Volume 55

Tahoka, Lynn County, Texas Friday, October 10, 1958

Number 1

Cotton Ginnings Are Near 45,000 Total

More than 40,000 bales of cotton, possibly 45,000, have been ginned in Lynn county so far this year, The News estimates, based on reports from local and scattered gins over the county.

At 10:00 a. m. Thursday, a total of 6,475 bales had been processed by the four gins in Tahoka. This represents an increase of 3,000 bales in the last week.

Cotton grades are holding up fairly well, and have shown a little improvement over those picked during the damp weather. Most farmers are receiving 30 cents or better per pound.

Favorable weather of the past few days has permitted a speeding up of the harvest, although some farmers still have few or no hands.

During the past week, an increasing number of farmers have resorted to defoliating and will use mechanical pullers to harvest their crops. In fact, a few are already reported to be using machines.

Most dryland cotton is producing a half bale or more to the acre. Maize harvest was stepped up again this week, also, but cutting-of feed is expected to drag out through the fall until considerably after frost.

Benson Rice Will Get Airforce Wings

Second Lt. Stewart Benson Rice, son of Mr. and Mrs. Elmer Rice of Wilson, received his navigator's wings in graduation ceremonies Monday at Conally Airforce Base, Waco.

Mr. and Mrs. Elmer Rice and Mrs. Benson Rice's parents, Mr. and Mrs. Bill Holmes of Lubbock, went down for the exercises.

Benson is a graduate of Wilson High School, following which he attended Texas Tech and graduated in agriculture in June, 1957. He was also commissioned a second lieutenant at the time and assigned to the Army Airforce. He is married to the former Miss Madeline Holmes of Lubbock, and the couple has a baby daughter.

He will remain at the Waco base for a 30-week course in the Interceptor Radar School, before being assigned to duty.

Walton Terry Will Get Degree

Walton Terry, 20, former Tahoka High School student, and his former vocational agriculture teacher, V. P. Carter, will leave Sunday for Kansas City, Mo. where the youth expects to receive the American Farmer Degree, the highest honor in FFA work, at the National Future Farmers of America convention.

Walton will be the first Tahoka boy to receive the high honor since formation of the FFA chapter here in 1934.

The honor comes in recognition of his outstanding work in agriculture on which he has kept a accurate record since 1953. He has been recommended by the local, district and state FFA organizations.

He started his program in 1953-54, with two beef calves and one gilt for breeding, and showed calves at Lynn county, Odessa, and South Plains livestock shows. He served as president of the Green Hand Chapter, member of the district junior FFA quiz team and of the district and area crops judging teams.

In 1954-55, he raised two cows, seven pigs for pork production, four gilts for breeding, and one gilt for pig production. He showed the grand champion calf at both the Lynn county and Lubbock shows, showed a calf and barrows at State Fair, and a calf at Fort Worth Fat Stock Show.

The next year, 1955-56, he had four calves for best production. (Cont'd. on Back Page)

Roy L. Williams On ASC Board

Roy Lee Williams of Lakeview was re-elected a member of the Lynn County Soil Conservation District Board of Supervisors from sub-district 5 at a meeting of farmers in New Home Civic Center Monday night.

Other members of the board are Ellis Barnes, chairman; Elmer Blankenship, vice chairman; and W. L. (Cap) Rowe, secretary.

The election was conducted by Wilmer Smith, Delbert Mouser acted as secretary, and Joe D. Unfred and Benny Pryor, tally clerks. County Agent Bill Griffin and A. B. Cox of the SCS office also attended.

Mr. Williams, who farms about three miles north of Lakeview, has been carrying out the following SCS practices: land leveling, improved water application, water conservation in pipelines, soil improving and high residue crops, cover crops and farmstead wind-breaks.

He is scoutmaster of the New Home troop, member of New Home Baptist Church, Civic Club, and is the community representative of the Plains Cotton Growers, Inc.

Mr. Williams, who farms about three miles north of Lakeview, has been carrying out the following SCS practices: land leveling, improved water application, water conservation in pipelines, soil improving and high residue crops, cover crops and farmstead wind-breaks.

Dan Pegram, 74, Dies At Claude

Dan Pegram, 74, a Tahoka resident for about 10 years and a brother of Jim Pegram and Mrs. Ted Chancy, died suddenly of a heart attack at about 6:20 p. m. Wednesday while en route from Claude to an Amarillo hospital.

The body is at Stanley Funeral Home, but funeral arrangements had not been made Thursday morning pending arrival of relatives.

Mr. Pegram had recently gone to Claude to be with a brother, John Pegram, 81, who is now seriously ill in St. Anthony Hospital, Amarillo. While at Claude, Dan was stricken and was being rushed to the hospital but died en route.

Mr. and Mrs. Ted Chancy and son, Bill and wife, were in Amarillo at John Pegram's bedside when Dan Pegram was brought into the hospital and pronounced dead.

Mr. Pegram is survived by three sons, Joe D. of Cincinnati, Ohio, Howard of Boerne, Texas, and Johnny of Florida; one daughter, Mrs. Bertha Legg of Sudan; one step-son, Walter Elliott of Letors; one step daughter, Mrs. Elsie Williams of Suidell; two brothers, John of Claude and Jim of Tahoka; and two sisters, Mrs. Ted Chancy of Tahoka and Mrs. Flora Alexander of Norman, Ark.

Bicycle Owners Invited To Meet

Boys and girls owning bicycles are asked to bring their bicycles and come to Tahoka Fire Station Saturday morning at 9:00 o'clock to discuss membership in the American Bicycle Club.

The club has many advantages which bicycle riders should avail themselves of by membership, states Dean Taylor of the Fire Department, which is sponsoring the signing of members in Tahoka.

COUPLE MOVE TO TAHOKA FROM SPUR MONDAY

Mr. and Mrs. Thurman Morrow moved to Tahoka Monday from Spur.

Mr. Morrow is a building decorator, and Mrs. Morrow is the new accountant at Bray Chevrolet.

Mrs. Morrow succeeds Mrs. G. H. (Frances) Chestnut, who has accepted a position as accountant for Lyntegar Electric, Inc.

Roy Howard of Melbourne, Ark., and Mrs. Minnie Crusbay of Crosbyton were here Sunday visiting the Harley Henderson family.

O'Donnell Votes For City Bonds

Voters in O'Donnell Saturday approved the \$50,000 bond issue for improvement to streets, city hall structure and the municipal park.

The three improvement projects were voted on separately and results were: street, 163 for, 22 against; City Hall, 163 for, 20 against; park improvements including a swimming pool, 152 for, 31 against.

The total vote was 188, according to J. T. Forbes, mayor of O'Donnell.

Forbes said plans for the improvement projects would be made during the winter months and construction probably would begin next spring.

Will Open Bids On New School

Bids on the proposed four classroom addition to South Elementary School will be opened by Tahoka School Board next Tuesday at 4:00 p. m. in the school cafeteria.

If one of the bids is acceptable, the board hopes to let the contract for immediate start of construction.

Due to increased enrollment, the school plant is very crowded this year and every make-shift measure possible is being used to take care of the students in the best manner possible until more space can be built.

The board expects to receive bids in January on construction of the new gymnasium and physical education building.

Two Turkey Shoots At Country Club

T-Bar Country Club will sponsor two Turkey Shoots this fall at the club's new trap shooting range, announces Jack Alley obitsonian.

The first shoot will be on Saturday, Oct. 18, from 9:00 a. m. until dark, and on Sunday afternoon from 1:00 p. m. until dark.

The second shoot will be on Saturday and Sunday, November 22 and 23, at the same hours.

A new range, one of the finest on the South Plains, is nearing completion at the club, a mile west and a mile north of the business section of Tahoka. A new trap house, a concessions building, and concrete trap shooting stands are being completed which meet official specifications.

The meets are open to the public, and shooting enthusiasts are invited to come out and practice on the range. Low velocity shells only will be used and are available at the concessions stand.

Delinting Plant Now In Operation

Work of installing equipment at the Cottonseed Delinting plant has been completed and the plant is now in operation.

The new plant, located on the eastern outskirts of Tahoka, is probably the most modern one in this entire area and features the latest ideas in delinting of seed.

The owners, E. L. Short, Jack Smith, and Lee Roy Knight, expect to have an opening soon. However, farmers and others are invited to inspect the plant at any time.

Funds Needed For Scoreboard

The drive for funds to pay for the scoreboard on the Tahoka football field, sponsored by the Chamber of Commerce, bogged down this week.

Workers evidently have failed to contact fans the last seven days. A total of \$1453.35 is needed, and less than \$700.00 has been turned in.

Voluntary contributions, however, have come in from the following:

L. A. Forsythe, Clifton Hamilton, Vernon Davis, Joe Robinson, Dr. Bryce Campbell.

DEAN TAYLOR NAMED TO INDUSTRIAL BODY

Dean Taylor, local manager of Pioneer Gas Company, has received notice of his appointment to the Advisory Board of the Texas Industrial Commission.

The appointment was made by E. B. Germany, chairman of the Texas Industrial Commission, on the recommendation of Governor Price Daniel.

Gordon Harvick, son of Mr. and Mrs. Robert Harvick, was dismissed from the hospital Sunday after being admitted on Friday as a medical patient.

Mrs. Ruben Gandy was dismissed from the hospital Monday.

Bulldogs Playing At Abernathy Tonight

Tahoka Bulldogs have a tough assignment as they go to Abernathy tonight to battle the Antelopes of District 2-AA, rated as one of the better AA teams in the state.

