall on the evening of June 12. The contests are to be held on the 13th and the short courses commence on the same afternoon and continue through the 14th. The popular Share the Fun Festival is scheduled for the night program on the 13th.

Presentation of awards to all state contest winners will be made the afternoon of the 14th. The "Chuckwagon Feed" and Field will wind up the third day special entertainment at Kyle of activities.

Lynch says all county extension agents have details on the meeting and advises 4-H members and leaders to start making plans now to attend.

Mr. and Mrs. James Moore spent last week in Spur.

## David Stephens To Leave States For Germany

Pvt. David E. Stephens, whose wife, Marion, and parents, Mr. and Mrs. Clarence Stephens, live in Muleshoe, is scheduled to leave the U. S. for Germany next month as part of Operation Gyroscope, the Army's unit rotation plan.

Stephens' unit, the 3rd Armored Division, now stationed at Fort Knox, Ky., will replace the 4th Infantry Division in Europe. The 22-year-old soldier is a gunner in Company A of the division's 7th Tank Battalion. He entered the Army in July, 1955.

Stephens is a former student at McMurry College.

# Cadillac

## A Little Vacation In Every Day!

What's it like to take the wheel of a 1956 Cadillac? If you don't already know, then we hope you'll come with us now on a little imaginary journey in the "car of cars".  
Suppose, if you will, that you're in the driver's seat.

How wonderful you feel. Those deep, luxurious cushions hold you in perfect comfort—your hands rest naturally on the slender wheel—and all about you are vision . . . and beauty . . . and luxury.

And how quiet and restful it is! The car is so smooth and silent in operation that your only sense of motion comes from the sound of the wind and from the passing landscape.

Starting . . . stopping . . . turning—all are regulated with the lightest touch of toe and hand.

You simply lean back and enjoy the ride. We've heard it said that a drive in a new Cadillac isn't really a drive at all, in the normal sense of the word. It's a time for rest and pleasure and relaxation.

Better come in for a visit some day soon. If you should decide to move up to a Cadillac, it will be our purpose to make you as pleased with your relationship with us, as your dealer, as you are certain to be with the car itself.

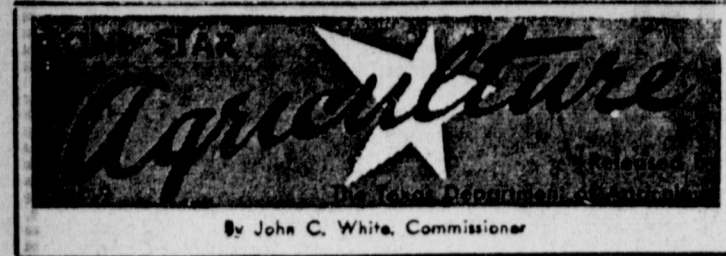

The Cadillac name has long been a symbol of automotive integrity and honesty of purpose—and we make every effort to have our own business reflect the same ideals in our dealings with owners.

It would be a pleasure to see you—at any time.

## JONES MOTOR COMPANY

801 HALL AVE. LITTLEFIELD, TEXAS

By John C. White, Commissioner

**MILLION DOLLAR COTTON SAVING**

Texas cotton farmers can look forward to a million dollar saving in ginning costs this year.

The Texas Department of Agriculture has revised pink bollworm regulations to eliminate sterilization of cotton seed during ginning operations. The new provision applies to seed moving to areas within the state.

Until now, some 928 gins in Texas have been required to treat seed with high temperatures. The heat killed any larvae inside the seed without damaging its growing qualities.

The added cost of this service was passed to the farmers by the gins at approximately \$1 per bale. Gins where this measure was in effect normally process about a million bales or more a year.

The new regulations eliminating this treatment resulted from findings of a three-year research project by Texas and United States Departments of Agriculture pest control men.

Modern methods of some 35 gins were studied during this period. Goal of the survey was to determine whether normal ginning operations killed enough larvae in the seed without the added burden of sterilization.

Studies of cotton processed in the gins showed the lowest rate of kill to be 89.5 percent. The highest was 100 percent.

These figures indicated that the kill ratio of pink bollworm larvae was effective enough to reduce the threat of destruction in cotton fields. As added proof, all but five gins killed 97 percent or more of the insects and 18 or half the gins, registered complete kills.

Gin operators will find the new regulations to their advantage

also. Sterilization involved costly equipment and was time-consuming.

U. S. Department of Agriculture officials are in complete agreement with the regulation change in Texas. A revision of federal regulations will follow later in the season.

