Volume 51

Tahoka, Lynn County, Texas, Friday, May 13, 1955

Number 31

Serving Tahoka and Lynn County Since 1903!

Final School Closing Programs Are Set

Tahoka graduation exercises get underway Sunday, with the class sermon Sunday evening at 8 o'clock in the High School auditorium.

Doyle Kelcy, minister of the Tahoka Church of Christ, will present the class sermon. The invocation will be by Rev. J. B. Stewart, pastor of the First Methodist Church; and Rev. D. W. Copeland, pastor of Bethel and Central Baptist Churches, will pronounce the benediction. Mrs. Betty Green will play the professional and recessional.

Seniors Take Trip

The Tahoka Senior Class will leave Sunday night at 12:01 on their senior trip to MO-Ranch in Hunt, near Kerrville.

The class will travel via T. N. M. & O. motor coach and will arrive at MO about 8:30 Monday morning.

A special trip to San Antonio has been planned for those students who care to take the trip on Tuesday. Such scenic points of interest that will be visited are: Alamo, Buckhorn Saloon, Governor's Palace, Brackenridge Park and Zoo, and Sunken Gardens.

The seniors will leave MO Thursday morning after breakfast and arrive in Tahoka about 5:30 that evening.

Sponsors for the trip include Mr. and Mrs. Tom Bartley, Mrs. Emil Prohl, Mrs. Calloway Huffaker, and Floyd Dybb.

Commencement Next Week

Thirty-eight seniors expect to receive diplomas of graduation at exercises Friday night of next week. Again this year, the class will present the program, the theme of which will be "Faith in Tomorrow."

Mrs. Tom Bartley and Floyd Tubb are the class sponsors.

Grade School Exercises

Elementary school exercises for the Seventh Grade, which has 65 members, will be held next Thursday night at 8 o'clock in the High School auditorium.

Vernon Townes of Denver City, district attorney, will give the address, and will be introduced by Supt. Otis Spears.

Honor awards will be presented by Mrs. Clint Walker, class sponsor, to Terry Spears, valedictorian, and Maribelen Reid, the salutatorian. Principal Milton Gardner will make the perfect attendance awards to all classes of the elementary schools, and Principal J. B. Howell will present the diplomas.

Special music will be arranged by Mrs. Harold Green, the invocation will be by Rev. D. W. Copeland, and the benediction by Rev. J. B. Stewart.

Swimming Pool Open Saturday

Tahoka's municipal swimming pool will open this Saturday and Sunday afternoons, and then on Saturday, May 21, the pool will open daily for the summer.

This Saturday the pool will open at 2 p. m. and remain open until about 9 p. m. Sunday the pool will open at 1 p. m. and remain open to 8:30 p. m.

Admission prices this year will be the same as in the past, 35 cent for all people 12 years of age and older, and 15 cents for those 11 years of age and under. Admission to the child's wading pool is free.

Stanley Stone will be the life guard.

Assistant Coach Dean Wright and North Elementary School Principal Milton Gardner will operate the pool this summer for the City.

Largest country in England is Yorkshire; smallest is Rutland.

Honor Graduates

Miss Dolores Gage, valedictorian, average grade of 97.42 percent.

Miss Bobbie Carroll, salutatorian, average grade of 95.42 percent.

(Cont'd. On Back Page)

Band Concert This Sunday

Tahoka High School's 60-piece band, directed by Wyatt L. Burkhalter, will present its annual spring concert on the lawn in front of the high school building Sunday afternoon at 4:00 o'clock.

Student directors are Mariana McGinty and Lynn Strickland, and majorettes are Othella Freeman and Wilma Scott.

The public is invited to attend the concert.

Numbers on the concert include: New Colonial March by Hall, Berkshire Hills by Akers, Rio Blanco by Caneva, Rocket March by Thomas, Russian Choral and Overture by Isaac, Starlet Overture by Irons, and Queen City March by Boorn.

Donald Renfro was a medical patient in Tahoka Hospital Tuesday night.

This is some Lynn county farm house. First town and first farm raised so old. The News and correctly identify it will each receive six month's credit on their paper. Also, a free enlargement of the picture will be presented the farm owner on calling at The News.

Name Sought For New Airport

A name is needed for the proposed new county-wide airport a mile and a half northwest of Tahoka.

Citizens of the county are asked to submit suggested names by post card or letter to J. E. Nance, Tahoka, and the first person suggesting the winning name will be given a free airplane ride. Entries must be mailed not later than next Wednesday, May 18.

The Airport committee met Tuesday night and discussed a number of details in connection with building the airport on land recently donated for county park purposes.

All members of the committee were present. They are: J. E. Nance, chairman, Clayton Beard, Roy LeMond, Ellis Barnes, Billy Gene Smith, and Martin Wuen-sche.

The committee will meet again next Thursday night, at which time a name will be selected and further steps taken to incorporate the airport organization.

Plans are being made to pave one runway in the near future and to pave another runway at some later date.

Assurance has already been received of at least two or three private hangers, and inquiries have been received on use of the air port by crop dusting companies.

Second Salk Polio Shot Is Delayed

Due to the delay in the receiving and administering the second dose of Salk polio vaccine to first and second grade children, Dr. Emil Prohl, county health officer, states that this shot will probably not be given until after the close of the current school term.

Parents of children are asked to watch this newspaper for the time, not now known, for this second shot.

Because of the delay, it will become necessary for parents to bring their children to the various schools for their second shots.

CROMER IN HOSPITAL

Lee Cromer of Lubbock suffered a severe heart attack Wednesday morning of last week. He was rushed to Methodist Hospital Lubbock, where he was reported to be improving Tuesday. However, he will be in the hospital four to six weeks and can have no company at this time.

Mrs. L. S. Lightner of Lubbock, formerly of Tahoka, underwent minor surgery at Tahoka Hospital Tuesday.

Most of County Has Plenty of Rain For Planting Spring Crop

Rainfall during the past week has covered Lynn county, as well as most of the High Plains and West Texas, to put a dent in the prolonged drought. A large portion of Lynn county farm lands are sufficiently soaked for planting, but there are small areas scattered all over the county that still need more rain to "make the moisture meet."

The rain over the county has reached from three inches down to an inch.

Tahoka has received a total of 1.94 since Thursday of last week, 2.82 inches including the .88 inch rain of Saturday April 30. The U. S. official rain gauge here shows a total of 4.38 for the year. Normal rainfall through April is 3.19, through May it is 6.12 inches.

However, rainfall over the area last fall was below normal, and there was little bottom season, especially in the tighter soils. Thus, more rain is needed this year for planting.

There are still spots south of Tahoka, east of Wells, east of O'Donnell, in the Draw and Redwine communities, north of Wilson, north of West Point, and in the New Home area, and possibly others where the rain has not been sufficient to make the moisture meet, farmers tell The News.

Tahoka received .09 inch Thursday morning of last week, .03 Friday morning, and .35 during Sunday night and Monday morning. Much of the county at this time received much heavier rains which would possibly average an inch.

Scattered showers continued Monday night and Tuesday adding to this moisture and falling on other dry spots.

Then, Tuesday night, torrential downpours crossed the central portion of Lynn county, dumping as much as three inches in one area of the Petty community which had previously received little rain.

This was during the tornado alert. The cloud, moving southeastward, hit Tahoka at 9 p. m. Tuesday and turned loose 1.06 inches of rain in this city in less than 20 minutes. Steady rain beginning at 10:30 p. m. Tuesday added .37 to this amount.

The torrential rain in Tahoka, for a time flooded the streets and water was hub-deep on a car on Sweet Street from the square to the Sam Bartley place several blocks south.

A tornado had formed south of Sundown at about 7 p. m., and moved eastward toward New Home. The U. S. Weather Bureau at Lubbock put out warnings, and the Highway Patrol kept a close watch on the twister, which touched the ground only once and did no damage. The twister dissipated before reaching New Home, the Weather Bureau told The News.

The micro-barograph kept for the U. S. Weather Bureau by The News showed no unfavorable reaction indicating a storm, and therefore, according to a representative of the Bureau, there never was any serious danger to Tahoka.

In spite of the fact that tornadoes almost invariably travel east northeast, many Tahoka citizens took no chances. Some went to storm cellars, others got out on the highway to travel at right angles to the supposed path, while others remained at their television and radio sets.

Most farmers agree that all irrigated land is now in fine shape for planting, and nearly all the dry land has sufficient moisture for planting. Without doubt, nearly all farmers will be planting just as soon as the soil is dry enough.

There were further showers Wednesday, and not many people will complain if there is more rain soon.

Youth Is Injured In Car Wreck

Johnny Hillhouse, 7, son of Mr. and Mrs. O. E. Hillhouse of Tahoka, and Mrs. Hillhouse's father, J. O. Bearden, were seriously injured in a car wreck in Seagraves, at about 7 p. m. Sunday.

Johnny received many bad lacerations of the face, and more than 100 stitches were required to close the wounds at Seagraves Hospital. However, he is reported to be doing fine.

Mr. Bearden, who lives in Seagraves, received a fractured arm and fractured ribs and body bruises. He is also in the hospital there.

Mr. Hillhouse told The News that Mr. Bearden and Johnny had been to a grocery store and were returning home, when a Mexican crashed into the side of Bearden's car at a street intersection, and then fled the scene of the accident.

Several weeks ago, Johnny's brother, Eugene, fatally shot himself while playing with a gun at the Hillhouse home here.

Farm Bureau Queen Contest

Lynn County Farm Bureau is again sponsoring a Queen contest this summer. N. E. Wood, president, reports he would like for all girls between the ages of 16 and 22, (16 by Sept. 1 and not over 22 by Sept. 1, 1956) who has either a father or brother belonging to the Farm Bureau, to register at the local office for the contest.

The Bureau is anxious that girls register now, and promises each will have a good sponsor with whom to work and train.

Have news? Call The News.

City Clean-Up Drive Set For Next Week

A city-wide clean-up campaign is being sponsored all next week by the Tahoka Jaycees, who are asking all individuals and organizations to cooperate in this effort to make this a cleaner, more sanitary and more beautiful town.

Citizens are asked to help in cleaning off vacant lots, as well as their own lots, especially lots adjoining the highways through town.

Jaycees have the cooperation of the City of Tahoka, and will see that all trash and rubbish is picked up.

Citizens may burn all trash that will burn, but are asked to do so before Friday.

Late in the week, trucks and trailers will be used to augment the city vehicles in hauling the trash away.

