STANDING ON THE CORNER

With F. J.

The seven last words of Christ are perhaps the greatest words ever spoken, and so this week, let us think about them, and all the meaning that lies behind them. They had such an impact at the time they were spoken that one of Christ's executioners said, "Truly, this is the Son of God."

Father, forgive them for they know not what they do.

Verily, I say unto thee, today shalt thou be with Me in Paradise.

Woman, behold thy Son! Behold thy Mother!

My God, My God, why hast Thou forsaken me?

I thirst.

It is finished.

Father, into Thy hands I commend my spirit.

Seems like every day there is another labor-saving device on the market. It's even getting to the point where the American people are either too lazy or too busy to take their prescribed medicine. And so, scientists have developed a capsule that has a delayed action. Part of it dissolves at the time it is swallowed, and the rest of it dissolves later in the day when another dose is needed. Smart, eh?

Speaking of medicine, an article appeared this week telling of a capsule bearing a small battery radio, that when swallowed, re-lays messages to the physician and aids him in diagnosis.

And then there's the one we heard about that is being tried when a patient is given a radioactive solution with salt. The salt travels to the infected area within a body, and all the physician has to do is go over the body with a geiger counter to find the location of the trouble.

If anyone knows a better one, we'd like to hear it.

One of our local men was consulting his doctor because he hadn't been feeling too well. "What you need is a complete change," the doctor said. "Why don't you give up golf and try the office for awhile?"

We would like to express our deepest apologies to Charlie Townes and A. M. Bray for calling Charlie's new Corvette a fliver—but it's still as cute as a peanut.

Did you realize that until Monday night it had been almost a year since a burglary had been committed in Tahoka?

It seems to me that some kind (Cont'd. on Page 4)

Mrs. R. J. Barnett Dies Thursday

Mrs. Robert J. (Fannie) Barnett, 42 years old, died Thursday morning at 4:00 o'clock in Lamesa General Hospital, where she had been a patient for six days. She had been in ill health for some time, however.

A resident of route 1, Tahoka, Mrs. Barnett was born May 6, 1914, in Grandview. She came to Lynn county in 1933 from Grandview and was married to Mr. Barnett on April 23, 1936, at New Lynn.

She was a member of the Sweet Street Baptist Church.

Funeral services will be held at Sweet Street Baptist Church today, Friday, at 4:00 p. m. with the Rev. Clifford Harris, pastor of the First Baptist Church, officiating. Burial will be in Tahoka Cemetery.

Survivors include her husband of Tahoka; three sisters, Mrs. Nellie Engle, Mrs. C. B. Smith and Mrs. Frank Lindsay, all of Tahoka; four brothers, Raye Stanley of Fort Worth, J. D. Stanley of Tahoka, Rufus and J. W. Stanley, both of Grandview.

Achievement Tests Rate Tahoka Schools Above Nation Average

Students in Tahoka High School have been taking standardized National achievement tests the last few days, Principal John Shepherd announces, and so far the results show that the school here rates above the National average.

Purpose of the tests is not to rate the students, but to rate the standard of the local school as a whole in comparison to others over the country. The tests being taken locally are from the Bureau of Educational Measurements of Kansas State Teachers College in Emporia, Kans.

The average is 75, and the National standard is for about 10 percent of the students to rate about this grade. However, in Tahoka schools, more than 10 percent have rated above 75.

Results in chemistry, biology and general science show that the science courses in Tahoka High School rank well above average, with one student ranking in the upper five percent, Shepherd says. World and American History results also show that the school rates above average in this department, as well as algebra II and plain geometry. In the algebra exam one student made 61 out of a possible 96.

In the English tests, which were given to junior and senior students and included grammar, literature, vocabulary and spelling, results show that all are above average except in vocabulary, which is slightly below average. However, two students made exceptional grades, one making 147 out of a possible 150, and the

other making 146. The National average is 96, and many students surpassed this mark.

Tests are being planned for freshmen, sophomores, eighth grade students in all departments, as well as algebra I. At the end of these, a more complete report will be given on the standard of the local school.

Shepherd says that the tests will be kept on file in his office so that students or parents may see the tests and have them explained to them.

Local school officials are very well pleased with the results being shown by these tests, which indicate that the local school is superior to the average school in the Nation today.

Have any news? Phone 35.

School Trustees Elected In Four Districts of County

Residents of various Lynn county school districts elected trustees Saturday, as well as county school board members, which saw many incumbents returned to office along with several new board members.

In Tahoka, L. A. Forsythe and Rebel Thomas were named trustees. Forsythe had served out the term of Felix Jones, while Thomas succeeds J. D. Martip. Holdover members include Maurice Huffaker, George Claude Wells, Milton Uzzle, O. E. Terry and Herman Renfro.

Three county board members were re-elected to their posts, J. K. Applewhite of Tahoka, trustee-at-large, H. B. Crosby of Wilson and Mack L. Haymes of O'Donnell. Other members are Fritz Speeman of Lakeview and Graham Hensley of Draw.

Walter Gasper and Frank Timmons were re-elected to their posts overcoming the votes of two opponents. Gasper received 66 votes, Timmons 56, Delbert R. Mouser 25, and M. S. Renfro 22.

At Wilson Edmund Maeker was re-elected while Charles Baker defeated incumbent Guy Smith. Maeker received 55 votes, Baker 48, Ray Cook 36, and Smith 15.

In O'Donnell Jake Burkett was re-elected with 60 votes and Ben Moore, Jr., is the new trustee after receiving 48. Silas Russ received 27.

Bill Thompson Is Critical After Stroke

W. M. (Bill) Thompson, 77, who has lived on his farm six miles east of Tahoka, suffered a stroke Sunday morning and is in critical condition in Methodist Hospital, Lubbock.

He had a second stroke Tuesday, but rallied later and was reported doing better. However, on Wednesday he was not responding to treatment satisfactorily.

Mr. Thompson has been in ill health for some time. Suffering from diabetes, doctors recently found it necessary to amputate a foot. He was recovering from this, and last week was able to come to town in his car with his wife driving.

STUDENT GETS SCHOLARSHIP IN WEST TEXAS STATE

Marilyn Calloway, daughter of Mr. and Mrs. M. M. Calloway, has received a one-year scholarship at West Texas State College.

She is a senior student in Tahoka High School and received the scholarship offered to outstanding students. She has also been notified that she has been accepted to work in the office of a professor at the college.

Before we ever go to Africa we are going to have our heads Sanitized.

Wilson Girls To Get FHA Degrees

Misses Joyce Church and Neita Hewlett were honored this week when they received word from Mrs. Elizabeth F. Smith, Area II Supervisor for Homemaking, that their work for the State Degree in Homemaking had been approved by the committee and that they would receive the degree at the State Homemaking Convention to be held in Dallas April 26.

Miss Church is the daughter of Mr. and Mrs. Clarence Church and Miss Hewlett is the daughter of Mr. and Mrs. Harry Hewlett, all of Wilson.

West Point-Lakeview Road Now Topped

Topping of the new paved road from West Point eight miles north to join the Lakeview paving has been completed, according to E. H. West, commissioner of Precinct 4.

Another coating of asphalt will be poured on the road as soon as hot weather arrives.

Easter Cantata At High School

The Seventh Grade Girls Choir will present an Easter cantata on Thursday morning, April 18, at 10:30 o'clock in the high school auditorium to which the public is invited to attend.

The religious story in song is entitled "Easter Dawning" and will be under the direction of Mrs. Harold Green.

The program includes "Gethsemane" by Vesta Dudgeon and the choir; "Could Ye Not Watch With Me," choir; "The Betrayal," Di- Anne Falls and choir; "Jesus Despised," choir; "Jesus Before Pilate," Sue Walker and choir; "Procession to Calvary," choir; "The Angel's Message," Loretta Short and choir; "An Easter Song," choir; and "Easter Dawning Again," by the choir.