**FARMER COUNTY Farm Bureau News**

By RAYMOND EULER

We would like to make a clarifying statement concerning Farm Bureau and Blue Cross that has been made before, as far as it was applicable, in this column. Blue Cross and Blue Shield Hospitalization and Medical Care were made available to employed groups of five or more persons or families many years ago. Until 1947 or 1948, no one, except these employed groups was eligible for participation. At that time, Farm Bureau Officials in Texas, in an effort to meet the requests of members, entered into a contract with Group Hospital Service, making Blue Cross-Blue Shield available to Farm Bureau members when as many as twenty-five applications were approved in a county. It was in 1949 that the Farmer County Farm Bureau Group was begun, with thirty-five members. Today, there are 143 family members in this group. Blue Cross-Blue Shield has within the last year made its services available to individual applicants without group affiliation. Farmer County Community Hospital is now assisting by advertising this new individual service. Families who

are Farm Bureau members may still avail themselves of the service at \$10 per year less than the individual plan rate. Farm Bureau has never held a franchise on Blue Cross services in Farmer county. It has been the only group through which farm families could participate in the service until recently. Further questions are welcomed.

Rhea Farm Bureau had another of their usual well attended and interesting regular monthly meetings last Friday night. Franklin Bauer is president of the local out there. The ladies always provide plenty of refreshments to complete the program. Bruce Parr showed some interesting pictures of national park attractions. Jack Patterson reported on the county directors meeting. Parr reported on the weed committee organization. Gilbert Kaltwasser reported on other Farm Bureau activities.

Consider This: For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? Matthew 16:26.

**SOIL CONSERVATION DISTRICT NEWS**

Conservation of irrigation water is very important to the irrigation farmer. Loss of water from unlined ditches because of seepage and evaporation can be enormous and probably varies from 10 to 30 percent.

A limited supply of water makes such losses doubly serious. Fewer acres can be irrigated, or crops must suffer from lack of enough water. Concrete pipes is one method to cut seepage and evaporation losses to a minimum.

Farmers are rapidly learning the advantages of concrete pipe. Some of the advantages are: it provides close control of water distribution, it saves time and labor, it permits productive use of all the land, it aids in insect and weed control, it simplifies irrigation of sloping lands, and it requires little maintenance.

Of course, any concrete pipeline needs to be properly located, so as to fit into a well designed system. Since these lines are permanent, it is well for the average farmer to seek advice on their design and location. Soil

Conservation Service technicians are available and able to help with your concrete pipe problems.

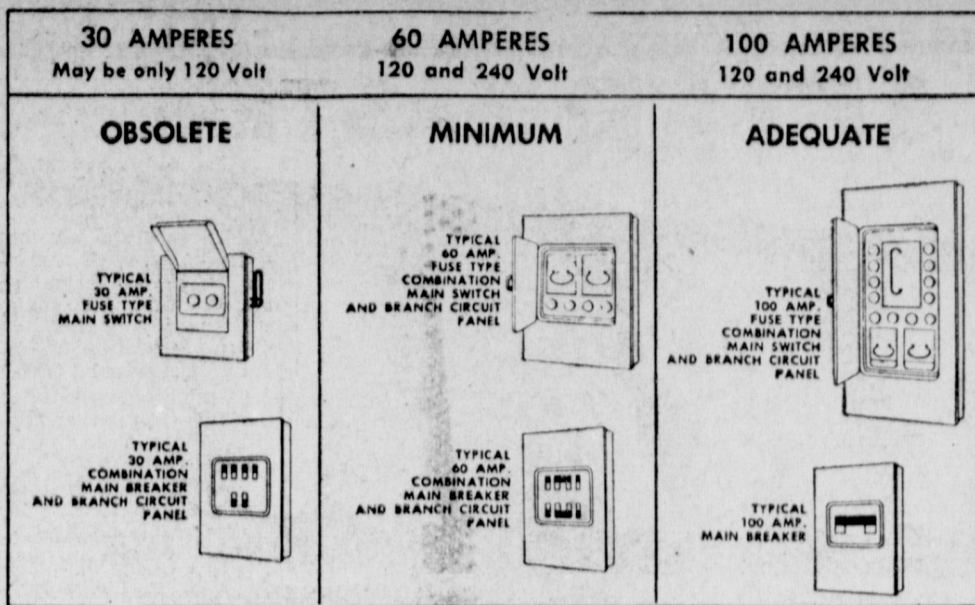

Since several contractors are installing and furnishing concrete pipe in this area, no problem should be encountered in obtaining the pipe or the installation. All of the contractors guarantee their installations for one year. Generally, any fault in material or workmanship should become evident during the first year of operation.

Perhaps pipelines will never replace all open ditches but may eventually replace most permanent ditches. When concrete pipelines are supplemented with the use of metal or canvas pipe, no ditches are necessary at all.

While concrete pipelines are expensive, their expected life span should be long. Considering the advantages and the saving through their use, a real saving may be expected over a relatively short period of time.

Several farmers in the area have already replaced their permanent ditches with concrete pipe. Gated aluminum pipe is used in connection with the pipe for row cropping.