Those who can furnish such vehicles to haul the trash are asked to call the Jaycee president, Bill Chaney, Charles McClellan, Bob Gibbs, Ragan Reid, or Steve Slover.

1953 Loan Cotton Going To C. C. C.

Dee Green of the Lynn County ASC office states that 1953 cotton in the C. C. C. loan will be taken over by Commodity Credit Corporation on July 31, 1955.

The only way a producer may expect any money return from this 1953 loan cotton is for the current market price to be great enough above the loan value for it to pay off the loan, plus interest, storage, and transportation charges.

He says it is doubtful if this will happen, and it might be good business for the farmer to sell his equities before that day.

School Transfers Are Due Now

All parents of children who will be in school next year and who wish to transfer them from one district to another, must make application for such change by June 1.

Deadline date for such transfers has been changed by law from August 1 to June 1.

Blanks are now available at the office of County Superintendent Ruth Jolly.

4-H Club Boys Win In District

Jerry Cain of Tahoka was winner of first place in the annual District 2 4-H Club declamation contest held at Texas Tech Saturday and the Lynn county 4-H club entomology team won first place in its contest also.

The entomology team is composed of Denver Ford and Hilton Wood, both of Tahoka, Joe Rper of New Home, and Dan Sealy of O'Donnell.

Both Cain and the entomology team will now advance to state contests, which will be held during the State 4-H Round-Up at College Station June 8, 9, and 10. Cain is president of the District 2 4-H Club boys, and as such is also a director of the state 4-H boys council.

Wayne Hammonds, Lynn county champion in the tractor driver and maintenance contest, won fourth in the district in a field of 15 county winners.

SINGING HERE SUNDAY

Singing will be held at the Assembly of God Church in Tahoka Sunday afternoon at 2:30 o'clock, to which all people interested are invited.

TOLER IS PROMOTED

John Toler, son of Mr. and Mrs. J. F. Toler, who has been with the Army in Japan since last November, recently was promoted to private first class and is secretary to his major.

Raindrops can't hit the ground running if they fall into a good pasture sod.

Charles Uzzle Is Wayland Officer

Plainview, May 12, Charles Uzzle, Tahoka, was installed as secretary-treasurer of Ministerial Alliance of Wayland College at its installation service at the home of Dr. and Mrs. R. L. Dobson, Plainview, April 29.

Mrs. Lake R. Pylant, Nashville, who is secretary of the Church Recreation Service of the Southern Baptist Sunday School Board, spoke to some 45 guests which included wives of the ministerial student and faculty members.

Raburn Holton, Wellington, outgoing president, gave the charge to the newly elected officers: Henry Flippin, Eden, president; Sletus Caswell, Meadow, vice-president; Uzzle, secretary-treasurer; Gene Dickson, Hereford, social chairman; James Holcomb, Pickton, chorister.

Mr. Dickson directed the social hour following the installation service.

Dr. Dobson, who is chairman of the Division of Bible and Religion, is sponsor of the Ministerial Alliance, which includes ministerial and music education majors and minors.

Mr. and Mrs. Charles Polk and two children have moved from Lubbock to Abilene. He is associated with an insurance company.

Miss Wanda Marlin Married Sunday To J. F. Houk In Church Ceremony

Miss Wanda Marlin, daughter of Mr. and Mrs. C. A. Marlin of Tahoka, became the bride of John Franklin Houk, son of Mr. and Mrs. Ray F. Houk of Lubbock in a ceremony at Tahoka Church of Christ last Sunday at 8:30 a. m. Doyle Kelsey, local minister, read the double ring ceremony before an arch decorated with picardy gladioli, and palms completed the setting.

Miss Charlene Riddle sang "Because" and "Always," and Misses Mariana McGinty and Bobbye Draper sang "Be With Me, Lord."

Given in marriage by her father, the bride wore a gown of white imported Chantilly lace and crystallette over taffeta designed with a portrait neckline framed with yoke of lace ending with high princess waistline. The waltz-length dress was topped by a button-up-the-front lace packet with three-quarter length sleeves.

Her shoulder length veil hung from a tiara of lace and seed pearls. She carried an orchid atop a white Bible.

Mrs. Lewis (Geneva) Botkin of Olton attended her sister as matron of honor, and Jack Houk of Lubbock served his brother as best man.

Following the ceremony, a reception was held in the home of the bride's parents at 1212 South First. Assisting with hospitalities

were Miss Jane Adair and Mrs. R. F. DeShazo of Lubbock and Mrs. Willis McNeil.

After a wedding trip to New Mexico, the couple will make their home in Lubbock.

The bride is a graduate of Tahoka High School, and has been associated with her parents in operation of the Club Cafe. Mr. Houk is a graduate of Lubbock High School, and is now employed by Piggly Wiggly stores in Lubbock. He formerly was with D. & H Super Market in Tahoka.

Mrs. Patterson Plans Recitals

Mrs. E. W. Patterson will present her elementary, intermediate and junior music students in four recitals in May.

On Friday, May 13, her Wilson pupils will be presented in a public recital at the Wilson High School auditorium at 7:30 p. m. On Monday, May 16, students in the First through Sixth grades in school will be presented at Tahoka School auditorium at 7:30

On Tuesday, May 17, in Tahoka School auditorium the students in Seventh through Twelfth Grades will be presented in two recitals. Girls that entered Inter-scholastic League Piano Solo contests at Canyon on March 26, will be presented at 7:00, and the other students will begin their program at 8:15 p. m. There will be intermission between the two recitals on Tuesday night.

IT'S ALL BUICK

-AND ALL YOURS

for the price of a smaller car!

(Come in and check it!)

YOU certainly can throw out your chest and call this strapping big Buick yours.

Because—as any comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased.

So if you've been holding back, thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price tag we'll show you proves it.

Buick Sales Are Soaring To New Best-Seller Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety

you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflow† at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

†Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series

DID YOU KNOW—

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS—WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM—

Enjoy cooled, filtered air for less than you think with Buick's **AIRCONDITIONER** It's a genuine Frigidaire

HOME FOR MOTHER'S DAY—Pictured above are Mrs. B. E. White, 86, of Petty, a resident of Lynn county since 1903, who on Sunday celebrated Mother's Day, her 63rd wedding anniversary, and her forth-coming 87th birthday by having all her ten children at home for the first time in 16 years. Mrs. White is seated. The children are, left to right, E. O. White, Mrs. Louise Bledsoe, Bill White, Mrs. N. G. Thomas, Delbert White, Mrs. Grace Estes, Wallace White, Mrs. Bert Marcy, Fred White, and Mrs. Mittie Ater.

Mrs. B. E. White, Pioneer of County, Has All Children Home For Reunion

One of the nicest Mother's Day celebrations was that enjoyed by Mrs. B. E. White, 86, a real pioneer of Lynn county who lives a mile and a half north of Petty. All of her ten children and most of her 33 grandchildren, 34 great grandchildren, and her four great great grandchildren were present to help her celebrate Mother's Day, her 63rd wedding anniversary, and her forth-coming 87th birthday, which will be the latter part of July. This was the first time all the children had been at home at the same time since 1939. The great concourse of her descendants gathered at the Ropesville Project clubhouse, west of Ropes, and visited all day Sunday. A big dinner was served at noon, with 65 present. In the morning, Mrs. White and nine of her ten children attended the services of Ropes Methodist Church. Mrs. White and her late husband were married in Montague county May 8, 1892. They came west to Scurry county in 1897, and moved from there to Lubbock Oct. 17, 1899, and Mr. White freighted by wagon and team between that new town and Big Spring, Colorado City, Canyon City, and Amarillo, then the nearest railroad points. In 1903, the Whites came to Lynn county and filed on two sections of land in the Deuce of Hearts Ranch northwest of New Home. A few years later, 1908, they sold out to the late J. K. Millwee, and moved down to the Eight Section country near Presidio. Two years later, they returned to Lynn county to reside permanently, buying the George Shumak place north of Petty. Mr. White died on February 22, 1939, from injuries received in a tractor accident. Mrs. White and the family expressed especial appreciation of

a gift from a friend, Joe D. Unfred, who sent her a Mother's Day gift of 10 red roses to represent the 10 children, centered with one white rose in honor of Mrs. White. Present for the reunion were the following children and their families: Mrs. B. B. Ater of Meadow, route 1. Mrs. Bert Marcy of Lubbock and children: Mrs. Geneva Keelin and son, Olin; J. W. Marcy and wife and son, Dean; Mrs. Freddie Fenton and husband and daughter, Jackie; Mrs. Marlene Clark and sons Eugene Jr. and Tommy, and daughter, Susan; Bill Marcy and wife and son, Randy, and daughters, Fredda and Barbara. Mrs. Grace Estes, Gilman, Colorado. Fred White and wife and son, Bob, of Fort Norgan, Colo. Wallace White and wife and son, Glenn, of Ropes, son Travis and family of Carlsbad, N. M., and daughter, Mrs. Syble Voigt of Lubbock. Delbert White and wife and son, Leland, wife and baby, all of New Home, and daughter, Mrs.

The natural resources of America are the heritage of the whole nation and should be conserved and utilized for the benefit of all of our people.

The Mississippi River annually dumps into the Gulf of Mexico almost a billion tons of topsoil. If put in a line of 10-ton trucks placed end to end, they would stretch from Alaska to the southern tip of South America, a distance of more than 9,000 miles.—Cheyney and Schantz-Hansen, in "THIS IS OUR LAND"

Calvin Tucker, husband and baby of Lubbock.

Mrs. N. G. Thomas and husband of Lubbock.

Mrs. Louise Bledsoe and son, Clarence Crouch Jr., wife and children, all of Abilene; J. Alva (Bill) White of New Home.

E. O. White and wife of Bellflower, Calif.

A number of friends also called, including Mr. and Mrs. Chester Hubbard and Mr. and Mrs. Garland McWhirter, all of Lubbock; Tiny Leavitt of Causey, N. M.; and Rev. R. O. Browder, Methodist pastor at Ropes, wife and son.

Feature Story On W. H. Fulkerson Jr.

Mrs. W. H. Fulkerson of Irving, route 2, writes: "I think I have stopped long enough to have The News sent to me. I sure miss it. I really like to hear how good old Lynn County is doing. . . I just got out of the hospital and am doing fine. Give everybody my best regards."

Mrs. Fulkerson also sent along a clipping of a news story and pictures from the Dallas Times-Herald concerning an interior decoration job done by W. H. Fulkerson, Jr., 4726 Homer, in Dallas.

