Tahoka, Lynn County, Texas, Friday, April 3, 1953

Number 27

Two Elections Face Voters Within Week

School Trustee Election Saturday

The annual school district trustee election will be held over Lynn county this Saturday.

There are contests in all the school districts for places on the boards except in the Tahoka district, where the names of John Witt, Clint Walker, and Evertor Nevill have been filed to succeed President V. F. Jones, Douglas Finley, and Buel Draper, who are retiring from the board. Hold over members are John F. Thomas, W. T. Kidwell, Joe Robinson, and Vernon Willhoit.

Candidates in the other districts of the county are: Wilson: Clarence Church, T. B. Mason, Jiggs Swann, Lloyd Mears, Hubert Edwards, Erwin Sander, Earl Blankenship, and Eldon Smith. Church and Mason are present members of the board. Three are to be elected.

O'Donnell: J. W. Gardenhire, C. L. Cook, E. L. White, D. B. McMillan, Julian Pirtle, and M. E. Greenlee. The first three are present members of the board.

New Home: B. A. Morrow, C. G. Eades, Aubrey Smith, Ed Crooks, Joe D. Unfred, and Byron Milliken. Three are to be elected. Grassland: Eris Miller, W. H. Norman, Ted Dockery, Sam Edwards, W. A. King, and A. L. Norman. Edwards and A. L. Norman are present board members.

Newmoore: L. A. Light, Jr., Homer Wilson, Cecil Dorman, Lealand Jordan, Raymond Wilson, R. D. Moses, Alton Snider, and Jack Hoskins. Three are to be elected.

Also, three members of the county board are to be elected.

Filed without opposition are: J. K. Applewhite, Jr., for trustee at large, H. B. Crosby from precinct 1, and B. M. Haymes from precinct 3. W. W. Caswell and Fritz Speckman are the hold-overs.

Jaycees Attend Ralls Meeting

On Friday night of last week, the Tahoka Jaycees were represented at the Ralls Jaycee Installation banquet, held in the school cafeteria, by A. V. Barnes, president, H. L. McMillan, Jr., vice president, Bill Chancy, secretary, James Huey, treasurer, and Seth Lewis, director. Approximately 200 guests and Ralls Jaycees were in attendance.

Speaker for the banquet was Ralph Krebs, past state director of The Texas Junior Chamber of Commerce. Much information was obtained in the operation of the local club by the members attending.

Rodeo Plans Underway

On Monday of this week, fifteen members of the local club gathered at the rodeo arena south of town and later went to O'Donnell and moved in bleachers that will be used for seating facilities. Other bleachers are being sought. Indications are that there will be enough bleachers for a majority of the crowd attending.

On Tuesday afternoon, members gathered at the grounds, bringing their grubbing-hoes and clearing a large space in front of the arena, in order that cars may have a clear parking place during the two night stand.

Other repairs are being made now to the arena and the plans for the best rodeo the Jaycees have sponsored are taking shape fast.

Plans are being made for a parade to be held at 4 p. m. on the first evening of the show, Friday, May 22.

Equip the garden shelf now with the supplies which will be needed later for combating insect pests in the flower and home garden.

City Election Is Next Tuesday

Tahoka voters will go to the polls next Tuesday to elect a mayor and three members of the City Council.

The name of E. R. (Roy) Edwards, a present member of the Council, has been filed for mayor to succeed J. K. Applewhite, Jr., who did not choose to run for a second term.

For councilmen, the names of Herman Heck, R. H. (Hick) Gibson, and Lewis Allsup have been filed. Heck and Gibson are candidates for re-election, while Allsup would fill the vacancy left by Edwards.

Prospects of a "write-in" candidate loomed this week. A member of the Fire Department told The News Wednesday that the name of James Clinton would be written-in on the ballot. Since there are three to be elected, this will make necessary the scratching of one of the other candidates by those voters who write-in the name of Clinton.

Holdover members of the City Council are Winston C. Wharton and Stanley Sigman.

Sigman resigned early this week due to the fact that he is moving to Hereford, where he will be associated with Wayne Wallace in an automobile agency.

Mrs. D.H. Stanley Is Death Victim

Mrs. David H. Stanley, 76, died in a Lamesa hospital at 10:45 p. m. Monday after an illness of about a week.

Funeral services were held in the First Baptist Church here Wednesday at 4 p. m., with Rev. Lee Ramsour, pastor, officiating, and burial followed in Tahoka Cemetery under direction of Stanley-Jones Funeral Home.

She was born Maggie Lou Parker in Georgia on March 18, 1877. She came to Lynn county in 1932 with her husband and family.

Survivors include the husband, four daughters, Mrs. Nellie May Engle of Grandview, and Mrs. Minnie Smith, Mrs. Fannie Barnett, and Mrs. Monty Lindsey, all of Tahoka; four sons, Roy Stanley of Fort Worth, Rufus T. Stanley of Alvarado, John and J. D. Stanley of Tahoka.

C. C. Bratcher Is Buried At Draw

POST, April. —Funeral services for Clifford Charles Bratcher, 39, who died Monday in Tucumcari, N. M., were conducted at Draw Methodist Church Thursday at 3 p. m.

Bratcher, who had been living at Tucumcari since 1941, formerly lived with his parents at Draw.

Rev. O. N. Reed of near Midland, a former schoolmate at Draw, and Rev. Roy Shahan, pastor of Post Baptist Church, officiated. Burial followed in O'Donnell Cemetery under direction of Mason Funeral Home of Post.

Survivors include his mother, Mrs. A. W. Bratcher, Sr., Post; a daughter, Marilyn Kay Bratcher, Lubbock; three brothers, F. M. and A. W., Jr., Post, and Glen, who lives in North Dakota; and five sisters, Mrs. Emory Murry, Modesto, Calif.; Mrs. Tom Calaway, Draw; Mrs. Monroe Teeters, Lamesa; Mrs. T. J. Cook and Mrs. Elton Matthews, Post.

Efficient use of mechanized farm and home equipment depends to a great extent on their safe use. Crippling injuries or even fatalities can result from the careless use and handling of machinery and appliances.

GIVE TO FIGHT CANCER — President Dwight D. Eisenhower points out one of the ways to control cancer is to give to the American Cancer Society. During April, which the President proclaims as Cancer Control Month, volunteers raise funds for a program to help save 70,000 lives from cancer in 1953.

Home Construction In Tahoka Takes Spurt With Coming of Spring Season

Much spring building, including seven new residences, is now underway in Tahoka.

One business building, a service station, is nearing completion in west Tahoka on Lockwood, the Brownfield highway, and Miller (P) street, immediately south of the new city water standpipe. The station building, 18 by 24 feet in size, is constructed of tile and concrete, painted white and trimmed in green. W. B. Halford of New Home is the owner, and Conoco products will be handled.

Several of the new residences will be among the most modern in town. Terry Noble is building a large two bedroom and den brick veneer residence on North Sixth.

James (Sonny) Roberts has started a beautiful tile and concrete home in the Roberts addition on North Third, west of the High School.

H. D. Nelson is completing a new home on the same street nearly a block east. Paul Cox has moved in a neat little house in the Roberts Addition on North Second just southwest of the High School.

On North Seventh, Ira Joe Hart is completing a very nice modern home, and a block east Bill Griffin recently completed a new home. Coach Bill Haralson is preparing to build a new five room residence.

Robert Harvick has started construction of a three-bedroom home on North First, just across the street from his present home, which he recently sold to Jane Morehead. Several other homes will likely be built in the near future, local lumbermen state.

Also, a number of home owners are enlarging or otherwise improving their homes.

Magic Show At Grassland School

"Impossible" Gibbs, magician and comedian, will present a program at Grassland school Friday night, April 10, at 8 o'clock for benefit of the Grassland School Lunchroom. The show is being sponsored by the PTA, and the admission prices are 50 and 25 cents.

Pie and coffee will be served. All people of the community are urged to attend, enjoy an evening of fun, and help out a worthy cause.

SENIORS PLAN BAKE SALE ON SATURDAY

Tahoka High School seniors are holding a bake sale next Saturday morning, beginning at 9 a. m., in the offices of the Southwestern Public Service company on the west side of the square. Cakes, pies, and other home-made "goodies" will be on sale.

A dinner prepared by mothers of Senior class members, held at the Legion Hall last Saturday noon raised more than \$100.00 for the class.

Plant at least one acre of temporary summer pasture for each animal unit on the farm.

Fishermen Bring In Evidence Of Skill Down Mexico Way

Four Tahoka fishermen returned home last Friday with 12 big yellow catfish and 103 channel catfish, which they caught on a week's fishing trip to Sugar Lake in Old Mexico.

Those making the trip were: Albert Curry, Jack Alley Robinson, F. E. Redwine, and James Applewhite.

The cats were all caught on trotlines. They report that they lost about 40 fish when a stringer broke. Anyway, they brought home enough fish to feed their families and friends for several days.

New Paving For County Planned

Nearly ten miles of new farm-to-market road will be built in the northwest part of Lynn county this summer, the Texas Highway Department has announced.

New paving west from the present corner west of Dixie on the Dixie-New Home paved road, will give people of the Petty community, a direct paved route in to Tahoka.

