Number 42

Highway 380 May Be Extended East

The proposal to extend U. S. Highway No. 380 from Aspermont to Fort Worth by way of Rule, Haskell, Throckmorton, Newcastle, Graham, Bryson and Jacksboro is in the hands of the State Highway Commission, according to a communication addressed to The News from the Graham Chamber of Commerce. Representatives from several of the towns involved met last Monday with Harvey Deene, who is in charge of numbered routings in Texas, and discussed with him the advantage of such an extension.

Mr. Deene indicated that he was considering the matter favorably, and it seemed possible that the Highway Department would recommend this extension in June.

A formal objection had been filed

Rain Storm Hits O'Donnell

A terrific rain and hail storm swept across the south portion of Lynn county Monday afternoon, including O'Donnell in its path but the extent of the territory covered has not been learned.

The rain is reported however to have amounted to a half inch in the New Moore community, and an inch or more at Wells. The fall in O'Donnell was 1.14 inches. It extended as far east as the H. W. Calaway farm near Draw.

In places the hail was very destructive. Considerable damage was done at O'Donnell, and many crops were damaged or entirely destroyed. Possibly the greatest damage was done in the Joe Bailey community, where the rain and hail both were exceedingly heavy along a strip from one and a half to two miles wide.

In some localities in the northeast and northwest quarters of the county nice rains had previously fallen.

Other portions of the county have received only light showers, not enough to be of any appreciable benefit.

Pete Hegi's Father Dies Tuesday

John Hegi of Petersburg, 81, father of Pete Hegi, cashier of the First National Bank of Tahoka, died early Tuesday afternoon in a Lubbock Sanitarium.

Funeral services were conducted at Petersburg at 3:30 Thursday afternoon, following which the body was laid to rest in the cemetery there.

The Bank here remained closed throughout the day Thursday and quite a number of Tahoka friends of Pete and Mrs. Hegi attended the funeral services.

Mr. Hegi had been in the hospital for treatment only about 24 hours when death came.

For 35 years Mr. Hegi had been a resident of Petersburg. He had engaged in farming and stock-raising and had made a success of the business. He was a highly respected and beloved citizen of his community and county.

His son Pete came to the First National Bank as an employee a few years ago and has worked his way up to the position which he now occupies. He and Mrs. Hegi have each made a host of friends here who sincerely sympathize with them in this bereavement.

CRAFT RETURNS FROM CHICKASHA, OKLAHOMA

L. F. Craft landed back in Tahoka Wednesday afternoon a somewhat disappointed man. He had just come from Chickasha, Oklahoma, where he had gone on a business mission and he says it had rained copiously everywhere in that direction except in Lynn county. He wanted water and mud on the trip until he thought every road frog in Lynn county would be yelping when he got back, but nary a frog greeted him with his merry song. Leonard has been here too long, however for a few dry months to bother him.

9 From County Finish At Tech

Of the 417 candidates for degrees to be awarded by Texas Technological College next Monday, nine of them are from Lynn county.

By far the greatest number of graduates, of course, come from Lubbock county.

In the absence of a suitable auditorium, the graduating exercises will be held this year in the College stadium; beginning at 8:00 P. M.

In addition to the awarding of degrees to students, the honorary degree of Doctor of Laws will be conferred upon the president of the institution, Clifford B. Jones, Gen. John A. Hulien of Fort Worth, John W. Carpenter of Dallas, and Ernest O. Thompson of Amarillo.

Ralph Budd of Chicago, president of the Burlington railroad lines, will deliver the annual commencement address. Baccalaureate sermon will be given by Dr. Jack M. Lewis, pastor of the First Presbyterian church in Lubbock, Sunday evening, June 2nd.

Lynn county students receiving degrees are listed as follows: Tahoka: Sherrill Caviness, B. A., majoring in Spanish; Eva Lucille Douthit, B. S. in Education, Public School Music; Emma Maurycie Giles, B. A., English; Ruby Lee Gray, B. S., Home Economics; Jack W. Hancock, B. S., Animal Husbandry; Sybil Anne Pirtle, B. S. in Education, English; Martin Sylvester Reese, M. A., Industrial Management;

O'Donnell: Gwynne William Line, B. S. in Education, Journalism; Wilson: Floyd Heck, B. S., Animal Husbandry.

Of the above number, Sylvester Reese received a B. A. degree last year.

Mrs. Godsey Dies In Lubbock

As the result of an illness of about three weeks, Mrs. Essie Mattie Godsey, wife of J. C. Godsey, who resided in Tahoka several years but recently moved to Lubbock, died on Tuesday morning in the West Texas hospital.

Funeral services were conducted by Rev. George A. Dale of Tahoka, her former pastor, in the Plains Funeral Home in Lubbock Wednesday afternoon, and the body was laid to rest in the Lubbock cemetery.

She is survived by her husband, two daughters and two sons, the daughters being Mrs. Clarence Overman of Tahoka and Marie Godsey of the family home, and sons are Cecil C. Godsey of Fort Sam Houston and Carl Godsey of the home. Also surviving are the father and mother, Mr. and Mrs. A. A. Miller of Amarillo.

Born on March 23, 1900, Mrs. Godsey was just a little more than 40 years of age. She was a member of the Baptist church here and was a fine Christian character. The many friends of the family deeply regret her untimely death.

Benefit Barn Dance Announced Postponed

Due to heavy rains in Littlefield, where the Sales Skating rink is now located, Mr. Sales was unable to get his rink moved off the lot there and therefore the benefit hillbilly dance scheduled to be given Tuesday night by the Phebe K. Warner and Business and Professional Women's clubs was necessarily postponed.

A total of about five inches rain has fallen in the past week in Littlefield, and the rink cannot be moved across a large bardiitch which separates the lot on which it stands and the street.

The rink will be moved here as soon as possible, and the dance will be given as soon as its erection and other events make it possible. All tickets previously sold by the above mentioned club members will be good for the dance when it is held. The general public and holders of tickets in particular will be notified as soon as a definite date can be set.

County Library To Be Open Soon

Plans for a county library initiated by the Phebe K. Warner club and other clubs of Tahoka are fast taking shape and the prospects now are that the library will soon be a reality.

A room on the lower floor of the courthouse adjacent to the justice court room has been procured for use as a library and will be fitted up with shelves soon, according to Mrs. G. M. Stewart, who has been active in the movement. Lumber for the shelving has been donated by the local lumber yards.

All civic clubs of Tahoka and all home demonstration clubs of the county are planning to hold benefit entertainments very soon, and those attending such entertainments will be asked to bring books or money with which to purchase books.

Committees have been busy recently in the interest of this project, and a meeting of the Central Committee will be held this (Friday) afternoon at 2:30 o'clock at which further plans will be made.

R. E. Key Injured In Car Accident

R. E. Key of Lubbock, formerly a citizen of Tahoka, sustained very serious injuries Saturday morning when a car which he was driving was struck from the rear by another car as he was in the act of turning off the highway to enter a lateral road about nine miles southeast of Littlefield.

Mr. Key, it is said, was not aware of the approach of the other car, which is reported to have been traveling at a high rate of speed.

Mr. Key's car was catapulted over a time or two and almost totally demolished. Immediately after the accident he was taken hurriedly to a hospital in Littlefield to have his wounds dressed. In addition to severe cuts and bruises on the head and nose, it was found that three of the vertebrae at the upper end of the spinal column had been fractured and it was necessary for his neck to be placed in a brace. It is expected that he will be confined to his room from three to six months.