W. H. Jr., or "Dub", is a graduate of Tahoka High School and of Texas Tech, and now is a Dallas interior decorator. He was recently elected chairman of the Dallas chapter of the American Institute of Decorators. He and his wife have a six-month-old son, Terry.

The Times-Herald news feature told of his ingenuity in decorating their two-bedroom apartment.

Copra is the dried meat of coconuts from which oil has been extracted.

MRS DONA MOORE HAS CHILDREN AT HOME

Mrs. Dona Moore had seven of her nine children and their families at home for Mother's Day Sunday, and 28 people partook of the buffet style luncheon served at noon.

Two children, Allen Moore of Las Vegas, N. M., and Mrs.

Leona Elton of Lubbock, could not be present.

Those present with their families were: Mr. and Mrs. J. O. Freeman and Mr. and Mrs. Chas. Terry, Tahoka; Mr. and Mrs. O. F. Aycock, Lubbock; Mr. and Mrs. Wayne Calloway, Tokio; Mr. and Mrs. Vernon Paschal and Mr. and Mrs. J. C. Moore, Brownfield;

Business Census Reports Delayed

Collection of reports in the 1954 Censuses of Business, Manufactures and Mineral Industries, which are being conducted nationwide by the Bureau of the Census, Department of Commerce, now is moving into the home stretch.

Thirty-eight temporary field offices, established early this year to conduct these Censuses, are concentrating on the task of working themselves out of a job. These offices will be closed as soon as all business men have filed their reports and these reports have been checked and relayed to Washington. Among these field offices the one covering this area is that of Census Supervisor Joe Henry, located at Dallas, Texas. Here 16 employees are at work processing reports received to date from 41,000 establishments. They are aiming for completion of the job in the next few weeks when reports from a remaining 8,500 establishments have been received.

Registered letters are being sent to establishments which have not filed their reports in compliance with Census law, formally notifying them that their reports have not been received despite several previous reminders and that these reports must be returned promptly in accordance with the law.

Non-Layers Are Expensive Item

College Station, May 12.—A hen that lays 250 eggs a year east only 25 to 26 pounds of feed more than one that doesn't lay an egg.

That's evidence enough why producers can't afford to feed a non-producer, says E. D. Parnell, professor of poultry husbandry at Texas A. and M. College. A four pound non-laying hen will eat about 56 pounds of feed a year, while the same bird that lays 250 eggs yearly will consume about 81 pounds.

Feed costs make up 60 percent or more of the total cost of producing eggs, says Parnell. By culling closely, producers can cut feed costs per dozen eggs and help maintain their profits, he adds.

Go along the roost at night with a flashlight and check the health signs of hens in production. Look for enlarged combs and wattles with a bright red color. They feel soft and waxy.

The hen's abdomen should be enlarged, but still soft and pliable. And, her pubic bones should be wide apart, with the vent, loose, moist and dilated. A good layer has loose, soft and pliable skin.

If a bird fails to meet the standards, put her in a crate and examine her again in the daylight. If she doesn't pass the test, cull her.

and Mr. and Mrs. Don Swafford, Ropesville.

Compress Manager, Wife Home From Trip To Florida

Mr. and Mrs. E. R. Edwards returned home Tuesday from a trip to Florida with a party of compress managers and their wives from this area.

The 34 members of the party were guests of Mr. and Mrs. Arch S. Underwood of Lubbock, owners of Union Compress here and other cotton compresses over the Plains. They traveled in two chartered pullman coaches to and from Florida.

Leaving April 28, the party was gone 12 days.

Most of the time was spent at the great Boca Raton Hotel, halfway between Miami and Palm Beach, where the annual convention of the National Compress and Warehousemen's convention was in progress.

Roy admits they did not spend too much time at the convention however, but spent a lot of time bathing in the ocean and swimming pools, fishing, and sight seeing.

One day they went to Miami, and another they flew over to Havana, Cuba, to see the sights.

Although Roy did not do any fishing himself, he says one of their party, F. T. Biggs of Memphis, Tenn., head of the Commodity Credit Corporation, caught the biggest sailfish of the season off the Florida coast, for which he received some prizes.

The trip was a great experience which the Edwards will long remember.

"Conservation is the preservation of our natural resources for economical use, so as to secure the greatest good to the largest number for the longest time."—President William Howard Taft

"Every American who loves his country should support a vigorous, continuing policy of conservation." — Franklin Delano Roosevelt

Cottonseed Products Discolor Egg Yolks

College Station, May 12.—Eggs having off-colored yolks usually can be traced to hens fed cottonseed products. Such eggs appearing in Texas retail markets in recent weeks are objectionable to consumers.

No more than five percent cottonseed meal in a hen's ration may cause yolk discoloration, particularly if the eggs are stored, Kermit F. Schlam, extension poultry marketing specialist, says. Discolored yolks appear motley olive to greenish-brown or even black in color.

Most cases of such yolks are traced to hens having access to cattle or hog feeding operations where a cottonseed product is being fed. In other instances, the hens are eating cottonseed or cottonseed hulls used as nesting litter.

"Some farmers mix their own poultry rations and use cottonseed meal unaware of its influence on yolk color," Schlam says.

Poultry scientists at Texas A. and M. College do not recommend its use in laying rations and advise shell egg producers to check any supply of cottonseed products that may lower egg quality by affecting yolk color.

To detect this condition, break one or two of the suspected eggs and expose them to ammonia.

Boston is the largest state capital city in the United States.

Miss Margaret Sue Roberts Will Marry Rev. Robert Tucker of Athens June 24

Mr. and Mrs. John A. Roberts announce the engagement and approaching marriage of their daughter Margaret Sue to Rev. H. Robert Tucker of Athens, at a tea given in their home Friday, May 6. The marriage will be solemnized in the First Baptist Church, of Tahoka on June 24. Rev. Lee Ramsour of Athens will officiate.

Both Miss Roberts and Rev. Tucker are seniors at Baylor University and will take their degrees on May 27. Rev. Tucker is the son of Mr. and Mrs. H. R. Tucker of Athens.

In the receiving line with the honoree and the hostess were Mrs. H. R. Tucker of Athens, mother of the future bridegroom, and Mrs. J. Salph Grant of Lubbock.

Mrs. Clyde Allen greeted the guests, Mrs. Ralph W. Laswell of Snyder, sister of the bride-elect, presided at the bride's book, and

Mmes. Clay Bennett and W. P. Hutchison played piano selections through-out the evening.

The house was decorated with pink daisies, carrying out the bride's chosen color of pink and fern. The refreshment table was laid with an imported work cloth and centered with a rainbow made of net illusion beneath which a miniature bridal couple was placed. The bridal couple were approaching the "pot of gold" at the end of the rainbow. Extending from the pot of gold nuggets were ribbon streamers on which the names of the newly found treasures of "love," "companionship," "joy," "happiness" and "service" were printed in gold. The rainbow was placed on a large reflector. A border of pink blossoms and fern completed the decor.

Plate favors were miniature rainbows of net illusion on the bases of which were printed in gold, "Margaret and Robert, June 24."

Dainty cookies were served with rainbow colored mints, cashew nuts, and pink fruit punch.

Assisting at the refreshment table were Mmes. Joe Graham of Snyder, Dell Barron of Lamesa, aunts of the bride-elect, and Mrs. J. Floyd Jordan of Slaton.

Out of town guests were from Athens, Snyder, Slaton, Lamesa, Post, Ralls and Lubbock.

Mrs. D. B. English, who has been at Seguin for about five months with her son-in-law and daughter, Mr. and Mrs. E. A. Bergfeld, came home Monday. She says she was ill about two months during her visit but is much better now. Mr. and Mrs. Maurice Small went down last week end to accompany her home.

Methodists Plan Summer School

Plans are being made for the annual Vacation Church School of the First Methodist Church to begin May 30 and continue five days.

Mrs. Perry Walker, director of the school, said that classes will begin at 8:30 a. m. and end at 11:00 o'clock, with a recess period being provided for refreshments.

The school is open to children from four years through intermediate age. A nursery department will be open to the children whose mothers teach in the school. Superintendent of the intermediate department will be Mrs. G. M. Stewart; junior department, Mrs. W. C. Thomas; primary department, Mmes. R. M. Stewart and Avis Buchanan; Kindergarten department, Mmes. Elmer Owens and J. B. Stewart. Mrs. O. C. Elliott will be in charge of the nursery department.

Those supervising handwork include Mrs. Calloway Huffaker, intermediate; Mrs. Geno Jones, junior; and Mrs. Ivan Cathcart, primary. Several high school girls will aid in the school, plus many other ladies who will teach the classes.

Anyone interested in helping with the school is asked to contact Mrs. Walker.

Former Citizen Is Wed In Maryland

Odenton, Md., May 7—Miss Juanell Mayberry, daughter of Mr. and Mrs. Jim Mayberry of Odenton, Md., formerly of Lynn county, and Sgt. Elwyn C. Mills of Boston, stationed at Fort George Meade, Md. were married at the Methodist Church here at 7 p. m. on May 5.

The bride wore a beige suit with powder blue accessories and a corsage of white carnations. The bride, served as bridesmaid. She wore a blue dress with white accessories and a pink carnation.

Following a wedding trip to Canada, the couple will make their home temporarily in Odenton.

WILSON CHURCH WILL OBSERVE SOIL SUNDAY

Soil Sunday Observance, at St. Paul Lutheran Church, Wilson, May 15th, 10:15 a. m.

Two F. F. A. boys, Ronnie Moerbe and Delvin Behrend, will bring in a container of soil and a container of seed while the Church prays for the blessings of the Lord on the crops of the community and country.

The pastor, Rev. G. W. Heinemeier, will preach on "Give Us This Day Our Daily Bread." The public is cordially invited to come.

Miss Elna Dunagan Will Marry Soon

Mr. and Mrs. Irvin Dunagan, 1416 North Second, announce the engagement and approaching marriage of their daughter, Elna, to Eugene Mays, son of Mrs. Elizabeth Mays, 3553 Hamilton, Fort Worth.

The wedding will take place July 31 in the First Baptist Church of Tahoka.

Miss Dunagan will receive her degree in arts and sciences at Texas Tech on May 30. She is a member of Kappa Alpha Theta.

Mr. Mays will graduate from Tech the same day with a major in animal husbandry. He is a member of Sigma Alpha Epsilon.

