

Lynn county, in the heart of the best diversified farming country in Texas.

The Lynn County News

We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXV.

Tahoka, Lynn County, Texas, Thursday, April 4, 1929

Number 32

Texas Utilities To Install White Way

Reduction Is Given In Pumping Rates

TERRACING IS TO BE SHOWN

Demonstrations Take Place Next Thursday and Friday; All Farmers Urged to Attend

Terracing demonstrations are to be given in Lynn county two days next week under the direction of B. M. Whiteaker, agricultural manager of the West Texas Chamber of Commerce, assisted by Ray E. Shaver, county farm agent for Lynn county, according to C. C. Williams, secretary of the Tahoka Chamber of Commerce.

The first demonstration will be given on Thursday, April 11, on the farm of R. W. Evans about four miles north of Tahoka on the Lubbock highway.

The second demonstration will be given on Friday, April 12th, on the farm of George W. Small, about three miles east of Tahoka, on the Post highway.

Mr. Whitaker is very desirous of having a large number of farmers and school boys present. He is just as anxious to have the school boys present as the farmers, Mr. Williams states. These demonstrations will be very instructive and helpful not only to the present day farmer but to the future farmers, and as many as possible should take advantage of the opportunity presented.

The machinery used in the demonstrations will be furnished by the various implement houses of Dallas. Mr. Whitaker is coming upon the invitation of the Tahoka Chamber of Commerce.

Revival Meeting Opened Wednesday

A special revival campaign was begun at the Baptist Church here Wednesday night, with pastor, Rev. B. N. Shepherd doing the preaching and Dock Redmond leading the song services. The meeting will continue throughout next week and will probably close the Sunday night following. Christians of all denominations are invited to co-operate and everybody is invited and urged to attend the services.

Chautauqua Coming Back to Tahoka

Not one of the many who attended any part of last year's splendid Chautauqua program but will anticipate with pleasure the four days beginning April 27th, for this year's program promises equal or superior attractions for our entertainment.

The Chautauqua affords ideal surroundings for an annual "get-together" under the most favorable auspices. It affords a community an opportunity to not merely hold its own, but to push the circumference of its influence just a little farther toward the other towns, thus enlarging itself. The smaller surrounding communities unable to support a Chautauqua in themselves, will welcome the intellectual and social advantage offered by their trading center, and friendly business relations will grow along with the fine fellowship fostered by the entertaining of our rural neighbors, everyone of whom must include himself and his family in this special invitation.

The crowd, not the program, is the important thing. The presence of a majority of right-minded citizens says louder than words: "This is right! Here are the standards of attainment the young people of this community should see and imitate." Everyone knows that putting on a Chautauqua is a public-spirited work and for that reason everyone should co-operate to the fullest extent with those citizens who are definitely working toward its success.

KELSO MAKES OFFER TO CITY

Forty and Possibly Fifty-Two Light Standards Will Be Erected In Business District

Judge I. R. Kelso of St. Louis, President of the Texas Utilities Co., was here Thursday, accompanied by H. L. Allen of Lubbock, district manager, and they met with the City council in a called meeting in the afternoon, when a contract was entered into between the Company and the City whereby the former is to install a "White Way" for the city under its twenty-year electric-lighting and city-pumping contract. The City authorized the erection of forty standards and it is contemplated that the county will authorize twelve more to be set around the Court House square. "The White Way" system will extend throughout the business section of the city and will add much to its beauty.

Judge Kelso also voluntarily proposed to the City Council a reduction in the rate charged the city for power used in pumping water for the City Water system. The new rates proposed by the Company and accepted by the City Council are about 30 per cent lower than the rate heretofore in force. Expressed in dollars and cents, the City will save on the amount of its pumping bill incurred from April 1 to December 1, 1928, inclusive, the sum of \$627.97, a considerable saving. The new rates are to be in force for a period of five years.

The old rate was fixed when the Texas Utilities Company purchased the plant from the City a little more than a year ago. The cost for the power required during the first year to pump the water for the city water system was less than was anticipated by City Officials at the time, and now the City gets a further reduction. Of course there will be a constant annual increase in the amount of water required for the use of the citizenship and a corresponding increase in the amount of power used, as the city grows, but the very substantial reduction in the rate will offset quite a considerable increase in the amount of power required. In other words, under the new rate, the City will be enabled to supply its citizens with a 25 or 30 per cent increase in the volume of water furnished without any increase in the expense to the City.

In this connection it should also be said that the Texas Utilities Company has practically rebuilt its lines in Tahoka within the past few months and is giving most excellent service. In fact, the service is all that could be desired. Largely as a result of this splendid service and partly as a result of the growth of the town, there were 124 additional connections made last year and there have been 17 additional ones thus far this year, according to W. S. Anglin, the local manager.

Plant a berry patch.

COUNTY CHAMPIONSHIPS

- Class A
 - All Around Championship—Tahoka.
 - Literary—Tahoka.
 - Declamation—Tahoka.
 - Athletic—Tahoka.
- Class B

 - All Around—New Lynn.
 - Literary—New Lynn.
 - Declamation—Morgan and Edith (tie).
 - Athletic—Wilson.

MANY HOUSES ARE STARTED

Several New Residences Are Begun This Week; Three Will Be Brick Veneers

There seems to be no lull in the building campaign in Tahoka. New residences are being started almost every day. All of them are of a substantial character too. No shacks are being built. In addition to those catalogued below, we hear rumors of others to start soon.

On Tuesday, C. W. Seth began the construction of a five-room brick veneer residence just south of the C. A. Thomas home.

Clarence Crouch has also begun the construction of a five-room brick veneer residence on N. 3rd street.

J. D. Donaldson on Tuesday morning began tearing away his old residence to make way for an attractive new home to be erected on the same premises.

L. C. Haney is building a beautiful brick veneer six-room residence on N. 5th street.

Mrs. M. I. Ray is building an attractive residence just between the B. P. Maddox and J. L. Hearse homes.

The Forrest Lumber Company is building an addition to the residence situated near their place of business and recently acquired from Herman Turner. When completed it will be occupied by G. A. Brasfield.

Possibly other residences have been started which we have failed to observe, and improvements may be noted in many places.

Scouts Advanced at First Court of Honor

Tahoka's first Boy Scout Court of Honor, was held Monday evening at the Central Ward School, witnessed by a small crowd of interested citizens. Eight Tahoka and two O'Donnell scouts were given advancement in an impressive program.

Second class awards were made to J. D. Donaldson, Osco Cole, Bob Brown Caviness, Keith Kemp, Russell Tarrance, Martin Baze, Lester Prater and Jack Childers. The three latter also were made first class scouts. In addition, Jack Childers received nine merit badges, Martin Baze, seven, and Lester Prater, six. Arthur Singleton of O'Donnell became an Eagle Scout, the highest award held by any boy in Lynn county, and his brother, Park Singleton, was awarded three merit badges by the court.

Sitting on the court were: Rev. L. G. H. Williams, president of the South Plains council; M. L. H. Baze, local chairman, Rev. R. T. Breedlove, Dr. C. B. Townes and Scoutmaster

SCHOOLS GET STATE FUNDS

\$6,259.00 Will Be Divided Among Sixteen Rural Schools Caveness Says

County Superintendent H. P. Caveness has been advised by the State Department of Education at Austin of the amounts awarded to the various schools of Lynn County out of the special state funds set aside for that purpose. The total amount awarded to the schools of this county exceeds the amount awarded any previous year by about \$1,500, Prof. Caveness states. These awards were made after S. E. Clark of the State Department of Education, who was here from March 18 to March 22 inclusive, had inspected these schools and made his recommendations to the Department. The various schools favored and the amounts awarded them respectively appear below:

| | |
|-------------|------------|
| Petty | \$67.00 |
| Pride | \$721.00 |
| Tea Bar | \$719.00 |
| Morgan | \$403.00 |
| Lakeview | \$338.00 |
| Edith | \$502.00 |
| Three Lakes | \$119.00 |
| Joe Bailey | \$408.00 |
| Dixie | \$629.00 |
| Draw | \$525.00 |
| Grassland | \$241.00 |
| Magnolia | \$527.00 |
| Newmoore | \$320.00 |
| Gordon | \$365.00 |
| New Home | \$175.00 |
| Wells | \$200.00 |
| Total | \$6,259.00 |

W. L. Knight Begins New Brick Building

W. L. Knight today began tearing away a portion of the old frame building used in connection with the City Bakery preparatory to building a new brick structure on the lot.

