Lubbock Seeks Bids On Huge Water Lines

The completion of a giant water pipeline to pump water to the city of Lubbock from Bailey county sandhills appeared imminent this week with the calling for bids for the construction of feeder lines and a caretaker house by the city of Lubbock Sunday.

One of the legal notices is for bids on 17,800 linear feet of 30, 14 and 10 inch pipe, to be used in League 206 Bailey county, the location of part of Lubbock's water rights.

The other notice is for bids on the construction of a frame residence in the same area for the city of Lubbock, which will undoubtedly be used by supervisory personnel.

A huge reservoir was constructed during the summer months, and the laying of the 48-inch pipeline has now passed Anton and lacks only a few miles of joining existing lines at Shallowater.

A. W. Beaty Passed Away January 29

Albert Warren Beaty, 77, passed away Jan. 29, at 1:45 a. m., in Hendricks Hospital, Abilene, Texas. He was buried in Cedar Hill cemetery, Abilene, Jan. 30.

He is survived by two daughters, Miss Adell Beaty, Abilene, and Mrs. A. E. Lewis, Muleshoe, and three sons, J. Collins Beaty, of San Antonio, Tex., J. Truett Beaty, of Corpus Christi, Tex., and Dr. B. Z. Beaty, of Muleshoe; also seven grandsons and two granddaughters, two sisters and one brother.

He was preceded in death by his wife, Dec. 5, 1949, and by one daughter, Mrs. Lucille Beaty Campbell, March 16, 1951.

He had resided in Abilene since 1926. Those attending services from Muleshoe besides the families were Mr. and Mrs. Cecil Tate, Mr. and Mrs. Roy Jordan, and Mr. Albert Carroll.

County Purchases Three New Cars In Tuesday Meeting

The Bailey County Commissioners' Court voted Tuesday to purchase three new automobiles for use of the county sheriff's department, following the opening of bids on the three units in a meeting Tuesday afternoon.

The Court accepted the bid of Muleshoe Motor Co. for three 1957 Ford V-8 four-doors, equipped with overdrive at a net cost of \$4691.30 including the trading in of two 1955 Plymouths now being used by the department.

Bids were submitted by four local auto dealers. The Commissioners voted 3-1 in favor of the bid submitted by Muleshoe Motor Co.

NAME OMITTED

In publishing the names of participating merchants in the Trades Day promotion last week, the name of Cashway Grocery was inadvertently omitted. Cashway is participating in the Trades Day and tickets may be obtained at the store.

City Council Expects Petitions For Annexing Southwest Area To Town

A petition is expected to begin circulating by the end of this week asking for the annexation of an area in the southwestern part of Muleshoe into the city limits. The area will be bounded by the north side of the Clovis highway for one-half mile from the present city limits and seven blocks south, and back to West Eighth street. The western boundary will fall just short of West 19th street, extending from the present limits at West 14th street. City engineer Ralph Douglas told the City Council Wednesday afternoon that the petition would be ready for circulation by late this week.

The Council discussed supplying water and sewer facilities to the area after annexation, and while no definite date could be set for this move, it is expected that facilities will be supplied within a reasonable length of time.

Pools Erecting New Building

Work has started on a new office building for Pool Insurance Agency. Bob Pillow is the contractor for the 25 by 60 foot structure.

It will occupy the space now used by their office, plus the vacant ground to the rear of Muleshoe State Bank.

The building will be of masonry construction and will have a modern glass front. Cost of the building, including partitions to provide needed offices, will run to about \$15,000, it was said.

Modern Agriculture Day At Friona Feb. 12

A modern agriculture day will be held in the Friona high school auditorium next Tuesday afternoon, February 12 at 1:30 p. m., sponsored by the Extension Service and the Burlington Lines.

Joe Jones, Farmer County Agent has invited all farmers and business men to attend the meeting.

Bob Cherry, Economist from A & M College will begin the program with a talk on "What's Ahead for Farmers", followed by

Walter Damron Is Re-elected Prexy Five Area Phone

Walter Damron was re-elected president of the board of the Five Area rural telephone cooperative at a directors meeting held here Monday night.

J. H. Angeley was re-elected secretary-treasurer, and G. D. Lewis was named vice-president.

The organizational meeting was held some time later than the annual meeting at which time the length of service of each director was determined by adoption of resolutions by the membership.

Banks Close Tuesday

Both the First National and Muleshoe State Banks will be closed next Tuesday, February 12 in honor of Lincoln's birthday anniversary.

Businesses requiring payroll or having other bank business to transact are asked to note the closing date.

Bobo To Erect Office Building

Erection of an office building for Pat Bobo will begin within the next few days, he announced this week.

The building, to be one story of masonry construction, will be 60 by 40 feet in dimensions. It will house offices of Guaranty Abstract Co., Bobo Insurance Agency and Pat Bobo, attorney.

The building will occupy the east end of lots 23 and 24, block 21, old town. West end of these lots, which recently were purchased by Mr. Bobo, are occupied by buildings of the Muleshoe Ice & Produce Co. The new building will face north on Avenue C.

The three offices now occupy rooms in the Muleshoe State Bank building.

City Election Called For April 2

A city-wide election has been called for Tuesday, April 2, for the purpose of electing three city aldermen, it was announced this week by Mayor W. T. Bovell.

Incumbents, whose terms of office expire this spring include Lloyd Alsop, Horace Blackburn, and Houston Hart.

Other members of the Council include aldermen Ernest Kerr and Morris Douglas.

None of the incumbents indicated at press time whether they would seek re-election.

The first of a weekly series of public drawings for cash prizes totaling at least \$85 weekly, will be held Saturday afternoon at 4:30 in the area between Western Drug and Vaughn's service station on main street in Muleshoe.

The drawing will climax the first week of Trades Days sponsored by the Muleshoe Chamber of Commerce and the retail merchants of this city. Beginning Monday of this week 44 merchants have been giving free

Only 1440 Pay Poll Taxes In Bailey County

Less than 1500 persons in Bailey county will be eligible to vote in several important elections to be held during 1957, as the result of failing to pay their poll taxes before the deadline last Thursday evening.

Only 1440 poll tax receipts were issued by the office of Carvey Stafford, county tax assessor-collector at closing time Thursday.

Last year, more than 2250 poll tax receipts were issued for voting during a presidential election year.

Johnson-Pool Buys Carothers Lots On West 1st

Johnson-Pool Tire & Appliance have bought two lots across the alley from their store from Mrs. A. M. Carothers. It was announced this week.

The appliance firm management said they bought the lots for the convenience of their customers for parking. Also, they have erected a small garage on the alley so that tractor and car tires may be changed or mounted on the inside.

Buildings now on the lots will be moved at some time in the future and Johnson-Pool probably will erect a building for extra storage. The lots front on West First 30 feet and extend 140 feet back to the alley.

Fred (Doc) Roger's Has Opened TV-Radio Shop

Fred (Doc) Rogers, recently of Snyder, has now opened the Rogers TV and Radio Service in White's Auto Store located on North Main, Muleshoe. He announces he will answer calls both day and night. His ad will be found on another page of this issue.

Each merchant who participates in the Trades Day drawings offers free tickets with numbered stubs. The stubs are to be placed in special boxes in each store, and will be placed in a common receptacle for the Saturday afternoon drawing.

First prize in the first week of Trades Day is \$50 cash. Second prize is \$35, and third prize is \$10 cash.

Journal To Raise Subscription Fee Effective March 1

Subscription prices to The Muleshoe Journal will be increased, effective March 1.

Subscribers within the county and adjoining counties will pay \$3.00 per year for The Journal, rather than \$2.50, and in other areas, the subscription price will be \$3.50 per year.

The publishers of The Journal have "held the line" in the face of rising production costs for many months now, and must reluctantly announce the increase. With newsprint rising in price almost periodically, and other production costs also mounting, the rate raise for subscriptions becomes mandatory.

Subscribers may renew their paper before March 1, regardless of the expiration date, at the old rate of \$2.50 in the county and adjoining counties, or \$3.00 per year outside the immediate area.

Tractor Mishap Claims Life of Mvrlon Guess

Mvrlon Guess, a relative of several local people, was killed Monday morning when a tractor he was operating on his farm near La Junta, Colo., fell on him. He was alone at the time so that details of the accident were not known here.

Mr. Guess was 42. He is survived by his wife, two sons, Johnny 17, and Robert 15, and a daughter, Nelda 12. Mr. Guess was a nephew of Mrs. Cecil Davis, a grandson of Mrs. G. T. Guess, and a nephew of Orion Guess, all of Muleshoe. He was the son of the late G. T. Guess, a pioneer resident of this community, residing here for 42 years until his passing in 1947.

Funeral services were held Thursday afternoon in the First Baptist Church of La Junta and interment was in LaJunta cemetery.

J. I. Guess, of Weatherford, came by here Monday and was accompanied to LaJunta by Orion Guess Tuesday.

The first prize ticket will be drawn and if not claimed within five minutes, the \$50 will be added to the first prize money to be given away on February 16.

Second and third prize tickets will be drawn until a winner claims the money. Families of participating merchants are not eligible to participate in the drawings, although employees are eligible.

Using the theme of "Buy It In Muleshoe", local merchants are sponsoring the Trades Day cash

prizes with a gesture of appreciation to their patrons.

All participating Trades Day merchants—have signs in their windows proclaiming they are Trades Day stores, and free tickets may be obtained therein for the asking.

Merchandise sold after 3 p. m. Saturday will be good for tickets on the next weeks drawing. All numbered stubs will be collected at 3 p. m., and any ticket stubs deposited after that hour will be held over for the following Sat-

Three Persons Killed In Highway Accidents In County During 1956

During 1956, three persons were killed in highway accidents in Bailey county, according to the Lubbock district office of the Texas Highway Patrol.

The fatalities occurred among 50 accidents investigated in this county by members of the Highway Patrol. Twenty-five persons were injured, and property loss was estimated at \$32,332.00.

The Highway Patrol states that the most common causes for

these accidents were driving while drinking, exceeding the safe or legal speed limit, following too closely, failure to grant right of way, disregarding traffic signs and signals and improper passing.

In contrast, for the Lubbock district, 136 persons were traffic fatalities, in more than 1440 accidents which caused property loss in excess of \$938,000.

Rufus Stolen At JayCee Meeting Saturday Night

Rufus, the Muleshoe mule, mascot of the local JayCees, suffered his usual fate last weekend by getting himself mule-napped while attending the tri-regional meeting of the JayCees in Amarillo.

Rufus, along with several other local JayCees was in attendance at the meeting when he was stolen by a group from Dalhart and forced to spend Saturday night in room 726 of the Herring Hotel.

Others making the trip from the local club were Jack Young, George Bragg, Sam Lindley, Jimmy Hall, Bill Wilson, and Phillip Gillespie.

Artis Barton of Earth was elected state vice-president to be installed in the spring at Corpus Christi.

Lions Ladies Night To Be February 15

Ladies night for members of the Muleshoe Lions club and their wives will be held February 15 in Leigon's Dining Room. Herb Griffiths told the Lions club at the Wednesday luncheon meeting.

Griffiths and Blondie Ray are co-chairmen of the Ladies night committee.

The club secretary announced that 10 new members had been secured during January to top the club quota of nine.

Roughage Program

Cecil P. Henson, Bailey County Supervisor, announced today that Farmers Home Administration is accepting applications under the roughage program. Applications may be filed through February 15, for a supply of roughage feed to carry basic livestock through March 15, 1957.

March of Dimes Campaign Ends With Goal Still Lacking Nearly \$900

The Bailey County March of Dimes fund campaign officially ended last Thursday night, but campaign chairman Sam Lindley said Tuesday that some collections are still not complete. Lindley said that the total now stands at about \$2100, with some funds still to come from the south part of the county. Coin collectors and cards in local business places have not been collected yet, and this will add to the total.