WILSON PASTOR TO ATTEND AUSTIN MEETING

Rev. G. W. Heinemeier, pastor of St. Paul Lutheran Church, Wilson, will attend the Board of Directors meeting of the Church body in Austin on the 17th of May. As one of the vice-presidents of the body he is also to attend the meeting of the president's office on May 26.

Mr. L. G. Petering of Midland is the layman for the Western area who will also attend the Board of Directors meeting.

The League of Nations was established on June 28, 1919, and dissolved April, 1946.

MRS. GLADYS STOKES AT COMPANY MEETING

Mrs. Gladys M. Stokes, representative of Southwestern Life Insurance Company here, plans to go to San Antonio the latter part of this week to attend the 1955 agency convention of this company, to be held May 16-18.

Mrs. Stokes qualified to attend

the convention by meeting production requirements in 1954.

Mrs. Stokes expects to return to Tahoka by the end of next week.

Winifred Walker, music and educational director of Temple Baptist Church in Amarillo, was here Tuesday visiting old friends.

ONE LOOK and you know it's a Mercury. Exclusive Mercury styling is shared by no other car. The smart Monterey Coupe shown above is one of 11 Mercury models in 3 series.

Let us show you 5 ways you'll save with Mercury's Easy-Ownership plan

Come in today. Let us show you how we—and Mercury—can cut your costs at every stage of car ownership

- 1. You can get more for your present car.** Mercury's record-breaking sales put money in your pocket. Our high volume lets us give a really generous offer.
- 2. You save on first cost.** Mercury prices start below 13 models in the low-price field.*
- 3. We arrange the easiest of terms.** They are tailored to fit you personally.
- 4. You save on operating costs.** Mercury's traditionally famous economy and low upkeep will save you money every mile you drive.
- 5. You save on future trade-in.** Mercury consistently leads its class for resale value. You can get a higher allowance at trade-in time.

*Based on comparison of manufacturers' suggested list or factory retail prices

NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model (188 and 198 horsepower)—backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montereys
- Ball-joint front-wheel suspension
- Anti-fouling high-compression spark plugs
- Consistently highest resale value in its field, according to authoritative reports

IT PAYS TO OWN A **MERCURY** FOR FUTURE STYLING, SUPER POWER

HOUSE OF FLOWERS

Rev. Ira Hart Is Buried Monday

Rev. Ira Hart, 62, long-time South Plains Methodist pastor and son-in-law of Mr. and Mrs. Joe A. Sanders of Tahoka, died Friday at 10:30 p. m. in an Abilene hospital a few hours after undergoing an operation. He had been in poor health for some time, but his death was unexpected.

Brother Hart was pastor of the Wylie Methodist Church, six miles south of Abilene, to which charge he had gone a few months ago from Sunray. He had also served as pastor at Ropesville and Shallowater.

Funeral services were held Monday at 2 p. m. in St. Paul Methodist Church, Abilene, and burial was in a cemetery in that city.

He is survived by his wife, Mrs. Elaine Hart, who was reared at Tahoka; and two sons, Ira Joe Hart of Fort Worth and formerly of Tahoka, and Glendale Hart of the family home, who worked at Abilene Airforce Base.

Among those relatives known in Tahoka who attended the funeral were Mr. and Mrs. Oscar Sanders of Littlefield, Doyle and Elizabeth Sanders of Anton, Charles Sanders of Halfway, and the latter's daughter, Mary Beth, and husband of Earth.

Fireman School Closes Thursday

The school of instruction for Tahoka Volunteer Firemen which has been in progress for five weeks will end next Thursday night, according to Fire Chief Jim Clinton.

Twenty local firemen have taken the course, which deals with some of the most modern ideas in fire-fighting techniques.

Teacher of the course is L. O. Eynum, field instructor in Fireman training from the Engineer Extension Service of Texas A. and M. College.

Baptists Plan Bible School

The Bible School of First Baptist Church will start with the parade and enrollment on May 20, immediately following the receiving of the report cards from the schools. The time will probably be around 10:00 A. M.

We are looking forward to having a good time together again this year as in other years.

Beginning on Monday the 23rd through June 1, the school will assemble at 8:30 and dismiss at 11:00 a. m.

We are having six departments again this year, and a nursery will be kept for the workers who have babies.

Our departments and Superintendents are as follows: Intermediate, Mrs. Bill Haralson; Junior I, 9 and 10, Mrs. Ivan McWhirter; Junior II, 11 and 12, Mrs. O. E. Eubank; Primary, Mrs. Linnie Cox; Beginner, Mrs. Otis Curry; Nursery III, Mrs. T. R. Riddle.

A total of about forty faculty members are taking part in the School this year. Commencement will be held on Wednesday night June 1. Parents will be invited to come and enjoy the program and view the displays.

Plan Observance Of Memorial Day

N. T. Conner of the Tahoka VFW Post states that 100 Tahoka business firms have signed pledges to fly the United States Flag in front of their institutions on May 30, Memorial Day.

The VFW has sponsored the sale, at actual cost of about 25 new flags to local businesses.

On Memorial Day, the VFW will sponsor a flag raising ceremony at 8 a. m. at the War Memorial on the court house square, following which there will be brief graveside memorial services at Tahoka Cemetery.

Mrs. "Shorty" McNeely and son, Tom, of Seagraves were here Thursday visiting Mr. and Mrs. Harley Henderson.

Wreck Disrupts Power Service

Tahoka was without electric lights and power, with telephone service limited to emergency calls, for two hours and 45 minutes last Thursday night.

An automobile had swerved off the Wilson highway at the intersection with U. S. 87 two miles north of Tahoka and cut off a power-line pole of the Southwestern Public Service Co. to disrupt the service.

Extracting the wreckage of the car, putting up a new pole and repairing the line was necessary before Tahoka citizens could again have lights.

The car involved in the wreck was a Chevrolet driven by Hershel A. Nichols, about 30, of Austin, who had been visiting at Wilson. Nichols was believed to have been traveling southwest at a high rate of speed, failed to make the curve. Right side of the car hit the power pole, slicing the pole off at the ground. The totally wrecked car came to a stop on the east edge of the Lubbock paving.

Nichols was projected from the car and across the paving. A Stanley ambulance took him to Tahoka Hospital, from which place Sheriff Norvell Redwine took him to jail.

Friday, he was fined \$5.00 and costs in Justice of the Peace C. A. Clem's court for drunkenness. Nichols is a Korean War Veteran with an artificial left leg, having lost the member in the war. He promised the Judge to lay off the liquor and fast driving in the future.

RULES FOR FLAG ETIQUETTE

(Adapted from Public Law 829, 77th Congress, amending Public Law 623, approved June 22, 1942, as pertaining to use of the Flag on Loyalty Day and other patriotic occasions.)

Hours: Ordinarily, the Flag is displayed only from sunrise to sunset.

Weather: The Flag should not be displayed unprotected during rain.

Places: The Flag should be displayed during the day, weather permitting, at every public institution and governmental office; also during school days at every school; also at other places where appropriate.

Manner: The Flag should never be draped over a vehicle; on a car, the staff should be fixed firmly to the car. When displayed with another flag on a wall with crossed staffs, the U. S. Flag should be on the right. When displayed on the staff, pole or rope extending from a building, the union should be at the peak, staff's end, or outer point. If on a wall or a speaker's platform, it should be above and behind the speaker. If on a staff on a church or auditorium platform, it should be at the speaker's right as he faces the audience. However, if displayed from a staff in a building but not on the platform or in a church chancel, it should be to the right of the audience as they face the platform. The Flag should never be used as the actual covering of a statue or monument being unveiled. The Flag should never be carried flat or horizontally, but always aloft and free. The Flag should never be printed or embroidered on cushions, napkins, boxes, etc., or used for any advertising purposes.

KRAFT MAILING ENVELOPES all sizes, at The News.

Rules For Farm Bureau Contest

Rules and awards for the Texas Farm Bureau Queen Contest are:

1. The purpose of this contest is to give recognition to the farm and ranch girls of Texas. The basic principles of the contest are as follows:

1. This is an honest-to-goodness Queen contest. The girls are to be judged on grace, poise, charm, vivaciousness, and all other qualities that go to make up winsome Texas future homemakers. There are three main points on which they will be judged, namely, appearances, poise, and personality.

2. This contest is to give our beautiful farm and ranch girls recognition.

3. There is nothing personal in the project. It is anticipated that through the institution of this contest that more farm and ranch girls and other young people may become better acquainted with the principles of the Farm Bureau organization.

4. Contestants should make a brief statement on "Why I am glad my family is in Farm Bureau." The statement should be 1 to 1 and one-half minutes in length. This project offers a contest that is glamorous, attractive, gains attention, and is worthy of sponsorship by county Farm Bureaus.

II. Eligibility.

1. Daughter or sister of Farm Bureau member. Membership should be in county of participation.

2. Single.

3. Age 16-22 (16 by Sept. 1, and not over 22 Sept. 1, 1955).

4. Exceptions. Daughters of State Directors, employees, county officers, county directors, and previous state winners are not eligible to enter this contest.

III. Awards. Appropriate awards will be made in the Queen contest.

1. All district winners and an attendant for each will receive an expense-paid trip to the State Convention.

2. State Farm Bureau Queen and matron escort allowed \$500.00 expenses to American Farm Bureau Federation Convention, Chicago, December, 1955.

3. The remaining 12 district queens will receive a beautiful watch.

IV. Procedure of contest: 1. Communities elect community queen.

2. County contest to determine county queen.

3. District contest for selection of district queen.

4. State contest.

Election Called By Polio Chapter

The annual meeting of the Lynn county Chapter of the National Foundation For Infantile Paralysis will be held Tuesday afternoon, May 17, at 3:30 o'clock in the County Courtroom. This announcement was made by Clint Walker, County Chairman.

The purpose of this meeting will be to elect chapter officers and discuss plans of the Chapter for the coming year. All interested persons are urged to attend this meeting. Mr. Mike Hyre, Field Representative of the National Foundation will meet with the group.