The real purpose of intelligent conservation is simply to guard against willful waste so that future generations need not be handicapped by woeful want. John Hays Hammond.

**TYPICAL**—Here's what you find at the main panel in many homes. If you have an obsolete "main," similar to the one at the left, you have enough "housepower" only for lights and a few small plug-in appliances. A minimum installation (center) will permit the addition of a couple major, 240-volt appliances, such as an electric range and a water heater—but that's all. A "main" like the one at the right will take care of almost any usual combination of electrical appliances, with the exception of central air conditioning and electric house heating.

**Many Farmers Already Paid Income Taxes**

Many farmers have already filed tax returns for the 1955 calendar year. John G. Hutton, Social Security Administration, Lubbock, announced today, "This year for the first time they have paid self-employment tax for social security protection." Hutton emphasized that all farmers who netted \$400 or more in 1955 from farming must file these returns

by April 15, 1956. Proper tax returns and advice concerning taxes can be obtained from the District Director of Internal Revenue, Dallas, Texas.

Hutton explained, "This social security credit will mean much to farm families. Suppose we take the case of a young and prosperous farmer with a wife and child. His earnings up to \$4200 a year are taxable for social security. In the event he should die soon after the close of his second crop year under social security and had made the maximum of \$4200 in both years,

the widow and small child would receive a monthly benefit of \$162.80.

"Few farmers make \$4200 a year", Hutton continued. "Let us consider an instance where the farmer makes \$1200 a year on an average. At that rate he can qualify for \$55 per month when he is 65. His wife, after reaching 65, may qualify for \$27.50 per month, or a total of \$82.50 for the two. If a farmer who makes \$1200 each year (two crop years) is the minimum requirement after 1954 should die, survived by a widow and two young children, \$82.50 could be paid them every month, terminating when the youngest child reaches 18. Payments to the widow could be resumed when she reaches 65.

"Write your Social Security Office, Lubbock, for a booklet showing the benefits payable farm families under social security", Hutton invited. "And don't overlook the filing of that

**GMC** brings you the most impressive improvements of all 1956 trucks

Now we can show you these great new GMC's that are further than ever ahead of all others. Their advances not only clinch power supremacy—but reach into fields still unexplored by other truck-makers.

For example, GMC's Road Shock Dampener Suspension\*—plus a unique new stabilizer—produces in half-ton models a ride comparable to the finest passenger car.

An optional new fast-ratio cruising axle in light-duty GMC's gives you an overdrive's pace and economy without its cost.

Sharply increased engine displacement in both sixes and V8's gives you a power family unsurpassed in

the light-duty field. Specifically, we offer 14.4% GREATER displacement on 6-cylinder models, 16.2% on V8's than our nearest competitors. And GMC V8's, mind you, match the shortest stroke ratios in the truck industry.

Styling is well into the future—panoramic windshield to sand-tight tail gate. Tubeless tires, of course. And a 12-volt electrical system is standard. These are some of the strides presented in new 1956 Blue Chip trucks we now have on view. The values are even more notable. Come in and get the facts!

\*Standard on Suburban; optional at slight extra cost on other 1/2-ton models

**LEGAL NOTICE  
ORDER FOR ELECTION FOR  
ADDITIONAL COUNTY  
AD VALOREM TAXES**

THE STATE OF TEXAS:  
COUNTY OF BAILEY:  
ON THIS, the 9th day of April, 1956, the Commissioners' Court of Bailey County, Texas, convened in Regular session at the regular meeting place thereof in the Courthouse at Muleshoe, Texas, the following members of said Court, to-wit:  
Glen Williams, County Judge, presiding; and  
Tom Morgan, Commissioner, Precinct No. 1; W. W. Couch, Commissioner, Precinct No. 2; R. R. Kindie, Commissioner, Precinct No. 3; R. P. McCall, Commissioner, Precinct No. 4; being present and participating, when, among other proceedings had by said Court were the following:  
Commissioner Tom Morgan introduced the following order and moved its adoption by the Court:  
WHEREAS, by an amendment to the Constitution of the State of Texas adopted at an election on November 2, 1948, being Section 1a of Article 8 of said Constitution, it was among other things provided that from and after January 1, 1951, no State ad valorem tax shall be levied upon any property within the State of Texas for general revenue purposes, and that from and after said date the several counties of said State shall be authorized to levy ad valorem taxes upon all taxable property within their respective boundaries for county purposes, except the first THREE THOUSAND DOLLARS (\$3,000) valuation of residential homesteads, not to exceed THIRTY CENTS (30c) of each ONE HUNDRED DOLLARS (\$100) valuation, in addition to all other ad valorem taxes authorized by the Constitution of this State, provided the revenues derived therefrom shall be used for the construction and maintenance of farm-to-market roads or for flood control; and  
WHEREAS, by Chapter 464, Acts of the Fifty-first Legislature at its Regular Session in 1949, being Article 7048a, Vernon's Annotated Texas Civil Statutes of 1925, as amended, the said Legislature made definite and certain the manner and means by which the Commissioners' Courts of the various counties of this State should be enabled to place into operation the authority granted by the aforesaid constitutional provisions; and  
WHEREAS, it has been found and determined that Bailey county and no political subdivision or defined area therein has heretofore been granted any tax donations by the State of Texas out of or from any state ad valorem tax; and  
WHEREAS, upon due consideration and investigation this