The goal for Bailey county in the MOD was set at \$2750, and Lindley expressed the hope that the goal would be reached.

A complete breakdown of contributions to the March of Dimes was announced Wednesday by the county fund chairman, Sam Lindley.

Services Sunday For Mrs. Crosby

Funeral services for a former Bula schoolteacher, Mrs. Bonnie Crosby, 52, were held Sunday afternoon at the Littlefield Church of Christ, Mrs. Crosby passed away Friday in a Littlefield hospital after a lengthy illness.

She was born in Wayne, Oklahoma, and taught in Littlefield, Bula, and Longview.

Surviving are her husband, Lloyd C. Crosby; two sons, James D. of Littlefield and John at Abilene; a daughter, Mary Nell, a student at ACC, her mother, Mrs. Jarita Duggan of Amherst, and a sister, Mrs. Joe B. McCord, of Borger.

Henson Named Dawson County FHA Supervisor

John C. Kennedy of Lamesa has been named FHA supervisor for Bailey county effective February 11, it was announced here this week.

Kennedy will replace Cy Henson, county Farm Home Administration supervisor here for the past two years.

Henson will take Kennedy's place in Lamesa as Dawson county supervisor.

Cotton Growers Elect Two Local Men Directors

Jack Lenderson and Ross Goodwin were elected to the board of the Plains Cotton Growers organization in an election held earlier this week.

The two men will represent Bailey county on the plains-wide organization designed to protect area farmers' interests by legislation.

Goodwin and Lenderson were elected to replace Lee Pool and H. E. Schuster, retiring members of the board.

Names Needed For Labor Survey

With less than a week remaining before the results must be presented to an industrial firm, only about half of the required number of job interviews had been registered at the Chamber of Commerce office. At least 1200 women between the ages of 18 and 35 have been asked to indicate a willingness to be interviewed for positions in a possible factory to be located here. This survey is a pre-requisite to any further action which might be taken to secure the factory for Muleshoe. All other details of the plan have been taken care of by members of the Community Development Board at a meeting held earlier this week.

Working as a team, The Journal, KMUL and many members of the Chamber of Commerce have been contacting eligible women in the county to get their signatures to coupons similar to the one printed here. The industrial firm interested in locating a factory on the Plains has stated it must have 1200 possible workers available to be interviewed for

about 275 positions in the factory.

The job would be light industrial work in a clean well lighted factory and would pay trainee-beginners a minimum wage of \$1 per hour. Fringe benefits for the workers would make the positions even more desirable.

Results of the labor survey must be made available to the industrialist no later than February 15.

Therefore, members of the committees are urging any woman not already contacted, to secure one of the blanks either from The Journal, or from any of several merchants who have them in convenient locations in their stores. Blanks may also be had at the Chamber of Commerce office. A postal card bearing the name, age, and address of any one interested in such an interview may be mailed to the Chamber of Commerce in Muleshoe.

An intensive campaign is being put into effect this weekend to contact every woman in the county within the age bracket in order to complete the survey before the deadline.

Service clubs and other organ-

izations are being asked to aid in the canvass to secure names for the survey.

JayCees Start Rehearsals For Minstrel Show

Rehearsals for the annual JayCee minstrel show began Wednesday night in the Jack Young home.

End men began practice for their parts in the minstrel which will be presented in the high school auditorium in two performances, February 26 and March 1.

WSCS To Raise \$500 For Church

WCS of the First Methodist church met in the youth chapel Tuesday afternoon, Feb. 5, at 2:30. The study, "Youth in a Responsible Society, A Christian Concern", was conducted by Mrs. Cecil Davis.

Her topic of discussion was "The Church's Obligation for Tomorrow's Moral Maturity". Present were: Mmes. Cecil Davis, I. F. Willman, H. M. Shofner, O. S. Richards, Mervin Wilterding, W. D. Moore, H. Jay Weyer, E. L. King, C. R. Farrell, J. E. Day, F. B. Pierson, O. N. Jennings, and Arnold Morris; and a new member, Mrs. Dean Bishop. Mrs. W. D. Moore will be guest speaker next Tuesday afternoon, Feb. 12, when the WSCS meets in the youth chapel at 2:30.

stressing six ways or tests to tell right from wrong.

"Influence of the Family on Youth", was discussed by Mrs. F. B. Pierson, who then read "The Church's One Foundation" as the close of the lesson.

Business was conducted by the president, Mrs. Mervin Wilterding. The Society voted to set a goal of \$500 to be reached by Feb. 1, 1958 to apply on church indebtedness. Announcement was made of the WSCS Conference to be in Abilene March 20-22.

Present were: Mmes. Cecil Davis, I. F. Willman, H. M. Shofner, O. S. Richards, Mervin Wilterding, W. D. Moore, H. Jay Weyer, E. L. King, C. R. Farrell, J. E. Day, F. B. Pierson, O. N. Jennings, and Arnold Morris; and a new member, Mrs. Dean Bishop. Mrs. W. D. Moore will be guest speaker next Tuesday afternoon, Feb. 12, when the WSCS meets in the youth chapel at 2:30.

New Brownie Troop Meets Thursday

The newly organized Brownie Troop, under the leadership of Mmes. Joyce Stacy, Mary Lee and Joy Avery, met Thursday afternoon in the Scout Hut. We began work on our new project, the planning and construction of different types of puzzles.

We voted not to have our Brownie meeting Thursday, Feb. 14, as that is the day we will have our Valentine parties at school.

All 16 troop members were present and refreshments were served by the mothers.

Choir Planning Valentine Party

At its meeting Monday night the Community Choir made plans for their Valentine party, to be held in the regular meeting place in the high school the evening of Monday, February 18. The choir practiced on two songs, "Cool Water" and "Hi Neighbor".

Attending were Joyce Shafer, Betty Hoover, Virginia Summers, Gill, Wenona Gibson, Alpha Mathiesen, Mrs. I. F. Willman, Reta Richards, Carl Adair, John Aylesworth, Rufus Aylesworth, Jeanne Garth, Ann Birdsong, and Doris English.

Mrs. Dale Edwards, Lonnie Adrian, Jan Jones, Randy Thomas, Mrs. M. E. Cary, Dale Griswold, Mrs. Johnny Adria, Elmer

David Anderson New Director Of Credit Ass'n.

Stockholders of the Plainview Production Credit Assn. were assured today by a Houston banker official that an adequate supply of money would be available to meet the credit needs of agriculture this year.

W. N. Stokes, Jr., president of the Federal Intermediate Credit Bank of Houston, told 556 stockholders, from an eight-county area that they need have no fears about being able to borrow enough money. But he said the cost of getting it later might exceed present rates, already at an all-time high.

Teachers Meeting Is Held Monday

Monday afternoon, a regular meeting of the Classroom Teachers organization was held in the library of the junior high school. Presiding over the meeting was Mrs. Dorothy Beddingfield.

New teachers in the system were introduced. They were Mrs. Brock, high school economics; Mr. Henderson, junior high math and history; and Miss Pittman, high school English.

Mrs. Elizabeth Watson, program chairman, was moderator for a panel discussion on teacher ethics. On the panel were Mrs. Dunn, Mrs. Dill, Mrs. Costen, Mrs. Lohbert, and Mr. Brady.

Lunchroom Menu

The menu for next week in the Muleshoe school lunchroom is as follows:
MONDAY
Sausage and brown gravy. Buttered rice, green beans. Apple and carrot salad. Chocolate cake, hot rolls.
TUESDAY
Salmon loaf. Sweet potatoes with marshmallows. Buttered hominy, lettuce salad. Apple cobbler.
WEDNESDAY
Vegetable beef soup. Hot dogs with relish. Potato chips, oatmeal cookies.
THURSDAY
Turkey and dressing. Creamed potatoes, buttered peas. Cranberry sauce, rolls and butter.
FRIDAY
Fish sticks with tartar sauce. Buttered broccoli, frozen corn. Fruit Jello salad, cornbread. Apple crisp.

Dunn, Lloyd Quesenberry, Nathan Lee Bemmer, Mrs. L. G. Harris, Mrs. C. C. Willingham, Mrs. Julian Dominguez, Charles Allen Brown, Mrs. Mary Childress, Gordon Tiller, Dean Garcia Carlos, Mrs. A. H. Owen, Mrs. R. F. Wright, Mrs. Marvin Waggoner, Antonio Ymezas, Mrs. R. Pyritz, Terry Ott, Mrs. Coby Duncan, Yvonda Taylor, Clarence Dawson, E. J. Bryant, J. B. Morton, and Mrs. Homer Redwine.

How About Thimet For Early Season Insect Control

Farmers interested in Thimet as an early season control for cotton insects will have to carry their 1957 planting seed to one of four treating plants in the state, according to Extension Entomologist F. M. Fuller. Hazards involved with this highly toxic insecticide make it impractical for individual farmers to purchase and use it, he says.

Thimet has definite advantages for early cotton insect control, Fuller says. The cost of planting 25 pounds of treated seed an acre will be about \$3. Using treated seed will provide protection against thrips, aphids, spider mites, and leaf miners from 4 to 6 weeks after planting and its effectiveness is not harmed by adverse weather conditions. In addition, Thimet-treated cottonseed will effectively replace the first two early season spray applications for all in-

Sandy Dorsey. Music is furnished by Earl Dorsey, Ikeay Bayless and Dub Ragland.

Couples with children are welcome, and anyone may visit the club at any time.

Under the McCarran-Walter Act, the overall quota of immigrants admissible in any one year is 154,657, with 65,000 allowed from Great Britain.

It is suggested that farmers plant only a portion of his total cotton acreage with Thimet-treated seed and compare the results with other insecticides recommended for early season insect control. Ask your county agent about the nearest Thimet seed treating plant.

Federal civilian employment has now reached 2,398,158 persons, according to the joint congressional committee on government expenditures.

According to the National Safety Council, a car traveling on ice at 20 miles per hour requires 217 feet, counting reaction time, to come to a complete stop.

The United States currently produces 7,100,000 barrels of crude oil per day, to lead all other countries.

Under the McCarran-Walter Act, the overall quota of immigrants admissible in any one year is 154,657, with 65,000 allowed from Great Britain.

It is suggested that farmers plant only a portion of his total cotton acreage with Thimet-treated seed and compare the results with other insecticides recommended for early season insect control. Ask your county agent about the nearest Thimet seed treating plant.

Federal civilian employment has now reached 2,398,158 persons, according to the joint congressional committee on government expenditures.

According to the National Safety Council, a car traveling on ice at 20 miles per hour requires 217 feet, counting reaction time, to come to a complete stop.

The United States currently produces 7,100,000 barrels of crude oil per day, to lead all other countries.

How About Thimet For Early Season Insect Control

Farmers interested in Thimet as an early season control for cotton insects will have to carry their 1957 planting seed to one of four treating plants in the state, according to Extension Entomologist F. M. Fuller. Hazards involved with this highly toxic insecticide make it impractical for individual farmers to purchase and use it, he says.

Thimet has definite advantages for early cotton insect control, Fuller says. The cost of planting 25 pounds of treated seed an acre will be about \$3. Using treated seed will provide protection against thrips, aphids, spider mites, and leaf miners from 4 to 6 weeks after planting and its effectiveness is not harmed by adverse weather conditions. In addition, Thimet-treated cottonseed will effectively replace the first two early season spray applications for all in-

Come in and take our "HANDLING EASE TEST"

Trucks for every job, from the world's most complete truck line - 1/2-ton pickups to 90,000 lb. models.