Contract for the new building has been let, which is to be 28 by 106 feet in size, and Mr. Knight says that when completed it will be one of the most attractive business buildings in town.

The west end of the building will be used as a filling station and the east end will house the City Bakery. Mr. Knight says that the filling station will be up to-date in every respect while the City Bakery in its new quarters will be one of the best equipped and most complete bakeries in all West Texas.

He asks the customers and friends of the City Bakery to be patient and to bear with the management of the City Bakery just a bit until the new building can be finished and the new equipment placed, when he promises to re-open a bakery here that the whole city will be proud of.

COUNTY MEET LAST WEEK WAS BEST EVER HELD IN LYNN CO.

The University Interscholastic League Meet held at Tahoka, March 28, 29 and 30 was declared to be the biggest and best meet ever held in Lynn County. Competition was keen between the rival schools Tahoka High School won the All-Around County for Class A High Schools, Wilson High won for Class B High Schools, Tahoka Central Ward for Ward schools, and New Lynn for rural schools. (The Tahoka High School track team was the best that ever represented the school. Wilson High School had many more entrants than ever before. Many records were made in literary and athletic events. Fox of New Home showed championship qualities in the broad jump and other events. Lewis Spears of Tahoka Seventh Grade was the high point man of the meet, followed closely by Short of Tahoka High School, Ferich of New Lynn and Crews of Wilford in the order named. Mildred Holloway of Tahoka and Alice Ferich of New Lynn each made one hundred per cent in High School spelling. Edith, Morgan, Lakeview and New Lynn ran rather close races for

rural school championships. Joe Stokes, Grassland, Redwine and T-Bar also showed up well in the meet. O'Donnell again won both boys' and girls' debates over Tahoka. In winning these debates the O'Donnell speakers showed championship qualities that will make other teams of the District take notice. Lucille Lanier of West Point won the Three-R contest. Jack Ellis of Three Lakes won the Rural Pentathlon. Seventeen loving cups were presented to the winning schools of the county. Six of these new cups placed in the running in ward and class B High Schools for the first time by the Tahoka Chamber of Commerce. Over one hundred medals were given away for winning events. Below we give a list of the winners in the different events in the divisions:

Literary Events
Boys' Debates—Truett Hodnett and Walter Gaston (O) first; Smith Lawson and Jesse Robertson (T) second.
Girls' Debates—Verdie Hodnett and Mary Joe Gates (O) first; Lowell

(Continued on page 3)

Elect Cain Mayor, Finch City Marshal

VOTING LIGHT AT ELECTION

J. S. Wells, Sid Sanders and L. C. Haney Lead Local Ticket For City Aldermen

With the smallest vote that has been polled in Tahoka for a number of years, the City election Tuesday passed off very quietly.

Judge C. H. Cain was elected Mayor, J. S. Wells, Sid Sanders and L. C. Haney were elected Aldermen and Milt Finch was re-elected City Marshal.

While considerable interest was manifested in the election, yet the street discussions and the bitterness that have characterized some former campaigns were almost entirely lacking. Everybody kept in good humor throughout the pre-election campaign and on election day. No animosities were engendered, and the new administration enters upon its duties in an era of general good feeling. Perhaps the people felt that if either of the major candidates for mayor or any three of the major candidates for aldermen should be elected the citizenship would be well represented in the city hall.

The three new aldermen will succeed Jack Applewhite and H. W. Calaway, whose terms expire, and Homer St. Clair, who moved away. The new council will consist of the following: Judge C. H. Cain, Mayor; W. O. Thomas, W. S. (Skip) Taylor, J. S. Wells, L. C. Haney, and Sid Sanders with Mrs. J. B. Walker as city secretary, and Milt Finch as city marshal.

The result of the election as furnished us by election officers is shown below. There were a few scattering votes for alderman not reported in these returns. 343 votes were polled.

For Mayor: C. H. Cain, 187; W. S. Taylor, 135; Chris L. Adair, 8.
Aldermen: J. S. Wells, 189; L. C. Haney, 137; W. L. Knight, 119; R. E. Key, 59; J. D. Donaldson, 94; Sid Sanders, 172; D. W. Gaignat, 97; Shuster Penton, 73.
City Marshal: M. C. Finch, 222; B. Sanders, 76; T. A. Wimberley, 38.

Bands Coming to C. C. Meeting Here

At least four bands have already signified their intention of coming to the district meeting of the West Texas Chamber of Commerce to be held here on Wednesday, April 24, according to C. C. Williams, secretary of the Tahoka Chamber of Commerce. These are coming from Lamesa, Lubbock, Crosbyton and Abernathy. Others are expected. Crosbyton and Lamesa have also indicated that each of these cities will have a quartet present. Lamesa will also send a choral club while Crosbyton will be represented by her Ukulele Club.

Entrants for the "My Home Town Contest" have also begun to come in, according to Mr. Williams. Many entrants in this contest are expected.

POINTS SCORED IN ATHLETIC CONTESTS

| | |
|---|--|
| Class A | |
| Tahoka, 194 2-3; O'Donnell, 33 1-4. | |
| Class B | |
| Wilson, 86; New Home, 15; Draw, 1. | |
| Ward School Seniors | |
| Tahoka Grade School, 73; Wilson, 25; Tahoka Central, 14; Tahoka South, 4. | |
| Rural School Seniors | |

KING WINS IN STOCK JUDGING

Local Boy Carries Away Highest Honors At Panhandle-Plains Dairy Show

Bonnie King of the Vocational Agriculture class of the Tahoka High School went to the Dairy Show at Plainview, Tuesday and brought back the lion's share of the medals and prizes awarded vocational agriculture students for proficiency in judging dairy cattle. He carried off the honors as the high-point man in individual stock judging. He won a medal as the most proficient in the Jersey cattle judging contest. He won a \$15.00 prize as the all-round high-point man. He won a prize of \$7.50 as high point man in the Jersey cattle judging contest. He won a prize of \$1.25 as second high-point man in the Holstein cattle judging contest.

Curtis Stevens, Earl George and Lonnie King, other members of the Tahoka High School judging team, also made splendid records, each standing among the best in the contests, according to Taylor White, chief, teacher, who accompanied them to the Show.

These judging contests in which all these boys participated and in which Bonnie King brought back so many laurels, were participated in by judging teams from twenty-six high school vocational agriculture classes, according to Prof. White, coming from all over the plains and other parts of West Texas—from Dalhart northwest to Dublin southeast, with

(Continued on Last Page)

Jones Prepares To Erect New Brick

G. E. Jones, proprietor of the Jones Chain Stores, was here Wednesday and stated to a representative of the News that he is preparing to build a new business house on the west side of the square on the lot lying between the Sanarillo Cafe and B. B. Street Co. Contractors were then figuring on the job. We are not advised as to whether the Jones Store will be moved into the new building or whether it will be rented to some other business concern. At any rate Mr. Jones has faith in Tahoka.

Quartet and Students Entertain Kiwanians

Tahoka winners in the county interscholastic declamation contests entertained the Kiwanis Club at its luncheon Wednesday.

Little Audie V. Huffmeier, winner in the Tiny Tot story telling contest, told her story to the dignified Kiwanians, and she told it so well to bring hilarious laughter and lusty applause at the close.

Mary Jane Weathers, winner in the Junior Girls high school Declamation contest, gave her reading, and when she had finished the Kiwanians understood why she had won in the county contest.

Then came James Applewhite. He was winner in the Junior Boys Declamation contest, and he delivered his message with such clear enunciation, such perfect inflection and emphasis, as to convince his hearers that he is one of the future orators of this state.