Abernathy will be out to avenge a 24-14 defeat hung on them last year by Tahoka. Coach Royal James and his school have a dislike for Tahoka, anyway, because of rivalry while in the same district, and they can be depended on to go all out to pour it on the Bulldogs, if they can.

Abernathy has a fighting ball club that likes to win and by as big a margin as possible, while Tahoka's boys this year have barely lived up to their reputation as "bulldogs".

Coaches Bill Haralson, Dean Wright, and Tom Bartley have been working to tighten the Tahoka defense, and the boys have been showing much improvement in spite of last week's 21-0 loss to a strong Ralls team.

Abernathy features the running of Fullback Danny Miller, 170, son of the former superintendent there, and Gerald Watson, 145, son of Herbert Watson, formerly of Lynn county; also Lane Tannehill, 160, quarterback; and Jimmy Gregg, 150, halfback.

Linemen most likely to see action include: Scott Mooneyham, 185, center; Charles Evans, 165, Jim Nelson, 155, at guards; Carroll Powell, 175, and Richard Dubose, 175, formerly of Tahoka, at tackles; and Pat Attebury, 165, and Jimmy Dye, 160, at ends.

All the potential starters are seniors.

Abernathy is undefeated this year, having won over Spur 20 to 2, Tulla 15 to 14, Sundown 30 to 0, Dimmitt 12 to 6, and Slaton 32 to 0.

Tahoka has won one, over Seagraves 20 to 8. The Bulldogs lost to Seminole 30 to 0, Denver City 28 to 6, O'Donnell 28 to 20, and Ralls 21 to 0.

Housing Project Is Approved, Planning Commission Set Up

Tahoka's low rent housing project under the Urban Renewal plan of the Federal Government's Housing and Home Finance Agency has been approved and now awaits working out of other details, Mayor H. B. McCord was informed last week.

One of these is the setting up of a City Planning Commission. This was done Monday at a meeting of the Tahoka City Council. Named to the planning commission were Charles Verner, chairman, W. T. Kidwell, and Charles Townes.

The Tahoka project, financed by the Federal Government, will be 16 units on two family houses, or housing 32 families.

The houses will be built of permanent type construction, brick, concrete, or concrete block, and will be designed to pay out over a long period of time. They will be rented on an ability-to-pay basis.

Operation of the project will be entirely at the local level, and the local Housing Authority is made up of A. M. Bray chairman, Verner, Dean Taylor, and Harold Green.

However, before the project can be started, a master plan for the city's future development must be worked out by the new City Planning Commission as a protection against stores, shacks, warehouses, etc., being built in residential areas. The commission will be expected to zone the city for future development, Mr. McCord says.

Also, the local City Council will be required within the next year to pass a new City Building Code that meets present-day standards.

C. W. Carpenter Dies Suddenly

Funeral services for C. W. (Clarence) Carpenter, 55, route 2, Post, were held at the First Baptist Church in Post at 2:30 p. m. Wednesday. He passed away Monday at 1:15 p. m. at his home after having hauled a load of grain to Post. After returning from Post he ate dinner, laid across the bed and died immediately.

Burial was in Terrace Cemetery. Carpenter was born Aug. 30, 1903, at Athens in Henderson county. The family moved to Abilene in 1905 and to Lynn county in 1919. He married Esther Browning in 1927.

Survivors include the wife; five children: Gene and Donald, both of New Lynn; Mrs. Melvin (Melba) Garner, Lubbock; Jackie, serving in Army in Fort Leonard, Mo.; and Eddie Pearl of the home; two sisters, Mrs. Porter Parr and Miss Ruby Carpenter, both of Lubbock; four brothers; Floyd of Post, Ed of Denton, Dan and George, both of near Post.

Mrs. Sue Oliver Arrives At Guam

Mrs. Joseph W. (Sue) Oliver and daughter, Liz, who left Tahoka on Sept. 19 for Guam, arrived there safely and write that they are enchanted with that tropical island. Mrs. Oliver, daughter of Mrs. Winston Davies of New Home, and Liz joined their husband and father who had gone to Guam in May.

The trip from Lubbock to Guam by air took a little more than two days.

Another New Home girl, Mrs. Curtis (Sue) Aiken and son have been on the island for almost a year where her husband is stationed in the Navy. Mrs. Aiken is the daughter of Mr. and Mrs. Lawrence Taylor of New Home.

ON TV PROGRAM

Mrs. Chas. (Myrna) Verner appeared with a panel of bridge enthusiasts on a new television show Sunday at 4:30 p. m. on KCB Channel 11. The show to be presented each Sunday is called "What's Your Bid?" and Jack Clendentin is the moderator.

31 WILL TAKE COURSE

Thirty-one people have signed up to take the Dale Carnegie self-improvement course starting here Tuesday night of next week. Others are invited to sign before the course begins.

Harve McClure was dismissed from the hospital Tuesday after being treated for burns that occurred when a tank of diesel fuel exploded. He is employed by Odom Aircraft.

Mrs. Iona West is a medical patient in the hospital.

New Oil Tests Are Announced

Harmon Brown et al of Houston has announced a new Glorieta test to 4,800 feet three miles east of Wilson on the Florence Scott land, 330 feet from the north and 2,310 feet from the east lines of Section 6, Block L, GWT&P Survey.

Two new wells have also been announced in the Suniland-San Andres field, eight miles east of Wilson, by Suniland Oil Corporation of Dallas on the M. M. Bruster land, the northwest quarter of section 1274, Block 8, EL&RR Survey. The No. 1-L Bruster is 2,310 feet from the north and 2,210 feet from the west lines, and the No. 2-L Bruster is 330 feet from the south and east lines. Contract depth for each is 4,250 feet.

The two wells are in proven territory, Suniland's No. 3-U Bruster, 990 feet from the south and west lines of section 1274, topped the pay at 3,945 and tested 136.40 barrels of oil per day, 36 gravity, and 20 percent water.

No official reports are being put out on the 11,000-foot wildcat being drilled by W. E. Bakke of Midland on the Mrs. Mollie C. Edwards land east of Petty, 13 miles northwest of Tahoka, 660 feet from the east and south lines of Section 158, Block 9, E. P. Fakes survey.

Friends of Dan M. Curry, who lost his wife and two of his four children in a car accident Sunday, Sept. 21, furnished 274 farm hands who picked 78 bales of cotton Tuesday on his farm in T-Bar community.

The workers entered the field at about 11:00 a. m. and had picked the 78 bales by late afternoon, between 6:00 and 7:00 o'clock.

Among those furnishing hands, trucks, trailers, or helping in other ways were: Fred McGinty, L. A. Forsythe, C. E. Ford, James Phillips, Clyde Thomas, D. F. Hanes, W. B. Tilley, F. E. Redwine, Mr. and Mrs. H. E. Smith, John R. Gayle, Neely Brooks, and Albert Curry.

WATER DISTRICT MEET

Wayland F. Taylor has been installed as the new director from O'Donnell, succeeding J. T. Forbes, of the Canadian River Municipal Water Authority.

Donnie Hopkins Is Home Again

Donnie Hopkins, 13, son of Mr. and Mrs. Ray Hopkins, came home Saturday from the hospital and is enjoying visits from some of his friends.

He is able to be up on crutches much of the time, and his wounds are healing nicely.

Donnie was seriously butchered up three and a half months ago when he became entangled in a shredder being pulled behind a tractor by his brother, Glen, on their uncle's farm near Floydada.

31 WILL TAKE COURSE

Thirty-one people have signed up to take the Dale Carnegie self-improvement course starting here Tuesday night of next week. Others are invited to sign before the course begins.

Harve McClure was dismissed from the hospital Tuesday after being treated for burns that occurred when a tank of diesel fuel exploded. He is employed by Odom Aircraft.

Mrs. Iona West is a medical patient in the hospital.

Boys Showing Pigs At Dallas

Tahoka FFA boys expect to show about 24 pigs in the Junior-Fat Stock Show of the State Fair of Texas in Dallas Wednesday and Thursday of next week.

Three of the boys, Roy Hinkle, Gary Brazil, and Mike Orr, will leave Sunday with the animals, accompanied by Lester Adams, teacher of vocational agriculture.

Some of the other boys entering hogs will come down later.

Hogs entered include the following:

Berkshires: Walton Terry, three, and Alton Terry, three.

Chester Whites: Mike Orr, three, Roy Hinkle, Leon Hinkle, and Charlie Holland, one each.

Durocs: Roy Hinkle, Leon Hinkle, and Gary Brazil, one each.

Hampshires: Gary Brazil, two.

Poland Chinas: Roy Lee Thomas, three, and Roy Hinkle, Leon Hinkle, Charlie Holland, and Mickey Owens, one each.

Dedicate Parsonage Of New Home Church This Next Sunday

The New Home Baptist Church will have dedication services for its new parsonage Sunday, Oct. 12, during the regular morning service. The parsonage, which was approximately nine weeks in the making, was completed about four weeks ago.

Rev. Franklin Swanner, district missionary, will bring the dedication message. Following the message the ladies will serve lunch in the church. After the meal open house will be observed.

Contractor for the three bedroom brick parsonage was Carl McCusiston, and Higginbotham-Bartlett Lumber Co. was the builder.

Everyone is cordially invited to attend the dedication service, according to Hubert Austin, pastor.

Donnie Hopkins Is Home Again

Donnie Hopkins, 13, son of Mr. and Mrs. Ray Hopkins, came home Saturday from the hospital and is enjoying visits from some of his friends.

He is able to be up on crutches much of the time, and his wounds are healing nicely.