There's only one way to find out if an INTERNATIONAL handles the way you want a truck to handle—and that's to drive one yourself.

That's why we extend this invitation to you:

Take an INTERNATIONAL out on the road. See how it handles. Try it on rough stretches. Back it, maneuver it, jockey it into tight spots. Compare it point for point with your present truck.

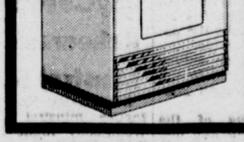

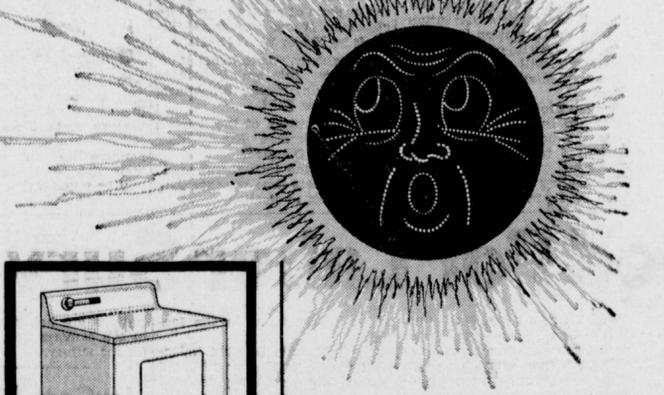

We are confident you will find INTERNATIONAL the sweetest-handling truck you've ever driven (even sweeter with optional Power Steering!)

Make us prove that we're right! Come in and take our IH "handling ease test." It's a real convincer!

Over the years **INTERNATIONAL TRUCKS** cost least to own! (and owners' cost records prove it)

Electric Clothes Dryers BEAT THE SUN!

You're sitting pretty with an electric clothes dryer. Reddy Kilowatt does all the hard work . . . eliminates all the bending, stretching, stooping and the carrying of heavy baskets of wet clothes.

Our area has a great climate — plenty of life-giving sun — great for sun bathing or basking on a sunny afternoon. But, unfortunately, our climate is not very kind to our clothes. The sun, which feels good to the skin, treats clothes harshly. It quickly fades out the colors, takes the life out of a bright print. You can "beat the sun," keep your lovely colors looking pretty, with an electric clothes dryer — the proven way to dry clothes and with ease.

Hi-Lo Piano Club

Met Monday

The Hi-Lo Piano Club met Monday night, Feb. 4, in Fellowship Hall. Mrs. J. K. Adams conducted a short business meeting.

The following piano pupils of Mrs. Sam McKinstry played on the program.

Janelle McGuire did background music as the guests were arriving. Veta Allison played the birthday song with everyone singing happy birthday to all who had a birthday in February. This was followed by singing America, with Joe Adams as accompanist. Others who played were: Carolyn Hinkson, Davy Jean Anderson, Kathy Moore, Roy Havens, Sherry Allison, Tonyne Welch, Bennie McDaniel, Donna and Kay Baker, Charles King, Joyce Adams, Gary Edwards, Ann McReynolds and Donald Williams.

Mesdames David Anderson, Roy Havens, and Lewis Simmacher served popcorn balls and cold drinks during the social hour.

Would you like a free survey of your insurance policies? There is No Charge for this service, and you will have the satisfaction of knowing just what coverage you have. A survey may show that your insurance policies give you adequate coverage and are exactly suited to your present requirements. In that case you have lost nothing. If, on the other hand, your insurance policies do not properly cover your property and liabilities, or if coverages in various policies overlap, you will want to know why your policies has been made they will be put together in a neat folder along with any necessary recommendations and returned to you. Then you know exactly where you stand. So come in today and let us give you this free survey. Call—

Holly Ann Cox Becomes Bride of Ted Millsap In Double-Ring Service

MR. AND MRS. TED R. MILLSAP

Marriage vows were exchanged Saturday evening at seven o'clock at the First Baptist Church by Miss Holly Ann Cox, daughter of Mr. and Mrs. Jack Cox of Muleshoe, and Mr. Ted R. Millsap, son of Mr. and Mrs. Homer Millsap, also of Muleshoe.

Rev. E. K. Shepherd, pastor of the church performed the double-ring ceremony before an archway of greenery, centered with wedding bells. Floor baskets of white gladiolus were flanked with candles holding yellow tapers, accenting the bride's colors of white and yellow. The bride wore a street length dress of white faille, made on princess lines with lace bodice and sleeves.

Miss Shirley Mathiesen was maid of honor and bridesmaids were Miss Doris Fields and Miss Rosemary Hicks.

Robert Richards served as best man for Mr. Millsap. Ring bearer was Rex Millsap, brother of the bridegroom.

Registering guests was a former roommate of the bride, Mrs. Roy Harris.

Mrs. Millsap is a graduate of Muleshoe high school, class of 1954, and attended Texas Tech at Lubbock, and Wayland Baptist College at Plainview. She was active in band and Y. W. A. in both colleges.

Mr. Millsap is also a graduate of Muleshoe high school, and has just completed a four-year tour of duty with the United States Navy. He is now employed with his father at Millsap Motors.

After a short wedding trip to points of interest in New Mexico, the couple will be at home at 309 West Ave. E., Muleshoe.

WSCS Study Book On Youth In Society

The WSCS of Muleshoe Methodist Church met in the Youth Chapel at 2:30 Wednesday, Jan. 30 to continue their study from the book "Youth in a Responsible Society".

The program was opened with a song, followed by prayer, led by Mrs. Mervin Wilterding.

In a business session, it was voted that the WSCS pay \$31.40 on the project "African School"

Eastern Star Deputy Grand Matron In Official Visit To Muleshoe Chapter

Mrs. Anna Lucy McAdams, Worthy Matron and Elbert Nowell, Worthy Patron, presided at the regular meeting of Muleshoe Chapter No. 792, O. E. S. Tuesday evening, February 5, in Masonic Hall.

Routine business was transacted and instructions received from Mrs. Flora McNeill, Floydada, Deputy Grand Matron, District 2, Section 3, of the Grand Chapter of Texas, who paid her official visit to the Chapter.

Mrs. McNeill was accompanied to Muleshoe by Mrs. Cleo Goins, a former Muleshoe resident, and Wayne Russell, Past Patron of Floydada Chapter No. 31.

An invitation was read, from Floydada Chapter, to a salad supper and Friendship Night, to be held February 28. Several indicated they would attend.

A very beautiful and impressive tribute was paid to "Aunt Oll" Tipton, who was the oldest member of Muleshoe Chapter. The Chapter was dropped in her memory.

A silver corsage and gifts were presented to the Deputy Grand Matron, who graciously thanked the Chapter for all courtesies extended. Preceding the meeting, a lovely dinner, honoring the Deputy Grand Matron, was enjoyed at the Dinner Bell, with the following members and guests attending: Mrs. Flora McNeill, Wayne Russell, Mrs. Cleo Goins,

Mr. and Mrs. Elbert Nowell, Mr. and Mrs. Alex Williams, Mrs. Viola Layne, Billie Mathis, Elizabeth Harden, Anna Lucy McAdams, Lavonne Hinkson, Lou Green, Mickey Bryant, Ruby Morton and Mary Farley.

The Deputy Grand Matron announced the OES School of Instruction would be held in Plainview Masonic Hall, Thursday, April 4.

At the close of the meeting, delicious refreshments, in Valentine motif, were served from a beautifully appointed table, by the hostess committee, Mrs. Elizabeth King, Jackie Tate, Erma Ray, Billie Mathis, Elizabeth Gardner, Lou Green, Mildred Wingo, Iva Locker, and Veta Self.

Brownie Troop 9 In Birthday Party

Brownie Troop 9 had their 2nd birthday party Monday afternoon, Feb. 4, in the home of Mrs. G. L.

White. After each guest registered the girls pinned a yellow Kleenex flower on her. The "Welcome" was given by Mrs. Doris English.

The girls sang the greeting "Hello" and the Brownie Smile song, gave the promise and handshake, then sang, "Oh, Won't You Please Sit Down". They then introduced themselves and their mothers. We paid our past dues of \$1, then our national dues of \$1 to re-register in the Caprock Council.

The girls sang grace, "Johnny Applesed", then served their mothers honey spiced cake topped with yellow icing and with Brownie Troop 9 written with chocolate chips, hot spiced tea and coffee from a beautifully arranged table covered with a brown linen cloth and yellow net. The flower arrangements were yellow Kleenex flowers in an oval cutglass bowl, with 2 yellow candles and the Brownie trefoil, in the center.

The service was silver, nut and mint holders were little baskets, plate favors were little Brownie hats stuck on a toothpick in a yellow gum drop. Completing the able arrangement was the American flag with the Brownie banner.

Girls receiving the second year

service star pin award were: Lana Aduddle, Marie Baker, Carolia Bass, Judy Burge, Ellen English, Linda Floyd, Linda Gross, Sandra Jones, Pamela Kerr, Glenda Lancaster, Linda Moore, Ann White, and Betty Wilson, third year star went to Mrs. English.

Receiving one year service stars were Janie Crane, Susan McVicker, Lynne Barrett, and Katherine West.

Girls absent who are to receive the 2nd year service awards are Sonja Bass and Elaine Gulley, to

receive the Brownie pin at next meeting will be Darlene Hale and Ann McReynolds.

Mothers and guests present were Mmes. John West, Stan Barrett, Jack Lancaster, Austin Floyd, George Gross, Ernest Kerr, J. E. McVicker and son, Harvey Bass and Vina, James H. ones, G. L. White and Janet, Bernard Phelps, Don Moore and Donna, W. E. English and Eugenia, and new members Ann McReynolds and Pat Walters.

We will not meet Monday, Feb. 11, but will have our Valentine

party Thursday, Feb. 14, at the home of Mrs. English, 322 Ave. B. Each girl is to bring her own Valentine box.

—Lana Aduddle, Reporter

T. E. L. Class of the First Baptist Church made an offering to send the boys at the orphanage at Round Rock when they met Tuesday, Feb. 5, in the home of Mrs. E. E. Dyer, class president. The secretary, Mrs. Doris Shook, read two interesting letters from the boys.

AT ROTARY CLUB MEETING

Sudan Teacher Reviews Aspects of '57 Outlook In Talk Here Tuesday Noon

Coach Smith, member of Sudan Rotary Club, discussed the outlook for 1957 on the local club's program Tuesday, reviewing a series of articles on various subjects which appeared in a recent issue of U. S. News and World Report.

Several phases of national and local affairs came in for brief discussion, the rising cost of government, crowded conditions which are due to be aggravated in our schools and colleges, whether war is closer, our relations with other nations, etc.

Coach Smith, a teacher in Sudan schools had figured out that

President Eisenhower's proposed budget totaling nearly \$72 billion for next fiscal year means \$450 for each man, woman and child in the U. S. Since there are five in his family, he hoped the government would not present a bill for \$2250 anytime soon.

More money will have to be spent for colleges and schools; our larger universities, including Texas, are requiring strict entrance exams for all prospective students, in order to halt the accelerating increase in number of enrollees. He thinks that educators favor extension of the

junior college system in order to relieve congestion in higher institutions of learning, making the local period of instruction fourteen grades instead of 12.

Will there be war this year? His source does not believe so. Will there be any reduction in income and other taxes? No, in the opinion of the experts.

He sees little prospect that inflation can be reduced but that it might level off.

The speaker was introduced by E. O. Baker. Other guests included Rotarian Wayne Brown, Sudan, and Carl Dahlgren, Lubbock, J. M. Forbes gave a brief summary of late local national and world news.