TOMATO ROSE SALAD
 Firm Tomatoes Hard-cooked egg yolk
 Philadelphia Brand Cream Watercress
 Cheese Miracle French Dressing
 Milk

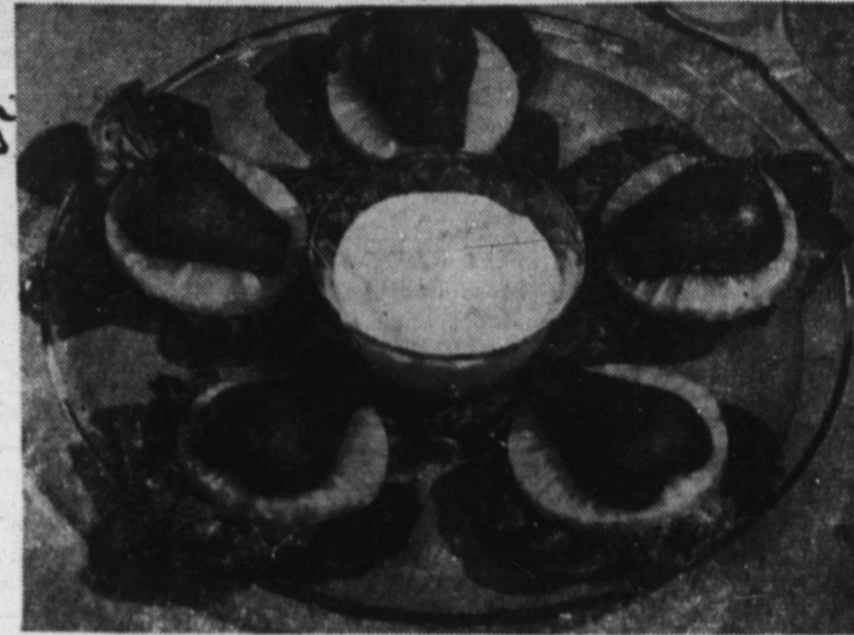

Peel tomatoes and chill them. Slightly soften cream cheese with milk. Form two rows of petals on each tomato by pressing level teaspoons of the softened cheese against the side of the tomato, then drawing the teaspoon down with a curving motion. Sprinkle the center of each tomato with hard-cooked egg yolk pressed through a strainer. Serve on water cress with French dressing.

BLUSHING PEAR AND PINEAPPLE SALAD
 5 pineapple slices
 Lettuce
 5 cinnamon pear halves, drained
 Kraft Mayonnaise

Place a slice of pineapple in each of five nests of lettuce arranged around the edge of a chop plate. Place a cinnamon pear half, flat side down, on each pineapple slice, radiating the pears from the center of the plate. Serve with mayonnaise in a small bowl placed in the center of the chop plate.

Cinnamon pear halves are made by letting them stand for an hour in a syrup made by heating the juice from a can of pears and dissolving one-fourth pound of cinnamon candies in it.

Meet the successor to the C.O.E.

New L.C.F.E.
(Low Cab Forward)
Chevrolet Task-Force Trucks

Powered by the most modern V8 in any truck...
Chevrolet's new Taskmaster V8 engine!

Chevrolet's great new L.C.F. models bring you all the advantages of a C.O.E.—plus a long list of important new advances you won't find anywhere else.

For example, the cab is a full seven inches lower than former C.O.E. models. And it has only two steps instead of the usual three for C.O.E.'s. Just think of the time and effort this will save the driver! Also, the low L.C.F. is handsomer by far than any C.O.E. ever built!

Inside, the L.C.F.'s new Flight-Ride cab has a level floor with plenty of "stretch-out" leg room and offers new driver comfort. The driver has a commanding view of the road—both far ahead and close up front—through the big, broad panoramic windshield.

Quicker, simpler maintenance is another big advantage offered by the new L.C.F. Everything's easier to reach in the roomy engine compartment.

In an L.C.F. you still get the easy maneuverability of a C.O.E. plus—new frames, new suspension, a whole truck-load of modern features!

Shortest Stroke V8 of All! The new Taskmaster V8—the most modern V8 your money can buy—powers the new L.C.F.! With a 12-volt electrical system for faster starting!

Year after year, America's best selling truck! **CHEVROLET**

Chamber of Commerce Will Step-Up Drive On Fly-By-Night Salesmen

Renewed efforts will be made by Tahoka Chamber of Commerce and its members to keep out of the town questionable promotions, advertising "deals", solicitations and collections of donations.

Every businessman, when presented with such money-getting propositions, is requested to ask the solicitor for an "approval"

card or letter. If he has no such approval, the solicitor should be referred to C. of C. Secretary Geno Jones, who will, in turn, present the proposition to a secret solicitation committee for approval or rejection.

The plan has been in effect here for 15 or 20 years, but recently has not been stressed to its fullest. As a result some lo-

cal business men have been "taken for a ride" on several propositions.

No worthy project, especially for local charity, is ever turned down unless some promoter is getting too big a slice of the funds raised.

The set-up is for the protection of merchants and others, principally from the fly-by-night promoter, advertising salesman, photo salesman, song book and school curtain promoters, and those sponsoring collections in the name of charity where it is questionable whether or not the money raised reaches the project for which it is intended.

Merchants are hit almost weekly for some project, some of them worth-while and some not so worth-while. The plan helps protect the merchant who does not have time to investigate every proposition presented him.

Behind each of the 8.5 million farm operators, hired hands and family workers on U. S. farms there lies an average investment of about \$14,000. This amount is four times the 1940 average. It does not include approximately \$5.00 per worker invested in houses, automobiles, household goods and savings. The report comes from agricultural economist of the USDA.

Natural grassland will hold almost as much water as forest land, but closely cropped pasture sheds water like a duck's back. Cheney and Schantz-Hansen, in "THIS IS OUR LAND"

TEXAS' Marlene Comer of Moody is shown in front of historic Bruton's Parish Church in Williamsburg, Va. She is the Texas representative in the Betty Crocker Search for the American Home-maker of Tomorrow. The 48 state winners toured Washington, D. C., Williamsburg and Philadelphia as guests of General Mills and each received a \$1,500 educational scholarship.

Edwards Named Canadian Director

E. R. Edwards, former mayor, has been named the new director from Tahoka in the Canadian River Municipal Authority. He will succeed Clint Walker, whose resignation became necessary when he became mayor of Tahoka.

Currently negotiations are under way by the Authority on new cost estimates on building the dam, aqueducts, etc. Some member cities of the Authority think the cost of water delivered to each city limits must be cut to 18 cents or less per 1,000 gallons

in order for the project to be feasible.

Lubbock and most of the other towns wish to go ahead with the project on a private financing basis, while Amarillo wishes to explore the advisability of Federal financing on the assumption that the Government might be able to build the project cheaper.

"Agricultural production is the first in order, the strongest in necessity, and the highest in usefulness, in this whole system of acquisition. The other branches stand upon it, are sustained by it, and without it could not exist."—Silas Wright

Law Amendment Will Affect Many

Austin—Amendments to the Texas Unemployment Compensation Act passed by the 55th Legislature can save Texas small business men as much as eight and a half million dollars. Governor Allan Shivers, when signing the legislation, estimated this sum as the probable difference between taxes which would have been paid under a Federal statute effective January 1, 1956, and those which will be collected under state control.

The bill was authored by Representative George Berry of Lubbock, sponsored in the Senate by Senators Wardlaw Lane of Center and Otis Lock of Lufkin and favored by both business and labor organizations.

Need for the legislation came with amendment of the federal unemployment compensation tax act to include employers of four or more persons (instead of the present eight or more) effective in 1956. This act, however, provided that states could amend their unemployment tax laws to include these four-to-seven employers and make these new tax

payers eligible for "experience rates"—lower taxes based on each employer's record.

Thus the state will collect all except three-tenths of one percent of the new tax (that amount is turned over to the federal government for administrative expenses). Under state jurisdiction a newly covered employer may become eligible for an experience rate and a low tax potential of four-tenths of one percent, including the federal administrative portion.

Some 48 per cent of Texas employers now have this rating. The state-wide average is .75 of one percent, one of the lowest tax rates in the nation.

The Berry-authored legislation also cut the "experience period" from three and a half years to one and a half, making Texas employers eligible for lower tax rates two years earlier than under the old law.

At this season of the year, weather conditions generally are favorable for getting the most from the paint job on farm buildings. Make the paint job a part of the general cleanup effort on your farm.

ROBINSON READY - TO - WEAR

Congratulations, Class of '55

Looking ahead we see a bright future for our country, years of enterprise and achievement.

And to perform the miracles of advancement, we depend on our youth. To graduates, our Salute.

Random Shots By Ben Moore

What Does Your Town Signify?
A whole week could well be spent in writing of the probable origin of names of a hundred towns and cities of our state, all of which might be interesting. Striking the subject lightly my two towns nearest, Lamesa and Tahoka are mentioned. Table, or tableland, might correctly be applied to thousands of square miles up here on the plains. But, appropriately, Lamesa gets the honor, due to the fact that explorers coming to the great northwest country, usually

"Topped out" about Big Spring, or at the comingup place between Gail and the present Lamesa site. Who cannot imagine the awe and wonder of those who had never looked upon boundless plains as they got their first view of the vast tablelands spreading before them!
Tahoka is, straight Indian, but what tribe, we do not know. Plainview received its name not many years after it had been rather dangerous for explorers as they passed in plain view of lurking Indians who may have been

Drawing of the new Peace Officers of America School at America's First Boys' Ranch, Amarillo, Texas. Work has begun this week and the Ranch hopes to have the \$200,000 building, which will include academic and vocational school for the 220 boys, completed sometime next fall. The Colorado red stone school will be the largest permanent building at the Ranch.

Mother Of Local Men Died Recently

Mrs. Sinah Catherine Hinkle, 82, mother of R. B., Jim and Raymond Hinkle, all of Lynn county, died Sunday, May 1, in a Memphis, Texas, hospital. Funeral services were held Tuesday, May 3, in the Clarendon Church of Christ, and burial was in Citizens Cemetery there.
Mrs. Hinkle, a resident of Donley county since 1907, was born at West Plains, Mo., on July 19, 1872. Her husband, D. W. Hinkle, died in 1951.
She is survived by 11 children; six daughters, Mrs. Stella Goade, Mrs. Nova Barker, Mrs. Ethel Reid, all of Clarendon, Mrs. Oma

BROTHERHOOD TO MEET MONDAY NIGHT

The Brotherhood of the First Baptist Church will meet at 7:30 p. m. on Monday night, May 16. Supper will be served first and the program will follow.
The Brotherhood is currently engaged in raising \$800.00, which will be applied toward a boy's dormitory at Wayland College.

Watson of McLean, Ivy Dea Hinkle of Dumas, and Amy Hinkle of Muncie, Ind.; five sons, Marvin of Portland, Ore., Orville of Tucson, Ariz., and R. B., Jim, and Raymond, all of Tahoka; 28 grandchildren, 26 great grand children, one sister, and four brothers.