He was released from the hospital and brought back to his home in Lubbock Sunday afternoon.

Jack Wester of Lubbock was in the car with Mr. Key at the time of the accident, but he was not seriously injured.

Hughes Rush, a farmer residing near Lubbock, was the driver of the other car. He was not injured.

For a number of years Mr. Key was superintendent of the Wilson school in this county. Then he went into the insurance business and moved to Tahoka. After having resided here four or five years playing his vocation, he was promoted to the position of district representative for his company and removed to Lubbock.

He has a wife and two children. Many friends in this county deeply deplore this most unfortunate occurrence.

G. C. Price, mortician, employed by an El Paso firm, came in Saturday and remained here till Thursday visiting his parents, Mr. and Mrs. J. G. Price. James Price, another son, returned home Thursday from the Tech, where he has been in college the past year.

Mr. and Mrs. A. C. Weaver and children left Wednesday to visit Mrs. Weaver's mother and other of her relatives in Dallas. They are expected to return home Sunday.

Mrs. Elliott Named At Convention

Six of the delegates chosen to represent Lynn county Democrats at the state convention held in Waco on Monday and Tuesday of this week were present when the chairman's gavel rapped the convention to order, and they were still there when he announced the body stood adjourned Tuesday afternoon.

These six delegates were Judge and Mrs. J. W. Elliott, Judge C. H. Cain, and A. L. Dunagan, all of Tahoka, J. L. Shoemaker and D. J. Bolch of O'Donnell; and one of these, Mrs. J. W. Elliott, was twice signally honored by the convention. She was elected as one of the forty-six delegates to the national convention which meets in Chicago on July 15 to nominate a Democratic candidate for the Presidency, and she was selected as one of the twenty-three Democratic Presidential electors for this state.

Judge Cain was also honored by being placed on the Resolutions Committee.

The Lynn County delegation confirms newspaper reports that the Waco convention was a noisy one and that the confusion and the bickering of factions grew almost into a riot at times, but the entire Lynn county delegation kept their poise and departed themselves with all due decorum throughout.

The delegates to the national convention were instructed to cast their ballots for John Nance Garner as the Democratic nominee for the Presidency, but they were further instructed to do nothing to "stop Roosevelt", and the Roosevelt administration was given the highest possible praise.

Former Citizen Dies Here

J. B. Keever, 88, former citizen of Tahoka, died here at the apartment of his daughter, Mrs. L. E. Bigham, at 5:30 o'clock Tuesday afternoon, following a serious illness of only a few days. He suffered a stroke of paralysis about ten days preceding his death.

The remains were taken to Lubbock and prepared for burial by the Sanders Funeral Home of that city and interment was made in the Lubbock cemetery Wednesday afternoon.

Officiating at the funeral services in the Sanders Funeral Home were Rev. W. K. Johnson of Lubbock former pastor of the Presbyterian Church here, and Rev. Jesse B. Levrett, pastor of a Baptist Church at Silverton. Mr. Keever had long been a member of the Presbyterian Church.

Born in Lincoln county, N. C., Mr. Keever was married to Miss Alice Bell Douthit of Wilks county, N. C., on June 22, 1881. Moving to Texas later, he and family came to Tahoka in 1911, and Mr. Keever opened a grocery and mercantile business here, which he operated for several years. About fifteen years ago, he removed from Tahoka but had visited here many times since. After the death of his wife in Lubbock about four years ago he resided with his children.

Surviving are two daughters, Mrs. L. E. Bigham of this city and Mrs. W. C. Bishop of Chillicothe; three sons, E. E. Keever of Pratt, Kas., C. D. Keever of Lubbock, and James E. Keever Jr. of Hutchinson, Kansas. Other survivors are a sister, Mrs. W. H. Hicks of North Carolina, sixteen grandchildren and six great grandchildren.

He had many friends in Tahoka, who regret his passing.

Tahoka Gets Two New Water Wells

New Buildings Erected Here

Quite a number of new buildings are under construction or have been recently completed here.

Walter Mathis began the construction of a new residence on West North Third street near the new Rollin McCord home this week. It will be a five-room structure, beautifully finished inside and outside. He and Mrs. Mathis will occupy it as soon as it is finished.

A neat cottage for Mr. and Mrs. Floyd Gual has been completed on the property of Mrs. S. N. McDaniel just South of her residence.

Another small residence has been completed in Southwest Tahoka and is occupied by W. V. Kelly and family.

Work is progressing on the big duplex being constructed in North Tahoka by Mrs. Pearl Brown.

Mr. and Mrs. A. A. Mourfield have built a front room addition to their home and have otherwise improved the structure, making theirs one of the most attractive residences in the northeast section of the town.

Mrs. Gladys Stokes has redashed the stucco finish and redecorated the roof and the outside woodwork on her beautiful home on Main Street.

Vernon Davis recently built a garage at his home and Otho Thomas is building one at his place.

Will Montgomery, who resides two miles northwest of Tahoka is rebuilding his home, making it modern in every respect and much larger than the old structure. When completed it will be one of Lynn county's most attractive farm homes.

Doubtless there are a number of other recent improvements not included in this list.

Another News Boy Enters Texas Tech

Herbert Womack, who has been employed in the News office after school hours and through the summer for the past several years, has procured a position in the printing establishment of the Texas Technological College and began work last Monday. He will attend the summer school at the Tech and plans to enter the regular session next fall.

In the printing shop, he will be under Sylvester Reese as foreman, who will remain there in this position. Sylvester likewise was brought up in the News office and procured a job in the Tech shop when he entered the college nearly five years ago. He received his B. A. degree from the College a year ago and will be awarded his M. A. degree Monday night.

Mr. and Mrs. A. L. Smith and daughter, Wanda Faye, and Mr. Smith's father, J. D. Smith of Lubbock, drove down to Hamilton Saturday night to visit relatives. They returned home Wednesday after a most pleasant visit.

Dr. and Mrs. Emil Prohl and children left Thursday morning for Leander, where they will visit with her parents.

Dub Kenley, who works for A. L. Smith, is in bed this week with the measles.

The city of Tahoka recently drilled four new wells in the vicinity of the wells previously drilled on the city property two miles north of town.

Two of these wells, one on the city tract of land and the other on a small tract carved out of the Parker farm just north of it, are excellent producers. Deen Nowlin, the mayor, says that they are producing about the same amount of water daily as the other city wells. One of these wells is situated 1426 feet distant from the nearest old well while the other one is 400 feet distant from it. Water lines are being run to connect up with the present system.

The other wells recently drilled are situated on another tract of land in that vicinity but are virtually dry holes.

Clean-Up Drive Ends Today

Today is the last day of the annual clean-up drive, but the fever is contagious, and firms, individuals and families are still busy in many instances in the effort to clean and redecorate their premises.

Several business firms have participated on a large scale. Both drug stores are in the process of repainting and redecorating the interior and exteriors of their buildings. Cobb's Department store and Jane's Beauty Shoppe are cleaning and painting the interiors of their stores, and possibly others whom we missed.

At the homes in northwest Tahoka the trunks of the trees have been whitewashed during the drive, and the effect is very pleasing. A few have painted and repaired the interior of their rooms.

Even the colored folk have been participating, and their little community appears cleaner than ever before.

Due to the fact that the trucks were unable to gather all the trash put out in the past three days, the trucks will again pick up trash today or one day next week. We were unable to learn the exact date. This will be positively the last time trash

War In Europe Is Critical

The war in Europe has reached a critical stage for both sides, especially for the Allies.