Another new section of paving will fill the unpaved gap between New Home and Slide, Lubbock county.

Bids on the two projects will be opened by the Department in Austin on April 15.

TYPEWRITERS for rent, \$4.00 per month. The News.

Only Two Injured In Four Wrecks Here During The Past Few Days

No one was critically injured in four serious car wrecks which have occurred here in the past week.

However, Charles "Brownie" Williams, 17, son of Mr. and Mrs. Edward Williams, and Jimmy Wallace Toney, an employee of the M. & M. Construction company, received serious injuries Thursday night of last week when the motorcycle they were riding collided with a pick-up driven by Berty Robert McDonald, route 3, at the crossroads on Highway 87 at the I. M. Draper place south of town. The accident occurred at 8:30 p. m.

The two youths were going south, as was McDonald. When McDonald started a left turn to the "cemetery" road, the motorcycle struck the pick-up. Both boys were thrown from their machine.

Williams received a concussion and was unconscious until Sunday. He received a severe laceration of the scalp, a broken left shoulder, a gash in the side, and severe body bruises. He is still in Tahoka Hospital but is improving nicely.

Toney received a fractured nose, and severe bruises. He was

Council Lets Contracts On New City Hall, Pool

Contracts were awarded on Monday and Tuesday for construction of a new \$55,000.00 city hall building and a new \$30,000.00 swimming pool by the Tahoka City Council.

Bonds for the two projects were voted last December.

Work will start immediately on both projects. The swimming pool contractor expects to start moving in equipment next Monday, and the city hall contractor expects to start this new building in ten days or less.

Alston Construction Co. of Sweetwater was the low bidder on the general building contract for the city hall, his bid being \$45,371.00. There were 21 bidders.

The plumbing and heating contract went to Anthony Co. of Lubbock for \$7,889.00. His

price was low from a field of ten bidders.

Seven bids were submitted for the electrical contract, with Lewis Electric of Tahoka being the low bidder at \$1,776.55.

Total of three bids on the city hall was \$55,036.55. Don W. Smith of Sweetwater is the architect.

The modern swimming pool to be built in the new City Park in south Tahoka had only two bidders. Paddock of Texas, Dallas, submitted the low bid of \$29,677.00. The only other bidder was Abernathy & Mc-Neme, Houston.

The swimming pool contract does not include bath-houses and stormproof fence, which will be built later by the city according to plans drawn by Architect Don Smith.

The new city hall will be

beautiful and utilitarian in design, entirely fireproof, constructed of steel, concrete, tile face brick, Roman brick, and cast stone. Over-all dimensions of the building are 80 feet, 8 inches by 79 feet.

The new structure will be built immediately west of the old city hall and will face south on Lockwood Street, the Brownfield highway, with the fire truck exit to the west on Petty (K).

Beauty of the building will be enhanced by the use of Roman brick, cast stone, considerable glass, and planting boxes across the front.

This will be the first building in Tahoka to have hot water radiant heating installed in the concrete floor.

—Front of the building will be (Cont'd. On Back Page)

Tahoka Girl Is Spelling Winner

Carolyn Duckett, 14, daughter of Mr. and Mrs. Harvey L. Duckett and a Tahoka eighth grade student, was the winner of the Lynn county Spelling Bee held at the Elementary School here Monday at 1:30 p. m.

She will enter the regional Spelling Bee on April 18 being conducted in Lubbock by the Avalanche-Journal.

Terry Morris, seventh grade student at O'Donnell and son of Supt. and Mrs. John Morris, was second place winner and is the alternate for the regional contest.

Representatives of other Lynn county schools entering the county contest were: Linda Gonzales, New Home seventh grade, daughter of Mrs. Virginia Lopez; and Fern Webb, Newmoore sixth grade, daughter of Mr. and Mrs. H. H. Webb.

Mrs. Lenore M. Tunnell, county superintendent, was pronouncer and director of the county contest. Judges were Mrs. Anna B. O'Dell, a county supervisor, Mrs. L. Gravitt of O'Donnell, and Mrs. Reed of New Home.

The Texas Chicken-of-Tomorrow program is still growing. It is now in its eighth year and entries this year total 310. If all entrants carry through 4,650 birds will be in the state finals which will be held the week of May 11-16 at the EastTex poultry plant in Center.

School Closes For Easter Holidays

Tahoka Schools are closed today, Friday, and Monday for the Easter holidays.

Classes will resume on Tuesday of next week.

The Easter holiday break is in accordance with a practice started several years ago, and is observed by nearly all the schools in this area.

Carter Head Of Cancer Drive

Lynn county's quota in the Cancer Fund drive has been set at \$910.00 for this year, according to H. W. (Cotton) Carter, county drive chairman, who will supervise the solicitation some time this month.

Last year, Lynn county raised \$1030.00 for the fund.

Funds raised are for cancer research, including search for the cause, means of control and possible cures; for cancer education to save lives by spreading knowledge about the disease; and for service to cancer patients.

Cancer strikes one in five citizens, but a large majority of these cases can be cured if the disease is detected in time and the proper treatment is given.

Mr. Carter will announce later the exact date of the April drive.

Newmoore Turns Down Consolidation

Newmoore school district voters turned down the consolidation proposal with O'Donnell in voting in the election held last Saturday in the two districts.

Newmoore voted 19 to 21 against consolidation. O'Donnell district voters cast 56 votes for the consolidation and nine against.

At the present time, Newmoore is operating an elementary school but transports its high school students to Dawson High School at Welch, Dawson county.

PAUL HOWELL NOW AT BILL STRANGE MOTORS

Paul Howell, who has been operating a garage of his own, has closed his shop, and taken the job as service manager at the Bill Strange Motors.

Howell has had many years of experience in the automobile service and repair business.

ASSEMBLY OF GOD WILL HAVE MEETING

A revival meeting will begin at the Assembly of God Church Sunday night, April 5, with Evangelist Charlie Hansford doing the preaching, according to Rev. Mrs. W. V. Bentley, pastor. Services begin at 8 o'clock each evening. Everyone welcome.

Have News? Phone 35.

Buick Agency Changes Hands

Guy L. Wheatly of Lubbock announced early this week that he had bought the Wallace Buick Company of Tahoka from Wayne Wallace, and already is operating the business under the new firm name of Wheatley Buick Company.

Mr. Wallace has bought a Buick agency in Hereford, and has already gone to that city to take charge of that business. Going with him are Stanley Sigman, sales manager, and Doryal Young, service manager.

Mr. Wheatley expects to move to Tahoka in the near future. His family consists of his wife, Juanita, and two daughters, Ann, 14, and Sue, 12.

The new owner of the Tahoka Buick agency has been a resident of Lubbock 23 years. For the past four years he has been used car sales manager of Scroggin-Dickey Buick, and prior to that was with Kuykendall Chevrolet for 12 years.

Except for Sigman and Young, Mr. Wheatley said the same personnel would be retained by him. These men include: Charles Reid, service and parts manager; Ted Kuwaski and Emil Raindl, mechanics; Ned Trowbridge, porcelainizing; and Ellis Mason, washing and lubrication.

Wallace bought the local agency from the Shambek brothers two years ago. Sigman and Young have each been with the firm several months, and both have been active in community affairs.

The new owner expects to have a formal opening in the near future to get acquainted and to display his wares, and some door prizes will be given visitors. In the meantime, he invites Lynn county people to come in and get acquainted.

Warning Is Given On Noisy Mufflers

Local officers are warning car drivers that they will soon start filing charges for operation of cars without mufflers, or cars making other unnecessary noise.

This is part of a drive started recently by the State Highway Patrol, according to Police Chief L. N. Bentley. The violators are usually young people having a good time. But the practice of making unnecessary noises with automobiles has become so widespread over the state and so annoying to other people that the laws against such will be put into effect more widely.

Chief Bentley asks the cooperation of local automobile drivers in this respect.

DECORATING STORE

Wynne Collier is having the interior of his drug store completely redecorated in pastel colors. The work is being completed this week.

New Home Class Will Give Play

The New Home Junior Class will present their play, "Just Ducky," Friday night at 8:00 o'clock. The play is a comedy in three acts.

The characters are: Mr. Maxwell, head of the house—or, at least, thinks he is, Tilmart Carty; Mrs. Maxwell, head of the house—or, at least, she thinks so, Sue Cowan; Betty Lou, daughter 14 years old and a big worry to her parents, Deloris Edwards; Bernadine, Betty's best friend, also 14, Dorothy Balch; Wilburn, 13-year-old atom bomb, Ronnie Smith.

Hedcules, Wilburn's bosom pal also 13, John Davis; Connie, daughter, 17 years of age, charming and pretty, Wynelle Peek. Craig Moore, Connie's boy friend, Gary Dean; Mr. Moore, Craig's

ANN WHARTON HOME

Mr. and Mrs. C. D. Morrell and granddaughter, Ann Wharton, arrived Thursday from San Antonio to spend the Easter holidays with Ann's parents and the Morrells' son-in-law and daughter, Mr. and Mrs. Winston C. Wharton. They will be in Tahoka and Post, the Morrells' home town, until Tuesday.