JENNINGS' IN LENGTHY TOUR DOWN STATE

Mr. and Mrs. O. N. Jennings returned Sunday after a week visit in the "Heart of Texas". They went to Austin by way of the Ft. Worth Stock Show and Dallas, visiting friends and relatives.

At Austin they visited Rev. and Mrs. E. W. Jennings, chatted with Rep. Osborn, sat in on both houses in session, toured the governor's mansion, and the treasury department.

At San Antonio, their first visit there, it was the usual Alamo, Sunken Garden, museum and parks. About an inch of rain fell during this time.

R. E. Bryant Is Honor Graduate From Texas Tech

R. E. Bryant, son of Mr. and Mrs. Roy Bryant of Muleshoe, received a degree in Business Administration at Tech college in Lubbock, Friday, Jan. 25. He completed the usual four year course in three years.

While a student at Tech he won a scholarship presented by a banker of Brownsville, Texas, for his high scholastic average and outstanding achievement.

Following his graduation from Muleshoe high school, he served four years in the U. S. Army Air Corps, before entering Tech.

He and his wife left Monday for Houston where he will be employed in the finance department of the Tennessee Gas Co.

John Ladd Will Take Active Duty

NORMAN, Okla., Feb. 4—John Ladd, Muleshoe, is among 78 Army ROTC seniors at the University of Oklahoma assigned to the various branches of the army for active duty and further military schooling, Col. Metticus W.

Junior College For Levelland Wins Approval

AUSTIN, Feb. 2 — The State Board of Education approved today plans for a new junior college district in Hockley County at Levelland.

Actual establishment of the college is dependent on an election to be called in the county.

If finally approved by Hockley County voters, the college will be the 32nd public school junior college in the state and the first approved in 10 years.

Last Authorized In '47. The last junior colleges authorized were at Carthage and Alvin in 1947.

In Levelland, Orin Brewer, chairman of the committee which has been working toward establishment of the junior college there, said it is hoped that an election can be called soon to determine whether residents of the county want to form the junior college district.

STANCELLS HAVE NEW SON

Mr. and Mrs. Allen Stancell, formerly of West Camp community of Bailey county, are parents of a new baby son, Clint Edgar Stancell, born Jan. 31. Grandparents are Mr. and Mrs. W. M. Stancell, and Mrs. Veda Smith, all of West Camp.

ST. JOHN'S LUTHERAN CHURCH

Lariat, Texas Friday, Feb. 8 — Adult Class in Christian Doctrine, 7:30 p.m.

Saturday, Feb. 9 — Confirmation Class, 3:00 p.m.

Sunday, Feb. 10 — Sunday School and Bible Class, 9:45 a.m. Worship Hour, 11:00 a.m.

Wednesday, Feb. 13 — Sunday School Teachers' meeting, 7:00 p.m. Choir Practice, 8:30 p.m.

May, professor of military science and tactics, announced. The cadets will be commissioned in exercises at OU on June 9, the same day they receive their degrees from the University. They begin their tours of active duty at their branch school within 12 months after commissioning.

The four-year ROTC program, including two years of basic work and two years of advanced is carried in addition to a regular course of study. Besides classwork and a weekly drill period, each cadet receives six months active duty training in the summer between his junior and senior years.

Ladd, the son of Mr. and Mrs. Earl M. Ladd, is a senior majoring in chemical engineering. He has been assigned to the Chemical Corps.

Good Water Management By L. E. Bratcher Makes 2 Bale Cotton Crop

L. E. BRATCHER poses with two bales of ginned cotton, symbolic of the two bale per acre production he obtained through proper water management. (Staff Photo)

Lone Republican

Thad Hutcheson, lone Republican candidate for the unexpired U. S. Senate seat of Governor Price Daniel in an apparently unlimited field of Democrats, returned from Washington this week after conferences with President Eisenhower, Vice-president Nixon and other administration leaders.

soil that, when in good condition, absorbs water at the rate of about 2 inches an hour, and can be farmed with only limited special practices to hold the soil against washing or blowing. The grade is also contributable to good irrigation, being about 1 inch per 100 foot of fall. Level irrigation, of course, is the most efficient system.

Mr. Bratcher applied 3.6 inches net moisture each application which brought his soil back up to its total water-bearing capacity of 6 inches for a depth of three feet. Cotton while in full growth requires .25 inch per day, and by supplying the 3.6 inches pre-irrigation with a 2-3 week cycle, Mr. Bratcher met this requirement for maximum growth. By looking at and feeling of the soil in the top 8 to 12 inches, he was able to apply correct amounts at the correct times meeting fully the needs of his soil and crop. One effective "cotton shower" of .5 inches fell during the growing season.

Lynn used a length of run of 660 feet which, based on an infiltration rate of 1.5 inches per hour, enabled him to have a total watering time of 4 hours which applied a total of 5.1 inches of water. His initial furrow (60 gpm) stream would run out in about 1 hour and then he would use a controlled (smaller) stream for 3 more hours. Penetration test taken 48 hours after irrigating showed depth penetration of 55 inches at head and 42 inches two-thirds of the way down. Observation at end of growing season showed no "hot spots" at 42 inches penetration depth. Only "hot spots" observed over entire field were a few localized spots due to soil differences.

Mr. Bratcher broke his land 8 inches deep, pre-watered 6 hours, floated, listed, planted 3 pecks per acre on or about May 10. Harrowed when cotton was 2-5 inches high, cultivated 4 times, watered 3 times, finishing on or about August 20. Hand pulled 2 times over and then stripped with average turnout of 27%. He had an entomologist check his field for insects and he never had serious buildup of destructive insects. No commercial fertilizer was used on this crop which was on third-year out alfalfa land. He plans to use a commercial fertilizer next year on this land.

Good water management plus good land has returned to Mr. Bratcher probable monetary returns and a good feeling of a job well done.

Water distribution is a big problem for getting maximum water benefits and high yields. Uniform production is obtained by uniform application of irrigation water. Consequently, greater economic net returns are realized with this type of an efficient irrigation system.

Field trials indicated clearly that Mr. Bratcher has an excellent physical irrigation system. His soil is classified by the Soil Conservation Service technicians as Class II-2x, which means it is inherently a deep, fine-textured

SQUARE DANCE BENEFIT

There will be a square dance, benefit of March of Dimes on Friday evening, Feb. 8, at the VFW hall in Clovis, N. M. All square dancers are invited.

Mrs. F. L. Wenner of Muleshoe, and Rev. and Mrs. Ernest L. Merriott of Dalhart, have returned to their homes after attending the funeral of Mrs. Maud Christian in San Angelo.

Smart Moderns Know

It Takes the Right Combination to be OUTSTANDING!

Talent, training, plus generous portions of experience and hard work, is the basic formula for success in any endeavor. But whether in dramatics or domestic . . . histrionics or home economics . . . it takes the right combination of ingredients to achieve OUTSTANDING results.

FOR OUTSTANDING LAUNDERING RESULTS CHOOSE AN AUTOMATIC GAS WATER HEATER AND CLOTHES DRYER

All the detergents, bluing, and fabulous washer-features won't get clothes really clean without plenty of hot water. And the "hotter the water, the whiter the wash". A GAS water heater — vented to the outside for safety's sake — will give you MORE hot water . . . FASTER . . . and at LESS COST . . . than any other type of water heater. Ask any Smart Modern . . . she'll tell you!

When a family of four can dry clothes A WHOLE YEAR for only \$2.60 . . . it's just good business to go GAS for clothes drying! Your clothes get the fastest-yet-gentlest drying action possible (safe even for the most delicate fabrics), and YOU save more time and work on washday than you'd ever dream possible. Before another washday passes, check into the glamorous new GAS dryers for 1957.

The slim, trim RHEEM automatic gas water heater for 1957.
 NORGE Time-Line automatic gas dryer Model GDS.

By John C. White, Commissioner

THE 1957 FARM PRICE PICTURE

This year will be another one of tight margins for Texas farmers. And for those who have another belt notch left after lingering drought and slim profits, a further hitching up may be in order.

Although the soil bank program will benefit some farmers, its value in drought-ridden Texas is doubtful, since there is no present potential on which to base payments. So the Texas farmer will have to look to his crops and produce for income. Here, in part, are his prospects:

COTTON—Fortunately for Texas' big cotton industry, price prospects are most encouraging here. The unexpected export of seven million bales in 1956 reduced Commodity Credit stockpiles considerably. That, plus war threats and probable reduced production through the Soil Bank make the cotton outlook better. It is even possible the Administration may have to raise the support level.

WHEAT—The 1957 wheat crop is expected to be considerably shorter than that of last year, due to reductions from Soil Bank and drought. Surpluses will probably drop, especially if exports continue to improve. All this,

however, is not calculated to bring prices much higher. Supports will likely remain unchanged, although market prices should be up very lightly.

CORN—No prospects for improvement as prices still will depend entirely on support levels. The corn inventory is high.

GRAIN SORGHUM—Prospects here are poor price-wise. The crop promises to be big and cheap, although the drought will likely pare down the estimates notably. The market will probably be below loan rate.

POULTRY AND EGGS—Broilers have already gotten off to a bad start this year, but prices can't go any way but up. The climb will have to be gradual, and though prices should top the dreary '56 picture, they still won't be high. Egg prices are currently low and may remain below the same period last year until late spring. After that, they should be about the same as last year.

LIVESTOCK—Pork will be down which means some improvement, although it will likely be very slight. Fat cattle prices averaging better than last year's lows are predicted. Although feeder cattle prospects are doubtful with little or no improvement in sight. Sheep popu-

lation is expected to increase and lamb prices should average slightly higher. Wool will remain well below the incentive payment level of 62 cents. Dairy prospects are unchanged with whatever late year gains anticipated being eaten up in production costs.

FILLING UNDERGROUND LAKES

A large group of Southwest Texans are really taking the drought to heart—and trying to do something to ease its harmful effects.

Their pet project, called the Edwards Underground Water District, is aimed at filling much depleted great natural underground reservoirs which lie southeast and in the vicinity of San Antonio.

These reservoirs, in normal times fed by the flow of the Nueces, Frio, Sabinal, and other streams from the Edwards Plateau over the line of the Balcones Fault, have been falling steadily in recent years from over-use and lack of replacement water.

The new water district has devised a plan which they hope will refill these lakes through partial containment of flood waters which build up easily with even spotted rains on the upper plateau. The plan sponsored by the South Texas Chamber of Commerce is to build a great many retarding dams along the streams in this area so that flood waters will be released slowly enough to sink into the ground when they cross the Balcones Fault line.

Capacity of the reservoirs is not known, although it is much greater than that of man-made surface reserves. If the Edwards

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

We believe you will benefit by attending "Modern Agriculture Day" in the Friona high school auditorium Tuesday afternoon, beginning at 1:30. Burlington Lines, and Texas A & M Extension Service, with cooperation of our County Agent, Joe Jones have prepared an interesting and informative program for you. Check the letter you received and make sure your plans include attendance at this afternoon of useful discussion.

Roger Babson predicts that farmers will enjoy a moderate net increase in farm income in the coming year. We join him in this hopeful outlook, and predict that grain sorghums will bring as much or more next year than this year. More effective world marketing is the basis for the forecasts.

We hope that those of you who are keeping up with congressional records will take at least as much notice of action being considered regarding the official U. S. attitude toward communist countries and personalities as you do the dollars you might have temporary use of it. We think it is encouraging that more senators are including opposition to U. S. assistance to communist countries and personalities in their arguments than was evident in the 84th session. A man named Dimitry Manuilski made a statement in the Lenin School of Political Warfare in Moscow nearly 30 years ago that we think every American should read. He forecast the kind of deficit spending that America is indulging in now, in the hope of maintaining a warless "peace" advocated in word, but denounced in action by the Soviet Powers. This subject is not purely agricultural in interest. But unless the right action is taken, continuation of the fulfillment of the Soviet's prop-

hecy will be disastrous. Gilbert Kaltwasser and Jack Patterson, and probably Dennis Williams will be in Waco February 12 to attend a membership and chairman's rally.