Donnie was seriously butchered up three and a half months ago when he became entangled in a shredder being pulled behind a tractor by his brother, Glen, on their uncle's farm near Floydada.

Right-To-Work . . . BUT!

It is wrong to take a blind man by the arm and shove him ahead of you, according to the American Foundation for the Blind. Simply let the blind man take your arm. He will follow you normally.

Cotton Quiz

CARD OF THANKS

May we thank from the depths of our hearts all the wonderful friends who helped in any way Monday, when 274 hands harvested 78 bales of our cotton crop. The gesture overwhelms us, and we at a loss for words to express our thanks. May the good Lord bless each of you.—Dan Curry and family.

Average price for Texas crude oil in 1957 was about \$3.10 per barrel.

O'Donnell Boys At Fair In Dallas

The O'Donnell High School chapter of the Future Farmers of America is preparing eight livestock entries for the Texas State Fair, according to James Reed, FFA advisor.

David Bessire, James Ray Moore, Kenneth Moore, J. D. Evans and Lanny Brewer will each enter two lambs in the sheep division. Evans will also enter three barrows in the swine division and Brewer will enter two barrows.

Sammy Anderson, who will enter three barrows, is the other swine exhibitor. Robert Bessire will enter a calf in the cattle division. The FFA members and their advisor will leave for Dallas on October 12. Ten members of the O'Donnell FFA recently made a trip to the South Plains Fair at Lubbock.

Billie last Saturday to visit their daughter, Mr. and Mrs. Steve Dearth. Mrs. Dearth is sick.

Billy Hatchell Is Winner At Dallas

In a bulletin received from the State Fair of Texas it seems as though Billy Hatchell, Wilson, did very well with his stock in the Pan-American Livestock Exposition.

In the chester white swine show his exhibit won senior champion boar and reserve senior champion. Other rewards Hatchell received

are as follows: Class 44-Junior Yearling Sow, first and second place; Class 47-Senior Sow Pig, first and fourth; Class 48-Senior Spring Sow Pig, third and fifth; Class Junior Spring Sow Pig, fourth; Class 54-Young Herd, third; Class 55-Get of Sire, third; and Class 56-Product of Dam, second.

Of Texas' 6,169 oil fields the 79 largest produce about 50 percent of the state's oil.

Theo Campbell Honored With Picture Of Wilson Farm At Fair In Dallas

A photographic panorama of the best in soil and water conservation efforts by Texas farmers and ranchers went on display Saturday at the 1956 State Fair of Texas, with Gov. Price Daniel as one of the first enthusiastic viewers.

Theo Campbell of Wilson was one of those whose soil conservation practices won top rating in the exhibit, and whose work was given high praise by Governor Daniel.

The exhibit, 25 framed 18-by-24 inch aerial photographs of outstanding examples of conservation in practice, is sponsored by the Association of Texas Soil Conservation Districts and the Great Southwest Life Insurance Company of Dallas. The pictures, in color, are on display in the Varied Industries Building for the run of the Fair, Oct. 4-19.

"I urge every Texan to see this when he visited the soil conservation booth Saturday as a part of exhibit," Governor Daniel said official opening-day ceremonies at the Fair. "This display is a vivid graphic presentation of what progressive Texas farmers and ranchers are doing to build up the productivity of the land. I firmly believe that such soil and water conservation efforts are vital to our economy."

The color pictures on display are of farms and ranches in all parts of Texas, from the coastal valleys to the Panhandle, from the West Texas Plains to the East Texas forests. They depict the 25 farms and ranches judged to have done the best work in soil conservation among the 185,000 members of the Association of Texas Soil Conservation Districts.

The photographs will be displayed at numerous fairs and agricultural shows following their premiere at the State Fair. The final showing will be at the state convention of Texas Soil Conservation District Supervisors in January, 1959.

Then each of the 25 top conservationists whose work is pictured will be presented the farm photograph of his farm or ranch for permanent possession. The presentations will take place at locally sponsored meetings in the soil conservation districts in which the winning projects are located.

Mrs. Wilson (Polly) Edwards of Floydada was here a few days the first of the week visiting her parents, Mr. and Mrs. G. R. (Bud) Mirkien, and other relatives.

Ladies Get Trophy At Golf Meet

Five Tahoka ladies played in the annual Ladies' Day Handicap Golf Tournament at Sweetwater Country Club Wednesday of this week and came home with the trophy for the largest number of entries from the greatest distance.

Also, Mrs. Abbie Whorton received an award for scoring the most sevens on the 18-hole round. Others from here were Mrs. Jewell Smith, Mrs. Dot White, Mrs. Anita Billman, and Mrs. Jean McCord.

There were 100 entries from a wide area of West Texas.

Congratulations:

Mr. and Mrs. Thomas Soto Rangel on the birth of a daughter, Sylvia Rangel, in Tahoka Hospital Saturday, Oct. 4, at 7:57 a. m. She weighed six pounds fifteen ounces.

MRS. BREWER DOING FINE

Mrs. B. R. Brewer, who underwent major surgery for a gallbladder ailment on Sept. 22, is now reported by her daughter, Mrs. Bairrington, to be recovering nicely at home. Her parents, Mr. and Mrs. H. W. Lamb, 84 and 82 respectively, who have been married 66 years and who live with her, are reported to be doing very well. Mr. Lamb is bedfast, but Mrs. Lamb is up a part of the time.

WILSON CLUB GIRLS ELECT NEW OFFICERS

Members of the girls chapter of the Wilson 4-H Club met recently and elected officers for the year. Officers are as follows: president, Jerrie Clem; vice president, Sue Woodall; secretary, Kathy Cummings; reporter, Loyce Baker; song leader, Charlotte Mears.

The social committee is composed of Karen Swann and Sue Hewitt.

CARD OF THANKS

May we extend our sincere thanks to the kind friends and neighbors who sent flowers, get-well cards, and other best wishes, who helped with our sick folks in our home during my illness. We love all of you dearly. Mrs. B. R. Brewer and family.

Miss Ina Ledbetter has been a patient in the hospital since Saturday.

Society & Club

Pythian Sisters Plan Banquet

Most Excellent Chief Corene Cathcart presided over Tuesday night's meeting of Pythian Sisters, Lynn Temple No. 45. A regular business session was held.

Mrs. Juanita Carpenter, who recently moved back to Tahoka, was re-instated into the temple. We are very happy to have her back.

The temple made final plans for a banquet and inflation ceremony to be held next Tuesday, Oct. 14, when Grand Chief Ruth Russell will make her official visit. The banquet will be held in Fellowship Hall of the First Baptist Church at 7:00 p. m. with the meeting beginning at 7:30 p. m. in the WOW Hall.

Visitors are expected from the surrounding cities.

Refreshments were served by Zella Taylor, Blanche Burrough and Murie Mathis to 23 members present.

Many Relatives At Anniversary

The following people attended the Fifty-fifth Wedding Anniversary of Mr. and Mrs. E. J. McCrary last Sunday in the home of Mr. and Mrs. Charley Lichey, Wilson.

Mr. and Mrs. Abbott Mash, Roby; Mr. and Mrs. Chester Box and Billy Sweetwater; Mr. and Mrs. George Holden, Big Spring; Carrolle Slate, Dallas; Mary Lou Lichey, Abilene; Mr. and Mrs. Roy Caster, Dallas; Mr. and Mrs. G. D. Ellis, Southland; Mr. and Mrs. Bill Giles and boys, Fort Worth; Mr. and Mrs. John T. King, Portales, N. M.;

Mr. and Mrs. R. W. McCrary, Jo Ann, Neyland, and Iris Lee, O'Donnell; Mr. and Mrs. R. M. Thomas and Robin, Fort Worth; Virginia and Madge McCrary, Cecil McCrary, Mike and Kenneth, Mr. and Mrs. J. F. McCrary, Mr. and Mrs. Booth H. Robbins and Sharon Kay, and Leta Vaughn and boys, all of Lubbock; D. F. Hanes, Mr. and Mrs. Carl Spears, and Mr. and Mrs. Morris L. James, all of Tahoka; L. F. McCrary, Andrews; Mr. and Mrs. Charlie Lichey, Mrs. Callie Lumsden, and Mrs. E. B. Holder, all of Wilson.

Mrs. Roy Edwards returned home Monday from Austin, where she has been for several weeks with her daughter, Deenie, and new grandson. She reports both are doing fine and that the baby is over the heart condition that developed at birth.

Mrs. Roy Edwards returned home Monday from Austin, where she has been for several weeks with her daughter, Deenie, and new grandson. She reports both are doing fine and that the baby is over the heart condition that developed at birth.

Advertising doesn't cost, it pays.

"Ham" Operators Organize Club

The amateur radio operators of Lynn county and vicinity met recently and decided to organize a club. After two meetings the club has recruited 13 members and still has several prospects. The name that the members have decided upon is the Caprock Amateur Radio Club and is headed by Bud Edler, W51EB.

The main purpose of the club is to meet each first and third Thursday nights to discuss everyday problems in operation and maintenance that arises on the "Ham" bands. Also plans have been made for several contests between the members of the club to sharpen operating skill and courtesy on the air. Social activities have also been planned for future programs.

Classes in International Morse Code will begin shortly, and anyone who is interested in obtaining an amateur license may learn more about the beginning date from Bud Edler, Bennie Thorpe or John Ed Redwine.

Thus far the club consists of members of Tahoka, Southland, Slaton and O'Donnell.

To date members are: Tahoka—Bud Edler, W51EB; Ronald Roberts, K5BUC; F. E. (Red) Redwine, K5JYC; Donnie Redwine, K5IRB; Ed Redwine, K5ERJ; Bennie Thorpe, KNSOXD, and Sue Thorpe, Slaton; James Kitten, K5JTS and Carl Magouirk, K5OGI.