Ann is attending a private school in San Antonio.

father, Lowell Brannon; Del Marshall, a newspaper reporter, Pat Caudle; Aunt Mary, Mrs. Maxwell's aunt, an energetic lady of about 60, Fortenberry; Miss Blyne, editor of the Lovelorn column, Juanita Bass.

What makes teen-age girls do the things they do? That is a question. What should be done about them? That is a problem. Betty Lou and Bernadine are a couple of questions and problems

Miss Jean Gregg Weds Dub Harvick

Miss Jean Gregg and W. C. "Dub" Harvick, both of Tahoka, were united in marriage Saturday, March 21, in Clovis, New Mexico, with Rev. King, pastor of the First Baptist Church there, reading the ceremony.

They were accompanied by Noel Lee Cromer and J. W. Rainey, both of Tahoka.

Miss Gregg has been head nurse at Tahoka Hospital since last November. She is the daughter of Mr. and Mrs. G. M. Gregg of Eustace, Henderson county, in which place she was reared. She is a graduate of the Baylor University School of Nursing, Dallas.

"Dub" is a son of Mr. and Mrs. W. C. Harvick of Tahoka, graduated from Tahoka High School in 1943, and spent three years in the Marines and saw action in the Pacific during the War. At present, he is a traveling salesman for Armour & Company.

The couple will make their home in Tahoka.

Mrs. Lenore M. Tunnell has been in Austin this week on school business.

rolled into two. It seems they are always up to something.

The day starts off peacefully but when it ends it has really proved to be a full day for the Maxwell House. There have been crazy people in and out all day. Even with the help of Aunt Mary (and you know how relatives are), things even get more confused.

This is a farce comedy that is all new, all different; and all characters have many, many funny situations.

Vic Vet says

VETERANS! YOU DO HAVE A 31-DAY GRACE PERIOD IN WHICH TO PAY PREMIUMS ON YOUR LIFE INSURANCE. BUT PROTECT YOUR COVERAGE AND YOUR BENEFICIARIES BY USING IT ONLY IN A FINANCIAL EMERGENCY

Social Security Help Is Offered

Take advantage of the service offered by your local social security office. The Social Security Administration has published booklets concerning practically every phase of old-age and survivors insurance. First there is "Your Social Security" covering in a general way, all the major provisions of the law. In addition, there are booklets on "Self-Employment," "Household Employment," "Regular Farm Employees," "Soldiers and Sailors and Social Security," and "After 15 Years," a report on old-age and survivors insurance.

Other publications include "An Easy Way to Estimate Social Security Payments," and one describing the "Changes in the Social Security Law" made in 1952. These pamphlets are free to employers to distributed to interested employees, and in limited quantities, they may be secured free at the nearest social security office.

Don't pass up the opportunity to be well informed about old-age and survivors insurance.

Don't pass up the opportunity to be well informed about old-age and survivors insurance.

A representative of the Lubbock Social Security Office will be in Tahoka at 9:00 a. m. on April 9th at the Post Office and will be glad to assist in all matters pertaining to social security.

Prices Are Reduced On Dodge Trucks

Gagnat Motor company, local Dodge dealer, today announced receipt of a telegram from the Dodge division of Chrysler Corporation in Detroit announcing immediate price reductions on Dodge "Job-rated" trucks and Dodge passenger cars.

Price reductions on trucks range up to \$61 in factory retail prices at factory, Detroit, he announced. Representative reductions include \$41 on the Dodge half-ton pick-up, \$41 on the half-ton panel, \$60 on the three-quarter ton express, \$61 on the 1 1/2-ton chassis and cab, and \$61 on the 2-ton chassis and cab.

Representative price reductions on Dodge passenger cars, factory retail prices at factory, Detroit, range from \$67.50 on the 4-door Dodge Meadowbrook to \$135.80 on the 4-door Dodge Coronet Eight.

The telegram pointed out that the lower prices at the approach of the spring buying season with no sacrifice in quality were made possible by increased production and by the removal of government controls, which now permits a free competitive market.

Last year health surveys were made in 250 Texas communities; 400 communities report that studies were made of cooperative health facilities and services and 1,500 communities received assistance in organizing and arranging cooperation for health examinations and clinics. These figures were released by the Texas Agricultural Extension Service.

If every individual would try to give something to life, instead of trying to take something from life, there wouldn't be any need of debating the virtues of capitalism and communism.

Texas producers sold more livestock during 1952 than the year before but total gross receipts were 13 percent less.

School Menus For Next Week

Following are the daily menus for the Tahoka school cafeteria for the week, April 7-10.

Tuesday: Lima beans, mixed greens, cream potatoes, beet pickles, cornbread, milk, and coconut pudding.

Wednesday: Hamburger, potato salad, sliced tomatoes, lettuce, milk, and apple pie.

Thursday: Turkey salad sandwich, French fries, sliced tomatoes, lettuce, banana pudding, chocolate or plain milk.

Friday: Fried ham, green beans, buttered potatoes, cabbage slaw, hot rolls and honey, and milk.

Mr. and Mrs. A. M. Cade returned Tuesday from Brownwood Lake, where they spent a few days at their cabin. A. M. admits he caught a few fish, but claims he spent most of his time while there building a boat dock. Mr. and Mrs. Sam Miller are also down at that lake spending a few days at their cabin.

Quality Planting Seed Pays Off

COLLEGE STATION. —Certified seed may cost slightly more than other seed but the added expense gives assurance of purity, higher germination and better yields at harvest time. Seed of questionable purity and germination may not be cheap at any price, says L. C. Coffey, associate agronomist for the Texas Agricultural Extension Service. He points out that certified seed are usually the best seed of a particular variety available. These seed come from fields that have been inspected during the growing season, have been properly handled at harvest time, cleaned, tested for purity and germination and properly stored. All this, he adds, is insurance for the farmer.

The blue tags attached to each sack of certified seed carry information that should be of interest to the buyer. The State Department of Agriculture issues the tags for use on seed that have met certain high standards of purity and germination.

Coffey suggests that farmers purchase now the seed they will need for planting this year's crops. Supplies generally are adequate but last minute shoppers may find local stocks depleted and thus forced to plant what ever seed are available.

Finally, says Coffey, if the planting seed have not been chemically treated for controlling seed-borne and seedling diseases farmers will find this practice profitable and more cheap insurance against poor stands and plant losses during the very early plant growth period. Local county agents can supply information on seed treating and early recommendations.

Sewing Machine Of Importance

COLLEGE STATION. —Good sewing equipment is essential to fine tailoring and home sewing.

Clothing specialists for the Texas Agricultural Extension Service say your working tools are important "musts" to good dressmaking.

Before you begin to sew, check the sewing machine for good running order. If it needs oiling, do this well in advance of the day you plan to sew, otherwise you may get oil spots on the fabric. Test the tensions on a double thickness of the fabric and regulate the stitch length to suit your fabric.

Group the sewing machine with the smaller equipment for an organized sewing center that is comfortable and efficient. You will need sharp cutting shears 7 or 8 inches long and small scissors with very sharp points for snipping thread and cutting buttonholes. You may find pinking shears desirable for some finishes.

Select needles and pins of the correct size. Fine needles ranging in sizes from 7 to 10 are best for sewing and basting. Brass dressmaker pins, No. 14, are a good size to use.

Lynn County News:

My wife, son and I are in St. Petersburg, Fla., having a good time with our daughter, Mrs. Roy Dew. Believe, it's wonderful to be here—beautiful scenery, waterfront drives, a perfect playground.

Fred is having a great time. He likes deep-sea fishing, and is having good luck.

We will be back in Texas soon, so keep sending my paper to Waco.

Your sincerely,
(Signed) A. W. Edwards.

Mr. and Mrs. B. R. Tate left early this week for Hot Springs, New Mexico, to spend a while vacationing and fishing.

Plans Made For Federation Meet

Ames Iowa; Oklahoma City; Brownwood, Wichita Falls, Plainview, and Wortham, Texas will furnish the main speakers for the thirty-second annual convention of the seventh district of the Texas Federation of Women's clubs in Hereford on April 9, 10, and 11.

Headquarters for the convention will be at the Jim Hill Hotel, with the auditorium of the First Baptist Church named as convention hall.

Scheduled to open the three day activities is the board dinner, Thursday evening, in the ball room of the Jim Hill Hotel, with Mrs. O. M. McGinty of Spur, district president, presiding.

Mrs. Van Hook Stubbs, president of the TFWC from Wortham, will address the convention on Friday morning on "Trends." She will be followed by Mrs. J. P. Mattox of Oklahoma City, who will speak about "The King's mother."

At noon the Education luncheon will be highlighted by a talk partment of the First National

COTTON QUIZ

WHY DOES THE ARMY CLASSIFY COTTON LINTERS AS THE SHORT FIBERS WHICH CLING TO COTONSEED—AS STRATEGIC MATERIALS OF WAR?

ANSWER—LINTERS ARE THE PUREST SOURCES OF ALPHA-CELLULOSE—THE CHEMICAL BASE OF MANY WAR PRODUCTS—AND ARE THE ONLY ACETABLE RAW MATERIALS THAT CAN BE USED IN THE PRODUCTION OF SEVERAL ESSENTIAL CHEMICALS.

Milk production per cow in Texas in 1952 was only 3,290 pounds compared with an average dairy cow in the nation. This 1952 national figure is the highest on record.