Carol Jean Allen is the accompanist.

Rotarian Attend Lamesa Conference

Thirty-one Tahokans attended all are parts of the 183rd District Rotary Conference held in Lamesa Sunday through Tuesday.

There were 19 Rotarians and 12 Rotary-Anns in the Tahoka delegation, headed by President Johnny Reasonover and President-Elect Happy Smith.

Tahoka club had two members appearing on the program. Monday noon at the Club Service luncheon, Reasonover talked on the subject "Stimulating Club Attendance." Tuesday morning at the Club Presidents' breakfast, Dr. Emil Prohl spoke on "Relationship of President and His Board of Directors."

There are 42 clubs in the district, which embraces all of northwest Texas, and more than 600 delegates registered. Tahoka received quite a bit of favorable comment for its record of more than eight months with a perfect attendance record.

Attending one or all sessions from Tahoka were: Messrs. and Mrs. Reasonover, Happy Smith, Prohl, Harold Green, Dub Kenley, Herman Heck, H. B. McCord, Jr., Bill Haralson, Mitchell Williams, Calloway Huffaker, Maurice Small, and Dr. Skiles Thomas; and Messrs. R. M. Bray, Clint Walker, Dean Taylor, Walter M. Mathis, John Toler, Tom Gill and Wynne Collier.

Mr. and Mrs. J. B. Oliver spent Sunday and Sunday night in Big Spring visiting his sister, Mrs. D. C. Pyle.

Mrs. Billy Reeser was released Wednesday from Tahoka Hospital, after her baby was delivered by caesarian section recently.

Mrs. R. L. Gibson is still a patient in Tahoka Hospital, where her condition remains about the same.

Wilson Girls To Get FHA Degrees

Misses Joyce Church and Neita Hewlett were honored this week when they received word from Mrs. Elizabeth F. Smith, Area II Supervisor for Homemaking, that their work for the State Degree in Homemaking had been approved by the committee and that they would receive the degree at the State Homemaking Convention to be held in Dallas April 26.

Miss Church is the daughter of Mr. and Mrs. Clarence Church and Miss Hewlett is the daughter of Mr. and Mrs. Harry Hewlett, all of Wilson.

Joyce and Neita are both juniors in the Wilson High School, and are very active in all school activities. They are both members of the high school band, both lettered in girls' basketball, both take a very active part in the Future Homemakers of America Chapter, and both are honor students.

Burglars Enter Shipley Motors

Shipley Motor Company was broken into Monday night and \$118 in cash and a power wrench from the shop were stolen, according to the sheriff's office here.

The person or persons burglarizing the store broke into the back door, which was locked with both a pad lock and a Yale lock. The hasp had been pried off the pad lock, the panel of the door broken through and the Yale unlocked when the culprit reached through the panel and unlocked it from the inside.

The time of the burglary was not known, except that it occurred between closing time on Monday night and Tuesday morning, when it was discovered at the time when the business was opened.

Shipley estimated his total loss at about \$500, this amount also including notes that are missing.

This is the first burglary that has occurred in Tahoka in several months, the sheriff's office reports. At this time the case is still under investigation by Sheriff Norvell Redwine.

Easter Holidays In Local Schools

The Tahoka schools will be dismissed Thursday afternoon, April 18, for the Easter holidays, according to John Shepherd, high school principal.

Classes will be dismissed at the regular time on that day and the holidays will extend through Monday. School will be resumed on Tuesday morning.

Congratulations -

Mr. and Mrs. Charles Louder on the birth of a daughter Monday at 11:00 p. m. in Methodist Hospital in Lubbock. She has been named Nancy Kay and weighed seven pounds, three ounces. The mother is the former Miss Mary Louise Fenton and the baby is the couple's first child. Grandparents are Mr. and Mrs. Jack Fenton and Mr. and Mrs. Louder of Lubbock.

Thomas Seymour was released from Tahoka Hospital where he was a patient for two days after being injured while at work at the compress. A bale of cotton fell against his leg, which resulted in a severe sprain.

Girls who look like a million are looking for it, too.

Cancer Drive Still In Progress

In a canvass of the business and residential sections of Tahoka Tuesday afternoon and night a total of \$398.04 was collected for the American Cancer Society to aid in its research program of the dread disease.

Wilson and Wayside turned in \$196.89 and Grassland has raised \$60.00, according to Mrs. Skiles Thomas, chairman of the Lynn county campaign, bringing the total to date up to \$649.73. Mrs. Alex Sanders is in charge of the Wilson Drive and Mrs. O. C. Harrison is the Grassland chairman.

However, the county campaign is not over as campaigns in O'Donnell and New Home are yet to be held. Most of the communities are planning coffees to raise money for the cause, as well as other money-raising events.

The Boy Scouts of Tahoka canvassed the business district on Tuesday afternoon and ladies of various civic organizations worked the residential section on Tuesday night.

Although the quota for Lynn county is \$1500, Mrs. Thomas states that she feels the citizens have been very generous with their contributions and each donation is deeply appreciated. However, when the county drive is completed, it is hoped that a good percentage of this quota will have been raised.

Burglars Enter Shipley Motors

Shipley Motor Company was broken into Monday night and \$118 in cash and a power wrench from the shop were stolen, according to the sheriff's office here.

The person or persons burglarizing the store broke into the back door, which was locked with both a pad lock and a Yale lock. Monday Deadline To Sign For Soil Bank

New Oil Tests Start In Lynn

Three new Lynn county oil tests have recently been announced seeking to extend the small Suniland-San Andres and PHD fields of northeastern Lynn county.

W. E. Bakke of Midland has located the No. 1 W. N. Williams 4,500-foot rotary test 2,310 feet from the north and west-lines of section 5, block O, D&W survey, two and a half miles south of Slaton.

Hancock Oil Co. of Midland has announced a test, No. 1, T. M. Davidson, four miles southwest of Southland and north of the Suniland field, section 13, GWT&P Survey, rotary to 4,650 feet.

W. Ridley Wheeler of Fort Worth, No. 2-S E-R. Legg, 1,550 feet from north and 330 feet from east lines of west half of section 1274, block 8, EL&RR survey, four miles southwest of Southland, rotary to 4,000 feet.

Wheeler brought in two new wells in the Suniland-San Andres field.

No. 1-S Ray Cook in the same section 1274 tested 115.92 barrels of oil per day, 46.2 gravity. The No. 1-S E. R. Legg, also in the same section, pumped 107.64 barrels per day of 38 gravity oil.

Mrs. J. H. Cobb, 91, Injured By Fall

Mrs. J. H. Cobb, 91, pioneer citizen of Lynn county living seven miles north of Tahoka, fell at her home Friday and broke a hip. She underwent surgery at Tahoka Hospital Tuesday night, and was reported to be in critical condition Thursday morning as the News went to press. Up until Wednesday night she had been doing remarkably well.

Her son, G. L. Cobb, and a daughter, Mrs. A. C. Aycox, had just been released from hospitals following surgery when their mother had her accident.

Carroll Goes To New Home Gin

Bobby Carroll of Tahoka has been employed as the new manager of the New Home Cooperative Gin effective May 1. He was selected for the job at a meeting of the New Home board Monday.

Carroll will succeed H. Q. Sharp, who recently bought the Petty Gin and resigned his position at New Home.

Bobby has been manager of the Farmers Cooperative Gin of Tahoka for 11 years, since May, 1946. He will be furnished a house in which to live at New Home.

Directors of the Farmers Co-op of Tahoka met Tuesday and began taking applications for the local position.

The New Home Co-op. is planning its annual meeting for Tuesday evening, April 23, beginning at 8:00 p. m. in the New Home School cafeteria.