Southland: Tex Trulock, K5LIB and Carl Warters K5KXY. O'Donnell: Hal Singleton III, K5LWF and Joe Burkett, K5LWJ.

WARNER CLUB MEETING

Members of the Phebe K. Warner Club will meet in the home of Mrs. J. B. Thompson on Tuesday, Oct. 14, at 4:00 p. m.

Mrs. John Reagan of Floydada was here Monday night visiting the Frank Hills and Jake Jacobs.

"Why should freedom of speech and freedom of the press be allowed? Why should a government which is doing what it believes to be right allow itself to be criticized? It would not allow opposition by lethal weapons. Ideas are much more fatal things than guns. Why should any man be allowed to buy a printing press and disseminate pernicious opinions calculated to embarrass the government."—Nikolai Lenin (1920.)

M-Sgt. Joe Raindl Is At Fort Hood

Fort Hood, Texas (AETNC)—M/Sgt. Joe F. Raindl, 42, son of Mrs. Claudia Raindl, Route 1, Wilson, recently was assigned to the 2nd Armored Division at Fort Hood, Texas.

A supply sergeant in Headquarters Detachment of the division's 48th Medical Battalion, Raindl entered the Army in September 1940.

"Science owes its effective ministry as much to the interpretative mind as to the creative mind."—Glenn Frank.

"It is the press of the United States which keeps our democracy alive and vital."—Theodore Roosevelt.

How Valuable

... IS LOCAL NEWSPAPER ADVERTISING TO LOCAL BUSINESS PEOPLE.

Here's What The Banker's American Magazine, a publication which represents a traditionally hard-headed profession has to say.

"No business man or woman in any town should allow a newspaper to go to press without his or her name and business mentioned somewhere in its columns.

"A stranger picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

Garden Club Has Luncheon Meeting

Tahoka Garden Club began the new year with a luncheon in the Fellowship Hall of the First Methodist Church on September 16.
The new president, Mrs. Garland Pennington, presided over a short business session. Mrs. Irving Stewart was elected secretary and a new member, Mrs. Charles Townes, was introduced. As a new project the club will landscape the yard of the American Legion Hall, and each member is urged to plant a tree somewhere any time this year.
Mrs. Roy Edwards presented the programs for the year. A movie was shown by Mrs. Clifton Hamilton of the Christmas Pilgrimage that the club sponsored last year.
The guest speaker was Mrs. John Powers of Lubbock. She spoke on flower shows and made flower arrangements to illustrate the basic rules of flower arranging. The annual flower show will be staged this month.

Mrs. W. C. Wharton Honored By Club

Mrs. W. C. (Louise) Wharton, organizer and director of the T-Bar Duplicate Bridge Club, was honored at Tuesday night's session for her work in making the club such a success.
She was presented a large loving cup trophy on which is engraved the words: "Louise Wharton Annual Individual Award". The award will be presented some player each year. Presentation was made by Mrs. Chas. Verner and Mrs. Meldon Leslie, and talks of appreciation were made by several others.
Winners in Tuesday night's play were: Miss Echo Milliken and Mrs. Larry Hagood, first; Mrs. Wharton and Mrs. R. C. Roberts, second; Mrs. Bill Lumsden and Mrs. J. T. Whorton, third.

Laymen's Day At Sweet St. Church

Laymen's Day will be observed by Sweet Street Baptist Church Sunday, Oct. 12. This is the Sunday that the men of the church will have charge of both the morning and evening services.
Clayton Beard will deliver the message Sunday morning, and H. L. Duckett will speak at the evening service. Boys from the junior department will act as ushers, and the choir will be composed of the men of the church.
The Brotherhood of the church will also have a meeting Monday night at 7:30 at which time all the new officers will take over their offices. A meal will be served and all members of the Brotherhood are urged to be present.

Methodist Youth Rally Held Here

The young people of the Methodist Church here were hosts for the District Youth Rally which was held Saturday from 6:30 to 9:00 p. m. One hundred fifty youths from the different churches in the district were expected to attend, but the number was a little short of the goal.

Mrs. Dallas Denison of Brownfield was the main speaker, and the youth choir from the First Methodist Church, Levelland, presented the special music. The MYF of the local church served refreshments.

Local People Attend Hudman-Polk Rites

First Baptist Church in Post was the scene for the Saturday night wedding of Miss Carolyn Ann Hudman, daughter of Mr. and Mrs. Marvin Hudman, and Travis Clifford Polk, son of Mr. and Mrs. T. C. Polk, all of Post.
Rev. Bill Hogue performed the double ring ceremony at 8:00 p. m. and Miss Mary Ann Klattenhoff of Slaton played organ selections.
Ann Wharton of Tahoka served as one of the candlelighters, and Debora and Deniece Polk, cousins of the bridegroom also from Tahoka were flower girls.
The couple will reside in Lubbock where Polk is manager of Imperial Automatic Laundries. He and Mrs. Polk are both graduates of Post High School.

Sweet Street WMU Meets Thursdays

Thursday at 9:30 a. m. the W. M. U. of the Sweet Street Baptist Church had their weekly program which pertained to the Philippines. Immediately following the program the ladies had a nursery shower to furnish the nursery department.
The pre-school Sunbeams had their meeting at 9:30 that morning also. School-age Sunbeams meet at 10:00 p. m. each Thursday afternoon.
Mrs. Jean Dyer was recently elected as the new president of the W. M. U.

MR. AND MRS. D. V. SMITH VISITING IN TAHOKA

Mr. and Mrs. D. V. Smith of Mineral Wells, formerly of Tahoka, were here this week visiting friends and relatives. They left Thursday for Floydada to visit Verner's uncle.
Returning home with them were her sister, Mrs. C. T. Oliver, and friend, Mrs. T. B. Burrows, who had been visiting them in Mineral Wells and with Mrs. Oliver's daughter, Mrs. Truman Balch, and family. While there they also attended the State Fair in Dallas.

Wilson 4-H Club Elects Officers

The Wilson Senior 4-H Club met recently to elect officers for the year. The officers are as follows: president, Sinky Weaver; vice president, Larry Meares; secretary, Charles Walton; and reporter, Bobby Stone.
All of these officers are in junior high school and plan to do a lot of work for their club.

Texas has 49.5 percent of U. S. total oil reserves.

The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

I said, I will confess my transgressions unto the Lord; and thou forgavest the iniquity of my sin. (Psalm 32:5.)

Some years ago I was pastor in a rural church. I often visited a blind man, who was almost 90 years old. I would read the Bible to him and pray. He would tell me of his work in former years.

One time when I paid a visit to him, he was very dejected. He said he had something he must confess. So he told of an old sin done in his early youth. The remembrance of it had been a burden on his soul through all the years. But he had never had the courage to confess. As a result, his heart could find no peace.

He now asked me to pray together with him that the Lord would forgive him and give him peace.

This is an illustration of the great truth given in Psalm 32. If we try to hide our sin, we will not find peace. If we acknowledge our transgressions unto the Lord, He will forgive our sin.

PRAYER
Our heavenly Father, help us, we pray Thee, to bring every sin to the throne of grace. Forgive us our trespasses and give us peace. In the name of Christ, Amen.

THOUGHT FOR THE DAY
When Christ cleanses us of sin and reconciles us to God, we find peace.
—John Hansen (Norway)
World-wide Bible Reading—Mark 16:28-32.

The most frequent cause of blindness in the United States is cataract, according to the American Foundation for the Blind. Diseases of the optic nerve, of the cornea, or the choroid and retina, and glaucoma rank next.

Tahoka Drops 21-0 Decision Here Friday Night to Ralls Jackrabbits

Tahoka Bulldogs lost another ball game Friday night to the invading Ralls Jackrabbits 21 to 0 when they again went to sleep at critical moments.

Twice in the first quarter and once early in the second, the Bulldogs threatened to score. On their first drive they carried to the Ralls six yard line, on the second drive to the 14.

The first scoring attempt was set up after John Hegi covered a Ralls fumble on their 28. Stice, Copeland and Adams moved the ball to the six, lost a yard on a miscue, and a fourth down pass to End Larry Owens failed. Four plays later, Ralls' Wheeler punted only nine yards, Calloway went for 8, but a 5-yard penalty on Tahoka and an incomplete jump pass stalled the Bulldogs on the Ralls 14.

Next time Tahoka had the ball on a fumble covered by Richard Stice on the Ralls 43, Ken Stice made 4, and on fourth down, Billy Cain faked a punt and ran 15 yards around right end to the Ralls 24. Tahoka moved to the 11, drew a 5 yard penalty, and two plays later QB Geo. Adams completed a pass to HB Copeland, who was run out of bounds on the Ralls 3. But, Tahoka was assessed a 15-yard penalty at that point for clipping. Four plays later, Richard Stice unsuccessfully tried a field goal from the 14.

The Bulldogs held again, and early in the second period were marching again when Adams lost 8 yards on an attempt to pass. With fourth down and 14 yards

GAME STATISTICS		
Tahoka		Ralls
7	First downs	5
114	Yards rushing	209
23	Yards passing	81
3	Passes complete	5
9	Incomplete	6
3	Had intercepted	0
1 of 4	Fumbles lost	3 of 4
5 for 33.6	Punts, avg.	4 for 20

needed, another pass was attempted from the Ralls 44, but HB R. P. Surratt intercepted on his 35 and returned the ball all the way back to the Tahoka 32. Two running plays netted 8 yards, and then HB Bobby Dennard broke over his right tackle and raced 24 yards to pay dirt. Then he ran over the extra point to make the score 8 to 0.