The Belgian King, Leopold, capitulated Tuesday and surrendered his army of 300,000 men into the hands of the Germans.

This left the French and British soldiers open to attack on the north and made the plight of the incircled army almost hopeless.

In desperation, the French and British opened the canals in western Flanders Wednesday so as to flood the country and bog down the German war machine so as to give them a chance to escape to England. Many of them did so.

The trapped French army began a life and death struggle to break through the German lines to the south and it was reported Thursday that they had done so. How many of the British and French have escaped or may do so is yet unknown.

The indications are that the next move of the Germans will be to crush the great French army which lies between them and Paris. They have already suffered terrific losses in men and tanks and other equipment, and a new struggle with the French to the south would mean stupendous additional losses. Yet they must conquer either France or Great Britain before they shall have won the war.

The outcome will be watched with breathless interest in this country.

L. D. Moore, Jr., son of Mr. and Mrs. L. D. Moore of the Joe Bailey community, left Wednesday morning for Lubbock to enlist in the army. He expects to be stationed in California.

WAR! And Its Eternal Curse! Thousands of Refugees Lost in Carnage

John Maloney,
(American Red Cross Staff Writer)

"Paris, France May 26—I have spent the last five hours talking to individual French and Belgian refugees from a stream of millions rushing southward toward Paris to escape roaring hell let loose behind them. It is impossible to picture to

Americans in their comfortable surroundings the misery and terror experienced by these homeless victims of war.

"Paris itself is swamped by terror-stricken, hungry, exhausted men, women and children whose thoughts now are not of homes and possessions left behind, but of safety from bombs and bullets that have harras-

ed their flight from battle zones. Roads from the north are now cluttered with carts, bicycles, bullet-scarred automobiles; thousands upon thousands of persons afoot are wearily dragging themselves along, heedless of the danger from mili-

(Continued on Back Page)

To Discuss Farm Tenancy Program

Farm tenancy, one of the major problems facing American agriculture, will be discussed in an open forum broadcast over Radio Station KGNC at Amarillo, Friday, afternoon, beginning at 3:30 o'clock, according to Wyman J. Welch, county supervisor for the Farm Security Administration.

As one approach to the solution of America's tenancy problem, Congress passed the Bankhead-Jones Farm Tenant Act in 1937 to provide loans to help competent tenants, sharecroppers, and farm laborers purchase their own land. Various phases of this program are expected to be discussed on the open forum.

Participating in the special broadcast will be members of the four-state farm tenant purchase committee, which will be meeting in Amarillo to recommend counties in which loans will be made in 1940-'41. Members of the committee are A. B. Crump, Wheeler; R. C. Hopping, Lubbock; M. A. Pillers, Twitty; Charlie L. Thomas, Pampa; James H. Crabtree, Beaver, Okla.; John Hiatt, Plains, Kansas; Adolph Hansen, Granada, Colorado; L. L. Jones, Garden City, Kansas.

John L. McCarty, editor and associate publisher of the Amarillo News-Globe, will direct the open-forum broadcast.

GRASSLAND SINGING SCHOOL BEGINS NEXT MONDAY

The Grassland community is planning to have a singing school the first two weeks in June, beginning June 3 at the Church of the Nazarene. Mr. Luther Ridd of Slaton will be the efficient teacher. He is well known in this community.

We wish to give every one a cordial invitation to attend—Grassland Community.

There oughtta be a law to give Mothers more leisure time"

"I gotta right to kick—because I'm the scapegoat of all the hard work around this house. Those politicians in Washington certainly missed the boat when they passed the Wage and Hour Bill. Shucks, my mother works hard all day and doesn't get paid one cent—even in leisure and comfort! Why, they oughtta pass a law so that every mother could have an Everhot Roaster so she could have easier cooking and easier living."

NEW HOME TRUSTEES ELECT FACULTY MEMBERS

A number of teachers have been elected recently to fill places on the New Home school faculty, according to W. W. Hall, vocational agriculture teacher.

J. W. Partin, former resident of Wilson and now doing work on his master's degree in Tech College, has been elected high school principal. Mr. Partin has had three years experience.

Miss Frankie Lee Straley of Oplin, Callahan county, has been elected to succeed Mr. Haynes as teacher of the fifth and sixth grades. She is a graduate of Hardin-Simmons and has done some graduate work there. She had three years experience in teaching the fourth, fifth, and sixth grades in the Oplin school.

Miss Mauryce Giles of Draw has been elected high school English teacher. She is graduating from Tech College this spring, with a major in English.

Miss Lela Puryear, former English teacher, is taking Mrs. Fanning's place as Primary teacher.

Mrs. Cathcart of Colorado City, Texas, has been elected principal of Petty school, a New Home ward school. She has had six years of experience.

Miss Mattie Morgan of Whitney, Hill county, has been elected to take Mr. Rogers' place in Lakeview school, a New Home ward school. He has had ten years experience.

VACATION CHURCH SCHOOLS AT DRAW-GRASSLAND

The Vacation School at Draw is being very well attended.

We will begin a Vacation School at Grassland Monday morning with four classes. If you can't attend, send the children.

Dr. O. P. Clark, district superintendent, will hold the third quarterly conference for this charge at Grassland June 15 at 8:00 P. M. at the church. Brother Clark will preach before the conference session. Everyone is invited.—Pastor, Draw-Grassland.

NEW LYNN EPWORTH LEAGUE

The New Lynn Epworth League met Sunday evening, May 26, at 8:00 o'clock, with Mr. J. E. Fleming in charge of the program.

A picnic was planned for Saturday night, June 1, to be at Cooper's Canyon.

Three delegates, Mr. T. A. Stone, Miss Sue Young, and Mr. J. E. Fleming, were elected to go to Abilene to Summer Assembly which begins June 3 and continues through June 7.

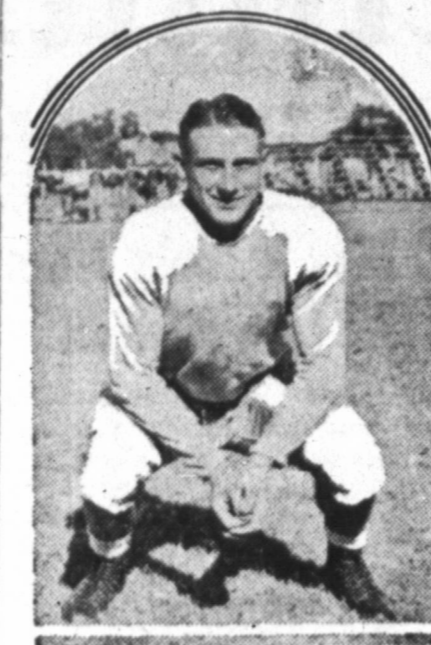

The League meets each Sunday night at 8:00 o'clock. Every one is invited.—Publicity Superintendent.

SINGING AT GRASSLAND NAZARENE CHURCH SUNDAY AFTERNOON

There is to be a singing Sunday afternoon at the Grassland Church of the Nazarene, according to Rev. S. E. Tate, the pastor. We are looking for a large group of singers.

Everyone is invited to come and sing and enjoy the good singing.

James Minor Gets Highest Honors

JAMES MINOR

Brownwood, Tex., May 24.—The final chapter to an outstanding athletic career was completed this week when James Minor of Tahoka received the Vinson athletic award offered annually to the Howard Payne athlete with the highest scholastic standing.

Offered by Miss Lena Vinson, office secretary at Howard Payne, and her brother, Truett Vinson, the award includes a certificate and \$10 in cash. Letter men in any of the three major sports are eligible for the award.