New Home officers and directors are: Wilmer Smith, president; Roy Lee Williams, vice president; L. C. Unfred, secretary; B. A. Morrow, Morris Renfro, E. R. Blakney, and Dick Turner.

CAR AND PICKUP ARE INVOLVED IN ACCIDENT
Bill Gandy, driving his 1950 Oldsmobile and traveling north, was involved in a collision with G. W. White, driving east in his 1955 GMC pickup, Wednesday evening at about 7:00 o'clock on South First three or four blocks west of the square. Neither driver was injured.

However, the pickup was overturned and damaged and the Olds received damage to the front end.

Monday Deadline To Sign For Soil Bank

Lynn County farmers are again reminded that April 15th is the deadline for placing cropland in the 1957 Conservation Reserve Program.

This is a program designed to reduce surpluses of non-allotment crops, and is effected in Lynn County by a government payment of \$11.00 per acre per year for acreage farmers contract to take out of production and devote exclusively to conservation uses. The ASC Committee is also allowed to make an additional payment to defray the cost of establishing a protective cover crop on the land under contract. Details of the program are available to the local ASC office.

At this date, Lynn County farmers have 28,038 acres under contract, with an annual payment of \$308,418.00. It is estimated that an additional \$168,000 will be paid to farmers to establish cover crops on the land this year.

Jim Banister, 89, Death Victim

Funeral services for Jim Banister, 89 year old retired farmer and cattleman, were held Sunday afternoon at the First Baptist Church, with the pastor, Rev. Clifford Harris officiating. Burial was in Tahoka Cemetery.

Banister died Friday, April 5, at 5:20 p. m. in Tahoka Hospital, where he had been a patient only a few days. He had been in ill health for several years.

Born Sept. 4, 1867 in Louisiana, he was married to Mrs. Tenny Galloway on June 5, 1910 at Avery, Texas. He came to Lynn county in 1923 from Vernon and farmed in the New Lynn and Dixie communities and owned other land over the county. However, at the time of his death he had sold all of his land, which included property in the former communities as well as at Draw, Three Lakes and West Point.

He first came to Texas at the age of two. He was a well-known cattleman in the early days, making drives to Abilene and Dodge City, Kans. He finally settled in Oklahoma where he began farming before coming to Lynn county. He retired and moved to Tahoka in 1942.

Survivors include his wife of Tahoka; one son, Roy of Oklahoma City; one step-daughter, Mrs. J. E. Mayberry of Tahoka; one sister, Mrs. Lou Rusk of Oklahoma City; 14 grand children and 22 great grandchildren. A son died last year.

Talent Show Here Tonight

About 40 entries will participate in the talent show being sponsored by the Tahoka Band Mothers tonight in the high school auditorium, at 8:00 p. m.

The show is broken down into four divisions, pre-school, grade school, high school, and out-of-town. Prizes will be awarded in each division to the winners. Acts will include a ventriloquist, songs, dances and instrumental numbers, according to Mrs. Perty Walker, who has been in charge of publicity.

The purpose of the talent show is to raise money to finish paying for the new band hats purchased last fall.

Admission will be 50 cents for adults and 25 cents for children.

HAS OLD WIRE

Ward Eakin brought the News a piece of ribbon wire this week, acquired "away back yonder" by his late father-in-law, A. R. McGonigill. This was one of the first fence wires developed about 70 years ago.

Have news? Phone 35.

Free Circus Is Coming Saturday

Saturday is the day the Dailey Brothers Free Circus is coming to Tahoka, under auspices of the Plunkett Family troupe, sponsored by Tahoka Fire Department, and located just west of Higginbotham-Bartlett.

The Free Circus and Palace of Wonders will offer everyone an opportunity to see the shows as there are three performances, morning, afternoon, and night.

Cookie, the Hollywood trained Chimpanzee; Starlite, educated pony; Henrietta, the plank-walking elephant; acrobats and aerialists, and an old stem calliope are included in the show. A special feature is the Palace of wonders showing a 27-foot python snake, Sam; the black-faced gorilla; Billy the Penguin, and a five-legged hog.

Youngsters will be allowed to sit on the elephant free, while live pony rides will be given for a small admission charge.

Wayne Tekell Is Home On Leave

Pvt. Wayne Tekell has been at home visiting his wife, Loretta, and the Sam Bartley and O. O. Tekell families.

He has just recently completed eight weeks of basic combat training with the 9th Infantry Division at Fort Carson, Colorado.

A 1952 graduate of Tahoka High School, he had been farming until called into service about three months ago.

SW Public Service Help Form Atomic Energy Foundation

Formation of the Texas Atomic Energy Research Foundation by Southwestern Public Service Company and ten other electric light and power companies operating in Texas, was announced Wednesday by J. E. Cunningham, president of Southwestern Public Service Company. Incorporation papers have been filed with the Secretary of State.

"The purpose of the non-profit Foundation is to engage in research in the atomic energy field as applied to the generation of electric power. The program will not include an atomic energy power generating plant at this time. It will be directed toward the fundamental methods involved rather than toward the early use of atomic energy in steam-electric power plants of the participating companies.

"The eleven electric utilities which formed the Foundation will jointly carry on their research and development work in the nuclear field in a program designed to assure for Texas the benefits which develop from this new source of energy," J. E. Cunningham said.

"The various companies, acting as a group, can be more effective in this research since many projects in nuclear research require expenditures which might be burdensome on a single company.

"The program of Foundation is long range, since the natural gas now used by utilities in the Southwest is a particularly good fuel and will be competitive with nuclear energy for many years. The appraisal of problems of this nature will have a high priority in the program of the Foundation.

"The Foundation does not plan to request any government funds to support its nuclear research program. It hopes, however, to work closely with the Atomic

Energy Commission in any program it undertakes.

"Atomic energy power plants now differ from present day power plants only in the substitution of this new energy as a heat source for the boilers which make steam to spin the turbo-generators. Development of this source of fuel will require much research before it can be economically feasible in Texas where electric power generating plants now utilize natural gas as boiler fuel. In the meantime, the research program will provide the necessary experience in utilizing this source of heat in the power plants."

J. E. Cunningham is a member of the Board of Directors of the Foundation. W. A. Parish, president of the Houston Lighting & Power Company, is president of the Foundation. All of the companies supporting the Foundation are represented on the Board.

In addition to Southwestern Public Service Company, other companies supporting the Foundation are: Central Power and Light Company, Community Public Service, Dallas Power & Light Company, El Paso Electric Company, Gulf States Utilities Company, Houston Lighting & Power Company, Southwestern Gas and Electric Company, Texas Electric Service Company, Texas Power & Light Company, and West Texas Utilities Company.

B. R. (Bob) Tate underwent an operation in a Temple hospital Saturday of last week.

O'Donnell Man Dies Suddenly

Claude L. Tomlinson, 65, O'Donnell retired farmer, died at 12:45 a. m. Monday in a Lubbock hospital following a heart attack he had suffered at his home Sunday afternoon.

Funeral services were held Tuesday at 3:00 p. m. at the O'Donnell Church of Christ with Carl Cain, the minister there, officiating. Burial followed in O'Donnell Cemetery.

Born at Florence on March 14, 1892, Mr. Tomlinson had lived in the O'Donnell area for 44 years. A few years ago he retired from farming and moved into town.

Survivors include his wife; one daughter, Mrs. R. W. Hamblin, Longview; one son, C. L. Jr. of Lubbock; his mother, Mrs. Mary Tomlinson of Lampasas; one sister, Mrs. C. C. Cook of Albuquerque; three brothers, R. P. of Post, A. B. of Lampasas, and C. H. of California; and five grandchildren.

Society and Club

Jaycee Ettes Enroll Two New Members

The Jaycee Ettes held its regular meeting Tuesday night in the home of Mrs. Ferne Lewis, when two new members and two visitors attended.