"When we sign our names on paper, few of us use the 'mark' made with two straight lines. Instead we write our signatures with lots of curves. We need more 'writing' on the land and fewer 'marks!'—George R. Free
Soil conservation includes any and all measures that will in any way increase the productivity of the land and cause the land to keep on producing satisfactorily.
A ghost town is the graveyard that marks the place of dead resources.—Cheyney and Schantz-Hansen, in "THIS IS OUR LAND"

peeping over the nearby caprock. For some years, we had a habit of going into Gaines County, "To see graves" (Injun graves, that is, yet found about the shores of Laguna Sabinas). All this, with apologies to The Santa Fe's man, Seagraves, who came along, years later.
Since we have just returned from south Texas, maybe we better mention the fact that a certain section, below San Antonio, had the reputation for a sudden surge in the birthrate about the time of establishment of a post-office. This name-Wetmore. As just stated, one might go on and on with such a large state from which to draw. We must relate what we recently deduced as we glided over the highway down in the Olney section.
Now, we are prone to feel that Indians were always hostile toward the paleface, throughout state. Not necessarily so. As the white man encroached, there was sometimes a sort of blending of the two contenders for the lands. There was trading between them, in a limited way. Although the Medicine Man was usually able to bewitch members of his tribe into the use of his several foolish remedies, none of which embraced any sort of medicines, sometimes a brave decided to venture into the white man's community, should his ailment be sufficiently painful. In those days, on the frontier, there was always to be found The Doctor.
Sized by the ailment, now commonly termed tonsillitis, a brave appeared at the doctor's home, occasionally raising his hand to throat, apparently in great agony. The doctor did most of the talking. After a speedy examination into the depths of the Indian's throat, he turned and bottled from his store of medicines a concoction most pleasing in appearance to the sick man. (Frontier doctors kept their own medicine stocks—no drug stores)
The medicine was a sort of liquid fire—perhaps was more on the order of liniment. Telling the Indian that he could either swallow, or gargle, the latter stuck his tongue into the stuff. What did he say? You guessed it—ME GARGLE. (Now Megargle).
The individual may use the land as a source of food, and wealth, and well-being. But he may not consume the land if mankind is to continue.—Brinsler and Shepard, "OUR USE OF THE LAND."

Care Needed For Grain In Storage

College Station, May 12.—Once farm-stored grain is dried to safe moisture limits, certain practices should be followed to assure quality during storage. This statement keynotes a new bulletin by the Texas Agricultural Extension Service.
The publication, Maintaining Quality of farm Dried and Stored Grain, makes these recommendations on insuring the quality of stored grain:
1. When drying is completed, reverse the fans to pull air down through the grain.
2. Check the grain temperature at least once each week.
3. Check the moisture content of the grain monthly.
4. Aerate as often as is necessary.
5. Check insect activity at least twice monthly and fumigate when required.
6. And, keep records on grain temperature and moisture content.
Copies of the bulletin, L-233 which goes into each of the points in detail, is available from the local county agent's office.
Any dust in the air is a sign that the wind is stealing the topsoil.

BOBBY CARROLL, Manager

More Fine-Car Features than any other car priced so low!

CAN YOU SEE, STEER, STOP SAFELY! CHECK YOUR CAR—CHECK ACCIDENTS!

POWER—Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records show this power is teamed with the greatest economy in Pontiac history.

STYLE—No car at any price is so beautifully distinctive. Pontiac's future-fashioned Twin-Streak styling and Vogue Two-Tone set it apart from all other cars—point the way to tomorrow.

SIZE—Pontiac is a big car where it counts—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the feeling of genuine fine-car size.

COMFORT—Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-spaced rear springs and Shock-Proof chassis float you along in luxury style.

If you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.
It's a simple matter of fact that you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!
After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a big, powerful Pontiac—and step directly into the fine-car class!

European Youth Will Spend Eight Weeks In Tahoka As Rotary Guest

The Rotary Club, at its Thursday noon meeting last week, voted unanimously to sponsor the bringing of a boy student from one of the European countries, in the shadow of Communist Russia, to Tahoka late this summer for an eight-weeks visit.

The local club will pay all the youth's expenses from New York to Tahoka and his expenses while he is here. Many Rotary Clubs over the nation are planning on similar projects, and the boys will come by boat to New York on their own funds or by means furnished by American Research Fund.

Tahoka has asked for a boy from either Sweden, Denmark, or Austria, in that order of preference. He will spend the eight weeks in the homes of various Tahoka Rotarians, visiting local meetings and becoming acquainted with American life and our brand of Democracy.

A committee in charge of the youth's visit is composed of H. W. Carter, Rev. Clifford Harris, Frank Hill, and Harold Green.

The program at last Thursday's meeting was a talk by Harold Green, president-elect of the club, on the 183rd Rotary District Assembly held in Canyon the previous Tuesday, which was attended by Green, Alton Cain, the secretary-elect, and Geno Jones.

President A. M. Bray stated the Tahoka club now has 44 members, having passed the goal of 10 percent increase in membership for the year, and that the club has 100 percent participation in the Rotary Foundation.

He said this Rotary district is ninth in Rotary districts of the world in attendance, eighth in number of new members, first in the number of gifts subscriptions to the Rotarian Magazine, and ce-

ed with American life and our brand of Democracy.

Work Progresses At Country Club

Work on T-Bar Country Club has been moving rapidly the last few days, Truett Smith and O. C. Elliott state.

Eight fairways were seeded last Friday and Saturday just before the rains, and then on Monday the ninth fairway was seeded. The fine rains are expected to be just right to make the grass come along in fine shape.

Two more small wells have been drilled, one at the northwest corner of the golf course and one at the southeast corner. The club expects to drill one more small well near the southwest corner.

The club has a 2-inch well on the hill near the clubhouse site that is in operation, and aluminum pipe and sprinkler system are being used to water that area. There is another well also on the hill that will likely be put in use.

Last week end, the club bought two used pumps and equipment and will likely buy one or two more.

Pioneer Gas Co. recently donated the club 2,000 feet of inch and a quarter pipe, and sold it 1,000 feet of two inch pipe for \$280.00.

The club has experienced a lot of difficulty in securing sufficient water, trying all along for a good irrigation well. Although such was not found, the club officials believe they now have the water problem whipped.

Greens are roughed-in and ready for building as soon as water pumps can be installed and electric current is available. The club hopes to have electricity to the site at an early date.

Honor Graduates

Miss Betty Carroll, twin sister of Bobbie Carroll, average of 95.02.

Miss Rose Marie Yandell, average grade of 94.94 percent.

Miss Janet Dube, average of 94.83. Wayne Havens was highest ranking boy with 93.45 percent.

Wilson Grads . . .

(Cont'd. from Page 1)

highest ranking members of the class scholastically, and will give their addresses.

Principal W. P. Jones will present the special awards. Supt. J. P. Hewlett will present the class, and Clarence Church, president of the school board, will deliver the programs.

The professional and recession-al will be by the High School band. Charlie Coleman will give the invocation, and Javan Schneider the benediction. Eugene Breudigam will light the candles.

Special numbers will include a piano solo by Verlene Ehlers, a vocal solo by Eileen Maeker, and the class-son by the class.

Friday night of next week, the Grade School will have its annual class exercises.

Following graduation Wednesday, the Seniors will leave for a "dude" ranch near Kerrville to spend about a week.

Members of the class are: Raynette Barger, Lester Brewer, Alfred Clary, Charlie Coleman, Verlene Ehlers, Judson Hewlett, Don Evelyn Joines, Patsy Jones, Myrna Jean Kaatz, Alvin Lambright, Eileen Maeker, Charles Ray Mason, Claudie Meeks, Jr., Roy Neil Nelson, Javan Schneider, Jimmy Schneider, Yvonne Schneider, Lloyd Stone, Marion Steinhauer, Sylvia M. Stoker, Dorra Tilley, Joyce Verkamp, and Glenda Ward.

We will be watching your progress from year to year. Do your best.

McCORD MOTOR CO.

Mrs. A. L. Dunagan Recovering Nicely

Mrs. A. L. Dunagan underwent major surgery at Mayo Clinic and Hospital in Rochester, Minn., Friday of last week.

She is reported to have come through the operation in fine shape, and her doctors say she should recover nicely.

Mr. Dunagan went up last week to be with her and will remain for some time, possibly until she is able to come home. A daughter, Mrs. A. T. Kent of Buffalo, is also with her. Another daughter, Mrs. J. K. Woosley of Lubbock, who has been with her, returned home Sunday.

JAYCEE-ETTES WILL MEET IN SEPTEMBER

Tahoka Jaycee-Ettes met in regular business meeting Wednesday, May 11, in the home of Mrs. Seth Lewis.

The club voted that members cease meeting for the summer and take up the meetings again in September.

The first meeting in September will be held Sept. 13 at 8:00 p. m. in the home of Mrs. Birch Larsen.

A social hour was enjoyed by all present—Reporter.

one in total number of subscriptions.

He also announced that a new Rotary Club had been formed at Andrews.

The club is considering the allotment of an additional \$1.00 per member per year to Rotary Foundation, which organization promotes an exchange student plan among 90 nations of the world. A total of 109 boys and girls hold such scholarships this year.

Bairrington Infant Dies After Birth

The infant son of Mr. and Mrs. James Cleve Bairrington died Friday night at 10:20 o'clock in a Lamesa hospital, about two hours after the child was born. Graveside funeral services were conducted at Tahoka Cemetery by Rev. Clifford Harris, pastor of the First Baptist Church.

Named Jimmy Paul, the infant is survived by the parents, a sister, Benna Vaye, age two and a half; the paternal grandparents, Mr. and Mrs. Cleve Bairrington of Wells; and the maternal grandparents, Mr. and Mrs. M. J. Roberts of Levelland.

James Cleve is a clerk at Tahoka postoffice.

Mrs. Sefarino Lopez, who recently underwent a gallbladder operation at Tahoka Hospital, is reported to be recovering nicely. She is the mother of 14 children.

L.C. HANEY PHONE 99

Pete Hegi Is Owner Of Farm North of Tahoka

Fred B. (Pete) Hegi, cashier of the First National Bank, is the owner of Mystery Farm No. 43.

Correctly identifying the picture were: Junior Fitts, Borden Davis, John Redwine, Mrs. Yandell, Jackie Applewhite, Rush Dudgeon, Fred Hegi, and Dan Brookshire.