Court has affirmatively found and determined that it will be to the best interest and general welfare of the county to call an election pursuant to the provision of the aforesaid Article 7048a, for the purpose of determining whether the Commissioners' Court shall be authorized to levy, assess and collect additional county ad valorem taxes, the proceeds thereof to be used for the construction and maintenance of farm-to-market and lateral roads or for flood control, either or both, as the Commissioners' Court may determine;  
THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF BAILEY COUNTY, TEXAS:  
That a special election be held throughout said County on the 28th day of April, 1956, at which election the following proposition shall be submitted to the qualified property taxpaying voters who own taxable property in said County and who have duly rendered the same for taxation for their action thereupon:  
"SHALL the Commissioners' Court of Bailey County, Texas, be authorized to annually levy, assess and collect ad valorem taxes upon all taxable property within said County, except the first THREE THOUSAND DOLLARS (\$3,000) valuation of residential homesteads, not to exceed THIRTY CENTS (30c) on each ONE HUNDRED DOLLARS (\$100) valuation of taxable property in said County, (until the amount of said maximum tax shall be changed as authorized by law), which tax shall be in addition to all other ad valorem taxes heretofore authorized by the Constitution of the State of Texas, provided the revenues therefrom shall be used for the construction and maintenance of farm-to-market and lateral roads, or for flood control, either or both, as the Commissioners' Court may determine, all in accordance with the provisions of Section 1a of Article 8 of the Texas Constitution, and Article 7048a, Vernon's Annotated Texas Civil Statutes of 1925, as amended?"  
The said election shall be held under the provisions of Chapter 464, Acts of the Fifty-first Legislature at its Regular Session in 1949, being Article 7048a, Vernon's Annotated Texas Civil Statutes of 1925, as amended.  
All persons who are qualified property taxpaying voters of Bailey County, who own taxable property therein and who have duly rendered the same for taxation shall be entitled to vote at said election.  
IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with V. A. T. S. Election Code, adopted by the Fifty-second Legisla-

ture in 1951, and that printed on such ballots shall appear the following:  
"FOR THE TAX NOT EXCEEDING THIRTY CENTS (30c) ON EACH \$100.00 VALUATION"  
"AGAINST THE TAX NOT EXCEEDING THIRTY CENTS (30c) ON EACH \$100.00 VALUATION"  
AS TO THE FOREGOING proposition, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition; or in the alternative, each voter may vote on the proposition by placing an "X" in the square appearing on the ballot beside the expression of his choice.  
THE POLLING PLACES and Presiding Officers of said election shall be respectively as follows:  
Precinct No. 1, Polling Place, The Election House, Muleshoe; Presiding Judge, Ernest Kerr.  
Precinct No. 2, Polling Place, Baptist church, West Camp; Presiding Judge, Partin Austin.  
Precinct No. 3, Polling Place, Longview church, Mays; Presiding Judge, Bert Seales.  
Precinct No. 4, Polling Place, Schoolhouse, Three Way; Presiding Judge, J. G. Arnn.  
Precinct No. 5, Polling Place, Baileyboro Gin, Baileyboro; Presiding Judge, Howard Ashley.  
Precinct No. 6, Polling Place, Schoolhouse, Bula; Presiding Judge, Roy Young.  
Precinct No. 7, Polling Place, Schoolhouse, Circleback; Presiding Judge, C. G. Damron.  
SPECIAL CANVASSING BOARD: Barry T. Lewis, Johnnie Johnson, and Mrs. Elizabeth Woodley.  
The County Judge shall cause notice of said election to be posted at the Courthouse door of said County, and at a public place in each voting precinct in said County, not less than fourteen (14) days next before said election, and to be published on the same day in each of two successive weeks in a newspaper of general circulation published within said County, the date of the first publication to be not less than fourteen (14) full days prior to the date of election.  
A substantial copy of this order shall serve as proper notice of said election.  
The above order having been read in full, the motion of Commissioner Tom Morgan for its passage was duly seconded by Commissioner R. P. McCall.  
Thereupon, the question being called for, the County Judge put the motion to a vote of the members of the Commissioners' Court, and the motion carried by the following vote:  
Commissioners Tom Morgan, W. W. Couch, R. R. Kindie, and R. P. McCall voted "Aye" and none voted "No".  
PASSED AND APPROVED, this 9th day of April, 1956.  
GLEN WILLIAMS,  
County Judge, Bailey County,

**GAZA STRIP SORE SPOT OF MIDDLE EAST** — Egypt charged in a letter to the U.N. Security Council that Israel deliberately attacked Egyptian cities in the Gaza Strip. The letter said that Israel armed forces began a night attack against the cities of Gaza, Deir El Balah and Abasan (marked on map). Counter charges made by the Israel government said that Egyptian forces had attacked seven Jewish settlements. Fear of an all-out fight in this tense area has risen.