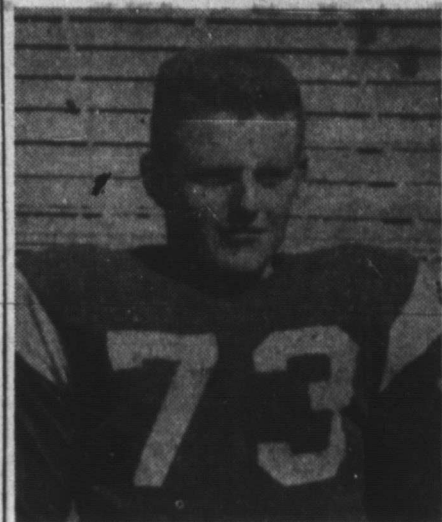

Tahoka had presented a fine defensive game until this point. In fact, the defensive battle continued until well into the fourth quarter. Ralls was on its 30, following a 15 yard penalty, when HB James Boydston completed a 9-yard pass to QB David Wheeler. On the next play, he faded back and heaved a long one to End Wayne Garner away down field, who snatched the ball and raced over the goal line. Boydston kicked the extra point. Score, Ralls 15-0.

Tahoka failed to move, kicked, and on the first play from scrimmage, Boydston went off left tackle and ran 51 yards to score again. Score, Ralls 21-0.

Except for six or eight plays, three of them good for touchdowns, Tahoka's defense had almost stymied

ed Ralls. But, Ralls had also stopped each Tahoka drive. Outstanding boy on the field was RT Billy Edwards of Ralls who was in on almost every tackle and was almost directly responsible for stopping Tahoka.

Also on the bright side was the fine punting of HB Robert Cloe, who had a punting average of 33.6 yards.

The Tahoka boys put up a game battle, but still have not learned they have to play it tight every down, rush the passer and defend against reception of passes. Too, they pulled a boner that possibly broke the game open when they tried a pass on fourth down with 14 to go on the visitors' 44 and got it intercepted.

If the Bulldogs can battle all the way, they may still have a chance to give Abernathy a good game tonight.

Lazbuddie Plays At New Home

Lazbuddie comes to New Home tonight, and the Leopards hope to make their record 3-3 for the year if they can down the Longhorns.

At New Home Friday night, Meadow Bronchos came out on top in a hard fought game 19 to 14. Kaiser scored for the Bronchos in the first quarter and then added the conversion, and a few minutes later Smith scored again for the visitors.

David Crooks broke away in the third quarter and ran 55 yards for New Home's first score, and shortly later broke away on a 50 yard scoring gallop. Wesley Dean scored two conversion points, but in the fourth Meadow scored on a 20-yard pass play to win the game.

Average depth of wells drilled in Texas in 1957: 4,207 feet.

O'Donnell Winner Over Stanton 28-12

O'Donnell's high-flying Eagles go to Coahoma this Friday after nailing a 28 to 12 victory on the Stanton Buffaloes at O'Donnell last Friday night.

Lanny Brewer ran the opening kickoff back 80 yards to start the Eagle scoring and Roger McMillan carried over for the conversion. Other first period scores were on a 33 yard gallop by Neal Shaw and a 24 yard run by David Bessire. Bessire passed to Ken White for one conversion. In the third period, White took a 25 yard pass from Tommy Gardenhire for O'Donnell's other score. Stanton scored in the second and fourth periods.

Wilson Mustangs Going To Ropes

Wilson Mustangs still have a chance to get in the victory column this week when they play a comparatively weak Ropesville team at Ropes.

Last Friday at Lazbuddie, the Mustangs lost 12 to 8 when the final whistle stopped the Lynn county boys with a first down on the Lazbuddie one-foot line. Lazbuddie scored on a pass in the first quarter and on another in the third. Wilson's Billy Weaver ran 15 yards to score in the second quarter, and Robbie Weid added the conversion points.

FOOTBALL SCORES	
Ralls 21, Tahoka 0.	
Spur 43, Matador 20.	
Abernathy 32, Slaton 0.	
Floydada 12, Lockney 0.	
Denver City 36, Sundown 22.

THE NEWS

Bible Topics -

By Leroy Cowan

WHAT SHALL IT PROFIT? . . . Multitudes are interested in profit. Crops are planted in hope of increase. Businesses are established to make the owner a gain. Trades are entered into with expectation of profit. But many people are interested only in earthly gains. Some have a slight interest in spiritual profit but it is greatly outweighed by worldly desire. This ought not to be so.

Jesus had several things to say in regard to these things. "What is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?" Matt. 16:26. Jesus, after telling of one who had profited much in worldly goods but had not shown proper concern of the weightier matters, said, "But God said unto him, Thou fool, this night thy soul shall be required of thee." Read Lk. 12:16-21.

The question was raised again when Jesus said, "What is a man advantaged, if he gain the whole world, and lose himself, or be cast away?" Lk. 9:25.

There is no consolation in spiritual bankruptcy.

CARD OF THANKS
I would like to express my sincere thanks to the nurses for their kindness shown me during my stay in the Tahoka Clinic; also to the doctors for their wonderful assistance during my illness. The cards, flowers and visits will always be remembered. May God bless you all.—Mrs. Jodie Nevill.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

According to all official estimates, the Federal government will have a deficit in the 1959 fiscal year of \$12 billion.

Since World War II, only one year has the deficit been higher, and that was in 1946 when the war costs had not yet been stopped.

In fact, the 1959 deficit promises to be at least 20% higher than the deficit in peak year of Korean War.

This situation has prompted government on several occasions recently to caution business to hold a price line. Part of these statements are due to the fact that the value of the dollar, in terms of what it will buy, has shrunk from a little over 71 cents in 1946 to 48 cents in 1958.

Yet in their official pronouncements, no mention is made of the fact that taxes have been the greatest factor in the devaluation of the dollar.

It is more than of passing significance that the dollar was at its highest value in 1946, the year the foreign give away programs started, and that every year since then, as the bills along the nation's Main Street have been tapped for more than \$50 billion to throw away around the world, the value of the dollar has constantly declined.

It still seems obvious that you can't rob Peter to pay Paul.

While as it is argued, it may be to the American interests to have everybody fat, sassy and happy, 170,000,000 Americans cannot provide Utopia for almost 3 billion people and remain solvent.

And while it may be true that if the U. S. taxpayers provide flush toilets to every Hindu family, the Indians may have a happier outlook on life, it does not necessarily follow that unless after 6,000 years or so, they have modern plumbing all of a sudden, they are going to go communist.

And every dollar diverted to such high-sounding projects just reduces by that much the capital needed to start, or expand fresh American independent enterprise.

The nationwide membership of the National Federation of Independent Business has on several occasions gone on record as favoring the ending of the foreign give away programs.

These expressions have not been based on a lack of knowledge of the poverty existing in many parts of the world.

But as businessmen, they know that no family, no business, no nation, can long survive on a system whereby continuously more is spent than is taken in.

And as businessmen, they also know that even if they are running in the red at the present, if they take a plan to the bank showing how they plan to get back into the black again in the near future, they will get sympathetic interest and attention.

In addition, as evidenced by the current news, 12 years of paying blackmail have done little to insure peace and security.

Instead, judging by recent events at the North Pole, it appears American security rests with men of ingenuity and courage such as Admiral Rickover, supported by the resources of a free enterprise system, rather than relying on prevailing whims of some desert Bedouin.

Denver Ford Is Honored At ACC

Abilene, Oct. 9.—The Department of Agriculture at Abilene Christian College has landed the state's two top boys in the two major farm youth organizations in America and one of them is Denver Ford who hails from Tahoka.

Ford is the newly elected president of the Texas 4-H and a freshman student; Billy Penn, last year's state president of Future Farmers of America from Lufkin, is also enrolled at ACC as a freshman.

In addition to being presidents of these organizations the boys have won various other honors. Ford is the recipient of a Santa Fe award which will include a trip to the National 4-H Club Congress to be held in Chicago in November. On Oct. 3, he received the State Fair Honor Award along with 11 other boys from their outstanding records in 4-H. Ford will begin his duties as state president in January as he begins his eighth year in 4-H activities. Also keeping him busy will be his major of range management and his activities as a member of ACC's freshman track team. He has a track scholarship at ACC but in coming here he turned down an Anderson and Clayton Scholarship to an agricultural school.

Included in his duties as state 4-H president he will deliver the 4-H Proclamation to Governor Price Daniel in January, he will be honored at two stock shows, attend a Planning Convention to schedule 4-H activities for the year, and preside at the state 4-H Council in August.

General activities and projects which he has undertaken in his seven years as a 4-H member include raising swine, beef cattle, field crops, and working as a member of an entomology team which studied the identification of bugs and insects.

In 1956 he was rated high individual in the state entomology contest and he served as president of the Lynn County 4-H for two years.

New Program Plan At Rose Theatre

Students in school can now see every movie shown at the Rose Theatre without having to attend on a school night, according to George Western, manager. He states that students can see a movie on Friday night after the football game, see the regular Saturday show, stay for the late preview Saturday night, see the Sunday program, and they have seen all the shows on the big screen.

If students miss the late show Saturday they can still see it on the following Tuesday or Wednesday. Western also provides the following movie menu for the student: Remember, it's so important that you complete your homework.

Terry . . .