Following the awards luncheon Saturday at noon.

Mrs. Bryan Edwards of Lubbock is program chairman, Mrs. Elmer Patterson, of Hereford is general chairman of the convention.

ANNOUNCE SERVICES AT NEW HOME CHURCH

Rev. Geo. A. Dale of Lubbock will be in charge of the services at New Home Baptist Church Easter Sunday, according to the pastor, Rev. Bennie Hargrave.

The night service will be given over to an Easter pantomime under the direction of Mrs. Joe D. Unfred.

Wednesday night, Rev. Dale will conduct the "Hour of Power" service. Ladies of the W. M.

S. will have their missionary program on "Our Neighbor, Mexico."

Rev. S. W. Miller of Brownfield was the supply preacher last Sunday, while the pastor was in the revival at Whitharrel.

The increased tempo of farm activities at this season also increases the chances for farm accidents. Don't let a crippling accident rob you and your family by cutting off your needed labor on the farm.

OUR HATS ARE OFF TO—

The many home owners in Tahoka who are making our town look better by improving their lawns, planting trees and shrubs, and cleaning up their premises.

We believe we have as nice a little town as there is any where—and one of the reasons is that nearly everyone has an interest and pride in his own premises.

JOINT CONTEST FORD-FERGUSON

WILL DEMONSTRATE—

Saturday, April 4, 1:30 p. m.

On Howard Wheeler farm, 2 miles North of Tahoka on the Tahoka-Lubbock Highway

Here Are The Dealers Who Will Compete

Dealer	Make and Model
Bryant-Cargill Tractor Co.	Ferguson "30"
Lynn County Tractor Co.	Ford Jubilee

Each of these dealers will provide his own tractor, implements and driver. The "match" will be held on the Howard Wheeler farm on Lubbock Highway, 2 miles north of Tahoka, Texas. The date: Saturday, April 4. The time: one thirty in the afternoon.

It will pay you to attend this demonstration! Every farmer in this area is invited to see this "contest". Each guest will be able to follow each

part of the demonstration and judge the tractors and implements according to what he sees.

The idea behind all of this is simple. We feel that any farmer buying a tractor and implements should have the opportunity to make an honest-to-goodness comparison right in the field.

We further feel that a great many important points about a tractor and about implements—both good and bad—can be revealed only through a demonstration . . . doing the jobs the farmer will want to do if he buys that equipment.

On some jobs, some equipment is better than others. The important thing is that a tractor and implements should do a better-than-average job all of the time.

COTTON QUIZ

WHY DOES COTTON HELP LADIES KEEP THEIR PRETTY FIGURES?

BECAUSE MORE THAN \$2560 BALES OF COTTON, OR APPROXIMATELY 25000000 LBS. ANNUALLY GO INTO THE MANUFACTURE OF CORSETS!

C. of C. Will Vote For Directors

Ballots are being mailed all members of Tahoka Chamber of Commerce for the purpose of electing five new directors, according to Clint Walker, president.

Usually this election is held at the annual banquet. However, it has been decided not to have a banquet meeting this year. In stead, an all-member meeting will be held at a later date, as which members will discuss plans for the coming year.

Five new directors will be elected from the following list of nominees: Geno Jones, Otis Spears, Frank Hill, Mitchell Williams, Alton Cain, Hubert Tankersley, W. V. McElroy, Ronald Sherrill, and C. W. Conway.

Directors whose terms expire are: James Applewhite, Hick Gibson, Charles Verner, Tom Gill, and Fred McGinty.

Holdover directors are: H. B. McCord Jr., Ross Smith, Herman Renfro, O. C. Elliott, and Clint Walker.

As in the past, the board will elect the president, vice president, and secretary. Gill is the present vice president, and Russell McGee is the secretary.

Ledbetter Hen Is Doing Her Best

W. R. Ledbetter has a White Leghorn hen that is doing her best for her dry-land farmer owner.

Last week, the hen laid an enormous egg which weighed 6 ounces and measured nine and a quarter inches in circumference one direction and eight inches the other.

W. R. didn't say whether or not Dale Thuren paid him a premium for the enormous egg, but if she would do that well every day he might get a special market price for her production.

PRE-SCHOOL REGISTRATION IS SCHEDULED APRIL 10

Next year's first grade students and their parents residing in the Tahoka school district are asked to attend a pre-school orientation day here Friday, April 10, by Principal Archie Sims.

The classes will be held this one day in the South Elementary building beginning at 9 a. m. Everyone will be dismissed at 11:40, but all are invited to attend the luncheon in the cafeteria, at which parents will be served for 30 cents and children for 25 cents.

STREET CHURCH SERVICES WILL BE CONTINUED HERE

Religious services being held in the street south of W. H. Harris Hardware as a prelude to the revival meetings at the Baptist and Methodist churches will be continued week-days through April 11. Rev. Lee Ramsour and Rev. Jim Sharp, the respective pastors, announced Tuesday of this week.

The services are held each day at 3 p. m., and are especially proving popular with the aged people of the community.

PETTY HANDI-WORK CLUB HOLDS MEETING

The Petty Handi-Work Club met March 23 in the home of Miss Jackie Smith with 11 members present.

A new member joined the club. She is Mrs. Helen Marett. We are very glad to have her with us.

Club members made aprons. We also exchanged household hints and recipes.

Punch and cake were served. The next meeting will be in the home of Mrs. O. P. Hemmeline.—Reporter.

TEEN-AGE DANCE IS SET FOR TONIGHT

A dance for Teen-Agers of Tahoka and surrounding area is held tonight, Friday, beginning at 8:30 o'clock, in the Legion Hall, as an Easter holiday activity.

Bailey Ireland's orchestra will furnish the music.

Admission prices are \$1.75 for couples, and \$1.00 for "stags."

Cotton producers are asked by Secretary of Agriculture Benson to reduce their 1953 plantings 18 percent below those of last year. A crop of from 12 to 12.5 million bales would meet the estimated domestic and export demands and leave enough surplus to take care of reserve needs.

Miss Mary Louise Fenton is home from Southern Methodist University visiting her parents, Mr. and Mrs. Jack Fenton, during the Easter holidays.

"All right, Gilbert, so it's sharp, but you're still out of uniform!"

GOOD HEALTH!

1. WHAT IS HEALTH INSURANCE?

2. DOES REMOVAL OF TONSILS PREVENT SORE THROAT?

3. IS FISH A VALUABLE FOOD?

Answer to Question No. 1: Health insurance is the method by which millions of Americans protect themselves today against the costs of serious illness or accident. Since most families and individuals are not themselves able to cope with the financial burdens of serious illness which requires hospitalization, surgery or medical care, health insurance spreads the costs (in the manner that automobile or fire and theft insurance do) over many people at rates which most individuals and families afford.