**Mules Place 4th In District Track Meet At Tech Saturday**

Seven MHS tracksters placed at the 2-AA District meet held on the Texas Tech cinder track last Saturday. Muleshoe scored 16 points to take fourth place in the six-team meet.  
Olton's Mustangs scored a total of 52½ points to take first place in the meet. Lockney's Longhorns were second with 28, followed by Littlefield with 26.

Muleshoe 16, Dimmitt 15, and Tullia 14½.  
Six of the seven MHS boys who placed will be running in the regional meet to be held Saturday, April 21. They are Billy Black, John Young, Buford Watson, and Eddie Witt, who make up the mile relay team. Witt also will run in the 440-yard dash. Charles Jennings will run the mile for Muleshoe, and Johnny Allison will throw the discus and shot put.  
Larry Hicks, who placed fourth in the mile run at Lubbock, will not be able to go to the Regional meet because he was required to place at least third, but will receive a track letter for placing at the district meet.  
Olton won the junior high division of the track meet with 30 points. Tullia followed with 28; Lockney 16; Muleshoe and Dimmitt 6 each; and Littlefield with 4.  
Muleshoe captured the grade school division with 32½ points. Following were Tullia with 28½

points; Dimmitt with 14½; Olton with 7 and Littlefield with 3.  
**THE RESULTS**  
100 yard dash—1. Stewart, Olton; 2. Williams, Lockney; 3. Greer, Littlefield; 4. Boozer, Dimmitt. Time—10.6.

### BABSON DISCUSSES . . . PUBLIC LIBRARIES

Babson Park, Mass., April 12 — Very few people appreciate the great value of books and our God-given privilege of being able to read. The most valuable asset of your community is its Public Library, — not its Swimming Pool, Ball Park, or Golf Course.

**Value of Books**  
One of the first things in which I invested my savings was in books. I personally now have in my two homes a total of about 10,000 volumes. About 700 of these are reference books, including several different sets of Encyclopedias. As Thomas Dreier, Board Chairman of the St. Petersburg, Fla., Public Library so well says, "Public Libraries can feed one's brains as Supermarkets feed the stomach; actually, they should be advertised as food stores are advertised." This is a good thought.

You often think you would like to listen to some famous man, yet you can go to your Public Library and bring home without cost all the important things which that man has ever said or thought. It is almost as if your local banker said to you—"Come and get without interest all the money you will use properly. All I ask is that you return this money to the bank in a reasonable time." Yet a better offer is being made to you by your local librarian.

**Reading Becoming A Lost Art**  
Notwithstanding the tremendous help your Public Library can be to you people, consider seriously these five facts:

1. Five out of every ten people in your city read no book the past month.
2. Nine out of ten depend primarily upon newspapers, magazines, radio, and TV.
3. Only 25% read books regularly — and these are your most successful people.
4. 35% have never used your Public Library.
5. 10% of your people probably cannot read intelligently.

Every week I meet many successful people — manufacturers, merchants, machinists, builders, teachers, doctors, and preachers. My stock question to them is: "How do you recharge your mental batteries?" They almost unanimously reply: "By reading constructive books, — especially biographies." I also ask the Public Librarian to please notify me whenever she sees a book which might help me in my business.

**What Librarians Can Do For Us**  
Let me again quote my friend Tom Dreier as to how Public Library books will help us:

1. Library books have been carefully selected by professional readers. They are classified so as to help us quickly get the books which we like and want.
2. To prepare us for making a living and progressing in our vocation, or to help in that process.
3. To prepare us for mature and complete living — personal

and family, social and civic — in today's world, and to help develop the natural, cultural, and spiritual values which benefit both the individual and society.

4. To increase our understanding of science and humanities and our appreciation of our cultural heritage; also our understanding of others. This last greatly helps in all walks of life.
5. To help us interest our children in reading good books. Every Public Library has a specialist who knows how to interest children.

#### "Do-It-Yourself" Education

As work-hours decrease, our children will have more time to read good books. Those young people who get their education themselves from good books, I forecast, will be the leaders when they grow up. Let us use our extra hours in helping our children to help their future by good reading now.

I even forecast that the time is coming when men and women will get college degrees by studying by themselves in Public Libraries. Therefore, when you are building yourself some furniture or other things, take some time to build yourself a college degree.