Minor's average of 93 plus for the year 1939-'40 not only was the highest among the athletes but also the top figure in the senior class of 89. His total in honor points was 248, while only 100 are required for graduation.

Won Six Letters

Minor won three letters in football and three in track. He made the All-Texas Conference eleven of 1937 and received honorable mention in the Associated Press Little All-American selections the same year.

Offsetting light weight with speed and an outstanding fighting spirit, 153-pound Minor became one of the most feared backs in Texas during his sophomore year, 1937. His sensational touchdown runs that year gained him the title of Tahoka Terror. Averaging 41 yards for each of his seven touchdowns, he led the conference champion Jackets in scoring.

Brother of Max

Serious leg injuries handicapped him the next two seasons. However, he proved to be one of the most valuable Howard Payne backs each season. In track he specialized in the sprints and broad jump. He was less than a yard behind when a teammate, Melvin Boedecker was winner of the Vinson award last year.

Minor is a brother of Max Minor, one-man team sensation from Tahoka at the recent Texas Interscholastic League track finals in Austin.

S. H. HOWELL WRITES FROM COLUMBIA, TENNESSEE

The Lynn County News: I will drop you a few lines about our trip. We left Tahoka Monday morning; my better three-fourths and I, Babe Howell and his little son and daughter, Joy and Maureen, and little Miss May Pearl Jones, all of Seminole. We got to Columbia Wednesday noon. Had a fine trip; saw the poor prospects for crops I have seen in many years. East Texas has had too much rain. We spent the night at Sulphur Springs; had a big rain and it rained on us all the way to Texarkana.

Mrs. Howell, kin folks, a few of them, only 52 in all, congregated at one place for dinner Sunday. The table was filled with perfume sweet, and the people had all they could eat. They are looking for a general come-coming, they call it, one day this week, and have a big time.

I have not gone fishing yet; it has been raining too much. Some folks went Saturday night; had pretty good luck. They gave our boy a twelve-pound cat fish. We will have fish for dinner today. Maybe I will get all I can eat, and will try to remember the editor while I am eating.

I will quit for this time and try to be in soon. Love—S. Howell.

MRS. PABST HONORED ON EIGHTIETH BIRTHDAY

Mrs. C. Pabst was honored with a surprise birthday dinner Monday at the apartment of Mr. and Mrs. Neugent in the former Central Ward school building where a number of her friends gathered for the occasion.

Some of the ladies invited Mrs. Pabst into their car and then drove to the building. There they found the friends assembled and the feast ready.

A cake baked by Mrs. N. W. Allphin and bearing eighty lighted candles was the center of attraction on the loaded dining table. A profusion of beautiful flowers had been furnished by Mr. Allphin.

Mrs. Pabst was given an opportunity to talk and through her tears of joy and appreciation she spoke most feelingly.

Following the feasting some games were indulged in and after a period of amusement and entertainment Mrs. Burrough conveyed the honoree back to her home.

Present for the occasion were: Mr. and Mrs. Neugent, Mmes. Jessie Warren, Vernon Kelly, T. B. Burrough, J. S. McLaughan, T. T. Ivey, Chandler, Charlie Terry, W. L. Davis, G. W. Neugent, Gaither, Ruby Harvick, C. J. Carpenter, Benice Ad-

kins, T. R. Cathcart, Beulah Davis, Atkins, Solsberry, Owens, and Boswell.

Mrs. C. B. Keitner is in Campbellsville, Kentucky, on an extended visit to her mother. Campbellsville is about 45 miles south of Louisville.

Odds and Ends See Eye, the Elder

A busy country editor, as unimportant as his little job may be, never finds time to go hunting or fishing, never time to go to the mountains or the seaside, rarely ever time for recreation or amusement. He feels lucky if he finds time now and then to go somewhere to see the kin-folks.

Well the good lady and the editor, Eugene Long of our office force, his wife and two kiddies, constituted a week-end party that made a run down into west central Texas last Friday afternoon and night.

It was a treat to all of us—not only the visit with the kin folks but the feasting on the beauties of that scenic region. That country at this time of the year as well as in the fall is indeed a beautiful section of our state, one of the most beautiful, we think. The wooded hillsides and ridges intermingled with patches of prairie, the fertile valleys interspersed with rich pasture lands and fields of oats and cotton and corn with clumps of trees scattered here and yonder, with a wealth of wild flowers raising their heads everywhere above the green grasses, sheep and cows grazing on the hillsides and in the valleys—this presents to us a picture of peace and serenity that can never be forgotten. We feasted on just such pictures as these in Erath, Hamilton, Coryell, and some of the adjacent counties during this week-end visit.

We were impressed as never before that that interesting section of our state is the small farmer's paradise.

We do not mean to say that the lands are more fertile than ours. As a matter of fact only a small percent of the land is very fertile. Much of it is rocky and is not capable, ordinarily, of producing abundant crops. Most of it, however, is fine grassland. There are only small patches here and there of rich farming lands. But they are here and there. With every fifty or one hundred acres of fertile agricultural lands there are from fifty to two or three hundred acres of good pasture lands, and this makes stock farming ideal for the small farmer. This alternating of small areas of rich farm lands and slightly larger areas of lands that can be used only for pasturage has long ago caused the large ranches to be cut up into small farms and at the same time has made farming on a large scale impossible.

No farmer is likely to get rich in that section of the state, but every farmer can be reasonably prosperous. Not only can he produce fair crops of corn and oats and a few bales of cotton, but at small expense he can keep small herds of cows and flocks of sheep that ought to bring good returns while chickens, turkeys, and a few dairy cows should bring in a steady stream of revenue.

Of course, not all the coons are up one tree, and most of those folks think they have a hard time, but to us that country seems ideal for the small farmer who would like to own his own home and make a living on it.

Yes, everybody down there is talking war too. Probably there is more sentiment and stronger feeling against Hitler down there than there is in this country.

This may be due to the fact that now and then a very enthusiastic and indiscreet pro-Hitler German-American will express himself so strongly as to leave the impression that he is Anti-American as well as anti-English and anti-French.

In one community in which it was rumored that a German bund had been organized, there was a regular free-for-all fist fight one night, it was said. One Hitlerite who had been making a nuisance of himself in one of the towns, was chased out of a store by the proprietor with a meat-cutting knife recently.

One lady told us that for a short

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

time she had as a roomer in her home a Hitler sympathizer who was a minister of the gospel of one of the evangelical churches, not a Lutheran however. He was so persistent in his championship of der Fuehrer that he became a nuisance. One day he read in a newspaper of some incident relating to a bank robbery, and without provocation he contemptuously told her "That is some more of your dumb Americanism." She told him that was not Americanism at all, but that the greatest trouble with this country was that it had been too lax with its immigration laws. That held him for a while.

But incidents like these have left a bad taste in the mouths of most genuine Americans in that section of the state, and the feeling against Hitlerism and Nazism is probably

more tense than it is on these plains where few incidents of that kind are possible.

On our way home Monday, we stopped at Snyder and made a fraternal call in the office of the Scurry County Times. In addition to the boys in the shop, we had the pleasure of meeting another visitor there who seemed as glad to see us as if we had been kin-folks. The gentleman mentioned was Bose Reader, who served as a deputy under the first county clerk of Lynn county, the late S. N. McDaniel.

Mr. Reader knew many of our pioneer citizens and plied us with questions about a number of them. He now resides at Stephenville and is Representative in the Legislature. He is running for a second term, with an opponent.