Following these readings, the Stamps Quartet, which by the way consisted of five members, favored the Kiwanis with a number of their favorite selections and Boy! those young men can sing. It was great!

Dr. Towns, the President of the Club, is some wit himself, and he dropped a snappy word or a sparkling thought now and then that added spice to the occasion.

Work has started by line and the cre northward. A gre deep has been rolled.

She Suffered For 20 Years

"I suffered from inactive liver for twenty years and about three years ago I became so terribly run-down I could not attend to my household duties without stopping to rest.

MRS. JULIA OAK

"I would have such severe pains in my stomach after meals that I would have to run for the soda box. Disinfectant did not help me, and even the best medicine did not reach my case.

"But Sargon was right to the root of my trouble without losing a minute's time. I never saw anything like it. I felt better from the very first dose, and now I eat anything I want without any ill effects. I am not the least bit nervous and I feel so well and strong that even after I get through with my house work I want to be up and on the go.

"Sargon Soft Mass Pills completely overcame my liver, trouble and constipation. They act so gently that they did not upset my system or irritate the least bit.

"I know from experience that the Sargon treatment will end stomach and liver complaints. I feel just like I have been made all over like new, and I want all my friends to know why this grand medicine will do."

The above statement was made recently by Mrs. Julia Oak, well known and highly esteemed resident of R. F. D. No. 1, Box 177, San Antonio, whose motherly kindness has endeared her to hundreds of friends throughout her community.

Sargon may be obtained in Tahoka from Thomas Bros. Drug Co., and in Odessa from Corner Drug Store.

4-H CLUB WAS ORGANIZED AT MORGAN

The girls of Morgan school organized a club with Miss Greenwald presiding as chairman, Justine Grant, president; Catherine McQuilly, vice-president; Selma Voigt, secretary; Edna Voigt, reporter; Jennie Shaw, Song and yell leader. We have about eighteen girls who have joined the club. Miss Greenwald showed us how to make our sewing boxes and we have our first lesson at the next meeting. We will meet each first and third Tuesday.—Reporter.

T-SBAR 4-H CLUB MEETS

The 4-H Club of T-Bar met at the school house Thursday, March 21, 1929. The president, Diana McGarvey, took charge of the meeting. Gus Spenser, Mrs. J. B. Vinkery, and 12 members were present.

Secretary put a motion that the club girls occupy the vacant room for club work, the vote carried unanimously.

The following work has been finished since last meeting day: Here set, 2; Children's coop, 1; button holes, 4; sewing boxes, 3; slips, 2; seats, 2; garden space fixed, 2.

After all business was finished we sang some club songs and yells and the club adjourned until next meeting day, April 4, 1929.

MRS. J. E. BARNES IS GIVEN BRIDAL SHOWER

On Tuesday afternoon, March 26, at the American Legion Hall, Mrs. J. E. Barnes, assisted by Mrs. Alice Barnes and others, entertained with a bridal shower given in honor of Mrs. J. E. Barnes, formerly Miss Kate Lee Atkinson, celebrating her recent marriage to J. E. Barnes of this city. Quite a number of friends gathered at 4 P. M., bringing many useful gifts, a rolling pin being included by some thoughtful friend. The bride having entertained with a few selections on the piano, followed a thread through several rooms, eventually ending at a large packing case filled with the gifts. These were then displayed, the names of the donors being read. Ice cream and cake were served and the guests departed, having enjoyed a very pleasant hour.

Those present were Misses (Miss Atkinson, Alice Barnes, Finch, G. W. Williams, Wakefield, B. C. King, H. Disheroon, A. S. Congraun, J. E. Ketter, Ben Jones, F. G. Parr, and the Misses' Edith Mann, Delma Jones, Velma Disheroon, and Lois Disheroon.—Continued.

Some months ago Fred L. Garrison of Billie, Colo., sent 50 cents for a "trial subscription" to the Lynn County News. Recently he sent a check for \$1.50 renewing his subscription and complimenting the paper. The News goes to many states in the Union. Some of the subscribers have lived here in the past, others have relatives or friends here; still others have property interest in the county, and lastly there are some who are just interested in the country and wish to learn more about it. We send the good news far and near, from New York, New Jersey and Pennsylvania in the east to Honolulu on the west.

SLAT'S DIARY

Friday—Mrs. Hill was a selling Ant Emory what a savvy koope her husband had in the Revisiting home one of this boy's Boot Leg wisky & put it in the Melian Colford. In the dark he got up suddenly to talk a drink and all that saved his life was that they had a bottle of Carbolic acid next to the table and he drank that.

Saturday—P a days in class think times has enjoyed every much some he was a young married man. Use to be he says when they were going any place he had to lug on up into back and now when they are going any place why he has to lug on it instead.

Sunday—I was seeing Ant Emory today if she ever herd of Forgatory when she was a little young girl and she set some of the rig, foise use to give it to these children when they had Colins but her car just give her sun sweetened water and that she too, that was just about as good. I didn't go any further on the subject.

Monday Bitters and he was a going to give me a present and I that they was a litch in it sun where when he said there wasn't no strings on it. So this evening he bring me an a large and sure enough he talk the truth for once.

Tuesday—Mrs. Hunt says her niece is a very savvy girl and shows very good sense about sun few things. When she got married four yrs ago she saved her wedding dress and some that time she wore it for three of her weddings and she thinks it will be good for that many more if things break right for her.

Wednesday—Well we pretty near sold our 2nd handed ford this week. About a few days ago they was a folks talked about buying it so let him have it for a week to try it out but he bring it back today and said that after he have gasoline and oil for a week and made sun little repairs why he didn't have "off" money to make the lat payment on it. So the deal is off.

Thursday—They was a folks here today with sun time drama licker. Ant Emory says to him, Don't you feel off after you have been drinking licker like they make nowadays, and he replied and answered and said, Oh no you feel offe good, you feel like you are offe lucky that you woke up still.

Donley county cream shipments continue to increase. At Cleburnis 220 can gallon cans worth about \$12 per can formed a shipment which recently brought \$2500 to the town. Some cream is shipped by truck to nearby creameries.

The Lynn County News can still be had for \$1.50 per year—12 issues. We are also still offering the combination of The News and the Dallas Semi-Weekly Farm News for only \$2.00.

SCOUTS ADVANCED AT FIRST COURT OF HONOR

(Continued from first page)

Jess Eubanks, all of Tahoka; Mayor Wilder, Ben S. Cain and Scoutmaster Clyde Ash, of O'Donnell; and the troop committee of Troop No. 40 composed of D. H. Goodnugh, R. E. Key, and Truett Smith.

Monday night's program opened with a bugle call to assembly by Kenneth Reid, invocation by Rev. Breedlove, and a sing-song led by Rev. Williams. Second Class awards were made by Jess Eubanks, first by Rev. Breedlove and merit badges by Rev. Williams, each making short talks emphasizing the value of Scouting to the boys and to the community. A signaling demonstration and the making of fire by friction were interesting numbers on the program. The evening exercises were closed with the song "Taps" and the bugle call by Sam Breedlove.

M. L. H. Baze, chairman of the council, presided at the meeting.

Billman Has Hand Lacerated in Gin

F. M. Billman was the victim of a very painful and near serious accident last Saturday morning when his hand was caught in some of the cotton ginning machinery at the Edwards & Lockhart Gin, where he was employed. The flesh was terribly lacerated and it was at first thought that amputation of the member might become necessary. First aid treatment was given by a physician here and the patient was then rushed to a sanitarium at Lubbock where further treatment was given. Mr. Billman was able to come back home the next day but was compelled to return to the hospital early this week. He came back a second time Wednesday, with the wound showing much improvement, and it is now hoped that no serious consequence will follow.

Mr. Billman is unable to say just how his hand happened to get caught in the machinery, but the moment the teeth of the rapidly revolving machinery caught his hand he realized that his peril was exceedingly great and with his free hand he pulled the imprisoned member from the machinery by almost super-human force and thus saved his arm and perhaps his life.