The Hegi farm, located a mile north of Tahoka, consists of 25 acres, irrigated with one four-inch well by Ray Adams. This is the old Dave Davis farm. Mr. Davis sold the place a few years ago to Joe Haire, who sold it three years ago to Pete.

Pete also owns a 160-acre irrigated farm east of Petersburg, and just recently bought from

the family estate 107 acres of irrigated land owned by his late parents at Petersburg for many years.

Mr. and Mrs. Hegi bought the Tahoka place because of their love for farm life and to give their sons, John, age 14, and Fred, age 11, a place to raise livestock.

John, a Tahoka High FFA student and an Explorer Scout, has two beef calves. Fred, a 4-H Club boy and Boy Scout, has some registered hogs. They have one milch cow and two nurse cows. The Hegis have one acre of alfalfa for their stock. They also raise chickens, a garden, and have an orchard.

Mrs. Hegi, the former Madeline

Cox, came here from West Texas State College to teach homemaking in Tahoka High, met and married Pete in 1935. Now, she is again teaching homemaking, and was largely instrumental in planning the beautiful homemaking cottage here which has been a model for many similar cottages over the state of Texas.

Pete came to work for the First National Bank in 1929, and has been here ever since. He is a member of the Rotary Club, treasurer of the Boy Scouts, and a member of the Board of Stewards of the First Methodist Church.

Mrs. Hegi's hobby is reviewing books. Pete says his principal hobby is keeping up with the boys.

SECOND SECTION The Lynn County News Tahoka, Texas, Friday May 13, 1955

Co-op At Wilson Pays Dividend

Patrons of the Farmers Co-operative Gin Society of Wilson attended the annual membership meeting Saturday afternoon in the High School auditorium, received cash dividends of \$78,580.00, adopted resolutions changing the name and by-laws, elected three directors, and heard a program on the organization's operation.

C. E. Campbell, chairman of the board, presided at the meeting. C. C. Swope and E. J. Hewlett were re-elected directors, and A. E. Hagens was elected a new director to succeed A. A. Teinert. Holdover directors are Campbell, R. J. Maeker, Yates M. Key and Erwin Sander. M. L. Murray is the gin manager.

Mr. Douglas of the Edwin E. Merriman firm of accountants, presented the audit, and stated that the earnings of the past year on 8,538 bales of cotton processed, including ginning and other services and dividends from the Co-op Oil Mill and Compress, amounted to \$12.10 per bale, of which about \$9.00 was returned to the farmer in cash.

Roy B. Davis of the Oil Mill said this was one of the best reports he knew anything about among the 70 co-op gins of the area.

In speaking on the current criticism being made by competitors Mr. Davis said he didn't believe co-ops have any tax advantage, that profits were returned to the members just as in a partnership, and that individual members are required by law to report and pay income tax on these earnings and stock dividends for the year received.

He said he did not believe the Co-ops are about to take over the ginning business. There are, he said, 264 gins in the Plains territory, of which 70 are Co-ops. They gin about one-fourth of the area's cotton.

Mr. Campbell said he didn't believe the Co-ops want to take over, but he said he wanted the Wilson gin to handle all the cotton it possibly can and hoped the other gins at Wilson get all they

can do. On invitation of the board of directors, Gordon Tredway, an attorney, explained why it was advisable to change the name and the by-laws of the organization. The Society was organized in 1930 under old Federal act, and a change was proposed so as to meet more modern laws, including the Cooperative Marketing Act of Texas.

He read the lengthy new set of by-laws, which were adopted unanimously, and the name of the gin was also changed to Wilson Cooperative Gin.

Others speaking briefly included

ed Tom Brown of the Co-op, Hewlett, secretary, read the minutes of the last meeting. Compress and Joe Cannon of the district cotton office. The invocation was by Rev. Argentina, Brazil, and Chile are known as the ABC states.

Firemen Receive Thanks For Work

Fire Chief James W. Clinton this week received a nice letter of appreciation, addressed to Tahoka Fire Department and its individual members, thanking them for work done at Lake J. B. Thomas last week in rescuing the body of drowning victim, Don Sumruld, 19, of Ira.

A group of Tahoka men found the body at 9:45 Tuesday night in about 55 feet of water. The man lost his life Sunday afternoon, and fire departments and others from many towns had searched for the body for 55 hours.

It's Performance That Counts!

CAPTAIN I. R. OLSON tells why he uses Flite-Fuel

"I'm a Captain for Continental Air Lines. We use Phillips 66 Aviation Gasoline regularly in our airplanes. It contains the super-power component Di-isopropyl, and that makes it a very high performance fuel. In my car, I like to get the best performance possible so I use Phillips 66 FLITE-FUEL. It's the only automobile gasoline that contains

added Di-isopropyl. It gives me what I want... power, smoothness and long mileage."

Garden Club Has Annual Iris Tea

Tahoka Garden Club held its final meeting of the year Tuesday afternoon, May 3, at the Home-Ec. Cottage. The meeting was the annual Iris Tea and show. Hostesses were Mrs. L. C. Haney and the Social Committee, Mmes. J. K. Applewhite, Skiles Thomas, Guy Wheatley, Charles Verner, Turner Rogers. 86 guests registered.

Mrs. John Will, president the past two years, greeted the guests and introduced the new officers; Mmes. Ivan Cathcart, president; Skiles Thomas, 1st vice-president; J. A. Robinson, 2nd vice president; W. A. Fulford, Secretary; Garland Pennington, treasurer. Others in the house party were Mmes. Calloway Huffaker, Emil Prohl, Louis Allsup, Dale Thuren, Luther Thomas, Irving Stewart, C. C. Jones, Mrs. Hegi and six of her girls, Carolyn Duckett, Betsy Rowe, Carolyn Birdwell, Wanda Ables, Betty Lee Howle and Tommielee Phillips.

The Tea table was laid with a white satin damask cloth, centered with an arrangement of Mount Cloud Iris in a crystal swan lighted by tall green candles in three-branched crystal holders.

Eighteen Iris Arrangements, three carriages and close to 100 horticulture specimens of iris were judged by three accredited judges from Lubbock, Mmes. Lillian Slay, Joe Barnhart and Hugh Davis. The entries were graded and given blue, red and white ribbons which were to numerous to list.

Club members are urged to take a long rest through the summer and come back in September to assist the new officers to make the next two years outstanding in garden club study and work.

PVT. JOHN P. LAWSON ARRIVES IN GERMANY

Goppingen, Germany — Army Pvt. John Paul Lawson, son of Mr. and Mrs. Auvay Thomas, Grassland, recently arrived in Germany and is now a member of the 9th Infantry Division.

As part of the U. S. Seventh Army, the 9th Division conducts rigorous training exercises, including realistic maneuvers and field problems, in southern Germany.

Pvt. Lawson, a medical aidman, entered the Army in November 1954 and received basic training at Fort Bliss, Tex., and Fort Sam Houston, Texas.

Gordon News

MRS. EARL MORRIS Correspondent

Everyone in this community is rejoicing over the early morning rain Monday, so much only a few have called to tell the news. We report one and a half inches has fallen at this time.

Mr. and Mrs. R. L. King of Hale Center and their daughter and her husband, Mr. and Mrs. C. Thomas of Kress, another daughter and family, Mr. and Mrs. J. P. McMahan of Lubbock spent Mother's Day with their mother and grandmother, Mrs. L. L. Corbell. Miss Nancy Nixon of Lubbock was also a visitor in the Corbell home.

Mr. and Mrs. Pat Taylor celebrated their son's first birthday with an ice cream supper last Wednesday night. Those present were: Mr. and Mrs. Heywood Basinger, grandparents, other kin, Mr. and Mrs. Dub Pierce and daughter, Mr. and Mrs. Punk Peel, and Mrs. J. Martin Basinger and daughter.

Mrs. Ed Denton reports that flowers were given at her Church, Southland Baptist, to the oldest and youngest mother present. Mrs. Denton was the oldest mother and Mrs. Tuney Basinger the youngest. Mrs. Opal Pennel presented the flowers.

Mrs. Earl Morris had two of her children at home Sunday to celebrate Mother's Day. They were Mr. and Mrs. Arden Macker, Marilyn and Pamela; and Mr. and Mrs. Jimmy Morris all from Lubbock.

Mr. and Mrs. Dub Pierce went to Vernon last week end to visit a brother who was there from Calif., and other relatives.

Mr. and Mrs. Raymond McGeehee from Muleshoe, and Mr. and Mrs. Sherrod of Lubbock attended services at the Gordon Church

of Christ last Sunday.

Mr. and Mrs. Wm Lester and Mr. and Mrs. Winston Lester visited in the Joe Lester home in Slaton last Sunday.

Spending Mother's Day with Mrs. N. E. Jones were four of her children and their families, Mr. and Mrs. Buford Jones, Mr. and Mrs. John Leake of Southland; Mr. and Mrs. Arch Thurman of Amarillo; Mr. and Mrs. Heywood Basinger of Slaton. One son, Robert and wife were unable to be here.

school at Sul Ross, Alpine, was home to spend Mother's Day with his mother, Mrs. T. H. Basinger.

Cattle feeding continuously on a pasture can trample a lot of good grazing into the ground. Grazing efficiency studies show that often only 50 percent of the grazing produced is eaten by livestock. Rotation grazing will help correct this situation.

The River Nile is approximately 4,000 miles long.

LEONA BENDER, popular radio star of KTSA says, "Every woman knows light Karo is best for cooking ... and on the table ..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfying flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

FROM START TO FINISH . . .

You're ahead with GAS

Gas Water Heaters

... cost less to buy

... cost less to install

... cost less to maintain

... cost less to operate

Speed is essential to modern clothes washing! With many automatic washing machines using up to 20 gallons of hot water per washer load, it is important that you have a water heater that will keep up with this demand. Check the sizing chart below and call your plumber or gas appliance dealer and ask him to install an automatic Gas water heater sized to the needs of your family.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS		
Number Bathrooms	Number Bedrooms	Storage Cap'y. Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

NOTE: USE NEXT LARGER SIZE WITH AUTOMATIC CLOTHES WASHER OR AUTOMATIC DISHWASHER.

Illustrated above is a Rheem automatic Gas water heater. The Rheem Coppermatic tank is made of a rustproof, corrosion-resistant copper.