(Cont'd. From Front Page) 13 pigs for pork, two for pig production, planted 15 acres of milo and 15 acres of cotton. He was a member of the livestock judging team which participated in district, Texas Tech, and Stanton contests, was a member of the Senior District Chapter Conducting team, was a delegate to the State Convention, and showed calves at the Odessa and Abilene shows.

In 1956-57, he had 68 acres of cotton, 92 acres of milo, three pigs for pork, two sows for pig production, developed one gilt for breeding and one boar for service. He assisted in training Leadership teams, Livestock and Dairy Cattle teams, and in grooming and showing livestock at Dallas and Lubbock.

Parents Day At Wayland College

Parents' Day at Wayland College in Plainview Oct. 20 will welcome parents of Wayland students to the campus with activities especially planned for their entertainment and to acquaint them with the college.

Hosts for the day's activities will include Roma J. Brewer, daughter of Mr. and Mrs. C. A. Brewer of New Home and Margaret and Mary McKee, daughters of Mr. and Mrs. L. D. McKee, Tahoka.

Parents will begin the day by attending classes with students. A special Parents' Forum is scheduled for the afternoon and is expected to be one of the highlights of the day. The forum will enable parents to question a panel of faculty and staff members on policies and programs of the college.

Groundbreaking ceremonies for the college's soon-to-be-constructed Flores Bible Building will be the highlight of the day. The groundbreaking is scheduled for 2:30 p. m.

Geo. Mahon Speaks At Farm Bureau Meeting Held Here Monday Night

New directors were elected, objectives for the coming year planned, and a discussion of possible future farm legislation led by Congressman George Mahon by about fifty farmers attending the annual Lynn County Farm Bureau meeting Monday night in the Legion Hall. President Bertice Askew presided at the meeting.

Two directors were re-elected to the county board, Woodrow Brewer and B. H. Jones, and Edward Bartley, Charley Lichey, and Carl Griffing were elected as the new members. Hold-over directors are Askew, Loyd McCormick Jr., Julian Pirtle, Melvin Wuensche, James Brookshire, and Lewis Allsup. McCormick has been vice president the past year, and Pirtle has been secretary.

Officers will be elected by the board at its next regular meeting on the third Monday night, October 20.

Mr. Mahon's talk was a very informal one, but seemed to be much enjoyed by his audience as he frequently asked for individual opinions on the future of farm legislation. His audience responded well, and he declared that the discussion was very helpful to him in determining what the farmer of this area wants.

He declared it has been very hard for him to determine what the majority of farmers in this congressional district actually want in the way of legislation as there have been so many different opinions of the farm dilemma—which no one knows for sure how to solve. He spoke very frankly on the farm outlook, which is very gloomy.

He said we are becoming more and more an industrial nation and less and less an agricultural empire. The city man does not understand our farm problems. For example, he wonders why, when there is a surplus of farm products, we as a nation have to go to the expense of supporting farm prices and to the expense of importing braceros when there is a surplus of labor. Both the city Democrats and city Republican leaders

in government are responsible for this line of thinking.

Mr. Mahon said representatives from the farm areas had a hard time getting the legislation they did get this year. They had a hard time getting an extension of the bracero law for two years, and he does not believe it will be renewed two years hence.

He pointed out the tremendous surplus of unneeded feed grains, which amounts to a year's production plus a one billion bushel surplus. Cheap feed will lead to stagnation in the livestock market, and if the grain acreage is controlled we will have surplus farm land on our hands.

In regard to the cotton problem, he pointed out that under the new legislation, with which he was not entirely satisfied, after 1961 the support price will be 65 percent of parity. Many cotton farmers say they cannot survive on such a basis when the supplies he has to buy continue to rise in price. Two other questions were also raised: Can we survive on further acreage reductions, and can we survive unless we compete in price with the synthetics which have already replaced 19 million bales of world cotton a year?

He said one of our greatest needs as farmers is more unity. Resolutions presented by Lynn County Farm Bureau members were read by Charles Reid, and the following were passed on vote of members present.

1. Requesting that farmers receive Social Security benefits when permanently disabled at age of 50.
2. That all vehicles must have proof of liability insurance before they can be registered.
3. That parents or contractors and not the employing farmer be made responsible for underage children picking cotton.
4. That the bracero program be put under the Agricultural Department instead of under the Labor Department.
5. That Texas Farm Bureau use its influence for installing of automatic cotton sampling at the gin and that the sample follow the bale of cotton to the market.
6. That the micro test be placed on the green card.
7. That motor vehicle speed limit on suitable stretches of road be raised to 70 miles per hour.

President Askew outlined some of the objectives presented in resolutions last year which had been achieved. These included securing the cooperation of local Texas Highway Department workers, in not blading paving aprons so deeply and allowing a cover to grow instead through use of shredders, and installation of more "yield right-of-way" signs; setting up three- and five-year fire insurance policies, which is being worked on; cooperation of schools, where possible, in setting up classes in mornings for children of transient labor; getting Lynn county included under the 2-4-D law, and others still being worked on by the state organization.

Askew called attention to the fact that the Lynn county Queen (Cont'd. on Back Page, Sec. II)

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, OCTOBER 10, 1958

Football Film At Rotary Club

Last Thursday's Rotary Club program featured the color film, "1957 Southwestern Conference Football Review," narrated by Kern Tippie, see broadcaster, arranged through the courtesy of Bill Chaney, local Humble dealer, who was a guest of the club.

The film features highlights of many of the outstanding Southwestern Conference games of last year, and parts of two games in which Texas Tech participated were shown.

The program was arranged by Maurice Small.

Junior Rotarian guests for the month of October are Billy Tomlinson and David Bray, who were introduced by the latter's father, A. M. Bray.

The use of special lenses and magnifiers by people with low vision has increased enormously in the past year, according to reports released by the American Foundation for the Blind.

Cotton Quiz

During the past year the American Foundation for the Blind has conducted surveys in Ohio, Massachusetts, Idaho, Oregon, Arizona, and Pennsylvania in cooperation with more than 1500 health and welfare agencies.

Janey Ware Is Band Sweetheart

Janey Ware, senior in high school and daughter of A. E. (Pete) Ware, was crowned Tahoka High School Band Sweetheart during the half-time activities of the Tahoka-Ralls game Friday night.

The sweetheart's identity was revealed when drum major Mickey Owens rewarded her with a glittering crown. Janey's attendants were Linda Williams, daughter of Mrs. Gussie Williams, and Mary Jane McCord, daughter of Mrs. Lillian McCord. The three young ladies were brought onto the field in a new Pontiac convertible driven by Karen Kidwell, also a member of the band.

The Tahoka High School Band formed a huge heart in the center of the playing field where the sweetheart was crowned. Escorts for the three sweetheart nominees were Mickey Owens, Lonnie Wheeler and Terry Spears.

Texas has 182,932 oil wells in 6,169 fields. (March 29, 1958.)

Bert Stice's Uncle Was Trail Driver

The Sherman Democrat carries an interesting story on the late Uncle Jason Deaver, a great uncle of Bert Stice of Tahoka, who died recently at the age of 94.

Bert says that Uncle Jason's mother died at 87, a sister died at 84, and there are two nieces at Lubbock, Asie Bell Scott, 81, and Vina Purcell, 82.

Uncle Jason, retired rancher and old time horse wrangler who once rode the cattle trail to Indian Territory, was born Oct. 7, 1863, and went to work at 17 for Jot Guster, early Grayson county cattleman.

He remembered the open range days of Grayson county. With Guster, he made several cattle drives into Oklahoma and Kansas. Mr. Deaver never married, but lived all his life just a short distance from the log cabin in which he was born.

"Those who struggle to keep America informed can enjoy the satisfaction of knowing that their contribution to the cause of freedom is mighty. They well deserve the respect and gratitude and support of all our people."—Dwight D. Eisenhower.

High horsepower "heavies" too thirsty? 	Tired of parking a big, bulky car? 	Longer, wider '59 cars won't fit your garage? 	Little foreign cars too little? 
--	---	--	--

HERE'S RAMBLER '59

THE COMPACT CAR WITH THE BEST OF BOTH:

BIG CAR ROOM • SMALL CAR ECONOMY

• NEW PERSONALIZED COMFORT • EVEN MORE ECONOMY FOR '59

NEW! 1959 RAMBLER CUSTOM CROSS COUNTRY. Features new beauty, new economy, 108-inch wheelbase. Economy Six or Rebel V-8.

NEW! TALL HUSBAND, TINY WIFE—each has the most comfortable legroom. Sectional sofa front seats glide forward or backward, individually. Here is Personalized Comfort!

NEW! ADJUSTABLE HEADRESTS. Airliner Reclining Seats now offer new individual adjustable headrests. Seats also make Twin Travel Beds. Here is Personalized Comfort!

HAVE YOU BEEN DISMAYED as word of the new 1959 cars shows most will be even longer, wider, heavier and thirstier for gas than ever?

Here's good news from Rambler, the top car in sales gains. The new 1959 Ramblers on display today, while brand-new in styling, brand-new in exclusive differences, are still trim and compact. Gasoline mileage is even better!