The Longs visited with her parents and her aged grandfather at Hamilton, and Mr. Long's parents came down from Weatherford Sunday and spent the day with them.

All of us had a great trip, and we

got back on the job here Tuesday morning, finding that the boys had carried on most satisfactorily in our absence.

EUZELIAN CLASS (Delayed)

In their business meeting Tuesday evening in the home of Mr. and Mrs. W. M. Harris, the Baptist Euzeilian class set two goals to reach this year.

The first: To contact and try to enlist all "prospects" in the community. The second: To give a worthy offering to our church building fund.

Mrs. Alice Fortenberry, class president, led the devotional and conducted the business meeting.

During the social hour Bible contests were enjoyed and cooling refreshments were served to Meses. E. J. Cooper, T. B. Burrough, George A. Dale, R. C. Forester, W. A. Reddell, C. S. Greathouse, G. H. Hines, S. H. Holland, H. B. Howell, E. I. Hill, Mother Weathers, G. C. Shaffer, P. W. Goad, Alice Fortenberry, W. M. Harris, Carl Owens, H. D.

Henderson and G. W. Simmons. The identity of "Sunshine Sisters" was made known at this meeting and new names will be drawn Sunday morning. Be sure to be present.

SIXTH GRADE PARTY (Delayed)

On Tuesday night May 14th about 30 of the sixth grade boys and girls met at Mr. and Mrs. J. W. Minor's home for a farewell party. After refreshments of ice lemonade and cookies they enjoyed out-door games until 10 p. m.

Are They Whispering "You're Skinny"

It's a shame for a girl to miss good times because she looks skinny. She may need the Vitamin B complex and Iron of Vinol in her diet to aid appetite and add attractive pounds. Get Vinol today.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

That address of President Roose-
velt to the American people Sunday
night was most timely and appro-
priate. His appeal for contributions to
the Red Cross to aid the French and
Belgian refugees and other civilian
populations of the war-stricken
countries of Europe should be head-
ed by all who are able to contribute.
His rehearsal of the facts relating
to the building up of our own army,
navy, and air forces during the seven
years of his administration should
serve to allay the jitters which many
of our people have been suffering
from the belief that we as a nation
are utterly unprepared to meet a
possible attack from some mighty
foreign power. At the same time, his
address should spur every one of us
to support this Government in its
purpose to greatly strengthen our
national defenses. We should be pre-
pared at all times to meet any
"Blitzkrieg" that Hitler or any other
war lord might decide to launch a-
gainst us.

There are many people in Tex-
as who can not work up much enthu-
siasm for any candidate now in the
race for Governor. Some of these
have been importuning former Gov-
ernor Dan Moody to become a candi-
date. Mr. Moody is a brilliant law-
yer, is thoroughly acquainted with
state affairs, has had experience in
the governor's office that would help
him to ably serve the people of Tex-
as. But he might not be able to be
elected even if he should decide to
run, and it would be impossible for
him to please all the people if he
should be elected. It would be a re-
lief to many of us, however, to have
an opportunity to vote for a man of
Dan Moody's ability, experience, and
character.

In this day of intense feeling on
account of the fact that the German
Chancellor, Adolph Hitler, and the
war-mad militarists of Germany are
making a slaughterhouse of Europe
and that he and his war lords have
frequently expressed contempt for
America and its free institutions, it
is easy for us to become wrought up
and to do injustice to people of Ger-
man birth or German descent in this
country who in fact do not sym-
pathize with Hitler's brutal course
and are loyal American citizens. We
should be careful to differentiate be-
tween mere love for one's own kith
and kin and a sympathetic interest
for the welfare of the Fatherland on
the one hand and disloyalty to A-
merica on the other. There may be
many in this country who would nat-
urally be inclined to take sides with
Germany as against Great Britain
or France on account of racial and
blood ties who would yet be genuin-
ly loyal to America in the event of
a struggle between the United States
and Germany. Any person of Ger-
man descent, however, who express-
es sympathy for Hitler as against
our President or our Government, is
the fellow who will do to watch. We
do not think that there can be very
many of that type in this section of
the country, though there are far
too many of them in the United
States and in Texas.

**25 YEARS
AGO**

(From Files of Lynn County News)
1915

For various reasons we have not
been able to run this column for
several weeks, so this time we are
giving items from several issues
from April 9 through May 21.

April 9: This issue was filled, al-
most entirely, with information about
the "South Plains Summer Normal"
which was to be held in Tahoka a-
gain that year.

Walter (Happy) Smith returned
Friday from Abilene and Rotan where
he had been visiting relative the past
few weeks.

Messrs. Cull Northcross and
Madison Yates and Misses Nona
and Grace Turk were visitors at the
Noble home 20 miles west of town
Saturday evening.

April 16: Judge Joe Stokes has ac-
cepted the position of manager of the
Tahoka Base Ball Club and will im-
mediately begin whipping the Club
into shape to bring home the bacon
when they cross bats with the hus-
kies from our neighboring towns.

The Lynn County News was lead-
ing a fight to incorporate the town
and so improve the sanitary con-
ditions.

L. Lumsden, a prominent cattle-
man of Lynn County, is building a
beautiful home in the town of Wil-
son.

Miss Bessie Crie and Otho Shook
were married by Rev. C. H. Ledger
at the bride's home, Sunday, April
18.

It was reported that "Post City
will have electric lights in 60 days".
April 30: LAMESA-MIDLAND
RAILROAD

T. J. O'Donnell of Sweetwater, lo-
cally known as one of the promoters
of the road from Slaton to Lamesa
and for whom the town of O'Donnell
was named, was in Midland recently
to interest capitalists of that city
in a railroad from Lamesa, the pre-
sent terminal of the Lamesa branch of
the Panhandle and Santa Fe, to
Midland on the Texas Pacific.

CROUCH-RIDDLE
Sunday morning at ten-thirty o'-
clock Judge Joe Stokes united in
marriage Miss Zettie Crouch and
Alec Riddle, after which the wedding
party went to Guthrie Lake for a
dinner and outing.

May 14: Besides the Summer Nor-
mal announcement this issue the
biggest news was the successful
Trades Excursion that 25 local busi-
ness men had made to Brownfield,
Tokio and Plains.

May 21: Headlines "Clean-Up
Crusade is Announced"—"Decora-
tion Day will be Observed"—"Ta-
hoka's Need of Public Tabernacle"—
"Ford Turns Turtle-Skull Fractured".
The last referred to a car accident
as a group of young people were re-
turning from a baseball game at
Slaton, Fred Littlepage being the one
whose skull was fractured when their
car overturned on the sandy Wilson
road about twelve miles north of
Tahoka.

May 28: This week M. M. Anthony
of South Tahoka shipped one thou-
sand pounds of Sudan seed to South
America.

Plans for the Midland-Lamesa
Railroad were taking definite shape.
Midland had tentatively agreed to
give \$100,000, a ten mile strip of the
right-of-way and a plot of ground
in Midland on which to place a de-
pot and all other terminal facilities.

**MISS CRAWFORD AND
MR. CARTER WED**

Miss Marie Crawford became the
bride of Mr. C. W. Carter Sunday
at the First Methodist Church of
Brownwood. The pastor of the
Church read the ceremony before
the altar, which was decorated with
greenery, white flowers, and candel-
abra holding white tapers.