Grain Sorghum With Early Maturity Developed At A&M

Redbine 58, a new early maturing grain sorghum variety, has been developed by the Texas Agricultural Experiment Station in cooperation with the Midwest Institute and Corn Products Refining Company.

Redbine 58 is earlier in maturity than most presently grown combine varieties of grain sorghum. It blooms in 58 days at Lubbock and is 3 to 4 days earlier than Martin and about two weeks earlier than Redbine 66. It usually performs better and is a surer crop under dryland planting in areas of low rainfall or in dry years. It is also adapted to higher altitudes and latitudes where early maturity is important.

The bright reddish-yellow grain of the new variety is hard like Martin, germinates well, does not weather badly in the field and threshes well. It is highly superior to Combine 7078 in these respects and is a more attractive grain than its Martin parent. Head bearing stems of the variety are long and the heads dry early as the grain matures.

In tests, Redbine 58 has produced as much grain per acre as other early maturing varieties and coupled with its good combining characteristics, makes it a desirable variety.

Adequate supplies of planting seed for farm use should be available for 1957 plantings since seed were released last spring to certified seed growers.

Low Fee For Aid In Filing Income Tax No Sign Its Bargain

"Taxpayers finding it necessary to obtain outside assistance in the preparation of their 1956 Federal tax returns should consult tax practitioners," Howard

will be disastrous. Gilbert Kaltwasser and Jack Patterson, and probably Dennis Williams will be in Waco February 12 to attend a membership and chairman's rally.

CONSIDER THIS: There is a way that seemeth right unto a man; but the end thereof are the ways of death. Prov. 16:25.

Credit Cards For Telephone Calls Now Available

Long Distance calls may now be made on a credit card plan. Fred Mathis, district manager for General Telephone Company of the Southwest, explained that telephone credit cards are now available making it possible for subscribers to call from any phone to any other phone in America and have the charges made to their regular monthly bills.

He pointed out that "credit cards help calls go through faster and easier. All you have to do is give the operator your credit card number. This eliminates the annoyance of fumbling for change or getting a pocketful before placing a long distance call if you're away from your own residence or business telephone."

As an example of credit card convenience, he cited credit card use for businessmen who must use the telephone while at a customer's office or friend's home. Credit cards save possible embarrassment of asking to use another's phone and paying for the call.

Credit cards issued by General are honored by the Bell System and the country's 4,100 independent telephone companies.

O. Nichols of Internal Revenue, said today. "Many taxpayers are obtaining incompetent persons to assist them in the preparation of their '56 returns," Nichols revealed. "Smaller fees charged by these persons are the usual inducement. The type of person offering this 'service' usually sets up shop in some business establishment where temporary desk space may be obtained.

"Taxpayers requiring help in complex matters should consult qualified tax practitioners whenever possible. Much highly valuable assistance however, is being provided employees by company cashiers, auditors and bookkeepers, or bank personnel.

"Taxpayers who seek doubtful assistance in the preparation of their returns are reminded that they must stand responsibility for the accuracy of their entries and calculations."

April 15 is the deadline for filing Federal tax returns. Checks or money orders accompanying returns should be made payable to Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas.

Vaccine Brings Big Decrease In Polio Incidence

The polio rate in Texas dropped 30 per cent last year, the National Foundation for Infantile Paralysis has announced. That was compared with the 1955 figure. Last year was the first year that the Salk vaccine has been fully available to the ages most susceptible to polio.

The foundation is now engaged in a campaign to get all adults and children to take the vaccine and end polio as a national crippling and health threat.

In 1955, when the vaccine was

first available, Texas had 1931 cases. Last year, the total of cases fell to 1360. This was still the third highest figure among the 48 states.

Emphasizing that the national drop was 47 per cent, officials of the foundation have expressed hope that an all-out vaccination campaign will almost eliminate polio in 1956.

And Dr. Jonas Salk recently has said: "There need be little, if any, paralytic poliomyelitis in the U. S. in 1957 is all who are partially susceptible are treated with the vaccine now available."

The American Medical Association has announced plans to organize a nation wide team of 160,000 practicing physicians to provide vaccinations for patients, regardless of their ability to pay.

Here's the bomb THAT BROKE THE "low-price" lineup!

This big high-stepping Chieftain started a revolution with a carload of "firsts" and an eye-popping price tag!

The low-price field never looked like this before! The handsome husky you see right here has the boat still rocking... with more power, more wheelbase, more room—and more sheer pride of ownership—than ever before possible on a well-trained budget! Just look at what they're making room for now in the low-price lineup: a strapping 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8... a whopping, road-hugging 122 inches of wheelbase and an all-new suspension system for a Level-Line Ride that's next best thing to a magic carpet! And this streamlined beauty takes on the field with more than six dozen "firsts", all proved by 100,000 of the roughest, toughest test miles a group of facts-minded engineers could devise! If this sounds like a wonderful buy—it certainly is! Our advice is to stop dreaming and price it! At a cost less than a lot of the low-price jobs, this newcomer is making big-time buyers out of former "all-three" owners!

Family Night Socials Held Fellowship Hall

A group of between fifty and sixty people met in the Progress Methodist Fellowship Hall last Friday evening for a "family night" social. A delicious pot-luck supper was served. After the meal, several games of dominoes and "42" were started and other games were enjoyed, including a Bible quiz. If you were not there you were missed and you missed a good time.

W M U VISITS

Members of the Women's Missionary Union met at 2:00 p. m. Monday at the Baptist Church. After a prayer session in which all participated, they went in teams of two to visit and to take a religious census. A team of three men also visited; they were D. L. Ivy, H. A. Harless, and Ben Atkins.

The Earnest Bass family spent Sunday in Enochs at the home of his mother, Mrs. E. A. Bass, Sr. Earnest took her a nice mess of fish caught during his recent excursion into New Mexico.

The home of Mrs. M. D. Gaddy was the scene of a shower Thursday afternoon Jan 31 honoring Mrs. Phillip Garrett. Other hostesses were Mmes. H. T. Peugh, M. L. Shipp, Whit Barber, J. J. Redwine, D. L. Redwine, Max Self, and Clyde Henry. The table was laid with a pink cloth and centered with a blue-and-white "Baby Tree". Refreshments were pink punch and white cake squares decorated with blue frosting rosettes.

About 25 ladies attended and several gifts were sent by those unable to attend.

Two small cousins, the children of E. P. and James Woodruff respectively have recently suffered from pneumonia. Both were improving at latest report.

Bill Shaw spent last Friday night in Plainview visiting his sister and attending a C. P. A. meeting.

Mr. and Mrs. Hershel Arnold of Clovis spent Saturday night here with her brother and family, Mr. and Mrs. Manuel Self.

Mr. Alvy Bishop and Mrs. Nina Maddox of Ft. Summer, and Mr. and Mrs. C. A. Bishop were Sunday guests of Mr. and Mrs. M. O. Nigh and Larry.

Mr. and Mrs. L. L. Muse and their son and family Mr. and Mrs. Wayne Muse and three children have moved here from near Lawton, Okla. They recently moved a house onto 320 acres about one mile south of Joe Peugh's place. The Muse family also lived near Lazbuddie about six years, moving from there to Oklahoma 22 years ago.

The Guy Walkers are moved onto their own farm now, into a house they recently remodeled.

The small son of the Vernon Branscum was quite ill the first of this week.

Mr. and Mrs. Arthur Corse of

Sunray visited last week with Mrs. Johnnie Westbrook. Mrs. Corse is the niece of the late Mr. Westbrook.

Mr. and Mrs. Cleo Ward visited his sister and family, Mr. and Mrs. Wayne Garth and children of Friona Sunday.

Mr. and Mrs. Howard Don Cherry and son of Lubbock visited here Sunday with his parents, Mr. and Mrs. J. L. Cherry, Mr. and Mrs. B. E. Chaney also were guests of the Cherry's for dinner.

Mrs. Carl Dwyer underwent major surgery at a Canyon hospital last Saturday morning. Her mother Mrs. John Thomson, stayed with her from Friday until Sunday afternoon, when Mr. Thomson accompanied her and their granddaughter Carla Jo home. The baby will remain here two or three weeks. Mrs. Dwyer is recovering satisfactorily.

Mr. and Mrs. Troy Actkinson are visiting relatives in Oklahoma this week.

Mr. and Mrs. Arthur Cooper and family Friday attended the funeral of Teresa Cooper, their 18-month old grandniece, who died of pneumonia after two day illness.

Mr. and Mrs. J. M. King and Mrs. Lottie King spent the week end in Amarillo with his father who is in poor health.

John Thomson was layman speaker at the Oklahoma Lane Methodist church last Sunday evening.

Mr. and Mrs. C. McMahan, Dorothy and Clyde spent Saturday night at Littlefield visiting their son and wife Mr. and Mrs. Paul McMahan.

Dale Griswold was in the hospital last week.

Mr. and Mrs. H. M. Shofner returned last week from several days visit with their daughter's family, Mr. and Mrs. Hershel Wimberley and children.

Mrs. Mae Simmacher was quite ill over the weekend.

THREE WAY NEWS NOTES

Junior Class Play Was Presented Thursday

JUNIOR PLAY

The Junior class presented a play, "Date Ball", Thursday, January 31 in the school auditorium. Price of admission was 50c and 75c. They took in about \$100.

Cast in the play were: Bonnie Battaes, Ken Donald, Janice Latimer, Willene Lewis, Gloria De Hayoz, Joan Hodge, Jack Reeves, George Taylor, Don Bundrant, Don Richardson, Glenn Lowe,

and Phillip De Hayoz. Mrs. Nan Dyer directed the play.

Furniture for the stage was furnished by Ray's Hardware and Smith's Furniture Store of Morton.

The Three Way high school basketball teams defeated Pep boys and girls in games at Three Way Tuesday night. They played them again at Pep Friday evening. The girls won and the boys were defeated.

They go to Whitharral Thursday, February 7.

Paula Griffiths and Howard Pollard, students at ENMU, spent the weekend at home.

Attending the teachers meeting at Muleshoe Monday evening were Mr. and Mrs. Archie Sims and Mr. and Mrs. Sam Green.

Guests in the Frank Griffith home Sunday were Mr. and Mrs. Ira Griffith and Grady of Shallowater, Mr. and Mrs. F. P. Pierce and children of Morton, and Mr. and Mrs. Jimmie Battaes of Lubbock.

A. J. Ellis, who has been attending classes at Texas Tech, was home the past weekend.

Mr. and Mrs. R. B. Wittner of Lubbock, visited in the D. B. Brinker home and the Andrew Wittner home the past weekend.

The FFA boys and their sponsor, Leon Jones, plan to leave Friday, February 8 for San Antonio, to attend the Fat Stock Show. They will return home Sunday, February 10.

Mrs. Rowland Shepard and daughter of Hart, were visiting friends in the community Thursday.

B. B. Johnson, son of Mr. and Mrs. Baker Johnson, is confined to his home with the measles.

Mrs. Cecil Cole and Kay were shopping in Portales Saturday.

HISTORICAL ARTICLE

Last week an article of interest to the Three Way community published in the Portales Daily News, "Yesterdays in Portales - 50 Years Ago" read as follows:

Portales was visited during the past week by a party of gentlemen from Minnesota. We are unable to give their names, but are reliably informed that they bought ten thousand acres of the Texas lands known as the VVN pasture.