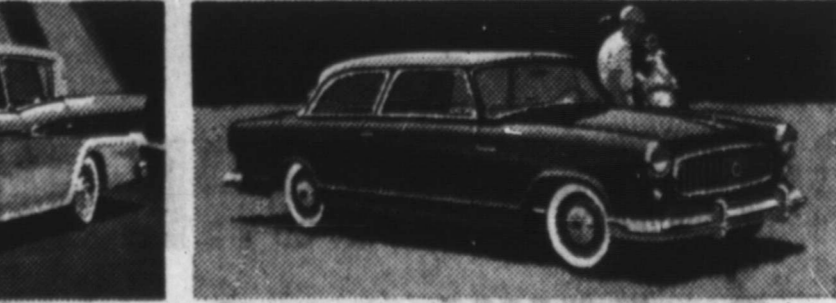

See smart new interiors with room for six 6-footers. Try Personalized Comfort. Sectional sofa front seats for driver and passenger let each choose the most comfortable legroom. Airliner Reclining Seats offer new adjustable headrests. Try All-Season Air Conditioning, Air-Coil Ride, every pushbutton convenience. Get the best of both: big car room, small car economy, in the compact new 1959 Ramblers. See and drive them today at your Rambler dealer's gala display.

NEW! 1959 AMBASSADOR COUNTRY CLUB HARDTOP. Smartest new luxury car. 117-inch wheelbase. 270 HP V-8. High power per pound.

NEW! 1959 RAMBLER CUSTOM FOUR-DOOR SEDAN. 108-inch wheelbase. 215 HP Rebel V-8, Economy Six. Easy to handle, park and pay for!

NEW! 1959 RAMBLER AMERICAN CLUB SEDAN. 100-inch wheelbase. The small car offering fully automatic transmission, Airliner Reclining Seats.

ARMY

jargon would say that the FORRESTER INSURANCE AGENCY, 1611 Main Street, is right on the ball. We move so fast the

DRAFTS

we stir up might give people bad colds if we weren't careful. If you're bringing insurance problems to us for the

FIRST

time you'll be amazed at how the FORRESTER AGENCY smooths out the troublesome details the way a new highway is smoothed by a bunch of

GRADERS!

Don't be a statistic!

According to highway safety authorities, most serious automobile accidents happen at night. Poor visibility is an important cause.

Now that the days are getting shorter, it's a good idea to make sure that your car's headlights are properly focused and bright enough, and that your taillights and turn indicators are functioning properly. Your Phillips 66 Dealer will be glad to help you keep the lighting equipment on your car in top condition. Also, he has the fuses and sealed-beam units to fit your car.

If you possibly can, try to arrange your trips so that night-driving is kept to a minimum. When driving is unavoidable, take it easy, and the first time your eyelids get heavy, pull over to the side and get some rest. The life you save may be your own!

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) HOWE
ELMER BLANKENSHIP

Prevention is the best way to deal with Soil Compaction. Several tips of ways to avoid this problem are:

1. Machine operation should not be carried out while the soil is wet. Frequently soils are damaged after rain or irrigation when farmers are alarmed about the late season or vigorous weed growth.
2. Adding organic matter builds up the soils resistance to compaction. Rotation with grass or pasture crops is a good way of adding this material. Cover crops grown in off seasons and turned under as green manure before the main crop is planted is another. A third method of adding organic matter is the proper use of plant residue and other waste materials.
3. Minimum tillage of the soil

up the soils resistance to compaction. Rotation with grass or pasture crops is a good way of adding this material. Cover crops grown in off seasons and turned under as green manure before the main crop is planted is another. A third method of adding organic matter is the proper use of plant residue and other waste materials.

Bible Class Seeks More Members

Men's Downtown Bible Class committee members have been named by Johnnie Reasonover, the new president, who has announced that a special effort will be made to increase attendance.

Members of the attendance committee are: Carl Griffing, chairman, D. C. Davis, Earl Tunnell, and Happy Smith.

The teacher committee is composed of Wynne Collier, chairman, Jess Gurley, and Louie Weathers. Reasonover said there are several outstanding teachers in the class, but a teacher from out of town will be brought in occasionally to provide variety and stimulate interest.

The committee in charge of visiting the sick, sending flowers to those in sorrow and aiding those in distress is composed of Roger Bell, Meldon Leslie, and Pat Patterson. Secretary Wilton Payne is the chairman.

Wilmer Smith, prominent farmer and Methodist layman of New Home, will teach the Sunday School lesson next Sunday morning. Bill Ware was the teacher last Sunday, and Calloway Huffaker will teach the lesson the last two weeks in the month of October.

The class meets each Sunday morning in the WOW Hall, beginning at 9:45, when coffee is served. Although sponsored by the Methodist Sunday School, the class is designed as a non-denominational one and is open to all men of the community.

"A people without reliable news is, sooner or later, a people without a basis of freedom."—Harold Laski.

"No town can hope prosperity and trade, unless the press shall vigorously aid."—Eugene Fitch Ware.

should be practiced. Tilling the soil as little as possible requires judgment on the part of the operator. As much as possible, cultivation should be limited to seeded preparation and weed control.

Tax Tips

Farmers, within limits, can deduct soil and water conservation expenditures even though they are capital in nature; if the expenditure is for a depreciable asset, however, no separate deduction is allowed. You can also deduct assessments of a soil or water conservation district which, if you made them directly, would be deductible on your own returns. But this doesn't mean you can deduct an assessment for depreciable costs of the district, nor does it pass through the district's depreciation to you.

The Lynn SCD conducted a brief meeting of supervisors at New Home as guests of the New Home Civic Club.

O'Donnell Sailor Aboard Destroyer

San Diego, Calif. (FHTNC)—Francis E. Barnett, yeoman first class, USN, son of Mrs. Lola A. Barnett of O'Donnell, and husband of Mrs. Virginia E. Barnett of National City, Calif., returned to San Diego, Calif. Sept. 28, aboard the destroyer USS McDermut, after a seven-month tour of duty in the Far East.

During the cruise the McDermut took part in joint exercises with other allied countries and patrolled the Formosa Straits.

Between fleet operations, the destroyer's crew visited Sydney, Australia; Manus Island; Manila and Subic Bay, Philippine Islands; Yokosuka, Japan; Midway Island; and Pearl Harbor, T. H.

Legal Notices

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: All of the Heirs of Turner Joyce, deceased, all of the Unknown Heirs of Turner Joyce, deceased, and all of the Unknown Heirs of the Heirs and Unknown Heirs of Turner Joyce, deceased, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable County Court of Lynn County at the Courthouse thereof, in Tahoka, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 17th day of November A. D., 1958, to Plaintiff's Petition filed in said court, on the 2nd day of October A. D., 1958, in this cause, numbered 883 on the docket of said court and styled In Re the Estate of Turner Joyce, deceased, No. 883, County Court of Lynn County, Texas.

A brief statement of the nature of this suit is as follows, to-wit: Being a suit to establish and decree who the heirs of Turner Joyce, deceased, are, the said Turner Joyce having died intestate in the State of Washington in November of 1955, and to establish the interest of each heir in the estate of the said Turner Joyce in accordance with the allegations, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates herein and make due return as the law directs.

Issued and given under my hand and the seal of said court at Tahoka, Texas, this ... day of October A. D. 1958.

Attest: Beulah Pridmore, Clerk, County Court, Lynn County, Texas (SEAL) 1-4c

Methodist Men Hear Slaton Man

Frederick de Vries, nationally famed photographer from Marinell's Studio in Slaton, was the speaker at the monthly meeting of the Methodist Men Monday night in Fellowship Hall of the church.

His unusual talk, illustrated with color photographs, featured the Disciples of the Bible as interpreted by a friend of Mr. and Mrs. de Vries, a Miss Sune Richards of Milwaukee, Wisconsin.

He told how the lady a number of years ago, imbued with the spirit of Christianity and from study of the Bible, saw a man on a bus in Chicago who, to her, was the image of Simon. She asked the man to pose for a photograph, but he refused on the grounds that he was not saintly enough. But a year later, he called her and told her he was ready for the photograph. A Bible student himself, he had grown a beard, secured a kid goat, and Miss Richards in her camera caught a wonderful pose of "Simon, the Zealot."

Other pictures she made over the years and shown by de Vries included:

Matthew, a bicycle rider she met in Chicago who took two years of persuasion to get a pose; Bartholomew, who she met in a park; Jude, a young ministerial student from a wealthy family; Phillip the Greek, the smiling Disciple, a student originally from Jerusalem; Thomas, a quiscal sort, an actor friend of hers; Andrew, a Jewish boy and a technician at a TV station; Peter, a Sears & Roebuck sewing machine demonstrator; James, the same model as used for Matthew, several years later; James the Less, her own brother; Judas, an actor; John, an artist; and Jesus, a minister.

His talk was interspersed with humor and interesting observations on life and characters he had met.

The program was arranged by Larry Hagood, who introduced the speaker.

The dinner was served under the direction of Jess Gurley.

President Milt Draper announced that next month's meeting will be on the second Monday night, when Dr. Emil Prohl will be in charge of the program and Louie Weathers will be in charge of the meal.

Mr. de Vries announced that the photo artist, Sune Richards, will talk in person Monday night, Oct. 20, at 7:30 p. m. in the First Methodist Church of Slaton. All people of this area are invited to hear her.

Surveys show that blind beggars often receive from \$5.00 to \$6.00 an hour, according to the American Foundation for the Blind, which insists that the vast majority of blind people oppose mendicancy in every form.

Mahon Talk . . .

(Cont'd. from Page 1, Sec. II) candidate, Miss Carolyn Aldridge, was selected as the District II representative in the State contest at Corpus Christi.

Jack Moore, state representative from Brownfield, made a brief talk urging an increase in Farm Bureau membership.

Askev stated Lynn county exceeded its quota of 700 members in Farm Bureau last year. To date this year, the Farm Bureau has 612 members and needs 113 more to reach its 1958 quota of 725. These should be signed before October 31 to reach the quota.

Following the meeting, coffee, doughnuts and sandwiches were served those present by Mrs. Elnora Curry, office secretary, and several wives of members.