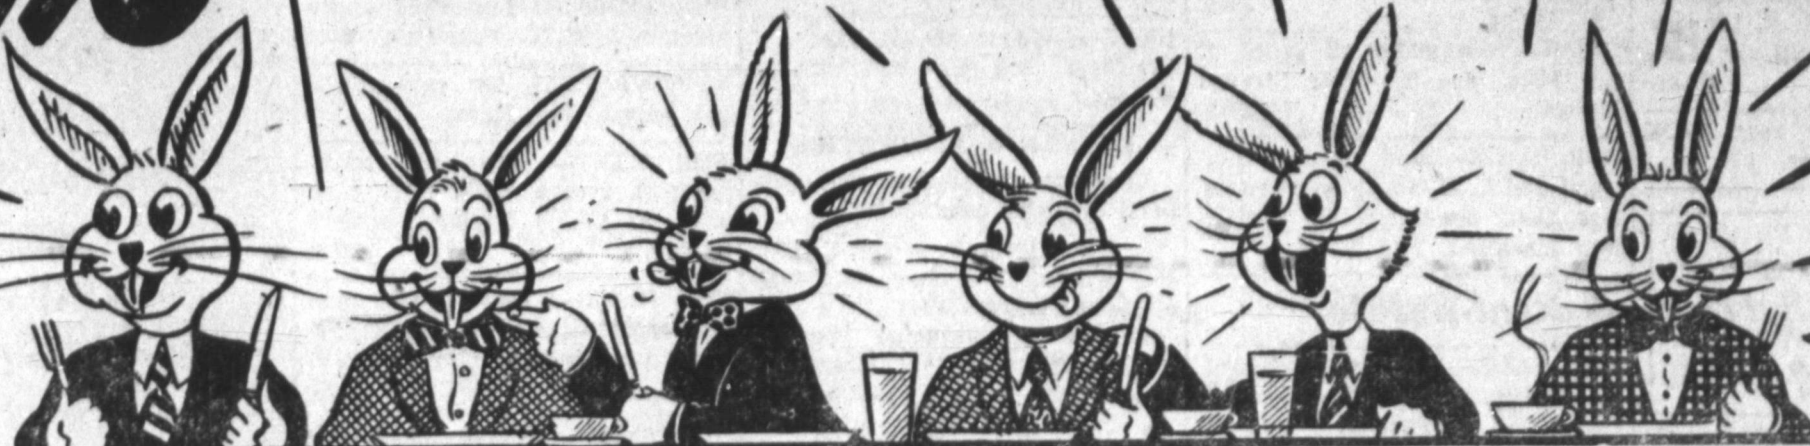

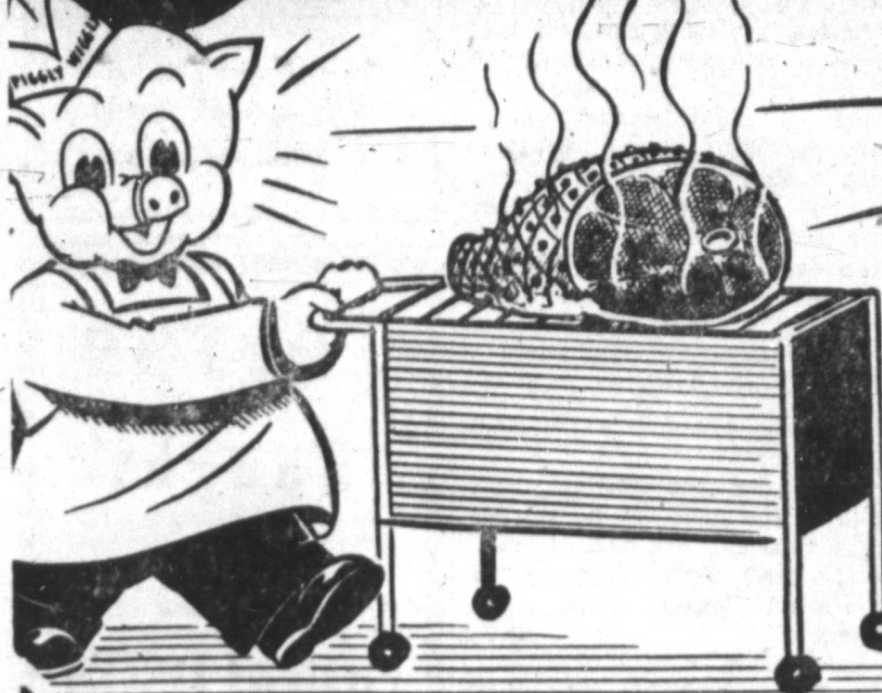

Answer to Question No. 2: Not entirely. Removal of enlarged tonsils reduces the likelihood of infection, and makes sore throat less likely. Removal of such tonsils takes away the already infected area, and lessens mouth-breathing and undesirable later complications.

Answer to Question No. 3: Yes, it is a very valuable food. Pound for pound it has about the same protein and vitamin and calcium value as meat. Pound for pound it has less calories (weight-gaining qualities), because it is low in fat. Salmon has slightly more calories than other fish. Salt-water fish is an excellent source of food iodine. Certain fish oils (such as cod liver oil) are rich in vitamins A and D and are used extensively in medicine.

WASHINGTON AND
"SMALL BUSINESS"
 By C. WILSON HARDER

A few million pounds of beef raised in New Zealand, sold cheaply in a few cities of the nation, raised a much greater beef in Washington.

Sales of this beef for less than half prevailing U. S. prices, came as the drive to repeal all U. S. tariff laws was started.

Butchers bought the beef from Swift & Co. for only 17 cents per pound, or less than half current U. S. price for live beef. C. W. Harder, 39c steaks not only raised widespread public interest, but also three interesting questions.

Question ONE: New Zealand beef was permitted into U. S. because of an embargo on Canadian beef due to cattle disease. So Canadian beef was shipped to England; New Zealand beef, normally shipped to Britain, was taken into the U. S.

The question: How can tariff laws be suspended without the consent of the Congress?

Question TWO: It developed the beef was in the U. S. for several months. But the now expiring Office of Price Stabilization prevented its sale while able.

The question: By what authority could OPS withhold cheap food from the market?

Question THREE: Out in San Francisco, Milton Maxwell, butchers union head, prohibited sale of the meat in all except two markets, which had contracted for the beef before he made his ruling. He claimed the beef was butchered under non-union conditions. But when informed it was killed by the New Zealand union, he still flatly refused to let his union butchers handle the meat.

The question: By what authority can a union leader dictate what foods can be sold?

But the entire New Zealand beef situation is held to throw into sharp focus the muddling created by everybody in Washington, above the rank of a chief clerk, assuming powers reserved by law for Congress. Assumption of power in matter by union leader creates still further questioning as to just who does formulate U. S. policy.

Some claim situation shows how close U. S. is to anarchy, a system where everybody assumes power at will.

Under U. S. Constitution, a strong, controlling Congress is set up to avoid anarchy.

Agriculture Department felt reaction first. Secretary Ezra Benson had just announced intention to bring free competition back to farm marketing.

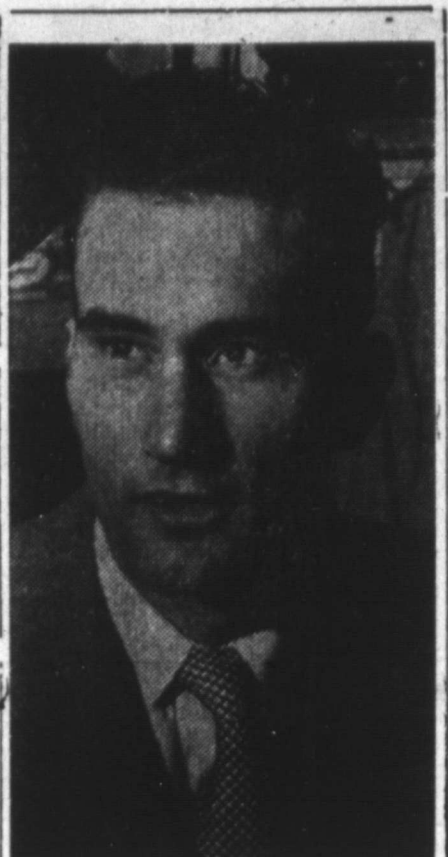

But now Agriculture announces resumption of butter price support. In all probabilities, U. S. taxpayers will once again pay many millions of dollars to buy surplus U. S. butter.

Yet a strong effort is underway to abolish all tariff laws.

Yet, despite tariff, and war conditions, so far it has been impossible for U. S. to handle surplus production without spending huge tax sums.

Many feel use of tax money to keep U. S. agriculture healthy is sound policy under existing conditions.

But it will take a lot to convince taxpayers they should be allowed to take care of foreign farmers, too, which will be the result of tariff repeals.

GERALD PADEN of Meadow, Evangelist in New Home Church of Christ Gospel meeting.

FRED L. YEATTS, Minister

CHURCH OF CHRIST AT NEW HOME TO PROMOTE WEEK'S GOSPEL MEETING

Gerald Paden, evangelist from Meadow, will do the preaching in a meeting at New Home Church of Christ April 5 through April 12.

Brother Paden is making plans to move to Italy, where he will join his two brothers, Cline and Harold, in evangelizing that country. His many friends will want to hear him in this meeting, which will probably be his last in this section for many months.

The public is invited to hear Bro. Paden each day at 10 a. m. and 8 p. m. — Reported by Fred L. Yeatts, local evangelist.

JOE STOKES H. D. CLUB NEWS

The Joe Stokes Home Demonstration Club met in the home of Mrs. Lloyd Mears with Mesdames Ball, Shockley, Wilson, Smith, Mears, Overman, Adamson, Gill, Armes, Dean, and Maeker present. Three new member names were added to the roll, Mrs. Mouser, Harrison, and Shnyder. Mrs. J. H. Smith, Jr., acted as chairman in the absence of Mrs. H. A. Parris. Mrs. Maeker brought the program on Line and Design.

It was voted that the club would not follow the program on dressmaking but would have something in the creative art line.

The club enjoyed a birthday social honoring all members having had a birthday in the past three months. Secret pals were revealed and new names drawn. The club plans to do this every three months. — Reporter.

Mr. and Mrs. C. F. Holland of Mineral Wells are here visiting their son, Wade Holland, and family. They arrived Friday. The Hollands have a new 8-inch irrigation well on their farm one mile east of Gordon, where they formerly lived for many years.

BURROUGHS— Adding machine, old but rebuilt into good condition, adds to 9,999.95, priced at \$60.00. —The News.

building is the fire apparatus garage, 32 by 46 feet in size, with space for the two fire trucks and for other fire-fighting equipment.

Modern Swimming Pool

The city recently acquired approximately 11 acres in South Tahoka beginning two blocks west of Sweet Street (the O'Donnell highway) and lying south from South Eighth Street. This includes Blocks 102 and 103 and the north half of Blocks 118 and 119 of the Original Town.

Here, the City already has water mains installed. The land was grubbed and leveled by the Jaycees two or three years ago. The City hopes, with the swimming pool as a starter, to develop a beautiful park and playground. The pool will be located at the extreme Northwest corner of the park, and a wading pool is included in the Paddock contract.

The Paddock company specializes in swimming pool design and construction, and the local pool will be complete in every way. It will be 82 feet 6 inches in length, 55 feet wide at the shallow end and 30 feet wide at the deep end. Depth will range from 3 to 10 feet. Concrete walks will surround the pool.

The pool will be modern in every respect, with "seablue" walls, underwater lighting, racing lanes, lifeguard stand and chair, guard rails, ladders, and two diving boards, one about three feet and one about ten feet.