Mr. John Crawford, brother of the
bride, was best man, and Mrs. John
Crawford and Miss Drucilla Eber-
hart were the bride's attendants.
They wore black sheer frocks with
corsages of white carnations.
The bride wore a tight blue frock
with white accessories. She wore her
mother's wedding ring as "something

old" and her corsage was of glad-
doli.
Mrs. Carter is a graduate of Daniel
Baker College and for the past three
years has been a teacher in Draw-
Redwine High School. Mr. Carter is
employed by the First National Bank
of Brownwood.

After a wedding trip the couple
will be at home at 2206 First Street,
Brownwood.

MIDWAY STUDENTS TAKE EDUCATIONAL TRIP

On Saturday after the close of a year's hard work in school forty-two students, parents and teachers of the Midway school left for an educational and pleasure trip to the Gulf of Mexico.

Saturday night was spent in San Antonio. The group ate supper in the beautiful Brackenridge Park and after supper many of them enjoyed a brief swim in the spacious swimming pool that the park affords.

Sunday morning was spent in seeing some of the many sights that historic San Antonio has to offer. The group visited the Alamo and saw some of the old missions. Time was taken to drive them out to Randolph Field, one of the largest Airports in the world. After lunch Sunday the group left San Antonio and drove on to the coast to Corpus Christi, where a brief stop was made. From there they drove to Aransas Pass where they crossed on the ferry to Mustang Island.

All day Monday was spent on the island swimming, fishing, taking pictures, and hunting shells. Nearly all the group enjoyed a long swim in the Gulf and came out with a severe blister and sun tan. A six foot shark was caught by Harvey Hackler, brother-in-law of Mr. R. L. Littlepage while the group was there. Enough fish was caught to supply the group with all they could eat at two different meals.

Tuesday morning they bade the Gulf goodbye and began their homeward journey back through San Antonio where the afternoon was spent going through the famous mission, San Jose and visiting the zoo.

Wednesday morning the group left San Antonio for Austin where they spent four or five hours going through the Capitol and the Governor's Mansion. One of the most interesting sights in the capitol to the children was the vault in which all the valuables of the state are kept.

The group spent Wednesday night in Mason City and the return trip ended about six o'clock Thursday afternoon. Everyone reported a wonderful time.

SINGING CONVENTION IN HOBBS SATURDAY AND SUNDAY

A singing convention will be held in Hobbs, New Mexico, Saturday and Sunday, Mr. Hair says. We are that city.

"Barbecue will be served Sunday. We will be prepared to take care of the singing visitors Saturday night and Sunday", Mr. Hair says. We are expecting many quartets present from different states. Every one is cordially invited."

Fair Folies Chorines

Five beauties from Clifford C. Fischer's "Folies Bergere of 1941," one of the leading attractions at the Golden Gate International Exposition, toe the mark on Treasure Island. Star entertainment feature during 1939, the "Folies" will be an all-new streamlined production with a cast of 65 international lovelies. First performance will be on Exposition opening day, May 25.

Former Student Pays For Stolen Perfume

L. C. Haney of Tahoka Drug recently received a letter containing a one dollar bill with the explanation that several years previously the writer had stolen a bottle of perfume from his store, and the dollar was in payment of same.

Mr. Haney will not divulge the name of the writer, but says the letter was from a young lady who attended Tahoka high school about ten years ago. Without further comment, we give you the letter's contents:

"Lum: Some time ago I was in prayer, and the Lord spoke to me about something. One year during my high school days we had a club organized for the purpose of taking little things from the stores. One day I was in your store and I walked out with a bottle of perfume. Kid foolishness, of course, but the Lord wants me to make that thing right and I want to for Jesus' sake, so I am enclosing one dollar to cover the cost of the perfume. Sincerely, (name withheld)"

Diorama Cases At Canyon Popular

Canyon, May 30—Three new diorama cases obtained from the office of exhibits of the U.S. Department of Interior are attracting considerable attention at the Panhandle-Plains Historical Society. Museum here.

The cases are three of a series obtained through the Coronado Cuarto Centennial Commission.

One of them is a lobo wolf hunting scene in the Southwest. Another shows Indians hunting buffaloes on the great plains. The third illustrates early transportation in the Southwest, with stage coach, covered wagon, and freighters.

Several murals to be painted by Harold Bugbee of Clarendon and Ben Mead of Amarillo, outstanding Panhandle professional painters, will be received later.

Meanwhile, a great stack of bricks is growing larger daily on a site back of the museum. They are a portion of the 250,000 "common brick" being contributed by plains residents for a two-story addition to the overcrowded museum.

BAPTIST WMU

(Delayed)
Meeting in three circles, 22 Baptist women studied mission books Monday afternoon.

Sallee circle, meeting with Mrs. C. A. Lawrence, completed their book, "Day Dawn in Youba Land". Walker circle met with Mrs. J. R. McIntyre and completed their book "Rebirth of a Nation".

The newly organized Lunsford circle met with Mrs. W. H. Kenley and began their study of "Basil Lee Lockett".

Those attending these meetings were Miss Mary Seroyer and Meses. W. M. Harris, C. T. Oliver, C. A. Lawrence, P. W. Goad, J. K. Woosley, S. H. Holland, C. S. Greathouse, J. F. Stuart, A. J. Edwards, E. I. Hill, H. B. Howell, George A. Dale, Alice Fortenberry, J. R. McIntyre, Garland Pennington, H. D. Henderson, Coy Felder and baby, W. T.

Bivins And Son Killed In Airplane

Julian L. Bivins and son, Billy, wealthy Amarillo cattlemen and both well known by a number of Tahoka citizens, were killed last Thursday night north of that city when their airplane was wrecked.

Julian Bivins was the son of the late Lee Bivins and a plains pioneer. Billy, like his father, was an enthusiastic sportsman aviator and the two were evidently hunting coyotes from the plane when it crashed.

Billy attended Tech last year and visited in Tahoka several times.

Funeral services held Saturday were among the most touching ever held on the Plains. Cowboys from the various Bivins ranches, booted and dressed in their work clothes, gathered to pay last tribute to the beloved father and son. The Bivins never "let a cowboy down", and old cowhands too old for active work on the range were drawing pensions, it is said. Eighteen boys from Boys Ranch, Old Tascosa, were present at the funeral.

Mr. Bivins had donated 120 acres, the old Tascosa courthouse and his ranch home to these orphans and delinquents, and was a big contributor to the Maverick club of Amarillo, a club made up of "street boys".

Mr. Bivins was 43 and his son was 22 years of age.

Mrs. Conway Clingan visited last week with friends in Aldene.

Auto Quiz No. 1

1. So you think you can stop on a dime? If that is true, your brakes are altogether too good; they'll toss you right through the windshield sometime, and how would you like that? Actually, your brakes should be adjusted so they will bring your car to a stop from a speed of 20 miles an hour in — (a) five to ten feet. (b) ten to twenty feet. (c) twenty to thirty feet. (d) thirty to forty feet.

2. You will help save other lives as well as your own if, when you hear the siren of a fire truck or an ambulance, you will always — (a) stop where you are. (b) speed up and get out of the way. (c) pull over to the curb on your right and stop. (d) hurry to the next corner and turn right.

3. A car following another at 45 miles an hour should leave more space between the cars than when the rate of speed is 35 miles an hour. True (—) or False (—)

FARMER'S SHORT COURSE STARTED AT NEW HOME

Thursday night of last week a farmers' shortcourse was begun at New Home School by Mr. Hall, teacher of Vocational Agriculture of New Home. Twelve farmers were present. A larger number is expected this week. Rainfall, grain sorghums, sweet sorghums, and soybeans were discussed. They plan to meet Thursday night of each week, and continue until July 1.