The O. W. Kerr Land Company of Minnesota, will be known here as the Texas and Southwest Colonization Company. They have located a town on their land in the VVN pasture, to be known as McKenzie in honor of their new agent, T. S. McKenzie, in charge of their office here. The town will be located about thirty-five miles southeast of Portales. The company this week made a contract with Williams and Maxwell Carpenters of Portales, to build a large two story hotel at McKenzie. John Stovall is going to put up a livery stable at the new town. The company now has four automobiles here to carry their customers out to the land. They brought in a special car with the excursion last week, bringing in about fifty people.

TWO STORK SHOWERS

Mrs. Edgar A. Bass Jr. and Mrs. Phillip Garrett were honored with pink and blue showers last week.

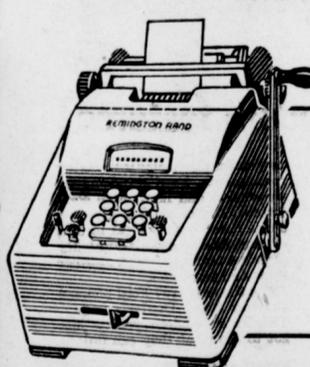

On Wednesday afternoon Mrs. Bass was showered at the home of Mrs. Byron Gwyn. Other hostesses were Mmes. Sherman Sweatman, Manuel Self and Jimmy Presley. Organ music was played by Mrs. Bill Garrett. Several special "stork" games were led by Mrs. Jimmy Presley.

The table was laid with a blue cloth and was centered with a unique "Baby Tree" creation made by Mrs. Sweatman. It was formed of a branch of manzanita painted white. Dainty nests of white net tied with blue ribbon were scattered over the tree and each held a tiny celluloid baby doll. The tree was set in a base of white styrofoam covered with embroidered white organdy edged with lace and blue flowers surrounded the base.

Refreshments of cookies, coffee and coke were served. Favors were mint cups formed in the shape of blue and white checked diapers. Mrs. Ruth Dunlap of Morton, mother of Mrs. Bass was a special guest. Others present besides the hostesses and hono-

Superintendent Approves T.V. 'Let's Teach'

Jerry Kirk, superintendent of the Muleshoe School District today urged college graduates in this area to give serious consideration to opportunities available to them in the teaching profession.

Superintendent Kirk explained that the need for teachers is especially critical in some areas of the State and that more than 2,000 persons have had to be assigned to teaching positions this year on the basis of emergency teaching permits. "I especially want to call your attention to the state-wide teach-

Bailey County Memorial Park, Inc.

MULESHOE, TEXAS — BOX 1235

"THE STRENGTH AND CHARACTER OF A COMMUNITY IS OFTEN REFLECTED IN THE CARE AND RESPECT OF ITS DECEASED"

CONGRATULATIONS!

TO A WIDE AWAKE, PROGRESSIVE, THOUGHTFUL COMMUNITY ON THE TREMENDOUS SUCCESS THAT YOU HAVE MADE OF YOUR MEMORIAL PARK

WE ARE NOW IN THE PROCESS OF CLOSING OUR HOME PROGRAM

We refer to this as YOUR Park because that is exactly what it is. This Park was established and designed for YOU PEOPLE in this area so that you might have the Very Best resting place for your loved ones that money can buy at an extremely low cost!

Even though your park is just a little over two years old there is no doubt with reference to its beauty, constant Perpetual Care and careful planning that it now reflects that success Has Been Achieved.

In the beginning we dedicated this park to the people of this area with the thought in mind that you would have a place of beauty combined with a very sacred feeling of respect and love for your loved ones that have always been so close to your hearts during their stay on this earth.

Not only does this show that they were loved and appreciated on earth but that you have made every effort possible to prepare for them a place of beauty and care in their final resting place—not to be forgotten—ever.

When opening the park we set aside or dedicated what we thought was and always would be the most beautiful section of the park, Gardens No. 1 (Garden of Devotion) and Garden No. 2 (Garden of the Last Supper) to the people for pre-need selection on our Home Educational Explanatory Program where at that time we not only give a very generous discount but explain in every detail the meaning and functions of Memorial property.

This program is yours for the asking under no obligation whatsoever on your part. This service is rendered by your park so that we might help by enlightening you and your family on any question or problem that you might be confronted with in reference to selecting the proper resting place for your loved ones.

In the home and in the home only can we be of service at pre-need selecting.

We are happy to be of any service that we possibly can at times of need but in the home at pre-need it is much easier on the family to discuss things of this nature while the family is in a happy frame of mind and under no stress or strain of bereavement.

In the home and in the home only is it possible for the family to make

this selection together where at that time discount, terms and a very choice selection can be had.

Selection in the front section of the park is rapidly coming to a close, thanks to those that have taken an interest in your park and have given their families a few minutes of very careful thought and consideration in respect to a beautiful resting place in the future.

At this time we still have several very choice family selections that may be had under our home program.

If you are interested in learning more about our Home Program under no obligation, please fill in the following and mail to our office. We will do our best to see that you are contacted at your home at your convenience under no obligation whatsoever on your part.

We want you to feel that this is your park and anything that we can do for you or any service that we can render is part of our obligation to you.

Don't wait or put this very important decision off any longer — Give your family this protection that they duly deserve.

THANKS AGAIN,

Babson Discusses YOUR BRAINS

Babson Park, Mass., Feb. 7. Two basic financial problems are facing every city and town today. (1) Higher interest rates must be paid for all money borrowed, including that for new schools, and there is a shortage of money at any cost. (2) Higher salaries are being demanded by teachers, and there is a shortage of teachers at any wage.

WHY TEACHERS GET NO MORE PAY
 Almost all other groups of workers have increased production as their wages have risen; but the carpenters use electric tools; the painters spray, instead of using hand brushes; the doctors make quicker "calls" by telephone; while stores are fast adopting "self-service." Even the blond typist uses an electric typewriter; while her boss uses a Soundscribe. The housewife herself has cut down her work so as to make it unnecessary to employ maids and laundries; and, in fact, she can even earn money by an outside part-time job.

With the faithful school teacher, the results are often the opposite. It is true that she has been given more "things" to teach and to talk about. These have been forced upon her school superintendent by high-pressure textbook salesmen and politicians. These outside "things" take the teacher's time and strength. I greatly sympathize with all school teachers in their predicament.

SCHOOL TEACHING VERY INEFFICIENT
 But the fact is that her product does not increase in efficiency and usefulness as her salary is increased. The good women now teaching my grandchildren get more than double the pay which the teachers received when I was in school. I, however, am convinced that these children do not get the training that I had 50 years ago. Moreover, every employer will say that the product of our schools is not as good as it formerly was. Furthermore, we employers are not allowed to "return the goods and get our money back" when the work of a graduate is inefficient and careless. Basically, the job of a school teacher is to help her pupils develop their brains. This has been properly accomplished, the other needs — charac-

ter, health, posture, and personality — will naturally follow. Yet, our public school students are not taught anything today about their brains. They utterly fail to realize its marvelous powers, how it works, and its tremendous unused possibilities. In fact, only in the past year did I get interested in my own brain through Dr. George Russell, the wonderful M. I. T. Dean of Science. Write him for a copy of his article in a recent Atlantic Monthly. (Please enclose needed return postage!)

HOW TO REMEDY OUR DIFFICULTY
 Now here is a suggestion which those responsible for the cost of the teaching of your children should seriously consider. Begin in the lower grades to interest the children in their brains. Instead of giving them "CAT" as the first word to spell, give them "BRAINS" to spell! Have at the top of every Report Card these words: "Report On How Your Brain Is Working." Constantly keep the children conscious of their brains and its marvelous possibilities.

Recently, I asked some boys what kind of reading interested them most? One replied, "Airplane Engines"; another said, "Space Flying"; while a third said, "To understand how a TV works." Then when I began to tell them of the marvelous machinery inside their own heads they were fascinated. I gave them only one illustration of what happens when they see an object, and how the light waves reflected therefrom are changed to electrical impulses which in turn are registered and stored in a minute memory compartment of their brains to be taken out and used years later.

TERRIFIC RESULTS POSSIBLE
 My point is this: Physiologists tell us that we are using our brains at only 3% of capacity. If so, think what it would mean to our future and the future of the nation to increase this 3% to only 6%. It could not only double the efficiency of every public school graduate, but it could double our standard of living and it could make every one of us better, healthier, and happier. Then every teacher would gladly be given double her present salary, and more!

TODAY'S MEDITATION

Read Luke 9:57-62.
 No man, having put his hand to the plough, and looking back, is fit for the kingdom of God. (Luke 9:62.)
 Polycarp, the martyr, was put to death by pagans in A. D. 156. He must have been familiar with this text. Early in life he decided to follow Jesus. Nothing could

induce him to do otherwise. In modern times, many African Christians, facing the terror of the Mau Mau movement in Kenya, decided not to forsake their faith in Christ. Some have faced death in order to remain true. Their spirit and faith inspire others to the daily walk with Him.
 Our text reminds us of the fields where the land is ploughed

in single furrows, with a beast pulling the plough and a man guiding it. The man must closely attend his work. He must look ahead to his guidepost. If he looks back, his furrows will be crooked. Having decided to follow Christ, let us put our hands to the plough. Even in the hour of death, we can look forward to victory with Him.

PRAYER

Eternal God, who hast sent Thy Son Jesus Christ to challenge and to guide us, we beseech Thee to make us worthy of His sacrifice for us. Strengthen us afresh in decision and in faith. Grant that we may not fall Thee, but go forward, looking unto Christ, our Redeemer and Guide. Amen.

THOUGHT FOR THE DAY

Faithful, diligent work for Christ is never in vain.
 E. Keith Ditterich (Aust.)

HOME ON LEAVE

Claude Locke, Airman at Sandia AFB, Albuquerque was home for a weekend visit with his parents, Mr. and Mrs. Verley Locke and family.

Got to Make More Room

Wildlife Specialists Visit Game Refuge

Dr. Wayne J. Jensen and Jack Allen, both with the Bear River Research Station at Brigham City, Utah, have been visiting the Muleshoe National Wildlife Refuge for several weeks.

They are doing research on fowl cholera that affects ducks in this area each winter. Both men are employed by the U. S. Fish and Wildlife Service to work on diseases affecting water fowl over the western United States.

The Monument Lake WSCS women invited the men to a social in the home of Mr. and Mrs. Tommy Galt. A wonderful supper was served to Mr. and Mrs. Cass Stegall, Mr. and Mrs. Dolly Arnn, Mr. and Mrs. Clint Everett, Mr. and Mrs. Louis Gordon, Mr. and Mrs. Leon Reeves, Mr. and Mrs. Cecil Cole, Rev. and Mrs. C. C. Dorn. After supper games of "42" were played.

Dr. Brown from Morton, brought his Boy Scouts, Troop 101, for a night camp at the National Wildlife, 15 miles north of Morton. There were eight boys to spend a cold night, but an enjoyable one.

Mrs. Elizabeth Darnell received word that her uncle, Mr. Roscoe Pamerlo, had died of a heart attack. His residence was in Pueblo, Colo. Mrs. Darnell was unable to attend the funeral of her uncle due to sickness in the family.

CARD OF THANKS

We wish to express our sincere thanks to each and everyone who was so kind to Arlie Thomas, Jr., during his illness and for the flowers, cards, food and words of sympathy at his passing. May God bless each of you.
 The Arlie Thomas Family

SLEMMONS FAMILY IN VISIT TO PANAMA

Dr. and Mrs. T. M. Slemmons and son, Senn, are on an extended trip to Mexico and Central America. They boarded the afternoon Santa Fe train Sunday for the trip to Houston, where they took a plane for Mexico City. After two days there they were to fly to Guatemala, then to the Panama Canal Zone. Dr. Slemmons was on duty in the Canal Zone during the war, and the family looked forward to visits with old friends there.