Underwater vacuum cleaners will be provided to remove dirt and debris. Actually, the water will not be changed but once o-

District Judge Is Rotary Speaker

District Judge Louis B. Reed of Lamesa was the speaker at Tahoka Rotary Club Thursday noon of last week. He talked on the activities of the court in this district, and the extent to which crime affects every individual citizen.

The Judge stated that Lynn county was fortunate in being a county where very few major crimes are committed.

Calloway Huffaker was in charge of the program. The program chairmen for April are John Toler and Otis Spears.

President Tom Gill appointed the International Relations committee, composed of Mitchell Williams, John Toler, Truett Smith, and Dr. Emil Prohl, to investigate a plea sent out by the president of the West Berlin Rotary Club asking for clothing for the unfortunates of that German city. The local club will possibly send clothing for these needy people.

Garbage Collection Running Smoothly

Since institution of the garbage and trash disposal service by the City of Tahoka on March 1, the system has been operating very smoothly. City officials inform The News.

However, citizens are asked not to burn trash in the garbage containers, as this sometimes prevents the garbage truck from emptying the container.

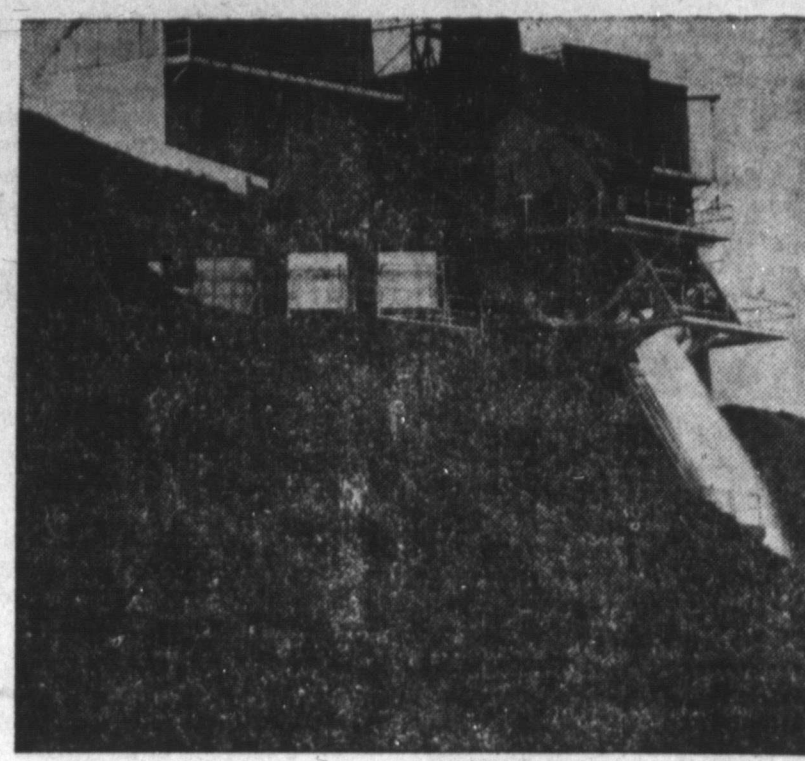

Since putting the new garbage paker truck in service, the work is being done much quicker and much easier than before. Trips are made over the business section daily and over the residence sections one a week.

The suggestion has been made that if citizens would provide standard covered garbage cans, flies and mosquitoes might be more easily controlled during the summer months.

twice a season, but when in use water in the pool will be going through a purifying process constantly which will make it safe even for drinking. Every six hours, the water will pass through sand filters and chlorinators. A special building and tanks will house the pumping and purifying equipment.

The wading pool, for small children, connected by concrete walks to the pool aprons, will be 10 to 16 feet in size, but the water depth will range only from 6 inches to one foot.

Paddock is now completing a similar pool at Slaton, and will move on the job here next week. Completion has been promised by June 1.

JET BLAST OF V-2 ROCKET MOTOR brought to the United States heralds the Army's first attempt to re-assemble, revise and improve on Hitler's blitz weapon. Missile technicians check one of the rocket motors in a static test firing at White Sands Proving Ground, N.M.

Wilson Board Elects Teachers

Teachers of the Wilson School were re-elected at a meeting of the Board of Trustees held Thursday night of last week.

Given new contracts at a previous meeting were: Supt. J. P. Hewlett; W. P. Jones, the High School principal; L. S. Fuller, Grade School principal; and Darrell Sims, Vocational Agriculture teachers.

Elected Thursday, subject to placement, were: Misses Ethel Summerlin and Gladys Kirtley; Mesdames Clarence Nelson, W. P. Jones, E. L. Blankenship, Annie Matthews, C. S. Bourns, Pearl Davidson, L. G. Fuller, and J. G. Robbins; Messrs. Lawrence May, C. S. Bourns, J. G. Robbins, Lois Ware, and Cecil Green.

Coach A. J. Sales and Mrs. Sales, home economics teacher, were not candidates, as they will operate the Sales and Campbell grocery after June 1.

The board hopes to let the contract on April 15 for the new \$100,000 building program, which provides Junior High classrooms, an agriculture room and shop, and the gymnasium.

Miss Elna Dunagan Is ROTC Sponsor

Miss Elna Dunagan, daughter of Mr. and Mrs. Irvin Dunagan and a Sophomore student in Texas Tech, has been selected by popular vote as one of the Regimental Sponsors of the Army Reserve Officer Training Corps at the college.

As such, she is an honorary member of the regiment at all parades, ceremonies and social functions throughout the college year.

Also as a sponsor, she has been named Honorary Lieutenant Colonel of the First Battalion.

CARD OF THANKS

We wish to thank the many friends of our family who sent food and flowers, acted as pall bearers, offered words of condolence, and helped ease our burden in other ways during the illness and death of our beloved wife and mother. May God bless each of you.—D. H. Stanley and family.

The Texas Legislature in 1911 passed the first law authorizing county commissioners' courts to appropriate money for the salaries of county agricultural and home demonstration agents.

Flower gardeners should have no trouble selecting annual flowering plants for a specific purpose for, at least 50 different kinds are readily available.

Odds AND Ends

(BY E. I. THE ELDER)

Next Sunday is the day generally observed throughout the Christian world as Easter Sunday. It is supposed to commemorate the Resurrection of Christ. Some religious denominations, however, do not agree that the Holy Scriptures anywhere set aside this day or any day as a special day for the celebration of the Resurrection other than Sunday, the first day of each week. On the other hand the Scriptures do not forbid Christians to set aside any day they may choose for this purpose. Therefore, we enter heartily into such a celebration together with all others who will join in. There are some observations concerning "Easter," however, that I should like to make.

First, it seems to be generally agreed that Christ arose from the grave on the next day after the

ture all about them, as all primitive peoples are, they felt the urge to worship the powers which they could not understand, and hence they peopled the heavens and the earth with numerous imaginary gods, attributed human affections and emotions to them, and worshiped them as good or evil spirits to be loved and revered or to be feared and appeased.

Odin, or Woden, from which we get the word Woden's Day (Wednesday) was the chief of all their gods; Thor, the god of Thunder and lightning and fire, from whose heels the sparks flew as he swept across the heavens, was possibly the second most powerful of all the gods. His day was Thor's Day (Thursday). He was also the god of War. He had a red-headed wife called Sif, whose garb consisted of her fine golden tresses, gorgeously beautiful, but some thief in godland cut them off as she slept, causing her much embarrassment and grief. Frey was the god of rain and storm, fruits and grain. Friday was named in his honor. He had a sister named Freyja, who was the goddess of love. She married a guy among the gods whose name was Oder, but he deserted his wife and she made journey after journey in search of him. His name signified "Wild Desire" and we are not told that she ever found him. Tiw or Tyr from whom we get Tuesday, was also a Norse god of War. Sunday, Monday, and Saturday took their names from three heavenly bodies, the Sun, the Moon, and Saturn; and there were scores of other gods, who were honored betimes with great festivals or wild parties, one of which they

called Oestre (Easter).

Some of these feasts sometimes became drunken brawls attended with immoral rites very similar to those pagan feasts described many times in the Old Testament.

These Angles and Saxons, and other tribes in Germany lived largely on fruits and grains and fish, but they also cultivated gardens and truck patches, and supplied a portion of their food through the hunting of fowls and birds and animals of the forest. On account of the many streams and much water and their nearness to the sea, these wild barbarians took to the sea and became pirates and sea robbers, over-running the land we now call England during the last half of the fifth century after Christ and conquering it. Then followed two or three centuries of warfare among the different tribes, and it was not until 827 A. D. that the seven

little kingdoms which had sprung up on the island became merged into one people under a common king, and the land for the first time could be called England and the people the English people.

From that time on the people became more and more closely cemented together as one people, were rapidly converted to Christianity, and experienced great growth and development in

material prosperity, education, and enlightenment. England had become one of the great nations of the world long before King James in 1611 appointed leading (Con'td. On Next Page)

CARTER INSURANCE AGENCY presents Cherry Sundaes

Worth more... and why

There's an old saying that a thing is worth what someone is willing to pay for it. Well, if you could tour the wholesale and retail used car auctions around the country, if you could survey hundreds of used car lots you would discover that used Fords bring higher prices than any competitive make—and by substantial amounts.