Sacred Harp Singing Is Decided Success

The Sacred Harp Singing Convention held here last Sunday is reported to have been a most pleasant affair.

The morning session was held in the Court House, and while the attendance was not large the singing was much enjoyed by those present. The afternoon session was held in the Methodist Church and a large crowd was present to enjoy the program. The way the old folks and some of the younger ones sang the old time songs was very inspiring. These songs—and the music—have a strange fascination and create a spirit of reverence and a feeling of solemnity not produced by most of the modern sacred musical compositions. Many think that we ought to use the old songs more in our regular religious services.

Fort Stockton is experiencing a lively building boom. The new opera house when completed and furnished will represent an expenditure of \$75,000. Brick business houses costing \$20,000 are being built and plans for more made. Many substantial residences are going up.

SPANKING WEST TEXAS

By Richard H. McCarty in The Albany News

The West Texas crowd has been quite wrought up this week down at Austin. To start with, Governor Moody vetoed their pet bill and then someone told them they could not secede from Texas without a real reason. If there is any bunch in Texas that is spoiled, it is the West Texas crowd. They are fine fellows. They have some wonderful organizers in charge of their work, some of the best executives in the state, but sometimes we feel like they need a good spanking like the spoiled boy and put to bed without their bottle for one night at least.—Richardson Echo.

The above clipping is from the facile pen of the Hon. Sam P. Harben editor and proprietor of the Richardson Echo, and secretary of the Texas Press Association. He is large mentally as well as physically—yes, some boy, but he has stirred up a hornet's nest and he's going to get his feet wet when he jumps on West Texas. Oh yes, he says that West Texas needs a spanking, but what we want to know is who in the hell is going to do the spanking.—Says that we were mighty wrought up about Gov. Moody vetoing that land bill—Well, boy, did you notice how we spanked the red headed governor of Texas? Yes, just as soon as the giants come down from the west to storm the state capitol, to register their protests, and the doggone law makers dove-tailed into line, and gosh we swanned that red headed governor of Texas—Oh yes, it was a regular land slide, passed it over his veto and West Texas got what was coming to her—be it said that it has ever been thus. West Texas has had to scrap for what she wanted, and by doggies we know how to strike back. Of course you "durn-fellers" down there in the sticks think of West Texas as a waste, howling wilderness, inhabited by wild animals, rattle snakes, mule-eared rabbits and mollie cottontails and long horned cattle—and they think that just because we wear ten-gallon hats, bell spurs and leather leggings, that we are wild and woolly and simple. But get this boy, when West Texas puts on a show they rush the ticket office for front seats in the grand stand. Actors? Why Lordy, yes—Did you notice that Simmons Cowboys Band in the tour of the eastern states?—Why, doggone, they like to have stamped the inauguration proceedings, and Washington City declared a holiday to flirt with these Western giants—Put on a show, why bless your soul, boy, we went after Herbert, wanted to fetch him west and show him a sure enough God country—Why, yes, we bait our hooks for big fish, and by gosh, he said he would come—Yes! Captured the president of the United States, general of our armies, and the admiral of our navies coming west to be our guest this coming May at El Paso during the annual meeting of the West Texas Chamber of Commerce, the largest regional commercial body in the world, and think of it, the commander-in-chief of the greatest republic on earth has set up and taken notice, and agreed to visit this great empire. Spank West Texas, eh? Why, boy, she is a giant, and if you ever undertake it you will sure get stung. Stuck up, eh? Why, hell, who wouldn't be stuck up, living in a country like this some five or six hundred miles across it from east to west and about a thousand miles long—play snowball up in the northern part in the early morn, hop across this vast domain and lunch on oranges and grapefruit in the Magic valley at noon, and bath our feet in the gulf of Mexico at night—And here comes you fellers from down the sticks and talk about spanking West Texas and putting her to bed without her bottle. Yes, we are sassy and stuck up, have a right to be, living in the greatest country on earth, and with our varied interests out here, we have a right to some of the rich, ripe political melons being cut down there at the state capitol. Spanking West Texas, eh? Roll up your britches and wade in boys, the water is warm and the swimming is good—shed your duds and get in, the fracas is on. Oh yes, it's a great country, Sam, and the richest in the world—Its white faced cattle, Jersey cows, sheep and goats, copper mines and oil wells, fertile valleys and undulating hills, green grasses and bubbling brooks, fructified breezes where the ozone puts kick in your blood and takes the bile out of your system—Pretty women and handsome men—and scrappers did you say? Come on, you dern fellers down there in the sticks and put on that spanking stunt, eh?

Although having an adequate water supply at the present time Childress is preparing for the future by purchasing a tract of 280 acres of land at a price of \$16,000 to be used in drilling water wells. A dam may be built later to make a lake.

FIFTY THOUSAND ACRES TERRACED IN SCURRY

Fifty thousand acres of farm lands have been terraced in Scurry county, according to the Scurry County Times, which it claims to be the state record. To make possible the big program of terracing in that county, the commissioner's court turned the county road machinery over to the county farm agent. The county was laid off in zones and the work has proceeded systematically. Twelve farm levels were furnished by the county and forty-one additional levels have been purchased by individuals, and it is said that seventy-five men have learned how to properly use them. The cost per acre for terracing is said to run from 75 cents to \$1.25.

Santa Anna, after completing a new school building and a modern city hall has now started excavation preliminary to paving five blocks of the town's main street. Plans are being considered for additional paving to be done upon the completion of these five blocks.

Contract has been let for the new Silverton High School building to cost approximately \$85,000.00. The building will be completed by September. It will be modern in every respect and will be built and equipped with the latest and most modern of conveniences and material.

Beautify Homes

15 varieties \$11.00 to \$13.00 hundred delivered. State accredited and standardized quality chicks. All kinds of plants for West Texas \$1.00 thousand up. 500 varieties garden, field, and flower seeds. Poultry supplies of anything you want for poultry. Order anything you want for garden, orchard, lawn, field, poultry, and stock—we have it of quality at right prices.

BOY SCOUT WORK
Joe Edholm, secretary of the local Boy Scout troop, is doing an excellent work in training about thirty of Tahoka's fine boys for future citizenship. But, the work he and the boys are doing, as in many other weekly enterprises, is apparently unimportant with very little interest among the parents and the public in general, and Joe and a few of his co-worker citizens sometimes become greatly discouraged because of the lack of support given them by most. Regardless of the world's deficiency in this matter, however, he is putting Scout work over in all ways in Tahoka.

Many people come away or other possibly because of the similarity of

Habit.

Indigestion, by "burning a hole" in my business, and I am called out at all times, sometimes just before meal time, and this makes my eating as well as my sleeping very disagreeable," says Mr. Joe Edholm, of the Central Avenue, this city. "I had indigestion, on account of this indigestion, I would feel very uncomfortable after meals. I would be disgusted and have dizziness. I never had to take medicine. I remembered how, when at home before I was married, my mother would give me Black-Draught, and how she believed in it. "So I decided to take it again. It sure did me good. I am glad to let others know what a good laxative Black-Draught is. It does up a dull headache, and makes me feel like a new person." "Thousands of other men and women find Black-Draught a great help in relieving common ailments, due to indigestion, constipation and biliousness. In thousands of families, therefore Black-Draught has a corner all its own on the medicine shelf. It is over twenty years' old, safe, efficient, reliable. Sold everywhere. Dr. J. H. W. Williams, Proprietor.

the uniform to that of the soldier, have gotten the idea that the main purpose of the Boy Scout work is to teach the boy, more or less, military tactics. The purpose of Scouting is as far from this as white is from black. The primary purpose is to make better citizens of our boys by giving them an interesting study in their period of adolescence, teaching them the value of clean living, mentally, morally and physically, and having more respect for God and their country. Mainly through organized play and competitive study, they are taught practical things about civics, geography, astronomy, physiology, hygiene, first aid, nature study. They are taught swimming, camping, tracking, elementary principles of cooking, carpentry, etc. They are taught respect for their father and mother and for the aged and crippled, loyalty to their country and its flag, and the value of Christian living. Their motto is "Be Prepared" and the aim is "to do a good turn daily", and believe it or not, every true Scout lives up to these principles.