The new members are Mrs. Kathy Dorman and Mrs. Laverne Dykes and the visitors were Mrs. Clovis McElroy and Mrs. Cecille Henry.

Two officers were selected at the meeting: Mrs. Peggy McClellan will take the office of secretary and Mrs. Dorothy Wright will be the reporter of the organization.

In addition to these ladies refreshments were served to Meses. Freda Gage, Virginia McClintock, Wanda Glenn, and Pat McClellan. The next meeting will be held at 7:30 p. m. on April 23 in the home of Mrs. Ima Pool.

New Winners In Duplicate Bridge

Winners at duplicate bridge at T-Bar Country Club Tuesday night were Mrs. Johnny Wells and Mrs. Lee Roy Knight, first place; Mr. and Mrs. Frank Hill were second. Both couples will receive a free game good for one month.

Third place winners were Mrs. R. C. Roberts and Mrs. O. C. Roberts; fourth place, Mrs. D. W.

Gagnat and Mrs. Jess Gurley; fifth, Mrs. J. T. Whorton and John Wells.

Three Tied In Golf Tournament

Winners in the Sunday afternoon Flag Tournament at T-Bar Country Club have been announced by Mr. and Mrs. Lester Strech, men and ladies tournament chairmen.

Three men tied for first place in the men's tournament, each ending up in No. 9 hole with the same number of strokes. They were Irvin Dunagan, Bill Lumsden, and Pete Ramzinsky. Each received three golf balls as prizes.

In the women's division, Mrs. Dot White came in first, Miss Echo Milliken second, and Mrs. Glenda Dunagan third. Three, two and one golf balls were awarded as prizes, respectively.

This Sunday afternoon, a Blind Bogey tournament will be held. Everyone regardless of his golfing ability, will have a chance at one or more merchandise prizes, Strech says. In fact, there are so many prizes, almost everyone should win one.

Ladies Organize Golf Association

The Ladies Golf Association has been organized here at the T-Bar Country Club and a slate of officers elected for the next year. Mrs. Jack Smith is chairman of the association; Mrs. Robert Harvick vice chairman; Mrs. Roland Clem, secretary-treasurer; Mrs. Lester Strech, tournament chairman; Mrs. A. L. Holder of Wilson, ladies day chairman; Mrs. Irving Dunagan, social chairman; and Mrs. G. W. White, parliamentarian.

By-laws were set up for the organization calling for dues of \$3.00 per year.

Members have this week been qualifying for the golf ladder which is now being revised. The ladies plan to serve a chicken dinner on Sunday evening, April 28, the day that the men will qualify.

Bulldogs Place In District Meet

Tahoka came in sixth at the District 2-AA track and field meet held at Texas Tech Saturday with 12 and one-half points. The Tahoka freshman, however, won first place in the meet in their division. The Lockney Longhorns took the district title with a total of 43 points.

Denver Ford won Tahoka's only first place by breaking his own record in the mile run in 4:47.1. Jerry Adams won third in the 880 yard run, while Jerry Brown tied for second with three others in the pole vault by jumping nine feet.

Tahoka won fourth in the 440 yard relay and fourth in the mile relay with a team made up of Andrew Nance, Don Young, Gayland Tekell, and Marcelino Madrid.

Freshman winners included Kenneth Stice, who won first place in the 50 yard dash and first place in the 100 yard dash. Jerry Bragg took second place in both the 75 yard dash and the 100 yard dash. David Copeland won third in the 75 yard dash and fourth in the 50 yard dash. Richard Stice won second in shot put at 43 feet and Larry Owens tied for second in high jump. The Tahoka team composed of Stice, Copeland, Bragg and George Adams came in second on the 440 relay.

The grade school also had a winner with the local team winning second in the 440 relay. The team was made up of Buddy Chestnut, Manuel Salinas, Johnny Stewart and Billy Earl Cain. Others who participated in the grade school division were Joe Young, Frank Greathouse and Douglas McClellan.

In the varsity division Shorty Williams entered the high and low hurdles; Weldon Calloway, the 100 and 220 yard dashes; Robert Cloe, the 100 and 220 yard dashes; Marcelino Madrid, low hurdles; Gayland Tekell, 220 and broad jump; Don Young, 440 yard dash; Marlon Hawthorne and Jay Gurley, high jump; and John Ed Redwine, discus throw. Bannister dies

Athletic Banquet Held At Wilson

The Wilson Athletic Banquet was held in the Wilson school cafeteria Tuesday night. A large crowd attended.

This is the highlight of the school year for boys and girls participating in athletics. The awards won during the year are presented.

The school enjoyed a very good year in football this year under the coaching of Rick Spinks and Grover Watkins.

Those who lettered in football were: Chester Campbell, Ronnie Moerbe, Larry Maeker, Claude Roper, Dan Lamb, Bruce Hewlett, Dewey Corley, Lynn Maeker, Butch Behrend, and Jack Spears, all seniors; also Arles Ehlers, Kenneth Ethridge, Paul Henderson, Bobby Wied, Donald Gryder, Joe Baker, Jack Dokken, Kenneth Hanes, Laston Eakin, Billy Weaver, and Jimmy Blankenship and John Henderson, managers. Lamb Corley and Hewlett were team captains.

Those lettering in boys basketball were: Larry Maeker, Bruce Hewlett, Dewey Corley, Arles Ehlers, Kenneth Ethridge, Paul Henderson, Bobby Wied, and Jack Dokken. Manager of the basketball team was Skipper Wilkerson. Track lettermen were Dokken, Corley and Verkamp.

The girls' basketball team also enjoyed a very successful year. Those who lettered were: Joyce Church, Dixie Hewlett, Pat Baxley, Eunice Buxkemper, Linda Roper, Betty Hanes, Jeanette Schneider, Linda Crowson, Kathleen Heinemeier, Julia Benavidez, Mary Alice Stone, Sue Coleman, Ida Pearl Mason, Norma Terry, Nita Hewlett, Hazel Robinson, and Nancy Cook. Marcia Standefer was manager of the team and Dixie Hewlett and Julia Benavidez were team captains. Mr. Clifton Gardner was coach for the girls.

The first submarine to actually sink another enemy vessel under combat conditions was the Confederate "Hunley" built during the Civil War.

To rig for diving in a modern submarine, the crew must conduct 225 individual operational and equipment checks.

United States submarines sank 214 naval and 1178 merchant vessels in World War II operations against the Axis powers.

Tahoka Wins In Tennis, Literary

Tennis and literary contests highlighted the District 2-A Inter-scholastic League events held in Floydada last week end.

James Adams was Tahoka's only literary first place winner taking honors in number sense.

In the tennis contests both the boys and girls doubles teams won the district championship, and boy's singles was defeated in the finals.

Karl Prohl and Jackie Apple-

white won over David Frizzell and Jerry Mickey of Lockney 2-6, 6-4, 7-9, 8-6 and 6-3, while Mary Helen Whitaker and Marilyn Calloway won over the Abernathy doubles team, Linda Roberts and Shirley Watson, 5-7, 6-2, and 6-3.

David Bray was defeated by Ronnie Downing of Floydada in the senior boys singles by 6-3, 6-1, and 6-2.

Tahoka's junior tennis teams were also victorious, the boys winning both the doubles and singles.

Larry Jack Stevens and Gerald Short won 6-1 in a one set match for the doubles championship, while Danny Uzzle won the singles 6-4.

Mr. and Mrs. C. B. Earley and son Don returned Monday to their home at Modesto, Calif., after a week's visit here. C. B. bought a neighborhood grocery in that city last July. Although he has recently had the flu, he reports his health is much better.

Much Is Known About Cancer

Austin—Ever since the first spark of life appeared on this earth, cancer has been one of the most fearsome, most enigmatic diseases mankind has had to contend with. But we know more about it than is generally realized. We know enough, in fact, that a diagnosis of cancer need not be considered a sentence of death.