Sand Hills Philosopher Comes UP WITH SYSTEM HE CLAIMS WILL SOLVE THE FARM PROBLEM

Editor's note: The Sand Hills Philosopher on his Johnson grass farm claims he has a solution to the farm problem, but there's bound to be a bug under the chip somewhere. Dear editor:

Everybody is always talking about the farm problem but you rarely ever hear of anybody really offering a solution to it.

A week ago I read a statement in a newspaper which turned up out here in the road near my house where somebody had spread it on the ground to keep from getting dirty while he was changing a flat, and for seven days since then I've been thinking steadily about it and I have now come to a definite solution to the farm problem.

As I understand the farm problem, we have one even when we don't have a drought, that is, a drought makes the farm problem worse, but even in rainy years the farm problem, especially the surplus part of it, is still staring us in the face.

I am now going to offer a solution to the problem, and I'm surprised nobody has thought of it before.

According to this statement I read in the paper, the supply of gasoline on hand in this country is now at an all-time high, which is one of the reasons we can't ship any more oil to Europe, as the more oil we refine, the more gasoline we produce, and the bigger the supply would get and

there ain't enough barrels to hold it.

But, and here's the point, even though the supply of gasoline on hand is at the highest peak in history, the price of gasoline for cars and tractors is also at the highest peak in history, as anybody who's bought any gas lately knows.

What I want to know is, and this would solve the farm problem, why don't us farmers use the same economic system the oil people use. Why can't we repeal the law of supply and demand too?

I don't know how they work it, but any time you can get your price to the highest point in history and still have the biggest un-used supply of the stuff on hand, you're in pretty good shape.

Us farmers' trouble has always been, right when we got a big crop on hand, the bottom falls out of the price.

The solution to the problem clearly is to pattern agriculture after oil. Understand, I'm not criticizing the oil industry, I'm just envying them boys. They've hit the nail on the head. I ain't smart enough to figure out how we can do it too, but I think I've done my part when I've pointed out that if we adopt this oil system, and get the price to move up every time the surplus moves up, all us farmers, from me on up to Mr. Benson, will have our problems solved.

Yours faithfully
 J. A.

CHRISTIAN SCIENCE

The fact that all things are possible to God will be emphasized at Christian Science services Sunday in the Lesson-Sermon entitled "Spirit".

Luke's account of Christ Jesus' healing of the "woman having an issue of blood twelve years" (Luke 8) will be included in readings from the King James Version of the Bible.

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (182:32-4): "The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one lawmaker."

Joint Polio Benefit Party Held Thursday

The 1957 Polio drive for the Bula and Enoch communities was held Thursday night in the school lunch room.

H. A. Reynolds and Mrs. F. L. Simmons, chairmen for the drive, acted as directors for the evening's entertainment.

Games of Canasta and Forty-two were played with ladies selling pie, cake, sandwiches, and drinks during the evening and at the close of the evening entertainment. Mr. Morrison auctioned off all the cakes that were left.

A total of \$218 was collected and several have made donations

later, that were unable to attend the party.

Mr. and Mrs. Murry Alexander of Ft. Worth, spent several days last week in the home of her parents, Mr. and Mrs. Cecil Jones.

Members of the Bula Baptist church won the efficiency banner at the Enoch Training Union zone meeting Sunday afternoon. Eighteen members of the Bula Baptist church attended and Rev. Travis Ham of Bula delivered the sermon.

Mr. and Mrs. Norman Warren

and sons Butch and Timmy visited in the Jack Speck home Sunday afternoon.

Young people of the Baptist Church won the attendance banner at the youth rally at Field-ton Thursday night. Bula's part on the program was a special song by Loretta Locker, Beverley Latham and Arlene Hogue. Young people attending from Bula were: Beverley Latham, Loretta and Patricia Locker, Joyce Thompson, Arlene Hogue, James Clevenger, Ronnie Fisher, Warner De Sawtel, and Mrs. Locker, Latham and Rev. Ham.

SCHOOL HONOR ROLL

Bula high school honor roll was given last week. Those from 9th grade through 11th, A and B honor roll were: Stanley Snitker, James Clevenger, Carol Cook, Sandra Angel, Lennell Claunch, Sammy Reynolds, Kathy Archer, Judy Young, Shirley Cox, Sue Johnson, Kathy Phillips, Betty Hallford, Doris Stroud, Janell Seagler, Myrlene Nichols, Sharon Holt, Ben Plaz, Dusty Bogard, John Pool, Sandra Spence, Junior Austin, Arvin Stroud, and Pat Claunch.

Mr. and Mrs. Dudley Cash and baby son, Dennis, of Portales, N. M., spent the weekend in the John Blackman home and attended Mrs. Lloyd Crosby's funeral in Littlefield Sunday afternoon.

SCHOOL IMPROVEMENTS

Several improvements have been made lately at the school which have helped considerably. New shades have been put up in the auditorium which was needed so badly. An extension of the platform into the auditorium. Homemaking room has a new door between the cooking and sewing room. The lunch room has a new plate-glass before the serving window.

SENIOR PLAY PLANNED

The seniors have received their play books, name of the play is "Hilbilly Courtship". It's a 3-act comedy with 11 characters, six boys and five girls. They hope to be able to put it on real soon.

Mr. and Mrs. Edd Richardson and children, of Lovington, N. M., visited Saturday in the John Richardson home here.

Dana, infant daughter of Mr. and Mrs. Dale Middlebrook, was a patient of the Littlefield Hospital Saturday and Sunday of last week.

Sunday visitors in the W. B. Gage home were Mr. and Mrs.

Bill Gage and Timmy, and Mr. and Mrs. Glenn Ashdown of Lubbock, and Mr. and Mrs. Irby Carlisle of Friona.

Mr. and Mrs. Bud Thomas and Mr. and Mrs. Gary Weaver left early Saturday morning for Fort Worth. They had tickets for the Stock Show Saturday night. They were to meet Mr. Weaver's parents of Petersburg at Benjamin. After the week end in Ft. Worth, the group were driving on to Houston, to attend a Farmers Co-op Gin managers meeting.

Mr. and Mrs. Edward Crume and girls, Diane and Donna, visited with her parents, Mr. and Mrs. R. A. Parker of Eastland Thursday and Friday of last week, and over the weekend with his mother, Mrs. I. J. Crume, who is confined in a Quanah hospital.

Mrs. Olin Powell and Mr. Dale Pierce carried Mrs. Powell's father, Mr. H. J. Pierce to his home at Menard, Texas Saturday. Mr. Pierce has been visiting here with his daughter for several weeks.

Mr. and Mrs. Buddy Medlin of Amarillo were Sunday and Sunday night guests in the L. H. Medlin home.

The Bula boys and girls will play Ropesville a practice game here Saturday night, January 9. Our teams went to Ropesville two weeks ago and our girls lost.

Sunday evening guests in the Claud Morrison home were Mr. and Mrs. M. H. Skinner and daughter, Sandra, of Friona.

Mr. and Mrs. H. A. Reynolds carried their daughter, Carolyn, back to Lubbock Sunday afternoon to begin the Spring semester at Tech.

Mr. and Mrs. Hollis Prime were in Muleshoe Sunday where Bro. Prime spoke at both morning and evening services at the Church of Christ. Brother Tittle filled Brother Prime's place at the Bula church.

Dinner guests Sunday in the Dale Middlebrook home were Mr. and Mrs. Tootie Middlebrook and children of Muleshoe, Charles Powell, and Mr. and Mrs. J. L. Middlebrook of Bula, and Chester Dale Pierce of Clovis.

Mrs. Jack Jackson and children of Clovis spent on Wednesday 'til Sunday with her parents, the Edd Autreys.

Mr. and Mrs. E. C. Bellar were in Amarillo Thursday visiting in the J. C. Bellar home. They carried Lee Bellar, who has been attending Bula school, to his pa-

rents so he might start at mid-term in a school at Amarillo.

Mr. O. H. Pierce made a short business trip to Phoenix, Ariz., leaving Friday and returning Monday.

Dinner guests Sunday in the W. R. Adams home were a nephew of Mr. Adams', Mr. and Mrs. John Jaymes of Lubbock.

Miss Sharon Holt was hostess to a group of girls Saturday night. The girls going home with Sharon after returning from the basketball game at Ropesville. The girls were served sandwiches, potato chips, cake and pops. Sunday morning all went in a group to Sunday school at the Methodist church. Girls attending were Sharon Holt, Sammie Reynolds, Carol Cook, Betty Hallford, La Nell Claunch, Barbara and Opal Bogard, and Myrlene Nichols.

LAYETTE SHOWER

Mrs. H. W. Kyle was honored with a layette shower at the home of Mrs. L. H. Medlin Thursday afternoon.

The flower arrangement for the guest room was a huge stork amid a lovely arrangement of pink and blue carnations and greenery. Miss Paul Young registered the guests from a pink baby book. And Mrs. Daston and Mrs. Blackman directed games.

The honoree received many lovely gifts.

Cherry pie, topped with ice cream, coffee, and Cokes were served to the guests. They were Mrs. Edd Crume, H. A. Reynolds, John Richardson, Dewitt Tiller, Leo Holt, Clarence Cannon, Jimmy Cannon, C. L. Cox, J. L. Clawson, P. M. Lancaster, B. L. Blackman, Paul Young, Jim Claunch, Marvin Drake, Jimmy Drake, Ashel Richardson, Travis Ham, J. L. Middlebrook, John Blackman, George Blackman, W. B. Gage, and Glenn Gaston.

Miss Jane Hicks enjoyed having three girls friends Thursday night for a slumber party. The girls spent the evening playing cards and eating 'til a late hour. Those to enjoy the night with Jane were Arlene Hogue,

Loretta Locker, and Beverley Latham.

DonTyre, junior student of Tech, spent the mid-term holidays here with his parents, the W. F. Tyres.

Sunday afternoon guests in the L. L. Walden home were Mr. and Mrs. Gordon Walden and son, David, of Littlefield.

Mr. and Mrs. Otis Neel and children, Kay, Gerald and Dale, of Friona, attended services Sunday night at the Church of Christ and visited for a while in the Gene Bryan home.

Rev. Travis Ham attended Monday and Tuesday night a pastors and laymen conference meeting, held in Fishview. Rev. Whitefield of Enoch accompanied Bro. Ham to Fishview.

WSCS MEETS

The WSCS Circle of the Methodist Church met Wednesday afternoon at the church building for their regular meeting.

The program was directed by Mrs. W. L. Clawson and the study was on "Paul's Letters to the Church". Seven ladies were present, Mmes. W. L. Clawson, P. M. Lancaster, Paul Young, C. L. Cox, H. W. Kyle, L. H. Medlin, and George Bachman.

Mr. and Mrs. Skeeter Black and baby Rocky of Hobbs, N. M., spent Sunday with his parents, Mr. and Mrs. E. W. Black.

We welcome Mr. and Mrs. O. H. Pierce into our community. They have recently moved on the Butler farm. They formerly lived in the Stegall community.

Mrs. P. M. Lancaster spent Monday night with her daughter in Amherst, Mrs. Doc Shaver.

Visiting Sunday in the S. H. Clevenger home were Mr. and Mrs. Gene Stanley of Spade, Mr. and Mrs. Ell Clevenger of Morton.

Mr. and Mrs. George Bachman and Mr. and Mrs. Cecil Jones attended the Saturday night Tele-

thon held in the Lubbock coliseum.

Mr. and Mrs. Grover Garth of Needmore visited Sunday afternoon in the W. F. Tiry home.

Mr. and Mrs. Dale Harper of Earth were dinner guests last week in the T. L. Haper home.