#### Today's Meditation

**Assurance of Eternal Life**  
Read II Corinthians 4:13-18. Verily, verily, I say unto you. He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life. (John 5:24.)

One morning during exercise period, I noticed on the high prison wall that separates us from the outside world the shed skin of a locust. It was by the gallows. How long had the locust been under the ground before coming out into the sunshine?

While looking at the skin the locust had shed, the hope of eternal life in God was revealed to me. Life does not end with this world. God alone can give man the power to walk in peace with a sincere and true heart.

Even a condemned murderer through faith in the atoning power of the cross of the Son of God can be born from above. He rises out of the life of lust and pride, filthy flesh and death, into the light of eternity, entering with triumph into the heavenlies, welcomed by an innumerable company of angels!

**PRAYER**  
O Lord God, give peace unto us (for Thou hast given us all things); the peace of rest, the peace of the Sabbath, which hath no evenings; Yea, give us rest in Thee, the Sabbath of eternal life. For Thou shalt rest in us, as now Thou work-

## Sandhill Philosopher Comes Up With Novel Plan for Getting Rid of Embarrassing Farm Surplus

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses the farm surplus problem this week, without making any noticeable dent in it.

Dear editor:  
As I understand the farm problem, prices are lower than they used to be because of the surpluses.

Furthermore, the way I understand it, the surplus is owned by the government, and as long as the market is aware of that surplus, what a farmer gets for what he grows this year is liable to be affected.

Therefore I have been thinking about the problem off and on for the last few weeks, on the theory that whatever this country has, it hasn't got a surplus of thinking and even if it did the amount I do wouldn't contribute to the total very much.

I have read all the suggestions I could find for eliminating the surplus, including one that Congress pass a law abolishing it and the newspapers stop mentioning it, but so far none of them seem very effective and the situation remains the same; the government can't afford to give the surplus away and on the other hand can't afford to keep it, and if it sells it it'll depress prices worse than ever.

But here's the thing: this is an age of scientific experiment, and why can't the government use the surplus to experiment on? As I understand it, in a few

est in us; and Thy rest shall be through us, as Thy works are through us. Amen.

—Augustine.  
**THOUGHT FOR THE DAY**  
I will daily take up my cross and humbly walk in the path prepared by God.  
Hisao Kitani (Japan)

Clinton Davidson

Watching Congress in action this week we got to pondering the question: What makes some men great, others mediocre or dull? Is it education? That couldn't be it because some of our greatest men have had little schooling. Because some men are smarter than others? No, because some of the smartest men we've known have been crooks.

Looking down from the gallery upon the more than 500 men and women that make up our Congress some impress us as great, others as not so great.

What makes greatness? Not wealth, because most great men had humble beginnings. In America many of them were born on farms. More than half of our congressmen are farm-reared. So was President Eisenhower.

What is greatness and how does one become great? The definition of greatness and the formula for becoming great was given more than 1900 years ago by our Lord Jesus. He said, in substance: "He that would be greatest among you, let him become the servant of all."

weeks the government is going to spend 75 or 80 million dollars experimenting with some new hydrogen bombs, setting them off to see what happens. In previous tests of this kind, bombs have been set off to see what effect they'd have on different types houses, refrigerators, bedsteads, dummies, etc.

Has it ever occurred to you that the government hasn't yet experimented to see what effect an atomic explosion would have on a hundred million pounds of butter.

How would a warehouse full of heat stand up a mile from point zero? Two miles? Three miles? All over the area? Does fall-out affect the quality, staple length, etc. of cotton?

Here we've got all this surplus stuff stored and nobody knows how it would stand up in an atomic raid. Why doesn't the government haul about half this surplus out to the Pacific or wherever the spring tests are going to be made and drop some bombs on it, purely in the interest of scientific experimentation? If the tests are inconclusive, haul the other half out and try again.

If you don't think this suggestion has any merit, let's see what suggestions you have for getting rid of the stuff.

Yours faithfully,  
J. A.

#### HAS MAJOR SURGERY

Roy Underwood major surgery at Taylor Clinic in Lubbock Wednesday morning, and at latest report, was resting as well as could be expected.

When we come to think about it the great men and women of history have been those who devotedly and unselfishly served their country and their fellow man. They have been doctors, scientists, scholars, soldiers, businessmen, and, yes, politicians.

You do not have to be known internationally, or to have your name in the history books, to be great. I have known many men and women who achieved greatness in their home, their community, county or state. Probably you have never heard of them, but I expect you can name several in whom you recognize greatness.

Those are the people whom Jesus meant when He said that service is the true measure of greatness. At the time this formula was given and for 1800 years thereafter, it was ignored by nearly all business men. Their motto was "caveat emptor" — let the buyer beware.