We know that all types of cancer are different since they affect different tissues of the body. We know cancer has no respect whatever for age, although it does occur more frequently after 40. Conversely, we know it causes more deaths than any other natu-

ral cause in children between 5 and 12.

Cancer is not inherited, except in perhaps two rare types. A tendency toward cancer may be passed from one generation to another, but the actual cancer cell is not inherited. This we also know.

We know that cancer is not contagious or communicable from one person to another. We know that certain agents or conditions will cause certain types of cancer or are factors in causing cancer. For example, exposure to sunlight over long periods of time (farmers, seamen) is known to cause certain types of skin cancer. Certain chemicals such as aniline dyes may cause cancer in experimental animals. An injury or prolonged irritation of the mouth or lip area such as sometimes comes with habitual pipe-

Modern Farming Expensive Work

College Station—Modern farming is an expensive business requiring a high maintenance outlay as well as a large initial investment, says C. H. Bates, extension farm management specialist. A careful "budget analysis" to uncover small leaks of the quarter and dollar size will pay sizable dividends over a year's time. Check your operations today, he advises, it may mean increased net income and better family living.

Since prices of many farm products are now depressed, Bates urges farmers to use every practical means to reduce costs. Raising products of higher market value at or near the same cost is a good start, says the specialist. Cutting costs of specific jobs and doing more at the same cost are also effective weapons against the "price-cost squeeze."

Bates encourages farmers to use individual thought in applying such general practices on their farms, but says that many applications are standard. For instance, a soil test tells a farmer the basic nutrients needed on his land, enabling him to spend his fertilizer dollar more efficiently.

The specialist lists several handy, money-saving hints which may be applied to most Texas farms. Consider odd-size seed corn kernels, he advises, and plant with suitable plates since they usually cost less per acre planted and yield as well as other. Lower fertilizer rates on fewer acres, he adds.

Other "universal" tips include: combined field operations such as pulling harrows behind discs to reduce time and power costs; rubber flaps on press wheels to aid in quick seed germination; feed buying at bulk or volume prices; better tractor fuel utilization by using long row patterns to reduce end ravel; taking advantage of price breaks by having machinery overhauls done during serviceman's slack season; and practicing "tax-wise" farming by using all legal means to reduce taxes.

For a detailed list of such tips, see your county agent or write the Agricultural Information Office at College Station and ask for MP-191.

STANDING . . .

(Cont'd. From Front Page)

of a tribute should be paid our sheriff and police departments for a wonderful job in law enforcement. You'll have to admit that it's a pretty good feeling to know that our families, friends and businesses are protected by outstanding officers of the law. It's another service that we too often take for granted.

An American and a Dutchman were talking. "What does your flag look like?" asked the American. "It has three stripes," replied the Dutchman, "red, white and blue. We say they have a connection with our taxes: we get red when we talk about them, white when we get our tax bills, and pay 'til we're blue in the face."

"That's just how it is here," commented the American, "Only we see stars, too."

The City Welfare Center needs children's clothing badly. They can use any size. Adults' clothing will also be welcome.

The women who work at the Center deserve a lot of credit for giving their time and energy for its success and they will all agree that Mrs. Emma Halamecek deserves a great big pat on the back for her never-ending efforts.

As John Ruskin once said "The highest reward for man's toil is not what he gets for it but what he becomes by it."

With Easter only a week away, parents are becoming more cautious every day. And even so, they'll be sitting on eggs, sleeping on eggs, finding them hidden in their soup, shaving mugs and jewelry boxes, not to mention the half-rotten ones that fall off the door facings into their faces.

But it's worth it all when you see the beaming face of a little child who has found his first Easter egg.

Girls who model the latest styles in bathing suits don't show them, they show her.

Sometimes the girl who could marry anybody she pleased, just doesn't please anybody.

Many a teacher who is easy on the eyes can be hard on the pupils.

Phone 530 or 531

Isn't it odd that it takes a baby two years to learn how to talk and it takes a man 40 years to learn to keep his mouth shut.

Today's husband is not only expected to bring home the bacon, but to fry it and serve it too.

Behind every successful man is a woman. And she usually catches him.

smoking is also a factor in causing cancer. Prolonged exposure to x-ray or radium may also cause cancer of the skin or other parts of the body.

We know that certain malignancies are self-limiting; that is, they have the curious property of curing themselves without treatment. This is an unusual happening, but it does occur for some unknown reason.

Perhaps the most important thing we know about cancer, many cases can be cured by early removal by surgery or by irradiation with x-ray or radium or a combination of these techniques. Rapid strides are now being made in treatment of certain types of cases with chemical compounds.

Since it can be cured, why do more than 10,000 people die in Texas with cancer each year? Because by the time the disease is recognized it is too far advanced for effective treatment. Half of these persons could be saved by early and adequate treatment.

If this one cardinal fact could be dinned into the minds of people until it moved them to action at the appropriate time, cancer deaths would skid downward almost overnight.

Here again are cancer's seven danger signs. It will pay to memorize them: irregular bleeding or unexplained change in normal bowel habits, sore that does not heal properly, persistent cough, any lump especially on breasts, constant indigestion, unexplained weight loss, and change in moles.

Monday: Baked weiners with cheese, English peas, buttered carrots, tossed salad, hot rolls, butter, grapefruit sections, milk.

Tuesday: Pinto beans, tamales, mixed greens, chocolate pudding, corn bread, milk.

Wednesday: Baked lunch meat, glazed sweet potatoes, buttered fresh cabbage, whole wheat bread, plum cobbler, milk.

Thursday: Chicken and dressing, giblet gravy, green beans, cranberry sauce, macaroni and tomatoes, rice coconut pudding, hot rolls, milk.

The USS Holland, which became the first undersea craft to be commissioned by the U. S. Navy was accepted on April 11, 1900 for a price of \$150,000. Today's atomic submarines cost about \$30,000,000 exclusive of the power plant.

Dollar for dollar and man for man, the submarine is this country's most economical weapon. Comprising only 1.6 per cent of the Navy's World War II personnel, the submarine service accounted for 55 per cent of all enemy shipping destroyed.

TOP POWER makes a GMC TOP VALUE

NEVER before has a light-duty truck packed the tremendous wallop of GMC's 206 horsepower. It's the most powerful light-duty truck ever built. It actually has more power than many trucks rated at 4 times its capacity. That means ability to move the toughest loads without grunting—and move them at a time-saving clip. Then look what goes along with it—as standard equipment:

A fast-ratio cruising axle for up to 17% better gas mileage. Recirculating ball-bearing steering for finger-tip handling. Longer, easier-riding, heavy-duty springs. Plus boulevard styling and a luxury cab your wife will love to be seen in—boulevard performance to make you proud. Come in and see why Blue Chip quality makes the dollar proud of its purchasing power. Do it today.

Kraft Prepared Salad Style Mustard
4 med. thin slices white bread, crusts trimmed

4 Kraft DeLuxe Slices Past Proc. Amer Cheese
4 frankfurters, broiled
Pickle chips

Spread mustard on each slice of bread, then cover with a slice of cheese. Lay a frankfurter diagonally across each cheese slice. Bring the other 2 corners of bread and cheese together around the frankfurter and hold in place with toothpicks. Toast under broiler.

PINEAPPLE SANDWICH SALAD

- 3 cups diced cooked chicken
- 1 cup thinly sliced celery
- 1/2 cup Kraft Mayonnaise
- Salt, pepper
- 2 green peppers
- 1 8-oz. pkg. Philadelphia Brand Cream Cheese
- 1 teaspoon finely chopped chives

1 teaspoon finely chopped parsley
8 slices pineapple
Elib lettuce
Romaine
Kraft French Dressing
Waffle French Fried Potato slices
Spiced crap apples

Combine the chicken, celery, mayonnaise and seasonings. Toss lightly. Cut a slice from the top of each pepper, remove the membrane and seeds and fill with the cream cheese blended with the chives and parsley. Chill, and slice. Cover the pineapple with chicken salad, top with another slice of pineapple and place a mound of salad on it. Place 2 green pepper slices on romaine on the plate and dress with French Dressing. Garnish with potato slices and crap apples.