THAT'S WHY we feel our '53 cars should not be compared with cars in the same price range. Not because our competitors don't do a good job—obviously they do—but because we feel Ford Cars have more in common with the highest priced automobiles. The similarities are far greater than the differences.

For example. Today, the most expensive cars in this country have V-type, 8-cylinder engines. Ford Cars have had this exact same type of engine for over 20 years.

What's more astounding, the current Strato-Star V-8 sells for hundreds of dollars less than several other makers charge for a six-cylinder car. Now there's nothing wrong with a Six but they do cost less to make. Ford makes a Six—the most modern overhead valve Six in the industry. And if it's a six-cylinder car you want, Ford has it and for less money than the V-8, which is as it should be.

What about rides? Here's another Ford similarity with high-priced cars... *Riding Comfort.* One of the misconceptions for many years has been that weight—sheer weight—is what it takes to make a car ride well. Ford has found that you can make a 3000-pound car ride softer and hold the road better by far than many cars that weigh a full 1000 pounds more. In the '53 Ford, for example, front end road shock has been reduced up to 80%. We say it compares most favorably with the heaviest cars sold today.

What about automatic transmissions? It would take the fingers of both hands to count the various kinds of automatic and semi-automatic transmissions on the market today. The one we

offer is called Fordomatic. It is the most versatile on the market, it represents the most profound consideration of engine-to-wheel power transfer—and that it does the best job for our engines isn't even open to question. It "shifts" better than you could shift by hand.

What you can see is also important. Here again Ford Cars lead not only in their price field but in the medium and upper brackets as well. Ford visibility is *Full-Circle Visibility.* This means huge, curved unobstructed glass area, front and rear, plus side windows that allow all passengers what the hotels call "room with a view."

Appearance? A higher price, of course, does not make a car more beautiful. Conversely, beauty in a Ford comes "for free." Ford has found that it costs no more to develop a beautiful car than one that is less pleasing in appearance. You can drive up to the most exclusive doorways in the world and feel perfectly at home in your Ford. Fords "belong" . . . in exactly the same social category as the finest, one-of-a-kind creations. After all, a Ford is a custom creation multiplied.

What about running costs? Here's one place that Ford's advantages are obvious. For oil and gas economy Ford has the big cars whipped. Ford parts cost less. Ford service charges are less. Ford tire mileage is thousands of miles greater. And, Ford depreciation is the lowest of any car on the market—bar none.

What are Fords made of? Some people have the idea that the costliest cars are made of "better stuff." It's true that some high-priced cars have costlier upholstery and fittings. What Ford has is

so good, both in durability and appearance, that you probably could not tell the difference. You might even prefer it, because of its better design and more pleasing appearance.

Then there's the question of sheet metal. If you were to measure and analyze the sheet metal structure in the most expensive car, you most likely would find it identical in thickness to the corresponding panels in Ford.

After all, then, what is the difference between a Ford and the costliest cars?

In our opinion, the difference is largely a matter of dimensions, weight (and the power required to move it) plus the distinction of owning a car that not so many other people own. The desire for these things is understandable . . . and probably justified for people who are willing to pay the price to satisfy it.

As to comparing Ford with other cars in its price range, by all means do so if you wish. But, as we said before, you'll get a better picture of Ford value by comparing with cars that are most like Fords—those that are priced up to twice as much. In fact, we think you'll quickly begin comparing the other cars with Ford—because the 1953 Ford has really established the New Standard of the American Road.

(Cont'd. from Ed. Page)

scholars and members of the Church of England to translate the Bible into English.

The church people as well as the common laity were still observing the Easter festival as their pagan ancestors had observed it a thousand years previously in the forests of Germany, but they were observing it now in a perfectly decent and respectable manner. It had become the one great feast of the Church of England, which had broken away from the Roman Catholic Church, and so, when the King James translators came to Acts 12:4 they disregarded the Greek word meaning Passover and translated the word into their English word Easter. There is a vast difference, however, in the meaning and significance of the two words.

In the 12th chapter of Exodus, the Lord instituted the Feast of the Passover, stated its purpose, and gave instructions with reference to its observance. Every Hebrew family was instructed to kill a lamb without blemish, and

sprinkle its blood on the lintels of the door posts, for the Lord declared that a destroying Angel was to pass that night over Egypt and in every household in which the blood was not sprinkled the firstborn of every child and the first born of every animal belonging to that household would be slain, but that the Angel would Pass Over, every house where the blood was seen, and other minute instructions were given. "It is the sacrifice of the Lord's passover who passed over the houses of the children of Israel in Egypt, when he smote the Egyptians and delivered our houses." So runs the Lord's declaration in Exodus. It happened that night just as the Lord had said.

The significance of the event was that the people must be saved through the shed blood of the Divine Sacrifice to be offered in Christ, which was, typified by the sacrifice of the meek lamb, which was without blemish—without fault.

I don't see how a pagan Easter feast could really typify the passover, or a Resurrection either. It was not primarily the passage of the people of Israel

through the Red Sea but the passage of the Angel of Death over the blood-sprinkled homes of the Israelites that is celebrated in the Feast of the Passover. Let's not get that confused in our minds.

It was at the Feast of the Passover that Jesus on the night before his betrayal in Gethsemane instituted the Lord's Supper. It was so instituted, obviously, because the Crucifixion of Christ as typified in the Passover lamb was to be fulfilled on the next day. There would be no point in further observing a type of something that was to come to pass after it had come to pass; and so the Lord's supper was instituted as a memorial of his Sacrifice which had been planned from the very foundation of the world, according to the Scriptures, and which he was voluntarily making, according to his own declaration. To the understanding Christian, the Lord's Supper takes the place of the Passover.

Respecting the observance of the Lord's Supper, Luke in his gospel and Paul in his first letter to the Corinthians twice declared that Christ's command when he instituted the supper was: "This do in remembrance of me." And Paul specifically refers to it as the "Lord's Supper." Nowhere in the New Testament is it referred to as a "Sacrament" or as "Holy Communion" or any kind of a Communion service. It is not a sacrament in the sense of having any saving power, for none but Christians—saved people—are entitled to sit at the Lord's table. "Open" communions invite all Christians to take communion with them but I have never heard of their inviting sinners to their communion table. The only communion implied in Christ's command in so far as I can see is the communion that the partaker of the bread and wine should have with Christ himself. Now I have said all these things in all kindness and in a genuine spirit of brotherly love, I ain't mad at nobody, and even if you just keep on believing as you do, I will still greet you with a broad smile and a warm handshake the next time I meet you on the other side of the street or the other side of the track or the other side of the river—wherever it may be.

Now, as we all will be observing "Easter" on this approaching Sunday, I am going to close this column this week with the story of Easter as given by John the Apostle and as contained in the Revised Standard Version of the New Testament.

John 19:38-42 and John 20:1-29 After this Joseph of Arimathea who was a disciple of Jesus, but secretly, for fear of the Jews, asked Pilate that he might take away the body of Jesus, and Pilate gave him leave. So he came and took away the body. Nicodemus also, who had at first come to him by night, came bringing a mixture of myrrh and aloes, about a hundred pounds' weight.

They took the body of Jesus and bound it in linen—cloths with the spice, as is the burial

custom of the Jews. Now in the place where he was crucified there was a garden, and in the garden a new tomb where no one ever had been laid. So because of the Jewish day of Preparation, as the tomb was close at hand, they laid Jesus there.

Chapter 20

Now on the first day of the week Mary Magdalene came to the tomb early, while it was still dark, and saw that the stone had been taken away from the tomb. So she ran and went to Simon Peter and the other disciple, the one whom Jesus loved, and said to them, "They have taken the Lord out of the tomb, and we do not know where they have laid him." Peter then came out with the other disciple, and they went toward the tomb. They both ran, but the other disciple outran Peter and reached the tomb first, and stooping to look in, he saw the linen cloths lying, and the napkin, which had been on his head, not lying with the linen cloths but rolled up in a place by itself. The other disciple, who reached the tomb first, also went in, and he saw and believed, for as yet they did not know the scripture, that he must rise from the dead. Then the disciples went back to their homes.

But Mary stood weeping outside the tomb, and as she wept she stooped to look into the tomb, and she saw two angels in white, sitting where the body of Jesus had lain, one at the head and one at the feet. They said to her, "Woman, why are you weeping?" She said to them, "Because they have taken away my Lord, and I do not know where they have laid him." Saying this, she turned round and saw Jesus standing, but she did not know that it was Jesus. Jesus said to her, "Woman, why are you weeping? Whom do you seek?" Supposing him to be the gardener, she said to him, "Sir, if you have carried him away, tell me where you have laid him, and I will take him away." Jesus said to her, "Mary." She turned and said to him in Hebrew, "Rabboni!" (which means Teacher) "Do not hold me, for I have not yet ascended to the Father; but go to my brethren and say to them, I am ascending to my Father and your Father, to my God and your God."

Mary Magdalene went and said to the disciples, "I have seen the Lord;" and she told them that he had said these things to her.