A railroad tycoon who said many years ago "the public be damned," had wealth and power, but he never became great. Years later a young Scottish immigrant came to Chicago and started work at \$3 a week. Eventually he started a department store and his motto is known all over the world. It was "The Customer is Always Right." He learned from Jesus that to be the greatest merchant he had to give the best service to his customers. That man was Marshall Field. Most businessmen now follow his example.

No group in America is more dedicated to serving the people than our congressmen. Many of them have achieved international and national greatness. All of them have achieved local or state greatness.

## The Deadline is Near!

### HONOR ROLL

The Journal had two new subscribers this week they are:

**RETURN FROM VACATION**  
Mr. and Mrs. Walter Witte returned last Tuesday from a two weeks vacation, during which they visited points in Southern Texas, Louisiana, and Mississippi.

They visited at San Antonio and Beaumont in Texas, Baton Rouge, La., and later toured the state of Mississippi and visited Mrs. Witte's old home town.

A daily newspaper was televised and acted out in Schenectady, N. Y., in 1943.

## Wing Doubles Size of Home

The tiny three-room house (right) became a six-room home with the addition of a ranch-style wing. The total cost of the old and new sections was less than half that of a new home of the same living area.

Dating from the early depression years, the three-room house shown in the "before" photograph was bought recently by a man who saw in it the nucleus of a modern home.

The house was in a desirable suburban location. The new owner figured correctly that the purchase price of the house plus remodeling cost would total less than half the price of a brand-new house of comparable size.

Remodeling plans were drawn by A. B. Campen, who conducts a redesign service by mail from Peoria, Ill. A one-story wing was added, doubling the original living space. To unify the old and new construction, the roof of the new wing was sloped to match the roof of the original structure.

For the same reason, the whole structure—old and new combined—was roofed with the same attractive color of asphalt shingles. Vertical board siding has the effect of making the new wing seem taller than it is. With the same purpose in mind, ponderosa pine sliding windows were chosen

in a style that emphasizes vertical lines. A warm trim color was chosen for the windows and the front panel door. Painted windows and doors are a main decorative element of the house.

In order to leave the bulk of the remodeling funds for the new wing, a minimum of alteration was done to the inside of the original house. Changes were largely in new uses for old rooms.

The interior of the new wing was designed for "open living." Distinctive pine panel doors were selected. The new wing encloses a large living room with a wood-burning fireplace, a dining room, and a kitchen. A two-car garage is attached.

## 1956, As You Probably Know By Now, Is "HOME IMPROVEMENT YEAR"

The year in which the Government and private industry are teaming up to make it easier for you to make your present home the modern home you've always wanted.

As our part in this big worthwhile program, the folks at Willson-Sanders want to serve you. So if your home is too small or inadequate in any way, bring your problems to us. ## Enochs Events

The Farmers Cooperative Gin supper will be held April 20 at the lunch room, Bula school. There will be free prizes for ladies holding lucky tickets. There also will be free movies for the children and entertainment by the Senior class of Bula. Dividends will be distributed to the farmers. The Enoch's Demonstration Club will serve a ham supper at this meeting. Mr. Merriman of Lubbock, will give the audit's report of the Farmers' Co-op Gin. Mr. Davis from Plains Co-op Oil Mill will give analysis of operation of the oil mill this past year. There will be election of two directors at this meeting also. Everyone is invited to attend.

Mr. and Mrs. J. W. Covington, formerly of Enoch's, have moved to Knott, Texas. Mr. Covington was formerly the manager of the Enoch's Co-op Gin. He is now manager of the Knott Co-op gin.

Mrs. Wilson Hodge of Morton visited her mother and father,

Mr. and Mrs. Marvin Short Monday of this week.

Mrs. H. H. Snow visited her sister, Mrs. James Cash and family at Hereford last week.

The T. A. Thomas family have moved into the house on the J. E. Layton place last week.

Danny Hall has a good case of the mumps now.

The Bula high school spent last Thursday in Lubbock having a picnic at the park.

Mr. T. A. Thomas is visiting his father, E. W. Thomas, who lives in Denton. Mr. E. W. Thomas is critically ill.

Jo Ann and Jimmy Frank Yantis and Jimmy John Robinson all of Littlefield spent the weekend visiting their grandparents, Mr. and Mrs. Zed Robinson.

Mr. and Mrs. Cecil Jones returned April 3 from Long Beach, Calif., after visiting Mrs. Jones' mother, Mrs. M. M. Thompson.

The WSCS of the Enoch's Methodist church met Wednesday night to continue the study

of the Five Spiritual Classics. Mrs. J. C. Snitker gave the devotion and Mrs. Roy Tunnell gave the study on "The Imitation of Christ". Those attending were Mmes. H. H. Snow, Bob Newton, John Gunter, Zed Robinson, Roy Tunnell, James Merrell, Willie Welch, J. Logan Green, and J. C. Snitker.