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain? If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort. Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

Auto Quiz No. 1

ANSWERS

1. c. twenty to thirty feet. The Uniform Vehicle Code specifies 30 feet. Various states specify varying distances between 15 and 30 feet. Your answer is correct if you checked c. Now check one thing more—your brakes!
2. c. pull over to the curb on your right and stop. In many cities the ordinance requires this practice. Whether or not there is such a provision in the local ordinance, good judgment dictates this wise move.
3. True. When following another car a driver should allow himself sufficient space to stop safely in an emergency. The minimum distance at 35 miles an hour is about 25 feet; at 45 miles an hour, 33 feet.

FSA Borrowers Produce Own Food and Feed

Farm Security Administration borrowers in Lynn county are laying special emphasis on the production of food for their table, feed for their livestock and proper crop diversification in their 1940 plans for farm and home operations, Wyman J. Welch county supervisor for this federal agency said here this week.

"The farmers who come to us for rehabilitation loans," Mr. Welch said, "are realizing that production of their own feed and food is an important factor in the successful operation of any farm."

He said tremendous strides have also been made in crop diversification which means that a similar gain has been made in the adoption of soil conserving practices because the two go hand in hand.

Bigger and more properly planned gardens are growing this year on the farms of FSA borrowers, according to Ovel M. Lytle, home management supervisor. Not only will these gardens help keep down living costs, but they will result in better diets and improved health for the families.

Miss Lytle said 10 FSA borrower-families in Lynn County produced 75 per cent of their living at home last year and fourteen produced 80 per cent of their living at home. Because of the increased trend toward greater home production of food, Miss Lytle believes this number will be doubled this year.

Sub-irrigated frame gardens are taking the county by storm. By using old lumber and discarded oil cans, even the most disadvantaged farm families find they can construct these frame gardens and provide fresh vegetables from early spring to late in the winter. A total of thirty-eight new frame gardens have been constructed by FSA borrower-families this year in Lynn County.

Both Mr. Welch and Miss Lytle be-

lieve the increased diversification methods and home production of food this year will result in an even greater increase in the net-worth of the families being assisted by FSA than in 1939. Consequently these rural people will be able to maintain a higher standard of living, enjoy better health and have a much greater purchasing power in this community.

WAYSIDE H. D. CLUB MEETS WITH MRS. LEAVITT

The Wayside H. D. Club met with Mrs. Leavitt on May 23.

"It is practical," said Miss McNatt, "to have a cold storage locker to put fresh meat in; also to cure some meat and put it into a container of refined cottonseed oil. The oil can be used several times. Meat put in oil does not shrink, mold, or become rancid."

We had a very interesting meeting. All enjoyed Miss McNatt's talk so very much.

There were six members present, and two visitors.

Our next meeting will be June 6 at Mrs. Patterson's. —Reporter.

O'DONNELL GIRL ATTENDS CONCLAVE IN VIRGINIA

CANYON, May 28.—Three home economics students of West Texas State College, members of Kappa Omicron Phi, are attending a national convolve of the honorary society at Williamsburg, Va.

The trippers are Edna Mae McCleery, Gem; Ailyn Gates, O'Donnell; and Mary Zimmer, Canyon.

LOLA SMITH

Miss Lola Smith left today after spending a week visiting her parents, Mr. and Mrs. H. C. Smith of five miles north of Tahoka and other relatives in and near Tahoka. She expects to get her master's degree in Physical Education at North Texas State Teachers' college at Denton this year, and will teach that subject in Cleburne next year.

Miss Smith introduced Physical Education in the Big Spring high school this last year.

Odessa Band 1940 Official WTCC Band

Odessa, May 28.—The Odessa High School Band, following its triumph in being chosen official band for the year by the West Texas Chamber of Commerce, has been designated by President J. L. Greene as official band for the Permian Basin Association Convention, which will be held in Odessa June 21 and 22.

The Odessa Planning Committee in turn has named the colorful 75 piece band, which is directed by G. Ward Moody, as host to thirty other bands, both high school and college, which will be invited to participate in the convention programs. Three cash prizes have been set up as band awards, \$35.00 for first place, and \$20.00 for second place, and a third of \$10.00 for the best drum major, in a contest to be held during the convention. The Odessa band will not be eligible for participation in the contest in any manner as host band.

The colorful musical program arranged under the direction of Moody the local chairman, will lend a gala air to the general sessions of the convention. In addition, several special concerts have been planned to entertain families of the conventioners outside of the sessions. There will be concerts in downtown centers and at the city park and swimming pool, where there will be continuous entertainment for those not in the sessions.

We failed to note last week that Miss LaVerne Reddell accompanied the Roddys when they visited relatives at Hico that week and that Paul Casebeer accompanied them as far as De Leon, where he visited the Billmans.

POULTRY RAISERS: Use Dr. Salisbury's AVI-TON to control roundworms. Ideal flock treatment. Get a package TODAY.
WYNNE COLLIER, DRUGGIST

Joe Raindi, son of Mr. and Mrs. Raindi of Wilson, underwent an operation for appendicitis Sunday night in the Mercy Hospital in Slaton. Joe returned two weeks ago from Shiner, where he was employed the past month.

Mesdames A. L. McGonagill and Helen Eubank returned Friday from a visit with relatives and friends in Dallas and Fort Worth respectively.

Mrs. P. Coleman returned Friday of last week from a visit with a brother and a sister at De Leon. Her brother's wife had died suddenly a few weeks ago.

MELVIN GREATHOUSE HERE
Mr. and Mrs. C. S. Greathouse, Mrs. Frank Greathouse and Miss Grace went down to Galveston last week to visit Melvin Greathouse.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, no trouble at all and pleasant. You need only 2 tablespoonfuls two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pain does not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by

WYNNE COLLIER, DRUGGIST

Melvin who is a member of the anti-aircraft division of the army, was recuperating from an illness which kept him in the hospital during the maneuvers in east Texas and Louisiana, and had just drawn a furlough when they arrived there. He returned with them and will spend probably a month or longer here before rejoining his regiment.

Acid indigestion, Gas on Stomach, Heartburn, are usually caused by injudicious eating or drinking. Try Alka-Seltzer for relief. Alka-Seltzer also relieves the distress of Headache, Colds, Nausea, and Muscular Aches and Pains, because it contains an analgesic, (sodium acetyl salicylate). Your druggist sells Alka-Seltzer in handy packages and by the glass of his soda fountain. Try it.

Alka-Seltzer

THIS KITCHEN UNFAIR

No moving parts in its freezing system—that's the reason behind a record like this. But there are Servel Electrolux refrigerators—plenty of them—in West Texas 10 to 12 years old. Still making ice cubes, keeping the baby's milk safe, saving leftovers, just as efficiently as the first month. And at the same cost. And remember, Servel Electrolux is the only automatic refrigerator with no moving parts to wear, to get noisy, to lose efficiency, and to run up repair and service bills.

Yes, one woman was forced to this, as a last resort. Only way she could get friend husband to agree to trade off that old jalopy in the kitchen for a new Servel Electrolux (the silent gas refrigerator). But friend husband led the cheers after that. Like any man, he could eat a quart of ice cream at a time, and in her new Servel Electrolux, this smart little lady kept a tray of ice cream all the time. And how crisp and fresh the green vegetables always were! And when he got the gas bill, and found all this cost only 2 or 3 cents a day, was his face red!