The Boy Scout organization is a great power today in developing our citizens of tomorrow—a great and greater power than any of us realize. Those who are in charge of the local work are spending much time perfecting it over, and we citizens owe it to our boys to give the work more encouragement and to lend a helping hand when called on.

LAWYERS IN THE LEGISLATURE
The bar as a whole is composed of gentlemen of the highest character. Many who make a specialty of defending criminals, however, have acquired the habit of resorting to any kind of tactics necessary to win. The more successful they are in keeping their clients out of the penitentiary, the greater their reputation as criminal lawyers and hence the higher their fees. They, therefore, oppose any reform in procedure that prevents delays, destroys loopholes for the criminals, and makes the administration of justice more prompt and certain. That is why the ordinary criminal lawyer in the legislature fights all measures designed to improve procedure. Some of the pro-

The Sanarillo Cafe
Caters to the tastes of the most fastidious, and we give service.

posed measures, possibly, are without merit, a few of them may be foolish but there are quite a number of vital and highly meritorious measures that should be adopted. Expenses by the criminal lawyers in the legislature who have thwarted these reform measures, are vain. The press of the State should give all possible publicity to their records. Patriotic lawyers and laymen alike should denounce the attitude of these friends of the crooks who cling the wheels of justice in the courts and who attempt to block every reform measure introduced into the legislature. So many criminal lawyers in that body.—Less County News.

Right! You hit the nail on the head that time, Brother Hill. With only the experience gained at one session of the Texas Legislature the writer can say that you are entirely correct. Knowing that you are a lawyer we do not hesitate to agree with you. The law profession as a whole is honorable and a necessary adjunct to our social and business life. It is certainly true that there are also many criminal lawyers in the legislature, and in most instances they are the type of men described in the Tahoka News article. Of 22 members in the Senate, 19 are lawyers and of 120 members of the House, 41 are lawyers. When the people realize that these lawmakers and more level headed business men should be sent to the legislature, the problem of law enforcement and law enactment will be largely solved. The writer can say from personal knowledge that many lawyers in the legislature are seeking ways of preventing their clients and are sponsoring laws that will better enable the lawyer to defend the criminal instead of support the lawbreaker. In the present session, a certain committee which had to pass on practically all the bills affecting criminal procedure, a leading member of that committee stated many times that he wanted to pass laws preventing the clients against the officials. He went so far as to state that "we should legislate against the officials instead of the criminal." In other words, the laws should curb the officials, and practically every bill that came before that committee that did not leave some loophole for the criminal or did not afford a good chance for the criminal lawyer to clear the criminal of any charge brought thereon, was either amended to do so, or killed by the committee. These are facts. You are right, Brother Hill, there are too many lawyers in the legislature and by far too many members who are seeking some special privilege legislation. We all know that when a man is driving a train he is usually, or at an annual or monthly salary, from a utility company, an insurance company, a freight plant, a machinery house, a railroad, an oil company and other concerns, that he is going to try to pass every bill at Austin that would be to the interest of his company and is going to try to kill every bill that is not to the advantage of his company, and we all know further that the interests of the general public and the interests of these concerns is equally as vitally in the matter of passing and enforcing laws of regulation and taxation. Doubtless, no remedy will ever be provided but we believe that no man should be permitted to serve in the Texas legislature if he draws one time as a fee, salary or other compensation from any individual or company while actually serving in the session, or is connected in any way with any individual or organization. While the lawyers are greatly in the majority in representation at Austin, they are not the only ones who go down there with the idea of enhancing their profession or business interests.—Colorado Record.

JUDGE MORGAN SUGGESTS MEANS TO BRAD-KATE COTTON PRICES
The News has received a communication from Judge N. E. Morgan of Lamesa suggesting that the farmers of the South Plains take steps to prevent a recurrence in the future of the average made last year by insects that proved upon the cotton plant throughout this section and did incalculable damage. We quote the following from his letter: "It is concluded that the various insects—worms and bugs—destroyed as much as 30,000 bales of the cotton crops in Dawson county for the year 1924." (And he proposes that the same figures are approximately

Modern Equipment.

what applied to Less county.) "It is further concluded that the average value per bale for that crop was \$20.00, thus entailing a loss of \$2,000,000. Some money!"

It is concluded that the average insect has several stages of existence out of which is the winged or flying stage. Every man with one eye and half sense knows that the average flying insect will fly into any artificial light exposed in the dark which will sting its wings and cause it to fall. It is well known that if a shallow pan of crude oil is placed under such light, light-bugs and insects fall into the oil they will die. "Is the game worth the light?" These artificial lights—oil burners and similar gas for oil—are to be put at intervals for a small area of money. Local hardware dealers and oil dealers could readily arrange to have the lamps, pans and oil delivered to the farmers at cost, no profit.

Judge Morgan suggests that more meetings be held in the various counties of the South Plains in which the cotton growers and business people should discuss the situation. He also suggests that this matter be taken up by the various chambers of commerce and that they co-operate with the farmers in a campaign to eradicate these pests and thus save millions of dollars to the people of this section.

Chamber of Commerce Taking Active Part in Many Affairs

This is the first of our Monthly News letters which will be issued about the first of each month to keep the members of the Chamber of Commerce and our towns people informed as to what is taking place and informing you how you can be a help to the Chamber of Commerce and your city. We hope you will read and like this publication.

The first call is for automobiles for the trip to the Panhandle Plains Dairy Show at Plainview next Friday April 5th. We want twenty five cars from Tahoka. Will you take Friday off from your business, and

invite as many of your farmer friends as your car will hold and take them to the Dairy Show? On this day the cattle will be paraded and in the afternoon those which are for sale will be sold at auction. We are interested in building up the dairy production of our trade territory and this is one good way that you can contribute your part to the program. If you can go; simply invite your farmer friends and gather with the bunch in front of the First National Bank at 7:00 o'clock next Friday morning. The Secretary would be glad if you will call him that he may have a list of those going.

At the last meeting of the Board of Directors it was decided that a county wide survey be made of the products grown, and the number of the various kinds of poultry on the farms of Lynn County. This Questionnaire has been prepared and will be in the hands of the farmers before the latter part of the week. The information secured from this survey will be of great value in furnishing statistics and for the future promotion of the Diversified program of farming. The merchants can be of great help if they will keep a few of these blanks in their stores and have the farmers sign them as they come in the store to trade. When this survey is complete the results will be tabulated for the use of anyone wanting it.

Plans are progressing and everything is in fine shape for the Convention. A contract was signed last week by members of the Convention Committee whereby the city will be decorated for the Convention at a saving of more than \$100.00 to the merchants. Every Secretary of every Chamber of Commerce on the South Plains is being written to and urged to have their respective towns bring organized groups, bands, ukulele clubs and quartets to the Convention. Every superintendent of Schools in the towns of the South Plains have been written to and urged to have an entrance in the "My Home Town" contest. Letters have begun coming to the office from the Secretaries stating the large delegations are being planned from their towns, and four bands have already been promised.

Members of the Civic Committee are busy on two very important improvements for Tahoka. Plans have been drawn up and the City Council have agreed to install a White Way in the business district of Tahoka. The committee is also working to secure more concrete sidewalks. This is the only requirement, which has not been met for securing free city mail delivery. You can help this Committee by talking to your neighbor and convincing him that he should put down a sidewalk in front of his property.

It has been decided that the fourth Monday shall continue to be advertised as our regular Trades Day, and that we shall furnish the farmers an auctioneer to sell their old tools or whatever they bring in to sell. The auctioneer failed to do his part last Trades Day, having left town without saying anything to anyone about going and Judge Grider had to do most of the auctioneering while the other fellow got the money for it. Do not subscribe for any fund for future auctioneering until notified from this office, as Board of Directors have decided that we will pay a man to do the auctioneering from the funds of the Chamber of Commerce. Not many merchants were seen on the lots that day. It would be fine if you would come out and mix with the farmers some while they are here on Trades Day. You might be surprised at the number of people and the amount of second hand plows and other things which are brought in for sale.