Only GAS heats water 3 times faster

Here is your reputation-on wheels

HE'S a wise man who chooses a Blue Chip GMC to carry his business name around. For the distinct suggestion it makes of a "blue chip" concern will spread among untold potential customers everywhere it goes. But there's even more than an excellent public impression to be made by Blue Chip ownership. Prestige is matched by performance; smartness is backed by unusual stamina.

Notice the quiet, effortless way a Blue Chip GMC whisks off a load. The might of its powerful 6—or its super-powered V8—works at a whisper with its exclusive Silent Power Exhaust System. Try the efficient ease of its Hydra-Matic Drive—and think of the dollar savings it makes by ending engine strain, fuel waste and clutch costs. Relax in the spacious cab, and see the Blue Chip way of building: the acoustic lining bonded to the

roof—the valve under the seat that makes air, as well as springs, cushion your ride—the classic instrument panel—a dozen extra value touches. That's the superior quality you'll find everywhere about a Blue Chip GMC. It is the very obvious distinction that the world sees and respects. Isn't your reputation worth a Blue Chip GMC to represent it? We'd like to show you the real economies of a Blue Chip buy if you'll drop in.

See us, too, for Triple-Checked used trucks

ANOTHER IN A SERIES OF FACTS ABOUT TAXES

Destroy the Farmer's Cooperative? Of, Course? Not!

You may have been told, by someone who is either uninformed or deliberately trying to mislead you, that the Public Information Committee of The Cotton Industries has set out to "fight the cotton farmer's cooperative."

Nothing is further from the truth!

It is unfortunate that confusion on this subject is being spread by a great number of paid professional co-op organizers and managers; they have laid down a smoke screen of half-truths and untruths in an effort to hide the facts being brought out by the Committee. It is high time the records be set straight.

HERE ARE THE FACTS

Q. Who Is The Public Information Committee?

A. We, The Public Information Committee of the Cotton Industries, are cotton ginners, cottonoil mills, compresses, cotton farmers, cotton buyers and merchants. We have members in all cotton-growing states in this country; many of us are your neighbors, here on the Plains.

Q. Why Was The Committee Formed?

A. The Committee was formed because we, its members, know IT IS BAD BUSINESS for the government to sanction tax laws that do not apply to ALL of us alike—laws and discriminatory government regulations that FAVOR cooperatives and certain other business, and discriminate AGAINST their Federal Income Tax-paying competitors.

Q. Does The Committee "fight" Co-ops?

A. Of course not. The Committee believes in the right of cooperatives to organize, the right to engage in business, the right to compete for business in the market place. That's Free Enterprise—that's the American Way. Furthermore, The Committee will always defend the right of any farmer to join or not to join a co-op.

Q. Who is furnishing the money for The Public Information Committee of The Cotton Industries?

A. We have received hundreds of VOLUNTARY contributions from every segment of the cotton industries—cotton ginners, cottonseed oil mills, cotton producers, cotton compresses, and cotton buyers and merchants.

Q. Why are we spending our money to tell you about our tax disadvantages?

A. We make no bones about it—We are being hurt; hurt not by fair competition but by the tax advantages granted our cooperative competitors.

WHAT ABOUT FAIR PLAY?

Present Federal tax laws and treasury rulings set up special privileges for cooperative corporations. While members of ordinary and cooperative corporations receive equal tax treatment on what they receive from the corporation, the cooperative and ordinary corporations receive very different treatment on what they earn. The ordinary corporation must pay from around a third to a half of its earnings in Federal Income Taxes, thus strictly limiting what it has to distribute or grow on. But the cooperative, with the same earnings, can escape all Federal Income Taxes.

This is not fair play? Nor is it sound business, even for patrons of cooperatives.

It is, of course, a well-known fact that co-op corporations pay no Federal Income Tax on their net earnings because they can and usually do rid themselves of the tax obligation on these profits by book entries, cash patronage dividends, or both.

It may not be generally understood that co-op corporations pay no Federal Tax on so-called "allocated dividends"—dividends that are not distributed to their farmer-patrons, but withheld to provide untaxed funds through which co-ops continue to expand against their income tax paying competitors.

The plain fact is, present tax favoritism for cooperatives, at most, benefits some but not all farmers. Any benefits for farmers should be to all farmers; no farmers should be compelled to join any group, or do business with any organization to qualify for such benefits.

WHAT ABOUT TAXES?

Taxes are the fairest way yet devised by democratic people to support the cost of their government. Federal Income Taxes are the backbone of government income, paying for national defense, plus the multitude of services which every American should expect to pay for—and expects to benefit by—equally.

But through the years, Americans have learned that taxes are fair only when equally assessed and equally paid. Thus a tax which does not apply to all of us alike is not a fair tax. The laws affording cooperative corporations tremendous tax advantages are grossly unfair to all competing businesses and to all individual income tax payers.

WHERE DO WE STAND?

To summarize, the Public Information Committee of The Cotton Industries believes:

1. that the fact of tax inequality in present tax laws and regulations has been confused by those who generally profit most by such confusion;
2. that the time has come to state the position of those in the cotton business who see the situation clearly—that inequality in tax laws is not consistent with democratic principles;
3. that, if all businessmen and corporations in the cotton business—or any other business—took advantage of this favoritism under the tax laws (by becoming cooperatives), our government could not pay its bills, or even survive, unless you, the individual taxpayer can shoulder and carry this huge, additional tax burden;
4. that such failure to provide income through equalized taxes from all people and businesses puts everyone of us in jeopardy, because under present world conditions, our nation must be kept strong. At this time, when there is a budget deficit, the only way to balance the budget is by increasing taxes on those already paying heavily, or by taxing profits of those not paying;
5. that the time has come for all of us to stand up and be counted on the issue of equal taxation for all competing businesses;
6. that since cooperatives do make profits (net margins), they should pay Federal Income Taxes on the same basis as their competitors and thus assume their fair share of the cost of maintaining our government and defending our country.

Examine our statements. They deal with specific facts. There is no double talk—no gimmicks—no evasion; nor will there ever be, on our part. We simply believe you have the right to be informed about unfair tax regulations which prevent taxes from applying to all of us alike. That's just fair play.

Next Time Try The Classifieds.

The members of the Wilson F. H. A. Club honored their mothers with a Tea and Style Show Friday in the high school auditorium. The Tea was given in the homemaking department.

The girls modeled dresses they had made during the full year, either in class or as home experience. Miss Eileen Maeker presided over the Style Show.

The installation of new officers took place immediately after the style show.

The officers for 1964-65 school year are as follows: Miss Judy Blankenship, president; Miss Mary Alice Hanes, vice president; Miss Deana Ward, Secretary; Miss Ida Pearl Mason, treasurer; Miss Marcia Standefer, parliamentarian; Miss Juanita Murray, historian; Miss Dixie Hewlett, reporter; Miss Mary Lou Lichey, song leader; and Miss Dolores Rhodes, pianist.

Mr. and Mrs. Spencer Brewer and daughter, Woodena visited in the home of Mr. and Mrs. J. C. Jarrott and sons of Lubbock Sunday.

Mrs. Alma Achee, the Wilson High F. H. A. teacher, attended a F. H. A. teachers meeting at Midland Saturday and she visited in the home of her parents Mr. and Mrs. R. L. Byers of Littlefield Sunday.

Misses Marion Steinhauer, Geraldine Hagens, Eileen Maeker and Eunice Bruedigam and the Rev. and Mrs. Malcolm Hoffman and daughter, Grace of Wilson attended a swimming party given by the Slaton St. John's Lutheran Church, Luther League at Slaton Sunday.

Miss Dorothy Knipling and Miss Ann Davidson visited in the home of Miss Knipling's parents, Mr. and Mrs. Arthur Knipling, over the weekend.

Mr. and Mrs. C. W. Phillips of Slaton visited in the home of their daughter and family, Mr. and Mrs. Ray Noble and son, Sunday.

Methodist Church Plans Meetings

Fourth quarterly conference of the Tahoka First Methodist Church will be held here next Tuesday night, May 17, with Rev. Vernon Henderson, Brownfield district superintendent, in charge, according to Rev. J. B. Stewart,

local pastor.

At this meeting, new officials of the church for the coming conference year, which begins the first Sunday in June, will be elected, and various reports will be made.

Annual Conference for Northwest Texas will be held at Lubbock Wednesday, May 25 through Sunday, May 29.

Next Thursday, May 19, Roy Farrow of Dallas, representative of the Texas Methodist Colleges Association, will meet with the local church to help kick-off the budget campaign for the coming years.

Vacation Bible School of the Church will begin on Monday, May 30, and continue for five days, Tuesday and Wednesday of this week, Rev. and Mrs. Lynward Harrison of Wilson, and Rev. Marvin Menefee of O'Donnell were at the Ceta Canyon Methodist Camp, near Canyon, to plan for the Brownfield District Junion Camp there on June 6 through June 10.

BAPTISTS MEET HERE

Brownfield District Baptists Thursday night were holding their Monthly Workers' Conference at the Sweet Street Baptist Church in Tahoka, of which F. E. Woolery is the pastor. A program followed the board and W. M. U. meetings at 6 and the supper at 7 o'clock.

So head for your Dodge Dealer . . . and take your pick!

The moment the new Dodge hit dealers' showrooms, the "rush" was on. New car buyers had struck gold . . . and they knew it! Actual sales figures throughout the country show that sales have doubled over last year as America goes for "The Big One!" And why not? In the new Dodge you'll find "solid gold" luxury and value—for only a few dollars a month

more than you'd pay for one of the "low price three." In its class, it actually costs less than cars up to 9 inches shorter. And its *flair-fashioned* styling is stealing the "Oh's" from cars costing a thousand dollars more. The rush is on . . . with 17 magnificent new Dodge models to choose from. So head for your Dodge dealer's . . . and take your pick!

Nail Down THE TOP SOIL!

You can do it with the modern soil conservation practices which have been developed to help control the damaging effects of raging waters and destructive winds. Irrigation, too, plays its part in soil conservation. Winter irrigation, for example, lets the ground store up water for summer use without excess loss by evaporation. In addition, more weeds are dormant in winter and so do not have a chance to multiply. Get the facts from your soil conservation office or any Public Service manager. Winter irrigation pays!

DOES YOUR SOIL STAND THE MOISTURE TEST?

That's the title of a pamphlet recently printed by this company which gives an insight into simple and effective soil moisture testing methods. If you haven't yet seen a copy drop by your Public Service office . . . your Public Service manager has a copy for you. No obligation, of course!