Mr. and Mrs. Major Beasley and boys of Friona spent Sunday in the J. L. Middlebrook home.

Mr. and Mrs. Earl Black visited Monday with his brother, Mr. and Mrs. C. M. Black of Muleshoe.

MR. AND MRS. ROY BRYANT HAVE WEEKEND GUESTS

Guests in the home of Mr. and Mrs. Roy Bryant the past weekend were her sister and husband,

Mr. and Mrs. Virgil Woolever of Richmond, Calif.; another sister, Mrs. Burt McDonald and mother, Mrs. Ernest Denny of Lubbock; the Bryant's daughter and family, Mr. and Mrs. Don Fudge and children of Hereford, and their son and wife, Mr. and Mrs. R. E. Bryant of Lubbock.

PATRICIA BUTTS HONORED ON TWELFTH BIRTHDAY

Mr. and Mrs. Buford Butts honored their daughter, Patricia, on her 12th birthday, Thursday evening, by taking her and the following friends, Dave Jean Anderson, Mary Sanders, and Linda Beth Stephens to Clovis, N. M., and treating them to a Mexican dinner. On their return home Patricia was presented gifts from her friends and relatives.

4 REASONS WHY STEEL PIPE IS YOUR BEST BUY

1. Steel Pipe Is Proved

Nothing is stronger than steel. No substitute has been found which combines the durability, strength, and lasting economy of steel. With steel pipe for your water lines and well casing there is no weak link. There is complete dependability.

2. Joints Are Welded

No joint can be as good as a welded joint. Welding is not a temporary connection, nor is it one that is "just as good". Welding forms a permanent bond between two lengths of steel pipe. A bond that is leakproof and maintenance free.

3. Permanent, Long Life

Properly coated steel pipe will last indefinitely. Protective coatings nullify the effects of moisture, soil chemicals, electrolytic action, etc. Not only is the protected steel pipe long lasting, but you know that you can depend on it to be trouble-free.

4. Steel Pipe Is Priced Right

You can get all the advantages of steel pipe; long life, positive joints, maintenance free for the same price as a competitive substitute and synthetic materials. Don't be caught with a poor piping job that can shut your irrigation down. Remember, the water comes all of the way in a steel pipe. Make sure it gets to where you want it in steel. Play it safe with dependable, proved STEEL PIPE. Steel Pipe will stand pressure in connection with sprinkler irrigation systems. We are now equipped to install underground Steel Pipe and Sprinkler Irrigation Systems.

6 and 8 inch Pipe Asphalt Dipped and Asbestos Wrapped and 10 inch Pipe Asphalt Dipped — In Stock At All Times. Uncoated Well Casing Pipe in 6-8-10-12 and 14 inch Diameter.

NEW DAUGHTER Congratulations to Mr. and Mrs. W. D. Revel on the birth of a daughter, Resa Manette, born January 11. She weighed six pounds, 8 1/2 ounces at birth. The little lady has one sister, D'Ann Chrle. Mr. and Mrs. Revel are former teachers of the Lazbuddie school.

Clo Ann White, daughter of Mr. and Mrs. Bud White, is home between semesters. Clo Ann is a student at WTSC in Canyon.

Mina Jennings, student at SMU, is home between semesters.

Mina is the daughter of Mr. and Mrs. Firis Jennings.

the Local Churches," with Mrs. C. D. Gustin as study leader.

Those taking part on the program were Mrs. Gustin, Mel Smith, John L. Seaton, and H. L. Ivy. The program was very interesting.

Business was conducted by the president, Mrs. H. E. Gilmore. The next meeting will be February 7, 3:00 p. m., at the church.

The Methodist men will meet for their regular meeting, Wednesday evening, Feb. 6 at 6:00. This will be work night for the group, and plans are to start redecorating the parsonage.

Sunday guests in the home of Rev. Bruce Matthews were his parents, Mr. and Mrs. J. L. Matthews, and friends, Mr. and Mrs. Charlie Hellier, all of Canyon.

Mr. Robert H. Bell, of Midland, visited last week in the home of Mr. and Mrs. Clyde Monk.

Mrs. B. M. Koeltzer is reported to be doing nicely after undergoing surgery in the Friona hospital.

Mrs. A. E. Marcile of Frederick, Okla., is visiting her daughter and family, Mr. and Mrs. Kenneth Precure.

Mr. and Mrs. Clyde Monk and Linda recently visited in Plainview and Hale Center.

Jimmy Frank Carpenter, daughter of Mr. and Mrs. Howard Carpenter, is home between semesters.

Winnif Paul Ham is home visiting her parents between semesters.

Mrs. E. L. Wenner visited Monday with her daughter and family, Mr. and Mrs. Ansel Ashford.

WCSO MET WCSO of the Lazbuddie Methodist church met Thursday afternoon in the church to continue their study on "Paul's Letters to

the Local Churches," with Mrs. C. D. Gustin as study leader.

Those taking part on the program were Mrs. Gustin, Mel Smith, John L. Seaton, and H. L. Ivy. The program was very interesting.

Business was conducted by the president, Mrs. H. E. Gilmore. The next meeting will be February 7, 3:00 p. m., at the church.

The Methodist men will meet for their regular meeting, Wednesday evening, Feb. 6 at 6:00. This will be work night for the group, and plans are to start redecorating the parsonage.

Cadillac

His Golden Anniversary at the Wheel!

In Texas, there is a gentleman who is currently driving out his fiftieth year at the wheel of a Cadillac car.

In New Jersey, there is another gentleman who has purchased every yearly model that Cadillac has produced over the past fifty-three years.

These are simply dramatic examples of one of the most remarkable truisms in all motordom: *that once a man takes the wheel of a Cadillac, he usually remains at the wheel of a Cadillac!*

To be sure, a motor car would have to offer many unique virtues in order to win so generous a place for itself in the affections of so many.

And, in the case of Cadillac, we think these virtues are self-evident.

There is, first of all, quality. No effort of styling or design or craftsmanship is ever spared to make Cadillac the finest possible motor car.

There is beauty and luxury and performance. The car's magnificent styling and interior coachwork have, over the years, brought Cadillac an inbred majesty and elegance that are entirely its own . . . and Cadillac engineering has been the industry's constant inspiration.

Finally, there is reputation. Never in automotive history has another motor car sustained such an abiding public conviction in its own goodness.

And, certainly, these basic Cadillac ingredients have this year reaped their richest harvest.

So whether you've been at the wheel of a Cadillac for half a century . . . or have yet to spend your first hour in the "car of cars" . . . you should see and drive this newest of Cadillacs. Need we say more?

Mules Enter The Stretch For District 1-AA Crown

Mules Win Game of The Year Over Tulia Friday

By Curtis Browder

Friday night the Mules won what is probably their most important game of the season. They beat the Tulia Hornets 71 to 54 in a game that will be talked about around Muleshoe for a long time. The Lubbock Avalanche Journal called it the "game of the year" in its Friday morning edition.

Previous to last week, Tulia, Canyon and Muleshoe were tied for first place in conference play. Tuesday night, the Mules won a close 44-41 game from Canyon to make it a two-way tie. In their first meeting this season, Tulia took a 58-43 decision over the Mules. The underdog Mules fighting for the top berth, and a jam-packed gymnasium set the stage for one of the most thrilling ball games ever played in Muleshoe.

Charles Jennings started the Mules scoring march for the night sinking a long set shot. After that one shot, the Mules and the Hornets fought a battle royal to the final buzzer.

The Mules capitalized on fast breaks and free shots, setting the pace right from the start. The end of the first quarter found the Hornets holding a 12-11 lead over the Mules. During the second quarter, the Mules regained the lead and kept it the rest of the game. However, the largest lead the Mules held during the first half of play was five points. The second quarter was just like the first except for the scoring a fast, hard game all the way; the first half ended with the Mules out ahead 30-27.

Effects of the grueling pace were easily observed on both teams, and the Mules, playing on a familiar court, pushed their lead to 9 points in the third quarter.

The Hornets suffered from the loss of a top-notch defensive player, Ward, who was out because of an injury, and in the final period their 6'6" post man, Tom Garrison, was sidelined with four fouls. These losses were evidenced by the Mules 26 point scoring surge in the last quarter.

Dennis Love was the individual high scorer in the game with 22 points, Charles Jennings who was high for the Mules, followed with 21.

Bob Sanders and Oakie Alexander although they were paired up with taller opponents, did a fine job on the backboards for the Mules, while Eddie Wilt, Bill Black, and Charles Jennings ably handled things out front. It was Oakie Alexander who came up from scramble under the basket with the ball and crammed in the last two points for Muleshoe just as the buzzer sounded.

MULETTES LOSE
The Mullettes didn't come out of their game quite as well as did the Mules, as they fell before the conference leading Tulia girls 47-37.

However, the game was closer than the score might indicate. The Mullettes outscored their opponents in the second and third quarters but fell behind in the

Mules Down Dimmitt Tuesday Night To Lead Conference 1-AA Cagers

Tuesday night the Muleshoe Mules defeated the Dimmitt Bobcats 60 to 54, thus removing the first of three obstacles remaining between them and a clear cut district championship.

The upset minded Bobcats came very close to carrying out their plans as the first quarter

with 24 points. Mary Jo Holt tallied for 20 and Sandra Briscoe for 15.

The Bobbies hit 24 field goals to 17 for the Mullettes and 30 of 40 free shots compared to 25 of 43 for Muleshoe.

Bobbie Nell King and Gwen Williams, a versatile sophomore who plays well at either the forward or guard position, headed the Mullettes defense.

B Boys Win
In a preliminary boys "B" game, Muleshoe took a 53 to 27 win over the visitors. For lack of time, this game was played only three quarters.

Darrell Oliver led the Muleshoe attack with 24 points. Jimmy Morrison was next with 10, and Dickie Johnson with 8.

Smithson and Warren each had 8 for the Dimmitt "B" team.

This was the last home game for the Muleshoe teams, and also for four MHS seniors. These four, Charles Jennings, Eddie Wilt, Don Copley, and Jimmy Morrison, have all played for the varsity squad this year.

Friday night the Muleshoe teams will play at Dalhart. Then Tuesday night they will end this season's play at Oton. The Mullettes to date have a 3-5 conference record. The Mules have 7-1 record, having lost only to Tulia.

of play ended in a 13-13 deadlock. A second period of play found the Mules out in front by only 3 points.

Dimmitt controlled the tipoff and scored first. Bob Sanders, who turned in an exceptionally fine game for Muleshoe, quickly evened the score for Muleshoe.

Throughout the first half both teams made use of fast breaks on offense, and on defense a full-court press. However the grueling pace was slowed slightly in the second quarter.

The Mule's biggest scoring surge came in the third quarter as they dropped in 23 points.

Going into the final period of play, the Mules started using their stalling tactics. Despite this fact, Dimmitt made it their best scoring quarter with 15 points.

Keith Lowe, who scored only 6 points the first half, came back strong in the latter stages of the game to triple this amount and became the individual high scorer with 24 points. He along with Hal Rateliff who had 15 spearheaded the Bobcats game both on offense and defense.

Bill Black led the Mules scoring with 18 points. Eddie Wilt, one of the Mules' ablest ball handlers, and Don "Oakie" Alexander who very often emerges from the rebound scramble with the ball were the top defensive players for Muleshoe.

Honor Roll

BALMY DAYS IN RUSSIA—Yes, this is Russia. Looking more like Miami Beach than the frozen wastes usually pictured, the bright sunshine complements this shapely ballet starlet from Moscow. She belongs to members of the privileged class who can afford an expensive holiday at Sochi, a fashionable Black Sea resort. The photograph is from a recent issue of Look magazine.