86 Men Attend Methodist Meet

Eighty-six men, including visitors, were present at the monthly meeting of the Methodist Men in Fellowship Hall of the First Methodist Church here Monday night.

Truett Smith, local attorney and Baptist layman, was the guest speaker, using the subject, "Every Man In His Place," to emphasize the importance of cooperative effort in carrying out a church and religious program.

Miss Linda Jones presented two vocal solos, and Misses Marilyn Carmack and Jan Collier rendered two duet numbers. They were accompanied by Mrs. Gwen Patterson.

E. R. Edwards introduced the speaker and Milton Uzzle the musical numbers.

The Methodist Men are currently engaged in an attendance contest, and A. M. Bray introduced his "Backslider" guests and new members. Dale Thuren, representing the contest-leading "Roughnecks" with tongue in cheek charged the opposition with unfair tactics by bringing in guests from all over the county. Actually, the meeting is open to all men of any faith who wishes to come.

President Wynne Collier expressed his appreciation for the large crowd. The two immediately preceding meetings had had an attendance of 74 each.

Preceding the program a delicious steak dinner was prepared and served by Maurice Huffaker and son, Mike, Carl Griffing, Duard Nelson, Horace Rogers, and Elmer Owens.

Out-of-town guests from other

Former Tahoka Girl Honored By Texas Legislative Act

Miss Nancy Nowlin, daughter of Mr. and Mrs. P. A. Nowlin of Lamesa, formerly of Tahoka, was honored with a resolution presented by Representative Wesley Roberts in the House of Representatives of the Texas Legislature Tuesday of last week.

Following is the text of the resolution by Roberts:

WHEREAS, Miss Nancy Nowlin, a native of Lamesa, Texas, and a freshman Arts and Science student at the University of Texas, was one of the students on the Honor Roll, Magna Cum Laude, as announced by Dean Harry D. Ransom; and

WHEREAS, Miss Nowlin is employed as secretary to Representative Wesley Roberts; and

WHEREAS, Such scholastic achievement is commendable and has not been met by any other University student from Lamesa; now, therefore, be it

RESOLVED, That a copy of this Resolution be sent to Miss Nowlin in appreciation of her achievement.

Waggoner Carr, Speaker of the House.

I hereby certify that H. S. R. No. 322 was adopted by the House on April 2, 1957. Dorothy Hallman Chief Clerk of the House.

Miss Anita Rochelle, sophomore student in Texas Tech, daughter of Mrs. Myrtle Rochelle of Lubbock and granddaughter of E. I. Hill of Tahoka, is slowly improving in Methodist Hospital from severe burns she received about a month ago. She must remain in the hospital for some time yet, and will likely have some skin grafts made.

churches included the following:

Draw: Rev. G. Y. Pickins, Wes and Bob Luttrell, Buck Martin, Cap Rowe, and Walter Dubree.

Grassland: Rev. S. M. Bean, Gus Porterfield and Jim Bob Porterfield.

New Home: Rev. Hugh Daniel, Billy Hancock, and B. A. Morrow.

Post: Rev. Billy Porterfield, Ted Hibbs, Bob Collier, and Harold Voss.

SECOND SECTION

The Lynn County News

Tahoka, Texas, Friday, April 12, 1957

Photo by Roger Parker

There's fun for all the family at Bonham State Park, three and a half miles southeast of Bonham on Farm Road 271. An artificial lake supplies fishing, boating and swimming. There is plenty of playground equipment for the younger children, two large picnicking grounds, two pavilions, a large concessions building with bath house and a group camp that can house 80 people.

Traffic Safety Rotary Subject

Fred Marshall of the Texas Highway Patrol spoke at Tahoka Rotary Club Thursday noon of last week on the subject of "Traffic Safety."

"Traffic accidents have become our most deadly disease, ravishing our people," Mr. Marshall said. "The man behind the wheel of the family automobile is our greatest killer."

He presented statistics to show the terrible effect of automobile accidents on our nation in the numbers killed and injured, to say nothing of the heartaches and hardships caused by them, the irreparable damages, and the tremendous expense of them.

One out of every two persons may expect to be killed or injured in a traffic accident during his lifetime, he declared.

The economic loss from traffic accidents is \$4 billion per year, which is more money than we spend on education.

The automobile is the No. 1 killer today. Every 15 minutes someone dies in a traffic accident, and every 25 seconds someone is injured.

Strangely, only 15 percent of the accidents are caused by automobile and highway defects. The other 85 percent are caused by human frailties.

Really they should not be called "accidents," he declared, as 85 percent of the accidents occur for one of four reasons: Speed, carelessness, alcohol, or ignorance of safe driving practices.

Statistics show that the reckless driver is more dangerous than the criminal carrying a gun.

To help cut down on the 2,611 lives taken in traffic in Texas last year, he urged slowing down to the legal speed limits, more courtesy in traffic, and more emphasis on the driver education program in our schools.

The program was arranged by Tom Gill and Hubert Eudy, and Gill introduced the speaker.

Dr. Emil Prohl spoke briefly on the District Conference being held at Lamesa on Sunday, Monday and Tuesday. Dr. Prohl and President John Reasonover were both speakers on the Conference program.

Junior Rotarians for the month are Donald Riley, son of A. E. Riley of Grassland, and Wayne Cloe, son of Tom Cloe, both seniors in Tahoka High. Riley was introduced by Maurice Bray and Cloe by Clint Walker.

South Tahoka Left Out Of Results

In reporting the Lynn county vote in the U. S. Senate election last week, The News omitted the South Tahoka precinct vote.

South Tahoka gave 41 votes to Ralph Yarborough, 22 to Thad Hutchison, and 26 to Martin Dies.

Also, the total number of votes cast was in error. There were only 1,148 votes cast, instead of 1,543 as reported by The News.

However, the vote totals for each candidate were correct, 535 for Yarborough, 333 for Dies, 128 for Hutchison, and 113 for John C. White.

Carlton Bell and L. W. Castleberry, freshman students in West Texas State College at Canyon, spent last week end here with Mr. and Mrs. Roger Bell.

New Home Baptist Meeting Next Week

New Home Baptist Church is starting a two-fold eight day revival meeting Sunday, according to Rev. Robert Clements, the pastor.

The first five services, Sunday through Wednesday, will be a Layman's revival, with laymen of the church making talks. Speakers will be: Sunday morning, Jack Clements; Sunday evening, Lee Roy Nettles; Monday evening, Rob-

bie Gill; Tuesday evening, Carl Armes; and Wednesday evening, W. C. Thompson.

Second half of the series of meetings, Thursday through Easter Sunday, April 21, will be a Youth revival conducted by a team of students from Texas Tech.

The speaker will be Logan Cummings, well-known Tech athlete; song services will be led by James Baber, and the organist will be

Mr. and Mrs. Loyd R. McCormick of New Home returned home last week from Ruidoso, N. M., where they have been the past several months for the benefit of his asthma. He says there has been little snow in the valley this year, although the mountain tops are white.

Miss Anna Jo Veasey.

Rev. Clements hopes to have a good turn-out of members and visitors for each and every service.

Odds and Ends

(By K. I. The Elder)

Sometimes a Columnist gets up in the air as to what he should write about. The weather is with us always, and no human being has been able to change it to any perceptible degree at any time or in any locality. Only the Lord can do that, the Creator of the heavens and the earth. Men have resorted to many schemes at many times and in many places to make it rain, but no man has yet been able to prove that he has caused it to rain.