Everyday Religion

By

J. B. Thompson

The old saying, "He's a chip off the old block" carries a deep philosophy of parental responsibility and opportunity. "Like father, like son" is also the assertion of a responsibility that is both sobering and heartening to serious minded fathers. The age old question of heredity and environment works both ways in the home. One explanation we heard once put it thus: "Heredity is what a son blames on his father and environment is what he blames on his wife and children." Sons usually show the characteristics of the father, be they good or bad. The son should, however, out-

strip the father. If his opportunities are what they should be in an advancing civilization the "chip" should outgrow the "old block." There is a story from the life of Justice Oliver Wendell Holmes of the son of a Supreme Court Justice who was practicing before his father's high court. During the skillful presentation of his case the father beamed with justifiable pride. Justice Holmes scribbled the following note and passed to his proud colleague: "He is a block off the old chip."

"The spoken word exists for the moment only. On the other hand, the printed word is recorded for today, tomorrow and for the next century"—R. A. Claypool.

"We have the newspaper, which does its best to make every square inch of land and sea give an account of itself at your breakfast table."—Emerson.

Land Bank Loan Values Increased

The Federal Land Bank has adjusted its loan values upward and is now in position to lend more on most properties, according to Ross Smith, Secretary-Treasurer of the Tahoka-Post National Farm Loan Association. This added loan value is important to persons buying land and to those who use long term credit on their farms and ranches.

The Tahoka-Post National Farm Loan Association now has 456 loans outstanding for \$2,500,000 in Lynn and Garza counties, Mr. Smith said.

The directors of this farmer owned corporation are: Fred McGinty, Vernon Wilhoit, J. M. Small, T. L. Jones, Avery Moore, Jr.

The average Texas well produced about 17 barrels a day in 1957.

O'Donnell Plans Homecoming Oct. 24

The annual homecoming of O'Donnell High School will be observed Friday, Oct. 24, for all ex-students of the school. President

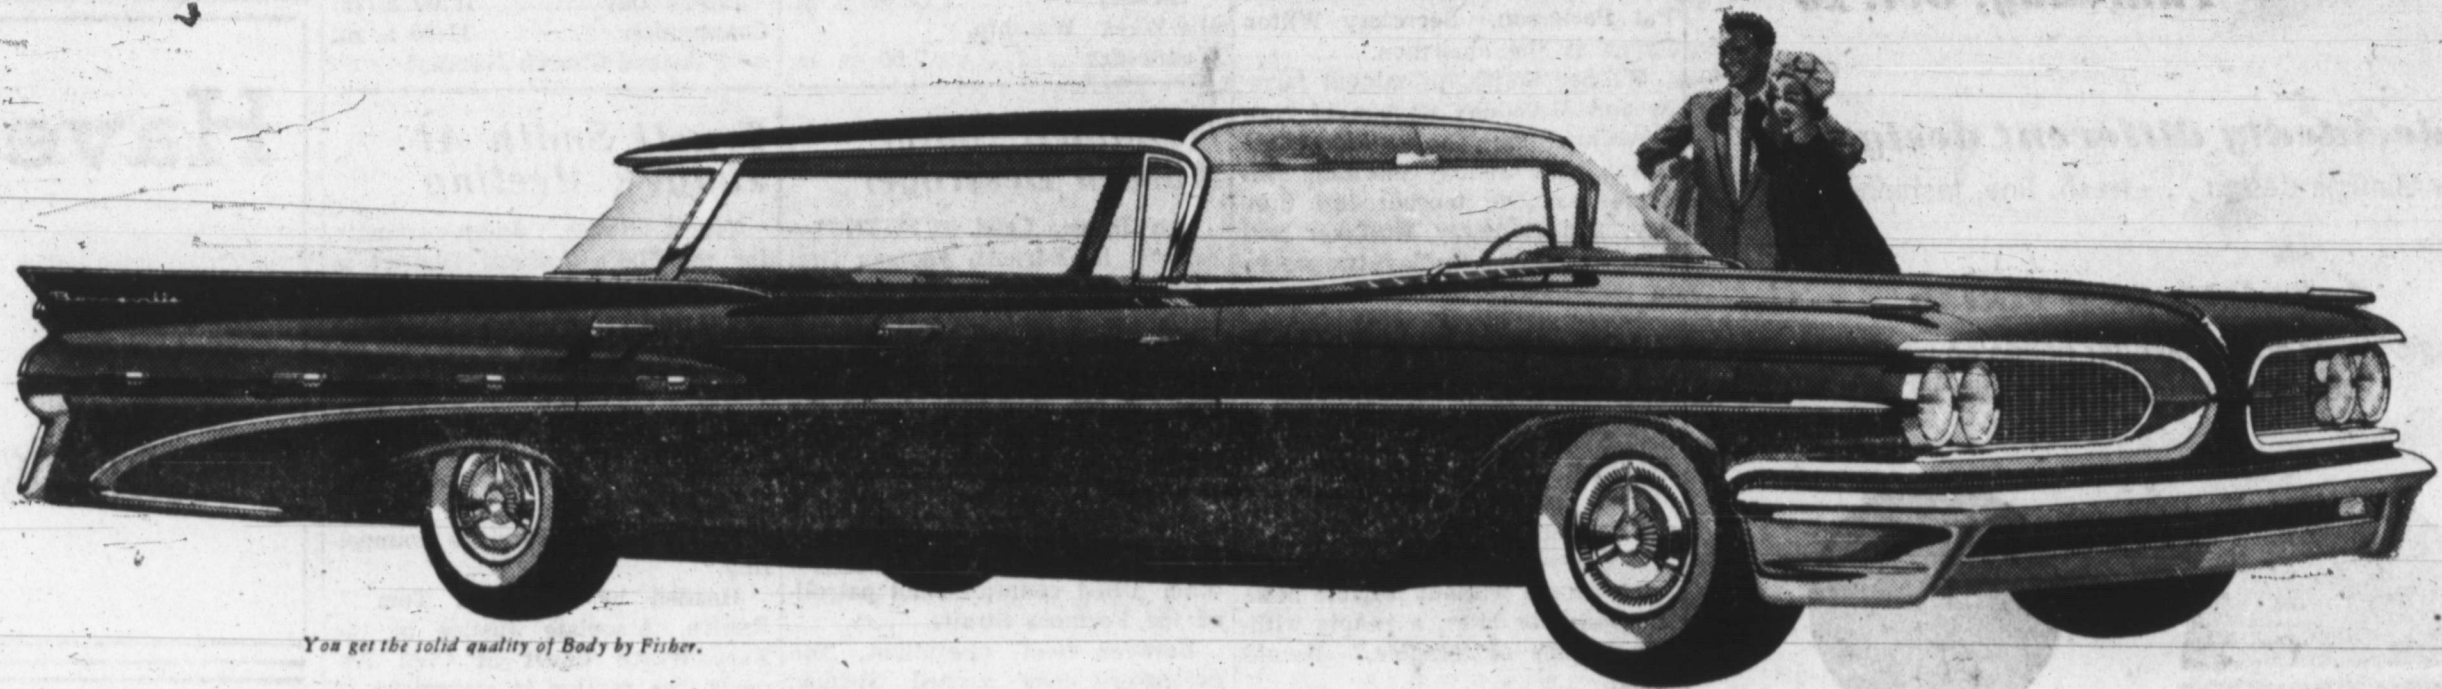

of the Ex-student Association is J. C. Harris, and Mrs. Gus Sherrill of Draw is vice president. Mrs. Roger Doss is secretary-treasurer. Entertainment will consist of the annual banquet and the Plains Eagle football game. As usual a big homecoming is being planned.

You get the solid quality of Body by Fisher.

Who in the world built this beauty . . .

the only car with wide-track wheels?

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known—in America's Number ① Road Car!

PONTIAC! America's Number ① Road Car!

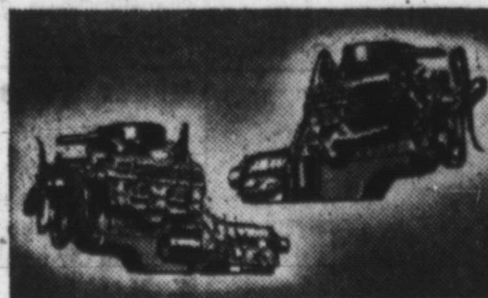

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. You'll discover this beauty handles city corners and clings to country curves in a way conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!

Come in and see why no other car can possibly be so new as the new Pontiac—three great series: the magnificent Bonneville, the dramatic Star Chief and the brilliant new Catalina.

2 Great New Engines

If you love action—you get the liveliest on wheels with the new Tempest 420 V-8, acclaimed by automotive experts as America's most advanced power plant.

If you want the accent on economy, choose Pontiac's revolutionary new Tempest 420E. This new V-8 actually delivers better mileage than many smaller cars with so-called "economy engines" . . . and it uses regular gasoline fuel for further savings!

Seats Wider than a Sofa

Plus plenty of leg and head room. Pontiac's living-room comfort lets you change position naturally . . . choose the way you like to sit—not the way you have to! Pontiac seats offer still other new comfort advantages over the average sofa. They're wider, have higher backs and slant downward at the rear for maximum support under the knees for safer, more comfortable driving.

Air-Cooled True-Contour Brakes

High efficiency cooling flanges in the air stream dissipate heat far faster . . . 39% bigger drums absorb quick-stop heat . . . 25% thicker lining lasts far longer . . . 10% greater lining contact plus true-contour fit of lining and drum mean precision action, less pedal effort. The industry's largest front cylinders give better front and rear brake balance for smoother, high speed stops.