The Will Mansel family visited Mr. Mansel's mother at Lawn over the Easter holidays. They also did some fishing.

Mrs. W. E. Tucker of Slayton, is visiting her daughter, Mrs. T. A. Thomas.

Mrs. Gale Pugh of Midland is visiting her mother, Mrs. T. A. Thomas.

Mrs. Gary Weaver entertained Thursday with a Stanley party.

J. W. Layton and sons, J. E. and Harold are branding cattle on their ranch west of Enoch's.

Mr. G. B. Forrest of Lubbock visited in the home of Rev. and Mrs. James Merrell Wednesday night and Thursday.

The Methodist church of Enoch's will have an all day meeting Sunday, April 8. The Rev. Homer Salley of Seagraves will preach at the morning and evening services. The Rev. Elton Wyatt of Amherst will preach at the Sunday afternoon services. Everyone bring their dinner to the church Sunday. Everyone is invited to attend. James Merrell is the pastor of the Enoch's Methodist church.

Mrs. P. A. Altman is in the hospital at Littlefield for medical treatment. She is at the Medical Arts Clinic and Hospital.

Janett Vanlandingham from Hart Camp is visiting Mr. and Mrs. J. B. Vanlandingham.

Mr. W. M. Byars is seriously ill in the Littlefield hospital.

Mrs. Cleo Hall and children are visiting her aunt, Mrs. Roy Lee Cunningham of Roscoe the past week. Cleo Hall has joined them in their visit and will stay another week.

Mrs. Roy Tunnell is on the sick list.

Mr. and Mrs. M. J. Gibson have moved their house to Muleshoe and are now living there.

Mrs. E. Hary of Lubbock spent Thursday here on business and visiting her daughters, Mrs. Roland Gibson and Mildred Scout Master J. R. Arnold of Levelland, and his Troop No. 27, consisting of eighteen boys, ages about 11 years to 15 years, are camping this weekend at the Muleshoe Wildlife Game Refuge, two and a half miles north of Enoch's. They are practicing for the Camporee which will be at Levelland next week and stressing cooking and camp sanitation.

The Muleshoe Wildlife Game Refuge is a fine place for pic-

**MILITARY RESERVE WEEK PROCLAIMED**—Governor Allan Shivers signs the proclamation designating Military Reserve Week in Texas as April 22-28. The principal objective of Military Reserve Week, sponsored by the National Security Committee and its 19 Constituent Organizations, is to spur enlistments in the Reserve Forces of youths 17-18½ years of age. Witnessing the signing are (L to R): Major General K. L. Berry, Adjutant General, Texas, in charge of National Guard activities; Mrs. A. B. Crow, President, Austin Women's Federation; Governor Shivers; Major General Lewis S. Griffing, Chief, Texas Military District; and Brigadier General J. Earl Rudder, Commanding General, 90th Infantry Division.

nic and outings. Persons interested in picnicking should stop by the Refuge office or the home to obtain information for ideal places according to Manager Robert L. Darnell.

Robert L. Darnell, manager of the Muleshoe National Wildlife Game Refuge, 2½ miles north of Enoch's on Highway 214 will have a booth showing live animals, also mounted specimens. This will be April 12, 13, 14 and 15 at the South Plains Fair Park Coliseum, Lubbock.

Mr. and Mrs. Jesse Motes visited her parents, Mr. and Mrs. John W. Gunter over the weekend. Mr. and Mrs. Motes are both students at Texas Tech college.

Mrs. Lynn Crabtree and son spent Friday shopping in Levelland.

Mr. and Mrs. Zed Robinson spent last weekend visiting Mrs. Robinson's mother, Mrs. Melvin Moore and sister, Irene Moore in Dallas.

Mr. and Mrs. Bobby Short and Mr. and Mrs. Brad Robertson and family returned from a trip to Phoenix, Ariz., where they visited relatives and friends during the Easter holidays.

Mr. and Mrs. Bill Simpson spent the last weekend in Pecos visiting relatives.

Mrs. Doyce Turner gave a party in her home for a church group.

We want to say thanks to

our commissioner, R. P. McCall, for grading our streets last week.

Mr. and Mrs. Ray Snodgrass and family spent Sunday with her parents, Mr. and Mrs. N. A. Griffing of Amherst. The family reunion was also enjoyed by Mrs. Snodgrass' two brothers, Robert and Billy Griffing of Abilene. Others visiting were I. N. Griffing of Amherst and Mrs. Charles Hinds, brother and sister of Mrs. Snodgrass.

Scout Master L. A. Lough of Sundown and his Troop No. 40, consisting of sixteen boys are practicing for the Camporee to be held in Levelland next week, at the Muleshoe Wildlife Game Refuge.

The Baptist church of Enoch's started their meeting April 6 and will continue through April 15. The Rev. Swanner, district missionary from Plainview, is the evangelist. Everyone is invited to attend.