The weather changes, however. All the bodies which constitute the solar system are constantly and systematically changing their respective positions with respect to the sun, and these consecutive changes give us our seasons, which we call spring, summer, autumn, and winter.

Spring brings us new life. On the Plains it brings us high winds and sandstorms and enough moisture usually to cause seeds to sprout and germinate, and we are always glad for spring to come. Sometimes shrubs and giant trees put on their vernal greenery too soon and get killed by an out-of-season cold wave. Sometimes the fruit trees bloom too soon and the fruit gets killed. There is one shrub however, that rarely ever gets fooled. When you see fresh green leaves bursting out on the mesquite shrubs, you may be reasonably sure that Spring is here. I have been watching the mesquites, and I have not seen a single green mesquite leaf yet. There may be some in evidence when this Column appears in print. I hope so.

There are some winter-blooming plants and shrubs, however. The hedges of forsythia with their bright yellow blossoms and the thorny pyracantha with their red berries and flowers are among the shrubs that help to make many home in Tahoka attractive throughout every winter. And for the past few weeks, my neighbor, Mrs. Hannah Nordyke, has had two of the largest clumps of purple lilacs in full bloom that I have ever seen. I spent most of last week in the Tahoka Hospital, and while there I often looked out of the window and saw almost every variety of weather, a little mist, a little rain, a little flurry of snow being blown down the streets by a mad wind, and then bursts of warm sunshine, and when I was released and came home on Friday morning, the first thing that greeted my vision was a row of fine Dutch Iris in bloom on the south line of my premises. My wife had planted out the bulbs and the unattractive plants had shot up scarcely noticed by me, and now the fresh beautiful flowers flaunted themselves in the bright morning sun. There were just a few of them but my wife is planning to have more of them next year, for they are gorgeous blossoms while they last. I found just a few Tahoka daisies in bloom.

When these high dry winds calm down and the gentle showers begin to fall, the Tahoka daisies will be here in countless numbers. I think that the Lord still makes His Gardens of Eden in countless numbers too, in order that human beings may yet enjoy His marvelous handiwork. There are few prairie-flowers more beautiful than the Tahoka daisy.

Well, the votes that were cast in that Senatorial election of April 2 to elect a Senator to fill out the unexpired term of Price Daniel who had resigned were counted so rapidly that the results were known by nine or ten o'clock that night. Judge Ralph Yarborough of Austin was the sure winner. A week previously this Column had named six candidates as possible winners but by election morning it had become very evident that the race lay between Yarborough and Martin Dies. Some twenty years ago Dies had made a remarkable record as chairman of the anti-communist investigating committee, but that was "a way back yander," and people had lost interest in that kind of work, and besides Martin Dies was growing old. People felt that it would be impossible now for him to duplicate the record he had made back in the days of Delano and Eleanor Roosevelt.

Yarborough had been a candidate for high office in the last four

Cotton Quiz

CAN COTTONS BE MADE TOUGHER THAN STEEL?

YES, PLASTICS OF LAMINATED COTTON ARE STRONGER THAN STEEL PER UNIT OF WEIGHT.

Joe Unfred's Picture In Farm Journal

A picture of Joe D. Unfred of New Home in a maize field at his Petty farm is featured in a picture-story on "New Ways To Save Water" in the April issue of Farm Journal, a national magazine.

Following are the "cut" lines under the picture: "Bench-level the land table-flat in 'steps,' then flood irrigate. There's no tail water and you spend less time tending water. Joe Unfred, Lynn Co., Texas, bench-leveled, now grows more cotton with less water."

Allyn Cox of the local Soil Conservation Service office called The News' attention to the picture.

Mr. and Mrs. Wayne King of Wichita Falls recently visited his brother, Mr. and Mrs. Elbert King, while on their way to visit their grandchildren in Tuscon, Ariz.

Have news? Phone 35.

LAND LEVELING PAYS OFF FOR DRYLAND COTTON

Spur — Dryland cotton lint yields have been stepped up 59 percent by land leveling clay loam soils on terraced land having less than one percent slope and receiving supplemental runoff water, says C. E. Fisher, Spur substation superintendent. It's an economical investment too, according to Fisher who says land at Spur was leveled for \$17.88 an acre and will be effective for several more years. He says annual gross return per acre was increased \$23.76 on leveled land with supplemental runoff water and \$8.10 on leveled land without supplemental runoff.

Fisher believes a more uniform distribution of moisture increases uniformity of yields on leveled lands. He says land leveling increased the average yield of cotton 30 pounds per acre in Spur tests without supplemental runoff. Greatest benefits, however, occur from leveling the land between terraces on relatively flat areas of fine textured soils receiving supplemental runoff, he adds.

Work for the Spur tests was done with a 4-plow tractor and a combination hydraulic scraper and land leveler.

Fisher urges farmers to use special precautions in land leveling since it has a tendency to pulverize topsoil and can result in a serious wind erosion hazard if done incorrectly. Technical assistance from Texas Agricultural Extension Service and Soil Conservation Service personnel is available, and should be sought says Fisher, especially if water

We invite you to come worship

spreading is to be undertaken. More details on the work are available in Progress Report 1914 which is available from the Agricultural Information Office, College Station, Texas.

BAPTISTS BELIEVE... A SYMBOL, NOT A SACRAMENT

Baptists do not call the Lord's Supper a "sacrament." To them, "sacrament" suggests a meaning foreign to New Testament teaching by suggesting that the act itself brings the individual salvation from his sin. Baptists prefer to call the supper an "ordinance"—something established by the Lord. Rightly observed, however, the Lord's Supper is worship on the highest level and has a very sacred meaning.

The Lord's Supper is a memorial of love. Jesus said "This do in remembrance of me" (1 Corinthians 11:24). He wanted it to remind Christians of his sacrifice for their sins. It is indeed a memorial of his self-giving on the cross. The supper declares the amazing love of Christ in giving his body and shedding his blood to reclaim men for God. Its observance, therefore, declares the grateful love of those who have been restored to God through his death. They keep this ordinance in joyful obedience to honor the Saviour.

The Lord's Supper is a symbol. It is really a dramatic sermon; it is truth in a picture. When Jesus said of the bread, "This is my body," he meant that it represented his body. Likewise he spoke of the cup: it represented his blood poured out for the forgiveness of sins.

A bridal shower honoring Mrs. Alfred Clary, was given last Thurs-

Fire Damages Wilson Home

Fire broke out in the bathroom of the Grover Coleman home last Thursday.

David Peterson and his hired help were in the bathroom at the time of the explosion doing some repairs. The hired hand was blown from the room but was not injured. David had a narrow escape from injury. His hair and eye brows were singed, but he was otherwise unharmed.

Mr. Peterson immediately gave the alarm and fire trucks from Tahoka and Slaton were soon on the scene. They were successful in keeping the fire from other parts of the house, and soon had the fire extinguished.

However, quite a bit of damage was done. Mr. Coleman said he was very thankful that Mr. Peterson was there and reported the fire or the house might have been completely destroyed as he and Mrs. Coleman were not at home.

day evening in the home of Mrs. M. L. Murray. A large group of friends attended. Co-hostesses were Mmes. Clarence Nelson, Hollis Smith, M. M. Mahurin, Jimmy Coleman, A. A. Teinert and B. W. Hobbs, Sr.

Mr. and Mrs. Alfred Clary spent the weekend in San Angelo, guests of Mrs. Clary's parents, Mr. and Mrs. J. K. Ray.

Guests in the Pat Campbell home Sunday were his brother and sister-in-law, Mr. and Mrs. H. J. Campbell of Slaton and his mother, Mrs. W. T. Campbell of Blum.