The membership Committee is still at work and is still getting results. Let every member of the Chamber of Commerce get one new member during the month of April. A Roster of the membership of the Tahoka Chamber of Commerce will be a part of this News letter next month, and it would be fine to have every business man and professional man in Tahoka on it. The amount set for the Budget by the Membership Committee has been reached, but the larger the budget the more work which can be undertaken and completed. The Budget to date as pledged amounts to \$5,066.20. Let's all take our hats off to the men who have worked on this Membership Committee.

There is one thing which if the merchants of Tahoka will lend their co-operation in that we can save the city several hundred dollars each month and perhaps thousands during the fall months. Never donate to any out-of-town advertisers, Societies and beggars of any kind unless they have a letter from the Chamber of Commerce stating that they have been investigated and found worthy. Your Secretary has had some very valuable experience in this line, and wishes to guard against you, donating toward worthless institutions, of which there are many making this country. When they come to you just ask them if they have a letter from the Chamber of Commerce. If they do not have a letter on Chamber of Commerce stationery and signed by the Secretary simply tell them to come to the office for a letter, and they will be investigated before being given a letter.

On April 24 there will be delegations in our city from towns all over the South Plains. The Convention Committee is desirous that the

citizens of Tahoka and especially the business men act as real hosts on that day. It is hoped that every business firm will register, at least one person from his store and attend the morning session of the meeting, and eat luncheon with the guests wherever it is held. Do not let it be said that "every business man stayed behind the counter and let the outsiders have the convention." Buy your button and eat with the visitors and try to make them feel that they are welcome in our city.

Next week the Community Good Will Trips will start. Programs will be arranged by the Community Work Committee. It is planned to visit at least one of our Communities each week and put on a Good Will program for them. Now, this will be a success in just so far as you support it by going to these meetings. They will be planned for Friday nights and it is hoped that every business and professional man in Tahoka will attend them. They can not be a success without your attendance. You will be notified in ample time to make arrangements to go. Make up your mind now that you are going to help make these Good Will trips a success. Trade is built through Good Will and that is what we are going to build up. Make Tahoka the trading place for all Lynn County.

The South Plains District Convention of the West Texas Chamber of Commerce to be held in Tahoka April

Coming to LUBBOCK
Dr. Mellenthin
SPECIALIST
in Internal Medicine for eighteen Years

DOES NOT OPERATE
Will Be At
LUBBOCK HOTEL
Thursday, April 11th
Office Hours: 10 A. M. to 4 P. M.
ONE DAY ONLY
No Charge for Consultation

Many of this community will avail themselves of the opportunity to visit Dr. Mellenthin on this special visit to Lubbock. The doctor pays special attention to the SCIENCE OF INTERNAL MEDICINE AND DIETETICS. He is trying conscientiously to eliminate surgery in his treatment of disease as far as possible.

He has to his credit many wonderful results in diseases of stomach (especially ulcers), glands (especially goitre), ailments of women, diseases of liver and bowels, as infected gall bladder, gall stones, appendicitis, chronic constipation, colitis, auto-intoxication and rectal ailments, circulation disturbances as high or low blood pressure heart and blood disorders, skin, nerves, bladder, kidneys, bed-wetting, weak lungs, tonsils, adenoids, metabolic disturbances such as Rheumatism, sciatica, leg ulcers and chronic catarrh.

Medicines are prescribed and prepared for each individual case in his private laboratory, also special attention given to diet as to proper balance and selection of foods.

For this service a nominal charge is made.
Dr. Mellenthin is a regular graduate in medicine and is licensed by the State of Texas.

Married women must be accompanied by their husbands.
Address: 224 Bradbury Bldg., Los Angeles, California.

TORTURING PAINS

Caredo Lady Tells How She Was Unable To Find Anything to Relieve Them Until She Took Cardui.

Caredo, W. Va.—In telling how she was benefited by taking Cardui, Mrs. Perle Yelkey, of this place, says: "At one time, I had a very serious spell which left me weak. At times, I would suffer such intense pains across my back and in my side that I could hardly stand it."

"I endured this over and over again. Every time the pains were worse than before. I was in despair because nothing helped me. I tried several remedies, but I continued to suffer. One day, I read about Cardui. Other women told how they had gotten strong and well after taking it. I have often been thankful for that day, for after I had taken Cardui for awhile, I felt like a different human being."

"It did not seem possible, but I did not suffer the old torturing pains and I really felt well. I can heartily recommend Cardui for I know how much I improved after I took it. Since then, I have taken it several times when I have needed a tonic and I have always been benefited. It is a wonderful help. All good druggists sell Cardui. Try it for your troubles."

CARDUI

24th will sponsor a "My Home Town" oratorical contest, at which all high school children under 21 years of age

will be eligible. Secretary C. C. W. Williams of the Chamber of Commerce has mailed out rules and regulations.

Locals

G. T. Brewer dropped in Tuesday and renewed his subscription. He is delighted with the good prospects for a crop. He says one of the men on his place near Joe Bailey began planting maize Monday and expected to begin planting cotton about Wednesday. All the men on his farms will begin planting cotton next week. Mr. Brewer is an advocate of early planting when the moisture in the ground is sufficient to justify.

Mrs. W. C. Pritchett and Mrs. J. H. Kaykendall of Edith were callers at the News office Wednesday. Mrs. Pritchett had recently returned from Dallas and reports that the mud was very deep down there—and sticky.

Mr. and Mrs. W. L. Knight leave today for a few days visit with Mr. and Mrs. M. M. Boyd at Amarillo. Mrs. Boyd is their daughter.

If you need maize, kaffir, higer, sudan, or sorghum seeds for planting, you can get them at Pack's Feed and Produce.

In renewing for the News this week Mrs. S. H. Windham kindly complimented the paper. We want to make the News a welcome visitor in every home.

Various kinds of field seeds for sale at Pack's Feed and Produce.

BARGAIN—Have farm land prepared and seedbeds planted for rent. Also bargain in beans, seeds, and feed.—Harley Henderson 32-26

Mr. and Mrs. W. C. Cowan left last Friday morning for Lone Oak, Burn County, to which place they were called by the serious condition of a brother-in-law. It was not thought that he could live many days.

S. W. Ellis is here this week from Christoval, visiting Miss Vidia here and other relatives at Three Lakes. Mr. Ellis is doing a thriving business at Christoval as the proprietor of a filling station.

Mrs. George W. Small and daughter, Miss Ida, left Tuesday morning for Fort Worth, where they expect to spend several weeks.

Miss Jamie Harrington, who was taken to Lubbock for an operation two weeks ago, is now much improved, according to her father, R. P. Harrington. She expects to be able to secure home Saturday. Her condition was very serious for several days and many friends will be glad to note her improvement.

W. E. Neyland left Tuesday for a short business trip to Dallas. He was accompanied as far as Fort Worth by C. N. Wood and Rex Rogers.

G. E. Hogan was a business visitor to Tulsa Wednesday.

Mrs. J. A. Brasher is spending a few days this week in Lubbock.

Mr. and Mrs. D. B. English went to Sudan and Mileshoe Wednesday.

Joe Bovell, who has been quite sick for the past several days, is thought to be improving.

E. E. Carpenter has just returned from Copetas Cove, Coryell County, to which place he was called several days ago by the illness of his mother. He left her much improved.

NEW MOORE-SLASH L GIRLS ORGANIZE 4-H CLUB

The New Moore and Slash L girls organized a girls 4-H Club on March 28. Miss Thelma Greenwald, county home demonstration agent, was with us. The following were elected as officers: Mrs. Lela Mae Baster, President; Miss Jessie Wright, Vice-President; Miss A. B. Gilliam, Secretary; Miss Icie Stramer, song and yell leader; Nannie Lee Light, Reporter.

We meet the first and third Monday in each month.—Reporter.

SNYDER TO HAVE FLYING SCHOOL

D. P. Yoder, owner of Snyder's new airport, will start instruction of a hanger at once, according to Scurry County Times. He has also just purchased a new air plane and will engage a pilot to start a flying school at an early date.