Mrs. W. L. Lereke, of Stamford, Texas, says in 4 years' constant use her Servel Electrolux has cost about 75c a month to operate—"and I have gas bills to show that the operating cost has not increased one cent since the first month!... I have never had a service bill," she says.

James E. Brewer, jeweler of Ballinger, Texas, has had a Servel Electrolux in the kitchen of his home for more than ten years, and he says, "We never spent one cent for service or repairs. It gives as good service as the day we installed it."

But say... a Servel Electrolux will make you the heroine of your home, when the savings begin to pile up. How the food keeps! Says C. Hines, Leuders, Texas, "The food we save, which we wasted before we bought a Servel Electrolux, almost made the payments." Vegetables seem fresher after a little while in the vegetable freshener than they were at the store. Leftovers keep until you can work them off. You can save plenty on Saturday specials. The fact is, you pay for one, anyhow; why not own it? Maybe you don't know what easy payments we can arrange for you. Why not come in and find out—or phone us, and we will come and see you.

SERVEL ELECTROLUX

Taylor White Odessa Candidate

Odessa, May 28.—Taylor White, former vocational agriculture instructor in Odessa High School, said Tuesday he intends to file as a candidate for Representative from the Eighty-eighth Legislative District, which includes 13 West Texas counties.

Other candidates announced are James H. Goodman, Midland, incumbent, and Murray J. Howse, Monahans.

White is a graduate of Texas A&M and is engaged in the insurance business. He said that he would vote to repeal many of Texas' present laws as there is no need for additional legislation.

Note: Mr. White is a brother-in-law of Verner Smith of this city and was teacher of Vocational Agriculture in the Tahoka school for four or five years previous to his removal to Odessa.

Clean Up...

(Continued From Page 1)

will be hauled free, however, those who still have not finished their cleaning up or any one who was missed will be given this last opportunity to be accommodated, Mayor Nowlin stated.

Special mention is due the Boy and Girl Scouts. The Girl Scouts aided practically all the other civic clubs in the distribution of pledges prior to clean-up week, and distributed the reminder circulars Tuesday morning. The Boy Scouts aided in the actual trash pickup. W. T. Hanes, chairman of the central committee in charge of the drive, and Mayor Deen Nowlin and the city commissioners gave of their time and support to make the week a success. Clubs who participated were the Business and Professional Women's club, the Rotary club, the P. T. A., the Phebe K. Warner club, the American Legion, the Legion Auxiliary and the Scouts.

War...

(Continued From Page 1)

tary convoys rushing to and from the front.

"In the rest-house and first aid station under the shadow of the Palace of Versailles, voluntary first aid workers are bathing feet of old men and women, some of whom walked forty, fifty, sixty miles in the past three days. Stockings had to be cut from lacerated swollen blistered, bleeding feet. Hundreds were lying about on improvised cots in a state of utter exhaustion, awaiting ambulance transportation to areas safe from fighting.

"Frenzied are the parents who have seen their children killed or separated from families in the headlong rush for safety. Any guess concerning the number of lost children scattered throughout France is mere speculation. Undoubtedly the number is enormous. There are pens of unidentified, frightened children under eight years of age on every refugee concentration point.

"The French Provinces from the Swiss-Italian border to the Atlantic are rapidly filling to the saturation point with homeless persons, arriving without food and clothing, seeking the likely possibility of adequate shelter. Unfortunately, because the influx of strangers began without warning, the village officials are unable to cope with the problem. 'I was told days ago to prepare for three hundred', one village Mayor told me today, 'now look at them. There are three thousand here and more coming by the hour. What am I to do?'

"Renewed confidence in the future of France is given when one sees the whole nation rallied seeking to solve the gigantic refugee problem. Hundreds of thousands of women, young girls, Boy Scouts, men too old for trenches are laboring long, un-rested hours in the first aid stations, feeding stations and rest houses, carrying baggage to the exhausted evacuees. The French and Belgian Red Cross pooled the resources of their manpower, regardless of the territorial limits of their nationalities. French peasants and aristocrats work side by side in the best democratic tradition. The American Red Cross is doing its full share.

"I repeat that a cable is inadequate in picturing the mass terror and suffering which resulted from the greatest battle in history raging for hours when this was written. I have seen cruel wars in China, Finland and Norway, but I have never seen suffering such as this. Americans should be thankful for the existence of the Atlantic ocean."

CENTRAL TEXAS VISITORS

Mr. and Mrs. E. I. Hill, Mr. and Mrs. Eugene Long and two sons, Ellis and Roy, made a hurried three day visit to Hamilton last weekend. Mr. and Mrs. Hill visited with Mr. and Mrs. J. F. Hill and Mrs. Alice Martin of Hamilton. They also spent Sunday visiting with Mr. and Mrs. Sam Monroe of Stephenville.

Mr. and Mrs. Long visited Mrs. Long's parents, Mr. and Mrs. W. M. Babb of Hamilton. Saturday afternoon they visited Mr. and Mrs. W. A. Frewitt of Gatesville.

On Sunday Mr. Long's parents, Mr. and Mrs. Hugh Long of Weatherford drove to Hamilton for a visit with their son and family.

Joe Chastain of Plainview visited Mr. Chastain's nephew and wife, Mr. and Mrs. Verner Smith Sunday. It was the first time the group had visited together in a long time.

Mrs. A. J. Minor, owner of Jane's Beauty Shop, is remodeling and re-decorating her shop this week.

Highway...

(Continued From Page 1)

by the Stamford Chamber of Commerce, but was withdrawn with the provision that the now existing Federal designations between Aspermont and Stamford not be disturbed. This request was also included made by J. E. Shelton, Brownfield in the original proposal.

A survey of the route recently shows that within a year the route from Fort Worth to Los Angeles over this new highway will all be paved with the exception of a small gap in Western New Mexico, and another shorter section in Haskell and Stonewall Counties, however, the remaining gap in New Mexico is a good gravel road, and in case of bad weather, a paved connection exists between Rule and Aspermont that is only four or five miles out of the way.

Grading and drainage is almost completed on the remaining six miles in Haskell County, and Stonewall County is busy obtaining the right-of-way between Aspermont and the Haskell County line.

PLAY SPONSORED AT MESQUITE

A play is being sponsored by some of the younger set of the Mesquite and Harmony communities. It is being directed by Mrs. Cortes Kirby. The characters are: J. B. Poindexter, Archie Poindexter, Oleta Whyche, Dale Burkett, Kattie Lou Burkett, Joe Burkett, Lucille Kirby, Francis Burrus, Wynelle Davis, Eula Fay Strascner.

We are looking forward to an evening filled with thrills, laughs and all around entertainment.—Reporter.

Dr. Holden Is Rotary Guest

Dr. W. C. Holden, head of the History department of the Texas Technological College, was the guest speaker at the Rotary luncheon here Thursday noon.

Dr. Holden devoted his time to a refutation of the general belief that West Texas has no history worth attention. He showed that it has a more ancient significant and interesting history in every important respect than the eastern and southern parts of the state.

He placed the blame for our ig-

norance of West Texas history upon the history writers, and he indicated that a history would be written soon that would give to West Texas the importance it deserves in the annals of our country.

His address was greatly enjoyed and appreciated by the Rotarians.

Tom Garrard called upon the Rotary club to sponsor the drive for funds for civilian and refugee Belgians and French now suffering from the havoc wrought by the German invasion of those countries. W. T. Bovell, Frank George and Callaway Huffaker were named as a committee to solicit funds. Lynn County's quota has been placed at \$480.00, Mr. Garrard stated.