On the evening of that day, the first day of the week, the doors being shut where the disciples were, for fear of the Jews, Jesus came and stood among them and said to them, "Peace be with you." When he had said this he showed

them his hands and his side. Then the disciples were glad when they saw the Lord. Jesus said to them again, "Peace be with you. As the Father has sent me, even so I send you." And when he had said this, he breathed on them and said to them,

A. M. BEAT, Owner TAWOKA, TEXAS

Power Steering! It's yours in Chevrolet for 1953 and in no other low-priced car!

This wonderful new feature, optional on all models at extra cost, marks the most important advance in driver convenience and safety since the automatic transmission, which Chevrolet also introduced into its field.

Power Steering makes steering virtually effortless on all roads and at all speeds. It permits you to park, even in a tight space, with finger-tip ease. It cuts steering effort approximately 80%; reduces driver fatigue; makes driving simpler, safer and more enjoyable than ever before.

But come in! See and drive Chevrolet for 1953 with Power Steering and all its other exclusive advantages!

Continuation of standard equipment and trim as illustrated is dependent on availability of material.

place my finger in the mark of the nails, and place my hand in his side, I will not believe." Eight days later, his disciples were again in the house, and Thomas was with them. The doors were shut, but Jesus came and stood among them, and said, "Peace be with you." Then he said to Thomas, "Put your finger here, and see my hands, and put out your hand and place it in my side; do not be faithless, but believing." Thomas answered him, "My Lord and my God," Jesus said to him, "Have you believed because you have seen me? Blessed are those who have not seen me and yet believe." Jesus made several other appearances to his disciples, about 500 on one occasion, before his Ascension.

There are now some 900 farmer-owner cooperatives in Texas. They cover all major agricultural commodities and many supply services in addition to processing and marketing.

CHILD HAS OPERATION

Little Danna Corbell, daughter of Mr. and Mrs. Dwight Corbell, underwent major surgery for a kidney infection in Lubbock Memorial Hospital Monday morning. She had been ill for eight weeks, but only last week, after some 35 x-rays, was the seriousness of her condition determined.

Roland W. (Slick) Clem has sold out his stock of furniture, and is preparing to farm this year northwest of Tahoka.

TURNERS CATCH FISH AT LAKE TEXHOMA

Kenneth Turner and his dad, "Hi" Turner of Grassland, returned home Saturday from Tahoka Lake, where they fished two or three days and caught about 200 pounds of catfish and sand bass.

They were joined at the lake by Vernon Turner, brother of "Hi", who now lives at Lawton but who is moving to Walters, Okla., soon. Vernon formerly lived at Grassland.

Wilson News
(Continued)

services. This week services will be held Monday, Wednesday, Friday nights, and again on Sunday night, Tuesday, Thursday, and Saturday nights will be given over to visiting.

Mrs. Josephine Smith shopped in Lubbock Saturday.

Mr. and Mrs. Earl Tunnell of Tahoka visited her mother, Mrs. H. C. Fountain, Sunday.

Mr. and Mrs. M. C. Church and family of Olton visited his brother, Clarence Church, and family Wednesday night.

Donnitta Jordan of Goodland spent the week end with Nancy Cook.

Mr. and Mrs. Ed Crowder were in Lubbock Saturday, the guests of their daughter and son-in-law, Mr. and Mrs. Howard Billings.

A co-operative lunch was held in the home of Mr. and Mrs. G. T. Galneau Sunday, honoring the following, whose birthdays are in March: Mrs. Hautence Parker and son, James G. E. Owens and daughter, Margie, Mrs. G. T. Galneau and son, Tommy, and "Corky" Rogers of Brownfield. Besides the above, a covered dish luncheon was enjoyed by the following: Mr. and Mrs. Leon Stanley and four children of Clovis, Hazel Robinson, Raynette Barger, Mrs. Nannie Rhudy, Mrs. G. E. Owens, Joy, Erva, and Alma Owens, and G. T. Galneau and daughter, Lavada.

Nancy Cook celebrated her twelfth birthday Friday. The entire sixth grade of which Nancy is a member, were invited to the Cook home after school for refreshments.

Mr. and Mrs. Clarence Church and family were lunch guests of Mr. Church's mother, Mrs. W. C. Church, in Slaton Sunday.

Mr. and Mrs. J. B. Smith and son, Dwayne, were Lubbock visitors Sunday.

Mr. and Mrs. Vernon Teinert entertained with a venison barbecue honoring Mr. Teinert's aunt, Mrs. Gertrude Murray of Denver, Colo. Present were: Martin Wuensche, Sr., and daughters, Rev. P. W. Heckmann, Ralph Drooge, Messrs. and Mesdames Albert Wuensche and daughter, Melvin Wuensche, Cecil Wied and family, B. G. Wied, A. A. Teinert and family, John Mahn, Delbert Kieschnick, Brands of Littlefield, and the honoree, Mrs. Murray. Howard Cook and son, Dan, spent the week end at their

ranch near Alamogordo, N. M.

Mr. and Mrs. G. E. Owens and family and Elizabeth Parker visited Mr. and Mrs. Reed in Tahoka Sunday afternoon.

Mrs. Nannie Rhudy, Mrs. Hautence Parker, and son, James, and Mrs. Roy Robinson and daughter, Hazel, were in Lubbock Sunday.

Mr. and Mrs. G. T. Galneau and daughter visited Mrs. Galneau's mother, Mrs. Tom Rogers, in O'Donnell Sunday.

Confirmation service were held at the St. Paul's Lutheran Church Sunday for Vernell Dube, daughter of Mr. and Mrs. Oswald Dube, and Jerene Wuensche, daughter of Mr. and Mrs. Herman Wuensche.

Mr. and Mrs. Ludwig Richter of Thorndale, and Alvin Richter of Lamesa were lunch guests of Mr. and Mrs. John Hahn Sunday. Other guests in the Hahn home Sunday afternoon were: Mrs. Emma Herzog and daughters, Ella and Bertha, of Lubbock, Edward Reich and Ralph Herzog, also of Lubbock, and Mr. and Mrs. Arthur Herzog and son, Gene, of Wilson.

Miss Maxine Russell of Lamesa was a lunch guest of Miss Louise Menzel Sunday.

Mike Coleman returned home Monday after an over-night stay in Lubbock with his uncle and aunt, Mr. and Mrs. Dewey Winstead.

Mr. and Mrs. Poindexter of Southland, who formerly owned and operated the Wayside Station were business visitors in Wilson Saturday. They also visited briefly in the home of Mr. and Mrs. Frank Smith.

A one-day pastor's conference was held Tuesday at the St. Paul's Lutheran Church. A covered dish luncheon was served at noon at the home of the local pastor, Rev. P. W. Heckmann. Lariat, Littlefield, Plainview, Lubbock, Sparenburg, and Wilson were represented.

Mrs. John Hahn shopped in Lubbock Friday.

Mr. and Mrs. Frank Smith attended the flower show at the Texas Tech Floral Shop in Lubbock Sunday.

Mr. and Mrs. Coleman Henderson of Ackerly were here Sunday visiting Mr. Henderson's sister, Mrs. Mattie Whittington, and family.

Mr. and Mrs. Blake Gregston and daughter left Friday for a few days' visit in Carlsbad, N. M. Misses Jane and Frances Henderson of Lubbock spent the week

end with their parents, Mr. and Mrs. Frank Henderson.

Mrs. Emmett Brooks of Ballinger has been visiting in the home of her son-in-law and daughter, Mr. and Mrs. Billy Crooks for the past several days. Mr. and Mrs. Crooks are parents of a son born last Tuesday in the Slaton hospital.

Mrs. John Turner and Mr. and Mrs. John Lewis Turner and family of Commerce spent the week

end with Mrs. John Turner's son-in-law and daughter, Mr. and Mrs. Hershel Fox.

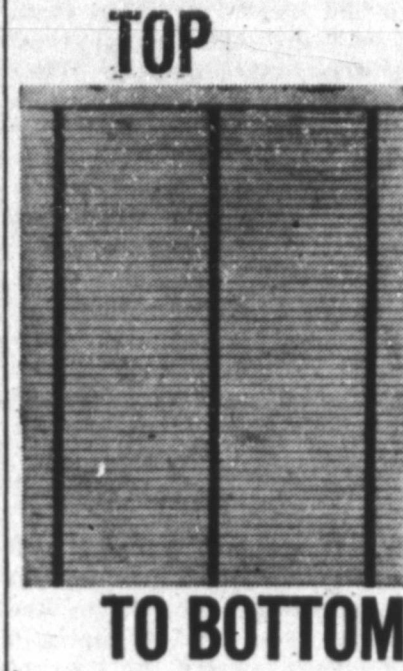

Edmund Macker, local scoutmaster, took his troop to the Slaton Canyon Sunday where they cooked lunch.

Mr. and Mrs. Elmer Rice spent the week end in Abilene where they visited their son-in-law and daughter, Mr. and Mrs. Bob Sanders, and in Haskell, where they visited Mrs. Rice's brother, C. C. Middleton, and family. The Rices

also visited Rev. J. E. Stephens in Post and are happy to report Rev. Stephens is much improved.

Warren Gossett spent from Tuesday until Thursday with his uncle and aunt, Mr. and Mrs. Jason Justice, in Petersburg.