The word "SNYDER" in letters 22 feet high has been placed at the field, enabling the pilot of a plane fifteen miles away to tell what town he is approaching, it is said.

RETRIVAL MEETING BEGINS AT GRASSLAND SUNDAY

A revival meeting will begin at the Church of Christ at Grassland next Sunday morning, according to W. T. Garrett of that place who was here Wednesday. Elder W. A. Kenchville will conduct the services, which will be held at night throughout the following week and over the following Sunday. On next Sunday morning the Grassland pastor, Elder S. D. Lefson, will fill the pulpit of the Church of Christ here in the absence of the pastor.

The Grassland congregation extends a hearty invitation to all to attend the meeting.

PETTY NEWS

The good rain was a welcome visitor in this part of Lynn county. It has given us a good planting season.

There was a large crowd at the Easter egg hunt at the Dockery's Sunday. Quite a number of eggs were hidden and the kiddies were turned out to hunt them. A large rabbit was killed right among the little tots who were hunting the eggs. Mrs. G. S. Smith had placed eggs in two feet of the big rabbit.

J. W. Stroud of Plainview is visiting Mr. and Mrs. Brooks Smith this week.

Our school played April Fool Monday and all went on a picnic. A rice dinner was spread, and all had a good time.

R. E. Overstreet is at Petty this week on business.

While going to a party last Friday night, Warren Smith was thrown from the horse which he was riding and was knocked unconscious. He lay out alone for several hours before being discovered and picked up by a neighbor and taken to a house.

Mr. Dockery's daughter, Mrs. Brumbridge, will leave Saturday for her home near Dallas.

Mrs. Dockery is quite ill this week. Also little Willetta Smith has been quite ill the past week.—Reporter.

Additional Petty News

Rev. J. B. Thompson of Wilson will preach at Petty Sunday eve at 7:30 o'clock, April 29.

Mr. Venne Unford and family of Lamesa spent the week end with his brother, Mr. Joe Unford.

We are sorry to hear that little Myrtle Armon is so sick. He will be operated on at the Lubbock Sanitarium Wednesday morning at 9:30 o'clock. We hope for him a speedy recovery.

Mr. Armon's brother from Oklahoma spent a few days last week with him.

Mr. and Mrs. R. E. Nowlin made a business trip to Meadow Tuesday.

Mrs. Joe Unford made a business trip to Lubbock Monday.

Mr. and Mrs. Z. Reynolds spent Sunday visiting in the Lynn community.—Contributed.

NEW MOORE-SLASH L CLUB HAS GOOD MEETING

The New Moore and Slash L Club met Monday, April 1, at the school house. There were 17 old members present and three new members were added to our club.

The county home demonstration agent was present and gave the demonstration on the cap and apron.

The club is a real lively one and is going to give the other clubs of the county a race for the prize this year. Each one has a hearty invitation to come and join us.—Reporter.

A prize winning pen of ringlet Barred Rock chickens has been purchased by a Dalhart poultryman. The pen cost \$65.00 and won first honors at the Madison Square Poultry Show in New York. The formation of a poultry show in Dalhart recently has aroused considerable interest in poultry raising.

Two well known West Texas women will be on the program of the Oil Belt District convention of the West Texas Chamber of Commerce which will be held on April 18th. They are Lexie Deat Robertson, professor of Elbing Star and Christie Carter, vocalist of Breckenridge.

4-H Clubs have been organized at Sawyer, Loop, Seagraves, and Hilldale with a total membership of 48, by County Agent R. F. McFetridge. Of the forty-eight members, ten have pigs as their project, nine have poultry, ten have corn, six have gardens, two have cotton, nine have dairy calves, and one has maize. The County Agent will meet with each club twice a month.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the disease so fatal to child life. The safe cure is to give a few doses of White's Compound. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 25c. Sold by

THOMAS BROS. DRUG CO.

Stamps Quartette Gives Program Here

The famous Stamps Quartette presented a program at the High School Auditorium Tuesday night which is said to have been very fine. The program was not only highly entertaining from a musical standpoint but was filled with the richest comedy. Those who attended have expressed the hope that the Quartette may be induced to return for another engagement next year.

LUBBOCK MAN INJURED IN CAR WRECK NEAR TAHOKA

W. A. Strickland, 65 of Lubbock, was injured Monday night when the Dodge Sedan which he was driving collided with a truck at the second turn of the highway southwest of town. We were unable to learn the extent of his injuries but the physician who went out to see about him reported that the patient claimed he needed no medical or surgical attention and returned to Lubbock the next morning. The steering wheel of his car was broken off and the car otherwise badly damaged.

The injured man is said to have been driving at a rather high speed on the wrong side of the road, and did not see the approaching truck until it was too late to avoid a collision. The truck was not badly damaged.

TAHOKA SPLITS TENNIS MATCHES WITH POST

Tahoka High School boys tennis team, composed of Jack Ally Robinson and Oran Short, defeated Post 2-1 on the local court Monday afternoon. The games were 5-4, 2-6, and 6-3.

In a contest between the girls teams from the same schools, Post won from Tahoka 3-0. The game scores were, 6-4 and 14-12. Neva Hinkenthoeker and Lucille Cashion represented Tahoka.

FOR HOME AND STABLE

The extraordinary Boromine treatment for both wounds, cuts, sores, galls, lumps and scalds is just as effective in the stable as in the home. Horse flesh heals with remarkable speed under its powerful influence. The treatment is the same for animals as for humans. First wash out infectious germs with liquid Boromine, and the Boromine Powder completes the healing process. Price liquid 30c, 6lb and 12lb. Powder 30c and 6lb. Sold by

FOR ECONOMICAL TRANSPORTATION

Ten Reasons why 300,000 careful buyers have chosen the New Chevrolet Six since January 1st

Ever since the date of its introduction, the new Chevrolet Six has swept triumphantly on to greater and greater heights of popularity. Value for value and price for price—buyers have compared it with other cars in the low-price field. And the result has been an overwhelming public preference—over 300,000 buyers since January 1st. And everywhere the enthusiasm is constantly increasing—for the new Chevrolet Six combines, as does no other car in the world, those ten great fundamental factors which careful buyers are now demanding in the cars they buy.

6-Cylinder Smoothness

Due to the finer inherent balance of its six-cylinder valve-in-head motor, the new Chevrolet provides that smooth, quiet, flexible performance which is the distinguishing characteristic of the truly fine automobile. At every speed, the power is delivered easily, freely and without annoying vibration. You can ride and drive for hours without annoying rumble or noise fatigue—every mile a delight for both driver and passengers.

6-Cylinder Getaway

And in sheer brilliance of performance, as well as in smoothness and quietness of operation, the new Chevrolet Six is a revelation. An automatic acceleration pump results in remarkably fast acceleration whenever the accelerator is suddenly depressed. And a new high-compression, non-detonating cylinder head eliminates every trace of "lugging"—even when you have occasion to accelerate swiftly in high gear.

6-Cylinder Speed

Naturally, Chevrolet's powerful six-cylinder valve-in-head motor might be expected to provide speed in abundance. But even more important than the speed of the new Chevrolet Six is the smooth, quiet, restful comfort you experience at every point on the speedometer. You can open the throttle wide with a feeling of complete security—and you come to the end of a full day's drive entirely free from the weariness caused by engine noise and body rumble.

6-Cylinder Power

The great reserve power of the new Chevrolet Six is a constant delight. The steepest hills are taken with ease. Heavy roads are negotiated without the necessity for frequent gear-shifting. And even at the higher speeds, there is always that feeling of confidence which comes from the knowledge that additional power is at hand . . . instantly available for whatever need may arise.

Modern Safety Features

The new Chevrolet Six is equipped with every modern safety and convenience feature—typified by a full ball bearing steering mechanism, non-locking 4-wheel brakes with separate emergency brake, foot controlled adjustable two-beam headlights, automatic fuel pump, theft-proof Electrolock, electric motor temperature indicator, and Fisher VV windshield and adjustable driver's seat in all closed models. As a result, it is one of the easiest and safest cars in the world to handle.