The Cub Scouts of Den 1 were given a treat Saturday by their den mothers, Mrs. Sam Gatzki and Mrs. A. L. Holder. They were taken to the Village theatre in Lubbock and saw the "Swiss Family Robinson." This was a special picture shown for Cub Scouts as that is their theme of the month. Six boys enjoyed the trip.

Mr. and Mrs. Ray Robinson and Hazel and their son and his wife, Mr. and Mrs. Johnnie Robinson of Hereford spent the weekend visiting Mrs. Robinson's sister, Mrs. H. D. Brandon and Mr. Brandon of Wink.

Guests in the Leonard Mosley home Friday night were Mr. and Mrs. Ken Lockmiller of Big Spring.

Guests in the M. M. Mahurin home Saturday were Mrs. Johnny Ray Cartwright and children of Slaton. Mr. Corkie Rogers of Seagraves and Pat Billingsley of Brownfield.

Also in Del Rio for the bull fight, were Mr. Alfred Krause and Bill Kios.

A birthday party honoring Mr. B. E. Webb was given Saturday night in the home of Mr. and Mrs. E. R. Petty. Other guests besides the honoree and Mrs. Webb, were Mr. and Mrs. H. J.

Phebe K. Warner Dinner Tonight

The Phebe K. Warner Club will have dinner tonight at 7:30 p. m. in Fellowship Hall of the Methodist Church.

Members of the organization, their husbands and guests will attend.

Sherrill Family Holds Reunion

Mr. and Mrs. J. E. Sherrill of Draw had all their children at home Sunday for a reunion honoring Mr. Sherrill on his 70th birthday. The Sherrills have resided in Draw community since 1922, when they moved here from Eastland county.

The group attended Draw Methodist Church in the morning, and enjoyed a big dinner together at noon.

Those present in addition to the hosts were: X. L. Sherrill and two sons of Burleson, Mrs. Berwin (Ethel Mae) Caswell and son, John, of Perry, Okla., Mr. and Mrs. J. E. Sherrill Jr. and two sons of Boven, Mrs. T. P. (Beatrice) Brown and daughter of Brownfield, Mrs. W. M. (Myrl) Mathis of Tahoka, Mr. and Mrs. Ronald Sherrill and baby of Tahoka, Paul Sherrill and family of Lovington, N. M., and Gus Sherrill and family of Draw.

Mr. and Mrs. Sherrill left Tuesday to accompany Mrs. Caswell and son back home in Perry, Okla. and expect to return to Draw Saturday.

Mr. and Mrs. "Shorty" McNeely and Tom of Seagraves spent last week end here with Mr. and Mrs. Harley Henderson.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Behold, now is the accepted

time; behold, now is the day

of salvation. (11 Corinthians 6:2)

We do God's will when we listen

and obey the call of God. Abraham

did the will of God when he

left Ur of the Chaldees and set

out toward Canaan. Moses did the

will of God when he led the oppressed

Hebrew people out of Egypt. All the true prophets

were obedient to the will of God by

their faithful witness. Jesus did

the will of God by His fidelity to

the way of the cross.

In Europe during the medieval

times, men sought to do the will

of God by erecting magnificent ca-

thedrals in the name of Christ.

Craftsmen sought to honor and

obey God by producing stained-glass

windows of highest excellence.

By being true to "the soul's

invincible surmise" Christopher

Columbus was an instrument in

the hands of God to widen the hori-

zons of all mankind.

God is speaking to us this Lenten

season. Will we obey? Will we

identify ourselves with the cause

of God in the earth? Will we speak

in His name? Dare we be true to

the way of the cross?

PRAYER

O God, our heavenly Father, in

obedience to Thee we find true

peace. Help us to be true to Thee

this day. May we ever be worthy

followers of Thy Son, Jesus Christ.

We ask it in His name. Amen.

THOUGHT FOR THE DAY

God is calling to me; I will an-

swer and obey.—A. M. Gottschalk

(Pennsylvania.)

Flower Clinic

Next Tuesday

The Tahoka Garden Club will

hold a luncheon and flower clinic

Tuesday, April 16, beginning at

10:00 a. m. in the Fellowship Hall

of the Methodist Church.

Mrs. O. B. Ratcliff from Lub-

bock will be the guest speaker. She

and an assistant will demonstrate

arrangements during the event.

Two representatives from each

home demonstration club in the

county have been invited to at-

tend the clinic, along with Home

Demonstration Agent Wanda

Roach.

Hostesses for the luncheon will

be Mes. Skiles Thomas, Callo-

way Huffaker, Garland Pennington

and Dale Thuren.

and educational advancement of

deserving college students."

Mrs. Harding is the former Lore-

rene Childers, daughter of Mrs.

The Lynn County News, Tahoka, Texas

April 12, 1957

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
FLMER BLANKENSHIP

Still missing are the grass seeding boxes that are adaptable to Farm-all tractors. These two are made to handle several grass seeds such as blue panic, they belong to the Board of Supervisors and are for use to farmers in the District without charge. If anyone knows where these boxes are located, it would be appreciated if they would notify any of the Board members or Soil Conservation Service personnel. There have been several farmers wanting to use these boxes and the demand will be greater as planting season approaches.

Ellis Barnes, supervisor of the sub-division of the district around Wells, plans to plant guar as a soil improvement on dry land. Ellis will plant the Grabler variety of seed is available from farmers in the Wichita-Wilbarger.

He presented effective statistics Soil Conservation District. Inquiries have been sent to that District as to the availability of seed. There is still a market at Kennedy, Texas. The market price is based at four dollars per hundred for number one beans delivered at Kennedy. The feeding value of rolled guar beans as a protein supplement is being inducted at

W. T. Kidwell and Clint Sikes, who were fishing at Buchanan Lake last week, on Saturday went over to Temple to see B. R. Tate, who was operated on that day. They saw Mrs. Lee Ramsour of Athens, wife of a former pastor of the First Baptist Church here, was in the hospital the same day for an operation. Both Mr. Tate and Mrs. Ramsour, they report, seemed to have undergone the surgery in fine shape.

Rev. Silas Dixon of Southland was in Tahoka Monday greeting old friends.

The Experiment Station at Woodward, Oklahoma. Test thus far indicate that rolled guar beans are comparable to cotton seed meal as a protein supplement in livestock feed.

The Lynn SCD Board of Supervisors meet Friday, April 12th. Routine business will be carried out and twelve conservation farm plans to be approved. Plans are made for a tour, inviting all the ministers in this county to attend prior to Soil Stewardship week. This tour to be held following the regular May meeting, Friday afternoon, May 3rd.

Accuse not Nature, she hath done her part. Do thou but thine.

Willie Nieman of Lakeview has planted 10 acres of Blue Panic under irrigation for seed increase. Frank Golloher of Edith community has planted 50 acres of Blue Panic.

Reports from more than nine thousand farmers showed that conservation farming had increased the average per acre yield of all major crops by 35.7 percent per acre. What would this increase mean to the farmers and businessmen in Lynn county?

Today the submarine serves as a guided missile platform, early warning station, killer of surface and underwater vessels, scout, coastal raider, troop transport, supply ship, minelayer, and seaplane tender.

Pontiac Springs Another "First!"

-Lowest Priced Car with Tri-Power Carburetion!

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field... with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto!—the other two carburetors pour out a bonus of go as long as you need it. Ease up... and you're back to the gas-saving economy of one-carburetor operation! In short—your new Pontiac Chieftain can be tame or terrific—at the touch of a toe! Try it, and you'll see why they're biting their nails in the low-price field. Check the car... check the price... and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!

100 PONTIACS FREE!

Drive the Champ Contest

Here's all you do...

- Go to your authorized Pontiac dealer during April and test drive the 1957 Pontiac.
- Fill out the official entry blank and deposit it with your dealer... that's all there is to it!

SUBJECT TO LOCAL, STATE AND FEDERAL REGULATIONS.