Better Than 20 Miles Per Gallon

The marvelous performance of the Chevrolet Six would be considered exceptional in any automobile. But in the new Chevrolet it is nothing short of sensational—for here it is combined with operating economy of *better than 20 miles to the gallon of gasoline*. As a result, those who can afford to own any automobile can afford to own and operate a Chevrolet Six!

Exceptional Riding Comfort

Another vital factor that has influenced hundreds of thousands in their selection of the new Chevrolet Six is its exceptional riding comfort. Built on a wheelbase of 107 inches . . . offering the deep-cushioned luxury of bodies by Fisher . . . and with the entire upper structure cradled on four long semi-elliptic shock absorber springs—it travels the roughest highways with amazing comfort. And its balance on turns and curves is

equally exceptional—for the rigid frame and the long springs reduce sidesway to the minimum.

Beautiful Fisher Bodies

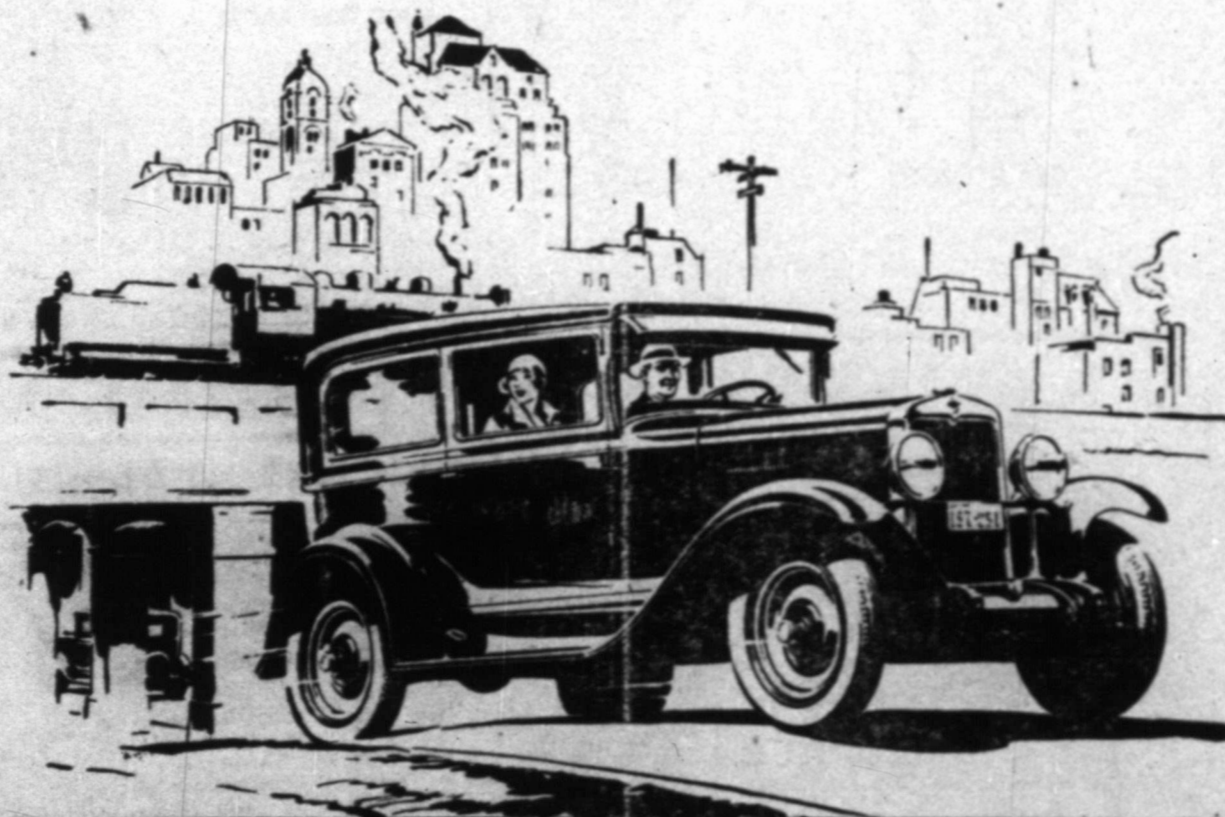

The marvelous bodies on the Chevrolet Six reveal, as never before, the matchless artistry that has made the Fisher name renowned throughout the world for excellence in coachcraft. Longer, lower and roomier . . . finished in attractive, long-lasting colors . . . and upholstered in rich deep-tufted fabrics that give to the interiors an air of custom elegance—they introduce into the low-price field an entirely new measure of style and distinction.

Proved Dependability

Before the new Chevrolet Six was presented to the public, it had been tested for more than a million miles on the roads of the General Motors Proving Ground. Never did a new motor car go into the hands of its owners more thoroughly proved in every detail. And now, reports of its performance on the highways of the nation pay glowing tribute to its endurance and dependability.

Amazingly Low Prices

Many people do not realize that this marvelous new six-cylinder Chevrolet is actually offered in the price range of the four. Compare total delivered prices as well as factory prices when determining automobile values. You will find Chevrolet delivered prices include the lowest handling and financing charges available.

NEW LYNN 4-H GIRLS CLUB GROWING FAST

The New Lynn 4-H club met at the school house Tuesday afternoon, April 2. Miss Greenwade met with us and discussed making button holes to put on our caps and aprons. All of the club members had their assigned work completed. We also received four new members.—Reporter.

BONNIE KING WINS MEDAL IN JUDGING CONTESTS

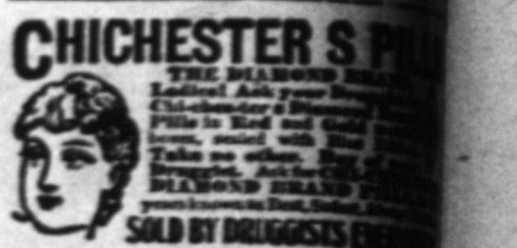

(Continued from first page)

nearly a hundred boys participating. Hence it can be seen that competition was keen. It was high honor, therefore, which Bonnie King won for herself and for the Tahoka High School. Prof. White quotes one of the expert judges in charge of the contest as saying that "Bonnie King was one of the best judges of dairy

cattle that he had ever seen. His team as a whole won 100% which is very good considering expert teams which were present and competed.

There were 275 head of registered dairy cattle in the Prof. White stated, and he pronounced it very fine. He thinks every business man and farmer in Lynn County who can possibly should go with the Lynn County judging on Friday. He reports immense crowds were there Tuesday.

AN EXHILARATING EFFORT A bottle of Berbine on this home is like having a doctor in all the time. It gives instant relief the digestion gets out of order, bowels fail to act. One or two all that is necessary to start things and restore that fine feeling, animation and buoyancy of spirit, long only to perfect health. Sold by THOMAS BROS. DRUG CO.

Lynn county, in the heart of the best diversified farming country in Texas.

Volume XXV.

BETTER HOME WEEK APRIL

Big Increase In Scholastics There has been an enormous increase in the number of scholars in the Tahoka Independent School district since March, 1928, according to the census returns made by Weatherford, the census taker in the district. The enumeration made by Weatherford shows that the number of scholars in the district this year, was 706 while in March, 1928, showed only 618. This is an increase of 102, or 16 per cent.

SCHOOL BOARD TEACH

At a meeting of the school board Tuesday night a number of members were elected for the next year. Prof Taylor White was elected as vocational agriculture teacher by unanimous vote of the board did not take action on the matter when other teachers were present. A month ago an account of the uncertainty of funds that was furnished by the State and Federal governments for this work. Now seems certain that no money will be furnished. Source either this year or next was furnished last year. Board was of the opinion work should not be discontinued any event and therefore the action in the matter was postponed.

SCHOOL BOARD TEACH

Miss Irene Armes, teacher in the High School, was elected. Miss Jessie Sargent, who has been teaching the past two years, was elected as a grade teacher for the ensuing year. Prof. and Mrs. Allen of Tahoka were also elected to positions.
